RETURN

(19a)

To an ADDRESS of the HOUSE OF COMMONS, dated the 6th day of June, 1887 ;—For copies of all Orders in Council and of all correspondence between the Government of Canada and the Government of the Province of Ontario, and between the Government of Canada and any person or persons respecting timber licenses and Crown titles to lands affected by claims of settlers, and by mining claims, within the so-called Disputed Territory.

By Command.

J. A. CHAPLEAU,

Department of the Secretary of State,
OTTAWA, 14th June, 1887.

Secretary of State.

GOVERNMENT HOUSE, TORONTO, 8th March, 1881.

SIR—I have the honor to transmit herewith an extract from a recent letter received by the Honorable the Attorney General from W. D. Lyon, Esq., one of the Stipendiary Magistrates of the District of Thunder Bay, with reference to the extension for another year of the Act 43 Vic., Cap. 36 (Statutes of Canada).

I have the honor to be, Sir, your obedient servant,

J. B. ROBINSON, *Lieut. Governor of Ontario.*

The Honorable the Secretary of State, Canada, Ottawa.

EXTRACT from a letter dated 23rd February, 1881, from W. D. Lyon, Esq., Stipendiary Magistrate for the Western portion of Thunder Bay, to Hon. O. Mowat, Attorney General for Ontario.

“The explorers and miners on the Lake of the Woods are thrown into a state of despondency from the announcement by telegraph that the Bill giving joint jurisdiction in criminal matters, is to be extended for another year, which to them warrants the conclusion that the boundary question will not be settled at this Session of Parliament.

“You can have but little conception of the difficulties and disappointment those people have met with here, they have expended all their money in exploring, and in surveys, expecting an early return for their investment and toil which they felt sure they would, if the boundary question was settled so that deeds could be procured for their locations. Without a title nothing can be done with mining capitalists who require to have an undisputed title to the lands in which they risk their money.

“The delay of another year in settling the question of the boundary will ruin many, and they will be driven from the locality never to return, causing loss to the merchants and others who have made advances with fair prospects of an early return. The people of the locality are suffering in many ways from the unsettled condition of affairs. There is no civil court to collect debts, no land agent to locate settlers, no registry office to record deeds, no timber agent to protect the forest. There are timber locations to be had, but there is no security for the expense of exploring and

surveying them. All is uncertainty and confusion. The mineral lands will be so mixed up before long that men who own locations will not be able to recognize their own property. Some places have been surveyed several times, and the surveys cover each other, and there is no doubt but there will be fighting and perhaps murder over those claims. Some persons are armed now to defend their rights against wealthier claimants. The water privileges here are of great value; there are several places near this place where the water can be let out of the Lake of the Woods with but little expense, and a fall from 16 to 18 feet secured without any expense for a dam. There is scarcely any limit to the propelling power to be had here, and immediately on the line of the Canadian Pacific Railway trains can be run to the mill door without leaving the right of way. The privileges are being claimed and applied for by persons for speculation who have nothing, and the same confusion is likely to arise here that has taken place in the mines.

"If unworthy persons get these valuable privileges, who will do nothing with them themselves and will only sell at exorbitant prices to those who wish to use them, it will be a great injury to the milling prospects here. They should be sold by the Government to persons who would erect mills within a specified time. The wheat crop of the great North-West can be ground at this point in transit to an eastern market, and Rat Portage would soon become a second Minneapolis. Its natural advantages are superior.

"The whiskey sellers are plying their illicit calling with great success, much to the injury of the district."

9th March, 1881.

SIR,—I am directed to acknowledge the receipt of your despatch of the 8th instant enclosing an extract from a letter from Mr. W. D. Lyon, a stipendiary magistrate for the district of Thunder Bay, with reference to the extension for another year of the Act 43 Vic., chap. 36, Statutes of Canada.

I have the honor to be, Sir, your obedient servant,

EDOUARD J. LANGEVIN, *Under Secretary of State.*

To His Honor the Lieut.-Governor of Ontario, Toronto.

GOVERNMENT HOUSE, TORONTO, 25th April, 1881.

SIR,—I have the honor herewith to transmit an extract from a report to the Honorable the Attorney General, recently made by the stipendiary magistrate of Thunder Bay district, and to request you to be good enough to state, for the information of my Government, what the facts really are in regard to the matters therein mentioned as having occurred since the award, and the determination of the provisional arrangement which had been theretofore made with reference to the territory in question.

I have the honor to be, Sir, your obedient servant,

JOHN BEVERLEY ROBINSON, *Lieutenant Governor of Ontario.*

The Honorable the Secretary of State, Ottawa.

EXTRACT from a Report dated Rat Portage, 1st April, 1881, from W. D. Lyon, Esq., Stipendiary Magistrate, to the Honorable the Attorney General of Ontario.

"In the year 1873 S. H. Fowler & Co. entered into possession of a timber limit which they had previously obtained from the Dominion Government, containing one hundred square miles. The limit was surveyed, comprising several blocks, those blocks were marked on a map issued by the Dominion Government and colored yellow, and showed all the timber limits they were entitled to. During the summer of 1880 Mr. Fowler had an interview with Sir John A. Macdonald and represented when his company obtained their limit they were allowed the privilege of selecting the quantity in several blocks, those blocks not to contain less than twenty-five miles each. That since McCauley and Company had secured a limit on the Lake of the Woods and its tributaries, and they had been allowed the privilege of selecting their

limit in much smaller blocks, Fowler & Co. then asked to be allowed to relinquish their claim to at least one-half of their limit, and be allowed to select an equal quantity in blocks of any size where they could be found and suit their company best. Their demands were assented to, accompanied with the remark that they had better get their limit arranged to suit themselves at once, as it might not be in the power of the Dominion Government to do them the favor in a short time hence.

"Fowler & Co. have occupied the limit for seven years and cut timber sometimes on their limit and sometimes other places outside of it, and I am informed paid no dues to the Government for the timber with the exception of what was cut last season. During this time they discovered blocks more thickly timbered, of better quality and larger growth than that originally selected and operated on by them, thereby obtaining an advantage not contemplated when they secured their limit, and secured a privilege not usually accorded to those enjoying timber limits.

"Senator Muirhead, who is a partner of Fowler's, made strong representations to the Dominion Government of injuries sustained by them when the water broke into the canal last summer, and claimed the water privilege at Fort Frances was destroyed by the canal being cut where it is, and I am informed has obtained a promise from the Government at Ottawa of one of the most valuable water privileges on the Lake of the Woods at Rat Portage in lieu of damage done to the one at Fort Frances. All that is required to close the water out of the canal is a small dam across the mouth of the canal, which might cost from one to two hundred dollars, and then the privilege would be as good as it was formerly. It was also represented that their milling operations were delayed by the water breaking into the canal, while the fact is they sawed double the quantity of lumber in the same time that they had in any previous season.

"It is reported here that Mr. Haggart, a member of the House of Commons, has got a timber limit during the past year on the Winnipeg River within the territory awarded to Ontario."

27th April, 1881.

SIR,—I am directed to acknowledge the receipt of your despatch of the 25th instant, enclosing an extract from a report made to the Hon. the Attorney General of Ontario by the stipendiary magistrate of Thunder Bay district, upon the subject of certain timber limits granted in that locality.

I have the honor to be, Sir, your obedient servant,
EDOUARD J. LANGEVIN, *Under Secretary of State.*

To His Honor the Lieut. Governor of Ontario, Toronto.

GOVERNMENT HOUSE, TORONTO, 30th September, 1881.

SIR,—I have the honor to inform you that persons residing in Western Ontario have communicated to my Government the intelligence that rumors are prevalent in what is known as the "disputed territory," to the effect that the Government at Ottawa have been issuing patents for land, or licenses, to cut timber within that portion of the Province declared by the boundary award to be part of Ontario.

Although the award decided that the territory therein described belonged to and formed part of the Province, my Government, in view of the fact that action favorable to the contentions of Ontario had not been taken by the Government at Ottawa, have, since the publication of the award, abstained from issuing either patents or licenses relating to land or timber within the "disputed territory," and believing that the Government of Canada had also refused to issue either licenses or patents, they hesitate to give any credit to the rumors referred to.

In view, however, of the representations alluded to, I beg to request that you will be good enough to state, for the information of my Government, whether any licenses or patents have been granted within the territory in dispute since the publication of the award.

I have the honor to be, Sir, your obedient servant,
J. B. ROBINSON, *Lieutenant Governor of Ontario.*

The Honorable the Secretary of State, Canada, Ottawa.

3rd October, 1881.

SIR,—I am directed to acknowledge the receipt of your despatch of the 30th inst., upon the subject of the alleged issuing by the Government of the Dominion of patents for land in what is known as the "disputed territory."

I have, &c.,

EDOUARD J. LANGEVIN, *Under Secretary of State.*

To His Honor the Lieut.-Governor of Ontario, Toronto.

MEMO.—The papers between this memorandum and the letter of the 2nd of September, 1882, addressed by the Hon. Sir Hector Langevin, for the Secretary of State, to His Honor the Lieutenant Governor of the Province of Ontario, &c., are copies of the joint memorandum of the 26th June, 1874, executed by the Hon. David Laird, then Minister of the Interior, on behalf of the Dominion Government, and by the Hon. T. B. Pardee, Commissioner of Crown Lands, on behalf of the Ontario Government, and of Orders in Council and letters relating to such joint memorandum

5th June, 1874.

SIR,—I have the honor to transmit to you herewith a copy of an Order in Council of the 3rd instant, suggesting that your Government be moved to appoint a Commissioner to meet the Honorable the Minister of the Interior and arrange some joint system for the sale of land, and adjusting disputed rights in the Territory claimed by both Governments by the adoption of a conventional boundary on the west and north, and for the other purposes mentioned in the said Order in Council.

I have the honor to be, Sir, your obedient servant,

E. J. LANGEVIN, *Under Secretary of State.*

His Honor the Lieut. Governor of Ontario, Toronto.

Copy of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Governor General in Council on the 3rd June, 1874.

The Committee of the Privy Council have had under consideration the memorandum dated 2nd June, inst., and hereunto annexed, from the Hon. the Minister of the Interior, representing that as some considerable time must elapse before the northern and western boundaries of Ontario can be finally adjusted, it is desirable in the meantime to agree upon conventional boundaries, and suggesting that the Ontario Government be moved, to appoint a commissioner to meet him, the Minister of the Interior, and arrange some joint system for the sale of lands and adjusting disputed rights in the territory claimed by both Governments by the adoption of a conventional boundary on the west and north, and that after the final adjustment of the true boundaries titles to land should be confirmed by the Government whether of Ontario or the Dominion whichever should be the proper party to legalize the same.

The Committee concur in the recommendation submitted in the said memorandum and submit the same for your Excellency's approval.

W. A. HIMSWORTH, *Clerk Privy Council.*

The Hon. the Minister of the Interior.

DEPARTMENT OF THE INTERIOR, 2nd June, 1874.

The undersigned has the honor to report that on the 16th May, 1872, a report of the Hon. the Privy Council was approved embodying a memorandum from the Hon. the Minister of Justice having reference to the northern and western boundaries of Ontario, wherein the Minister of Justice calls "attention to the fact that the mineral wealth of the North-West country is likely to attract a large immigration into those parts, and with a view to its development, as well as to prevent the confusion and strife that is certain to arise and continue among the miners and other settlers so long as the uncertainty as to boundary exists. The undersigned begs leave

to recommend that the Government of Ontario be urged to arrange with that of the Dominion for some joint course of action as to the granting of land." That as the Indian title over a considerable part of the territory in dispute had not then been extinguished, it was thought desirable to postpone the negotiations for a conventional arrangement under which the territory might be opened for sale or settlement until a treaty was concluded with the Indians.

That barrier being now removed the undersigned has the honor to recommend that as some considerable time must yet elapse before the boundaries of Ontario can be finally adjusted, it is desirable in the meantime to agree upon conventional boundaries, otherwise the development of that important portion of Canada lying between Lake Superior and Lake of the Woods will be seriously retarded, as applications to take up lands in that section are being constantly made, and the inability to obtain recognition of claims from either the Government at Ottawa or Toronto is impeding the settlement of the country.

The undersigned would, therefore, suggest that the Ontario Government be invited to arrange with the Dominion Government for some joint course of action as to the granting of land and adjusting disputed rights in the territory claimed by both Governments, and that the Ontario Government be moved to appoint a commissioner to meet the undersigned and arrange some joint system for the sale of lands by the adoption of a conventional boundary on the west and north, and that after the final adjustment of the true boundaries, titles to land should be confirmed by the Government, whether of Ontario or the Dominion, whichever should be the proper party to legalize the same.

DAVID LAIRD, *Minister of the Interior.*

GOVERNMENT HOUSE, TORONTO, 10th July, 1874.

SIR,—I have the honor to transmit herewith a copy of an Order in Council approving of a joint memorandum signed by the Honorable David Laird, Minister of the Interior of the Dominion of Canada, and the Honorable the Commissioner of Crown Lands of this Province (a copy of which is also enclosed) fixing a temporary conventional boundary of the Province of Ontario on the west and north, and adopting a system for the sale of lands and for adjusting disputed rights in the territory claimed by both Governments.

I have the honor to be, Sir, your obedient servant,

JOHN CRAWFORD.

To the Honorable the Secretary of State of Canada, Ottawa.

Copy of an Order in Council, approved by His Honor the Lieutenant Governor on the 9th day of July, A.D. 1874.

The Committee of Council have had under consideration the report of the Honorable the Commissioner of Crown Lands, dated 2nd July, 1874, submitting for ratification and approval by Your Honor, a joint memorandum signed by the Honorable David Laird, Minister of the Interior of the Dominion of Canada, and the Honorable the Commissioner of Crown Lands, whereof a copy is hereto annexed, fixing a temporary conventional boundary of the Province of Ontario on the west and north, and adopting a system for the sale of lands, and for adjusting disputed rights in the territory claimed by both Governments.

The Committee advise that the arrangements proposed in the said memorandum be adopted and ratified by Your Honor.

J. G. SCOTT, *Clerk Executive Council, Ontario.*

The Government of the Dominion of Canada having by an Order in Council, dated the 3rd day of June, 1874, suggested that the Ontario Government should be moved to appoint a Commission to meet "the Minister of the Interior and arrange some joint system for the sale of lands, and adjusting disputed rights in the territory

claimed by the Governments, by the adoption of a conventional boundary on the west and north, and that after the final adjustment of the true boundaries, titles to land should be confirmed by the Government whether of Ontario or the Dominion, whichever should be the proper party to legalize the same."

And the Ontario Government having acted on the suggestion of the Privy Council by appointing the Commissioner of Crown Lands of that Province to meet the Minister of the Interior and discuss the proposed arrangements, and the said parties having met this day have agreed to the following propositions as the basis of a memorandum to be submitted to their respective Governments.

1. That the conventional boundary of the Province of Ontario for the purposes set forth in the said Order in Council of the 3rd June instant, shall be on the west, the meridian line passing through the most easterly point of Hunter's Island, run south until it meets the boundary line between the United States and Canada, and north until it intersects the fifty-first parallel of latitude; and the said fifty-first parallel of latitude shall be the conventional boundary of the Province of Ontario on the north.

2. That all patents for lands in the disputed territory to the east and south of the said conventional boundaries, until the true boundaries can be adjusted, shall be issued by the Government of Ontario; and all patents for lands on the west or north of these conventional boundaries shall be issued by the Dominion Government.

3. That when the true west and north boundaries of Ontario shall have been definitely adjusted, each of the respective Governments shall confirm and ratify such patents as may have been issued by the other for lands then ascertained not to be within the territory of the Government which granted them; and each of the respective Governments shall also account for the proceeds of such lands as the true boundaries, when determined, may show to belong of right to the other.

4. That the Government of the Dominion shall transfer to the Government of the Province of Ontario all applications for lands lying to the east and south of the conventional boundaries, and also all deposits paid on the same; and the Ontario Government shall transfer to the Dominion Government all applications for lands lying to the west or north of the said boundaries, and likewise all deposits paid thereon, and such of the said applications as are *bonâ fide* and in proper form shall be dealt with finally according to the priority of the original filing, and where application for the same lands have been filed in the Departments of both Governments, the priority shall be reckoned as if all had been filed in one and the same office.

MEMORANDUM.—Referring to the terms of the Order in Council, dated the 8th July, 1874, relative to the provisional arrangement respecting the westerly and northerly boundaries of Ontario intended to provide a joint system for the administration of the lands within the territories claimed by the respective Governments of the Dominion and Ontario, the undersigned has the honor to call the attention of Council to the fact that while all necessary provision is made therein for the confirmation eventually of any patents issued by either Government it is not specifically mentioned in the said order that any leases granted by either Government in the interim shall similarly be ratified.

The question has been brought under the notice of the undersigned in connection with the lease recently authorized by Council to Mr. Macauley for a timber limit situate in Keewatin between the Lake of the Woods and Rainy Lake, and the undersigned having been advised by the Deputy Minister of Justice that it would be desirable to add the right of giving leases to that of making grants of land to the respective Governments over the country apportioned to each by the conventional boundary, respectfully recommends that communication be had with the Government of Ontario with that view, the understanding to be that all such leases shall be ratified and confirmed, and that all bonuses, rents and royalties received by either Government, for limits which may prove to be situate within the true boundaries of the other, shall be transferred, in accordance with the sections three and four of the Order in Council quoted.

Respectfully submitted.

DAVID MILLS, *Minister of the Interior.*

OTTAWA, 2nd September, 1882.

SIR,—I am commanded by His Excellency the Governor General to inform you, that on the fourth day of April last, during the late Session of the Parliament of Canada, the following resolution was adopted:

Resolved,—That in the opinion of this House it is expedient that the western and northern boundaries of the Province of Ontario should be finally settled by a reference to, and an authoritative decision by, either the Supreme Court of Canada, or the Judicial Committee of the Privy Council in Great Britain, or by the Supreme Court in the first place, subject to a final submission to the Judicial Committee as the Province of Ontario may choose, that such decision should be obtained either on appeal in a friendly action brought for the purpose, or by reference to the said courts, or either, or both of them by Her Majesty under the powers conferred upon Her by the Imperial and Canadian Parliaments, as the Government of Ontario may prefer, and that the said reference should be based upon the evidence collected and printed with any additional documentary evidence, if such there is, and that pending the reference, the administration of the lands shall be entrusted to a joint commissioner appointed by the Governments of Canada and Ontario.

This resolution was passed by a large majority of the members of the House, the yeas being one hundred and sixteen, and the nays forty-four.

His Excellency desires me to invite the attention of your Government to this unmistakable expression of opinion of the representatives of the people of the Dominion, and further to state that his Ministers are not only prepared, but anxious to make all necessary arrangements in conjunction with the Government of Ontario for giving effect to such resolution with all convenient speed.

I have the honor to be, Sir, your obedient servant,

HECTOR L. LANGEVIN, *for Secretary of State.*

His Honor the Lieutenant Governor of the Province of Ontario,

Or the Officer administering the affairs of the said Province.

CERTIFIED COPY of a Report of a Committee of the Honorable the Privy Council approved by His Excellency the Administrator of the Government in Council on the 28th October, 1886.

On a report, dated 28th September, 1886, from the Minister of the Interior, submitting that under the terms of an arrangement arrived at between the Government of Canada and the Government of Ontario on the 26th day of June, 1874, and approved by Order in Council on the 8th day of July, 1874, it was agreed that, pending the final adjustment of the true boundaries, some joint system for the sale of lands and adjusting disputed rights in the said territory should be found by the adoption of a conventional boundary on the west and north, and that after the final adjustment of the true boundaries, titles to land should be confirmed by the Government, whether of Ontario or the Dominion, whichever should be the proper party to legalize the same; that all patents for lands in the disputed territory to the east and south of the said conventional boundaries until the true boundaries could be adjusted, should be issued by the Government of Ontario, and all patents for lands on the west or north of these conventional boundaries should be issued by the Dominion Government; that when the true west and north boundaries of Ontario should have been definitely adjusted, each of the respective Governments should confirm and ratify such patents as might have been issued by the other for lands then ascertained not to be within the territory of the Government which granted them, and each of the respective Governments should also account for the proceeds of such lands as the true boundaries, when determined, might show to belong of right to the other.

The Minister represents that in accordance with this arrangement, licenses to cut timber in the disputed territory were issued to Mr. Henry Bulmer, jun., and a number of others, who afterwards made assignments of their rights to the said Henry Bulmer, and that under the authority thus acquired Mr. Bulmer, and those associated with him, erected a saw mill near Rat Portage of a cutting capacity of one million feet a month (day work), being more than that requisite to comply with the timber regulations in that behalf in respect to all the berths acquired by him by assignment from other licensees, and made an expenditure said to be equal to \$150,000 in connection with their mills and improvements and in building boats, barges and other works necessary to carry on their lumbering business.

The Minister states that since the decision rendered by the Judicial Committee of the Imperial Privy Council on the subject of the boundary between Ontario and Manitoba, he has declined to renew the licenses to Mr. Bulmer and his associates; this refusal in the nature of things resulting in serious loss and embarrassment to a large business enterprise, the success of which would be of great advantage to the country.

The Committee, concurring in the report of the Minister of the Interior, and recognizing the importance of the continuance of the enterprise, recommends that a communication be addressed to His Honor the Lieutenant Governor of the Province of Ontario, stating the Government of Canada would be glad to come to some arrangement with the Government of Ontario under which Mr. Bulmer and his associates, pending a settlement of the question as to the Indian title in the territory affected by the decision of the Judicial Committee of the Imperial Privy Council,

may be permitted to continue to cut and manufacture timber on the berths acquired by them before the said decision was rendered.

All which is respectfully submitted for Your Excellency's approval.

JOHN J. MCGEE, *Clerk Privy Council.*

To the Honorable the Minister of the Interior.

DEPARTMENT OF THE SECRETARY OF STATE, OTTAWA, 8th November, 1886.

SIR,—Adverting to the letter from this Department of the 22nd July, 1874, transmitting copy of an Order of His Excellency the Governor General in Council approving of a memorandum of agreement adopted by the Honorable the Minister of the Interior and the Honorable the Commissioner of Crown Lands of the Province of Ontario, relative to a provisional arrangement respecting the western and northern boundaries of that Province, I have the honor to acquaint you for the information of your Government that His Excellency the Administrator of the Government is advised as follows:—

1. In accordance with the arrangement above alluded to, licenses to cut timber in the disputed territory were issued to Mr. Henry Bulmer, junior, and a number of others who afterwards made assignments of their rights to the said Henry Bulmer, and that under the authority thus acquired, Mr. Bulmer and those associated with him, erected a saw mill near Rat Portage of a cutting capacity of one million feet a month (day work) being more than that requisite to comply with the timber regulations in that behalf in respect of all the berths acquired by him by assignment from other licensees, and made an expenditure said to be equal to \$150,000 in connection with their mills and improvements and in building boats, barges and other works necessary to carry on their lumbering business.

2. Since the decision rendered by the Judicial Committee of the Imperial Privy Council on the subject of the boundary between Ontario and Manitoba, this Government has declined to renew the licenses to Mr. Bulmer and his associates; this refusal in the nature of things resulting in serious loss and embarrassment to a large business enterprise, the success of which would be of great advantage to the country.

3. In view of these circumstances and recognizing the importance of the continuance of the enterprise, His Excellency's advisers would be glad to come to some arrangement with your Government, under which Mr. Bulmer and his associates, pending a settlement of the question as to the Indian title in the territory affected by the decision of the Judicial Committee of the Imperial Privy Council, may be permitted to continue to cut and manufacture timber on the berths acquired by them before the said decision was rendered.

GOVERNMENT HOUSE, TORONTO, 1st February, 1887.

SIR,—Adverting to the subject of your despatches of the 8th November, 1886, and the 24th January, 1887, I shall be obliged by your communicating to me, for the information of my Government, the following particulars:—

1. The dates of the several licenses to Mr. Bulmer and the others who have assigned their rights to him;
2. A description of the limit embraced in each;
3. A copy of the papers and documents (or the originals) in possession of your Government relating to the several limits.

This information is needed for the purpose of considering any such arrangement as you suggest pending the further litigation as to the Indian title.

I regret very much the delay which has been occasioned by your despatch of November having been mislaid.

I have the honor to be, Sir, your obedient servant,

J. B. ROBINSON, *Lieut. Governor of Ontario.*

The Hon. the Secretary of State, Ottawa.

GOVERNMENT HOUSE, TORONTO, 9th February, 1887.

SIR,—My Government have had its attention called to a letter in the *Algoma* newspapers, addressed by Mr. Burgess, as Deputy Minister of the Interior, to S. J. Dawson, M.P., setting forth that a communication had been lately sent to me stating that the Government of Canada would be glad to come to some arrangement with the Government of this Province with respect to licenses to cut timber in the recently disputed territory "pending a settlement of the question as to the land titles in the territory." I have to state that so far as I recollect or am aware, no such communication has been received by me, unless you refer to your despatch of

the 8th November, which mentions the case of Mr. Bulmer and his company, and no others.

In case any such proposal is contemplated, though not yet made, my Government hope that they may at the same time receive a list of all the licenses which, since the making of the boundary award have been granted in respect of the territory now finally decided to be within this Province, with the dates of the licenses and the limit embraced in each, also copies of all Orders in Council and correspondence with reference to such licenses and limits. According to the judgment of my Government it would be impossible to consider intelligently any such contemplated proposal as Mr. Burgess suggests, without information as to all matters which may be affected by any arrangement.

I observe Mr. Burgess' letter to Mr. Dawson states that "if the Ontario Government agrees to an arrangement with respect to the licenses, they will be asked to agree to an arrangement of a somewhat similar nature in regard to titles to lands in fee simple. My Government are of opinion that the latter subject may be more easily dealt with than the former; and they shall be glad to consider without delay any proposal which your Government may make upon the subject—whether any arrangement as to licenses to cut timber may or may not be proposed by your Government. My Government desire to remind you that whatever has been done by your Government since the making of the award, in granting licenses or otherwise dealing with the lands in the territory referred to, has been done against the protests of the Provincial Government; and that though information has been repeatedly asked for, the Government of this Province have not yet had communicated to them the particulars as above mentioned.

My Government would be glad to receive the information now, and to consider with promptitude any interim arrangement which your Government may suggest.

I have, &c.,

JOHN BEVERLEY ROBINSON, *Lieutenant Governor of Ontario.*

The Hon. the Secretary of State, Ottawa.

CERTIFIED COPY of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Governor General in Council on the 26th March, 1887.

The Committee of the Privy Council have had under consideration a despatch, dated 9th February, 1887, from the Lieutenant Governor of Ontario, relating to the question of timber licenses in the so-called "disputed territory," and suggesting that some means should be adopted to quiet the titles to land in the hands of settlers.

The Minister of the Interior, to whom the said despatch was referred, states that he acquiesces in the desirability of immediate steps being taken to meet the reasonable wishes of the settlers and of others interested in the development of the resources of the country.

The Minister observes that there appears to be two classes of cases in the so-called "disputed territory" concerning which it is most desirable that some arrangement should be arrived at with reference to the interests involved in them. The first, affecting both the cases of settlers and of miners within the area of leases granted for cutting timber, would appear to render necessary a negotiation with the limit-holders with a view, if possible, of arriving at a satisfactory settlement.

The most prominent case is that of settlers and holders of mining rights within the lease granted in 1875 to Messrs. Fuller and Company, and subsequently assigned to the Keewatin Lumber Company. The 6th clause of that lease gives to the leaseholder somewhat extraordinary powers, as follows:—

"6. This lease shall vest in said lessees, during its continuance, the right to take and keep exclusive possession of the lands hereinbefore described, subject to the conditions hereinbefore provided or referred to, and shall vest in the holder or holders hereof all right of property whatsoever in all trees, timber, lumber and other products of timber cut within the limits of this lease during the continuance hereof, whether such trees, timber and lumber or products be cut by authority of

the holder or holders of this lease or by any other person or persons with or without his or their consent, and this lease shall entitle the said lessees to seize in replevin, revindication or otherwise as their property such timber when the same is found in the possession of any unauthorized person, and also to bring any action or suit at law or in equity against any party unlawfully in possession of any such timber or of any land so leased, and to prosecute all trespassers thereon and other such offenders as aforesaid to conviction and punishment, and to recover damages, if any, and all proceedings pending at the expiration of this lease may be continued and completed as if the same had not expired."

That unhappily there is no reservation in the interests of the settlers contained in the lease. Those granted more recently have been modified in that respect, all the recent leases containing the following provisions:—

"2. That this lease or license shall not be allowed to interfere with the settlement of any lands within the 'berths' which may be desirable for settlement, the Minister of the Interior to be the judge of the fact, and the only recourse of the licensee against the ruling of the Minister in favor of permitting settlement within such berths to be that (the licensee) may within after receiving notice to the above effect from the local agent of Dominion lands, remove all timber on such lands which may be over ten inches in diameter.

"Further that this lease or license shall not prevent individual homestead settlers holding permits (but not of the class termed "special permits") heretofore or hereafter given under the Order in Council dated the 10th of October, 1881, or under any subsequent Order in Council passed in such behalf, from cutting and removing from the land covered by this lease or license such quantity of building timber, fence rails or firewood as such permit may set forth, and the Government may, notwithstanding this lease or license, give such permit to individual homestead settlers from time to time under said Order in Council or any subsequent Order in Council."

The Minister states that a decision has already been given by Mr. Justice O'Connor, on a suit of ejection brought by the leaseholder against William McCarthy, who appears to have purchased the rights of a squatter in advance of the license, to have paid \$1,000 for the squatter's right and to have made considerable improvements since. The decision of the court, however, was that he took nothing by the purchase, and that by the grant from the Crown of the lease not only the land but the improvements which he had made upon it belonged to the leaseholder.

The Minister further observes that there are other cases of mining rights, including the Gold Hill Company, Keewatin Mining Company, the Heenan Mining Company, the Jacob & Vokes Company, the Maiden Mining Company, the Minnesabic Mining Company, the Gibbons' Slate Quarry and the Mica Mining Company on Falcon Island—all of which the Minister understands have been more or less developed, and are all within the territory covered by the lease to Messrs. Fuller & Company.

It is most desirable, if possible, that some arrangement should be arrived at by which the rights of miners may be secured and the development of this great industry promoted.

That there are besides a considerable number of settlers in the Rainy River district, who went in and settled on land surveyed by the Dominion Government and who have not received their titles. These cases might be settled, in the opinion of the Minister, by the issue of a joint title from the Governments of Canada and of Ontario, to be afterwards confirmed by one or other where the final decision is given in reference to the Indian title in that territory. That at Rat Portage a considerable number of persons have made surveys, have squatted upon the land; erected buildings and in some cases have sold their property which has passed into the hands of second or third parties. Some of these are upon the Hudson Bay section, and great uncertainty and inconvenience have arisen in the absence of satisfactory title. The progress of the town is retarded, the holders of these lands cannot afford to put up good buildings, and the cost of insurance on such buildings as are erected is so great as to render insurance practicably impossible. In some cases the surveys overlap each other.

The Minister suggests, therefore, that with the concurrence of the Government of Ontario, a joint commission be issued to settle the boundaries of these lots and to grant joint titles to the holders, so that the inconvenience under which they now labor may be removed and the prosperity of the town assured.

That as to mining locations outside of the timber limits, it is most important that the same plan should be adopted for acquiring titles by the issue of joint title.

The Minister understands that very large sums of money aggregating it is said over \$150,000 have been expended by persons in the development of these mining locations, but the absence of title renders it most difficult to prosecute the work in which they are engaged and greatly retards the interests of the country, and he, the Minister, therefore, urges most strongly that the Ontario Government be moved to unite in some common effort by the issue of joint titles or otherwise to relieve the settlers in the so called "disputed territory" and those engaged in the development of the great mining interests of that territory from the uncertainty under which they are now laboring.

The Committee concur in the foregoing report and they recommend that the substance of this Minute be forwarded to the Lieutenant Governor of Ontario for the information of his Government.

All which is respectfully submitted for Your Excellency's approval.

JOHN J. MCGEE, *Clerk Privy Council.*

The Hon. the Minister of the Interior, Ottawa.

Copy of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Governor General in Council on the 29th March, 1887.

The Committee of the Privy Council have had under consideration a despatch, dated 1st February, 1887, from the Lieutenant Governor of Ontario, requesting information as to the following particulars:—

1. The dates of the several licenses to Mr. Bulmer and the others who have assigned their rights to him.
2. A description of the limit embraced in each.
3. A copy of the papers and documents (or the originals) in possession of your Government relating to the several limits.

The Minister of the Interior, to whom the despatch was referred, submits, for transmission to the Lieutenant Governor, the following information:—

1. A schedule showing the dates of the several licenses issued in favor of Mr. Bulmer and others who have assigned their rights to him, together with a description of the berth embraced in each license.
2. Copies of the papers and documents in possession of the Department of the Interior relating to the several limits.

The papers, the subject of this report, are herewith scheduled from "A" to "E."

The Minister thinks it would also be proper to furnish, for the convenience of the Government of Ontario, the following statement of the contents of the papers transmitted:—

On the 1st November, 1883, an Order in Council was passed authorizing the Minister of the Interior to issue a license in favor of Mr. F. T. Bulmer, of Kat Portage, for a timber berth of fifty square miles, situated on the shores of Crow Lake, in the Lake of the Woods District, on condition that he surveyed the berth under instructions from the Surveyor General within one year, and erected a mill within three years from and after the date of the Order in Council. The returns of the survey of the berth were duly made to his Department, were found correct, were accepted, and a yearly license issued to Mr. Bulmer, covering the calendar year 1884. This license was renewed for 1885, but on account of the decision rendered by the Judicial Committee of the Imperial Privy Council in regard to the western and north-western boundaries of the Province of Ontario, he has not granted a renewal of the license for 1886.

In consequence of having been deprived of a portion of the berth hereinbefore referred to, because by inadvertence a berth granted to another applicant overlapped

it, Mr. Bulmur was permitted by Order in Council dated the 9th October, 1884, to select and survey four and-a-half square miles of timber land on the southern shore of Whitefish Bay, Lake of the Woods, the returns of which survey were filed in the Department of the Interior in October, 1885, and being in accordance with the requirements of the Order in Council of the 9th October, 1884, and the timber regulations, they were accepted, but no license for the said four and-a-half square miles has been issued to Mr. Bulmer, on account of the decision of the Judicial Committee of the Imperial Privy Council hereinbefore referred to respecting the western and north-western boundaries of the Province of Ontario.

On the 29th November, 1883, an Order in Council was passed authorizing the issue of a license in favor of Mr. H. H. Bailey, of Cookshire, in the Province of Quebec, to cut timber on a berth of fifty square miles situated on the southern shore of Sabaskong Bay, on the same conditions as mentioned in the case of Mr. F. T. Bulmer. Mr. Bailey made due compliance with those conditions, filed the returns of survey of the berth in the Department of the Interior on the 24th of July, 1884, which being found satisfactory, a license was issued to Mr. Bailey for the calendar year 1884, and was renewed for the year 1885, but not for the year 1886, for the reasons stated in the case of Mr. Bulmer.

On the 1st December, 1883, an Order in Council was passed authorizing the issue of a license to Mr. Henry Bulmer, junior, of Montreal, to cut timber on a berth of 50 square miles on the Height of Land Lake, a tributary of the Lake of the Woods, on the same conditions as mentioned in the case of Mr. F. T. Bulmer, and the same being duly complied with and the returns of survey found correct, a license was issued to Mr. H. Bulmer, junior, for the said berth for the calendar year 1885, but not renewed for 1886, on account of the decision of the Judicial Committee of the Imperial Privy Council hereinbefore mentioned.

On the 5th February, 1884, the Minister of the Interior was authorized by Order in Council to issue a license in favor of Mr. Henry Bulmer, junior, mentioned in the next preceding paragraph, to cut timber on a berth of 50 square miles on Sabaskong Bay, competition having been invited for the acquisition of this berth, and Mr. Bulmer having offered the highest bonus therefor. The conditions in this instance were the same as in the other cases mentioned, and the same being duly complied with and the returns of survey found correct, a license was issued to Mr. Bulmer for the calendar year 1884, and was renewed for 1885, but not for 1886 for the same cause as hereinbefore mentioned.

On the 21st December, 1883, the Minister of the Interior was authorized, by Order in Council, to issue a yearly license in favor of Mr. George F. Hart, of Montreal, Province of Quebec, to cut timber on a berth of 50 square miles in the neighborhood of Crow Lake, in the Lake of the Woods district. The conditions in this instance were the same as in the other cases mentioned, and the same being duly complied with and the returns of the survey of the berth found correct, a license was issued in favor of Mr. Hart for the calendar year 1885, but not renewed in 1886, for the same causes as hereinbefore mentioned.

On the 5th February, 1884, the Minister of the Interior was authorized by Order in Council to issue a yearly license in favor of Mr. A. C. Williamson, of Montreal, Province of Quebec, to cut timber on a berth of 50 square miles on the Clear Water and Height of Land Lakes, in the Lake of the Woods district. Competition had been invited for the acquisition of this berth, and Mr. Williamson offered the highest bonus therefor. The conditions in this instance were the same as in the other cases mentioned, and the same being duly complied with and the returns of the survey of the berth found correct, a license was issued to Mr. Williamson for the calendar year 1885, but was not renewed for 1886.

The ground rent of the said timber berths has been paid up to the 31st December, 1885, and the rent for the year 1886 was offered but was not accepted. The Crown dues upon the sales of the lumber that has been manufactured from timber taken off these berths have been paid up to the 30th June, 1885.

Mr. Henry Bulmer, junior, has filed assignments to himself and associates from the persons hereinbefore mentioned, of their interests in the several timber berths mentioned herein, and renews his request that licenses to cut timber upon the said berths be issued in favor of himself and his associates.

Assignments of the said berths have also been filed by Mr. Bulmer and his associates in favor of Mr. F. H. Matthewson, Manager of the Bank of Ottawa in Winnipeg; these latter assignments, however, have not been accepted.

The Committee, concurring in the report of the Minister of the Interior, recommend that authority be granted to transmit the papers as per schedule, together with a copy of this Minute, to the Lieutenant Governor of Ontario, for the use and information of his Government.

All which is respectfully submitted for Your Excellency's approval.

JOHN J. MCGEE, *Clerk Privy Council.*

Copy of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Governor General in Council on the 2nd May, 1887.

The Committee of the Privy Council have had under consideration a despatch, dated 9th February, 1887, from the Lieutenant Governor of Ontario, having reference to a letter from Mr. Burgess, Deputy of the Minister of the Interior, to Mr. S. J. Dawson, on the subject of land titles in the disputed territory.

The Minister of the Interior, to whom the said despatch was referred for immediate report, observes that the passages in quotation marks in the despatch hardly convey a correct impression of the contents of the letter from Mr. Burgess referred to therein, and he (the Minister) submits herewith a copy of the said letter, and recommends that it be transmitted to the Lieutenant Governor of Ontario for the information of his Government. The Minister further observes that although one case only was referred to in the despatch of the 8th November last, which is a communication referred to in the letter addressed by Mr. Burgess to Mr. Dawson on the principle involved in the settlement of that case would naturally apply to all the others, and the case of Mr. Bulmer was specially mentioned, because it was the only one in which, under the authority of a yearly license, a large expenditure of money had been made in the erection of a saw mill and active operations in the manufacture of lumber were being carried on within the territory in dispute, when the decision of the Judicial Committee of the Privy Council in regard to the westerly and north-westerly boundaries of the Province of Ontario was rendered.

The Minister, however, deems it proper, in anticipation of a discussion of the whole question, at once to meet the wishes of the Government of Ontario, by submitting in addition to the information respecting the berths in which Mr. Bulmer and his associates are interested, called for by a despatch from the Lieut. Governor of Ontario, dated 1st February, a complete list of the other licenses granted by the Department of the Interior, affecting timber in the disputed territory, since the date of the decision of the Judicial Committee of the Privy Council, a description of the berth embraced in each license, and copies of the correspondence and Orders in Council having reference to the same, including the report of the Minister of Justice in reference thereto, as set forth in the schedule herewith numbered.

The Minister adds that the only licenses renewed for berths within the disputed territory during the year 1885, were the licenses to Mr. Bulmer and his associates, referred to in the despatch to the Lieut. Governor of Ontario, dated 8th November last, and a license to the Keewatin Lumbering and Manufacturing Company. The Committee, concurring in the report of the Minister of the Interior, recommend that authority be granted to transmit the papers mentioned to the Lieut. Governor of Ontario for the use and information of his Government.

All which is respectfully submitted for Your Excellency's approval.

CERTIFIED COPY of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Governor General in Council on the 21st October, 1884.

As will be seen by the memorandum attached, the statement in this Order is incorrect, no licenses had been issued, authority to issue them had alone been granted by Council.

DEPARTMENT OF THE INTERIOR, OTTAWA, 10th December, 1886.

SIR,—I am directed to inform you that the Department of the Secretary of State has transferred to this Department a petition from the inhabitants of Rat Portage to His Excellency the Governor General of Canada, forwarded by you, in which the petitioners ask that an immediate arrangement be arrived at between the Government of the Province of Ontario and the Government of Canada, whereby patents to lands in the disputed territory may be forthwith granted either by joint or several authority as may be seen fit, that an arrangement be entered into with the Keewatin Lumber Company for surrendering for due consideration the right they claim to have to the land and minerals on the islands of the Lake of the Woods and on adjoining portions of the main lands. I am to say in reply that a communication has been lately sent to the Lieutenant Governor of the Province of Ontario stating that the Government of Canada will be glad to come to some arrangement with the Government of Ontario under which parties to whom licenses to cut timber in the disputed territory had been issued by this Department previous to the decision of the Judicial Committee of the Privy Council, and who had expended a large sum of money in erecting mills, &c., might, pending a settlement of the question as to the

land title in the territory affected by the decision of the Judicial Committee of the Imperial Privy Council, be permitted to continue to cut and manufacture timber on berths acquired by them before the said decision was rendered.

If the Ontario Government agrees to this arrangement they will be asked to agree to an arrangement of a somewhat similar nature in regard to title to lands in fee simple.

The lease to the Keewatin Lumber Company issued on the 22nd July, 1875, vests in the lessee during its continuance the right to take and keep exclusive possession of the lands described therein, in addition to the right of cutting the timber on the said lands, but if it is ultimately settled that this Government has the right to deal with the lands in the disputed territory, an effort will be made to effect an arrangement with the Keewatin Lumber Company, whereby they will relinquish any rights they may claim to the lands described in the lease, with the exception of the right to cut timber thereon. Such an arrangement was about to be consummated between the company and this Department at the time the Judicial Committee of the Privy Council gave judgment in the boundary case.

I am, Sir, your obedient servant,

A. M. BURGESS, *Deputy of the Minister of the Interior.*

S. J. DAWSON, M.P., Port Arthur, Ont.

DEPARTMENT OF JUSTICE, OTTAWA, 30th September, 1884.

To His Excellency the Governor General in Council:

The undersigned begs leave to report that he has had under consideration two reports of the Minister of the Interior, dated the 25th instant, and referred to him by Your Excellency in Council on the 29th inst., relative to the issuing of licenses to cut timber in what is known as the "disputed territory" between Ontario and Manitoba.

As the provisions of the Act which it is proposed to invite the Parliament of the United Kingdom to pass to confirm the decision of the Judicial Committee of Her Majesty's Privy Council, with respect to the boundaries of Ontario and Manitoba, are not known, and inasmuch as the Crown as represented by the Government of Canada acquired by surrender from the Indians their right and their title to lands in question and is in possession thereof, the undersigned is of opinion that there is no objection to the Minister of the Interior giving effect to the arrangements which he had made anterior to the decision as mentioned in his report by issuing licenses in the usual way.

A. CAMPBELL, *Minister of Justice.*

OTTAWA, 25th September, 1884.

MEMORANDUM.—The undersigned has the honor to report to the Council that, from time to time, during the 12 months preceding the reference of the dispute in regard to the eastern boundary of the Province of Manitoba to the Judicial Committee of the Imperial Privy Council, applications were made for licenses to cut timber within the region known as the disputed territory by persons who had incurred considerable expense in exploring for timber, and in many of these cases the undersigned promised to submit the application for the favorable consideration of the Governor in Council.

For various reasons, but chiefly because of defective description which required to be corrected, or made more definite before they could be plotted on the maps of the Department of the Interior, these applications had not been submitted by the undersigned at the time of the decision of the boundary case by the Judicial Committee of the Privy Council.

The undersigned is of opinion that it would be just to many of these applicants, that their applications should be granted, provided this can be legally done, and he recommends that the matter be referred to the Minister of Justice for his opinion.

Respectfully submitted.

D. L. MACPHERSON, *Minister of the Interior.*

The Hon. the Privy Council.

DEPARTMENT OF THE INTERIOR, OTTAWA, 25th September, 1884.

MEMORANDUM.—The undersigned has the honor to report that during the month of August, 1883, Orders in Council were passed authorizing the grant of licenses to cut timber over the whole of what is known as Hunter's Island, on the tributaries of Rainy Lake, and, under the authority of the said Orders in Council, surveyors have during the interval been employed in surveying the said berths in accordance with the provisions of the Crown timber regulations, and the undersigned is informed by the grantees that the said surveys have been completed, and that the plans are now being prepared. The grantees now apply to the undersigned for the issue of the usual annual licenses to cut timber on the berths in question, and they ask that these licenses may issue in advance of the filing of the returns of survey in the Department of the Interior. 1st. Because in order to permit of the cutting of the necessary logs during the coming winter, it is necessary that they should at once commence to send in supplies and working material, and, in the second place, because the several persons to whom the undersigned was authorized by Order in Council to grant these timber berths have come to an agreement under which they propose to operate all their limits together, and, as the licenses to be issued will cover the whole of Hunter's Island there is no possibility of any conflict or difficulty arising out of the issue of the licenses at the present time.

Under ordinary circumstances the undersigned would be disposed to accede to this request, but in view of the recent decision of the Judicial Committee of the Imperial Privy Council, the undersigned recommends that the question be referred to the Minister of Justice for his opinion, as to whether the licenses applied for can properly issue.

The undersigned has further the honor to report that there are other cases pending in his Department at the present time, in which the necessary authority of Council has been obtained, the surveys have been filed and accepted by the Department as correct, and all that remains to be done is to issue the licenses.

For the reason already set forth, the undersigned recommends that the opinion of the Minister of Justice be obtained as to whether these licenses can properly issue.

Respectfully submitted.

D. L. MACPHERSON, *Minister of the Interior.*

The Honorable the Privy Council.

To an ORDER of the HOUSE OF COMMONS, dated the 2nd May, 1887;—For copies of all title deeds, patents, correspondence, and all documents respecting the claim of the Six Nation Indians, as set forth in their Petition presented to this House on the 18th April, 1887.

Secretary of State.

DEPARTMENT OF AGRICULTURE, OTTAWA, 31st May, 1887.

SIR,—I have to acknowledge your letter of the 30th instant, in which you request to be furnished with certain information respecting Indian Lands contained in the Archives Branch of this Department, and in accordance with your request, I enclose to you the accompanying memorandum by Mr. Douglas Brymner, Historical Archivist, together with the accompanying copies of documents.

I have the honor to be, Sir, your obedient servant,

J. LOWE, *Secretary Department of Agriculture.*

L. VANKOUGHNET, Esq., Deputy Minister of Indian Affairs, Ottawa.

DEPARTMENT OF AGRICULTURE, ARCHIVES BRANCH, OTTAWA, 31st May, 1887.

Memorandum—Indian Lands on the Ouse or Grand River.

SIR,—I have the honor to submit the following statement and accompanying documents in relation to the claims of the Six Nation Indians, to the lands on the Grand River from its mouth to its source. These are taken from the Historical Archives, and the letters and figures given as references indicate the shelf marks of the volumes and the pages from which the statements are drawn. I have thought it desirable to give in a few words, the facts relating to the purchase of the land on the Bay of Quinté, as it immediately preceded that of the land on the Grand River, and with the same object in view.

Immediately on the cessation by the preliminary articles of peace of hostilities between Great Britain and the thirteen colonies, General Haldimand, then Governor and Commander-in-Chief of Canada, gave instructions on the 15th of September, 1783, to Sir John Johnson, Superintendent General of Indian Affairs, to treat if necessary with the Mississaga Indians for land on the north side of Lake Ontario. The land in question was that on the Bay of Quinté (B. 126, p. 47).

On the 15th of October, 1783, Major Ross, commanding at Catarauqui (Kingston), reported that a survey had been made and the purchase effected (B. 126, p. 62), and on the 3rd of November, he again reported that when the purchase of land extending up the lake about 45 miles was concluded, further surveying parties had been sent out. (B. 126, p. 70.)

There was, however, a division of opinion in the tribe; one party, under John the Mohawk, wished to settle at the Bay of Quinté; the other, under Joseph Brant, preferred the situation on the Grand River, a preference shared by General Haldimand, who, however, desired that the Six Nations should be together, on whatever lands they decided to settle. On the 15th of March, 1784, the General wrote to Sir

John Johnson, that, after consulting with Captain Brant and David, he thought it desirable to purchase the lands on the Grand River from the Mississagas, on which to settle the Mohawks. (B. 63, pp. 128-9.)

On the 23rd of March he again wrote to Sir John Johnson, enclosing a memorandum of Brant's demands and the answers to them (Document A, attached hereto, B. 169, p. 131), and desiring him to authorize Butler to purchase from the Mississagas the land on the Grand River. (B. 63, p. 143.) On the 8th of April, the General wrote to Brant that he was anxious the Six Nations should all settle on the Grand River, but that lands had been reserved on the Bay of Quinté for John's band. (B. 63, p. 190.)

On the 8th of May, Colonel John Butler, Deputy Superintendent General of Indian Affairs, wrote to Major Mathews, Military Secretary: "I have received His Excellency's speech through Sir John Johnson, which I have delivered to the Indians. I also received orders to purchase all the lands between the three lakes, Huron, Erie and Ontario, in consequence of which I have sent for the Mississagas and Chippewas. A few of the former are already here, and the chiefs of them tell me that a part of the tract only belongs to the two Nations, that the other part is the property of the Hurons, Ottawas and a few Chippewas near Detroit, and to some that are further west than Michillimakinak, and to the northwards; a part belongs to the Indians that hunt near Cataragui. (B. 105, p. 414.)

On the 18th September, Mr. John Dease, the other Deputy Superintendent-General, wrote to Sir John Johnson: "I have had some messages from the Mississagas respecting the sale of their lands, and I understand that there were some geographical errors happened on that occasion, by running the line further north-west than they intended. (B. 103, p. 460.)

On the 25th of October, 1784, a deed was granted by General Haldimand for the land on the Ouse or Grand River. (Document B, attached.)

On the 14th January, 1793, Lieutenant Governor Simcoe, after the division of the old Province into Lower and Upper Canada, made a grant, apparently a renewal of the original deed, with restrictions as to alienations by the grantees, &c., the effect of any violation of which would be the resumption of the lands by the Crown. The two deeds, as well as the decision of Lord Bathurst in 1821, must be read in the light of the preceding reports by Butler and Dease. The deed of purchase referred to in Simcoe's deed of 1793 (Document C, attached) is not among the papers in the Archives, and it may not be improper to say here, that the Indian records appear to have been very carelessly kept, there being complaints of the absence of documents to be found from a very early date. In a letter from Lieutenant Governor Simcoe, dated Navy Hall, 17th June, 1793 (C. 247, p. 31), he complains of the carelessness of the officials in the Indian Department, and the same complaint occurs constantly. On the 13th March, 1830, in a letter dated from Mount Johnson, Mr. A. Kennedy Johnson, son of Sir John, says that no letter book was kept in the office, nor proper registers; that in 1821, when Sir John took a less active part in the duties of the office, copies of letters were kept for his private information. (C. 269, p. 258.) There can be little doubt, however, that many of these documents, certainly the most important, will be found in the Record Office, London, among the State papers.

In October, 1795, a piece of land near Burlington Bay was ordered to be bought from the Mississagas for Joseph Brant (C. 248, p. 408), and the opportunity appears to have been used by Lieutenant Governor Simcoe to frame a new form of deed, with fresh conditions. (Document D, attached; C. 249, p. 87.) It was not, however, till the following September (1796) that a preliminary agreement for the purchase was executed (C. 249, p. 418), Brant having demurred to the terms of the deed proposed by Simcoe. On the 10th of December, 1797, Brant wrote to Captain Green, Military Secretary, complaining of the grant being curtailed, and of restrictions being placed on the Indians with respect to the lands. (Document E, attached, C. 250, p. 382.)

Brant's letter and the speeches made at a council with the Six Nations, held on the 4th of July, 1819 (Document F., attached, M. C. 13, p. 143) are given in full, to show the arguments used by the Indians from an early date, in support of their claim to the lands and as evidence that the decision of the Imperial Government

contained in Lord Bathurst's letter (Document C. attached, M. C. 13, p. 205) was only reached after the case of the Grand River Indians had been fully before the administration, deputies having been sent to London to support the Indian demands.

In a report dated 21st May, 1829, by Colonel D. C. Napier, Indian Agent, giving a tabulated account of the lands of the different tribes in Lower and Upper Canada (C. 268, p. 288) those of the Six Nations on the Grand River are thus described: "The lands belonging to the Six Nations of Indians are situated on the Ouse or Grand River, in the Niagara and Gore Districts and amount to about 264,864 acres, not including 35,000 acres leased to white people. These lands extend about six miles on each side of the Grand River, and in that proportion from its mouth to Dundas Street, the distance in a straight line being nearly 50 miles." A map published by W. Fader, London, in 1813, from the surveys in the Surveyor General's office, shows the limits at that date to have been the same as those given in Colonel Napier's report in 1829.

An original map dated at York, 1st July, 1819, signed "T. Ridout, Surveyor General," (M. C. 13, p. 122) corroborates these documents. It extends from the mouth of the Grand River to Dundas Street, and was probably produced at the Council held on the 4th of July, already referred to.

The whole respectfully submitted.

DOUGLAS BRYMNER, *Archivist.*

HON. JOHN CARLING, Minister of Agriculture.

SUBSTANCE of Captain Brant's wishes respecting forming a settlement of the Mohawk and others of the Six Nation Indians upon the Grand River Reserve, &c.

That His Excellency the Commander-in-Chief should give the Superintendent and Inspector General of Indian Affairs instructions and empower Lieutenant-Colonel Butler to purchase from the Mississauga, or proprietors, a tract of land consisting of about six miles on each side of the Grand River called Oswego running from the River La Tranche into Lake Erie, for the use of the Mohawks and such of the Six Nations as are inclined to join them in that settlement. Colonel Butler is fully acquainted with the views and inclinations of Captain Brant and the Mohawks respecting this settlement, and only waits the General's approbation to make the purchase, the sooner this can be done the better, as they would remove at this spring. Time enough to plant corn, &c., and Captain Grant would propose that some of his party be sent off upon this business to Colonel Butler as soon as he returns to Montreal.

The above-mentioned limits are only meant for the Indians of the Six Nations who may settle there, but a more considerable tract of land may at the same time be purchased on very reasonable terms whereon to settle loyalists, or for any future purpose.

Sir John Johnson will be instructed to purchase the tract of country between the three Lakes, Ontario, Erie and Huron, out of which the tract required by the Mohawks for the Six Nations will be granted to them by deed.

The rest will be reserved for Loyalists or any other future purpose.

FREDERICK HALDIMAND, Captain-General and Governor-in-Chief of the Province of Quebec and Territories depending thereon, &c., &c., &c, General and Commander-in-Chief of His Majesty's Forces in said Province and the Frontiers thereof, &c., &c., &c.

Whereas His Majesty having been pleased to direct that, in consideration of the early attachment to his cause manifested by the Mohawk Indians, and of the loss of their settlement which they thereby sustained, that a convenient tract of land, under his protection, should be chosen as a safe and comfortable retreat for them and others of the Six Nations, who have either lost their settlement within the Territory of the American States, or wish to retire from them to the British. I have, at the earnest desire of many of these His Majesty's faithful allies, purchased a tract of land from the Indians, situated between the Lakes Ontario, Erie and Huron, and I do hereby, in His Majesty's name, authorize and permit the said Mohawk Nation, and such others of the Six Nations Indians as wish to settle in that quarter, to take possession of and settle upon the banks of the river commonly called Ouse or Grand River, running into Lake Erie, allotting to them, for that purpose, six miles deep from each side of the river, beginning at Lake Erie and extending in that proportion to the head of the said river, which them and their posterity are to enjoy for ever.

Given under my hand and seal at arms, at the Castle of St. Louis, at Quebec, this twenty-fifth day of October, one thousand seven hundred and eighty-four, and in the twenty-fifth year of the reign of our Sovereign Lord George the Third, by the Grace of God, of Great Britain, France and Ireland, King, Defender of the Faith, and so forth.

FREDERICK HALDIMAND.

Registered 20th March, '95,

Copy of a Grant to the Six Nations Indians of a Tract of Land on the Grand River.

J. GRAVES SIMCOE.

George the Third, by the Grace of God, of Britain, France and Ireland, King, Defender of the Faith, and so forth.

To all to whom these presents shall come,

GREETING:

Know ye, that whereas the attachment and fidelity of the chiefs, warriors and people of the Six Nations, to us and our Government, has been made manifest on divers occasions by their spirited and zealous exertions made by the bravery of their conduct, and we being desirous of shewing our approbation of the same, and in recompense of the losses they have sustained, of providing a convenient tract of land under our protection for a safe and comfortable retreat for them and their posterity, have, of our special grace, certain knowledge and mere motion, given and granted, and by these presents do give and grant, to the chiefs, warriors, women and children of the said Six Nations and their heirs for ever, all that district or territory of land, being parcel of a certain district lately purchased by us of the Mississagua Nation, lying and being in the home district of our Province of Upper Canada, beginning at the mouth of a certain river formerly known by the name of the Ouse or Grand River, now called the River Ouse, where it empties itself into Lake Erie, and running along the banks of the same for the space of six miles on each side of the river, or a space co-extensive therewith, conformably to a certain survey made of the said tract of land, and annexed to those presents, and continuing along the said river to a place called or known by the name of the Forks, and from thence along the main stream of the said river for the space of six miles on each side of the said stream, or for a space equally extensive therewith, as shall be set out by a survey to be made of the same, to the utmost extent of the said river, as far as the same has been purchased by us, and as the same is bounded and limited in a certain deed made to

us by the chiefs and people of the said Mississagua Nation, bearing date the 7th day of December, in the year of our Lord one thousand seven hundred and ninety-two, to have and to hold the said district or territory of land so bounded as aforesaid, of us, our heirs and successors, to them, the chiefs, warriors, women and people of the Six Nations, and to and for the sole use and behalf of them and their heirs for ever, freely and clearly of and from all and all manner of rents, fines and services whatever, to be rendered by the same; and of and from all conditions, stipulations and agreements whatever, except as hereinafter by us expressed and declared. Giving and granting and by these presents confirming to the said chiefs, warriors, women and people of the said Six Nations and their heirs, the full and entire possession, use, benefit and advantage of the said district or territory, to be held and enjoyed by them in the most free and ample manner, and according to the several customs and usages of them the said chiefs, warriors, women and people of the said Six Nations: Provided always, and be it understood to be the true extent and meaning of these presents, that, for the purpose of assuring the said lands, as aforesaid to the said chiefs, warriors, women and people of the Six Nations, and their heirs, and of securing to them the free and undisturbed possession and enjoyment of the same, it is our royal will and pleasure that no transfer, alienation, conveyance, sale, gift, exchange, lease, property or possession, shall at any time be had, made, or given of the said district or territory, or any part or parcel thereof, by any of the said chiefs, warriors, women or people, to any other nation or body of people, person or persons whatever, other than among themselves the said chiefs, warriors, women and people, but that any such transfer, alienation, conveyance, sale, gift, exchange, lease or possession shall be null and void, and of no effect whatever, and that no person or persons shall possess or occupy the said district or territory or any part or parcel thereof, by or under pretence of any such alienation, title or conveyance as aforesaid, or by or under any pretence whatever, under pain of our severe displeasure. And that in case any person or persons other than them, the said chiefs, warriors, women and people of the said Six Nations, shall under pretence of any such title as aforesaid presume to possess or occupy the said district or territory or any part or parcel thereof, that it shall and may be lawful for us, our heirs and successors, at any time hereafter, to enter upon the lands so occupied and possessed by any person or persons other than the people of the said Six Nations, and them the said intruders thereof and therefrom, wholly to dispossess and evict, and to resume the part or parcel so occupied to ourselves, our heirs and successors: Provided always, that if at any time the said chiefs, warriors, women and people of the said Six Nations should be inclined to dispose of and surrender their use and interest in the said district or territory or any part thereof, the same shall be purchased for us, our heirs, and successors at some public meeting or assembly of the chiefs, warriors and people of the said Six Nations, to be holden for that purpose by the Governor, Lieutenant Governor, or person administering our Government in our Province of Upper Canada.

In testimony whereof, we have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed. Witness, His Excellency John Graves Simcoe, Esquire, Lieutenant Governor and Colonel commanding our Forces in our said Province. Given at our Government House, at Navy Hall, this fourteenth day of January, in the year of Our Lord one thousand seven hundred and ninety-three, in the thirty-third year of Our Reign.

To all to whom these presents shall come,

GREETING:

Know ye that we of our special grace, certain knowledge, and mere motion, have given and granted, &c:

To have and to hold the said tract of land, and all and singular, other the premises hereby granted unto the said Indian Nations, commonly called the Six Nations, and to their heirs and descendants for ever, with full power to use, occupy, cultivate, and enjoy the said tract of land hereby to them granted, in any manner which they shall think fit, by cutting down the trees growing thereon, by cultivating the surface of the ground thereof, or by any other method of improvement whatever, to apply the profits and produce thereof to their own use and benefit, and from time to time to make any lease or leases of the said tract hereby granted, or any part thereof, or other transfer for their interest therein, subject to the proviso, hereinafter contained, that is to say: Provided always, that if at any time hereafter the said Six Nations shall be disposed to set or let the said tract or any part thereof, then and in such case the chiefs of the said Six Nations shall give notice in writing of such their intention to our Governor of our said Province, or to our Lieutenant Governor, or person administering the Government of our said Province for the time being, and if upon such notice so given our said Governor, Lieutenant Governor, or person administering the Government of our said Province within from the delivery of such notice, shall signify to the said Six Nations or to the chiefs of the said Six Nations, on behalf of us, our heirs, and successors, the intentions of them to become lessees of the said tract, or such part thereof as aforesaid, at and upon terms proposed by the said Six Nations, by any person or persons wishing to become lessees of the said tract, or such part thereof as aforesaid, as shall happen then, and in such case, it shall not be lawful for the said Six Nations to lease the said tract, or such part thereof as aforesaid, to any person or persons whatever, except unto us, our heirs and successors.

And if the said Six Nations or chiefs of the said Six Nations shall make default herein, and shall at any time hereafter lease the said tract hereby granted, without such person's notice to our said Governor, Lieutenant Governor, or person administering the Government of our said Province, lease the said tract or any such part of the said tract as aforesaid, then and in either of these cases, this present grant, so far as the same doth or shall in anywise respect the said tract, or any part thereof so leased, as the case may be, shall become void, and the said tract or such part of the said tract so leased, as the case may be, shall revert and escheat to us, our heirs and successors, and shall thereupon become the absolute property of us and them, in the same manner as if the present had never been made, anything herein contained to the contrary thereof in any wise notwithstanding.

GRAND RIVER, 10th December, 1797.

DEAR SIR—Our former acquaintance encourages me to take the freedom of writing to you; but, knowing the multiplicity of business you have on your hands, I would not trouble you with this, did not the particular situation of our affairs seem to require it, thinking it necessary for me candidly to acquaint my friends with the feelings of my mind.

I presume that you are well acquainted with the long difficulties we had concerning the lands on this river. These difficulties we had not the least idea of when we first settled here, looking on them as granted to us to be indisputably our own; otherwise we would never have accepted the lands. Yet afterwards it seemed a little odd to us, that the writings Governor Haldimand gave us, after our settling on the lands, were not so complete as the strong assurances and promises he had made us at first. But this made no great impression on our minds, still confiding in the goodness of His Majesty's intentions, and in the weight we expected our former services would have with him. Had it not been for this confidence and affection we bore the king, we still had opportunities left, after the war, of providing for ourselves, in the free and independent manner natural to Indians. Unhappily for us, we have been made acquainted, too late, with the first real intentions of the Ministry; that is,

that they never intended us to have it in our power to alienate any part of the lands. And here we have even been prohibited from taking tenants on them, it having been represented as inconsistent for us, being but king's allies, to have king's subjects as tenants; consequently, I suppose their real meaning was, we should, in a manner, be but tenants ourselves. As for me, I see no difference in it, any further than that we are, as yet, rent free, they seemingly intending to forbid us any other use of the lands than that of sitting down or walking on them. It plainly appears by this that their motives can be no other than to tie us down in such a manner as to have us entirely at their disposal, for what service they may in future want from us, and that in case we should be worried out and obliged to remove, the lands would then fall to them, with our improvements and labor.

Sir, I hope I shall not tire your patience, in making a few remarks on what I suppose may naturally be the thought of Government on our conduct—with respect to myself they might say he has half pay and yet talks so much on these matters. It is very true I enjoy that bounty of His Majesty, as many worthless like me do, that have never risked their property or any thing else in his cause, but am I for this entirely to forsake the interests of my people, that put their dependence on me; besides my family which is very numerous cannot be benefited by my half-pay when I am no more, which at my time of life, I have reason to look on as a period not so very distant. I think it therefore incumbent on me to secure what they must look to for a future support. With respect to the nation they may also say that they have received their losses, I confess that, but it was only in part, we did not wish to put our friends to too great an expense, and it was me that was the very cause of the many things they omitted in the account of losses, for instance our hunting grounds that were very extensive, besides several other tracts of land were never mentioned. The miller, blacksmith and schoolmaster, that is allowed us by Government' may also be spoken of—we are indeed very thankful for it; but we look upon this as all temporary and the continuance of it to be uncertain—it may likewise be said they receive annual presents, what do they want more. We gratefully thank His Majesty for his bounty in this respect, but I am sorry to have to observe that this goes very little way in clothing the poor and helpless, and the country is so much changed that hunting is of very little account to the young and robust.

I beg leave to say a few words more on this subject. The movements of Governor Simcoe in attempting to curtail our lands to one-half of the river, and recollecting our deed from Governor Haldimand to be unequal to his first promises, caused us to make such a large sale at once that the matter might come to a point, and we might know whether the land was ours or not; the next reason was, that the lands all round us being given away to different people, some of them those that had even engaged in war against us, we found it necessary to sell some land, that we might have an income, the hunting being entirely destroyed. We now learn that the Ministry never intended we should alienate the lands, alleging, that by doing so, disaffected people might be introduced into the country that might injure the Government.

The people we have sold the lands to are loyalists, and we expect that as other people settled in the Province they will become subjects to His Majesty, the same as if Governor Simcoe had himself curtailed the land from us and given it to them, as he has done with the adjacent lands. I am sorry for having taken up so much of your time with so tedious a letter, but I assure you my present disagreeable situation affects my feelings so much that I cannot avoid expressing it rather fully, especially as I think this shall be the last time I will trouble you on the subject.

Sir, I am your most obedient humble servant,

JOS. BRANT.

MINUTES of a Council held at Hamilton, near Burlington Heights, on the 4th July, 1819, with the Six Nations of Indians residing on the Grand River.

PRESENT:

The Honorable W. Claus, Deputy Superintendent General of Indian Affairs.

Lieutenant Colonel Hawkins, Lieutenant Archibald, 63th Regiment.

Alexander McDonell, Assistant Secretary Indian Affairs.

Robert Kerr, Surgeon, Indian Department.

J. B. Clench, Clerk, Indian Department.

Mr. Walker, Storekeeper, General's Department.

Benjamin Fairchild, Alex. Ferguson, George Martin, Interpreters, Indian Department.

After the customary ceremonies had been performed, the Deputy Superintendent General addressed the assembled chiefs as follows. Having referred to other questions, he said:

BROTHERS,—I lost no time after I parted with you last March, to lay your proceedings before the Superintendent General, Sir John Johnson, who transmitted the same to His Grace the Commander of the Forces; and the proposal you made for the surrender of the land on the upper part of the Grand River, I forwarded to His Excellency Lieutenant Governor Sir Peregrine Maitland. Answers from both I now communicate to you.

On examining documents at York respecting the Grand River lands, it appears that in the year 1790 a survey was made by Mr. Jones, and at a Land Board at Niagara in 1791, of which Lieutenant Colonel Butler, Mr. Hamilton and Colonel Lew Brook were members, it was agreed on by them and Captain Brant, Ojagethe, Coughsemyoute, Atmouvote, Aghsett, and Kayoudodethou, that certain lines that had been run by Mr. Jones were to be the Indian boundary, and it appearing to the Government that the Six Nations have misconceived the extent of their land, I am commanded to undeceive them by informing them that the Government from these documents conceives that the grounds above Block Nichol, known as Block No. 4, is now in the Crown by a recent purchase from the Mississaguas, for beyond that the King had not purchased from those Indians, at the time of Sir Frederick Haldimand's gift, consequently, Sir Frederick, in behalf of the Crown, had no land to grant.

I have now, my brothers, communicated the answer which I have received to your speeches, and shall be ready patiently to hear whatever you may have to say in reply.

Tekanhoga, a Mohawk Chief, then spoke:

Brother, we are happy that the great Spirit has preserved us to meet you here, I salute you and the officers with you in the name of the great Spirit. Brother, we spoke to you agreeably to our wishes when we met at Ancaster in the month of March, that is well enough. What was then proposed was right, we will not go back to our first troubles, we will only recur to what happened in General Haldimand's time. Brother, after the American war, we were at Niagara and did not know where to go. In our distress the Senecas offered us lands on the Genesee River, but we did not wish to be near the Americans, as they might again distress us, and some of our people got land on the Bay of Quinté. Captain Brant then went to Quebec to see General Haldimand, who told him that he would give us lands on the Grand River, from its mouth to its spring. During the administration of General Simcoe he wished to obtain from us three miles on each side of Dundas Street, on both sides of the river. We replied that we would let him have the quantity required, but that it should be for our benefit, he declined the offer and the matter dropt. Sir John Johnson also wished us to surrender six miles on each side of the river at the mouth, we complied with his request, provided it was for our benefit, but that also dropt without anything being done. I remember very well before the lands were purchased by Colonel Butler, that the Mississaguas said: "We do not wish to sell the lands from the Grand River to the River Thames down to Lake

Erie." The Government lessened the gift to six miles on each side of the Grand River, from its mouth to its spring, yet we replied to the Mississaguas: "Since you have been so kind to us, we each divide our presents with you." We are surprised to find that Government says, that we own the lands to the falls only, as we have writings to prove otherwise, we have them here and are ready to produce them.

The original deed from General Haldimand produced by John Brant. Tekanhoga then turning to the Indians, addressed them, saying: It is reported that I have sold lands. Let any man step forward and say so; the superintendent knows whether I have sold lands or not.

Little Peter, of the Lower Mohawks, then got up and said: Brother, I was always present at different meetings, and though I did not interfere, I listened to what was passing. When I came to see the land settling by white people, it disturbed my peace. I am a Lower Mohawk, and belong to the Six Nations. The land is a thing that concerns us all, and our posterity. I have heard my cousin (Tekanhoga) say that a stop will be put to the sale of land. I am very glad of it, it is a custom among us to have land all in common. We do not wish it to run out in lots to be settled by the white people, which is the only thing that confuses us, by mixing with us. When I look around me, above and below, I see nothing but whites around me, and we have nothing left but a spot to stand upon, and what is to be the next event? Are we to be shoved off altogether? I am surprised to see so many settlers on different parts of the river. We deny having sold any land to them.

Brother, I belong to the Lower Mohawks, and never disturbed the peace either among my own people or among the whites. I have never sold or leased any of our lands, and never will; my grand-children shall not say when I am gone, that I have left them destitute of a habitation.

It appears that my name is classed with another man who is my cousin, to be in partnership with him in selling land. I know nothing of it. Those who lease the land, of course, receive the rents, but I receive no rents from any one, never expect and never will receive any. We do not lease our land, because we do not know how to do it. If we were to require our rents, they would laugh at us.

Here the Deputy Superintendent General explained a part of his speech at the opening of the council.

I do not say that those chiefs whose names appear in the proceedings of the Land Board have sold the land, what I meant to convey was, that they had assented to the lines which had been proposed to them by that Board as their boundary. Little Peter continued addressing himself to Tekanhoga: You say that you never sold any land? How does it appear that white people are settled above and below us? It is you that have sold it.

Then addressing himself to the Deputy Superintendent General and the officers he said: I am very sorry to observe that you are now claiming a great part of our land. What are we to expect? Are we to be driven off our land? Shall I point back to my ancestors when they first took you by the hand, did they deceive you? Or have any of us? When we agree to anything in Council we expect it to be confirmed, because it is in the presence of all. The Council fire is the place to establish the truth.

Brothers with the red coats and Colonel Claus, this I wish to have continued when we meet again in Council. It is customary with us to talk with temper and do nothing rash. Whenever you call another Council, I will continue my subject.

Kcho, Onondaga speaker, after having spoken to the assembled Nations generally, said:

Brother, I receive your salute with friendship and satisfaction. I am happy that you and the gentlemen of the garrison, and those with you, are well. I return your salute.

Brother, we have just been informed that you had sent down the proceedings of the Council at Ancaster, and it seems that Sir John Johnson immediately sent them down to the Commander of the Forces, and you have got an answer. There are only two subjects on which anything is to be done: The school master and the blacksmith.

Brother, we will now communicate our sentiments, and endeavor to be as brief as possible. We thought then that we had given you the lands you asked for in a proper way.

Brother, there is one part of your communication which gives us pain. We were surprised very much when we heard what had been done at York. We never thought that the King would take from us what we considered as his gift. What is it? It seems that the King is going to take our land from us.

Brother, we wish to know if our Great Father, who we are told is coming up, would grant us a meeting with him; we would be glad that you would ask him when and where we could meet him, and that you would inform us.

Brother, the reason that we wish to communicate with our Great Father, that is coming up, is because we know that he could inform us of everything we wish. Our Great Father at York we suppose has so much to do with his white children that he could not attend to our affairs. This is all I am going to say.

He then addressed the Six Nations, recommending union and friendship, as he had done frequently on former occasions, telling them to look at the Deputy Superintendent General, the officers and the gentlemen with him, and take example by them.

Oneida Joseph next spoke: Brother, I remember very well what passed from the beginning of the settlement on the Grand River. I have gone through two wars, and must therefore have a recollection of what happened first about our settlement. It was granted to us from the mouth to the spring, six miles on each side of the Grand River. It may be supposed that we did not claim it, because it was neither surveyed nor sold, but we claim that, as well as the rest.

Brother, we were told by our chiefs that whenever the land was purchased from the Mississaguas, the line would run to the spring.

If the commander of the forces will permit us to see him when he comes up, he will let us know how far we have a right to claim, agreeably to the paper which we hold as our title. I recollect that when the chiefs of the Six Nations requested of Colonel Butler to pay for the land which Mississaguas had given them, they afterwards regretted having done so, because the Government, by paying for it, might hereafter claim and take it from us.

"Clear Sky's" eldest son then addressed himself to John Brant, saying that as he held the deed from General Haldimand in his possession, they hoped he would go with them, in the event of their being enabled to see the commander of the forces.

To which John Brant replied that he would cheerfully. He was then asked by him, whether, in the event of his being sick, he would allow the paper to be taken down. He said he would readily.

Clear Sky's eldest son addressed himself to the Deputy Superintendent General, said that they had nothing more to say.

Reply of the Deputy Superintendent General:—

My brethren, the officers and myself have sat patiently to hear what you had to say in your several addresses, as well to us as to your own people. I called you together to communicate to you the answer to your speech of last winter. Had the king conceived that the land he claims above the falls did not belong to him, he never would have directed me to communicate to you what I have on that subject. I shall see both your Great Fathers at York, and shall lay before them the proceedings of this day, and receive their orders thereon. If His Grace the Commander of the Forces is pleased to see you, I will inform you of the time and place. The advice given you by the chief who spoke last but one is what I have always recommended when we parted. I now repeat my advice, and particularly to the young men, to look up to their sachems and chiefs, and to pay attention to their advice and counsel.

In the name of the officers and myself I bid you good bye. I remove all briars and roots from the road, that no obstructions should interrupt you on your way to your homes.

Clear Sky's eldest son again rose and said:—

Brother, I salute you, the officers and gentlemen with you, and hope that the Great Spirit will protect you all on your return.

A 115 p. 131.

DOWNING STREET, 28th September, 1821.

GENTLEMEN,—I have the honor to acknowledge the receipt of the letter which you addressed to me on the 7th instant, transmitting an official note in which you complain of a decision of the Colonial Government of Upper Canada, with respect to the extent of the lands which ought to be permanently reserved for the Five Indian Nations who settled in the Province at the close of the first American war.

As the Indian nations rest their claim entirely upon the terms used by General Haldimand in his proclamation of the 25th October, 1784, I shall confine myself to a statement of the reasons which convince me that it was never the intention of that officer to grant them the extent of territory to which they now lay claim, of six miles on each side of the Ouse or Grand River, from its mouth to its source, and that the proclamation does not warrant such a claim.

It is evident, from the proclamation annexed to your note, that the land which General Haldimand intended to assign to the Indian nations was that which the Colonial Government had a few months before purchased from other Indian nations resident within the Province of Canada, and that whatever disposition he may be presumed to have had to confer advantages on the Five Nations by giving them lands belonging to His Majesty, he could not intend (for he had not the power) to make over any Indian lands to which His Majesty had not then acquired a title. The description, therefore, of the land which is given in the close of the proclamation must be taken with reference to what the king had at the time a power to grant. It must be considered with reference to the general inaccuracy and contradictions of all geographical descriptions of America at that time, when the country was unsurveyed and unknown, and when information as to the course of rivers was derived either from reports of individuals or from the sources which afterwards proved altogether incorrect.

As the course of the Ouse or Grand River became known, it was found that the head of the river was not within the purchase made from the Chippewas in 1784, and that that purchase, therefore, did not comprise the lands to which the Five Nations now lay claim. I do not find indeed that any claim of the nature now advanced by the Five Nations to this land, until the Colonial Government had many years afterwards, with a view to the settlement of emigrants, made a further purchase from these Indians which put His Majesty in possession of the land lying between the head of the Grand River and that purchased in 1784, which is the subject of your present application.

Under these circumstances His Majesty cannot but consider the Colonial Government justified in allotting to settlers, instead of reserving for your use, such part of the land now claimed by you as was not purchased in 1784 from the Chippewas.

That the Indian nations never had originally in contemplation any grant so extensive as that for which you now contend, is evident from the proceedings which took place in the colony in 1791, respecting the limits of the Indian lands, and the agreement signed by Captain Brant and the other chiefs.

The intention of General Haldimand must have been at that time perfectly well known; the extent of the grant was then the subject of discussion, and the chiefs of the Nations voluntarily acquiesced in an arrangement which excluded the claim now under consideration. I have only further to add that in coming to a decision upon this claim, adverse to the views which appear now to be entertained by the chiefs of the Five Nations, His Majesty does not in any degree undervalue either the original services which led to the settlement of these Nations in the British Province, or those which they have subsequently rendered. The present question (as you have correctly stated in your interview with Mr. Goulburn) depends entirely upon the true meaning of General Haldimand's proclamation. For the reasons I have stated, and others arising out of contemporary documents, to which I have not adverted, that proclamation cannot warrant the claim which has been advanced, and His

Majesty has only, without reference to the merits of the parties, to approve of the decision upon this point, to which the Governor of Canada has already come.

I have the honor to be, Sir,

BATHURST.

SIR,—In reply to your letter of the 18th instant, asking what the distance is from the north boundary of Nichol to the source of the Grand River, and the approximate length of the whole river, I have to inform you that it appears from the maps in this office that the Grand River takes its rise in the 4th concession of the township of Melancthon, distant by a rough measurement on the maps of the several intervening townships, about 40 miles from the north boundary of the township of Nichol, and giving a total length from its source to its mouth of about 160 miles.

MEMORANDUM.—The deputation above referred to, having explained that they were ignorant of the regulation requiring the authority of the Superintendent General to be obtained previous to a deputation visiting the seat of Government, and said deputation having asserted that they were under the impression that the authority of the Indian Council was all that was required, the Department has consented to pass this Requisition, on the distinct understanding, however, that hereafter the authority of the Superintendent General shall be invariably obtained before a deputation visits Ottawa.

L. VANKOUGHNET, *Deputy of the Supt. Gen. of Indian Affairs.*

17th April, 1882.

SIR,—With reference to the enclosed copy of a requisition, signed by the speaker of the Six Nation Council and five chiefs, and handed into this Department by a deputation of three chiefs from the Six Nation reserve, by which the Department is asked to advance a sum to defray the expenses of the said deputation to Ottawa and back, I have to inform you that the chiefs comprising the deputation in question explained to me that they were ignorant of the regulation which requires the authority of the Superintendent General of Indian Affairs to be obtained previous to, and to admit of a deputation of Indians visiting the seat of Government, and that they were under the impression that the authority of the Indian Council was all they would require. In consequence of this statement on their part, the Department consented to pass the requisition on the distinct understanding, however, that hereafter the authority of the Superintendent General shall be invariably obtained before a deputation shall visit Ottawa.

I cannot but express my surprise at the assertion made by this deputation of their ignorance of this long established and recognized rule of the Department, and I have to request that you will read this letter to the full council of chiefs and inform them that hereafter the Department will positively decline to pay under any circumstance whatever the expenses of a deputation to Ottawa, which has not been previously authorized by the Superintendent General of Indian Affairs.

I am, Sir, your obedient servant,

L. VANKOUGHNET, *Deputy of the Supt. Gen. of Indian Affairs.*

J. T. GILKISON, Esq., Indian Superintendent, Brantford, Ont.

INDIAN OFFICE, BRANTFORD, 22nd April, 1882.

SIR,—I am in receipt of your letter of the 17th instant, 36539, and much surprised the recent deputation should express ignorance of your rule prohibiting such delegations, unless with your authority, for I have repeatedly made it known, both in and out of Council.

On reference, I find your circulars of 22nd June, 1874, read in Council 17th July following; also your letter of 21st March, 1879, 12029, read in Council 25th March; while the Deputy Superintendent General, Mr. Vankoughnet, on 23rd May, 1878, in Council house, warned all against coming to Ottawa without permission, and if any did so, their expenses would not be paid, but would have to foot it every inch of the road. Notwithstanding, deputations persist in appearing before you.

In the present case, the Council, as per minutes of 1415, with my letter of 20th ultimo, named the deputation, and asked for \$90 to pay expenses; but I took no notice of it, thinking, when they again alluded to it, I would then give them my views upon the object of the deputation, while pointing out your required authority to go; but they did not afford me the opportunity, nor did they tell me the deputation were going, though I otherwise heard they were about to borrow money for the purpose.

Their going, I presume, was a waste of time and money, while intruding upon you; their application having been answered long ago by, I have heard, both Imperial and Provincial authorities.

Chief Josiah Hill came here to-day and having handed him your letter for perusal, asked how he could profess ignorance of your rule, and were he spokesman, to which he said yes, but it was one of the Smiths who said he did not know of such rule. I remarked he should have corrected Smith, and better have been candid and not left an erroneous impression with you. I will read your letter to the Council on Tuesday next.

I am, Sir, your obedient servant,

J. T. GILKISON, *I. S. & C.*

The Hon. the Superintendent General of Indian Affairs.

1st May, 1882.

SIR,—I beg to acknowledge the receipt of your letter of the 22nd instant relative to the recent unauthorized deputation of chiefs of the Six Nations to the Department and in connection with the matter brought before the Department by them on that occasion, namely, the claim of the Six Nations to a greater quantity of land than is included in the deed to them from Governor Simcoe. I shall be obliged if you will ascertain and inform me at your early convenience of the answer stated by you to have been made long ago by both Imperial and Provincial authority to the application made in their behalf by the Six Nations.

I have the honor to be, Sir, your obedient servant,

L. VANKOUGHNET, *Deputy of the Supt.-Gen. of Indian Affairs.*

J. T. GILKISON, Esq., Indian Supt. and Commissioner, Brantford, Ont.

INDIAN OFFICE, BRANTFORD, 25th May, 1882.

SIR,—I have to acknowledge your letter of the 1st instant, and beg leave, in reply, to state my impressions, and what I have heard relative to the Six Nation claim for more land.

The original grant from the Crown, of 25th October, 1784, expresses: "To take possession of, and settle upon the banks of the River Ouse or Grand River running into Lake Erie, six miles deep from each side of river, beginning at Lake Erie, and extending in that proportion to the head of the said river."

It is said a patent or deed was issued to the Six Nations by Governor Simcoe, but I have no copy of such instrument. I have a copy of the plan (without date), showing the lands to be on each side of river, from Lake Erie to the line, between Nichol and Garafraxa, which line or north boundary appears to have been fixed upon as "the head of the river," though it takes its rise in the swamps of Garafraxa and Luther some miles beyond.

As Brant in 1796 received a power of attorney from the chiefs and warriors to surrender for sale certain tracts of land, and sales were made; while in 1798 such surrender is given by Brant to the Government, extending from the said north boundary line down south to and including the township of Dumfries.

Thus the presumption is reasonable that Brant and the Six Nations had accepted the said north boundary as the "head of said river;" and advanced no claim for lands beyond.

The best of the lands were sold at about 40 cents per acre, and, of course, swamp lands were of little or no value.

I was told, I think by the late Peter Smith, interpreter, that after the war of 1812 to 14, the late Captain John Brant and William Johnson Kerr, of the Six Nations, while in London, England, applied to the British Government for land extending to the source of the river, but failed, as the grant given was considered final; also that at a later period, application was made to the Governor General with the same result.

I regret not being able to give more positive information, but I purpose seeing Chief John Smoke Johnson, whose age and acquaintance with the Brants may enable him to give some facts bearing upon the matter.

I am, Sir, your obedient servant,

J. T. GILKISON, *I. S. & C.*

The Hon. the Superintendent General of Indian Affairs.

INDIAN OFFICE, BRANTFORD, 22nd July, 1882.

SIR,—Referring to the Six Nations' land claim, to beyond what was determined as the "head waters of the Grand River," in the patent from the Crown to the Six Nations (and alluded to in your letter of the 21st instant, 38,215, upon the application of the council for \$500 to prosecute the said claim), I think it well to invite your attention to the power of attorney from twenty-seven chiefs to Captain Joseph Brant, dated the 10th October, 1804, which, to my mind, established the fact that the head waters, as designated in the map of the grant, was not only decided upon by the Governor in Council, but so accepted by Brant and his chiefs, as blocks 1, 2, 3 and 4 (since named Damfries, Waterloo, Woolwich and Nichol), disposed of by Brant, and patents issued to purchasers; but in said power of attorney, block 4 (Nichol) is described on the second page thereof as the north-east boundary or the line between the now townships of Nichol and Garafraxa, beyond which the lands, for most part, were swamps, then of little or no value.

I am, Sir, your obedient servant,

J. T. GILKISON, *I. S. & C.*

The Hon. Superintendent General of Indian Affairs.

INDIAN OFFICE, BRANTFORD, 25th July, 1882.

SIR,—While the old Chief John Smoke Johnson was here yesterday, I took occasion to ask him some questions relative to his recollection of Brant and in regard to the original grant of lands to the Six Nations, situated on the Grand River.

Though he was only a lad, he knew Captain Brant well, relating various incidents, one of which, Brant took him and others to Montreal to see the Governor, travelling nearly all the way by water.

He remembers hearing of the manner in which the Governor purchased the lands lying between the lakes from the Chippewas, out of which Governor Haldimand granted to the Six Nations six miles on either side of the Grand River.

He also knew of the original survey of the line, north by west, from Burlington Bay outlet to near the upper falls of the Grand River (such line forming, in part, the subsequent boundary between Nichol and Garafraxa); never heard of any objection, but that Brant and the chiefs accepted the said line as the head waters, and were satisfied.

On asking the chief if he knew for what purpose John Brant and William Johnson Kerr visited England, after the war, he said:—

They went to try and induce the Government to give their people deeds for the lands they individually occupied, but the Colonial Minister, while refusing to do so, referred their application to the Governor General, who transferred it to Colonel Clause, local superintendent, who called a council of the chiefs, when, after due deliberation, a vote was taken by division, the large majority being against the granting of deeds as proposed.

He never heard of any complaint against the said line as laid down for the head waters, until recently, claiming lands to its source.

The chief's statements impresses me with the conviction that the head waters, as designated upon the survey and plan for the purpose, was accepted by the chiefs of the Six Nations as fair and proper, while it is reasonable to suppose, had they demurred and desired the lands from the source, they would have been conceded.

Looking at the map of Garafraxa it there appears a short distance from the boundary line, the stream divides the larger branch extending through Garafraxa into Amaranth or Luther.

I am, Sir, your obedient servant,

J. T. GILKISON, *I. S. & C.*

The Honorable the Superintendent General of Indian Affairs.

OTTAWA, 11th November, 1882.

SIR,—I have the honor to enclose herewith copy of a petition addressed by the chiefs of the Six Nation Indians residing on the Grand River, Ontario, calling atten-

tion to a special matter in connection with the patent deed issued for their lands. I have also the honor to enclose copy of the deed covering the lands of these Indians issued by Sir Frederick Haldimand and dated the 25th of October, 1784, and copy of the deed issued by Lieutenant Governor Simcoe and dated 14th January, 1793.

The contention of the Indians is that in the latter deed they were not granted the full quantity of land guaranteed them under the former deed.

The records of this Department having been searched in vain for explanations of the apparent discrepancy between the two deeds, I have the honor to request that the copies of the documents now enclosed be forwarded to His Honor the Lieutenant Governor of Ontario, and that His Honor be moved to cause search to be made among the records of His Government with a view, if possible, of eliciting information upon the point at issue.

This Department will be glad to be advised of the result of the search.

I am, Sir, your obedient servant,

L. VANKOUGHNET, *Deputy of the Supt. Gen. of Indian Affairs.*

E. J. LANGEVIN, Esq., Under Secretary of State, Ottawa.

To His Excellency the Right Honorable Sir John Douglass Sutherland Campbell, Marquis of Lorne, K. T., G.C.M.G., P.C., Governor General of Canada and Vice Admiral of the same, &c., &c., &c.

MAY IT PLEASE YOUR EXCELLENCY :—

We, the chiefs of the Six Confederate Nations of Indians, faithful allies of Her Majesty, residing on the Grand River, in the Dominion of Canada, desire to draw your attention to a special point in our affairs, regarding the patent deed of our lands.

That whereas it appears there are two deeds in existence, the first of which we recognize, and a copy of the same we have in our possession, was issued by Sir Frederick Haldimand under the Great Seal, dated 25th day of October, 1784, and registered in the Secretary's Office, Upper Canada, on the 20th March, 1795.

But the second deed was issued by Lieutenant Governor Simcoe, which bears date the 14th day of January, 1793, which covers only 694,910 acres, as it appeared in one of the Indian Department's Reports.

Therefore we took the matter into our full Council of chiefs, and agreed unanimously to bring the matter under the notice of the Government, as we have every confidence that the Government will always deal with the Indians honestly and justly, more especially with the Six Nation Indians, who have suffered, not only for the loss of their settlements in the United States during the revolutionary war, but that they have spilt their blood in the cause of Great Britain, and always supported its Crown in time of trouble.

And further, we agreed in council to send a deputation to Ottawa in order to have an interview with Your Excellency regarding the matter, with full authority to act for the Council of the Six Nation Indians.

And we now beg to assure you that the feelings of loyalty to the British Crown are as deep, as sincere, and as true in us at this day as they were in our forefathers of old, and we feel certain that they will always continue so.

We have the honor to be Your Excellency's devoted friends,

Chiefs and deputation. { WILLIAM SMITH,
A. G. SMITH.
JOSIAH HILL.

We desire to inform Your Excellency that on account of your absence we have placed our case in the hands of the Superintendent General of Indian Affairs, and therefore it will not be necessary to trouble Your Excellency with our affairs; but should the Government not feel inclined to give us our rights, then we would beg to ask Your Excellency to be so kind as to assist us in appealing our case to the Imperial Government.

W. S.
A. G. S.
J. H.

The Right Honorable Sir John A. Macdonald, K.C.B., P.C., Premier of Canada, Minister of the Interior and Superintendent General of Indian Affairs.

HONORABLE SIR,—We, the undersigned deputation of the Six Nation Indians of Grand River, had the honor to be requested by you to state our business in writing, and also to state our reasons for taking the step we have taken, now beg leave to make the following statements and our reasons for them :—

Firstly.—According to the deed in our possession, issued by Sir Frederick Haldimand, dated at the Castle of St. Louis, Quebec, the 25th day of October, 1784, and which was registered in Lib. A, fol. 8th, on the 20th day of March, 1795, in the secretary's office, Upper Canada, we claim that we are the only proper and rightful owners of a tract of land lying from the north boundary of the township of Nichol to the head or source of the Grand River, a distance of forty miles, inasmuch as it has never been ceded to the Crown by us.

And according to the Royal Proclamation by His late Majesty King George the Third, dated the 24th day of December, 1763, no one other than the Six Nation Indians shall have a right to settle upon such lands on any pretence whatever.

Secondly.—That whereas it may be argued that the people now occupying the said lands have established their right to the said lands by lapse of time,

We would say that the Six Nations had established their pre-emption right to the said lands long before any white man settled on the said lands by occupation. Our forefathers have occupied the lands in question as their hunting grounds, and have always lived within the limits mentioned in the deed above referred to, and therefore they have been in occupation before and ever since the deed was issued.

Thirdly.—It may be asked why the Six Nations did not make a strong protest against the fact of people taking their lands and settling thereon. The answer to that is, that it was the opinion entertained by the chiefs, that it was the duty of the Indian Department as our guardians to protect our rights in that respect.

And now Honorable Sir, we desire to thank you warmly for the kind manner in which you received us, and for the kind assurance you have given us of giving our case a careful consideration, and we hope that we may before long be able to state the result of the same to our people of the Six Nation Indians.

We have the honor to be, Sir, your most obedient servants.

Chiefs { A. G. SMITH,
WILLIAM SMITH,
JOSIAH HILL.

FREDERICK HALDIMAND, Captain General and Governor-in-Chief of the Province of Quebec and Territories depending thereon, &c., &c, General and Commander-in-Chief of His Majesty's Forces in said Province and the Frontiers thereof, &c., &c., &c.

Whereas His Majesty having been pleased to direct that in consideration of the early attachment to his cause manifested by the Mohawk Indians and of the loss of their settlement which they thereby sustained that a convenient tract of land under his protection should be chosen as a safe and comfortable retreat for them and others of the Six Nations who have either lost their settlements within the territory of the American States, or wish to retire from them to the British. I have, at the earnest desire of many of these, His Majesty's faithful allies, purchased a tract of land from the Indians situated between the Lakes Ontario, Erie and Huron, and I do hereby in His Majesty's name authorize and permit the said Mohawk Nation and such others of the Six Nation Indians as wish to settle in that quarter to take possession of and settle upon the banks of the river commonly call Ouse or Grand River, running into Lake Erie, allotting to them for that purpose six miles deep from each side of the River beginning at Lake Erie and extending in that proportion to the head of the said river which them and their posterity are to enjoy for ever.

Given under my hand and seal at arms at the Castle Louis at Quebec, this twenty-fifth day of October, one thousand seven hundred and eighty-four, and in the

twenty-fifth year of the reign of our sovereign Lord George the Third, by the Grace of God, of Great Britain, France and Ireland, King, Defender of the Faith and so forth.
By His Excellency's command,

FRED. HALDIMAND,

TORONTO, 1st December, 1882.

DEAR SIR,—Relative to the petition of the Six Nations Indians about lands on Grand River.

In the above case a careful search will be made among the records of the Department, but owing to the great pressure of work some time may elapse before an answer can be sent.

Yours truly,

SIR,—With reference to previous correspondence relative to the petition of the Six Nations Indians calling attention to a special matter in connection with the patent deed issued for their lands, I enclose herewith copy of a letter from the Assistant Commissioner of Crown Lands, Toronto. I sent this in order that you may be in a position to inform the Six Nation Council, in case the matter is referred to by them or any member thereof, that the Department is having the search prosecuted.

GRAND RIVER RESERVE, 9th December, 1882.

SIR,—I beg leave to remind you the case we have laid before you last April 13th, 1882, regarding our land to the source of the Grand River, of which you promised us to look into it carefully as soon as the Session of Parliament is over. And now we have exercised patience, this last eight months waiting to hear from you upon the subject. Therefore I now ask you personally if you will be so kind to answer me the question, at an early date as possible, as I am authorized by the Council of the Six Nations to act upon the subject.

I am your obedient servant,

CHIEF WILLIAM SMITH.

To the Right Hon. Sir JOHN A. MACDONALD, Chief Supt. Gen. of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, 18th December, 1882.

MEMORANDUM.—With reference to Chief William Smith's letter of the 9th instant, enquiring about the memorial of the Six Nations dated the 13th of April last, relative to a certain tract of land claimed by them under the deed from Sir Frederick Haldimand dated 25th of October, 1784, and which was not covered by the deed issued by Governor Simcoe, dated 14th of January, 1793, which purport to include all their lands,—the undersigned begs to state that a careful search was up to last fall prosecuted among the old records of this Department, with a view, if possible, to elicit information relative to the apparent discrepancy between these two deeds, but the search failed to supply the required information, and in November last the Department of the Secretary of State was requested to communicate with the Government of Ontario asking to have a search made among the records of that Government. By semi-official letter of the 1st instant, from the Assistant Commissioner of Crown Lands, the Minister will observe that careful search is promised; and Mr. Superin-

tendent Gilkison was advised by letter of the 9th instant, that the search was being prosecuted.

L. VANKOUGHNET, *Deputy of the Supt. Gen. of Indian Affairs.*

To the Right Hon. Sir JOHN A. MACDONALD, P.C., K.C.B., G.C.M.G.,
Superintendent General of Indian Affairs.

31st May, 1883.

SIR,—I have the honor to invite your attention to my letter addressed to your predecessor, on the 11th November last, enclosing the documents described therein relative to a certain tract of land claimed by the Six Nations Indians under patent from Sir Frederick Haldimand dated 25th October, 1784; and to request that you will be so good as to inform His Honor the Lieutenant Governor of Ontario, that this Department is yet without advice as to the result of the search which was promised by the Assistant Commissioner of Crown Lands for that Province in a letter addressed to me on the 1st December last.

I have the honor to be, Sir, your obedient servant,
R. SINCLAIR, *for Deputy Supt. of Indian Affairs.*

GRANT POWELL, Esq., Under Secretary of State for Canada, Ottawa.

CROWN LANDS DEPARTMENT, ONTARIO,
SURVEYS BRANCH, TORONTO, 27th June, 1883.

SIR,—Adverting to the despatch from the Honorable the Secretary of State of the 16th November last, wherewith he enclosed a copy of a petition from the chiefs of the Six Nations Indians on the Grand River, Province of Ontario, and also a copy of two deeds by which the Indians hold their lands, one issued by Sir Frederick Haldimand under date 25th October, 1784, and the other by Lieutenant Governor Simcoe under date 14th January, 1793, and requested that search might be made among the records of the Government of Ontario with a view of discovering an explanation for the apparent discrepancy in the two deeds.

I have to request that you will cause the following information to be transmitted through the Honorable the Secretary of State to the Department of Indian Affairs.

A thorough search has been made among the records of this Department, without eliciting any explanation regarding the cause for the issue of the two deeds in question.

The following résumé, however, may throw some light on various points, all tending to show that the various transactions in the matter of the Six Nations, lands at the Grand River had the sanction and approbation of Captain Joseph Brant and the other chiefs of the Six Nations Indians.

It appears that on or about 23rd March, 1784, General Haldimand in a letter to Sir John Johnson informed him of Joseph Brant's desire to settle the Six Nations Indians on a tract of land to be purchased from the Mississaguas, consisting of about six miles on each side of the Grand River, called Oswego, running from the River La Tranche (now Thames) into Lake Erie; he also authorized him to give directions to Lieutenant Colonel Baker, who was fully acquainted with the views of Captain Brant and the Mohawks, to purchase the tract of country between Lakes Ontario, Erie and Huron.

It appears that on 22nd May, 1784, a surrender to the Crown was made by the Mississauga Indians of certain lands, bounded on the east by a line running north-west from the Little Lake at the head of Lake Ontario and that the deed was witnessed to by Captain Brant.

On the 25th October, 1784, General Haldimand's grant to the Six Nations Indians of lands on the Grand River was made.

It appears that on or about 20th December, 1790, the Land Board of Nassau first moved in the matter of the survey of the boundaries of the Indian lands at Grand River.

It also appears from the same book that on 3rd January, 1791, Augustus Jones, the surveyor to the land board, was instructed by the said board to survey the boundaries of these Indian lands, also that on 1st February, 1791, Captain Brant and the Indians agreed as to the manner by which the course of the boundary lines should be arrived at, also that on 4th April, 1791, D. S. A. Jones laid before the land board a survey of Indian lands on the Grand River from the mouth to about thirty miles above the Mohawk Village, also account for expenses incurred in ascertaining where a north-west line from mouth of Little Lake at head of Lake Ontario would intersect the Grand River.

It appears that on 4th of January, 1791, Lord Dorchester, Governor of the Province of Quebec, appointed a committee to report on the claims of certain Indians to lands assigned them on the Grand River. This committee, under John Collins, Deputy Surveyor General, as chairman, reported to His Excellency Lieutenant Governor Alured Clarke, on 24th December, 1791, enclosing a copy of the journal of their proceedings, from which it appears that all information in the possession of the Land Board of Nassau was placed at the disposal of said committee, as likewise a copy of the surrender from the Mississagua Indians, dated 22nd May, 1784; also copy of a letter from the Land Board of Nassau to Mr. Secretary Motz, of date 26th February, 1791, in which the following words occur:—

“The grant of lands to the Indians of the Grand River extends to six miles on each side of that river, from its mouth till a line running north-west from the mouth of the little lake at the west end of Lake Ontario, shall traverse it.”

It also appears, from said journal, that said committee met on 24th December, 1791, and the chairman presented Mr. Jones' survey of the lands on the Grand River promised to the Indians of the Mohawk Nation. The committee were of opinion that “every precaution should be taken to preserve them in quiet possession and property of them, and submit that an Act of the Provincial Legislature, or a grant under the Great Seal of the Province of Canada, be made in favor of the principal chiefs, on behalf of their nation, or persons in trust for them, for ever.” Endorsed on the back of the report of John Collins, as chairman of said committee, is a note to the following effect: “A copy of this sent the 21st April, to Mr. Williams, with two plans referred to in this report, 1792.”

(This Mr. Williams was Clerk of the Executive Council. One of the two plans referred to was that of D. S. Jones' survey, and it is possible that said plan, which is not of record in this Department may still be among the records of the Privy Council at Ottawa along with the above report.) It further appears that a grant was made to the Six Nations Indians by Lieutenant Governor Simcoe on 14th January, 1793, of lands on the Grand River, “in conformity with a certain survey made of the said tract and annexed to these presents” * * * “extending up the Grand River as far as the limit of the purchase from the Mississagua Nation.”

It further appears that the boundaries of the Indian lands on the Grand River were, at the request of Captain Brant, completed in survey by D. S. Thomas Welsh and A. Jones, under instructions from the Surveyor General dated 1st June, 1796. Mr. Welsh was told in said instructions to consult with Captain Brant in order that the survey might be executed to his satisfaction and that of the Indians. In his field notes and diary of said survey Mr. Welsh records that he was accompanied by Captain Brant in his operations.

It further appears that on 10th March, 1798, the Honorable Peter Russell, President, wrote to D. W. Smith, Surveyor General, *re* Indian lands at the Grand River, “that the courses of the boundaries had long since been determined with Captain Brant and other chiefs in council, afterwards agreed upon and settled between General Simcoe and that chief, and were again surveyed during his (Mr Russell's) administration, at the particular request of Captain Brant by two surveyors, chosen by himself, for which assistance he (Mr. Russell) had received Captain Brant's unqualified thanks.”

It further appears from the journals of the House, 1836-7, page 495, that on 16th February, 1837, an address was passed for the trust deed, or copy thereof, of the

Indian lands of the Six Nations Indians, or any paper or title by which the lands of the Six Nations Indians are held, and that in reply to that address a copy of the two deeds was presented, viz:—That by General Haldimand, dated 25th October, 1784, and that by Lieutenant Governor Simcoe, dated 14th January, 1799.

It further appears that on 24th June, 1847, a report of the affairs of the Indians in Canada was made, accompanied by a map showing the different surrenders made by the Indians from time to time with the respective dates of such surrenders, from which map it appears that the lands to the east and north of the purchase line alluded to above were not ceded by the Indians until the year 1818.

It does not appear that the original maps by D. S. Jones or Welsh are of record in this Department, but some very old maps are of record showing the surveys made by these surveyors, though not signed by them. There is also of record a map prepared in this Department in 1843 and signed by Thomas Parke, Surveyor General, showing in colors the Indian lands on the Grand River originally granted to the Six Nations Indians.

On all these maps the Indian lands do not appear to extend beyond the purchase line run from the outlet of the Little Lake at the head of Lake Ontario by D. S. Augustus Jones about the year 1791.

It appears from the foregoing that from the first the intention was to limit the Six Nations Indian lands on Grand River to said purchase line, as witness Joseph Brant's signature as witness to the deed of surrender by the Mississauga Indians several months prior to the date of the deed by General Haldimand, and that the same was acquiesced in by Captain Joseph Brant and the other chiefs of the Six Nations Indians several different times subsequently. It also appears reasonable to conclude that at the time the proposal to locate the Six Nations Indians on the Grand River was made all parties believed that the Grand River took its rise near the Thames and that the grant made by General Haldimand was believed both by himself and by the Indians to be covered by said surrender; that the subject of the Indian lands at the Grand River has engaged the attention of the Government at different times during the last as well as the present century; that it is likely all information possible was obtained on the subject of the two deeds at those periods when persons cognizant to the facts were living; that the boundaries of said tract were run out at the request and with the knowledge of Captain Brant and the other chiefs, and that said boundaries never extended beyond said purchase line as a matter of fact, the land beyond said purchase line was not purchased until the year 1818, and one purchase was made not from the Mississauga at all but from the Chippewa Indians. It therefore appears to the undersigned that the discrepancy between the two deeds is only imaginary, as it does not appear that there was ever any intention to grant them more than they have already got and have enjoyed possession of for nearly a century.

T. S. B. PARDEE, *Commissioner of Crown Lands.*

The Honorable the Provincial Secretary, Toronto.

OTTAWA, 18th July, 1883.

31st July, 1883.

SIR,—Referring to my letter to you of the 17th of April, 1882, and subsequent correspondence relative to the alleged claim of the Six Nations Indians to an additional area of territory to that accorded to them by the deed issued by Lieutenant Governor Simcoe, on the 14th of January, 1793, in consequence of the discrepancy between the land described in the latter instrument and that described in the previous deed, issued by Sir Frederick Haldimand, of date the 25th of October, 1784, I have to inform you that, as stated in my letter of the 9th of December last, this Department was in communication with the Crown Lands Department of Ontario on the subject of said claim; and I have now to enclose herewith, copy of a despatch, of the 27th ultimo, from the Commissioner of Crown Lands from that Province, relative to the supposed discrepancy between the two deeds above mentioned and of said despatch, you will have the goodness to give the Six Nations Council communication.

A copy of the patent in question is enclosed herewith, for which you will be good enough to deposit in the Bank of Montreal, to the credit of the Receiver General, on account of casual revenue, the sum of \$1.25, and transmit the bank certificates of deposit and draft therefor to this Department.

MIDDLEBURY, VERMONT, U. S., 4th November, 1883.

DEAR SIR,—I have before me a copy of a grant of land to the Six Nations of Indians, made by Governor Haldimand under authority of the Crown, which grant bears date the 25th day of October, 1784, and is recorded in lib. A., folio 8, of the Records of the Province of Quebec, which copy is certified to by yours under date of 26th October, 1883 (without seal of office). I now am informed that there is a subsequent grant of the same land or a part of the same tract to other parties, by a subsequent Governor of Canada. If this is so, I wish you would have the kindness to inform me of the fact, and the expense of a certified copy of the same. In your reply please give the date of the second grant and the name of the Governor by whom it was made. Also please state in what way you will have the fee for the copy sent to you.

Very respectfully yours,
 THOMAS H. McLEOD.

ROBERT SINCLAIR, Esq.

13th November, 1883.

SIR,—I have to acknowledge the receipt of your letter of the 4th inst., asking for a copy of the grant made by Governor Simcoe on the 14th of January, 1793, to the Six Nations Indians, of land on the Grand River in the Province of Ontario; and to inform you that the expenses of making a certified copy of the grant and of the tracing attached thereto will be \$5.00. The documents will be prepared and forwarded to you upon receipt of that amount, together with \$1.25 for the copy of patent which you state you have already received, and which was sent Mr. J. C. Haslett, of Hamilton, Ontario, under cover of my letter of the 27th ultimo; in all \$6.25.

I am, Sir, your obedient servant,

R. SINCLAIR, *for Deputy of the Supt. General of Indian Affairs.*

THOMAS McLEOD, Esq., Middlebury, Vermont, U. S.

14th January, 1884.

SIR,—I have the honor to request that you will be good enough to inform me, if among the records of the Privy Council Office can be found a deed of surrender, dated the 22nd of May, 1784, made to the Crown by the Mississauga Indians, embracing certain lands "bounded on the east by a line running north-west from the little lake at the head of Lake Ontario."

It is thought that the surrender in question may have been submitted to Council for approval, and it is desirable, if such surrender or a copy thereof is among the records of your Department, that this Department should be furnished with a certified copy of the same with as little delay as possible.

To assist you in the search, I beg to state that from a document of record in this Department, it would appear that a report of the committee appointed to investigate the title to some lands covered by this deed of surrender—of which committee Mr. John Collins, Deputy Surveyor General was chairman, and by whom said report was drawn up—was sent to the clerk of the Executive Council on the 21st of April, 1792, and a copy of the surrender referred to is said to have been placed with that report.

I have the honor to be, Sir, your obedient servant,

L. VANKOUGHNET, *Deputy of the Supt. Genl. of Indian Affairs.*

J. J. McGEE, Esq., Clerk of the Privy Council, Ottawa.

MIDDLEBURY, VERMONT, U. S., 18th April, 1884.

DEAR SIR,—Your favor of 13th November, 1883 was duly received, for which please accept my hearty thanks. I suppose you have been paid the \$1 for copy of the grant, referred to in your letter by the number 36,539, as I have been so informed; if you have not, be so kind as to inform me and you shall be paid. I wish the copy of the plot on map of the grant referred to, and write for the purpose of being informed in whose name I can send a postal order for the amount of the fees for it (\$5). I had sent your communication, above referred to, away, and was not able in consequence to write you properly for the plot until it was returned to me.

Very respectfully yours,

THOMAS H. McLEOD.

ROBERT SINCLAIR, Esq.

6th May, 1884.

SIR,—In reply to your letter of the 18th ultimo, I have to inform you that the Department has not been paid for the copy of patent to which you refer; and with regard to the copy of grant asked for by you from Governor Simcoe to the Six Nations Indians, dated the 14th January, 1793, I have to refer you to my letter of the 13th January last.

Any remittance by money order or otherwise to the Department should be in favor of L. Vankoughnet, Esq., Deputy Minister.

I am, Sir, your obedient servant,

R. SINCLAIR, *for Deputy Minister of Indian Affairs.*

Mr. THOS. McLEOD, Middlebury, Vermont, U.S.

MIDDLEBURY, VERMONT, U.S., 8th May, 1884.

DEAR SIR,—Your favor of 6th May, 1884, is at hand. Please find enclosed postal order for \$1.25 in payment for copy of patent referred to in No. 36,539 of above date. Allow me to thank you for your courtesy of the 13th January, 1884.

Very respectfully,

THOMAS H. McLEOD.

ROBERT SINCLAIR, Esq.

20th January, 1885.

SIR,—I have the honor to inform you that after diligent search, which involved a great deal of labor and time, I cannot find any deed of surrender dated 22nd of May, 1784, made to the Crown by the Mississagua Indians, embracing certain lands "bounded on the east by a line running north-west from Little Lake, at the head of Lake Ontario," referred to in your communication of the 14th instant, in any of the books or papers of record in this office.

I find only that the Executive Council of Upper Canada do not appear to have transacted any business until July, 1792, though that Province was created in December, 1791.

Our records are very incomplete prior to the Union, as some were lost in the great fire at Montreal in 1849, and others have been seized on by some of the Departments.

I am, Sir, your obedient servant,

JOHN J. McGEE, *Clerk Privy Council.*

L. VANKOUGHNET, Esq., Deputy of the Supt.-Genl. of Indian Affairs.

GOVERNMENT HOUSE, OTTAWA, 27th March, 1885.

In transmitting to the Right Honorable the Superintendent General of Indian Affairs the accompanying copy of a despatch of the 29th November, 1884, from the Secretary of State for the Colonies, with its enclosures, as well as the memorials dated 29th January and 12th March last, and an address of 20th September, 1788, concerning the alleged grievance of the Six Nation Indians, the undersigned has the honor, by desire of His Excellency the Governor General, to state that His Excellency will be glad to be furnished with the information necessary to enable him to give a reply to the petitions in question.

By Command,

CHARLES J. JONES, *for the Governor General's Secretary.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, 15th April, 1885.

MEMORANDUM.—The following is a history of the matter of the title of the Six Nation Indians to lands on the Grand River, in the Province of Ontario, in so far as the records of the Department of Indian Affairs at Ottawa and those of the Crown Lands Department at Toronto afford information on the subject.

By a proclamation, dated at Quebec on the 25th of October, 1784, Sir Frederick Haldimand, Governor of the Province of Quebec, in pursuance of His Majesty's directions, that in consideration of the early attachment to his cause manifested by the Mohawk Indians, and of the loss of their settlement, which they thereby sustained, a convenient tract of land under his protection should be chosen as a safe and comfortable retreat for them, declared that he had purchased a tract of land from the

Indians, situated between the "Lakes Ontario, Huron and Erie," and that "he authorized and permitted the said Mohawk Nation and such other of the Six Nation Indians as wish to settle in that quarter, to take possession of and settle upon the banks of the river, commonly called Ouse or Grand River, running into Lake Erie, allotting to them for that purpose six miles deep from each side of the river, beginning at Lake Erie and extending in that proportion to the head of the said river, which they and their posterity are to enjoy for ever."

The land above described as having been purchased from the Indians and situated between Lakes Ontario, Huron and Erie, is stated to have been bought from the Mississagua Indians, and the deed of surrender of the same, which, however, is not of record in this Department, signed by those Indians, was dated on the 22nd May, 1784, and the lands covered by the same are said to be described therein as bounded on the east by a line running north-west from the little lake, now known as Burlington Bay, at the head of Lake Ontario, and the deed was witnessed by Captain Brant, of the Six Nations.

The execution of this surrender was preceded by a letter from Sir Frederick Haldimand, dated on or about 23rd March, 1784, to Sir John Johnson, informing him of Joseph Brant's desire to settle the Six Nation Indians on a tract of land to be purchased from the Mississaguas consisting of about six miles on each side of the Grand River called Oswego, running from the River La Tranche (now Thames) into Lake Erie. In that letter Sir Frederick Haldimand authorized Sir John Johnson to give directions to Lieut. Colonel Baker, who was fully acquainted with the views of Captain Brant and the Mohawks, to purchase the tract of country between Lakes Ontario, Erie and Huron. No survey of the lands thus surrendered, nor of the tract covered by the proclamation of Sir Frederick Haldimand, was made previous to the execution of the surrender or the issue of the proclamation; and it was not until the 20th December, 1790, that the Land Board of Nassau first moved in the matter of the survey of the boundaries of the Indians' lands on the Grand River; and on the 3rd January following the surveyor to the Land Board was instructed to survey them; and on the 1st February, 1791, Captain Brant and the Indians agreed as to the manner by which the course of the boundary lines should be arrived at; and on the 4th of April, 1791, the surveyor laid before the said Land Board a survey of Indian lands on the Grand River from the mouth to about thirty miles above the Mohawk Village; also accounts for expenses incurred in ascertaining where a north-west line from the mouth of the little lake at the head of Lake Ontario would intersect the Grand River. This "little lake," it will be noted, is mentioned in the deed of surrender by the Mississaguas as that from which a line running north west was to be the eastern boundary of the tract surrendered.

On the 4th January, 1791, Lord Dorchester, Governor of the Province of Quebec, appointed a committee to report on the claims of certain Indians to lands assigned them on the Grand River. On the 24th December, 1791, this committee reported, and from the journal of their proceedings which accompanied their report, it appears that all information in the possession of the Land Board was placed at the disposal of the committee, as well as a copy of the surrender by the Mississagua Indians of 22nd May, 1784, and a copy of a letter from the said board to Mr. Secretary Motz, dated 26th February, 1791, in which the following words appear:—

"The grant of lands to the Indians of the Grand River extends to six miles on each side of that river from its mouth till a line running north-west from the mouth of the little lake at the west end of Lake Ontario shall traverse it." From the said journal it appears that the committee met on the 24th December, 1791, and the chairman presented Mr. Jones' survey of the lands on the Grand River promised to the Indians of the Mohawk Nation; the committee were of opinion that every precaution should be taken to preserve them in quiet possession and property of them; and submit that an Act of the Provincial Legislature, or a grant under the Great Seal of the Province of Canada be made in favor of the principal chiefs on behalf of their nation, or persons in trust for them for ever."

On the 14th of January, 1793, a grant—copy herewith—under the Great Seal was made to the Six Nation Indians, by Lieutenant Governor Simcoe, of lands on the

Grand River "in conformity with a certain survey made of the said tract and annexed to these presents * * * extending up the Grand River as far as the limit of the purchase from the Mississauga Nation" At the request of Capt. Joseph Brant, the survey of the boundaries of the Indian lands on the Grand River was completed by Deputy Surveyor Thos. Welsh and A. Jones, under instructions from the Surveyor General, dated 1st June, 1796; and in those instructions, Mr. Welsh was told to consult with Captain Brant, that the survey might be executed to his satisfaction; and in his field notes and diary of the survey, Mr. Welsh states that he was accompanied by Captain Brant in his operations.

On the 10th of March, 1798, the Hon. Peter Russell, President, wrote to Mr. D. W. Smith, Surveyor General, respecting the Indian lands at the Grand River, "that the courses of the boundaries had long since been determined with Captain Brant and other chiefs in Council, afterwards agreed upon and settled between General Simcoe and that chief, and were again surveyed during his (Mr. Russell's) administration, at the particular request of Captain Brant, by the surveyors chosen by himself, for which assistance he had received Captain Brant's unqualified thanks." From a report of the affairs of the Indians of Canada, made 24th June, 1847, it appears that the lands to the east and north of the purchase line of the Mississauga tract before referred to were not ceded to the Crown by the Indians until the year 1818, being some years after the date of the surrender made by the Mississauga Indians, and after the date of the proclamation of Sir Frederick Haldimand, and after the date of the surveys of the lands intended for the Six Nations, and after the date of the grant thereof by Lieutenant Governor Simcoe. On all the old maps in the Crown Lands Department the Indian lands referred to do not appear to extend beyond the purchase line run from the outlet of the little lake at the head of Lake Ontario by Deputy Surveyor Jones about the year 1791.

The Hon. the Commissioner of Crown Lands for the Province of Ontario, from whose report upon this matter the above facts are for the most part gleaned, concludes his report in the following words:—

"It appears from the foregoing that from the first the intention was to limit the Six Nations Indians' lands on Grand River to said purchase line, as witness Joseph Brant's signature as witness to the deed of surrender by the Mississauga Indians several months prior to the date of the deed by General Haldimand, and that the same was acquiesced in by Captain Joseph Brant and the other chiefs of the Six Nations Indians several different times subsequently. It also appears reasonable to conclude that at the time the proposal to locate the Six Nations Indians on the Grand River was made, all parties believed that the Grand River took its rise near the Thames, and that the grant made by General Haldimand was believed, both by himself and by the Indians, to be covered by said surrender; that the subject of the Indian lands at the Grand River has engaged the attention of the Government at different times during the last as well as the present century; that it is likely all information possible was obtained on the subject of the two deeds at those periods, when persons cognizant to the facts were living; that the boundaries of said tract were run out at the request and with the knowledge of Capt. Brant and the other chiefs; and that said boundaries never extended beyond said purchase line. As a matter of fact, the land beyond said purchase line was not purchased until the year 1818, and the purchase was made, not from the Mississaugas at all, but from the Chippewa Indians.

"It therefore appears to the undersigned that the discrepancy between the two deeds is only imaginary, as it does not appear that there was ever any intention to grant them more than they have already got and have enjoyed possession of for nearly a century.

"T. B. PARDEE, *Commissioner of Crown Lands.*"

It should be added that the Six Nation Council was fully informed of the facts above narrated by letter addressed to their superintendent on the 31st July, 1883. With reference to the other matter referred to in the memorial from the chiefs and other members of the Six Nation Indians dated 12th March, 1885, presented to His

Excellency by a deputation from their people, the burthen of which is set forth in the following terms:—

“ We refer to the Canadian Government, which does not recognize fully and looks upon the Six Nations as minors, and treats them as such, forming laws which apply to us, and which deprive us of the maintenance of our own constitution and the management of our own local affairs. This we believe to be at variance with our treaty rights.”

It appears from what was stated verbally by the speaker of the Six Nation Council on the occasion of the presentation of the petition to His Excellency that what the petitioners specially refer to in the above connection is the “ Indian Advancement Act, 1884.” But the Department of Indian Affairs in recommending, through its agents, the adoption of the Act in question by any of the more advanced tribes and bands of Indians was most careful to avoid any expression that would lead the Indians to conclude that the provisions of the Act were to be applied to them *volentes* and *volentes*. In fact it was left to themselves to adopt it or not as they might think proper.

All respectfully submitted,

L. VANKOUGHNET, *Deputy of the Supt. Gen. of Indian Affairs.*

GRAND RIVER RESERVATION, 21st April, 1885.

RIGHT HON. SIR,—On the 24th of March a delegation of chiefs (having been authorized by the Six Nations Council) proceeded to Ottawa to present a petition of right (pertaining to land belonging to the Six Nations Indians in the Township of Melancthon, &c.) to His Excellency Lord Lansdowne, Warrior Peter Hill accompanied this delegation merely as an attaché, having no authority or power given him from the Council of the Six Nations. He appeared before you on the 26th of March, when the chiefs composing the delegation were returning from their interview with His Excellency, and took upon himself the liberty of stating to you, certain things relative to the government of the Six Nations Indians (the forming of by-laws, &c.). We would therefore request you not to pay any attention to his statements as he had no authority from either the Six Nations Council or the Indians. We further beg leave to request you to consider that whenever a delegation is appointed by the Council to proceed to Ottawa, on any specific business, relative to the Six Nations Indians, that the members of that delegation are invariably chosen from among the chiefs of the Council, and not from the warriors.

I am, Right Honorable Sir, your humble servant,

Signed on behalf of the Six Nations Indians,

PHILIP C. GARLOW.

To the Right Hon. Sir JOHN A. MACDONALD, K.C.B., Premier of Canada.

APRIL 25th, 1885.

MY LORD,—In compliance with the command of His Excellency contained in a memorandum from your office of the 27th ultimo, with which were transmitted a copy of a despatch of the 29th of November, 1884, from the Secretary of State for the Colonies with its enclosures as well as memorials, dated respectively the 29th of June last, from the Six Nation Indians, and the 12th of March last from the chiefs and deputation of the Six Nations concerning certain alleged grievances of the Six Nation Indians, also copy of a document purporting to have been signed by Lord Dorchester and dated 20th September, 1788, relative to the right of the Six Nations to the lands covered by the grant from Sir Frederick Haldimand to them—all of which documents are returned herewith. I have the honor to forward a memorandum in respect to the grievances referred to in the memorials from the Six Nation Indians, also a copy of the grant under the Great Seal, dated the 14th of January, 1793, to the Six Nation Indians, by Lieutenant Governor Simcoe, of lands on the

Grand River which grant is *inter alia* referred to in the memorandum which I have prepared on the subject of the grievances aforesaid.

I have, &c.,

L. VANKOUGHNET, *Deputy of the Supt. Gen. of Indian Affairs.*
The Right Honorable VISCOUNT MELGUND, Governor General's Secretary.

GOVERNMENT HOUSE, OTTAWA, 29th April, 1885.

SIR,—I am desired by His Excellency the Governor General to acknowledge the receipt of your letter of the 25th of April instant, and the enclosed memorandum dated 15th of April, upon the subject of the petitions recently presented to His Excellency by the Six Nation Indians on the occasion of the interview of their deputation with him.

His Excellency would be glad to know from you whether in your opinion it would be advisable that the reply should be sent from his office or from your Department, to which it is obvious that the petition of the deputation would be referred.

The memorandum which His Excellency has read with much interest, seems to him to establish beyond all question that the memorialists are under a misapprehension with regard to the extent of their rights to land on the banks of the Grand River.

The whole of the documents referred to in the memorandum tend to show that the territory originally ceded to the Six Nations, and purchased for that express purpose from the Mississagua Indians, although originally described in language which obviously stood in need of subsequent definition as including an area of six miles deep from each side of the river up to its head, was in reality bounded by a line running from the mouth of Burlington Bay in a north-westerly direction until it intersected the Grand River.

It is clearly established by documentary evidence that Capt. Brant, who represented the interests of the Indians in these transactions, was aware that this was the extent of the lands transferred to the Six Nations, and that in point of fact the lands beyond the line in question were not ceded to the Crown until a date long subsequent to that of Sir Frederick Haldimand's proclamation, upon the wording of which the Six Nations now profess to rely.

The quotations given at page 9 of the memorandum from the report of the Commissioners of Crown Lands for the Province of Ontario, contains a perfectly clear and unanswerable recapitulation of the facts.

With regard to the other grievances set forth by the deputation, upon which, however, they do not appear to lay very great stress, it would probably be sufficient to point out to them, as you have done in the memorandum, that the Indian Advancement Act passed last year, to which it is presumed that their memorial points, would not be applied to the Six Nations in opposition to their clearly expressed wish to the contrary.

Perhaps as this matter is one immediately concerning your Department, you will have the goodness to prepare a draft of a reply which could be signed either by yourself or by the Governor General's Secretary as you might think best.

His Excellency thinks that it would be sufficient if the draft embodied a clear statement of the above propositions, and he would in any case be glad to see it before it is sent out.

I have the honor to be, Sir, your obedient servant,

CHARLES JONES, *for Governor General's Secretary.*

L. VANKOUGHNET, Esq., Deputy of the Superintendent General of Indian Affairs.

5th May, 1885.

SIR,—I beg to acknowledge the receipt of your letter of the 29th acknowledging the receipt of my letter of the 25th ultimo, and of the memorandum which accompanied it upon the subject of the petitions recently presented to His Excellency the

Governor General by the Six Nations Indians upon the occasion of an interview accorded a deputation from their Council by His Excellency.

In compliance with the command of His Excellency, I have prepared a draft of a reply to the memorials aforesaid, which I herewith enclose and I would respectfully submit that the letter based upon this draft or upon any other of which His Excellency may approve, should be signed by the Governor General's Secretary, as it would doubtless have more effect if sent direct from the Governor General's Office than were it to be dispatched from this Department, whence I may state a letter containing full information on this subject was forwarded on the 31st of July, 1883, to the Six Nations through their Superintendent.

I have, &c.,

L. VANKOUGHNET, *Deputy of the Supt. Gen. of Indian Affairs.*

CHAS. J. JONES, Esq., for Governor General's Secretary, Ottawa.

MIDDLEBURY, VERMONT, U. S., 3rd July, 1885.

DEAR SIR,—Herewith please find post office order for the sum of \$3.25 in payment for a second copy of "a patent from Governor Haldimand to Capt. Joseph Brant dated 25th October, 1784," the same grant as patent referred to in your communication to me bearing date 16th May, 1884, Form "E," File No. 36,539. I shall also esteem it a favor if you will have the kindness to inform me how and for what consideration the Six Nations of Indians made their several "Surrenders" of portions of the lands secured to them by this patent, back to the Crown. Also if there is any record in your office of a conveyance of any portion of this tract from Capt. Joseph Brant to one, Joshua G. Cozzens, of York, on or about the year 1796.

If the enclosed does not cover the expense, please inform me and I will remit the balance.

I am, very respectfully, your obedient servant,

THOS. H. McLEOD.

ROBERT SINCLAIR, Esq., Acting Deputy Superintendent of Indian Affairs.

20th July, 1885.

SIR,—In reply to your letter of the 3rd inst., enclosing the sum of \$3.25 for an additional copy of a patent from Governor Haldimand to Capt. Joseph Brant, dated 25th October, 1784, I now beg to enclose the copy asked for.

With regard to your application regarding the surrender of various portions of land secured to the Six Nations by the above mentioned grant I have to inform you that records in this Department show that the following surrenders have been made to the Crown by the Six Nations:—

15th January, 1798—381,400 acres to the Crown in trust to be sold for their benefit, executed by Joseph Brant for £44,867.

3rd August, 1826—15,360 acres to Hon. W. Claus in consideration or regard and affection.

19th April, 1830—807 acres absolute surrender to the Crown for 5s.

19th April, 1831—20,690 $\frac{3}{4}$ acres absolute surrender to the Crown, 5s.

8th February, 1834—850,212 acres in trust to be sold for their benefit.

26th March, 1836. Confirmation deed of all the foregoing.

2nd April, 1835—48,000 in trust to be sold for their benefit.

18th January, 1841—All available land except farms and 20,000 to be sold for their benefit.

There is no record in the Department of a conveyance of any portion of the tract referred to by Captain Joseph Brant to one Joshua G. Cozzens, of York, in the year 1769.

The sum of \$6.25 should have been sent by you instead of \$3.25 as you were advised by my letter of the 13th November, 1883.

R. SINCLAIR, *for Deputy Minister of Indian Affairs.*

MIDDLEBURY, VERMONT, U. S., 24th July, 1885.

SIR,—Referring to your letter bearing date the 20th of July, 1885, No. 36,539, enclosing copy of grant by Governor Haldimand to Capt. Joseph Brant and the Six Nations of Indians, with the dates and considerations of the several surrenders of the same.

I thank you for your kindness in sending me the information respecting these surrenders, it being the very thing I wanted, but I am sorry to inform you that the copy was not of the grant I desired, though the one I did receive is important to me as establishing an historical fact. The copy I wanted was of the royal patent issued by Governor Haldimand to Capt. Joseph Brant and the Five Nations of Indians, bearing, I think, the same date as the above, though in this I may be mistaken, and recorded in liber A., folio 8 of royal land grants in Quebec, a certified record copy of which was sent up to your office where it now is, and from which the former copy I received and referred to in your communication of the 13th of October, 1883, was taken. This copy having passed out of my hands, I preferred to obtain a second copy rather than to wait the necessary time to have the first returned to me. If you will have the kindness to furnish me with this second copy, I shall esteem it a favor and cheerfully remit the necessary fees as well as the balance due for the last one you sent. By some oversight I supposed that \$3.25 was the fees paid for the first copy.

Respectfully yours,

THOS. H. McLEOD.

L. VANKOUGHNET, Esq., Deputy of the Supt. Gen. of Indian Affairs.

14th August, 1885.

SIR,—I have to acknowledge the receipt of your letter of the 24th ult., and in reply to inform you that a copy of the grant from Governor Simcoe to the Six Nation Indians is enclosed herewith, as it is of that deed you evidently want a copy, and not of the grant from Governor Haldimand, as there was only one grant from the latter Governor, a copy of which was sent you on the 20th ult.

R. SINCLAIR, for Deputy Supt.-Gen. of Indian Affairs.

THOS. H. McLEOD, Esq., Middlebury, Vermont, U.S.

Earl Granville to the Governor General.

DOWNING STREET, 3rd May, 1886.

MY LORD,—I have the honor to acknowledge the receipt of Your Lordship's despatch, No. 66, of the 9th of March, transmitting a copy of a letter, addressed by your direction to the chiefs of the Six Nation Indians, with one which they have addressed to me through the chief, William Smith, of Brantford, in connection with their claim to certain land on the banks of the Grand River, alleged to have been ceded to them in 1784.

Your Government will, no doubt, agree with me that it will be for the general advantage that this claim of the Indians, which, from their point of view, involves a sense of injustice at the hands of the Dominion Government, should be openly investigated, and that a decision should be arrived at upon it, in order that the matter may be finally set at rest. The Indians, in fact, desire that such an enquiry should be held, for they request that their claim may be submitted to the Privy Council.

I do not feel able to advise Her Majesty to exercise her power under the Act 3 and 4 William IV, cap. 41, and to refer this matter to the Judicial Committee of the Privy Council, seeing that the request is made only at the instance of one party to the dispute, and that there is no statement of ascertained facts upon which that tribunal could come to a decision. I shall, however, be prepared to advise Her Majesty so to refer the matter, if such is also the desire of the Dominion Government, and if both parties will agree upon a statement of the facts, in the form of a special case, which can be argued by counsel before the Judicial Committee.

At the same time I would suggest, for the consideration of both the Dominion Government and of the Indians, whether a decision might not be equally well obtained by the arbitration of three independent and impartial persons, of whom one might be selected by the Governor General, and one by the Indians, the third being chosen either by both parties conjointly, or if so desired, nominated by the Secretary of State; and in that case it would be possible to send some one from this country, if such a course were thought desirable and provided Her Majesty's Government were not put to expense in the matter. A board of arbitration of this nature might assemble and dispose of the matter before the end of the coming autumn and probably at less expense than would be involved in a hearing before a Judicial Committee of the Privy Council.

I have, &c.,

GRANVILLE.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, 29th May, 1886.

MEMORANDUM.—With reference to the despatch from the Right Honorable the Secretary of State for the Colonies to His Excellency the Governor General, of date the 3rd instant, respecting the alleged claim of the Six Nation Indians to certain lands which would appear to be covered by the grant made to them by Sir Frederick Haldimand, Governor of the Province of Quebec, on the 25th of October, 1784, but which were not included in the subsequent grant of land made to those Indians by Lieutenant Governor Simcoe, on the 14th of January, 1793, the undersigned begs to refer the Superintendent General to a memorandum, which will be found among the papers on this file, dated the 15th of April, 1885, which gives a history of the matter of the title of the Six Nation Indians to their lands on the Grand River in the Province of Ontario, also to a letter from the Crown Lands Department of Ontario, dated the 27th of June, 1883, in respect to the territory in dispute; likewise to a despatch from the Governor General's Office, dated the 29th of April, 1885, which contains His Excellency's views in respect to the claim aforesaid of the Six Nations.

It will be for the Superintendent General to decide after reading these documents whether a recommendation should be made that the Government consent as suggested by the Colonial Secretary to a special case being prepared for argument by counsel before the Judicial Committee of the Privy Council, or for the arbitration of three

independent and impartial persons to be selected in the manner suggested in the despatch from the Colonial Secretary.

L. VANKOUGHNET, *Deputy of the Supt. Gen. of Indian Affairs.*
To the Right Hon. Sir JOHN MACDONALD, G.C.B., Supt. Gen. of Indian Affairs.

THE SIX NATIONS IN COUNCIL.

6th July, 1886.

PRESENT :

The Visiting Superintendent, Interpreter and forty chiefs.

Council opened by Chief John Buck, who reports all is well upon the reserve.

The superintendent expressed his pleasure upon again being with them, and congratulated all upon the fine weather, and favorable harvest prospects.

He will be pleased to receive any announcements of decisions since he was last here.

The Speaker announces the desire of the Council to send a deputation of three of its members to England to communicate with the Imperial Government in respect to the claim of the Six Nations to lands to the north of the Township of Nichol, as satisfaction cannot be obtained from the Dominion Government; that such deputation shall consist of Chiefs John Buck, William Smith, and the Interpreter, Chief J. G. Smith, and that the sum of \$300 be granted for their expenses.

The above minute having been read, it is approved.

The superintendent expressed his regret they should give such an opinion of the Dominion Government, when they so well knew the interest and care of that Government in their behalf, while they also know that the present Minister of Indian Affairs, Sir John Macdonald, will do all in his power for them; but with regard to this land question, the matter has been long since settled, and he feels quite certain a deputation to England would not be attended with any other result, other than again referring them to the Dominion Government.

He knew the history of the grant of their lands, and he would be pleased if he could hold out any hope of adding some thousands of acres to their estate.

He will, of course, send and draw attention to their minute, and inform them of the reply.

A long discussion took place with regard to the application of Mrs. F. O. Dee for a small piece of land opposite her farm in Onondaga, across the road upon the river bank, now in the occupation of a white named Young, Mrs. Dee representing it belongs to her lot, No. 61.

The Superintendent took occasion to observe that the piece of land referred to he understands was claimed by the Grand River Navigation Company, as within the tow-path limits, and that the company have received rent for the same. Not long ago he had again written the Department in respect to the removal of the Caledonia dam, and in connection to the fairness of a return to the Six Nations of all unused lands, obtained by the said company from the Six Nations, the object of the company having failed. Difficulties are in the way which might not be overcome.

The speaker reports that in accordance with a previous minute of council, plans and specifications were prepared by their instructor, for ditching and grading the road in front of lots 13, 14 and 15, 2d concession, Tuscorora; that tenders for the work were invited and nine received, ranging from \$300 to \$725. That of the two for \$300, Isaac Dunlop's accepted.

The superintendent explained the action of the school board in regard to the application for a supply of firewood for the Methodist Red Line School, declining to do so until some more satisfactory arrangement is arrived at in regard to schools and sections, and that the Wesleyan Conference may be induced to join the school board, that the school system may be uniform, the sections to be such that the convenience of the people and children may be studied.

He applied to those of the Methodist schools to give their influence that the committee of conference may be induced to act with the school board.

He had visited both schools, which are without locks, and all exposed to any mischievous visitor.

The speaker reports the decision of the Council, that in consequence of improper conduct in connection with the wife of another, and in the use of intoxicating liquor, by Josiah Hill, he be deposed from the position of chief, and that his services as secretary of the Council of chiefs be dispensed with.

The speaker reports that a Mrs. David Macdonald and family are a nuisance upon the reserve, in the dwelling occupied by Mrs. Joseph Murdock on s $\frac{1}{2}$ lot 19, 1st concession, Tuscorora, and the Council desires the superintendent will be pleased to remove the said family off the reserve.

J. T. GILKISON, I. S. & C.

BURTON P. O., 7th July, 1886.

HON. SIR,—I have the honor to inform you that at a meeting of the Six Nation Indians in Council held yesterday, it was resolved to ask the Superintendent General for the sum of \$300 of the General Fund, for the purpose of defraying the expenses of a deputation to England to present the claim to certain lands on the Grand River, to which we are entitled under the grant of Sir Frederick Haldimand in 1784. The visiting superintendent, Mr. Gilkison, was present at the meeting and was informed of the decision of the Council, which, no doubt, he will duly forward to the Department, but the Council were anxious that the matter should be brought to your attention without delay, and that action should be taken at once.

The deputation so appointed were Chief John Buck, A. G. Smith, and myself, and we would wish to know the answer to the request as early as convenient so as to make the necessary preparation.

Your obedient servant,

WILLIAM SMITH, *Mohawk Chief*.

To the Superintendent General of Indian Affairs, Ottawa.

INDIAN OFFICE, BRANTFORD, 8th July, 1886.

SIR,—Attached are these minutes of council, referring to which :

1st. All is well upon the reserve, and the crops prospect are promising.

2nd. The council desire to have a deputation from their number to proceed to England and wait upon Her Majesty's Government in respect to their claim for lands north of those which were granted them by the Imperial Government, and they desire your assent, together with the money for the expenses of the deputation.

3rd. The question as to a small piece of land upon the river bank, claimed by Mrs. F. O. Dee, as part of river lot 61, Onondaga; but on the other hand claimed within the tow-path of the once Grand River Navigation Company.

4th. A tender accepted for ditching and grading, plans, &c., to be forwarded to you.

5th. Some remark as to schools.

6th. The council have deposed and dispensed with the services of their secretary, Chief Josiah Hill, a serious loss to him, and a loss to the chiefs, as an efficient and useful officer.

7th. A Mrs. David Macdonald and family having become a nuisance to a Mrs. Murdock, and as they won't leave, the Council desire my authority, and probably a written notice will have the desired effect.

J. T. GILKISON, *I. Supt. & Commissioner*

The Hon. the Supt. Gen. of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, 9th July, 1886.

MY DEAR SIR JOHN,—I forward you a letter received this morning from Chief William Smith of the Six Nation Indian Council, in which he states that the Council

have voted \$300 out of the Six Nation funds to defray the expenses of a deputation to England relative to their claim to a quantity of land under the grant by Governor Haldimand. You have all the papers before you in this matter. They were sent to you on the 29th May last, and the file number is 36,539.

It appears to me that it would be useless for a deputation of chiefs to visit England on such a mission, as the Imperial Government have, you will observe from the correspondence, virtually declined to give a decision respecting the same, and they have all the facts before them.

Faithfully yours,

L. VANKOUGHNET.

The Right Honorable Sir JOHN A. MACDONALD, G.C.B., Earnscliffe.

14th July, 1886.

DEAR CHIEF,—I am directed by the Superintendent General of Indian Affairs to acknowledge the receipt of your letter to him of the 7th instant, relative to the resolution passed by the Six Nations for the purpose of defraying the expenses of a deputation to England to present the claim to certain lands on the Grand River to which they claim to be entitled under the grant of Sir Frederick Haldimand. The Superintendent General desires me to say, in reply to your communication, that the Imperial Government has been in communication with the Dominion Government on the subject of said claim, and that the Imperial Government transferred the matter to the Dominion Government for settlement; that as soon as he returns from the North-West Territories he will give the question full consideration, that it would be useless at the present time for a deputation from the Six Nations to visit England in the matter, for, amongst other reasons, that it is not known what Government will likely be in power in England, and it will not be known for some time to come, that consequently there would be no action taken in England on the representations of any deputation.

I am, Sir, your obedient servant,

L. VANKOUGHNET, *for Supt. Gen. of Indian Affairs.*

Chief WILLIAM SMITH, Burch P. O., Ont.

SIR,—In reply to your letter of the 21st instant, with reference to the application of the Six Nation Council for the sum of \$300 to defray the expenses of a deputation of three members of the council to England, I have to refer you to official letter of the 23rd instant, informing you of the reasons why a deputation should not go to England in regard to the alleged claim of the Six Nation Indians to certain lands on the Grand River.

I am, yours, &c.,

W. A. AUSTEN.

J. T. GILKISON, Esq., Indian Superintendent, Brantford, Ont.

23rd July, 1886.

SIR,—I have to acknowledge the receipt of your letter of the 8th instant with minutes of the Six Nation Council held on the 6th instant, and in reply I have to

inform you that as regards the desire of the Council to have a deputation sent to England to present their claims to certain lands on the Grand River to which they allege they are entitled under the grant from Sir Frederick Haldimand, I informed Chief William Smith on the 14th instant of the decision of the Superintendent General in regard to this matter, which was to the effect that the Imperial Government are in communication with the Dominion Government of the subject of said claim, the Imperial Government having transferred the matter to the Dominion Government for settlement, and that as soon as the Superintendent General returns from the North-West he would give the question full consideration and that it would be useless at the present time for a deputation from the Six Nations to visit England in the matter, for amongst other reasons that it is not known what Government will likely be in power in England, and it will not be known for some time to come, and that consequently there would be no action taken on the representations of any deputation.

You will please report fully on the charges against chief and secretary Josiah Smith.

DEPARTMENT OF INDIAN AFFAIRS, Ottawa, 2nd August, 1886.

MEMORANDUM.—The attached memorandum from the Governor General's Secretary, dated the 23rd ult., calls the attention of the Privy Council, by direction of His Excellency the Governor General, to a letter dated the 7th ult., informing His Excellency that Chief Wm. Smith, Chief John Buck, and A. G. Smith had been appointed a deputation to proceed to England in connection with the claim of the Six Nation Indians to certain lands on the banks of the Grand River, alleged to have been ceded to them in 1784, and requesting an introduction to the Secretary of State for the Colonies. The Governor General's Secretary further states that His Excellency, before encouraging the deputation to proceed to England and giving them a recommendation to the Secretary of State, would like to know the opinion of his advisers in regard to the suggestion contained in Lord Granville's despatch, No. 120, of the 3rd May last, a copy of which was communicated to the Privy Council on the 22nd of the same month, and it is also transcribed in the memorandum from the Governor General's Secretary now under consideration, from which it appears to His Excellency that, if such arbitration as that proposed in the despatch from the Colonial Secretary were resorted to, there would be no occasion for the visit of a deputation to England.

Attention is drawn to a letter written by His Excellency's direction to the Chiefs of the Six Nation Indians, dated the 11th May, 1885, a copy of which is appended to the memorandum from the Governor General's Secretary wherein the facts of the case in regard to the supposed claim of their people to the land in question were fully set out.

His Excellency invites the early attention of Council to this matter, as he has deferred answering the applicants pending its decision.

The undersigned begs to report that he is informed that previously to the departure of the Superintendent General of Indian Affairs for the North-West Territories and British Columbia, the Superintendent General received a letter from Chief William Smith, reporting that a resolution had been passed by the Six Nation Indians' Council, that the deputation referred to in the memorandum from the Governor General's Secretary should proceed to England on the mission described in

the memorandum, and asking that an amount to defray the expenses of the deputation might be contributed from the Six Nation Indian Fund.

The Superintendent General directed a reply to be sent to Chief William Smith to the effect that the Imperial Government had been in communication with the Dominion Government on the subject of said claim, and that the Imperial Government had transferred the matter to the Dominion Government for settlement, and that as soon as he (the Superintendent General) should return to Ottawa he would give the question full consideration; that it would be useless at the present time for a deputation from the Six Nations to visit England in the matter, for among other reasons the probability of a change of Government in that country and the consequent delay that must ensue would prevent action being taken in England on the representations of a deputation. The Indian Superintendent at Brantford was also instructed to inform the Six Nation Indian Council to the same effect.

The undersigned is further advised with reference to the despatch No. 120, of the 3rd May last, from the Colonial Secretary, referred to in the memorandum from the Governor General's Secretary, that the same was referred by the Honorable the Privy Council to the Superintendent General of Indian Affairs and that it was under the consideration of the Superintendent General up to the time that he left for the North-West, and as stated above, further consideration of the question was postponed by the Superintendent General until his return to Ottawa.

In view of the facts above described the undersigned respectfully recommends that further action in this matter be deferred until the return of the Superintendent General.

L. VANKOUGHNET, *for Supt. Gen. of Indian Affairs.*

To the Hon. the Privy Council of Canada.

CERTIFIED COPY of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Administrator in Council on the 14th August, 1886.

On a memorandum, dated 2nd August, 1886, from Sir Hector Langevin for the Superintendent General of Indian Affairs, with respect to a letter dated the 7th ultimo from Chief William Smith of the Six Nations Indians, stating that a deputation had been appointed to proceed to England in connection with the claim of those Indians to certain lands on the banks of the Grand River alleged to have been ceded to them in 1754.

In view of the fact that the above matter was under the consideration of the Superintendent General of Indian Affairs up to the time he left for the North-West, Sir Hector Langevin recommends that further action be deferred until the return of the Superintendent General of Indian Affairs to Ottawa.

The Committee submit the above for Your Excellency's approval.

JOHN J. MCGEE, *Clerk Privy Council.*

To the Honorable the Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, Ottawa, 28th August, 1886.

MEMORANDUM.—The undersigned begs to submit herewith correspondence which has taken place between the Department and its superintendent at Brantford, relative to the proposed delegation of Six Nation Indians to England, with the object of urging upon the Imperial Government their claim to additional land, under the deed from Sir Frederick Haldimand; also an Order in Council, of the 14th instant, on a memorandum from the Governor General's Secretary, relative to a despatch received by His Excellency from the Colonial Secretary on the same subject.

The said Order in Council recommends that further action in the matter be deferred until the return of the Superintendent General of Indian Affairs to Ottawa.

The undersigned begs to state that the papers upon which the correspondence originated are before the Superintendent General, being contained in the file 36,539.

L. VANKOUGHNET, *Deputy Supt. Gen. of Indian Affairs.*

To the Right Honorable Sir JOHN MACDONALD, G. C. B.,
Superintendent General of Indian Affairs.

EARNSLIFFE, OTTAWA, 9th December, 1886.

DEAR MR. VANKOUGHNET,—Sir John wishes to know if you have the despatch from Lord Granville relative to the petition or claim of the Six Nation Indians.

Yours very truly,

JOSEPH POPE.

L. VANKOUGHNET, Esq.

3rd January, 1887.

MEMORANDUM.—With reference to a despatch from the Right Hon. Earl Granville, Secretary of State for the Colonies, dated 3rd May, 1886, on the subject of a claim preferred by the Six Nations Indians to certain lands on the banks of the Grand River, which claim they desire to be submitted by Her Majesty to the Judicial Committee of the Privy Council, the undersigned has the honor to state that as Lord Granville had informed Your Excellency that he was not prepared to advise such submission, the Indian Department did not consider any action on the despatch necessary.

The undersigned however having had his attention called to the subject by Your Excellency begs leave to report that in his opinion,

1. It is extremely inexpedient to deal with the Indian bands in the Dominion (except those inhabiting the territories acquired from the Hudson's Bay Company) as being in any way separate nations. They are governed by Canadian statutes, and for any wrongs or grievances have the right of recourse to the legal tribunals of the country as fully and readily as their white fellow-subjects, which right they do not hesitate to exercise.

2. As Indians are inveterate grumblers, if it were once known that this application had been granted there would be no end of similar demands by other bands, a refusal of which would cause much discontent. It would be difficult, if not impossible to make another tribe understand why it should not receive the same consideration as the Six Nations, and great consequent jealousies and heart-burnings ensue.

3. Should the Six Nations be dissatisfied with the judgment of a Canadian court, they have the right to appeal to the Judicial Committee of the Privy Council, according to the practice of that court.

4. As the claim of the Six Nations rests on legal considerations and affects the title to land, it can more properly be determined by a court of law than by arbitration, and they are well able to bear the expense of the necessary litigation, which need not be more costly than a reference, and would be much more satisfactory.

5. The introduction of a new practice of submitting Indian claims in the first instance to the Judicial Committee would operate as a complete change in the manner in which the Indian races have hitherto been dealt with, and would establish a distinction between them and the other inhabitants of Canada. This is very objectionable, as the great aim of our legislation has been to do away with the tribal system and assimilate the Indian people in all respects with the other inhabitants of the Dominion, as speedily as they are fit for the change.

6. The present claim of the Six Nations has no merits, and does not deserve any exceptional consideration.

All which is respectfully submitted.

J. A. MACDONALD.

To the Hon. the Privy Council of Canada.

CERTIFIED COPY of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Governor General in Council on the 6th January, 1887.

The Committee of the Privy Council have had under consideration a despatch, dated 3rd May, 1886, from the Secretary of State for the Colonies on the subject of a claim preferred by the Six Nation Indians to certain lands on the banks of the Grand River, which claim they desire to be submitted by Her Majesty to the Judicial Committee of the Privy Council.

The Right Honorable the Superintendent General of Indian Affairs states that as Lord Granville had informed Your Excellency that he was not prepared to advise such submission, he did not consider any action on the despatch necessary.

The Superintendent General of Indian Affairs, however, having had his attention called to the subject by Your Excellency, is of opinion :

1. It is extremely inexpedient to deal with the Indian bands in the Dominion (except those inhabiting the territories acquired from the Hudson's Bay Company) as being in any way separate nations. They are governed by Canadian statutes, and for any wrongs or grievances have the right of recourse to the legal tribunals of the country as fully and readily as their white fellow subjects, which right they do not hesitate to exercise.

2. As Indians are exceedingly persistent in asserting their real or supposed rights, if it were once known that this application had been granted, there would be no end of similar demands by other bands, a refusal of which would cause much discontent. It would be difficult, if not impossible, to make another tribe understand why it should not receive the same consideration as the Six Nation Indians and great consequent jealousies and heart-burnings would ensue.

3. Should the Six Nation be dissatisfied with the judgment of a Canadian court, they have the right to appeal to the Judicial Committee of the Privy Council, according to the practice of that court.

4. As the claim of the Six Nations rests on legal considerations and affects the title to land, it can more properly be determined by a court of law than by arbitration, and they are well able to bear the expense of the necessary litigation which need not be more costly than a reference and would be much more satisfactory.

5. The introduction of a new practice of submitting Indian claims in the first instance to the Judicial Committee would operate as a complete change in the manner in which the Indian races have hitherto been dealt with and would establish a distinction between them and the other inhabitants of Canada. This is very objectionable, as the great aim of our legislation has been to do away with the tribal system and assimilate the Indian people in all respects with the other inhabitants of the Dominion as speedily as they are fit for the change.

6. The present claim of the Six Nations has no merits and does not deserve any exceptional consideration.

The Committee concurring in the above recommendation, submit the same for Your Excellency's information.

JOHN J. MCGEE, *Clerk Privy Council.*

To the Right Hon. the Superintendent General of Indian Affairs.

CORRESPONDENCE BETWEEN DEPARTMENT OF THE INTERIOR AND THE CANADIAN PACIFIC RAILWAY.

DEPARTMENT OF THE INTERIOR, OTTAWA, 28th April, 1887.

SIR,—I have the honor to submit the following summary of the contents of the papers herewith, being copies of the correspondence between this Department and the Canadian Pacific Railway Company, and other papers relating thereto, during the past year and comprising the Return which by a resolution, passed on the 20th February, 1882, is to be presented each year to the House of Commons within fifteen days from the opening of the Session.

As the correspondence which is above referred to relates to several subjects affecting the Canadian Pacific Railway, and is therefore kept on separate files in this Department, I have thought it best for easy reference, to have the return prepared in several distinct parts, the copies of correspondence and of other papers which form each of those parts being copies of the originals, on file here, that relate to these subjects respectively.

The Return has therefore been divided into parts, which are as follows:—

(I.)—DONALD TOWN-SITE.

The correspondence in regard to this subject commences with a letter, dated the 16th July, 1886, from Mr. Drinkwater, the Secretary of the company, to Mr. Hall, the Secretary of this Department, enclosing a copy of a plan showing the land required by the company, at Donald, for Station grounds, and also requesting for the reasons stated in that letter, that the town be placed under the control of the company.

On the 9th August following Mr. Drinkwater by telegraph asked attention to the subject in question and was informed on the next day by telegraph that it would be brought to your attention at the earliest opportunity; and on the 3rd September following, you informed him that as the result of a personal examination, made during a recent visit to British Columbia, you were willing to convey to the company a reasonable area for station grounds and for office purposes.

In the next letter, dated the 15th of the month last mentioned, and addressed by you to Mr. Van Horne, the General Manager of the company, is set forth the terms upon which the grant to the company, of the lands at Donald would be made; and on the 17th of the same month you advised Mr. Drinkwater, by telegraph, in reply to a telegram from him of that date, that the company would receive for station grounds the area authorized by contract, and would be allowed to purchase other lands required on reasonable terms, conditional upon the company's arranging with squatters.

By a letter dated the 27th September last, a plan enclosed therewith, and a letter from the company's manager of construction, the land which the company desired to obtain is defined; and on the 8th October following, the company is informed that of the area so applied for the company will receive free, under their charter, so much as the Department of Railways and Canals may decide to be sufficient, and will be permitted to purchase the remaining area at \$2.50 an acre, the regulation price, subject, however, to the settlement of squatters' claims, and also that they will sell to Mr. Stipendiary Vowell a certain piece of land, at a price not exceeding \$100.

On the 4th December last, Mr. Hall wrote to Mr. Drinkwater, and asked to be advised whether the company accepted the boundary of their area, as decided by the Department of Railways; and on the same day Mr. Drinkwater addressed a letter to me, asking to have the matter closed by an official communication.

In a letter from Mr. Drinkwater, dated the 9th of the month last mentioned, the company express their acceptance, and request a conveyance of the lands.

As the plan of the survey of such lands, which was prepared by Mr. John Swan, D.L.S., was not sufficiently definite to enable the Department to proceed with the preparation of a patent (*vide* memo. of the 5th January last, from Mr. Hall to the Surveyor General, and of the reply of the latter of the 8th of that month), Mr. Hall, by his letter of the 23th of the same month, so informed Mr. Drinkwater, and enclosed a copy of the necessary instructions for another survey, by any Dominion lands surveyor, at the company's expense.

(II.)—WESTERN BOUNDARY OF THE CANADIAN PACIFIC RAILWAY COMPANY'S LAND GRANT.

The first of this part of the Return is a copy of a letter dated the 22nd January, 1886, enclosing a draft of the agreement, in duplicate, defining the above-mentioned boundary, and referring to a letter, of which a copy has been included in the Return, for easy reference, dated the 29th May, 1885, to you from the solicitor of the company, to whom the above-mentioned letter of the 22nd January, 1886, is addressed. By my letter of the 23rd February following, the completion of the agreement in question was pressed; and on the 3rd March following, or rather under cover of a letter of that date, addressed to me by Mr. Drinkwater, the agreement, in duplicate, duly executed by the company, was returned to the Department, when it was afterwards signed by you on behalf of the Government. After the copies of the

above-mentioned letters, and of this agreement, follows a copy of a letter which I addressed to Mr. Van Horne on the 9th March, 1886, in which I drew attention to the completion of the agreement between the Government and the company, and asked that the quarter-sections at each of the company's stations between this boundary and the summit of the Rocky Mountains, for which they wished patents, be designated with the least possible delay. On the 13th of that month Mr. Douglas, the assistant secretary of the Department, forwarded to Mr. Drinkwater one original copy of the agreement in question; and on the 17th of the same month Mr. Douglas wrote to Mr. Drinkwater, requesting the company to forward a plan showing the location of the company's right of way, from the 8th meridian to the summit. This last mentioned letter was answered on the 3rd May following, and the plan is therein mentioned as being in course of preparation. By Mr. Douglas' letter of the 10th May last, the company were requested to furnish descriptions of the lands at their several station grounds, at the earliest possible moment.

By a letter dated 28th May last Mr. Drinkwater advised the Department that it was impossible to furnish a correct plan of the line from Calgary to the summit, and explained the cause of delay. This communication I acknowledged on the 5th June following by a letter in which I advised Mr. Drinkwater that I would have a consultation with the Surveyor General as to a mode by which the selection of lands for their stations between the western limit and the summit could be made without further delay.

On the 7th June last Mr. Drinkwater asked, by telegraph, how far the township lines had been surveyed towards the summit, and up to what point westward the section lines had been surveyed, as he and Mr. McTavish, the Company's Land Commissioner, were endeavoring to have a proper location of the line prepared from existing surveys.

I gave him the required information by telegraph on the next day; and on the 11th of the same month I enclosed him a copy of a memorandum from the Surveyor General, the result of the consultation before referred to.

With a letter from Mr. Douglas to Mr. Drinkwater, dated the 28th June last, were forwarded two copies of a plan showing all lands allotted to the company in the "forty-eight mile belt" between the points mentioned in that letter.

With the letter of the 20th September last Mr. Drinkwater forwarded a copy of the plan of the line from Calgary to the summit, and this letter was acknowledged by Mr. Hall on the 23rd of the same month.

On the 23rd November last Mr. McTavish advised me that cases were constantly arising where the company, after disposing of certain lands on the supposition that such lands fell to the company under their charter, were applied to by individuals who claimed the lands in question from the Government. Mr. McTavish by this letter requested that full lists be furnished to the company by this Department of all lands to which, by the records of the Department, the company are actually entitled under their charter.

On the 18th February last Mr. Drinkwater asked to be furnished with a copy of the plan of the company's line between Calgary and the summit, and was informed in reply on the 1st March that this request would be complied with.

The remainder of this part of the Return consists simply of the routine correspondence which has passed between this Department, its agents, and Mr. McTavish, since the receipt here of the letter from Mr. McTavish of the 23rd November last with regard to the preparation of the lists of lands therein referred to. These lists are, of course, very voluminous, and, as will be seen by the correspondence, have been sent to the several agents to be checked with the entries in their books. Consequently, it has not been considered necessary to include in this return copies of these lists. Their presence would not add to the value of the Return, their preparation would of course entail considerable expense, and they would necessarily be incomplete. This remark is also applicable to several lengthy plans of the line, of which copies have not been furnished with the Return.

I may here state that in no part of this Return is included copies of any correspondence between the Department of Railways and Canals and this Department, as such copies are included in that portion of the Return which the Minister of that Department presents to the House.

III.—*Re* LANDS WITHIN THE COMPANY'S BELT LEASED FOR GRAZING PURPOSES.

The first document of this part of the Return is a copy of a letter from Mr. Drinkwater to myself, dated the 17th March, 1886, in which he asks for a memorandum with map of all existing leases of lands in the company's belt, describing the lands and giving the date of each lease. A mode of arriving at a settlement between the Government and the company of the revenue or rental from those lands is suggested in this letter. This letter was acknowledged on the 23rd of the same month; and under cover of a letter dated the 12th April, following, the plan and schedule so asked for were furnished. In this letter of the 12th April, 1886, Mr. Drinkwater was advised of the decision arrived at with regard to the suggestion made by him, for the Company, as to the settlement of the rental before referred to.

The remainder of this part of the Return is composed of copies of the routine letters which have passed between the Department and the Company in regard to the above subject; a copy of the form of lease of lands for grazing purposes, in use by the Department, and copies of the several schedules which are prepared from time to time by the Department, giving the names of lessees of grazing lands and other particulars in regard thereto.

IV.—TIMBER CUTTING BY OR FOR THE COMPANY ON LANDS IN BRITISH COLUMBIA.

This part of the Return consists of copies of correspondence relating to above subject.

By a letter dated the 1st January, 1886, the Crown timber agent drew your attention to the waste of timber resulting from the cutting thereof by persons, without authority from this Department, who on detection professed to be cutting for the company's purposes.

On the 18th January, 1886, the Crown timber agent asked for authority to permit the company to take ties for Coal Harbor extension from Dominion lands. Such authority was granted by the telegram of the 22nd of the same month.

Two telegrams, one dated the 27th of January, 1886, and the other the 1st of February following, were received from the Honorable Joseph W. Trutch, in which it is stated that the company's solicitor claims that the company have the right to cut timber for ties on Dominion lands, and also asks for permission to cut cordwood on such lands.

A copy of my memorandum to you of the 26th November, 1885, comes next in the Return, as a copy of it was not brought down with last year's Return, and as the subject in question is very fully dealt with, and the memorandum is referred to in another, dated the 11th February, 1886.

Copies of another memorandum which I addressed to you on the 20th February, 1886, upon the subject, and of several letters from the Honorable Mr. Trutch and the company's solicitor, follow, and then comes a copy of a letter to you from the Minister of Justice, containing his opinion as to the powers which are conferred on the company by section 19 of chapter 1 of the Dominion Statutes of 1881.

On the 1st March, 1886, I advised the Honorable Mr. Trutch, by telegraph, in the matter.

The remainder of the correspondence which comprises this part of the Return consists principally of copies of routine correspondence upon the subject, excepting the letter of the 27th August last, from the Crown timber agent, and my memorandum of the 4th September following, submitting that letter to you, both of which relate to the question as to whether the company's line from Port Moody to Vancouver is a branch of their main line, as claimed by the company, or an extension, as claimed by the settlers. A copy of my letter of the 21st September last to the Deputy Minister of Justice, asking his opinion upon the above question, and his reply of the

5th October last, may also be here noted, as well as a further letter to the Deputy Minister of Justice, dated 22nd March last, and his reply of the 7th instant.

V.—TIMBER BERTHS ON KICKING HORSE RIVER, &c.

This part of the Return consists of: (a) copies of certain routine correspondence which has passed between the company and the Department in regard to the leasing of timber berths along the line of their railway in British Columbia, a copy of the Departmental regulations governing the disposal of such berths; and also, (b) copies of other routine correspondence respecting tenders for certain timber berths in British Columbia, as well as a copy of a plan showing them.

VI.—MISCELLANEOUS.

This part of the Return consists of: (a) copies of all other correspondence, applications and other papers that have passed between the company and the Department since the Return of last year, and, with the following exceptions, is of a purely routine nature, being in regard to the issue and delivery of patents for lands falling to the company, and exchanges of lands between the Government and the company for the convenience of settlers.

The exceptions referred to are shortly:—

(b.) Copies of three letters and of two plans respecting that portion of the northern boundary of the Canadian Pacific Railway Company's "twenty-four mile belt," which lies between Lake Manitoba and the line between ranges 15 and 16 west of the 1st meridia n.

(c.) Copies of a number of letters from Mr. J. A. M. Aikins, Solicitor at Winnipeg of the company, in regard to the ownership of certain lands respectively situated in several of the parishes in the Province of Manitoba, and copies of the Departmental replies to Mr. Aikins' letters.

(d.) A copy of a letter dated the 30th September, 1886, from Mr. Hall to Mr. Drinkwater, and a copy of Mr. Drinkwater's reply, with a copy of his letter of the 11th October, 1884, stated in Mr. Drinkwater's first mentioned letter to be enclosed therewith, respecting additional ground for station purposes and the business of the company generally at the city of Winnipeg.

(e.) A copy of a letter dated the 28th April, 1886, from the Deputy Minister of Finance, respecting the depositing of moneys earned by the company as postal subsidy and for transport service, and copies of the routine Departmental correspondence arising from that letter.

(f.) A copy of a letter dated the 23rd November, 1886, from Mr. Drinkwater respecting the reservation in patents, issued by the Department, of the right of way of the company's line, and a copy of my letter of the 3rd May following in reply, as well as copies of several later letters relating to the same subject.

(g.) A copy of a letter dated the 22nd July last, from the Assistant Deputy Minister of Finance notifying the Department of the payment by the company of certain instalments, with interest, in accordance with the provisions of 49 Victoria, chapter 9, a copy of Mr. Hall's reply of the 9th of August following, and copies of several departmental letters having reference to the same subject; and

(h.) A copy of the form of application from the company to the Government authorizing the issue of patents direct to purchasers of their lands from the company, instead of to the company as formerly, a copy of the patent to be used in such cases, and copies of the correspondence which has passed in regard to this subject.

RE DONALD TOWN SITE.

THE CANADIAN PACIFIC RAILWAY COMPANY,
OFFICE OF THE SECRETARY, MONTREAL, 16th July, 1886.

SIR,—I beg to enclose a plan showing the land required by this company at Donald for station grounds. The necessary area is that within the boundaries colored red.

It will be observed that this embraces the town plot as laid out by the Government.

As I have already explained to the Deputy Minister, it is very desirable that this town plot should be under the control of the company in order to keep the lands out of the hands of undesirable persons, and to prevent as much as possible the sale of intoxicating liquors in the neighborhood of the station and workshops.

I am informed that there are already squatters on these lands of a very objectionable character. I beg to ask that this application may receive early consideration, as the company desires to complete, with as little delay as possible, the laying out and erection of buildings at this divisional point.

I have the honor to be, Sir, your obedient servant,

C. DRINKWATER, *Secretary.*

DEPARTMENT OF THE INTERIOR, OTTAWA, 3rd September, 1886.

SIR,—With reference to your letter of the 16th July last, applying to have a tract one square mile in extent at and including the town of Donald on the Canadian Pacific Railway in British Columbia, placed under the control of the Canadian Pacific Railway Company, I am directed by the Minister of the Interior to inform you as the result of an examination made by himself personally in the course of his visit to British Columbia recently, that he is willing to convey to the company a reasonable area for the purposes of their station grounds on the southern side of the track at the point mentioned, and also to make free grants to them of such portions of the plot lying north of the track, as may be actually necessary for offices, but that he is unable to comply with your request, that the whole square mile applied for should be granted to the company.

I have the honor to be, Sir, your obedient servant.

C. DRINKWATER, Esq.,

Secretary Canadian Pacific Railway Company, Montreal.

DEPARTMENT OF THE INTERIOR, OTTAWA, 15th September, 1886.

DEAR MR. VANHORNE,—Referring to our interview on the subject of the station grounds at Donald, I have to say that we will give you as much land as you are entitled to under the 10th clause of the contract between the Government and the Canadian Pacific Railway Company, and in addition, will sell you upon such terms as may be agreed upon, subject, of course, to your arranging with the people who have located upon the property, such further area as you may deem necessary to give you the control within that area. If this arrangement is satisfactory, I think it would be well if you would, without delay, settle with the Railway Department the extent of land to which you are entitled by virtue of the contract.

Yours very truly,
THOS. WHITE.

THE CANADIAN PACIFIC RAILWAY COMPANY,

OFFICE OF THE SECRETARY, MONTREAL, 27th September, 1886.

Donald Town Site.

SIR,—With reference to previous correspondence, and to interviews with the Honorable the Minister of the Interior, respecting land required by this company at Donald Station, I have now the honor to submit a plan showing the area of land this company desires to obtain there.

I also beg to enclose a letter from the company's engineer to the effect that the area within the boundary colored blue, is necessary for railway purposes, and to ask that the same may be conveyed to this company under clause 10 of the contract, which provides that the "Government will grant the lands required for the road-bed of the railway, and for its stations, station grounds, workshops, dock ground and water frontage at the termini on navigable rivers, buildings, yards and other appurtenances required for the convenient and effectual construction and working of the railway."

I am further instructed to apply for the additional area of land shown within the boundaries marked red, and to state that the company would be prepared to pay for the same at such price as may be agreed upon, the company will undertake to arrange with the people who have settled upon portions of this property. As already verbally explained, the object of the company in acquiring this additional ground is to prevent the establishment of taverns and other objectionable buildings, in the neighborhood of the company's works at this point, the intention being to make the most liberal arrangements with settlers of a desirable class.

I have the honor to be, Sir, your obedient servant,

C. DRINKWATER, *Secretary.*

JOHN R. HALL, Esq., Secretary Department of the Interior, Ottawa.

THE CANADIAN PACIFIC RAILWAY COMPANY,
OFFICE OF THE SECRETARY, MONTREAL, 24th September, 1886.

DEAR SIR,—I have examined the annexed plan of the division yard and station grounds at Donald and consider that the company require all the land within the colored blue boundaries. As the Columbia River is navigable for over 100 miles above Donald, it is necessary that the company have sufficient space for tracks to reach the river. There will, in time be a large amount of timber and ties cut on the limits above Donald, and the only available space for piling this timber and ties would be on that portion of the land.

Yours truly,

JAMES ROSS, *Manager of Construction.*

SIR,—In reply to your letter of the 27th ultimo, I am directed to say, that of the whole area for which your company applies for station purposes at Donald, so much as the Department of Railways and Canals may decide to be sufficient will be granted to the company free, under their charter, and the remainder will be sold to them at \$2.50 an acre cash, being the regulation price, subject, however, to the condition as regards squatters who may be in occupation, expressed in the letter from the Minister of the Interior to Mr. VanHorne of the 15th ultimo, and also subject to the condition that the portion applied for by Stipendiary Magistrate Vowell, as shown in a letter to you from the Deputy Minister of the 29th ultimo, shall be sold to Mr. Vowell at a price not exceeding \$100.

I am, Sir, your obedient servant,

SIR,—The plan which accompanied your letter of the 27th September last, showing the area of land which the Canadian Pacific Railway Company desires to obtain at Donald was submitted to the Department of Railways and Canals and by letter of the 25th ultimo, the secretary of that Department returns that plan with the area marked thereon which is considered sufficient for the purpose named by your company. I inclose you a copy of your plan with the boundary decided by the Department of Railways marked in brown ink.

Please advise me whether your company accepts the offer conveyed to you by the letter of the assistant secretary of this Department of the 8th of October last.

MEMORANDUM.—The annexed papers are referred to the Surveyor General to know whether or not the reduced area, marked by the Department of Railways and Canals, on the plan made by Mr. John Swan, D.L.S., is sufficiently definite to enable a description to be given in a patent.

MEMORANDUM.—The land which it is proposed to grant to the Canadian Pacific Railway Company has only been partly surveyed, and I think that the survey should be completed before a conveyance is made. The survey should be made on instructions issued by this Department, so as to make sure that it will be in accordance with the decisions of the Minister of Railways and Canals and of the Minister of the Interior.

SIR,—Referring to previous correspondence on this subject, I am directed to say that the plan of the survey made by Mr. John Swan, D.L.S., furnished by you, is not sufficiently definite to enable this Department to convey to your company either the portion to be granted free or the portion to be sold to you, and it will therefore be necessary to have another survey made under the instructions from the Surveyor General. I therefore enclose herewith instructions from the Surveyor General, addressed to any Dominion land surveyor whom your company may employ, it being understood that the expense of such survey is to be borne by the company.

I have the honor to be, Sir, your obedient servant,

PART II.

RE WESTERN BOUNDARY OF THE COMPANY'S LAND GRANT.

DEPARTMENT OF THE INTERIOR, OTTAWA, 22nd January, 1886.

SIR,—Referring to your letter of the 29th May last, respecting the proposed western boundary of the land grant to the Canadian Pacific Railway Company, I am now directed by the Minister of the Interior to inform you that he gave this subject careful consideration during his recent visit to the North-West and has arrived at the conclusion that the agreement, a draft of which you submitted, defining the western limit of the land grant to be at the point on the line of the railway where it is intersected by the boundary line between ranges 10 and 11, west of the fifth initial meridian, should be executed by the parties thereto, with the following modification of the details, namely:—

That the tract of land which the company may select adjoining their stations shall be selected "from any vacant Dominion lands at the disposal of the Government." That the words "or near to" in connection with the description of the land adjoining stations be struck out as being too indefinite for the purpose of that agreement, and that the words "and station grounds" in the sentence "adjoining each of their stations" be also left out. The reduction of the area to be selected adjoining stations, from 320 to 160 acres, is in accordance with the arrangement made with the company last May. I therefore enclose herewith a copy (in duplicate) of the agreement in question, as amended, for the signatures of the president and secretary of the company.

The suggestion of the land commissioner of the company that the projection north and south from the point of intersection mentioned, should be by township lines instead of section lines, has been considered, and the Minister is of opinion that the projection by section lines, as originally decided upon, should be adhered to.

I have the honor to be, Sir, your obedient servant,
P. B. DOUGLAS, *for Secretary.*

Hon. J. J. C. ABBOTT, M.P., Montreal, Que.

OTTAWA, 29th May, 1885.

SIR,—I have the honor to state that I have just received from the Land Commissioner of the Canadian Pacific Railway Company a statement respecting the proposed western boundary of the land grant which is as follows:—

"You will see that it was suggested that the boundary should be defined by the section lines running north-west and south-east from the point on the line of the Canadian Pacific Railway where it is intersected by the boundary between ranges 10 and 11 west of the 5th initial meridian. I now find that owing to an error in the projection of the section lines on the part of the engineers when building the line, the valley of the Bow River is thrown in this neighborhood a couple of miles south of what it should have been, as actually laid on the ground by the Dominion land surveyors last season; and consequently if we adopt the section lines from the given point between 10 and 11, the road for a distance of some 15 to 18 miles would run partly outside our land grant. If no action has since been taken as to defining our western limit, I would now suggest that it should be by township lines and not by those of sections."

I beg leave to submit for your consideration this statement of the Land Commissioner and to request that his suggestion may be adopted, and I send herewith a tracing showing the boundary as marked by section lines; and, in pencil, the boundary if marked by township lines as proposed by the Land Commissioner, and on behalf of the company I beg respectfully to ask that his suggestion may be adopted.

I have the honor also to enclose the draft of agreement settling the boundary line, with the suggested alteration in pencil, and I have also made the alteration which you were good enough to approve of yesterday morning, namely, the substitution of a quarter section at each station, in lieu of a half section, as mentioned in

the draft. And I venture to ask that this agreement may receive early consideration as I should be glad to have it closed before leaving for England, in the course of a fortnight.

I have the honor to be, Sir, your obedient servant,
J. J. C. ABBOTT, *For Canadian Pacific Ry. Co.*

The Honorable the Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, 23rd February, 1886.

SIR,—I am directed by the Minister of the Interior to request that you will be good enough, if at all possible, to complete the execution of the agreement enclosed to you in Mr. Douglas' letter of the 23rd ultimo. The Minister is very anxious to close this matter up before the meeting of Parliament.

I have the honor to be, Sir, your obedient servant,
A. M. BURGESS, *Deputy Minister of the Interior.*

HON. J. J. C. ABBOTT, M.P., Montreal, Que.

THE CANADIAN PACIFIC RAILWAY COMPANY,

OFFICE OF THE SECRETARY, MONTREAL, 3rd March, 1886.

SIR,—Referring to your letter of the 23rd ultimo to the Hon. Mr. Abbott, I now return the agreement relating to the western boundary of this company's land grant, duly executed in duplicate by the company. I shall be glad to have one copy signed on behalf of the Government, with plan attached.

I have the honor to be, Sir, your obedient servant,
C. DRINKWATER, *Secretary.*

A. M. BURGESS, Esq., Deputy Minister of the Interior, Ottawa.

THIS AGREEMENT made between Her Majesty the Queen, acting for and on behalf of the Dominion of Canada, and herein represented and acting by the Hon. Thomas White, Minister of the Interior, hereinafter called "the Government," and the Canadian Pacific Railway Company, a body corporate and politic, duly incorporated by letters patent of the Dominion of Canada, hereinafter represented and acting by William C. Van Horne, Esq., the vice-president thereof, and Charles Drinkwater, Esq., hereinafter called "the company:"

Witnesseth, whereas by a contract executed between the Government and George Stephen, and others, on the 21st day of October, 1880, which contract forms a schedule to the Act 44th Victoria, chaptered 1, intituled: "An Act respecting the Canadian Pacific Railway Company," and which contract has been so made by the company, it is provided that the grant of land thereby agreed to be made to the company, should be so made in alternate sections of 640 acres each, in the tract commonly called the "railway belt," extending back 24 miles on each side of the railway, from Winnipeg to Jasper House, in so far as such lands should be vested in the Government, the company receiving the sections bearing uneven numbers;

And whereas it was further provided by the said contract, that if any deficiency in the quantity of land along the said railway should arise from any of the causes mentioned in the said contract, the company might, with the consent of the Government, select in the North-West Territories, any tract or tracts of land not taken up and remaining vested in the Government, as a means of supplying such deficiency.

And whereas since the passage of such Act the line of the Canadian Pacific Railway has been located over a route south of Jasper House, and it is necessary to establish the point at which such railway belt should terminate.

Now, therefore, this agreement witnesseth: That it has been agreed between the Government and the company, that the said railway belt or tract, comprising the said land grant, shall terminate at the point on the line of the Canadian Pacific Railway where it is intersected by the boundary line between ranges ten and eleven, west of the fifth initial meridian in the Dominion land system of Survey, and

thence following the westerly and southerly limits of the sections from this point, north, forty-five degrees; west, astronomically and south forty-five degrees; east, astronomically, to the northern and southern boundaries respectively, of the said forty-eight mile belt, illustrated as on the sketch annexed; and the said contract shall apply to the tract or belt extending along the side of the said Canadian Pacific Railway to the said last mentioned point, in the same manner and on the same conditions as by the said contract it was provided that such belt should terminate at Jasper House, aforesaid.

And whereas it is established that there will be a deficiency from various causes contemplated by the said contract, in the quantity of land contained in the said railway belt, and that the same will not contain a sufficient number of uneven numbered sections of land of the quality and description which the company is to receive under the said contract to make up the said land grant of twenty-five million acres, it is hereby further agreed that, as a means of partially supplying such deficiency, the company may select from any vacant Dominion lands at the disposal of the Government a tract of land adjoining each of their stations along the line of the said railway, extending from the point hereby fixed as the termination of the said railway belt to the boundary line between the North-West Territories and the Province of British Columbia, to an extent in each case not exceeding one hundred and sixty acres of land, such tracts so selected to be accepted by the company on account of the land grant allotted to them by the said contract.

In witness whereof, the parties hereto have executed these presents at the time and place set opposite their names respectively.

THOS. WHITE, *Minister of the Interior.*

Executed for the Canadian Pacific Railway Company, this third day of March, one thousand eight hundred and eighty six, at Montreal.

W. C. VAN HORNE, *Vice President.*

C. DRINKWATER, *Secretary.*

DEPARTMENT OF THE INTERIOR, OTTAWA, 9th March, 1886.

DEAR SIR,—The agreement between the Government and the Canadian Pacific Railway Company with regard to the western boundary of the company's land grant having now been completed, it will be necessary, with as much despatch as possible, that the company should designate the quarter sections at each of their stations between the western boundary of their land grant, as thus fixed upon, and the summit of the Rocky Mountains, which they desire shall be patented to them in accordance with this arrangement.

I therefore beg to suggest that the best and most satisfactory mode of accomplishing this would probably be for some officer of your company to be authorized to come to Ottawa and have this matter closed after consultation with the proper officers of this Department.

SIR,—In reference to your letter of the 3rd instant, I am directed to say that it is necessary that the Canadian Pacific Railway Company should send in to this Department as soon as possible a description of the lands at their several stations between the western limit of the company's land grant and the summit of the Rocky Mountains, and I am to add that this matter demands immediate attention.

THE CANADIAN PACIFIC RAILWAY COMPANY,

DEAR MR. BURGESS,—With reference to the plan of the line from Calgary to the summit, Mr. Egan telegraphs me as follows:—

“Land surveys are only completed about thirty miles west of Calgary; this being case we cannot plot line unless we run out the section and township lines; more than probable they would not agree with the other surveys when made.”

I gather from this that we cannot put in an absolutely correct plan until the surveys have been completed. What are we to do?

Yours very truly,

DEPARTMENT OF THE INTERIOR, OTTAWA, 5th June, 1886.

SIR,—I have the honor to acknowledge the receipt of your letter of the 28th ultimo, with reference to lands at the several stations on the Canadian Pacific Railway between the western limit of your company's grant and the summit of the Rocky Mountains, and to inform you that I shall discuss this subject with the Sur-

veyor General and write you again in a few days, when I hope to be able to suggest a mode by which the selection can be made without further delay.

OTTAWA, 7th June, 1886.

Referring to correspondence respecting the location of line west of Calgary, will you please say how far the township lines have been surveyed towards the summit and up to what point westward have the section lines been surveyed out? TO CHARLES DRINKWATER, Canadian Pacific Railway, Montreal.

Sub-division on railway ends with range four, meridian between ranges seven and eight is the last surveyed westward. Some lines by which you can locate railway run in townships twenty five, six; ranges eleven, twelve, and again at Banff. Also, traverse of Bow River, from range nine to the summit in range seventeen. Ask Simpson about the latter.

A. M. BURGESS, *Deputy Minister of the Interior.*

DEPARTMENT OF THE INTERIOR, OTTAWA, 11th June, 1886.

DEAR MR. DRINKWATER,—I send you herewith copy of a memorandum I have received from the Surveyor General on the question of the selection of the station grounds of your company between the western boundary of their land grant and the summit of the mountains, which he prepared in response to the reference mentioned in my note of the 5th inst.

There is really nothing to prevent the making of that selection at once, and I hope there will be no further delay. I am sure if you were to submit to any competent engineer in the company's employment the plan of the traverse of the Bow River Valley made by Mr. Fawcett, referred to in my telegram of the 8th instant, which is really a traverse of the company's line from the ninth range of townships west of the fifth meridian to the summit, he would be able to locate your stations according to their respective positions in the Dominion lands system of surveys with perfect accuracy, and without any trouble, and thus permit of the immediate making of the selection.

Yours faithfully,
A. M. BURGESS, *Deputy Minister of the Interior.*

CHARLES DRINKWATER, Esq.,
Secretary, Canadian Pacific Railway Company, Montreal.

TECHNICAL BRANCH, OTTAWA, 9th June, 1886.

MEMORANDUM.—With reference to the selection of the lands required by the Canadian Pacific Railway Company for station grounds between the westerly limit of their land grant and the summit of the Rocky Mountains, the undersigned has the honor to report that the boundaries of sections near the line of railway have been marked on the ground as far as the summit of the Rocky Mountains; that they are quite sufficient to enable the Company to select the lands which they require and describe them and that the complete survey of the land would not afford any additional information for the purpose named.

From the telegram of Mr. Egan, referred to in Mr. Drinkwater's letter of the 28th May, 1886, it appears probable that Mr. Egan is not aware that the surveys of Dominion lands have been extended as far as the summit of the Rocky Mountains, but Mr. Drinkwater must know it, as copies of the plans were furnished to him by the undersigned.

Respectfully submitted,

E. DEVILLE, *Surveyor General.*

A. M. BURGESS, Esq., Deputy Minister of the Interior.

I am to request you to have both copies formally accepted under your own signature, or the signature of the land commissioner of the company, and then returned to this Department, when both copies will be signed by Mr. Burgess, and one of them sent to you for record purposes in your office.

I have the honor to be, Sir, your obedient servant,

THE CANADIAN PACIFIC RAILWAY COMPANY,

OFFICE OF THE SECRETARY, MONTREAL, 20th September, 1886.

SIR,—I have to-day transmitted to the Department of Railways an amended plan and book of reference of the line from Calgary to the summit of the Rocky Mountains.

I send you by this mail copy of this plan; see on which is shown the station grounds as we desire to have them, including those stations west of your land grant where we get 160 acres.

You will observe that we have marked off one square mile at Banff, but the question of the removal of the division point from Canmore to that place has not yet been determined.

I am, Sir, your obedient servant,

LAND DEPARTMENT, THE CANADIAN PACIFIC RAILWAY COMPANY,

WINNIPEG, MAN., 23rd November, 1886.

SIR,—We are constantly finding cases of sections which we have disposed of under the supposition that they fell to us under our charter, but to which claims are put in by parties who obtain them from the Government, and also applications for sections which we have not on our list as falling to us, but which on applying to the

land offices we find should be at our disposal. We have never received any certificate from your Department showing which lands actually fell to us, with the exception of maps certified to by Mr. Lindsay Russell, in which we frequently discover errors. We have been often put to heavy expense in arranging with parties who have purchased from us sections which we subsequently found out had been patented by the Crown. Will you please have made out at as early a date as possible from your books in Ottawa full lists of all sections in the different agencies which are actually at the disposal of the railway company under its charter. I will gladly pay the cost of getting these lists made up, and after receipt from you, will send one of my clerks with them to each of your local agencies to have them checked upon the spot, as I have occasionally found that lands have been disposed of or reserved in Ottawa, of which no notification is entered in the local books. After receiving your lists and having them verified at the local agencies, I will be glad to get them certified to either by yourself or someone in authority in your Department, as it is most unsatisfactory working in the way we have been doing in the past.

I have the honor to be, Sir, your obedient servant,
J. H. McTAVISH, *Land Commissioner.*

PART III.

RE LANDS, IN THE COMPANY'S BELT, LEASED FOR GRAZING PURPOSES.

CANADIAN PACIFIC RAILWAY COMPANY,
OFFICE OF THE SECRETARY, MONTREAL, 17th March, 1886.

Ranche Leases.

SIR,—With reference to our conversation when I had the pleasure of seeing you on Saturday last, I should be glad if you would send me a memorandum of all existing leases, describing the lands they cover, together with a map, and showing the date of each lease.

The proposition, as talked over with you, is, that all the odd sections within these lands shall for this purpose be considered as railway lands, although not yet examined and accepted by the company.

The rental to be placed to the credit of the company until final selection has been made. The account could then be adjusted, the company receiving rental for the lands eventually accepted, that for the rejected lands remaining with the Government.

If this proposition meets with approval, we can, on receipt of the list and plan, prepare a memorandum of agreement on the subject.

I have the honor to be, Sir, your obedient servant,
C. DRINKWATER, *Secretary*.

A. M. BURGESS, Esq.,
Deputy Minister Department of the Interior, Ottawa.

OTTAWA, 23rd March, 1886.

SIR,—I am directed by the Deputy of the Minister of the Interior, to acknowledge the receipt of your letter to him, of the 17th instant, making a proposition with respect to the grazing lands, within the Canadian Pacific Railway Company's belt, which have been leased by this Department, and to say that your communication will be submitted to the Minister of the Interior.

I have, &c.,
P. B. DOUGLAS, *Assistant Secretary*.

C. DRINKWATER, Esq.,
Secretary, Canadian Pacific Railway Company, Montreal.

DEPARTMENT OF THE INTERIOR, OTTAWA, 12th April, 1886.

SIR,—With reference to your letter of the 17th ultimo, I am directed to enclose herewith a plan showing the lands in the railway belt, in the district of Alberta, leased for grazing purposes; also a schedule giving the numbers of various ranches, the names of the lessees in all cases where leases have been issued, and where no leases have been issued, the names of the parties to whom the Minister of the Interior has been authorized by Council to issue leases.

I am directed by the Deputy Minister of the Interior to say that he has submitted your communication of the above date to the Minister, who sees no objection to an arrangement with your company upon the terms specified therein, it being understood, of course, that when we come to account to the company, some

reasonable allowance shall be made to the Government to cover the cost of administration. The item would not be one of serious consequence, but it had better be definitely settled upon from the outset, and I shall be glad to know the views of your directors on the subject as soon as convenient.

In perusing the above mentioned schedule, you will observe that a number of ranches have been leased, excluding the odd numbered sections, from the operation of the lease.

In these cases the Deputy Minister thinks it will be well for you to communicate with the several parties, and inform them that you have given this Department permission to lease the said lands, and that if they desire to retain possession of them, subject to the conditions expressed in our leases, they had better return the existing instruments to the Department for an amendment in that respect with the rental at the existing rate for the next six months.

Upon learning from you that this step has been taken, they will be communicated with by the Department to the same effect.

I have the honor to be, Sir, your obedient servant,

P. B. DOUGLAS, *Assistant Secretary.*

And whereas the Governor in Council has granted such application upon the conditions herein contained;

Now, therefore, this indenture witnesseth, that in consideration of, and subject to, the rents, stipulations, provisoes and conditions hereinafter reserved and contained, Her Majesty doth hereby demise and lease unto the lessee, all and singular the following lands and premises, viz.:—
save and except such lands in each now surveyed township, forming part of the above described lands, as under the provisions of the said Dominion Lands Act are known and designated as the lands of the Hudson's Bay Company, and also such lands as under the provisions of said Act are set apart as an endowment for purposes of education; save and except, also, all trails, public roads and highways, by land or water, which may be upon the said lands, and save and except also such lands as may, under the provisions and conditions of these presents, be or become hereafter withdrawn from the operation hereof,

To have and to hold unto the lessee , subject, as aforesaid, for and during the term of years, computed from the day of one thousand eight hundred and , and thenceforth next ensuing, and fully to be complete and ended, yielding and paying therefor yearly, and every year during the said term, unto Her Majesty, her successors and assigns, the clear rent of dollars per year, to be pay-

able in equal sums half-yearly on the days of and each year, the first payment to become due and be made on the day of , subject, however, to reduction of the said rent as hereinafter provided.

These presents are made and issued subject to the following provisoes, terms and conditions, viz. :—

1. That the lessee will abide by, perform, fulfil and keep all the provisoes, terms or conditions hereof, and that upon the breach of any of the provisoes, terms or conditions herein contained, whether negative or positive in form, the term hereby granted shall, at the option of the Governor in Council, cease and determine, and Her Majesty, her successors and assigns, may thereupon re-enter upon the demised premises, and hold, possess and enjoy the same as if these presents had never been made.

2. That no waiver on behalf of Her Majesty, her successors or assigns, of any such breach shall take place or be binding upon her or them, unless the same be expressed in writing, under the authority of the Governor in Council; and any waiver so expressed shall extend only to the particular breach so waived, and shall not limit or affect her or their rights with respect to any other or future breach.

3. That the lessee pay to the Minister of the Interior, or other person duly authorized by Her Majesty, her successors and assigns, in that behalf, the yearly rent hereby reserved, as and when the same becomes due and payable.

4. That the lessee will not, without the consent in writing of the Governor in Council, make any transfer or assignment of these presents or of interest or any part of interest under these presents, or any sub-lease for the whole or part of the term hereby granted of the lands or any part of the lands hereby leased.

5. That if any such transfer, assignment or sub-lease be so assented to, all the provisoes and conditions herein contained shall extend to and be binding upon the transferee, assignee and sub-lessee, as well as the lessee hereunder, and any breach thereof by such transferee, assignee or sub-lessee shall have the same effect as if such breach were by the said lessee during continuance as such lessee.

6. That the lessee shall within each of the three years from the date of the Order in Council authorizing the issue of the lease, place upon the tract of land hereby demised not less than one-third of the whole amount of the stock which required to place upon the said tract, namely, one head of live cattle for every ten acres of land embraced by these presents, and shall during the term hereby granted maintain live cattle thereon in at least that proportion.

The word "cattle" in this clause means bulls, oxen, cows, and horses at least one year old. Cattle now upon the said land, which may have been placed there by the lessee before the date hereof, are to be counted as placed in compliance with this clause.

7. That the lessee will not, during the said term, use or allow to be used any part of the lands and premises hereby demised for any purpose other than grazing purposes within the true intent and meaning of the Dominion Lands Act and of these presents, and will not, during the said term, allow sheep to graze or to be kept upon any part of the said tract, without the consent in writing in that behalf of the Minister of the Interior, and will not, during the said term, cut or destroy, or allow to be cut or destroyed, any timber or timber trees without the consent in writing in that behalf of the Minister of the Interior, and then only in accordance with such terms, conditions and regulations as may be made or established in that behalf.

8. That the whole or any part of the lands hereby demised shall be open to homestead and pre-emption entry, or to be purchased from the Government at the cash price of not less than two dollars and fifty cents (\$2.50) per acre, upon application being made therefor; and that as entries are granted or sales effected the lease shall become void in respect of the lands so entered or purchased. And should the Governor in Council, at any time during the term hereby granted, think it to be in the public interests to terminate these presents for any reason, the Minister of the Interior of Canada may, on giving the lessee two years' notice, cancel these presents at any time during the time hereby demised.

9. That should the Minister of the Interior at any time, or from time to time during the time hereby granted, think it to be in the public interest to cause any unsurveyed part or parts of the lands hereby demised to be surveyed, the surveyors appointed to make the surveys may, with their assistants, servants, horses and other things required in that behalf, enter the land and make the surveys.

10. That so soon as a survey of a township has been made and confirmed, such lands therein as under the provisions of the said Dominion Lands Act are known and designated as the lands of the Hudson's Bay Company, and also such lands as under the provisions of the said Act are set apart as an endowment for purposes of education, shall thereupon become withdrawn from the operation of these presents, and the term hereby created shall thereupon cease and determine with respect thereto; but the lessee shall not become entitled to any reduction or abatement of the rent hereby reserved unless and until the said lands have been taken actual possession of by some person under proper authority in that behalf. And in case of such actual possession the lessee shall become entitled to a reduction of the rent hereby reserved equal to dollar for every one hundred acres so taken possession of, but shall have no further or other claim or be entitled to any other compensation for or on account of such withdrawal.

11. That should any portion or portions of the land hereby demised be now occupied by any person or persons who may have settled thereon, such persons and those claiming through them shall not be disturbed in their possession by the lessee, unless with the consent in writing of the Minister of the Interior; and the Minister of the Interior may, if he think it expedient so to do, from time to time, give to the lessee written notice that the lands in possession of such persons respectively, and such adjoining lands as he may think proper (but not exceeding in the whole three hundred and twenty acres for each separate settler), are withdrawn from the operation of these presents, and thereupon such lands shall become withdrawn, and the term hereby created shall thereupon cease and determine with respect thereto, and thereupon the lessee shall become entitled to a reduction of the rent hereby reserved equal to dollar for every one hundred acres so withdrawn, but shall have no further or other claim, or be entitled to any other compensation for or on account of such withdrawal.

12. That should any portions of the lands hereby demised be thought to contain gold, silver, copper, coal or other minerals, building stone or marble, the Governor in Council may grant licenses to any person or corporation to explore and search for the same, subject to such conditions for the protection of the interests of the lessee as the Governor in Council may think proper. And should any portions of the lands hereby demised contain gold, silver, copper, coal or other minerals, building stone or marble, or water power capable of being used to drive machinery, the Governor in Council may, from time to time, cause written notice to be given to the lessee that the same and such adjoining lands as they may think proper are withdrawn from the operation of these presents; and thereupon such lands shall become withdrawn, and the term hereby created shall thereupon cease and determine with respect thereto, and thereupon the lessee shall become entitled to a reduction of the rent hereby reserved equal to dollar for every one hundred acres so withdrawn, but shall have no further or other claim to be entitled to any other compensation for or on account of such withdrawal.

13. That should any portions of the lands hereby demised contain timber, the Governor in Council may, subject to such conditions for the protection of the interests of the lessee as the Governor in Council may think proper, grant to any person or corporation, under the provisions of the said Dominion Lands Act, the right under lease or license to enter upon the lands and cut and remove such timber.

14. That should the Canadian Pacific Railway Company become entitled to a grant from Her Majesty or her successors of any portion of the lands hereby demised, whether as part of their land subsidy provided for by Chapter one of the Statutes of Canada, passed in the forty-fourth year of Her Majesty's reign (A.D. 1881), or for the road-bed of the railway, or its branches, or for stations, station grounds, workshops, dock

ground and water frontage on navigable waters, buildings, yards, and other appurtenances required for the convenient and effectual construction and working of the railway and its branches, and should any other railway company, pursuant to any legal contract or statute in that behalf, become entitled to a grant from Her Majesty or her successors of any portion of the lands hereby demised, for road-bed and stations, and if Her Majesty or her successors grant the same, the land so granted shall thereupon become withdrawn from the operation of these presents; and the term hereby created shall thereupon cease and determine with respect thereto, but the lessee shall not become entitled to any reduction or abatement of the rent hereby reserved, unless and until the lands so granted have been taken actual possession of by some person under proper authority in that behalf; and in case of such actual possession the lessee shall become entitled to a reduction of the rent hereby reserved equal to dollar for every one hundred acres so taken possession of, but shall have no further or other claim or be entitled to any other compensation for or on account of such withdrawal.

15. That the word "lessee" in these presents includes the lessee or lessees, as the case may be, and his or their executors, administrators and assigns, and in the case of an incorporated company, their successors and assigns.

16. That no implied covenant or liability of any kind on Her Majesty's part is created by the use of the words "demise and lease" herein, or by the use of any other word or words herein.

17. That any notice, demand, or other communication which Her Majesty or the Minister of the Interior may require or desire to give or serve upon the lessee may be validly given and served by the Secretary or the Assistant Secretary of the Department of the Interior.

In witness whereof the Deputy of the Minister of the Interior, and the lessee have hereunto set their hands and seals the day and year first above written.

Deputy of the Minister of the Interior.

Signed, sealed and delivered in the presence of

DEPARTMENT OF THE INTERIOR, OTTAWA, 12th August, 1836.

SIR,—With reference to your letter of the 17th March last respecting the proposition to include certain of the odd-numbered sections in the Canadian Pacific Railway belt in leases, to be issued by this Department for grazing purposes, and the correspondence which has since passed on the subject, I beg to enquire whether you understood that the form of agreement between the Company and the Government, under which their proposition is to be carried into effect, was to be forwarded by this Department, or whether you propose that the draft shall be prepared by your own solicitors. An answer at your earliest convenience will oblige.

In case the Company's solicitors are to prepare the draft, it may be well that I should state briefly the procedure observed by the Department leading up to the issue of the leases. When there is but one applicant for a particular tract of land, an Order in Council is passed upon the recommendation of the Minister of the Interior authorising him to issue to the applicant a grazing lease for the tract, provided the applicant pays the first half year's rent within the period mentioned in the letter of notification. If there be more than one applicant, the several applicants are invited to compete for the acquisition of the tract, and it is awarded to him who offers the highest bonus in cash, which bonus is in addition to the regular rental; and the first half year's rent requires to be paid in that case, the same as in the other, within the period mentioned in the letter of notification, otherwise the lease is not issued.

It is important that you should know this, because, of course, the Department will only pay to the company the *pro rata* share of such bonuses and rentals as shall have been paid into the public treasury, and the Company will have no claim on

account of rentals which may become due and the Department may be unable to collect.

I have, &c.,

A. M. BURGESS, *Deputy Minister of the Interior.*

Secretary Canadian Pacific Railway Company, Montreal.

Memo.—Canadian Pacific Railway Return, 1887.

As the preparation of the map referred to in the letter of the 17th December, 1886, would take several weeks, and as such copy, if completed, would not add to the value of the Return, it has not been prepared.

LAND DEPARTMENT, THE CANADIAN PACIFIC RAILWAY COMPANY,
WINNIPEG, MAN., February 7th, 1887.

DEAR SIR,—I beg to acknowledge with thanks receipt of your letter of the 17th December last, with the map mentioned therein, showing ranche leases in the North-West Territories.

I notice Ranche No. 132 is shown as including Townships 28, 29 and 30 in Range 24, west of the 4th meridian. In a previous map, which I had from your Department, this lease was shown as covering Townships 27, 28 and 29 in the range mentioned.

I will be very much obliged by your informing me which is correct.

Yours truly,

J. H. McTAVISH, *Land Commissioner.*

PART IV.

THE TIMBER CUTTING ON CROWN LANDS IN BRITISH COLUMBIA
BY OR FOR THE COMPANY.

NEW WESTMINSTER, B.C., 1st January, 1886.

SIR,—I have the honor to enclose you letter from James Ross, dated 17th November last, but only received by me yesterday, on my arrival from Burrard Inlet. You will see by it, that so far as he (as representative of the Canadian Pacific Railway) was concerned, it was a matter of indifference whether one half the timber was wasted or not. I will explain the matter fully when I reach Ottawa.

I leave to-morrow for Lemiahoe Bay to examine some of our lands which the Royal City and Dominion Saw Mill Company are cutting upon, and particularly into the case of one Murne, a resident on the American side, who is making log^s

(now) ostensibly on private lands, and selling them to mills on the American side; this is an important case, and will have my particular attention. If I find him cutting on lands, although located before December, 1883, but on which parties did not comply with Provincial regulations, I will stop him, as I claim that such lands are now, or became the property of the Dominion at time of cession of 40 mile belt in December, 1883.

I have the honor to remain your obedient servant,

T. S. HIGGINSON.

Hon. THOMAS WHITE, Minister of the Interior, Ottawa.

CANADIAN PACIFIC RAILWAY COMPANY, MOUNTAIN DIVISION,
OFFICE OF MANAGER OF CONSTRUCTION, WINNIPEG, MAN.,
DONALD, 17th November, 1885.

DEAR SIR,—I have to acknowledge receipt of yours of 7th inst. with reference to lumber sold by Mackenzie, and would say that I do not consider this a matter with which we have anything at all to do. The firm of McKenzie & Co. had instructions, as I explained to you before, to cut such timber as this Company required, and it was optional with them to waste the slabs from our square timber or saw them into dimension material.

Yours truly,

JAMES ROSS.

(Telegram from Victoria, B. C.)

OTTAWA, 27th January, 1887.

To Hon. THOS. WHITE,

Mr. Abbott, on behalf of Canadian Pacific Railway Company, applied to me for permission to Company to cut ties and cordwood from Dominion lands in railway belt on mainland. Is such permission to be given, and, if so, on what terms?

JOS. W. TRUTCH.

(Telegram from Victoria, B. C.)

To COLLINGWOOD SCHREIBER.

OTTAWA, 1st February, 1886.

Mr. Abbott claims right to Company to cut timber for ties on Dominion lands in railway belt, under section 19, schedule A, Canadian Pacific Railway Act. Is this correct? He also asks permission to cut cordwood on Dominion lands in railway belt, which application I forwarded by telegram to Minister of Interior, but have not received reply.

JOS. W. TRUTCH.

OTTAWA, 26th November, 1885.

MEMORANDUM.—In submitting this communication from Mr. Higginson for the Minister's perusal, I beg to observe that I have frequently urged upon the chief officers of the Canadian Pacific Railway the necessity of instructing their superintendents of construction to obtain for each man cutting timber for the Company a permit or authorization from the nearest agent of this Department, so that our forest rangers might be able, in the woods, to distinguish between persons cutting for the Company and those who are simply trespassers on the public domain. The desirability of this arrangement has invariably been admitted, but although no doubt pressed upon the superintendents of construction by the Company's officers, in good faith, it has never been acted on.

The work of building the road is so nearly at an end that it may be inexpedient now to take any further definite action, but I respectfully submit that Mr. Higginson should receive the entire support of the Department in the stand he has taken, and it would certainly not be unfair if he were to levy dues upon all the timber he finds cut without authority, whether it be for the Canadian Pacific Railway or not. The onus of showing that it is for the use of the Company should be thrown upon the company's officers, and as they have never availed themselves of my suggestion to obtain evidence, in each case, that the person acting for them is authorized, there would be no injustice in enforcing the provisions of the law against them with the utmost rigor.

Respectfully submitted.

A. M. BURGESS, *Deputy Minister of the Interior.*

The Hon. the Minister of the Interior.

DEPARTMENT OF THE INTERIOR, OTTAWA, 11th February, 1886.

SIR,—On the 27th ultimo a telegram was received here from Mr. Trutch, agent of the Government of Canada in British Columbia, in which he states that Mr. Abbott, on behalf of the Canadian Pacific Railway Company, has applied to him for permission to cut ties and cordwood from Dominion Lands within the railway belt in that Province, and asks if such permission is to be given. On the 3rd instant, Mr. Collingwood Schrieber transferred to this Department a telegram dated the 1st, addressed to him, and signed by Mr. Trutch, in which the latter states that Mr. Abbott claims that the Canadian Pacific Railway Company have the right to cut timber for ties on Dominion Lands in the railway belt, under section 19, schedule "A" of the Canadian Pacific Railway Company's Act, and asks if this is correct.

In the same telegram Mr. Trutch also states that Mr. Abbott has asked permission to cut cordwood on the lands in question.

The section of the Canadian Pacific Railway Act referred to by Mr. Abbott, gives the Company the right under their charter to take timber from lands adjacent to their line of railway for construction purposes.

What the term "adjacent to" in the Act legally means I do not pretend to decide. So far, this Department has placed upon it the most liberal possible construction, and has permitted the company to cut timber upon the public domain whenever they found it convenient, stipulating simply that the Company's officers so cutting should, in each case apply for and obtain from the Crown timber agent of the district an official permit, a stipulation which, as I have already reported to you, has never in any instance been complied with.

In connection with the present application from the Company, I have the honor to refer you to the annexed memorandum, dated the 26th of November, 1885, which you approved and which is the report alluded to, in the closing lines of the next preceding paragraph.

In this memorandum I called to your attention the fact that parties cutting timber for the use of the Canadian Pacific Railway Company have not so far been provided with any written document from the company or from the Department to

show that the timber they are cutting is intended to be used in the construction of the railway; that this makes it impossible for the officers of this Department to discriminate between trespassers and those who are cutting in good faith for the Railway Company, and by their authority, and I recommended that before cutting any timber on Dominion Lands whether for the construction of the Canadian Pacific Railway or otherwise, a permit must be obtained on the Company's behalf from the Crown timber agent or officer of the Government having charge of the timber on the Crown domain in the particular locality.

On the 7th December last Mr. Drinkwater, secretary of the Company, was advised of the purport of the memorandum in question, and he was requested to instruct the superintendents of construction to obtain for each man cutting timber for the company a permit or authorization therefor from the nearest agent of this Department, which he should be prepared to exhibit to any forest ranger of the Government who may question his right to cut.

Mr. Drinkwater's attention was also called to the fact that on more than one occasion I had held a conversation with him in reference to this subject, and that he informed me that his views entirely coincided with mine. He was also told that such instructions as he had issued had apparently been entirely disregarded.

A copy of the letter to Mr. Drinkwater was sent to Mr. Higginson, who was instructed to levy dues upon all timber he found cut without authority, whether it was alleged to be for the Canadian Pacific Railway or not, and he was told that the onus of showing the timber was for the use of the Company should rest with the Company's officers.

The application of Mr. Abbott now in question is, no doubt, the result of this correspondence.

I respectfully recommend that the decision arrived at be adhered to, and that Mr. Trutch be authorized to issue a permit for so much of the timber which Mr. Abbott says the Company have the right to cut under their charter as is actually required for construction purposes. As to timber for fuel or for any other than purely construction purposes, neither under their charter nor under any equitable rule can the Company be regarded, in my opinion, as entitled to cut timber on the public lands except upon the same terms as other applicants, and the work of construction once ended they will stand before the Department, in respect of all classes of timber, ties and bridge timber included, in exactly the same position as any other railway corporation.

Respectfully submitted,

A. M. BURGESS, *Deputy Minister of the Interior.*

The Hon. the Minister of the Interior.

VICTORIA, BRITISH COLUMBIA, 5th February, 1886.

SIR,—I have the honor to enclose herewith a copy of a letter addressed to me by Mr. H. Abbott, General Superintendent of the Pacific Division of the Canadian Pacific Railway, stating that under the powers conferred on the Canadian Pacific Railway Company by the Canadian Pacific Railway Act, 1881, clauses 15 to 16, he purposes cutting all timber and ties required for the extension of the Company's main line from Port Moody to English Bay, from certain lands specified in his letter.

I beg to submit Mr. Abbott's communication for your consideration and to solicit your directions as to the action to be taken by me in relation to the subject matter thereof, in reference to which I addressed a telegraphic message to you on the 27th ultimo, based on an oral application to me from Mr. Abbott to the same effect as is conveyed in his letter now forwarded.

Lots 364 and 365 are covered by numerous applications for timber cutting privileges, for homestead entry and for pre-emption purchase.

There are also on file many applications for timber cutting rights in the vicinity of Bidwell Bay and along the Lilloet River and lake, but as the locality is unsurveyed

it has been impracticable to define on the map the precise position of the lands applied for.

I have the honor to be, Sir, your obedient servant,
JOSEPH W. TRUTCH, *Dominion Government Agent*.
 Hon. THOS. WHITE, Minister of the Interior, Ottawa.

CANADIAN PACIFIC RAILWAY COMPANY,
 PACIFIC DIVISION, VICTORIA, B.C., 4th February, 1886.

DEAR SIR,—I have the honor to inform you that, acting under the powers conferred upon the Company by the Canadian Pacific Railway Act, clauses 15 and 16, I purpose entering upon the following Crown lands, and cutting all timber and ties required for the extension of the Company's main line from Port Moody to English Bay, viz.:—

In the vicinity of Bidwell Bay, east shore, north arm, Burrard Inlet, lots 364 and 365, near Port Moody, and at Lilloet River back of Port Haney.

Trusting that you will be good enough to instruct your agent accordingly.

I remain yours truly,

H. ABBOTT, *General Superintendent*.

Hon. J. W. TRUTCH, Victoria, B.C.

VICTORIA, B. C., 4th February, 1886.

SIR,—I have the honor to enclose herewith a copy of a letter addressed to me by Mr. H. Abbott, General Superintendent of the Pacific Division of the Canadian Pacific Railway, stating that he is desirous on behalf of the Canadian Pacific Railway Company to arrange for cutting a quantity of cordwood along the line of the Canadian Pacific Railway in British Columbia, and would like to know what rates will be charged for the same if cut from Dominion lands.

I beg to submit Mr. Abbott's communication for your consideration and to solicit your directions as to the reply to be sent by me thereto.

I have the honor to be, Sir, your obedient servant,

JOSEPH W. TRUTCH, *Dominion Government Agent*.

Hon. THOS. WHITE, Minister of the Interior, Ottawa.

CANADIAN PACIFIC RAILWAY Co., PACIFIC DIVISION,
 VICTORIA, B. C., 3rd February, 1886.

DEAR SIR,—I am desirous of arranging for the cutting of a quantity of cordwood along the line of the Canadian Pacific Railway, and I would like to know from you what rate we will be charged for the same.

This cordwood is intended, of course, for operating the railway, and I presume that the Act does not give us the privilege of taking what wood we require for that purpose.

An early reply will much oblige.

Yours truly,

H. ABBOTT, *General Superintendent*.

Hon. J. W. TRUTCH, Victoria, B. C.

DEPARTMENT OF THE INTERIOR, OTTAWA, 20th February, 1886.

SIR,—With reference to my report to you of the 11th instant concerning the application made to Mr. Trutch by Mr. Abbott on behalf of the Canadian Pacific Railway Company to cut timber for construction purposes, and also to cut cordwood I have now the honor to report that on the 15th of this month a letter was received here from Mr. Trutch enclosing a communication from Mr. Abbott, in which he states that acting under the powers conferred upon the Company by the Canadian Pacific Railway Act, clauses 15 and 16, he purposes entering upon the following

Crown lands, and cutting all timber and ties required for the extension of the Company's main line from Port Moody to English Bay, namely: in the vicinity of Bidwell Bay, east shore, north arm, Burrard Inlet, lots 364 and 365 near Port Moody, and at Lilloet River, back of Port Moody.

The books of this Department show the following applications to have been made for a license to cut timber on the east shore of the north arm of Burrard Inlet:—

J. B. Tiffen, Port Moody, B.C.

J. H. Coulthard, and W. M. Bole, New Westminster, B.C.

W. H. Barr, New Westminster, B.C.

Geo. Alexander and J. M. McDonald, Victoria, B.C.

All of which are indefinite.

There is the following application for Lot No. 364; Royal City Planing Mill Company (Limited) who received temporary permit from Mr. Trutch to cut timber thereon. Messrs. De Beck Bros. & Co., who have a mill in the vicinity of this lot have also applied for a license to cut timber on the said land. I am informed by Mr. Higginson that it is his intention to recommend that their application be granted.

There are the following applications on file to cut timber on Lot No. 365:—

Royal City Planing Mill Company (Limited).

James Turnbull, New Westminster, B.C.

De Beck Bros. & Co.

There is an application from one James Orr of New Westminster, for 6,000 acres upon the shores of Lilloet River and Lake.

The De Beck Bros. hold a permit from Mr. Trutch to cut timber on that river.

The south side of the river is clear of applications for a distance of nine miles.

I beg to request that you will instruct me, whether, in view of the above applications having been filed for the lands described by Mr. Abbott, the Company are to have precedence over the other applicants. I submit that it would be unfair to the previous applicants, most of whom have mills operating on the ground, that they should have to give way to the Company, and that it would probably be best under the circumstances to telegraph Mr. Trutch to decline the application until the legal rights of the Company have been pronounced upon by the Department of Justice, except so far as lands are concerned which have not been granted or applied for already, authority to cut upon which might be given at once.

There is, in my opinion, nothing in clauses 15 and 16 of the Canadian Pacific Railway Act giving Mr. Abbott, or anyone representing the Canadian Pacific Railway Company, the right to enter upon any lands in the manner indicated in his correspondence, or indeed in any other manner than under the express authority of the Crown, but that is one of the points upon which we are asking the advice of the Department of Justice.

I observe that Mr. Abbott includes in the list of land of which he proposes to take unauthorized possession, certain Crown property beyond Port Moody. This is clearly land in regard to which the Company could lay no claim to exercise the privilege of cutting construction timber, as it lies beyond the western terminus of the line as fixed by Statute, that is Port Moody.

In conclusion let me draw your attention to the fact that this Department, while construing the Canadian Pacific Railway Act in the most liberal way as to the Company's privilege to obtain construction timber on the Crown domain, has always contended that the Crown is entitled to levy dues upon the timber so cut.

The Statute, as I read it, does not provide that this timber shall be granted to the Company free, and there is nothing of record in the Department to show that the Company construe it otherwise, although I am aware, as a matter of fact, from conversations I have had with the officers of the Company, that they do.

The Department kept a careful record of all timber cut by the Company until construction reached a point beyond the limits of any Crown timber agency, and charged the dues against the Company in the Departmental accounts. The Company, however, have so far paid nothing on this account, and it might be well

to ask the advice of the Department of Justice as to what are the respective rights of the Crown and the Company in this matter.

I have the honor to be, Sir, your obedient servant.

A. M. BURGESS, *Deputy Minister of the Interior.*

The Hon. the Minister of the Interior.

OTTAWA, 23rd February, 1886.

MY DEAR MR. WHITE,—I have considered the points suggested by Mr. Burgess in his letter to you of the 20th instant, having reference to the notification by the Canadian Pacific Railway Company of their intention to enter upon Crown lands in the vicinity of Bidwell Bay east shore, north arm Burrard Inlet, lots 364 and 365 near Port Moody and at Lilloet River back of Port Haney, and to cut timber thereon, to be used in constructing an extension of the Company's main line from Port Moody to English Bay.

I am of opinion that the powers conferred on the Company by section 19, chapter 1 of 1881, can only be exercised by them in respect of their main line, which terminates at Port Moody, as appears by clause 1, of the agreement, embodied in the Act above cited.

I am of opinion that such timber as the Company have a right to take under Section 19, before mentioned, they have a right to cut without application to the Government, and without payment of dues. The fact that the lands on which the Company has otherwise a right to enter, are under application, does not in my opinion operate to prevent the exercise of powers conveyed to the Company by section 19.

If, however, permits have been granted, for the cutting of timber, the rights of the Crown in such lands are limited, and the Company cannot claim greater rights than the Crown possesses at the time.

I am, my dear Sir, yours faithfully,

JNO. D. THOMPSON.

Hon. THOMAS WHITE, Minister of the Interior.

DEPARTMENT OF THE INTERIOR, OTTAWA, 1st March, 1886.

JOSEPH TRUTCH, Esq., Victoria, B C.,

Canadian Pacific Railway Company have no right to cut timber elsewhere than along their main line, which terminates at Port Moody, for which timber they are not required to pay dues.

A. M. BURGESS.

NEW WESTMINSTER, 9th June, 1886.

SIR,—I have the honor to report that some days ago when at Kamloops I met the General Superintendent of the Canadian Pacific Railway in British Columbia (Henry Abbott), who wished to arrange with the Shuswap Milling Company to saw for construction purposes, about half a million feet, B. M., of lumber, this to be sawn at once (at certain prices) from logs which they had on hand. This company agreed to accept the terms offered, provided he could assure them the privilege of cutting a like quantity on Dominion lands. He (Mr. A.) appealed to me for this permission, and as it has been conceded that the Canadian Pacific Railway Company have the right to cut all timber necessary for construction purposes, and it was important to have the contract closed at once, I took the liberty of giving the permission asked for, stipulating at the same time that the Shuswap Milling Company, before cutting, must locate the ground on which they wish to cut, and make application to me before cutting.

This liberty I have taken I felt, considering the circumstances, would meet with your entire approval, which I trust will be the case.

I have the honor to remain your obedient servant,

T. S. HIGGINSON, *Dominion Crown Timber Agent for B. C.*

HON. THOMAS WHITE, Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, 23rd June, 1886.

SIR,—I have the honor to acknowledge the receipt of your letter of the 9th inst., ref. 33, and to say that it will be submitted to the Minister of the Interior for consideration.

JOHN R. HALL, *Secretary.*

T. S. HIGGINSON, Esq., Crown Timber Agent, New Westminster, B.C.

NEW WESTMINSTER, 26th August, 1886.

SIR,—I have the honor to state having received from H. Please say what you wish me to do in reference to dues on it.

I have the honor to remain your obedient servant,

HON. THOMAS WHITE, Minister of the Interior, Ottawa.

NEW WESTMINSTER, 27th August, 1886.

SIR,—I have the honor to state the following in reference to the right of way from Port Moody to Vancouver.

The Canadian Pacific Railway Company claimed that it was a branch of the main line, and as such, under their charter, they had a right to appropriate the land necessary for railway purposes between those points, by conforming to the Railway Act.

The owners of about two miles of that frontage say, "No; it is an extension, and not a branch, and that in all their negotiations with the local government, and also in their public advertisements calling for tenders it is called an extension of the main line, the term branch never once having been mentioned, and as they had not a charter for these 12 miles they must either pay them a certain sum for the right of way or stop operations." The Company having refused to do either, an injunction was applied for to restrain them from interfering with this land, and this injunction has been sustained by Sir Mathew Begbie, Chief Justice of this Province. This gentleman having therefore declared that it is not a branch of that railway, and the Government having declared that the terminus of the road was to be at Port Moody, it becomes a question which you may wish to decide, whether or not the timber which they are using in connection with this extension, and wharfage and piling at Vancouver will be liable for dues.

I have the honor to remain your obedient servant,

T. S. HIGGINSON, *Dominion Crown Timber Agent for B.C.*

Hon. the Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, 4th September, 1886.

MEMORANDUM.—In submitting this letter of Mr. Higginson's to the Minister I may say that a good deal of correspondence passed between the Department and Mr. Trutch in regard to this extension, and Mr. Trutch raised the question as to whether this Department was not entitled to take the lands for twenty miles on each side of the railway as far as Vancouver if that really were the terminus of the road. I understood it to have been decided that, so far as the Government of Canada is con-

cerned, Port Moody is the Pacific terminus of the Canadian Pacific Railway; in other words, it is the point at which the railway reaches the Pacific Ocean, and beyond which the Company were not bound to construct the railroad. If Port Moody is the statutory terminus of the Canadian Pacific Railway and the Canadian Government is not entitled to the lands for twenty miles on each side of the road between Port Moody and Vancouver, then the Canadian Government cannot interfere in regard to the timber on the public lands in the forty mile belt between Port Moody and Vancouver.

But if the timber to which Mr. Higginson refers is cut within the territory which, beyond dispute, belongs to the Government of Canada, and is being used in the construction of that part of the railway between Port Moody and Vancouver, which probably is the fact, it is a question for your decision whether the Company should not be called upon to pay dues upon the timber. It might perhaps be well to submit a statement of the facts for the opinion of the Deputy Minister of Justice.

Respectfully submitted,

A. M. BURGESS, *Deputy Minister of the Interior.*

Hon. the Minister of the Interior.

DEPARTMENT OF THE INTERIOR, OTTAWA, 15th September, 1886.

SIR,—I have the honor to report that on the 2nd instant a letter was received here from the Dominion Crown timber agent at New Westminster, in which he states that he has received from the General Manager of the Canadian Pacific Railway in British Columbia, a statement showing that the Company had cut on Dominion lands in that Province from 1st December, 1885, to the 30th June, 1886, 15,728 cords of wood, and he asks to be instructed what to do in reference to the dues to be collected on it.

This appears to be a similar case to that of Mr. Onderdonk, my memorandum relating to which is at present before you.

The timber regulations in force in that part of the 40 mile belt, which lies west of the 120° longitude west of Greenwich, do not impose dues on cordwood cut for the use of steamers, but no mention is made of railways.

The regulations in force between 120° and the summit of the Rocky Mountains contain no such exception, but it is proposed to abolish the payment of dues on wood cut in connection with a colliery or for other mining purposes.

As the Company's charter does not contain any provisions exempting them from the payment of dues on cordwood, I respectfully recommend that the agent be instructed to collect the usual dues thereon.

I have the honor to be, Sir, your obedient servant,

A. M. BURGESS, *Deputy Minister of the Interior.*

Hon. the Minister of the Interior.

DEPARTMENT OF THE INTERIOR, OTTAWA, 21st September, 1886.

SIR,—I beg to inclose herewith a copy of a memorandum dated the 4th instant, to the Minister of the Interior from myself with respect to the matter referred to in a communication received from Mr. T. S. Higginson, Crown timber agent of this Department at New Westminster, British Columbia, a copy of whose letter I also enclose, and to ask your opinion as to whether or not the Canadian Pacific Railway Company are entitled to obtain from Dominion lands, free of all dues and charges, the timber which they are using in the construction of that part of their railroad lying between Port Moody and Vancouver.

With respect to the question as to the Company being entitled to this privilege in such portions of their main line as lie unquestionably between the statutory termini, I beg to refer you to a letter dated 23rd February 1886, addressed by the

Minister of Justice himself to the Minister of the Interior, a copy of which is annexed, hereto.

I have the honor to be, Sir, your obedient servant,
A. M. BURGESS, *Deputy Minister of the Interior.*

G. W. BURBIDGE, Esq., Q.C., Deputy Minister of Justice, Ottawa.

OTTAWA, 5th October, 1886.

SIR,—I think the question submitted in your letter of the 21st September, is answered in the letter of the Minister of Justice to the Minister of the Interior, under date of the 23rd February last, by reference to which you will observe that the Minister expresses the opinion that the powers conferred on the Canadian Pacific Railway Company by section 19 of their charter (see Acts 1881, c. 1.) can only be exercised by them in respect of their main line, which terminates at Port Moody.

I have the honor to be, Sir, your obedient servant,
GEO. W. BURBIDGE, *Deputy Minister of Justice.*

A. M. BURGESS, Esq., Deputy Minister, Department of the Interior.

NEW WESTMINSTER, 11th October, 1886.

SIR,—I have the honor of addressing you in reference to a class of timber which is not presumed to be classed in the ordinary sense, merchantable; as I take it, that term applies to timber of a size suitable for milling purposes. The class I refer to is of a small size, suitable for ties and piles, of which description the Canadian Pacific Railway Company are cutting quite a large quantity in connection with the extension of their road to Vancouver, and for harbor purposes there. I have so far allowed their contractors to cut anywhere on unoccupied Dominion lands, but lately they have gone into lands occupied by resident squatters or homesteaders, hence my reason for issuing a notice of which enclosed is a copy. I take this view and I think you will concur with me, that we ought to assist the homesteader in preserving as much as possible timber of a size too small for milling purposes, but not permitting them to cut during the time they are performing their settlement duties, except in the process of clearing their land, in meantime the timber is increasing in size, and becoming more valuable, therefore of more economic value to both the settler and the country at large. Then as to the resident squatter, I look upon him in some light as a homesteader, as he will become one as soon as the township in which he has squatted is open for entry, as no one will remain a squatter when for the paltry sum of \$10 he can improve his position by becoming a homesteader. The reason of my recommendation not to grant persons of the classes named the privilege of selling any timber off their land, is to prevent persons from squatting on homesteading lands presumably for agricultural purposes, but in reality for their (small) timber value, denuding them of the class of timber referred to above, and then abandoning them. I trust, therefore, with these explanations, my action will meet with your approval.

In conclusion I may state there is an unlimited quantity of timber of all kinds required by the Railway Company, on lands other than these on which there are squatters or homesteaders.

I have the honor to be your obedient servant,
T. S. HIGGINSON, *Dominion Crown Timber Agent for B. C.*

HON. THOMAS WHITE, Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, 20th October, 1886.

SIR,—I beg to acknowledge the receipt of your letter of the 27th August, 1886, with reference to the collection of dues on timber used by the Canadian Pacific Railway Company in connection with the extension of their line from Port Moody to

Vancouver, and also in the construction of wharves, and in piling at the latter place, and to instruct you to charge ordinary dues thereon.

I have the honor to be, Sir, your obedient servant,

P. B. DOUGLAS, *Assistant Secretary.*

T. S. HIGGINSON Esq., Crown Timber Agent, New Westminster, B. C.

DEPARTMENT OF THE INTERIOR, OTTAWA, 26th October, 1886.

SIR,—I am directed to acknowledge the receipt of your letter of the 11th instant, No. 270, and to say that it will be submitted to the Minister of the Interior for consideration.

I am to draw your attention to the fact that the notice referred to in your communication has not been received here.

I am, Sir, your obedient servant,

P. B. DOUGLAS, *Assistant Secretary.*

T. S. HIGGINSON Esq., Crown Timber Agent, New Westminster, B. C.

NEW WESTMINSTER, 29th October, 1886.

SIR,—I have to acknowledge receipt of your communication of the 20th inst. M. ref. No. 14,430 in reference to timber cut upon Dominion lands and used by the Canadian Pacific Railway Company west of Port Moody, and instructing me to charge ordinary dues thereon. Will you please inform me if Order in Council, dated 14th October, 1881, regarding dues on railway ties, is intended to apply to this Province, and consequently to those used by the above named company west of Port Moody, namely, three cents each, as if they are to be converted into board measure and charged at the nominal rate chargeable in this district, the dues would not amount to over three-quarters of a cent each.

I have the honor to remain your obedient servant,

T. S. HIGGINSON, *Dominion Crown Timber Agent for B. C.*

Hon. the Minister of Interior, Ottawa.

NEW WESTMINSTER, 29th October, 1886.

SIR,—I have the honor of drawing your attention to the matter of dues on cordwood, cut in the forty mile belt in this Province, and as the North-West regulations, including Order in Council dated 10th October, 1881, are not applicable to that portion of the belt west of Kamloops, I will feel obliged by your letting me know, if you wish me to assume that said Order applies to the whole of the belt, and that I am to collect from the Canadian Pacific Railway Company dues on all cordwood cut by them, at the rate specified by the said Order in Council, viz., 25 cents per cord.

I have the honor to remain your obedient servant,

T. S. HIGGINSON, *Dominion Crown Timber Agent for B. C.*

Hon. the Minister of the Interior, Ottawa.

OTTAWA, 25th February, 1887.

SIR,—I have the honor to draw your attention to a matter which occurred in May last, between the Shuswap Milling Company of Kamloops, H. Abbott, Esq., General Manager of the Canadian Pacific Railway Company, and myself, in connection with 300 M. of sawn lumber which the last named company absolutely required at Kamloops to complete the construction of the line at that place. At the time there was no communication from the east, and Onderdonk held possession of the western end of the road; it was therefore impossible to get the lumber required, except from the Shuswap Milling Company. They offered to furnish that quantity from logs which they had on hand, conditionally upon their being allowed to cut a like quantity from Dominion lands subsequently. Mr. Abbott appealed to me, saying

that it was of great importance to have the road completed, so that the moment Onderdonk gave up possession they could open it up to the public. Realizing the importance to the country to have the road opened up at the very earliest moment, I replied that I would take upon myself the unwarranted liberty of giving permission to cut from Dominion lands that quantity, but no more. This quantity, 300 M., I permitted them to cut on Eagle River in December last.

Trusting that under the circumstances my action in the matter will meet with your approval.

I have the honor to remain your obedient servant,

T. S. HIGGINSON, *Dominion Crown Timber Agent for B.C.*

Hon. the Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, 5th March, 1887.

SIR,—I am directed to acknowledge the receipt of your letter of the 25th ultimo, No. 495, and to say that the action you have taken in the matter referred to therein is approved.

I am, Sir, your obedient servant,

P. B. DOUGLAS, *Assistant Secretary.*

T. S. HIGGINSON, Esq., Crown Timber Agent, New Westminster, B.C.

OTTAWA, 11th March, 1887.

SIR,—I have the honor, in referring to the letter of the Hon. Minister of Justice of the 23rd February, 1886, in which he states that the Canadian Pacific Railway Company have only a right, free of dues, to what timber is required for construction of their main line as far west as Port Moody. The pretensions of H. Abbott, on behalf of the said Company, in his letter dated the 4th February, 1886, is that branch lines and extensions, as well as the main line, according to clause 15, chapter 1 of the Canadian Pacific Railway Act, constitute the line of the Canadian Pacific Railway, and, as by clause 19 of said Act all timber required for the construction of the railway is free from dues, they assume that timber so required for their branchlines and extensions is exempt from dues. It is quite evident, therefore, that the Company intend contesting the opinion of the Hon. Minister of Justice, as Mr. Abbott no doubt, when addressing Mr. Trutch, acted under instructions from his Company.

Your letter to me of the 20th October last, instructed me to collect ordinary dues on all timber used in the construction of the line west of Port Moody.

On the 29th of same month, in reply, I pointed out that there were no rates of dues established for British Columbia governing the cutting of such timber as cordwood, ties, etc.; for this reason I have refrained from taking any steps in the matter. As soon as you establish the rates to be imposed on such timber as they have cut and are now cutting, for their extension west of Port Moody, I intend (without I receive instructions from you to the contrary) to act on your instructions of the 20th October last, and will bring the question to an issue, in a mild, gentlemanly, but firm and decided manner.

I have the honor to remain your obedient servant,

T. S. HIGGINSON, *Dominion Crown Timber Agent for B. C.*

Hon. the Minister of the Interior, Ottawa.

OTTAWA, 15th March, 1887.

SIR,—I have the honor of addressing you in reference to the matter of timber required for completing the construction of the Canadian Pacific Railway west of the summit of the Rocky Mountains. The two limits of fifty square miles each, which you have reserved for this company, are the very best on the Columbia River (in the forty mile belt). This they have, as you are aware, been permitted to cut in the past for construction purposes, anywhere they wished. The question now arises is this: If you give them the two limits in question, is it the determination of your

Department that their future cutting for construction will be confined to them, and as the time is fast approaching when they will require to commence cutting for the coming summer's operations, it is important that this question receives your earliest attention.

I presume it is your intention that all timber, cut either on these limits, or elsewhere on vacant Dominion lands, for maintenance of the road, will be subject to ordinary dues.

I would also beg to suggest that a clause be embodied in the grant of these two limits to them to the effect that the timber on them shall be used solely in connection with the road, that they be not allowed under any circumstances to sell any lumber from them, or permit it to be sold either directly or indirectly, as it would never do to allow them to acquire limits without competition, and then come into competition with ordinary lumbermen who had not that advantage.

I have the honor to remain your obedient servant,
T. S. HIGGINSON, *Dominion Crown Timber Agent for B. C.*
Hon. the Minister of the Interior, Ottawa.

17th March, 1887.

P.S.—Since writing the foregoing report I have sent the correspondence of 6th and 16th September last, between the Canadian Pacific Railway Company and the Department, in which they state that they consider they have an equitable claim to cut timber from these limits for barter and sale. I submit that if they were thus to come into competition with legitimate lumbermen it would give rise to a great deal of dissatisfaction, and very justly so.

T. S. H.

DEPARTMENT OF THE INTERIOR, OTTAWA, 22nd March, 1887.

SIR,—In your letter to me of the 5th October last, ref. 111,286, you stated that the question submitted in my letter of the 21st September, was answered in a communication from the Minister of Justice to the Minister of the Interior under date the 23rd February last, by reference to which I would observe that the Minister expresses the opinion that the power conferred on the Canadian Pacific Railway Company by section 19 of their charter can only be exercised by them in respect of their main line which terminates at Port Moody.

The Canadian Pacific Railway authorities still contend that under clause 15, chap. 1, of the Canadian Pacific Railway Companies Act, the branch lines and extensions as well as the main line constitute the line of the Canadian Pacific Railway, and that this being the case, under clause 19 of the same Act they are entitled to cut timber for construction of their branch lines and extensions, free of dues.

This contention on their part was not, so far as I am aware, before you at the time your letter of the 5th October was written, and I should be glad to be advised whether in your opinion the view taken by the Company is well founded.

I am, Sir, your obedient servant,
P. B. DOUGLAS, *Assistant Secretary.*
GEO. W. BURBIDGE, Esq., Deputy Minister of Justice, Ottawa.

NEW WESTMINSTER, 30th March, 1887.

SIR,—I have the honor of drawing your attention to my letter to you of the 11th instant, No. 521, in reference to the matter of timber used in the construction of the extension of the Canadian Pacific Railway west of Port Moody, and its branches.

I have the honor to remain your obedient servant,
T. S. HIGGINSON, *Dominion Crown Timber Agent for B. C.*
Hon. Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, 7th April, 1887.

SIR,—In reply to your letter of the 30th ultimo, No. 538, I am directed to say that the subject therein referred to has again been submitted to the Department of Justice, for opinion.

T. S. HIGGINSON,

Dominion Crown Timber Agent for British Columbia.

NEW WESTMINSTER, 31st March, 1887.

DEAR SIR,—Will you kindly send me with as little delay as possible a statement of all the wood cut by or for you up to date, or up to your last returns. There was a distinct understanding between Mr. Marpole (your superintendent) and I, that no wood was to be cut that would do for milling purposes.

I have learned that Longreen, and also the Chinamen a little west of Griffin Lake have been cutting a quantity of ties suitable for milling purposes; no doubt this was contrary to their instructions.

I think therefore that you better retain an amount in your hands until we can see into this, as a cord of wood contains 1000 feet of lumber, and if any good trees have been cut the dues would be from 50 to 75 cents per cord, based on existing timber regulations, instead of the established ones, viz: 25 cents per cord.

Truly yours,

T. S. HIGGINSON, *Dominion Crown Timber Agent for B. C.*

H. ABBOTT, Esq.,

General Superintendent Canadian Pacific Railway Company, Port Moody.

NEW WESTMINSTER, 2nd April, 1887.

DEAR SIR,—Will you please send me a statement, giving names of all contractors who are cutting ties, piles or timber other than cordwood for your Company on Dominion lands in your division, nature of their contracts, and defining the lands on which you have given such permission.

Truly yours,

T. S. HIGGINSON, *Dominion Crown Timber Agent for B. C.*

H. ABBOTT, Esq.,

General Superintendent Canadian Pacific Railway Company, Port Moody.

NEW WESTMINSTER, 4th April, 1887.

SIR,—I have the honor to draw your attention to my letters of the 11th and 15th March respectively, Nos. 521 and 529, and to say, that in view of them occupying

your attention at an early date, I addressed Mr. Abbott on the 31st March and 2nd April, respectively, letters of which I now beg to enclose copies. I think it would be well to have dues established at as early a date as possible for this Province for the class of timber referred to, as the Canadian Pacific Railway Company have been cutting, and are now cutting, large quantities of this description of timber. I learned from the road master at this end of the line that there will be required between Kamloops and Moody this season as many as 60,000 ties for maintenance.

I have the honor to remain your obedient servant,
T. S. HIGGINSON, *Dominion Crown Timber Agent for B. C.*
Hon. Minister of the Interior, Ottawa.

OTTAWA, 7th April, 1887.

SIR,—Referring to your letter of the 22nd ultimo, and to previous correspondence respecting the claim made by the Canadian Pacific Railway Company, that it is entitled to cut timber from public lands for the purpose of construction of the extension of their line from Port Moody to Vancouver, I have the honor, by direction of the Minister of Justice, to state that he adheres to the opinion expressed by him in his letter to the Hon. Mr. White, of 23rd February, 1886, namely, that the powers conferred on the Company by section 19 of their charter can be exercised only in respect of the main line of its road, which terminates at Port Moody.

Your obedient servant,
GEO. W. BURBIDGE, *Deputy Minister of Justice.*
P. B. DOUGLAS, Esq., Assistant Secretary, Interior Department, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, 18th April, 1887.

SIR,—I am directed to enclose herewith, for your information, a copy of a letter dated the 7th instant, from the Department of Justice, in relation to the matter referred to in your communication of the 11th ultimo, ref. 521.

I am, Sir, your obedient servant,
P. B. DOUGLAS, *Assistant Secretary.*

PART V.

DIVIDED INTO PARTS A AND B.

A:—RE LEASING OF TIMBER BERTHS ALONG THE COMPANY'S LINE IN BRITISH COLUMBIA.

THE CANADIAN PACIFIC RAILWAY COMPANY,
OFFICE OF THE SECRETARY, MONTREAL, 16th August, 1886.

MY DEAR HALL,—Will you send me a copy of the conditions upon which timber berths along the line in British Columbia are leased, and oblige.

Yours truly,
C. DRINKWATER, *Secretary.*
JOHN R. HALL, Esq., Ottawa,

DEPARTMENT OF THE INTERIOR, OTTAWA, 20th August, 1886.

SIR,—In compliance with the request contained in your letter of the 16th instant, I beg to forward copies of the regulations governing the disposal of timber berths in the forty mile belt in British Columbia.

I am, Sir, your obedient servant,
JOHN R. HALL, *Secretary.*
C. DRINKWATER, Esq.,
Secretary, Canadian Pacific Railway Company, Montreal.

REGULATIONS governing the cutting of timber on Dominion Lands within the railway belt in British Columbia, lying south of 49° 34' north latitude and west of the 121° of longitude west of Greenwich.

1. It shall be unlawful for any person, without a license in that behalf, to be granted as hereinafter mentioned, to cut, fell, or carry away any trees or timber upon or from any Dominion lands.

2. Every person who shall violate the provisions of the preceding section shall, for each offence, be liable to a penalty of not less than \$5 nor more than \$500, to be recovered in a summary manner, upon the complaint of any person, before any stipendiary magistrate or two justices of the peace, and in default of payment, imprisonment not exceeding thirty days.

3. Any person desirous of cutting or felling and carrying away trees or timber from Dominion lands, may obtain a license to that effect upon complying with the following provisions:—

(a.) He shall apply in writing to the Minister of the Interior for a license, and shall also, if the land intended to be covered by such license be not included in any surveyed township, stake out the land sought for, by placing at each angle or corner of the land a stake or post at least 4 inches square, and standing not less than 4 feet above the surface of the ground; and upon each post he shall inscribe his name and the angle represented thereby thus: "A. B.'s N. E. corner (meaning north-east corner), or as the case may be; except such posts are so planted before the notice referred to in the next succeeding section is given, all the proceedings taken by the applicant shall be void; and with his application he shall forward to the Minister of the Interior a map or sketch of the land so staked out, specifying metes and bounds, and showing thereon the best information in his power respecting the same, but if the land has already been included in any general survey, then the official number of the section or sections, or part thereof applied for shall be given.

(b.) He shall, after making the application for the license, publish for a period of thirty days in the *British Columbia Gazette* and in any newspaper circulating in the district in which the lands lie, notice of his application for a timber license, and shall in such notice give a description of the land applied for, specifying metes and bounds, and such further particulars, if any, as may be required by the Minister of the Interior.

4. In the event of any adverse claim being filed with the Minister of the Interior, he may hear and decide upon the same.

5. No timber license shall be granted for a larger area than 1,000 acres of land, nor shall the license be granted for a longer period than four years. The license shall not be transferable, and may be surrendered at any time. No person shall be entitled to more than one license at the same time. The licensee shall pay to the Minister of the Interior, for the use of Her Majesty, annually during the currency of the license, the sum of \$10 therefor, the first payment to be made upon the granting of the license, and thereafter annually. In default of payment the license shall be void.

6. No timber license shall be granted in respect of lands forming the site of any Indian settlement or reserve, and the Minister of the Interior may refuse to grant a license in respect of any particular land, if, in the opinion of the Governor General in Council, it is deemed expedient in the public interest so to do.

7. The license may be in the form A set forth in the schedule to these regulations.

8. Every licensee shall keep an account in writing of the number of trees felled by him upon the land embraced within his license, and shall at the expiration of every six months, during the currency of his license, make and furnish to the Minister of the Interior a statement in writing, verified by declaration to be made before a justice of the peace, showing the number of trees so felled, and shall then forthwith pay to the Crown timber agent for the use of Her Majesty, in respect of each tree felled, the sum of 15 cents.

9. The licensee shall, if required, produce to the Crown timber agent the original account of trees felled.

10. If the licensee shall not keep an account in writing of the number of trees felled under the license, or shall not render to the Crown timber agent the statement in writing aforesaid, or shall wilfully make a false statement, he shall be liable to a penalty of not less than \$5 nor more than \$250, to be recovered as aforesaid, and in default of payment, imprisonment not exceeding thirty days.

11. The preceding sections of these regulations shall not be construed so as to inflict penalties upon free miners engaged in prospecting or mining, nor upon travellers, nor upon persons engaged in merely scientific pursuits or exploring, nor upon farmers cutting timber for purposes connected with their farms, nor upon proprietors of coal mines cutting timber for colliery purposes, nor upon persons cutting cordwood for fuel for their own use, or for the use of steamers, or for school purposes.

12. In reckoning the number of trees felled, there shall not be included small timber used for skids, levers, rafting stuff, or the like.

13. If any person, without authority or otherwise than is permitted by these regulations, cuts, or employs or induces any other person to cut, or assists in cutting any timber of any kind on any Dominion lands, or removes or carries away any merchantable timber of any kind so cut from any Dominion lands, he shall not acquire any right to the timber so cut, or any claim to any remuneration for cutting, preparing the same for market, or conveying the same to or towards market, and such timber may be seized by the Crown timber agent or other officer or agent of the Minister of the Interior, and shall be sold for the benefit of the Crown.

(a.) When the timber or sawlogs made has or have been removed by any such person from Dominion lands, such person shall, in addition to the loss of his labor and disbursements, forfeit a sum of \$1 for each tree (rafting stuff excepted) which he is proved to have cut, or caused to be cut or carried away, which sum shall be recoverable with costs in the name of the Minister of the Interior in any court having jurisdiction in civil matters to the amount of the penalty.

(b.) In such cases it shall be incumbent upon the party charged to prove his authority to cut.

14. Where timber has been cut without authority on Dominion lands, and has been made up with other timber into a crib, dam or raft, or in any other manner has been so mixed up as to render it impossible, or very difficult for the agent to distinguish the timber so unlawfully cut on Dominion lands from other timber with which it is mixed up, the whole of the timber so mixed up shall be held to have been cut without authority on public lands, and shall be liable to seizure and forfeiture until separated by the holder satisfactorily to the officer making the seizure.

15. The officer making the seizure may, in the name of the Crown, call in any assistance necessary for securing and protecting the timber seized.

16. All timber seized under these regulations shall be deemed to be condemned, unless the person from whom it was seized, or the owner thereof, shall, within one month from the day of seizure, give notice to the seizing officer or nearest Crown timber agent, that he claims, or intends to claim, the same; failing such notice, the agent aforesaid shall report the circumstances to the Minister of the Interior, who may order the sale of the said timber by the said agent after a notice of at least thirty days.

17. Any Supreme Court judge may, upon petition, in a summary way try and determine such seizures, and may order the delivery of the timber to the alleged owner upon his giving security, by bond, with two good and sufficient sureties, to pay double the value in case of condemnation.

(a.) Such bond shall be taken in the name of the Minister of the Interior to Her Majesty's use, and shall be delivered up to and kept by the Minister of the Interior.

(b.) If such seized timber is condemned, the value thereof shall be forthwith paid to the Minister of the Interior and the bond cancelled, otherwise the penalty shall be enforced and recovered.

18. Every person availing himself of any false statement or oath to evade the payment of any moneys payable under these regulations, in respect of timber, shall forfeit the timber in respect of which payment of such moneys is attempted to be evaded.

19. The Minister of the Interior may, from time to time, define timber districts, and may appoint a Crown timber agent for each district.

20. No logs shall be sawn in any mill, or otherwise manufactured into lumber, or other material, in any mill, until the logs shall have been scaled and measured, and the timber dues hereinafter mentioned paid; but the provisions of this section shall not apply to logs cut from any lands held by pre-emption or under Crown grant.

21. The logs shall be scaled and measured at the mill by the Crown timber agent, or person appointed by the Minister of the Interior for that purpose, for the district in which the mill is situate.

22. When the logs have been scaled and measured, the person who did so shall make out a bill, stating therein the number of logs, the number of feet board measure contained in such logs, and the name of the owner; and the Crown timber agent shall enter in the books of his office a copy of such bill. Another copy of the bill shall be made out and delivered to the owner or his agent, with a certificate thereto attached that it is a true and correct bill, which bill, so certified, shall, for the purpose of ascertaining the amount of timber dues to be paid in respect of such logs, be presumptive evidence of the facts therein contained and of the correctness of such scaling or measurement.

23. The scale and rule by which the quantity of logs shall be determined is the rule laid down and prescribed in Scribner's Lumber and Log Book, as copyrighted in 1882, by George W. Fisher, of Rochester, New York.

24. There shall be payable and paid by the owner of the logs to the Minister of the Interior, to and for the use of Her Majesty, the sum of twenty cents for each and every one thousand feet board measure contained in such logs, and until the same shall be paid the logs shall not be taken into the mill or removed from where they were scaled, and a lien for such timber dues shall attach to the logs until the dues are paid, and as soon as the logs are scaled and measured, and until payment of the dues, the Crown timber agent may take and hold possession of the logs.

25. In scaling or measuring logs, such allowance for hollow or crooked, or otherwise defective logs, shall be made as would make them equal to good, sound, straight and merchantable logs.

26. These regulations shall not apply to the cutting of the trees known as hemlock.

27. The Minister of the Interior may cancel any timber license granted under the provisions of these regulations, if, in his opinion, the licensee shall not continuously proceed to cut and manufacture the timber within the limits of his license.

A sketch showing the position of these berths is enclosed herewith.

THE CANADIAN PACIFIC RAILWAY COMPANY,

OFFICE OF THE SECRETARY, MONTREAL, 22nd June, 1886.

SIR,—I beg to acknowledge the receipt of your letter of the 19th instant, notifying the Company of the intention of the Department to invite tenders for certain timber berths in British Columbia.

It will be necessary for me to communicate with the officials at Winnipeg before I can reply to your letter.

JOHN R. HALL, Esq., Secretary, Department of the Interior, Ottawa.

THE CANADIAN PACIFIC RAILWAY COMPANY,

OFFICE OF THE SECRETARY, MONTREAL, 7th July, 1886.

DEAR MR. BURGESS,—I have only just heard from Winnipeg respecting the timber limits advertised on the Upper Kicking Horse River.

We shall require to take out considerable timber for trestles and snow sheds, but cannot exactly determine what quantity, and it is very desirable that a reserve, through which the line runs, should be set aside for us. One on the north and one on the south side at Boulder Creek would meet the purpose. We should also have one on the Lower Kicking Horse River; that at Paliser would answer, if it has not been disposed of.

As this matter is very important, I shall be very much obliged if you will wire me, or send me a line to-morrow, and if you want to see me I will go up at once.

Yours truly,

C. DRINKWATER, *Secretary.*

A. M. BURGESS, Esq., Ottawa.

P. S.—I am expecting word as to what we shall require on the line west of Donald and will communicate with you as soon as I can.

(Telegram.)

DEPARTMENT OF THE INTERIOR, OTTAWA, 8th July, 1886.

To C. DRINKWATER, Secretary Canadian Pacific Railway, Montreal.

Reserve on each side of Boulder Creek all right; near as can be ascertained ground near Paliser disposed of. Will write.

Near as can be ascertained, ground near Paliser disposed of, will write."

I am to enclose herewith a lithographed plan of the berths above referred to, and to request you to be so good as to mark thereon the berths you desire to be reserved for your Company, and return the plan to this Department at an early date.

SIR,—I beg to acknowledge the receipt of your letter of 26th June, respecting timber berths on the Kicking Horse River.

As requested, I return herewith the plan enclosed with your letter, on which I have marked in blue, berths this Company desire to secure.

I have written to Vancouver for the necessary information to enable me to point out any reserve the Company may require west of the territory covered by the enclosed plan; as soon as I receive the same I will communicate with you.

If you have a similar plan to the enclosed, of the district from Golden City west, I shall be glad to receive one or two copies.

CANADIAN PACIFIC RAILWAY COMPANY, MONTREAL, 19th July, 1886.

"Timber Berths."

DEAR MR. BURGESS,—From a letter received this morning, it is not quite clear whether we should not reserve a berth between Palliser and Donald, but I cannot say definitely until I hear from Mr. Abbott.

In the meantime perhaps you could reserve one of the berths between Golden City and Donald, described in the tracing sent with your official letter of 22nd June.

Yours very truly,

C. DRINKWATER, *Secretary.*

DEPARTMENT OF THE INTERIOR, OTTAWA, 19th July, 1886.

DEAR MR. DRINKWATER,—Referring to our conversation on the 1st instant, the Minister authorizes me to say to you that the timber berths on the Columbia and Kicking Horse Rivers and Otter Tail Creek are reserved for the Canadian Pacific Railway Company to enable them to obtain therefrom such timber as they may be entitled to under the Canadian Pacific Railway Act, for construction purposes. As to what disposition shall be made of the limits after the Company cease to use them for that purpose, the Minister is not at present prepared to answer in the affirmative your proposition that they be allotted to the Company without competition.

Yours faithfully,

A. M. BURGESS, *Deputy Minister of the Interior.*

SIR,—With reference to my letter of the 23rd ultimo in relation to the issuing of certain patents in favor of the Canadian Pacific Railway Company, I am now directed by the Minister of the Interior to inform you that upon enquiry the fractional east half of Section 13, in Township 19, Range 13, west of the second meridian, is found to be vacant, and a patent therefor is now in course of preparation.

I have the honor to be, Sir, your obedient servant,

P. B. DOUGLAS, *Assistant Secretary.*

C. DRINKWATER, Esq.,

Secretary Canadian Pacific Railway Company, Montreal.

DEPARTMENT OF THE INTERIOR, OTTAWA, 15th April, 1886.

SIR,—With reference to my letter of the 6th instant, in reply to yours of the 23rd ultimo, requesting that patents may issue in favor of the Canadian Pacific Railway Company covering certain lands, I am directed by the Minister of the Interior to inform you that by an oversight I stated that patents were in course of preparation covering all the lands asked for in your letter.

This statement does not exactly accord with the facts, as an exception has been made of the north-east quarter of Section 33 in Township 11, Range 3, west of the first meridian, for which a patent to the company cannot issue. The land being within the half-breed allotment does not come within the meaning of the company's twenty-four mile limit.

I have the honor to be, Sir, your obedient servant,

P. B. DOUGLAS, *Assistant Secretary.*

After this has been done I am to request you to have two of the copies forwarded to this Department, and to send with them an abstract of title of the said half section, upon the receipt of which the transaction in question can be completed.

THE CANADIAN PACIFIC RAILWAY COMPANY,

OFFICE OF THE SECRETARY, MONTREAL, 26th July, 1886.

SIR,—A patent having issued for the SW $\frac{1}{4}$ Section 27, Township 9, Range 33, instead of SW $\frac{1}{4}$ Section 27, Township 9, Range 23, which it was intended to apply for, I beg to ask that a patent may now issue for the latter.

The patent for the former will be retained, and as the quarter-section is marked on our list "for examination," I shall be glad if you will transfer it to the accepted list.

I am, Sir, your obedient servant,

C. DRINKWATER, *Secretary*.

JOHN R. HALL, Esq., Secretary Department of the Interior, Ottawa.

THE CANADIAN PACIFIC RAILWAY COMPANY,

OFFICE OF THE SECRETARY, MONTREAL, 27th July, 1886.

SIR,—I beg to acknowledge the receipt of your letter of the 23rd, transmitting eight patents, as per your list enclosed.

You have sent me a patent for the N $\frac{1}{2}$ Section 31, Township 15, Range 9, west of the 1st Meridian, whereas I applied for N $\frac{1}{2}$ Section 31, Township 15, Range 9, west of the 2nd Meridian.

Will you please have a patent for the latter sent me. I will write you again in respect to the former when I have ascertained if it covers land which this company would accept.

I am, Sir, your obedient servant,

C. DRINKWATER, *Secretary*.

JOHN R. HALL, Esq., Secretary Department of the Interior, Ottawa.

COMMISSIONER'S OFFICE, WINNIPEG, 26th July, 1886.

SIR,—I am directed by the acting Commissioner to enclose herewith copy of a letter received from Mr. J. H. McTavish asking if the Canadian Pacific Railway Company are at liberty to dispose of Section 33, Township 7, Range 9, west of 1st Meridian.

From the entry in the agent's register referred to in Mr. McTavish's letter it would appear as if it had been intended to allot Section 33, Township 7, Range 9, west Principal Meridian, or part of it to the Hudson's Bay Company in lieu of Section 28, Township 8, Range 21 west, but as the records of this office throw no light on the matter, Mr. McTavish has been advised that you have been asked whether you can furnish any information respecting it.

I have the honor to be, Sir, your obedient servant,

T. R. BURPÉ, *Secretary*.

The Secretary, &c., &c., Ottawa.

22nd July, 1886.

SIR,—On enquiring of the Dominion Lands Agent, Manitou, as to the position of Section 33, Township 7, Range 9, west of 1st Meridian, I am informed that a note has been made in his township register as follows:—"Not to be sold. The whole to be reserved. 26-8-81." As no disposition, so far as he has been informed, has since been made of this land, he presumes it falls to the Canadian Pacific Railway Company. Will you please inform me if such is the case, and if we are at liberty to dispose of it.

I have the honor to be, Sir, your obedient servant,

J. H. McTAVISH, *Land Commissioner*.

Secretary Canadian Pacific Railway Company, Montreal.

DEPARTMENT OF THE INTERIOR, OTTAWA, 12th August, 1886.

SIR,—I beg to acknowledge the receipt of your letter of the 27th ultimo, and to request the return of the patent for the west half of Section 31, Township 15, Range 9, west of the First Meridian, issued in error to the Canadian Pacific Railway Company, the west half of Section 31, Township 15, Range 9, west of the Second Meridian, being the land which should have been so patented.

I have also to inform you that when the above mentioned patent is returned it will be cancelled, and a new one issued for the west half of Section 31, Township 15, Range 9, west of the Second Meridian.

The books here show the company as entered for the proper land, but by a clerical error the land was described in the patent as being west of the first instead of west of the Second Meridian.

I am, Sir, your obedient servant,

JOHN R. HALL, *Secretary.*

C. DRINKWATER, Esq.,

This patent, as you were informed by my letter of the 12th of this month, was issued in error, and should have covered the $W\frac{1}{2}$ of Section 31, Township 15, Range 9, west of the Second Meridian, and not west of the First. A portion of the land embraced in the patent you are requested to return has already been disposed of.

I am, Sir, your obedient servant,

THE CANADIAN PACIFIC RAILWAY COMPANY.

SIR,—I am directed to request on behalf of the Canadian Pacific Railway Company, that the Government will be pleased to issue in the name of
of _____ in the county of _____, the patent for

Section _____, in Township _____, Range _____, west of the _____ principal meridian, being part of the land grant to which the company is entitled under its contract.

I annex a communication from Messrs. Smithers, Hamilton & Thorne, trustees under the land grant mortgage, establishing that the above-mentioned section has been sold, and the proceeds appropriated in conformity with the deed of mortgage securing the company's land grant bonds.

I have the honor to be, Sir, your obedient servant,

_____, *Secretary.*

Hon. the Minister of the Interior, Ottawa, Ontario.

MONTREAL,

188

SIR,—We have the honor to state that the Canadian Pacific Railway Company has sold Section _____, Township _____, Range _____, west of principal meridian, and that the proceeds thereof have been applied to the redemption of the bonds issued under the deed of mortgage executed by the company on the 1st September, 1881, securing the land grant bonds of the company, the whole in accordance with the said deed, and that consequently said land is free from claim by reason of the said deed of mortgage.

We have the honor to be, Sir, your obedient servants,

_____, *Trustees Land Grant Mortgage.*

Hon. the Minister of the Interior, Ottawa.

MONTREAL, 26th January, 1887.

DEAR SIR,—This company is entitled to an even numbered half section in lieu of the NE $\frac{1}{4}$ Section 5, Township 11, Range 26, West 3rd and the SW $\frac{1}{4}$ Section 9, Township 11, Range 26, West 3rd, which are occupied by the Mounted Police at Maple Creek. Some time ago, at the request of the Dominion Lands Office at Winnipeg, our Land Commissioner filed a list of even numbered sections, or portions of sections, adjoining stations west of Moose Jaw, which might be required by the company. The N $\frac{1}{2}$ Section 18, Township 13, Range 6, West 4th, adjoining Stair station has been so reserved, and I beg to apply for a patent for the same, in lieu of quarter sections at Maple Creek before mentioned.

I am, dear Sir, yours truly,

The patents of portions of Sections 22 and 23, Township 17, Range 20, West 2, are applied for in accordance with an arrangement which I understand has been made with the Dominion Land Board at Winnipeg, by which the Mounted Police retain that portion of the west half of twenty-three lying between the railway and Pile of Bones Creek, giving the company in lieu thereof all of Section twenty-two lying south of the railway. I shall be glad to have the patents as soon as possible.

I am, Sir, your obedient servant,

A. M. BURGESS, Esq., Deputy Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, 5th February, 1887.

DEAR SIR,—I duly received yours of the 31st ultimo with reference to the issue of patents direct from this Department to purchasers of land from your company, to which, as I stated to you in the course of conversation, there could not be any objection, provided the Department was furnished with the necessary authority.

The forms enclosed in your letter of the 31st ultimo would be quite sufficient for the purpose if they were authorized by a formal resolution of your Board of Directors, and the request in each case were made by you under the official seal of the company. I have no doubt whatever that you would have adopted this course of your own accord.

I have never seen any conveyance made by the company to those buying from them, but it will be understood of course, in all conveyances made to purchasers who may obtain their patents direct from this Department, that all the right, title and interest which the Department would convey to the company, will be conveyed to them also.

Yours very truly,

A. M. BURGESS.

DEPARTMENT OF THE INTERIOR, OTTAWA, 18th March, 1887.

SIR,—In reply to your letter of the 1st ultimo, I have to inform you that the patent for the fractional E. $\frac{1}{2}$ of Section 19, Township 16, Range 1, west of the 1st Meridian, is now in course of preparation in favor of the Canadian Pacific Railway Company, but that letters patent cannot issue to that company for the N. $\frac{1}{2}$ of the NW. $\frac{1}{4}$ of Section 31 Township 15, Range 2, east of the 1st Meridian, and the N. $\frac{1}{2}$ of Section 31, Township 14, Range 13, west of the 1st Meridian, owing to the fact that these lands are beyond the limits of the 24 mile belt of the said company. With reference to the issue of letters patent for portions of Sections Nos. 22 and 23 in Township 17, Range 20, west of 2nd Meridian, I have to draw your attention to my letter of the 12th instant, Ref. 48487, and to state that the records of this Department do not show that the arrangement mentioned in your letter, above referred to, has ever been concluded.

The Commissioner of Dominion Lands has however been asked if the arrangement in question has been formally completed to forward a copy of the agreement here in order that the matter may be finally closed.

I have the honor to be, Sir, your obedient servant,
P. B. DOUGLAS, *Assistant Secretary*.

These patents are being prepared for the company to replace those which were issued to them for the north-east quarter of Section 5, and the south-west quarter of Section 9, in Township 11, Range 26, west of the 3rd Meridian, which they have relinquished, and which is now occupied by the North-West Mounted Police.

I have the honor to be, Sir, your obedient servant,

DEPARTMENT OF THE INTERIOR, OTTAWA, 18th March, 1887.

Mr. Drinkwater was asked by letter of the 5th November last, if the company would be willing to accept the portion of Section 22 south of the line of the Canadian Pacific Railway for that portion of Section 23 lying north of the line, but there is nothing on record to show that the arrangement was ever completed.

PART VI.

RE NORTHERN BOUNDARY "24-MILE BELT."

DEPARTMENT OF THE INTERIOR, OTTAWA, April, 1886.

SIR,—I am directed by the Minister of the Interior to acknowledge the receipt of your letter of the 1st instant returning two maps showing the northern boundary of the Canadian Pacific Railway 24-mile belt between Lake Manitoba and the line between Ranges 15 and 16, west of the 1st Meridian, and calling attention to the discrepancy in the said boundary as laid down on the two maps. Unfortunately a copy of the map sent to you on the 1st August, 1882, does not appear to have been placed on file; hence the difference which appeared on the map sent to you on the 30th January last.

As your company has acted on the map sent you in 1882 the boundary as laid down there must remain, and a copy of the map showing that boundary will be furnished the Land Commissioner of the Manitoba and North-Western Railway Company for his guidance.

The original map returned by you will be retained on file here.

I have the honor to be, Sir, your obedient servant,

P. B. DOUGLAS, *Assistant Secretary*.

C. DRINKWATER, Esq.,

Secretary Canadian Pacific Railway Company, Montreal.

MONTREAL, 1st April, 1886.

SIR,—Referring to your letter of the 30th January last, asking the assent of this company to the northern limit of the railway belt, as defined on a map transmitted with your letter in order to prevent complications arising between this company and the Manitoba and North-Western Railway Company, in connection with the limits of its land grant.

I return the map in question, together with another map showing the northern limit of our own belt within the points indicated, as defined by the Deputy Minister of the Interior on a map sent to me on the 1st August, 1882. This was considered final and we have acted upon it. It will be observed that in no case is a section divided, the section lines being in all cases followed.

I have the honor to be, Sir, your obedient servant,

C. DRINKWATER, *Secretary*.

P. B. DOUGLAS, Esq., Assistant Secretary Department of the Interior, Ottawa.

SIR,—I am directed by the Minister of the Interior to ask that you will obtain the assent of your company to the northern limit of the belt extending 24 miles north of the Canadian Pacific Railway, as defined by a red line on the map herewith enclosed.

This request is made in order to prevent any complications arising between your company and the Manitoba and North-Western Railway Company, which has lately had its grant extended eastward to Lake Manitoba, and the southern limit of which, at certain points, abuts on the northern limit of the Canadian Pacific Railway grant.

I have the honor to be, Sir, your obedient servant,

D.—RE ADDITIONAL GROUNDS AT WINNIPEG FOR STATION AND GENERAL BUSINESS PURPOSES OF THE COMPANY.

DEPARTMENT OF THE INTERIOR, OTTAWA, 30th September, 1886.

SIR,—Referring to the subject of the parcel of land containing 101 acres, reserved at Point Douglas, in the city of Winnipeg, by the Order in Council of the 15th October, 1881, in order to afford the Canadian Pacific Railway Company an opportunity of purchasing it for the purpose of extending their station grounds, should the Government consider the company's business require the enlargement of those grounds, I am now directed to inform you that your company is still permitted to avail themselves of the provisions of the Order in Council above mentioned, a report to that effect having been received from the Minister of Railways and Canals.

I have the honor to be, Sir, your obedient servant,

JOHN R. HALL, *Secretary.*

C. DRINKWATER, Esq.,

Secretary Canadian Pacific Railway Company, Montreal.

MONTREAL, 6th October, 1886.

SIR,—I have the honor to acknowledge the receipt of your letter of the 50th ultimo, respecting additional land required by this company at Winnipeg for station grounds, and stating in effect that the Minister of Railways and Canals having reported that the additional ground applied for is necessary for the business of the company, the latter is permitted to avail itself of the provisions of the Order in Council of the 15th October, 1881, and acquire the land in question by purchase.

I beg to refer you to my letter to the Deputy Minister of the Interior, dated 11th October, 1884, in which this company claims for the reasons therein stated that it is entitled to receive a conveyance of this land, free of charge, under the terms of its charter. For facility of reference I enclose a copy of the letter referred to, and beg respectfully to ask that the additional area required for station grounds be conveyed to the company in accordance with the application therein made.

I have the honor to be, Sir, your obedient servant,

C. DRINKWATER, *Secretary.*

JOHN R. HALL, Esq., Secretary Department of the Interior, Ottawa.

CANADIAN PACIFIC RAILWAY COMPANY,

SECRETARY'S OFFICE, 11th October, 1884.

SIR,—I have again the honor, by direction of the Board, to call your attention to the necessity for further space for the station grounds of this company at Winnipeg.

You will doubtless remember that application was made by this company in the autumn of 1881, for a grant of 232 acres of land, to be used for stations, freight-sheds, tracks, workshops and cattle guards in Winnipeg; and that an Order in Council was passed in respect of that application on the 15th of October, 1881, in which a grant was made to the company of only 120 acres for the required purpose, giving per-

mission to the company, however, to acquire by purchase from the Government such further area as it might desire to obtain.

At that time the company informed the Government that the quantity thus granted was insufficient for the purposes of the company at Winnipeg, and the anticipations of the company in that respect have been fully verified, as the traffic centreing at Winnipeg has been developed.

It did not appear to be disputed by the Government, on the occasion in question, that the company were entitled to receive from the Government, under their contract, such area of land as was necessary for their station grounds and for like purposes. The tenth section of the contract states that "the Government shall also grant to the company the lands as required for the road-bed of the railway, and for its stations, station grounds, workshops, dock ground and water frontage at the termini on navigable waters, buildings, yards and other appurtenances required for the convenient and effectual construction and working of the railway, in so far as such land shall be vested in the Government."

The company believed, and asserted at that time, that the whole area asked for would be absolutely necessary for the purposes described in the 10th section, and the land was then, and still is, vested in the Government. And they felt confident that if they should prove to be right as to the requirements of the traffic and should be able to satisfy the Government on that point, the Government would not hesitate to carry out the conditions of the contract by granting to the company a sufficiency of land for the purpose it contemplated.

I have now the honor to renew the application made in the autumn of 1881, and to request from the Government a grant of the remainder of the tract of land in the city of Winnipeg, then applied for. This company has already furnished you with information as to the necessity for the area in question, and will be prepared to establish to your satisfaction the fact that it is essential to the efficient working of the traffic that they should possess and be able to use the quantity now again applied for.

I have the honor to be, Sir, your obedient servant,

C. DRINKWATER, *Secretary.*

A. M. BURGESS, Esq., Deputy Minister of the Interior, Ottawa.

J. M. COURTNEY, *Deputy Minister of Finance.*

Deputy Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, 5th May, 1886:

SIR,—I am directed by the Minister of the Interior to acknowledge the receipt of your letter of the 28th ultimo, stating that in the future it will not be necessary to pay to the credit of the Receiver General moneys earned by the Canadian Pacific Railway Company for postal subsidy and for transport service, and that your letter of the 26th November, 1883, requesting that such moneys should be so paid, may be considered as cancelled.

I have the honor to be, Sir, your obedient servant,

P. B. DOUGLAS, *Assistant Secretary.*

J. M. COURTNEY, Esq., Deputy Minister of Finance, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, 5th May, 1886.

SIR,—I am directed by the Minister of the Interior to draw your attention to the purport of a letter dated the 28th ultimo, which has been received here from the Deputy Minister of Finance, referring to his letter of the 26th November, 1883, copies of both of which letters are enclosed herewith.

I have the honor to be, Sir, your obedient servant,
P. B. DOUGLAS, *Assistant Secretary*.

The Hon. E. DEWDNEY,
Lieutenant Governor of the North-West Territories, Regina, Assiniboia.

LIEUTENANT GOVERNOR'S OFFICE, REGINA, 11th May, 1886.

SIR,—I have the honor to acknowledge receipt of your official despatch of the 5th instant, transmitting copies of letters from the Deputy Minister of Finance to your Department, dated respectively the 26th November, 1883, and 28th April, 1886, both of which have my attention.

I have the honor to be, Sir, your obedient servant,
E. DEWDNEY, *Lieutenant Governor*.

The Hon. the Minister of the Interior, Ottawa.

F.—RESERVATION IN PATENTS ISSUED BY THE DEPARTMENT OF
RIGHT OF WAY FOR COMPANY'S LINE.

CANADIAN PACIFIC RAILWAY COMPANY,
OFFICE OF THE SECRETARY, MONTREAL, 23rd November, 1886.

DEAR MR. BURGESS,—Referring to the enclosed letter from Mr. Nixon, *re* right of way, I think this matter was all arranged at the time. Will you kindly let me know what was done, and, if possible, send me copies of the schedules referred to?

Yours very truly,

C. DRINKWATER.

A. M. BURGESS, Esq., Deputy Minister of the Interior, Ottawa.

WINNIPEG, MAN., 13th March, 1886.

DEAR SIR,—In the winter of 1832-83 I gave to Mr. Hamilton, Assistant Land Commissioner, a list of land which had been homesteaded or pre-empted after the date of our charter, as I thought that under those circumstances the Government would eliminate the right of way from any patent covering the quarter section mentioned in such schedule.

I have never received any information to lead me to suppose that the company's claim has been acknowledged and will be pleased to be informed on the matter, for if our right of way has not been eliminated from the patent issued it must be procured from the persons now owning the land.

The schedule sent you for transmission to Montreal in the early part of 1885, showing the right of way which was then to be procured, contained in the explanatory remarks placed opposite certain quarter sections the words "Government asked."

I would very much like to have copy of said schedule as my press copy has been destroyed by the fire.

Yours truly,

THOMAS NIXON, *Right of Way Agent*.

JOHN M. EGAN, Esq., General Superintendent Canadian Pacific Railway.

DEPARTMENT OF THE INTERIOR, OTTAWA, 3rd May, 1886.

DEAR MR. DRINKWATER,—In reference to your letter of the 23rd March last, I herewith enclose a schedule showing the position in which each quarter section

through which the main line of the Canadian Pacific Railway passes stands in relation to the right of way, at the present date.

I regret to say that through oversight in two instances patents have issued without the right of way being reserved therein.

Yours very truly,

A. M. BURGESS.

C. DRINKWATER, Esq.,

Secretary Canadian Pacific Railway Company, Montreal.

MEMO.—The schedule in this case is very lengthy and it has not been considered necessary to include a copy of it in this return.

T. G. R.

THE CANADIAN PACIFIC RAILWAY COMPANY,

OFFICE OF THE SECRETARY, MONTREAL, 6th May, 1886.

DEAR MR. BURGESS,—I am obliged for your letter of the 3rd respecting right of way.

Will you kindly return to me Mr. Nixon's letter sent to you with mine of 23rd March, as I did not keep a copy of it.

Yours truly,

C. DRINKWATER.

A. M. BURGESS, Esq., Deputy Minister of the Interior, Ottawa.

DEPARTMENT OF THE INTERIOR, 11th May, 1886.

SIR,—In compliance with the request contained in your letter of the 6th instant, addressed to Mr. Burgess, I am directed to return you herewith the letter of Mr. Thomas Nixon respecting claim for right of way which accompanied your letter of the 23rd March last.

I have the honor to be, Sir, your obedient servant,

P. B. DOUGLAS, *Assistant Secretary.*

C. DRINKWATER, Esq.,

Secretary Canadian Pacific Railway Company, Montreal.

THE CANADIAN PACIFIC RAILWAY COMPANY,

OFFICE OF THE SECRETARY, MONTREAL, 13th May, 1886.

DEAR MR. BURGESS,—I am much obliged for your letter of the 3rd instant and the statement showing the position in which each quarter section through which the main line passes stands as regards right of way. This statement covers the lands between Winnipeg and Range 26, West 2nd Meridian, at least so I understand it. What about the remaining portion running west to the limit of the land grant? I assume that no patents have been granted west of the point named above, but would like to be informed as to the facts. Will the Government secure the right of way through the quarter sections for which patents were issued without the usual reserve being made, or shall we do so for your account?

Yours truly,

C. DRINKWATER.

A. M. BURGESS, Esq., Deputy Minister of Interior, Ottawa.

DOMINION LANDS COMMISSION, WINNIPEG, 17th May, 1886.

SIR,—I have the honor to enclose herewith, by direction of the Commissioner, a copy of a letter that has been to-day addressed to Mr. J. H. McTavish, Land Commissioner of the Canadian Pacific Railway Company, in reference to the claim of his company to Sections 3 and 5, Township 15, Range 16, west 1st Meridian, and Section 1, Township 15, Range 17, west 1st Meridian.

I have the honor to be, Sir, your obedient servant,

J. R. BURPEE, *Secretary.*

Secretary Department of the Interior, Ottawa.

DOMINION LANDS COMMISSION, WINNIPEG, 17th May, 1886.

SIR,—In further reference to your letter of the 26th March last, I am directed by the Commissioner to say that it is ascertained, from the records of the Department at Ottawa, that Section 3, Township 15, Range 16, west, was entered for so long ago as 1878. Half of it has already been patented, one quarter was a time sale which is not yet fully paid up, and the remaining quarter is covered by a pre-emption entry.

As to Section 5 in the same township, the north half appears to have been patented and the south half to be vacant.

I am to quote the following observations of Mr. Superintendent Pearce in reference to these and the other lands mentioned in your letter, now acknowledged :

“As the ruling of Mr. Russell was that the 24 mile limit should be measured due north and south from the location of the railway, and as in Sections 3 and 5, Township 11, Range 16, the railway line runs through the south half of said section, according to reference books filed by the Canadian Pacific Railway Company here, therefore Sections 3 and 5, Township 15, Range 16, would not form any portion of the land grant of the Canadian Pacific Railway, the ruling being that if more than one half section fell within said limit the whole section reverted to that company, if less than half section fell within said limit none of it reverted to the company. If Mr. Russell, in August, 1882, fixed the northerly limit of the Canadian Pacific Railway to take in the foregoing sections, such line was the outcome of incorrect data as to the location of the Canadian Pacific Railway, which data was furnished by that company. As to Section 1, Township 15, Range 17, the west half was entered in 1879 and is now patented. The east half is now vacant.”

As the reference book of the Canadian Pacific Railway shows the location of the line through the northerly half of Section 1, Township 11, Range 17, all of Section 1, Township 15, Range 17, remaining undisposed of, would fall to the Canadian Pacific Railway.

I have the honor to be, Sir, your obedient servant,
J. R. BURPÉE, *Secretary.*

J. H. McTAVISH, Esq.,
Land Commissioner Canadian Pacific Railway, Winnipeg.

DEPARTMENT OF THE INTERIOR, OTTAWA, 5th June, 1886.

DEAR MR. DRINKWATER,—In reply to your unofficial letter of the 13th ult., asking if the Government would secure to the company the right of way through the quarter-sections for which patents have issued without making the reservation of the right of way, I write to say that I have addressed a letter to the Deputy Minister of Justice, and asked for his opinion on the subject.

Yours very truly,
A. M. BURGESS.

CHARLES DRINKWATER, Esq.,
Secretary Canadian Pacific Railway Company, Montreal.

DEPARTMENT OF THE INTERIOR, OTTAWA, 5th June, 1886.

SIR,—By clause 10 of the contract between Her Majesty and the Canadian Pacific Railway Company it is provided that the Government shall grant to the company lands required for the road-bed of the railway, etc., in so far as such lands shall be vested in the Government, and it is further provided by sub-section c of clause 18 of the Canadian Pacific Railway Act, 1881, that the 11th sub-section of the 8th clause of the Railway Act shall not apply to any portion of the Canadian Pacific Railway passing over ungranted lands of the Crown or lands not within any surveyed township in any Province. Great care has been taken by this Department to exclude the right of way of the Canadian Pacific Railway in patents for lands through which the railway passes, but two cases have been discovered recently in

which, by some oversight, that reservation has not been made. Will you be good enough to advise on the following points:—

Whether in your opinion, where the right of way through homestead and pre-emption lands, for which entry was not granted at the date of the passing of the Act, vests in the company without patent issuing from the Crown? Even were the title to be vested in the company without the issue of letters patent, I have thought it might be well, for the purpose of registration in the provincial and territorial registry offices, that such patents should issue, and upon this subject also I would be obliged if you would favor me with an expression of your views. The right of way is not in effect reserved from a patent for a homestead or a pre-emption, as the case may be, without the reservation being specifically mentioned in the patent, provided the entry for the land was granted subsequent to the date of the passage of the Canadian Pacific Railway Act. In the event of the entry for the homestead or pre-emption having been granted before the passage of the Canadian Pacific Railway Act, but the patent did not issue, nor was it earned until after the passage of the said Act, are the Canadian Pacific Railway Company entitled to the right of way through the homestead or pre-emption free of charge, and have the Government the right to exclude the said right of way from the patent to the homesteader? If you conclude that a patent for a homestead or a pre-emption through which the Canadian Pacific Railway Company are legally entitled to obtain the right of way from the Government, which does not contain specifically the reservation of the right of way, conveys the said right of way as part of the land mentioned in the patent, will you kindly give me the benefit of your views as to the proper way in which to rectify the error? Would it be advisable to authorize the Canadian Pacific Railway Company to negotiate with the homestead and let the Department compensate the company, or would it be desirable to obtain the concession of the right of way by the usual process through your Department? Another alternative would be to proceed to cancel the patents in the manner provided by clause 74 of the Dominion Lands Act. The expediency of resorting to this last method is perhaps open to some doubt.

I have the honor to be, Sir, your obedient servant,

A. M. BURGESS, *Deputy Minister of the Interior.*

G. W. BURBIDGE, Esq., *Deputy Minister of Justice, Ottawa.*

DEPARTMENT OF THE INTERIOR, OTTAWA, 5th June, 1886.

SIR,—I am directed by the Minister of the Interior to acknowledge the receipt of your letter of the 17th ultimo, ref. 35444, B 7558, enclosing a copy of a letter addressed to Mr. J. H. McTavish, Land Commissioner of the Canadian Pacific Railway Company, respecting the claim of that company to Sections 3 and 5, Township 15, Range 16, and Section 1, Township 15, Range 17, all west of the First Meridian.

I have the honor to be, Sir, your obedient servant,

P. B. DOUGLAS, *Assistant Secretary.*

H. H. SMITH, Esq., *Commissioner Dominion Lands, Winnipeg, Man.*

DOMINION LANDS COMMISSION, WINNIPEG, 24th June, 1886.

SIR,—I am directed by the Commissioner to enclose herewith a letter addressed to him from Mr. Superintendent Pearce, having reference to Sections 3 and 5, Township 15, Range 16, West Principal Meridian, and to Section 1, Township 15, Range 17, west of the Principal Meridian.

These lands were claimed by both the Canadian Pacific Railway Company and the Manitoba and North-West Railway Company.

The Land Commissioners of both companies have been notified of the conclusions expressed in Mr. Pearce's letter.

It appears, however, that acting under the impression that the east half of Section 1, which had not been disposed of by the Government belonged to the Manitoba and North-Western Railway Company, Mr. A. F. Eden, Land Commissioner, sold it,

in view of which fact the commissioner recommends that the Canadian Pacific Railway Company be allowed to select some vacant available half section in lieu thereof.

He has advised Mr. McTavish that he has submitted this suggestion for the consideration of the Minister.

Your letter of the 5th instant, M. 8262 on 34187, refers to this matter.

I have the honor to be, Sir, your obedient servant,

J. R. BURPÉ, *Secretary.*

Secretary Department of the Interior, Ottawa.

OTTAWA, 12th April, 1886.

SIR,—I have the honor to acknowledge the receipt of yours of the 6th instant, Ref. 35444 on B 6991, and have looked up the case referred to. I find that Section 3, Township 15, Range 16, has been entered for as long ago as 1878, half of it is already patented, $\frac{1}{4}$ was a time sale which is not yet fully paid up. The remaining $\frac{1}{4}$ was pre-emption in connection with the homestead and which has not yet been paid for, but probably the parties intend doing so.

Section 5 in the same Township, N $\frac{1}{2}$ is patented and the S $\frac{1}{2}$ is vacant. As the ruling of Mr. Russell was that the 24 mile limit should be measured due north and south from the location of the railway and as in Sections 3 and 5, Township 11, Range 16, the railway line runs through the S $\frac{1}{2}$ of said section according to reference book filed by the Canadian Pacific Railway here; therefore, Sections 3 and 5, Township 15, Range 16, would not form any portion of the land grant of the Canadian Pacific Railway, the ruling being that if more than $\frac{1}{2}$ section fell within said twenty-four mile line, the whole section reverted to the Canadian Pacific Railway; if less than half section fell within said limit none of it reverted to that company. If Mr. Russell in August, 1882, fixed the Northerly limit of the Canadian Pacific Railway to take in the foregoing sections, such line was the outcome of incorrect data as to the location of the Canadian Pacific Railway, which data was furnished by that company as to Section 1, Township 15, Range 17. The W $\frac{1}{2}$ was entered in 1879, and is now patented, E $\frac{1}{2}$ still vacant. As the reference book of the Canadian Pacific Railway shows the location of the line to be through the northerly $\frac{1}{2}$ of Section 1, Township 11, Range 17, all of Section 1, Township 15, Range 17, remaining undisposed of would fall to the Canadian Pacific Railway.

I would therefore suggest that you communicate both with Mr. McTavish and Mr. Eden, Land Commissioners, Canadian Pacific Railway, and the Manitoba and North Western Railway respectively, as to this $\frac{1}{2}$ section; or perhaps a better way would be to forward copy of this letter of mine to the head office and ask that the necessary action be taken thereon; or you might take action and notify the head office thereof.

I have the honor to be, Sir, your obedient servant,

WM. PEARCE, *Superintendent.*

Commissioner of Dominion Lands, Winnipeg, Man.

G.—PAYMENTS MADE BY COMPANY UNDER 49 VICTORIA, CHAPTER 9.

COMMISSIONER'S OFFICE, WINNIPEG, 18th August, 1886.

SIR,—I have the honor to acknowledge the receipt of your letter of the 9th inst., enclosing copy of a communication from the Assistant Deputy Minister of Finance, respecting the reduction in the area of the land grant to the Canadian Pacific Railway Company, which has been duly noted.

CANADIAN PACIFIC RAILWAY COMPANY, WESTERN DIVISION,
SOLICITOR'S OFFICE, WINNIPEG, MAN., 10th January, 1887.

SIR,—Enclosed herewith is a list of lands through which the main line of the Canadian Pacific Railway passes, of which we have no information as to the return of patents.

As this is necessary to complete title to right of way and also to properly close the record books of the same, kindly let me know if this information can be obtained from your Department.

I have, &c., your obedient servant,

J. A. M. AIKENS, *Solicitor C. P. R.*

Hon. the Minister of the Interior, Ottawa.

(Memo.)

The list which accompanied Mr. Aikens' letter of 10th January, 1887, being very lengthy and of no value to this Return, has not been copied for it. T. G. R.

The same is the case with the list mentioned in Departmental letter of 12th February, 1887, to Mr. Aikens. T. G. R.

DEPARTMENT OF THE INTERIOR, OTTAWA, 12th February, 1887.

SIR,—I beg to transmit herewith a copy of a list containing all the information respecting the lands referred to in your letter of the 10th ultimo, with which in that letter you ask to be furnished.

H.—RE ISSUE OF PATENTS DIRECT TO COMPANY'S GRANTEE'S INSTEAD OF TO THE COMPANY, &c.

THE CANADIAN PACIFIC RAILWAY COMPANY,

OFFICE OF THE SECRETARY, MONTREAL, 1st April, 1887.

SIR,—In pursuance of the recent arrangement with the Department, for the issue of patents direct to purchasers of the company's lands, I now beg to enclose applications for the issue of patents as per list annexed. As I understand the rule of the Department is to send patents direct to the persons in whose names they are made out, I beg to ask that these may be held until I again communicate with you.

I was under the impression that they would be sent to the company for delivery to the patentee, and if sent direct it may lead to complications. I am in communication with the Land Commissioner on the subject, and as soon as I hear from him I will write you again, when we, no doubt, can devise means to overcome the difficulty.

In the meantime, perhaps you will be good enough to have the patents prepared.

I am, Sir, your obedient servant,

C. DRINKWATER, *Secretary.*

REPORTS AND CORRESPONDENCE BEARING ON THE CANADIAN PACIFIC RAILWAY COMPANY'S CONTRACT TO 1st APRIL, 1887.

REPORTS ON WORK, &c.

CANADIAN PACIFIC RAILWAY,

OFFICE OF THE ENGINEER IN CHIEF, OTTAWA, 28th May, 1886.

SIR,—I am requested to make a further report upon the Canadian Pacific Railway between Callander and Port Moody, my last report being dated 31st December, 1885.

When the contract to construct this great work was entered into with the Canadian Pacific Railway Company, it was divided into four sections, viz.:—

	Miles.
1. The Eastern Section from Callander to Port Arthur	651
2. The Lake Superior Section from Port Arthur to the Red River	428
3. The Central Section from Red River to Kamloops (Savona's Ferry)	1,257
4. The Western Section from Kamloops (Savona's Ferry) to Port Moody	213

Making an aggregate of 2,549

Eastern Section.

With the exception of finishing up work to the value of \$25,000 scattered over this section, the road is completed and has been built fully up to, and in some respects in a superior manner to that required by the standard of quality demanded by the contract.

Portions of this section pass through a very rough, broken, rocky country necessitating a considerable amount of curvature, the curves are however not very sharp, the maximum being 7° , of which there are but few. The grades on this section are not severe, 53 feet per mile being the steepest.

The embankments are solid and both they and the cuttings well formed. The tunnels of which there are five are all driven through the solid rock, and are neatly taken out. A number of very fine steel superstructures have been erected, resting upon massive masonry piers and abutments, and a number of small streams are passed through well built masonry culverts.

A considerable number of wooden trestles and pile bridges have been erected over valleys, where no earth was to be obtained in the locality to fill them, but some years hence, when these structures will in due course require to be rebuilt, solid earth embankments can be formed in their place at a very low cost by means of steam shovels and train work.

The water service is very good, and the station houses, engine houses and workmen's dwellings are ample and suitable for the service.

Lake Superior Section.

This section is completed and in excellent running order. The bridges are of wood, of good design, well and strongly put together, with the exception of the bridges crossing the two arms of the Winnipeg River near Rat Portage, which are fine steel trusses, resting upon solid masonry piers and abutments. Many of the culverts are of masonry, of excellent quality, others are of timber.

The embankments and cuttings are well formed. The maximum grade ascending east is 26 feet per mile, and ascending west is 53 feet per mile, whilst the curvature is light.

Suitable buildings have been erected for the accommodation of the traffic, including two large elevators of a capacity of 300,000 bushels and of 1,000,000 bushels, at Port Arthur and at Fort William respectively.

Central Section.

This section may be divided into two sub-sections, the prairie division, 1,000 miles in length, and the mountain division, 257 miles in length. The work on the prairie section was probably the simplest part of the whole road to construct; the grading was easy, and with some six or seven exceptions the structures are small, the exceptions being the steel bridges over the Assiniboine, the Saskatchewan, and several crossings of the Bow River.

Suitable station houses, commodious engine houses, and comfortable workmen's dwellings have been built, and an excellent water service provided.

The track is neatly set up and in good running order. The grades do not exceed 53 feet per mile, except as the foot hills of the Rocky Mountains are approached, when grades of 66 feet per mile are resorted to; the curvature on this division is light.

On the mountain division a very formidable country is encountered through which to build a railway. Mountain rises above mountain, divided by deep and winding valleys, and the line of railway is necessarily rather tortuous, and the curvature sharp; with the exception of one curve of $10^\circ 40'$ there are, however, none sharper than 10° .

In crossing the main mountain ranges (the Rockies and the Selkirks), grades of 116 feet per mile had to be used, but as they are concentrated within a distance of 140 miles, the traffic can be worked over them to good advantage by the aid of pilot engines.

The grading in both earth and rock is heavy, in addition to which there are 6,348 lineal feet of tunnelling.

The bridging and culverts are all of wood, substantially and well built. There are two very high trestle bridges, one long trestle at the second crossing of the Columbia River and others of a smaller size. The only truss bridges of any considerable size are those over the two crossings of the Columbia River, and over the Eagle River; in addition to these there are quite a number of spans of the smaller sizes. The culverts, with two exceptions, are beams.

On the mountain slopes where the heaviest grades occur the permanent way is composed of steel rails weighing 70 pounds to the yard, which makes a very solid road-bed. The station buildings are not yet completed.

Careful observations have been made during the past winter, by an engineer especially stationed in the mountains for that purpose, on the snow fall, snow slides and avalanches occurring during the winter and spring months, and the results have been most satisfactory, giving every assurance that with a proper system of snow-sheds no serious impediment to winter traffic may be expected from any of these causes.

The work remaining to be done, excepting the building of the nine miles of permanent line, to take the place of the temporary line built alongside of it under Mount Stephens, is estimated to cost about \$285,000. This is composed of station buildings, the erection of the permanent trusses over some of the rivers, ballasting and scattered work in finishing up. When this and the nine miles of permanent line are completed, the road in all respects will be fully equal to the standard required by the company's contract, and it is believed that a permanent train service with British Columbia will be established within a short time.

Western Section.

This section of the road was built by the Government, but inasmuch as the Canadian Pacific Railway Company have not yet taken it over, it was necessary, particularly in such a mountainous region, that it should be looked after, as with the heavy freshets in the river and the torrents coming down the mountain sides, slight damage might result in great destruction unless attention was at once given to it, and as it was considered important that a train service should be maintained to carry the mails, the Post Office Department in conjunction with the Railway Department entered into an arrangement with Mr. Onderdonk for this service, he doing the ordinary maintenance of the road at his own cost and expense, the Government paying for the cost of repairs made necessary by damage done by heavy rains and high freshets in the river.

The road is completed excepting the building of an engine house at Port Moody. The Government propose, however, to rebuild the front of the wharf at Port Moody with iron piles, the wooden piles having suffered from the ravages of the sea worm.

The grading, both in earth and rock, as well as in tunnelling, was very heavy on this section, in fact it was the heaviest work encountered on the entire length of the Canadian Pacific Railway.

The bridging is generally of wood, the exception being the bridge over the Fraser River, which is of steel, resting upon massive stone piers and abutments. There are a number of wooden truss bridges ranging from 40 to 200 feet span, the most important of these being over the Pitt and Harrison Rivers. Of trestle work there is a considerable quantity; it is well put together and the trestles are good, strong structures.

Oribwharfing is resorted to in many places to maintain and protect the banks from wash. The water service is very fine, the engine-house a substantial brick building on a stone foundation, and the station-houses amply sufficient for the business of the road.

This section of road is represented to be in excellent running order. The rolling stock provided by the company, as stated in my last report, is of the finest description, the passenger car stock being airy and comfortably fitted up, and the sleeping and dining car service all that can be desired.

The freight offering appears to so far exceed all calculations and expectations that I feel it will be necessary from time to time to increase the freight car capacity to satisfactorily meet the requirements of the traffic.

I have the honor to be, Sir, your obedient servant,
COLLINGWOOD SCHREIBER, *Chief Engineer*.

ON LINE C. P. RY., 17th September, 1886.

SIR,—As requested by the Honorable Minister, I have inspected the Canadian Pacific Railway from Callander to Port Moody, with a view of its being opened for traffic throughout, and I have to report the road in good running condition and I recommend that the company be permitted to operate it. They should, however, submit a tariff of rates and fares for the approval of the Governor in Council.

I am, Sir, your obedient servant,
COLLINGWOOD SCHREIBER,
Chief Engineer and General Manager.
 A. P. BRADLEY, Esq., Secretary Department of Railways and Canals.

CANADIAN PACIFIC RAILWAY, OFFICE OF THE ENGINEER-IN-CHIEF,
 OTTAWA, 12th October, 1886.

SIR,—On the 31st December last I reported the progress made with the construction of the Canadian Pacific Railway up to that date. During the remainder of the winter very little work was done, but upon the opening of the working season in the spring a large force was organized and the works of construction vigorously prosecuted.

The Lake Superior and Western Sections.

The building of these two sections was undertaken by the Government, and the Lake Superior section, extending from Port Arthur to Red River, a distance of 426 miles, was completed previously to the date of my report above referred to, and handed over, for running purposes, to the Canadian Pacific Railway Company.

The western section, from Savona's Ferry (Kamloops) to Port Moody, 213 miles in length, has been completed and the contractor settled with, but owing to the ravages of the teredo worm, it has been found necessary to substitute iron for wooden piles on the face of the wharf at Port Moody; this work is now in progress, and it is expected to be finished in a few weeks' time.

The road bed and permanent way throughout this section are in excellent condition, and in fine running order.

It is found, however, that the excessive dryness of the climate and the heavy winds which prevail in the valleys of the Fraser and Thompson Rivers are cutting away the slopes of many of the gravel cuttings. In my opinion these slopes should be flattened and exposed stones and loose rocks removed. As the facilities for doing such work are much greater than formerly it can be accomplished at a very reduced cost. The contractor would gladly have executed this work, as the gravel cuttings were the best paying description of work embraced in his contract; it was, however, at the time, not thought necessary to have it done.

The Eastern and Central Sections.

These sections, extending from Callander to Port Arthur and from Red River to Kamloops (Savona's Ferry) a total length of 1,904 miles, the Canadian Pacific Railway Company contracted to build, as well as to provide the required equipment for the entire line. At the date of my last report the track had been laid throughout, but much remained to be done in finishing up the cuttings, embankments, bridging, ballasting and erection of station buildings, to complete the work in accordance with the requirements of the contract. During last month (September) I made a tour of inspection over the entire line. The eastern section (Callander to Port Arthur) and the central section (Red River to Kamloops) are completed, fully up to and in some respects above the standard required by the contract, excepting the nine miles of line passing under Mount Stephen, which is yet untouched, but around which a very substantial and workable road has been built. The experience of the past two winters made it evident that provision would require to be made to guard against obstruction of the traffic by snow sliding down the mountain side, and a series of very strong substantial snow sheds are being erected. The walls of these snow sheds on the upper or the mountain side are made of solid crib work, faced square timber and backed with earth and boulders. A strong shed or lean-to roof is supported on the lower side by large posts, the whole being well braced; very massive and skillfully put together. The object sought is to slide the snow over the cuttings, and it will, I think, be found that they will do good service.

With a view to the comforts of tourists and pleasure seekers who travel over the line and desire to spend a few days in the mountains to enjoy the magnificent scenery, the company have erected two very neat looking hotels, the one near Mount Stephen, at Field Station, and the other under the great glacier in the Selkirks, at Glacier Hotel Station.

They are very comfortable looking houses, and if they are to be operated by the company, as I understand is proposed, they will, no doubt, become favorite resorts for tourists.

On the 28th June, 1886, the road was opened for traffic from Montreal, the head of Atlantic Ocean navigation, to Port Moody, on the Pacific Ocean, the first through train having left Montreal on the morning of that day.

The train was well patronized and made a most successful run throughout, reaching the Pacific terminus on the schedule time.

Since that date there has been a regular daily train service between the two ocean termini, and I understand the traffic continues to improve in a manner most encouraging to the management; the company's returns for the eight months ending the 31st August, showing a net earning of \$2,131,869.18.

The gross earnings being.....	\$6,080,824 52
Working expenses.....	3,948,955 34
Not earnings.....	<u>\$2,131,869 18</u>

These returns embraced the dullest traffic months of the year, as the crops do not begin to move until September and the importations of merchandise for the North-West only begin to move about this time, so that the results of the eight months of the present year may be accepted as progressive when compared with last year.

I have the honor to be, Sir, your obedient servant,

COLLINGWOOD SCHREIBER, *Chief Engineer.*

A. P. BRADLEY, Esq., Secretary Department of Railways and Canals.

SELECTION OR RESERVATION OF LAND.

THE CANADIAN PACIFIC RAILWAY COMPANY,

OFFICE OF THE SECRETARY, MONTREAL, 24th February, 1886.

SIR,—I have the honor to call your attention to my letter of the 26th September, 1882, respecting the Government reserve at Port Arthur, and to request the favorable consideration of the Government to the application it contains.

The reserve in question was originally set apart for the purpose of the Canadian Pacific Railway. It adjoins the station of the company, opposite the dock, where the rapidly increasing business of the company will require a larger space for necessary station grounds, yards, and other railway purposes. And I am instructed to say, that the company ventures to hope that as this property is absolutely necessary for the effective use of the railway, the Government will cause a grant of it to be made to the company at the earliest convenient moment.

I am instructed to add, that the company will be glad to furnish the Government with any information required to establish the necessity of having the use of this property for railway purposes.

I have the honor to be, Sir, your obedient servant,

C. DRINKWATER, *Secretary*.

A. P. BRADLEY, Esq., Secretary Department of Railways and Canals, Ottawa.

DEPARTMENT OF RAILWAYS AND CANALS, OTTAWA, 11th June, 1886.

SIR,—Replying to your letter of the 24th of February last, in which you ask that the Government will cause a grant to be made to the Canadian Pacific Railway Company of a certain plot of land at Port Arthur required as is stated for station grounds, yards and other railway purposes, the said land being the same lot, use of which has been enjoyed by the company under permission accorded by Order in Council of the 12th of January, 1883, I am directed to say that the land in question is the property of the Ontario Government and has never been transferred to the Government of the Dominion who have merely occupied the same for a considerable number of years.

The Order in Council above referred to has enabled the Minister, so far, to afford the company the facilities derivable from the permissive tenure enjoyed by the Government, but the power of the Government does not, as you will perceive, extend to the absolute grant of this land asked for.

I am, Sir, your obedient servant,

A. P. BRADLEY, *Secretary*.

C. DRINKWATER, Esq., Secretary Canadian Pacific Railway Company.

OFFICE OF THE CHIEF ENGINEER AND GENERAL MANAGER,

CANADIAN GOVERNMENT RAILWAYS, OTTAWA, 1st October, 1886.

SIR,—The question of the boundary between the Provinces of Ontario and Manitoba having, as I understand, been settled, it appears to me important that the Ontario Government who, I presume, own the Crown lands between Port Arthur and the Manitoba boundary, should be asked to grant a patent for the lands taken for the Canadian Pacific Railway between those points. I am having a tracing of the plans made of the line of railway between those points, which it might be well to send them with the request.

I have the honor to be, Sir, your obedient servant,

COLLINGWOOD SCHREIBER.

P.S.—With reference to the plans I find they were sent on the 2nd October, 1885.

DEPARTMENT OF RAILWAYS AND CANALS,

OTTAWA, 13th October, 1886.

SIR,—I have the honor, by direction, to request that you will be pleased to take steps to obtain from the Government of the Province of Ontario a patent conveying to the Dominion Government the lands taken for the right of way, etc., of the Canadian Pacific Railway between Port Arthur and the Provincial boundary line. The plans showing the said lands were forwarded to the Crown Lands Department in Toronto on the 6th of October, 1885.

I have the honor to be, Sir, your obedient servant,

A. P. BRADLEY, *Secretary.*

Honorable the Secretary of State, Ottawa.

DEPARTMENT OF RAILWAYS AND CANALS,

OTTAWA, 1st March, 1887.

SIR,—I am instructed to draw your attention to my letter dated the 13th October inst., requesting that measures may be taken to obtain from the Provincial Government of Ontario, a patent conveying to the Dominion Government lands taken for right of way, &c., of the Canadian Pacific Railway between Port Arthur and the Provincial boundary line, plans of which were transmitted to the Crown Lands Department at Toronto, on the 6th October, 1885, and I am to request that you will be pleased to inform me what progress has been made in this matter.

If a patent has not yet issued I am to desire that you will be so good as to telegraph to the Provincial Government that Mr. Collingwood Schreiber, Chief Engineer of Railways, will leave for Toronto in a few days for the purpose of conferring on the subject with that Government.

I am, Sir, your obedient servant,

A. P. BRADLEY, *Secretary.*

Secretary of State, Ottawa.

DEPARTMENT OF THE SECRETARY OF STATE, CANADA,

OTTAWA, 3rd March, 1887.

SIR,—With reference to the enquiry made in your letter of the 1st inst., I have the honor to acquaint you, for the information of the Honorable the Minister of Railways and Canals, that no reply has been received to the letter from this Department to the Lieutenant Governor of Ontario on the subject of the issue of a patent conveying to the Dominion Government lands taken for right of way, &c., of the Canadian Pacific Railway between Port Arthur and the Provincial boundary line.

Acting on your request I have to-day telegraphed His Honor that the Chief Engineer of Government Railways will leave for Toronto in a few days to confer with the Provincial Government on the subject.

I have the honor to be, Sir, your obedient servant,

G. POWELL, *Under Secretary of State.*

Secretary Department of Railways and Canals, Ottawa.

POINT DOUGLAS.

DEPARTMENT OF THE INTERIOR, OTTAWA, 31st December, 1885.

SIR,—I am directed by the Minister of the Interior to inform you that application was made by the Canadian Pacific Railway Company in the autumn of 1881 for a grant of 232 acres of land for station grounds, freight sheds, tracks, workshops, &c., at Point Douglas Common, in the city of Winnipeg, and that an Order in Council was passed on the 15th October, 1881, granting to the company 120 acres for the purposes stated, and reserving for three years an additional area of 101 acres

which might be acquired by purchase by the company for the purpose of extending their station grounds should the Government consider the company's business require the enlargement of those grounds.

It will be observed that the time within which the company have the right to acquire the additional 101 acres by purchase, as above stated, has elapsed, but at various times they have submitted in writing to the Minister of the Interior that they require this additional area on account of the enlargement of their business, and have asked that a patent therefor should issue to them free of charge.

The subject has recently been under the consideration of the Minister of the Interior who has come to the conclusion that before acting upon the company's application in this matter it is necessary that he should be furnished with the opinion of the Chief Engineer of Railways as to whether the additional area applied for by the company is necessary to the transaction of their business, and whether, in the opinion of the Minister of Railways and Canals, the above application as a whole should be granted.

Please find enclosed a certified copy of a letter from the secretary of the company having relation to this subject, dated the 10th September last, addressed to the Honorable the Secretary of State.

I have the honor to be, Sir, your obedient servant,

JOHN R. HALL, *Secretary*.

A. P. BRADLEY, Esq., Secretary Department of Railways and Canals.

THE CANADIAN PACIFIC RAILWAY COMPANY, MONTREAL, 10th Sept., 1885.

SIR,—I have the honor to state that application was made by this company in the autumn of 1881 for the grant of 232 acres of land to be used for station grounds, freight sheds, tracks, workshops and cattle yards in Winnipeg; that an Order in Council was passed in respect of that application on the 15th October, 1881, by which a grant was made to the company of 120 acres for the required purposes, giving permission to the company, however, to acquire by purchase from the Government such further area as it might desire to obtain. At that time the company informed the Government that the quantity thus granted was insufficient for the purposes of the company at Winnipeg, and the anticipations of the company in that respect have been fully verified.

It did not appear to be disputed by the Government that the company were entitled to receive under their contract such area of land as was necessary for the station grounds and other like purposes. The 10th section of the contract states that "the Government shall also grant to the company the lands required for the road-bed of the railway, and for its stations, station-grounds, workshops, dock-ground and water frontage at the termini on navigable waters, buildings, yards and other appurtenances required for the convenient and effectual construction and working of the railway, in so far as such land shall be vested in the Government."

The company believed and asserted at that time that the whole area asked for would be absolutely necessary for the purposes described in the 10th section, and the land was then, and still is, vested in the Government, and they felt confident that if they should prove to be right as to the requirements of the traffic and should be able to satisfy the Government on that point, the Government would not hesitate to carry out the conditions of the contract by granting to the company a sufficiency of land for the purpose it contemplated.

I have now the honor to renew the application made in the autumn of 1881, and to request from the Government, under the terms of the 10th section of the contract above quoted, a grant of the remainder of the tract of land in the city of Winnipeg before applied for.

This company has already furnished the Department of the Interior with information as to the necessity for the area in question, and will be prepared to establish to the satisfaction of the Government the fact, that it is essential to the efficient working

of the traffic that they should possess and be able to use the quantity now again applied for.

I have the honor to be, Sir, your obedient servant,
C. DRINKWATER, *Secretary.*

Hon. the Secretary of State for Canada, Ottawa.

Certified a true copy.—JOHN R. HALL, *Secretary.*

OFFICE OF THE CHIEF ENGINEER AND GENERAL MANAGER,
CANADIAN GOVERNMENT RAILWAYS, OTTAWA, 27th April, 1886.

SIR,—The communication from the Interior Department, dated 31st December last (No. 38474), upon the subject of granting an additional area of land to the Canadian Pacific Railway at Winnipeg, having been referred to me, I have the honor to report that if the 10th section of the Canadian Pacific Railway contract contemplates provision at Winnipeg for stock yards for general sale of cattle similar to those in Chicago, I do not consider 232 acres would be more than sufficient to meet such and the general traffic and workshop requirements. If, on the other hand, merely resting yards for cattle transported over the railway are intended, I am of opinion that the area asked is more than sufficient for these requirements.

I am, Sir, your obedient servant,

COLLINGWOOD SCHREIBER.

A. P. BRADLEY, Esq., *Secretary Department of Railways and Canals.*

DEPARTMENT OF RAILWAYS AND CANALS,

OTTAWA, 13th July, 1886.

SIR,—On the 31st of December last you forwarded a copy of an application made by the Canadian Pacific Railway Company for additional station ground accommodation at Point Douglas, in the city of Winnipeg, requesting at the same time that the views of this Department in relation to such application should be given.

In reply, I have the honor, by direction, to say that in the opinion of the Government Chief Engineer of Railways, if, as appears to be the case, the company, are proposing to establish stock yards, the area, 232 acres, contemplated, would not be more than they would need as the total extent of their grounds at that point, having due regard to the future.

In this view, the Minister of Railways concurs and instructs me to say that the application of the company should be favorably entertained, and that they might be permitted to avail themselves of the provisions of the Order in Council of the 15th of October, 1881, relating to the additional area they now desire to acquire, should such concession meet with the approval of the Honorable the Minister of the Interior.

I have the honor to be, Sir, your obedient servant,

A. P. BRADLEY, *Secretary.*

HON. J. W. TRUTCH, C. M. G., Dominion Government Agent in British Columbia.

CANADIAN PACIFIC RAILWAY,
OFFICE OF THE ENGINEER IN CHIEF, OTTAWA, 20th , 1886.

SIR,—Having been requested to report on the condition of the works of construction upon the Canadian Pacific Railway, in connection with the application of the company for the payment of the balance of the subsidy, I have the honor to state that the railway was opened for public traffic in June last, and has since been in successful operation. That it has been built throughout on a location approved by the Governor in Council, except nine miles of the road passing Mount Stephen. At this point a deviation from the approved location was made, and a heavy grade of three miles in length introduced upon the unimproved location. The railway is built, and the traffic trains have been worked over this deviation from the date of the opening of the railway up to the present time, and although it is no doubt more costly to operate than it would have been upon the approved location, it is nevertheless a workable line and is substantially built.

I have no hesitation in pronouncing the road superior, both in quality and character of construction and equipment, to that of the Union Pacific Railway in 1873, but that it is in some degree inferior in respect of the three mile grade upon the nine miles of road passing Mount Stephen. I consider the sections of railway built by the company have been constructed and equipped, both as to the quality and the character of the railway, and of the materials used in the construction thereof, of an approximate standard of the Union Pacific Railway of the United States, as the same was when first constructed in 1873, but inasmuch as the railway is, as regards the nine miles of line passing Mount Stephen, not built upon the location

approved by the Governor in Council, I do not feel warranted in issuing my final certificate in the absence of an Order in Council accepting the railway as built.

I have the honor to be, Sir, your obedient servant,
COLLINGWOOD SCHREIBER, *Chief Engineer.*

A. P. BRADLEY, Esq., Secretary Department of Railways and Canals.

OTTAWA, 23rd October, 1886.

MEMORANDUM.—The undersigned has the honor to report that the Canadian Pacific Railway Company have applied under the Act of last Session for the return to them of the \$5,000,000 of the land grant bonds held under the construction contract as security for the operation of the road, on the grounds that the Canadian Pacific Railway has been constructed and duly placed in operation to its terminus in British Columbia, and that inasmuch as the operation of the railway has proved to be remunerative the retention of those bonds is no longer necessary in the public interest.

That the Canadian Pacific Railway has been constructed and equipped of a quality and character equivalent upon the whole to the approximate standard agreed upon between the Government and the company—that is to say, the Union Pacific Railway of the United States, as accepted by the Government of that country, the railway being in many respects of superior quality and character to the said approximate standard, and only in some degree inferior in respect of the gradients of a portion of the line in the Province of British Columbia of nine miles in length passing Mount Stephen.

That while the remainder of the railway is of superior quality and efficiency the said portion is not inferior to similar portions of railway in the leading railways of the United States, that it offers no difficulty in operation, and that it is sufficient for the traffic as at present existing, but that it would be advisable to make provision that if at any time hereafter it should be found expedient to improve the gradients of the portion in question, it should be in the power of the Government to cause such improvement to be made without further expense to the public.

That the company represent that it is in their interest also that the railway should be fitted in all respects for its traffic and business, and that they are prepared to set apart and place in the hands of the Government one million dollars of land grant bonds as a provision for the improvement in question, and as security for its completion when required by the Government. And that in the opinion of the undersigned such provision and security would be sufficient to secure the attainment of the desired object.

That the revenue derived from the operation of the railway largely exceeds the running expenses, and that under such circumstances, the retention of security that such operation will be continued is not necessary in the public interest.

Therefore, with the object of closing all matters now outstanding between the Government and the Canadian Pacific Railway Company under their contract of the 21st of October, 1880, and its several modifications, and in consideration of the early completion of the railway, admitting of the carriage of traffic thereover, and of regular operation since the 28th June, 1886, and also of the fact that the several loans made to them by the Government under authority of Parliament have been repaid by the company; and provided that the company accept the conditions hereinafter imposed, the undersigned has the honor to recommend as follows:—

1. That the Government accept the said railway as equivalent in its quality and character, in the materials used in its construction and its equipment, to the approximate standard agreed upon between the Government and the company, namely, the Union Pacific Railway of the United States, as the same was when accepted by the Government of that country.

2. That the Government convey to the company the portions of the road which have been constructed by the Government, and to which, under their contract, the company are entitled, the company accepting the same subject to the adjustment

and correction by the Government of any defects or deficiencies in construction, if any, according to the specifications and conditions of the contract therefor, except in so far as the same were modified by the Government prior to 21st October, 1880.

3. That in consideration of the completion of the construction and equipment of the railway under the construction contract, the Government pay over to the company the balance of the subsidy remaining in its hands.

4. That the Government release and return to the company the \$5,000,000 of land grant bonds held as security for the operation of the railway.

5. That in consideration of the premises the company undertake that upon being so required by the Government they will make such alteration and improvement of the portion of their railway at and near Mount Stephen as shall be prescribed by the Government, not being in excess of the requirements of the Government Engineer as shown by the plans and specifications prepared by him in that respect. And that as security for the performance of this condition the company do deposit with the Government \$1,000,000 of land grant bonds to be held so long as such conditions shall remain unperformed, and to be used in such performance if the company makes default therein.

6. That a proper agreement be prepared and executed in the premises.

Respectfully submitted,

J. H. POPE, *Minister of Railways and Canals.*

CERTIFIED COPY of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Administrator of the Government in Council on the 2nd November, 1886.

On a memo. dated 23rd October, 1886, from the Minister of Railways and Canals, submitting an application from the Canadian Pacific Railway Company for the return to them under the Act of last Session 49 Vic., chap. 9, of the \$5,000,000 of the land grant bonds held under the construction contract as security for the operation of the road, on the grounds that the Canadian Pacific Railway has been constructed and duly placed in operation to its terminus in British Columbia, and that inasmuch as the operation of the railway has proved to be remunerative, the retention of these bonds is no longer necessary in the public interest.

The Minister states that the Canadian Pacific Railway has been constructed and equipped of a quality and character equivalent upon the whole to the approximate standard agreed upon between the Government and the company, that is to say, the Union Pacific Railway of the United States, as accepted by the Government of that country, the railway being in many respects of superior quality and character to the said approximate standard, and only in some degree inferior in respect of the gradients of a portion of the line in the Province of British Columbia of nine miles in length passing Mount Stephen.

That while the remainder of the road is of superior quality and efficiency, the said portion is not inferior to similar portions of railway in the leading railways of the United States, that it offers no difficulty in operation, and that it is sufficient for the traffic as at present existing, but that it would be advisable to make provision that if at any time hereafter it should be found expedient to improve the gradients of the portion in question it should be in the power of the Government to cause such improvement to be made without further expense to the public.

The Minister further states that the company represent that it is in their interest also that the railway should be fitted in all respects for its traffic and business and that they are prepared to set apart and place in the hands of the Government one million dollars of land grant bonds as a provision for the improvement in question and as security for its completion when required by the Government, and that in the opinion of the Minister of Railways and Canals such provision and security would be sufficient to secure the attainment of the desired object.

That the revenue derived from the operation of the railway largely exceeds the running expenses, and that under such circumstances the retention of security that such operation will be continued is not necessary in the public interest.

The Minister, therefore, with the object of closing all matters now outstanding between the Government and the Canadian Pacific Railway Company under their contract of the 21st October, 1880, and its several modifications, and in consideration of the early completion of the railway, admitting of the carriage of traffic thereover, and of regular operation since the 28th of June, 1886, and also of the fact that the several loans made to them by the Government under authority of Parliament have been repaid by the company, and provided that the company accept the conditions hereinafter imposed, recommends as follows:—

1. That the Government accept the said railway as equivalent in its quality and character, in the materials used in its construction and its equipment, to the approximate standard agreed upon between the Government and the company, namely the Union Pacific Railway of the United States as the same was when accepted by the Government of that country.

2. That the Government convey to the company the portions of the road which have been constructed by the Government and to which under their contract the company are entitled, the company accepting the same subject to the adjustment and correction by the Government of the defects or deficiencies in construction (if any) according to the specifications and conditions of the contract therefor, except in so far as the same were modified by the Government prior to 21st October, 1880.

3. That in consideration of the completion of the construction and equipment of the railway under the construction contract, the Government pay over to the company the balance of the subsidy remaining in its hands.

4. That the Government release and return to the company the \$5,000,000 of land grant bonds held as security for the operation of the railway.

5. That in consideration of the premises the company undertake that upon being so required by the Government they will make such alteration and improvement of the portion of their railway at and near Mount Stephen as shall be prescribed by the Government, not being in excess of the requirements of the Government Engineer as shown by the plans and specifications prepared by him in that respect, and that as security for the performance of this condition the company do deposit with the Government \$1,000,000 of land grant bonds to be held as long as such condition shall remain unperformed, and to be used in such performance if the company makes default therein.

6. That a proper agreement be prepared and executed in the premises.

The Committee submit the above recommendation for your Excellency's approval.

JOHN J. MCGEE, *Clerk Privy Council.*

MONTREAL, 26th November, 1886.

SIR,—I am directed to call your attention to the fact that the sum of \$458,058.19 paid by the Government to the company under the third clause of the agreement, dated 15th and 20th November instant, between the Government and company, does not cover the full balance due the company under that clause.

There has been deducted from the balance actually due, an amount representing the value of certain ballast pit rails taken over with the Pembina Branch, and there is an unadjusted account in connection with the material transferred to the company with the Thunder Bay Branch.

I am instructed therefore to say that as the company cannot accept the amount now paid as the balance due, the same is received subject to the adjustment of the items before referred to.

I have the honor to be, Sir, your obedient servant,

C. DRINKWATER, *Secretary.*

A. P. BRADLEY, Esq., Secretary Department of Railways and Canals, Ottawa.

OTTAWA, 8th December, 1886.

SIR,—Mr. Drinkwater's letter of the 26th ultimo, under cover No. 41693, setting forth that the company cannot accept the amount of \$458,058.19 now paid as the balance due, and that the same is received subject to the adjustment of a deduction made of an amount representing the value of certain ballast pit rails taken over with the Pembina Branch and also of an amount in connection with the materials transferred to the company with the section of railway between Rat Portage and Port Arthur, having been referred to me, I have the honor to report.

My understanding of the arrangement was that the payment of the \$458,058.19 was a settlement of all matters between the Government and the Canadian Pacific Railway Company, except as regards the western section of the Canadian Pacific Railway.

The circumstances in connection with rails in the ballast pits on the Pembina Branch are these:—

1st. By the terms of their contract the Government were to convey the rails and fastenings bought in or since 1879 and not required by it for the construction of the Lake Superior and western sections to the company at cost price with interest.

2nd. The rails for the Pembina Branch were bought prior to 1879.

3rd. The rails in the ballast pit at Dominion City, were purchased for the line west of Red River in 1879, and were temporarily laid by me to this pit.

4th. When the ballasting was completed on the Pembina Branch the Dominion City ballast pit was exhausted, and I was commencing to take up these ballast pit tracks and had arranged to pile the rails in the Winnipeg yard, when Mr. Stickney said that under the contract the company had to pay for these rails, and that it would be an expense to the Government to lift and pile them, whereas it might be a convenience to the company to receive them where they then were, and he requested me to leave them. I then cancelled the order for removing them, and they were transferred at cost price with interest added.

5th. The ballast pit tracks were as follows:—

Dominion City Ballast Pit.

	Tons.		
Rails	771 $\frac{3}{4}$	at \$40 83 =	\$31,510 55
Fish-plates	26 $\frac{1}{2}$	at 45 60 =	1,197 00
Bolts	3 $\frac{3}{8}$	at 66 38 =	221 26

Bird Hill Ballast Pit.

The water frontage on Coal Harbor, False Creek and English Bay necessary for the company's dock and other terminal purposes, is indicated in pink. All of the land abutting on this water frontage is vested in the company, as indicated in yellow, with the exception of the short section on Coal Harbor marked "A," and of the south-west front of lot 185 on False Creek marked "B." The company owns the larger part of the property fronting on "A," and about one-third of lot 185 fronting on "B." The water frontage of the former is necessary to the terminal purposes of the company, and the latter is desirable though not perhaps absolutely necessary. All of the property indicated in pink tint fronting on English Bay and west of False Creek including the Indian Reserve (indicated in pink and marked "C") is required by the company for shops, train yards, docks and other railway purposes.

The chief works of the company at its Pacific terminus are, in fact, intended to be located on this particular tract.

I am instructed to request that these plans, &c., may be submitted for the approval and certificate of the Minister or Deputy Minister, as required by the Consolidated Railway Act, and that two copies of the same so completed may be returned to me.

As the company is desirous of proceeding with the work of construction immediately, I beg to ask that this matter may receive attention at the earliest possible date.

RATES AND TOLLS.

BRANDON, MANITOBA, 16th March, 1886.

DEAR SIR,—I am instructed to forward you copy of resolution adopted at the Lake Convention of the Manitoba and North-West Farmers' Alliance and People's Rights Association held in this city on 11th March.

Yours truly,

A. J. McMILLAN, *Secretary.*

Hon. Sir J. A. MACDONALD, Ottawa.

RESOLUTION.

It being currently reported and not denied that the Canadian Pacific Railway has entered into a pooling arrangement with the St. Paul, Minneapolis and Manitoba Railway whereby the latter receive 12 per cent. of the east bound traffic receipts of the Canadian Pacific Railway to induce them to refrain from taking our produce to market at lower rates; and such charge, amounting to something like 4 cents per bushel on every bushel of wheat exported from the country, which amount is taken from the pockets of the farmers, this convention hereby expresses its abhorrence of such a species of wholesale and deliberate robbery and calls upon the perpetrators to withdraw from such compact, being as it is dishonorable to the contracting parties, and prejudicial to the interests of the settlers of Manitoba and the North-West.

OTTAWA, 1st April, 1886.

DEAR SIR,—A letter signed by A. J. McMillan, Secretary of the Manitoba and North-West Alliance and People's Rights Association, addressed to the Premier referring to a pooling arrangement said to exist between this company and the St. Paul, Minneapolis and Manitoba Railway, whereby the latter company receives 12 per cent. of the east-bound freight traffic receipts of Canadian Pacific Railway, has been handed to me.

I beg to say that no pooling arrangement or agreement with regard to rates affecting east-bound freight traffic exists with the St. Paul, Minneapolis and Manitoba or any other railway company, and that no competing railway receives from our east-bound freight traffic, directly or indirectly, or in any shape whatever, any proportion of the Canadian Pacific earnings on such traffic.

I will say further that our competing lines long ago gave up all attempts at competing for east-bound freight traffic from the North-West as our rates were far below what it would cost such competing lines to carry the business.

The only reason why there is no competition for the carriage of the wheat from the North-West is that no competing line can carry the wheat at our rates without heavy loss.

Yours truly,

W. C. VAN HORNE, *Vice-President.*

Hon. J. H. POPE, Minister of Railways and Canals, Ottawa.

DEPARTMENT OF RAILWAYS AND CANALS, OTTAWA, 8th April, 1886.

SIR,—Referring to the resolution relative to the alleged pooling arrangements between the Canadian Pacific Railway Company and the St. Paul, Minneapolis and Manitoba Railway Company as to east-bound traffic, which resolution was adopted at a recent convention of the Manitoba and North-Western Farmers' Alliance and People's Rights Association, a copy thereof being forwarded by you to the Right Hon. the Premier on the 16th ult., I am directed by the Minister of this Department to inform you that communication having been had with the Canadian Pacific Railway Company in the matter, the Vice-President, Mr. Van Horne, has replied stating that neither with the company named nor with any other company does any

pooling arrangement or agreement with regard to rates affecting east-bound freight traffic exist, nor does any competing railway receive directly or indirectly any proportion of the Canadian Pacific Railway earnings on such traffic.

Mr. Van Horne adds that no competing line could carry wheat at his company's rates without heavy loss.

I am, Sir, your obedient servant,
A. P. BRADLEY, *Secretary.*

A. J. McMILLAN, Esq.,
Secretary Manitoba and North-Western Farmers' Alliance, Brandon, Man.

OTTAWA, 15th October, 1886.

SIR,—I am directed to draw your attention to the fact that no approval of fares, rates and fares for transport of passengers or freight over the line of the Canadian Pacific Railway, west of Medicine Hat, has yet been obtained, and that such approval is required by the statutes.

I am, Sir, your obedient servant,
A. P. BRADLEY, *Secretary.*

C. DRINKWATER, Esq., Secretary Canadian Pacific Railway Company.
