New
St. Patrick's Church
Quebec

FOREWORD OF THANKS.

With the completion of the new St. Patrick's Basement Church and its opening to the public, this booklet of names of Perpetual Members of the Building Fund seems timely. At a glance our people may see what they have done in a financial way during the first year since the Fund's inception.

Praise has been lavished in abundance upon the new Church. This is quite gratifying to the Fathers of St. Patrick's who are endeavoring to give their people a church which will in every way come up to the high ideals and noble traditions of the Irish race, and at the same time be a Temple fit and worthy of the August Majesty Who makes His unceasing earthly dwelling therein. Practical aid, however, is what we most desire, and that *from every member of our Parish*. If every one will shoulder their share of the burden and give of their means, then our Building Fund will grow by leaps and bounds, and the crowning of our work in the building of the Upper Church will not be a future dream but a present reality.

We trust that all will begin now in good earnest; that the present contributors will continue (as their means allow) on behalf of living or deceased relatives

or friends; and that those who have yet to make a start, will be moved to do so by the example of those who (perhaps not as well able as they) have met our appeal with a hearty and prompt response.

A great many whose names are here recorded as Perpetual Members are continuing above the specified amount on behalf of relatives or friends. These donations will be duly acknowledged under the name of the relative or friend as soon as the requisite sum is attained.

For any mistake that has crept into our printed list despite painstaking endeavors to have all correct, we beg a kindly indulgence.

May God bless our generous contributors, their homes and families, and give of His abundant supernatural graces to those who so willingly shared their earthly goods that He Whom they adore and love as God might have a Tabernacle amongst men becoming in every way the dignity of His Sacramental Presence.

Very gratefully yours,

JAMES WOOD, C. SS. R.

Rector.
