## NEW SIDEWALK FOR MAIN STREET

Much Important Business Transacted at Regular Meeting of Town Council

The regular monthly meeting of the Town Council convened on Monday evening, all members present.

The report of the Treasurer showed that the sum of \$1,100 had been collected since last meeting and that a credit of \$167 was now on hand at the bank of Montreal.

H. H. Hatfield, chairman of the streets committee reported that the same and water committee had interviewed the officials of the C. P. R., namely, J. B. Gilliland, Supt. and H. Chandler, resident engineer, in connection with the building of a concrete sewer across beneath the track north of the wood-working factory on King street.

The committee was met by Mr. Gilliland who promised action at once and that the matter would be taken up with head office at Montreal recommending that same be done. The sewer is needed as the water overflowed into the street at such an extent that the cellars are wet and two chimneys on Main street have been torn up due to the run of water.

The council on motion decided to build a concrete sewer from the western side of the C. P. R. tracks to the western side of Main street in front of the G. B. Nixon property. The building of the railway obstructed this natural course of the water and the Council was pleased with the co-operation of the crossing at King street in very much needed as pedestrians are required at present to walk in the wheel track, there not being sufficient room to accommodate them otherwise.

By widening a sidewalk can be run from the corner of Estey & Curtis block to the corner of DeWitt's store, continuing from the other side of the track to the present Bank building.

The completion of the water extension along High street was voted on and a decision was made to complete the work as soon as the frost is out.

A request was made by several residents of Millinery for water extension. The matter was laid over until next regular meeting.

Councillor Paulner reported on repairs to the Town hall. After all bills were paid the repairs amounted to \$107. These included putting on the metallic chimneys, changing one window, putting in several panes of glass, repairs to bellows, painting inside, two tables for the Council and Mayor, together with the minor repairs.

The appearance of the building, Mr. Paulner was congratulated on the splendid appearance of the building.

The Mayor and N. B. Tel. Companies have been requested to cable their wires and place their cables on the west side of Main street.

A concrete sidewalk will be built from King street along Main to the corner of Prince street. A petition from the residents of Carleton street was left with the Chairman of the road committee to consider widening the street.

A request from G. F. Burt for the town to take over the streets on his lot was left with the road committee to consider. Mr. Burt will give the town a deed of the roads to the extent of two rods.

A complaint from Hatfield & Scott Co. regarding their assessment for 1920 was heard. The council took up and debated the matter for an hour and as it was then nearly midnight, it was decided to call a special meeting next Monday evening to have the matter considered by the old board of assessors and those interested.

On motion it was decided to consider the positions held by the Town Manager and Town Marshal, vacant will be called to consider the advisability of continuing the present system and recommended whatever changes necessary. It is doubtful if there will be any change in the present personnel of the town officers, the object being to give the subject consideration.

The meeting was well attended by citizens.

WAR ROMANCE OF GRAND FALLS GIRL

Grand Falls, March 26—Miss Nellie King left today for Victoria, B. C. where she will shortly be married to Charles Edward Ball. The marriage will be the culmination of a war romance. Miss King is the youngest daughter of Rev. J. K. and Mrs. King. She was graduated in nursing in the Royal Victoria Hospital, Montreal, in the spring of 1916.

She at once enlisted for overseas service, going to England shortly after. While on service overseas she met Mr. Ball, who was a major in the Canadian forces. Miss King carries with her the best wishes of a host of friends, who wish for her and her future husband a very happy journey through life.

Miss King is a daughter of the pastor of Hartland Methodist church.

WORD FROM J. R. H. SIMMS

Renewing his subscription J. R. H. Simms, for many years a barrister at Bath, writes:

"We are well pleased with the way King, the town we are in, is a station on the line of the C. N. R., 56 miles south of Winnipeg and is settled by Americans who have come in and bought farms at from \$50 to \$125 per acre—a splendid agricultural section. We appreciate The Observer very much out here in the west and wish it every success."

AN EXPENSIVE PRISONER

Newman Clark, in jail at Andover for murdering Francis Bell of Grand Falls, a newspaper, is said to have cost Victoria county some \$5,000 already. His friends are now reported to be bringing an insanity expert from Montreal to give him a thorough examination. Although Clark is the only person now confined in the Andover jail, he has to have a special guard, who of course adds greatly to the expense of the prisoner's maintenance.

Review.

WHAT ELECTRIC POWER WILL DO

Grand Falls Development Goes Forward This Man's Experience will be the Experience of Many Along the St. John

Here is briefly told the experience of a man who had access to cheap hydro-electric power and how he made it profitable. The letter was written by E. W. Harmon, who, and his father, before him, conducted a blacksmith and wheelwright shop at Peel.

"I am pleased with your stand on the Grand Falls question. There is nothing like electric power. I built my shop here in 1905 and put in a small blower for my forge. It then cost \$25. Have used it ever since and it is in perfect running order now, having once sent it to the factory for slight repairs. It keeps two men busy a full month at a cost of 30 cents for power. Later I put in a 5 horse-power motor to run my 12 inch planer, and saw, circular saws, wood lathe, drill press and boring machine, and all the power for a three-man shop costs me only \$5.50 per month. We make and repair wagons and sleds.

"It is too bad to let the 'Yanks' hold that power out of the market when fuel and lumber is so scarce and expensive.

"If the Canadians used that power right they would have half the Yankee cost over there in a few years."

THE NEW TRAIN SERVICE

Since a few weeks ago when The Observer hinted there was possibility of trains 153 and 154 running between Woodstock and St. Stephen instead of Woodstock and St. John, the office has been deluged with enquiries about it. This office has no further information on the subject but from conversation with many it may safely be judged that the people between Woodstock and Woodstock would unanimously welcome the change.

So far as Hartland is concerned the southbound train would leave about 7:30 local time and return at night at about 10. This would afford an opportunity to visit St. John, St. Stephen, Fredericton, Hopedale and all intermediate points and return the same day. It is another suggestion that whereas trains 155 and 156 would no longer be needed as passenger trains, a fast freight carrying passengers should leave Woodstock at 3 a.m., run to Arpscott. This would give the public an opportunity to visit northern points and return the same day, which cannot be done now.

## THE CASE OF WILLIAM CURRIE

Injured Severely on March 1 He is Hopeful for Recovery—is Grateful for Help

William Currie, who was so badly hurt during the last day of work on the bridge is improving gradually since his return from the hospital. His injury made necessary an immediate operation where it was found that one kidney had been split in two by the blow. However, Currie is optimistic and is confident that he can get along with one kidney.

In speaking of his experience at the Fisher Memorial and of his doctors, Macintosh and Rantime, he is mentioned in his praise. For the promptness with which the workmen of the construction company and the merchants of Hartland came to his aid with a contribution of more than \$100, he is deeply appreciative, as well as for kindness shown him by Messrs Powers and Nobles and the neighbors at Victoria.

Currie came to Victoria on his discharge from the army, after having been over four years in the trenches with only three brief trips to England in that time. He went with the first contingent from Woodstock and during the trip over became friendly with Eric Heywood and they continued pals until young Heywood went to the front. That day on discharge, was to visit his pal's widowed mother, and tell her how the boy by whose side he had fought for weary months, had met his death. Eventually Currie married a sister of his dead pal and established a home at Victoria. He has been industrious and eager to make good for the comfort of his little family, and this unhappy accident is truly a handicap and set back.

TRINITY EASTER MEETING

The disturbed Easter meeting of Trinity Church congregation, held on Monday evening, was presided over by the newly welcomed rector, Rev. W. P. Haigh. There was a good attendance of parishioners and the vestry clerk's report showed that notwithstanding a slight increase in the number of the members of the year bore a net increase on the right side of the ledger.

Fred. H. Stevens and H. W. Amett were elected wardens and C. D. Dickson was elected vestry clerk. Vestry men were elected as follows: G. F. Crockett, St. Paul; Joseph Howells, J. W. Montgomery, James Pratt, James Lippett, H. A. Larue, T. B. Thistle. The rector was elected delegate to the Diocesan Synod with G. F. Neaves as substitute. A special financial committee to look after the church building matters is comprised of the rector, James Montgomery and H. W. Amett, with Mrs. J. W. Montgomery as their secretary-treasurer. David Howells was elected sexton.

To the meeting the new rector expressed himself as touched by the cordial reception he was receiving by his people and greatly encouraged with the willing willingness of all to help him with his work.

Mr. Haigh will be ordained deacon at Christchurch Cathedral, Fredericton, on Trinity Sunday.

GALDWELL HAS A FERTILIZER BILL

Ottawa, April 4.—T. W. Caldwell (Victoria-Carleton, N. B.), introduced a bill in the House this afternoon to amend the fertilizer act of 1905. This bill was not, he said, intended to make any important changes in the present act. Its intention was to compel manufacturers of fertilizer to have on each package a statement of the contents of the package. The bill had the support of a majority of the fertilizer manufacturers in Canada. A few manufacturers only were guilty of mal-practice. The bill was given first reading.

## SAVED FROM LIFELONG MISERY

And a Dangerous Operation, by Taking "FRUIT-A-TIVES"

**MRS. M. J. GORSE**  
8228 Union St., Vancouver, B.C.  
"I suffered with all the symptoms of Female Trouble, with chronic Constipation and constant Headaches. I had pains low down in the back and sides of the body. I tried various remedies without relief, and then put myself under a doctor's care and he advised me to have an operation. I refused.  
Then, I started taking 'Fruit-a-tives'; and from the outset, I felt better, and this medicine has completely relieved me of all my misery and suffering. My weight was only 143 pounds and now it is 168 pounds. I am free of pain and headaches and the terrible Constipation; and what saved me from misery is the splendid fruit medicine, 'Fruit-a-tives'."

## HAS NO PAIN NOW

What Lydia E. Pinkham's Vegetable Compound Did for Mrs. Baker and Mrs. Kiever.

Vancouver, B.C.—"I am pleased to say that Lydia E. Pinkham's Vegetable Compound has done me a lot of good. I can now walk about without the aid of a support and feel real strong again. A nurse advised me to take the Vegetable Compound and it is certainly helping me. It seems like Heaven to be relieved after months of pain."  
Mrs. H. W. Baker, 2874 10th Ave. West, Vancouver, B.C.  
Albert Co., N.B.—"I have taken Lydia E. Pinkham's medicine and they have done me a lot of good. Since then, I have been able to do my housework and I have a lot of work to do as we live on a farm. Seeing your advertisement in the papers was what made me think of writing to you. I hope this may help some one else."  
Mrs. Wm. B. Kiever, Upper New Horton, Albert Co., N.B.  
The reason women write such letters to the Lydia E. Pinkham Medicine Co. are all their own. How they are helped is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives. Freed from their illness they want to pass the good news along to other suffering women that they also may be relieved.  
If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co., Lynn, Mass.

# NOW AT PERTH THE EMINENT TORONTO EYE SPECIALIST

Here for 11 Days, Commencing Thurs. March 31, ending Tues. April 12

We have engaged FREDERICK W. MAYOR, the Eminent Eye Specialist of Toronto

HE LOOKS INTO THE EYES to teach us the most advanced and positive system of Eye Testing known to science, the LUMINOSCOPY SHADOW TEST SYSTEM. Mr. Mayor is the originator of this distinctive system, whereby the interior of the eye is illuminated and the defect corrected by scientific internal eye measurement, and has proven to hundreds of eye sufferers in New Brunswick that his wonderful LUMINOSCOPY TEST succeeds where many others fail. The more complicated your eye trouble is the greater will be your comfort and satisfaction when tested by this system. Like many other originators he has many imitators, but we know by investigation that we are bringing to Perth the originator of the "Luminoscopy Test" in the person of Mr. Mayor. His students in the Province are the leaders of the profession. We especially ask all to come—those now wearing glasses, or those who suffer from or suspect any trouble. Make an appointment. Consultation morning, afternoon or evening, by appointment. His success in Fredericton, Woodstock and Hartland proves his ability.

Remember—We are adopting Mr. Mayor's special Luminoscopy test after careful consideration. It has been our policy to give an absolute reliable service in optical work, and the addition of the latest model Phorometer and the Luminoscopy Test makes our service to you second to none.

Eyes tested free. Guaranteed satisfaction. Glasses only advised when needed. Prices moderate. Children's eyes our specialty. Make this your opportunity. This system eliminates all guesswork and that tiresome trying on of glasses.

Please bear in mind that this is not a money-making scheme; it is purely of an educative nature, a link in the chain of demand for better Opticians from coast to coast. We will benefit by your patronage in the future.

D. H. Boyd of Fort Fairfield was a guest of friends in town over Sunday. Mr. Boyd, one of Fort Fairfield's prominent business men, is a native of Peel and seems glad for a frequent visit among old friends who always give him the glad hand.

Mrs. Tompkins of Waterville met with an accident which might have proved serious on Sunday morning while driving to church. The horse became frightened, throwing Mrs. Tompkins on her face and causing several cuts and bruises on her face and head. Surgical aid was rendered at once by Dr. Macintosh.

A pretty wedding was solemnized on April 5 at the home of Allison Shaw of Middle Simonds when their daughter, Mildred E., became the bride of William H. Brooks, in the presence of a few friends. The nuptial knot was tied by Rev. B. A. Trites. After the ceremony the happy young couple took the southbound express for a brief wedding trip.

The War Games being carried on by the military authority in different localities for the purpose of giving tactical instruction to officers, was played in Woodstock Armory last Wednesday evening. Brig-Gen MacDonell, C. O. of M. D. 7, St. John and Col. Sparling, Chief of Staff, were present, also the mayor of Woodstock and a number of aldermen. Over twenty-five officers took part in the games, among them being Col. Kennedy, Centreville, Col. Wendell Melville, Mayor Chase, Hildout and Lieut. Roy Rigby.

**Cause of Early Old Age**

The celebrated Dr. Michenoff, an authority on early old age, says that it is "caused by poisons generated in the intestine." When your stomach digests food properly it is absorbed without forming poisonous matter. Poisons bring on early old age and premature death. 15 to 30 drops of "Sage's Syrup" after meals makes your digestion sound. 10

For sale—Two pairs of heavy work horses. May be seen at Clark's stable, Hatfield Lumber Co.

Sugar advanced 50 cents per 100 pounds last week and is likely to go higher. It is expected that molasses will advance another five cents as soon as the new crop comes in.

Sayre's drive on the Becaguine is coming along well. The cut for the big mill is only about two-thirds that of ordinary years and will not keep the mill running longer than three and a half months. The lower mill will not be operated at all.

Rev. W. P. Haigh, who arrived from England last week and at once took over the parochial work of the Church of Holy Trinity on Sunday. His parishioners and the numerous visitors present, were most favorably impressed. His sermons were earnest and forceful and he seemingly is well prepared to carry on his work with vigor and a cheery optimism. Owing to the state of the roads Mr. Haigh will not be able to visit Glassville and Beaufort for a time, but there will be service at Hartland again on Sunday at 11 and 7:30.

Miss Vera Tompkins spent the week-end with Miss Myrtle Crandentre.

### DEATH OF A. E. KUPKEY OF ANDOVER

A. E. Kupkey, one of Andover's most highly esteemed and respected residents passed away Friday morning at the Fisher Memorial Hospital at the age of 65 years. Since the death of his wife in December Mr. Kupkey has been in failing health, but his death, although hourly expected, came as a shock to a large number of friends and his passing is sincerely mourned. Mr. Kupkey was the owner of the A. E. Kupkey woodworking factory, and he was a man who dealt fairly and squarely with all, making friends by the score. He is survived by one brother, Joseph of Wapske, one daughter, Mrs. A. Herbert Blair of Andover, and one son Evan C. Kupkey of New York. The funeral which was largely attended with full Masonic honors took place Sunday afternoon. Service was conducted by Rev. Charles Flemington. Beautiful flowers were in evidence. Interment was made in Trinity church yard. We would extend sincere sympathy to those who are left to mourn the death of a good man.

### HAPPIEST WOMAN IN NOVA SCOTIA

That is What Mrs. Lovett Says After Tansac Freed Her of Three Years' Suffering

"I believe I am the happiest woman in Nova Scotia since my wonderful restoration to health, and Tansac deserves all the credit," said Mrs. William Lovett, who lives in Tulla Cove, Dartmouth, a suburb of Halifax.

"For three years I was almost a nervous wreck. I got so very little rest by day or night, and became so weak and worn out for days at a time, I could not put my feet out of the house and lots of the time I spent in bed.

"My appetite was poor and my stomach was in such a miserable condition that every cup of tea often disagreed with me. I don't believe anybody suffered worse from headaches than I did, and I felt so miserable all the time that life became a burden to me. I had dreadful spells of melancholy, too, for nothing I tried helped me and I began to think there was no hope for me.

"I will always feel grateful to the good neighbor who induced me to try Tansac, as I owe to this medicine the splendid health I now enjoy. In just a short time I was feeling like a different woman. I have a fine appetite now, eat anything I want and everything agrees with me and seems to nourish me so much that I have fully recovered my strength and gained fifteen pounds in weight besides.

"My nerves are calm and steady and I sleep all night long without so much as waking once. In the morning I feel so bright and cheerful I sing from the very joy as I dress myself and realize all my troubles are over. I just can't find words to express the praise that's in my heart for this grand medicine. It has proved itself more wonderful than I thought possible for any medicine to be."

### PUBLIC NOTICE

Under Sub-section 2 of Section 72 of the Highway Act, 1918, no motor vehicle is allowed on any highway of the Province in the Spring of the year while the frost is coming out of the ground, without permission of the supervisor, with the exception of physicians, clergymen and ambulances drivers.

Sub-section 1 of the same section of the Act forbids the carrying of loads over 3,000 pounds and the hauling of portable mill on wheels between the fifth day of March and the twentieth day of May, in any year, without a written permit from the Supervisor of Roads.

Yes, that house has been in the family for 50 years.

HOW many men have refused, purely from sentimental motives, tempting offers for their family homes. The old house that is well-preserved is always a delight, because each year seems to add to its treasured associations, as well as to its natural value. The greatest agent of preservation against deterioration and decay is good paint.

## Brandram's Genuine B.B. White Lead

is a thoroughly tested and approved surface saver—it has held its world supremacy for almost 200 years. For those who prefer to mix their own, Brandram's Genuine B.B. White Lead, thinned with Turpentine and Pure Linseed Oil, as in B-B "English" Paint, makes a most satisfactory paint. It easily outclasses all other white leads in covering capacity and permanence.

For those who prefer a prepared paint, Brandram's Genuine B.B. White Lead can only be secured in B-B "English" Paint.

Two Reasons Why You Should Buy Your Ford NOW:

1. Dollars are scarcer and buyers including Automobile Prospects are weighing values as they have not done for years. This means a greater demand for Ford.  
Sedans, Coupes, Touring Cars, Roadsters and Trucks all Electrically Equipped
2. Supply is limited. Since last September we have only been able to get a total of twelve cars and trucks for Fredericton.

This means that before June comes Ford cars will be oversold and prospects will be waiting for weeks to get the car which they delayed ordering.

Remember the buyers who were unable to get their Fords in 1920 until September and

### The Insurance to Buy

The amount to buy for your advertising policy should be the last thing you think of. What does your policy give?—that's the point. Does it give you security, and protection for money loss? Is it issued by a company that is reliable, stable and financially able to meet great loss?

These factors are what you want in a policy.

This agency represents companies that issue such policies. Not only that, but we give service that you should have. Have one man see you, or see us.

#### LAKEVILLE OCCURENCES

The Baptist church had a very nice service on Sunday evening. The platform was decorated with palms. The music was furnished by the Centreville choir. Mrs. Bessie Campbell being the organist. Rev. H. R. Bell preached an able sermon suited for the occasion; all of which was much enjoyed by a large audience.

A number of the teachers were home for the Easter holidays. Miss Wilson, who is teaching at Grand View being among them.

The Misses Slipp of Lower Woodstock was visiting at Merrill Tracey's. Archie Barker has returned from a trip down country.

Miss Keohan spent Sunday at Johnsville.

Wm. Wilson & Son are loading potatoes and are paying \$1.00 per bbl. for choice stock. Quite a lot of farmers are hauling.

Harry Buxton of Deserville had the misfortune to fall and break his leg. Dr. Wright was called and pronounced it a compound fracture. The patient is doing as well as could be expected. Much sympathy is expressed for Mr. Buxton who is not in very good health.

Mrs. Arthur Britton, who has been visiting her sister, Mrs. John Gillis, has returned to her home in Vancouver.

Hon. F. B. Carvell and wife spent Sunday with Mr. Carvell's brothers here.

Mrs. Harry Carvell, and little son Harold who have been in Hartland for a few days, have arrived home.

There is some talk of a delegation from here going to Fredericton to try and have the money from the automobile tax expended in the district where the cars are owned so the roads can be kept in decent shape. Many of the cross roads in this parish are in the grass, especially between Lakeville and Bloomfield.

Mrs. Fannie Fowler has returned from Monticello where she has been spending the winter.

Mrs. Handford Tracey has a call daily with five beautiful blossoms and four buds. Who can beat it?

#### CORONATION

Wiley and Leigh Grant of Kilburn loaded a car of potatoes at Inman siding for Tom Morehouse last week.

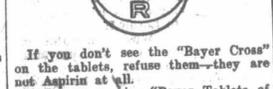

Miss Clara Bishop spent Monday and Tuesday with Phoebe Grant of Kilburn.

Miss Zeta Grant of Kilburn spent the week-end with Alice Hallett. The cottage prayer meeting was held at John Hallett's Saturday evening. On account of the roads being bad there was not a very large attendance.

Leigh Grant of Kilburn and Lewis Giberson of Holmesville spent Sunday with Cecil Hallett.

#### Could Not Sleep

Mr. Earnest Clark, Police Officer, 338 King St., Kingston, Ont., writes:

"For three years I suffered from nervousness and sleeplessness. I believe my condition was brought about by overwork. I had frequent headaches, neuralgic pains and twitching of nerves and muscles. I had indigestion, was short of breath and easily tired. I commenced a treatment of Dr. Chase's Nerve Food, and seven boxes of this medicine relieved me of all my symptoms. I am now feeling one hundred per cent. better than I was, and have to thank Dr. Chase's Nerve Food for the good health I am now enjoying."

Dr. Chase's Nerve Food, 50 cents a box, \$ for \$2.75, all dealers, or Edmondson, Bates & Co., Ltd., Toronto.

#### Who Wants This Beautiful Home in Hartland

Allen A. Waters offers for immediate sale his fine house situated just off the Main street, south end. The location is a beautiful high and eighty one and the house is surrounded by lovely shade trees. The house itself has 10 rooms and bathroom, nicely fitted up and with a constant supply of running water. The house is thoroughly well finished throughout and is warm and comfortable in winter and accessible to pure, fresh air in the summer. There is a large woodshed attached and a chaphboarded and painted barn that will accommodate several horses; also a garage. Never-failing supply of water in the yard and at the kitchen sink. Enough ground for a good-sized garden. This is an ideal home for a couple that wishes to retire, or for any family. The house has four sleeping rooms and more could be finished in the attic, which is reached by stairs.

Mr. Waters also offers for sale a farm in Ashland district, three miles from the river, with a down-hill haul to market. Of this 100 acres, 30 acres are cleared and a part freshly seeded, 10 acres ploughed and the remainder in grass. There are 70 acres of woodland that will yield enough fire-wood to pay for the place and leave many years supply. There is also a good quantity of pulp and lumber. The prices of both these properties will interest any buyer, and full particulars of the whole may be had from Mr. Waters, at the house. DON'T DELAY. These properties will move quickly. Part of the purchase price may remain on mortgage if desired.

### LOCAL AND PERSONAL ITEMS

D. W. Currier, who has efficiently managed the Centreville Hotel for the past six months, had been obliged to give up the task by the call of other work. The directors of the Centreville Hotel Company have been successful in leasing their property to George Burpen and James Crone who have already assumed control, and who will run it jointly as proprietors. The tea-riding public, as well as local transient trade, will be assured of a hearty welcome at a clean and well kept hotel, where the entertainment and cuisine will leave nothing to be desired, and the company are congratulating themselves over securing such desirable proprietorship for their property.

E. O. Packard of Bridgewater was a caller in town on Sunday. Emory Cliff of Mars Hill was in town on Thursday. The many vacationists who spent their holidays with friends and relatives here have returned much refreshed to their various duties.

Harley C. White of Ansonston, N.C., spent the week-end here with relatives.

Carl Nelson of St. John was in town last week, removing his picture machine and piano from the Opera House. A movie house is to be opened here on the first of the ensuing month under the new management, so rumor has it.

Miss Martin White, professional nurse of Presque Isle, is in town on professional duties.

Mrs. Bessie Campbell is spending a few days in Presque Isle with friends.

Mr. and Mrs. G. E. Weston and family are moving into the Vandine residence on Exchange street.

Mr. and Mrs. Jas. O'Hara and F. A.

Gibson will leave for Vancouver on Monday.

Miss Molly Gody spent the week-end with Lakeside friends.

Mrs. Williamson and children have returned from a visit with her parents at Norton.

Mrs. L. L. Clark was a recent visitor with her daughter, Miss Dorothy Clark, at Presque Isle.

E. L. West and Emerson Crouse have both been confined to their homes with illness, but are convalescing.

Mrs. Horace Estabrooks is visiting her son Joe in St. John.

The Barn Dance, an innovation of the Centreville orchestra, was fairly well attended last Tuesday evening despite the accompanying storm and the nearly impassable roads. All present had a good time.

By all present appearances the roads will be ready at a comparatively early date for auto traffic. Locally the roads are O.K. now and during the week Jitneys drove in from both Mars Hill and Bridgewater. This certainly a good sign, especially in view of the fact that the motor devotes an opportunity for this rapid means of locomotion after the slow method of transit during the winter months. Most of the motor owners have their licenses all procured and are only waiting for Mr. Veniot to say the word "Go." It is to be hoped also that the agitation for this change in the rule of the road now being drafted may be given the support of the government. We need it most of all as our county lies throughout its length adjacent to U. S. territory and many mishaps would doubtless be avoided were the rule "Turn to the right" made universal.

D. F. Cliff of Mars Hill spent Sunday with his parents, Mr. and Mrs. C. W. Cliff.

#### FLORENCEVILLE FACTS

Mrs. W. L. McCain spent Easter with friends in Presque Isle. The younger set had a party in the Foresters' Hall on Easter Monday evening.

Mr. Mowat and Miss Russell, who spent the Easter vacation at their homes, have returned and school is

once more in full swing.

Gerald Gray spent Wednesday in Woodstock. He returned to Cabano, Quebec, on Friday.

We are sorry to report the death of Mrs. Holly Smith. She died on Saturday evening. The funeral was held on Monday afternoon. Rev. F. A. Wightman took the service and interment was made at the Presbyterian burial ground, Greenfield.

Miss Fowler spent Thursday at Woodstock.

The April meeting of the Women's Institute will be held in the Assembly Hall of the Florenceville school on Tuesday evening, April 12. This is gentlemen's night and every lady has the privilege of bringing one gentleman with her. A program of music and readings and singing will be given also a debate on "Resolved that Environment is stronger than Heredity."

Every lady bringing a gentleman is requested to bring something in the way of refreshments, either cake or sandwiches, whether she is a member of the institute or not.

Mr. and Mrs. Wm. Peterson of Tracey Mills spent Sunday and Monday with Mr. and Mrs. Beecher McCain.

Tom McCain is working at his house. He is also having a new barn built on his farm next to Lorne Hume.

Mr. and Mrs. Wesley Atwater of Middle Simonds were visiting Mrs. Nicholson on Thursday.

Foxtrotting dogs seem to be the order of the day. "Bonnie" and "Mack" were the victims this time. It is a shame that harmless pets to whom the owners have become attached should be done away with through someone's carelessness or maliciousness.
