Armistice Being Discussed With the Allied Commander

Germans Are In Conference With Marshal Foch

Delegates from Berlin Crossed Allied Lines Last Night and Proceeded to Meeting Place Designated by the Allied Commander—President Wilson Will Give Out News so Soon as Received

IN CONFERENCE WITH FOCH Washington, Nov. 8.—The German armistice delegation entered conference with Marshal Foch at nine o'clock this morning, French time, the state department announced officially today.

CROSSED LAST NIGHT Paris, Nov. 8, 11.45 a. m.—The German delegates which came within the French lines last night to receive from Marshal Foch the Allied terms for an armistice proceeded this morning to the meeting place designated by the marshal. The white flag bearers reached the left wing of General Debeney's army at ten o'clock last night. They arrived at the place indicated by the Allies' supreme commander within the French lines about two o'clock this morning and passed the remainder of the night there.

If the credentials of the German armistice delegates are found adequate they will be informed officially what the terms of the armistice are and that they will have a time limit of seventy-two hours in which to reply.

Washington, Nov. 8.—The statement was authorized at the White House shortly after ten o'clock this morning that whenever word came of the signing of an armistice in France, President Wilson himself would announce it immediately.

When this assurance was given the government had not been advised whether the German armistice delegation had reached General Foch's headquarters behind the French lines, where they were expected about noon today, Paris time.

WANT TO GAIN TIME Paris, Nov. 8, 6.40 a. m.—The texts of the wireless exchanges between Marshal Foch and the German high command shows signs, the morning newspapers declare, that Germany is still determined to cloud the issue in every possible way, apparently with the object of at least gaining time, if she cannot gain anything else.

The Preliminaries Paris, Nov. 7.—(By the Associated Press)—The following documents respecting German appeal for an armistice were published tonight: "There was received on Nov. 7 at 12.30 a. m. the following from the general high command by order of the German government to Marshal Foch: The German government, having been informed through the president of the United States that Marshal Foch had received powers to receive accredited representatives of the German government and communicate to them the conditions of an armistice, the following plenipotentiaries have been named by it: Matthias Erzberger, General H. K. A. Winterfeldt, Count Alfred Von Oberndorff, General Von Gruenell and Naval Captain Von Salow.

"The plenipotentiaries request that they be informed by wireless of the place where they can meet Marshal Foch. They will proceed by automobile with subordinates of the staff to the place thus appointed."

"Orders were given to cease fire on the front at 8 o'clock p. m. until further orders."

Nov. 7 at 1.25 a. m. Marshal Foch sent the following to the German command: "If the German plenipotentiaries desire to meet Marshal Foch, they must present themselves to the French outposts by the Chimay-Fourmies-La Capelle-Guise road. Orders have been given to receive them and to contact them in the spot fixed for the meeting."

"A German wireless despatch received Nov. 7 at 1 p. m. said: 'German general headquarters to the Allies' general headquarters, the German commander-in-chief to Marshal Foch: 'The German plenipotentiaries for an armistice leave Spa today. They will be here at noon and reach at 5 o'clock this afternoon the French outposts by the Chimay, Fourmies, La Capelle and Guise road. There will be ten persons in all, headed by Secretary of State Erzberger.'

"The following wireless despatch in German was received at 1.05 p. m.: 'German general headquarters to the Allies' general headquarters, the supreme German command to Marshal Foch: 'From the German outposts to the French outposts a road-mending company to enable automobiles to pass the Lacapelle road which has been destroyed.'

"The following wireless in German was received at 6 p. m.: 'The German supreme command to Marshal Foch: 'By reason of delay the German plenipotentiaries will not be able to cross the outposts line until between 8 and 10 o'clock tonight at Haudroy, two kilometers northwest (northwest?) of Lacapelle.'"

Paris, Nov. 8, 4.20 a. m.—German delegates sent to the French front to receive from General Foch Allied terms for an armistice crossed the Allied line near La Capelle last night. They were taken to a house where preparations had been made to receive them. They stayed during the night and this morning will be conducted to a place in the department of the Aisne which is a meeting place fixed by Marshal Foch. This trip will take about four hours.

Paris, Nov. 8, 6.50 a. m.—The powers conferred upon Marshal Foch are strictly confined to the conclusion of an armistice, according to the Echo de Paris. The amendments to the terms placed in his hands by the inter-Allied council are closely limited, the newspaper says.

REFERRED TO FOCH, Gosh! How he does it.

BRITISH ARMY DRIVES AHEAD PEACE WOULD MAKE IT EVEN BETTER BUY

Haig Announces Capture of Two Villages and Number of Prisoners

London, Nov. 8.—The British are continuing their advance along the active battlefield. Field Marshal Haig today announced the capture of two villages in the region between Mons and Maubeuge. The statement reads: "Sharp fighting occurred in the evening in the neighborhood of Edelbeles and Limont-Poitevin, south of Hamont. These villages were captured with a number of prisoners. Our advance south of the Mons-Condé Canal continued."

French Also Advance Paris, Nov. 8.—French troops resumed their advance along the whole front this morning. The war office today reports that French units have reached the railway junction of Liart, about twenty miles north of Rethel. The French early today captured Singly, less than eight miles south of Metziers, and Francis, about one mile west of Sedan. Fifteen hundred prisoners and much material were captured yesterday.

The statement follows: "Our progress was resumed again this morning on the entire front. French advance elements reached Liart, thirty kilometers north of Rethel. "Further to the right we captured early this morning Singly and Francis and penetrated into the outskirts of Sedan. The number of prisoners taken yesterday was more than 1,500. The amount of material captured was increased considerably."

WELCOMED THE REVOLUTION German Navy Was Ready To Hoist The Red Flag

London, Nov. 7.—The greater part of the German navy, with red flags hoisted, has left the harbor of Kiel in possession of mutinous sailors, according to a Copenhagen despatch to the Exchange Telegraph Company. Copenhagen also reports that the revolutionary flag has been hoisted at Warnemunde, with which place railroad communication has been interrupted.

There are no guards on the German-Danish frontier, it is reported, and many prisoners crossed into Denmark last night. Despatches say that no trains have arrived at Copenhagen from Hamburg today.

London, Nov. 7.—The greater part of the submarine crews in all the German naval harbors have joined the revolution, according to an Exchange Telegraph Company despatch from Copenhagen.

London, Nov. 8.—The movement which resulted in the seizing of virtually the entire German navy by revolutionary forces was carried out in a fairly peaceful manner, according to the Exchange Telegraph Company correspondent at Copenhagen. The red flag was hoisted quite generally, he adds.

All the large wharves connected with the naval service were also taken over by the revolutionists.

The third infantry regiment, according to these advices, has taken possession of the airbase at Oldenburg, in Holstein.

Blankenstin, a commune in Westphalia, 24 miles northwest of Dusseldorf, has joined the revolution.

SERVES NOTICE IN THE WAR LORDS

German Leaders Must Resign—No exception made—Cities in Revolt.

Copenhagen, Nov. 7.—The Vorwarts, of Berlin, publishes a new proclamation to German workmen to the Social Democratic party in which is emphasized the party's firm intention to secure full democratic liberty for the German people. The proclamation in part says: "All those who, through unwise policies, caused this calamity to come upon our people, must resign their posts. All necessary measures are being taken to this end. No exception will be made of any person, however highly placed."

London, Nov. 8, 9.36 a. m.—The cities of Bremen, Schwerin and Tilsit have joined in the German revolution, according to a Copenhagen despatch to the Exchange Telegraph Company. Dr. Karl Liebknecht is said to have arranged for the formation of a soldiers council at Bremen.

Red Flag in Hamburg, Amsterdam, Nov. 7, 11 p. m.—The great German meeting place of Hamburg is completely in the hands of the revolutionists, according to reports from Hamburg newspapers printed by the Cologne Gazette. The red flag is flying on all the ships in the harbor.

The headquarters of the commander of the port has been occupied by the soldiers' council after exciting occurrences in which machine guns were used against the soldiers' council.

Bremen is next to Hamburg, the principal maritime emporium of Germany. It is situated on the Weser River, fifty-nine miles southwest of Hamburg. Its pre-war population was about 170,000. Schwerin is the capital of the grand duchy of Mecklenburg-Schwerin and is situated on the west end of Lake Schwerin, thirty-five miles southeast of Luebeck. Its population in 1900 was about 86,000. Tilsit is a city of East Prussia on the right bank of the Niemen River, sixty miles northeast of Koenigsberg. Its population is about 35,000.

London, Nov. 8.—Sonderburg, a Prussian town in Schleswig, thirteen miles northwest of Flensburg, is in the hands of the revolutionists, according to a despatch from Copenhagen to the Exchange Telegraph Company. The red flag has been hoisted on the ships there.

DROPPED HIS CRUTCHES AND RAN FROM POLICE

Patrolman Tells Story of Alleged Assault by Frederick Glynn—Building Inspector Lays Charge

Frederick Glynn was before the magistrate this morning charged by one of the policemen with using profane language on the north side of King Square at 2.30 o'clock Wednesday morning. The policeman said that Glynn, who is an Irishman, was coming along the street, and he stopped him and asked where he was going. Glynn in answer used profane language, struck the policeman, then dropped his crutches and ran. The police official who followed him and caught him put him under arrest. Glynn was fined \$8 or two months in jail for using the language and as there will be additional charges laid against him for assaulting the police, he was only allowed to go on \$130 deposit. William M. Ryan appeared in the interest of the defendant.

An additional charge of theft was laid this morning against George Feltham, who is facing a charge of stealing \$85 from the office of Bransden-Henderson, 144, Ward street. The new charge is to the effect that Feltham stole some household articles which were stored in the upper flat of the Bransden-Henderson warehouse. Some evidence was taken and Feltham was remanded. Daniel Mullin, K. C., is appearing for the defendant.

Building Inspector James Carleton took proceedings against James Collins this morning in the public court for an infraction of the building law. He said that Mr. Collins was putting a fire-place in his building in such a manner that it did not comply with the law. H. H. Frost, architect, appeared for Mr. Collins and J. B. M. Baxter, K. C., for the city. As a lengthy discussion took place between Mr. Mott and Mr. Carleton, the magistrate decided that they had better get together and settle the matter themselves.

Balance of \$4,003 Net To Be Accounted For

H. Colby Smith Now Claims that Amount Still Due his Firm—Agrees that \$1,500 Payment Was to Repay Loan to Hon. Mr. Murray—Borrowed \$1,250 from J. B. M. Baxter

A situation that doubtless will call for some further explanation developed this morning in connection with the financial arrangements relating to the settlement of the potato transactions now under investigation by Commissioner McQueen.

It had been shown that a check was issued by the government for \$9,981, purporting to be in final settlement of A. C. Smith & Co.'s claims and that this check had been cashed by J. B. Daggett. H. Colby Smith, who was on the stand this morning, swore that he had given no authority for this use of the check. Reviewing the settlement, he showed that his claim had been for \$12,002, but that this had been reduced by agreement with Mr. Daggett, although under protest, to \$9,201. When the check was issued by the department, Mr. Smith received from its proceeds \$4,433, paid by Mr. Daggett's personal check, and also had credited against his claim a Cuban draft for \$806. His draft on the department for the balance had been accepted by Mr. Daggett, the amount being \$4,003. He had said previously that \$1,500 had been paid on account of this draft, but today he agreed with Mr. Daggett's evidence that this payment was not made on behalf of the government, although he had thought so at the time, and that the whole amount of \$4,003 still is unpaid.

The \$1,500, he said, was paid to settle a draft which he had drawn on Hon. J. A. Murray and the proceeds of which had gone to Mr. Murray as personal accommodation.

"He had drawn on the department a final draft of \$2,500 and when it was returned he met it with \$1,250 advanced to him by Mr. Daggett, which he afterwards repaid, and an equal amount which he borrowed from J. B. M. Baxter. He repaid \$300 to Mr. Baxter and still owes him the balance.

The inquiry continues this afternoon. H. Colby Smith.

When the morning session opened, H. Colby Smith was recalled to the stand. Questioned regarding Mr. Daggett's evidence that rejected potatoes had been sold by A. C. Smith & Co. on account of the government, witness said that they had sold some culls. Most of them were credited to the government account. He did not remember selling any on account of B. F. Smith. He sold about 200 barrels and credited the proceeds, \$45,000, to the department of agriculture. This was not shown in the Atherton audit. As the account was in dispute and the expenses were heavy, he did not show this amount.

In the statement made up by Mr. Daggett and presented to the auditor-general an item of \$868.69 was shown as proceeds of sales of culls to A. C. (Continued on page 2, fifth column)

PREMIER CLEM NAUL RECEIVES OVATION Paris, Nov. 8.—Premier Clemenceau appeared for a moment last night in the lobby of the senate after a sitting of that body which had declared him in traditional phrase, to have "deserved well of his country." The premier's approach to the group of senators lingering after the adjournment was the signal for an ovation to him. He was speedily surrounded by numbers of the senators who pressed forward to shake his hand.

WHAT THE CHURCHES WILL DO

Arrangements Made for Celebrating Peace and Giving Thanks

Rev. Chas. H. B. Appel, secretary of the Evangelical Alliance, speaking on the proposed religious public observance of the signing of an armistice, says that there will not be any service before this coming Sunday, for if peace should come today or Saturday, it would be better to hold the religious services on the Sabbath, which is so close at hand. However, if peace is not assured before the final newspapers of Saturday are printed, the following plan will be carried out:

If the morning newspapers give definite news of the signing of an armistice, so that the public will be advised in good time and a holiday proclaimed, the churches will be allowed by the Department of Health to reopen for a forty-five-minute session of praise and prayer, starting at 10 o'clock.

At the expiration of this forty-five minutes—namely, 10.45—the churches will be dismissed and a grand general public inter-denominational open-air praise service will be held in King square.

At this service in King square such hymns as "Praise God From Whom All Blessings Flow," "Nearer My God to Thee" and others will be sung to band accompaniment and the Lord's Prayer will be recited in union. There will be very little speaking or extemporaneous prayers.

DR. MALCOLM WINS MILITARY CROSS

Former Superintendent of General Public Hospital Who Crossed as Medical Officer With 140th Battalion

His many friends will be delighted to learn that Captain Donald C. Malcolm of this city has been awarded the Military Cross. So far as can be learned this distinction was won at the time of the battle of Amiens, but the details of the circumstances which led to the award have not yet reached this side of the water. Those who know Captain Malcolm, however, will not be in the least surprised that this honor has been conferred upon him, knowing him to possess those qualities which would lead them to expect great things of him.

Captain Malcolm went overseas as medical officer with the 140th Battalion, more than two years ago, and afterwards was transferred to the C. M. R.'s. He is a son of Mrs. and the late Andrew Malcolm of this city and at the time of entering military service had been holding the responsible post of superintendent of the General Public Hospital. Letters received by his wife confirm the news of the award.

**GERMAN NAVY  
IN REVOLT**

Scant Food, Bad Treatment and Bad News Caused It

**A GENERAL STRIKE**

The Trouble Spreads—Mutineers Seize Wireless—Submarines at Sea Ignorant of Conditions at Home—Officers Helpless

The Hague, Nov. 7.—Scant food, bad treatment by their officers and exasperation caused by the collapse of Turkey and Austria culminated in a movement of revolt in the German navy. The revolt broke out at Kiel on November 3. Sailors ashore, aided by workmen, seized the fort and arsenal. The movement spread rapidly to the crews of warships in the roadstead.

On the 4th the labor unions proclaimed a general strike. On the 5th the revolt reached Wilhelmshaven, Heligoland, Borkum and Cuxhaven. Almost the entire fleet is now in revolt.

The mutineers have seized the wireless and are communicating with each other. Their officers are powerless. A few units remain loyal. The submarines at sea are ignorant of the armistice proposal, this news having been hidden from them.

**Martin Orme Player Pianos**

*Evidences of Sincerity*

If you had your choice of two beautiful vases, the one factory-made, stiffly and coldly correct; the other a hand-made vase, but making visible in its every graceful line the soul of an artist-craftsman, which would you select? We are very sure you would be charmed by the sincerity and personality of the skilled craftsman's handiwork. When you select your piano, remember it will be for a lifetime. Put your faith in a player-piano that is the personal achievement of a recognized genius in the art of tone-production.

Each individual Martin-Orme Player is the personal pride and enthusiasm of a master-artist-craftsman to whom anything short of the highest ideals in player-piano building would be unthinkable. Every Martin-Orme Player is made in sincerity under the personal supervision of Owain Martin, the creator of many innovations which have since become "standard" in high-class piano construction. We invite your critical inspection of these famous instruments in our warehouses.

**CELEBRATING VICTORY.**

To buy a Victory Bond is a form of celebrating victory and peace which bears the stamp of true patriotism. It is also an assurance to the men at the front that in the hour of victory their services and their future are not forgotten. As was pointed out yesterday, the peace conference must follow the armistice, and until a complete settlement has been effected there can be no demobilization. The peace conference will be a long one, for the destiny of the nations will be profoundly influenced by its decisions, and there will be many conflicting claims to adjust, apart altogether from the fate of Germany. In the meantime armies must be held in readiness for service. The world is so war-weary that it is difficult to believe any people would challenge the decisions of the conference, but nothing will be taken for granted.

So far as Canada is concerned, the government must have \$500,000,000 or fall to do its duty. The soldiers should find the country prosperous on their return, and to ensure that condition money is essential. But the soldiers themselves must be paid until work is found for them, and for that the government must have money. Therefore to buy Victory Bonds is a duty of those at home, and the very best way to express joy at the coming of peace.

**FOOLING THE PEOPLE.**

It is cruel to deceive the people regarding the end of a war that has brought them so much sorrow. This was done yesterday, and in St. John as elsewhere there were found those willing to lend themselves to the deception. As a result there was premature rejoicing and celebration. The Times yesterday printed the rumor, but also the authoritative denial. The Associated Press during a long period of years has never fallen down in a really big news story, and when it denied the rumor that the armistice had been signed the Times was convinced the story was a hoax, and said so in reply to the torrent of enquiries pouring in. It is unfortunate that there were those more eager to spread a false story than contradict it, and many people were completely deceived. They are wiser today. There will be a great celebration when the war really ends. It may end immediately, or drag along until revolution has convulsed Germany. Yesterday's experience will doubtless prompt the people to wait for reliable news from a reliable source.

**SHOULD SIR ROBERT GO?**

The Toronto Star does not take kindly to the suggestion that Sir Robert Borden should attend the peace conference. It thinks some other member should go, and the prime minister should not attend as quickly as possible to deal with the pressing new problems which must be dealt with as soon as peace comes. We quote—

"One of these mornings two or three hundred thousand munition workers in Canada will arise as usual and find their occupation gone. They will spend a day and a night in wild excitement celebrating the victorious ending of the war. And then what? So far as anybody can learn the government of Canada has made no provision whatever for that morning when hundreds of thousands of people all across Canada will look towards Ottawa and ask: 'What next? If the war should end tomorrow and the prime minister should be absent two months the country would face the greatest domestic problems of her history, and would be without a government just when she will need one more than she ever did before. If the war should end tomorrow our view is that some other than the prime minister should represent Canada at the Imperial war cabinet, and the Canadian government should be in almost continuous session at Ottawa, with the prime minister present, and the Canadian parliament called together as quickly as it is possible legally to do it."

"Even at best, if the utmost is done that a government in full action can do, the neglect of the administration to provide for the day, now nearly upon us, when two or three hundred thousand people will arise to find their occupation gone—and four hundred thousand soldiers will return to find no occupations waiting for them—will be difficult to remedy. There should be elaborate and comprehensive plans made in advance, and plenty of warnings of this were given."

Winter is coming upon us, and there is a fuel shortage to begin with. On top of this there will be precipitated the confusion caused by the cessation of war industries. The government will have a colossal job on its hands, and needs to be in a position to go at it with high daring and determination to see it through. Every work that will need doing even in the next five or ten years, like the deepening of canals, building of ships for the merchant service, rolling of railway rails, making good roads, the getting of contracts for supplies needed in the reconstruction of Belgium and France, the taking over from railways and corporations of lands

that are not in use and which those who would use them can only buy at fancy prices—all these and many other urgent questions having to do with our own reconstruction after the war need to be urgently and courageously dealt with, and there is no chance of it whatever unless we have an effective government on the job night and day."

**THEY MUST HAVE FOOD**

Peace will not bring plenty. Millions upon millions in Europe are short of food and if it is not supplied vast numbers of people will starve. Canada and the United States will be called on to spare every possible ounce of food to meet the needs of these unfortunates for the next year, and especially for the coming winter. Even Germany if her people accept the armistice terms may require a share of food, though obviously her turn will be the last. The liberated people of Belgium and France, and other people associated with the Allies have the first claim. Even Austria and Turkey have prior claims to those of Germany, and Russia, if she comes to herself, will be considered before the Central Powers. We are told that a survey is now being made to determine the world's food supply, and plans are being worked out to ration the needy nations as far as it can be done, under direction of the Allied governments. It will now be easier to get grain from India and Australia, but the quickest source of supply will still be the United States and Canada. This means that we must still conserve food to the utmost, for the appeal of starving people must not be ignored.

The feature of the evidence of the principals in the patriotic potato enquiry is their brazen effrontery. They treat the whole affair as lightly as if they had been playing the part of earnest patriots seeking to save a dollar for the province. Mr. B. Frank Smith's evidence yesterday does not square with his speech in the legislature. On his own showing he should resign his seat in the house. As for Mr. Dagget, his case is pitiable. Why did he not go on the stand at the outset and make the open confession which ministers tell us is good for the soul?

If St. John subscribes that \$3,000,000 it will have a right to celebrate. But if it fails?

Cheer for victory, and buy a Victory bond. They should go together.

**Britain Takes Prompt Action**

Creates a Department of Demobilization and Re-settlement for Army and Navy

London, Nov. 7.—(British Wireless Service)—The British government has created a civil department of demobilization and re-settlement responsible to the ministry of labor under a controller general. At the request of the prime minister, Sir Stephenson Kent has consented to become controller general. The department will deal with all questions affecting re-employment and re-settlement of the navy and army and the air forces, and of civil war workers. The controller general will have at his disposal the staff and machinery of the employment department of the ministry of labor.

The functions of the labor department, of the admiralty and of the ministry of munitions will be transferred to the ministry of labor as soon as is convenient and the necessary staff will be attached to the new organization.

The Ontario Soldiers' Aid Commission has found homes for 131 children whose mothers have died while their fathers were overseas.

**Thirty Millions of Slaves To Become Free Men**

And "the progress of the French revolution, arrested at the Congress of Vienna, has been extended," by the collapse of Austria and Turkey, according to the New York Tribune.

Instead of Germany consolidating an Empire in Central Europe, interested observers now see the Allies encouraging the development of a group of small independent nations between the Alps and the Carpathians, between the Adriatic and the Danube, and in Western Europe. Yet the political task of building the new from the ruins of the old is never a simple one. The task ahead of us in Central Europe can, editors declare, be compared only to "unscrambled eggs." The far-reaching importance of the surrender of Austria and Turkey is clearly outlined in the leading articles in THE LITERARY DIGEST for November 9th. It explains all the many ramifications of the subject, and is illustrated by helpful maps.

Other news-topics of unusual interest and timeliness in this number of "The Digest" are:

**The DIGEST is on the "Movie" Screen!**

From Maine to California in many of the high-class motion picture theatres millions of men and women are being joyously entertained by The Literary Digest's "TOPICS OF THE DAY" feature. This consists of a series of "punch" editorial utterances—patriotic, humorous, and thrilling—selected by

THE LITERARY DIGEST from the newspaper press of the world. "The Digest" is the first great news-magazine to introduce this novelty, and it is meeting with the widest popularity. If you have not yet seen THE LITERARY DIGEST'S "TOPICS OF THE DAY" feature at your favorite "movie" theatre, why not request the manager to present it?

CANADA'S FISHERIES.

The fisherette idea is taking strong hold in the east and the number of girls now engaged in cleaning and skinning fish for the market is increasing. Chari in oilskins and sun-wearers they are bravely plying knives on cumbersome, slimy fish. They are taking the places of brothers and sweethearts who are overfished.

**IN MISERY FOR YEARS**

**Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.**

Oakloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."  
—Mrs. LIZZIE COURTNEY, 108 21st Ave., West, Oakloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

The Appearance The Wear The Price. MEN'S, WOMEN'S, BOY'S, YOUTH'S, LITTLE GENT'S. In those happy-go-lucky days now past, it was quite in keeping with the spirit of the times to drop into a Shoe Store on the impulse of the moment and say: "I want such and such a style of Shoe which I happened to see in the window." Fancy dictated his policy: NEED or QUALITY meant less than STYLE or NOVELTY. Not so today. Style appeal alone no longer sells Shoes to men or women, who wisely spend less and save more. Shoe satisfaction, today, is measured in terms of COMFORT and SERVICE, as well as STYLE. The most satisfactory Shoe is the one that combines the three elements-Style, Fit and Wear-to the greatest possible degree. Winter is now at hand and Fall is here. Our line of Fall Shoes includes many beautiful and practical examples of Footwear, made to withstand the conditions of late Fall and Winter. This store by eliminating all charge accounts, sending out merchandise on approval, etc., charges such low prices that your savings here during the next few months can very well total the price of one or more VICTORY BONDS. **Celebration Due To a Cruel Hoax**

Premature Report Issued by Paris Office of United Press Led to Belief that War Was Ended

The citizens of St. John, as well as in many cities through Canada and the United States, were misled yesterday by reports that the German representatives had signed an armistice and that the war was over. Hundreds of telephone calls to The Times and Telegraph were received and in all instances the people were told that no official information had been received and later that the signing of the armistice was officially denied. Despite this, however, there was a general celebration.

Just so soon as official information is received that the armistice has been signed Mayor Hayes says that he will make an official announcement regarding a celebration and will proclaim a public holiday.

At a meeting in Mayor Hayes' office yesterday of local ministers it was decided to hold a service at 10 o'clock on the morning of the holiday in all the city churches, permission to do so having been received from the health officials.

In consequence of rumors current about the city an extra guard was placed on the bonded warehouse in Snythe street, where a quantity of liquor is stored. Several attempts are reported to have been made.

The false announcement that the armistice has been signed originated in the Paris office of the United Press Bureau and was received on this side in the form of a cablegram signed by the president and the Paris correspondent of the United Press.

*Don't Let The Soldiers Do It All*

**Grand Competition to Close Final Week of Campaign**

**Everybody In!**

With the Victory Loan campaign drawing to a close and St. John still far behind in its reasonable quota a plan has been evolved that will quickly throw this city over the top.

About two hundred of the keenest commercial travelers in this territory will be let loose in competition with about five hundred clever patriotic girls to clean up the town.

With Band playing on King Square tomorrow afternoon, with conveniently located places of application, with practically all stores, factories and manufacturing establishments permitting the widespread soliciting of their employees and a general and thorough combing of the entire city the final week promises big things.

**St. John Must Show That She is Second To None in Patriotism**

No reason why this old Loyalist City should lag behind cities that were founded long after St. John was a city. St. John has too much at stake at this time to permit any city to pass her on the road. Her soldiers have fought second to none in the whole world—her citizens can not be satisfied with a mere rehearsal of the gallant deeds of the boys. They MUST PROVE their right to grasp the hand of the returned man and say WE WERE WITH YOU.

**Every Traveler Is Needed This Means You**

Every commercial traveler in St. John is needed in this competition. Don't let the other fellow do it—the call is to YOU.

The competition will be a hard one, you will be forced to look to your laurels. An enthusiastic public will be watching the results.

Business houses employing travelers: see that your men respond to this appeal and appear for service.

At Victory Loan Office  
Prince William Street  
9 a.m., Nov. 9

**The Women's Great Chance**

Just a word to the women. There are thousands of girls and women with incomes who are well able to handle a Victory Bond. Every woman in St. John can help by throwing her influence towards the girls enlisted in this final campaign. Buy Bonds yourself, talk Bonds to your neighbors and friends. This is everybody's war and we want every girl and woman to buy.

**NOTICE**

**Military Service Act, 1917. EMPLOYMENT OF MEN IN DEFAULT UNDER THE MILITARY SERVICE ACT.**

The following Regulations, recently approved by the Governor General in Council, impose strict obligations upon every employer TO ASSURE HIMSELF THAT EACH OF HIS EMPLOYEES OF MILITARY AGE AND DESCRIPTION IS IN POSSESSION OF DOCUMENTS PROVING THAT HE IS NOT IN ANY WAY IN DEFAULT UNDER THE MILITARY SERVICE ACT.

An employer who is charged with having a defaulter in his employ must be able to prove THAT THE MILITARY SERVICE PAPERS ISSUED BY THE REGISTRAR OR MILITARY AUTHORITIES TO THE EMPLOYEE IN QUESTION WERE PRODUCED FOR HIS INSPECTION at the time when the employee was taken into his employment, and that it was reasonably established to his satisfaction that the man was not in default under the Military Service Act. It should be clearly understood that the Canadian Registration Certificates given on June 22, 1918, at the time of general registration, in no way define the status of a man under the Military Service Act.

**REGULATIONS.**

"106. Every person who employs or retains in his service any man who has deserted or is absent without leave from the Canadian Expeditionary Force, or who is in default in the performance of any obligation or requirement for reporting or for military service, imposed upon him by the Act or Regulations, or any proclamation thereunder, shall be guilty of an offence punishable on summary conviction by imprisonment not exceeding six months, or by a penalty of not less than One Hundred Dollars, and of not more than Five Hundred Dollars, or by both such imprisonment and fine, unless such person prove that he made due inquiry and that THE MILITARY SERVICE PAPERS ISSUED BY THE REGISTRAR OR THE MILITARY AUTHORITIES TO THE MAN SO EMPLOYED OR RETAINED IN HIS SERVICE WERE PRODUCED FOR HIS INSPECTION, and that it was reasonably established to his satisfaction by such inquiry and papers that the man was not a deserter or absent from the force without leave, or in default in respect of any of the obligations or requirements aforesaid."

"106A. Every person who HARBOURS OR CONCEALS OR IN ANY WAY ASSISTS ANY MAN WHO IS A DESERTER OR ABSENT WITHOUT LEAVE FROM THE CANADIAN EXPEDITIONARY FORCE, or who is in default in the performance of any obligation or requirement for reporting or for military service imposed upon him by the Act or Regulations, or any proclamation thereunder, shall be guilty of an offence punishable upon summary conviction by imprisonment not exceeding six months, or by a penalty of not less than One Hundred Dollars and of not more than Five Hundred Dollars, or by both such imprisonment and fine, unless such person prove that he was not aware and had no reasonable ground to suspect that the man so harboured, concealed, or assisted was a deserter or absent from the forces without leave or in default in respect of any of the obligations or requirements aforesaid."

HERE'S WARMING, SOOTHING RELIEF FROM YOUR RHEUMATIC ACHES

For prompt relief from Rheumatism, Neuralgia, or Lumbago, you can depend on Sloan's Liniment. The warming, soothing, counter-irritant effect is the quickest way to overcome the inflammation, swelling or stiffness.

Sloan's Liniment makes rubbing needless. It is easier and cleaner to use than plasters or poultices. It does not stain the skin or clog the pores.

Thirty Feet of Danger

The intestinal canal is an important part of every individual, important every inch of its thirty feet.

The upper portion of it is intended for the digestion of food and absorption of its useful portions. But the lower part is concerned with the elimination of waste materials.

It is, in other words, the great sewer of the body. The more food eaten the greater the waste. If a sewer becomes clogged up, its contents stagnate and become more and more dangerous.

Constipation means more than failure to evacuate the bowels regularly and thoroughly. It means stagnation, increased fermentation, putrefaction and germ action. Increased amounts of irritating and poisonous substances are formed.

Danger, disorder, disease, or even death follows. Pills, purgative mineral waters, castor oil, salts, etc., do not cure constipation or prevent its consequences.

Nujol prevents stagnation and self-poisoning. Nujol forms no habit, except a natural, healthy habit. After Nujol has trained the bowels to act, it can be dispensed with.

Nujol for constipation. Send for Instructive Booklet. CHARLES GYDE & SON, P.O. Box 875, Montreal.

MADE TO MEASURE

WE predicted months ago that men's tailored and ready-made clothes would sell at higher prices this Fall than were ever known before. Today a good garment in the ready-made stores costs \$40 or more—the minimum price for a Suit or Overcoat in nearly, if not in all the better tailor shops, ranges from \$60 to \$75. Our mill connection and our foresight in market conditions of today—enable us to tailor Made-to-Measure Garments at \$20, a price actually lower than the cost of the fabric at today's market price. In tailoring at this price we are reaching the absolute limit in value-giving as an investigation will prove beyond question.

# Steady On, Canada

The great day is at hand.

Behind Canada lies fifty months of blood and anguish, fifty months of the fires of trial and of sacrifices — of glorious, triumphant battling against the hosts of evil.

And in the surging joy will come to us the sobering sense of duty yet to be performed.

Canada's part in the finish of the war must be as well done as was her part of fighting and winning it.

Canada's great duty to her living and her dead must be met with the same manliness, seriousness and determination which has won for her the respect and admiration of the world in waging the war.

Canada's Victory Loan, 1918, must be over-subscribed — that Canada may discharge, in peace, the great responsibilities which the war thrust upon her willing shoulders.

Canadians, let us with devoutly thankful hearts and in proud consciousness of duty well done, proceed with our great task —

**SOMETHING DOING WHEN NEWS COMES**

**Yesterday's Rehearsal Just a Hint of the Real Thing in St. John**

St. John is hoarse today also a trifle disappointed but by no means down-hearted. As a matter of fact it feels quite refreshed to have let loose some of its pent-up enthusiasm and makes tremendous threats what it will do when that armistice is really and truly signed. Last night's conflicting reports kept the crowd in such a quandary that celebration proceedings were kept going in the hope that no denials were forthcoming after, but that there was just a little official delay. So everybody went to bed confident and hoping to hear their outburst of joy confirmed by the morning papers.

**THE NAVY LEAGUE**

A Grant of \$1,500 to the Seaman's Mission — Christmas Stocking for Sailors

The executive of the Navy League are taking a keen interest in the Seaman's Institute and granted \$1,500 for improvements in the building, a new furnace, a large bath room, a canteen with large gas cooking stove and a splendid moving picture machine. They are arranging for several comfort bags and Christmas stockings to be given to the sailors in port on Christmas morning, and all branches of the League are asked to assist. The ladies of the Y. W. P. A. will have charge of the canteen. It is also hoped to install several beds for the accommodation of sailors who may wish to sleep on shore. The Dominion Council, Montreal, sent \$5,000 for the relief of the families of the sailors lost in the Princess Sophia. This is from the sum set apart for the benefit of Canadian sailors.

**BALANCE OF \$4,003 YET TO BE ACCOUNTED FOR**

(Continued from page 2)

A.—Yes.  
Q.—Have you had any reason since then to change your mind?  
A.—Yes, I have.  
Why It Was Paid.  
Q.—When was it paid?  
A.—I think Mr. Daggett testified yesterday that I had telephoned him about this and it was a private matter. Afterwards I understood that it was to pay a draft of J. A. Murray's.  
Q.—When did you learn that?  
A.—Some time afterwards; I don't know exactly when; a few months, I should say.  
Q.—After this \$2,500 draft had fallen due?  
A.—If my memory serves me.  
Q.—Was there a draft of Mr. Murray's between you and him at the time?  
A.—Yes, for \$1,500.  
Q.—Was Mr. Daggett on it?  
A.—No.  
Q.—What bank was it in?  
A.—Bank of N. S., West End branch.  
Q.—Mr. Daggett told me yesterday that he was interested in that draft?  
A.—Not to my knowledge. It was purely a business transaction between Mr. Murray and myself.  
Q.—Business or accommodation?  
A.—Accommodation.  
Q.—For your accommodation or Mr. Murray's?  
A.—For Mr. Murray's accommodation.  
Q.—When did that note fall due?  
A.—It was made on May 31, 1915, according to the bank records, and was for two months.  
Q.—Was it a note or draft?  
A.—It was a note drawn by A. C. Smith & Co. on Hon. Mr. Murray.  
Q.—It does not seem to have been paid on maturity?  
A.—Mr. Daggett claims that the \$1,500 paid in at Fredericton to retire it.  
Q.—The note was due on July 3. When was the payment made?  
A.—On August 31.  
Q.—Then it was not paid when the note matured?  
A.—No. The draft was not discounted. It was placed in the bank as collateral and we advanced the money to Mr. Murray.  
Q.—What was the money advanced for?  
A.—Purely a personal accommodation. It had nothing to do with the potatoes. The Westmorland Election.  
Q.—Had it anything to do with the Westmorland election which occurred about that time?  
A.—I don't know anything about that.  
Commissioner—Then the department still is indebted to Mr. Smith for that \$1,500?  
A.—That is the way I figure it out.  
Reference to Mr. Atherton's statement showed memos by Mr. Smith of credits of \$1,500 on August 31, 1915; of \$5,256.94 on July 30, and \$1,250 on Oct. 30, making a total of \$8,006.94.  
Q.—This amount, you took the \$1,500 as a government payment?  
A.—Yes.  
Q.—When the \$2,500 draft came due was anything paid on it by the government?  
A.—Mr. Daggett paid something.  
Q.—How was it paid?  
A.—The draft came due on Oct. 30 it was charged back to my account. I got a check of \$1,250 from Mr. Daggett and with that I deposited \$1,250 that I raised myself to meet the draft.  
Q.—Was that check a payment?  
A.—As I recollect that was just an accommodation from Mr. Daggett and I think the bank records will show that I paid it back. Unfortunately that \$1,250 check seems to be credited in the ledger as a payment from the government, and it should not be.  
Q.—You got the check from Mr. Daggett on Oct. 30?  
A.—Yes.  
Sheets from the loose-leaf ledgers were produced and showed that the \$1,250 had been credited to the government. Witness said this was in error.  
Q.—You sent the \$1,250 back to Mr. Daggett?  
A.—Yes.  
Commissioner—Why did the government not pay the draft they had accepted?  
A.—I cannot tell. They did not pay it.  
Q.—Can you tell from whom you borrowed the other \$1,250?  
Mr. Powell—I must object.  
Commissioner—Apparently this was a government transaction.  
I got it from Mr. Baxter.  
Witness—I have no objection to telling. I borrowed it from Mr. J. B. M. Baxter. It was just a personal matter. I paid him back \$500 and the interest on Dec. 1. The balance he is a creditor for and still has a claim against my estate.  
Witness produced the check he had given Mr. Baxter for \$500, endorsed by Mr. Baxter. It was put in evidence.  
Q.—Have you received any further payments from the government on account of the \$2,500 draft?  
A.—No.  
Q.—Then it and the \$1,500 improperly credited to the government are both due you from the government?  
A.—Yes.  
Q.—There has been some question about the towing of the schooner Irma Bentley and we have a letter from Mr. Daggett to R. C. Elkin enclosing a check for \$25. Did you know anything about that?  
Counsel produced a paper from Mr. Smith's files which appeared to be a receipt for \$25 paid by Mr. Daggett. Witness could give no explanation of this payment nor of how the receipt came into his possession.  
Mr. Powell—Is there any point to it?  
Mr. Hughes—Yes, there is. They are paying bills that do not show in the auditor-general's department. Where did they get the money?  
Counsel produced a paper from Mr. Smith's files which appeared to be a receipt for \$25 paid by Mr. Daggett. Witness could give no explanation of this payment nor of how the receipt came into his possession.  
Mr. Powell—I cannot find any charge for barrelling in the Atherton account.  
Mr. Hughes—It is hard to tell what is there and what isn't. They would not be in statement. They already had been paid for.  
Q.—These show 6,250 barrels at 40 cents; 4,561 barrels at Bay Shore and 4,889 barrels at Clements' cellars, a total of 16,700 barrels of surplus potatoes which you unloaded and stored in warehouse?  
A.—Yes.  
Q.—And you were paid for handling them a total of \$6,680?  
A.—Yes.  
The court took recess.
