ROTHESAY BOY DIES ON WAY TO MONTREAL

HILLMAN SCOVILL IS VICTIM OF STRANGE MISHAP

Swallowed Bean Which Lodged in Wind-pipe

HALF REMOVED

Boy, Being Taken To Metropolis For Treatment, Succumbs On Train

MONTREAL, May 4.—While on his way to Montreal to have a "scarlet runner" seed bean, which he had swallowed, removed from his wind-pipe, Hillman Scovill, aged seven, of Rothesay, N. B., died this morning when the train was a few miles east of Sherbrooke. The body was brought on to this city.

The child swallowed the bean last Saturday afternoon, and was immediately taken to Saint John, N. B., where a physician worked over him for several hours, without being able to remove more than half of the foreign body.

TAKEN TO MONTREAL

Realizing a delicate operation would have to be performed by a specialist, the boy's aunt, Miss Elizabeth Scovill, was advised to take him to Dr. George Hodge in Montreal. Accompanied by a trained nurse, the lad and Miss Scovill boarded the train for the metropolis, the only danger to the little patient being that the bean might work down into the lung. This apparently happened, for early this morning he expired.

Hillman Scovill was a son of Mr. and Mrs. Robert Scovill of Kingsbury. He was in one of the primary grades in Rothesay Consolidated school. Besides his parents he is survived by two sisters.

CHANGE URGED IN SHIP SAILING DATES

Port Chaplains Ask That Ocean Steamers Avoid Docking on Sundays.

QUEBEC, Que., May 4.—An appeal, endorsed by the various chaplains at this port, numerous social service workers and others, will be made to Hon. James A. Robb, Minister of Immigration and Colonization, to have the steaming companies change the sailing dates of passenger steamers so as to allow them to reach here in the middle of the week, and not on Sunday. This document now contains such names as Rev. A. B. Phillips, Chaplain, director of the Catholic Immigration Association, Rev. Dr. Wm. Farquharson, port chaplain of the Presbyterian, Methodist, Baptist and Congregational denominations, Rev. L. Thompson, Anglican chaplain, and others.

AZOV BREAKS UP. MOLASSES IS FREED

Sea Around Cape Hogan, N. S., is Covered With Sticky Substance.

HALIFAX, May 4.—Advices from the scene of the stranding last Friday morning, of the tank steamer Azov, at Cape Hogan, near Arichal, Cape Breton, while on a voyage from Cuba to Montreal with molasses, stated this morning that the vessel had broken in two, just aft of the engine room, and that the forward section was submerged. The aft section was shifting lazily in the heavy seas and attempts of underwriters' agents to board her were unsuccessful yesterday.

BUDGET BATTLE WAXES WARMER IN ENGLAND

Silk Duties and Insurance Charges Chief Issues

MAY BE CHANGES

Conservatives, However, Deny Any Possibility Of Alteration Now

By HERBERT BAILEY. British United Press.

LONDON, May 4.—The campaign against Winston Churchill's budget gathered increased momentum over the week-end, and will receive a further impetus this afternoon, when the Chancellor moves the second reading of the bill in the House of Commons.

DAILY MAIL PROTESTS.

The strongest protest for revision or better still for abandonment of the silk duties comes from Lord Rothermere, owner of the Daily Mail, and Ellen Wilkinson, a woman member of the Commons. Lord Rothermere is generally believed to be interested in the manufacture of artificial silk, and his newspapers are protesting loudly to rage all the present week. What, on the other hand, is pleading for "Mr. Churchill's typists, whose stockings will cost them more money."

BEAVERBROOK ACTIVE.

Lord Beaverbrook, of the Daily Express, is daily condemning the insurance charges as a burden to industry, and the battle of the budget is likely to rage all the present week. What will survive when the smoke of battle has cleared away it is impossible to say because the strength of the opposition on certain provisions of the budget has yet to be estimated. It is a political possibility that the dramatic Churchill policy, which was greeted at first with such enthusiasm, may prove the first nail in the Baldwin government's coffin.

IS 108 YEARS OLD

Pioneer Ontario Farmer Continues to do Daily Wood-cutting Task.

OTTAWA, May 4.—Although he celebrates his 108th birthday on Sunday, Joseph Beaud, pioneer farmer of Calumet Island has lost none of the interest in life. He celebrated the event of his 108th birthday by splitting enough kindling for the big odd cooking range in the kitchen of his home which has been his daily task.

Maine Farmer Kills His Wife And Then Himself

NORTH ANSON, Me., May 4.—The fear that he would ruin some day and find his wife dead from heart trouble was believed to have caused Ross Libbertson to kill her, then take his own life in her farm home at North Anson. News of the tragedy was brought here by the undertaker.

Cars Kill More Than Big War

NEW YORK, May 4.—Automobiles killed 19,000 persons and injured 450,000 on the highways of the United States in 1924. Of the dead, 5,700 were children. The victims of automobile accidents numbered fifty times as many as were killed and wounded in the American army during the war, it is pointed out by the National Bureau of Casualty and Surety Underwriters which has made these figures public. The daily average of motor casualties was 52 killed and 1,180 injured.

TWO ARE TAKEN FOR CAPITAL ROBBERY

William McNutt Relieved of \$400; Chas. Hazlett and Wm. Nicholson Jailed.

Special to The Times-Star. FREDERICTON, May 4.—As the result of a complaint made last week by William McNutt of this city to the effect that he had been robbed Wednesday night of an amount which he estimated at \$400, Charles Hazlett, of Devon, was arrested at his home on Thursday night, both trips having been made by Chief Kelly. Patrolman McNell left for Woodstock today, bringing Nicholson here.

Were in Woodstock.

The informant could give no clear account of how the money was taken from him, and the police were at a loss for a time. Later it was learned that the two men wanted had been in Woodstock on Thursday and had spent money freely. Hazlett returned to his home Thursday night, both trips having been made by motor. Nicholson remained in Woodstock.

CUTS ARM GETTING INTO BURNING HOUSE

Mrs. J. Carpenter of Douglas Ave. Injured—Door Locked When She Gave Alarm.

Mrs. James Carpenter had her right arm quite severely cut during the course of a slight fire in her home, 134 Douglas avenue, this morning. While Mrs. Carpenter was working in her house she noticed fire in the back of a shelf where matches were kept. The fire was too big for her to handle so she hurried to the fire alarm box in the street. The alarm from box 126 went in and Mrs. Carpenter went back to her house. She found that the door had locked after her.

SAYS MEN WILL BE AT MERCY OF EMPLOYERS

Is Against Principle Of Compulsory Arbitration

QUOTES WAR ACT

Says Previous Experience With Similar Legislation Showed Its Weakness

OTTAWA, May 4.—Criticism of the legislation introduced in the Nova Scotia legislature by Premier Armstrong, "supposedly to find a way to settle the Nova Scotia coal dispute," was made in a statement here this morning by Tom Moore, president of the Trades and Labor Congress of Canada.

He said that the legislation, if passed, would "put the workers of that province absolutely at the mercy of their employers." Nowhere in the world had compulsory arbitration been a success in preventing strikes or satisfactorily settling any disputes, Mr. Moore said.

The second section of the proposed measure, which provides for compulsory acceptance of the findings of a board of commissioners, Mr. Moore said, "deroys entirely the principle of fair play." According to press reports, it is similar to the Dominion Industrial Disputes Act, recently declared ultra vires by the Privy Council.

INCENTIVE GONE.

"The success of the Dominion Act laid in the fact that the findings of boards established under it need not be accepted by either party to the dispute. This resulted in the board endeavoring to render a decision that would be fair enough to be acceptable to both parties or at least would appear to the general public as fair. Immediately compulsory acceptance of a board's findings is attached then that incentive is removed. This was the experience during the latter years of the war, and before which decisions rendered under the Industrial Disputes Act could be heard and whose decisions were final and compulsory upon both parties.

A very short experience of such legislation was sufficient to convince the Dominion Government of the advisability of repealing it."

Bengal Congress Head Resigns His Position

CALCUTTA, May 4.—The Swarajista (Home Rule) leader, C. R. Das, is reported to have resigned the presidency of the Bengal provincial congress, owing to the defeat by extremist members, of all his conciliatory resolutions, and suggestions favoring co-operation with the government.

Margot Sends Ex-King Seeking Butler as She Returns To Rest

British United Press. LONDON, May 4.—Margot Asquith, indiscreet diarist, is writing a new book of reminiscences—as full of piquant scandal, reports say as her first two. But it probably will not contain the latest Margot story.

Ex-King Manuel of Portugal was to be the week-end guest of Lord and Lady Oxford—Margot and husband—at their country home, it is said. Something went wrong, and Manuel had not arrived when at midnight Margot returned to the camp bed on the front lawn in which she sleeps in good weather.

Lady Oxford was sleeping soundly when at 2 o'clock there was the roar of a motor car, and a breathless Manuel appeared, announcing, "I have arrived."

"A bit early," responded Lady Oxford, raising her head sleepily. "See if you can wake up the butler; he may let you in." And she relaxed into sleep again.

Descending Plane Kills Photographer

PARIS, May 4.—Paul Chirval, a amateur picture photographer, was struck and killed by the wing of a descending airplane, during an aviation exhibition at the Odly Airfield, yesterday. He was so intent upon filming another machine that he did not hear the shouts of the crowd, and the warnings of his wife and son, nearby.

BRITISH - AMERICAN CONSPIRACY HINTED

Tokio Newspaper Declares U. S. Naval Manoeuvres in Pacific Dress Rehearsal.

United Press. TOKIO, May 4.—The Japanese newspaper Kokumei declares American naval manoeuvres in the Pacific are "not play but a dress rehearsal" of the United States' readiness to attack Japan. "Wait another decade," says the Kokumei, "when Hawaii and Singapore are fully fortified while Japan is forbidden to fortify even the nearest islands."

The newspaper asserts the Washington Pacific agreement is simply a British-American conspiracy whereby the Anglo-Saxons are opposing Japan.

SURVIVORS TALK

Some Declare More Might Have Been Saved If Distress Signals Heeded

SANDUSKY, Ohio, May 4.—A preliminary inquiry into the cause of the overturning of the sand sucker Kelly Island, off Point Pelee, in Lake Erie, yesterday, with the loss of nine lives, indicated carelessness on the part of some officer of the boat, or member of crew, it was stated by officers of the Kelly Island and Lime and Transportation Company, owners of the vessel today.

Preparations have been made for a thorough investigation of the boat and divers have been sent to endeavor to recover the bodies of the men still inside the vessel.

SURVIVORS CHARGE

Survivors of the disaster reached here yesterday and reiterated statements that other members of the crew might have been saved had passing vessels come to their assistance. Two steel freighters, two wooden vessels, and a tug passed at a distance of not more than a mile and a half, but paid no attention to the distressed craft, survivors said. Fred Olemacher, vice-president of the Transport Company, however, said he was not surprised that the passing vessels did not notice the plight of the Kelly Island.

"With the boat bottom up, it looked from a distance, like a sand bar or a scow," he said.

CONTRACT FOR PAVILION TO J. GRIFFITH

Rotary Accepts Tender at \$1,950 for Rockwood Shelter
REVIEW OF BUSY YEAR IS GIVEN
New Officers are Welcomed—Local Club Has 94 Members.

The tender of John Griffiths for the erection of the Allison playgrounds has been accepted by the Rotary Club and the executive was authorized to sign the contract at once, at a luncheon of the club in the Pythian Castle today. This price is exclusive of the lighting, which is estimated at \$100 or \$200 more. The new officers of the club were installed and reports of the various committees took up the remainder of the time.

H. Mont Jones, the retiring president, reviewed the activities of the club during the year mentioning in particular the co-operation in the drive for the new hotel, the Christmas concert in the Opera House for the boys of the city, and the recent musical programme of three noted New York artists. He asked for his successor, Palmer Kinman, the same generous support accorded him.

The new officers installed today were: President, E. Palmer Kinman; vice president, A. L. Foster; secretary, P. M. Wilson; treasurer, S. M. Jones. The new directors are F. G. Spencer, W. Ken Haley and H. Mont Jones. There was not an special speaker at today's luncheon owing to pressure of business.

One of Best Years.
The reports showed what Harold W. Rising, a charter member, described as one of the busiest and best years in the club's history. The report of the treasurer, A. L. Foster, showed that the club has in its general and special funds about \$3,500. Out of this, however, there must be taken the cost of the new pavilion at Rockwood.

LADY CUB LEADER HERE WINS HONORS

Miss A. Collins Receives Certificate of Akela Course From Ottawa.

Miss A. Collins, cub leader of the 4000 boys of the Church of the Assumption Wolf Cub pack, has completed the Akela Course by correspondence from Ottawa, winning six marks and entitling her to a certificate. Miss Collins is the first of the cub leaders in Saint John to win this coveted token of merit. It will be presented her on Saturday morning when the cub leaders are to assemble at an outdoor meeting at Seaside park. L. L. Johnson, district secretary, said this morning that although this pack in West Saint John had been organized a comparatively short time, Miss Collins had brought them to a high state of efficiency. Akela means old wolf and is a very high honor in cub work. Mr. Johnson said, in speaking proudly of Miss Collins and her accomplishment.

At the Saturday meeting other certificates will be presented to cub leaders who have won the right to be given warrants as full fledged packmasters. The event will feature practical cub work and a good crowd is expected.

THIS INTERESTS EXPORTERS HERE

Market in San Domingo For Goods From Canada—Letter to Trade Board.

A possible new market for exporters in Saint John was brought to the fore this morning by a communication received at the Board of Trade from the Consul General of San Domingo, stationed at Montreal. He enclosed a list of about 100 firms in the island who were interested in the buying of cheese, butter, flour, potatoes, fish, and other commodities which could be exported from here. They have to sell to us raw sugar, raw cotton, coffee, cocoa and other tropical products. The letter said it was understood that during the summer regular sailings would be established between Canada and San Domingo.

F. MacLure Schanders, secretary of the Board, said the matter would be taken up with the local exporters and it was also the intention to send a letter to the board to each of the merchants mentioned in the Consul General's letter.

WISTARIA OFFICERS LUNCHEON GUESTS

Dined at Union Club Today—Some Pay Visit to Golf Links.

Mayor Potts and Commissioners were hosts at lunch today to the officers of H. M. S. Wistaria at the Union Club in the name of the City of Saint John. It was a very pleasant function.

In welcoming the guests of honor, the King's health had been drunk. Mayor Potts said it was always a special pleasure to greet the uniform of His Majesty's forces and to pay social honor as well to the personnel of visiting naval units. Captain King and several of his officers repaid in gracious vein.

The toast to the President of the United States was replied to by American Consul General W. Norman. Sir J. Douglas Hazen replied for the Bench and the Bar and Col. W. B. Anderson, D. S. O., for the Canadian militia.

SEAT SALE GOOD FOR 'THE CHARM SCHOOL'

Will be Presented on Wednesday and Thursday in St. Vincent's—Those Taking Part.

The seat sale for "The Charm School," which will be presented in St. Vincent's Auditorium on Wednesday and Thursday evenings of this week in aid of Stella Maris Church, East Saint John, opened today at Colgan's Drug Store, Waterloo street, with a particularly good early demand for seats. There are, however, some choice locations left, but as the sale is already quite large those wishing to make reservations are urged to do so at once.

"The Charm School" is one of the most delightful musical plays that has ever been presented here. It is being directed by Mrs. A. C. D. Wilson, whose reputation in the presentation of amateur plays is well known. The cast is composed of nine young ladies and five men, including Misses Gertrude O'Neil, Margaret Power, Anne Jennings, Kathleen Foley, Vida Waterbury, Augusta McGrath, Mary Emslow, Marie Nadeau and Gertrude Wilson, and Messrs. Roy McIntyre, Frank Jennings, Fred McGuire, Frank Dolery and Herbert Nixon. The play contains several catchy solo and duet numbers and a delightful evening's entertainment is assured all those who attend.

Riff Tribesmen Are Getting Dangerous

FEZ, Morocco, May 4.—The Riff tribesmen's invasion of the French zone of Morocco, is assuming serious proportions, and Marshal Lyautey, Governor of the territory, has come here to be nearer the active operations.
The Riffians have already captured one French outpost, and have had successful action with a French detachment, which attempted to throw a pontoon bridge across the Ouergha River. The French were forced back but managed to destroy the boats before withdrawing.

G. F. RING DEAD IN CAMBRIDGE, MASS.

Former Saint John Man Had Been Living in U. S. For Some Years.

Saint John friends today received word of the death of George Fredrick Ring, a former resident of Saint John, in Cambridge, Mass. He was a son of the late Zebadiah Ring, in his day one of the leading shipping men of this city. He was a well known man in the city and for many years was employed in the post office. On his retirement he moved to the United States and had since resided there.

LITTLE CONFUSION

Time and Time Tables Change—Some People Arrive Very Early.

Only slight confusion was caused today in the Union station with the adoption of a new schedule by the railway companies and the change to day light time. William Roberts, who announces the trains and gives passengers directions, said the people had adapted themselves to the changes without much trouble. There were a few people who were extremely early for their trains but that was looked upon as normal condition at this time of change.

BILIOUS and SICK HEADACHES ARE CAUSED BY CONSTIPATION

Once you allow your bowels to become constipated you will become troubled with bilious and sick headaches, and for relief you must help nature by taking Lax-Liver-Pills. This is the only medicine that is circulating in the blood and upsetting the entire biliary system. For this purpose there is no other remedy to equal.

MILBURN'S LAX-LIVER-PILLS

Mrs. I. G. Nethercott, R. R. No. 1, Oran, Ont., writes: "I was awfully troubled with constipation, and sick and bilious headaches accompanied with severe vomiting spells which made me very miserable. I tried different remedies, without relief, but since taking Lax-Liver-Pills the headache and constipation have disappeared, and I am very thankful for what they have done for me."

Largest Washing Machine in East

Photographed just before entering the New System Laundry, this huge Washing Machine is the largest and finest in the Maritime Provinces.
Tangling of clothes is impossible and a further safety feature is the fact that since the garments in each pocket rest on a shelf, removal by pulling is avoided. Still cleaner Wet Wash is now provided by the fact that at every revolution the clothes are given "kneading rinses" and two compressions that work out all the soiled water.
Thus the New System Wet Wash is a continuous rinsing with eight water whiteness and with the water working through the clothes far more thoroughly than any other way.

Funerals

Mrs. Elizabeth Lawlor
The funeral of Mrs. Elizabeth Lawlor, was held this morning from her late residence, 109 Pitt street, to the Cathedral of the Immaculate Conception for solemn high mass of requiem sung by Rev. T. M. Nichol. Rev. James Brown was deacon, Rev. Charles Boyd, sub-deacon and Rev. E. P. Reynolds, master of ceremonies. Rev. Father Nichol gave the final absolution. Interment was made in the old Catholic cemetery. Numerous spiritual offerings and beautiful floral offerings were presented while many friends called at the bereaved home with words of sympathy.

William J. Fleming
The funeral of William J. Fleming, O'Sullivan, sub-deacon. Among the people in the cortege were C. N. R. staff members. A large number of spiritual and floral offerings were received. L. R. Ross, superintendent of terminals, of the C. N. R., sent a large sheet of call lilies and roses, and the C. N. R. staff a large cross of pink roses. Many tributes from private friends were also included.

Mrs. Isabella Fisher
The funeral of Mrs. Isabella Fisher, who was a resident of Saint John all her life, but who resided for a short time latterly with two nieces in Somerville, Mass., was held on Saturday on the arrival of the Boston train. Rev. Robert G. Polgen, of Centenary church, where Mrs. Fisher was a lifelong member, conducted the services at the grave. Interment was made in the Methodist burying ground. Several of the Centenary congregation attended the funeral to pay a tribute of respect to one who had been associated with them for so many years. Mrs. Fisher was the last of her branch of the family, all of whom were formerly of Saint John and of Centenary church.

Dean Inge Declares Britain Not in Position to Solve World Problems.

NEW YORK, May 4.—The Very Rev. W. R. Inge, of St. Paul's Cathedral, London, said in a sermon yesterday at the Episcopal Cathedral of St. John the Divine, that it is hopeless to expect much from Britain in solving the world's problems.
Great Britain is looking to the United States to show the way, he said, and if the United States will not approve the League of Nations, it should give the world something in the League's place.

PLANT'S REBUILDING WILL BEGIN AT ONCE

500,000 Feet of Lumber Carried Away by Flood on Kouchibouguac.

RICHIBUCTO, May 3—Damage estimated at \$10,000 was caused here this morning when the unusual spring freshet ripped a hole in the power dam on the Kouchibouguac River and as a result the municipalities of Richibucto, Reston and St. Louis will be without light, heat and power for the next three months.

The heavy rains of the last week caused the river to rise rapidly and the onrushing water this morning tore open the dam, paralyzed the power plant's operations and also carried away 500,000 feet of lumber owned by R. O'Leary & Son, of Richibucto, and W. S. Loggie Company, of Loggieville.

Spring house-cleaning time offers a splendid opportunity to change from old-fashioned dust-collecting rugs and carpets to easily-cleaned Congoleum Gold-Seal Art-Rugs.

Congoleum Art-Rugs are very inexpensive—will leave a substantial balance in your spring budget for new draperies and other furnishings—and offer such a variety of patterns to choose from that you'll have no difficulty in making selections for every room in your home.

Beautiful—Easily Cleaned

No wonder up-to-date Canadian housekeepers are using Congoleum Art-Rugs all through the house! The beautiful patterns and rich, fadeless colorings are fully as handsome as those found in costly woven floor-coverings.

And no hard scrubbing, sweeping or beating is ever needed. An occasional light mopping keeps the smooth, seamless surface always fresh and new-looking.

No Fastening Required

You don't have to cement Congoleum Gold-Seal Art-Rugs to the floor—or even tack them at the corners. A few hours after they are unrolled, they settle snugly to the floor and never slip—never ruffle up at the edges or corners to trip hurrying feet.

Women! Here's the Secret of a Beautiful Complexion

"A Mentholatum Steam" is a real delight. It has a cooling and soothing effect and leaves the skin soft and velvety. So much cleaner and more sanitary than Cold Cream or a Clay Pack—takes less time and a whole lot less expensive.

"Mentholatum Steam" brings out the color and makes your skin so smooth. Why spend large sums for expensive creams and cosmetics when health and loveliness of complexion can be had from a small tube of Mentholatum. We have received hundreds of letters from women who use "Mentholatum Steam" in preference to all other face treatments.

We advise you using the Tube package of Mentholatum as it is softer and therefore more easily applied. Mentholatum is generally used for Cuts, Bruises, Burns, Sunburn, Insect Bites.

Make This Test and Be Convinced—

Soak a towel in HOT WATER and wring it out. Apply it to face for about one minute, to open pores—then massage face with Mentholatum for two or three minutes—then repeat hot towel process twice and finish with a cold towel. You'll say it's great and want to tell others about "Mentholatum Steam."

When you try a Mentholatum Steam drop us a line and tell us frankly what you think of it, truly we are anxious to know.

Mentholatum is for sale at all Drug Stores, 1 oz. size, 30c.; 3 oz. size, 60c.

Send the (to cover postage, etc.) to the Mentholatum Co., Bridgeport, Ont. for generous trial package.

As the Day Drags On

Do you find it harder to keep up speed around mid-afternoon?

Especially when using your eyes for hours on end?

If you do it is costing too much in energy. Very likely your Eyes are extravagant. The Eyes of four out of every five use up too much strength in a strain that tells on you in the long run.

Unnoticed faults force them to draw on your reserve Sight Strength—you are able to see well enough to suit yourself, but at what price?

Avoid this dangerous discomfort by having the right Glasses made to take this unnatural awkwardness away from your sight.

SAINT JOHN, N. B., MAY 4, 1925.

THE PROVINCES AND THE TARIFF.

Hon. F. B. McCurdy's plea that Nova Scotia be given liberty to make its own taxation and trading arrangements, while it has elicited much comment in the Central Provinces, finds little favor, though many newspapers suggest that while regional tariffs present too many difficulties it is nevertheless true that the other provinces and the Dominion are bound to consider Nova Scotia's complaint that it is not receiving fair play.

Mr. McCurdy, in the course of his Toronto speech, recalled that Nova Scotia in 1868 petitioned for the repeal of Confederation, and complained at that time that in spite of the opposition of its representatives a high protective tariff was adopted, whereas Nova Scotia had expected a fiscal policy more in line with that which it had enjoyed prior to Confederation. It then had a very low tariff. The dissatisfaction in Nova Scotia and its appeals to Great Britain for relief led to unofficial assurances from the British Government that the Dominion Parliament had power to modify any arrangements governing trade, taxation and fisheries which were prejudicial to Nova Scotia.

AND THIS IS CIVILIZATION. There must be a great deal of laughter in the under-world in these days. The moving of a wealth of securities in New York the other day was accompanied by precautions on a scale to suggest preparations for a military expedition. As a comment upon the balance existing between the forces of law and order and those of crime and robbery, it is interesting to glance at a few of the facts. The struggle between the forces of law and order and those of crime and robbery, it is interesting to glance at a few of the facts. Odds and Ends

"You never know what you'll find among the odds and ends."—From "Notes by a Wayfarer."

Anecdotal

(Springfield Republican.) Humor of the bar and bench is a tradition in England and one recent book, "In and Out of Court," by Frank Bowen-Klein, is nothing but a collection of stories gathered in the course of the author's life. In this book we read about Sir George Jessel, master of the rolls, an eminent equity lawyer who dropped his "h's." This imperfect habit gave rise to many stories. One relates to Lord Chancellor Selborne, a pious man who had written a book of hymns. Sir George Jessel, for reasons not explained, had a great dislike for the lord chancellor. One day on seeing Lord Selborne approach, Sir George turned to a friend and exclaimed: "Ere 'e comes, the o'ly 'umbug, 'umming 'is 'o'ly 'ymns. Oh, 'ow I 'ate 'im!"

It may be gathered that English stories spring largely from the humor of individual character, like the humor of Dickens. But there is a humor of circumstances, too, the wit has a personal and native flavor, and in some instances it is necessary to know something about the man concerned to appreciate the story. In which Winston Churchill, himself half American, is concerned. A member of the House of Commons, in a debate, suggested that Mr. Churchill was suffering from beriberi, a sign of that disease was a swollen head. After the debate, Mr. Churchill corrected the member, saying swollen feet, not head, were the symptoms. "That makes no difference," was the retort. "All I meant to convey was that you were too big for your boots."

Yesterday's parade of the Boy Scouts and Wolf Cubs was most creditable to those organizations, and gave no little satisfaction to all friends and supporters of the movement which gives such a valuable aid in character building.

Ottawa hears that Mr. Forke is threatening to resign unless there is greater party unity among the Progressives. There is to be a caucus tomorrow, and it is understood the leader intends to inquire why seventeen Progressives supported the Government on the main budget motion.

Dean Inge, preaching yesterday at the Cathedral of St. John the Divine, New York, said: "To those who would say that Christianity has failed, I would like to say, when was it given a chance, and where?" The Dean said that a Christian valuation of life would cure the weakness of the present social order.

It is reported that Hon. Robert Rogers is to contest one of the Toronto seats when the federal elections come. In welcoming the prospect that the former Minister of Public Works is again to be active in the federal arena the Victoria Colonist says: "Mr. Rogers, we are certain, has been attracted to public life once more, and the country would benefit by his reappearance." It is not only probable that he "can be attracted," but likely that he cannot be repelled. The Colonist speaks as though it would be necessary to entice Mr. Rogers into an election, but while his own party is somewhat divided as to his merits Mr. Rogers leaves no doubt that he will be among those present when the bugles blow for battle if he has anything to say about it.

The "Little Rebates." (Edmonton Journal.) The Red Deer News tells of a five-year-old girl in that town who, when her father was filling up his income tax return, called up to him and said: "Do you love your little rebate, daddy?" While the story is open to the suspicion that always attaches to those which dotting parents relate of their precocious offspring, it is a good one nevertheless. As the columnist says: "Happy is the man that has his quarter full of them and he is never happier than at this time of the year."

FATIGUE You Blame on Overwork May be caused by MALNUTRITION

OVER-TIREDNESS, lack of energy, nervousness, "break-downs"—these are the conditions we ordinarily blame on overwork. Yet authorities now agree that in most cases this is a purely incidental one. Wrong foods is the real cause—the failure of the body to get from its foods the nourishment it needs to repair waste and to provide it with working energy.

FATIGUE You Blame on Overwork May be caused by MALNUTRITION

OVER-TIREDNESS, lack of energy, nervousness, "break-downs"—these are the conditions we ordinarily blame on overwork. Yet authorities now agree that in most cases this is a purely incidental one. Wrong foods is the real cause—the failure of the body to get from its foods the nourishment it needs to repair waste and to provide it with working energy.

SCOUTS AND CUBS IN FINE SHOWING

Parade to Church on Sunday Taken Part in by Some 600.

About 600 Boy Scouts and Wolf Cubs took part in a church parade yesterday. They carried troop and pack flags and the Union Jack. Rev. R. Moorhead Legate in his address at Knox church paid a special tribute to the work which had been accomplished by the Scout movement. He was given the Zulu yell outside the church after service. The parade was a particularly good one.

Dr. G. B. Peat, district commissioner, and F. Choppin, assistant district commissioner, were in charge of the parade which formed up King street east and marched along King Square and passed a saluting base in front of the Imperial Theatre, where the saluting party was stationed to take the salute.

LIFE SENTENCE FOR CHRONIC DRUNKS

New York Judge Threatens Man With Long Term in Inebriate Home.

NEW YORK, May 4.—"There is only one way to stop chronic drunkenness in this country and that is by imposition of life sentences," said Magistrate Lawrence Greaser in Flushing court. The magistrate sentenced William Kastner, 38, to the workhouse for 90 days. Kastner was found lying on the sidewalk at Broadway and Elmhurst avenue, Elmhurst, by Policeman Scott. The defendant's son and daughter testified that their father had been in the habit for many years of getting drunk periodically. "If you ever appear before me again," said Magistrate Greaser, "I'll send you away for life. I can do it. The law permits it. You can go to an inebriate home and I will see that you are there."

MAY REBUILD HOME OF BRITISH PREMIER

Board of Works Finds Foundations Decaying and Whole Building Run Down.

LONDON, May 4.—No. 10, Downing street, the official home of Mr. Ramsden, Minister, and No. 11, next door, the residence of the Chancellor of the Exchequer, are in such a state of decay that the Office of Works is considering whether it is desirable to rebuild both houses instead of making further repairs.

Weddings

Masson-Kingston

The marriage of Miss Isabelle M. Kingston, formerly of Randolph, to Joseph A. Masson, son of Mrs. James Masson, of Fairville and the late James Masson, was solemnized on April 29 at the Church of the Messiah, Hampton, by Rev. W. P. Dunham, rector, formerly of the Church of the Good Shepherd, Fairville. The bride, who was unattended, wore a navy blue suit of Poiret tulle and hat to match. After the ceremony Mr. and Mrs. Masson motored up the Saint John river and will enjoy their honeymoon at their bungalow for a month, after which they will return to Fairville, where they will reside. The bride was a member of the choir of the Church of the Good Shepherd and Mr. Masson is a prominent young business man in Fairville where both have a large circle of friends who extended good wishes and many gifts in honor of their marriage.

Wilson-Connor

The marriage of Alexander Saint John Wilson, of West Saint John, son of Mr. and Mrs. Alex. Wilson, Rodney street, to Vera Connor, of New York, took place on last Friday at St. Joseph's church, Astoria, Long Island. The Rev. Father Hennigan officiated. Mr. Wilson is proprietor of the Western House, West Saint John, and will reside in this city after his honeymoon.

Deaths

Walter H. Mullin

Many friends in Saint John will hear with regret of the death of Walter H. Mullin, formerly of Saint John, which occurred at his home, Omaha, Neb., May 2 of paralysis. Mr. Mullin was one time in business with his brother, Frank W. Mullin, in Charlotte street. He was the youngest son of the late James and Cordelia Mullin. Besides his wife, who was formerly Miss Emma Alston, of Saint John, he leaves to mourn one daughter, Blanche, and one brother, Frank W. Mullin, of Omaha, May 4, in Omaha.

Mrs. R. Flower

FREDERICTON, May 3.—Mrs. Reuben Flower, of Devon, died suddenly tonight. She is survived by her husband, Reuben Flower, a well-known tugboat captain on the river, and by two sons, Roy and Clarence, of Devon. Her mother, Mrs. E. A., also survives.

Guy Wannamaker

After a lengthy illness the death of Guy Clifford Wannamaker, son of Albert and the late Phoebe Wannamaker, occurred yesterday at Nauwigewauk, Kings county. He is survived by his father, four brothers and three sisters. The funeral will take place on Tuesday afternoon from his late residence at 230, daylight time.

Mrs. Thos. Butler

After a lingering illness the death of Mrs. Thomas Butler occurred last night at her residence, 29 Adelaide street, and will be heard of with much regret. Mrs. Butler was a daughter of Mr. and Mrs. Patrick Trainor, of this city, and besides her husband and parents, she leaves five children, Alma, Edward, Arthur, Josephine and Gerard, all at home; four brothers and four sisters. The brothers are John, Albert, Edmond and Ambrose Trainor, and the sisters are Mrs. James Butler, Mrs. Fred J. Buckley, Mrs. John Kindred and Miss Lavina Trainor, all of Saint John.

Miss Elizabeth Frauley

Miss Elizabeth Frauley, daughter of the late Mr. and Mrs. John Frauley, died at her home in St. George, N. B., last night after an illness extending over five weeks. She was for many years manager of the ladies' department of Frauley Bros. store. Three brothers—George E., Harry J. and Arthur D., survive. The funeral will be held on Tuesday morning. Miss Frauley was endowed with many good qualities and numbered a host of friends in her home town, Saint John, and other parts of the province.

Matthew Young

Matthew Young of Taymouth passed away at his home on last Saturday afternoon at the age of 81. Surviving him are his wife, one son and six daughters.

LACK OF BLOOD CAUSES FAINTING

MANY have an incorrect idea of the cause of fainting. Mrs. Mann learned.

Fainting is caused by a lack of blood flow to the brain, instead of too much.

It is because the brain is not getting the proper supply of blood that patients are placed in a lying position with the head lower than the feet.

The sitting position is very dangerous. People have died simply because the head was not lower than the feet.

Often it is advisable to let the head hang over the side of a couch or a bed for a few minutes. Or a chair may be inverted and the patient placed on the back of it with the head down and the hips up. This causes the blood to return to the brain.

Scalding salts may be held to the nose and heat applied over the heart to stimulate its action.

LITTLE JOE

BOBBED HAIR IS A SHORT CUT TO FASHION

Windows and doors should be opened. Plenty of fresh air is needed. Unfasten the clothing to permit free circulation of the blood.

Child water may be sprinkled upon the face and hands.

As soon as the patient is able to swallow a little fresh water or spirits, if one can obtain them, may be given.

Adventures of the Twins

By OLIVE ROBERTS BARTON.
THE SNEEZING SCHOLARS.

"There he goes!" said Nick looking at the earth. "I see the goblin."

"Where?" cried Nancy.

"See him running!" pointed Nick. Mister Whizz and Nancy looked over the edge of the aeroplane (they had just left Beanstalk Land) and sure enough! There was Snitcher Snatch with the snuff box under his arm, running for dear life along a road.

"Now what is he up to, do you suppose?" said Mister Whizz. "He had done about enough mischief with that snuff, and the Fairy Queen's uncle will be tired waiting for it."

"Look!" said Nancy. "He's going into a school-house."

"My! My! That's dreadful," said Mister Whizz, shaking his head. "Snuff has no right in a school-house of all places. We'll have to get him out of that at once, if not sooner."

Down came the tiny aeroplane and Mister Whizz parked it in the school yard.

"We'll peep in at the window," said he. "and see what is going on."

So three pairs of eyes peeped over the edge of the window sill, and what do you think they saw?

Snitcher Snatch seated in a back seat

playing train instead of having a singing class with all the choo-chooing that is going on. There is a time for everything and this certainly is not the time for sneezing! Achoo! Achoo!"

For at that minute some of the snuff got up her nose, too.

The class laughed. I'm sorry to say, and at that she got crosser than ever. At that minute she spied the goblin's long nose and back of it the goblin himself.

"Who are you?" she asked in surprise.

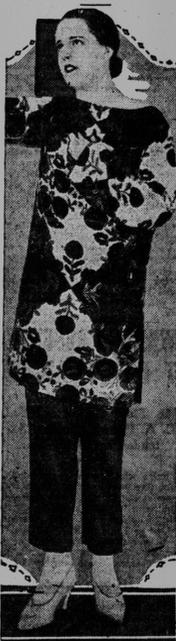

"A visitor," said Snitcher/Snatch meekly. "I came to take lessons in sneezing."

At that the teacher seized a stick and drove him out.

The Twins laughed. "He still has the snuff box," said Mister Whizz solemnly.

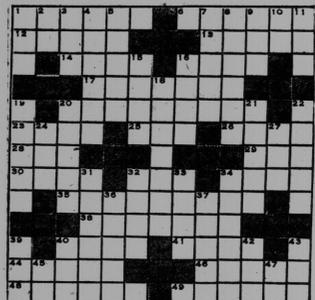

To Be Continued.

SERVICES ARE HELD
 BY GIRLS OF C. G. I. T.

Other Special Features of
 Sunday in Churches
 of City.

Large congregations were present at both services yesterday in the Main street Baptist church to welcome a former pastor, Rev. Dr. J. A. Gordon, of Montreal, who is occupying the pulpit for the month of May. Rev. Dr. Gordon preached two inspiring sermons and at the evening service was especially effective showing that he has not lost any of the vim and vigor which characterized him when with the church as pastor.

At the close of both services many crowded around to extend the hand of greeting to Dr. Gordon. The present church building was erected during the pastorate of Dr. Gordon and stands as a monument to his leadership of the congregation.

The Boy Scout troop of the Victoria street Baptist church, under the leadership of Scout Master Howard, attended the evening service of the church yesterday in a body. There was a good attendance of the members of the troop. Special reference to the work of the Boy Scouts was made by the pastor, Rev. G. B. MacDonald, in his sermon.

AT QUEEN SQUARE

Large congregations were present at both services in the Queen Square Methodist church yesterday when there was a special "Go to Church" Sunday programme. A new feature of the observance was the arrangement to have automobiles provided for those who otherwise could not have attended. Comparatively few availed themselves of this privilege, however.

In the morning the C. G. I. T. members had charge of the service. In the evening Rev. Neil MacLachlan, the pastor, gave a review of the year's work commending the people on the splendid efforts they had put forth. He spoke of the loss which the church had suffered in that J. Willard Smith and the late R. Duncan Smith were no longer able to take active part in church work. This loss, he said, had made the men of the congregation realize they must take a large share in church affairs and he was greatly pleased to find how well they had responded to the evening service.

The special music at the evening service was under the direction of Mrs. Blain McLean and was splendidly rendered. For the anthem "Day is Dying in the West," Mrs. L. V. Lingley sang the soprano solo, and in the anthem "Fear Not, O Israel," the bass recitative was taken by William McGowan and soprano solos were sung by Mrs. F. G. Spencer and Mrs. L. V. Lingley. Mrs. Lingley also heard in the solo "The Publican."

A men's banquet this evening, which will be served by the Ladies' Aid, will be a continuation of the "Go to Church" programme.

An interchange of pulpits was made yesterday morning by Rev. R. G. Fulton, pastor of Centenary Methodist church, and Rev. James Dunlop, pastor of the Central Baptist church.

Rev. J. V. Young and Mrs. Young expect to leave this evening to spend two weeks in Montreal.

Mr. Cyrus Inches was a host at an enjoyable dinner party at the Millonaires' Club, Pokok, on Friday evening. The table was effectively arranged with butterfly roses and lilies of the valley and covers were laid for 20. Those present were Miss Catherine McAvity, Miss Emily Sturdee, Miss

Althea Hazza, Miss Kathleen Sturdee, Miss Edythe White, Miss Ann Armstrong, Miss Audrey McLeod, Miss Doreen McAvity, Miss Hortense Maher, Miss Constance White, Captain Hugo Weston, Mr. George Brew, Mr. Donald Skinner, Mrs. J. B. Stirling, Dr. V. D. Davidson, Mr. Arthur Anglin, Mr. Atwood Bridges, Mr. Percival Streeter and Mr. Sydney Hanton.

Mrs. King Hazza is spending a few weeks in New York.

Mr. and Mrs. William Angus and family are moving tomorrow to Rothesay, where they have taken an all-year-round residence.

Commander F. W. S. King, D. S. O., of H. M. S. Wistaria and his officers were guests of honor at dinner Saturday at the bungalow of the Byng Boys' Club, Pleasant Point. Covers were laid for 35 guests. General G. Anglin, officer commanding the club, presided.

A jolly house party, chaperoned by

Mrs. Clare Gilmour, spent the weekend at Mr. and Mrs. A. B. Gilmour's camp at Westfield. Those present were Mrs. Gilmour, Miss Florence Warwick, Miss Margaret Gilmour, Miss Gertrude

Mr. and Mrs. G. W. Ellison, of Montreal, who formerly resided here, have taken a summer residence at Renforth and will go there in June.

Major and Mrs. Thomas G. Burton will leave today for Prince Edward Island, where they will hold Salvation Army services this week in Charlottetown and other towns.

Mrs. F. J. Power and Mrs. Margaret Corkery, who were attending the recent convention of the C. W. L. diocesan, in Moncton, were guests for a few days in Shediac, before returning home.

Mr. Edward Sears, of Chicago, is in the city, the guest of his mother, Mrs. Edward Sears, at the Cameron Apartments, Charlotte street. Mr.

Sears expects to return to his home via Montreal, early in the week.

 That EVERYBODY Likes**

The Plan of Bragers' Home Lovers' Club

Appeals to the business man because it enables him to keep his money working for him in his business instead of using it for his home.

It appeals to the young couple who can furnish their home out of their income and do not have to deprive themselves of other necessities to lay aside any large sum.

It appeals to those who live in furnished rooms because it enables them to have their own apartment and furnish it, with the difference between a furnished and an unfurnished apartment.

It appeals to the housewife who would like a new lamp or a new chair and does not have to wait till she saves the whole amount. It enables her to buy the things she wants WHEN she wants them.

It appeals to EVERYBODY because it is so simple, so elastic, so straightforward—so characteristic of the great, big, forward-looking policy of BRAGERS' HOME LOVERS' CLUB.

F. A. Dykeman & Co.

route. Ven. Archdeacon A. H. Crowfoot conducted the service and the special preacher was Rev. D. M. Rose, missionary on furlough from Kangra, India. Mr. Rose was the preacher in Trinity church in the evening, and in both addresses spoke of the work in the mission field.

Rev. W. J. Bevis, of the United church in East Saint John, was the preacher at the afternoon and evening services in the Lunenburg Presbyterian church yesterday. Next Sunday Rev. Peter Jackson, of Hampton, will conduct the services and will take over the duties of minister temporarily. Rev. William Lawson was the preacher in Mr. Bevis' pulpit last night.

The evening service yesterday, at St. Andrew's church was under the auspices of the Young Men's Club. The minister, Rev. J. S. Bonnell, delivered an inspiring address and stressed the need for dependability in life. This meeting closed the Sunday meetings of the club for this season. On Tuesday evening they will have their annual banquet.

Problems of boy life and the work in connection therewith of the Mari-

time Religious Education Council was the theme of an address by Rev. W. C. Machum in the Lullow street Baptist church last evening. Rev. W. A. Robbins coped with the service, and Roland Hamilton, pastor of the Taxis Square, announced the hymns. Deputy Chief Ranger Donald Maher read scripture, and Leslie Hann offered prayer. H. S. Mayes sang a solo.

C. G. I. T. SERVICES

C. G. I. T. members in the city held the last general meeting of the season yesterday afternoon in St. David's church when Miss Marjorie Trotter, Maritime girls' work secretary, spoke on "The Power of Endless Life." The service was conducted by Miss Hazel Fisher and those who assisted in the devotional exercises were Miss Kathleen Gray and Miss Margaret Britton and Miss Phyllis MacGowan was organist.

The C. G. I. T. groups of Queen square and First Presbyterian churches conducted special services in their churches and Miss Trotter gave the addresses. Chords of C. G. I. T. girls led the singing with fine effect.

The Queen square church service was held in the morning. Miss Doris Sargeant presided and a solo was pleasingly sung by Mrs. L. V. Lingley, superintendent of the groups of which Miss Oldford and Miss Smalley are the leaders. Miss Trotter spoke of the emphasis Christ had laid on boy and girl life and she told of the C. G. I. T. programme.

At the C. G. I. T. service in the First Presbyterian church in the evening Miss Anna Rippey presided and Rev. W. McN. Matthews, the minister, offered prayer. Miss Trotter took for the theme of her address the story of Jesus and the daughter of Jairus.

**Fined \$15 Each For
 Disturbing School**

PALMER, May 4—Oliver L., and Adeline S. Howlett, prominent residents of the town of Holland were fined \$15 each in District Court on charges of wilfully interrupting and disturbing a public school. They appeared before the court on complaint of Mrs. Bertha Howlett, their sister-in-law and a member of the Holland school board. It was alleged that they entered the school where Miss Charlotte L. Hall teaches and requested the pupils to leave the room so that they might discuss certain personal matters with the teacher. These matters were said to relate to letters Miss Hall had written. Pupils were witnesses in the case.

COUNTY LIQUOR CASE.

Mr. John Russell, St. Martins, was fined \$50 on Saturday on the charge of selling liquor. The case was tried before Magistrate W. H. Moran. Her husband was charged with operating a still, but was acquitted. The prosecution was conducted by W. M. Ryan.

LITTLE WANDERER.

Little Della Veniot, 2½ years old, was found yesterday afternoon by Police Constable Young wandering about King street. She was taken to the police court and later called for by her father.

HIT BY LOCOMOTIVE.

Charles Hunter, shunting foreman of the C. N. R., was slightly injured while working in the yard Saturday. He was hit a glancing blow by a locomotive, but was able to walk to his home after the accident.

FINANCIAL STOCKS SCORE ADVANCES IN WALL ST. TODAY

Closing Rally and Outside Buying Orders Assist in Boosting Prices

ASBESTOS AGAIN IS MONTREAL FEATURE

Common Jumps Five Points Upward at Opening; Preferred 4-1-2 Points.

NEW YORK, May 4.—Encouraged by the rally in the stock market last week, operators for the rise successfully renewed their operations as trading was resumed today. Outside buying orders aided the advance. Accumulation was again evident for such stocks as Coca Cola, Famous Players and Frisco, some of which sold at the year's highest levels.

MONTREAL MARKET

MONTREAL, May 4.—The opening of today's stock market was featured by the Asbestos issue. The common jumped five points to 77 1/2, then eased one, while the preferred rose 4 1/2 to 107 1/2, also declining one later. National Breweries was the weak feature, being down 1 to 46. The balance of the list received practically no attention during the first 45 minutes, with the exception of Winnipeg Rails, which strengthened seven-eighths to 46 1/8. The strength in Asbestos Corporation is due to reports that announcement of satisfactory terms of the merger is imminent.

Cable Transfers

MONTREAL, May 4.—Cable transfers, 48 1/2 to 49 1/2.

NEW YORK MARKET

Stocks to 12 noon. High Low Noon

Table with 4 columns: Stock Name, High, Low, Noon. Includes Atchafalca, American Can, Baldwin Loco, etc.

MONTREAL MARKET

Stocks to 12 noon. High Low Noon

Table with 4 columns: Stock Name, High, Low, Noon. Includes Asbestos Common, Asbestos Pfd, Brashear, etc.

CHICAGO GRAIN MARKET

To 12 noon. High Low Noon

Table with 4 columns: Grain Name, High, Low, Noon. Includes May wheat, July wheat, etc.

WINNIPEG GRAIN MARKET

Winnipeg Market closed. Awar Day.

Brokers' Opinions

NEW YORK, May 4.—Hutton & Co. "It looks as though there were some thing coming in the way of dividends and perhaps a sell-off for U. S. Ind. Alcohol. Oil looks higher."

NEW YORK STOCKS GET LOW AND LANDING FROM SHIPS DIFFICULT

NEW YORK, May 4.—New York's serious-minded alcoholics may face a crisis in course of the next two weeks. A rumor attributed by some to speculative bootleggers and by others to a real condition of shortage, asserts that the metropolis has only two weeks' supply of liquor on hand, and that thereafter a Sahara-like drought will come.

RAILS WERE MOVED

Large Reward Offered For Those Responsible For Fatal Polish Wreck.

WARSAW, May 4.—The Minister of Railroads has issued a statement concerning the railroad wreck in the Polish corridor, last week near Starograd, in which a large number of people were killed and injured. The statement says an examination showed that rails had been removed. A large reward is offered for information which will lead to the arrest and conviction of the perpetrators.

Fish - a food for brain and body. Includes image of a fish and text about health benefits.

Mine Disaster in Pennsylvania

Five men lost their lives in this mine explosion at Milgrove, Pa. The photo shows the wrecked tipple with rescue crews about to enter the mine. A carpenter working at the mouth of the mine was blown over the sloping tipple and 400 yards through the air to the hill shown in the picture.

Pastor Goes To Movies But Deacons Object, So He Quits

WORCESTER, Mass., May 4.—Because some of the deacons of the Lincoln Square Baptist church insisted that he not go to picture theatres, the Rev. Floyd H. Adams, pastor, who came here 18 months ago from the Strong Place Baptist church, Brooklyn, has resigned.

His daughter, Miss Dorothy Evelyn Adams, assistant pastor, submitted her resignation at the same time. She had directed the staging of two plays in the church for mission funds. There is considerable sentiment against the stage among some of the deacons.

age higher at the end of this week. If public interest is attracted back into the market we are inclined to think that it will be in the "oil" market.

Morning Stock Letter

NEW YORK, May 4.—Friday and Saturday's market looked like a new bull swing. It is not likely, however, that the bear party will give up their resistance to any selling and that any reaction that may come will be only temporary. We expect higher prices through the list and believe that on any selling, more stocks can be bought. News for the main part is bullish. The market has not yet discounted the return of England to a gold basis. This morning estimates are being made that takes may be out over 12 per cent on the basis of existing President Coolidge's remark that business should be given a rest from legislation is another factor. Money rates look better. While fresh buying in commodity markets is not increasing, the distribution of goods is very large as indicated by bank clearings and freight bills. Finance opinion by a bulk of business and trade would be strengthening. While fresh buying in commodity markets is not increasing, the distribution of goods is very large as indicated by bank clearings and freight bills.

LIQUOR DEARER ON DRY SPELL REPORT

NEW YORK, May 4.—New York's serious-minded alcoholics may face a crisis in course of the next two weeks. A rumor attributed by some to speculative bootleggers and by others to a real condition of shortage, asserts that the metropolis has only two weeks' supply of liquor on hand, and that thereafter a Sahara-like drought will come.

COMMUNISTS GET SEVERE TRIMMING

Are Badly Snowed Under in Municipal Elections in French Republic.

By A. L. BRADFORD United Press Staff Correspondent PARIS, May 4.—The first returns from yesterday's municipal candidates were completely snowed under by ballots divided about equally between Socialists and Radicals, on the one hand, and Conservatives on the other. More than 400,000 councillors were to be elected in 49 districts returned 26 Conservatives, 21 Radicals and Socialists and two Communists.

The municipal elections are important politically as a barometer of public opinion and because the councillors elected will form a departmental congress which will elect one-third of the French senate in 1927.

AWAY WEST AFTER VISITING OLD HOME

Harry D. McLeod, Now of Los Angeles, Sees Progress in Saint John.

Harry D. McLeod, son of the late H. D. McLeod, former savings chief officer in the Government Savings Bank here and otherwise identified with numerous activities in the city, will leave tonight for his home in Los Angeles, Cal. He has been having a happy time hereabouts, meeting old friends and relatives. During his stay he has transacted some business for the Hammond Lumber Company of California, with which he has been connected since he left Saint John more than 20 years ago and following some time in the employ of the Bank of Montreal in Canada.

Mr. McLeod thinks Saint John has made considerable progress, while perhaps not in radical expansion, particularly in the way of modern improvements. There are numerous old landmarks he has missed and the new structures, such as the banks, theatre, hotel and scores of residences, he says, have changed the appearance of localities. He was pleased to see a start had been made in grassing and boulevarding some of the residential streets.

Others From Here. Mr. McLeod referred to other easterners in California who have become prominent figures, citing the extraordinary instance of Louis B. Mayer, formerly of Saint John, who is emperor of filmdom in Hollywood, with head of the Metro-Goldwyn-Cosmopolitan corporations. The Hammond Lumber Co. sell from \$10,000 to \$20,000 worth of lumber to the large moving picture operators every month for their constant construction work. The former Saint John man says he was called upon by Kendall Hall of Saint John a few weeks before leaving for the east and he meets numerous business men in his travels up and down the Pacific Coast. His brother Guy is engaged in the logging equipment trade, an auxiliary to the business in which Harry himself is engaged, business by the way which turns over \$20,000,000 worth of redwood yearly.

During his trip east Mr. McLeod visited his sister, wife of the Rev. G. M. Young, Methodist clergyman of Milltown, N. B. In Saint John he met numerous old school friends and banking associates. Mr. Wright of the Bank of Montreal staff is the only survivor of his immediate business chums and in his father's old building, the savings bank, he is a stranger. Altogether Mr. McLeod has enjoyed the trip home immensely and will have plenty to tell his ex-Canadian friends when he returns to Los Angeles.

Fold Protection

For the uncertain Future

There are four emergencies against which every man must provide if the future of himself and his family is to be secure. These emergencies—one or more of which is bound to be a factor in every man's life, are:

- 1. Death from natural causes. 2. Death from accident. 3. Total disability and loss of earning power. 4. Old age.

The wise man, both for his protection and his peace of mind, provides against all four.

You can do this to-day with one complete North American Life Policy—a policy that pays four ways.

A "four-way" contract for \$10,000 pays your estate: Should death, \$10,000. Should death be accidental, \$20,000. In case of total disability, an income of \$100 a month. No further premiums are necessary, and at your death your estate receives \$10,000. In old age an income to secure your comfort.

Letters to The Editor

Hon. W. E. Foster Replies To Mr. Pooler.

To the Editor of The Times-Star: I noticed in your issue of Saturday, the second of May, an account of an interview with Mr. M. A. Pooler, General Manager of the N. B. Power Co., in which he is said to have stated that they are surprised at the passage of the amendment to the N. B. Power Act and more surprised at the reasons given by the Hon. Mr. Rand.

As Mr. Pooler himself stated before the Executive Council of the Provincial Government at Fredericton a few days ago, that the N. B. Power Co. were satisfied with the ruling of Judge White, surely he cannot now object to its being more binding on the City.

Mr. Pooler is reported to have spoken of the dangerous construction of the civic distribution system. This contention exists today, only because of the fact that the N. B. Power Co. refused to permit steps being taken that would have eliminated all reasonable danger.

The following extract from the judgment of Judge White deals with this matter: "I am satisfied that in all or nearly all of such cases of interference with the defendant's transmission system by the Board of Commissioners of Public Utilities by substituting appliances as would remove all danger to the plaintiff's transmission system from short-circuiting and, at a comparatively small cost to the defendant, prevent any substantial damage (by which I mean damage other than merely nominal damage) to the plaintiff, and without that disruption and destruction of a large portion of the defendant's transmission system which must result from my granting the injunction."

The Hon. Mr. Rand on one occasion is speaking further of the placing of these insulating appliances, Judge White states: "This, while occasioning no substantial damage to the plaintiff, yet constitutes a trespass, which, being continuous, I would be obliged to join, were it not for the provisions of said chapter 22."

The situation may be summed up as follows: The use of insulating appliances would do away with all danger, but this would constitute a trespass in law, which could be forbidden by an injunction. The Hon. Mr. Rand on one occasion concisely summed up the situation in these words: "A technical trespass was being committed by the City."

The question arises, is the City of Saint John to be forbidden the use of its own streets by reason of a technical trespass? After all, is it not reasonable to suppose the Power Company's real objection is not the preventing of a technical trespass, but rather to prevent the operation of a competing system.

The Act in question merely confirms the action of Judge White in referring all actions of interference to the Public Utilities Commission; and makes it binding on both the City and the Power Company.

It permits both systems to function. Any interference are rectified by an independent body, and all danger arising from the interferences are provided for.

The result is obtained by taking over certain technical rights of the private company for the public welfare, which is not unusual legislation.

In view of the above, and after a careful consideration of the matter, the Legislature could hardly refuse to pass the Act, the only effect of which is to carry out what was surely the intention of the Legislature when the passing of a second distribution system was authorized.

I feel that as a member representing the City and as one who supported this amendment, that the above facts should be made known.

W. E. FOSTER. Saint John, N. B., May 4, 1925.

DECIDED AGAINST CITY

In an interview with M. A. Pooler, manager of the N. B. Power Company, which appeared in Saturday's edition of the following paragraph appeared: "The city which carried an appeal from Justice White's decision to the court of appeals, which court decided against the Power Company." The paragraph should have ended: "which court decided against the city."

CLEARINGS RECORD.

The clearings of the New York Clearing House on last Friday established a new high record for all time. They totaled \$1,697,000,000, which is \$20,000,000 higher than the previous record set on January 2. End-of-the-month settlements were held by bankers to be responsible for the record.

The Joy of Spring

This is the season of youth and gaiety—the time when all Nature is fresh and bright, and bursting buds on every tree herald the coming of glorious Summer.

Are you in tune with Nature at this joyous season of the year? Are you able to revel in the clean Spring air, rejoicing in boundless health and vigour? Or does Spring mean to you a sallow complexion, fatigue and listlessness, lack of appetite, a general feeling of depression and ill-health?

If that is how the first few warm days leave you, it is a sign that your blood is not the virile enough. You need something to make up for the fact that in Spring your blood is thinner than at any other time during the year. You need Kruschen Salts to give it what it lacks.

Just a tiny tasteless dose of Kruschen in your breakfast cup of coffee or tea every morning will keep the organs of your body working properly, cleaning every impurity from the system, and sending clear vigorous blood pulsing through your veins. Your skin will be clear, your eyes will sparkle, you will be overflowing with the joy of youth and Spring.

Buy a bottle of Kruschen at the first druggist you see, and take it every morning. Health and happiness will be yours in unstinted measure.

Put as much in your breakfast cup as will fill a 10 cent glass. The little daily glass that does it.

HARDENED BLEACHERITES THRILLED IN YESTERDAY'S GAMES

Beautiful Trophies Put Up For Competition In City Amateur League

MARGIN OF ONE RUN PREVAILED IN BOTH LEAGUES

Champion Senators The Only Team to Prove Exception

NEW YORK, May 4.—Baseball of the variety that thrills even the most hardened bleacherites ruled in the major leagues yesterday. Out of the seven games which were played, a margin of more than one run prevailed in but a single contest. The champion Senators alone held the distinction of a triumph by a liberal advantage, their 7-2 victory over the Boston Red Sox putting them back on the peak beside Speaker's Indians, who contended themselves with a Detroit deadlock, six to six.

Hits Home Run

All of the three national league games were decided by one point. After the Dodgers had been shut out for eight innings by Clarence Mitchell, Jacques Fournier, with two out, and Wheat on first, drove the ball over the centre-field fence for a home to nose out the Phillies 2 to 1.

Hornsbys' Great Hitting

A four run rally in the last inning by the Pirates, was stopped just in time to save Cincinnati a five to four victory, while the Cardinals broke their seven game losing streak at a cost to the Cubs of second place. St. Louis Hornsbys celebrated with two homers, and a double.

Fitching Classics Features Two American League Games

Sam Gray beat Urban Shocker and shut out the Yankees for the Mackinnon one to nothing. A fluke homer by Miller, which bounced away from Combs into the left field stands gave the Mackmen their only run.

Siler's Hitting Streak

In the other hurling duel, Charley Robertson, of the White Sox, lost a 3 to 2 verdict to Wingoard, of the Browns, as the result of a pass and a wild pitch. With a single in the first inning, George Siler extended his consecutive game hitting streak to eighteen.

Along The Sport Trail

By RAY HANSEN

A GOLDEN opportunity to make the coming baseball season one of the biggest in amateur circles in many years is presented to the City Senior League this year and, judging from the manner in which a satisfactory adjustment was effected of the various disputes, the fans can rest assured that no stone will be left unturned by the new executive to achieve the desired end. The cream of senior talent in the city is included in the league and if given the proper measure of support from the fans, I believe the players will strive hard to reach the standard expected of them by those, who after all are the deciding factors. Amateur baseball deserves the hearty support of every fan. It is our own boys we are backing in their efforts to provide this city with a worthwhile league. If we do not back them—who will? We make bold to predict also the race will be a hot one and that the winner will have no difficulty in bringing another provincial championship to a city, whose prestige as one of the leading sport centres of the Dominion shines with added lustre through the prowess of its present champion as gloriously as it did in the days that have gone. Good luck to the City League!

BASEBALL IS DUE to take its place in the limelight tonight when teams all over the city will start working out. Hard practice will be indulged in for three weeks and then the grand opening will take place. There will be a bunch of sore arms, aching muscles by this time tomorrow night, but it's all in the game.

BABE RUTH, the mighty King of Swat, in his brilliant career on the diamond has brought fans to their feet in vociferous frenzy when he clouted the old pill out of the lot, through windows and into far off creeks, but he has yet to equal a stunt recently pulled off by a youth in Vancouver. The youngster approached the plate with a "put it over kid" look in his eye. Digging his spikes into the mud he got set and as the ball came sailing in across the pan he took a wicked cut at it and slammed it right on the nose. The horsehide set sail far over the heads of the players and crashed into a fire alarm box, broke the glass and rang in an alarm. In a few minutes the entire fire fighting force of that district was on the scene. The box was situated on the side of St. Luke's Hospital and when the alarm sounded even those who were flirting with death got excited. Let Babe beat that one if he can.

IT LOOKS AS IF "the powers that be" in the National League realize that the Boston Braves must be strengthened if they wish to retain interest in the pennant race. The Giants could well afford to send Habel Groh and a few more players to the assistance of the "Bean Town" cellarites.

AGAIN WORD COMES to hand that there is talk of either Newark or Syracuse clubs of the International League being transferred to Montreal. This is "old stuff" and has been going the rounds so long that the reports must have whiskers on them. From all indications there is little likelihood of any such changes being made this season. It is an open secret that the Syracuse Stars have not been living on "easy street" and find the going pretty hard. There is no doubt the owners would welcome a chance to the Canadian metropolis, but according to inside information none of the money men there are keen on investing any greenbacks in the enterprise. It would cost a lot of real money to build a suitable park in Montreal and this is one reason why interest is lacking. However, the day should not be far distant when Montreal will get back into the Class A circuit.

SENT ALBERT LOOT AWAY BY EXPRESS

Moncton Police Catch Pair Suspected of Breaks in Hillsboro Stores.

Special to The Times-Star.

MONCTON, May 4.—The vigilant eye of the Moncton police detected the two young men suspected of robbing stores in Hillsboro last week at the C. N. R. depot here Saturday evening just as they were about to board the northbound Maritime Express. Chief Hutchinson and Officer Griffin detected the two suspects, who gave the names of Leon Dorset and Kenneth Molins. The prisoners were interrogated at the police station and are reported to have acknowledged their part in the robbery. They will be handed over to the Albert county authorities today.

The stock which the two are alleged to have stolen from the Hillsboro stores was sent by express to Montreal but the shipments have been intercepted enroute and they will be returned here. Molins belongs to Albert County, but has lived in the west for several years. Last week he and Dorset, who claims British Columbia as his home arrived in the county ostensibly on a visit to the former's old home.

The Cause of Our Troubles.

(Toronto Star)

People in Canada, as elsewhere, are "scratching" for a living because taxation due to the war forces up the cost of our manufactured goods and reduces the purchasing power of Europe.

The war is over. Fighting ceased six years ago. But the world is without security, and continues to spend billions of dollars yearly on preparations for slaughter—billions that are needed to brighten the homes of the citizens.

The Geneva protocol was designed to bring about disarmament by pledging protection to those who would throw away their weapons and trust to arbitration. The nations forming the British Empire vetoed the protocol because they feared it was too big a leap into the dark and might involve them in too many distant quarrels. But they want to accomplish the same end in another way, that is, by moving forward cautiously.

Peace is as dear to British hearts as to any. The Empire played a leading part in preserving liberty from militarism and is not disposed to yield first place in its devotion to the cause of peace. It is prepared to continue the examination of world conditions under a plan has been evolved which will substitute reason for force as the arbiter of international differences.

Peace-loving people must get together for the promotion of their ideals. They must inform themselves and the general public as to the achievements and inadequacies of the League of Nations and press on to a final solution that will give humanity for a thousand years. They must get solidly behind such organizations as the League of Nations Society in Canada and give to it the membership and financial backing that will make the public opinion of this dominion influential on the side of peace and international co-operation.

ADMIRAL BEATTY HOTEL CUP FOR LEADING HITTER

City League To Open 1925 Schedule May 25

The Admiral Beatty Hotel will put up a cup to go to the leading batter of the City Senior League, according to an announcement made at a meeting of the league executive on Saturday evening in the Victoria Hotel with the new president, John J. Dunlop, in the chair. Considerable business was transacted and another meeting to consider the questions of grounds, umpires, scores and arbitration board will be held on Tuesday night of this week. The schedule also will be dealt with as each team is to name its home grounds at the Tuesday night meeting, according to a motion passed at Saturday night's meeting.

Set Opening Date.

It was decided to open the league schedule on May 25 with morning and afternoon games with a programme out of the ordinary and continue playing until July 31. A motion that all postponed and tie games be played within three weeks of the date of their postponement was also passed.

Report On Grounds.

Reporting on the matter of grounds, Secretary Snodgrass said he had received definite proposals from the South End and North End and it was decided to accept this with respect to terms. A report on the East End will be presented at the Tuesday night meeting.

Meet Tuesday Night.

The league also decided to adopt the D. & M. ball for the season. Going with this contract is a splendid trophy, 29 inches high, for the winning team. A report on the East End will be presented at the Tuesday night meeting.

Bigger Crops

More profit from POTATOES, better LAWNS, FLOWERS and VEGETABLES.

No matter where you use Soilgro on your potatoes, corn, grain—on your lawn, flowers or in your garden, you'll be amazed at the growth it promotes.

Soilgro feeds any plant that has roots. It is the new scientific method of hastening and increasing growth. It is cheap — for six dollars you get a package that will do for a good sized lawn and garden, or an acre and a half of rotors or grain — for all summer. It is easy to apply and eliminates for the man in town, the difficulty of procuring and the objection to applying barnyard manure or other fertilizer. On farms it can be used with manure with splendid results.

Here's what one man says about Soilgro:

Temiskaming, Que., Sept. 4, 1924.

"I take much pleasure in saying that I got very good results from Soilgro as we had a very bad summer for flowers. I am pleased to say that my flower garden took first prize at the Exhibition and at there is but one other here that has used Soilgro we both had the best gardens."

The original of this letter is in our files. We will be glad to give the writer's name if desired.

VAN ORMAN WINS U. S. BALLOON RACE

Covers 580 Miles Since Last Friday—Veteran Outrigger in Contest.

ST. JOSEPH, Mo., May 3.—W. T. Van Orman, piloting the Goodyear III, covered the greatest distance in the national elimination balloon race which ended today when the last two balloons came to earth.

Van Orman landed at Reform, Ala., outriggering the veteran, Capt. H. E. Honeywell, by about 40 miles. Capt. Honeywell brought the "St. Joseph" down at Aberdeen, Miss., at 1 o'clock this morning. Van Orman and Capt. Honeywell were the only contestants to remain in the air until today.

Estimates Distance.
In a message to the press reporting his landing Van Orman estimated the distance he covered at 580 miles. Rough measurement by map showed the distance to be approximately 600 miles.

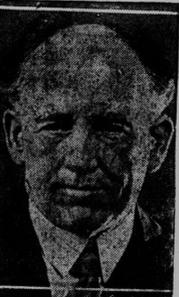

The race started here late Friday.

BARRYMORE ON WAY HOME.
LONDON, May 4.—Before sailing for New York after his season in "Hamlet" at the Haymarket Theatre in London John Barrymore, American actor, declared that the task of putting on a play, producing it and playing in it was an exhausting one.

Clean - Germicidal - Durable

Long wear without costly upkeep is assured with Dominion Battleship Linoleum. It is seamless and waterproof. Its smooth, firm surface cannot hold dirt. It is sanitary and germicidal, and easily kept spotlessly clean. These are important considerations for every public floor but particularly in schools, hospitals, restaurants, busy offices and crowded stores. Enjoy floor cleanliness, durability and economy by installing

DOMINION Battleship Linoleum

the permanent, modern floor that has won favor all over the Dominion. A glance at the list of typical installations on the right will give you an idea of the scope of its application. Every type of public floor is represented there.

Dominion Battleship Linoleum is soft and springy underfoot. It subdues the noise of walking, deadens the jarring impact of boot-heels. This quiet, restful floor withstands the heaviest punishment and looks as good years hence as the day it was laid. An occasional waxing renews its pleasing finish.

Dominion Battleship Linoleum, Triple A, is made in eight standard shades—brown, green, terra cotta, grey, blue, black, white and buff. Double A and Single A, in four standard shades only. Special colors for large contracts.

Look for the Ostermoor Label and name woven in tape on mattress edge. Beware of imitations

The Ostermoor gives you most in comfort, yet saves you most money

You cannot see inside the mattress you buy. That is why it pays to be sure that its maker is responsible—that his materials and his methods are honest and clean.

For more than 30 years, only virgin new cotton has been used to fill the Ostermoor. In deep-felted layers, it is hand-laid and hand-tufted to form a luxurious bed not equaled by any other mattress made in Canada.

You would gladly pay extra for this protection. Yet it costs you nothing. No other mattress approaching Ostermoor quality is so low in price. No other lasts so long and costs so little per night. Make sure of this inner quality by finding the Ostermoor label.

MARRIAGE LAW IS DISCUSSED BY MINISTERS

Alliance Leaves Matter of Amendments in Care of Executive

MEETINGS ARE OFF UNTIL OCTOBER

Gambling and Beer License Matters Referred to at Session

There was lengthy discussion in connection with the marriage law of New Brunswick at a meeting of the Evangelical Alliance held this morning in the Y. M. C. A. board room. This morning concludes the sessions for the season and the next meeting will be held on the first Monday in October, Rev. E. E. Styles, secretary, reported. Rev. W. J. Johnson, president, presided at the chair and much business was transacted, with discussions on reports given by various members. In the matter of the marriage law, the meeting appointed the executive of the Alliance a committee to deal with certain suggestions as to proposed amendments, the committee to report at the opening meeting in the autumn. What the matters are was not disclosed after the meeting.

Would Speak Here.
 Rev. E. E. Styles read a letter from Rev. George Mingle, Executive Secretary for the Lord's Day Alliance, in which he asked for the opportunity to address meetings here early in May. Rev. Mr. Styles had replied that the date mentioned was inopportune. The meeting endorsed his action. A report of the farewell banquet to Rev. Neil MacLauchlan, R. J. M. Rice, Rev. Dr. David H. Johnson and also in honor of Rural Dean W. E. Sampson, held in the Clifton House, when 60 guests were present, was received with approbation by the meeting.

City Matters.
 Rev. A. L. Tedford, chairman of the committee on gambling, reported progress of his committee. Rev. W. A. Robbins reported that several licenses for beer shops had been withheld at the annual issuing of licenses, much to the delight of the Alliance. Those present were Rev. W. J. Johnson, Rev. Neil MacLauchlan, Rev. William Lawson, Rev. E. E. Styles, secretary, Rev. H. W. McNeil, Rev. W. A. Robbins, Rev. W. McNeil, Matthews, Rev. Hugh Miller, Silver Falls; Rev. F. P. Bertrand, Rev. W. E. Sampson, Rev. J. M. Rice, Ensign W. G. Friend, and A. M. Greig, general secretary of the Y. M. C. A.

INDUSTRY OUTLOOK IN CITY IMPROVES

Mayor Hears of Canning Factory—Expansion of Another Concern Proposed.

His Worship Mayor Potts this morning expressed the opinion that the tide had turned toward prosperity for Saint John, and said he found there was quite an interest being taken in possible new industries. A few days ago he was called on by a gentleman interested in the establishment of a canning factory in the North End, and he believed steps were under way to establish such an industry. Another proposition which is under consideration at the present time is the expansion of an existing industry, with the consequent employment of more hands than at present. It is understood this firm have an option on a West side property which they intend to utilize for their new plant. This morning the owner of the property and the head of the firm interested were interviewed, but would not speak for publication. This plant, it is understood, will employ about 40 men when running full time.

CASE UNDER REVIEW

Argument Before Judge J. A. Barry in East Saint John Matter.

Argument was heard by Judge J. A. Barry in County Court Chambers this morning in the matter of a review from a judgment of Magistrate Adams in the case of W. A. Johnson, convicted recently on a charge of driving his car in East Saint John in such a manner as to endanger life and limb. The defendant was fined \$15 and costs by the magistrate, and immediately took the matter up on review. The hearing was not finished this morning, further argument to take place on Thursday afternoon. E. J. Henneberry appeared for Mr. Johnson, and H. A. Porter for the magistrate.

Are Grateful to Good Cheer Circle

The residents at the Old Ladies' Home sent a special message of thanks to Miss Alice E. Rising yesterday, for her kindness in arranging pleasant musical services for them on Sunday afternoons during the winter. Miss Rising, as leader of the Good Cheer Circle of the King's Daughters, made a schedule, which included all the choirs of the Protestant churches and many individual singers. The services were given under the name of the Good Cheer Circle, not only to the Old Ladies' Home but to other institutions in the city. The Sunday night recitals at the Y. W. C. A. recital center brought together a number of the leading musicians and ecclesiastics of the city and made the Good Cheer Circle consistent in its efforts to live up to its name. There will be two more Sunday afternoon services at the Old Ladies' Home, when this series will close for the summer.

STILL AFTER WARRANT

A man under the influence of liquor on the part of the C. P. R. and Dominion Express the Nashuaak, Pulp and Paper Mill was able to continue operations this morning. On Saturday word was sent from here to Montreal asking C. P. R. officials there to divert a large pump, weighing two and a half tons, from a freight train en route from Hamilton, N. J., to the Dominion Express and have it pushed here. The transfer was made, and the pump placed in a baggage car attached to No. 10. When the train arrived at St. John yesterday afternoon men were on hand and removed the pump from the car and delivered it to representatives of the pulp mill in five minutes. The pump was installed yesterday afternoon and last evening at 7:45 was operating. The arrival of the pump and the quick installation are said to have made possible operations without the necessity of shutting down the mill.

QUICK WORK

As a result of a snappy piece of work on the part of the C. P. R. and Dominion Express the Nashuaak, Pulp and Paper Mill was able to continue operations this morning. On Saturday word was sent from here to Montreal asking C. P. R. officials there to divert a large pump, weighing two and a half tons, from a freight train en route from Hamilton, N. J., to the Dominion Express and have it pushed here. The transfer was made, and the pump placed in a baggage car attached to No. 10. As Hiram Sees It

"What'd you'd pose Hanner hed me doin' Saturday," asked Mr. Hiram Hornbeam of The Times reporter. "Gettin' the place cleaned up after the winter," said the reporter.

"She made me do that long afore this," said Hiram, "Hanner aint one to wade around through dirt after the spring comes. No, sir—she hed me makin' winter boxes. She's gonto hev boxes full o' flowers on all the winter sills—besides the flowers in the garden."

"Now that is a good idea," said the reporter. "We ought to adopt it in Saint John this year."

"Yes, sir," said Hiram, "you could make the houses an' stores look a lot more like livin' if you done it. Jist think how a little life an' color 'ud brin' on them stores an' houses along the streets."

"I'll suggest it," said the reporter. "I'll bet if you ask him," said Hiram, "Mayor Potts 'ud hev 'em at City Hall for an example—Yes, sir."

LIKELY WILL MEET IN SPECIAL SESSION

Utilities to Consider Kent Summer Resort—East Saint John Railway Also.

As there had been several applications to sell securities under the "Sales Securities Act" it was probable there would be a special meeting of the Board of Public Utilities next week, the secretary said this morning. Among the applications is one from McIntyre and Palmer asking for permission to sell securities of a company formed to operate an amusement park at Coacage, Kent county. The company is planning a big summer resort.

At the meeting it is probable the application of the property owners of East Saint John for the extension of the street railway line to Lee's Corner will also come up. This application was set for hearing at the regular meeting of the Board this month but was the East Saint John people are pressing for action, with the consent of all parties the case will be taken up at the special meeting.

J. MCADOO ON LIST

Fire Chief Matter and War Memorial Looked For at Council Today.

The committee meeting of the council, scheduled for this morning, was postponed until 2:30 this afternoon as His Worship the Mayor was unable to attend. Among the matters which it was thought might come up are the fire chief appointment and the location of the War Memorial monument.

In connection with the fire chief it was said this morning that Jeremiah McAdoo, who has been a member of the department for a great many years, is an applicant for the position. It is understood he sent an application for the position to Commissioner Harding soon after the death of Charles Jackson.

Mr. McAdoo began his connection with the fire department as a substitute on the North End department, before two fires were united and after the union was attached to the Hook and Ladder Company.

BOYS SCORE WELL

Further Competition in Rifle Shooting at Armories—Eight Schools Represented.

Good scores were made by the Saint John cadets in rifle shooting on Saturday at the armories, when an individual competition was held under the direction of their leader, Captain D. V. Pallin. The score of representatives from the various schools of the city were:

St. Peter's—McMenamin, 75; Paul, 59; Lloyd, 45.

Albert—Melvin, 87; Bilsard, 80; Hamilton, 78; Lanyon, 64; Gray, 59; Merryweather, 48.

Lorne—Crasse, 77; Watson, 26.

La Tour—Vining, 81; Epps, 56.

The ages of the boys are from 12 to 16. Captain Pallin spoke very highly of their excellent work.

Aged Wanderer Was From "Home"

William Chittick, an aged man who was found on the roadside near Katespec last Friday evening, was from the Municipal Home, East Saint John. It now transpires, and up to a late hour this afternoon had not been reported by the police or the Home authorities. The police said on Saturday he had told them that he had walked from Houlton, Me., but Superintendent Woods notified them that the man stayed at the Municipal Home here. The superintendent says he is at loss to account for his actions. He is 68 years of age.

PERSONALS

Ronald Morrison and John Graham, of the Furness Withy staff, have gone to Montreal to resume their duties for the summer.

Miss Annie L. Tait, daughter of Mrs. S. F. Hatfield, 252 Princess street, is the guest of her sister, Mrs. H. G. Ashford and Mr. Ashford, in Halifax.

Mrs. Jean Muldrew, Dominion secretary of the department of the D. S. C. R. for soldiers' dependents, who was recently in Saint John, has been the guest of Their Excellencies, the Governor General, Lord Byng and the Lady Byng of Vimy, at Government House when they entertained at lunch.

Miss Audrey Gillis, of Montreal, who has been visiting her aunt, Mrs. P. A. Smith, has returned home. Miss Gillis was the occasion for several functions and was the guest of several friends during week-ends while here.

The Misses Violet McLeod and Emma Sparks, of the Dufferin Apartments, will leave this evening for a visit to Prince Edward Island and Nova Scotia.

GRAND MANAN SERVICE.

A call for tenders for a steamer service between Saint John and the Grand Manan Islands has been issued by the Department of Marine and Fisheries, tenders to be in by noon of May 20. Last year the Grand Manan made 169 round trips, carrying 7,420 passengers, 3,249 tons of freight, 107 head of live stock, and 6,386 bags of mail.
