

DEMPESEY IN 3RD ROUND SCORES WIN

Quick End to Billy Miske's Aspirations in Ring.

DEMPESEY NEVER IN DANGER OF DEFEAT

Seventeen Thousand Fans Saw Defender Maintain His Title Honors.

Benton Harbor, Mich., Sept. 6.—Jack Dempsey, world's heavyweight champion, defeating his rival for the first time, knocked out Billy Miske, St. Paul, in the third round of a scheduled ten-round championship fight here this afternoon. The finish came after they had fought one minute and thirteen seconds of the third round.

The challenger had been floored with a right hand punch to the chin, and Miske took the count there. They staggered to their feet, Dempsey clapped over another right-hand and Miske fell in his own corner.

The fight was witnessed by a crowd of approximately 17,000. The gate receipts were estimated at between \$150,000 and \$200,000.

Dempey Needed Shave

Miske wearing a cap and a bath robe over his ring togs was the first to enter the ring. He faced a battery of photographers. Manager Jack Reddy was in charge of Miske's corner. He was assisted by the doctor, Jack Heinen, Jim Delaney and John Tillman.

Dempey crawled into the ring ten minutes later. The champion wore a red sweater and a day's growth of whiskers. Dempey obligingly backed into a neutral corner and posed for some pictures. After individual pictures had been taken of Dempey, he and Miske, Charles Blum, promoter of the State Commission, Referee Dougherty, Philadelphia, and Promoter Fitzsimmons posed for a group picture. Dempey chose the corner with the sun at his back. Manager Jack Reddy was in charge of the champion's corner.

Round One

Miske's weight was announced at 177 pounds, while Dempey's was announced as 188. The ring was cleared at 4:27 (Central time). Miske hooked to a left to the head. They danced around the ring. Dempey landed a right and left to the head as they came in. Dempey missed a left hook but landed two rights to the head. Dempey drove a right left to the mouth. Dempey hooked two lefts to the head and exchanged punches to the body as they came together in a clinch. The bout ended with both men fighting in the center of the ring.

Round Two

They rushed to a clinch before Dougherty had difficulty separating them. Dempey landed a left hook to the chin and followed it with a right cross. He floored Miske with a right hand punch and the challenger took the count of five. Miske fell into a clinch to protect himself. Dempey landed three lefts to the jaw on the break away and a half dozen hard rights to the body. The champion missed a right swing to the head, and drove Miske into his own corner, knocking him with a left to the chin.

Round Three

Dempey danced around the ring and hooked a hard right to Miske's body. Miske landed a left to the jaw and Dempey swung a right to the jaw knocking Miske down. When Miske started to his feet Dempey swung over the finishing blow with a right to the chin and Miske crumpled in his own corner, completely knocked out.

The Preliminary Fights

Bill Tate of New York, Dempey's sparring partner, had the better of Sam Langford, Boston, in a tame six round preliminary. Tate outboxed the veteran Langford, keeping him away with many lefts to the face. Langford weighed 194 and Tate scaled 230 pounds.

"Hits Too Hard"

Sitting in his corner, after the knockout, Miske made this statement: "Dempey is a better man than I am. That fellow hits too hard. His punch that floored me in the second round all but caved in my ribs. I never was hit so hard in my life. The blow took the steam out of me and I had not recovered from its effects when the third round opened. I think Dempey is unbeatable. There is not a heavyweight living that can stand up under his punches. I fought the best battler I could but was beaten before I really got started."

Wore Same Old Sweater

Dempey demonstrated today that he still retains the terrific punch that won him the heavyweight championship of the world. His three emphatic punches were sufficient to win him between \$50,000 and \$100,000 his fifty per cent share of the gate receipts.

At the start of the fight, his first in fourteen months, Dempey peeled off the same worn and patched red sweater that he wore when he knocked out Willard. His face wore the same fighting frown; he danced about the ring with his old-time lightness and finished up by taking the fight in the third round, just as he did at Toledo.

WORLD NEWS TODAY

ST. JOHN.

At the Exhibition, yesterday, there was a gate attendance of 21,350, with about 4,000 on Saturday.

THE BY-ELECTIONS.

Hon. R. W. Wigmor, Minister of Customs, and Dr. Emery nominated in the St. John-Albert contest for Sept. 20. Hon. F. B. McCurdy is opposed by Capt. Dixon in Colchester, N. S.

CANADA.

Hon. Donald Morrison, former Speaker of the New Brunswick Legislature, is dead.

Three men were killed in the Cave of the Winds at Niagara Falls when rock fell upon them.

UNITED STATES.

Jack Dempey knocks out Billy Miske in third round at Benton Harbor, Mich., retaining championship and winning between \$50,000 and \$100,000 prize money.

THE BRITISH ISLES.

Terence MacSwiney is much weaker, and doctors suggest he should not talk. Trades Union Congress adopts resolution declaring it will hold Government responsible if he dies.

EUROPE.

Poland sends ultimatum to the Letts threatening war if armies continue advancing southward.

McCURDY TO BATTLE FOR HIS RIDING

Big Government Meeting at Truro Scene of Lively Heckling by Farmers.

Truro, N. S., Sept. 6.—Hon. F. S. McCurdy and Captain Hugh Dixon were nominated here today to contest Colchester county at the coming election as representatives of the Conservative and Farmer parties, respectively. The Conservative held a largely attended nomination meeting in the Princess Theatre tonight, at which the principal speakers were: Hon. F. S. McCurdy, Hon. G. D. Robertson, minister of labor; and Dr. Edwards, M. P. for Frontenac.

The speakers were heckled by C. P. Blanchard, a Truro farmer, and Mr. McMillan, a representative of the Farmers from Ontario. The suggestion that the meeting be made a joint affair in order to show Messrs. Blanchard and McMillan to address the meeting, was acceded to, but the lateness of the hour at the conclusion of Dr. Edwards' two hour speech prevented Messrs. Blanchard and McMillan from speaking.

THREE KILLED IN CAVE OF THE WINDS

Sightseeing Party at Niagara's Resort Crushed by Falling Rock.

Buffalo, N. Y., Sept. 6.—Three persons were killed and two injured this afternoon by a fallen rock on the Cave of the Winds, under Niagara Falls. The dead are:—A. Hartman, 44, 18 Ave. P., Brooklyn; his wife, Louise Norwood Ave., Pittsburg.

The injured are:—T. W. Lee, 44 South 23rd street, Pittsburg, and Frank H. Aehling, 34 Clarendon Ave., Detroit, Mich.

AN OPEN SWITCH WRECKS TROLLEY

The party was on one of the bridges when a slide of shale rock fell upon them. The bodies of the dead have not been recovered, and it may take some time to dig them out of the debris. The identification was made at the office at the entrance to the Cave of the Winds, where visitors register.

Score of Persons Injured in Lower Gorge of Niagara River.

Buffalo, N. Y., Sept. 6.—A score of persons were injured in the lower gorge of the Niagara River this afternoon, when a trolley on the Gorge route ran through an open switch. The accident happened within a few feet of the spot where the disastrous wreck occurred three years ago. All of the injured were removed to hospitals. None are hurt fatally.

JAPS DISLIKE U. S. SHIPPING BILL

Honolulu, Sept. 6.—Eight leading chambers of commerce of Japan have adopted resolutions declaring the United States merchant marine act is a direct violation of the spirit of commercial treaties between the United States and Japan, and that it may cause diplomatic complications, according to Tokio cable advices to Nippon Jiji.

HON. R. W. WIGMORE WILL BE OPPOSED IN ELECTION BY DR. ALBAN F. EMERY

St. John-Albert Will Have a Contest in By-Election as Liberals at Last Minute Place Candidate in the Field—Nominations Very Quiet With No Speeches and Only One Candidate at the Place When Nominations Were Declared Closed.

HON. R. W. WIGMORE.

Hon. Rupert W. Wigmor, Minister of Customs and Inland Revenue, was nominated yesterday as the representative of the National Liberal and Conservative party of Canada in contesting the constituency of St. John-Albert in the forthcoming by-election, made necessary by the elevation of Mr. Wigmor to the office he now holds in the cabinet.

His opponent on this occasion will be Dr. Alban F. Emery, an unsuccessful Liberal candidate for this constituency in the election of 1917.

The proceedings yesterday in the sheriff's court were very quiet. There was no speechmaking by the candidates, in fact Mr. Wigmor was the only candidate to put in an appearance, his opponent leaving his agent to make the required deposit and affidavit.

The nomination papers of Hon. Mr. Wigmor were largely signed by men of both former political parties. J. L. Peck, M. L. A., was the Albert representative at the proceedings.

The court was opened at one o'clock by Sheriff Wilson and twenty minutes later the nomination papers were filed. A few minutes later those of Hon. Mr. Wigmor were brought in. At three o'clock the sheriff declared the time closed and the two were placed in nomination for the constituency and a poll for Monday, September 20 was ordered. The nomination papers of Dr. Emery contained twelve names, two more than the law calls for in order to make it a legal nomination. Dr. Emery did not have an Albert name on it.

SEIZED LIQUOR WORTH \$250,000

Boston, Sept. 6.—Whiskey valued at approximately \$250,000 was seized last week while it was being illegally transported through New England, according to federal prohibition agent, William J. McClarty.

EUGENE BROUSSEAU TAKES THE COUNT

Montreal, Sept. 6.—In a ten-round scheduled bout in the Monument Nationale here tonight, Eugene Brousseau, Canadian champion, was knocked out by Jack Woodfield in the seventh round.

LABOR UNIONS MARCHED TO BRUNSWICK STREET BAPTIST CHURCH

Some men are indifferent as to what others think of them; but what they say of them is a different matter. If you take care of the pennies the dollars will probably be blown by your heels.

Poles Send Letts Threat of Fight If They Advance

London, Sept. 6.—The Polish Government has despatched a note to Lithuania, the tenor of which amounts to an ultimatum, says a Warsaw despatch to the London Times today. The note says that unless Lithuania completely halts southward movement of her troops, Poland will be forced to consider a state of war exists between the two countries. A full statement of the case has been forwarded to the League of Nations.

GRAND PRIX WINNER NOT IN ST. LEGER

Spion Kop is a Two to One Bet for the Great Classic.

London, Sept. 7.—Who will win the St. Leger tomorrow? That is the question freely debated today among the three-year-old and the great racing fraternity gathered on Doncaster town moor for the opening of the great autumn meeting.

The St. Leger stakes, a trike over one mile and three-quarters, is confined to three-year-old entire colts and fillies, and is known as last of the five "classic" races, the others being the Derby and Oaks, having been run continuously since 1776, but in the years from 1915 to 1918, inclusive, it was run at Newmarket as the September stakes, there being no racing at Doncaster.

Decides Best Horse.

The St. Leger sets the seal on the disputed question of which is the best three-year-old in the world, except in those rare cases when an outstanding horse had not been nominated for the great final test in supremacy.

Such a case indeed is now furnished by the Grand Prix winner, Comrade, English bred and named by Mr. Gilpin, but who ran in the colors of M. de St. Alry, when he won the great French classic, defeating the Derby winner, Spion Kop, and also Charlewell, winner of the Oaks. Comrade was not nominated for tomorrow's race.

Setting in London is as follows: (Capt. Loder's) Spion Kop, 2 to 1; Mr. L. Neumann's) Orpheus, 100 to 15; Lord Wyford's) Dick Gauntlett, 15 to 2; Sir E. Holden's) Silvers, 8 to 1; W. Canale's) Alby, 100 to 16; Capt. Loder's) Golden Guinea, 8 to 1, and Braisedell, 100 to 7. Consensus in this list are the absentees, including Tetastans, the brilliant gray, unbeaten as a two-year-old, winner of the two thousand and Derby favorite, but whose distance does not extend beyond a mile, and Alenby, who successfully challenged the Derby winner.

NEWCASTLE LOSES LEADING CITIZEN

Hon. Donald Morrison, Prominent in Business and Political Life, Passes Away.

Special to The Standard. Newcastle, N. B., Sept. 6.—Death has removed a prominent citizen of the person of Hon. Donald Morrison, who passed away at the Miramichi Hospital, Saturday afternoon, after an illness of most two weeks of jaundice and complications. Born at Burnt Church, N. B., sixty-eight years ago, the late Mr. Morrison removed to Newcastle at an early age and entered the mercantile field, and, for a large number of years, conducted a general store here. He was always a strong Conservative, and unsuccessfully contested this constituency for the Local House in 1895 and 1899. He was elected in 1903 and again in 1908, and became Speaker of the House during the Hazen Government, resigning to contest this county for the Federal House in 1908 and was unsuccessful. He was again an unsuccessful candidate in 1911.

Fire in Storehouse at Fredericton—C. P. R. Trainman in Trouble Over Liquor.

Special to The Standard. Fredericton, N. B., Sept. 6.—An old shed on the Woodstock Road, which for some years the cannon used at the House openings were stored, was destroyed by fire here on Sunday evening, the loss running between \$200 and \$300. Five guns and two gun carriages as well as some farm machinery, which was stored there, were removed before the flames had arrested the building.

LABOR UNIONS MARCHED TO BRUNSWICK STREET BAPTIST CHURCH

Workers' Union of this city attended divine service at Christ Church, Parish Church, Rev. A. P. Bate being the speaker.

PREMIER IS COMING TO ST. JOHN FIGHT

Hon. C. C. Ballantyne is Also Expected to Assist Hon. Mr. Wigmor.

HON. ARTHUR MEIGHEN.

Canada's Premier, the Hon. Arthur Meighen, will come to St. John to take part in the by-election the polling for which is September 20. The exact date is not yet decided, but it will probably be some time next week. The constituency will have a visit also from the Hon. C. C. Ballantyne, the minister of marine and fisheries, before the vote. The Hon. Mr. Wigmor is expecting word from his leader and his colleagues very soon, giving the exact date of their appearance in the city.

N. B. LEADS IN POINTS AT MONCTON

Scoring Forty-Five Points at the Maritime Amateur Championship Sports.

Moncton, N. B., Sept. 6.—The Maritime Amateur Championship sports held here today were strongly contested and well attended.

New Brunswick led in the total scoring, winning 45 points with Prince Edward Island second with 30 points and Nova Scotia 33.

Charles Hall, representing the Amherst Ramblers, was the highest individual scorer with 15 points, Leonard McDonald, Pictou, N. S., was second with 13 points, A. F. Campbell, Charlottetown, P. E. I., first scoring 10 points.

Summary: 100 Yards Dash—1st, Robert I. Algie, Moncton; 2nd, J. Doyle, Charlottetown; 3rd, Oswald McDonald, Pictou, N. S.; 2nd, H. Harley, Charlottetown; 3rd, J. Ingraham, Moncton. Height 9 feet, 10 inches; 9 feet 6 3/4 inches.

160 Yards Dash—1st, Allan McInnes, St. John; 2nd, W. J. Alern, Halifax; 3rd, J. P. Moran, St. John. Distance, 35 feet, 8 7/8 inches; 35 feet, 7 1/2 inches.

220 Yards Dash—1st, F. E. Coester, St. John; 2nd, Robert Algie, Moncton; 3rd, J. Doyle, Charlottetown. Time, 21 3/5 seconds.

Running high jump—1st, A. Miller, Sussex; 2nd, Leonard McDonald, Pictou, N. S.; 3rd, J. P. Moran, St. John. Height, 5 feet, 5 inches.

16-lb. hammer throw—1st, J. Pondorast, Kennington, P. E. I.; 2nd, J. P. Moran, St. John; 3rd, A. F. Campbell, Charlottetown. Distance, 91 feet, 1 1/4 inches; 76 feet, 6 1/2 inches; 65 feet, 9 1/2 inches.

440 Yards Run—1st, Chas. Hall, Amherst; 2nd, F. E. Coester, St. John; 3rd, P. Crothers, Sussex. Time, 54 1/4 seconds.

120 Yards Hurdles—1st, A. F. Campbell, Charlottetown; 2nd, J. Doyle, Charlottetown; 3rd, L. Campbell, Charlottetown. Time, 20 second flat.

Three-mile walk—1st, Duncan Bruce, Moncton; 2nd, Jas. Barrett, St. John; 3rd, J. McConnell, Truro. Time, 29 minutes and 4 seconds.

Running broad jump—1st, J. McEachern, Charlottetown; 2nd, A. F. Campbell, Charlottetown. Distance, 19 feet, 6 1/4 inches; 19 feet, 3 1/4 inches; 18 feet, 8 inches.

880 Yards Run—1st, Chas. Hall, Amherst; 2nd, S. Walker, Charlottetown; 3rd, H. Harley, Charlottetown. Time, 21 minutes, 11 2/5 seconds.

Running hop, step and jump—1st, Leonard McDonald, Pictou, N. S.; 2nd, A. Miller, Sussex; 3rd, A. F. Campbell, Charlottetown. Distance, 40 feet, 2 1/2 inches; 35 feet, 10 1/2 inches; 28 feet, 5 1/2 inches.

One-mile run—1st, Chas. Hall, Amherst; 2nd, S. Walker, Charlottetown; 3rd, Louis Smith, Amherst. Time, 5 minutes, 17 seconds.

True politeness consists in treating others as you would like others to treat you.

Lots of people never think of making some people go without what they want in order to get something they don't want.

McSWINEY IS STILL LIVING BUT WEAKER

Weakness of the Hunger Striker Much Increased in Last Few Hours.

DOCTOR FORBIDS HIM TO TALK

Trades Union Congress Will Hold Government Responsible if He Dies.

London, Sept. 6.—At nine o'clock tonight Lord Mayor McSwiney was still living, but his weakness was increasing, and the prison doctor suggested to his relatives that he be not allowed to converse, because of the waste to his strength.

Labor Threatens Government

Portsmouth, Eng., Sept. 6.—The Trades Union Congress, at which it was expected many grave industrial questions, including the coal crisis, would be considered, convened here this morning. It was attended by more than 550 delegates, representing 6,300,000 workers. One of the earliest acts of the congress was the adoption of a resolution expressing "horror and indignation" at the government's attitude in the case of Lord Mayor McSwiney of Colchester, and declaring that labor "will hold the government responsible" for the death of the Lord Mayor.

GERMANY SORE OVER FINANCE CONTROL HINT

International Regulation Proposal Offered in London Raises Storm of Indignation

Berlin, Sept. 7.—The proposal made in London this week that Germany's finances be placed under some form of international control has provoked an outburst of indignation and protest in German financial circles. It is now charged that the Entente is putting out this suggestion as a feeler and will attempt shortly to carry out the idea under the cloak of executing the financial clauses of the treaty.

The alleged report of the imminence of such international control has had the effect of a warning and German financial leaders are making strong recommendations for a change in the financial policy at home, a strengthening of the fiscal legislation and beginning as soon as possible, proposals of domestic control for forestalling foreign control. Writing with authority in the Berlin Post, Max Warburg, one of the foremost financiers in Germany, says that Germany could never yield her financial independence, but that it would involve more than finances, namely, her national honor.

Germany's refusal to submit to control by the Allies does not mean that we do not need to do the utmost to fulfill the peace conditions, that is, of course, from the moment that Germany's financial condition is readjusted in a manner at once reasonable and comprehensive.

No international control can hope to exact from Germany as much as her own government. On the contrary, under such a regime or control there would be a general resistance against the foreign trusteeship of German money. To collect debts one needs also the good-will of the debtor. This proposal is an impossible one and, what is more, is great stupidity on the part of those who conceived it.

CANADA NOT TO BE DEPRIVED OF PROMISED COAL

Conference at Cleveland Agrees to Look After Lake Cities Without Injury to Canada.

Cleveland, Sept. 6.—An agreement was reached today at the conference of representatives of Northern Ohio cities, coal men, railroad officials and the Inter-State Commerce, where Northern Ohio will obtain more coal for home use.

The plan adopted provides that the bituminous coal operators, through a committee, will pledge themselves to furnish sufficient coal to take care of domestic needs, which, approximately, is one car daily to every five thousand population.

Inter-State Commerce Commission order No. 10 was not modified. Under its provisions four thousand cars of coal will still be shipped to Canada and the North West States daily.

The coal operators contended it was absolutely necessary to maintain as a minimum the present movement of coal on the lakes for Canada and citizens in the North West. With the total production of bituminous coal now averaging over 11,000,000 tons per week, they refused to consider any diminution of that movement.

Hon. R. W. Wignome Will Be Opposed in Election By Dr. Alban F. Emery

(Continued from page one.)

For many years the people of Albert County sought to have the government take over the branch lines in that county and give them a better service. They were promised time and again this would be done but Mr. Wignome succeeded in having a bill passed which provided for the taking over of these roads.

For a number of years the citizens of the city have been trying to get the breaker extended to Partridge Island. The war stopped it for the time, and since the war it has been reconsidered. Mr. Wignome has been successful in having a start made on this work, inasmuch as he has arranged for the dumping in the channel of the rock from the Covehead Bay works. This will stop the undertow and also provide a foundation for the extension when it is built.

Signed His Nomination Papers

Mr. Wignome's nomination papers were signed by the following: A. O. Skinner, George L. Warwick, A. B. Gilmore, E. A. Goodwin, R. B. Emerson, W. S. Fisher, T. E. G. Armstrong, R. T. Hayes, J. G. Harrison, Max Marcus, M. E. Agar, J. J. Boyce, C. L. Graman, Geo. W. Fleming, T. H. Betabrooks, F. J. McNehey, D. C. Clench, John Russell, E. Barnes, G. E. C. Gandy, A. H. Weimore, D. W. Puddington, James S. Gregory, E. J. Terry, James Lewis.

Charles Nevins, H. J. Mowatt, S. M. Smith, C. A. Christie, Stanley Robertson, C. A. Christie, Joseph Craig, J. Harold Wilson, Daniel Jackson, Fred Bryden, A. R. Campbell, H. R. Ross, Thos. Mowry, Benj. L. Sheppard, George E. Cox, T. H. Arthur, D. McEachern, Philip S. Moore, D. Masters, Chas. T. Nevins, Herbert Dickinson, John W. Rossley, J. A. Winchester, J. Starr Tait, William W. Titus, John A. McAlister, Joseph T. Knight, J. H. Peckard, William Hiyard Shaw, W. McLellan, Emma E. Smith, W. A. Munro, James Myers, S. B. George, Fred Cameron, James Manning, George W. Currie, Stephen W. Palmer, T. R. Christian, George Dick, F. L. Potts, John W. Vanwart, George T. Polly, John S. Seaton, H. C. Schofield, H. J. Evans, Thomas Bell, John A. Mackay, J. F. Tilton, T. H. Somerville, J. Willard Smith, J. E. Seccord, Fred W. Noble, James E. Smith, T. Kingsmill, Chas. W. Smith, Hector Little, Wm. E. McKinley, Wm. J. Shaw, H. C. Martin, S. C. Drury, B. Mirey, John Spence, James Carleton, H. McFarlane, Christopher Splane, Thomas M. Cronwell, Wm. Moody, Frank E. Jones, J. F. J. H. Barley, Donaldson Hunt, Harry J. Garson, Wm. F. Lewis, W. R. Stewart, J. E. Porter.

Albert County Names

On Dr. Emery's Papers

The nomination papers of Dr. Emery were signed by H. F. Coates, J. Fred Belyea, T. Carleton Olive, Alex. Corbet, J. J. Dwyer, R. D. Harrington, J. H. Duddy, Alex. Crawford, J. H. Emery, W. H. Arbo, G. W. Colwell and G. H. Arnold.

79 Polls in St. John

For the coming election there will be 124 polling places for the entire constituency. Of these 79 will be located in St. John. In addition to these there will be this year two advance polls, one in the city proper and one in Fairville. These advance polls are to give voters who have to be out of the city on polling day an opportunity to register before hand. They will be open on Thursday, Friday and Saturday, preceding polling day and any voter who desires to take advantage of them can make affidavit that he or she has to be absent from the city on the day of polling and cast their vote before they go.

In the city the polls will open at six o'clock in the morning and close at six o'clock in the evening; in the county they will open at eight o'clock in the morning and close at six in the evening.

The city lists are now closed and no more names can be added. In the county, the parish registrars may add names up to nine days before the time of election.

D. H. VanWart, of Edmundston, N. B., has been in St. John visiting his parents, Mr. and Mrs. J. A. VanWart, George street.

City Schools Will Reopen

Seven Hundred Permits Have Been Issued to Date—Is Below Average.

The summer vacation is over, and after about nine weeks' holidays the city schools open today for the first term. Dr. Braises, Superintendent of City Schools, said last evening that there was every indication that the attendance this year would be very large. However, little more than half the number of permits usually applied for have been issued so far. The number yearly varies from 1,000 to 1,200, but the Superintendent said that to date only 700 had been issued. This means that a large number of pupils will lose at least a few days in the opening of the term, the results of which are always far-reaching. Approximately 300 children have been vaccinated at the free vaccination clinic. This number is in advance of last year and shows that parents generally sent their children to the clinic and did not bother the family physician.

There will be many changes on the staff of the city schools this year, as twelve of last year's teachers have resigned. Six resigned in order to get married, while the remainder are taking up other work.

CANADIAN FLOUR FOR SOUTH AFRICA

Electric Lamps Advance Dollar Per Dozen—Grain Prices Are Weaker.

Montreal, Sept. 6.—Bradstreet's weekly trade report says: The month of August has been a quiet one in the wholesale districts. Dealers are looking forward to increased activities now that the holidays are practically over. A large number of families who have been recuperating in the country districts during the summer are returning home again for the opening of the schools. The retail trade continues active, especially in the department stores where school supplies are sold. We are still favored with a large number of visitors, especially from the United States, all of whom help to swell the sales in the retail stores.

Reports from our immigration departments state that this year will be a record one, the numbers even preceding previous times.

The cutting of wheat in most of the grain-growing districts is now completed. Rain in a number of sections has temporarily stopped the harvesting. The grain markets, due to selling pressure, are weaker, prices of wheat declining several cents per bushel. Flour prices are lower. Large shipments of flour are being made to South Africa.

Large foreign orders have been received for woollen goods and yarns, but the local market is on the quiet side. Selling of the new clip is fairly active, buyers, however, acting cautiously, as the general opinion prevails that top prices have been reached.

Electric lamps advanced \$1 per dozen on September 1st.

DEMPSEY IN THIRD ROUND SCORES WIN

(Continued from page one.)

Harry Greb, Pittsburgh, and Chuck Wiggins, Indianapolis, boxed six even rounds in the second preliminary. Wiggins outboxed the Pittsburgh man in the first three rounds but Greb scored heavily in the last three, cutting Wiggins over the eye in the last round. Wiggins entered the ring weighing 164 pounds and Greb's weight was announced at 160 1/2. The match was advertised as for the light heavy-weight championship.

The sand pit arena where the fight took place was a steaming vapor bath when the gates opened. An all-night rain and a mizzling drizzle gave way soon after noon to hot sun that rolled the moisture up in hot waves from the soaking sand floor.

Both Fit For Battle.

Dempsey and Mike both were pronounced fit for their ten rounds by medical spectators of the Michigan State Boxing Commission. Dempsey stepped on the scales at 187 pounds about five hours before the fight, and Mike at 185. After weighing in, the two fighters returned to their quarters to have a meal. Two hours before the first preliminary the deepest section of the arena was filled, with the high-priced ticket-holders remaining downtown, jamming the streets, clamoring for sandwiches and coffee from street quick lunch booths. A Boston Harbor religious sect, the House of David, sent a band wagon through the streets with halcyon men, announcing a circus at their own grounds as a counter-attraction.

'Twas a Dry Crowd.

Benton Harbor's police and a rate of fifteen dollars a pint, effectively enforced the prohibition laws. But incoming spectators reported that night trains had been not only open for selling drinks, but that in some cars nearly every known variety of gambling flourish. The big crowds were good-natured, and often sleepy, having arrived so late in the night that their brief sleep cost about two dollars an hour.

The local police force was supplemented by a detachment of Michigan constabulary. At the arena squads of uniformed soldiers on leave from Camp Center officiated as ushers and kept order. High fences surrounded by barbed wire separated the sections of the sand pit saucer, and husky guards were on duty at the turnstiles prepared to prevent a repetition of the debacle at Toledo last year, when hundreds of spectators, with common accord, swarmed into the ringside seats and refused to be ousted.

Preliminaries Long Delayed.

As the main gates were thrown open and the night fans began drifting in, workmen were still busy completing preparations in the ring. They used old-fashioned bed quilts for padding the floor. Start of the preliminaries long delayed, waiting the arrival of several trains from Chicago. Umbrellas carried by women spectators in anticipation of a renewal of the morning rainstorm stood them in good stead and helped ward off the hot sun. The impromptu sandshades dotted the arena.

Baby Happy After His Bath With Cuticura Soap

Nothing more refreshing for baby than a warm bath with Cuticura Soap, especially if his skin is hot, irritated or rashy. After bathing, gently touch any irritation with Cuticura Ointment. They are ideal for all uses.

Soap 25c, Ointment 25c and 50c. Sold throughout the Dominion, Canadian Depot: J. W. Ross, Limited, St. Paul St., Montreal.

DIED.

RAMSAY—In this city Sept. 5, after a lingering illness, Martha, beloved wife of David A. Ramsay, leaving to mourn her husband, two sons and three sisters.

Funeral from St. Mary's church Wednesday afternoon at 3 o'clock. Service at the home, 112 Rothesay Ave. at 2:30 o'clock. Friends invited to attend.

SMITH—Suddenly at his home, 141 King St. East, on Sept. 4th, 1920, Samuel Joseph Smith, leaving his wife, one son, two daughters, one brother and one sister.

Funeral on Tuesday from his late residence at 2:30 o'clock. Service in Trinity church at 3 o'clock.

IN MEMORIAM.

In sad and loving memory of Hannah May Cairns, whom God called away September 7, 1919. Safe in the arms of Jesus.

A precious one from us is gone, A voice we loved is still, A place is vacant in our home Which never can be filled.

WITH A SELLERS Kitchen Cabinet

You can systematize your kitchen as never before. You can release hours of time for other things. You can do your cooking with half the trouble and with twice as good results.

Thousands of women own this wonderfully perfect and ahead-of-the-times kitchen cabinet. Because of its many long-wanted labor saving features the SELLERS is preferred over all others by thousands of experienced housewives. It is the one selected by experts for use in the famous Good Housekeeping Model Efficiency Kitchen.

LIBERAL TERMS CAN BE ARRANGED!

J. MARCUS, 30-36 Dock St.

OBITUARY.

Mrs. Martha Ramsay
The death of Martha, wife of David A. Ramsay occurred on Sunday after a lingering illness at her home, 112 Rothesay Avenue. Besides her husband who is president of the East End Improvement League, she is survived by two sons, William in the clothing business in Ottawa and David A. who is with the Boston Post, Mrs. H. Kinley of Cambridge, Mass., H. Kinley of Amesbury, Mass., and Mrs. George Saunders of St. John are sisters. While suffering for some years the deceased has been very patient in her lingering illness. A brief service will be held at the late home on Wednesday afternoon at 2:30 o'clock and the funeral will take place from St. Mary's church at three o'clock.

HERBERT MCGOLGAN
The death of Herbert McGolgan, son of Joseph McGolgan, occurred at the latter's home, Chapel Grove, yesterday morning. The deceased was a well known resident of Millidge Ave., and leaves to mourn, besides his father and mother a wife and two young children. He had been ill for several weeks and went to the home of his parents thinking that he would recover in the country.

The remains will be interred in the family lot at Chapel Grove.

Mr. Blair Starrat, of Dorchester, is visiting in the city, the guest of friends.

Is Lack of Iron in The Blood Making An Old Man of You?

Many A Man Still Young in Years Is Fast Growing Old—Wrinkled and Careworn, His Vigor and Energy Leaving Him, and His Memory Failing—Simply Through Neglect to Keep His Blood Rich in Iron.

Work, Worry and Nerve Strains of Modern Life Sap the Iron from the Blood, Says Physician

Who Tells How Organic Iron Like Nuxated Iron Helps Build Rich, Red Blood, Strengthens the Nerves, and Makes Worn-out and Run-Down Men Look and Feel Years Younger.

He may be in his thirties or he may be close to sixty but no matter what his years, a man looks and feels old when the iron in his blood runs low. His strength slips away and his vitality dwindles, he no longer tackles his work with the old-time vim and energy, and he lacks the endurance to put in long hours. The lines of care and worry creep into his face, his skin loses its healthful glow and becomes sallow, sagging and wrinkled. To all appearances he is an old man though still young in years. Nature is giving him her warning signs that he lacks sufficient iron in his system to build fresh energy, strength and endurance, to keep his body healthy, his nerves steady and his mind clear and active and unless he quickly replenishes the iron in his blood, he steadily becomes more nervous and weak until the final break-down comes.

How organic iron—Nuxated Iron helps build up red blood, strength and endurance and thereby keep a man from looking and feeling old before his time is explained by physicians in the following statements:

"My experience has taught me that many a man is ageing too fast merely because his blood is starving for want of iron," says Dr. Ferdinand C. Klog, New York Physician and Medical Authority.

"Blood without iron is like a man without hands. He is an old man, feeble himself, nor do his work, and similarly blood without iron cannot feed itself from the food passing through the stomach, nor can it carry the necessary oxygen, the breath of life, from the lungs to the rest of the body. The red corpuscles of the blood do this work; and iron is necessary to keep them in condition.

"If a man's red corpuscles lose their iron and he becomes pale, weak and thin, I urge him to build up his strength with Nuxated Iron. Many a time I have seen patients through its use lose that aged careworn appearance and get a new grip on health in only two weeks. The patient stops coming tired. Next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again by physician of Bellevue Hospital and see how much you have gained.

(Out-door Dept.), New York and the Westchester County Hospital, makes which is recommended above is not this statement: "For want of iron you may be an old man at thirty, dull of intellect, poor in memory, nervous, irritable and all run-down," while at it is easily assimilated and does not irritate or stay with plenty of iron in your blood, you may still be young in years, but you are not up to the mark. Each tablet beginning over with vim and energy and the words Nuxated Iron stamped into each bottle, so that the public may not be led into accepting inferior substitutes. The manufacturer guarantees successful and entirely satisfactory results to every one who tests it. It is dispensed by all good druggists in tablet form only.

only two weeks. The patient stops coming tired. Next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again by physician of Bellevue Hospital and see how much you have gained.

Imperial Polarine Pays Because It Saves

ANY motorist, who keeps a record of his car expenses, can quickly satisfy himself that Imperial Polarine pays because it saves—because it saves not only gasoline, new piston-rings, spark plugs and other repairs, but also depreciation.

Imperial Polarine makes a good car better, keeps the motor in perfect tune, thoroughly lubricated against excessive wear and break-downs. It provides an unbreakable oil film which lubricates every friction surface—makes a perfect piston-ring seal and saves wear on moving parts.

What grade is best suited for your car? Do you know? Look for the Imperial Polarine Chart of Recommendations, on display wherever Imperial Polarine is sold, and learn the grade specified—use this grade exclusively and get the utmost service.

Four-gallon and gallon steel cans, steel half-barrels and barrels, also steel 12 1/2-gallon kegs—for sale by dealers everywhere. Buy in large containers to save money.

THE ST. JOHN EXHIBITION PROVES MOST SUCCESSFUL

Official Opening Saturday Afternoon by Lieut.-Gov. Pugsley—One of the Best Fairs in History of Association—Attendance Yesterday 21,350—Many Visitors to City.

The St. John Exhibition which is looked upon by many as the best ever put on in the eastern provinces has opened with a good start. The buildings are as attractive as paint, flags, streamers and other decorations can make it, and the thousands who have so far attended are fully pleased. The official opening was on Saturday afternoon when Lieut. Governor Pugsley and other prominent speakers addressed the gathering. It was the opening day and although a very large attendance is not expected on this occasion there was 4,900 paid admissions.

The exhibition of 1914, or the last one held in St. John, opened on September 6th with the usual record attendance for the opening day. On Monday following the weather was dark and cloudy at first and then it rained in torrents, and the total paid admissions on that day was 13,000.

A Record Attendance. It was different yesterday for the weather was kind, and a brighter holiday could not have been wished for. The sun shone brightly, the air was not hot, for the breeze from the bay cooled the visitors from the warm inland districts to feel quite comfortable. The attendance in paid admissions yesterday was, however, most pleasing to the association as 21,350 persons passed through the turnstiles. The fair show was on in full blast and while there was many thousands present there was plenty of room for everyone as the majority viewed the different exhibits they wended their way to the grounds, patronized frantically the refreshment stands, thronged the dance hall, and many thousands witnessed the vaudeville acts and the fireworks in front of the grandstand.

N. B. Natural Resources

That our native province is one of the richest in natural resources of all the wealthy provinces of the Dominion is a fact which the Brunswickers accept as a matter of course. A visit to the exhibit of the natural resources of New Brunswick, which is being shown at the St. John Exhibition brings this fact home in a striking manner.

Just what the province has to offer, and what form of backbone of her trade are shown before the spectator in such a well ordered group that after a tour of the large and interesting exhibit, he just naturally hunches up his shoulders, throws up his chin, and walks away proud of the fact that he belongs to that little province down by the sea—our own New Brunswick.

Animals and Woods. The first bearing animals of the province, the milk, fox, otter, raccoon, muskrat and others are shown with moose, deer and caribou, and all with a background of the native evergreens of the province, the effect obtained is a natural setting of great beauty.

The birds of New Brunswick form one of the big points of interest, and are shown in the Natural Resources Society's collection is the most complete one in existence.

In a series of glass cases may be seen the minerals of the province, the several varieties of deep sea fish, the grains, the motifs, and the butter flies, all native of the province.

Official Visit Today

Lieutenant Governor and Mrs. Pugsley and Premier and Mrs. Foster will make an official inspection at 4 o'clock (daylight time) this afternoon of the Child Welfare exhibit and the exhibits of the St. John Ambulance Association, the N. B. Red Cross Association and the Tuberculosis Association. The guard of honor will be composed of a troop of Boy Scouts and they will be received by Mayor Schofield, representing the Exhibition Association, Mrs. Kilbrink, representing that portion of the exhibit dealing with public welfare, Councilman Murray McLaren representing the St. John Ambulance Association, Mr. and Mrs. Joseph Likely, representing the Tuberculosis Association, Mr. and Mrs. R. T. Hayes, representing the N. B. Red Cross Association and Dr. and Mrs. Roberts, representing Child Welfare.

The official opening of the Exhibition was held on Saturday afternoon at four o'clock, this ceremony being performed by Lieut. Governor Pugsley. The address was in the most part lengthy and towards the close a large number of those who had gathered round the stand had departed to other sections of the building to take in the sights, view the different booths and the attractions on the mid way.

The official opening took place at four o'clock Saturday afternoon, His Honor Lieutenant Governor Pugsley declaring the fair open. Addresses were also given by Premier Foster, Hon. Mr. Tweeddale, Minister of Agriculture; Hon. Dr. Roberts, Minister of Public Health; Mrs. G. A. Kilbrink and Mayor Schofield, who acted as chairman. A band concert given by the 62nd band was one of the enjoyable features of the afternoon. The band also gave a concert in the evening.

POLICE COURT.

The usual first day assortment will face the magistrate this morning. Seven drunks were picked up by the police Saturday while two others were arrested on warrants. Peter Halpin was arrested on a warrant charging him with bigamy, while John Raymond was arrested on a warrant for non-support. Three drunks and two protectionists made up Sunday's quota.

Reginald Rice was arrested at the Exhibition grounds by Policeman A. Chisholm and was charged with having liquor in his possession other than in his private dwelling. One drunk was also arrested.

FAREWELL SERVICE.

On Sunday evening at the Salvation Citadel a farewell was held for Adjutant and Mrs. Best who are leaving for Hamilton, Ontario, today. Adjutant Best was district chairman and will hold a similar position in Hamilton. They have been very popular officials in St. John and are wished well by their many friends.

LEAVING FOR COLLEGE.

A number of St. John boys leave today for St. Joseph's College, Memramcook, which is opening for the Fall term. Among them are Messrs. Joseph Floyd, William Crowley, John Brown, Melvin Nichol, Joseph Butler, and Mr. Frederick Carney of Gombro.

OBITUARY.

Samuel J. Smith. The many friends of Samuel J. Smith will regret to hear of his death at his residence, 141 King street east, on Saturday afternoon after a short illness of pneumonia. He deceased was for many years an esteemed employee of M. R. A. Ltd. He was a life-long member and a vestryman of Trinity church, and he was also a member of the Knights of Pythias and the Independent Order of Foresters.

He leaves to mourn his wife, formerly Maud Gousoe; two daughters, Winifred, at home, and Kathleen, a graduate nurse at Worcester, Mass.; one son, Walter, of the Bank of Montreal east of this city, a sister, Mrs. Ed. Trueman and one brother, William Smith, of West St. John. His kindly nature and sympathetic disposition will be greatly missed by a large circle of friends and acquaintances and his death is a loss to the community at large. The funeral takes place from Trinity church at 11 o'clock this afternoon.

Artcraft Tops

For Every Season

HARMONY of line, beauty of design and supreme motoring comfort in all weathers are features that make the Artcraft Top the most handsome, practical and comfortable upper body creation yet devised.

Besides being unusually well adapted for winter driving, the Artcraft Top is ideally suited to the warmer months when the car is opened up as much as possible.

For summer and early fall driving, the Artcraft Top can be completely opened up, side panels removed, giving an effect of open-car smartness and comfort, with its lighter weight and lower wind resistance. Handsome, snug-fitting shower curtains afford perfect shelter from sudden summer rain-storms.

In winter and early spring, the Artcraft Top, with its close-fitting side panels and bevelled plate glass windows, gives complete protection from snow and wind, at the same time affording clear, unobstructed vision to driver and passengers. The side panels are of the same richly beautiful Artcraft material as the top itself, and impart an appearance of grace and elegance seldom found even in the limousine body.

All windows are of heavy bevelled plate glass, and the door-sections open with doors. The patented Artcraft floating window construction eliminates rattles and squeaks and prevents the possibility of strain or breakage. The interior is finished in soft lustrous fabric and equipped with a handsome dome light. No detail of perfect construction or finish has been overlooked in the designing of the Artcraft Top. It is a top which improves at once the appearance, comfort and value of your car.

For any of the cars listed below we can supply Artcraft Tops usually within twenty-four hours from the time ordered.

NARROW ESCAPE FROM DROWNING

Chatham Lad Falls from Scow While Playing About Wharf.

Special to The Standard.
Chatham, Sept. 6.—While playing with several companions on the C. N. Railway wharf Saturday afternoon, a lad, named Murray, about eight years of age and a son of Mrs. John Murray

fell over the side of a scow moored at the wharf and had a narrow escape from drowning. After being in the water for a considerable time he was rescued by two men, in an apparently lifeless condition. Various methods usually used in resuscitating such cases were tried without any results, and the lad was finally put across a horse's back, after which treatment he began to show signs of returning vitality, and he was removed to his home. The little fellow was able to be out again on Sunday.

The nearer the roof a man lives the better his outlook.

CHATHAM HAD ENJOYABLE DAY

Celebration Carried Out Under I. L. A. Local Proved Most Pleasurable.

Special to The Standard.
Chatham, Sept. 6.—Labor Day was generally observed as a holiday here today, practically all business being suspended. The sports, baseball games, dance and other attractions at the Exhibition building and grounds under the auspices of I. L. A. Local 192 (Pulp Mill Workers), were largely attended and proved most successful.

A large number of people from town attended the "Harvest Home" Festival, held at Black River and report an enjoyable outing. Many local people spent the holiday out of town, the St. John Exhibition and Labor Demonstration at Moncton being the chief attractions patronized.

PICNIC AT NORTON
The annual picnic of the Sacred Heart Church, Norton, N. B., of which the Rev. Michael O'Brien is pastor, was held yesterday on the spacious grounds surrounding the church, and proved a grand success. The many attractions and refreshment booths were largely patronized, and much credit is due to the efficient committee and their staff of assistants who worked from early morning until late evening, with untiring efforts, to make the outing the success it was.

The Juvenile City Cornet Band was in attendance and pleased all with their many beautiful selections. The Rev. J. J. McInerney and Rev. Robert Fraser, of Sussex, N. B., were among the guests during the course of the afternoon.

SUNDAY SERVICES CLOSE AT FAIR VALE

Most Instructive Addresses Delivered During Summer by St. John Clergymen.

Sunday last ended the services in the hall at Fair Vale for the season of 1920, when Rev. Mr. Dowling, of St. Andrew's church, was the speaker.

Prior to delivering his address, the Reverend gentleman stated that Saturday he did not know where a number of his adherents had gone to during the summer, but today he had found them. He assured the congregation that it was indeed a pleasure to be present to preach to the residents of Fair Vale.

He thought the idea of holding services in this district during the summer months was splendid, and he was only too glad to give whatever assistance was in his power.

After the sermon, Mr. White, the chairman of the Sunday Service Committee, addressed the gathering for a few minutes, during which he made the announcement that this was the last service to be held in the hall for the season of 1920. He felt that the experiment was a worthy one, and no doubt the knowledge gained from the sermon of the different ministers would long be remembered by the residents of Fair Vale, who availed themselves of the opportunity of hearing the addresses, and the suburbanites who would in a few days be returning to their city residences would carry with them sweet recollections of these Sunday services. On behalf of the committee he would extend their thanks to the different ministers who so kindly came out to address them, and to the soloists who, at the different services, sang, and to Mr. Cochran, the choir conductor, who had it not been for his residence this year, Fair Vale, no doubt, would have been at a great loss in the music end of the services. He wanted also to express to the choir the committee's appreciation for the great interest taken at all the services.

After the benediction, Mr. P. Campbell arose and stated that, before the congregation dispersed, he wanted, on behalf of those present to move a vote of thanks to the committee for their services. He asked that all in favor of said motion would signify the same by standing. The motion was carried unanimously.

The chairman then asked that a stand and sing one verse of that old hymn, "God Be With You Till We Meet Again."

During the summer months of July, August and the first Sunday in September, the residents of Fair Vale have been privileged, through the services held in the Fair Vale Outing Club's hall, of listening to a number of the leading ministers of St. John.

The first of these services were held on Sunday, July 4, the Rev. Dr. Hutchinson, of Methu street Baptist church, being the preacher.

On Sunday, July 11, the Rev. Mr. Goodwin, of Centenary Methodist church, was the preacher.

On Sunday, July 18, Rev. Canon Armstrong, of Trinity church (Anglican), addressed the congregation.

On Sunday, July 25, Rev. Mr. Legate, of Knox Presbyterian church, was the speaker.

On Sunday, August 1, Rev. Taylor McKim, of St. Mary's Anglican church, was the speaker.

On Sunday, August 8, the Rev. Mr. White, of Toronto, Ont., who was supplying in one of the Baptist churches of St. John, was the speaker.

On Sunday, Aug. 15, the Rev. Mr. Appelman, of Colburn street Christian church, was the preacher.

On Sunday, August 22, Mr. Coleman, a young Fair Vale man, who is studying for the Church of England ministry, was the preacher.

On Sunday, August 29, the Rev. Mr. MacKellan, of St. David's Presbyterian church, was the preacher.

On Sunday, Sept. 5, the Rev. Mr. Dowling, of St. Andrew's Presbyterian church, was the preacher.

In connection with these Sunday services a Sunday school was added, which has proved a great success, the average attendance of scholars being in the vicinity of sixty-five. It is the intention of the committee to continue the Sunday school during the month of September.

THE RENFORTH REGATTA PROVED MOST SUCCESSFUL

Novice Four-Oared Race.

(Continued from page eleven.)
Two crews started in this race, the Blue Rocks and the Millidgeville. Blue Rocks—Jack Reardon, bow; Chas. McLaughlin, fore mid; Raymond McLaughlin, after mid; Jack Ward, stroke.

Millidgeville—H. Giggey, bow; H. Webster, fore mid; Robert Irwin, after mid; Merrill Turner, stroke.

There was not much difference between the crews at the turn. On the way to the finish line the Blue Rocks steered better and came along well, rowing a couple of lengths in the lead. Millidgeville got far out of their course and were soon in too close to the motor boats. They almost stopped rowing to get clear and into the course again, and the Blue Rocks finished an easy winner in 13 minutes and five seconds. At the finish line, as usual, both the Millidgeville bow oarsmen and the fore had slipped from their seats and were rowing on their sides. The Millidgevilles were very poorly boated and were rowing in a shell that was leaking badly.

Senior Singles. One and Half Miles. Three starters rowed to the starting line in this race, Hilton Belyea, the champion; Robert Belyea and C. Campbell. Hilton Belyea soon forged ahead of his opponents at the start, and the race for second place was being well contested between Bobbie Belyea and Campbell, with the former having a little the best of it. Hilton kept comfortably in the lead, and was squared away for home when the others turned nearly together. Hilton kept just ahead of Bobbie on the way home, and when near the finish Hilton spurred enough to win by a boat length ahead of Bobbie, with Campbell about three lengths in the rear. The time for this race was 11 minutes and 42 seconds. Campbell rowed a bad course on the way home and was in among the motor boats before he got squared away on his course again. If it had not been for this he would have made a much better finish.

Swimming Events.
Girls' 150 yards—The swimming events caused considerable interest, and at the word "Go" about eight young ladies jumped from the boats and started for the shore. It was a hard-fought contest, and resulted in Edna Driscoll winning in two minutes and 42 seconds. Lillian Steeves was a close second, and Mildred Vaneer third. It was a very close finish between them, and they were heartily applauded.

Boys' 150 yards—About six boys started in the boys' race, which resulted in McKinney finishing first, with Miller second. Time, two minutes.

Men's Race, 150 yards—Burton, 1st; Chesley, 2d. Time, 3 minutes and 7 seconds.

Double Canoe Race.
There were two canoes entered in this event, and the race proved most interesting, with the result that Giggey and Webster, of Millidgeville, proved winners.

Motor Boat Race.
The motor boat race for the Premier Foster Cup had two entries. The course was six miles, covered twice, and the two boats showed plenty of speed.

The Anzac, owned by Harry Baker, won the race in 25 minutes and 14 seconds, with the Patricia, owned by Robert McAllister, a good second.

The officials for the rowing, canoe and swimming races were as follows:
Mayor Schofield, referee.
W. R. Scriven, North West Arm Rowing Club, Halifax, starter.
A. P. Paterson, A. C. Skelton, Frank White, judges.

The officials of the rowing, canoe, swimming and motor boat races were as follows:
The Officials.
Mayor Schofield, starter.
W. R. Scriven, Halifax, starter.
A. P. Paterson, A. C. Skelton, Frank White, judges.
Peter Clinch, J. C. Chesley, J. Fraser Gregory, timers.
Roy Gregory, clerk of the course.
Harry Ervin, announcer.

The excellent plans arranged by the R. K. Y. C. officials for the race off Renforth had one great handicap—the lack of wind. When six or eight yachts started there was a very light breeze and they made slow progress. On the second leg of the course some of the yachts were becalmed and only two of the starters, that owned by Messrs. Gandy & Johnson, and the Smoke finished.

Ru-ber-oid is sound insurance against roofing worry. It is an ideal roofing for industrial plants, is much less expensive than metal roofing and is non-corrosive, easy to lay and easy to keep in repair. It is not affected by temperature variations and stoutly resists the wear and tear of wind and sun.

RU-BER-OID ROOFING

properly laid and cared for will last for many years. Hundreds of Ru-ber-oid roofs laid over 20 years ago are still intact—the length of their endurance yet to be determined.

Do not confuse Ru-ber-oid with other ready roofings. There are many that look and feel like it—many whose names are similar—but there is only one Ru-ber-oid and that is backed by the name and reputation of the Standard Paint Company of Canada, Ltd.

Phone one of these dealers today for samples and prices.

VITAL STATISTICS

Sixteen deaths for the week are reported by the Board of Health as follows:

- Enteritis 2
- Typhoid fever 2
- Cholera infantum 2
- Pyæmia 1
- Pneumonia 1
- Malnutrition 1
- Gastro-enteritis 1
- Diabetic gangrene 1
- Broncho-pneumonia 1
- Gastric carcinoma 1
- Congenital syphilis 1
- Pulmonary tuberculosis 1
- Cardio-vascular 1

There were ten marriage certificates issued, and thirty births reported, seventeen females and thirteen males.

Health Defies Exposure

Jas. Coulton, a gamekeeper, of Southport, Eng., was confined to his bed with a attack of paralysis and softening of the brain. After he had lost hope of recovery, he was told of the Hawker Remedies, and induced to try them. After taking four bottles of

HAWKER'S Nerve and Stomach TONIC

and a box of Hawker's Liver Pills, a change was manifested, a continuous improvement took place, and he is now fully recovered and able to do his work on the game preserve as well as ever.

You will find Hawker's Nerve and Stomach Tonic to be effective in cases of nerve and stomach troubles, where other treatments have failed. Get a trial bottle from your druggist.

ST. JOHN, N. B., TUESDAY, SEPTEMBER 7, 1920.

THE BY-ELECTION.

The announcement that a decision had been arrived at by the eleventh hour by a few of the extreme partisans in the Liberal party to put up a candidate in opposition to the Hon. R. W. Wignmore certainly came as a great surprise to the vast majority of the citizens, who had accepted it as a settled thing that no opposition was to be offered. It is universally recognized that Mr. Wignmore during the years he has represented St. John Albert in Parliament has done excellent work on behalf of the constituency, and this under conditions that did not lend themselves very favorably to much being done. Now that he is a member of the Government, and in a position to do a very great deal for the city and counties, the idea of putting him out strikes most people as the height of folly. What is St. John going to gain by turning him down? What can a member sitting in the cold shades of opposition do for the constituency? St. John wants a good deal done for its harbor, for one thing, to fit it to properly handle the ever-increasing traffic that must be dealt with through this port for one half of the year. Since Sir Douglas Hazen ceased to represent the city in the Government, the needs of this port in that and other respects have been shockingly neglected. Mr. Carvell was the New Brunswick representative in the Government for some months, but he did nothing for the port; the little that has been done has been done through Mr. Wignmore's efforts. Now Mr. Wignmore is in that position when he can get done what is needed to be done, and fortunately this fact is appreciated by the vast majority of people, who intend to see that he has the opportunity to do it.

The determination to oppose him, we understand, was arrived at as a result of an imperative message from the Liberal headquarters at Ottawa. The Hon. Mackenzie King is about to start on a missionary tour throughout the western provinces, and it would never do for him to have to face western audiences and have the laudatory fling at him that his party was so recently weak in the Maritime Provinces that they dare not oppose the Government nominees. Even in Colchester the opposition does not come from the Liberals, but the farmers. Simply, therefore, to save Mr. King's face, some show of opposition had to be put up. The greatest marvel is that an intelligent man like Dr. Emery should be willing to be made the goat. At the last election he was at the bottom of the poll, and lost his deposit, and for the average man one experience of this sort is usually enough. At the present time and under existing circumstances, when under no conditions can he expect to face anything else than utter defeat, his consenting to run again is more than ever surprising.

A glance at the names on the respective nomination papers tells quite a story. Mr. Wignmore's papers contain the names of prominent citizens of both political parties; there are almost as many Liberals among them as there are Conservatives, and they are all of them men of standing in the community. Dr. Emery, on the other hand, has just a dozen names behind him, and these are just the small fry of the party, not a single representative man among them. A fortnight from today Dr. Emery is likely to be a sadder, if he is not a wiser, man.

THE EXHIBITION OPEN.

The ceremonial proceedings on Saturday raised the curtain on another presentation of the St. John Exhibition Association's biennial shows. Everything is now on view, and the fair in full swing. After a lapse of six years the public is glad to see it again, and to note that the chief idea in the mind of the management is to make the fair reflect the times. Processes change in the interests of economy now in one industry, now in another. The war gave a wonderful impulse to inventive ingenuity, to the practical application of science and to scientific research. The lessons that were thus learnt and proved so serviceable for the overthrow of German militarism are coming more and more into utility for the increase of production. We have entered upon a new age, an age in which the mechanic arts are speedily undergoing change for the better, and there is no country that has more use for the most modern and efficient means of production than this Canada of ours. The exhibits on view are naturally mainly the products of New Brunswick, and are typical of what can be done here. This province has much to offer those who seek a home within its borders; it still has a large amount of unoccupied territory, in which natural resources of every kind

abound. It holds out opportunities that must and would under a live administration—bring to it the best class of settlers from the United Kingdom and the war-ridden countries of Europe, who are seeking homes abroad. The exhibits at the show let everybody see what the province is able to produce, and what advance has been made along lines of wealth production and in the way of general achievement. No New Brunswick who desires to be up-to-date in his knowledge of the industries of his province should miss the Exhibition. There was unfortunately one regrettable feature in connection with the opening proceedings. The occasion appears to have been made use of by some of the members of the Government for political purposes; something which has never been done on any previous occasion. People did not attend the opening for the purpose of hearing the praises of the Premier Government sung by members of the Executive, and to many the proceedings were very uninteresting. It is a sad commentary on conditions existing in the Government that an occasion that should be absolutely non-political had to be seized upon as a means of disseminating partisan propaganda; and it does not redound to the credit of Premier Foster and his colleagues that they should have followed this course.

THE RUMPS IN THE PROVINCIAL GOVERNMENT.

That everything is not all smooth sailing in Provincial Government circles seems to be generally admitted. In fact for some little time considerable friction has existed, which has necessitated the utmost care on the part of the Premier to keep it within bounds. It has recently been asserted that the disagreement between Dr. Smith and his colleagues has been on account of the rate of stumpage, he being, it is said, in favor of a \$7 rate, while the other members are not prepared to fix it quite so high. This is true; but Dr. Smith is not insisting on this so much, and it is proposed to give way for a time. The real cause of the trouble is, we understand, over the proposed game sanctuary. At the session of 1919 an Act was passed under which a tract of forest lands containing 400 square miles was to be laid aside as a game refuge, wherein no hunting was to be permitted. This is a matter in which Dr. Smith has taken considerable interest, and it was through his efforts that the bill was passed.

Now it appears that the establishment of this game sanctuary will interfere with the hunting privileges of certain guides, who got at Hon. Mr. Tweeddale and induced him to endeavor to put a spoke in Dr. Smith's wheel, and so upset the whole plan. Mr. Tweeddale, being a man of small ideas who appears to feel that the interests of one or two of his guide friends are of a good deal more importance than the preservation of game, fell for the proposal, and used his influence with it, seems, a certain amount of success, to spoil Dr. Smith's plans. Naturally, the latter will not submit to any such course; he is the Minister in charge of the Crown Lands, and as such is entitled to have his policies carried out. If they are likely to be conducive to the welfare of the natural resources of the province, of which the game is a part.

It is to be regretted that Premier Foster had not firmness enough to tell his colleague from Victoria to attend to his own Department, and leave the Crown Lands alone. The Premier has had one experience of Mr. Tweeddale's folly already in connection with the Legislature, and that should have been lesson enough to him. Because Victoria County provided a refuge for him when St. John County turned him down is no reason whatever why the Premier should bow down to his colleague's dictation all the time. And it must surely be apparent to the Premier that the formation of a game preserve is of considerably greater importance than the personal interests of one or two guides. If Dr. Smith insists upon his policy being carried out, or else his resignation being accepted, no one will blame him. He cannot, consistently with his dignity, submit to be dictated to by the one member of the Government for whom no member of the Legislature has the slightest respect, and who only got into the Government at all because there was no other member to give the position to. We believe Dr. Smith has honestly endeavored to discharge the duties pertaining to his position to the best of his ability, and he has achieved a certain amount of success therein. The latter remark cannot be made truthfully of the head of the Department of Agriculture.

THE SPEAKER'S CHAIR.

The offer of a new Speaker's Chair for the House of Commons by the United Kingdom Branch of the Empire Parliamentary Union is, as the Montreal Gazette says, at once a graceful and substantial expression of goodwill on the part of the British parliament, and has been gratefully accepted as such. The former chair was, with all other furnishings of the Chamber, destroyed with the Parliament Buildings. That which is now to be sent across the Atlantic will be a replica of the chair in the House of Commons at Westminster, finished in the fittings of the Chamber. An appeal issued by the Lord Chancellor, Lord Birkenhead, and Mr. Speaker Lowther has met with a ready response from the United Kingdom Branch of the Union, which is largely representative of the British Parliament. The chair, which will cost from £1,800 to £2,000, is being built by Sir Frank Bates, Director of Works of His Majesty's Office of Works, and will bear upon it a scroll containing the names of the donors. "The maintenance of a common tradition among the Parliaments of the Empire," said the Chancellor and Speaker in their appeal, "is a matter of highest importance at the present juncture of imperial affairs; and in this connection we feel that the gift of the chair will be exceptionally appropriate and welcome." Sir Howard Drayton is now in Ottawa arranging details in connection with the setting up of the chair, which will come as a welcome gift, and will remain one of the treasures of the new home of Canada's Parliament.

The death on Saturday last of Mr. Donald Morrison, at Newcastle, removes from this earthly scene one of the best known men on the North Shore. The late Mr. Morrison took a very active part in public life for many years, he having been one of the representatives of Northumberland in the Provincial Legislature, in which he attained to the dignity of the Speaker's chair, resigning from that position in 1908 to accept the nomination for the County for the House of Commons. In that contest he was, however, defeated. At a later period he was appointed Fishery Inspector for District No. 2, which comprises all the maritime counties of the province except St. John and Charlotte, which position now becomes vacant. Mr. Morrison was a man who commanded the respectful regard of all with whom he was brought into contact, as an upright and honest man, and at all times a courteous gentleman.

WHAT OTHERS SAY

WHAT OTHERS SAY.—Britain's "Happiest" Decision. (Detroit News.) If Egypt is to be free, that act fulfils such a purpose in that specific case. It is at once the happiest decision made by the British Government in recent years and, as a quieting influence on the whole of the Mohammedan world, at present in subjection to European powers, cannot be overestimated. It says, in effect, to all subject peoples that European good faith is to be restored to par.

Soviet Divorce System. (Kingston Whig.) Under the Soviet system a husband can put off his wife as he would a garment of which he has tired. If he desires a divorce and his wife does not, the husband simply has to wait three months and he is free of her and can marry again, no matter how much justice there is on the woman's side. The couple are put on probation for three months, and are given an opportunity to "patch it up," and then if the husband still wants a divorce it is granted. Where both husband and slaves to man's bestial passions has without any other reason. In short, every social law that is calculated to save women from becoming mere slaves to man's bestial passions has been wiped out in Russia by the Bolsheviks.

An Ancestor. "Old Squire Harding," an early resident of the town of Old Mystic, Conn., has been traced as an ancestor of Warren G. Harding by the genealogists of that city of the present day. He was a typical New Englander, and came from Hardings who fought in the wars of the Revolution and 1812. The "Old Squire" was the postmaster of Old Mystic, and the village storekeeper. He was one of the founders of the town's bank, and a leader in all its enterprises. Later he represented his district in the legislature. As a proof that among the various strains of nationality which flow in the blood of the Harding of today a picture of Henry Harding, "The old Squire," shows that he and candidate Warren G. Harding have more in common than a surname. The people of Mystic have carefully traced out an ancestral line to show that Warren G. Harding is a true descendant of their venerated citizen.

THE LAUGH LINE

If you convince a man against his will you may have to do it over again next day? The speculator who gets a straight tip often finds there is something crooked about it. A poet tells us that babies are new waves in life's oceans. Wrong! They are fresh squalls. Deceived. Miss Lotybrovich—Why did you leave the agricultural college? Miss Manchester—The catalogue mentioned thorough courses in husbandry. I took two terms and there wasn't even a hint about husbands. Those Wage. Bix—That's the fourth umbrella I've lost this year. Dix—Your overhead expense must be considerable.—Boston Transcript.

Real-Fruit Desserts
The Rarest Sort

The only gelatine dessert which has fruit-juice flavors sealed in glass is Jiffy-Jell.
No artificial flavor can take the place of fruit. For Jiffy-Jell the fruit is crushed, condensed and sealed in vials. A bottle of this liquid essence comes in the package. And sugar is used—not saccharine—to sweeten Jiffy-Jell.
Jiffy-Jell comes in ten flavors. Try loganberry and pineapple for desserts. Try lime-fruit flavor for tart salad jell. Try mint for a refreshing mint jell.

PILES

Do not suffer another day with itching, bleeding, or protruding Piles. No surgical operation required.

Announcing an Authoritative Showing of Individualized Apparel for Autumn Wear

Tuesday and Following Days Fall Opening of Fur Coats and Wraps Of Regal Beauty

COATS ARE FASHIONED OF RICH FABRICS.

Handsome, soft-surfaced fabrics form the very distinctive coats of Autumn and Winter. These are characterized by their large collars, trimmings of fur, loose hanging lines and lavish use of buttons. Many variations of greys and browns predominate. Among the favorites are mole, bark, owl, nut, grebe, beaver, etc.

Styles were never more delightfully adapted to street and dress wear.

THE NEW SUITS PRESENT A VARIETY OF STYLES.

Autumn finds women eagerly awaiting the new suits. They are here! They are delightful! Fur trimmed, embroidered or tailored, fashioned with or without belts. Velours, Silvertones and Duvetyns are of engrossing interest. Lines generally speaking are youthfully straight and slim with now and then a fuller model.

Finding a suit this season that is smart, attractive and practical for many purposes is indeed simple when one sees the individual models being displayed here.

AUTUMN FROCKS OF EXCEEDING CHARM.

Modes include those designed exclusively for street, for afternoons, little affairs for evening, and to serve many purposes.

Beading, embroidery, fancy stitching and other devices known to clever designers, are used profusely. Chemise, Tunic and Basque lines prevail for frocks in general, while in the more elegant afternoon gowns bouffancy still is favored.

NEW HATS THAT HINT OF PARIS.

Your pleasure in selecting new hats just now will be intensified by the softly becoming draped lines of the many new fabric models. Duvetyns, taffetas and velvets fall gracefully into turbans, tams and off the face shapes.

Inspection is likely to disclose the very hat for which you have been looking.

PLAID SKIRTS ARE POPULAR.

Autumn days simply demand one of these. You can find them in real bright or more subdued color blendings. Many are prettily pleated, but for those who prefer them we have also some nice plain styles with belts and pockets. From the standpoint of both style and serviceability, these skirts are more than usually attractive.

BLOUSES TO WEAR WITH THE NEW SUIT.

The overblouse is found in the most delightful of styles, Long tunics and Balkan effects are gayly and elaborately beaded and embroidered, and you will be surprised at the many clever variations.

Other particularly smart models are fashioned with round necks and short kimono sleeves. Color reigns supreme in these.

Whatever your suit is, we can find you a handsome blouse to correspond.

We extend the courtesies of this store to all visitors to the exhibition during their stay in this city. Every department is admirably ready for fall with—newest fashions—best qualities—and pleasing assortments. Your early inspection is invited.

Half the joy of possessing beautiful furs is having them at the beginning of the season. You will make no mistake by selecting the Coat, Long Stole or Choker you are contemplating just now. Stocks are complete, fashions settled, and the weather suitable.

Buy them now and enjoy a full season's wear out of them. Coats are as follows:—

- MINK COAT, 40 inches long, fashioned with full belted back and two skin band around bottom—Lining of pussy willow brocade. \$765.00
 - HUDSON SEAL, 32 inches long. This has taupe squirrel cape collar and band around bottom. Girdle is made of leather strands and lining is of brocade satin \$680.00
 - HUDSON SEAL, 36 inches long, has large cape collar of beaver. The cuffs are in flaring style and the lining of broche silk \$547.00
 - ELECTRIC SEAL, 36 inches long. Trimmed with large shawl collar and cuffs of Beaver. Back is in full belted style—Lined with broche satin \$450.00
 - ELECTRIC SEAL, 40 inches long. This has large shawl collar and cuffs of Skunk. Full belted model—Broche satin lining \$425.00
 - ELECTRIC SEAL, 36 inches long. Shawl collar and cuffs of Ring-tail Opossum. Back is cut full and belted—Broche satin lining \$340.00

KIDDIES' CLOTHES ARE DELIGHTFUL.

Why sigh and wonder if you will ever get their sewing done, when there are innumerable little garments here that will wear well and look the way you would want them to.

SWEATERS are in Pull-over and Coat styles, in all sizes from 2 to 12—dainty and practical colors and very desirable qualities. \$3 to \$7.50
COZY VELOUR KIMONOS—Showing in light and dark colors. Sizes 2 to 12 \$3.00 to \$5.25
FLANNELETTE UNDERWEAR—Night gowns, sizes, 1 to 16 yrs. \$1.35 to \$1.80; Bloomers, sizes 2 to 10 yrs. 65c. to 90c.; Pajamas, sizes 6 to 14 yrs. \$2.60 to \$3.25; Sleeping Suits with feet, \$1.60. Fleece Lined Sleeping Suits, heavy weight in white or grey, \$1.10 to \$1.70.

MIDDIES AND SKIRTS FOR SCHOOL.

Made of navy flannel or serge, in sizes 4 to 12 yrs. These are sold separately—Middies, \$6 and \$7.75. Skirts, \$5 and \$7.75.

GIRLS' REEFERS AND LONG COATS.

Cloths are in suitable weights for wearing now or in the winter, and all the favorite style touches of the new season are represented in the various models. Long coats are developed in Silvertones and other soft, warm fabrics in such colors as grey, Burgundy, brown and navy. Large collars that fasten close to neck are a popular feature.

Reefers are in regulation style with or without velvet collars.

GIRLS' WARM DRESSES.

These are in serges and other wool materials, fashioned in the smartest styles you have seen. Some are in straight belted effects, many are pleated and trimmings of braid or touches of colored embroidery are used extensively.

GIFT NOVELTIES FOR TOTS

AND SMALL BABIES.

Be sure and see our display of these attractive things. Hand knitted Booties and Jackets are in many dainty styles and stitches. Rattles, Cuddle Dolls, Beads to string, Surprise packages for sick children, Water Toys, Sand Toys, Sewing Sets, Rocking Dolls, Trumpets, Bubble Sets, Roly-Polys, Baby Record Books, Puzzles, Dolls with cut out clothes, etc.

Baby Bassinets, Baby Baskets on stands, Baby Wardrobes with four drawers, White Clothes Trees and Clothes Horses for baby's clothes, Separate Baskets, untrimmed or covered with white point despit—plenty of other useful and appropriate things.

(Children's Shop, Second Floor.)

PRETTY UNDERGARMENTS FOR WOMEN.

The luxury of a large supply of fresh undergarments comes within every woman's reach through the varieties of our fall stocks.

Here are garments that will interest you:

NIGHT GOWNS.

Made of fine quality cambric or rain-sock, with round or V-shaped necks. Some of the less expensive gowns are very plain and pretty, simply trimmed with beading and ribbons—More elaborate models are in Empire style or fashioned with lace yokes and sleeves.

There is a fine assortment for your selection. \$2.25 to \$8.25

ENVELOPE CHEMISES.

Among these you will find ordinary straight styles or Bloomer Steps. The fabrics are fine and soft and only very dainty laces and edges are used for trimmings. To wear with evening frocks we are showing pretty styles made straight across the top, with lace straps. \$1.15 to \$6.50

Underskirts, Knickers, Drawers and Corset Covers are in kinds equally attractive and the prices are very moderate.

For those who prefer silk undergarments—the varieties shown here will meet with instant approval.

In addition to being pleased with the smart and exclusive styles it is good to know that the quality, value and cost of this new Autumn merchandise compares favorably with the high standards maintained by this store.

MRS. BROWN CAN EAT HEARTY NOW

Never Sits Down at the Table Without Thanking Tanlac for Her Restored Health.

"For the first time in years I am able to eat a hearty meal without suffering afterwards, and I can now sit down to the table without feeling grateful to Tanlac," said Mrs. W. R. Brown, of 87 Rottenburg St., Halifax, Nova Scotia, recently.

"Before taking Tanlac I had suffered for four or five years from a bad case of indigestion. My appetite was very poor, and often I would go to the table and just drink a cup of tea and not eat a thing. I dared not eat anything at all heavy, as I always suffered agonies afterwards, and in fact after nearly every meal I bloated up with gas and had the sharpest kinds of pains in the pit of my stomach. I hardly knew what it was to be without a headache and had awful spells of dizziness, when everything seemed to be swimming around before me. I worried a great deal about my condition and was very nervous and hardly got a good night's sleep. I had no little strength or energy if I could do to get any of my housework done at all. I felt tired and worn out all the time, and there were times when I got so broken down I just had to take to my bed.

"But thanks to Tanlac all these miseries are past and now I am as well as I ever was in my life. My appetite is splendid and I can eat just anything I want and never suffer from gas or pains of any kind. I never have a headache now or a spell of dizziness. My nerves are steady and I sleep soundly every night, never waking up all morning. It is certainly a pleasure to tell of what Tanlac has done for me. From now on I never expect to be without a bottle in the house."

Tanlac is sold in St. John by Ross Drug Co. and F. W. Murray under the personal direction of a special Tanlac representative.—Advt.

CHARLOTTETOWN EXHIBITION.

As will be seen by the advertisement in another column of this paper, the Charlottetown, Prince Edward Island, Exhibition and Horse Races will be held shortly.

The Exhibition this year will be larger than ever before, as greatly increased prizes are offered.

The Horse Races in connection with it will extend over FIVE DAYS, and all the fast horses in the Maritime Provinces and Eastern States are expected to compete.

A visit to Prince Edward Island Exhibition week will repay the visitor.

C. S. L. SHIPS IN BIG BUSINESS

Passenger Trade Shows Million Dollar Increase Already This Season.

Special to The Standard.

Montreal, Sept. 6.—Canada Steamship Lines, Limited, is just emerging from the most prosperous passenger season in the history of the transportation consolidation, with freight traffic on the Great Lakes well above the volume of last year, according to a statement made by J. W. Norcross, president and managing director of the enterprise.

"So far as passenger traffic is concerned, our receipts are almost \$1,000,000 in excess of those reported up to this time last year. The steamers operating on all divisions of the system have been patronized to an extent which surpasses all former records, with enquiries as to accommodations for next year of a nature as to indicate that business in 1921 will be well up to this year's record-breaking standards. Our hotels are booked almost to capacity for next year, after an excellent season so far in 1920.

"Freight business on the Great Lakes has also shown material growth, and with the western crop movement in augmented in the course of the next ten days or two weeks, our earnings in this department will be well in excess of those of last year."

Mr. Norcross stated that oceanic traffic has not been up to the 1919 level, but the increases in inland passenger and freight business would more than make up for the deficiency in this respect. The current year's results from inland traffic would, in all likelihood, be maintained next year, while ocean freights might undergo improvement.

CANADIAN CLUBS ASK LL. GEORGE TO VISIT CANADA

Sir Arthur Currie Delivers Brilliant Address at Annual Meeting.

Montreal, Sept. 6.—General Sir Arthur Currie delivered a brilliant address in opening the eighth conference of Canadian Clubs, which began a two day session in the new medical building at McGill University this morning.

The Rev. Dr. Symonds, rector of Christ church, followed with a warm address of welcome to the delegates, in which he said a high tribute to the work of Colonel McCullough, of Hamilton, as the father of the Canadian Club movement, and gave particular praise to the series of addresses given by the Canadian Clubs during the war, which, he said, proved of great value and covered remarkable range of subjects, and had a great deal to do with keeping Canadian informed and enthusiastic during the trying period.

Want Lloyd George.

CANADIAN SHOES FOR CANADIAN PEOPLE

To the People of Canada

THERE are many things which you need not buy unless you choose. But footwear is not among them. You must have shoes. From the standpoint of your health, as well as for comfort and appearance, *good shoes* are a *necessity*. And that fact alone places upon the manufacturer of shoes a responsibility which he must at all times appreciate.

That responsibility to the Canadian public is shared by the 158 manufacturers of shoes in Canada, from whom you buy nearly \$50,000,000 worth of footwear every year.

The fact that we have built up an industry of such magnitude is the best evidence that we do appreciate this responsibility. One may think that our responsibility ends when we have produced footwear of honest value and sincere workmanship, and have placed it on the shelf of the retail store where it is accessible to you. That is one essential service which our industry is called upon to render.

But we cannot dismiss our responsibility quite so easily. We believe that we should do more than that.

Good shoes are of such daily importance that we ought to make public certain facts and conditions which govern the quality of the product we make, and the value which you receive for your money. We ought to point out clearly, the part which *you* exercise, in establishing those conditions. We should urge upon you, *your own responsibility* in the matter, and show you just how you can help to maintain the quality of the footwear which we offer you.

This is the first advertisement of a series which will be devoted to that purpose.

Canada produces footwear of every desirable type, and of standard quality in all grades. When you buy *Made in Canada Footwear* you are assured, at fair prices always, of the utmost that modern skill can produce in *Comfort, Service and Style*.

PROVINCIAL NEWS

FROM OUR CORRESPONDENTS

Chatham

Chatham, N. B., Sept. 2.—The chief local attraction for the holiday will be a Labor Day celebration on the Exhibition grounds, with additional features in the main building in the evening, under the auspices of Mianicki Lodge 102. The programme includes two baseball games, morning and afternoon between the Amherst Veterans and a picked local nine. In the evening a big dance will be held in the building.

St. Stephen's Presbyterian congregation, Black River, will hold its annual "harvest home" on the church grounds on Monday (Labor Day). This event always draws a large number of people from nearest towns as well as from the immediate vicinity.

The Mianicki Natural History Association has received a shipment of stuffed birds sent by Mr. Robert Clark late of the Bank of Montreal, now residing in Scotland. The birds, twenty in number, are natives of the North of Scotland and will make a valuable addition to the local museum. The society intends placing the exhibit in a separate case, having donor's name.

After landing from the Chatham-Ferrville ferry yesterday, Mr. Adam Stewart of Ferrville ran his auto into a shunt engine. The car was considerably damaged but the occupants luckily escaped unhurt.

The annual outing for the children of St. John's Presbyterian Sunday school will be held on Saturday at Ferley's "Beech Grove."

Hoary White, who fired a shot gun at a youth, Henry Murray, wounding him in the leg, when he discovered stealing apples in his orchard recently, was bound over to keep the peace in the sum of \$200, the magistrate explaining that he was not justified in shooting Murray and several other kids against whom similar charges were made were given a serious talking to and allowed to go.

Mr. D. A. Jackson, electrical engineer late of the Newcastle Wireless station, who recently accepted the position of superintendent of the Chatham Light and Water departments, which she will visit Toronto and other Upper Canadian cities.

Miss Margaret Connors has returned to Barling, Vt., after spending the past month in town, the guest of her brother, Judge Connors.

Miss Cora P. MacLachlan left yesterday on a month's vacation, during which she will visit Toronto and other Upper Canadian cities.

Miss Margaret Connors has returned to Barling, Vt., after spending the past month in town, the guest of her brother, Judge Connors.

Miss Cora P. MacLachlan left yesterday on a month's vacation, during which she will visit Toronto and other Upper Canadian cities.

Miss Margaret Connors has returned to Barling, Vt., after spending the past month in town, the guest of her brother, Judge Connors.

town, Mass., have returned to their homes, after spending the past three weeks with Chatham relatives.

Miss Sadie Barry, of Detroit, is the guest of her aunt, Mrs. John Currie.

Miss Margaret Synnott, returned to St. John yesterday, after spending her vacation at her home here.

Miss I. E. McDonald, of Portland, Me., is visiting her parents, Mr. and Mrs. Kenneth McDonald, Black River.

William Clancy, who has been visiting his mother, Mrs. Sarah Clancy, has returned to Boston.

Mrs. Michael McGrath and daughter, Mrs. Lailbery, of Bangor, Me., are visiting Chatham relatives.

Mrs. G. P. Stewart and children are visiting friends in Pokemouche.

Mrs. J. V. McDonald and son, Carl, have returned to Atcho, Mass., after spending the past two months with Doughtfield relatives.

Misses Queenie and Mary McLaughlin, of Lower Saco, left this week for Medicine Hat, Alta., where they will reside.

Ray Winslow, who has been visiting his parents, has returned to Lynn, Mass.

Mrs. John Bryce left yesterday for her home in Bangor, Me., after an enjoyable visit to friends in Naples.

Joseph Pomeroy has returned to his home in Montreal, after spending the past week with Chatham relatives.

Miss Elizabeth Melton, R. N., of Boston, is the guest of her sister, Mrs. S. A. Watters.

Rev. W. C. Goucher, D. D., of Saint Stephen, and Mr. and Mrs. Rettle, of Truro, visited Chatham this week on a motor trip.

Mr. and Mrs. John B. Archer and daughter, Florence, who have been visiting relatives in Chatham, Carleton and Tweed, returned yesterday to their home in Port Arthur, Ont.

Mr. Alex. Gordon and son, of Dedham, Mass., who have been visiting his mother, Mrs. Margaret Gordon, have returned home.

Mrs. Harrington has returned from Stanley, where she was called by the sudden death of Mr. McKenna.

Mrs. Mary Ryan returned to St. John yesterday, after a visit to her sister, Mrs. Wm. Hogan. Her nephew, Wm. Hogan, accompanied her.

Mr. Everett McEwen, who has been visiting his old home, returned to Malden, Mass., today.

Chipman

Chipman, N. B., Sept. 2.—Mrs. Harry King and daughter, Nancy, spent the latter part of last week in St. John.

Miss Beesie Baker left on Tuesday for Fredericton to attend Normal School. Her sister Laura is attending High School in the same place.

The Presbyterians held their annual Sunday school picnic on Mr. Isaac Baird's grounds last week, while the Baptists had their picnic at Camp Wegegonn. The weather being fine, both picnics were evidently much enjoyed by the children.

Mr. and Mrs. W. B. Darrah, Miss Della Darrah, the Messrs. Robert McCallum and A. Alexander, motored to Hampton on Thursday and attended the Masonic "at home."

Miss Cora Hawks is ill with pneumonia.

The picnic in aid of the Presbyterian Church at "The Forks" last Thursday was a success.

Harold Somers, who has been associated with William Russell, fire warden on the C. N. R., left on Saturday for Moncton and later on will go to New York.

Mrs. Ayres, of Boston, is the guest of her mother, Mrs. Isath Langin.

Mrs. Arch. Parry spent the week-end with Mr. Parry in Moncton.

G. H. King, M. L. A., Miss Vera King, Miss Marguerite Porter and Miss

Viola Hassan motored to St. John and Hampton the latter part of last week.

Mr. and Mrs. John Dalgle and daughter, who have been visiting Mr. and Mrs. Angus Dalgle and other relatives in the vicinity for a month or two, have returned to their home in Bangor, Me.

The Messrs. Agnes and Muriel Moore left last week for Winnipeg, where they expect to remain for some time.

Donald McPhail, who has charge of the Y. M. C. A. at Halifax, spent a day or so with his father, Mr. Alex. McPhail, last week.

Mrs. James Hutchinson, Miss Eva Hutchinson, Miss Katie Gardiner, Messrs. Wallace Ross, Jr., and Ed. Darrah motored to Gagetown and Hampton and spent the week-end.

Mrs. Wm. Fraser, of Prince William, York Co., is visiting her sister, Mrs. John Henderson, at Brigo's Corner.

Miss Irma Chase is visiting her parents, Mr. and Mrs. George Chase.

J. P. Oulton is spending his vacation with James Cullon at Osepegan.

Alex. Harper, of Montreal, is visiting his parents, Mr. and Mrs. John Harper.

Mrs. Milton Fraser, who has been very ill, is much better.

Wellington Fraser, who went on the harvest excursion and who was ill while in the West, returned home on Tuesday.

During the thunder storm early on Tuesday morning, Jas. Hutchinson, of Redband, had a barn struck by lightning and had thirty tons of hay burned.

Duncan Betts of Harwood Ridge also had a barn and a considerable amount of hay burned.

Mrs. Perley Flowering and Miss Lizzie Hutchinson are visiting friends in Campbellton and Bathurst.

Mr. and Mrs. John W. Davidson, Mrs. Earle and Carolyn Donville, of Rothesay, were among the motorists at the Chipman House this week.

The last tennis tea of the season was given at the Club House on Friday afternoon, when the hostesses were Mrs. Harry Rideout, Mrs. Reginald Ritchie, Miss Elsie Rideout, Miss Margaret Richardson and Miss Coy.

The out town guests present were Mrs. J. Swaine, Mr. and Mrs. Frank Taylor, Miss Mona Johnson and Miss Annie Wasson.

School opened last week with a very large attendance. The teachers this term are Miss A. Love of St. Stephen (principal), Miss P. Vall of St. Martins, Miss A. P. Armstrong of St. John, Miss Anne Wasson of Salmon Creek, and Miss Bertie Darrah and Miss Grace Baid of Chipman.

Mrs. J. P. Swaine, who has been the guest of Mr. and Mrs. Stanley Swaine, left on Monday for her home in Nova Scotia.

Salisbury

Salisbury, Sept. 2.—Mr. and Mrs. Walter Harris and family of Boston, Mass., have been the late guests of Mr. and Mrs. L. B. Aboe of Salisbury.

Miss Mary Aboe of Salisbury, who has been visiting friends at Cole's Island and Waterborough, has returned after a long and very enjoyable holiday.

Mrs. L. B. Aboe and son, Edgar motored to Waterborough last week and expect to return some time this week.

Mr. and Mrs. Charles Wiggins of Waterborough, has been late guests of Mr. and Mrs. L. B. Aboe.

Miss Vesta and Eileen Wiggins of Waterborough, spent several days here as a guest of Miss Mary Aboe.

Fat Folks Read This Story

Recently, in the city of Chicago, a prominent man, burdened with excessive fat, went upon the operating table and had over sixty pounds of flesh carved from his huge, cumbersome body. Years ago the formula for fat reduction was "diet"—"exercise." Today it is "Take Marmola Prescription Tablets." Friends tell friends—doctors tell their patients, until thousands know and use this convenient, harmless method. They eat what they like, live as they live, and still lose their two, three or four pounds of fat a week. Simple, effective, harmless Marmola Prescription Tablets are sold by all druggists—a good size box for one dollar. If you prefer you may write direct to the Marmola Company, 50 Gardick Building, Detroit, Mich.

The Tonic that Builds You Up

Don't think of OLIVEINE EMULSION solely as a medicine for Heavy Colds, and Deep-seated Coughs. It is more than this. It is the best tonic you can take to purify the blood, give you an appetite, improve the digestion, make flesh, and renew your vigor and vitality.

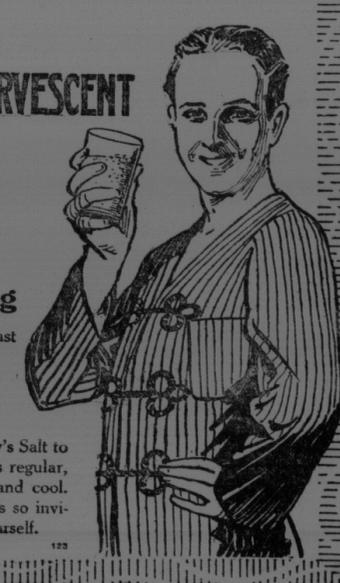

Prepared by Fraser, Thornton & Co. Limited, Cookshire, Que.

Abbey's EFFERVESCENT SALT

First Thing in the Morning

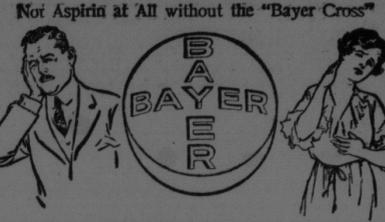

The man who smiles before breakfast is the man glowing with health and vitality—who has enjoyed a good night's sleep—and is ready for something good to eat.

He takes a morning glass of Abbey's Salt to keep his stomach sweet, his bowels regular, his kidneys clear, his blood pure and cool. He likes Abbey's Salt because it is so invigorating and refreshing. Try it yourself.

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"

For Colds, Pain, Neuralgia, Toothache, Headache, Rheumatism, Lumbago, Sciatica, Neuritis, take Aspirin marked with the name "Bayer" or you are not taking Aspirin at all. Accept only "Bayer Tablets of Aspirin" in an unbroken "Bayer" package which contains complete directions. Thus you are getting real Aspirin—the genuine Aspirin prescribed by physicians for over nineteen years. Now made in Canada. Handy tin boxes containing 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages. There is only one Aspirin—"Bayer"—You must say "Bayer" Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monocacetic Acid of Salicylic Acid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

His First Shave

The first shave marks the threshold of Manhood. Proud days, these! Many a student entering high school, college, or university within the next week or two, will carry his own razor with him—and that razor should most certainly be a Gillette!

The Gillette is the razor of Today and Tomorrow—it is right in Principle—abolishing Stropping and Honing—and it is right in Practice—as is attested by 20,000,000 users.

Fathers will spare their sons the "casualties" of the early shaves, and bestow the gift of comfortable shaving for life, by advising the investment of \$5. in a Gillette Safety Razor now.

Any good dealer will gladly assist in the choice of a Gillette set.

MADE IN CANADA

KNOWN THE WORLD OVER

PROBATE COURT, City and County of Saint John, Province of New Brunswick.

To FRANCES J. PALMER, of Cape Spenner Lighthouse, County of the City and County of Saint John aforesaid, the PRESIDENT, SUPERIOR or SECRETARY of the SISTERS OF CHARITY OF THE IMMACULATE CONCEPTION, of 31-35 Cliff Street, in the City of Saint John aforesaid, the PRESIDENT of ST. VINCENT de PAUL SOCIETY of the Cathedral Parish, of 148 Waterloo Street, in the City of Saint John aforesaid, JAMES P. DEVINE, of Moncton City, in the Province aforesaid, the PRESIDENT or SECRETARY of the PROTESTANT ORPHAN ASYLUM, of 165-167 Carmarthen Street, in the City of Saint John aforesaid, and ROY ELIAS PALMER and WILLIAM FRANKLIN PALMER, both residing with the said FRANCES J. PALMER at Cape Spenner aforesaid, THOMAS J. COLLINS, of the City of Saint John aforesaid, and FRANCIS X. COLLINS, of the City of Saint John aforesaid, and to all others whom it may concern.

Whereas GEORGE H. V. BELVEA hath filed in this Court what purports to be the last will of JOHN E. COLLINS, late of Cape Spenner, in the County of the City and County of Saint John, Lighthouse Keeper, and hath prayed that the same may be proved in solemn form, you are therefore required to appear before me, if you desire, at a Court of Probate to be held, in and for the City and County of Saint John, at the Probate Court Room, in the Bayley Building, in the City of Saint John, in the City and County of Saint John, on MONDAY, the TWENTY-SEVENTH day of SEPTEMBER next, at the hour of eleven o'clock in the forenoon, to show cause, if any, why such will should or should not be proved in solemn form.

Given under my hand this seventh day of August, A. D. 1920.

(Sgd.) H. O. McNEHERNEY, Judge of Probate.

STEPHEN B. BUCHAN, Registrar of Probate.

THE STANDARD'S SPORTING SECTION

THE RENFORTH REGATTA PROVED MOST SUCCESSFUL

Over Three Thousand Spectators Were Present — Shores and River Presented Beautiful Scene — Lengthy Programme of Races and All Closely Contested—Supper and Dance Concluded Day of Real Enjoyment.

Fully three thousand people attended the regatta held at Renforth yesterday afternoon. Automobiles were there by the hundreds. The train leaving the city at 1:30 o'clock carried six cars crowded with men, women and children, all eager to be present at the outing while many hundreds of the suburban residents from all the surrounding district were on hand. The members of the Renforth Outing Association had worked long and hard while the ladies were a great assistance, for they looked after the refreshment part of the programme, while the male members attended to the sports, and in many other ways both ladies and gentlemen did all possible to make the visitors enjoy a perfect afternoon and evening.

On the pavilion was a six-piece orchestra under the direction of Dudley S. Redburn, and a choice programme of music was rendered during the afternoon, while the orchestra played for a most enjoyable dance during the evening.

Official From Halifax
Coming over from the sister city of Halifax for the sole purpose of taking in the regatta first and then the exhibition afterwards, was none other than W. R. Scriver, of the North West Arm Rowing Club, a gentleman who made the visit of the St. John regatta a pleasant one while they were in Halifax a couple of weeks ago. When it was learned that Mr. Scriver was coming to the city, the committee in charge of the regatta made a wise choice in appointing him the official starter and in the manner in which this old veteran, lover of clean sport, carried out his duties was most satisfactory. Every crew or oarsman in the regatta, of those in other events were perfectly satisfied, and there was not one chance for complaint.

Programme Well Handled
The programme was well handled by the officials in charge and while some of the courses steered rather badly during the regatta, there was only one thing that was really objectionable during the programme and this was when a few motor boats with eighteens on board persisted in crossing over the course in front of the racing shells while they were either going to the turning buoy or returning to the finish line. These motor boats had been requested a number of times to keep off the course but failed to take heed and it is hoped that those who so badly disregarded the rules of racing will either take a hint or remain away from the race course during the course of the next regatta.

Not a Dull Moment
There was not one dull moment during one of the most beautiful days that the residents of Renforth ever enjoyed. There was a light breeze and the two races for sailing yachts was not as exciting as could be wished, and these beautiful craft almost drifted over the course.

Senior Four Oared, One Mile and a Half.
Renforth crew — Harry Stillphant, bow; H. McLeod, fore mid; R. Fleming, aft mid; George Wetmore, stroke.
McGinnis crew — Walter McGinnis, bow; Harry McGinnis, fore mid; Edward McGinnis, aft mid; Walter Lockhart, stroke.
Power Boat Club crew — Al Nees, bow; Bob Belyea, fore mid; Chas. Campbell, aft mid; George McLeod, stroke.
The crews got away to a good start, and in a short time the Renforth four, who were inshore, appeared to have a little the better of the others. They were rowing a good, straight course for their buoy. The McGinnis crew, who were in centre position, were rowing a strong, fast stroke and were soon ahead of the Power Boat Club four, and both crews were rowing away out of their course. When about half way to the turning buoy it could be seen that the McGinnis crew had only forged ahead of the Power Boat crew, but had crossed their bow and were still rowing out in the river and away off their course.
Renforth turned first, and the other

two crews had to row considerable distance to get round their buoys and there was not a great deal of difference between them. They had not got around, before the Renforth were squared away for home with a comfortable lead.
On the homestretch Renforth rowed but a little way out of their course, while the other two crews steered badly and were soon in close to the motor boats which were anchored on the outside of the course, with very little advantage between them. It was then seen that the McGinnis brothers had forged ahead and were in a comfortable second position. The Power Boat Club four were steering badly, and were soon close to the motor boats and were obliged to row out considerably to get on a line to the finish.
The Renforth crew finished first in 11 minutes and 10 seconds. The McGinnis crew finished about four lengths behind and in second place, while the Power Boat Club crew were some four lengths in the rear.

Junior Fours, One and a Half Miles.
Two crews started in this, the race for the Junior fours, the Concretes and the Renforth. The crews were made up as follows:
Renforth—J. Griffith, bow; R. Hunt, fore mid; P. Wetmore, aft mid; George Richardson, stroke.
Concretes—Thomas McLeod, bow; Roy Campbell, fore mid; P. M. Stillphant, aft mid; H. McLeod, stroke.
The two crews took the water together on the word "Go," given by Starter Scriver, but had not gone far before Renforth took the lead. There was not a great deal of difference between the crews at the turn, with the Renforth having a little the better of it. On the row to the finish, the Concretes rowed a very bad course and were forced to stop when they rowed in too close to the motor boats, but at that time Renforth had a good lead. Renforth finished a winner in 13 minutes and 4 seconds, with the Concretes about four lengths in the rear. Had the Concretes steered a better course this event would have been more close.

Boys' Single Sculls, Three-Quarters of a Mile.
Four youngsters made their appearance for the boys' singles. McCavour, McIntyre, Brayley and Belyea. They were started from the turning buoy and rowed three-quarters of a mile to the finish line. McCavour got a lead on his opponents after the word was given at the start and kept it all the way to the finish. On the way to the finish, McIntyre steered a better course than his three opponents. Belyea rowed far out into the river, while McCavour and Brayley also rowed out of their course. When near the finish, McCavour, Brayley and Belyea were obliged to row through a fleet of moored motor boats to get on their course again. McCavour had a good lead, however, and finished first in seven minutes and 49 seconds, with McIntyre in second place about three lengths behind. Brayley was third, and Belyea last.
(Continued on page five.)

The Turnbull Cup
On Saturday at Rothney the annual play for the Turnbull Cup took place. Mrs. J. R. Thomson and Jack Thomson being the winners, and thus holding the cups for the coming year. There were twelve entries in the tournament. A number of closely contested sets were played.

Real Racing At Moosepath Track

Large Crowd Enjoyed Excellent Sport When Three Events Were Staged.

Two thousand people gathered at Moosepath yesterday afternoon to witness the busy events staged off by the St. John promoters of good racing. As forecasted in the Standard, the racing proved to be the best seen here this year, and did much towards putting the city again on the racing map. There were large fields of horses in the named race and in the 2.16 class, and each heat was a horse race.
There were four starters in the free-for-all, it was all very exciting for Border Prince, the strong going representative of H. C. Jewett's stable at Fredericton. Border Prince in the second heat hung up a new record for Moosepath and is the first trotter to turn the course in 2:16 3/4. The Moosepath record for trotters was previously held by the famous Nelson, who did the trick in 2:17 3/4. Some watches caught Border Prince yesterday under the time given.
Dick C, driven by Major McKinnon, of Charlottetown, was pushed the last two heats by Corwin Hal, but won the event, his best time being 2:19 3/4. The named race won five heats and was unfinished, but all drivers agreed to call it off with money division according to summary.
Summary:—

- ### 2.16 Pace
- Dick C, McKinnon Drug Co., Charlottetown (McKinnon), 1 1 1
 - Corwin Hal, P. Smith, 1 1 1
 - Chas. L. Burpee, 57; R. B. Coster, 57; P. D. McAvity, 57; C. H. McKeown, 57; H. W. Riene, 58; F. A. Dykeman, 61; G. M. Paterson, 61; H. G. Evans, 62; H. V. MacKinnon, 64; G. Leonard, 65; R. H. L. Skinner, 67; D. W. Ledingham, 67; Ralph H. Yes, 68; J. C. Mitchell, 68; J. H. Moore, 68; J. B. Paterson, 68; R. G. Schofield, 70; W. E. Golding, 75; T. C. Ledingham, 75; S. L. Mitchell, 75; H. P. Rankin, 78; Dr. Abramson, 79; S. J. Sancton, 88; P. J. Likely, 90; G. M. Johnson, 91; C. McN. Steeves, 92.
- ### Elimination Round, Ten Holes, Match Play
- C. L. Burpee won from C. H. McKeown, four up and three to play.
 - R. L. Peters won from G. M. Paterson, two up and one to play.
 - P. D. McAvity won from H. W. Riene, three up and one to play.
 - W. K. Halsey won from R. B. Coster, three up and one to play.
- ### Semi Finals, Ten Holes, Match Play
- F. L. Peters won from C. L. Burpee, two up.
 - P. D. McAvity won from W. K. Halsey, two up and one to play.
- ### Final Round, Ten Holes, Championship Play
- Frank L. Peters won from P. D. McAvity one up.
- ### Mixed Foursomes
- In the afternoon mixed foursomes were played the prizes being half a dozen golf balls for the winners, and three balls each for the runners up. Some of the more brilliant players told down badly while others who do not rank as high made excellent scores. Only ten holes were played under the handicap system, the best net score winning. Mrs. P. D. McAvity and R. B. Coster won.

HOLIDAY CELEBRATED BY WESTFIELD OUTING CLUB

Ideal Weather and Excellent Programme Well Handled Made Large Attendance Happy—Golf from Morning Till Evening—Tennis from Noon Till Night—Dancing from Sunset Until Midnight.

September sixth was a gala day at Westfield and the holiday was celebrated amid ideal weather. The programme mapped out by the Westfield Outing Club included golf from morning till evening, tennis from noon to night and dancing from sunset until midnight. An interesting feature of the golf was the narrow escape of P. D. McAvity from winning his own cup.
Two golf matches were held, the feature of the morning being the Golf Club Championship for the men for a cup offered by Percy D. McAvity. The winner holds the cup for 3 year and receives as well a miniature. Any one winning the cup three times, not necessarily in succession, keeps it permanently.
The qualifying round was medal play, the other rounds match play. Several very keen games were witnessed the contestants finally narrowing down to P. D. McAvity and Frank L. Peters. In the final round of championship play Frank L. Peters won. The runner-up wins a half dozen golf balls.
The score follows:
Club Championships Qualifying Round
Ten Holes, Medal Play

- Frank L. Peters, 51; W. K. Halsey, 53; Chas. L. Burpee, 55; R. B. Coster, 57; P. D. McAvity, 57; C. H. McKeown, 57; H. W. Riene, 58; F. A. Dykeman, 61; G. M. Paterson, 61; H. G. Evans, 62; H. V. MacKinnon, 64; G. Leonard, 65; R. H. L. Skinner, 67; D. W. Ledingham, 67; Ralph H. Yes, 68; J. C. Mitchell, 68; J. H. Moore, 68; J. B. Paterson, 68; R. G. Schofield, 70; W. E. Golding, 75; T. C. Ledingham, 75; S. L. Mitchell, 75; H. P. Rankin, 78; Dr. Abramson, 79; S. J. Sancton, 88; P. J. Likely, 90; G. M. Johnson, 91; C. McN. Steeves, 92.
- ### Elimination Round, Ten Holes, Match Play
- C. L. Burpee won from C. H. McKeown, four up and three to play.
 - R. L. Peters won from G. M. Paterson, two up and one to play.
 - P. D. McAvity won from H. W. Riene, three up and one to play.
 - W. K. Halsey won from R. B. Coster, three up and one to play.
- ### Semi Finals, Ten Holes, Match Play
- F. L. Peters won from C. L. Burpee, two up.
 - P. D. McAvity won from W. K. Halsey, two up and one to play.
- ### Final Round, Ten Holes, Championship Play
- Frank L. Peters won from P. D. McAvity one up.
- ### Mixed Foursomes
- In the afternoon mixed foursomes were played the prizes being half a dozen golf balls for the winners, and three balls each for the runners up. Some of the more brilliant players told down badly while others who do not rank as high made excellent scores. Only ten holes were played under the handicap system, the best net score winning. Mrs. P. D. McAvity and R. B. Coster won.

R. E. Crawford and Miss Hilda Gregory, 65.
G. M. Paterson and Miss G. Thompson, 66.
T. C. Ledingham and Miss Christine Crawford, 67.
P. D. McAvity and Miss Dorothy Blizard, 68.
H. G. Evans and Mrs. R. H. L. Skinner, 68.
R. H. L. Skinner and Mrs. F. A. McDonald, 69.
H. W. Riene and Mrs. E. H. Bowman, 70.
G. P. Leonard and Miss L. Holly, 70.
P. N. Robertson and Mrs. Chas. Warwick, 71.
C. H. McDonald and Mrs. C. McN. Steeves, 72.
R. H. L. Skinner and Mrs. Kathleen Coster, 75.
Dr. D. S. Likely and Miss Audrey Rankine, 75.
Wm. E. Golding and Mrs. D. S. Likely, 75.
D. W. Ledingham and Mrs. W. E. Golding, 77.
Ralph Hayes and Mrs. F. N. Robertson, 78.
G. M. Johnston and Miss Thompson, 78.
C. McN. Steeves and Miss Marion McKendrick, 88.
S. N. Sancton and Mrs. D. W. Ledingham, 91.

Tennis Matches

On the tennis courts play started soon after noon. The contest was confined to mixed doubles. Miss Helen Jack and G. Harley being the victors. It was rather notable that some of the players in addition to going through several strenuous sets of tennis were also competitors in the golf and there was a number of pretty tired players at the end of the day's sport.
Prizes for the tennis were a fancy basket for the lady, a smoking set for the gentlemen and boxes of candy for the runners up.
Mrs. John E. Moore served supper for the tennis players.
The score was as follows:
Elimination Round, One Set Only
Miss Grace Thompson and J. G. Likely won from Miss Nora Thompson and Alex Thompson 19-8.
Miss Marion Sorell and K. T. Creighton won from Miss Dorothy Blizard and N. A. Macaulay 6-2.
Miss Helen Jack and G. Harley won from Miss D. McLean and H. McIntyre 6-2.
Miss Dorothy Blizard and W. H.

Dog Show Opens In The Armory

About 240 Dogs Are Expected to be Assigned to Their Stalls This Morning.

The New Brunswick Kennel Club Dog Show opens today in the Armory on the Exhibition grounds, and all exhibitors having dogs entered for the show should have them there this morning. On arrival at the armory they will be assigned their proper stalls and made ready for the show.
Judging will commence this afternoon at 3 o'clock, with the big breeds, St. Bernards, Newfoundland, Russian Wolfhounds, Blood hounds, Foxhounds, Pointers, Beagles, English Setters. This evening the following breeds will face the judge: Irish Setters, Collies, English Bull Dogs, French Bulldogs and possibly Cocker Spaniels.
R. A. Ross, who judged the show here last year, has donated a silver trophy cup for the best Bulldog puppy, a challenge trophy in that it is to be won twice by the same breeder before it becomes his property.
Wednesday afternoon and evening all the various breeds of Terriers will be judged.

Unifontown, Pa., Sept. 6.—Tommy Milton won the 235 mile automobile race here today in 2:20 24, averaging 96 miles an hour. Jimmy Murphy was second, finishing in 2:21 57, with an average of 94.8 miles an hour, while Eddie Hearne came in third in 2:24 34. His average speed was 93.3 miles an hour.
Harrison won from Miss Rita Carrite and John H. Moore, 8-6.
Mrs. Donnelly and Frank McDonald won from Miss Eileen Keefe and S. McKillop, 6-2.
Semi Finals
Miss Helen Jack and G. Harley won from Miss Grace Thompson and J. G. Likely, 6-2, 6-1.
Miss Marion Sorell and K. T. Creighton won from Miss Dorothy Blizard and W. H. Harrison, 3-1, 3-6, 6-2.
Miss Helen Jack and G. Harley won from Mrs. Donnelly and Frank McDonald, 6-4, 6-2.
Final Round
Miss Helen Jack and G. Harley won from Miss Marion Sorell and K. T. Creighton, 7-5, 6-3.
A dance was held in the evening Jones' orchestra furnishing the music. On Saturday evening next a novelty in the form of a ghost dance will be held at which everybody will wear sheets and masks dancing with dimmed lights in the clubhouse. The final dance will take place on the evening of the 25th.

St. John Horse Won Seconds

Peter Farrow Failed to Make Good Showing in Houlton Races.

Houlton, Me., Sept. 6.—The final day's racing of Houlton's ninth Fair drew a crowd of 8,000 to 10,000 people who completely filled the grand stand and vantage points along the home stretch. Probably the most interesting centered on the thousand dollar Free-for-All in which the favorite Zom Q. was badly beaten, drawing the pole the first heat his actions were so bad that after scoring several times to a break Starter Powers displaced him, giving May Bird the pole. Lady Grant won this race in straight heats in time that was a disappointment to those who expected that the record would be broken. Snowden closed the 230 trot after three heats were trotted.
Tonight a mammoth display of fireworks closes the festivities for 1920. Summary:
2:24 Mixed—Purse \$400.
Don Q. (Novers) 3 1 1
Forefather (Brickley) 1 4 3
Pearl Bourbon (Doherty) 2 2 2
May Gratton (Potvin) 2 3 4
Rosa Durie, Queen Petress, Harry R., Bronze Belle, Northern Belle also started.
Time—2:17 1/4; 2:18 1/2; 2:17 1/2; 2:22 1/2.
2:18 Mixed—Purse \$400.
Braves (Gierow) 3 4 2 1 1
Evelyn B. (Hayes) 1 1 3 2 2
Tommy Catter (Raymond) 5 3 1 3 2
Clay Watts (Potvin) 2 2 4 4 0
Thly Tipton also started.
Time—2:15 1/4; 2:17 1/4; 2:15 1/2; 2:16 3/4; 2:18 1/2; 2:15 1/2; 2:15 1/2.
Free-for-All—Purse \$100
Lady Gratton (Potvin) 1 1 1
May Bird (Fox) 4 3 2 1 1
Zom Q. (Novers) 6 2 4
Peter Farrow (Brickley) 2 5 6
Ben All. The Problem also started.
Time—2:10 1/2; 2:09 1/2; 2:11 3/4.
2:30 Trot—Purse \$400.
The Manor (Raymond) 3 3 2
Nator Worthy (Brickley) 4 4 6
Bonny (Churchill) 1 7 6
Peter Prodigal (Garrison) 1 7 2
Called at sundown and placed as above. Silver Strain, Bury Man, Sel-don C., Bangor Jr. also started.
Time—2:24 1/2; 2:21 1/4; 2:19 1/2.

TILDEN WINS CHAMPIONSHIP

Forest Hills, N. Y., Sept. 6.—William T. Tilden, II, Philadelphia, won the national lawn tennis singles title today by defeating William M. Johnston, San Francisco, 6-1, 6-4, 7-6, 5-7, 6-3.

MACDONALD'S Cut "Brier" Smoking Tobacco

15¢ a Package
Half Pound Tin 85¢

"Brier" has been Canada's favorite smoking tobacco for over 46 years. The same old original quality can now be had in Cut "Brier".

"The Tobacco with a heart"

DODGE BROTHERS MOTOR CAR

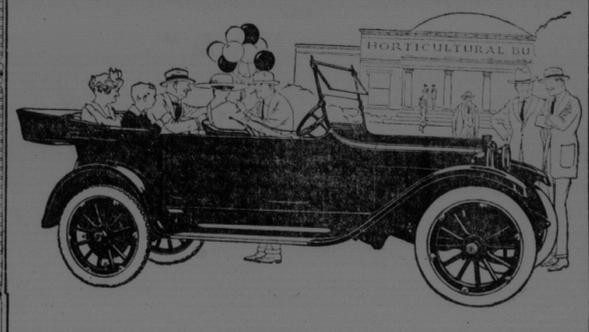

Dodge Brothers consider themselves in a quite special and peculiar sense, the servants of their public.

The controlling thought of this business from the very first has been that its destinies rested upon the continued good will of the owner.

The gasoline consumption is unusually low. The tire mileage is unusually high.

**NATIONAL THEATRE
FOUNDED IN MANILA**

**Business Men in Co-operation
With Government Incorporate
\$1,000,000 House.**

**EQUIPPED IN
MODERN TASTE**

**Will Present Operas, Dramas,
Concerts, Vaudeville and
Film Plays.**

(Copyright, 1920, by Public Ledger
Company.)
By ROY C. BENNETT.

The National Theatre Co. has been incorporated in Manila by fifty prominent business men in co-operation with the Philippine Government to construct and operate the "most beautiful and best equipped theatre in the Far East," the initial cost of the project being estimated at nearly \$1,000,000. The present theatre in Manila has often been a source of chagrin to Manilaans and a source of dismay to theatre companies, who have abandoned it when they could.

The National Theatre is to be of reinforced granite, five stories in height. A roof garden will top the structure. A large grill and buffet will be operated on the ground floor; the chairs in the theatre will be specially constructed for the tropics, broad, padded and wide, so that each person may sit comfortably and without crowding. Cold, filtered air will be piped through the entire building. The stage will be especially large, for the accommodation of opera companies, Philippine being enthusiastic patrons of grand opera.

Shower baths and lounging rooms will supplement the comforts of well-appointed dressing rooms and every modern stage equipment and apparatus for lighting effects will be installed. Private dining rooms on the second floor will copy the interior of famous places in other cities; for example the "London" room will be a miniature replica of the Ritz-Carlton grill, the "Tokyo" room will breathe the atmosphere of Japan, the "Peking," "Paris," "Rome" and "Washington" rooms will carry out similar schemes. The company plans to have at least one first-class travelling troupe every three months and in the intervals will offer high-class vaudeville and feature film plays, supplemented occasionally by amateur performances.

As for grand opera, it is always possible in Manila to sell long season tickets to the capacity of the house. Persons living in the provinces, who can by any means afford the expense, very commonly come to Manila with all members of their families at such times, purchasing boxes for the entire season and attending regularly with untiring enthusiasm. Spanish comedies are equally appreciated and first-class companies from America or England draw packed houses, while concerts by accomplished musicians are second only to grand opera as popular attractions. In order to insure first-class companies coming to Manila season tickets are usually sold in advance, a third of the price paid at the time of sale, another third when the company arrives and the last payment

when a certain number of performances have been given. Months elapse, of course, between the time of the first payments and the arrival of the companies. At the present writing two well-known companies are being brought to Manila from Spain on this basis.

English is more widely spoken in the Philippines than Spanish, but the latter language, soft and musical, is more popular in Manila as a stage medium, while the great license of the Spanish stage as compared to that of America or Great Britain is warmly appreciated by Filipinos.

CITY HALL PAY DAY

The bi-weekly payment of salaries and wages to city employees was carried out Saturday at City Hall, instead of on Monday. A total of \$11,424.08 was distributed as follows:

Fire	\$12,534.07
Police	2,421.63
Ferry	1,432.00
Officials	2,188.89
Sanitary	299.26
Salary	1,518.49
Total	\$11,424.08

**JAPAN RECEIVES
BEST ZEPPELIN
FROM GERMANY**

(Copyright, 1920, by Public Ledger Company.)

Berlin, Sept. 4.—Japan will receive the latest and best equipped of the Zeppelins from Germany this week. The giant airship is now being taken apart and together with its deflated hangar, will be shipped to Japan within a fortnight. The Germans appear to have purposely reserved this model for the Japanese after delivering to England, France and Italy their share of the German Zeppelin fleet as compensation for destroyed ships.

Although it is with great reluctance that Germany yields these costly and powerful dirigibles, the pride of German engineering skill, she is greatly comforted by the sight of her former enemies playing with Zeppelins as if they were a lot of toys, sadly misman-

dling their complicated machinery and totally at a loss to know what to do with the ships now that they have them.

Italy All At Sea.

The Italians, who received their Zeppelin yesterday, confess they do not know how to operate its motors and will require the advice of German constructors. The crew which landed the ship at the Campino Airfield, just outside of Rome, was received with bands of music and feted the entire day.

The trip to Italy of the Zeppelin, which is of the famous L-40 type that crossed the Sahara during the war, was one of the most interesting in the annals of dirigible aeronautics. It was the first time a Zeppelin has crossed the Alps, the trip from Friedrichshafen, in South Germany, to Rome taking twelve hours during the full-moon period, enabling the crew to view the snow-capped peaks of the Swiss Alps, which appeared from above like a field of little snow mounds. A heavy fog was encountered near Rome at 2 a. m., so the Zeppelin remained suspended in the air until daylight, when it descended. The Italian Govern-

ment, feeling the cost of maintaining an airship under a well-manned hangar would be too great besides not having any special use for it, is said to be negotiating for its sale to a private air transport concern for conversion into a touring ship.

DEPARTMENT OF MILITIA AND DEFENCE

Seals of Lighter at Halifax, N. S. TENDERS for the purchase of the aforementioned will be received until 12 o'clock noon, on September 22, 1920.

- ONE LIGHTER**
- Length, 35 feet.
 - Breadth, 20 feet.
 - Depth of hold, 7 feet.
 - Gross tons, 80.
 - Net Tons, 50.
 - Beam at aft, 6 feet, 6 inches.
 - Beam at forward, 4 feet.
 - Upright boiler, 7 feet x 3 feet diameter, fitted with 36—2½ inch tubes.
 - Water tank, 250 gallons.
 - Steam injector boiler feed.
 - Steam siphon bilge water-ejector.
 - Hand pumps bilge water-ejector.
 - Engine of steam winch 6 inch diameter, with 10-inch stroke.
 - Rail, wood, in good condition.
 - Is not self-propelled.
 - Masting which in good condition.
 - Smoke stack in fair condition.
 - Built by Williams & Co., Dartmouth.
 - Will carry 200 persons in fine weather, and 100 in rough weather.

The lighter may be seen and examined by prospective tenderers on application to the Senior Supply and Transport Officer, M. D. No. 6, Halifax, N. S., from whom forms of tender may, if desired, be obtained. Copies of these forms may also be procured from the Director of Contracts, Militia Department, Ottawa.

Price quoted must be for the lighter in its present condition and location. All tenders should, if at all possible, be made on the form provided, and forwarded in an envelope, properly sealed, marked "Tender for Lighter at Halifax, due September 22, 1920," and addressed to the Director of Contracts, Department Militia and Defence, Ottawa, Ont.

The successful tenderer will be promptly advised of the acceptance of his tender and must make payment in full, and take possession of the lighter within seven days of such advice. Final tender must be accompanied by a certified cheque for 10 per cent. of its total value, made payable to the Receiver General of Canada, as security deposit for the proper fulfilment of the contract. These cheques will be returned to the unsuccessful tenderers. The cheque of the successful tenderer will be retained until the completion of the contract, and will be subject to forfeiture in the event of the contractor's default. The right to reject any or all of the tenders is reserved.

BUGENE FISKE, Major-General, Deputy Minister, Militia and Defence, Ottawa, September 1, 1920.

NOTE:—Newspapers will not be paid for the advertisement if they do not receive authority from the Department.

EUROPEANS IN INDIA SUPPORT GENERAL DYER

Amritsar Massacre Regarded as Necessary to Quiet the Natives.

WOMEN'S HONOR WAS AT STAKE

Blame Racial Bias of British Statesman for Degradation of Official Who Did Duty.

(Copyright, 1926, by Public Ledger Company.)

Calcutta, Sept. 4.—During the last few weeks there has been only one topic of conversation among white people in India. It has been the treatment meted out by the supreme military authorities at Delhi and in London to Brigadier General Dyer, the British officer who in April, 1919, was ordered to lead his troops against the Amritsar mob that had broken out of control and had committed fearful excesses. General Dyer gave the order to his small force, all Indians, to fire on the lawless crowd. Nearly 400 were killed and many wounded. As a consequence the lawless movement, which had gradually extended from the northwest frontier to Calcutta, stopped dead.

General Dyer has now, fifteen months after the event, as the result of an inquiry, been asked to resign his command in India and been informed that he will not receive further military employment in England.

A tiny minority assert, the whole European population—and I may say, as far as I can observe, the whole American population—sympathizes strongly with General Dyer and antagonizes the British statesman who is held mainly responsible for General Dyer's degradation. Mr. Montagu, the statesman in question, has endeavored to import considerations of racial bias and racial tyranny into the discussion of the subject.

Excesses by Punjab Natives

White men in the country point out that the Indians began the killing—whether one consider the actual attacks in the Punjab or the antecedent causes of those attacks. The reputed cause of the whole trouble, was the Rowlatt act, which provided special procedure—under numerous constitutional safeguards—to secure the conviction of anarchists and those who by murdering politicians, were making Calcutta much what Dublin is today. The native agitators misrepresented the intention and procedure of the Rowlatt act to such a degree that ultimately the Punjab population started a campaign to murder white men—anywhere possible, women—in cold blood. At Amritsar, one of the largest cities in the Punjab, every white man's building, including his schools, was burned to the ground and bank managers, driven, still living, from third-floor balconies into the road. Their bodies were then ignited with paraffin. At Gujranwala, where the American missionaries had to flee, the whole track near the railway was made to look very much like a part of Ypres or Somme. At Lyallpur and other places rowdies were permitted to enter the civil offices in their helplessness handed over to the military. General Dyer's Killing Salutary. General Dyer fired, and by killing

STOPPED HER HEADACHES

Years of Suffering Ended By "Fruit-a-lives."

112 Hazen St., St. John, N. B. "It is with pleasure that I write to tell you of the great benefit I received from the use of your medicine 'Fruit-a-lives,' made from fruit juices. I was a great sufferer for many years from Nervous Headaches and Constipation. I tried everything, consulted doctors; but nothing seemed to help me until I tried 'Fruit-a-lives.' After taking several boxes, I was completely relieved of these troubles and have been unusually well ever since." Miss ANNIE WAIRD, 112, a box, 4 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-lives, Limited, Ottawa, Canada, Limited, Toronto, Ont.

Some 500, saved the lives of possibly 1000, or possibly 20,000 Indians and white men. His critics say his hero should have fired only to disperse the crowd and then stopped. Almost every white man in India is dismayed by this suggested limitation on the soldier's power in cases of terrible emergency, and women in scores are writing to the papers and the political associations asking who is to safeguard their honor next time.

To judge from the agitation proceeding against the peace terms dictated to Turkey by the Allies the "next time" is not far ahead. A movement for "non-co-operation" with the government has been started, and any one who knows anything of a community less than 10 per cent, of which is educated and the whole of which is easily stirred by appeals to religious and racial prejudice, can imagine the confusion which this kind of hostility to the authorities is likely to cause.

The great Mohammedan sovereign, the British had resolutely crushed the agitation in favor of Turkey in his dominions, which are as large as France. If the British took the same strong line in British India they would probably be following the wisest and the humanest course. As it is, they are pursuing a policy of drift, and the European population, in view of the Dyer affair, is uneasy.

"DANDERINE"

Stops Hair Coming Out; Doubles Its Beauty.

A few cents buys Danderine. After an application of "Danderine" you can not find a fallen hair or any dandruff, besides every hair shows new life, vigor, brightness, more color and thickness.

ARTIFICIAL WOOL IS MAKING GOOD

Expected to 'Take the Same Place in Wool Industry That Artificial Silk Has in That Line.

By RICHARD SPILLANE, Philadelphia, Pa. 6.—Apparently there is more merit in artificial wool than was generally believed. The textile industry of Europe and America has been inclined to scepticism. That is not surprising. The claims of the artificial wool people were rather broad. Wool people as a rule, are conservative. They considered much of what the "synthetic" adherents said as frothy over-statement, due to enthusiasm or lack of exact knowledge. But now Professor F. A. Barker, chief of the textile department of the University of Leeds, comes forward with the announcement that in the tests he has made many of the claims made for artificial wool have been substantiated.

Such a report from Professor Barker will compel Yorkshire to heed. The wool owners of the Bradford district class Barker as perhaps the foremost textile expert of the United Kingdom. Cotton waste is the raw material used in the manufacture of artificial wool. The wool men of Bradford did not contend that "wool" could not be made from cotton waste, but they insisted the fibre was so short and so broken that it could not be combed and, therefore, was unfit for making into yarn on the worsted principle.

Professor Barker disposes of this objection. He says the fibre can be spun, but the combing machines employed in this operation are not those in general use in British mills. He suggests that, in addition to manufacturing combed (wool) or humpless cloth suitable for men's clothes, it would be possible to make fabrics of finer quality.

Further than the foregoing, Professor Barker does not specify the other claims of the artificial wool people which he has found to be correct. He simply says "many" of these claims have been substantiated.

The artificial wool people certainly claimed enough. Among other declarations regarding it which they made were that it wears better than pure wool, is a better insulator against heat and cold; that it can be produced in a larger variety of shades and is much cheaper than virgin wool.

Prof. Barker has been engaged in his experiments for six months. The Manchester Guardian says it may be, in the light of what Prof. Barker has reported, that Bradford and the whole wool industry of Great Britain will have to readjust its attitude.

MAX

By GEORGE AGNEW CHAMBERLAIN

(Continued from Saturday.)

Mr. Randolph's widely placed blue eyes narrowed in an effort to examine the disposition adversely from all angles, and the light of hope was just beginning to dawn across the trouble in his honest face when there came a sharp knock on the door, followed promptly by the rattle of the loose knob and the unceremonious entry of one birdlike, bald-headed, dapper corporation lawyer and two corpulent gentlemen in plain clothes.

"Yes! What is it?" exclaimed the outraged Mr. O'Shaughnessy.

The legal light paid into no head and advanced on the fast-walking Slim Hervey with outstretched hand.

"Don't take the old hand, Slim," warned Mr. O'Shaughnessy. "I've followed the runt may be tryin' to shove papers on yer. Now, gent, show yer warrant or I'll call the boys an you take the consequences."

"I guess 't's all right, Torque," said Slim weakly. "They aren't going to pull me, exactly."

"I don't care whether they think 't's 'f you go in to punch you or not," remarked Mr. O'Shaughnessy, fixing malignant eyes on the two heavy flanking forces of the small lawyer.

"I never did like the small of fat," suddenly he roared. "Hey! Hey!"

"Now, Robert," said the legal personage, apparently quite oblivious of the exertion of his supports. "I just want to talk with you. May I sit down?"

THE WEATHER.

Toronto, Sept. 6. - Light showers have occurred today in parts of Ontario and in Southern Alberta, but the weather throughout the Dominion has been, for the most part, fine and moderately warm.

AROUND THE CITY

PICNIC AT ROCKWOOD. The City Mission conducted at 191 Brussels street held a picnic at Rockwood Park yesterday. About 150 were present, and the day was greatly enjoyed with refreshments and a programme of sports.

SPOKE AT GRAND BAY. Before a large gathering at Grand Bay on Sunday afternoon, Rev. W. K. Robinson spoke on "Child Welfare." A generous offering was collected at this meeting in aid of the Provincial Memorial Home for Children, Wright street.

CONDUCTED MASS. The Rev. Dr. Meahan celebrated the early mass in the Church of St. John the Baptist Sunday. Rev. Father Ramo conducted the service at the last mass and preached a missionary sermon which was listened to with much attention and interest.

FLUSHING THE STREETS. The superintendent of the Water and Sewerage Department had a force of men out last evening flushing all the paved streets. As a result the city will present a fresh and clean appearance today. It is understood that this practice will be continued throughout the week.

HERE FROM FLORIDA. James McGinnis, a former resident of West St. John, but now of Florida, is here visiting relatives, after an absence of seventeen years. He was an interested spectator at the Renforth races yesterday, where he witnessed three of his nephews row in the McGinnis crew. Captain McGinnis says he sees many changes along the harbor front, and when the work is now on hand is completed, St. John will have one of the finest ports on the Atlantic coast.

CONDUCTING MISSION. Father Eckbert and Father Bunnell of the Dominican Order, and both of New York City, are conducting a mission in Holy Trinity Church for the women of that parish. The mission opened Sunday evening and was largely attended. A mission for the men will be conducted next week. During the mission mass will be celebrated at 8 and 8 a. m. with prayers and instructions every evening at 7 p. m.

SATURDAY'S MARKET. The following prices were quoted: Beef, 20 to 30c; lamb, 28 to 30c; veal, 30 to 35c; pork, 40c; ham and bacon, 50c; fowl, 50c; chickens, 50 to 60c; a pound, carrots, 7c; beets, 7c; radish, 5c; celery, 10c; lettuce, 5c; parsley, 5c; mint, 5c; a bunch, tomatoes, 10c; squash, 5c; onions, 5c; corn, 40c; a dozen potatoes, 50c; turnips, 50c; green tomatoes, 50c; beans, 60c; apples, 50c per peck; cabbage, 10 to 20c; cauliflower, 30c; cucumbers, 4c; asparagus, blueberries, 15c; raspberries, 25c; red cherries, 20c; currants, 20c; a box, butter, 60c; a pound, eggs, 5c a dozen.

POLICE COURT CASES

Action was taken in the police court Saturday by the Board of Health against two milk dealers whose goods did not measure up to the required standard. Rokev Tobina, 21 Erin street, and James Jeffrey, 237 Brussels street, were each charged with selling unwholesome food, namely milk, containing less than 3.25 per centage of butter fat. T. M. Burns, secretary of the Board of Health, presided over the regulation. Dr. E. Fred Johnson, dairy inspector, said he procured a half a pint of milk, labelled it and took it to Dr. H. L. Abramson, provincial pathologist, for analysis. Dr. Abramson gave evidence, stating that the percentage was less than required by law.

A by-law case in which George Lavers was charged with refusing to give a signal to a policeman indicating the direction he was driving in Sydney street on September 3, was taken up in the police court Saturday morning. He pleaded not guilty and Policeman Storey gave evidence. The case was not disposed of.

One man charged with drunkenness pleaded guilty and was remanded.

A Mothers' meeting to be addressed by Mrs. Gertrude Hasbrouck of New York will be held at 3.30 each afternoon at the Red Cross Hall at the Exhibition.

Members of Union Lodge, No. 2, Knights of Pythias, will meet at Trinity church at 2.30 p. m. Tuesday afternoon, September 7, to attend the funeral of our late brother.

SAMUEL J. SMITH. Members of sister lodge are invited to attend.

By order of the C. C. R. H. MURRAY, K. of R. S.

ONLY SURVIVOR OF PARIS CREW WAS HONORED GUEST

Elijah Ross, Veteran Oarsman, Took Keen Interest in Regatta—Talks Interestingly of Old Days When Oarsmen Put St. John on Map—Watched Races Yesterday Over Course He Rowed in 1863.

Elijah Ross, the only surviving member of the famous Paris Crew, was an interested spectator at the regatta held at Renforth yesterday afternoon. This veteran oarsman, who helped Robert Price to bring fame to St. John in winning the world's championship professional four-oared race, was the honored guest of the Renforth Outing Association, and was given a comfortable seat on the pavilion of the clubhouse.

Although seventy-five years of age, Mr. Ross is quite active, took keen interest in every event, and before the races were started offered his services to the committee should they need him as an official to help along with the programme of races. It was pointed out to the veteran oarsman that he had done his part in rowing, and that he was wanted as a witness to the oarsmen of this generation rowing over part of the course that he and his companions in the Paris crew rowed over in 1863 and onwards.

It was on this same sheet of water in 1871 that the Paris crew was leading the Renforth English crew, when the latter four spurred to catch up to the St. John men without avail, and it was during one of these spurts that Renforth, the captain of the visiting crew, died in his boat.

Mr. Ross was deluged with visitors, many of his old friends and numerous new ones, who were happy to shake the hand of the veteran. While in conversation with a Standard reporter, Mr. Ross proved ready to talk over the old days of rowing, and perhaps, there was not a person along the course yesterday who was as enthusiastic as the old oarsman. Even as he talked about the great struggles in the days of the stationary regatta in boats that are not so up-to-date as in the present time, it could be seen that Mr. Ross could well picture all of the great races in which he took part as a member of the greatest four-oared crew that ever sat in a boat, and whose time for three miles still holds good, and those were the days when the course was not three, but four miles or longer.

Their First Race. In speaking of the famous Renforth and other races in which he figured, Mr. Ross said: "The first race that our crew rowed on this sheet of water was in 1863, when we defeated the 'Indian' crew in a match race. That was before we went to France, and we were known as the Carleton crew. The members of the crew at that time were McLarnon, Hutcheon, Fulton and myself. The next summer we defeated the 'Indian' crew on the same course, and then we went to Boston and rowed there in the carnival of '64, coming home victors."

In 1865 we rowed at Sand Cove at Father Duffy's picnic. In this race seven crews took the start, and we won out. We rowed three races that summer, and the next year we rowed in four regattas, one at Sand Cove, one at Westfield, and two in the harbor, being winners in all events.

Off to Paris. In 1867 the city determined to put the name of St. John on the map, and it was decided that our crew should go across to Paris, representing St. John, and \$7,000 was raised to pay our expenses. McLarnon's father had died shortly before this, so he was unable to come with us, and we filled his place by putting in George Price, a member of the Sand Cove crew, and won both the first being a bare race and the second an outrigger race. As we had to row a boat from our own country, we took with us the 'James A. Harding,' which was since burned at Digby. The barge race finished at 3 o'clock, and we had to row in our shell more than one-half a mile before we got to the starting point, and there were eight fresh crews in the race, but notwithstanding this handicap, we came home in the lead.

Won at Springfield. "Shortly after returning from France an American paper printed an article saying that, although we had done very well to win out at Paris, still we had not defeated the great Republican crew. We accepted a challenge from this crew, but they would not row in New Brunswick, so we went to Springfield, Mass., and defeated them. I was offered \$10,000 there if I would tell you would win that race. I could have let St. John down quite easily, as Price was so unwell that he had to be taken to the boat in a coach, but I told the man who tried to bribe me that if the 'Warrior' could win, they but I told the man who tried to bribe me; but if they couldn't, we would, and we did. There was great enthusiasm when we returned from this race and we were given a wonderful reception when we landed in St. John."

"The next race in which we entered was the Lachine race in 1870, and we were beaten here, but I do not think it was a fair victory. We challenged them for a return race, but they did not want to race here, although Jim Renforth, the captain of that crew, said he would give a return race. We then issued a challenge to the world, and Renforth accepted, and it was 'right here' that the old oarsman, 'on this very course, although we always rowed over a six mile course, that we met and defeated Renforth's crew, giving us the championship of the world in 1871."

"Renforth had with him on that occasion, Harry Kelly, the great English oarsman, Bob Chambers, another famous rower, and Barry. We had hardly covered a mile of the course when Renforth collapsed. I was very sorry that this happened, because I was sure that we would have defeated them any."

Other Races. Mr. Ross then described the other races which the Paris crew figured in, notably the race with Portland, Me., in 1873 and the race with the Philadelphia crew at Philadelphia in 1876, both of which were won by the crew, so that they retained the world's championship. Shortly after this race with Philadelphia, he said the Paris crew disbanded, although he got together several other crews and raced a number of smaller races. "This famous sport seemed to die down here after our last great race, and I am certainly not wanted to race here, although Jim Renforth, the captain of that crew, said he would give a return race. We then issued a challenge to the world, and Renforth accepted, and it was 'right here' that the old oarsman, 'on this very course, although we always rowed over a six mile course, that we met and defeated Renforth's crew, giving us the championship of the world in 1871."

Visitors From Flowery Kingdom

Rev. Ephraim Jones and Wife of Japan Are in St. John—Has Been Absent 36 Years.

Visitors in the city from the flowery kingdom of Japan are Rev. Ephraim Jones and Mrs. Jones, who are guests of Mr. Jones' niece, Mrs. J. R. VanWart, Bridge street. It is hardly true to say that Rev. Mr. Jones is a visitor here, for he is a native of St. John and is returning home after an absence of thirty-six years spent as a missionary in Japan. He is being welcomed by many old friends. Among those who are familiar with what goes on in the world of missions, the name of Rev. Ephraim Jones is well known as one of the pioneer missionaries who has accomplished a wonderful work in Northern Japan. He went out under the American Foreign Missionary Board in 1834, and with his wife, who is a talented teacher, has been the means of bringing to Japanese the Gospel message.

Their district was in Miho and Sendai, where Mr. Jones had many evangelists working under him. Two of his daughters were teachers of music in Japanese colleges, and one of his sons was for some time acting in an official capacity at Washington, where his knowledge of the Japanese language made him a most useful member of a staff.

Returning from Japan, Mr. and Mrs. Jones came all the way by water, taking several weeks for the trip and arriving in England after visiting many of the most interesting, famous places along the route.

Crowded Cities. Mr. Jones was an interested visitor at the exhibition, and in "inspecting the housing and sanitation booth, told a Standard reporter a little of the difficulties of working in Japan, speaking of the frightful congestion and a state of uncleanness, which is indescribable in the country conditions are rather better; but in spite of the common belief that the Japanese are a cleanly nation, this virtue is found only among the better classes.

After spending a week in St. John, Mr. and Mrs. Jones will proceed to California, where it is probable they will settle, visiting on their way out several of their sons and daughters.

Many Witnessed Airship Arrive. Airplane Cirled Over City and Finally Landed in Anthony's Field Sunday.

Anthony's field at Red Head was the mecca for the curious Sunday afternoon when hundreds journeyed there from the city to see the airship. About 5.30 an airplane circled over the city and the whir of its engines caught the attention of crowds on the street. It scooted over the direction of Red Head and descended there and the rush was on for automobiles in demand. The machine is a Curtis biplane from the Deven Aviation School at Fresno, which is under the direction of Capt. L. E. Devere Stevens, A. F. C., who was one of the expert air men in the late war. The machine is here for exhibition flights during the fair. The plane was piloted here from Toronto by Pilot Logan, one of the school's instructors and covered the distance between Toronto and St. John in 3 hours and 10 minutes flying time. Those who desire an air trip will have an opportunity as Captain Stevens is ready to take up any and all who wish it.

THREE ADDRESSES ON CHILD WELFARE

Mrs. Gertrude Hasbrouck Spoke in Three Local Churches Sunday.

Child Welfare was the subject of three addresses given on Sunday by Mrs. Gertrude Hasbrouck, who spoke at Ludlow street Baptist in the afternoon, and at Main street Baptist in the evening. Large congregations were present to take up this matter very earnestly. Hon. Dr. Robert Wright accompanied Mrs. Hasbrouck and made an address at Ludlow street. A solo was sung at Ludlow street church by E. C. Parsons, and a collection taken for the Provincial Memorial Home, Wright street. Rev. W. H. Sampson, of St. George's church, west side presided, and the benediction was pronounced by Rev. J. H. Jenner, of Charlotte street Baptist church.

WEDDINGS.

Colpitts-Bell. A quiet but interesting home wedding took place at Searsville, Kings County, Wednesday, September 6, when Gladys Gertrude Bell, eldest daughter of Mr. and Mrs. John E. Bell was united in marriage to Mr. Fred H. Colpitts. The ceremony took place at the home of the bride's parents at three-thirty o'clock. Rev. C. S. Young officiating. The bride was attired in a dress of white satin and crepe de chene with veil and orange blossoms and carried a bouquet of roses and maiden hair fern. Immediately after luncheon was served Mr. and Mrs. Colpitts left on a trip to Fredericton.

EASEL MISSING. Loaned to a society in the city for an evening, a heavy oak easel, please call M. 1740.

At four-thirty this afternoon, Lieut. Governor Pugsley and Mrs. Pugsley will inspect the Child Welfare Department of the Provincial Exhibition. Afterwards, an informal reception will be held, at which Hon. Dr. Roberts and Mrs. Roberts, Col. Murray MacLaren and Mrs. MacLaren, Mrs. Kubring and others in charge of department included in the exhibit will be present.

STORES OPEN 8.30 A.M. CLOSE 5.55 P.M. FRIDAY, 9.55 P.M. SATURDAY, 12.55 P.M.

Replete With Charm and Style are the New Fashions Presented in Our Showing of Individualized Apparel for Autumn.

To every woman is offered the opportunity of viewing what is now, striking and beautiful in apparel for Autumn—on Tuesday and following days. The smartest and trimmest of costumes are showing in youthful straight lines. Cloths are soft and comfortable-looking, and are often embellished with a charming touch of contrasting fur. Coats are along wrappy lines. There are many big utility styles and enveloping models with large shirred collars. Many of these are also trimmed with fur. Coats with smart capes are among the decidedly new features. Silk and Wool Frocks are in charming assortments. There are many different models. Trimmings of beads and embroidery prevail and some of the smartest cloth frocks are trimmed with bands of colored knit. Chemise effects are still favored but there are all sorts of other kinds. Loveliest of all—The Furs. Coats, Wraps, Neck Pieces and Muffs are in all the new shapes dictated by fashion for Fall and Winter wear. Never were fur styles more delightful and assortments are now at their best. Children's clothes also have a prominent place in this showing of modes. Youthful models, simple in line, yet smart, will appeal to little girls of school ages. Page 7 will tell you more about what to expect in this showing of modes. You are Invited to Come and See Them and Bring Your Friends

Manchester Robertson Allison Co. KING STREET GERMAIN STREET MARKET SQUARE

Exhibition Visitors

will find themselves particularly favored this year because the Annual Fur Sale of this store is in operation during the whole of the exhibition week. Many attractive Fur Coats and Fur pieces here to choose from and at prices that only a Fur House like this could make possible. This sale, also being pre-seasonal means an interesting pecuniary saving just at the time when Furs will soon be needed and the Fur market showing decided upward tendencies in price. No obligation entailed in a call—in fact we want you to feel that this is YOUR Store during your visit here. D. Magee's Sons—Limited—Saint John, N. B.
