WET COURTS PREVENTED MATCH WITH HALIFAX SOUTH END TENNIS CLUB

The entertainment of a party from the South End Tennis Club of Halifax, on Saturday, an event which would have been the most satisfactory in the club's history had it not been postponed on account of wet courts.

The party which included Jack Edwards, Maritime champion in men's singles, and doubles, Miss W. McPartridge, joint holder of the Maritime crown in ladies' doubles with Miss Hilda Douglas, Miss D. Symonds, mixed double champion with James Buttler, and Mr. and Mrs. Allen and Mr. and Mrs. Woodbury, all former champions arrived early in the afternoon. Through the extended kindness of Rev. W. L. Morse the party was invited up to his home, where some friendly games took place on his cement court. Afterwards tea was served at Mrs. F. R. Fay's, where a short informal dance was held. The Halifax players then left for Millford where they spent Sunday. Monday they played at Wolfville and that night returned home.

The Bridgetown Club, which is stronger this year than ever before in its history has not lost a tournament this season and local tennis enthusiasts were disappointed that they could not see the Maritime champ's in action.

It is hoped that early next season the local club will be able to arrange a tournament with the South End, for it would be incentive for the club to strive for even higher heights than it has reached this season.

LABOR DAY CELEBRATION

Parade, Baseball Match, Bazaar With Popular Amusements—Fine Exhibits And Big Crowd In Town.

Clear weather and unclouded skies ushered in the Labor Day celebration here on Monday and it was a pronounced success in all particulars. The number of visitors to town was large and arrangements worked out very satisfactorily for their entertainment and amusement during the day and during the evening.

Proceedings started off at 10:45 with a parade headed by the members of the massed bands of Bridgetown, Annapolis and Lawrencetown, attired in scarlet coats for the occasion, which gave a very pleasing touch of color to the procession.

Numbers of mounted riders representing popular characters joined in followed by a parade of decorated autos. The parade though much smaller than has been seen here in some years was nevertheless very pretty and effective. Mrs. F. M. Graves was awarded first prize and Mr. John Longmire, second. The car of Mrs. F. M. Graves was strikingly handsome with tasteful decoration of flowers on a white background. Seated in the car with her were a number of dainty little girls each carrying a parasol of various colors and the car itself was surmounted by a handsome representation of a rainbow. The car of J. E. Longmire had also a white ground with blue birds artistically arranged upon it.

In the calthumpian, first prize was awarded to Gladstone Parker who was seated in an ancient carriage of the mid-victorian era and with him were Miss Ruth Fowler and with her were Clarence FitzRandolph. The second prize went to Newton Hayden and Ed. Wheslock. The judges were Dr. Pearson, Lawrencetown, Harold Milson, Halifax, W. L. Barclay, Annapolis, Mr. A. C. Pettipas, of Dartmouth had a nicely decorated car with typewriter and printers devil on board and a placard with greetings from the Halifax Herald. Maxey Hicks had a very handsomely decorated car with beautiful combination of evergreens and flowers. All cars in the parade presented a very artistic appearance.

At the close of the parade a large number of the crowd proceeded to the rink where the Bazaar was opened and dinners and lunches were served. The rink was handsomely and tastefully decorated. The centre portion reserved for amusements and various games of skill and around the outer circuit were booths nicely decorated and filled with exhibits by the various merchants. On the right hand at the Western end was J. H. Hicks and Sons, furniture store, showing a handsomely appointed drawing room with Chesterfield suite and other articles of furniture, pictures, and floral decorations. Next to this was the dolls booth in charge of Mrs. F. R. Fay and Mrs. H. B. Hicks. This was nicely decorated and surmounted by a kiddy coop trimmed with crepe paper.

Magee and Charlton, sporting supplies, had a specially fine booth depicting a forest scene with miniature lake and river, hunters cabin in the trees, deer and birds showing various weapons of the chase displayed around, and everything life-like and realistic.

Next came a booth devoted to the sale of paper articles numerous and tasteful.

A. J. Burns had a splendid grocery booth well filled with all articles usually found in a well appointed grocery while on the counter was a miniature delivery truck, bearing the sign "We deliver," surmounting the booth a stuffed owl bearing the inscription "It is a wise owl that buys from Burns."

McKenzie, Crowe and Co. had a very nice exhibit of the larrigans and other footwear which they manufacture here and sell from coast to coast to careful and discriminating buyers.

A unique booth was that of C. B. Lougans. An immense shoe about six feet in length occupied the centre. This was decorated with golden glow on a white ground and on and around it were samples of fine and stylish footwear sold by the proprietor.

H. L. Ruggles had a nice display of cartons and supplies kept by a first class grocery wholesale house.

O. P. Covert had a nice display

WEDDING

Crowell—Anderson.

One of the prettiest weddings of the season took place at 10 o'clock Wednesday morning of last week, when Miss Enna Harriott, only daughter of Dr. and Mrs. F. S. Anderson, was united in marriage to Capt. Kenneth Lee Crowell, Barrister, of this town, and son of Mrs. D. J. McCrehouse, of Sandy Cove. Rev. P. R. Hayden was the officiating clergyman.

Friends of the bride had decorated the church very beautifully and tastefully and the ceremony took place under an arch of maiden hair fern and sweet peas beneath a handsome floral bellamy while the pulpit was beautifully banked with cut flowers and potted plants. The bride, who was given away by her father, looked charming in white georgette trimmed with brilliants and wore the conventional veil and orange blossoms with pearl cap and carried a bouquet of sweet peas. The contracting parties were unattended. The wedding march from Lohengrin was beautifully played by Mrs. W. A. Moir, of Halifax. The ushers were Dr. L. L. Crowe and Mr. Brinton Hall.

The gifts received were beautiful and numerous, including cheques, cut glass, china, silverware and linen and testified amply to the popularity of the young couple.

After the reception the bride and groom left on a motor trip through the Province, which will include visits to Halifax, Amherst, Cape Breton and other points.

The bride's going away dress was a rosewood ensemble suit trimmed with grey fox fur with hat to match.

Both contracting parties enjoy a high degree of popularity in social circles. The groom, who is one of the leading barristers in Annapolis County, was a candidate in the interests of the Liberal party at the last Provincial election. He had during the war a splendid overseas record and served in France with distinction as Captain in the Canadian Engineers.

of tobaccos and other smokers requisites, while the wall of the booth were decorated by colored placards and cards naming and illustrating the lines.

A Fortune teller booth next added merriment to the scene.

M. W. Graves and Co. had a fine exhibit at the end of their famous soft drinks and the celebrated Annapolis Valley Cider.

Next came a booth presided over by Mr. W. H. McConnell, of Yarmouth, showing the popularity and well known De Laval separators.

A. B. Clark had a pair of foxes, a mother and six pups in their sylvan retreat.

Karl Freeman had an exhibit of Hoover vacuum cleaners.

C. S. Bothamley showed a nice assortment of flowers grown from McDonald and Co., Ottawa, and E. R. Clarke, Annapolis, seeds.

In the next booth John Pictou and wife made and sold genuine Indian baskets.

A booth filled with handsome flowers, which met with ready sale was next in order, followed by an ice cream booth, nicely decorated, showing spruce and winter effects. Mrs. E. L. Fisher and Mrs. G. E. Hoyt presided over this.

J. E. Longmire had a nice display of groceries with appropriate decorations.

The candy booth in charge of Mrs. E. A. Hicks and Mrs. H. S. Magee and Miss Palfrey dispensed confectionery, which met with great favor.

The Colonial Motor Co. had on display a fine new Chev car of the latest model.

Mr. Arthur Crowe had on exhibition a good display of ploughs, separators, pulpers and other implements manufactured by the Massey-Harris Company.

At the left hand end, a dressing room was taken up with a very fine display put in by Mr. R. V. Arnold, a veritable Fairyland. An electric train ran along a series of tracks beside which at intervals were miniature station buildings, lights, switches, semaphore, etc., and the space inside the main tracks was taken up by a scene built remarkably close to nature, showing a small brook running over a rocky bed and forming a small waterfall. All the details were worked out to show a most pleasing and realistic picture.

The Band discoursed a good program.

Clear weather and unclouded skies ushered in the Labor Day celebration here on Monday and it was a pronounced success in all particulars. The number of visitors to town was large and arrangements worked out very satisfactorily for their entertainment and amusement during the day and during the evening.

Proceedings started off at 10:45 with a parade headed by the members of the massed bands of Bridgetown, Annapolis and Lawrencetown, attired in scarlet coats for the occasion, which gave a very pleasing touch of color to the procession.

Numbers of mounted riders representing popular characters joined in followed by a parade of decorated autos. The parade though much smaller than has been seen here in some years was nevertheless very pretty and effective. Mrs. F. M. Graves was awarded first prize and Mr. John Longmire, second. The car of Mrs. F. M. Graves was strikingly handsome with tasteful decoration of flowers on a white background. Seated in the car with her were a number of dainty little girls each carrying a parasol of various colors and the car itself was surmounted by a handsome representation of a rainbow. The car of J. E. Longmire had also a white ground with blue birds artistically arranged upon it.

In the calthumpian, first prize was awarded to Gladstone Parker who was seated in an ancient carriage of the mid-victorian era and with him were Miss Ruth Fowler and with her were Clarence FitzRandolph. The second prize went to Newton Hayden and Ed. Wheslock. The judges were Dr. Pearson, Lawrencetown, Harold Milson, Halifax, W. L. Barclay, Annapolis, Mr. A. C. Pettipas, of Dartmouth had a nicely decorated car with typewriter and printers devil on board and a placard with greetings from the Halifax Herald. Maxey Hicks had a very handsomely decorated car with beautiful combination of evergreens and flowers. All cars in the parade presented a very artistic appearance.

At the close of the parade a large number of the crowd proceeded to the rink where the Bazaar was opened and dinners and lunches were served. The rink was handsomely and tastefully decorated. The centre portion reserved for amusements and various games of skill and around the outer circuit were booths nicely decorated and filled with exhibits by the various merchants. On the right hand at the Western end was J. H. Hicks and Sons, furniture store, showing a handsomely appointed drawing room with Chesterfield suite and other articles of furniture, pictures, and floral decorations. Next to this was the dolls booth in charge of Mrs. F. R. Fay and Mrs. H. B. Hicks. This was nicely decorated and surmounted by a kiddy coop trimmed with crepe paper.

Magee and Charlton, sporting supplies, had a specially fine booth depicting a forest scene with miniature lake and river, hunters cabin in the trees, deer and birds showing various weapons of the chase displayed around, and everything life-like and realistic.

Next came a booth devoted to the sale of paper articles numerous and tasteful.

A. J. Burns had a splendid grocery booth well filled with all articles usually found in a well appointed grocery while on the counter was a miniature delivery truck, bearing the sign "We deliver," surmounting the booth a stuffed owl bearing the inscription "It is a wise owl that buys from Burns."

McKenzie, Crowe and Co. had a very nice exhibit of the larrigans and other footwear which they manufacture here and sell from coast to coast to careful and discriminating buyers.

A unique booth was that of C. B. Lougans. An immense shoe about six feet in length occupied the centre. This was decorated with golden glow on a white ground and on and around it were samples of fine and stylish footwear sold by the proprietor.

H. L. Ruggles had a nice display of cartons and supplies kept by a first class grocery wholesale house.

O. P. Covert had a nice display

WEDDING

Crowell—Anderson.

One of the prettiest weddings of the season took place at 10 o'clock Wednesday morning of last week, when Miss Enna Harriott, only daughter of Dr. and Mrs. F. S. Anderson, was united in marriage to Capt. Kenneth Lee Crowell, Barrister, of this town, and son of Mrs. D. J. McCrehouse, of Sandy Cove. Rev. P. R. Hayden was the officiating clergyman.

Friends of the bride had decorated the church very beautifully and tastefully and the ceremony took place under an arch of maiden hair fern and sweet peas beneath a handsome floral bellamy while the pulpit was beautifully banked with cut flowers and potted plants. The bride, who was given away by her father, looked charming in white georgette trimmed with brilliants and wore the conventional veil and orange blossoms with pearl cap and carried a bouquet of sweet peas. The contracting parties were unattended. The wedding march from Lohengrin was beautifully played by Mrs. W. A. Moir, of Halifax. The ushers were Dr. L. L. Crowe and Mr. Brinton Hall.

The gifts received were beautiful and numerous, including cheques, cut glass, china, silverware and linen and testified amply to the popularity of the young couple.

After the reception the bride and groom left on a motor trip through the Province, which will include visits to Halifax, Amherst, Cape Breton and other points.

The bride's going away dress was a rosewood ensemble suit trimmed with grey fox fur with hat to match.

Both contracting parties enjoy a high degree of popularity in social circles. The groom, who is one of the leading barristers in Annapolis County, was a candidate in the interests of the Liberal party at the last Provincial election. He had during the war a splendid overseas record and served in France with distinction as Captain in the Canadian Engineers.

of tobaccos and other smokers requisites, while the wall of the booth were decorated by colored placards and cards naming and illustrating the lines.

A Fortune teller booth next added merriment to the scene.

M. W. Graves and Co. had a fine exhibit at the end of their famous soft drinks and the celebrated Annapolis Valley Cider.

Next came a booth presided over by Mr. W. H. McConnell, of Yarmouth, showing the popularity and well known De Laval separators.

A. B. Clark had a pair of foxes, a mother and six pups in their sylvan retreat.

Karl Freeman had an exhibit of Hoover vacuum cleaners.

C. S. Bothamley showed a nice assortment of flowers grown from McDonald and Co., Ottawa, and E. R. Clarke, Annapolis, seeds.

In the next booth John Pictou and wife made and sold genuine Indian baskets.

A booth filled with handsome flowers, which met with ready sale was next in order, followed by an ice cream booth, nicely decorated, showing spruce and winter effects. Mrs. E. L. Fisher and Mrs. G. E. Hoyt presided over this.

J. E. Longmire had a nice display of groceries with appropriate decorations.

The candy booth in charge of Mrs. E. A. Hicks and Mrs. H. S. Magee and Miss Palfrey dispensed confectionery, which met with great favor.

The Colonial Motor Co. had on display a fine new Chev car of the latest model.

Mr. Arthur Crowe had on exhibition a good display of ploughs, separators, pulpers and other implements manufactured by the Massey-Harris Company.

At the left hand end, a dressing room was taken up with a very fine display put in by Mr. R. V. Arnold, a veritable Fairyland. An electric train ran along a series of tracks beside which at intervals were miniature station buildings, lights, switches, semaphore, etc., and the space inside the main tracks was taken up by a scene built remarkably close to nature, showing a small brook running over a rocky bed and forming a small waterfall. All the details were worked out to show a most pleasing and realistic picture.

The Band discoursed a good program.

THE PROPHETS OF WINTER

A strange story emanates from Banff concerning the eccentric behavior of wild creatures in that vicinity, says the "Montreal Gazette". The local correspondent perchance cherished the ambition of outdoing the cub reporter who every August fishes up a sea-serpent romance, it is a most diverting contest this betwixt the Old Man of the Mountains and Old Triton of the Seas. At any rate we must allow them to fight it out as best they may, whilst protest the racoon of the Rockies has the floor, so to speak. We are entertained mightily by visions of shaggy beasts coming down from the forested heights to fear about the homes of men and fraternize in their uncouth fashion with the visitors and residents in that delectable neighborhood. Bear, elk and antelope are said to be walking the streets in broad daylight, showing no fear of man and mutely begging to be fed from lurch hands. The Banff household having a good larder can add to its gratification a backward zoo to his garden, and it is affirmed that the "brain" with a rolicking sense of humor actually refused to pick up the tidbits bang his way, preferring to be daintily fed from the fingers, the white children amuse themselves by tugging at the antlers of sportive elk. Perhaps so. Nothing is impossible in a world that bulges with daily marvels. Yet this story needs the seasoning of a pinch of salt to make it an almost perfect salad dished up from the Golden Age.

"Almost," we repeat, for we fail to divine how this fanciful caper of the wild animals can be construed as pre-aging a severe winter. If this prediction is no better than the prophetic impulse which led some wisecracker to forecast an "open winter" last year it may be dismissed as a pipe dream. But why severe winter this coming season? Why interpret a meek gesture in so rugged and uninviting a strain? One guess is as good as another. The beasts have in mind carried back to the pre-historic calm of Pegasus peace. They have backslid into the Edenic composure, lest the Bolsheviks should recruit them and gobble up the world. Or again, it is quite possible that the bear and the bull elk have smelled out ahead the pasture of the halcyon days ahead and wish to be on time for the final General Assembly of the League of Nations. There is something "brain" to be sure, and what special bearing this weird and concerted trek has upon the course of human events we know not—unless the elk chooses to give us a few points on the problem. Yet, when the barbaric beasts in pussyfoot pilgrimage and with ox-eyed gaze elect to stroll in from the wilds in this fashion, it is a fair wager that the millennium approaches. As for severe winter—muskrat! The land-slide blood campaign blazes at the thought, and besides this, the beetles have not yet dropped off the barley stalks. Any ditty from a Banff porch must be a tall order. We are willing to await developments. The weather prophet is like a cricket. Nobody can tell which way he will jump next.

Press Comment

ONE WAY OF THINKING

Detroit News: The truth is that in commercial standards and practices, in social inter-course, in the ordinary personal relations of life, and even in ideals of democratic government, Canada is much closer to the United States than to the rest of the Empire of which she is a member.

TAX REDUCTION.

Kansas City Times: It is no longer a matter of mere finance. It is a question of leaving with every family more of its earnings to use for the comforts of life, for education, and for larger opportunities generally. The reduction of taxes thus treated becomes a human subject of concern to every family in the land.

AGGRESSORS AND GUARANTEES.

Die Zeit (Berlin): France is apparently under the impression that the rights and obligations which accrue to her in her capacity as guarantor take precedence over the general guarantees of the League of Nations. It is actually the case that it becomes a problem to know which authority shall decide the aggressor, in the event of a Polish-German conflict. The difficult question which already cropped up at Geneva with regard to this question of an aggressor are well known. It would be utterly impossible for one of Poland's allies to remain impartial in a matter which is decisive in all wars; that of knowing who provoked hostilities.

THE UNITY OF MOROCCO

Heraldo (Madrid): Morocco is a definite entity, though made up of diverse elements, and it would be absurd for the nations under whose protection it lies to wish to divide it up. It has a religious unity. The arbitrary partition of Morocco rests on the fact that the nations to which the protectorate has been entrusted protected nation still remains indivisible and united by a bond stronger than any political or social tie, the religious bond. In recognition of this fact, the spiritual authority of the Sultan has been recognized. But since France and Spain neither agree nor work together and each follows a strictly national policy in Morocco, this unity which should have been respected has been inevitably compromised. If France and Spain cannot work together, the whole theory of the protectorate must be set at naught.

—Enthusiasm is the spark-plug that keeps the current circulating in the business engine.

It has happened at last—the impossible. A motor car won an argument with a passenger train at a railroad crossing near Kalamazoo, Michigan. But the owner of the car was not there to enjoy it. He left the stalled car on the track and went for help, and while he was gone the driverless car won the battle and wrecked the train.

MEETING OF THE ANNAPOLIS DEANERY

The Rural Deanery of Annapolis met at Weymouth on Monday and Tuesday, Aug. 24 and 25, 1925 with the following clergy present—From the Deanery, the Revs. M. Taylor, A. W. L. Smith, R. A. Neish, R. A. Miller, and Canon Underwood. As visitors, His Grace The Archbishop of Nova Scotia, Arch-Deacons, Vroom and Watson, Canon Morris and Canon Cumming, Rev. R. T. Carson, Logan Tenens at Round Hill and the Rev. Cuthbert Simpson.

In absence of the Rural Dean Driffield (who is away on special holiday) the senior priest, Rev. M. A. Taylor, presided. After the usual opening service and reading of the minutes and Ordinal, Mr. Taylor welcomed the Archbishop and visiting clergy. In the absence of the Rural Dean, who was the exegota, the Greek Testament was carried on to the next meeting and its place was taken by a timely paper on "Beneficiary Funds" by Archdeacon Watson. The importance of this paper was shown by the unanimous passing of the following resolution:

Resolved that this meeting heartily thank Archdeacon Watson for his valuable paper and ventures to suggest that he give his consent to having it type-written and sent to Mr. McWhinney, Treas. of the A. F. M. Fund, for criticism, then to send a copy of it with Mr. McWhinney's reply to each Rural Dean within the Diocese with the request that it be read at the next meeting of its chapter, to which meeting, if convenient, the lay representatives to Synod, shall be invited.

The question of a Deanery magazine was taken up and discussed at length and continued till adjournment at 5.30. In due course on Tuesday morning it was resumed and the following resolution was passed unanimously:

Resolved that the several Rectors of the Deanery send to the Rector of Wilmot by the 15th of each month such news and communications as they desire to have incorporated in the Deanery Magazine, beginning with the 15th day of September.

The resolution went on to particulars of number of copies and the nature of the paper. It was decided to have Church Work for this purpose, provided it was suitable. At present the filler in the Wilmot Parish magazine is "The Canadian Chronicle". In the matter of finance the Rectors of the various parishes of the Deanery agreed to stand behind the Rector of Wilmot.

Monday evening at 8 p.m. two services were held. One in St. Peter's, Weymouth North, which was attended by all the clergy except Canon Underwood, the preacher being the Archbishop. The second service was in St. Mary's, Barton, and was conducted by Canon Underwood.

The Deanery Service proper was held Tuesday morning at 8 a.m. in St. Peter's Church. The Archbishop celebrated the Holy Communion, assisted by Archdeacon Vroom. The Rev. R. A. Miller was the "ad clericum" preacher.

Tuesday's sessions were taken up with the reading and discussion of three papers. The first by Canon Morris, entitled, "Notes on the Real Presence," which led to an earnest and devout discussion and the request that the Canon allow the paper to be type-written and circulated among the members of the Deanery. To this he consented.

The second paper was by Archdeacon Vroom, entitled, "Some Considerations of the Communion Office," which was followed by discussion and questions.

The last paper was by Rev. R. A. Neish on "Some Considerations Arising out of the Early History of the Christian Ministry." Discussion followed as far as time permitted.

At 4 p.m. the brethren dined at the Goodwin Hotel, the guests of the local branch of the W. A. At 8 p.m. two services were held, one at St. Thomas' Church, Weymouth Bridge, at which most of the clergy were present, including the Archbishop, the preacher being the Rev. R. L. Carson. The second service was in St. Matthew's Church, Weymouth Falls, conducted by Canon Underwood, who substituted for Rev. R. A. Miller, who had to return to Middleton during the afternoon.

The miscellaneous business conducted during the session included the selection of Digby as the next place of meeting on Mon. and Tues. November the 23rd and 24th, the Rev. Canon Underwood being Ad Clericum preacher. Papers were arranged for the Rev. A. W. L. Smith extended a hearty invitation to the clergy to be present and take part in the Memorial and Decoration Service in the old Historic Church of St. Edward on Wednesday, and also informed the clergy that a number of books and a lantern, belonging to the late Rural Dean, Rev. H. How, were for sale. Votes of thanks were passed to the Rector and his wife to the hosts and hostesses for their kind hospitality, also to the W. A.

Resolutions were passed expressing regret at the absence of the Rural Dean and the hope that his health would be benefited by his trip and

Halifax, Nova Scotia.—"I am a maternity nurse and have recommended Lydia E. Pinkham's Vegetable Compound to many women who were childless, also to women who need a good tonic. I am English and my husband is American, and he told me of Lydia E. Pinkham while in England. I would appreciate a copy of two of your little books on women's ailments. I have one which I keep to lend. I will willingly answer letters from any woman asking about the Vegetable Compound."—Mrs. M. COLEMAN, 24 Uniacke Street, Halifax, Nova Scotia.

Could Not Sleep Nights
Dublin, Ontario.—"I was weak and irregular, with pains and headaches, and could not sleep nights. I learned about Lydia E. Pinkham's Vegetable Compound by reading the letters in the newspapers and tried it because I wanted to get better. I have got good results from it and I feel a lot stronger and am not troubled with such bad headaches as I used to be and am more regular. I am gaining in weight all the time and I tell my friends what kind of medicine I am taking. You may use my letter as a help to others."—Mrs. JAMES RACHO, Box 12, Dublin, Ontario.

regretting the absence of the Rev. T. C. Mellor, Rector of Annapolis Royal, with sympathy with him in his illness and trusting he might be benefited by a rest.

This ended a deanery meeting amid surroundings of one of Nova Scotia's beauteous spots in ideal weather and because of the high order and excellence of the papers read made its contribution to the best traditions of the deanery.

On Wednesday the following clergy were able to be present and the Annual Memorial Service in the old Wesleyan Church at Clementsport, His Grace the Archbishop, Ven. Arch-Deacon Vroom, Canon Morris, Canon Underwood, Revs. Morris Taylor, R. A. Miller, R. A. Neish and Rev. A. W. L. Smith.

This service at which The Archbishop Presided will long be remembered for the sweet reverential atmosphere which seemed to pervade the ancient church and for the heart-felt congregational singing.

THE TITLE "HONORABLE"

(Bridgewater Bulletin.)

To the Editor of the Bulletin: Sir: In reply to your enquiry of the 28th instant, with regard to the proper use of the title "Honorable" in Canada, I have to say that the official and legal regulations appear to be as stated below. Of course, the Canadian title is only for use in Canada by Canadians. I have heard of a Canadian who was threatened with prosecution in England for prefixing "Honorable" to his name on a hotel register, without adding "Canada." "Honorable" besides being an official title in the United Kingdom, is a title inherited by certain children of the nobility, who have vested interests in it. Those entitled to the prefix in the Dominion are indicated as follows:

- The Lieutenant-Governor (during office only).
 - Privy Councillors of Canada (for life).
 - The Solicitor General (during office only).
 - Senators (during office only).
 - The Speaker of the House of Commons (during office).
 - The Chief Justice of Canada, the Judges of the Supreme and Exchequer Courts of Canada, and (in Nova Scotia) the Chief Justice and Judges of the Supreme Court (during office).
 - Presidents and Speakers of Provincial Legislatures (during office only).
 - Provincial Executive Councillors (during office only).
 - Legislative Councillors of Provinces are not entitled to "Honorable" unless they were appointed before July 1st, 1867.
- By special recommendation of the

HALIFAX, 31ST, AUGUST, 1925. Provincial Highway Board

The Provincial Highway Board has issued instructions to Motor Cycle and other Peace Officers which have been approved by the Governor-in-Council, as follows:

- Motor Cycle and other Peace Officers are instructed that when a violation of the Motor Vehicle Act occurs, they, exercising sound discretion, will proceed as follows:—
- Either forthwith arrest the offender and bring him before a Magistrate to answer to the charge, or—
- They will allow the offender to go free and then lay an information against him before a Magistrate and have him issue a summons or warrant, or—
- They will inform the offender that he has the option of paying them there Ten dollars (\$10.00), which is to be forwarded by the Motor Cycle Officer to the Provincial Highway Board for its consideration as to whether or not it will be accepted, under Section 45, as full satisfaction, release and discharge of all penalties and imprisonments incurred by such offender for such violation.

However, when the violation consists in operating a motor vehicle without the prescribed number plates or permit, or of Cycle and other Peace Officers are instructed to proceed as follows:—

- Either seize the motor vehicle and arrest the offender and bring him before a Magistrate, or—
 - Seize the motor vehicle and lay an information before a Magistrate, or—
 - Collect from the offender the fee payable for a permit for the car and transmit the fee and form of application to this office. In such cases instead of arresting the offender or laying an information, Officers may inform him that he has the option of paying them and there the minimum penalty of Twenty-five dollars (\$25.00), prescribed for the offence which amount will be remitted to the Provincial Highway Board for its consideration as to whether or not it will be accepted, under Section 45, as full satisfaction, release and discharge of all penalties and imprisonments incurred by such offender for such violation.
- In Cases of persons drunk or intoxicated while operating a motor vehicle, the car is to be seized, and the offender arrested and brought before a Magistrate and prosecuted under the Criminal Law.

THREE SCORE AND TEN.

Age is not all unkind; that ebbing tide,
So sadly sung for what it bears away
Has drained the shallows where we
Lunched our pride,
But sander 'harks on surer seas
Abide,
Fraught with our hopes.

Age is not all unkind; the shuffling
wave
Has barred a reef, where the sea-
wrack has lain,
While winds of noon's uprising
round them rave,
Some gifts of grace life's innocent
morning gave,
And evening finds again.

Age is not all unkind; the laboring
wings,
For all their troublous beat, have
stirred a sense
That in the shadow of departing
things,
As through life's droning griefs there
something sings
Of peace and recompense.

—THOMAS THORNELY.

Governor-General for His Majesty's permission, Speakers of Senate and House of Commons, on retirement, after 3 years' service, may retain title.

Also, on similar conditions, the above mentioned Chief Justices and Judges may retain the title. To be specific, the title individuals legally or properly entitled, at present to the Canadian prefix "Honorable" in or of Nova Scotia, are: Right Honourable W. S. Fielding, Hon. E. M. MacDonald, Hon. E. K. Spinney, Hon. F. B. McCurdy, Members of the Senate of Canada, Judges of the Supreme Court, His Honour the Lieutenant-Governor now in office.

The Prime Minister of the Province, Each of the present members of the Provincial Executive Council, When speakers of the Legislative Council and House of Assembly are chosen, each of them will be entitled to "Honorable" while in office.

If the public, and especially the press, would take cognizance of these facts, and also remember that it is usually considered an insult to a gentleman to bestow on him a title which is not his by right, and a disgrace to him if he accepts such title without protest, we should experience a sudden and graceful demobilization of the army of "Hons." now for a long time past billeted on this Province.

Yours very truly,

With appropriate pomp and ceremony the Hon. W. G. Nichol, Lieutenant-Governor of British Columbia, and D. C. Coleman, Vice-President of the Canadian Pacific Railway, opened Crystal Gardens, Victoria—the largest and finest salt water swimming pool and amusement centre in Canada—recently.
The building takes the form of a winter garden, built by day and glittering by night with an atmosphere heavy with the scent of flowers and throbbing with music from a string orchestra. Built on a two-acre property, facing the fragrant gardens of the Empress Hotel, Crystal Gardens is of generous proportions, with lower portions in brick and concrete, and superstructure of steel and specially designed glass.
The interior is a huge conservatory with vines and palms and plants growing in abundance, and in the centre the largest salt water swimming pool on the continent.
To give a Roman Bath effect, from the rockwork alleys promenade and dancing floors above, there are concrete steps down to the landing of the pool, which is 150 feet long, 40 feet wide and 9 feet deep at its deepest point. Salt water is pumped

Victoria's Unique Amusement Centre Officially Opened

With appropriate pomp and ceremony the Hon. W. G. Nichol, Lieut.-Governor of British Columbia, and D. C. Coleman, Vice-President of the Canadian Pacific Railway, opened Crystal Gardens, Victoria—the largest and finest salt water swimming pool and amusement centre in Canada—recently. The building takes the form of a winter garden, built on a two-acre property, facing the fragrant gardens of the Empress Hotel, Crystal Gardens is of generous proportions, with lower portions in brick and concrete, and superstructure of steel and specially designed glass. The interior is a huge conservatory with vines and palms and plants growing in abundance, and in the centre the largest salt water swimming pool on the continent. To give a Roman Bath effect, from the peacock alley promenade and dancing floors above, there are concrete steps down to the landing of the pool, which is 150 feet long, 40 feet wide and 9 feet deep at its deepest point. Salt water is pumped from Beacon Hill Beach, a distance of nearly a mile, and maintained at a temperature of 70 degrees, and kept in constant circulation. The water is, of course, sterilized, and bathers, before entering the pool, pass under showers of varying temperatures. Among other attractions there is a gymnasium, hot salt water baths, art gallery, two dancing floors and a tea-room. Anticipating that the present season will see the beginning of a large tourist movement toward Vancouver Island the Canadian Pacific Railway has considerably augmented its service between Vancouver, Victoria and Seattle—The Triangular Route—and their two new steamships, the Princesses Kathleen and Marguerite, are the largest ever placed on the Pacific Coast service.

PIONEERS HONORED IN ANNUAL SERVICE

Old Church of St. Edward at Clementsport is scene of beautiful Memorial and Decoration Service, at which Archbishop of Halifax, Bishop of Antigonish, and other clergies were present. Annapolis Royal—The annual memorial and decoration service was held in the old Church of St. Edward, at Clementsport, Wednesday afternoon at three o'clock. Long before the time appointed for the service, visitors wended their way to the quaint old building on the hillside, with its plastered walls, jiny-paned windows, and straight-backed pews. A tablet placed on the door, in 1923, by the Nova Scotia Historical Society, commemorates "the loyalty, courage and faith of those U. E. Loyalists, who here made new homes in 1783, and built this church, which was consecrated by Bishop Inglis in 1786." It was originally Lutheran, and after being transferred to the Church of England, was under the care of the Annapolis clergy, till 1840, when it became a separate parish, under the charge of Rev. William M. Godfrey, who died in 1881. In the vestry of the church, near the front door, maps, drawings and many curios are carefully preserved, among them an old Dutch New Testament, the property of George Ditmars, of Deep Brook. On the east wall of the nave is a beautiful bronze tablet, which was erected and unveiled in August, 1923, by the Honorable Robert Edward Harris, Chief Justice of Nova Scotia, in memory of four generations of his paternal ancestors—Donne Ditmars, Ditmars, Isaac Ditmars and Rebecca Ditmars Harris. The service today opened with a professional hymn during which the clergy marched into the church and took their appointed places. After the Psalms, Lessons and Cantata, the clergy proceeded to the south side of the church, where a bronze tablet had been placed, on which was inscribed: "In memory of John Vroom, 1757-1833, and his wife Jane Vroom, 1755-1830. Vroom Godt; sere den Konig." (Fear God; honor the King). The tablet was unveiled by the Ven. F. V. Vroom, D. D., Archbishop of Nova Scotia, and dedicated by His Grace the Archbishop of Nova Scotia, who offered the Memorial Prayer. Following the General Thanksgiving and Prayer of St. Chrysostom, the rector of the parish, Rev. A. W. L. Smith, explained the purpose of the service, and the aim of the committee to place memorial tablets in the ancient church each year, until it became a "casket of historic gems." The sermon by Archbishop Worrell was preached from the text, "The word of God came to John the son of Zacharias in the wilderness," and from which he drew the lesson that often those in comparative obscurity accomplished the most good, citing the names of Wycliffe, Luther, Tyndall, John Wesley, and Keble, and dwelling on the work carried on in this district by Rev. Roger Vies, Rev. Cyrus Perkins, Rev. John Mill-edge, Rev. Edwin Gilpin, and Rev. William Godfrey, with their great influence for good in the community. He pictured the crowds who came here to worship, travelling over bad roads on horse-back, in wagons, coaches and on foot, and compared conditions with the present day of good roads and improved facilities of travelling, which bring some to church, but take more away. He considered the "unrest" of the world was caused by drawing away from the influence of the church, and urged individual effort, in carrying on the work of Christ. In closing, he congratulated the rector on the splendid work he is doing, telling him his name would always be remembered, and asking the congregation to rally around him, and take a stand against the commercialism, pleasure-seeking and indifference of the world of today. During the last verse of the closing hymn the clergy left the church by the south door, followed by the entire congregation, and there the nearby graves of John Vroom and Jane, his wife, marked with flags, were decorated with flowers. Then followed the most touching part of this beautiful service, when the brave crowd assembled in the carefully kept old graveyard, surrounded by pines and silver birches, sang "On the Resurrection Morning," and as the music echoed over the hills.

Correspondence

The Editor, "The Monitor," Bridgetown, N. S. Dear Sir: I have read an article in your issue of August 5th entitled "Canada's Poor Showing" which has reference to the dairy industry and which was copied from the "Financial Post." I trust that the "Financial Post's" information on finance is better than its information concerning the dairy situation. The Post seems to argue that Canada's position among the world's exporters of dairy produce depends on the quality of the produce exported. The fact of the matter is that there is no relation between the quality of the produce exported by any country and the quantity received in the United Kingdom. For instance, the Argentine is given a fairly high place and yet is a well known fact that the Argentine butter is of very poor quality. Canadian cheese stands absolutely at the top of the market so far as quality is concerned and the quantity exported depends on the quantity produced in this country. If we made more, we would have more to export and find just as good a market for it. Canada produces more dairy products than New Zealand, the Argentine, the Irish Free State, Australia or Finland, but our larger population consumes more of it at home. New Zealand exports 80 per cent of her total production, while Canada only exports 20 per cent of her total production, the home market being that much larger. Yours truly, J. A. RUDDICK, Commissioner. Ottawa, Aug. 31, 1925.

MARITIMES NEED MORE ADVERTISING Opinion of British Journalists Recently in Province Saint John, N. B.—That there was room for the wider advertising of the Maritime Provinces, and that there was no doubt that they had been neglected, were opinions expressed by members of the party of ten British journalists now touring Canada as the guests of the C. P. R. when they passed through Saint John on their way to Montreal, Toronto, Ottawa, and western Canada. The party had completed a tour through the Annapolis Valley to Halifax, making the trip to Yarmouth on the way from here. They were particularly struck by the similarity between the farms of Nova Scotia and New Brunswick and those in the old country, and expressed the opinion that the maritime farming districts would make admirable homes for British settlers.

WEDDING

Stronach—Anthony

A very pretty wedding took place Wednesday at the home of Mr. and Mrs. Willoughby Anthony, when their eldest daughter, Mary Celeste, was united in marriage to Mr. Harry Foyle Stronach, eldest son of Mr. and Mrs. William Stronach, Clarence. Rev. P. R. Hayden, pastor of the Baptist Church performed the ceremony.

To the strains of Lohengrin's wedding march, the bride entered the room on the arm of her mother, in the absence of the father. The bride was very becomingly dressed in white crepe de chene with wedding veil and orange blossoms. She carried a beautiful bouquet of pink and white sweet peas, and was attended by Miss Mary Miller, who wore yellow organdie and carried a bouquet of yellow and white flowers. Mr. B. Pearson acted as best man.

The house was beautifully decorated, the work of her girl friends, the color scheme being pink and white. The ceremony was performed under a large wedding bell, which hung from an arch of ferns and sweet peas. After the ceremony delicious refreshments were served.

The gifts were numerous and beautiful showing the esteem in which the young couple are held.

Mr. and Mrs. Stronach left by motor for Halifax and a trip around the South Shore.

When the stomach is feeble and food lies in it undigested, the poisonous gases distend the walls of the stomach and cause serious interference with the action of the heart and lungs. These poisonous gases have other ill effects. They are absorbed by the blood and so weaken and corrupt it as to cause aches in remote parts of the body and the formation of unhealthy tissues everywhere. Experience shows that these troubles vanish just as soon as the stomach is made strong enough to digest the food. In other words, it needs a tonic that will enable it to do the work of changing the food into nourishment. The tonic used ought to be one that will agree with the most delicate stomach and this is exactly what Dr. Williams' Pink Pills do.

Here is a bit of convincing proof given by Mrs. Chas. Ladner, Ellerslie, P. E. I., who says: "For some years I was a sufferer from stomach trouble. Everything I ate caused distress. My stomach, and belching I had not eat meat or potatoes, and I was weak and very nervous. No medicine seemed to help me until I was persuaded to take Dr. Williams' Pink Pills, and these simply worked wonders. I took the pills faithfully for a couple of months, by which time every symptom of the trouble had disappeared, and there has not since been the slightest symptom of stomach trouble. No wonder I praise Dr. Williams' Pink Pills."

You can get these Pills from any medicine dealer, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

WEDDING

Ross—Atlee

Annapolis Royal.—One of the most beautiful weddings ever celebrated in Annapolis Royal was solemnized at St. George's United Church Thursday afternoon last at four o'clock, when Miss Olive Velzina Atlee, B.A., youngest daughter of Mr. and Mrs. A. E. Atlee, was united to George W. W. Ross, youngest son of the Rev. and Mrs. James Ross, of Halifax.

The ceremony was performed by the Rev. M. H. Macintosh. The church was a mass of floral blossoms with arch and wedding bell at the altar. Preceding the ceremony, Mrs. Robert Hardwick at the organ, the well known Nova Scotia ballad, Earle Spicer, of Berwick, sang "Because."

At the sound of the wedding march the bride came down the aisle on the arm of her father, who gave her in marriage. She was attired in a beautiful bridal gown, especially designed, a creation of ivory satin trimmed with duchess lace, with long lace sleeves. The long court train lined with flesh colored georgette, clusters of orange blossoms, held the bridal veil of tulle with lace coronet. She carried a shower bouquet of pink tea roses and lilacs-of-the-valley.

Miss Sue Atlee, M.A., sister of the bride, was maid of honor. Miss Ruth McPhail, B.A., of Toronto, and Miss Constance Wilson, B.A., of Newcastle, N. B., were bridesmaids. These three attendants were all gowned alike in white brocaded taffeta with tiny clusters of flowers, made in bouffant style, all wearing large flame colored hats trimmed with draper velvet and carrying short bouquets of flame colored gladiolus.

At the altar the bride was met by the bridegroom, and his best man, William Ross, of St. John, brother of the groom. Preceding the bride and her father were the two ushers, Samuel Dickson, of Granville Ferry and David MacKeen, of Halifax.

The reception immediately followed the ceremony, took place at the home of the bride, where the same scheme of floral decorations was used as at the church, rose and white.

Mr. and Mrs. Ross left by motor for Kentedacke where they will spend a few days before going to Boston. They will reside in St. John's, Nfld. The bride's travelling dress was of brown erize morocain with brown Kashy coat and beaver collar, her hat of embroidered tulle, made in the Valley.

There was a wealth of wedding gifts among others a solid silver tea service from the groom's family.

Those present at the ceremony aside from the town guests, were: Rev. Mr. and Mrs. James Ross, Miss Mary Ross, and Donald Ross, Dr. and Mrs. H. B. Atlee, and Mrs. T. H. Williams, of Halifax; Misses Alice and Browne Wickwire, Kentville; Miss Katherine Foster, Antigonish; Mrs. R. P. Dixon and Miss Katherine Dixon, Moncton; Mr. and Mrs. Robert J. Rankine, Halifax; Dr. and Mrs. Goodwin, Miss Grace Goodwin, and Mr. and Mrs. Woodman, of Boston; E. Hallett, of Halifax, and T. E. G. Lynch, Digby.

All the members of the bridal party were graduates of Dalhousie University. Mrs. Ross was a member of the debating team of "Dal." last year. The groom was a veteran of the late war, having served with the artillery overseas.

On Thursday afternoon, August 20th, our Sunday school held their picnic on the grounds which was the former site of the Methodist Church, but which had been fitted up for the occasion with tables, seats and swings. The first event was a callisthenic parade, consisting of six teams with clown on horseback at the head of the procession. The first team presented the scene of a wedding, 1925. The second team, how they looked ten years later, 1935. The third team represented our Sunday school children carrying flags.

The fourth, just out from Holland, one woman at her old fashioned spinning wheel. The fifth, My Kentucky Home, and the sixth, Washing and scrubbing, so much per yard. After the parade, ice cream was for sale on the grounds. About 5:30, after a speech by Rev. A. H. Whitman, about 250 people sat down to a sumptuous tea, among whom we noticed friends from Lawrenceville, Williamston, Port George, Nictaux and Albany. Then a tug-of-war, peanut and candy scramble, and some music brought a most enjoyable afternoon to a close.

Keep Children Well During Hot Weather

Every mother knows how fatal the hot summer months are to small children. Cholera infantum, diarrhoea, dysentery, colic and stomach troubles are rife at this time and often a precious little life is lost after only a few hours' illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevent stomach and bowel trouble, or if the trouble comes suddenly—as it generally does—the Tablets will bring the baby safely through. They are sold by all druggists or will be mailed on receipt of price, 25 cents per box, by The Dr. Williams Medicine Co., Brockville, Ont. A little booklet, "Care of the Baby in Health and Sickness," will be sent free to any mother on request.

"God Gives the Seed--the Bread We Need, Man's Labor Must Provide It."

Upper--The old method of reaping the crop. Lower--The modern method. Inset--Testing grain at elevators in Winnipeg.

It is estimated that sixty-nine thousand harvesters will be needed to garner the crops in Western Canada this year. Of this number probably nineteen thousand will be supplied by the Western and prairie provinces leaving fifty thousand to be recruited in the East. This is an unusually large number. It means that from all parts of Eastern Canada a great army of Canadian men must be mobilized to harvest the grain upon which the general prosperity of the country depends. The famous "grain rush" of "ninety-eight" held no greater touch of glamour and romance than this annual exodus to the wheat fields of the west. From men, and some of our women too, are preparing to enlist in the great adventure from which all hope to return hardy, bronzed and with a swollen savings account. The railway companies are fully prepared for the rush. Their Colonist cars of the newest, most serviceable and comfortable type, of which they have a greater supply on hand than ever before, are in readiness and there is more than enough motive power available for immediate service. The Colonist car has kept pace with the remainder of railway equipment in the march of progress. In the olden days many prospective harvesters remained at home because of the stories they heard of hard-

POPULAR LAWRENCETOWN GIRL IS SHOWERED

Miss Grace Jefferson who is soon to be one of the principals in a very interesting event was tendered a

ships and discomfort endured on the journey to the wheat-fields. Now, however, all that is changed. Colonist cars differ only in trifling details from the standard sleeping cars and they leave nothing to be desired in points of comfort, security and convenience. There is every reason to suppose that the East will raise its quota of fifty thousand men. The inducements are unusually good. A bountiful crop is expected; wages are high and there are unlimited positions available. Many young men attending colleges will avail themselves of the reduced rates to see the country and join in the great adventure of bringing a holiday.

The dates for the excursions are, from Quebec, August 14th and 28th; and from Toronto and points in Eastern Ontario, August 18th and September 1st. From Western Ontario the dates are August 21st and September 1st. The rates are the same as last year—to Winnipeg \$15.00 and from there to the final destination, half-a-cent a mile. These rates apply equally to women as to men and there are many Easterners who will take advantage of the excursions to make their first trip west, as much for the purpose of seeing the scenery "out west" and becoming personally acquainted with the geograph and topography of the country as for taking part in the harvesting operations.

The dining room was most artistically decorated with sweet peas and ferns, the color scheme being pink and white. In the centre of the table the gifts were arranged in the form of a large circle effectively covered with white crepe paper and trimmed with pink sweet peas, which suggested the bridal cake.

The gifts were very choice as well as useful and included fancy work, cut glass and china. The gifts were opened by candle light. The remainder of the evening was very enjoyably spent playing bridge, after which dainty refreshments were served by the hostess.

THE FLAVOR LASTS. Wrigley's Whipsmooth Chewing Gum.

Ask for Minard's and take no other.

TRY THESE DESERTS

Orange Custard (serves 7): 2 cups Borden's St. Charles Milk, 1 cup hot water, 3 tablespoons cornstarch, 2 eggs, 1/2 teaspoon salt, 1/4 cup cold water, 1/2 cup orange juice, 2 tablespoons lemon juice. Grated rind of one orange.

Mix cornstarch, sugar and salt, dilute with cold water. Add to scalded milk and hot water, stirring constantly until mixture thickens, afterwards occasionally, cook fifteen minutes. Add orange juice and slightly beaten eggs that have previously been mixed; mix thoroughly and lastly, add the lemon juice and orange rind. Cool and serve.

Caramel Custard (serves 6): 1 tall can Borden's St. Charles Milk with enough water to make 1 quart, 5 Eggs, 1/2 teaspoon salt, 1 teaspoon vanilla, 1/2 cup sugar, 1/2 teaspoon nutmeg.

Gradually sift sugar into a hot skillet, shaking the skillet vigorously all the time to prevent burning. The sugar should melt about as fast as it is sifted into the pan. When it turns to an amber color (a light resin color) set on back of stove and add milk, being careful that milk does not bubble over, as is liable on account of the high temperature of sugar. As soon as the sugar is melted in the milk, add mixture gradually to eggs slightly beaten. Add the salt and flavoring to egg and milk mixture. Bake in custard cups in a moderate oven.

200 EMPTIES DRIFT INTO YARMOUTH CO.

All in Good Condition Proving Not In Water For Long.

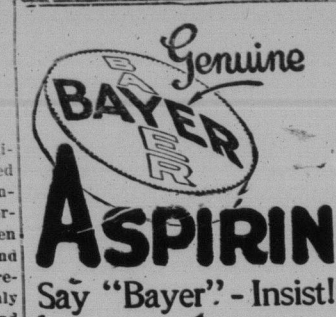

Yarmouth--Some rum runner evidently has carried on a goodly amount of business very recently in this neighborhood by the appearance of the shores at Chezzoggin Point and vicinity in this county. During the last day or so about 200 empty whiskey cases have drifted ashore. With the exception that the top is missing, all are in good condition, showing that they have not been in the water for a very long period. In fact, they show no water wear whatever. On one end the cases are roughly stencilled with the following lettering: "Pre-war strength—44 per cent alcoholic strength." On the opposite end is the mark, "Y. R., Havana, Cuba." On the side of the cases are the makers name, "Glasgow and London."

IF WE ONLY UNDERSTOOD

Could we but draw back the curtains That surround each other's lives, See the naked heart and spirit Know what spurs the action gives, Often we should find it better, Purer than we judge we should; We should love each other better If we only understood.

Could we pledge all deeds by motives, See the good and bad within, Often we should love the sinner All the while we loathe the sin, Could we know the powers working To overthrow integrity, We should judge each other's errors With more patient charity.

If we knew the cares and trials, Knew the effort all in vain, Understood the loss and gain— Would the grim, eternal roughness Sweep, I wonder, just the same? Should we help where now we hinder? Should we pity where we blame? Ah! we judge each other harshly, Knowing not life's hidden force; Knowing not the fount of action Is less turbid at its source, Seeing not amid the evil All the golden grains of good; Oh! we'd love each other better If we only understood.

NEW POSTMASTER AT ANNAPOLIS

Appointment went to W. Kerr Merriam Who Had Splendid Overseas Record--Oddfellows Decorate Graves of Deceased Brethren, Social and Personal Items

Annapolis Royal--A large and most enjoyable "Bridge" and "Shower" was given on Thursday evening, at the home of Mrs. Daniel Owen, in honor of Miss Ethel McClelland, who was the recipient of many beautiful gifts.

The "Wishing Rock Tea Room" has been the scene of numerous parties this summer. Among those entertaining there during the past week were Mrs. F. W. Pickles, Mrs. Frank Stengle and Miss Jeanne Pickles.

The Oddfellows ceremony of decorating the graves of departed brethren took place on Sunday afternoon. The members, each carrying flowers, marched in procession from the Lodge Room to Woodlawn Cemetery, where the wreaths and bouquets were placed on graves of six Rebekahs and thirty-two Oddfellows.

The procession was headed by the Annapolis Royal Concert Band, its members making a splendid appearance in their khaki uniforms, which as the Regimental Band, they had worn at Middleton that morning.

The ceremony was conducted by Past Grand Master C. L. Wood, of Windsor, and Mr. A. M. King, Secretary of Western Star Lodge, and at its close the band led the parade to Fort Anne Park, where an attractive programme of music was rendered.

Mr. W. Kerr Merriam of this town, has been appointed Postmaster, and under the supervision of Mr. Mr. W. S. Pultz and Miss Hepburn of Halifax took charge on September 11th.

Mr. Richard H. Hardwick has been Acting Postmaster since the death of his father, G. Andrew Hardwick, in January, 1924, assisted by his aunt, Miss Sara Hardwick, and Miss Joyce Rippey, and has proved himself an efficient and popular official.

Miss Hardwick, who entered the office with her brother, the late Postmaster, has been at the wicket nearly thirty years, and during that lengthy period, has served the public faithfully, and in a painstaking manner. Mr. Merriam, who is the oldest son of Capt. and Mrs. W. R. Merriam, Granville Ferry, won high honors during his overseas service, and has many friends who wish him success in his new work.

The Yanniini Symphony Ensemble comes this year on September 25th, under the auspices of Fort Anne Chapter I. O. O. E. This will be the fourth appearance in Annapolis of this popular organization, which affords the citizens an opportunity of hearing some of the world's best music.

Mr. and Mrs. F. C. Whitman and family, Mrs. F. St. C. Harris and family, and Miss Christie Ritchie, returned on Tuesday, from the camp at Lamb's Lake.

The Misses Doris Runciman, Louise Dargie and Elizabeth Braine, left this week for Mount Allison College, Sackville.

Miss Annie Woodland, the popular chief operator of the local Telephone Exchange, has secured six months leave of absence and left this week.
