REF.

PREFACE.

In presenting to our patrons our Second Directory of the City of St. Thomas, we hope it will meet with their approval. A thorough canvass of the city has been made, and every effort used to obtain the name of every person who should be represented in a City Directory.

Mistakes will occur, but we are confident that no more thorough canvass of the city has ever been made.

We have aimed to make our work a fit representative of the public spirit and importance of the City of St. Thomas, and an accurate and complete guide to all public places, business locations and private residences of the inhabitants of the city.

The *Classified Business Directory* is a complete mirror of the business interests of the city, and represents it to the outside world only as a business Directory can.

The *Miscellaneous Directory* furnishes a large amount of information useful to strangers.

Thanking our patrons for the liberal patronage bestowed on our work, we remain,

Yours, respectfully,

THE PUBLISHERS.

ALMA COLLEGE.

ALMA COLLEGE is Chartered by an Act of the Provincial Legislature of Ontario, passed in 1877, (chap 641), and enjoys extensive legal privileges and corporate powers. It was founded by the Methodist Episcopal Church as an Institution for the higher education of women in Literature, Music, and Fine Arts, and by the union of 1884 became the property of "The Methodist Church." From the inception this great enterprise was conducted in a very broad and catholic spirit, leading gentlemen of the city, of all denominations, being associated in the work, and ever since its Board of Management and Faculty of Instruction have been largely representative of all the evangelical churches. No distinction whatever is made in the rights and privileges of the various classes of students, all being permitted to attend the services of their respective churches, and visited more or less regularly at the College by their respective pastors,

The College was opened auspiciously on October 13th, 1881, by Bishop Carman, D. D., (who had been its most active promoter), who preached the Dedicatory sermon and read an appropriate ritual.

The Faculty were duly inaugurated at a special service in December of the same year, by Bishop Carman, D. D., assisted by Registrar McLachlin and other members of the Board of Management.

Starting with an attendance of about forty pupils, Alma College enrolled over one hundred and fifty students before the close of its first year's history. Since then the average attendance has been over one hundred.

The College is largely patronized by all the churches, and seems to be increasing its hold upon the sympathies of the people.
