REGULAR MEETING OF TOWN COUNCIL

Much Routine Business Dealt With—Overdraft Still Grows.

A meeting of the Town Council was held Monday evening. In the absence of His Worship Mayor McKay, who is ill, Deputy Mayor Geo. St-Onge occupied the chair.
The following resolutions were presented: Balle-John, Giller, Graham, Matthews, Duncan, Moore, Marquis.
The minutes of the last regular meeting and two special meetings were read and confirmed.
The clerk read a communication from the Clerk of the Executive Council acknowledging receipt of an application for further funds under the Housing Act. The Clerk said that the prospects for further funds were bright.
A number of ratepayers applied for positions on the street work proposed to be done this summer.
They were as follows: J. E. Dion, James E. Todd, B. P. Underhill, W. S. Duncan, J. P. Lussier. These were all laid on table.
J. E. Dion, who has been working at town stone quarry at 25 cents per hour, wrote asking that this amount be increased to 30 cents because of hazardous nature of work. Laid on table.
Miss E. McDonald asked to be allowed to leave a lot on the I. N. R. right of way recently handed back to the Town. Referred to Public Property and Streets Committee.
Chas. Goss wrote asking for permission to install a gas tank in front of his store. Referred to Police and License Committee.
Dan McLaughlin wrote in reference to an account of \$2.70 for repairs to sewer, caused by town employees. Referred to Water and Sewerage Committee.
D. Chamberlain wrote asking Council to pay for suit destroyed near Post Office when team collided with fire wagon and he was injured.
Coun. Moore said that when the firemen were engaged they naturally assumed some risk. The town insurance of the firemen. Did not favor payment of this account. Moved that letter be placed on file. Carried.
A number of ratepayers wrote asking for adjustment of assessments. All were referred to the Assessment and Appeals Committee.
Thos. J. Derrick asked for a license to conduct a drug store in building lately occupied by John White's drug store. Referred to Assessment and Appeals Committee.
Felix Arsenau applied for a license to conduct a harness and shoe repair shop. Referred to Police and License Committee.
Ratepayers of Prince William Street petitioned for extension of water and sewerage to lots owned by them. Referred to Water and Sewerage Committee.
The contract between the Town and Thos. Ellsworth for hauling stone was read and on motion referred back to the Town Solicitor for the insertion of a clause.
Coun. Duncan read the Finance report for January and February. This showed an over-expenditure of \$3,662.24. The overdraft Dec. 31st was \$54,657.68 and on Feb. 28th it had increased to \$64,290.80.
Coun. Giller of the Assessment and Appeals Committee reported recommending adjustments of certain assessments.
Coun. Graham read a letter from Chief of Police Adams stating that the present cells were unfit for female or juvenile prisoners, and suggested that a portion of the offices be taken and two cells be erected therein.
The Police Committee recommended this and the report was adopted.
The Police Committee reported that they had investigated the complaint of Mrs. Wm. Savoy against Police-constable Andrew Smith and found no ground for such complaint. Report adopted.
Coun. Balle-John of the Electric Light Committee reported recommending that Mrs. Mary Adams be supplied electric current from line running to Miller's mill. Report adopted.
Council granted an extension of time to Council.

Coun. Balle-John moved that the application of J. E. Dion, for increased pay be referred to the Public Property and Streets Committee. Carried.
Coun. Moore brought up the matter of increased duties of Chief of the Fire Department. Since last fall he had been acting as Assistant Provincial Fire Marshall which took up considerably more of his time. Coun. Moore thought that the Chief should

RAMBLERS BEAT DALHOUSIE VETS

Fast Game on Monday Night Gave Campbellton Victory—Score 4-3.

A fast, close game of hockey was played here on Monday night when the Dalhousie Vets crossed sticks with the Campbellton Ramblers.
The first period got away to a lively start and both teams contributed good stick-handling and fast team play which evoked enthusiastic applause from the spectators. This period of the game was closely contested and ended with a score of 2 to 2. In the second period the Dalhousie boys were successful in frustrating the untiring efforts of their opponents and kept up a spirited bombardment on the Campbellton net. Murray in goal for the local team, showed up in good form, but despite his admirable agility and skill the rubber got by once. Thus the period ended with a score of 3-2 in favor of the visitors.
In the third period the game developed unusual speed, and the fact that the fans were getting a treat, was evidenced by their incessant and enthusiastic cheering. When the local hockeyists found the Dalhousie net and thus tied the score the atmosphere became charged with suppressed excitement. The game now became a whirlwind of spectacular rushes, whiny combination work and clever, though futile, shooting. Then, when the allotted time had nearly elapsed, Lavolette, playing cover point for the home team, got the disk, made an end to end rush with incredible speed and scored the winning goal for Campbellton.
Sharpe, playing centre for the locals, did good work and Thoms and Wilkins on the wings contributed dependable support. The rest of the team showed up in splendid form.
The visiting players gave a good exhibition of clean hockey throughout the game. Dalhousie has a set of fast hockeyists who can not only take defeat in good spirits but who are capable of putting up a commendable fight with most any team in the province.
George Allingham and Wallace Henry timed the contest while Reg. MacLean handled the whistle to the satisfaction of all.
The line-up was as follows:
Dalhousie Vets: Goal, D. Murray; Point, L. McIntyre; C. Point, J. Lavolette; L. Wing, F. Thomas; P. Nadeau; L. Wing, G. Wilkins; E. LeGouffe; R. Wing, G. Wilkins; Centre, R. Sharpe; A. Lavolette; Spares, E. Henderson; L. Blanchard; G. Williams; B. McKensie; G. McBeath.

Coun. Moore brought up the matter of increased duties of Chief of the Fire Department. Since last fall he had been acting as Assistant Provincial Fire Marshall which took up considerably more of his time. Coun. Moore thought that the Chief should

STEPS TAKEN TO SECURE CHANGE

Board of Trade Endeavoring to Secure Better Railway Service.

The Board of trade initiative steps to secure a better train service between here and Causapical. Below we print a copy of their letter to the Hon. C. W. Kennedy the new Minister of Railways.
13th March, 1922
To the Honourable C. W. Kennedy, Minister of Railways, Ottawa.
Sir:—
The Campbellton Board of Trade on behalf of the citizens of this town and the travelling public generally throughout the County of Restigouche, and more especially that part of the County between Campbellton and Causapical request you to endeavor to secure a more satisfactory train service between these points and the town and districts contiguous thereto.
The trolley service between here and Bathurst has proved such a boon to the whole country between these points that our Board urges the necessity of a similar service being inaugurated between Campbellton and Causapical.
If this arrangement is not feasible at present we would respectfully ask you to re-instate old service which this district has always enjoyed, viz. a train leaving Campbellton at 9:15 p.m. going west.
We would further request that the train now leaving Mont Joli at 8 p.m. and arriving in Campbellton 9 p.m. be started two hours earlier, viz. leaving Mont Joli at 6 a.m. and arriving in Campbellton at 1:00 p.m. thus giving the people along the line ample time to do their banking and other business and be able to return the same day on the 2:15.
Hoping you will do everything possible with a view to having this necessary service put in operation at an early date.
We remain, Yours respectfully,
THE CAMPBELLTON BOARD OF TRADE
H. R. SMITH, Secretary.
Favorable replies have been received from Pius Michaud, member for Restigouche and Madawaska and others.

Coun. Moore brought up the matter of increased duties of Chief of the Fire Department. Since last fall he had been acting as Assistant Provincial Fire Marshall which took up considerably more of his time. Coun. Moore thought that the Chief should

LABORERS CLASH WITH PAPER FIRM

Lumber Seized—John Hall Kelly Wins Case for Great Eastern Paper Co.

A judgment of considerable interest to lumbermen of this section of the country was recently rendered by the Superior Court at Perce, Gaspé Co., Quebec.
Last fall, The Great Eastern Paper Co., which owns a tract of timber land on the Magdalen River, gave out several contracts to jobbers. These jobbers carried on operations during the winter and this spring it was discovered that one of the number had become insolvent. As a natural result the men employed by this party demanded that the paper company come good for the amount of their wages. This was refused by the company. The men then took a seizure against the lumber claiming a privilege thereon for their labor.
In virtue of the writ of seizure the bailiff seized a quantity of lumber which was in the company's boom at Magdalen River, and in which was contained the lumber on which these labourers had worked. However, the lumber on which these men had worked was mixed in the boom with the company's total winter cut and the company maintained that the amount due the men was owing by the jobber and cut by themselves, and that the men had no authority to seize wood other than that of the jobber for whom they had worked. This meant that the wood on which the laborers had worked for the jobber had to be identified in order for them to realize the amount due them as wages. This under existing circumstances, was impossible.
The Superior Court at Perce upheld the pretension of the paper company, declaring that the laborers had a just claim against the jobber for whom they had worked, but none against the company itself, and that they could not legally seize the lumber generally in the boom.
The plaintiff was represented by W. A. E. Flynn of Perce and the Great Eastern Paper Company of the years, sadly missed by wife and children. John Hall Kelly of New Carlisle, N.B.

ROYAL ARCH CHAPTER FORMED

Officers and Visiting Members Give Degrees to Large Number.

On Thursday, March 10th at the Masonic Temple here the Campbellton Chapter No. 11 of the Royal Arch Masons was instituted. The officers for the new Chapter were duly installed by the grand officers for New Brunswick. On Friday a large class of candidates received their degrees which were exemplified by degree teams from Michiton and Chatham.
At 6:45 on Friday evening a banquet was served in the Hallroom of the Presbyterian Church by the Campbellton Ladies Aid Society. Despite the fact that these ladies are exceptionally busy at this time of the hospital opening they found time to make this occasion most delightful one. Their generosity of spirit and of purse surely merit our deepest gratitude. All gentlemen present at the banquet did ample justice to the gorgeous spread and expressed their appreciation through a toast to the ladies proposed by D. C. Firth, Campbellton and responded to by Mr. Wm. Smith of St. John.
While in town Mr. Smith made a cash donation to the Soldiers' Memorial Hospital.

Coun. Moore brought up the matter of increased duties of Chief of the Fire Department. Since last fall he had been acting as Assistant Provincial Fire Marshall which took up considerably more of his time. Coun. Moore thought that the Chief should

A CAMPBELLTON PLEA FOR UNITY

I did not come from the Tobique, Nor yet from across the sea; But I live right here in this good old town Where I always intend to be.

I will nail my flag to the top mast Be the taxes ever so high, I will be right here until the last And here's where I want to die.

But I want to have a little left Over Income Tax and the rest, To help me out in the battle of life And build my family a nest.

We should always be ready to unite, Let an one lay down or nap; And every man should do all in his might, To put this town on the map.

We should always seek peace with our neighbors Of whatever language or creed, And one God of love will look from above And he will supply our needs.

Let Scotch, English, French and Irish, all Pull on the one strong rope, Singing one song both stately and strong Of Charity, Faith and Hope.

—Anon.

"The Old Nest"

PERSONALLY WE THINK THE OLD HUMAN RACE IS STILL RUNNING TRUE TO FORM.

This in spite of what psychologists and some radical reformers would have us believe. We think that boys and girls still love their mothers as dearly as ever. But we also think that girls are causing their mothers to skip bedtime so that they may be fashionably dressed and that boys continue to get into scrapes that drive them from the parental roof in spite of mother's pleadings. We cannot help observing, however, as we fit from home to home and motor through the countryside, that happy households of childhood are ruthlessly shattered by the lure of large opportunities and that Father and Mother, gray and feeble, live in constant heart-burster for the return of their baby brood. To these absent children there is no thought of neglect, but busy lives crowd out all visions of home and especially of Mother.

Why enlarge upon the subject—come to the Opera House, next Monday or Tuesday, and see the sweetest, most natural and searching re-living of your own family life your mind can imagine outside of the real thing itself. This is Rupert Hughes' supreme human story, "The Old Nest." It has, we'll venture to say, mended more broken hearts, set on foot again on the homeward path more forgetful sons and daughters and re-united the sacred bonds of family love and loyalty than a like amount of spoken preaching could possibly accomplish. It will bathe Campbellton in the tears of its contrite sons and daughters and the good results of "The Old Nest" message will last for many months, if not for a lifetime.

DALHOUSIE

The friends of Mrs. Eliza Gould are pleased to hear that she is recovering from her recent illness.

Mrs. J. W. O'Connor of Point La Ni who has been visiting in Bathurst the guest of Mr. and Mrs. J. H. MacNeil has returned home.

The St. Patrick Day Supper held in St. Mary's Hall, under the auspices of the W. A., was a splendid success. The hall was decorated in appropriate colors of green and white. The table looked particularly attractive with streamers and other potted plants being used as decorations. Many lemon, cut into the form of baskets with handles attached, added to the effect. The viands consisted of: Salmon, ham, peas, lettuce, potatoes, lemon pie, apple pie, several kinds of cake, white bread, brown bread, rolls of various sorts and tea and coffee.

James W. McKenzie, of Shigawake, Quebec, is the guest of his sister, Mrs. W. J. Simpson.

Several people left town on Thursday for Campbellton to attend the opening ceremonies of the Restigouche and Bay Chaleur Soldiers' Memorial Hospital. Among them were Mrs. S. J. Beckingham, Mrs. H. E. Mott, Mrs. Edgar Shibley, Mrs. John Campbell, Mr. and Mrs. W. H. Priest, Miss Eva Barberie and Mr. John Midgeby.

Miss Gertrude Barberie has returned from a four weeks' visit to Halifax, where she was the guest of her sister, Mrs. W. K. McKean.

The bean supper held in the basement of St. John's Presbyterian Church, on Tuesday evening, was well patronized. The Mission Band under whose auspices it was held, are to be congratulated.

T. C. Travers, of Montreal, arrived in town on Saturday to spend a few days with Mr. and Mrs. W. J. Simpson.

Mrs. R. J. Coleman and Mrs. S. J. Beckingham were visitors to the Junction on Monday.

Compared with last week, the weather this week has not been so pleasant; the thermometer lower daily and the sky has been dull and cloudy. The only birds noticed, so far, are English sparrows, and they are not numerous.

There is an excellent opening in town for a lady who is capable of giving piano lessons. There are many prospective pupils. A few years ago, there were four or five music teachers resident in the town. These ladies have since married or have moved away.

Arthur LePoint, of El River, was arrested last week by police officer Brown on a constable Syrette, for violation of the Liquor Act.

Miss Annie McNeil returned home on Monday evening, after an absence of eight weeks spent in visiting in Montreal, Boston and St. John.

Finley McKenzie, who has not been in town for twenty years, was a recent visitor to his brother here, Gus, McKenzie and also to his aged mother at Esquimaux. He left this week for his home in Whitty, Ont.

The following guests registered recently at the Queen Hotel: J. B. Leger, F. J. MacCarrie, B. J. Collier, L. M. Clark, E. Allard, H. J. Culligan, C. F. Newlands, W. J. Harquail, Mrs. J. Pelletier, Mrs. A. Martin, Campbellton A. W. Barbour, New Mills; E. Martin, A. Allard, Carleton; K. Branch, Bathurst; W. F. Cope, J. L. Baquiere, A. D. Farrah, New-castle; F. B. Russell, Petit Rocher; V. Jamieson, H. Gilmore, Dalhousie Junction.

DALHOUSIE JUNCTION. The young folks of the Junction are taking great advantage of the night school which is progressing very favorably under the management of our school teacher Harry Gilmore. The subjects in which instruction is

given are book-keeping, arithmetic, reading, letter writing and elementary chemistry and science. The fact that all lessons are given without fees proves an added enticement. Mr. Gilmore says he hopes to turn out a number of qualified book-keepers before June.

A very pleasant dance was enjoyed by the young people of the Junction at the home of Mr. and Mrs. Robert McIntosh on March eighth. Among those present were Misses Blair, Atkinson, Bessie and Ruth McCurdy, Mrs. G. Miller, Mr. and Mrs. G. Wafer, MacLean, David MacLean, Judson Buckley, Hartley Miller, Orville Goad, Harry Gilmore and Percy and Lester McIntosh.

Our station master is now critically ill with pneumonia. His daughter, Miss Buckley, is now nursing him. His many friends look for a rapid recovery.

Mr. Walter Lyons is relieving agent.

Mrs. Allen Hicks spent last weekend in Bathurst.

The Women's Missionary Society held their meeting at the home of Mrs. Geo. Miller. The Rev. Edward Shaw, of Dalhousie who was in the Junction visiting his congregation, attended the meeting where plans were made to start a young people's missionary society.

Mrs. Annie Hicks is at present visiting friends in Bathurst.

Miss Bessie McCurdy is very busy preparing to enter the S. M. Hospital as a nurse in training.

Messrs. Gilmore, Jamieson, MacIntosh and MacLean spent the weekend in Campbellton.

Inspector P. G. MacFarlane has signified his intention of paying out school a call in a short time.

Ned Crocker has departed to spend the summer at his home in Newcastle.

GRAND RIVER. The first celebration in honor of our patron St. Patrick that was ever celebrated on the Gaspé Coast was at Grand River, P. Q.

A solemn high mass was celebrated by Father Plourde of Grand River, he also gave a most eloquent sermon on the life of St. Patrick.

The choir was formed of the regular, but was aided most melodiously by Mrs. E. Verge, Mrs. P. Sutton, Miss G. Jones, Miss Bourget and Misses Lena and Marietta Walsh.

Many flags were flying in honor of our glorious patron saint, but the one that attracted the most attention, was the beautiful 15x20 Erin Go Brach that was flying proudly from the residence of Mr. James R. Walsh.

The town of Grand River deeply mourns the death of one of their honorable citizens, Mr. Alex. Shannon who died on March 10th, at the age of seventy years. The funeral took place on Wednesday, March 15th and was the largest ever seen at Grand River.

Mr. P. M. Shannon of Campbellton was in town on Sunday last, having been called here owing to the death of his father, the late Mr. Alex. Shannon.

Mr. Walsh has opened a fertilizing plant at Grand River which will be a profitable industry to Grand River, and the coast.

NEW CARLISLE. The weather here will remain quite cold, thus giving our young hockey players more opportunity of practicing.

Another exciting hockey match was witnessed here Saturday evening when our young ladies' team played the famous "Canaries" boys' team, the latter using only their left hand. Although the spectators had anticipated many casualties for the girls the boys played a fair, clean game throughout. Being handicapped by using only one hand it was soon eas-

Editor Campbellton Graphic,
Campbellton, N. B.

Dear Sir:—

I would like to call the attention of the people of Cross Point, Indian Reservation, Bordeaux and Kempt Road to the fact that within the last few days there has been slaughtered within the above neighborhood one moose, one caribou and two deer, right under the very eyes of those God-fearing people. Now I ask where is this brave and fearless protector of game, Mr. Fair, who no later than last September, rushed through Kempt Road with the assistance of one man of the law, Smith, and fell upon and captured two desperados, named John Alexander, Jr., and one boy, Thompson, seized their little guns hauled them before the Magistrate and fined them. This affair was a treacherous outrage, as my boy was perfectly justified in sending a few days in the forest, of the Province of Quebec, as I have been a resident of the said Province for the past five years.

I would like also to draw the attention of the public to the great unrest of some of the people along the shores of Esquimaux and Esquimaux Flats, and also some of the people on the New Brunswick side in regard to the sorrow they have for the few wild geese that are killed by a few gunners by the aid of a light. Those contemptible kiches are too lazy, too cowardly and too poverty-stricken to risk their lives or buy the necessary outfit to get a goose and some will shoot high power rifle bullets when he is concealed on the shore at the poor down-trodden geese. Last fall they imported a game warden, I think from Montreal, by the name of Day, who was a good judge of Campbellton whiskey. He with the aid of three or four others so hounded the geese hunters that directly or indirectly it was the cause of a most appalling tragedy, the life of one of Campbellton's most useful and respected sons, the late George Sargeant, being lost.

In regard to the killing of geese on the Restigouche, I would like to say that about one goose in ten million is killed on the Restigouche. I suppose they are protecting them for the Americans, who in the southern part of the continent, kill them and the wild duck by the thousands, by every device invented by man, even using the airplanes, pont guns, swivel guns and automatic guns. Airplanes are hired by the owners of the rice fields to destroy these fine game birds by the thousand, to save the rice fields, but when it comes to a Campbellton gunner and a few other gunners from both sides of the river and some of them, very poor people, getting a goose or a duck for their family they are now in dread of their lives, thinking only of the whites of the bullet from the deadly rifle in the hands of the cowardly assassin. The sporting goose hunter is always a good, hale and hearty fellow, willing to share his little all with his fellow-man at all times. But the hounders of the geese hunters are always narrow-minded and jealous, and when they leave this earth they will leave unwept, unhonored and unung.

Thanking you Mr. Editor for this publication I remain, Sir, your sincere friend,

Nurse Recommended Use of Lydia E. Pinkham's Vegetable Compound

Bothwell, Ontario: "I was weak and run down, had no appetite and was nervous. The nurse who took care of me told me to try Lydia E. Pinkham's Vegetable Compound, and now I am getting strong. I recommend your medicine to my friends, and you may use my testimonial."

—Mrs. D. Maxwell, R. R. No. 2, Bothwell, Ontario.

The reason why Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ill is because it contains the best, strengthening properties of roots and herbs, which act on the female organism. Women from all parts of the country are enthusiastically testifying to its strength-giving, blood-purifying, and health-giving properties. It is a safe medicine for women.

BARHA OF PALESTINE

Man Who Recently Died Led a World
Faith.
There are other souls which are
sacred to one section of mankind or
another, but what country can rival
Palestine in a breadth of religious
belief? Very little it is true, the
head of the newest of world religions
should die there and receive
from the dignitaries of that land the
highest funeral honors.

The death of Abdul Baha, Palestine,
recently, of Abdul Baha Abbas, leader
of the Bahai movement, removes
one who was not of Palestinian birth,
but it has been from that region that
his influence has gone forth. Baha-
ism is of Persian origin, but it was
in Syria that Abdul Baha and his
father, Baha O'Allah, were confined
in a penal colony. To the place of
their imprisonment, Acre, came
hordes of pilgrims and students of
many races and tongues. After his
release, Abdul Baha remained at
Acre, and conducted humanitarian
work throughout Palestine and all
Syria, for which he was knighted by
King George in 1920. At his funeral
there attended Sir Herbert Samuel,
the British High Commissioner, and
this distinguished Jew saw nothing
incongruous in thus honoring one of
another race. For was not Abdul
Baha of the prophets?

Bahaiism, it seems, claims no
intricate revelation, nothing of a
nature to make it either militant or
sensational. It is primarily a move-
ment for social reform. It teaches
brotherhood and spirituality, ideas
which were only uttered thousands
of years ago by the Hebrew prophets.
It could echo the statement of Paul
that "God hath made of one blood
all mankind." It appeals to Christ
for authority in its teaching of peace.
Many Christians have aided the
movement, and Sir Herbert Samuel
could walk behind the forces of its
founder. Perhaps the only decided
opposition to Bahaiism will come
from Mohammedanism. Other Ori-
ental faiths may passively resist, but
the doctrine of Abdul Baha and the
committee of nineteen which suc-
ceeded him strike at the very heart of
Islam. In India, Central Africa and
even in the marshes of Russia the
Moslems are on the aggressive. They
will fight Bahaiism to death. The
attitude of Christianity will become
more apparent as time passes. As
unto Christians have allowed Abdul
Baha and his teachers their pulpits.
But the fact remains that out of
Palestine has come again an appeal
for international brotherhood and
good-will.

**AGAIN SEEKING
INCORPORATION**

St. Quentin Applying to Legisla-
ture for Act of In-
corporation.

The residents of St. Quentin, are
again applying to the Legislature for
the passing of an Act incorporating
the Town of St. Quentin. The dis-
trict asked to be incorporated has
been made somewhat smaller. Natu-
rally there is some opposition to the
proposed incorporation of the district,
but there always is when residents of
a district seek incorporation, as all
men cannot see alike. St. Quentin
has a population of about 1200. Fire
insurance rates are particularly high
in the district and these back of the
incorporation movement are seeking
to have these rates reduced, but can-
not do so until they have adequate
fire protection. It is claimed by
those supporting incorporation that
the saving in insurance rates and the
revenue derived from the sale of wa-
ter, would more than offset the
town taxes which would be improved
upon the residents under incorpo-
ration. A water and sewerage sys-
tem can be put in for about \$30,000,
artesian wells being used for the
supply of water. A brook about
four miles distant from the town is
available for a abundant water supply
but this means the patting down of
four miles additional water pipe to use
this source of supply. Yet the ad-
ditional cost would no doubt fully
warrant the expenditure. There is
absolutely no doubt that with a good
water system in St. Quentin fire in-
surance rates would be considerably
reduced and much money saved be-
hind. Had the water system been
installed several years ago much of
the property loss sustained in the
great conflagration which occurred
there nearly two years ago could have
been saved.

Quaker Meeting House.

The old Quaker meeting house at
Barton, Md., is probably the oldest
frame building standing in the Unit-
ed States—just where it was built
and as it was built, without any
change, additions or subtractions,
and with an authentic record since
1823. An occasional replacement of
shingles on the roof and of the weath-
erboarding are all the repairs it
has had. Its frame, inside and wood-
work, and some of the weatherboard-
ing, are the same as when it was
about the same time that William
Penn, who visited the building, was
trading with the Indians and laying
out Philadelphia. The only preser-
vative used on the wood has been oil-
fashioned whitewash on the outside.
Seven of the original plank seats and
the woodwork inside have had no
paint whatever. White oak, white
pine, cypress and southern pine from
the Maryland forests, were the woods
used.—Pittsburg Chronicle-Tele-
graph.

For Deaf People.

A new development by which
partly deaf persons may be made to
hear, was shown recently at a meet-
ing of the Parady Society. Kibbur
Scott exhibited crystals of Rochelle
salt, made artificially, which possess-
ed the remarkable power of repro-
ducing sounds. Mr. Scott explained
that deaf persons could wear a small
crystal behind the ear, connected
with a little soundbox worn over the
cheek. The sounds of conversation
would then be transmitted to the ear-
drum in the form of vibrations which
would enable them to hear.

Rarefoot in Fire.

Walking barefooted through a
charcoal fire four feet deep and more
than thirty feet long forms part of
the extraordinary religious festival
that annually takes place in honor of
a Hindoo goddess at one of the tem-
ples in the district.

ORATORIAL PRECAUTION.

"You always have a very convincing
way of speaking."
"I generally assume that I am
my auditors and then fall in line as
closely as possible," confessed Senator
Sorgham. "In that way I have been
convinced before I start."

RUSSIA AND GENOA.

There is no doubt but what Russia,

once a great empire, is now on the

brink of utter devastation and ruin.

The whole industrial organization of

the great country has been stopped

like a clock by the gigantic upheaval

which every system of order or govern-

ment has undergone. To bring

order out of this pending chaos and,

consequently, productiveness and pro-

ductivity, is indeed a colossal problem.

But in this advanced day of civiliza-

tion when the world's destiny is being

guided by the master minds of states-

men, whose achievements approximate

to the superhuman, is there not some

means by which this horrible regime

of bloodshed and wholesale destruc-

tion can be stopped and the readjust-

ment of Europe in its entirety accom-

plished?

Some sections of the press are

strongly adverse to the idea of strick-

ing Russia being represented at the

Genoa Conference. They go so far

as to declare this decision an idiotic

concession on the part of the leading

powers. That is one side of the ques-

tion. No doubt it has its points

which would support argument in its

favor. But on the other hand, if

Europe is to be reconstructed the

Russian problem must be disposed of.

No plan for international readjust-

ment would be complete or adequate

in coping with the tremendous de-

mands that will be made upon it un-

less the Russian menace is given due

consideration.

Did not the Washington conference

accomplish much? Were not many

problems of international import,

which, without a solution, threatened

the peace and hoped-for prosperity of

the world, more clearly understood

because of the conference and judi-

ciously settled by the statesmen en-

trusted with their successful disposal

All in all the achievements of the

Washington parley will, undoubtedly,

make for world peace and security

and prove invaluable in forwarding

European readjustment. Therefore

it is no more than sane and logical

expectation to hope that the confer-

ence at Genoa may be instrumental in

settling this war-racked old world on

a substantial working basis and so

usher in a greater degree of conten-

ment and co-operation which are es-

sential to world peace and prosperity.

Well then, if the conference at Genoa

can give the attending statesmen a

clearer conception of the under-lying

impetus to European unrest, enable

them to view the situation with deep

insight and agree upon its imperious

needs, would it not be well to have

order out of this pending chaos and,

consequently, productiveness and pro-

ductivity, is indeed a colossal problem.

But in this advanced day of civiliza-

tion when the world's destiny is being

guided by the master minds of states-

men, whose achievements approximate

to the superhuman, is there not some

means by which this horrible regime

of bloodshed and wholesale destruc-

tion can be stopped and the readjust-

ment of Europe in its entirety accom-

plished?

Probably this is a treat which Rus-

sia scarcely deserves. But surely

entering into negotiations and enjoy-

ing associations with statesmen of the

Western Powers will break down all

barriers now erect and bring to Rus-

sian leaders a clearer realization of

their country's menacing attitude to

her sister nations of the world. Thus

may Russia be fitted for a place in

that great association of nations

which had its inception at the dis-

armament conference. In this way,

and in this way alone, can world peace

be preserved and world brotherhood

achieved.

All Clear Now.

A professor says that sedentary

life is the cause of the enormous

increase in the number of cases of

neuritis, and that the only way to

prevent it is to lead an active life.

In other words, the more one sits

the less one can stand.

EDITOR'S MAIL

SOLDIERS' MEMORIAL HOS-

PITAL, AN EXPLANATION

Editor, The Graphic:

Dear Sir:

I was not a resident of Campbellton

at the time of the inception of the

movement for the Soldiers' Memorial

Hospital or at the time of the stone-

laying, and since residing here, I have

been under the constant impression the

hospital was a "Protestant" one.

I have discovered, however, since my

address at the opening ceremony last

Thursday that the purpose of the

Board of Trustees is that the Hospi-

tal is to be a "General" and not a

"Protestant" one. While I knew, of

course, that it would be, like all other

hospitals, general in the reception of

all classes of patients, I did not then

know that it was under a general

management. As such, it cannot be

properly called a "Protestant" hospital

and I regret that I expressed the

wrongly prevalent notion that it was

a "Protestant" hospital. Though I spoke

in all good faith, I was clearly under a

misapprehension and I hasten to cor-

rect the erroneous impression. I

willingly made. Perhaps, this letter

may clear a position which I think

should have been more publicly stat-

ed than it has been during recent

months. I suggest that, from now

on, the public, in speaking of the

Hospital, use the word "General"

rather than "Protestant," or, better

still, the longer but splendid name,

"Soldier's Memorial."

F. E. BOOTHROYD.

Editor Graphic,

Campbellton, N. B.

Dear Editor:

From press reports, we are told that

Dr. Prince, investigating the Caledonia

mill, has reported that he has learned

some facts that will be stored away

among the "Bureau of Research"

archives, and all the spook stories

that are not from local causes. We

the people of the North never want to

be lagging behind Nova Scotia in any-

thing, and in the matter of the heavy

certainly out do our sister province.

The ghost stories related about the

"Boyle" home, a rude log house sit-

uated about seven miles from Camp-

beltton are startling, if true, and

worthy of investigation, if the other is

Sir Walter Scott has said that "Ghosts

are only seen in youth" and that "I

have only met two men who really

believed that they had seen something

supernatural, and of these one com-

mitted suicide and the other was a

mountebank. In this local case the

family had to leave the house, because

of happenings in broad daylight and

were seen by numerous well-known

persons, who could give no local or

natural cause for what they had seen.

Yours truly,

"PHYSIC."

OLDEST HUMAN SKULL.

It Has Been Uncovered In Rhodesian

Cave.

A fossil skull has just been dis-

covered in Northern Rhodesia which

reveals a new chapter in the history

of man.

The scene of the discovery is the

"Bone Cave" at the Broken Hill

mine, already famous for the beauty

of its stalactites and stalagmites and

the remarkable fact that the time

of which they were originally com-

posed has been largely replaced by

phosphates of zinc and lead.

It was the commercial value of

these formations that led to the

transformation of the beautiful caves

into one of the strangest mines which

has ever been worked. But it was

very peculiar mining, for the fact-

was nothing but a mass of fossilized

remains of elephants, lions, leopards,

rhinoceroses, hippopotami, antelopes,

birds, bats and small mammals.

Many hundreds of tons of these ani-

mal remains have been removed dur-

ing the course of mining operations,

but no trace of man was discovered

until a depth of 10 feet below water

level was reached, when the bones of

one of the most remarkable types of

man had yet revealed to us were

found surrounded by soft friable lead

conglomerate.

Pictures published in the Sunday

Times of Johannesburg show a skull

that seems to resemble the most

primitive member of the human fam-

ily at present known to us, the Ape

Man, discovered in Java by Prof. Du-

Bois in 1892. But, unlike the Java

specimen, the Rhodesian skull has

the face preserved and reveals a type

curiously similar to that of the Gib-

ralter skull.

Whatever the fuller examinations

of the specimen may reveal, we are

certain, says a scientist, that the

new discovery introduces us to the

oldest type of man yet found in

Africa and gives a new orientation

to the early history of the whole hu-

man family. For whether the Rhod-

esian man is a very primitive ancestor

of the European Neanderthal species

or a new species of the Java type

Pithecanthropus, by its discovery the

importance of the part played by

Africa may have been the original

home of the human family receives

further corroboration. In any case,

the new find is one of the most

important discoveries of the early

history of man.

The skull seems to be quite com-

plete, but unfortunately there is no

peculiar interest and significance.

But as some compensation for the

loss of the mandible, the collar bone,

a leg bone and part of the hip bone

are said to have been found and will

enable us to form a more complete

idea of the bodily form of Rhodesian

man.

It is hoped that when these impor-

tant remains get into the hands of a

competent anatomist many of the

gaps in our knowledge of early man

will be filled.

"I understand your cook has left."

"Yes," answered the housewife,

who was taking account of broken

china, "but not much."

PRINCIPAL OF C. C. C. WON UNDERWOOD MEDAL.

On a recent visit to the Campbellton Commercial College our reporter learned that Mrs. B. E. DuGouty, principal of the institution has lately been awarded a beautiful bronze medal with one bar for speed and accuracy in a recent typewriting test which was inaugurated by the Underwood Typewriter Co. of New York. The rules and regulations which govern these typewriting tests are very rigorous, ten words being dictated for each error the competitor makes. Thus the winning of the Underwood Bronze Medal is a noteworthy achievement for a typist and more so when it is decorated with an additional bar. Students of typewriting in the different commercial colleges also have the opportunity of winning one of these medals which is a splendid incentive to aspiring typists to develop a greater degree of efficiency in their chosen vocation. A number of the students of the Campbellton Commercial College who are aspirants for the medal have entered.

Railway Men of District No. 2 Will Honor Memory of Fallen Fellow-workmen.

At a meeting of the representatives of the Railway Brotherhood and Employees of District No. 2 which included Most J. J. to Moncton, St. Leonard sub-division and Chatham and Dalhousie branches, on Monday evening at Superintendent Martin's office here, it was unanimously decided to donate two X-Ray machines to our local hospitals, one to the Hotel Dieu and one to the Soldiers' Memorial Hospital, as memorials to their brother employees who gave their lives in the great war. This act speaks well for the generosity of the railway men for it is believed that this double donation will cost in the vicinity of \$6000. The spirit behind the movement is deserving of high commendation and will, no doubt, be highly appreciated by these two therapeutic institutions. It is also the intention to erect in the X-Ray room of each hospital a tablet bearing the names of the railway men in Division No. 2 who laid down their lives in the recent war.

Mrs. A. J. Keen is spending a few days in Montreal.

Miss Gertrude Thompson is visiting friends in Sydney.

Miss Bessie Rogers of Bathurst is the guest of Miss Estella Bruce.

Miss Gladys Day, who has been the guest of Miss Freda Davison, returned this week to her home in St. John.

Mr. Wm. Rogers, representing the Toronto Type Foundry Co., Montreal, was in town on Wednesday.

Mrs. J. J. Conley very pleasantly entertained a number of her friends on Friday evening.

Mr. A. J. Nadeau former stenographer of P. M. Shannon, has accepted a position with the Fire Commissioners in St. John, N. B. and will report for duty on April 1st.

A. T. Legere, M. P. of Richibucto and Mrs. Legere spent a day with their son J. B. and Mrs. Legere, recently being on their way to the opening of parliament at Ottawa.

J. A. Vautour of Worcester, Mass., and Mesdames J. F. Doucet and J. L. Venot of Bathurst were in town last week, being called to the bedside of their father J. C. Vautour, who is seriously ill at the home of his daughter, Mrs. J. B. Legere.

Miss Lydia Matthews entertained a number of friends at a most enjoyable sewing party on Friday evening in honor of Miss George McDonald who leaves tonight for New York, where she will enter St. Luke's Hospital.

The invited were: Misses George McDonald, Hattie McDonald, Dorothy Duncan, Jeannette Duncan, Nan Wetmore, Estella Bruce, Freda Davison, Gladys Day, (St. John), Blanche Crockett, Helen Crockett, Claire Mowat, Gertrude Thompson and Marie Thompson.

On Tuesday evening Miss Nan Wetmore entertained a number of girl friends in honor of Miss George McDonald who leaves tonight for New York, where she will enter St. Luke's Hospital as nurse-in-training.

During the evening Miss MacDonald was presented with a beautiful umbrella. Miss Stella Bruce made the presentation and Miss Claire Mowat made a few remarks that were very appropriate to the occasion. After which "For She's a Jolly Good Fellow" was sung with great enthusiasm. Although greatly surprised with the presentation, Miss McDonald made a very fitting reply of appreciation. Among those invited were: Misses

George McDonald, Hattie McDonald, Claire Mowat, Freda Davison, Estella Bruce, Marie Thompson, Dorothy Duncan, Jeannette Duncan, Reta Kerr, Sophie Metcalfe, Lydia Matthews, Bessie Rogers (Bathurst).

OBITUARY.
Sherman McNaughton

The community was painfully grieved to learn of the death of Mr. Sherman McNaughton which occurred at his home on Friday night at Cross Point. The deceased gentleman had been about as usual during the day, but in the evening was suddenly seized with a weakness, passing away within a few moments, the direct cause of his death being heart failure.

The late Mr. McNaughton who was in his 57th year followed the lumbering business practically all his life and was a highly respected resident of Cross Point, and his sudden demise will be mourned by a large circle of friends.

Deceased leaves to mourn the loss of a kind and affectionate father, two daughters, Mrs. J. R. Hamilton of Campbellton, and Teresa of New York, and one son, Sinclair, of Cross Point, to whom the sympathy of the community is extended in the loss of their beloved father.

The funeral services which were held yesterday afternoon, Rev. Mr. King officiating, were largely attended. Interment was made in the Kempt Road cemetery.

CREATED TROUBLE
Buffalo, N. Y., March 22.—When Wm. Bringle of Waterloo, Ont., slipped a case of Scotch whiskey in the hay of a horse cart carrying racers from winter quarters at the Seagram Stable to Flinco, he started a lot of trouble for himself and his employer.

The racers were seized at the U.S. end of the international bridge and Bringle was fined \$250 by a federal judge here for illegally importing liquor.

Immigration officers then charged him with entering the country unlawfully. This charge was not pressed, however, and he returned to Canada.

At Bridgeburg yesterday he was assessed \$300 for illegally transporting the liquor from Hamilton to the border.

OBITUARY

Walter Arthur Scott

The death of Walter Arthur Scott occurred at his home in Whitteville, on Feb. 13th at the age of 82 years.

He is survived by his wife, formerly Miss Marial Smith of Hopetown, daughter of Mrs. Harry Stinger of this town and three small children Jessie, Willie and John.

The funeral service which was held at his home at 10.30 was conducted by Rev. Mr. Gorwood, at the house and grave. The pall-bearers were Mr. Ernest Whitney, Edw. and Wm. Dennett, James Sherrard, John Mullin, Edward Curtis. Interment was made in the St. Philip's Presbyterian cemetery. The bereaved wife and family have the sympathy of all in the loss of a kind and loving husband and father.

Mrs. George MacIntyre

It was with feeling of deep sympathy, that we learned on Monday of the death of Mrs. George MacIntyre, one of our most respected residents.

Mrs. MacIntyre who was only in her fiftieth year, had been sick for a few days with a cold, when pneumonia developed and all that loving hands and medical skill could render was unsuccessful, and she passed peacefully away on Monday the 20th inst.

Mrs. MacIntyre was of a loving and kind disposition, always taking an active part in any charitable work in connection with her church, or the needy of her community.

She leaves to mourn the loss of a kind and affectionate wife and mother, five children, three daughters and a son at home, three brothers and two sisters in the U. S. A., to whom the heartfelt sympathy of the community is extended.

The funeral which took place on Wednesday morning was largely attended, many out of town people being present, showing the high esteem in which the deceased was held.

Rev. Fr. Ribichaud officiated.

Mrs. George Duff

The death occurred at Tide Head on Saturday, March 11th, 1922 of Mrs. George Duff, (nee Mary Murray), eldest daughter of the late Thomas Murray, one of the prominent lumbermen of his day. The deceased was in her eighty-first year. Her health had been failing for some time, but her energy had helped her resist her illness until nine days before her death when she was obliged to keep her bed. Her only son Chas. S. was killed in the Spanish River wreck on January 21st, 1910, and this sorrow borne in mournful silence did much to undermine her health.

The funeral took place on Tuesday, the 14th inst., and was largely attended by sympathizing friends who came to pay their last tribute of respect to her. The funeral services were conducted at the house and grave by her pastor, Rev. B. C. Salter. The pall-bearers were: Murray Duncan, A.

K. Alford, Albert Mann, S. M. Ferguson, Henry Duncan and H. C. Gilla.

She leaves to mourn her loss her husband and two daughters: Mrs. Walter Thompson, of Glenora, California; Mrs. Hyman MacKenzie at home and five sisters: Mrs. Isabel Calhoun, Mrs. Margaret Sheehan, Mrs. Minnie Hudson, Mrs. Eliza McKeen of Seattle, Wash., and Mrs. (Dr.) Stewart of St. Paul, Minn.

Charles Scott

The death of Mr. Chas. Scott occurred at his home here on March 14th at 8.30 p.m. Death was indirectly due to injuries which Mr. Scott sustained on Feb. 28th, when he was accidentally struck by a locomotive in the railway yards here. At the time of the accident Mr. Scott was removed to the hospital, where he remained for several days when he was removed to his home. For a time he appeared to be doing well but on Sunday the 12th inst., a clot of blood formed about the brain, inducing unconsciousness which remained until his death.

The late Mr. Scott was a respected citizen of Campbellton and for years a most faithful employee of the town's electric light plant. Shortly after the Halifax disaster he went to that city where he remained until a few weeks prior to his unfortunate accident. Before going to Halifax Mr. Scott was Financial Secretary for the branch of the Canadian Order of Foresters of which society he was one of its most highly respected members.

Deceased leaves to mourn the loss of a kind and affectionate husband and father, a bereaved widow, four daughters and three sons. The daughters are Mrs. Fred Irvine and Mrs. W. E. Cooke of Campbellton, Lillian of Halifax and Lucy at home. The sons are: Lawrence and Lloyd of Campbellton and Walter of Halifax.

Rev. Mr. J. S. Harrington officiated at the funeral services which were held on Thursday the 16th, under the direction of the Black Knights of the Orange Lodge.

Floral wreaths were contributed by the Canadian Order of Foresters, the Black Knights of Orange Lodge No. 886, Mr. H. A. Carr, the family, Lady Carson Lodge L.O.B.A. and the C. N. R. store-staff at Halifax.

To the grief-stricken family the sincere sympathy of the community is extended in this their recent sad bereavement.

REGULAR MEETING OF TOWN COUNCIL

(Continued from page 1.)

have an increase of salary and moved that Chief O'Donnell be paid \$200.00 per year instead of \$100.00 as at present.—Carried unanimously.

Coun. Moores also said that Driver Gagner of the Fire team had asked for every second Sunday off so that he could attend church with his family. At present he could not leave the fire station.

Coun. Moores moved that arrangements be made to permit driver Gagner to have every second Sunday off.—Carried.

Coun. Moores again brought up the matter of the appointment of a milk and meat inspector. He stated that while by accident Dr. Donnelly, V. S., had discovered meat being offered for sale which was not fit for human consumption. He had sent a sample to the department, at St. John and the report had been returned that it was substandard.

Coun. Belle-Lale thought that a milk and meat inspector was necessary and moved that the matter be left for consideration of the committee of the whole council.—Carried.

Coun. Graham asked if the Council was going to favor daylight saving.—No response.

Coun. Moores said that he thought it very necessary to have some one represent the town's interests at Fredericton when the town legislation came up. Couns. Belle-Lale and Duncan were named to go to Fredericton.

The Council then adjourned.
