

I Had Colic
Oswellings in the neck since I was 10 years old; am now 52. I used Hood's Sarsaparilla recently and the swelling has entirely disappeared. It has been very troublesome. When I began I was feeling so discommoded with the colic and rheumatism I felt that I would as soon be dead as live. Whenever I caught cold I could not get on my feet without fainting. Now I am free from it all and I can truly recommend Hood's Sarsaparilla. I received a letter from Mr. J. H. Sarsaparilla, now of Fremont, Mich., saying if my testimonial in behalf of Hood's Sarsaparilla was true, I would like to see him. I have another letter from him saying he has been cured. Hood's Pills are the best after-dinner pills. They aid digestion and cure headache.

THE WHEEL.

LONDON WHEELMEN'S ANNUAL MEET.
The first annual meet of the London Wheelmen was held Saturday afternoon at Queen's Park. The sport provided was unusually good, and the promotion of a larger patronage. The half-mile track was in the best of condition and the weather just the thing for the racing. Too much praise cannot be given the management of the affair for the manner in which the programme was hustled through. There were no tedious waits between the different events. With the exception of Dr. W. N. Robertson, of Stratford, and E. B. Racette, of Sarnia, the riders were all local men, most of them members of the London Wheelmen.

ONE MILE NOVICE.
The starters in this were Fred Beltz, W. Mann, F. Ware, D. Rougiev and J. S. Bennett. Beltz came under the wire first, chased hard by Mann. Rougiev was third, and Bennett last. The latter was the only one who did not finish. Time, 3:01 4-5.

TWO-MILE CITY CHAMPIONSHIP.
A good deal of interest centered in this contest, as the local supremacy had hitherto been a matter of dispute. J. F. White, of Manville, C. H. White and James Lamb entered. J. F. White led for the first three laps, with Manville a close second. The latter spurred in the last quarter, and there was a pretty race to the finish. C. H. White won by the length of his wheel. C. H. White was a fair third place, Lamb not finishing. The victor gets a medal. Time, 5:44 1-5.

ONE HUNDRED YARDS SLOW RACE.
W. Mann, D. Rougiev, F. Ware and James Bennett undertook the trick of making the slowest time in 100 yards. Mann and Bennett collapsed on the first try, and Ware beat Rougiev out. Mann and Bennett tried it again, the latter winning, when Mann fell off. No time kept.

HALF-MILE OPEN.
This brought out J. F. White, Manville, Robertson (Stratford), and Racette (Sarnia). Racette, who was on a strange wheel, gave it up. The other three were pretty well hunched, until the stretch was reached, when Manville dropped behind and White and Robertson made toward the wire at a swift pace. White held the slight lead he had and finished with the Stratford man at his heels. The time, 1:19, is excellent for the track.

HALF-MILE, PACE, 15 AND UNDER.
Starters—A. Pavey, F. Ware and E. Yates. Pavey took the lead, but gave way at the quarter; to Yates, who in turn gave place to Ware. Yates finished first, Yates second and Pavey third, strong out. Time, 1:30.

THREE-MILE HANDICAP.
Starters—W. N. Robertson, E. B. Racette and Clay Manville (scratch). James Lamb (45 yards); and C. H. White (75 yards). An unfortunate mishap spoiled what promised to be a fine race. Manville overtook White in the third lap but they collided on the last turn of the fourth and both fell. Racette kindly handed over his wheel to Manville whose own wheel smashed. White mounted again and secured another machine at the grand stand. Manville could not ride Racette's wheel and dropped out. Robertson, of course, came in an easy winner, with White a very close second. Time, 12:30.

HALF-MILE MIXED (PNEUMATICS BARRED).
Starters—W. Mann (ordinary), D. Rougiev (Broncho), F. Ware and C. H. White (tandem). The tandem wasn't in it and made a short cut through the center of the park. Mann and Rougiev finished first and second respectively. Time, 1:45.

ONE-MILE HANDICAP.
Starters—J. F. White (scratch), W. N. Robertson (scratch), F. Ware and J. S. Bennett (75 yards each). Ware retired and Robertson made no attempt to win. White had no trouble in passing Bennett. Time, 3:14 3-5.

TWO-MILE LAP RACE.
J. F. White, Wm. Robertson and Clay Manville entered for this, which proved the closest and most exciting of the lot. Four laps were ridden off, the winner of the first three scoring four points and of the fourth lap five. The result was:

Manville..... 2 3 4 5-12
White..... 3 2 3 3-11

TIPS.
The Toronto steeplechase Everett and his jockey, Snyler, have been ruled off for a suspicious-looking race at Chicago.

At Lexington, Ky., on Saturday, between heats, noted Sunol was shown out of harness in front of the grand stand. The official display of the day was the mile exhibition of Bonner's \$125,000 Arion, who once astonished the world as a 2-year-old. Marvin, the gray-bearded enthusiast, held the reins. It was simply a show, not an effort to break the record. The mile was made in 2:13.

Arion glided over the ground with ease. He made a few breaks, but Marvin with his mastery hand steered him to business and brought him in triumphantly.

ATHLETICS.
At a meeting of the board of managers of the Metropolitan Association of the Amateur Athletic Union held in New York Saturday night, 43 clubs were dropped for not paying their debts. Among these is the Buffalo Athletic Club.

four lengths ahead. The mile and a half was reached at 27. In the race home Gaudaur and Hosmer held their lead with apparent ease to the finish. Nearing the finish Gaudaur and Hosmer were greeted with a mighty cheer and bursting in response to it they crossed the line in 18:31, about seven lengths ahead. The time is fast considering the wind and water. Hosmer has issued a challenge to Rogers, of Worcester, for a three-mile race for \$500 a side.

The combination is to fix all prices, and dealers selling at these prices will, upon making affidavits to that effect, be allowed a 5 per cent. pound rebate, which is supposed to be the profit of the retailer. The probability is that the new system will go into effect at once.

Charles E. Bobzein & Co., Detroit, dealers in pianos and organs, failed, liabilities \$100,000.

Wm. A. Barker, of Providence, R. I., was killed by a car on Thursday night. He was 32 years old and very wealthy.

President Harrison has signed a proclamation, opening to settlement the surplus land of Crow Indian reservation in Montana, aggregating about 1,500,000 acres.

Heinrich Daniels, supposed to be from Canada, and bound for Peterson, N. J., died his brains out on an Erie train between Binghamton, N. J., and Susquehanna, Pa.

A St. Louis dispatch says that negotiations are nearly completed for the absorption of the Postal Telegraph Company by the Western Union at Chicago. No credence is given for the rumor.

Wm. J. McKenzie, attending a ball at Chicago Friday night, was fatally shot by Prof. Maurice Adams. Adams had made an insulting remark about a young lady friend of McKenzie's.

Mrs. Mary Brown, of Henderson, Mich., committed suicide Friday night by throwing herself in a cistern. Her mind had been unbalanced for several months, caused by an attack of grippe.

Much alarm is felt in shipping and insurance circles at Hong Kong regarding the steamer Bokhara, belonging to the Peninsular and Oriental Steam Navigation Company, which is long overdue.

A young man named Pickell, employed on a Washington newspaper, shot himself in one of the offices of the paper Saturday, and then calling down the speaking tube notified the people in the main office of his act.

President Harrison is very much depressed in spirits at the steady decline of the dollar, and no longer at all confident of the success of the monetary policy.

On Saturday, for the first time during the week, he was forced to be excused to all callers, and the regular afternoon reception was omitted.

Contractor George Seigfried, aged 57; Michael Mastell, aged 55, and Michael Conroy, aged 52, were instantly killed. Patrick Martin and Patrick Conroy were so severely injured that they died while being carried to the hospital. John Burns and Owen Grannie were injured slightly. All five of the men who were killed leave large families. The accident was caused by the undermining of the wall by water in the raceway.

A VICTIM OF THE WEED.

Booth's Illness Brought on by Coffee and Tobacco.
New York, Oct. 16.—Edwin Booth, who, while suffering from an attack of vertigo, fell two or three days ago, striking his head and otherwise bruising himself, is confined to his room and refuses to see callers. His married daughter, Mrs. J. R. Grossman, sent down word to an inquirer that her father was in good health, and was not hurt in the accidental fall. Knowing ones here say that the actor was not in good health, aside from the accident, and fears are entertained that if he has such another attack it will go bad with him.

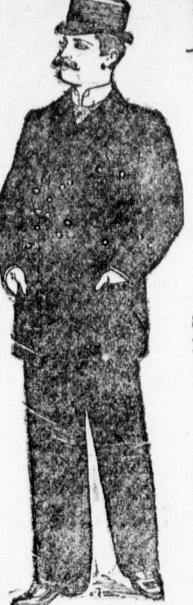

It is said that Mr. Booth's physicians have forbidden him to use tobacco, but despite this warning he smokes as much as ever, and will not discontinue using coffee, which he has been forbidden.

Handfuls of telegrams from all parts of the country have been received by Mrs. Grossman from friends of the actor, making inquiries as to his condition.

The C. P. R. will recommence running the tourist excursion to the Pacific Coast on Oct. 7, and will run them weekly thereafter. Berths held at No. 1 Masonic Temple.

Rich relatives are apt to be very close relatives and distant ones, too.

Nothing impure or injurious contaminates the popular antidote to pain, throat and lung remedy and general corrector, Dr. Thomas' Electric Oil. It may be used without the slightest apprehension of any other than salutary consequences. Coughs, rheumatism, earache, bruise, cuts and sores succumb to its use.

THE WEATHER.

TORONTO, Oct. 16—11 p.m.—To-night a

well-marked area of high pressure covers

the lake region and north part of the

Province of Quebec. There is an important

area of low pressure over the Northwest

States and Manitoba, and higher pressure

further west. A hurricane which passed

east of Bermuda on Saturday is probably

now far out at sea to affect our Nova Scotia

coasts. A heavy fall of snow has occurred

since Friday in Alberta.

Minimum and maximum temperatures:

Victoria, 36°-52°; Calgary, 14°-28°; Ed-

monton, 24°-30°; Medicine Hat, 22°-38°;

Port Arthur, 36°-48°; Toronto, 50°-57°;

Montreal, 50°-64°; Quebec, 48°-64°; Hal-

ifax, 38°-58°.

TO-DAY'S PROBABILITIES.

TORONTO, Oct. 17—1 a.m.—Probabilities

for the next 24 hours for the lower

lakes region (covering the peninsula and

as far east as Belleville) are: North-

easterly to southeasterly winds; fine

weather; not much change in temperature.

STATEMENT OF MR. McNEEL.

For eight years I was troubled with a sore

on my leg which resulted from having it broken.

The doctors kept me in bed five months trying

to heal it up, but all to no purpose. I tried all

sorts of salves, liniments, ointments, pills and

blood purifiers, but with no benefit. In 1883

it became so bad that I had to sit on one chair

and I could not put my foot on the ground or the

leg would rush out in a stream, and my leg

was entirely black. I was in this state for

eleven months. I was then taken to the hospital,

but I would not, for I knew they would

take my leg off. I was then taken to the

hospital, but I would not, for I knew they

would take my leg off. I was then taken to

LONDON AND ENVIORS.

—It is necessary that copy for changes

of advertisements (to be used of insertion)

must be handed in on the day previous to

that on which their appearance is desired.

—Mr. R. C. Struthers left last week for

the European markets.

—Dr. O'Neil, V.S., has left for the old

country with a string of 35 horses of all

classes.

—To-night the Wellington Street

Methodist Sunday school will give a

musical and dramatic entertainment in

the school room. A fine programme has

been prepared.

—Mr. E. S. Willard, the English actor,

who visits London this week, is one of Eng-

land's greatest. There is a general agree-

ment of the best judges that he is an actor

of very high order.

—Rev. Geo. M. Milligan, M. A., the

eloquent divine of Toronto, will lecture to-

night in St. James' Presbyterian Church

on "A Want That Is a Want." Silver

collection. Eight o'clock.

—In the published report in Saturday's

paper of the late W. K. Muir, of Chicago,

the name of Miss Ella Cosford was given

in error as secretary, in place of Miss

Gordon, Stratford.

—Prof. Wm. Seymour, phenologist and

hypnotist, lectured in Victoria Hall on

Saturday evening to a fair audience. His

subject was spiritualism. He will remain

at the Tecumseh House during this week

and give phenological charts and instruc-

tion in hypnotism.

—The Detroit Free Press says: A life-

size portrait of the late W. K. Muir, of

Chicago, was presented to the Board of Poor

Commissioners yesterday (Saturday) by Mrs.

Muir. The picture is a striking likeness of

the deceased, and has been hung in the

board room of the municipal building.

—The Sunday-school anniversary services

of the Wellington Street Methodist Church

yesterday were marked by a large congrega-

tion. Rev. John Kay, of Dundas, preached

morning and evening. The 3 p.m. meeting

was addressed by Rev. Mr. Kay, Rev. Wal-

ter Rigby and Rev. Dr. Antill.

—The paper chase to be held by the

London Athletic Club on Wednesday after-

noon promises to be an interesting event

in the local sporting line. The Rugby

Football Club and a number of the

College Institute pupils have volunteered

to join in the run. It will be much easier

than the second one to be held

next week.

—Rev. G. M. Milligan, the eminent

Toronto divine, preached Sunday morning

in St. James' Presbyterian Church. It

was an earnest and scholarly exposition of

the scriptural thought upon which his

sermon was based. The reverend gentle-

man lectured to-night in the same place

on "A Want That Is a Want." It is said to

be a rare treat.

—John Ashton, James Marley, Charles

Harris and Birdie Ringham were arrested

Saturday evening by the police on a charge

of vagrancy. Harris and Ringham are

boys aged 13 and 14 respectively. The

former says his home is in Toronto, and

the latter gives his residence as Flint,

Mich. They assert that they were enticed

away by two men, who used them for

begging purposes.

—Mrs. Davis and Mrs. Dickinson, of

New York, the brilliant officers of the

Order of King's Daughters and Sons spoke

to a crowded congregation in the Queen's

Avenue Methodist Church last evening.

Their addresses dealt with the inception,

growth, principles, aims, objects, require-

ments and achievements of the order, and

contained many impressive spiritual

lessons that were apparently not without

effect on the minds of the hearers. A score

or more of young ladies enrolled them-

selves as daughters of the King, and re-

ceived the emblematic silver crosses to

wear as signification of their allegiance.

In New Quarters.

The inmates of the Old Men's Home,

Johnston, have been all removed to the

commodious new aged people's home,

corner Richmond and Victoria streets,

where the aged women have already tak-

en up their quarters. Each are established

in separate wings of the building. The man-

agement will be conducted more efficiently

by the union.

London and Hospitality.

As is generally known, a convention of

the Society of Christian Endeavor begins in

this city on Wednesday afternoon. While

all future conventions will likely be re-

duced in number, the one referred to will

doubtless be largely attended. It is to be

hoped, therefore, that London will main-

tain its reputation for hospitality. The chair-

man, secretary, or any member of the con-

vention will be glad to hear from citizens

who have not as yet responded.
