national medicare scheme, it might prove feasible for the health service to bill the government directly on a fee-for-service basis and to use the funds derived from this for payment of salaries, increase in staffing and purchase of equipment.'

But such government grants would probably not cover all the costs of an "adequate" health service which should be staffed with specialized technical personnel, Dr. Schwartz says.

In his 41-page report written from surveys conducted last spring and summer among 49 Canadian institutions, the B.C. psychiatrist says that while 77.5 per cent of Canadian campuses have some kind of health service, only 44.9 per cent provide any psychiatric service.

Also among Dr. Schwartz's findings are the following:

. About 55 per cent of university students had felt a need for "council or advice regarding emotional or psychological prob-

Dalhousie Glee & **Dramatics Society**

Connolly Shield competition to feature 10 plays

Gazette Staff

It is generally agreed in intellectual circles that the ideal way to begin a February is with ten one-act plays, and this is what ever-conventional Dalhousie Glee and Dramatics Society plans to do this year.

February 1, 2 and 3 are the dates of the annual Connolly Shield competition, which this year has gone Grand Scale. Not only are various Dalhousie University groups participating, but a wider invitation has brought entries from King's, Saint Mary's and Mount Saint Vincent.

They will be staged at the Neptune Theatre with admission prices pared down to the minimal fifty cents for each evening.

Reason for DGDS' decision to venture off-campus for this project was "to stimulate an active interest in theatre among university people in Halifax'', Shield co-ordinator Terry DeWolf announced with his usual aptness of expression.

Adjudication will follow Friday's plays.

May: to be special lecturer in 1967-68

Henry Philip May, well-known Canadian baritone, has been appointed as special lecturer in Dalhousie University's department of music for the 1967-68 academic year.

Mr. May who is now directing the opera workshop - - a noncredit evening class offered by Dalhousie's music department - will organize and administer the 1967-68 Sunday afternoon concert series and in addition will concentrate on the opera workshop. He studied at the Royal College of Music in London, where he

received an ARCM diploma in 1959. Following a year in Canada, he returned to London to study, joined the operatic company, Opera for All, and toured the British Isles with this group for two seasons.

Mr. May also performed with the Canadian Opera Company. Mr. May is teaching and performing in the area and is planning performances of two one-act operas to be presented by the opera

workshop in the early spring.

Illustrated art lecture

An illustrated art lecture, African Sculpture and its Background, will be given at Dalhousie University later this month by Ladislas Segy, Hungarian-born artist who established the Segy Gallery in New York and has organized more than 300

Top violinist to play at King's

Charles Treger, the first American to take top honors in the Polish Wieniawski violin competition, and one of America's most important violinists, will appear in an afternoon recital as part of the Dalhousie University Sunday afternoon series of concerts, at 3 p.m., on Sunday, Jan. 22, in the University of King's College

Considered as a new star on the international music horizon, Treger has won acclaim in the United States and abroad.

His program will include the Sonata in E major by Handel, the Spring Sonata by Beethoven, Paganinia for solo violin by Milstein, the Sonata in D minor by Brahms and six Rumanian Folk

Canadian Life provides funds for research

Dalhousie University's Faculty of Medicine has received a Canadian Life Insurance Medical grant for a research project to be directed by Dr. Stephen Clair MacLeod, a member of the department of obstetrics and gynaecology.

The fellowship is valued at \$10,000 annually for a five year term to commence July 1, 1967. Laboratory facilities for Dr. MacLeod's research have been provided by the Faculty of Medicine and data for the project will be collected at the Grace Maternity Hospital and the Halifax Infirmary.

Dr. MacLeod's research is divided into two phases: placental function during pregnancy, which involves the testing of hormones and urine in any complicated pregnancies in an effort to determine the advisability of early delivery, and the second phase of research involves the induction of ovulation in infertile women.

Dr. MacLeod is a graduate of Dalhousie and in 1960 he received a Canadian Research Council Fellowship in Dalhousie's department of obstetrics and gynaecology. During that year he became interested in sex hormone research in the human female and submitted four publications on estrogen metabolism in various clinical disorders.

As a recipient of the McLaughlin Travelling Fellowship, Dr. MacLeod's interest in this field was accelerated during his year of work with Dr. J. B. Brown of Melbourne, Australia, a leading authority on estrogen metabolism of the human female.

Dr. MacLeod has published articles in co-operation with his colleagues, in the Journal of Endrocrinology, American Journal of Obstetrics and Gynaecology and several other publications are now ready for submission.

Art College faculty to go on exhibition

Exhibition of work by the faculty of the Nova Scotia College of Art, which is now on display in Dalhousie University's Art Gallery, has been extended from Jan. 19 to Jan. 21, 12:30 p.m. The Maxwell Bates retrospective exhibition from Confederation Centre, Charlottetown will be on view beginning 9:30 a.m., Jan. 25

Spanish Culture: films, January 25

A program of films dealing with several aspects of Spanish culture and civilization, will be presented by Dalhousie University's Spanish department at 8 p.m. Wednesday, Jan. 25, in Room 304 of the Sir James Dunn Science Building.

The five films to be pred ed are entitled: Rice culture in Valencia, Barcelona, Granado Goya, and Spain is Different.

WORKSHOP **PRODUCTION**

"Right You Are If You Think You Are" the well-known, subtle and humorous play by the famous Italian man of the theatre, Luigi Pirandello, will be performed next week by Dalhousie University Drama Work-

Directed by Alan Andrews, assistant professor in the drama division of the English Department, the cast will perform the olay from Wednesday, Jan. 25 to Sunday, Jan. 29 at 8:30 p.m. in the Studio Theatre of the Old Law Building. All tickets are free, but need to be reserved through the Drama Workshop, 6188 South Street.

In the cast are members of the Drama Workshop as well as students at Dalhousie. The caustic philosopher, Laudisi, is played by Hamilton McClymont, last seen as Bolingbroke in Richard 11. Lloyd Gesner, Jane Purves, Leslie Campbell, Brian Crocker, Peter Morrison, Rhonda Crowdis and Isabelle White, all of whom were seen in the fall Drama Work. shop productions appear in this east. Elinor Pushie and Judy Sekely, both Drama Workshop veterans, also hold character roles. New to the Drama Workshop audiences are Judy Hunt, Ewan Clark, Robin Endres, Barbara Cooper, Richard Rogers, and Velma Smith.

Students protest building changes

HALIFAX (CUP)—Changes in final plans for St. Mary's Univerficials here recently.

'nice-looking on the outside, but highly impractical on the inside," said Terry Murphy, co-editor of the St. Mary's

The plans reverse recommendations made last spring by a speial student committee appointed to advise the architect and the university president on facilities to be included in the building.

The recommendations were applied to the building plans-plans the committee understood to be final, a committee spokesman said. The new plans will force the yearbook committee to work in a 120 foot square room, slightly larger than the 88 square feet alocated to the student newspaper, The Journal.

Two students' council departments, consisting of 14 different societies and committees between them, are to share one small of-

The committee was not consulted about the changes, made last summer by the university president, the dean of men and the architect, because it has a consulting role, not a determining role, said president Father C.J. Fischer.

"If they are disappointed, then we can use the building for other things very well," he said.

Prof flays myths, and new morality

TORONTO (CUP)-A University of Toronto professor recently ook a few well-aimed pot shots at an old sexual myth and the "new morality"

The myth that sex is play is an attitude of a society which does ot know itself, Dr. F.I. Rubenstein told students at a Hillel lecture. "In the long run, sex is serious and not play," he said.

"Some relationships are productive ofideas, some are productive of money, but only one is productive of other human beings, and I an't believe that anyone could not take this seriously.' The sex act returns to the primacy of our origins and reminds us

of the short term of life. For this reason love is associated with eath, Dr. Rubenstein said.

"Therefore, sex is not sad, but a very serious thing."
Dr. Rubenstein also dealt with a certain attitude of the 'new moality' which says: "I am a body. I am only a body and proud to be a body. Therefore, in the sexual act, I am giving my total self." Sex is only meaningful when it is both psychologically and physically gratifying, he said.

Workshop Production Next Week JANUARY 25th - 29th

SUMMER EMPLOYMENT

OPPORTUNITIES IN FEDERAL

GOVERNMENT DEPARTMENTS

approximately 1,800 summer positions are available acros anada for undergraduate and graduate students in the pure an applied sciences, engineering, and those in medicine, dentistry

Salaries will range from \$300 to \$640 per month and there are generous provisions for travel to and from places of work,

Details and application forms are available at your placement office. Closing date for receipt of applications is January 27, 1967.

How to shaft an old man

The Young Progressive Conservatives at Dalhousie pulled a coup Tuesday at the expense of the Gazette, the students and John

Dalhousie's PC association decided that something had to be done to get people out to their meetings. The idea they accepted was to advertise that the party's national leader would speak at the usual Tuesday morning meeting.

It was a trick and Mr. Diefenbaker never appeared. He did speak but it took the form of a tape recorded message. Needless to say, that the students that turned up at the meeting to hear "the chief" were not amused by the fraud.

The majority of the 150 people on the scene left when Dalhousie's PC association party leader George Munroe announced the

The saddest part of Munroe's little trick was that if anyone was made a fool of it was the man they claim to follow - John Diefenbaker.

Perhaps they have forgotten that it was the young PCs who led the headhunt at this year's national PC convention that destroyed Diefenbaker. These same young Tories that used Diefenbaker to political advantage on Tuesday were among the rabble that jeered him when he needed their support.

Even Munroe, who claims to be a Diefenbaker supporter, flew his true colors in an interview when he mouthed the 'party-line' -"We support the reassessment of the leadership in the Fa!l of 1967. Until that time we are bound to support our leader."

Pathetic is the only word to describe the Tuesday episode. Diefenbaker, a defeated old man, rejected by his own party members, accepted the invitation to tape a telephone interview with a branch of the university PC association in the unrealistic hope that he may have found new support from the young iconoclasts that a short time before had vilified him.

The once mighty firebrand of the Conservatives was reduced to courting the favor of a group of political rapists.

Perhaps the actions of the Dalhousie PCs can be seen in perspective if it is realised that Tuesday's fiasco, held at the expense of John Diefenbaker, gave wonderful advanced publicity for the January 26 visit of the party's golden boy George Hees.

Dalhousie political life has been deadly dull for the past few years. The PC association's attempt to revive the corpse would be commendable if they had made their actions worthy of their motives.

Nazis deserve free speech

Despite the loud cries of its critics the CBC is again proving that it has more guts editorial on the subject: than its private competitor.

The chairman of the takeover

SAIGON The city today

By HOWARD MOFFETT Special to Canadian University Press

SAIGON (CPS) - - Saigon is probably the world's most relaxed centre of intrigue, violence and war. It doesn't seem like a city

Sloe-eyed, will-o'-the-wisp girls dressed in soft slit ao dai's and spiked heels walk narrow boulevards overhung with green elms

In the market old men squat on the curb over a game of Chinese chess. Their women are nearby, chewing betel nut, grinning and spitting the juice through red-stained teeth.

At the Cercle Sportif Vietnamese and European girls lounge in bikinis beside the pool, while wealthy white-clad warriors shoot tennis balls at each other on beautifully groomed courts.

In low-slung French colonial office buildings, civil servants who have kept papers moving for nine governments in three years go on stamping and filing, conversing in French on difficult bureaucratic questions, and drinking tea.

University opens late

The university opens a month late, and eventhen no one seems to know the exact date until one day classes break out.

Young women and middle-aged men wear silk or cotton pyjamas much of the day. It does save time, because from 12 to 3 in the afternoon the city shuts down and people sleep.

Newcomers are often baffled by the casual air that hangs over much of Saigon. "I thought there was a war going on here," one five-day veteran said recently.

Saigon is hot and muggy. It is also a place where war is no longer an emergency condition but the normal state of things. A certain percentage of the population has been engaged in killing as a profession for many years, and the tendency has been to turn it into a nine-to-five job. A nine-to-five job loses its excitement after

Though it doesn't move very fast, Saigon is one of the world's busiest and most crowded urban areas. There are two and a half million people living here now, one-sixth of the population of South Vietnam. The city was built for about half that number: it has doubled in the last five years.

Dawn in Saigon

Saigon wakes early. Curfew ends at 4 a.m. and the ten great markets of the capital open for business. A stream of peasants bring chickens, pigs, rice, vegetables and fruit into town. By noon all the food has been bought, the central market is deserted, and rats the size of kittens scuttle along the cement gutters gnawing on vegetable husks and other refuse.

By seven in the morning main arteries are choked with battered little blue-and-yellow Renault taxis, pedicabs, motorpedicabs, bicycles, three-wheeled motor buses, regular buses, motor scooters, jeeps, trucks, American sedans, horse-drawn carts, motorcycles and swarms of pedestrians.

The stalls of the "common man's PX" have been set up downtown. Army ponchos are spread on sidewalks and vendors hawk everything from French toothpaste to American whiskey and Crations. Mothers nurse their babies as they sit cross-legged in the sun, teen-agers hold out sunglasses or cigarette lighters, tiny little girls grab your hand and stuff a bag of peanuts into it, and everybody asks, "You buy? Cheap, cheap."

Building boom

Everywhere people are building - - hotels, apartments, offices, private homes. Saigon's first department store is going up on Tu Do Street. Off a back alley near a sewer-canal, truckloads of rubble fill in a plot of swamp, and two weeks later workers are finishing the second story of a new house. Bricks are thrown up one by one to a middle man who stacks them while a third lays them in with

In the harbor, port congestion ties up tons of imports for months, while a few hundred yards away prices soar as speculators hoard the goods that do get through, legally or not.

three week

It has also been reported that In Ottawa, the Commons health the pill produces a cell change committee has urged that birth which tends to alter the results control information be made legal of Pap smear tests for cancer. under the supervision of the federal Food and Drugs Act.

The great push forward for remedial legislation will reach a crisis in the near future. Scientists report the development of new birth control devices and control of them will be essential. Some of the latest: . Durham, N.C. scientists re-

ported developing a capsule, implanted with a needle under the skin, which would give women up to 20 years of birth control, while allowing normal ovarian and menstrual functions. . At the ninth annual medical

conference at Western last year,

Dr. Donald Swartz, director of obstetrics and gynecology at Har. lem Hospital in New York City, reported a liquid contraceptive 100 percent effective in more than 4,000 tests.

. Two Yale doctors announced "morning after" pill taken after sex was successful in preliminary tests.

But in spite of these revolutionary discoveries, the great debate continues. And while it does, medical men are flaunting the law and taking matters into their own hands.

Legality remains only a step away -- but it's a long step.

Men's wrestling

Coach wants team recruits

in March is Intercollegiate Wres. tling. To qualify for a free trip to Edmonton during the March break to take part in the Canadian Intercollegiate Wrestling Championships all one has to do is win his division at the M.I.A.A. Wrestling Championships to be held here at Dalhousie on Wednesday,

The Wrestling coach at Dalhousie is Coach Bellemare and he asks anybody who is interested in collegiate wrestling, whether they know how or not, to show up at the "lower gymnasium" every Monday, Wednesday and Friday, beginning Friday, January 20th; evenings at 7:00 p.m.

It should be remembered that anybody who is over 100 lbs. can take part because in collegiate wrestling, one only wrestles a fun and take part in some friendly person who is his own size. For competition, example, if one weighs 100-105 1bs., he only wrestles a person who weighs 100-105 lbs. If one weighs 170 lbs., one wrestles another 170 lbs. So a 110 pounder does not wrestle a 170 pounder. Therefore, all people can take part regardless of size.

this year's Second Century Week. not the "grunt and groan" stuff of the CIAU Olympiad -- in Edmonton pros. It calls for strategy and intelligence and yet it is a fair. ly simple sport to learn.

> So, if you are interested, please show up.

Starting January 24th, and every Tuesday and Thursday evening after that, at 7:00 p.m., Coach Bellemare will be running a Wrestling Club in the lower gymnasium.

Again, anybody who is interest. ed can take part. Smallness, Middleness, or Largeness in size are no problems because the "Division Rules" will apply.

Even, if you are not interested in taking part in any championships, here is a good opportunity to learn a sport in which size plays no part, have a lot of

BY DENNIS PERLIN Sports Editor

SECOND CENTURY WEEK This term has been flying around the campus lately so I might as well clarify what it is,

in case some people don't know. Second Century Week is a centennial project of the city of Ed-monton in Alberta. The main at- win your weight division in the Union Olympiad.

winter sports. This includes does. basketball, hockey, volleyball, wrestling, skiing, swimming and a number of others.

Second Century Week begins

THE SWIM TEAM

Talking about the Olympiad, here is one of our teams which has a great chance of represent-ing the MIAA at the Olympiad.

Last Friday evening in a triangular meet with Mount A., and in the 'lower gymnasium." UNB the Tigers under rookie coach "Redfish" Graham, defeated UNB for the first time in 21 years, to win the male part of the meet. They deserve our congratulations.

The Tigerbelles, although they came third, put on a tremendous display and with a little more depth could have won their secdeserve our recognition.

Here is a team that could be heading for a pleasant trip to Edmonton and if there is any the other in double quick time, they should contact coach Graham and become part of the trip before it is too late.

Edmonton or not depends on whether both Tigers and Tigerbelles can add a few extra swimmers. They must enter more parof the events because "firsts" are not enough. The "seconds" that often decide the winners or WRESTLING

A second sport which provides good opportunity for a person to get a trip to the Olympiad is wrestling.

Intercollegiate wrestling is not of course, the "fake" stuff which Dalhousie had nine for the course, the "fake" stuff which of course, the "fake" stuff which the course of the course

Intercollegiate wrestling is a sport requiring good speed, reflexes, agility and intelligence. It is a sport which is simple to to the swimming sensations. Doug learn hard to master, but a tremendous amount of fun especially for those who enjoy keen and equal competition.

One of the most appealing features of this sport is that SIZE plays NO part. This sport is divided into weight divisions so that one wrestles only a person who is of the same weight.

good opportunity for a trip to the teams win in the 400 metre

traction of the week will be the MIAA Wrestling Meet, then you Canadian Intercollegiate Athletic go on to the Olympiad to represent the MIAA in your division This Olympiad consists of all regardless of what your team Also this year, the MIAA Wrestling Meet is being held

here. I have heard from reliable March 6 and lasts until March sources (i.e. Coach Bellemare) 11. As a matter of interest these that there are very few compeare also the dates of our March titors being entered from the other Maritime schools and so you have an excellent chance at winning if you enter.

> So, starting this Friday at 7 p.m. and following every Monday, Wednesday and Friday at the same time, there will be try-outs

For those who are not interested in MIAA or CIAU championships, but who are interested in learning this fine sport and in taking part in some good, clean, wholesome fun, I suggest you join the newly-formed Dalhousie Wrestling Club under the leadership of Coach Bellemare. The Club meets every Tuesday and tion as well. However, they too, Thursday at 7 p.m. in the lower

girl or boy who knows how to get from one end of the pool to the other in double quick time. First time in 12 years: Tigers nd become part of the trip bepre it is too late. As to whether they will get to As to whether they will get to

Gazette Sports Staff

From the point of view of excitement this game had it all. From the outset one could tell it was going to be close. It began slowly as both defenses played well and both teams were on the cold side from the floor. Saint Mary's took an early lead on free throws by Jim Daniels and Joe O'Reilly. Eric Durnford tied the score and this set the mood of the first half. Neither team enjoyed leads of more than 5 on one occasion for SMU and 6 on another for Dal. The score was tied various times at 2-2, 4-4, 20-20, 22-22, 24-24, and 26-26. At half time, the score read 32-30 in favour of Dalhousie who had had a 32-26 just before the half. Baskets by O'Reilly and Rick Dougherty lowered the mar. gin to 2 points. Tom Beattie along with Bruce Bourassa's 7 and George Hughes' 6 lead Dal scorers in the first half. Joe O'Reilly paced SMU with 11, aided by 7 each from Rick Dougherty and Clem Maynard. The second half continued in the

same manner as Bruce Bourassa hit the first hoop and Jim Daniels got it right back for SMU. Dal enjoyed 2 and 3 point leads throughout the first 10 minutes bound was hauled down by A1 shot to narrow it to 76-75. With of the half and after 13 minutes Brown of S.M.U. Jim Seaman 7 seconds left a shot by Rick had the lead built up to 12 at 59. stole the ball and put it up, mis. Dougherty fell short and went out fouled out and S.M.U. began peck- bound and put it up and in to tie to Kevin White who held the ball ing away at the Dal lead, at one the score 70-70 just as time ran as time ran out. time scoring eight straight points out. to go ahead 70-67 with about one about 30 seconds left, Dal brought the ball down court and George Hughes was fouled as he shot and went to the line. He sankhis first After Saint Mary's missed their shot to narrow the lead to 70-68 in favour of SMU. A Saint Mary's shot went out of bounds and with 15 seconds remaining Eric Durn. Daniels scored for S.M.U. to ford took a long shot and the re- make it 76-74 and then hit a foul

Tigers 64 Mt. A. 44

The Tigers turned back the Hawks of Mount Allison 64-44 in a game at Sackville last Friday. It was a slow and rather uninteresting game. The outstanding feature of the game was the Dal defense as they limited Hawks to only 9 field goals and 22 points in the first half. Offensively, Dal could not get moving until late in the half ending with a small total of 36. Eric Durnford and Kevin White scored 12 and 11 points respectively to lead Dal to their 14 point half-time

The Tiger's defense was also prominent in the second half as again Mount A. was limited to 22 points and just 8 field goals. Mount A. seemed to be content with defeat as they held the ball 2 and 3 minutes before taking a shot time and again. This proved successful early in the half as they hit three consecutive hoops but they got practically nothing the rest of the way. This ball control practiced by Mt. A. limited the Dal offense to 28 points. Hitting on 11 for 22 tries in the half, the Tigers took advantage of 50 per cent of the opportunities they did have. George Hughes sank 8 points to lead the

Dal: Beattie 5, White 17, Bourassa 5, Hughes 17, Durnford 17, Shaw 1, Gamberg 2. Mt. A.: Wynne 16, Battis 5, Johnson 4, B. Coupland 6, Chisholm 10, K. Coupland 3.

Tigers 91 St. Dunstan's 82

On Saturday night, the Tigers moved to Charlottetown for a game with St. Dunstan's Saints which the Tigers won 91-82. Faced with superior height, the St. Dunstan's Saints used excellent outside shooting and a lot of "desire" to give the Tigers a real battle. The first half was marked by fast action as Dal went ahead by 4 early, and remained on top throughout the half having a lead of not more than 11 and at times as low as 3. The half ended 45-34 in favour of Dal. Kevin White, playing in his hometown, led Dal in the first half with 17 points, Eric Durnford followed with 11.

Eric Durnford's shot. Clem May-Dal back in the lead at 74-72. chance, George Hughes was fouled as he shot and sank both free throws and Dal lead 76-72. Jim

At this point, Tom Beattie sing. Bruce Bourassa got the re. of bounds. The Dal pass in went

Bruce Bourassa scored 12 points in the second half followminute remaining. Finally with and Dal took the lead at 72.70 on ed by Kevin White with 11 and Eric Durnford with 10. Jim Dane nard tied it but Kevin White put iels and Joe O'Reilly with 11 each paced S.M.U. in the second half. Scoring Dal: Beattie 13, White 15, Bourassa 19, Hughes 11,

Durnford 17, Shaw 1, Scoring SMU: Brown 3, Daniels 19, Dougherty 12, Maynard 11, Mills 2, O'Reilly 25.
