NATIONAL ANTHEM. BY THE REV. NEWMAN HALL.

God save our gracious Queen!
Long live our noble Queen!
God save the Queen!
Lord, heal her bleeding heart,
Asstinge its grievous smart,
Thy heavenly peace impart,
God save the Queen!

Our Royal widow bless ! Our Royal whow Dress:
God save the Gatherless !
God save the Queen
Shield them with loving care,
Their mighty grief we share,
Lord, hear the people's prayer
God save the Queen!

O Lord our God arise ! Bless England's enemies!
On Thee we call!
Let sorrow whisper Peace,
Bid wrong and anger cease, Let truth and love increase, Make evil fall!

In this our nation's need, With Thee we humbly plead!
God bless our Queen!
Her life-woe sanctify,
Her loss untold supply,
Thyself be ever nigh,
To save our Queen!

wisit to the Peninsula. Steps are being taken to bring loyal blacks by the hundred from the Valley of the Shenandoah within the valley of the Shenandoah within the purpose they are to be devoted is not known.

The Quarantine regulations are enforced with the greatest rigor. blockade, into Nassau, causing considerable could make themselves heard. The impar excitement there.

The American Navy,—"It will be seen that the entire strength of our navy is close dipon three hundred vessels nearly all of which are propelled by steam; and that are propelled by steam; and that are tree two iron-clad frigates, twenty three iron-clad gunboats, and a good stock of that highly effective naval weapon, the tram. Of the latter the number can be irremeased indefinitely, and atrany moment, as they may be needed. All we have to do is to fit a beak on to any staunch steam craft plate its most vulnerable patts, and it is ready for service in sinking and destroying wooden walls, or whatever else it can get a drive at. In this way the magnificent steam shows that the most would be no disgrace of a mong these are two iron-clad frigates, twenty three iron-clad gunboats, and a stany moment, as the post of the said deed can be seen on application to the federal sto put an end to this borrible war. What have they gained by it? There would be no disgrace in desisting from the hopeless and consequently wicked attempt to conquer and govern the South. Everyone knows that the northern man is as good as the southern, and that a treat the number can be increased indefinitely, and atvany moment, as the northern man is as good as the southern, and that if any section of the Union were invaded by the rest it would assuredly give the same proofs of unflinching resolution. The whole difference between the two belligerents is that the south is horozophly in earnest and fights as for life and death. This makes up for want of food of arms, of medicines, or all that makes war easy. As long as this resolution lasts, and of the most vulnerable patts, and it is horozophly in earnest and fights as for life the same proofs of unflinching of the most vulnerable patts, and it is horozophly in earnest and fights as for life the same proofs of unflinching and deed transmit the northern man is as good of the most vulnerable patts, and it is horozophly in earnest and fights as for life the same proofs of unflinching to the most vulnerab

Blackwood's Magazine AND THE British Reviews.

COTT & CO., New York, continue to 1 ublish the following leading British Periodicals, viv:

I—THE LONDON QUARTERLY (Conservative.)

III—THE FUNNEUGH REVIEW (Whig).

III—THE NORTH BRITISH REVIEW (Free Church)

III—THE NORTH BRITISH REVIEW (Free Church)
IV—THE WESTMINSTER REVIEW (Liberal).
V BLACKWOOD'SEDINBURGH MAGAZINE (Tory).
The present critical state of Europeen affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-item, critice speculations, and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals read-rs must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological characterists.

TERMS For any one of the four Reviews,
For any two of the four Reviews,
For any three of the four Reviews,

AYER'S Sarsaparilla

FOR FURIFYING THE BLOOD.

FUR FURNITAING THE BLOOD, And for the speedy cure of the following complicities: Scrofula and Serofulains Affections, such as Furnious, Ulcers, Sorge, Excuptions, Fingines, Pastales, Bloches, Bolls, Fingines, Pastales, Bloches, Bolls, Blains, and all Skin Disconses.

J. C. Arm. & C. Gents: I I fed it my duty to achnowing what your Passepartial has done for me. Maring the bloch with the property of the property years ago it freas cut to my mean and corrections ago as and cars with one sore, which was painful and leatherms beyond description. I tried many ineditines and several physicians, out without near helpfore many thing. In fact, the shortest gives some. At length I was rejuded the first description of the description of the description of the description of the first physicians of the property of the first physicians of the first physi

St. Anthony's Fire, Rose or Erysticlus, Tetter and Sait Micam. Scald Head, Bling works, tere by say Dropsy.

Dr. Rebert M. Frebe withe from Saica, N. Y., 12th Sept. 1859, that he has sared an inversace case of Drapsy, which threatened to transitate infailty, by the persevering use of our Surapportial, and also a dangerous Religious Brytissias by large doses of the same; say he curve the content. Brytissia by large doses of the same; say he curve the content. Empirical by it constantly.

Bromekmoete, Gettre or Swelled Neck.

Zebajon Sican of Prospect, Taxas, writes: "Tirre Vol-Sees welling on the neck, which I had suffered from over two years."

sons swelling on the neck, which I had suffered from ever two years."

Leucorrhage or Whites, Ovnrian Tumor, Uterine Uterstion, Fewnie Diseases.

Br. J. B. S. Charsing, of New York City, writes; 'I. most cheerfully semply with the request of your sgent in anying I have found your Sersaparilla a most excellent afterstive in the numerous complaints for which we employ such a resude, but especially in Famile Disease of the Serofalous dischaels. I have crued many investigations are seased of Leicorrhage by it, and some where the complaint was ensured by silversition of the steroid many investigation of the steroid was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala, writes, "A dampered souries frome cose of the formulae is my family, which had defied all the remedies we could employ had a length been completely sured by your Extract of Baresparilla. Our physician thought nothing but extipation would afford relief, but he advised the irit of your Esraparilla as the last record before cutting, and it preved effections. After taking your remody eight weeks no symptom of the disease remains."

By philis a mid. Moremyrial Disease.

proved effectual. After taking your remody eight weeks no symptom of the discase remains."

Syphilis and More writal Discase.

Brw Onitann, 28th August, 1850.

Dr. J. C. Avan: Sir. I obserfully seemly with the request of your agent, and report be you some of the effects of your agent, and report be you some of the effects are all the remainders of the complaints for which it is recommended, and have found its effects brilly wenderful in the cure of Venezuel and Mercerical Discase. One of my patients had Syphilite ulcars in his threat, which were consuming his palate and the top of his mouth. Your Sarasparilla, steadily takes, owned him in five weakst. Another was attacked by secondary symptoms in his mean, and the subcration had seen to be supported to the secondary symptoms in his mean, and the laboration had disorder would soom ranch has been able to his Post of the P
