SMOOTH SILVER IS ACCEPTED

Telephone Company Refused Salvation Army Coin But Today Decided to Take It—What Banks Say

The question of the acceptance of smooth money came to a test today when the New Brunswick Telephone Company, after refusing to accept some coins among a quantity tendered by the Salvation Army,

On Saturday Adjutant Carter, of the Salvation Army Metropolitan went to the office to pay his telephone rental.

Following the telephone call, he was told by the telephone company that he had to pay his telephone rental and placed some money down for the purpose.

When he returned to the office, he was told that the company would not accept the coins, and that he had to pay his telephone rental.

Adjutant Carter says that he was not desirous of making trouble, but he felt that he was right and for that reason stood his ground.

He said that he was informed by the manager of the bank that the bank would accept the coins, and that he was willing to exchange some of the smooth silver with Adjutant Carter himself.

Don't You Want A Bargain?

Coady's Big Shoe Sale is the Talk of the City

Compelled to vacate their store, and deciding on withdrawing from business, they are sacrificing

10,000 Dollars Worth OF BOOTS AND SHOES

and the people are getting rare bargains. It's seldom during one of the duller months in the year that a business concern finds itself absolutely unable to cope with the tremendous crowd of eager buyers.

Such was the case on Saturday and yesterday. In order that people may be able to examine the unparalleled bargains being offered, MORNING SHOPPING IS STRONGLY RECOMMENDED.

Remember not an article is reserved. Everything must go. The price in very many cases actually less than original cost is the lever that has drawn the people from all sections of the city.

Plenty of sales people now, and to ensure a full staff in constant attendance, store will close each day from 1 to 2:15 o'clock.

LAID HERE INCREASES IN VALUE

Twenty-Five Per Cent. in Ten Years, in Some Cases, The Station-Registrar's Office Shows Boom

The Times is able to state on reliable authority that in the last ten years land values in St. John have increased on an average about twenty-five per cent.

With a view to ascertaining if this increase was reflected in the returns at the registry office, J. Verne McLellan, registrar, was seen this morning by a Times man.

He reported that the returns last year in his office were greater than in any of the sixteen years he has been in office.

The only way he could judge an increase, he said, was by the fees paid in and these showed an advance of more than \$400 over the previous year.

In 1906 there were 1122 transfers of property registered and in 1915 there were 1188. This was not a large increase in numbers, but the increase in value was considerable.

He thought the indications were that land values had shown a very marked increase.

Regarding the number of mortgages, he said there was about the usual number taken up and put on.

This matter of increased land values is another point for congratulation on the part of those who are working in the interests of a bigger and better St. John.

Thus far, everything points to brighter days ahead for the commercial metropolis of New Brunswick.

I. C. R. CASE IN CIRCUIT COURT AT HAMPTON TODAY

Hampton, N. B., Jan. 11.—(Special)—The January term of the Kings county District Court opened today at Hampton, N. B., with Judge J. C. McLeod presiding.

HERE'S A ROSY REPORT FROM CHARLOTTETOWN

Never Such a Good Year in City Finances—Debt Cut Down \$11,506

Charlottetown, P. E. I., Jan. 11.—(Special)—The year 1915 has been a banner and in the history of civic financing, according to reports presented at the annual meeting of the city council last night. The surplus was \$1,026, although expenditures in many departments were materially increased. The total revenue was \$103,010. The city debt is now \$703,000. It was reduced last year by \$11,500. Two and a quarter miles permanent sidewalks were laid in addition to street macadamizing, and there has been \$20,000 a year saved since introducing the policy permanent streets and water sewerage.

The water and sewerage commissioner's report was the best in the city's history financially. Other departments were similarly satisfactory.

Regarding the story in the morning paper concerning the elopement of a Philadelphia girl and a water, the former the daughter of an estate valued at \$100,000, the elevation authorities here have disclaimed all knowledge of the incident.

Mr. Howard, of the C. P. R. passenger department, at first thought that he remembered the couple from his having had an argument with a lady who was traveling from Halifax, and who wished to have her dog allowed on the steamer. This was the reason given in this morning's despatch for the turning back of the elopers, as it was said the authorities did not want to allow the animal on board the steamer. On looking at the date, however, Mr. Howard found that he was not the official in question and said he knew nothing of the matter.

Mr. Doherty, of the Allan line, said this morning that it quite frequently happens that dogs would be allowed to take passage in the steamers, if accompanied by their owners and on the payment of a small fee.

CONDENSED DESPATCHES

WORLD OF SHIPPING

barrels of the Porto Rican liquid had been smashed during a hurricane in the mid-Atlantic. The Onway limped into port Sunday with a foretopail in tatters, a badly smashed wheel and a seaman who needed medical attention after being thrown against the rail. The bark will be towed to Boston, her destination, as her crew was weary after a 29 days' battle with the gales.

The British barkentine Hancock, from St. John for New York, with lumber, has arrived in Boston with her jibboom gone and other damage from recent heavy gales.

Allan line steamship Grampian from this port to Liverpool via Halifax sailed from the later port Saturday with 350 passengers. She took on board at Halifax 7,000 barrels of apples.

The tug Pejepost went to the Kennebec on Friday to tow to sea the schooner Eleanor A. Perry, which has been undergoing repairs at Bath. She is bound to Newport News, where she will load a cargo of 5,000 tons of coal for Portland, Me.—Portland Argus.

The schooner Success of Bridgetown, (N. S.) arrived at Boston yesterday from Turk's Island, and reported that Joseph Spencer, cook, died on the passage, two seamen were injured manning the pumps in a gale and Mrs. Jones, wife of the captain, was ill. The schooner lost several sails and a lifeboat.

The Grand Trunk steamers Prince Rupert and Prince George are not to be engaged with turbines as has been previously reported. The propelling machinery of these steamers will consist of quadruple-expansion reciprocating engines on the Yarrow, Schlick and Tweedy balanced system.

From lonely Pictou Island comes the news that about six weeks ago a lifebuoy marked "Silverhorn, Liverpool," was picked up on the shore of Bounty Bay. This discovery recalls the mysterious disappearance of the four-masted bark Silverhorn, owned by Messrs C. E. DeWitt & Co., Liverpool. The bark sailed from Newcastle, New South Wales, in June, two years ago, bound for Inique where she was due about August. In the middle of July she was spoken all well and on her next course. From that day to this no word has been heard of the ship or any of her crew of 39 hands.

Says Talk of Overthrowing Government if Something is Not Done--Interesting Matters At Fredericton Board of Trade Last Evening

Fredericton, N. B., Jan. 10.—The annual meeting of the board of trade was held this evening when many matters of public importance, including the Valley Railway, river steamship service, discrimination in freight rates by railways and an agricultural college, in connection with the university, were discussed and action taken thereon.

A. R. SLIPP, M. P. P.

President George W. Hodge, in his annual address, referred to the prosperity which the city had enjoyed during the past year and spoke most hopefully of the future. He dwelt at some length upon the St. John Valley Railway question, and predicted that within a year the road would be under construction.

be a merchant's week here at least twice a year.

John T. Jennings submitted a report from the transportation committee, which was adopted. The report, among other things, stated that Fredericton had been subjected to unfair discrimination during the Christmas season in the sale of excursion tickets from Boston to the Maritime Provinces.

President, G. W. Hodge; vice-president, J. J. Jennings; secretary, J. J. Winslow; treasurer, M. Tennant; tourist committee, F. B. Edgcombe, J. W. McCready, T. V. Monahan, A. R. Slipp, A. A. Squire; transportation committee, J. T. Jennings, C. Fred Chestnut, F. B. Edgcombe, G. Y. Dibblee, J. W. McCready; council, C. F. Chestnut, F. B. Edgcombe, J. D. Phinney, W. E. Farrell, W. G. Clark, John Palmer, A. R. Slipp, J. J. Weddall, G. Y. Dibblee, J. S. Neill, J. W. McCready.

John Palmer brought up the matter of railway freight rates, and cited instances where Fredericton shippers were discriminated against in favor of St. John on goods forwarded to North Shore points.

J. S. Neill and others complained of the excessive winter freight rates charged by Fredericton merchants by the C. P. R. on goods brought from St. John.

G. Y. Dibblee strongly condemned the train service on the Fredericton branch of the C. P. R. He said the single express train run out of this city each day was more for the benefit of St. John than for Fredericton people, while the other trains were not equal to a fast freight.

A committee was appointed to take the whole matter up with the railway companies and if necessary to carry it to the railway commission.

A motion that the local government be requested to increase the subsidy to the steamer Hampstead from \$500 to \$1,000, created some discussion.

Mr. Phinney wanted to know why the president was so hopeful in regard to the Valley Railway project. To judge from the newspaper controversy he (Phinney) did not think it was making much progress.

Mr. Winslow thought that everybody should be hopeful in regard to the road. A. R. Slipp said that while great interest was manifested over this matter in the country districts there seemed to be apathy shown in the cities and towns, particularly St. John.

After a few remarks by Mayor Chestnut the matter was referred to the council. The question of the establishment of an agricultural college and merchant's week, was also referred to the council.

The case of Mehan vs. Stevenson was settled in the circuit court this morning and the record withdrawn.

The case of Tompkins vs. Johnson, in which the defendant was charged with setting forest fires, was also settled.

The January term of the York county court will open tomorrow, Judge Wilson presiding.

ARE YOU WORRIED?
Read This Article and See if It Isn't Nerve Exhaustion

"I know of no greater misery into which one can fall than the anxiety of studying the symptoms, real or imaginary, or the symptoms of the illness from which you suffer." So writes Mrs. E. B. Lendrick, of Lynn, Mass. "I am a dressmaker, and can assure you that dressing brings a far greater strain upon one's system than is usually supposed. Often I am compelled to work with tremendous haste, and try at night to keep my health by drinking strong tea or coffee. Frequently during the night I would awaken with heart fluttering and find myself cold and trembling. Then my appetite failed—I grew thin and pale and became very nervous. Now that I am well, I wonder at it all—but this I know—I wouldn't have been able to last another year had I not restored my health by Ferrozine. In every way Ferrozine did me good, braced up my nervous organization, gave me strong blood, good appetite, laddy color and enabled me to sleep well. In ways that I cannot describe, it will always use every woman can understand. Ferrozine is a most enormous good. I will always use it."

No nourishing, strengthening medicine so potent, so certain to rebuild as Ferrozine—try it—two or three tablets at meals. Sold by all dealers, 50c. per box, six boxes for \$2.50, by mail, from The Cattaraugus Co., Kingston, Ontario.

Do You Suffer From Headaches?
There are few people who have never experienced a headache from one cause or another. It effects all ages and both sexes alike, but the female sex is naturally more affected through the higher nervous development and more delicate organization of the system. These also of a nervous temperament and studious or sedentary occupation are subject to it. The presence of headache nearly always tells us that there is another disease which, although we may not be aware of it, is still exerting its baneful influence, and perhaps awaiting an opportunity to assert itself plainly.

Burdock Blood Bitters has, for years, been curing all kinds of headaches, and if you will only give it a trial we are sure it will do for you what it has done for thousands of others. Mrs. John Connors, Burlington, N.S., writes: "I have been troubled with headache and constipation for a long time. After trying different doctors' medicine a friend asked me to try Burdock Blood Bitters. I find I am completely cured after having taken three bottles. I can safely recommend it to all."

For sale by all dealers. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

WOMEN WHO SUFFER

Dr. Williams' Pink Pills Give Regularity and Good Health

Every woman as some time needs a tonic. At special times unusual demands are made upon her strength.

Weak women find in Dr. Williams' Pink Pills the tonic exactly suited to their needs. Most of the ills with which they suffer are due to bloodlessness.

Dr. Williams' Pink Pills are sold by all medicine dealers, or will be sent by mail at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

Word reached the city yesterday that an Indian named Paul Newell, had eloped with a white girl named Kola Milton, of Cloverdale, Carleton county.

At a special meeting of the simultaneous campaign committee last night, it was reported that the cost of the campaign would be in the vicinity of \$3,000.

Electioneering in London Becomes Even More Turbulent—Nineteen Conservatives Have No Opposition and There Are Sixty-Two Three Corned Fights

London, Jan. 10.—The Daily Mail (Northcliffe) is making a great effort to make the country believe that defence is the dominant issue.

Stewart Lyon writes to the press condemning the cry of "foreigner" used towards Hamar Greenfield in York.

be bought, the other that they are foreigners.

Electioneering in London is becoming still more turbulent. The Conservative candidate at Fulham had to watch a number of free fights before he could begin.

Even Dr. McManara at Camberville had a rowdy audience, though his opponents were distinctly in the minority.

A suffragette endeavored to address the crowd but, failing to make herself heard, she resorted to a little argument, much to the crowd's amusement.

Winston Churchill held a successful meeting in Birmingham, urging the Radicals in Chamberlain's stronghold to strike a blow for political freedom.

Chancellor Lloyd George, continuing his western tour at Edinboro, said by all means trade with the colonies, but why with them alone?

No, the speaker continued, everything Canada could get cheaper she bought from the States. She did not pay more for things because they came from Britain.

The resources of the state were to be applied by the Liberals to lifting the poor out of the mire, the needy from the dung hill.

Lloyd George added that he had made a provision in the budget for naval estimates of 1910.

Nineteen Conservatives are unopposed, including seven university representatives, and seven Irish Unionists.

The three-cornered fight number 62, a majority of them caused by the intrusion of unofficial Labor and Socialist candidates.

Asquith's address to the electors is devoted to free trade, the budget and the home of lords. It makes no mention of home rule.

In the course of his address the premier said that he would be sure your message is registered.

We want every person who is suffering from any skin injury or disease to personally prove the merits of Zam-Buk. Read the experience of these three persons—possibly one of them may be well known to you—and then make it a personal matter.

Zam-Buk is a proved cure for eczema, ulcers, abscesses, poisoned sores, chapped hands, cold sores, eruptions, cuts, bruises, burns, scalds, scabies, chafed or chapped places, and all skin injuries and diseases. It also cures piles, all dandruffs and itches for 50c, or post free from Zam-Buk Co., Toronto, for price.

Parliament having been formally dissolved, Herbert H. Asquith, the prime minister, issued an election address to his East Fife electors tonight.

Mr. Balfour, at Aberdeen, reiterated tonight that all the great problems thrown pell-mell before the country by the present government could not be decided by one or even two general elections.

Mr. Churchill, at Birmingham, suffered considerable interruption from Suffragettes, several of whom were expelled from the meeting.

A crowd of Unionists invaded a Liberal meeting at Camberville, a parliamentary borough of London and created such a disturbance that Thomas James MacManara, member of parliament for that district, was obliged to abandon an attempt to speak.

Wm. Boats, an Englishman belonging to Montreal, fell from the bridge deck of the Montcalm yesterday afternoon, Chas. Vincent jumped in after him and rescued him.

LOCAL NEWS

A pair of iron sled runners found outside Amund Bros' store in Waterloo street, a watch and chain found in Rockland Road and a ring and keys found in Union street may be had by the owners at the central police station.

In the Tabernacle Baptist church this evening the supper at 6 o'clock will be followed by a mass meeting, at which Miss Bertha Worden will give selections on the new organ, and addresses will be given by E. C. Weymann, L. L. B., and Rev. A. B. Cohen.

So far this season 833 cargoes of United States products have been manifested at St. John from frontier ports. This shows that the western importers are taking advantage of quick dispatch for their goods. In the United Kingdom through St. John.

Allan line steamship Grampian, on her way to Liverpool from this port, took away a cargo valued as follows: Canadian goods, \$172,786; foreign goods, \$71,291; total \$244,077. Among her cargoes were 77,402 bushels of wheat, 850 sacks of flour, 2909 boxes of cheese and 579,889 feet of spruce timber.

Miss Lillian Dobson called at the Times office this morning and denied absolutely that statement that she was arrested and taken to Moncton on the charge of stealing goods. She went there as a witness in another case, but her name on the charge sheet was not as she called to testify regarding any case of theft.

The quarterly meeting of the King's Daughters' Guild was held last night, Mrs. Geo. A. Henderson presiding. The meeting was taken up chiefly with the reading of the reports of the circles for the past three months, and they showed the order to have been very successful.

Higher education as a factor in the development of the province, will be the subject of the Canadian Club on Friday evening at 8.15 in Keith's Assembly rooms. The subject is one of great importance at the present time, and the chancellor is an able and impressive speaker. This will be the last meeting in the club's year, and the nomination and audit committee will be appointed.

Patrolman Silas Perry said they were loitering and refused to move but he lost the case.

John Weatherhead, a constable, and Thomas Burchill, janitor of the police lock-up, and ten years policeman, were reporting the entrance to the country market on Saturday evening and in the police court today denied the charge, and after hearing the evidence his honor dismissed the case.

Patrolman Perry said that on Saturday evening he saw about seven men standing at the entrance to the country market, four on the left-hand side and three on the right. Burchill and Weatherhead were both in the party and each refused to move when requested. The others, one of whom was Mr. Kenney, the factory inspector, and another man named Kerr, of the I. C. R., left the place when told. The men were in the entrance from 5 o'clock until 5.15.

Mr. Weatherhead said he had been at the entrance to the market but a few minutes when Perry came along. On the latter speaking to Mr. Burchill he said he thought he heard some profanity between the two men, but could not say what its nature was. Mr. Burchill said that he had been standing in the entrance to the market only about five seconds when Perry came along and said something which the witness said sounded like "Get to hell—out of here!" at any rate, Burchill said he heard Perry say "hell".

The witness complied with the request of the complainant, however, in moving away, and went to the edge of the sidewalk, thinking that was what the policeman wished him to do.

Scott F. Morrell appeared for the defendants and asked that the case be dismissed. His honor read the law, which termed men who were charged with loitering in the public places, as vagrants, and to find the defendants guilty they must come under the vagrancy act, and his honor said he did not think he was justified in calling Mr. Burchill and Mr. Weatherhead vagrants, so he dismissed the case.

Harry Holmes was fined \$8 or 30 days jail on a charge of profanity, and Thomas Holly \$1 or ten days on a charge of drunkenness.

WILL COST MORE TO RUN THE CITY

Boards Want Larger Appropriation—Change in Permanent Street Programme—Fire Stations Are Found Nearly Satisfactory

For the next few days the aldermen will battle with the estimates for that year, and the indications are that there will be a considerable increase over the amount appropriated last year.

This afternoon the board of public works will take up the estimates for that department and will recommend an increase of \$8,000 or \$9,000 in the appropriation for scavenger work.

Tonight the general committee of the council will discuss the recommendations from the board of works for permanent street pavements. From what can be learned in advance, it would seem that the programme as outlined would be changed somewhat and probably cut down. Many of the aldermen as well as business men about the city are said to be of the opinion that there are streets which need a permanent pavement, much more than Nelson and Smythe streets, and it is possible that an effort will be made to have some paving done on other streets instead of those mentioned.

The water and sewerage board, which last year asked for \$20,000 for sewerage maintenance, but was cut down to \$12,000, will ask the council this year to vote \$15,000 or \$18,000 for this work. A recommendation from the board will be sent to the treasury board asking for the increase.

Tomorrow afternoon the safety board will deal with the estimates for that department, and an increase of \$11,000 over last year will be asked for. The expenditure last year was \$22,000 and this year \$23,000 is wanted. The chairman, Ald. Vanward, in speaking of the increase said he regretted having to ask for more money, but it was made necessary on account of increases in salaries to the firm and for the formation and equipment of the new company for the west side.

At this meeting the special committee appointed to investigate conditions in the various fire stations will report. The chairman said their report would be that conditions were found to be very satisfactory and the work well-organized with the quarters provided for themselves and the horses. The stations are cleanly kept, well ventilated and lighted and some complaints being made by the men. Some minor changes and repairs will be recommended, such as installing sliding doors in the fire houses and No. 3 Hook and Ladder station, putting in windows or repairing floors when needed. The work would amount to a very small expenditure.

On Thursday the treasury board will meet to discuss the estimates from the other departments as well as the annual grants to charitable and public organizations, and as increases have been granted to employees in the departments under the board's control, it is altogether likely that their appropriation will be swelled along with the others.

The council will meet on Friday afternoon to take up the recommendations and finally pass upon them. At this distance it is hard to judge though the rate would be materially increased.

SIXTY SIGN THE PLEDGE AT F.M.A. GATHERING

Annual Smoker a Very Pleasant Affair—Presentation to Father O'Keefe

The annual reunion of the Father Mathew Association in their rooms in St. Malachi's hall, last night, was well attended and greatly enjoyed by all present. A feature of the evening was the presentation of a purse containing \$35 in gold to the spiritual director, Rev. D. S. O'Keefe, who is now beginning his fifth term as chaplain of the association. The presentation was made by the president, John Lunney, who a few weeks chosen remarks, eulogized Father O'Keefe and spoke of his many good works during his term of office.

Father O'Keefe in reply thanked the members for remembering him and congratulated the society on its excellent showing.

While the smoker was in progress the following programme was successful given: Piano solos by Joseph Mitchell and Frank O'Hara, step dance by Frank Conlon, vocal solos by Winifred Gallagher, P. J. Hazel, C. A. Conlon, J. W. Simmons, John LeGere, and Charles Hennesberry; readings by Leonard A. Conlon, James B. Dever, and F. V. Conlon. Frank O'Hara acted as accompanist during the evening.

At the conclusion of the concert all present to the number of sixty signed the pledge.

Mr. McLeod and family, of Fairville, also their cousin, Mrs. Bromley of Buxton, (Eng.) wish to thank their many friends for the sympathy and kindness shown them in their recent bereavement.
