The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol $\rightarrow$ (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont le couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole $\rightarrow$ signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

RULES AND REGULATIONS.

The Librarian desires to call attention to the following Rules and Regulations. He wishes it to be distinctly understood that they will be strictly enforced, as this is very necessary for the satisfactory condition of the Library. The teachers are requested to assist by seeing that their scholars keep these rules.

1. Note.—Catalogue of December, 1909, and Supplement of December, 1910, are cancelled, as all the books have been renumbered. Please destroy any copies you may have left.

2. Application for books must be made to Librarian before school opens.

3. Books must be returned in good condition every two weeks, and then can be renewed if desired. Failure to comply with this rule will render the borrower liable to a fine of five cents for every two weeks after the first two. This fine must be paid before another book will be given out, unless a very satisfactory excuse is given to the Librarian.

4. Readers are given one catalogue free; if lost, new ones may be procured for five cents each. New cards cost one cent.

5. Readers are expected to keep their cards marked with plenty of numbers of books desired, not less than twenty.

6. Books will not be exchanged again after being given out. If the book is not wanted, return it to the Library and keep the card until the next Boys' or Girls' Sunday.

7. Scholars will be responsible for Library Books given out to them. If lost or damaged the book must be replaced.

8. Books will be distributed after school is over, and scholars must remain in their classes to receive them.

9. When scholars are changed into other classes, the teachers should notify the Librarians at once, to prevent books being sent to wrong classes.

10. The Library will be opened at 2.30 every Sunday. Those wishing to procure books, or get any information, must apply before 3 o'clock. After that hour the Library wicket will be closed until school is over and the books have been distributed. The Librarians will wait for a few minutes then to attend to those who have good grievances only.
