## REPORT OF THE BOARD OF MANAGERS.

ST. ANDREW'S CHURCH, 11TH APRIL, 1883.

It will be seen by the financial report submitted herewith that the net revenue for the year ending 31st March, 1883, is \$2610.75, against \$2588.87 for year ending 31st August, 1881. Collections by envelopes show an increase of \$76.38, and by plates \$34.86, but the special collections of the former period bring the aggregate in favor of this year down to \$21.88.

The collections for poor fund, which heretofore have appeared in this account, were not stated to the treasurer this year, and no entry of them appears in the treasurer's books. It is the opinion of your committee that these collections should be dealt with in the same manner as all other monies contributed by the congregation at its public services.

The revenue this year has fallen short of expenditure \$171.99, to this add the liabilities of April 8th, 1882, \$346.63, and also \$188.00 Temporalities' money counted last year as an asset but which may not be paid, and we find the liabilities of the congregation at this date to be \$706.62. This fact is not encouraging, and your committee hoped to have been able to report otherwise. Many needed repairs to Church, Hall and Manse have been deferred in order that the present indebtedness might be wiped out, but some of these repairs must be attended to next year, and unless the subscriptions to revenue are very materially increased the liabilities will be much greater. It is earnestly hoped that the members and adherents will give this matter their attention. A moderate increase of liberality on the part of the congregation will not only remove the present debt but prevent such a thing occurring in the future.

Your committee desire to incorporate in this its first annual report since the death of Mrs. Smith, one who was beloved by the whole congregation, the resolution passed at a joint meeting of the Kirk-Session and Board of Managers especially convened at the time of her decease:

"In view of the recent death of the wife of our Pastor, the Rev. Dr. Smith, the Session and Managers of St. Andrew's Church, on behalf of the congregation desire to put on record their heartfelt sympathy with her bereaved husband and family in their affliction. They rejoice at the same time to know that they have a comfort in their sorrow, which no expression of their deepest sympathy can give, in the memory of her consistent life and death in the Lord. It will be long cherished by them and by very many others who mourn her loss."

Your committee cannot close this report without alluding to the call which has come to our Pastor to go into another field of labor.

While we regret that he has decided to leave us, we cannot but rejoice

## ST. ANDREW'S CHURCH SABBATH SCHOOL REPORT.

*Superintendent*.....Rev. Dr. Smith.

*Organist*.....Miss Irving.

*Secretary-Treasurer*.....James Pollie.

*Librarians*.—T. D. Minnes, James Thom, O. S. Rose, C. J. Booth, D. J. Booth and John Pollie.

*Teachers*.—Mrs. Thomson, Misses Fowler, Machar, Macpherson, Philips, Mitchell, Gray, M. Gray, Strange, A. Strange, G. Strange, McIver, Rose, Davidson, Fraser, G. Fraser, Pollie, Irving, Minnes, A. Minnes, Hamilton, Sutherland, Smith, Chambers, Beaton and Duff, and Messrs. Ross, Craig, Prof. Harris and Dr. Smith.

The school and classes meet every Sabbath afternoon at 3 o'clock.

Exclusive of Bible and Infant classes, the number on the roll is 279 ; the average attendance recorded during the year is 265, and the largest number present at one session, including all the classes and teachers is 311.

We miss the names of several teachers from the roll, viz : Misses McLeod and E. Lesslie, the former by removal and the latter owing to illness. They were faithful in their duty to the school, and we take this opportunity of thanking them for their efficient services. Lieut. J. B. Donaldson, R.A., consequent upon his promotion and removal to Ottawa has also withdrawn from the school. He was a zealous worker and, like a good soldier, was always at his post. We wish him God speed in his new sphere of labor.

In connection with these changes we would here refer to the prospect of parting with Dr. Smith, who has received and accepted a call to go to St. Andrew's Congregation, St. John, N.B., and will leave the school in a few weeks. Under his supervision the school has almost doubled its numbers and experienced remarkable zeal and vigour. We cannot part him without regret, and the happy hours spent in the Sabbath School with him as Superintendent cannot be forgotten. We feel that his labour amongst us has not been in vain, and we pray that the Great Teacher may bless him in his new appointment.

The "International" lessons have been continued, and the Missionary work has been provided for.

The regular Church and Praise Services have been held throughout the year, and the usual entertainments have been enjoyed.

The school is again indebted to Miss Irving for another year's faithful and gratuitous services as organist.

All which is respectfully submitted.

Kingston, 11th April, 1883.

JAMES POLLIE,  
*Secretary.*
