Technical and Bibliographic Notes/Notes techniques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a tenté d'obtenir le meilleur exemplaire original disponible pour le filmage. Les caractéristiques de ce exemplaire qui peuvent être bibliographiquement uniques, qui peuvent modifier n'importe quel des points de la reproduction, ou qui peuvent modifier de façon importante la méthode habituelle de filmage, sont indiquées ci-dessous.

The copy filmed here has been made available
to the generosity of:

Library of Congress
Photoduplication Service

The images appearing here are the best possible
possible considering the condition of the original copy and in keeping with
of the original copy and in keeping with the
filming contract specifications.

Original copies in printed pages are
beginning with the front cover and ending with
the last page with a printed or illustrated impression, or the back cover when
other original copies are filmable. The first page with a printed or illustrated
impression, and ending on the last page with a printed or illustrated
or illustrated impression.

Maps, plates, charts, etc., may be
different reduction ratios. They are
entirely included in one exposure, beginning
beginning in the upper left hand corner, and
right and top to bottom, as required. The following diagram
required. The following diagram illustrates the
method:

L'exemplaire filmé fut reproduit grâce à la
générosité de:

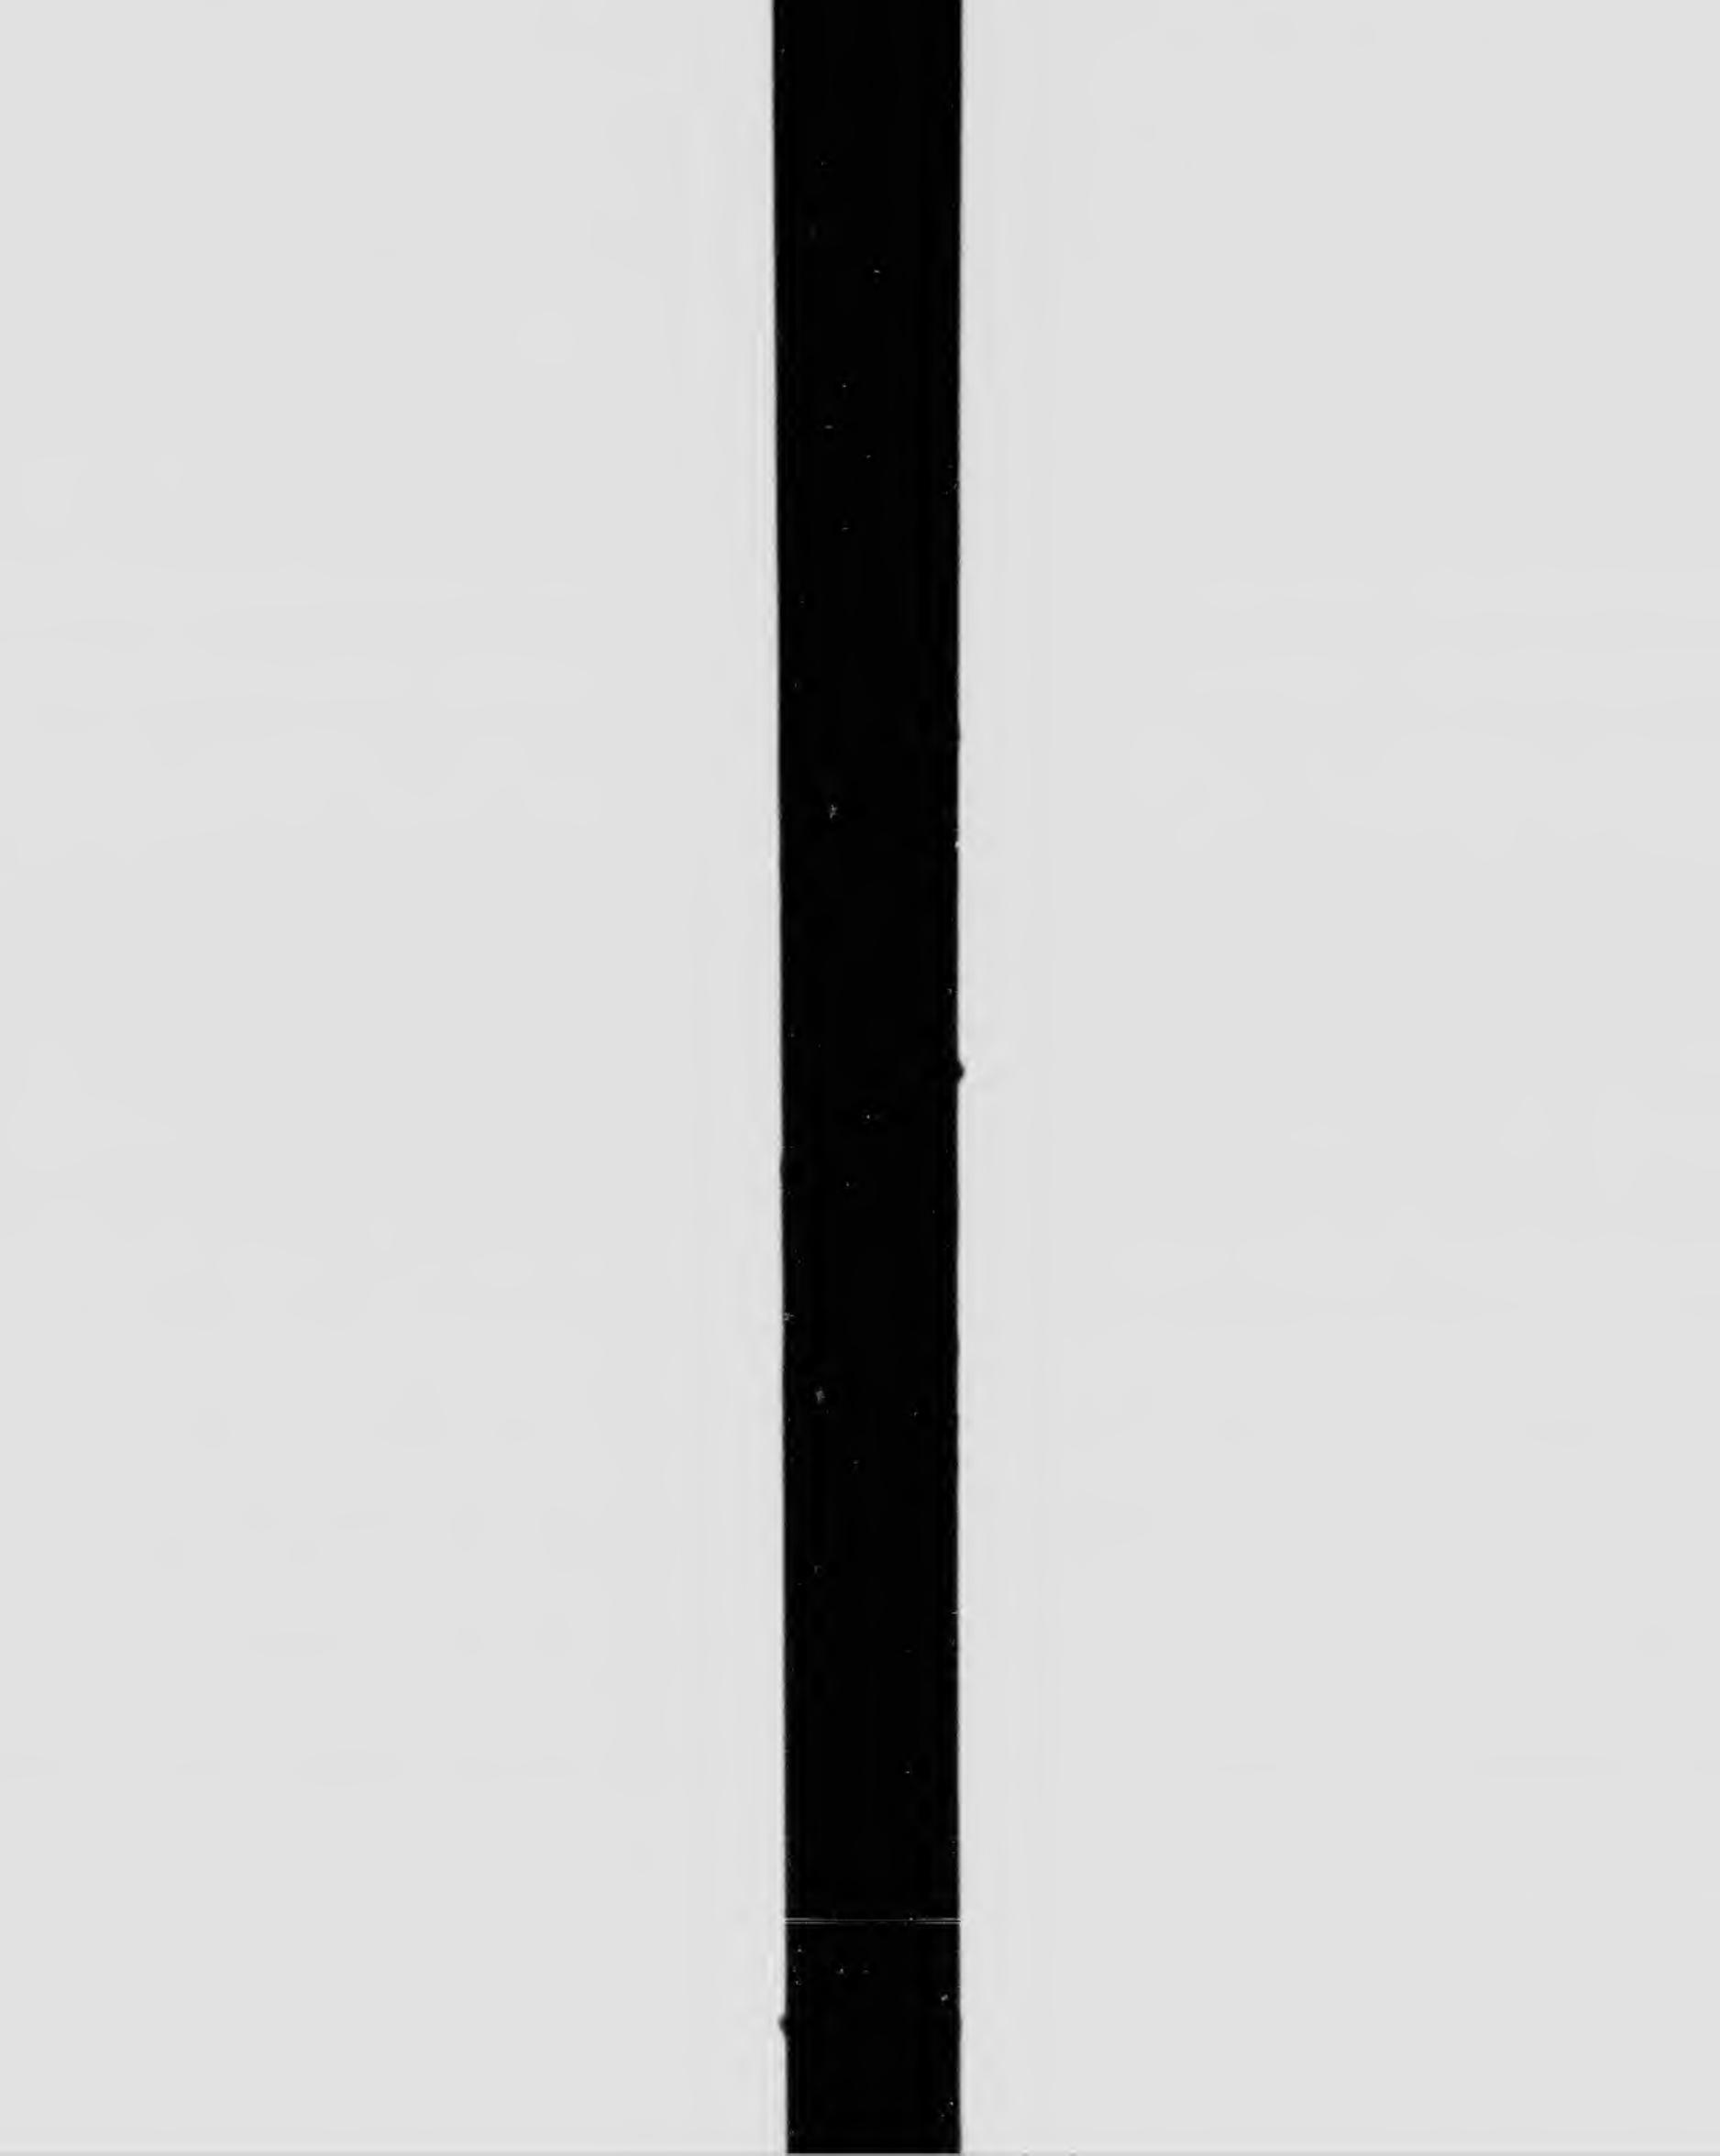

Library of Congress
Photoduplication Service

Les images suivantes ont été reproduites avec le
plus grand soin, compte tenu de la condition et
de la netteté de l'exemplaire filmé, et en
conformité avec les conditions du contrat de
filmage.

Les exemplaires originaux dont la couverture en
papier est imprimée sont filmés en commençant
par le premier plat et en terminant soit par la
dernière page qui comporte une empreinte
d'impression ou d'illustration, soit par le second
plat, selon le cas. Tous les autres exemplaires
originaux sont filmés en commençant par la
première page qui comporte une empreinte
d'impression ou d'illustration et en terminant par
la dernière page qui comporte une telle
empreinte.

Les cartes, planches, tableaux, etc., peuvent être
filmés à des taux de réduction différents.
Lorsque le document est trop grand pour être
reproduit en un seul cliché, il est filmé à partir
de l'angle supérieur gauche, de gauche à droite,
et de haut en bas, en prenant le nombre
d'images nécessaire. Les diagrammes suivants
illustrent la méthode.

City of London Times, Dec 21, 1862, p. 107.

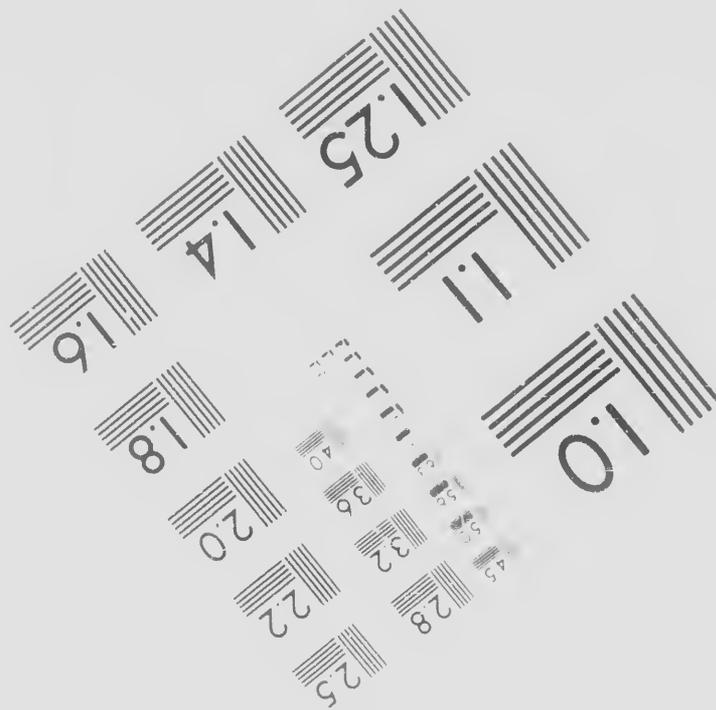

General MEETING of the COMMITTEE of AMERICAN MERCHANTS, held on this Day, *Pratt* Esq. Chairman, in the Chair, the Chairman read the following Report from the Sub-Committee appointed to attend the Board of Trade on the subject of the proposed Orders in Council:—

American Vessels may proceed direct from the Ports of the United States to the Ports of the Enemy in *India*—American Vessels may proceed from the Ports of the United States to the Ports of the Colonies belonging to the Enemy, and direct back to the United States. The Order does not prohibit them from going direct from this Kingdom to the Colonial Ports in the West India Islands belonging to the Enemy, and it is not intended to prevent them from proceeding from this Kingdom with Colonial Produce to the Enemy's Ports, whenever Parliament shall have decided on the Regulations to be imposed on such Exportation—American Vessels may continue to trade from the Ports of this Kingdom to the Ports of the Enemy, and from the Ports of the Enemy to the Ports of this Kingdom, and from the Ports of his Majesty's Allies to the Enemy's Ports, but not from the Enemy's Ports to the Ports of His Majesty's Allies, direct, nor from America to the Ports of his Majesty's Allies, with Colonial Produce. There is Reason to believe that the Orders in Council will issue, regulating the Periods at which Notice shall be considered to have been received of the Orders in Council, of the 11th instant, in the United States of America, by which Regulation, Vessels that shall have cleared, or shall clear, out from any Port in America, before the 20th of January next shall be considered to have cleared out in compliance with Notice of the Order; and Vessels, which shall clear out between the 20th of January and the 10th of February, will be liable to be detained, subject to the Question, whether they have begun to be laden before Notice had arrived at the Port from whence they sailed. From the 10th of February, all American Vessels will be considered as having begun to be laden in compliance with Notice, and will thereby be subject to the Provisions of the aforesaid Order.

“Certificates of Origin” will not be required to be delivered up, which may be on board American Vessels which shall have sailed previous to the Notice of this Order, at any Port from

... of February, an American vessel will be considered as having been captured, and will thereby be subject to the Provisions of the aforesaid Act.

"Certificates of Origin" will not be required to be delivered by the American vessels which shall have sailed previous to the Notice of this Order, and which have sailed.

There is also Reason to believe that no Duty is intended to be laid on any of any Articles which are the Produce of the State of Georgia, or the Province of Georgia; and that the Trade between this Country and the Colonies, and the West Indies by Neutrals, will be regulated by Licence, and subject to the Export Duties which are now in force, until the Meeting of Parliament; and that the Trade between the Colonies, by the Colonies of the East and the West Indies, and the Colonies, will be placed on the same Footing.

And,
That the above Report be published for the Information of all Persons concerned in the American Trade.

JOHN GRAV, Secretary.

and Co.
Printers.
