The College Staff

PRINCIPAL: THE REV. J. O. MILLER, M.A.

English

The Rev. J. O. Miller, M.A., University of Toronto; Honours in Metaphysics, Ethics, and Civil Polity; Prizeman in English; Graduate of Wycliffe College; First-class Honours; Macpherson Prizeman.

Mathematics

H. G. Williams, Esq., B.A., University of London; Six years Master Lady Alice Owen's School, London, England.

Modern Languages

W. B. Hendry, Esq., B.A., University of Toronto; Mathematics and Departmental Specialist in Mathematics, and French and German.

Classics

W. A. Kirkwood, Esq., B.A., University of Toronto; Honour Graduate in Classics; Governor-General's Gold Medallist; Departmental Specialist in Classics.

Natural Science

H. G. Williams, Esq., B.A. W. B. Hendry, Esq., B.A.

Second Form Master

W. H. Wood, Esq., B.A., Lampeter, Eng.; formerly Master in Sidcup College, Eng.

Junior Master

A. F. Barr, Esq., B.A., University of Toronto; first-class honours in Political Science.

Religious Instruction

The Rev. J. O. Miller, M.A., Principal.

N. I. Perry, B.A., University of Toronto, Toronto.

Music

Miss Patterson, Organist of St. Thomas' Church.

Miss A. Patterson, Teacher of the Banjo, Mandolin, Guitar, etc.

Drill Instructor

Major Geo. Thairs, 19th Battalion, C.M.

Steward

Major Geo. Thairs.

Lady Matron

Miss Cleghorn.

Medical Inspector

W. Hamilton Merritt, Esq., M.D., C.M., R.C.P.S. Edin.

Memoranda

1. The nett charges amount to \$240 per annum. See page 19.
2. Parents who wish their sons to receive orders upon tradesmen, will please deposit \$5 or \$10 in advance.
3. A Clothing List will be supplied on application. Parents are urged to have every article clearly marked with the BEST marking ink.
4. Every boy must wear the College cap, and on Sunday a black Christy.
5. The regulation suit for exercise consists of dark blue flannel jacket, and light grey flannel trousers or knickerbockers. This suit can be obtained in St. Catharines.
6. Parents are requested to supply a floor rug in order to improve the appearance of the rooms.

Open Scholarships

The Board of Ridley College offers two open scholarships for competition at entrance.

One is of \$50, tenable for four years.

One is of \$50, tenable for three years.

Under ordinary circumstances, candidates must be under fifteen years of age.

Examinations will be held at the College on the morning of the opening day.

Successful candidates must maintain a fully satisfactory standing in every subsequent examination in order to retain the scholarships.

For further information, apply to the Principal.

List of Boys in Attendance

From September, 1897.

BISHOP RIDLEY COLLEGE.

Ridley College

THE City of St. Catharines, in which the College is situated, is in the Niagara Peninsula, thirty miles south of Toronto, and is surrounded by a most picturesque range of country, the garden of Canada. The climate is much milder there in winter than in other Canadian cities, on account of its sheltered situation between the two great lakes. The summer is from three to four weeks longer than is the case to the north of Lake Ontario. The place itself is the healthiest, and has the lowest death rate, of all the cities of the Dominion. St. Catharines is noted as a summer resort, and for its famous mineral springs. These mineral waters are a well-known specific for certain diseases, and they are largely used during the summer months. One of these valuable springs is on the property of Ridley College. St. Catharines is easily approached by land and water. The Grand Trunk and Niagara Central Railways pass through the city, which is only twelve miles from Niagara Falls. Two steamboats cross the lake to Toronto daily throughout the summer, and there is a regular service between St. Catharines and Montreal and intermediate points.

The Building

The property used for the purposes of the College is a large and capacious brick structure, substantially built and capable of accommodating between one hundred and one hundred and twenty-five boys. The building is admirably adapted for its purpose. It is heated with steam throughout. The class rooms are commodious, and well aired and lighted. The dormitories are thoroughly ventilated and lighted with gas. The newest system of sleeping arrangements now in use in the best English schools has been introduced. The dormitories are divided into cubicles, each containing the articles of furniture necessary for one boy. Each boy has thus practically a room to himself, containing from sixty five to seventy square feet of

BISHOP RIDLEY COLLEGE.

space. The dormitories are used for sleeping purposes only. The sanitary arrangements are as perfect as it is possible to make them, and the rooms used for those purposes are isolated. The drainage system is as complete as possible in every respect. There is a steam laundry in connection with the building.

Religious Instruction

The religious instruction is that of the Church of England in Canada. Morning and evening prayers are said in the College building. Regular instruction is given in the Holy Scriptures in the first half hour of each day. Instruction is also given in the Catechism and book of Common Prayer, and in Morals. It is the aim of the authorities to develop manly and earnest Christian character.

Literary Instruction

Thorough instruction is given in all the usual subjects, special attention being given to Classics, Mathematics, Modern Languages, Science, and the various branches of the English department. Boys are prepared for Matriculation, with honours in all departments, in any University; for entrance into the professions of Law, Medicine, and Theology; for admission into the Royal Military College, etc. There is a Commercial Department for boys wishing to enter business life without a University education. Special care is taken to have regular supervision in the preparation of lessons, especially among the younger boys.

Physical Training

The facilities afforded by the climate and situation of St. Catharines for physical culture are unequalled in Canada. Care is taken to make every boy take a certain amount of healthy exercise every day. All the masters are expected to take an active interest in the boys' games.

The Gymnasium

One wing of the building has been fitted up as a gymnasium. It is seventy-five feet long, and is amply large for all requirements. It is well lighted, and heated by steam, and is fitted up with the best gymnastic instruments obtainable.

Drill

Every boy in the College is obliged to take the instruction in Military Drill. The College is divided into two squads. The squads are drilled on alternate days, except Wednesday and Saturday.

Cricket

The principal summer game is cricket. A very fine cricket ground has been purchased in close proximity to the College, containing about seven and a half acres of land. It is seven hundred and twenty-six feet long and four hundred feet wide. It is now one of the finest cricket grounds in Canada. There is a flourishing cricket club in existence, and great enthusiasm is manifested in the game.

Football

is the other great College game. It is played in the autumn, and the long open season affords special facilities for the attainment of excellence in this invigorating game. The cricket ground is available for football also, there being sufficient room for two or even three matches to be played at the same time.

Tennis

The tennis club is by no means a minor organization. The game is very popular, and is played a great deal. There are five excellent courts, four grass and one cinder court, and it will be easy to add others to the home playground if necessary.

Boating

One of the great advantages of the position of the College is the many facilities for physical development. The institution has already made a reputation for the vigorous health of the boys. Not the least important factor in this result is the fine stretch of water lying just in front of the building. The old Welland Canal, almost a river from the College down to the lake, is now closed to general traffic. From the lock, a few hundred feet away, to the lake, it is a wide and picturesque stream, two miles long. A large and commodious boat-house has been erected on the College property for the use of the boys' boats and canoes.

BISHOP RIDLEY COLLEGE.—Front View.

Swimming

Within a short distance of the boat-house is a bathing crib, a large and very strongly-built structure, made of heavy timbers. It is forty feet long and eighteen feet wide, surrounded by a stout trellis work, to allow the water to flow freely through it. The bottom is planked. This immense bath tub is two and a half feet deep at the bank, sloping gradually down to four feet in the deepest part. There the boys take a daily bath in the summer time, no boy being allowed outside the crib until he has learned to swim. Instruction is given by the master.

Carpenter Shop

A carpenter shop has been fitted up on the grounds, and regular instruction is given during the winter months. A small fee is charged for instruction. The cost of a set of tools for beginners is \$8.

Medical Inspection

In the matter of regular Medical Inspection, the College follows the rule in practice in many of the best English schools. A physician inspects the College twice a week at a stated hour. Any boy is at liberty to consult him privately. Slight ailments are thus detected at once, and taken in time, preventing serious developments. Every precaution is taken to insure as perfect a state of health as possible among the boys.

Fees

The fees are as follows :

BOARDERS.

Board and Tuition \$267 per annum.

Board and Tuition 89 per term.

If, however, payment be made in advance, that is, within fifteen days from the beginning of the term, a discount will be allowed, reducing the fees to the following :

Board and Tuition \$240 per annum.

Board and Tuition 80 per term.

DAY BOYS.

Tuition \$67 50 per annum.

Tuition 22.50 per term.

Each new boy, upon admission to the College, is required to pay a fee of \$4, which is devoted to the maintenance of the Boys' Library and Reading Room. He is also required to pay a fee of \$12 to provide for the cost of bed linen, towels, etc.

The above fees include everything except Music, Drawing, Books, Stationery, and Medical attendance in case of serious illness.

A half-term's notice must be given in writing before the removal of any pupil. If such notice is not given, a half-term's fees will be collected.

Books and Stationery are supplied at the College at the ordinary prices.

Music

Fee for Piano with use of instrument, junior boys,	\$12	per term
“ “ “ “ senior boys,	15	“
“ Violin - - - - -	15	“
“ Banjo - - - - -	10	“

Games

In order to meet the expenses connected with supplies for Cricket, Football, Tennis, Hockey, etc., and for the care of the grounds, there will be made a yearly charge of \$5 per pupil.

Bursaries

A number of Bursaries of the annual value of \$120 each may be obtained by the sons of the clergy throughout the Dominion of Canada. Application for them must be made to the Principal. These Bursaries are held from year to year, but may be extended throughout the whole course of a boy's residence at the College, if his conduct and progress are considered satisfactory.

Regulations

To secure as perfect a grading of pupils as possible, and to prevent the entrance into junior forms of boys who have not made progress proportionate to their age, and who are thus likely to give trouble in the matter of discipline, the Board has resolved that no pupil who has reached the age of fifteen

shall be admitted to the College unless he can enter the Third Form ; and also that no pupil who has reached the age of sixteen shall be admitted unless he can enter the Fourth Form.

All boarders are required to have every article of clothing, linen, etc , clearly marked with their full name.

All College boys must wear a stiff, black Christy hat on Sundays, and on week days the regulation College cap. They are also expected to wear black coats and waistcoats on Sundays.

Boarders from a distance will be allowed to remain in the College during the shorter vacations upon payment of \$5 per week for board.

Boarders are strictly prohibited from having eatables in their bedrooms.

Parents are particularly requested to send the boys' pocket money to the Principal, who will see that a small sum of the money so sent is supplied to them weekly. The system of occasional remittances to the boys personally is strongly deprecated ; 25 cents a week is sufficient for any boy, and less for junior boys.

Terms and Vacations

There are three terms in the College year, *Michaelmas Term, Lent Term, and Trinity Term.*

The vacations are as follows: Three weeks at Christmas ; one week at Easter ; nine weeks at Midsummer.

Special Awards

Thomas R. Merritt, Esq., presents a Gold Medal to the College boy standing highest in honours at the Matriculation examination of Toronto University, and a Silver Medal to the College boy standing highest at the pass Matriculation.

The Hon. S. H. Blake, Q.C., presents a Gold Medal for True Manliness. The winner to be elected by his fellow-students.

J. Herbert Mason, Esq., presents a Silver Medal for True Manliness under the same conditions.

The Rev. A. H. Baldwin, M.A., presents a prize for proficiency in Latin Prose.

N. W. Hoyles, Esq., Q.C., presents a prize for proficiency in Greek prose.

The Right Rev. the Bishop of Huron presents a prize for proficiency in Holy Scripture.

Mr. R. W. Millichamp, a former pupil, presents three prizes in Penmanship.

His Lordship Bishop Sullivan presents a prize for proficiency in the Prayer Book.

His Excellency the Governor-General presents a Silver Medal to the head boy.
