6. Exhibitors of Agricultural Implements, articles of Mechanical Manufacture and Ladies' Work, must be the manufacturer of each article, or his or her authorized agent.

Any exhibitor lodging a protest must make it in writing, and it must be delivered to the Secretary or his assistant within one hour of the cause of protest; it must state plainly the cause of complaint or appeal and must be accompanied by a deposit of \$1, which sum shall be forfeited to the Association if the protest be not sustained. The onus of proof shall rest with the protested party. The Board of Directors, however, earnestly hope that exhibitors will not enter protests without the strongest grounds for so doing, as much annoyance and unpleasantness is often occasioned by protests of a frivolous nature.

11. That tickets issued by the Secretary be attached to the different animals or articles within stated time and while the judges are inspecting the same every one not necessary will be required to withdraw from that part of the ground.

12. Membership will be retained for the year next ensuing from the parties obtaining prizes at this exhibition.

Stock and outside departments may be entered on or before 10 o'clock a. m. of 2nd day.

17. Persons taking prizes must apply to the Secretary on or before Nov. 30th, ensuing, or forfeit such prizes.

18. Any person may become a member of this Society by paying \$1 to the Secretary or any of the Directors. A member of this Society shall be entitled to two admission tickets.

19. While the Directors of the Society agree to take every reasonable precaution to ensure the safety of articles sent to the Exhibition, yet it must be distinctly understood that the owners are required to assume all risk, and should any article be accidentally injured, lost or stolen, the Directors will render all the assistance in their power for the recovery of the same, but will not recognize any claim for payment of the value or any portion thereof.

20. In addition to the stated premiums, the Judges may also distinguish such animals or articles as they consider worthy of notice, but which have not received prizes, by tickets, with the words "Highly Recommended," upon them. These tickets will not entitle the holder to any money payment.
