AUDITOR GENERAL'S OFFICE, OTTAWA, Feb. 14, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 11th instant, from which I infer that the authority of Council had not been obtained for the appointments of S. J. B. Loard, Joseph Ganley and Jacob Barry, as light-keepers, because their employment as such was to be of a temporary character. I beg to point out, in reply, that the section of the Act of Parliament to which I directed your attention in my letter of the 23rd ult. empowers the Governor in Council to appoint light-keepers and certain other officers and no other authority for this purpose is recognized in the Act. If your Department is convinced that it is in the interest of the public service, in this respect, that the Minister of Marine should have the power of making temporary appointments to the office of lightkeeper, I would suggest that representations be made to the proper quarter, with the view of having the law amended in this direction. At present, it is clear I am not at liberty to accept as legal any appointments under the Act in question, except those made by Council.

I am, Sir, your obedient servant,
The Deputy Minister of Marine. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Feb. 11, 1890.

SIR,—On glancing over the vouchers forwarded to me in support of the payment of \$12,000.00 to the Harbour Commissioners of Montreal last month for the maintenance of the buoys and beacons in the ship channel between Montreal and Quebec, I notice that they are not certified in accordance with the provisions of section 33 of Audit Act. No doubt you ascertained through a responsible officer of your Department that the work had been performed and the materials supplied, and that the prices charged were fair and just. It is necessary that a certificate to this effect should be sent me, in addition to the vouchers.

I am Sir, your obedient servant,
The Deputy Minister of Marine. J. L. McDOUGALL, A.G.

MARINE DEPT. OTTAWA, Feb. 14, 1890.

SIR,—I have the honor to acknowledge receipt of your letter of the 11th instant, requesting that a certificate might be sent that the buoy service between Montreal and Quebec had been duly performed, that the materials were supplied, and that the prices charged were fair and just.

In reply I have to inform you that by Order in Council of the 18th of March last the Minister of Marine and Fisheries was authorized to enter into a contract with the Commissioners for the sum of \$12,000 per annum as a maximum allowance, and this contract was duly made on the 30th March last. The Department considered it advisable that vouchers should be asked for, that the sum of \$12,000 had been expended and the Harbour Commissioners accordingly forwarded vouchers, showing that a much larger sum than \$12,000 had been expended in carrying out the work. A certificate does not appear to be necessary in this case, the work having been done by contract, and I have no doubt, as regards the vouchers sent, that the prices charged were fair and just. We have no officer in Montreal who could give the certificate asked for.

I am, Sir, your obedient servant,
The Auditor General. WM. SMITH, D.M.M.

AUDIT OFFICE, OTTAWA, Feb. 22, 1890.

SIR,—With reference to your letter of the 14th instant, in which you state that the Harbour Commissioners of Montreal maintain the buoys and beacons in the ship channel between that city and Quebec under contract, I have the honour to say that, in such case, the certificate required by section 33 of the Audit Act, as to the

price paid is not necessary; but that portion of the section requiring a responsible officer to certify that the work has been performed should be complied with. I was not aware that the work was performed under contract, as I interpreted the Order in Council, to which you refer, merely to limit the expenditure for the work in question to \$12,000. Please send me a copy of the contract.

I am, Sir, your obedient servant,
The Deputy Minister of Marine. J. L. McDOUGALL, A.G.

MARINE DEPT., OTTAWA, Feb. 25, 1890.

SIR,—I have the honour to acknowledge receipt of your letter of the 22nd instant, requesting to be furnished with a copy of the contract for the maintenance of buoys and beacons between Montreal and Quebec, and stating that you were not aware that the work was performed under contract, and in reply I beg to inform you that the agreement referred to was submitted to you June 17 last, and returned in your letter of June 27, but I enclose as requested, herewith, a copy of the contract. With reference to your statement that a certificate is required of the work having been performed, I beg to state that the work was carried out under the supervision of the officers of the Montreal Harbour Commission, and there is no doubt as to its having been done in a satisfactory manner. If you desire a certificate from the Commissioners that the work has been performed I will write for it.

I am, Sir, your obedient servant,
The Auditor General. WM. SMITH, D.M.M.

AUDIT OFFICE, OTTAWA, March 3, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 25th ult., enclosing the agreement entered into with the Harbour Commissioners of Montreal for the maintenance of the buoys and beacons in the ship channel between Montreal and Quebec. I was aware when writing to you on the 22nd ult. that I had seen this document, but my memory of its stipulations was that the Department bound itself to pay the Harbour Commissioners such sum only as was shown by vouchers to have been expended, the total obligation in one year not to exceed \$12,000, and on further reference to it I find that such is the case. Let me quote the words: "In consideration whereof, Her Majesty doth hereby agree to pay to the parties of the first part such sum as shall be shown to have been actually expended by the parties of the first part, and to have been necessary for the above mentioned service, not exceeding, however, the sum of \$12,000." As the Harbour Commissioners are thus obliged to furnish an account in detail of the expenditure incurred by them, it is evident that such account should be examined by a responsible officer of your Department as to the reasonableness of the prices charged, the due performance of the work, and whether or not the total outlay was necessary for the proper maintenance of the service in question; and a certificate to this effect, signed by such officer, should be forwarded to me with the vouchers. A certificate of this nature by the Commissioners would plainly not meet the requirements of section 33 of the Audit Act, as they would simply be certifying to their own work. The officer who reports to you that the work is being duly attended to is the proper person to certify the accounts.

I am, Sir, your obedient servant,
The Deputy Minister of Marine. J. L. McDOUGALL, A.G.

MARINE DEPT., OTTAWA, March 5, 1890.

SIR,—I have the honour to acknowledge receipt of your letter of the 3rd instant, in further reference to the account for buoy service between Montreal and Quebec, and with reference to your statement, that the officer who reports to me that the work is being duly attended to is the proper person to certify to the accounts, I beg

to inform you that the work in question was attended to by the Harbour Commissioners and their officers for the past year in the same manner as it has been carried out in previous years, and this Department had no officer attending to the work, and who would be able to certify as to the correctness of the accounts furnished. I may observe, however, that the Commissioners have furnished accounts, showing an expenditure for the service of \$14,458.58, instead of \$12,000, and I have no doubt that the work was performed in a very efficient manner by the Commissioners during the past season, as in previous years.

I am, Sir, your obedient serrant,
 The Auditor General. WM. SMITH, *D.M.M.*

AUDIT OFFICE, OTTAWA, March 10, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 5th instant, relative to the buoy and beacon service in the ship channel between Montreal and Quebec, stating that the work for which you issued a cheque for \$12,000, in favour of the Harbour Commissioners of Montreal, was performed in the same manner as it had been carried out in previous years, and that your Department had no officer attending to the work who would be able to certify to the correctness of the accounts furnished. In view of this statement, I beg to be informed if the maintenance of the buoys and beacons in question was paid for by the Government of Canada prior to the date of the agreement entered into with the Harbour Commissioners. I did not understand from the Order in Council authorizing such agreement that the work to be performed under it was an entirely new obligation assumed by your Department, or I should have ascertained, before passing payment, if Parliament had provided the necessary funds to meet such expenditure. It appears to me that the Minister was merely authorized by Council to hand over to one contractor work which previously had been performed by several, and paid for from the appropriation for buoys and beacons upon the certificate of Mr. Gregory.

I am, Sir, your obedient servant,
 The Deputy Minister of Marine. J. L. McDougall, *A.G.*

MARINE DEPT., OTTAWA, April 14, 1890.

SIR,—Referring to your letter of the 10th ultimo, enquiring whether the maintenance of buoys and beacons between Montreal and Quebec was paid for by the Government of Canada prior to the date of the agreement entered into with the Harbour Commissioners, I beg to inform you that the sum of \$7,000 was voted by Parliament for a number of years for this service, and this amount paid to the Harbour Commissioners, but no vouchers were required. The Commissioners having represented that they could not perform the service for \$7,000, an arrangement was then entered into with them, by which they were to receive the sum of \$12,000, it being understood that vouchers were to be produced showing that that amount had been expended in the work. The Harbour Commissioners have attended to this service for many years, and Mr. Gregory, our agent, has had nothing to do with it. This year's service has been given to the Sincennes-McNaughton Line, Montreal, by public tender.

I am, Sir, your obedient servant,
 The Auditor General. WM. SMITH, *D.M.M.*

AUDIT OFFICE, OTTAWA, MAY 16, 1890.

SIR,—With reference to the payment of \$12,000 to the Harbour Commissioners of Montreal for maintaining the buoys and beacons in the ship channel between Montreal and Quebec during the season of 1889, which formed the subject of the letter of this office of the 3rd of March and yours in reply of the 5th March and subsequent letters, I have to state that, unless the certificate of one of your officers is

obtained, showing that the work was performed and that the charges are fair and just, I shall be obliged, as required by the 47th section of the Audit Act, to report the matter to the Treasury Board. I beg to point out that the contract with the "Sincennes-McNaughton Line," for what may be presumed to entail the same outlay, is \$10,800.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine.

NOTE, by Auditor General.—A certificate in accordance with section 33 of the Audit Act has been sent to this office, signed by Mr. W. P. Anderson, the Engineer of the Marine Department.

AUDIT OFFICE, OTTAWA, March 14, 1890.

SIR,—I return herewith the statement of account from the Imperial Government, showing the expenditure incurred in the survey of the St. Lawrence River to have been \$29,286.93 between the 1st of April, 1888, and 2nd May, 1889, one-half of which, it appears, is, according to agreement, a liability of Canada. I beg to say that before I can authorize payment of Canada's portion it will be necessary to furnish me with the original vouchers rendered to the Imperial authorities, including those in support of the amount previously paid, in connection with the service in question. You will notice that the amounts on the statement handed me do not make a total of \$29,286.93.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine.

MARINE DEPT., OTTAWA, March 22, 1890.

SIR,—Referring to your letter of the 14th instant, stating that before you could authorize payment of Canada's portion of the expenditure incurred in the survey of the St. Lawrence River it would be necessary to furnish you with the original vouchers rendered to the Imperial authorities, I beg to inform you that it is not probable that the Admiralty would consent to give up the original vouchers, and I have to request you to inform me whether a certified copy would suit your purpose. I am also to draw your attention to the fact that payment is requested to be made before the 31st instant, and I consider that under the circumstances it would be advisable to pay the amount as soon as possible.

I am, Sir, your obedient servant,

WM. SMITH, D.M.M.

The Auditor General.

AUDIT OFFICE, OTTAWA, March 27, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 22nd instant, stating that it is not probable the Admiralty would consent to give up the original vouchers rendered in support of the expenditure for the survey of the St. Lawrence River, and asking to be informed if certified copies of them would not be sufficient for the purposes of audit. In reply I beg to say that I am not at liberty to authorize any payments, no matter by whom claimed, unless such payments are supported by vouchers properly certified. It has been required that for this purpose the original accounts as rendered by the parties claiming payment should be sent me, and I am unable to see why exception in the present instance should be made in favour of the Admiralty. If Canada is liable for a portion of the expenditure in question the authorities here are entitled to the same proofs of payment and execution of services as are the authorities in England.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine.

MARINE DEPT., OTTAWA, June 23, 1890.

SIR,—With reference to your letter of March 27 last, and to the interviews which have since taken place between you and the Department on the subject of the payment of the expenditure connected with the survey of the St. Lawrence River, which you did not consider you were warranted in authorizing on copies of the original particulars rendered in support of the expenditure, which were all the papers obtained from the Admiralty in possession of the Department, and sent to you for inspection, I have the honour, by direction of the Minister of Marine and Fisheries, to inform you that he is of opinion that—a specific amount after completion of the work and rendering of the account having been voted by Parliament for this purpose—such vote is the authority of Parliament for payment of the account, and that the necessary action therefore should forthwith be taken by you to enable the Department to repay the Admiralty for the expenses incurred upon the work in question by Her Majesty's Government for the Government of the Dominion.

I am, Sir, your obedient servant,
JOHN HARDIE, *for D.M.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, June 25, 1890.

SIR,—Let me acknowledge the receipt of your letter of the 23rd inst., with reference to the expenditure connected with the survey of the St. Lawrence River. I admit the force of your argument that Parliament, having voted a specific sum to be applied to the payment of work which had been performed and the vouchers rendered, had thus taken the audit of the accounts into its own hands, and relieved me of the responsibility of making another audit. Please apply for payment of the amount.

I shall continue to ask for the vouchers in similar cases, as Parliament cannot, from the important nature of its duties, make a minute examination. I shall leave it to the Department to withhold the vouchers or to furnish them for examination.

I am, Sir, your obedient servant,
J. L. McDOUGALL, *A.G.*

The Deputy Minister of Marine.

MARINE DEPT., OTTAWA, July 7, 1890.

SIR,—I have the honour to acknowledge receipt of your letter of the 25th ultimo, with reference to the expenses connected with the survey of the St. Lawrence River, and, as requested, have applied for payment of the amount as shown in the account of the Admiralty.

With reference to your statement that you would continue to ask for vouchers in similar cases, and leave it to the Department to withhold the vouchers or to furnish them for examination, I am to point out that this Department has never withheld vouchers in its possession or refused to furnish them to you for examination.

In the case in question the Admiralty transmitted a detailed statement of the expenditure, which was placed before you, and stated that the original cash account and vouchers were open to the inspection of any officer whom the Dominion Government might appoint for the purpose.

I am, Sir, your obedient servant,
JOHN HARDIE, *for D.M.M.*

The Auditor General.

MARINE DEPT., OTTAWA, April 5, 1890.

SIR,—With reference to your letter of the 12th instant, concerning the payments made to Mr. L. W. Hill, I beg to say that Mr. Hill, was employed in this Department from June 26 to November 26 last, an extra or temporary clerk being

absolutely necessary in the interest of the public service during that time. Mr. Hill was employed chiefly in arranging books, contracts and papers relating to the construction of light houses, his services also being utilized in connection with the removal of those documents from the old offices to the quarters now occupied by the Department of Marine. Mr. Hill's services were also available for making out cheques during the absence on leave, on account of sickness, of one of the clerks in the Accountant's Branch and, if it is considered necessary to have the payments made to Mr. Hill, for the comparatively short time in which he was not occupied with the construction books and papers, sanctioned by an Order in Council, I am to add that the Minister will be prepared to make a recommendation accordingly.

I am, Sir, your obedient servant,

WM. SMITH, *D.M.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, April 9, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 5th inst., stating that L. W. Hill was employed in the Department of Marine from June 26 to November 26 last, writing out letter of credit cheques and arranging books and other papers relating to the construction of lights; and further, that you considered the due performance of such services at the time was absolutely necessary in the public interest. Permit me to point out that Parliament has provided, under section 47 of the Civil Service Act, for such an emergency as that which you state in justification of the appointment of Mr. Hill. Under this section the Head of any Department in which there is a temporary pressure of work may select from the qualified candidates for the Civil Service, for whom no vacancies have been found, such number of temporary clerks as are required, and may pay them from the vote for the contingencies of his Department, or from any money voted for the construction of the works upon which they are employed; the remuneration in either case not to exceed \$400 per annum, except in cases requiring special qualifications for technical services. I beg therefore to inform you that as Mr. Hill's appointment has not been made subject to the provisions of section 47 of the Civil Service Act, I am not at liberty to pass his salary as a legitimate charge on the vote for the construction of lights.

I am, Sir, your obedient servant,

The Deputy Minister of Marine.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, June 24, 1890.

SIR,—I have the honour to bring to your notice vouchers 412 and 4373, both rendered by L. E. Beauchamp, *M.D.*, for medical attendance at Chicoutimi hospital in the year 1887, and from July 18, 1888, to Sept. 30, 1889. As I find from my Reports for 1888 and 1889 that \$428 was paid Dr. Beauchamp during these years for his services at Chicoutimi, I should like to have your explanation of the delay in making payment for the services rendered in 1887 and part of 1888.

I am, Sir, your obedient servant,

The Deputy Minister of Marine.

J. L. McDOUGALL, *A.G.*

MARINE DEPT., OTTAWA, July 3, 1890.

SIR,—I have the honour to acknowledge receipt of your letter of the 24th ultimo, requesting explanations with reference to the delay in payment of Doctor Beauchamp's account for medical attendance at Chicoutimi Hospital for the year 1887 and part of 1888, and in reply I am to inform you that the account in question was handed by Dr. Beauchamp to the Customs officer at Chicoutimi, to be forwarded to this Department; but it appears that the Collector, after detaining it a long time in his office, afterwards lost it in Quebec. When the account eventually reached the Department certain particulars were required before payment could be made, and it

was returned to the Collector of Customs to have them supplied, but the officer of Customs who was then in charge had resigned his position, and another delay occurred before the account was paid.

I am, Sir, your obedient servant,
The Auditor General. JOHN HARDIE, *for D.M.M.*

MARINE DEPT., OTTAWA, Aug. 20, 1890.

SIR,—I have the honour to enclose herewith a letter from the Department of Justice with the accompanying papers in reference to a claim made by Mr. T. N. Dancey, wharfinger at Goderich. You will observe that the Deputy Minister of Justice considers that Mr. Dancey is entitled to receive \$450 for salary up to July 1 last. It has been customary to pay wharfingers out of the dues and tolls collected by them, but no dues or tolls have been collected at Goderich for some time past; but, as you are aware, Mr. Dancey has collected for the Department rents received from lease of portions of the dock. I have to request that you will be good enough to inform me as to how you consider this claim can be paid, whether from unforeseen expenses, from general revenue derived from wharves and piers, or from the rents received from the Goderich docks. I presume it will be necessary to obtain the authority of the Council for the payment.

I am, Sir, your obedient servant,
The Auditor General. JOHN HARDIE, *for D.M.M.*

AUDIT OFFICE, OTTAWA, Sept. 10, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of August 20, enclosing certain papers relating to the appointment, January 1, 1889, of T. N. Dancey as wharfinger at Goderich, and a claim subsequently made by him for \$450, salary to June 30, 1890, for which there is no Parliamentary appropriation. The payment may be made under the authority of Council from the vote for Unforeseen Expenses, but in my opinion the better course would be to await the next Session of Parliament and make special appropriation for the amount required. The amount cannot be paid from revenue.

I am, Sir, your obedient servant,
The Deputy Minister of Marine. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Sept. 2, 1890.

SIR,—I beg to bring to your notice the vouchers sent me in support of the expenditure for the examination of Masters and Mates during the fiscal year ended June 30, last. In scarcely any instance is the proper certificate attached to those vouchers, and in the case of those furnished by Mr. Smith, Chairman, for his travelling expenses—198, 4458 and 7426—the dates are not given, excepting those for the days on which he left Halifax. Mr. Smith should, in addition to giving further dates, certify that the whole amount of the account rendered by him was expended on Government business, and that the prices charged are fair and just. A similar certificate should be appended to the vouchers furnished for postage stamps and telegrams. Please have the duplicates in your possession certified as required, and forwarded to me. I will then return the vouchers for these services originally sent me. With reference to the vouchers sent in by the examiners, Mr. Smith should certify in every case that the services for which payment is claimed have been rendered. I find from vouchers 3568 and 4197 that Thomas Killam and Henry Lewis were paid for examinations held in Yarmouth N. S., Jan. 2 and 3, and Feb. 1 and 2, 1889. I direct your attention to these payments, as it is not usual to pay two examiners for the same sittings at the same place.

I am, Sir, your obedient servant,
The Deputy Minister of Marine. J. L. McDOUGALL, *A.G.*

MARINE DEPT., OTTAWA, Nov. 25, 1890.

SIR,—With reference to your letter of Sept. 2 last, I have now the honour to enclose duplicate vouchers Nos. 198, 4458, 7426, 3568 and 4197, corrected and certified by the Chairman of the Board of Examiners of Masters and Mates. Will you be good enough to return me the originals of the above vouchers sent you? With reference to paying two examiners for the same sittings at the same place: I am to inform you that the practice was discontinued by the Chairman after Feb. 1889. In one case only since that time have two examiners been employed, but this was rendered necessary by the Chairman's compulsory absence on other business connected with the Department.

I am, Sir, your obedient servant,
WM. SMITH, *D.M.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, Oct. 1, 1890.

SIR,—I beg to direct your attention to vouchers 7545, 7547 and 7550, the amount of which—\$133.75—is included in your application No. 16, of the 30th ult., and to inform you that this sum cannot be charged against an appropriation for the fiscal year 1889-90, as the vouchers show that the services for which payment was made were rendered during the present year. The parliamentary appropriation for tidal observations was applicable only to services performed to June 30 last, and as there is no provision for such service in the Supply Bill of 1890-91, I shall be obliged to treat the amount as unprovided for, until provision is made by Governor General's Warrant.

I am, Sir, your obedient servant,
J. L. McDOUGALL, *A.G.*

The Deputy Minister of Marine.

MARINE DEPT., OTTAWA, Oct. 13, 1890.

SIR,—Referring to your letter of the 1st inst., calling attention to certain payments for tidal observations, and stating that they could not be charged against an appropriation for the fiscal year 1889-90, as the vouchers show that the services for which payment was made were rendered during the present year: I beg to inform you that, in looking further into the matter, I am of opinion that the items in question are properly chargeable to this appropriation of \$2,000 made for tidal observations for the year ended June 30, 1890. On the strength of that appropriation arrangements were made by the Department for the erection of tidal gauges in the Lower St. Lawrence and Nova Scotia, and the expenses of Messrs. Gordon and Carpmael, Nos. 7545 and 7550, were incurred in carrying out these arrangements. The remaining item for \$13.80 was for payment of the housing box for the gauge, payment for which was made July 30, voucher No. 337, and to which payment no exception has been taken by you.

I am, Sir, your obedient servant,
WM. SMITH, *D.M.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, Oct. 16, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 13th inst., in which you state that in your opinion the amount of cheques 7545, 7547 and 7550, to which I called your attention on the 1st inst., is a proper charge against the appropriation for tidal observations for last year. With regard to this matter, I beg to refer you to the decision of the Treasury Board of June 27, 1888, published in my report of 1889, at page C-13. You will find that by this decision the course which I have taken in reference to these cheques is placed beyond question. As to the item \$13.80, to which you say I make no objection, I would refer you to my letter of the 1st inst. calling your attention to voucher 7547. Since I wrote to you on

this subject I have found another voucher—No. 337, for \$100— which, if the purchase was made on the date given (July 26), is also an improper charge against the vote for tidal observations. This voucher was not brought to my notice at the time, as it was sent to this office with the vouchers in support of the expenditure for July, 1890.

The Deputy Minister of Marine.

I am, Sir, your obedient servant,
J. L. McDOUGALL, A.G.

MARINE DEPT., OTTAWA, Dec. 1, 1890.

SIR,—Referring to your letter of Oct. 1 last, drawing attention to the expenditure of certain amounts by this Department on account of tidal observations, amounting in all to the sum of \$244.75, and stating that as no provision had been made for tidal observations in the Supply Act of 1890-91 you would be obliged to treat the amount as unprovided for, until provision is made by a Governor General's Warrant, I have the honour to inform you that by Order in Council of Nov. 22, on the recommendation of the Minister of Marine and Fisheries, authority has been given for the issue of a Governor General's Warrant for the sum of \$2,000, to cover the above expenditure, the Minister of Finance having reported that there is no parliamentary provision for the expenditure above referred to.

The Auditor General.

I am, Sir, your obedient servant,
WM. SMITH, D.M.M.

AUDIT OFFICE, OTTAWA, Nov. 13, 1890.

SIR,—I beg to request that you will cause to be sent me Dr. Bayard's account of \$200 paid him by cheque 5735, showing the dates on which he was employed and the different items of expenditure which make up the amount. With reference to the expenditure during last year in connection with Marine Hospitals, I notice that in several cases, such as vouchers 5721, 4380, 5706 and 5534, accounts marked in the Department as having no legal claim have nevertheless been paid. The accounts so marked, and some others also paid, were not properly chargeable on the vote for Marine hospitals, as the owners of the vessels from which the sick seamen were taken had not complied with the requirements of section 6 of the Act respecting sick and distressed seamen.

The Deputy Minister of Marine.

I am, Sir, your obedient servant
J. L. McDOUGALL, A.G.

MARINE DEPT., OTTAWA, Nov. 20, 1890.

SIR,—I am in receipt of your letter of the 13th instant, and in reply thereto beg to inform you that complaints were made against the management of the St. John Marine Hospital through the press and otherwise, which complaints the Government considered should be formally investigated. It was accordingly decided to appoint, by Order in Council, for the purpose of conducting this investigation, Dr. Bayard, one of the leading physicians of the Maritime Provinces, and a man of very high standing in his profession. After taking a great deal of evidence, Dr. Bayard finally made his report, containing a number of suggestions and recommendations. As he is a professional gentleman of high standing the Department could not ask him to furnish details of the time occupied, nor did he make out any account for his services, but the Minister of Marine recommended to Council that the sum of \$200 should be paid him, and an Order in Council was passed accordingly. The cheque was sent to Dr. Bayard in due course, and he gave his receipt for it, but no further information can be afforded in the matter. With reference to the accounts for medical attendance upon sick mariners which have been paid, although marked as having no legal claim, I beg to state that in such cases the doctors were informed that according to the

understanding of the Act by this Department they were strictly not entitled to payment, as the vessels to which their patients belonged had not paid dues at that particular port, but that in view of their services having been rendered in good faith their accounts would be paid in whole or in part *ex gratia*. At the same time, the opinion is held by some legal gentlemen, and was expressed in Parliament last session, that the Department was not right in holding so strict a view of the Act, and the question of interpretation was some time ago referred to the Department of Justice, which still has it under consideration.

I am, Sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, Dec. 2, 1890.

SIR,—I find by the vouchers furnished by Messrs. Gunn and McLeod, the two gentlemen who composed the Herring Delegation, that the former was paid for his services at the rate of \$4 per day and the latter at \$60 per month. As I have not been furnished with any Order in Council in reference to this matter, I will thank you to send me the authority upon which the rates in question were allowed as fair and just compensation for the services rendered.

By cheque 2703 the sum of \$173.65 was paid to E. McLeod to pay amount of execution obtained against Fishery Warden Joseph O'Brien, and by cheque 3492 a further sum of \$216.53 was paid him as fees for professional services in connection with the said execution. With reference to these payments I beg to request that you will cause to be sent me a letter from the Department of Justice stating whether or not the amounts in question were a liability of Canada within the lines in such cases laid down in the letter of the Acting Deputy Minister published in my Report of 1889 at page A-5.

I am, Sir, your obedient servant,
The Deputy Minister of Fisheries. J. L. McDOUGALL, A.G.

FISHERIES, DEPT., OTTAWA, Dec. 19, 1890.

SIR,—In reply to your letter of 2nd instant, asking for the authority upon which the two gentlemen composing the Herring Delegation were paid at the rate of \$4 a day and \$60 per month respectively for their services, I have the honour to enclose a copy of the Order in Council under which the payments in question were paid.

Also please find enclosed, in reply to your further enquiry, a letter from the Department of Justice, stating that the payment of the sum of \$390.18 in the case of Miller & O'Brien was a liability of Canada.

I am, Sir, your obedient servant,
The Auditor General. JOHN TILTON, D.M.F.

AUDIT OFFICE, OTTAWA, Dec. 9, 1890.

SIR,—I beg to bring to your notice cheque No. 2 in favour of M. G. McLeod for \$150 paid him during the fiscal year 1889-90. The voucher sent me in support of this cheque states that the amount is "in full settlement of claim for damages to dam through defective fishway." It is not certified that the amount paid was a fair and just compensation for the damages sustained, and it is not stated how the Government became liable in the matter. Please inform me in these respects.

I am, Sir, your obedient servant,
The Deputy Minister of Fisheries. J. L. McDOUGALL, A.G.

FISHERIES, DEPT., OTTAWA, Dec. 19, 1890.

SIR,—In reply to your letter of 9th instant, asking for explanations of a payment of \$150 to Mr. M. G. McLeod for damages to his dam through a defective fishway, I am directed to enclose a copy of a report from Fishery Overseer Sutherland, also a copy of the Minister's decision in this matter.

I am, Sir, your obedient servant,
The Auditor General. JOHN TILTON, D.M.F.

AUDIT OFFICE, OTTAWA, May 23, 1890.

SIR,—Mr. Jas. McEvoy, a temporary employee of the Geological Survey, has drawn pay for extra work as follows :—

January, 44 hours at 50 cts.....	\$22 00
February, 46½ hours at 50 cts.....	23 25
March, 48 do at do.....	24 00
April, 26½ do at do.....	13 25

Please send me a statement, certified by the particular officer in charge of the work performed by Mr. McEvoy, showing the different days on which extra work was done, and the number of hours of extra time on each day.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Interior.

KAMLOOPS, B.C., Aug. 31, 1890.

Referring to the payments made during January, February, March and April, 1890, to Mr. J. McEvoy, for overtime, I may state that Mr. McEvoy was employed at compiling and drawing maps, specially under my direction, and was instructed to work over time, as it was necessary to have the maps above referred to completed promptly. I would further state, that no other employee of the Survey possessed the necessary knowledge of the material to be dealt with in the compilation of the maps.

GEORGE M. DAWSON.

AUDIT OFFICE, OTTAWA, Jan. 21, 1891.

SIR,—In A. P. Low's statement of expenditure on account of his exploration for the season of 1889, an item appears of \$20 for cash lost by the upsetting of a canoe. Please inform me as to the evidence that Mr. Low had this amount of Government money in his possession at the time, and also as to what evidence there is regarding the circumstances of the accident.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Director Geological Survey.

AUDIT OFFICE, OTTAWA, Jan. 21, 1891.

SIR,—Mr. Amos Bowman, formerly in the employment of your Department, received the following advances on account of his exploration expenses during the season of 1889 :—

April 16, 1889,	Cheque No. 816.....	\$250 00
July 2, do	do 401.....	440 00
July 9, do	do 413.....	250 00

This account does not seem to have been settled until November 14, 1890, when a refund of \$359.35 was made. Please explain the reason of this great delay in the settlement of Mr. Bowman's account.

I also notice an item in this account of \$20.00. Field expenses for 10 days at \$2.00. Mr. Bowman explains this "as an average of expenditure for 10 days at \$2.00 per day, an estimate made as closely as possible." Only actual expenses based on full details should be allowed in such cases.

I would also ask, since Mr. Bowman has left the service, what steps are taking towards obtaining a refund of the balance against him, amounting to \$8.50, which arises out of a few disallowed items.

I am, Sir, your obedient servant,

The Director Geological Survey.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Jan. 21, 1891.

SIR,—I have not yet received the accounts of Dr. A. C. Lawson, in connection with his exploration of 1889. The amount of the advances thus unaccounted for is \$1,734.66. As Dr. Lawson left the employment of your Department some time ago, I have to ask the reason for the delay in receiving his accounts, and what prospect there is of a speedy settlement.

I am, Sir, your obedient servant,

The Director Geological Survey.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, January 21, 1891.

SIR,—I beg to ask what steps, if any, have been taken towards obtaining a settlement of the accounts of Messrs. Wallace Broad and A. McArthur, against whom balances of \$205.71 and \$200, respectively, are standing. If it is impossible to recover these amounts, power to write off the balances should be obtained at the coming session of Parliament.

I am, Sir, your obedient servant.

The Director Geological Survey.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, March 28, 1890.

SIR,—In glancing over the accounts rendered by your Department for the expenditure on account of the various Indian services during the current year, I notice that several of them are deficient as regards the certificates required by Section 33 of the Audit Act, which section calls upon the officer under whose special charge any particular part of the public service is, to certify that the work has been performed, or the materials supplied, as the case may be, and that the price charged is according to contract, or, if not covered by a contract, is fair and just. In the majority of cases, it is the certificate of the Indian agent that is required. Please see that all vouchers sent me in future are fully certified in accordance with the above section.

I am, Sir, your obedient servant,

The Dy. Supt. General Indian Affairs.

J. L. McDOUGALL, A.G.

INDIAN AFFAIRS, OTTAWA, April 11, 1889.

SIR,—Referring to your letter of the 28th ultimo, I have the honour to inform you that this Department and its agents consider the phrase "certified correct" to cover all the points in the correctness of an account as detailed in your letter.

Care will, however, be taken in special cases to furnish a written certificate such as you desire.

I am, Sir, your obedient servant,

The Auditor General.

R. SINCLAIR, for D.S.G.I.A.

AUDIT OFFICE, OTTAWA, April 16, 1890.

SIR,—I beg to acknowledge the receipt of your letter of the 11th instant, in reply to mine of the 28th ultimo, regarding the certificate required on vouchers for your expenditure, and in reply desire to make the following remarks thereon:—

In the first place even if the phrase "certified correct" were sufficient, I beg to remind you that in a number of the vouchers sent me, this printed certificate is not signed by anyone.

In the second place, as I stated in my previous letter, the Audit Act specifically states (*vide* Section 33) that every voucher for material supplied, or for services rendered, must bear the certificate that such materials have been supplied or such services rendered, and that the price charged is according to contract, or, if not covered by contract, is fair and just. The mere phrase "certified correct" is insufficient, in that it does not specifically show what such certificate is intended to cover. The agent or other officer charged with the purchase and receipt of supplies must clearly certify, 1st, that the goods are received; 2nd, that the prices are fair and just. The section of the Audit Act above referred to prevents me from accepting any less comprehensive certificate.

In addition to this I would add that every account should on the face of it bear evidence that it has been examined and passed in your Department. (*Vide* Section 42 of the Audit Act).

I beg to refer you to my correspondence on this subject with the Department of Agriculture, which will be found on page D—53 of my report for 1889.

I would further add that the vouchers for the expenditure on account of the Indian Trust Fund are still more deficient in the matter of certification, the majority of them bearing no certificate whatever. Please see that all vouchers in the future are certified in accordance with the letter and spirit of the Audit Act.

I am, Sir, your obedient servant,

The Dy. Supt. General Indian Affairs.

J. L. McDOUGALL, A.G.

INDIAN OFFICE, OTTAWA, May 2, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 16th ultimo., respecting the certificate required on vouchers for expenditure on Indian account, and in reply, I beg to inform you that your wishes in the matter will be carried out, but it may take some time to bring our agents into the practice of the new rule.

In all cases where contract vouchers have been sent to you, the receipts belonging to them have been retained in this Department, but in future they will be forwarded with the vouchers to you.

After this date the accounts will bear evidence that they have been examined and passed by this Department.

I am, Sir, your obedient servant,

The Auditor General.

L. VANKOUGHNET, D.S.G.

AUDIT OFFICE, OTTAWA, April 10, 1890.

SIR,—I notice that your agents are in the habit of purchasing ink, mucilage, and, in some instances, especially in British Columbia, other articles of stationery direct from the dealers.

I am aware that such expenditure was authorized by an Order in Council of July 24, 1882, but the Order in Council was tacitly repealed by 49 Vic., chap. 27, sec. 6, sub sec. 2, which provides that the Superintendent of Stationery shall have charge of the purchase of all stationery required for the several Departments of Canada.

I have therefore to request that your agents be instructed to discontinue this practice in the future.

I am, Sir, your obedient servant,

The Dy. Supt. General Indian Affairs.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, March 28, 1890.

The Departmental forms on which the accounts for medical services are made out contain the note that all accounts for medical services are to be rendered quarterly on the following dates: March 31, June 30, Sept. 30, and Dec. 31. If the above accounts had been rendered quarterly, as they accrued, they should have been paid prior to the current year. Please explain the delay in their settlement.

I am, Sir, your obedient servant,

The Dy. Supt. General Indian Affairs.

J. L. McDOUGALL, A.G.

INDIAN AFFAIRS, OTTAWA, April 11, 1890.

SIR,—In compliance with the request contained in your letter of the 28th ult., respecting the payment of the accounts of medical men in the Province of Nova Scotia, for professional services rendered to the Indians of that Province, I beg to inform you that it was not found possible to pay these accounts from the appropriation for 1888-89, and they were transferred to 1889-90, and a sum has been included in the Supplementary Estimates to cover them and any accounts of the current year which the ordinary grant would not cover.

The accounts are rendered quarterly, and the Indian agents have strict instructions not to allow accounts to remain outstanding.

I am, Sir, your obedient servant.

The Auditor General.

R. SINCLAIR, *for D.S.G.*

AUDIT OFFICE, OTTAWA, Oct. 12, 1889.

SIR,—With reference to your letter of Oct. 10, requesting that \$493 of the advances given Agent Martineau be written off, as that amount of annuity money was lost, owing to the capsizing of a boat in which Mr. Martineau was travelling, I beg to ask that the evidence upon which you have deemed it proper that this amount should be written off be forwarded to me.

I am, Sir, your obedient servant,

The Dy. Supt. General Indian Affairs.

J. L. McDOUGALL, *A.G.*

WINNIPEG, Sept. 27, 1888.

SIR,—I have the honour to herewith enclose two statements, one from my steersman, George Pottinger, and the other from my boatman, E. J. Martin, who was in charge of the sails, both giving full particulars of the capsizing of the Government yacht on Aug. 5 last, which took place on Lake Winnipegosis, in the bay between Red Deer Point and Pine Creek Indian Reserve.

In this accident I lost the sum of \$493, of which no trace could be found. This amount was the balance of the travelling expenses money on hand at the time of the accident, in consequence I had to use the balance of the annuity on hand to pay off my crew, assistant, and the other expenses, as already explained, in my travelling expenses account. I herewith attach a statement showing the standing account.

I am, Sir, your obedient servant,

The Insp. Indian Agencies, Winnipeg.

H. MARTINEAU, *Ind. Agt.*

AUDIT OFFICE, OTTAWA, March 31, 1890.

SIR,—In August last your Department purchased three acres of land at \$100 per acre for the St. Paul's Industrial School, from the Isbister Trustees through their solicitors, Messrs. Archibald & Howell. Messrs. Archibald & Howell had this voucher cashed by the Hudson's Bay Company, who, in turn, were recouped for the advance by Departmental cheque No. 25820 in their favour.

I beg to draw your attention to the fact that this mode of payment for land is not in accordance with my circular of Nov. 12, 1888, a copy of which was sent you, stating that when real estate is purchased by the Government, the cheque in payment should be made to the joint order of the owner or incumbrancer, and the agent of the Department of Justice.

I am, Sir, your obedient servant,

The Dy. Supt. General Indian Affairs.

J. L. McDOUGALL, *A.G.*

INDIAN AFFAIRS, OTTAWA, April 14, 1890.

SIR,—Referring to your letter of the 31st ultimo, relative to the manner in which payment was made for the three acres of land purchased for the St. Paul's Industrial School by this Department in August last, I have the honour to inform you that it is regretted that the mistake mentioned by you occurred.

The Indian Commissioner for Manitoba and the North-West Territories has been furnished with a copy of your circular of November 12, 1-88, and care will be taken to have all future payments made in the manner designated by the circular.

I am, Sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, April 1, 1890.

SIR,—Voucher 8, Peace Hill Agency, general expenses, is for a payment of \$17.50 to Messrs. Leeson & Scott for the transport of Mr. C. W. H. Sanders from Calgary to Holbrook, on his transfer from Birtle Agency to the Peace Hills Agency. Voucher 12 of the same Vote is for the payment to Mr. Sanders of \$69.15 for his removal expenses in connection with the same transfer. Were these removal expenses duly authorized by the Treasury Board as required by Order in Council of Sept. 8, 1871?

I am, Sir, your obedient servant,

The Dy. Supt. General Indian Affairs.

J. L. McDOUGALL, *A.G.*

INDIAN AFFAIRS, OTTAWA, April 17, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 1st instant, respecting the removal expenses, \$17.50 and \$69.15, of Mr. C. W. H. Sanders from Calgary to Holbrook, and in reply I beg to inform you that the payment of these expenses was not authorized by the Treasury Board, as it was not thought that the Order in Council of September the 8th quoted by you was applicable to the removal of clerks in the North-West Territories.

I am, Sir, your obedient servant,

The Auditor General.

R. SINCLAIR, *for D.S.G.*

AUDIT OFFICE, OTTAWA, April 19, 1890.

SIR,—In reply to your letter of the 17th instant, regarding the question raised by me in connection with the removal expenses of Mr. C. W. H. Sanders, I beg to draw your attention to the fact that the Order in Council of Sept. 8, 1871, applies to all Government employées irrespective of the part of the Dominion in which they may be employed. Please see that in future all accounts for removal expenses are authorized before payment, as required by the Order in Council referred to, and that past expenses of this fiscal year which are not already authorized as required be made the subject of the necessary Orders in Council.

I am, Sir, your obedient servant,

The Dy. Supt. General Indian Affairs.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 8, 1890.

SIR,—Voucher 4, farm maintenance, Blackfoot Agency, is for a payment of \$18.03 to Farmer W. M. Baker for removal expenses from the Sarcee Agency to the North Blackfoot Reserve. Please inform me if these removal expenses were duly authorized by the Treasury Board before payment, as required by Order in Council of Sept. 8, 1871.

I am, Sir, your obedient servant,

The Dy. Supt. General Indian Affairs.

J. L. McDOUGALL, *A.G.*

INDIAN AFFAIRS, OTTAWA, April 22, 1890.

SIR,—In reply to your letter of the 8th instant, *re* Voucher No. 4, farm maintenance, Blackfoot Agency, I have the honour to inform you that the removal expenses charged in this voucher were not authorized before payment by the Treasury Board, as the Order in Council of the 8th Sept., 1871, to which you refer, was not known to this Department.

The Auditor General.

I am, Sir, your obedient servant,
R. SINCLAIR, *for D.S.G.*

AUDIT OFFICE, OTTAWA, March 31, 1890.

SIR,—Voucher 31, general expenses of Blood Agency, is for a payment of \$30 to Messrs. McCaul & Haultain for counsel fees defending six Indians. If, as it appears, action was brought by the Crown against these Indians, please explain why the Crown is charged with their defence.

The Dy. Supt. General Indian Affairs.

I am, Sir, your obedient servant,
J. L. McDOUGALL, *A.G.*

INDIAN AFFAIRS, OTTAWA, April 12, 1890.

SIR,—Referring to your letter of the 31st ultimo, relative to voucher in favour of Messrs. McCaul & Haultain, amounting to \$30, for counsel fees for defending six Indians; I have the honour to inform you that these Indians were arrested by the Police for obstructing them in the discharge of their duty; and as it was doubtful whether the Indians were guilty, the Indian Agent advised that they be tried before Judge Macleod, and Mr. Haultain was retained as counsel. As the Indians in question were unable to pay legal fees themselves, it follows that the Crown had to defend them, even though the case was brought by the Crown, represented by this Department and the North-West Mounted Police.

The Auditor General.

I am, Sir, your obedient servant,
R. SINCLAIR, *for D.S.G.*

AUDIT OFFICE, OTTAWA, April 1, 1890.

SIR,—Voucher 1, Regina Industrial School, is for a payment of \$194 to Henry Fisher for half cost of a line fence between the Regina Industrial School and the section of land owned by Mr. Fisher. Please state if the land connected with the Industrial School is enclosed by a fence, and if so, when such fence was built. I would also ask for a statement showing the length of the division fence in question, and also showing how the amount paid Mr. Fisher was calculated.

The Dy. Supt. General Indian Affairs.

I am, Sir, your obedient servant,
J. L. McDOUGALL, *A.G.*

INDIAN OFFICE, REGINA, April 22, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter No. 60747 of the 18th instant, referring to voucher No. 7048, and requesting to be advised, for the information of the Auditor General, as to certain matters therein mentioned; and in reply to state that the land connected with the Regina Industrial School, viz., north $\frac{1}{2}$ of section 28, Tp. 17, range 20, west 2nd, is enclosed with a fence, and that said fence is erected on the boundaries of said land, as measured and staked out by Mr. Asst. Surveyor Ponton, of this office. The north boundary forms the line of division between said land and section 33, owned by Mr. Henry Fisher. Mr. Fisher had his whole section surrounded by a good substantial fence, constructed with cedar posts at every rod or 16 $\frac{1}{2}$ feet, with rail on top, and four rows of barbed wire; and there being no road allowance between the two sections, it became necessary, when fencing the school lands, to make a connection with Mr. Fisher's fence erected

on the southern boundary of his land, entitling him, under the ordinance in that behalf, to the value of one half of such line fence. The total length is 80 chains, and its value was calculated at the rate of \$4.85 per chain, viz., \$388.00, or \$194.00 for one-half.

I am, Sir, your obedient servant,
The Dy. Supt. General Indian Affairs. A. E. FORGET, *Asst. Com.*

AUDIT OFFICE, OTTAWA, May 27, 1890.

SIR,—Voucher No. 8, William's Lake Agency, is for Agent W. L. Meason's travelling expenses, amounting to \$100. In the accounts furnished by Mr. Meason, the times covered by the following payments for board and horse feed appear to overlap each other:—

July 18 and 19, R. Valenzuela, board, lodging and horse-feed	\$ 2 00
July 24, Marshall & Smith, 6 days board, lodging and horse-feed.....	15 00
Aug. 25 and 26, R. Valenzuela, board, lodging and horse-feed	2 00
Aug. 17 to 26, E. Allen, board and lodging, 9 days.....	13 50
Aug. 14 to 26, do hay and grain, 12 days.....	12 00

Please explain these apparent discrepancies in this account.

I am, Sir, your obedient servant,
The Dy. Supt. General Indian Affairs. J. L. McDOUGALL, *A.G.*

INDIAN AFFAIRS, OTTAWA, June 11, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 27th ultimo, asking that explanations may be furnished in regard to certain apparent discrepancies in Mr. Agent Meason's account for travelling expenses in the William's Lake Agency, and in reply I beg to enclose Mr. Agent Meason's diary for the time he was engaged on the trip in question, from which it would appear that the overlapping of the dates seems to have been occasioned by Mr. Meason only remaining a portion of a day at some places. Mr. Superintendent Vowell, has, however, been written to on the subject.

I am, Sir, your obedient servant,
The Auditor General. L. VANKOUGHNET, *D.S.G.*

AUDIT OFFICE, OTTAWA, Oct. 4, 1890.

SIR,—Voucher 148 for the Victoria Indian Office is for a payment of \$24 to Dr. I. W. Powell, the late Superintendent for the Province, for one table and letter-press supplied the Victoria Office in 1872. Please inform me how it is that an interval of eighteen years has been allowed to elapse between the time this charge was incurred and its settlement.

I am, Sir, your obedient servant,
The Dy. Supt. General Indian Affairs. J. L. McDOUGALL, *A.G.*

INDIAN AFFAIRS, OTTAWA, Oct. 22, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 4th instant, asking for explanations regarding the delay in the payment of voucher No. 148, in favour of Dr. I. W. Powell, for the sum of \$24, and in reply, I beg to inform

you that the delay was owing to Dr. Powell's oversight in not sending in his account before. Care was taken by this Department to assure itself that payment had not previously been made.

The Auditor General.

I am, Sir, your obedient servant,

AUDIT OFFICE, OTTAWA, Oct. 24, 1890.

SIR,—I beg to acknowledge the receipt of your letter of the 22nd instant, with reference to the delay in the payment of voucher No. 148, in favour of Dr. I. W. Powell, for the sum of \$24. In reply I beg to say that in view of the long period that has elapsed since this change was incurred, an Order in Council should now be obtained to authorize its payment.

The Dy. Supt. General Indian Affairs.

I am, Sir, your obedient servant,
J. L. McDOUGALL, *A.G.*

INDIAN AFFAIRS, OTTAWA, Nov. 5, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 24th ultimo, in further reference to the delay in the payment of voucher No. 148 in favour of Dr. I. W. Powell, for the sum of \$24.00, and stating that, in view of the long period that has elapsed since this charge was incurred, an Order in Council should now be obtained to authorize its payment.

In reply, I beg to state that, in consideration of the fact that the articles were supplied at his (Dr. Powell's) own expense, and have been ever since, and are still, in the possession and use of the Department, and that the rates charged therefor are certified as fair and just, and no interest is paid thereon, the Order in Council appears unnecessary.

The Auditor General.

I am, Sir, your obedient servant,
L. VANKOUGHNET, *D.S.G.*

AUDIT OFFICE, OTTAWA, May 9, 1890.

SIR,—In Agent Boucher's account for travelling expenses (Trust Fund, voucher No. 39305), there is a charge of \$545 paid to Captain Jos. Poitras for transport, including meals from May 15 to August 31 inclusive, at \$5 a day. There is also a payment, May 18, of \$5.33 for 5½ days board at Quebec, and one, May 23, of \$6, for fare and board from Quebec to Betsiamits. Please explain how it is that these last two items extend over part of the period covered by the first payment.

I am, Sir, your obedient servant.
The Dy. Supt. General Indian Affairs. J. L. McDOUGALL, *A.G.*

INDIAN AFFAIRS, OTTAWA, Sept. 24, 1890.

SIR,—With reference to your letter of May 9, last, taking exception to certain charges in the account of Mr. T. F. Boucher Indian Superintendent at Betsiamits, I have the honour to inform you that Mr. Boucher explains that he engaged Capt. Poitras for the period between May 15 and August 31 to accompany him from Betsiamits on his tour of inspection at \$5 a day, including Mr. Boucher's board; but before May 15 he (Mr. Boucher) had to visit Quebec to purchase supplies for the Indians, and owing to unfavourable weather did not get back to Betsiamits until May 23, and that Capt. Poitras refused to make any deduction on account of the time so lost and therefore the charges of \$5.33 for board at Quebec and \$6 for fare at Betsiamits, with board, on May 23 appear to be proper.

I am, Sir, your obedient servant,
The Auditor General. L. VANKOUGHNET, *D.S.G.*

AUDIT OFFICE, OTTAWA, February 12, 1891.

AUDIT OFFICE, OTTAWA, April 28, 1890.

SIR,—I notice that your officers are in the habit of purchasing ink, mucilage and other stationery supplies at the different posts in the Territories where they may be stationed. Although the Order in Council of July 24, 1882, authorized the purchase of ink and mucilage in the outlying provinces, the Act respecting the Department of Printing and Stationery, which is of a more recent date, provides that the Superintendent of Stationery shall have charge of the supply of all articles of stationery required for the several Departments of the Government. (*Vide* 49 Vic., chap. 27, sec. 6.)

Please see that in future all stationery of any kind is procured through the Stationery Office, as required by law.

I am, Sir, your obedient servant,

The Comptroller, N.W.M. Police.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, April 28, 1890.

SIR,—Section 19 of the Act respecting the North-West Mounted Police Force, enacts that all pecuniary penalties imposed on members of the Mounted Police Force shall form a fund, to be managed by the Commissioner, with the approval of the Minister, and shall be applicable to the payment of rewards for good conduct or meritorious service, to the establishment of libraries and recreation rooms, and such other objects for the benefit of the members of the force as the Minister approves.

I have not had a statement of the expenditure. Please furnish one, with such vouchers as the nature of the trust requires.

I am, Sir, your obedient servant,

The Comptroller, N.W.M. Police.

J. L. McDOUGALL, A.G.

DETAILS OF EXPENDITURE.

C—225

AUDIT OFFICE, OTTAWA, Oct. 2, 1890.

SIR,—The enclosed voucher, No. 32, is for a payment to A. T. Russell of \$60 for 120 hours' work compiling index to Regulations and Orders for the N.W.M. Police.

As the index in question covers only 34½ pages, 5 inches by 4 inches in size, one column of index to the page, I have to ask for your certificate that the price charged is fair and just.

I might remark that the ordinary rate paid for indexing such books as the Geological Survey Report, or the Labour Commission Report, is only \$1 per column for a page of 9 inches. At this rate the cost of the index in question would be only about \$17.75.

I am, Sir, your obedient servant,
The Comptroller, N.W.M. Police. J. L. McDOUGALL, A.G.

OFFICE OF THE COMPTROLLER, OTTAWA, Jan. 30, 1891.

SIR,—Referring to your letter of October 2 last, respecting Mounted Police voucher No. 32 of the accounts of 1889–90.

Examination of the index of the Mounted Police Regulations would, I think, convince you that the labour involved therein was very much greater than that necessary in the preparation of the index to the Geological Survey Report, the latter being little more than a compilation of the marginal notes, whilst nearly every subject referred to in the Police Regulations is indexed under several different letters or headings. Take, for instance, the word "Discharge," which has eight references under letter "D" and fifteen in other parts of the index. Apart from the actual preparation much time was devoted to checking and cross-checking.

I have no hesitation in certifying that the time charged for was fully occupied on the work, and knowing the care that was taken to make the index complete, I can also certify that the amount was well earned.

I am, Sir, your obedient servant,
The Auditor General, Ottawa. FREDERICK WHITE, Comptroller.

AUDIT OFFICE, OTTAWA, June 30, 1890.

SIR,—I beg to ask for explanation of the payment to Dr. Barnhart of \$25 by cheques 3558 and 6043 for medical attendance on Commander Boulton, of the Georgian Bay Survey.

It is unusual for the Government to pay the medical expenses in case of illness of one of its employees, and I should like to be made acquainted with circumstances connected with the illness of Mr. Boulton upon which you deemed payment in the present instance proper.

I am, Sir, your obedient servant,

The Deputy Minister of Marine.

J. L. McDOUGALL, A. G.

OTTAWA, July 4, 1890.

SIR,—I have to acknowledge the receipt of your letter of the 30th ultimo, asking for explanations of the payment to Dr. Barnhart of \$25 for medical attendance of Commander Boulton, and in reply I am to inform you that under the terms of the agreement made with Commander Boulton the Government was to bear all expenses in connection with the service, including Commander Boulton's pay and allowances, and Commander Boulton claimed that under the Queen's Naval Regulations he was entitled to payment of medical expenses in case of illness, and the Department admitted the claim.

I am, Sir, your obedient servant,

The Auditor General, Ottawa.

JOHN HARDIE, for D.M.M.

AUDIT OFFICE, OTTAWA, June 13, 1890.

SIR,—The following statement shows the days during which Lieut. Gov. Royal was absent from Regina in the current fiscal year, as indicated by his accounts for travelling expenses, and also shows the cheques issued during his absence, as shown by the cheque list and the dates on the cheques:—

Absence from Regina.	Cheques Issued.
May 14 to July 7.....	Nos. 1 to 14
July 14 to July 19.....	" 36 to 186
July 28 to Aug. 3.....	" 257 to 313
Sept. 14 to Sept. 20.....	" 482 to 492
Oct. 6 to Oct. 9.....	" 588 to 639
Nov. 9 to Nov. 11.....	"
Nov. 25 to Dec. 24.....	" 996 to 1159
Jan. 17 to Jan. 20.....	"
Jan. 26 to Jan. 30.....	" 1363 to 1411
Feb. 19 to Mar. 5.....	" 1467 to 1525

Mr. R. B. Gordon also was away from Regina between Nov. 25 and Nov. 31, during which period cheques numbered from 996 to 1026 were issued.

In all these cases these cheques were signed by Lieut. Gov. Royal and countersigned by Mr. R. B. Gordon.

The inference is that the cheques were signed in blank and were filled in afterwards as they were required. This I need hardly say, besides being a most dangerous system, is in direct contravention to the Order in Council of June 27, 1888, regarding letter of credit cheques.

I have therefore to request that the Lieutenant Governor be notified that this practice should cease and that an Order in Council be obtained authorising other officials to sign in the absence of either or both of those in whose favour the credit is issued.

I am, Sir, your obedient servant,

The Deputy Minister of Interior.

J. L. McDOUGALL, A. G.

—
LIEUTENANT GOVERNOR'S OFFICE, REGINA, July 10, 1890.

SIR,—I have the honour, in the absence of His Honour the Lieutenant Governor, to acknowledge the receipt of your letter of the 3rd instant, enclosing therewith copy of letter from the Auditor General dated 13th ultimo, respecting the signing of letter of credit cheques, which shall be submitted for His Honour's attention immediately on his return to Regina.

In the meantime, I may state, in reference to the Auditor General's remarks regarding myself, that no cheques have ever been, as inferred by the Auditor General, countersigned by me in blank and afterwards filled in as they were required.

I find, respecting the cheques which he enumerates in connection with that inference, that No. 996, dated Nov. 26, for one load of hay to H. Cameron; No. 997, dated Nov. 29, to D. F. Jelly, M. L. A., for travelling expenses in connection with well-bores; and Nos. 998 to 1026, dated 30th November, being salary cheques for the month of November, were filled in during my absence in Winnipeg and were countersigned by me and issued on 1st December, the day I returned to Regina.

Hoping that, as regards the signature of these particular cheques by me, this explanation may prove satisfactory.

I am, Sir, your obedient servant,

R. B. GORDON, *Secy.*

The Secretary Interior Dept.

—
INTERIOR DEPT, OTTAWA, Oct. 10, 1890.

SIR,—Referring to your letter of the 4th ultimo, respecting the signing of letters of credit cheques in advance by the Lieutenant Governor of the North-West Territories, I am directed by the Deputy Minister to refer to the conference which you had with him, and in the course of which you expressed the view that the power of signing cheques should be confined, if possible, to one officer in addition to the Lieutenant Governor, and that that officer must in any event be one appointed by the Government of Canada by order of the Governor in Council. The Deputy Minister would be obliged if you would write him a letter to the above effect, provided that is your recollection of the view expressed by you on the occasion referred to.

I am, Sir, your obedient servant,

LYNDWODE PEREIRA, *Asst. Secy.*

The Auditor General.

—
AUDIT OFFICE, OTTAWA, Oct. 14, 1890.

SIR,—With further reference to our correspondence respecting the signing of letter of credit cheques in advance by the Lieutenant Governor of the North-West Territories, I beg to say:—

1st. That no one has a right to sign cheques unless he is duly authorized by an Order in Council to do so.

2nd. That unless the service is much and frequently delayed by only one person having the power to countersign, it is advisable not to divide the responsibility by giving a second person similar authority.

I am, Sir, your obedient servant,

The Deputy Minister of Interior.

J. L. McDOUGALL, A. G.

AUDIT OFFICE, OTTAWA, March 19, 1890.

SIR,—Lieutenant Governor Royal's October cheque, No. 760, is for a payment to P. Lamont for moving telephone, and repairing electric bell annunciator at Government House. Please let me know the date on which this service was performed.

My reason for asking this is, that two somewhat similar charges appear in the accounts, viz: Voucher 310 includes a payment for removing telephone at Government House, July 22, and voucher 1222 is for a payment of \$2 for work on telephone at Government House.

I am, Sir, your obedient servant,
The Deputy Minister of Interior. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, March 21, 1890.

SIR,—In the account of Hon. Jos. Royal's expenses in connection with his visit to Ottawa in November and December last (voucher 1167) there is an item "Paid for clerical assistance while in Ottawa—8 days at \$2—\$16." The name of the person to whom this was paid should be given and his receipted account supplied. Details should be given of the item cab-hire in Ottawa, \$10.

I am, Sir, your obedient servant,
The Deputy Minister of Interior. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, March 21, 1890.

SIR,—I notice from the vouchers for Lieut. Gov. Royal's expenditure on account of Government in the North-West Territories that Mr. D. F. Jelly has drawn board allowance at the rate of \$3.50 a day when attending the meeting of the Advisory Council on the following days: June 26, July 13 and 15, August 12, 13 and 14, September 11 and 18—8 days in all, amounting to \$28.

Mr. Jelly is a member of the Legislative Assembly for North Regina, and appears to reside in Regina. If such is the case he cannot claim the board allowance on the dates above mentioned, as his presence was required where he resides. The amounts so drawn should be refunded by Mr. Jelly.

I am, Sir, your obedient servant,
The Deputy Minister of Interior. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, July 9, 1890.

SIR,—Lieutenant Governor Royal's May voucher, No. 1829, is for a payment of \$35 to Mr. John Secord for 10 days' allowance attending meetings of the Advisory Council and sub-committees.

Mr. Secord is the member of the Legislative Assembly for South Regina and resides at Regina. His attendance at the above meetings accordingly did not take him away from his place of residence. The per diem allowance, however, can only be claimed when actual absence from home is necessitated. The amount in question therefore should not have been paid Mr. Secord, and should be refunded at as early a date as possible.

I am, Sir, your obedient servant,
The Deputy Minister of Interior. J. L. McDOUGALL, A.G.

LIEUTENANT GOVERNOR'S OFFICE, REGINA, Aug. 15, 1890.

SIR,—In continuation of my letter of the 25th ultimo, in acknowledgement of yours of July 18, enclosing herewith a copy of a letter from the Auditor General, dated 9th July, respecting a payment of \$35 to Mr. John Secord, M. L. A., for 10 days' allowance attending meetings of the Advisory Council and sub-committees, I am now directed by His Honour the Lieutenant Governor to state that Mr. Secord, who is a member of the Advisory Council and also of the Territorial Legislature, resides

in Regina, where he practices his profession as a Barrister. His attendance at meetings of the Council takes him away from his business and place of residence, which is distant about one mile and a half from the Lieutenant Governor's office, where the meetings of Council are usually held, and nearly three miles distant from Government House, where there are occasional meetings.

Under these circumstances it is claimed that actual absence from home on Mr. Secord's part is necessitated by his attendance at such meetings and that his account should only differ from that of the other members of the Council in that mileage is not charged by Mr. Secord.

I am, Sir, your obedient servant,

The Secretary, Interior Dept.

R. B. GORDON, *Secy.*

AUDIT OFFICE, OTTAWA, June 13, 1890.

SIR,—Lieut.-Gov. Royal's voucher, No. 386, is for a payment of \$35.25 to Victor Palmé, for subscription to "La Revue du Monde Catholique," from July 1, 1888, to June 30, 1889.

It appears to me that there is some mistake in the amount of this account, as the annual subscription to the magazine is 35 francs in Paris. In the absence of the original account it is impossible for me to say definitely what the mistake is, but it appears to me that the most probable error is that, in passing from the original account, which would be rendered in francs, to the copy made out at the Regina office, the amount of 35 francs 25 centimes has been transcribed as \$35.25.

I would also draw your attention to voucher No. 339 of 1888-89, which is for a payment of \$8.75 to Messrs. Cadieux & Derome, for subscription to the same periodical for the same period, viz.: for one year, to July 1, 1889. Please inform me if the second payment is for a second copy of this publication.

I am, Sir, your obedient servant,

The Deputy Minister of Interior.

J. L. McDOUGALL, *A.G.*

INTERIOR DEPT., OTTAWA, June 23, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 13th instant, respecting North-West Government vouchers Nos. 386 and 339, for \$38.25 and \$8.75, respectively, being for payments for two subscriptions to "La Revue du Monde Catholique," and to say that a copy of your letter has been forwarded to the Lieutenant Governor for his information and explanation.

I am, Sir, your obedient servant,

The Auditor General.

LYNDWODE PEREIRA, *Asst. Secy.*

AUDIT OFFICE, OTTAWA, Feb. 14, 1891.

SIR,—I beg to draw your attention to the fact that no answer has yet been received to my letter of June 13 last, respecting the payment of \$35.25, for subscription to "La Revue du Monde Catholique," further than your acknowledgment and the information that you had referred the matter to Lieut.-Governor Royal.

I am, Sir, your obedient servant,

The Deputy Minister of Interior.

J. L. McDOUGALL, *A.G.*

NOTE BY AUDITOR GENERAL.—Two years' subscription was subsequently credited, making \$16.10, and \$19.15 was refunded in 1890-91.

AUDIT OFFICE, OTTAWA, July 11, 1890.

SIR,—I notice that Mr. Jules A. Royal, a permanent employee in the Outside Service of the Interior Department, has received the following amounts for translating out of the vote for Government in the North-West Territories :—

Cheque 1110, translating 10 copies of "North-West Territories Gazette".....	\$100 00
Cheque 1631, translating 6 copies of <i>Gazette</i>	60 00
Total..	<u>\$160 00</u>

This is in contravention of section 51 of the Civil Service Act, which enacts that "no extra salary or additional remuneration whatever shall be paid to any person permanently employed in the Public Service."

A refund of the above amount should be obtained from Mr. Royal as soon as possible.

I also notice that Mr. Jules Royal is in receipt of \$50 per month as Private Secretary to Lieut.-Governor Royal. An Order in Council authorizing his employment in this capacity is necessary.

I am, Sir, your obedient servant,
The Deputy Minister of Interior. J. L. McDougall, A.G.

INTERIOR DEPT., OTTAWA, Sept. 5, 1890.

SIR,—With further reference to your letter of the July 11 last about the payment to Mr. Jules A. Royal for translating copies of the North-West Territories *Gazette*, and also the payment of \$50 a month to Mr. Royal as private secretary to the Lieutenant Governor of the Territories, I am now directed to send you the enclosed copy of a letter from Mr. Gordon, Secretary to the Lieutenant Governor, dated the 15th ult., explaining the payments for translation. I have also to inform you that the authority of an Order in Council for the payment of \$600 per annum to Mr. Jules Auguste Royal as private secretary to the Lieutenant Governor of the North-West Territories has been secured.

I am, Sir, your obedient servant,
The Auditor General. JOHN R. HALL, Secy.

LIEUTENANT GOVERNOR'S OFFICE, REGINA, Aug. 15, 1890.

SIR,—With further reference to your letter of the 23rd ultimo, No. 239635, enclosing, for the information of His Honour the Lieutenant Governor, copy of letter from the Auditor General, dated July 11, in which he calls attention to certain payments for translation made to Mr. Jules A. Royal, I am now directed to state that while it is a fact that the translation of the North-West Territories *Gazette* is done by a person engaged in the permanent service of the Dominion Government, it is assumed that payments made by the North-West Government for work done in connection with the administration of public affairs are in the nature of expenditure made by a Provincial Government for similar objects, and are not therefore subject to the provisions of the Dominion Civil Service Act. The publication of an *Official Gazette* at Regina is in virtue of an Ordinance passed by the Legislature of the Territories, and payments for the printing and translating of the same are made, not by the Dominion, but by the Territorial Government direct.

I am also to add that there is no person in Regina capable of making the translation, apart from a Government official, and His Honour would be only too glad if he could have the service performed by any one not so connected.

I am, Sir, your obedient servant,
The Secretary, Interior Dept. R. B. GORDON, Secy.

AUDIT OFFICE, OTTAWA Sept. 8, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 5th inst., enclosing copy of a communication from Mr. Gordon, the Secretary of Lieutenant Governor Royal, regarding the payments to Mr. Jules A. Royal for translating and as private secretary to the Lieutenant Governor.

In reply I beg to state that in my opinion the Secretary of the Lieutenant Governor of the North-West Territories is not correct, in the view that any expenditure charged against the appropriation for Government of the North-West Territories is not subject to the general restrictions made by the Parliament of Canada and the Dominion Government on the spending of appropriations.

As I view the matter, the Lieutenant Governor, notwithstanding his (in other respects high and important) independent functions, is, as far as this expenditure is concerned, responsible to the Minister of the Interior that the expenditure is not contrary to any regulations of the Dominion Parliament, for Government, just as the Minister of the Interior is responsible to his colleagues and to Parliament for the observance of these regulations.

I am, Sir, your obedient servant,
The Deputy Minister of Interior. J. L. McDOUGALL, A.G.

LIEUTENANT GOVERNOR'S OFFICE, REGINA, Dec. 4, 1890.

SIR,—I am directed by His Honour the Lieutenant Governor of the North-West Territories to acknowledge the receipt of your letter of Oct. 1, last, with further reference to the subject of certain payments made to Mr. Jules A. Royal for translation.

In reply, I am to state that, in view of the opinion expressed by the Auditor General, His Honor proposes to take steps for having this service in future performed otherwise.

I am, Sir, your obedient servant,
The Secretary, Interior Dept. R. B. GORDON. Secy.

AUDIT OFFICE, OTTAWA, Feb. 14, 1891.

SIR,—Referring to your letter of Dec. 24, enclosing a copy of a communication from Lieutenant Governor Royal's secretary respecting payments during the fiscal year 1889-90 to Mr. Jules A. Royal for translation, I am of opinion that a refund should be made of the amounts paid, or a special vote sanctioning such payments be obtained from Parliament at the coming Session.

I am, Sir, your obedient servant,
The Deputy Minister of Interior. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, June 7, 1890.

SIR,—I find myself without the necessary information for checking the correctness of the payments of school grants out of the vote for Government in the North-West Territories, and have accordingly to ask for a copy of the regulations in force for determining the amounts of such grants.

I have also to request that in future the vouchers for the payment of these grants bear all necessary information for calculating the amount of such grant, such as (a) the number of teachers employed, (b) the grade of each teacher, (c) the salary paid in each case, (d) the average daily attendance.

I am, Sir, your obedient servant,
The Deputy Minister of Interior. J. L. McDOUGALL, A.G.

REGINA, N.W.T., July 3, 1890.

SIR,—I am directed by His Honour the Lieutenant Governor of the North-West Territories to acknowledge the receipt of your letter of the 17th ultimo, enclosing therewith copy of letter dated 7th ultimo from the Auditor General respecting payments of school grants out of vote for Government in North-West Territories, which I have duly submitted to His Honour.

In reply, I am to state that the additional information requested by the Auditor General will in future accompany the vouchers for payment of these grants.

I am, Sir, your obedient servant,

The Secretary, Interior Dept.

R. B. GORDON, *Secy.*

AUDIT OFFICE, OTTAWA, Oct. 13, 1890.

SIR,—I observe that Lieutenant Governor Royal has at different times purchased books for the Library of the North-West Government and paid for them out of his Parliamentary appropriation. This is in contravention of section 3 of the Act respecting the Department of Public Printing and Stationery, as amended by 51 Vic., chap. 17, which provides that paper, books and stationery shall be obtained through that Department.

I am, Sir, your obedient servant,

The Deputy Minister of Interior.

J. L. McDOUGALL, *A.G.*

INTERIOR DEPT., OTTAWA, Oct. 18, 1890.

SIR,—I am directed to acknowledge the receipt of your letter of the 13th inst., respecting the purchase of books by Lieutenant Governor Royal for the Library of the North-West Government, and in reply to inform you that a copy of your communication has been sent to the Lieutenant Governor.

I am, Sir, your obedient servant,

The Auditor General.

Carillon and Grenville Canals.

AUDIT OFFICE, OTTAWA, March 8, 1890.

DEAR SIR,—I am passing your applications Nos. 399 and 400 in favour of Mr. Dowker, for February expenses of the Quebec Canals.

In Carillon and Grenville Canals, I notice an item of \$35 for the wages of Horatio E. Hartley, the lockmaster at Chute à Blondeau. Please let me have an explanation of the reasons for paying wages at this lock since its submersion by the Carillon Dam.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, June 30, 1890.

DEAR SIR,—I understand, from conversation with the Deputy Minister that, some of the charges made last session against the late management of the Carillon and Grenville canals have been substantiated; and that some of the names of labourers shown at page F—4 of my report for 1888-89 are fictitious.

Please let me have any information on this subject which may be in your possession, to enable me to establish an amount to report to the Minister of Finance, under section 59 of the Consolidated Revenue and Audit Act.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

RAILWAYS AND CANALS DEPT., OTTAWA, July 7, 1890.

SIR,—I am, by direction, to acknowledge the receipt of your letter of June 30 having reference to some of the charges made against the late management of the Carillon and Grenville Canals which have been substantiated, and asking for certain information to enable you to report to the Minister of Finance under the Audit Act. I am by direction to say that this matter is now being enquired into.

I am, Sir, your obedient servant,
The Auditor General. A. P. BRADLEY, *Secy.*

AUDIT OFFICE, OTTAWA, Oct. 31, 1890.

DEAR SIR,—Let me acknowledge receipt of a copy of the evidence taken at the Carillon Canal investigation, for which please accept my thanks.

I notice that overpayments were made to several officers who are still employed, namely: Mr. Hartley, the overseer, and some temporary lockmen at Nos. 1 and 2.

As soon as an overpayment is ascertained to have been made to any officer or other person, any sums of money falling due to him in succeeding pay-lists or otherwise should be credited to the overpayment, until the account is squared.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

OTTAWA, Feb. 17, 1891.

SIR,—In reply to your letter of Oct. 31, I am instructed to enclose to you herewith, a "statement of overpayments to employees on the Carillon and Grenville Canal, and the amounts deducted from them," by which you will see that deductions have been made from wages in October and November. Mr. Hartley was dismissed by Order in Council on 31 Oct., 1889, but his salary and account for travelling expenses for that month and the portion of November he worked has been deducted (\$124.50). C. Poulin, laborer, was not on the staff when the deduction was made, and has not since been employed. The remaining 8 laborers shown were each overpaid \$15 for April, 1889, and an additional \$5 was overpaid in March, 1889, to 5, marked on the statement, all of which has been deducted.

I am, Sir, your obedient servant,
The Auditor General. A. P. BRADLEY, *Sec.*

Chambly Canal.

AUDIT OFFICE, OTTAWA, April 28, 1890.

DEAR SIR,—Let me call your attention to a payment made by you July 19, 1889, under an Order in Council of June, 1889, of a gratuity of \$150 to Mr. Edward Marcoux, of St. Johns, as compensation for cancellation of his appointment as Bridge-keeper at the Langelier bridge in 1880.

I gather from the Order in Council that Mr. Marcoux was paid in 1880 for his actual services—from January 1, the date of his appointment, to June 30, when the work was again thrown on the Langelier estate.

It does not appear to me that there is any authority inherent in the Executive to make payment for any services except those actually rendered. Gratuities or compensations, or other claims which are not based on real service, should be voted explicitly by Parliament, if there is no Act already covering them. The only exception to this rule is the gratuity of two months' pay to the representatives of deceased permanent officers,—which has acquired a quasi-legality from long usage under the full knowledge of Parliament.

The payment to Mr. Marcoux was a gratuity without Parliamentary authority, and I think it should be refunded. In any case it is not a proper charge against a Canal appropriation.

I am, Sir, your obedient servant,

The Secretary Railways and Canals.

J. L. McDOUGALL, A.G.

Cornwall Canal.

AUDIT OFFICE, OTTAWA, Aug. 7, 1890.

DEAR SIR,—I am passing the Cornwall Canal accounts for June, 1890, after making the following deductions:—

Bridgetender, Jas. Denny; rent.....	\$10 00
Lockman 16, L. Degan, 2 days.....	2 50
Lockman 17, J. Smith, 2 days.....	2 50
Lockman 17, T. Robinson, 2 days.....	2 50

The allowance to Mr. Denny for rent is a new item, and should be accompanied by an explanation of its origin.

Messrs. Degan, Smith and Robinson, who are permanent employees, are returned at 32 days in June. The excess of two days appears to be an extra payment coming under the preventive clause of the Civil Service Act of 1888.

I am, Sir, your obedient servant,

The Secretary Railways and Canals.

J. L. McDOUGALL, A.G.

CORNWALL, Aug. 11, 1890.

SIR,—In answer to your letter concerning deductions made by Auditor General from June pay list of Cornwall Canal.

The rent I allowed Jas. Denny, bridge-keeper, was on account of his house having been taken down by contractors, who gave him very short notice, to give room to work about new bridge. The cheapest house he could get anywhere near the bridge was \$10 a month; I satisfied myself that it was the best he could do and I gave it to him in the pay-list.

As to extra time allowed L. Degan, J. Smith and T. Robinson, I may say that we had two gates to put in at lock 19. The only time available was Sunday unless we stopped navigation. It took two Sundays to put them in. I took the men required for the work from among the lock labourers, as they understand what is to be done better

than strangers. As they did this extra work I gave them the time. Had I employed any one else they would have had to be paid, and would not have been as satisfactory as the men who were used to such work.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. A. P. ROSS, *Supt.*

AUDIT OFFICE, OTTAWA, Sept. 11, 1890.

DEAR SIR,—I am passing your applications for August expenses of the Cornwall Canal, after deducting \$33.75 for Sunday labour of extra employees, whose wages are charged to "Construction."

This item needs further explanation, in view of the fact that Section 32 of the Contract Form prevents the contractors from working on Sunday.

I am, Sir, your obedient servant,
The Secy., Railways and Canals. J. L. McDOUGALL, A.G.

RAILWAYS AND CANALS DEPT., OTTAWA, Oct. 3, 1890.

SIR,—In reply to notification of the 11th September last, of the deduction of \$33.75 charged to construction in the pay-lists of the Cornwall Canal for August, I am to inform you that the superintendent offers the following explanation:—

"To give men a chance to get a reasonable amount of unbroken rest the six men on each lock work twelve hours and go off six; two go on and two off every six hours. In this way every man is on an equal length of time. By doing this we get along with six men; otherwise we would require eight men, four for day and four for night."

I am, Sir, your obedient servant,
The Auditor General. A. P. BRADLEY, *Secy.*

AUDIT OFFICE, OTTAWA, Oct. 10, 1890.

DEAR SIR,—Let me acknowledge receipt of your 130974 of Oct. 3, containing Superintendent Ross's explanation of the charge for Sunday labour of employees charged to "Construction."

I gather, from the superintendent's statement, that on Sunday (as on the other days of the week), four of the six employees at each lock are working for the nine hours of traffic, while the other two are resting.

The four men who work are drawing \$1.25 for the day as regular pay, and 15 cents an hour as extra pay on account of the day being Sunday; making double pay for one piece of work.

But the two men who are off—and sleeping—also claim both \$1.25 for the day and 15 cents an hour, making double pay for no work at all.

Neither Mr. Ross nor yourself have discussed my objection, that the contractors cannot legally cause any Sunday work at the locks; and this objection seems to hold against the \$1.25 as well as against the 15 cents. Should these two temporary "construction" labourers at each lock be paid for anything but week days?

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Feb. 6, 1891.

DEAR SIR,—Let me acknowledge receipt of your application No. 340 for \$1,539.23, the January expenses of the Cornwall Canal.

I notice a new fact this month, that labourers have been kept on at all the locks for periods ranging from 7 to 10 days. Please explain the reasons for this change.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

CORNWALL, Feb. 10, 1891.

SIR,—In reply to your letter No. 84027, *re* different length of time that labourers are employed on several locks of Cornwall Canal.

The extra time was employed at locks 18, 19, 20 and 21, in cutting ice around valves and waste weirs on account of extreme cold.

On lock 15-17 on account of high water in river extra care and work was required to keep valves of locks and weirs clear of ice so that there might be no overflow between locks 17 and 18.

The assistant bridgetender was on six days to assist in cutting ice around abutment of bridge and the piles driven in by contractors to guard entrance to bridge. If these piles are not kept free from ice the rise and fall of ice in canal caused by varying quantity of water at different times in 24 hours from mills, &c., would loosen them and disturb the foundation on which the bridge stands. The omission of this explanation was an oversight at time of sending in pay-list.

I am, Sir, your obedient servant,

The Secretary Railways and Canals.

A. P. ROSS, *Supt.*

Lachine Canal.

AUDIT OFFICE, OTTAWA, Oct. 10, 1890.

DEAR SIR,—In Lachine Canal Repairs for September, 1890, I notice a payment to the Royal Electric Light Company of \$1,840, for a new dynamo and attachments.

Please let me have enough additional information to show that this is a proper charge against "Repairs" instead of against the vote for "Electric Light."

I am, Sir, your obedient servant,

The Secretary Railways and Canals.

J. L. McDOUGALL, *A.G.*

MONTREAL, Oct. 17, 1890.

SIR,—With reference to your letter transmitting a communication from the Auditor General, wherein he asks information to show that the payment of \$1,840 to the Royal Electric Light Company for a new dynamo and attachment for the Lachine Canal (as entered in the September pay-list) is a proper charge against "Repairs" instead of Vote for "Electric Light."

I beg to state that this spare plant was purchased and placed in position in the canal electric station so as to provide against any accident to one or both of the two dynamos, which are running every night to supply the sixty-five arc lamps distributed on the canal between Locks Nos. 1 and 3.

The charge of this spare plant was made on the same principle as spare gates are built and the cost charged to appropriation for repairs, although the cost of construction of the original gates may have been charged to income. Furthermore, I may remark that a spare dynamo is of absolute necessity, as otherwise, in case of accident, the canal may be left in partial or total darkness.

The vote for electric light, \$11,250, only covered the purchase and installation of the two dynamos and plant in connection with them.

I am, Sir, your obedient servant,

The Secretary Railways and Canals.

E. H. PARENT, *Supt. Engr.*

Rideau Canal.

AUDIT OFFICE, OTTAWA, Jan. 27, 1890.

DEAR SIR,—Let me request you to call the attention of Mr. Superintendent Wise of the Rideau Canal, to Section 33 of the Audit Act (enclosed), which prescribes the certificates which should be attached to vouchers before payment.

DETAILS OF EXPENDITURE.

C—349

The certificates "Materials received" or "Work performed," and "Prices fair and just," should be made only by officers who have personal knowledge of the circumstances.

When these certificates are made by others, the Superintendent should approve the vouchers for payment.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

Welland Canal.

AUDIT OFFICE, OTTAWA, Jan. 11, 1890.

DEAR SIR,—I am passing your application for December expenses of the Welland Canal, after deducting \$180 charged by permanent employees for recording vessels, as follows:—

C. B. Hare, lockmaster, St. Catharines.....	\$60
M. McCarthy do Thorold.....	25
John Henshaw do Port Colborne.....	30
John Cook, assistant do	30
R. Edgraft do Port Dalhousie.....	15
John Neil, lockmaster, Thorold.....	20

There should be an Order in Council sanctioning those allowances, and mentioning whether superannuation tax is to be calculated on them.

I would also like to have a certificate from the Department, that the work is not part of the regular duty of lockmasters and assistants.

I am, Sir, your obedient servant,
The Secretary Railway and Canals. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Oct. 14, 1890.

DEAR SIR,—I do not find that any answer has been received to my letter of Sept. 11, 1889, concerning the travelling expenses of Superintendent Ellis, of the Welland Canal. This letter is shown on page E-227 of my Report for 1888-89.

Mr. Ellis should refund all the charges made for his horse-hire from the time that he began to receive the allowance of \$300 a year to cover all his travelling expenses.

Please calculate the total over-payment, and arrange with Mr. Ellis for a return of the amount by the end of this month, as the accounts must be closed for the printer.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Dec. 15, 1890.

SIR,—With reference to the over-payments to Mr. Ellis, Superintendent of the Welland Canal, prior to the fiscal year 1888-89, I beg to say that I have had an unofficial letter from Mr. Ellis, who complains of the inconvenience which he finds in being kept out of the whole of his salary until the overpayments have been met. I have explained to him that I have no authority to pass his monthly salary while any portion of the overpayments stands against him, unless on application from your Department for modification.

Mr. Ellis's salary for October was retained to cover the overpayments subsequent to June 30, 1888; but his November salary was passed.

I think that, on a statement from you that Mr. Ellis is not likely to be disturbed in his position from anything yet known to the Department, and on your application to give him time for repayment by monthly instalments of a substantial amount, naming it, I would be justified in acquiescing in the application.

You will understand that I am not making any suggestion as to the course which you may think well to adopt; but it seemed to me that the information given herein might assist in enabling you to make a settlement with Mr. Ellis which would relieve him from his present anxiety, and in a manner which Parliament would consider under the circumstances proper.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

RAILWAYS AND CANALS DEPT., OTTAWA, Dec. 23, 1890.

SIR,—In reply to your letter of the 15th instant, I am, by direction, to say it is not contemplated to interfere with the position held by Mr. Ellis, and that time may be given to him to make refund by monthly instalments of the amounts claimed from him.

I am, Sir, your obedient servant,
The Auditor General. A. P. BRADLEY, Sec.

AUDIT OFFICE, OTTAWA, Jan. 13, 1891.

SIR,—Let me acknowledge receipt of your application No. 302 for \$14,475.13, the December expenses of the Welland Canal.

I notice that while the greater number of the men were employed only for half of December, there were one or two men kept on for the whole month at some of the locks and bridges, although navigation would probably close the same day all along the canal. Please give me any information which the Superintendent may have sent with the pay-list, explaining the necessity at each lock or bridge where part of the staff was kept on after traffic ceased.

On taking up your letter of Dec. 23, concerning Mr. Ellis' charges for horse hire, I find that you have overlooked the naming of a monthly deduction, suggested in my letter of Dec. 15. I would like the Department to fix a sum with which I could agree, to enable the rectification to proceed without further delay. The exact total to be cancelled can only be obtained from the vouchers in your Department, as we have returned to you everything of earlier date than 1888-89.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

ST. CATHARINES, Jan. 17, 1891.

SIR,—In answer to your letter No. 83,797, I say, for the information of the Auditor, that after navigation has closed each year there are eight men who, from long experience, are always selected and kept on until navigation is again opened, watching and regulating the water at the different parts of this canal system, where such duty is and always has been indispensable; and in addition there are twenty-four other men who, in their turn, are each employed half a month in watching the locks and levels, and keeping ice clear from the waste weirs and valves, and in charge of Government property generally.

To further illustrate the practice alluded to above, I enclose herewith an exhibit showing the number of men that were kept on after 15th December, and the localities where they were on duty up to the end of that month. Since that, twenty-four fresh men have been on for the first half month of January, and now twenty-four other men are on duty for this present half month; and by changing every half month each man gets his turn for half a month, and I may say this has always been the rule every season.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. WM. ELLIS, Supt.

AUDIT OFFICE, OTTAWA, Jan. 20, 1891.

SIR,—I am passing the Welland Canal maintenance accounts for December, 1890, with an interim deduction of \$75, the quarterly bill of Superintendent Ellis for his annual travelling allowance of \$300, as fixed by Order in Council.

It is understood that the investigation held by Mr. Wood into the management of the Welland Canal established the fact that the actual travel of Mr. Ellis was much less than his living allowance would cover.

I have always held (although respect for their high authority makes me regret an occasion like this, when my duty necessitates expression of the opinion) that it is beyond the power of Council to pay—for expenses capable of determination—a sum in excess of actual outlay.

Mr. Ellis should be asked for detailed accounts of his expenditure, with sub-vouchers for items where they are usually taken. The accounts should be supported by the certificate that “the whole expenditure was incurred on Government business.” Although it is outside of the line of my examination, to inquire whether this is an instance in which the exacting of details would interfere with the efficiency of the service, it does not appear to be such a case; but I shall be pleased to receive any communication on this subject from the Departmental point of view.

I am, Sir, your obedient servant,

The Secretary Railways and Canals.

J. L. McDOUGALL, A.G.

NOTE BY AUDITOR GENERAL.—The following Order in Council fixes the re-payment of Supt. Ellis' travel on a basis of actual outlay:—

Order in Council, Feb. 2, 1891.—On a memo. dated Jan. 29, 1891, from the Minister of Railways and Canals, representing that he has had before him a letter from the Superintending Engineer of the Quebec Canals, recommending that the allowance for travelling expenses to the late Superintendent of the Lachine Canal of \$300 per year be continued to the present Superintendent; that there has also been brought to his notice the fact that the Superintendent of the Welland Canal, by virtue of Orders in Council dated respectively Dec. 29, 1879, and Jan. 26, 1886, has been permitted to receive \$300 per year in lieu of travelling expenses, to which payment, however, exception has been taken by the Auditor General. The Minister recommends (as it appears all the other Superintendents of the several canals are allowed only actual travelling expenses) that the Superintendent of the Lachine Canal be treated in the same manner, and that the Orders in Council, above named, be amended, so far as they relate to travelling expenses, so that the Superintendent of the Welland Canal be paid only actual travelling expenses. The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE, C.P.C.

Williamsburg Canals.

AUDIT OFFICE, OTTAWA, Feb. 6, 1891.

DEAR SIR,—In his report on “Canal Perquisites” on the Williamsburg Canals, Mr. Supt. Reid says: “The lock-masters and lock-labourers get their coal oil from the barrels supplied for use on their locks.” He estimates this annual house-consumption of coal oil to be \$82.80.

It would be well to notify the Superintendent that the lighting of lock-dwellings is not a public service, and should not be charged on the vote for canal maintenance.

I am, Sir, your obedient servant,

The Secretary Railways and Canals.

J. L. McDOUGALL, A.G.

Quebec Canals Generally.

AUDIT OFFICE, OTTAWA, June 13, 1890.

DEAR SIR,—I am passing your applications, Nos. 834 and 835, in favour of Mr. Shannon to pay the Quebec Canals for May, after withholding sums amounting to \$4,837.47, as by the enclosed schedule:—

(a.) *Mr. Dowker's Salary.*—As mentioned in previous correspondence, it becomes necessary to set this amount against the overcharges for travelling expenses.

(b.) *Lachine Staff.*—The pay-list is not certified by the Superintendent, and was returned to you yesterday for completion.

(c.) *Diving dress for Carillon and Grenville Canals.*—This deduction was arranged with you verbally. Earlier accounts show that a diving dress was bought in August, 1887, and another in April, 1888.

(d.) *Antoine Poirier.*—This lockmaster was superannuated from May 1, 1890, by an Order in Council of June 5.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary Railways and Canals.

AUDIT OFFICE, OTTAWA, Nov. 14, 1890.

DEAR SIR,—In the Quebec Canal accounts for October I notice several timber vouchers, which give only the total number of feet supplied, and the rate.

There should be full specifications in all cases, like those furnished by Messrs. Hurteau, Grier, and Shearer & Brown. Otherwise there is not enough material to enable me to check the calculations, as required by sec. 46 of the Audit Act.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary Railways and Canals.

AUDIT OFFICE, OTTAWA, Dec. 10, 1890.

DEAR SIR,—I am passing your applications for November expenses of Quebec Canals, after deducting \$115, the salary of Mr. Superintendent Kennedy, for whose appointment I have not yet received an Order in Council.

Please notice that a few of the vouchers are still coming in as copies instead of originals; for instance, the accounts for stone on the Chambly Canal. Vouchers in all cases should be originals, made out by the creditors themselves, or their agents, but never by the Government officers whose duty it is to examine and certify them.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary Railways and Canals.

AUDIT OFFICE, OTTAWA, Jan. 14, 1891.

DEAR SIR,—I am passing your applications for December expenses of Quebec Canals, with deductions as follows:—

Chambly—Income.—Rebuilding Lock 8.—“William Findlay, watchman at lock No. 1, 31 days at \$1.” There should be an explanation given of the connection of this service at St. Johns with that of rebuilding the lock at Chambly Basin.

Beauharnois—Repairs.—Mr. Paul Cartier, the foreman, is entered at 31 days, while none of the other foremen and labourers (except watchmen) are paid for Sundays. I have made an interim deduction of \$8 for four Sundays, pending additional information as to the work actually performed by him.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary Railways and Canals.

MONTREAL, Jan. 19, 1891.

SIR,—With reference to a copy of a letter from the Auditor General, requesting explanations in connection with the following items of expenditure on the Quebec Canals, for December, 1890.

1. "Chambly Income, rebuilding Lock 8; William Findlay, watchman at Lock No. 1, 31 days at \$1.00." For winters past the water has been kept out of the Chambly Canal, but it is the intention now to retain it in the canal all the time, for the protection of the banks and masonry against the action of the frost. This, of course, necessitates the employment of a water-watchman, to properly regulate the inlet of water in the levels. In this case, however, the regulation of the water being more specially attended to with a view of preventing the works below the long reach, at Lock 8, from being flooded, this service was, I consider, properly charged to Income; but in future, when the works of improvement are completed, and the water kept in all the levels, then this service will be charged to Staff, as it is on the other Canals.

2. *Re* deduction of \$8.00 (for 4 Sundays) from the salary of Mr. Paul Cartier, Foreman of Repairs on the Beauharnois Canal. I beg to state that Mr. Cartier's salary is \$2.25 per day, including Sundays, but owing to the fact that the men on the Beauharnois Canal are not working full time, during some of the winter months, a deduction of twenty-five (25c.) per day has been made from his salary. When his salary was fixed at \$2.25 per day to include Sundays, it was with the object in view of placing him on about the same footing as the foreman carpenter of the Chambly Canal, who is paid \$75.00 per month. It is, however, the intention in the future, for regularity's sake, to rate Mr. Cartier per month instead of per day.

I am, Sir, your obedient servant,

The Secy. Railways and Canals.

E. H. PARENT, *Supt. Engr.*

AUDIT OFFICE, OTTAWA, Feb. 16, 1891.

DEAR SIR,—Let me acknowledge receipt, through your hands, of Mr. Parent's explanation of the reasons for charging Wm. Findlay's wages on the pay-list for "Rebuilding Lock 8, Chambly Canal."

Is not "regulating the water supply" the work for which the Lockmasters are kept on and paid during the winter? If so, Mr. Findlay's wages should be paid by the Lockmaster, and not by the Government.

I am withholding the January item of \$31, and will pay the two months as soon as the explanation is complete.

I am, Sir, your obedient servant,

The Secretary Railways and Canals.

J. L. McDOUGAL, *A. G.*

SUPT. ENGR'S OFFICE, MONTREAL, Feb. 18, 1891.

SIR,—I beg to acknowledge receipt of a copy of the Auditor General's letter of 16th instant, asking for further explanation *re* wages paid to Wm. Findlay, for regulating the water supply at lock No. 1, Chambly Canal.

The Auditor asks the following question: "Is not regulating the water supply the work for which the lock-masters are kept on and paid during the winter? If so, Mr. Findlay's wages should be paid by the lock-master, and not by the Government."

The duty of the lock-master during the winter, is to watch the water during the daytime, as is done on other canals, an assistant being furnished to perform same duty during the night.

In this special case, the water has to be watched most carefully, on account of the works below, as stated in my letter of 19th ultimo, and it would be rather exacting to compel the lock-master to perform day and night duty, or defray the expense of an assistant.

I am, Sir, your obedient servant,

The Secretary Railways and Canals.

E. H. PARENT, *Supt. Engr.*

AUDIT OFFICE, OTTAWA, Feb. 20, 1891.

DEAR SIR,—Let me acknowledge receipt of Mr. Parent's letter of Feb. 18, concerning Mr. Wm. Findlay, the watchman at St. Johns, P.Q.

I gather from Mr. Parent's statement, that it is necessary to keep a continuous watch on the water, and that this duty is performed in the daytime by Mr. Lockmaster Pinsonneault.

I am therefore passing Mr. Findlay's wages for December and January, amounting to \$62.00.

I am, Sir, your obedient servant,

The Secretary Railways and Canals.

Paymaster Dowker's Accounts.

NOTE BY AUDITOR GENERAL.—This Order in Council follows the discussion at Page E—240 of my Report for 1888-89 :—

Order in Council, Dec. 26, 1889.—On a memorandum dated Dec. 16, 1889, from the Minister of Railways and Canals representing as follows :—

Mr. G. Dowker is paymaster for the canals of the Province of Quebec, namely, Lachine, Chambly, St. Ours, Beauharnois, Ste. Anne and Carillon and Grenville; a work that requires much travelling.

That considerable correspondence has taken place with the Auditor General with reference to Mr. Dowker's travelling accounts, he being required "to separate and describe fully each item for fares and cab-hire, giving the date for each sum charged, and the time of departure and arrival of each train or boat taken. The payments for cab-hire should be shown to agree with any tariffs that may exist."

The Minister with a view to the avoidance of the existing expenditure of the time of public officers in the recording of cab and other petty accounts incidental to constant travelling, and in their preparation, submission, analysis and passing, all (in the present case, the route being an established and regular one) unnecessary, has caused careful estimates (herewith submitted) to be made on a comparison of the expenditure in past years of the cost of travel which should properly be attached to the work each month performed by Mr. Dowker, with the following results :— covering also cost of sustenance.

Lachine.....	\$14 00
Beauharnois.....	14 50
Chambly.....	13 25
St. Ours.....	10 75
St. Anne.....	7 00
Carillon and Grenville.....	23 50
	<hr/>
Total for month.....	\$ 83 00
	<hr/>
Total per annum.....	\$ 996 00
	<hr/>

To the above \$996 based on residence in Montreal, is to be added the sum of \$65, the price of a commutation ticket between Montreal and St. Anne, where Mr. Dowker is permitted to reside, making a total per annum of \$1,061. Mr. Dowker is also under the necessity of occasionally using the telegraph and post office on public affairs, the estimated cost being set down as \$2.50 a month.

The Minister recommends that authority be given for making Mr. Dowker an allowance of \$1,100 per annum, to cover all his travelling and sustenance expenditure for the year, and also covering his telegraph and postal expenditure.

The Committee advise that authority be granted as above recommended.

JOHN J. MCGEE, C.P.C.

AUDIT OFFICE, OTTAWA, April 26, 1890.

DEAR SIR,—Let me refer you to the correspondence beginning on page E-234 of my last report, and ending on page E-240 with my acknowledgment of Mr. Dowker's paid cheques, Jan. 14, 1890.

I have now completed the examination of the cheques shown in statement "A," and deduce from them the following conclusions, as by sheets attached:

"B."—Mr. Dowker has charged for trips which were not performed at all, and he has given items of fares and cab-hire for them.

"C."—He has charged separate trips for services which were performed on the same trip, giving separate items and dates for each.

"D."—He has charged as his own travel the travel of Mr. A. H. Dowker, who brought cash to him from Montreal, while presumably travelling on his own business.

These three items are additional examples of the statement which I made to you Aug. 29, 1889 (page E-238), that "this officer has not made up his charges on a basis of actual outlay."

Under dates of April 29, July 10, and Aug. 29, 1889, I suggested that steps should be taken to obtain a refund of all previous overcharges; but I do not understand that any action has been taken in this direction. Since the different statements attached to this letter will give you a clear idea of the extent of the irregularities, I trust that you will arrange with Mr. Dowker for a settlement of his arrears before applying to me for further certificates in his favor.

Statement "E" is a comparative summary of Mr. Dowker's charges since July 1, 1886, and of the proposed allowance to him by Order in Council of Dec. 26, 1889. This statement shows that \$1,050, the probable total for the current fiscal year, is in excess of the necessary expense by at least \$102—being \$60 on "Ste. Anne's," and \$42 on "Chambly." The allowance of \$1,100, as proposed, would, therefore, be too large by \$150, on these figures alone. You will notice that the annual total is decreasing as more proof of expenditure is asked.

In the Order in Council of Dec. 26, 1889, it is stated that I asked for unnecessary details. In view of the facts given in this and previous letters, it would be only justice to the Audit Office if this censure were removed by the same high authority which made it.

My attention was first drawn to these accounts by the apparent lack of necessity for the separate "Ste. Anne's" trips; and the cheques show that these trips were not made, although charged every month.

As for the general question of repaying actual travelling expenses by a fixed annual allowance, I beg to point out that there is no difficulty in the paymaster's giving a statement of his actual expenses, and having it certified in such a way as will ensure repayment. I cannot see my way to passing an approximate charge against the Government, when it is easy to determine the exact charge. I venture to ask you to reconsider whether the efficiency of his work might not suffer when, as in this case, the remuneration of an officer, instead of being increased by the time he gives to his work, is decreased by it.

Although on a superficial view of the case the efficiency of this officer might appear to be a matter of interest to your Department alone, it is only necessary to reflect upon the nature of the duties of a paymaster to see that the quality of his service is of much consequence to this office.

The cheques also show that the responsible duty of carrying large sums of money from Montreal to Ste. Anne's has been entrusted by the paymaster to other persons, namely: Mr. Arthur H. Dowker, Mr. Leslie R. Dowker and Mr. Vivian de V. Dowker. If this practice is to continue, it would be well to have it recognized by another Order in Council, to amend the one which appointed Mr. George Dowker paymaster.

I am, Sir, your obedient servant,

The Secretary Railways and Canals.

NOTE.—The figures for 1889-90 were calculated for 12 months, on the basis of the accounts rendered up to date of this letter, April, 1890.—J. L. McD.

AUDIT OFFICE, OTTAWA, May 19th, 1890.

DEAR SIR,—I have passed Mr. Dowker's April accounts, with an interim deduction of \$30 towards previous overcharges. Please ask Mr. Dowker to forward his paid cheques for the current fiscal year.

The irregularities in the accounts of 1888-89, described in my letter of April 26 after examination of the paid cheques recently obtained, show the necessity of re-examining all the accounts rendered by Mr. Dowker since he took office, with special attention to the possible occurrence of similar overcharges.

If, as would seem natural, you desire to make such investigation without delay, I will postpone any action in that direction which might conflict with your own. But if you do not see the necessity for a Departmental investigation, please let me know as soon as possible, so that I may take the steps described in section 56 of the Audit Act.

Among the papers essential to a complete examination are the accounts for travel and expenses, the paid cheques or stubs, and the bank pass-books.

With the facts now on record, I shall be obliged to charge all the proved overpayments against Mr. Dowker's salary account.

I am, Sir, your obedient servant,

The Secy. Railways and Canals.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, June 20, 1890.

DEAR SIR,—I notice that no reply has yet been made to my letter of May 19, 1890, concerning the necessity of an investigation into Mr. Dowker's accounts for previous years. Please let me have an answer at your earliest convenience.

I am, Sir, your obedient servant,

The Secy. Railways and Canals.

J. L. McDOUGALL, A.G.

RAILWAYS AND CANALS DEPT., OTTAWA, June 25, 1890.

SIR,—I am by direction to acknowledge the receipt of your letter of the 20th instant, asking a reply to that of the 19th ultimo in regard to the accounts of Mr. G. Dowker, Paymaster; and to say that Mr. Dowker has resigned his position.

I am, Sir, your obedient servant,

The Auditor General.

A. P. BRADLEY, Secy.

AUDIT OFFICE, OTTAWA, June 30, 1890.

DEAR SIR,—Let me acknowledge the receipt of your letter of June 25, stating that Mr. Dowker has resigned his position of paymaster on the Quebec Canals.

Under Sec. 59 of the Consolidated Revenue and Audit Act, it becomes necessary to establish, as accurately as possible, the amount due by him to the Government for overcharges since he assumed office.

It occurs to me that the investigation, which was mentioned in conversation as likely to be made concerning the canals, may possibly take the direction of an inquiry into the working of the canals rather than into the accounts themselves; and that thus it might not interfere with a concurrent examination by this office into Mr. Dowker's accounts. This latter examination I am unable to postpone any longer, as it should be finished before the accounts of the fiscal year are closed.

If, therefore, you are not needing at present the papers mentioned in my letter of May 19, please forward them to this office, namely, Mr. Dowker's accounts for travel and expenses, his paid cheques and stubs, and his bank pass-books; all dating from the time when he took office, or as far back as they can be obtained.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

Security from Paymasters.

RAILWAYS AND CANALS DEPT., OTTAWA, May 7, 1890.

SIR,—I am instructed to acquaint you that Mr. Robert Flanagan has been recommended to Council as Collector of Canal Tolls at Cornwall, in place of Mr. J. A. Phelan, deceased, and it is thought best to follow the practice hitherto adopted that the Collector at that place should also be Paymaster for the works on the canal.

Steps will be taken to have a bond from him for the due performance of the latter duty.

I am, Sir, your obedient servant,
The Auditor General. A. P. BRADLEY, Secy.

AUDIT OFFICE, OTTAWA, May 19, 1890.

DEAR SIR,—Let me acknowledge the receipt of your No. 81,223 of May 7, stating that a bond will be obtained from Mr. Robert Flanagan, the new Paymaster on the Cornwall Canal.

I understand from conversation with you that Messrs. Dunn and Dowker are the only Paymasters yet under bond, namely, for \$8,000 each, one-half being furnished by themselves.

By Sec. 2 of the Order in Council of August, 1869, "every paymaster whose business it is to distribute money handed over to him must give security."

I beg to point out that all your Paymasters should be brought into conformity with this Order.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

I would like to be supplied with the list of perquisites enjoyed by canal officers at as early a date as possible.

I am, Sir, your obedient servant,
The Secretary Railways and Canals. J. L. McDOUGALL, A.G.

RAILWAYS AND CANALS DEPT., OTTAWA, Oct. 28, 1890.

AUDIT OFFICE, OTTAWA, May 16, 1890.

SIR,—I notice in the examination of the accounts of the Post Office Dept. (outside service), for the six months ended Dec. 31, 1889, that Mr. A. Walmsley was paid \$315 and Mr. D. Fairman \$232 for attending to the English mails from Montreal to Halifax and back, the former at the rate of \$3 a day for 105 days, and the latter at \$2 a day for 116 days.

I respectfully submit that these payments are contrary to sec 51 of the amended Civil Service Act. Messrs. Walmsley and Fairman are permanent railway mail clerks in the Montreal Division, and are paid one-half cent a mile for every mile travelled, besides their ordinary salary, to cover their travelling expenses.

I am, Sir, your obedient servant,

The Dy. Postmaster-General.

J. L. McDUGALL, A.G.

POST OFFICE DEPT., OTTAWA, May 23, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 16th instant, on the subject of a *per diem* allowance in the case of Messrs. A. Walmsley and D. Fairman for attending to the English mails from Montreal to Halifax and back, and to say that Messrs. Walmsley and Fairman have charge of the outgoing British mail from Montreal to Halifax in winter, and to Rimouski in summer, and also of the incoming mails from those points to Montreal and Moncton. They are obliged to remain at Halifax and Rimouski, until such time as the mail steamer arrives from Liverpool, and a *per diem* allowance is therefore granted them to cover hotel expenses.

Messrs. Walmsley and Fairman are essentially British mail clerks, and not railway mail clerks; and would have been classified separately in the Civil Service Act, but it was uncertain at the time the Act was framed whether the office of marine mail clerks could be done away with, and whether the services of the British mail officers should be retained; and as there were only two of these latter officers, it was thought scarcely necessary to make special provision for them in the Act. It has since been found that the services of the British mail officers cannot be discontinued, while those of the marine mail officers could, and have since been dispensed with.

I am, Sir, your obedient servant,

The Auditor General.

WM. WHITE, Dy. P. M. G.

AUDIT OFFICE, OTTAWA, May 26, 1890.

SIR,—Referring to your letter of May 23 with respect to the British mail clerks Walmsley and Fairman: I have the honor to say that the law which gives a railway mail clerk, in addition to his regular salary, an allowance not exceeding one-half cent a mile for every mile travelled on duty, does not, in my opinion, prevent his getting a living allowance when he is obliged to stay for a certain number of days at the end of the route, which is not his place of living: but nothing in the law, as far as I can see, authorizes payment of the mileage and the living allowance for the same time.

I am, Sir, your obedient servant,
The Deputy Postmaster General. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, April 8, 1890.

SIR,—Please give me some explanations with respect to the enclosed account. In what capacity was Miss Anna V. Barber sent to Victoria, and why were her travelling expenses paid out of the public money?

I am, Sir, your obedient servant,
The Deputy Postmaster General. J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, May 16, 1890.

SIR,—Referring to your letter of the 8th ultimo, asking for explanations with respect to an account received from Miss Anna V. Barber, for travelling expenses from Ottawa to Victoria, I have the honour to state that Miss Barber was engaged as a shorthand-writer and type-writer in this city and assigned to duty in the office of the Post Office Inspector at Victoria, B. C. Her travelling expenses were, therefore, paid by this Department.

I am, Sir, your obedient servant,
The Auditor General. WM. WHITE, Dy. P. M. G.

AUDIT OFFICE, OTTAWA, April 19, 1890.

SIR,—In examining the accounts of the Post Office Dept. for the quarter ended Dec. 31, 1889, I notice a payment of \$21 for expenses incurred by Miss Kate Maybee in going to and returning from Quebec. Please inform me of the grounds on which this expenditure was made. I do not find that Miss Maybee had been previously employed in the Department.

I am, Sir, your obedient servant,
The Dy. Postmaster General. J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, May 16, 1890.

SIR,—Referring to your letter of the 19th ultimo, asking upon what ground Miss Kate Maybee was allowed her travelling expenses in going to and returning from Quebec, I have the honour to state, that Miss Maybee was engaged as a shorthand-writer and type-writer in this city, and detailed for duty to the office of the Post Office Inspector at Quebec. She was afterwards removed to the Inside Service of this Department. Under these circumstances she was allowed her travelling expenses.

I am, Sir, your obedient servant,
The Auditor General. WM. WHITE, Dy. P. M. G.

AUDIT OFFICE, OTTAWA, May 21, 1890.

SIR,—In answer to your letter of the 16th instant, with reference to the travelling expenses paid respectively to Miss Kate Maybee and to Miss Anna V. Barber, I have the honour to say that I see nothing in the law authorizing such payments.

On the contrary, there is an Order in Council prohibiting the payment of travelling expenses of permanent clerks on appointment, when the clerks do not reside at the place where they are to be employed. The ladies above-mentioned not having been even extra clerks before the time they were sent, one to Quebec, and the other to Victoria, there can be no ground for the payments to them. I shall have to submit the case to the Treasury Board, under Sec. 31 of the Audit Act.

I am Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Dy. Postmaster General.

AUDIT OFFICE, OTTAWA, May 20, 1890.

SIR,—Please let me know if the services performed by Mr. C. P. V. Bérourard, a temporary clerk in the Chief Post Office Inspector's office, are technical and require special qualifications. This gentleman has received \$2 a day for some time, which is contrary to Sub-sec. 2 of Sec. 47 of the Civil Service Act as amended by 51 Vic., cap. 13,—unless the qualifications are special.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Dy. Postmaster General.

POST OFFICE DEPT., OTTAWA, May 21, 1890.

SIR,—I have the honour to acknowledge your letter of the 20th inst., enquiring whether the services rendered by Mr. C. P. Bérourard, a temporary clerk on the staff of the Chief Post Office Inspector, who is receiving pay at the rate of two dollars a day, are of a special character.

In reply I beg to say that Mr. Bérourard's qualifications and services are in the fullest sense of a special character, as through his knowledge of accounts and skill in penmanship and design he is available for a variety of purposes, and is employed in a variety of work beyond the capacity of ordinary temporary clerks.

I am, Sir, your obedient servant,

WM. WHITE, Dy. P.M.G.

The Auditor General.

AUDIT OFFICE, OTTAWA, May 22, 1890.

SIR,—I notice that Messrs. A. T. Deacon and C. G. Shannon, two temporary clerks on the staff of the Postmaster at Kingston, are paid at the rate of \$2 a day. Please let me know if they are employed on special qualifications; and if so, a certificate to that effect should be given in each monthly pay list. The same certificate should be given in the case of Mr. C. P. V. Bérourard, and all other extra clerks who are paid at a higher rate than \$400 per annum.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Dy. Postmaster General.

POST OFFICE DEPT., OTTAWA, May 23, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 22nd instant, referring to the payment of \$2 a day to Messrs. A. T. Deacon and C. G. Shannon, two temporary clerks on the staff of the Kingston Post Office, and to enclose herewith a copy of a Departmental letter dated the 11th February last, addressed to you on this subject. As Messrs. Deacon and Shannon are employed on special qualifications, a certificate to that effect will be given in each monthly pay-list, in their case as well as in that of Mr. C. P. Bérourard.

I am, Sir, your obedient servant,

WM. WHITE, Dy. P. M. G.

The Auditor General.

AUDIT OFFICE, OTTAWA, April 18, 1890.

SIR,—From the account of Jos. F. Garden, D.L.S., for survey in the Kamloops District during the season of 1888, it appears that on the 18th of September he sold four pack horses, one colt, six aparejos and six pack saddles, for \$75, and applied the proceeds towards the expenses of his survey.

I beg to draw your attention to the fact that this is in contravention of sec. 25 of the Consolidated Revenue and Audit Act, which requires all public moneys, from whatever source of revenue derived, to be paid to the credit of the account of the Minister of Finance and Receiver General.

I trust that in future you will see that all proceeds from sale of horses, equipment, &c., are dealt with as required by law.

In all such cases it would also be advisable to obtain a receipt from the purchaser, showing in detail the nature of the purchase and the consideration given in return therefor.

I am, Sir, your obedient servant,

The Minister of Interior.

J. L. McDougall, A.G.

DEPARTMENT OF INTERIOR, OTTAWA, May 29, 1890.

SIR,—In reply to your letter of the 18th ult., having reference to the account of Mr. J. F. Garden, D.L.S., in connection with his survey in Kamloops District in 1888, and dealing with the general question of applying the proceeds of the sale of horses to the expenses of the survey, I have the honour to make the following observations, the effect of which I have already submitted to you verbally, and with which, as I understand, you agree:

The practice of the Department at one time was to hire the horses necessary for survey work during the summer. The system now in force of purchasing horses at the beginning of the season, and either wintering them ourselves or selling them, according to the locality and the circumstances, was, after trial, found to be a much more economical practice, inasmuch as the horses could generally be bought for about the same amount as their hire for the season would cost, and therefore whatever could be obtained by selling them at the close of the season was practically profit. To comply with the requirements of your letter would compel us to resort to the former system, for I submit that Parliament, in appropriating a certain sum for surveys, intends that the whole amount should be available for the work, and that no portion of the money should be regarded as revenue or used in any other way. The money spent in procuring the outfit of a surveyor for the season is really a rent for the use of the outfit during the season, and it appears to me that it is my duty to see that the most economical mode of expending the money appropriated by Parliament is adopted—in other words, if it is cheaper to buy the outfit at the beginning of the season and sell it when the work is over, I think the outfit should be bought, and not hired. The cost of the equipment is made up of the price at which the articles were purchased, less the price at which they were subsequently disposed of. I trust that this explanation will be satisfactory, and that I may hear from you by letter to that effect at your early convenience.

I observe that you say it would be advisable to obtain a receipt from the purchaser, showing in detail the nature of the purchase and the consideration given in return therefor. The instructions issued to surveyors require them to obtain such a receipt, and on reference to the accounts you will observe that it is very seldom omitted. When, however, it is not furnished, the question arises as to whether the surveyor should be charged the cost price for the articles sold or whether his statement of the sale may be accepted as correct. In Mr. Garden's case it was found that the reasons given for the absence of the receipt were satisfactory; the aparejos and pack saddles sold were worn out and worthless, so that in reality he obtained at

Kamloops, in September, \$75 for four horses and one colt, which had been used all summer on the survey. This, in my opinion, was a very successful sale, and I accepted Mr. Garden's statement as correct.

I am, Sir, your obedient servant,

The Auditor General.

A. M. BURGESS, *D.M.I.*

AUDIT OFFICE, OTTAWA, June 28, 1890.

SIR,—I have the honour to ask your attention to the following remarks on the expenditure by Wm. Ogilvie, D.L.S., in connection with his exploratory survey of the Yukon and Mackenzie Rivers.

On Aug. 30, 1889, Jos. Day was paid 42 days' wages at \$1.50; 35 days' ration allowance, at 75 cents; boat fare to Victoria, \$30, with interest from May 15, amounting to \$2.15. Kindly explain this charge for interest, and also the ration allowance of 75 cents per diem, the regular rate of allowance being 50 cents.

There are 57 days in M. Ogilvie's personal service account, and 110 days in the pay-list for which the ration allowance is not claimed, board for these days being charged in the transport account. Please send me a statement, showing how the number of days in each case is arrived at.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDUGALL, *A.G.*

Memorandum.—The answers to the remarks on the expenditure by Wm. Ogilvie, D.L.S., in connection with his exploratory survey of the Yukon and Mackenzie Rivers, contained in the letter of the Auditor General of the 28th ult., are as follows:—

James Day left Wm. Ogilvie's party at the point where the boundary of Alaska crosses the Yukon River, and the account paid to him is for expenses from that point to Victoria. He was allowed 75 cents per day for rations because this was considered to be a reasonable amount for the purpose. The ration allowance of 50 cents per diem per man to surveyors cannot be compared with the above, as surveyors are also allowed freight on their provisions.

Interest was allowed on James Day's account from the 15th of May to the 30th August, 1889, because, although his claim was admitted on the 15th May, it could not be paid until the 30th of August, the papers having been mislaid.

Approximate statements, prepared from Mr. Ogilvie's accounts, showing the number of days for which ration allowance is not claimed, board for these days being charged in the transport account, are transmitted herewith. It would be well to find out from the Auditor General whether he proposes to ask again for similar information. In that case steps would be taken to procure it from the surveyors when they are filing their accounts. He will easily understand that when a surveyor has been paid it may sometimes be difficult to obtain further information from him.

Respectfully submitted,

E. DEVILLE, *Surveyor-General.*

AUDIT OFFICE, OTTAWA, December 15th, 1890.

SIR,—Referring to your letter in reply to mine of the 28th of June, regarding Mr. Ogilvie's Exploratory Survey Account, I beg to say that the information referred to by the Surveyor-General as to the days on which the ration allowance is charged will be expected with reference to future accounts.

I am, Sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, March 8, 1890.

SIR,—In looking over the expenditure during the current year on account of the various outside services connected with your Department, I notice that the different officials are in the habit of purchasing ink, mucilage, and in some cases other articles of stationery, without reference to the Stationery Office here.

I am aware that the Order in Council of July 24, 1882, authorized the purchase of ink and mucilage in the outlying Provinces, but this Order is tacitly repealed by the Act respecting the Department of Public Printing and Stationery, which provides that the Superintendent of Stationery shall have charge of the purchase and supply of all articles of stationery required for the employés of the several Departments. (*Vide* 49 Vic., chap. 27, sec. 6, sub-sec. 2).

I trust that you will notify without delay all the officials connected with your Department that the present practice is illegal, and should be discontinued.

I am, Sir,

The Dy. Minister of Interior.

J. L. McDOUGALL, A.G.

INTERIOR DEPARTMENT, OTTAWA, April 8, 1890.

SIR,—I am directed to acknowledge the receipt of your letter of the 8th ult., with reference to the purchase of ink, mucilage and other articles of stationery, without reference to the Stationery Office here. The necessary instructions have been given in the matter.

I am, Sir, your obedient servant,

The Auditor General.

LYNDWODE PEREIRA, *Asst. Sec'y.*

DEPT. OF INTERIOR, OTTAWA, Oct. 28, 1889.

SIR,—I am directed to say that some time ago one of the officers of your Department applied verbally for a statement showing how the sum of \$300, advanced to Mr. D. J. Waggoner in the spring of 1884, had been expended. I enclose herewith a statement giving this information, and also a copy of my letter to Mr. Waggoner, dated the 25th ultimo, with respect thereto, and his reply of the 19th instant.

I am, Sir, your obedient servant,

The Auditor General.

LYNDWODE PEREIRA, *Asst. Secy.*

DEPT. OF INTERIOR, OTTAWA, Sept. 25, 1889.

SIR,—I am directed to enclose herewith a copy of a letter dated the 10th of July, 1884, from you to this Department, in which you stated that you thought you would be able to obtain vouchers for most of the expenditure incurred by you in your journey from Winnipeg to Prince Albert. These vouchers have never been received here, although on several occasions you verbally informed Mr. Ryley that you would endeavour to obtain them. The Auditor General is now asking for a statement showing how you expended the amount of \$300, for which you received a cheque from Mr. A. Walsh, the late Commissioner of Dominion Lands at Winnipeg. A copy of the statement which accompanied your letter of the 12th of May, 1884, showing how this amount was expended, is enclosed herewith, but in addition to this statement the Auditor General requires vouchers for the different items therein specified. Please state whether or not you have obtained vouchers for any of these items, and, if not, whether there is any likelihood of your being able to procure the same.

I am, Sir, your obedient servant,

D. J. WAGGONER, Esq., Glenburnie, Ont. LYNDWODE PEREIRA, *Asst. Secy.*

D. J. WAGGONER, *Timber Agent.*

GLENBURNIE, ONT., Oct. 12, 1889.

SIR,—I have the honour to acknowledge the receipt of your letter of the 25th ultimo (letter No. 196,321), and in reply beg to state, on my return to Winnipeg I found it impossible to obtain vouchers asked for by the Auditor General, as changes had taken place in every instance where I remained during my stay there. At present I fear I will be unable to render anything more satisfactory than the statement I forwarded, a copy of which, also a letter, was received with your communication. The late Commissioner, Mr. Walsh, did not, at the time, request me to ask for vouchers.

I am, Sir, your obedient servant,

The Secretary, Interior Dept.

D. J. WAGGONER.

DEPT. OF INTERIOR, OTTAWA, Dec. 19, 1889.

SIR,—Referring to your letter of 28th August last, declining to issue a cheque for the gratuity of \$600 to Mr. D. J. Waggoner, authorized by the Order in Council of the 2nd of August last, until you receive a reply to your letter of the 18th of June last, I beg to say that the question asked in that letter had already been answered by my letter to you of the 12th of the same month, in reply to yours of the 10th of that month—that is to say, that Mr. Waggoner had been summoned to Ottawa on business connected with his office.

As the gratuity to Mr. Waggoner has been duly authorized by Order in Council, I trust you will cause a cheque to be issued therefor with as little delay as possible.

I am, Sir, your obedient servant,

The Auditor General.

A. M. BURGEEES, *D.M.I.*

INTERIOR DEPT., OTTAWA, March 12, 1890.

SIR,—I have not been favoured with any answer to my letter to you of the 19th December last, further applying for the cheque for \$600 gratuity provided for by Order in Council of the 2nd August last, in the name of Mr. D. J. Waggoner. Mr. Waggoner is in urgent need of the money, and I beg to renew the application. You have already been advised that Mr. Waggoner was summoned to Ottawa in July, 1887, for the purpose of having his accounts put in proper order. Between the time when he was instructed to report here, and the date of his arrival I had left Ottawa for British Columbia on Government business, and did not return until the early part of August of that year. Meantime Mr. Waggoner had, according to instructions,

been waiting for me. As soon as I returned from the West I called Mr. Waggoner here, and the work of rectifying his accounts was proceeded with. The work was finished during the month of December. I then reported to the Minister of the Interior that in my opinion the business of the Prince Albert Crown Timber Agency was not sufficient to justify the expenditure necessary for its maintenance, that the Crown Lands Agent could without difficulty perform its duties in addition to those with which he was already entrusted, and it would therefore be desirable to abolish the office and make provision for the retirement of Mr. Waggoner, who, although possessed of many good qualifications, had not had such previous experience of office work as to enable him to keep the books and accounts in very good order. The Minister was naturally unwilling to take this step until he had an opportunity of seeing whether some other employment could not be found in the Government service for Mr. Waggoner, who had not done anything which would justify his dismissal. The Minister's enquiries had not led to any result up to the time when, in April following, he was taken ill and died. The present Minister was not appointed until the following August, and, unfortunately, for the first few months after his appointment I was myself ill and absent on leave; and he did not care to take action upon a recommendation involving such serious consequences to Mr. Waggoner, without consultation with me. In April, 1889, Mr. Waggoner was notified that he would be granted two months' leave of absence from the 1st of May following, and that his services would not be required after the expiry of that leave. This action was ratified by Order in Council on the 22nd June, 1889; and, as you are already aware, at the expiry of the two months Mr. Waggoner's services were dispensed with. On the 2nd August another Order was passed, providing for a gratuity, under the provisions of sec. 11, chap. 18, Revised Statutes, of \$600, being one month's pay for each of the six years during which Mr. Waggoner had held the position of Crown Timber Agent.

I may further explain that it was no fault of Mr. Waggoner's that he did not return to Prince Albert when his work here was finished in December, 1887. On the contrary, I observed from the newspapers that he was advertising his farm near Kingston for sale, with a view to removing his family to Prince Albert; upon which I recommended to the Minister that until the question of closing the office and retiring Mr. Waggoner, as I had recommended, had been disposed of, he should be told not to make any arrangements for the removal of his family in the meantime. I telegraphed Mr. Waggoner accordingly, and on his arrival in Ottawa, in response to that telegram, I explained to him the contemplated change, and informed him that as soon as a decision was arrived at I would communicate further with him. He frequently asked authority to return to his office at Prince Albert, which under the circumstances, I declined to give. I trust that after these explanations you will have no further objection to issuing the cheque applied for.

I am, Sir, your obedient servant,

The Auditor General.

A. M. BURGESS, *D.M.I.*

AUDIT OFFICE, OTTAWA, April 13, 1890.

Sir,—Referring to your letter of October 28, 1889, enclosing Mr. Waggoner's statement of the expenditure of the \$300 advanced him for his expenses from Winnipeg to Prince Albert, I beg to state that, in the absence of vouchers for the several items of expenditure, I am unable to give Mr. Waggoner credit for more than the minimum cost that the trip from Winnipeg to Prince Albert would be at that time, as determined from the accounts of other officials; and moreover that I am unable to pass the item of \$112 for 28 days' stay at Winnipeg, unless it be satisfactorily shown that Mr. Waggoner was actually detained at Winnipeg for that length of time, and also that such detention was duly authorized by your Department.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 15, 1890.

SIR,—I beg to acknowledge the receipt yesterday of a letter from you, under the date March 12, 1890, containing an explanation of the continued absence of Mr. Waggoner, late timber agent at Prince Albert, from his post for a period of nearly two years from July 1887.

As this explanation shows that the cause of delay was with your Department, and not with Mr. Waggoner, I see no reason why the payment of the gratuity of \$600 should be delayed any longer on this ground. The only matter that now waits settlement is the expenditure under the advance of \$300 made to him on his appointment, for his expenses from Winnipeg to Prince Albert.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, A.G.

DEPT. OF INTERIOR, OTTAWA, April 15, 1890.

SIR,—The Deputy Minister has asked me to reply to your letter to him of the 13th inst., respecting the statement of expenditure furnished by Mr. D. J. Waggoner for the advance of \$300 made to him for his expenses from Winnipeg to Prince Albert, and more particularly in regard to the item of \$112 for 28 days detention at Winnipeg, which item you say you are unable to pass unless further explanation be given in regard thereto.

With respect to this matter, the Deputy Minister asks me to explain that by his own verbal instructions Mr. Waggoner proceeded to Winnipeg, so that he might be afforded an opportunity, while on his way back to Prince Albert, of observing the working of Mr. Stephenson's method of conducting the Crown Timber business at that point, Mr. Stephenson's office always having been regarded as the model Crown Timber Office of the Department. When giving these instructions to Mr. Waggoner, the Deputy Minister did not anticipate that the former would be detained in Winnipeg for the 28 days, during which his stay was prolonged, but he now remembers that Mr. Howe, who was in charge of the Printing and Stationery Branch of the Department, had forwarded Mr. Waggoner's books and stationery to Winnipeg by freight instead of by express. Had Mr. Waggoner proceeded to Prince Albert in advance of these books he would have been unable to commence work until their arrival, and it was therefore a matter of economy that Mr. Waggoner should have remained in Winnipeg until he could take the books along with him. Under the circumstances, the Deputy Minister instructs me to say that Mr. Waggoner's stay in Winnipeg was, he thinks, not unreasonable, and further, that it was made with the approval of Mr. Walsh, then Commissioner of Dominion Lands, practically on the grounds set forth in this letter.

I am, Sir, your obedient servant,

The Auditor General.

LYNDWODE PEREIRA, Asst. Secy.

AUDIT OFFICE, OTTAWA, April 23, 1890.

SIR,—I beg to inform you that on receipt of your letter on the 15th inst., explaining the reason of Mr. Waggoner's delay in Winnipeg on his way to his post at Prince Albert in July, 1883, and after getting from Mr. Waggoner an affidavit as to the length of time he was delayed and as to the accuracy of the other charges, I authorized the payment to him of \$600, being the gratuity allowed him on the abolishment of his office.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, June 17, 1890.

SIR,—Mr. D. J. Waggoner, late timber agent at Prince Albert, was paid \$200 in January last for rent of stable for horses used by Forest Ranger Cook from 1st July, 1887, to 1st July, 1889, at \$100 per annum.

Please explain how it is that this liability was allowed to accumulate for so long a period, instead of being settled month by month as the rent fell due.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, A.G.

INTERIOR DEPT., OTTAWA, June 21, 1890.

SIR,—In reply to your letter of the 17th instant, I beg to say that the accumulation of rent for the stable used by Forest Ranger Cook arose from Mr. Waggoner's unsatisfactory system of doing business. The arrangement was made by Forest Ranger Cook in 1887, at the time he commenced to use the stable for his horse; it was approved by the Deputy Minister at the time, and the account would have been paid regularly had it been rendered by Mr. Waggoner.

I am, Sir, your obedient servant,

The Auditor General.

JOHN R. HALL, *Secy.*

AUDIT OFFICE, OTTAWA, June 17, 1890.

SIR,—Mrs. E. M. Sutherland was paid \$40 for rent of land office at Calgary for the month of November last by Dominion Lands Income cheque No. 3132. In March cheque No. 3985 was issued in favour of Hon. Jas. Lougheed for \$160, being for rent of land office at Calgary for November, December, January and February, 4 months at \$40 per month. It would thus appear that Mrs. Sutherland and Mr. Lougheed have both received payment of rent for the month of November. Kindly explain this duplicate payment.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, A.G.

INTERIOR DEPT., OTTAWA, June 30, 1890.

SIR,—In reply to your letter of the 17th inst., asking an explanation of the payment of \$40 each to Mrs. E. M. Sutherland and to the Hon. Jas. Lougheed for the rent of the Dominion Lands Office at Calgary for the month of November last, I am directed to state that new premises have been rented from Mr. Lougheed for the office in question, and that the tenancy of these premises began before the expiration of the tenancy of the Sutherland premises. It was necessary for the agent to occupy the new quarters before winter set in.

I am, Sir, your obedient servant,

The Auditor General.

LYNDWODE PEREIRA, *Asst. Secy.*

AUDIT OFFICE, OTTAWA, April 18, 1890.

SIR,—Among the payments made by Mr. E. H. Taylor during December last for petty expenses of the Commissioner's office at Winnipeg, is one of \$2 for Christmas gratuity to C. P. R. telegraph messengers. On 27th May, 1889, I drew your attention to the illegality of such payments out of the public moneys. I have therefore to ask that this sum be refunded to the credit of the Receiver General.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, A.G.

INTERIOR DEPT., OTTAWA, April 28, 1890.

SIR,—I have the honour by direction, to acknowledge the receipt of your letter of the 18th instant, stating that on the 27th May last you drew the attention of the Department to the illegality of the payment of gratuities to C.P.R. messengers out of public moneys, and asking that the sum of \$2, paid in December last by the Commissioner of Dominion Lands for this purpose, be refunded to the credit of the Receiver General.

In reply, I am directed to say that by an oversight the Commissioner was not instructed in accordance with the tenor of your letter of the 27th May last, and was therefore not aware of the irregularity of the payment in question. The necessary instructions, however, have been forwarded to the Commissioner to-day, and such payments will not be made in the future.

I am, Sir, your obedient servant,

LYNDWODE PEREIRA, *Asst. Secy.*

The Auditor General.

LAND BOARD, WINNIPEG, May 6, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 28th ultimo, Ref. 197790, and am directed to say that the Christmas gratuity to C.P.R. telegraph messengers will hereafter be discontinued. It may be mentioned that under the present system the telegraph company supply messengers, who both call for messages which are sent from this office and deliver those which are addressed to the Commissioner and a gratuity is paid to them by all the leading business establishments in the city.

I am, Sir, your obedient servant,

T. R. BURPÉ, *Secretary.*

The Secretary, Interior Dept.

AUDIT OFFICE, OTTAWA, April 18, 1890.

SIR,—December voucher No. 28 of Commissioner Smith's special service account is for \$101.50 for expenses of C. D. Rickards in connection with Carlyle, Cannington and Minnedosa land offices. Please explain the charge of \$32 for amount paid for rooms at Brandon during an absence of 16 weeks.

I notice also that Mr. Rickards omits to give the dates on which the different items were incurred. It is an impossibility to audit an account satisfactorily unless such information is given with regard to each item. I have therefore to ask that you will see that all accounts sent me in future give the different dates on which each separate item of expenditure is incurred.

I am, Sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Dy. Minister of Interior.

DEPT. OF INTERIOR, OTTAWA, Oct. 16, 1890.

SIR,—Referring to your letter of April 18 last, calling attention to the charge of \$32 paid for rooms rented by C. D. Rickards during his absence on official business connected with the Dominion Lands Agencies at Carlyle, Cannington and Minnedosa, I am now directed to inform you that the Commissioner of Dominion Lands reports that at the time Mr. Rickards was ordered from his headquarters, as above mentioned, he had engaged rooms for a definite period, for which he was obliged to pay, and that, as a measure of economy, the Commissioner allowed Mr. Rickards the amount of such rental, instead of giving him the usual per diem allowance for the whole period of his absence; such per diem allowance having only been paid to him for the days he was actually engaged in moving from one office to another.

I am, Sir, your obedient servant,

JNO. R. HALL, *Secretary.*

The Auditor General.

AUDIT OFFICE, OTTAWA, June 16, 1890.

SIR,—I beg to ask your attention to the vouchers in support of Dominion Lands cheques Nos. 2423 to 2428, and 3649 to 3654 inclusive, being for payment to the members of the Board of Examiners for Dominion Land Surveyors, for services and expenses.

These vouchers appear to be only copies made out by the secretary of the Board, Mr. Symes. An original account made out by the claimant should be furnished in each case, showing in detail the dates on which each item of expenditure was incurred, and supported by the following certificate: "I certify that the whole of the above expenditure was incurred on Government business."

I would also ask why the members of the Board in coming to Ottawa did not purchase return tickets. Their duties at Ottawa require their presence there only a comparatively short time, and return tickets, good for thirty days, can always be procured for a fare and two-thirds.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, A.G.

INTERIOR DEPT., OTTAWA, July 7, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter, dated the 3rd inst., enclosing a copy of a letter from the Auditor General referring to vouchers for payments to the members of the Board of Examiners for D. L. S.

I beg to say that it has been the practice, at the close of a meeting of the Board, to make out a pay-list giving the number of days for which each member was entitled to pay, and the amount of his travelling and living expenses. In July, 1888, the Surveyor General received a letter from Mr. Burgess enclosing an extract from a letter of the Auditor General, stating that "the Examiners should give the dates of all the days charged, and the details of their travelling expenses." Since that time I have obtained from each member at the meeting a memorandum of the details of his expenses, and embodied these memos. in an account attached to the pay-list, keeping the memos. on my own file. I will request the members in future to make out accounts certified as required by the Auditor General, and forward the accounts instead of a pay-list, in which case I presume the Accountant will require a separate voucher for each.

The only advantage I see in the pay-list receipted by the members is that it may save delay. The members sometimes do not know till the middle of a day whether they will conclude their sittings that day, and some of them are generally anxious to, close accounts and leave Ottawa the same evening, in assisting them to do which I am always indebted to the courtesy of the Accountant of our Department in getting the cheques as rapidly as possible. Trusting this explanation may prove satisfactory.

I am, Sir, your obedient servant,

The Secretary, Interior Dept.

P. B. SYMES, *Secy. to Board.*

AUDIT OFFICE, OTTAWA, March 11, 1890.

SIR,—Wm. Peart, a temporary employé of your Department, who was transferred to Ottawa from the Indian Commissioner's office in November, 1888, was paid \$56.10 in July last for his travelling expenses. One item in Mr. Peart's account is for railway fare from Regina to Ottawa, \$52.95. Among the payments made by the Indian Department in 1888-89 to the C.P. Ry. is one of \$49.90 for the fare of W. Peart from Regina to Ottawa, on his transfer to Ottawa by the Superintendent General. I have therefore to ask how it is that Mr. Peart has been paid for a service for which the C.P. Ry. has already been paid. I would also ask whether these removal expenses were duly authorized by the Treasury Board previous to their payment.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Sept. 4, 1890.

SIR,—I notice a voucher for \$164.80, being payment to Jas. Taylor of travelling expenses from Winnipeg to Ottawa and return in May last. Please inform me if the days spent on the boat between Port Arthur and Owen Sound on the trip down were deducted from the total number of days during which Mr. Taylor was absent from Winnipeg, in accordance with the O. in C. of November 10, 1886. The information cannot be gathered from Mr. Taylor's account, which does not indicate clearly the dates of departure from Winnipeg and arrival in Ottawa.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, March 11, 1890.

SIR,—Cheque No. 2214, of July, 1889, is for a payment to A. Bristow of \$40 for 80 hours extra work, from July 30, 1888, to July 11, 1889; cheque No. 2342 is for a payment of \$108 to B. H. Humphreys for 216 hours extra work during the months of January, February, March and April, 1889; and cheque No. 2546 is for a payment to Mr. Humphreys of \$128 for 256 hours extra work during May, June, July and August, 1889.

Considering the length of the periods for which payment is made to the above named gentlemen, I have to ask for statements showing the different dates on which the work was performed, and for an explanation of why this work was not paid each month as it accrued, instead of being allowed to accumulate so long.

I am, Sir, your obedient servant,

The Dy. Minister of Justice.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, March 14, 1890.

SIR,—During the fiscal year 1888-89 and also during the first six months of the current fiscal year, Miss E. Charbonneau has been paid out of the vote for Dominion Lands \$15 a month for copying 300 folios each month, 5 cents a folio. The small chances of a round sum for one month, and of an equality of work for two months, both become impossibilities when the time extends over eighteen months. Please have the vouchers amended if the arrangement is for \$15 a month.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, A. G.

DEPT. OF INTERIOR, OTTAWA, May 20, 1890.

SIR,—In reply to your letter of the 14th of March last, in relation to the payments made to Miss E. Charbonneau for copying, I am directed to explain to you that the account is made out for 300 folios each month, as that is the outside limit that this Department will pay in one month, in this case, for copying. The Deputy Minister, it may be added, takes care to assure himself each time that the work done is not less than that limit.

I am, Sir, your obedient servant,

The Auditor General.

LYNDWODE PEREIRA, Asst. Secy.

AUDIT OFFICE, OTTAWA, June 11, 1890.

SIR,—I beg to draw your attention to the following remarks on the expenses of Mr. P. M. Barker, Inspector of Land Intelligence Offices in the North-West Territories. In his July statement there is a charge of \$5.25 for Pullman and dining car between Swift Current and Calgary. The probable division, based on regular rates, is \$3 for Pullman and \$2.25 for dining car. The latter item is supposed to be covered

by the per diem allowance of \$3.50, and should therefore be refunded. In the March statement there is a charge of \$108.50 for 31 days' living allowance at Ottawa, in addition to charges amounting to \$12.05 for travelling expenses from Ottawa to Orangeville. I would ask the date of Mr. Barker's return to Orangeville, as the receipt for his March salary is signed by himself at Orangeville, March 27.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, A.G.

INTERIOR DEPARTMENT, OTTAWA, June 26, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 11th instant respecting certain charges by Mr. Inspector Barker for travelling expenses, and to say that a copy thereof has been sent to Mr. Barker for the necessary explanation.

I am, Sir, your obedient servant,

The Auditor General.

AUDITOR GENERAL'S REPORT

1889-90.

REVENUE AUDIT.

AUDITOR GENERAL'S REPORT

FOR 1889-90.

EXAMINATION AND AUDIT OF THE REVENUE.

Treasury Minute, 21st June, 1886.—The Board had under consideration a communication from the Auditor General to the address of the secretary of the Board, requesting to be informed whether the revenue accounts generally are to be submitted to him for examination and audit, and if so, under what regulations.

The Board direct that these accounts be submitted to the Auditor General for examination and audit.

J. M. COURTNEY, *Secy.*

The Auditor General.

FINANCE DEPT., OTTAWA, Dec. 30, 1889.

SIR,—With reference to our recent conversation respecting the submission to the Treasury Board of the rules and regulations drawn up in your office, I have now to state that I have found on enquiry that your letter of the 31st December, 1886, was submitted to the Treasury Board in due course, but as it did not ask for confirmation of the rules enclosed, but only stated what your intentions were in auditing revenue accounts and requesting any directions that the Treasury Board might deem fit to give,—as the Treasury Board had no directions to give, the letter was unanswered; but in order that the law may be complied with, I have now to state that the rules are approved of.

It will be better to have a formal approval of the other rules to which I drew your attention; and in future we had better adhere strictly to the law, *i.e.*, for you to send all rules to the Treasury Board for approval before their issue, and for the Treasury Board to give a decision in due course.

Yours very truly,

The Auditor General.

J. M. COURTNEY, *D. M. F.*

AUDIT OFFICE, March 27, 1890.

SIR,—I wrote you March 5, 1889, in reference to the question of auditing the Revenue of your Department. I have not received any reply to my letter.

No returns covering the Revenue of the current fiscal year have yet been received at this office. To enable me to carry out the instructions of the Treasury Board, I require the information specified in my letter. The returns of each month should be forwarded before the close of the succeeding month.

The Department of Marine has forwarded the returns of the Steamboat Inspectors. To audit them, I need the returns made by your collectors, of Steamboat Inspection Revenue collected since the 1st of July last. Please send them at your earliest convenience.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, A. G.

CUSTOMS DEPT., OTTAWA, March 29, 1890.

SIR,—Referring to your letter of the 27th instant, in which you state that you wrote me on the 5th March, 1889, in reference to the question of auditing the Revenue of this Department, and that you have received no reply thereto.

I enclose herewith a copy of the letter dated 11th March, 1889, which was sent you in reply to the one referred to.

I am, Sir, your obedient servant,

The Auditor General.

W. G. PARMELEE, *Asst. Com.*

CUSTOMS DEPT., OTTAWA, March 11, 1889.

SIR,—Referring to your letter of the 5th instant, asking for additional returns for the purpose of auditing Revenue accounts.

I think we have on various occasions discussed this subject, and I was given to understand that you would personally inspect our system of book-keeping and auditing here at the Department. I think if you would come over some day and spend a few hours, it would be shown to you that our system of auditing is as complete as is practicable, and that some of the returns and certificates asked for by you it would not be judicious to furnish.

Before going into detail, I would be much pleased if you would kindly step over and personally examine into the matter.

I am, Sir, your obedient servant,

The Auditor General.

W. G. PARMELEE, *Asst. Com.*

FINANCE DEPT., OTTAWA, April 30, 1890.

SIR,—Referring to the request made recently by the Customs Department to have a counterfeit \$5 Bank of B. N. A. note credited their revenue and charged Casual Revenue, I am informed by the Accountant of that Department, to whom I returned the note saying that it should be treated as a loss to Customs, and not charged to Casual Revenue, that, under the circumstances, no other course seems possible for him than to show the amount as a balance at the Port of Amherstburg, in the annual statement, and to obtain authority from the Public Accounts Committee later on to clear off such balance.

I am, Sir, your obedient servant,

The Auditor General.

J. M. COURTNEY, *D. M. F.*

AUDIT OFFICE, OTTAWA, April 29, 1890.

SIR,—In accordance with the Rules and Regulations in connection with the audit and examination of Revenue Accounts, approved by the Treasury Board, each officer in receipt of Public Moneys should furnish regularly to the Department a certified copy of his cash-book, showing in detail the several amounts received by him, and the deposits made in acquittance.

These returns, having been examined and certified by your Department, should be forwarded to this office, accompanied by a certified summary.

I wrote you on the 5th March, 1889, submitting observations in connection with the audit and examination of Excise Revenue, to which I have not had any official reply.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Commissioner of Inland Revenue.

AUDIT OFFICE, OTTAWA, Sept. 17, 1890.

SIR,—I wrote you on the 5th March, 1889, in reference to the audit of the Revenue Accounts. In that letter I stated my views as to the Collector's Returns, the Departmental Summary, and the Daily Return of Deposit Receipts.

I now enclose a copy of a Treasury Minute dated 23rd May last, and I have to inform you that, in accordance therewith, I purpose forwarding, for the approval of the Board, the Regulations and Forms stated in my letter referred to above.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Commissioner of Inland Revenue.

INLAND REVENUE DEPARTMENT, OTTAWA, Oct. 21, 1890.

SIR,—I have the honour, by direction, to acknowledge receipt of your communication of the 18th inst., in the last paragraph of which you call attention to the fact that in your letter of the 3rd inst. you "also asked for a statement of arrears due by Collectors or other Government officers" as well as (2) "by persons not Collectors or Government officers," and in reply thereto to inform you that there are none.

I am, Sir, your obedient servant,

WM. HIMSWORTH, Sec.

The Auditor General.

AUDIT OFFICE, OTTAWA, Nov. 17, 1890.

SIR,—I enclose a statement of the receipts and expenditure on account of Crown Seizures of Excise for the year 1889-90, which I purpose publishing in my Report.

In some cases the expenditure of a district is in excess of the receipts, in other cases there is expenditure without any receipts, and the total expenditure exceeds the total receipts. To avoid misconceptions I have to ask you to explain how this arises, and I will publish your reply with the statement.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Commissioner of Inland Revenue.

INLAND REVENUE DEPARTMENT, OTTAWA, Nov. 20, 1890.

SIR,—In reply to your communication of the 17th inst., I have the honour to state that it sometimes occurs that the proceeds of a seizure do not come into the year in which the expenditure was incurred, and a "distribution" is sure to refer to some seizures (often many seizures) that were realized on, in a previous year.

I am, Sir, your obedient servant,

E. MIALL, Com.

The Auditor General.

SIR,—To enable me to audit the revenue from canal tolls, hydraulic rents, &c., it is necessary that each collector should furnish to the Department monthly a certified copy of his cash book, showing in detail the several amounts received by him, and the deposits made in acquittance. These returns, having been examined and certified by your Department, should be forwarded to this office, accompanied by a certified summary. I have to request that you will give directions to the collectors, in order that these returns may be forwarded regularly, commencing with that for the present month. In the meantime, I should like to have a copy of the cash book of the collector at Lachine for the month of June last.

The Secy., Railways and Canals Dept.

AUDIT OFFICE, OTTAWA, June, 23, 1890.

SIR,—I have to call your attention to the following investments on which the interest is in arrears:—

Albert Railway Co.—The interest to December 31st, 1887, was charged to capital. No interest has ever been paid by the company.

Three Rivers Harbour Debentures.—The last payment made on account of interest was on the 13th February, 1888, and it paid only to the 30th June, 1887. The last payment made on account of the Sinking Fund was in July, 1886, and it paid only to the 30th June previous.

St. John Bridge and Railway Co.—The last payment was made on the 24th February last and covered the interest to the 30th June, 1889. No interest was paid on the interest while in arrears. Nothing has been paid on the current year's interest.

Fredericton and St. Mary's Bridge Co.—Nothing has been paid on the current year's interest

Montreal Harbour Commission.—The interest on \$76,000 Special Loan is not yet paid. Last year and the year before the whole year's interest was paid in July. The current year's interest will probably be paid next month. Is there any reason why the interest on this sum should not be paid half yearly at the same dates that the interest on the other indebtedness of this Commission is paid?

Quebec Harbour Debentures.—The total amount of this investment is now \$3,614,117.20. The only payment yet made on account of the interest for the current year is \$14,460 in January last. This sum covers the interest to December 31st, 1889, on \$723,000.

North Shore Railway Bond Account.—No interest has ever been paid on this investment.

There are also the following investments on which no interest has been paid for years past:—

Bank of Liverpool.....	\$ 30,000 00
City of Hamilton 5 per cent. coupons.....	16,781 35
Grand Trunk Preference Stock.....	121,739 65

Bank of Upper Canada Stock.....	750 00
Earl of Selkirk's Account.....	13,900 00
J. H. Boulton, Mortgage.....	3,000 00

There are several other investments on which six months interest has been paid, and I assume that the other six months interest will be paid in due course, and to these I do not refer.

I am, Sir, your obedient servant,

The Dy. Minister Finance.

J. L. McDOUGALL, A.G.

FINANCE DEPARTMENT, OTTAWA, July 4, 1890.

SIR,—Referring to your letter of June 23, calling attention to certain investments on which the interest is in arrears, I have the honour to state that in the case of items 1, 2, 3, 4, 5 and 6, statements of account have been sent out, asking payment for interest and arrears of interest. In the matter of the Montreal Harbour Commission, I shall look into the nature of the advance. To the best of my belief, however, the interest has always been met by the year. In regard to the North Shore Bonds, by the terms of the agreement no interest is to be paid until the revenue meets the working expenses; thus far this has not been the case with the railway. The Bank of Liverpool is in liquidation and the Bank of Upper Canada Stock is worthless. Correspondence has been entered into with the Ontario Government in regard to the Hamilton 5 per cent. coupons, and it is probable the amount will be charged to that Province as they appear to have received the money. From the Grand Trunk Stock nothing has been received for years as no dividend has been declared. The Quebec Turnpike Trust will be settled with the other

matters outstanding in the accounts between the Province and the Dominion. With regard to the Selkirk and Boulton mortgages correspondence is going on with the Indian Department with the view of arriving at a settlement.

I am, Sir, your obedient servant,

The Auditor General.

J. M. COURTNEY, D.M.F.

AUDIT OFFICE, OTTAWA, July 10, 1890.

SIR,—Referring to your letter of the 4th instant I have to ask you for the statements rendered by the Canadian Pacific Railway, showing that the revenue of the North Shore does not meet the working expenses.

I am, Sir your obedient servant

The Dy. Minister of Finance.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Dec. 3, 1890.

SIR,—Referring to previous correspondence in reference to the non-payment of the interest on the North Shore Railway bonds, I have to say that I have not yet been furnished with the statements for which I asked, showing that the receipts do not equal the expenditure. It appears to me important that a return should be at once furnished by the Canadian Pacific Railway.

I am Sir, your obedient servant,

The Dy. Minister of Finance.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Aug. 1, 1890.

SIR,—I learn from the vouchers furnished with your closing entry in connection with the Silver Coinage of last year, that the work was done at the Birmingham Mint, instead of at the Royal Mint as formerly. The charge of the latter Mint was invariably 3 per cent in dollars on the face value, which covered all charges. The Birmingham Mint charges $\frac{3}{4}$ per cent. in pounds sterling on the face value in dollars, and this covers freight to Liverpool, but there are extra charges for punches, assays, supervision, &c., which bring the cost up to close on 4 per cent. after deducting the probable cost of the freight from Birmingham to Liverpool.

The charge by the Royal Mint on \$186,585.25, the amount of the silver coinage of 1888-89, was \$5,597.53 or 3 per cent.

The charges on the coinage of 1889-90 were 3.96 per cent., as follows:—

Birmingham Mint, \$155,000 $\times \frac{4}{100} \times \frac{7\frac{1}{2}}{100}$	\$6,034 67
Leonard Wyon, work on punches	20 44
Royal Mint, punches for coinage	56 21
do assays	129 57
R. A. Hill, supervision of coinage.....	50 73

\$6,291 62

Less $\frac{1}{10}$ of 1 per cent. for freight from Birmingham to
Liverpool

151 27

\$6,140 35

Please let me know if any contract was made. If so, I have to ask for a copy. What were Mr. Hill's duties in connection with this service? As a brokerage of $\frac{1}{3}$ per cent. is paid Messrs. Moccatta & Goldsmid for the purchase of the bullion, I assume they are only the agents, in which case the invoices of the parties furnishing it should be supplied. What means are taken by the agents to procure the bullion at the lowest price? Are tenders asked for?

I am, Sir, your obedient servant,

The Asst. Dy. Minister of Finance.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Oct. 7, 1890.

SIR,—Referring to my letter of the 23rd June last, calling your attention to the interest on investments in arrears, and to your letter of the 4th July in reply, I have now to make the following observations.

Nothing has since been received on account of any of the following investments :

Albert Railway Co.
 Three Rivers Harbour Debentures.
 Fredericton and St. Mary's Bridge Co.
 Quebec Harbour Debentures.
 North Shore Railway Bond Account.
 Bank of Liverpool.
 City of Hamilton 5 per cents.
 Grand Trunk Preference Stock.
 Quebec Turnpike.
 Bank of Upper Canada Stock,
 Earl of Selkirk's Account.
 J. H. Boulton, mortgage.

The St. John Bridge and Railway Co. are yet \$4,000 in arrears on the interest to June 30th last. There is also the interest on the arrears of interest.

The Quebec Harbour indebtedness is now \$3,614,117.20. \$723,000 of this amount represents the old debt of the Commission, the interest on which has generally been paid in cash. On the 10th January last the half-year's interest to the 31st December previous was paid. The half-year's interest to June 30th on this sum and the whole year's interest on the balance of the debt are still unpaid.

North Shore Railway Bond Account: You drew attention in your letter of the 4th July last to the fact that according to agreement no interest is to be paid on this investment until the revenue meets the working expenses, and that thus far this had not been the case. I wrote you on the 10th July asking for the statements showing that the revenue of this line had not met working expenses, but have not yet been furnished with them.

Three Rivers Harbour Debentures.—According to the statement published on page 128 of the supplement to the report of the Department of Marine for 1889, the Commissioners had in bank and on hand on the 31st December last, \$3,759.38, and rents and dues outstanding amounting to \$544.48.

New Brunswick 6 per cent bonds.—\$12,166.67 of this investment matured and was paid on the 1st July. Messrs. Baring Bros. & Co. credited only 3 months interest on this amount. Should it not have been 6 months' interest?

I am, Sir, your obedient servant,
 The Dy. Minister of Finance.

J. L. McDUGALL, A.G.

FINANCE DEPARTMENT, OTTAWA, Oct. 15, 1890.

SIR,—I am in receipt of your letters of the 3rd and 7th instant in regard to the arrears of interest on investments, and I enclose herewith a statement showing the interest due to June 30 last by :

1. Three Rivers Harbour Commissioners.
2. The Albert Railway Company.
3. St. John Bridge and Railway Extension Company.
4. Fredericton and St. Mary's Bridge Company.
5. Quebec Harbour Commission.

In regard to the other items mentioned in your letter of the 7th instant, I beg to refer you to my letter of August 13, 1889, the remarks therein being still applicable.

The Auditor General.

I am Sir, your obedient servant,

J. M. COURTNEY, D.M.F.

PUBLIC WORKS DEPT., OTTAWA, Oct. 9, 1890.

SIR,—I have the honour to acknowledge the receipt of your communication, dated the 3rd inst., asking for statement showing arrears due on June 30 last remaining unpaid on Sept. 30 by collectors or other Government officers, and by persons not officers of the Crown or collectors.

I am, Sir, your obedient servant,

The Auditor General.

A. GOBEIL, *Secy.*

AUDIT OFFICE, OTTAWA, Oct. 30, 1890.

SIR,—Referring to the receipts from the Lévis Graving Dock for the year 1889-90, I find that the last vessel the dockage charges of which have come to account, was the SS. "Canopus," undocked Nov. 7, 1889. It is stated in the supplement to the report of the Department of Marine for 1889, page 120, that an agreement was made with the Richelieu and Ontario Navigation Company for the docking of their boat "Quebec" during the winter, and that their vessel took possession on the 24th November. Nothing has yet come to account for the dockage of this vessel, nor for any dockages of the present season.

I am, Sir, your obedient servant,

The Secy. Public Works Dept.

J. L. McDOUGALL, *A.G.*

PUBLIC WORKS DEPT., OTTAWA, Dec. 16, 1890.

SIR,—With reference to your letter of the 30th October last, asking for information *re* dockage of steamer "Quebec" in the Lévis graving dock, during the winter of 1889-90, I have the honour to inform you, that upon communicating with the Harbour Commissioners of Quebec to that effect, this Department has received, presumably in answer to that letter, a draft for \$10,963.50, being the amount of the graving dock receipts for 1890, and I have no doubt that the dockage of the steamer "Quebec" is included in that draft, which will be sent to you at the end of the month, along with the other deposit receipts made with this Department in December.

I may add that I have communicated with the Harbour Commissioners again, asking them to send me, as soon as practicable, details of the draft above referred to, showing the dates, names of vessels, &c., and I will send a copy of the same to you as soon as received.

I am, Sir, your obedient servant,

The Auditor General.

A. GOBEIL, *Secy.*

AUDIT OFFICE, OTTAWA, Oct. 30, 1890.

SIR,—I have to ask you for a statement of the total receipts during 1889-90 for dockage, &c., at the Esquimalt and Lévis Graving Docks, certified by the respective dockmasters. This statement should give the names of each vessel docked, the date of docking and undocking, and the amount of the charges collected. Please give instructions that a similar statement be prepared each year, immediately after the 30th June, and after examination and approval that it be forwarded to this office.

I am, Sir, your obedient servant,

The Secy. Public Works Dept.

J. L. McDOUGALL, *A.G.*

PUBLIC WORKS DEPT., OTTAWA, Nov. 19, 1890.

SIR,—In reply to your letter of the 30th ult., asking for a statement of the total receipts during 1889-90 for dockages, &c., at the Lévis and Esquimalt Graving Docks, I beg leave to inform you that the receipts for 1889-90 were:

Lévis Dock	\$19,848 59
Esquimalt Dock	13,563 62

A statement in detail, certified by the dockmasters, can be obtained from the Department of Finance, where they have been sent with the deposit receipts.

I am, Sir, your obedient servant,

The Auditor General.

A. GOBEIL, *Secy.*

AUDIT OFFICE, OTTAWA, Nov. 20, 1890.

SIR,—I have your letter of the 19th in reply to mine of the 30th ult., asking for a statement of the total receipts during 1889-90 for dockages, &c., at the Esquimalt and Lévis Graving Docks, certified by the respective dockmasters.

You state that a statement in detail, certified by the dockmasters, can be obtained from the Department of Finance, where they have been sent with the deposit receipts. Upon enquiry in the Finance Department, I find that the statements received with the deposit receipts from time to time are merely statements of the dockages, &c., that go to make up the amount for which deposits are furnished. As they do not need these statements, and as they are needed in this office for auditing purposes, they should be forwarded here direct. In addition to them, the statement I asked for is required to complete the audit. You state that the total receipts of the Esquimalt Graving Dock for 1889-90 was \$13,563.62. That amount has come to account, but I find on compiling the separate statements of the dockmaster that there are many periods, and notably the whole month of August, 1889, for which no earnings came to account. Probably the dock was idle during those periods, but nothing has been furnished to this office to show that it was. Hence arises the necessity of the statement I asked for, which you will please procure and furnish.

I am, Sir, your obedient servant,

The Secy. Public Works Dept.

J. L. McDOUGALL, *A.G.*

PUBLIC WORKS, DEPT., OTTAWA, Nov. 26, 1890.

SIR,—Having reference to your letter of the 20th instant, I beg leave to inform you that the dockmasters at the graving docks, will be instructed to furnish monthly statements of the receipts of dockages, &c., and that upon their receipt here they will be forwarded to you.

I am, Sir, your obedient servant,

The Auditor General.

A. GOBEIL, *Secy.*

PUBLIC WORKS DEPT., OTTAWA, Dec. 4, 1890.

SIR,—With reference to the request made by you that a monthly statement be sent of the amounts received for dockages at the Esquimalt and Lévis Docks, I have the honour to ask you to send to this Department a blank form of the statement required.

I have also to ask that you will please let me know whether this request is based upon the requirements of the Audit Act, and if you consider that the Department is bound by the said Act to furnish the statement in question.

I am, Sir, your obedient servant,

The Auditor General.

A. GOBEIL, *Secy.*

AUDIT OFFICE, OTTAWA, Dec. 10, 1890.

SIR,—I am in receipt of your letter of the 4th inst., in reference to the Esquimalt and Lévis Graving Dock returns, asking for form of statement, and also if my request for those statements is based upon the requirements of the Audit Act, &c.

In reply I beg to refer you to sec. 50, chap. 29, Revised Statutes, the Consolidated Revenue and Audit Act, and to the Treasury Minutes of the 21st June, 1886, and the 23rd May, 1890. I enclose copies of the Minutes, though you no doubt were furnished with copies by the Treasury Board at the time they were passed.

The form of statement is specified in the 3rd paragraph of the General Regulations, in the Minute of the 23rd May last. The vouchers now furnished are only copies. The originals should be supplied.

I am, Sir, your obedient servant,
The Secy. Public Works Dept. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Dec. 12, 1890.

SIR,—Referring to the statement of the sale of the old post office building at Montreal, I have to ask for the following information and vouchers:—

1. Why is the statement made up as from May 1, 1877, though the sale is dated Dec. 3, 1873?
2. When was the \$10,000, credited as paid by Maurice Cuvillier, forwarded to the Receiver General, and to what account was it credited?
3. When was the \$76,666.66, credited as paid June 13, 1881, forwarded to the Receiver General, and to what account was it credited?
4. Why was no interest charged on \$15,560.31, balance due on June 13, 1881?
5. Please furnish detailed statements, duly receipted, of the three following items allowed, viz.: Office expenses, \$568.35; salary, H. Judah, \$455; city taxes, \$821.65.

I am, Sir, your obedient servant,
The Secy. Public Works Dept. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, April 10, 1890.

SIR,—I have received your monthly return of Telegraph Revenue for February last. As several of the lines are in arrears in forwarding returns I enclose for your information a statement showing the last return received from each. Lack of communication accounts in part for the delay in receiving some of the returns. I have to request that you will take steps in such cases, where it is possible, to have returns forwarded with more despatch.

The last return from Manicouagan (new) is that for July, \$89.36. Of this amount only \$13.09 has come to account.

Is there any reason why the District Superintendent of the North-West Lines should not meet each month's revenue out of the maintenance accounts of the same month, instead of out of those for the succeeding month as he now does?

I am, Sir, your obedient servant,
The Supt. Govt. Telegraphs. J. L. McDOUGALL, A.G.

PUBLIC WORKS DEPT., OTTAWA, April 22, 1890.

SIR,—Having reference to the enquiries made concerning the transmission of Revenue Accounts from the North-West Telegraph Lines, I beg leave to report the receipt of the following from the District Superintendent at Qu'Appelle under date 18th inst.: "Battleford traffic returns for February and March will leave Battleford on Wednesday next, and on arrival here the returns will be forwarded to Ottawa, probably reaching Ottawa by the 3rd May."

In explanation of the above reported delay, I have to state for your information that the business at the Battlefield Office has lately been behind hand owing to the negligence of the agent who has in consequence just now been superseded by an officer transferred from Batoche, and I expect we will have a little more promptitude with the statements hereafter.

I am, Sir, your obedient servant,
The Auditor General. F. N. GISBORNE, Supt.

PUBLIC WORKS DEPT., OTTAWA, April 15, 1890.

SIR,—Having reference to your letter of enquiry under date 10th inst., I beg leave to return herewith, extended and endorsed, the memorandum which you enclosed to me, and with it a few notes explanatory of the delays and arrears to which attention has been directed.

In regard to the outstanding of the Manicouagan Agency, I have to state that the manufacturing company, for whose accommodation the second office was opened, stopped their operations in October, and at the time the office was closed the amount of revenue due to us (including the \$76.27 for July carried in the statement) was \$149.10. The manager of the company, Col. W. P. Rice, wrote me from Quebec on the 13th November, promising an early settlement by remittance from New York. The amount due remains as yet unpaid however, and it is probable we will not have a payment until the company reopens its works next season. In the meantime I have been carrying the balance of \$76.27 due on the last statement on which a remittance had been made, leaving those subsequently received on file pending their being brought to account.

In connection with the North-West Lines, I believe that as a matter of fact the transfers are made from the maintenance accounts for the month during which the revenue was collected, as the Maintenance Returns for a given month include accounts for the month preceding. I will, however, refer that portion of your letter to the Assistant Superintendent at Qu'Appelle for explanation and will communicate with you immediately upon receipt of his reply.

I am, Sir, your obedient servant,

The Auditor General.

F. N. GISBORNE, *Supt.*

—
Memorandum Referred to Above.

A. There is no mail communication between the offices on Anticosti Island. When the last autumn mails left South West Point the District Superintendent's statement was completed only up to the end of June, 1889. There will be another mail at the end of May or early in June next, when further returns will come to hand.

The mail service with the Magdalen Islands is likewise suspended during the winter season.

B. The business at the Gaspé transfer since November produced balances due to the Great North-Western Telegraph Co., in excess of the amounts collected for Government line. As soon as the balance to a sufficient amount falls the other way, a settlement will be made and the returns sent in.

C. Since the 1st inst., returns to end of February have come to hand for the Cape Sable, Cheticamp, Escuminac, Meat Cove, North Shore (W.B.) and quarantine lines. These will be covered by the Departmental summary for the month of April.

D. Most of the North Shore (E.B.) offices are worked on commission guaranteed to the extent of \$50 per year. The business does not yield the amount guaranteed, and settlements are made periodically; the amount of Revenue being deducted from the commission, and deposited. Pending such settlements the returns from time to time sent in are held over, and are finally covered collectively by the Departmental summary for the month in which settlement happens to have been made.

E. Since the 1st inst. returns from Pelee Island have come to hand for December. The District Superintendent reports later statements now preparing for transmission.

F. The returns from the North-West now come to hand about as promptly as those from other sections. The Departmental summary for February included the North-West returns for December, and the one for March included the returns for January.

With the re-establishment of the summer mail service, it is hoped we may be able to get the returns of the lines generally sent in within the month following the one for which they are prepared. In nearly every section where our lines are

operated the stations are outlying from the routes of regular mail service, and that means of communication is interrupted more or less during a great part of the year.

F. N. GISBORNE, *Supt. Tel. Service.*

QU'APPELLE, April 19, 1890.

DEAR SIR,—In reply to your letter of the 15th inst. regarding certain questions asked by the Auditor General.

The traffic returns are generally all received by the 23rd of the following month, and are immediately audited by me and forwarded to your office. Several of our office have only a fortnightly mail, *e.g.* Clarke's Crossing, Henrietta, Pitt, Moose, Saddle Lake, Victoria, and Fort Saskatchewan, frequently the mail leaves the above places between the 25th and 31st of a month, and the operator is of necessity obliged to post his returns late. The above returns generally take from 8 to 13 days on transit.

The agents forward with their traffic-returns and remittance-note all the vouchers they have paid out of revenue, and those they have not paid. They usually could not pay and forward the vouchers before the end of the month as the amount collected is too small to pay the account or salary. These accounts I do not receive until generally the middle or latter end of the month, hence I do not know how much to deduct on account of revenue until the latter end of the month.

From these causes you can see that it is not practicable to meet each month's revenue out of the maintenance accounts of the same month, unless I delay sending in the maintenance accounts over a month, and cause some of the accounts to be unpaid for nearly ten weeks.

Of course the unreasonable delay for February and March traffic returns would not occur if Battleford had sent in its returns on time.

Yours faithfully,

HARTLEY GISBORNE, *Dist. Supt.*

F. N. GISBORNE, Esq., *Supt. Tel. Service.*

MARINE DEPT., OTTAWA, Feb. 21, 1890.

SIR,—Referring to the matter of auditing the collections made by Collectors of Customs on account of steamboat inspection, I have to inform you that this Department drafted a report to Council recommending that Collectors of Customs be required to furnish the Department of Marine with a duplicate statement of the sums collected, along with evidence that the amount had been paid to the credit of the Government. The Customs, however, were averse to this plan of auditing the sums collected, and the recommendation was cancelled. I am therefore to inform you that, as the law requires the revenue from steamboat inspection to be collected by Collectors of Customs, and the statements thereof to be forwarded to the Minister of Finance, and as these statements are therefore accessible to you—and as this Department is prepared to send you the statements of certificates of inspection issued by Steamboat Inspectors, along with any other information obtainable by the Inspectors—you will have the material for an efficient audit in your own Department.

I am, Sir, your obedient servant,

WM. SMITH, *D.M.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, March 3, 1890.

SIR,—I am in receipt of your letter of the 21st ult. in reference to the auditing of Steamboat Inspection Revenue. You state that the Customs Department objects to the Collectors furnishing you with copies of the statements of collections made by them. I still consider that your Department should have the material, and audit and certify this, as all other revenues over which you have control. In the meantime, as no better arrangement can be effected, you will please forward the returns made by your Inspectors, covering the work of last season. Sec. 47, chap. 78, Revised Statutes, provides that the Inspector shall not deliver a certificate till the receipt of the Customs officer is produced. Please send me those receipts with the returns.

I am, Sir, your obedient servant,

J. L. McDUGALL, *A.G.*

The Dy. Minister of Marine.

MARINE DEPT., OTTAWA, March 8, 1890.

SIR,—In reply to your letter of the 3rd inst. requesting me to forward to you the Customs receipts which are produced by steamboat owners to Steamboat Inspectors as evidence of the dues having been paid, I have to inform you that Inspectors do not retain the receipts referred to. The owners retain the receipts, as the law only requires them to be shown to the Inspectors. I will forward to you the Inspectors' returns for last season.

I am, Sir, your obedient servant,

WM. SMITH, *D.M.M.*

The Auditor General.

MARINE DEPT., OTTAWA, May 1, 1890.

SIR,—In reply to your letter of the 28th inst., I enclose a list of steamboats inspected during the last calendar year, along with a copy of instructions to Inspectors.

I also enclose an improved form, No. 9, issued to Inspectors, which will show the steamboats inspected, as well as the certificates of inspection actually issued. The rate of duty charged at present is 8 cents for every gross ton a steamer measures, and the fee for inspection is fixed by the 46th section of the Act, chapter 78 of the Revised Statutes of Canada.

I am, Sir, your obedient servant,

WM. SMITH, *D.M.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, June 11, 1890.

SIR,—I am returning herewith the Steamboat Inspectors' returns for the calendar year 1889. I enclose a list of the vessels inspected during 1889, for which no certificates appear to have been issued and no fees paid. When an inspection is made and no certificate issued, an explanation should be furnished. I also enclose a list of vessels, the fees for the inspection of which have been returned as paid by the Collectors of Customs, but which do not appear on the returns of the Inspectors. The returns should be examined and certified in your Department, and when they are forwarded to this office should be accompanied by a certified summary, as by the Rules and Regulations and forms hereto attached.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, April 22, 1890.

SIR,—Nothing has come to account during the current fiscal year for the rent of the wharf in Goderich Harbour. I received no reply to my letter of the 9th May, 1889, in paragraph 15 of which I referred to this wharf. Messrs. Bearman & McVicar, the lessees of Sections A, B, and C, wrote on the 12th December, 1888, enclosing payment of the rent of the then current year, and asking for a renewal of the lease. Section D was formerly under lease to Joseph Williams. W. Dymont paid \$230 in March, 1889, for one year's rent of this section in advance. Please let me know who the present lessees are, the terms of the leases, why nothing has come to account during the present fiscal year, and any other information you have pertinent to the auditing of the revenue of this wharf.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, A. G.

MARINE DEPT., OTTAWA, May 19, 1890.

SIR,—In reply to your letter of the 22nd ultimo, enquiring who are the lessees of the Government wharf at Goderich, and stating that no account during the current fiscal year for the rent of the wharf has been received by you, I have to inform you that Mr. T. E. McBride is lessee of Lot A, Messrs. Bearman & McVicar of Lots B and C, and the late W. Dymont was lessee of Lot D.

No rent has been paid by these lessees for 1889 and 1890, with the exception of \$230 by the late Mr. Dymont for 1889.

The wharfinger has been instructed to take immediate steps to collect the wharfage, which, under the lease of each lessee, is payable in advance. Mr. N. Dymont, executor of the late W. Dymont, has informed this Department that he has no intention of keeping the dock any longer, and the wharfinger has been instructed to rent the wharf, if possible, to some other person. In the event of the wharfinger being unable to let the wharf for the season of 1890, public tenders will be asked for.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, D.M.M.

MARINE DEPT., OTTAWA, July 28, 1890.

SIR,—With further reference to your letter of the 22nd of April last, requesting that this Department furnish you with any information in its possession pertinent to auditing the Goderich wharf accounts, I have the honour to inform you that Messrs. Bearman & McVicar, lessees of Sections A and B, have settled the rent for the years 1889 and 1890, the period for which they leased the wharf. In closing the account for the year 1889 the sum of \$200 was deducted by the Department for expense and inconvenience to which the lessees were put in 1888, owing to the proposed improvements to that section of the wharf occupied by them. The proposed improvements were to be made by the Public Works Department, and Messrs.

Bearman & McVicar were notified to remove their lumber from Section C, which they did. For this expense and the non-use of the wharf the lessees were allowed a deduction of \$200 from the yearly rental of \$800 required by the lease.

I am, Sir, your obedient servant,

The Auditor General.

JOHN HARDIE, for D. M. M.

—
AUDIT OFFICE, OTTAWA, Oct. 2, 1890.

SIR,—Referring to previous correspondence with reference to the Government wharf at Goderich, I have to ask if Lot D, of said wharf, has been leased for this year. I do not find that any deposit has come to account for the rent of it.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, A.G.

—
MARINE DEPT., OTTAWA, Oct. 7, 1890.

SIR,—In reply to your letter of the 2nd inst., enquiring whether Lot D, of the Goderich wharf, was leased for this year, I have to inform you that no lease was given of the wharf this year, as Mr. Dymont, who occupied it last year, refused to sign the lease sent him, and notified the wharfinger last fall that he would no longer require Section D.

As Mr. Dymont occupied the block up to the 15th of July last, he has been requested repeatedly to pay the rent for the year 1890. Up to the present no rent has been paid since 1889, and the matter has been in the hands of the Justice Department for some time past.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, D.M.M.

—
AUDIT OFFICE, OTTAWA, March 11, 1890.

SIR,—I have just received a statement of the earnings of the steamer "Stanley" during the month of December last. Eleven trips were run, and the total earnings amounted to \$2,006.23, which was deposited on the 13th January last. I have again to call your attention to the delay in making deposit of this class of revenue. Is there any reason why all the cash on hand should not be deposited on the completion of each trip? I wrote to you previously on this point 13th May and 13th June last.

No deposit or return of the earnings of the steamer "Lansdowne" has yet been received.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, A.G.

—
MARINE DEPT., OTTAWA, March 24, 1890.

SIR,—I have the honour to acknowledge receipt of your letter of the 11th inst., enquiring in regard to the deposit of the earnings of the steamer "Stanley," and in reply I am to inform you that instructions were given to our agent at Charlottetown, on the 21st ultimo, that in future, on the arrival of the steamer at Pictou, the moneys received were to be deposited there if the receipts exceeded the sum of \$50, and the deposit receipt forwarded. I do not see any necessity for depositing the amount on the completion of each trip, as the trips are often made daily and the receipts but trifling.

The "Lansdowne" has been laid up for some months, which will account for no returns having been received.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, D.M.M.

DETAILS OF REVENUE.

AUDIT OFFICE, OTTAWA, Oct. 1, 1890.

SIR,—You wrote on the 24th March last, in answer to my letter of the 11th of the same month, that the steamer "Lansdowne" had been laid up for some months. As nothing has come to account for the earnings of this steamer during 1889-90 I assume she did not earn anything. Please let me know if that is so.

I understand that the steamer "Stanley" carries the mails during the winter between Prince Edward Island and the mainland, but I do not find anything deposited for this service.

The Dy. Minister of Marine.

I am, Sir, your obedient servant,
J. L. McDOUGALL, A.G.

MARINE DEPT., OTTAWA, Oct. 8, 1890.

SIR,—In reply to your letter dated 1st inst., with reference to the earnings of the steamers "Lansdowne" and "Stanley," I have the honour to inform you that the "Lansdowne" earned nothing during the period referred to. With regard to the "Stanley" carrying the mails during winter between Prince Edward Island and the mainland, I beg to inform you that nothing has been received for this service.

The Auditor General.

I am, Sir, your obedient servant,
WM. SMITH, D.M.M.

AUDIT OFFICE, OTTAWA, April 24, 1890.

SIR,—On page 89 of your report for 1889 a statement is given of the wharves under the control of your Department. I now enclose a list of wharfingers who have made neither a return, a deposit, nor a remittance, covering the receipts of last season, and shall be glad to have any information you can give me in explanation thereof. As I have stated in previous correspondence, a return should be made by each Wharfinger at the end of the season, whether there were any receipts or not; and if no receipts, an explanation of the cause. This list does not include the wharves which you enter as vacant, nor the six wharves on the St. Lawrence previously entered as leased to the St. Lawrence Steam Navigation Co. Please let me know why these wharves are vacant, and what steps have been taken to collect from the St. Lawrence Steam Navigation Company the arrears of rent due by it.

The Dy. Minister of Marine.

I am, Sir, your obedient servant,
J. L. McDOUGALL, A.G.

MARINE DEPT., OTTAWA, May 6, 1890.

SIR,—I have the honour to acknowledge receipt of your letter of the 24th ult., in which you refer to the statement giving names of wharfingers, &c., in the annual report of this Department, and forwarding a list of those who have not made returns; also suggesting that each wharfinger should be required to furnish a report, and, if no receipts, to give cause.

In reply I have to state that as the wharfingers make their returns for the calendar year, and often complain of the difficulty in collecting the wharfage, with the consequent delay caused, it has been customary to allow a little time in which to forward reports. I was, however, about calling on those who have not yet sent returns, when your communication reached me. A letter will now be sent at once.

I may also observe that the collections of the Wharfingers at Lacolle, Que., and Centreville, N.S., will be accounted for in the next return from this Department; that the wharfinger at Crapaud and Victoria Pier resigned his position, and no successor has yet been appointed; that Jos. J. Macdonald was only appointed wharfinger at Hickey's Wharf last October, previous to which the post had been vacant for over a year; and the wharfinger at Arisaig reports no collections.

As regards the wharves entered "vacant" on list, I have to say that they refer to wharves transferred to this Department for which no wharfingers have been appointed, and that the names of the appointees will appear in statement, as the appointments are made.

With reference to your enquiry as to what steps have been taken to collect from the St. Lawrence Steam Navigation Company the arrears of rent due by it, I am to inform you that the Department of Justice has had the matter under consideration, and it appears that the company repudiates any liability for rent after the autumn of 1879. Enquiries are making with a view to procure evidence that the wharves were used by the company after the date mentioned.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, *D.M.M.*

AUDIT OFFICE, OTTAWA, April 29, 1890.

SIR,—I wrote you on the 23rd inst., in reference to the Goderich Harbour wharf, and on the 24th inst., enclosing a list of wharfingers who had made neither returns nor remittances for the season of 1889. I now call your attention to the following observations in reference to the returns and remittances from the other wharfingers:

(1.) The returns are not certified by the accountant, and only in a few cases by the examining officer.

(2.) The departmental summary furnished each month should contain only the *returns forwarded*, and should be certified by the Deputy Minister and the Accountant. See my letters of 23rd February, 1888, and 7th May, 1889.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, *A.G.*

MARINE DEPARTMENT, OTTAWA, May 19, 1890.

SIR,—Referring to your letter of the 29th ult., respecting returns and remittances from wharfingers, I have to state, in reply to the respective paragraphs, as under:

(1.) The examining officer only certified those returns which he found correct; in other cases the returns were transmitted, with notes appended, showing that the wharfingers had been required to furnish further information.

(2.) In future, the departmental summary forwarded monthly will comprise only the returns transmitted, and will be signed as you direct.

On 1st July, 1890, it is proposed to have monthly returns from wharfingers.

I am, Sir, your obedient servant,

The Auditor General

WM. SMITH, *D.M.M.*

AUDIT OFFICE, OTTAWA, June 24, 1890.

SIR,—I have received your letter of the 20th inst. enclosing certain returns about which I wrote to you on the 24th and 29th April last. I observe that the wharfinger at Plympton, who was appointed 25th August, 1888, states that the fees during that season were collected by a local officer and paid over to the Treasurer of the Municipality of Digby. Have you taken any steps towards recovering any of the fees to which the Government of the Dominion is entitled?

The Dy. Minister of Marine.

I am, Sir, your obedient servant,
J. L. McDUGALL, A.G.

MARINE DEPT., OTTAWA, June 26, 1890.

SIR,—Referring to your letter of the 24th instant, alluding to the statement of the wharfinger at Plympton that the fees during the season of 1888 were collected by a local officer, and enquiring whether application had been made to the Treasurer of the municipality for the collections received after the appointment of the wharfinger, I have the honour to inform you that the wharfinger was put in charge 30th October, 1888 only, owing to the tariff for collection of tolls not being approved by Council until 25th September, 1888, and that as navigation would, at this date, be about over for the season, no collections would be due to the Government for 1888.

The Auditor General.

I am, Sir, your obedient servant.
JOHN HARDIE, for D.M.M.

AUDIT OFFICE, OTTAWA, Aug. 1, 1890.

SIR,—The Deputy Minister of Finance forwarded to me your letter of the 3rd March last, asking for a refund of \$137.37 to Wm. J. Malott, authorized by Order in Council of the 17th February last. As Mr. Malott's salary was fixed at \$150 per annum, by Order in Council of Sept. 3 last, he was not entitled to \$137.37 March 3 last, and is not yet entitled to that amount. I cannot find that Mr. Malott has made any deposits covering his collections of this season. Would it not be advisable, under the circumstances, to withdraw the present application, write Mr. Malott for statement of his revenue to the 30th June, and on receipt of it adjust his salary to that date, and then direct him as to how he shall act in the future?

The Dy. Minister of Marine.

I am, Sir, your obedient servant,
J. L. McDUGALL, A.G.

AUDIT OFFICE, OTTAWA, Oct. 2, 1890.

SIR,—The wharfinger at Iona, Grand Narrows, C.B., includes in his return for 1889 the sum of \$433.33 paid by R. G. Reid & Co., which amount, it is stated, was accepted by the Department in settlement of the claim against that firm for wharfage; and he has deducted his commission of 25 per cent. on this, as well as on the balance of his return. No information is given of the nature of the claim, and I have to ask you to explain it.

The Dy. Minister of Marine.

I am, Sir, your obedient servant,
J. L. McDUGALL, A.G.

MARINE DEPT., OTTAWA, Oct. 24, 1890.

SIR,—I have the honour to acknowledge receipt of your letter of the 2nd ult., pointing out that the return of the wharfinger at Iona, Grand Narrows, C.B., includes the sum of \$433.33 paid by R. G. Reid & Co., requesting an explanation thereof, and of the commission charged by the wharfinger. In reply, I have to inform you that Messrs. R. G. Reid & Co. were the contractors for the building of the railway bridge at Grand Narrows, and that the wharfinger billed them for wharfage on material used in the erection of the bridge, dockage of vessels, and on re-loading of material

removed from wharf—in all, \$757.33. The company protested against the claim on plea that being a Government work the material, &c., should be free. The Department could not agree to exempt them altogether; but, considering the dockage of the vessels and the charge for re-loading excessive, intimated that a deduction would be allowed of \$324, leaving a balance due of \$433.33.

This amount added to \$29.75, other wharfage collected, made a total sum of \$463.08, which, less the commission of 25 per cent. allowed to the wharfinger as remuneration, left a balance of \$347.31 deposited to credit of Receiver General in June last.

I am, Sir, your obedient servant,

WM. SMITH, *D.M.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, Oct. 23, 1890.

SIR,—I am in receipt of your letter of the 24th instant, in reference to the account of R. G. Reid & Co. for wharfage fees at Iona, C.B., to whom you state a deduction of \$324 was allowed. I have not been furnished with an Order in Council authorizing this deduction, as provided by sec. 78, chap. 29, Revised Statutes.

I am, Sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Dy. Minister of Marine.

MARINE DEPT., OTTAWA, Dec. 1, 1890.

SIR,—Referring to your letter of October 28 last, in regard to the account of Messrs. R. G. Reid & Co. for wharfage fees at Iona, C.B., to whom a deduction of \$324 was allowed, and stating that you had not been furnished with an Order in Council authorizing this deduction, I have the honour to inform you that by Order in Council of the 22nd ultimo., on the recommendation of the Minister of Marine and Fisheries, and in accordance with the provisions of sec. 78, chap. 29, Revised Statutes of Canada, the reduction of \$324 in the account referred to has been duly sanctioned by His Excellency the Governor General in Council.

I am, Sir, your obedient servant,

WM. SMITH, *D.M.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, Oct. 3, 1890.

SIR,—I wrote you April 24 last, enclosing a list of wharfingers who had made neither returns, deposits nor remittances covering the receipts of the season of 1889. Your letters of May 6 and 30, and June 20, contained returns and explanations for some on this list, but there yet remain a number not accounted for. Among these I find the following wharfingers who made deposits for the collections of 1888, and who have not deposited anything for the collections of 1889: East Bay, D. McInnis; Pickett's Wharf, A. Bishop; China Point, W. S. N. Crane; Nine Mile Creek, E. Harrington; Pinette, H. D. Morrison; Souris, B. McEachern; St. Mary's Bay, C. H. Llewellyn.

I note a memo. on returns of R. McDougall, wharfinger at Port Hood, pointing out that he charged a commission of 10 per cent., and subsequently a commission of 25 per cent., on \$19.76, but do not find that the overcharge was rectified.

I am, Sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Dy. Minister of Marine.

AUDIT OFFICE, OTTAWA, Oct. 3, 1890.

SIR,—I have to call your attention to the following facts in connection with the revenue collected by W. Watt, wharfinger at Digby: During the fiscal year 1886–87—the first year for which the revenue accounts were furnished to this office for audit—nothing came to account; during 1887–88 \$175 was deposited; during 1888–89 \$475.71; and during 1889–90 \$1,005.24. I learn from your report that this officer was appointed June 25, 1879, and that he is entitled to a commission of 10 per cent.

Since the spring of 1889 deposits have been made at frequent intervals, and seemingly that part of the regulations is now followed. But no return from this wharfinger has ever reached this office, and without a return no audit can be made. I referred to this point in my letters of May 8, 1889, and April 29, 1890.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Oct. 4, 1890.

SIR,—Referring to the revenue from harbours for the year 1889, I find that \$481.50 has come to account, being the excess of receipts over allowances from seven ports. I have to ask you for a statement covering the returns from these ports, and a certificate that these were the only ports at which the receipts for 1889 were in excess of the allowances.

I observe that the harbour master of Hantsport deducted \$225 from his receipts for 1889, while his allowance for 1888 was only \$200. Please give me the date of the Order in Council authorizing the increase.

The returns of A. Pinsonneault, St. John's, Que., and Y. H. Barrington, Victoria, N.S., have not been furnished. Please send them, and also the returns from the harbour masters whose receipts do not amount to their allowances.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, A. G.

MARINE DEPT., OTTAWA, Dec. 20, 1890.

SIR,—Referring to your letter respecting revenue derived from harbours during year 1889, I have the honour to forward herewith as requested, a certified statement covering returns from the ports at which the receipts exceeded the remuneration allowed the Harbour Masters, the total being \$481.50.

As regards the Harbour Master at Hantsport deducting \$225 remuneration, instead of \$200, as formerly, I have to observe that his allowance was increased to the former amount from the 1st July, 1888, by an Order in Council of 25th May, 1888, and it was a typographical error in the Supplement to the Departmental Report showing \$200.

I forward herewith return received from the Harbour Master at St. Johns, Que., and also the returns from the Harbour Masters whose receipts do not amount to their allowances.

The return from the Harbour Master at Victoria, N.S., was forwarded when draft and receipt for \$34.50 was transmitted the Finance Department. If required, a duplicate return will be obtained.

I am, Sir your obedient servant.

The Auditor General.

WM. SMITH, D.M.M.

MARINE DEPT., OTTAWA, Nov. 3, 1890.

SIR,—Referring to your letter of the 30th ult. respecting the revenue collected by W. Watt, wharfinger at Digby, N.S., I have the honour to forward herewith his returns for the years 1888 and 1889, and have to remark that the Department has had much difficulty in obtaining the desired information from Mr. Watt, and that it has only been by repeated application, and finally an official investigation, that matters have been adjusted. With regard to the investigation, I may state that Mr. Watt admitted irregularity in depositing and making returns, and explained this by difficulty experienced in making collections, partly owing to having to attend to repairs to pier and through sickness; but, since matters have been adjusted, he will, in future, carry out strictly his instructions. With the exception of the above irregularity, his books were in order. The wharfinger has also been directed to give

in his returns the names of vessels, and full description of merchandise and rates charged, for purposes of audit. As you remark, he is now carrying out the regulations relative to depositing money to the credit of the Receiver General. With reference to the commission allowed, his remuneration is 20 per cent. of the collections, and the 10 per cent. alluded to in your communication is a typographical error.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, *D.M.M.*

AUDIT OFFICE, OTTAWA, May 1, 1890.

SIR,—I would call your attention to the following observations in reference to the returns and deposits of fees for engineers' certificates.

(1). As these certificates are issued by the Department, the exact sums to be accounted for by each Inspector can readily be determined; and their returns should be examined and certified accordingly by the Accountant and the examining officer. A statement of all certificates issued by the Department should be furnished to this office.

(2). The departmental summary should be a summary of *returns forwarded*, and should be certified by the Deputy Minister and the Accountant. As now furnished, it is merely a recapitulation of the deposit receipts forwarded to the Receiver General.

(3). Statement No. 61 credits to Steamboat Inspection Revenue a deposit of \$14.15 made by E. Adams, 20th August, 1889; \$12.15 of this amount was for the second inspection of steamer "Eva" at Lindsay. As it is the practice to credit to expenditure sums paid by owners of vessels for the expenses of the second inspection, this should be treated in the same manner. It will be necessary to make an application for a transfer.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, *A. G.*

MARINE DEPT., OTTAWA, May 6, 1890.

SIR,—In reply to your letter of the 1st instant, I have to inform you that a statement is preparing, showing the certificates issued to engineers from the 1st of January last, and a similar statement will be forwarded to you monthly.

A similar course will be followed in respect of certificates to masters and mates.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, *D.M.M.*

AUDIT OFFICE, OTTAWA, Oct. 14, 1890.

SIR,—In connection with the audit and examination of the fees on certificates issued to steamboat engineers and masters and mates, I beg to call your attention to the following observation:

After the close of each year a statement of the revenue for the whole year should be furnished, giving the name of the examining officer and the amount collected by him, and should be certified as follows by yourself and the accountant: (1) that fees were collected on all certificates issued to engineers, masters or mates during the year ended 30th June last; (2) that bank receipts of deposit, covering all the revenue collected, were forwarded to the Receiver General.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, *A. G.*

MARINE DEPT., OTTAWA, Nov. 26, 1890.

SIR,—Referring to your letter applying for a statement of the arrears of revenue due to this Department June 30 last, remaining unpaid September 30, 1890, I have the honour to inform you that the only arrearages are amounts due for some shipping forms, alluded to in my letter of the 28th ult., and \$50 fees received by Captain W. H. Smith, Chairman of Board of Examiners of Masters and Mates, in May last, but omitted by oversight to be deposited to credit of Receiver General till October 29, 1890, particulars of which are furnished in returns sent you on the 12th inst.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, *D.M.M.*

AUDIT OFFICE, OTTAWA, Oct. 8, 1890.

SIR,—L. Catellier, M.D., in charge of the Marine Hospital at Quebec, deposited \$2,030.27 to the credit of the Receiver General, February 9, 1889, made up of the following items:—

Grant of Province of Quebec, 1888-89.....	\$1,866 67
Board of patients to Dec. 31, 1888.....	54 00
Rent beach lot No. 1, to May, 1889.....	60 00
Rent beach lot No. 2, to May, 1889.....	48 00
Sale of ashes.....	1 60

Nothing has since come to account from the Province of Quebec. Were no residents of Quebec treated at the Hospital after the date which the above grant covered?

On 2nd December last \$57 came to account from L. Catellier, M.D.—amount received for board of a paying patient. The doctor should certify that this amount was all that he collected.

I do not find that the rent of the beach lots for the year ended May 1 last has been paid in to the credit of the Receiver General. Please explain why.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, *A.G.*

MARINE DEPT., OTTAWA, Oct. 22, 1890.

SIR,—I have the honour to acknowledge receipt of your letter of the 8th instant, making certain enquires in regard to the Quebec Marine Hospital, and in reply I am to inform you:

(1st). No residents of Quebec were treated at the hospital after the date which the grant of the Province of Quebec covers, viz:—to the 30th of June 1889.

(2nd). Doctor Catellier has reported that the sum of \$57 was all that was due and collected during the last year the hospital was in operation, on account of board of paying patients.

(3rd). The Agent of this Department at Quebec has been instructed to collect the rent of the beach lots for the year ended the 1st of May last.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, *D.M.M.*

AUDIT OFFICE, OTTAWA, Jan. 28, 1890.

SIR,—Mr. H. W. Johnston, the Agent of your Department at Halifax, usually disposes each year of a quantity of cranberries, hides, ponies, &c., from Sable Island, and old material. In 1887-88 these sales netted \$1,497.06. The sale which was held on the 19th December last netted \$1,241.51. During 1888-89 the only sums that came to account were: Sales of hides, Sable Island, \$22.48; sales of old iron, \$131.74. Please inform me if there were any more sales during that year; if so, when the proceeds came to account; and if there were not, the reasons therefor.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, *A.G.*

MARINE DEPT., OTTAWA, Jan. 31, 1890.

SIR,—I beg to acknowledge receipt of your letter of the 28th inst., stating that the receipts from sales of stores, &c., from Sable Island for 1888-89 were only \$154.22, and enquiring whether there were any more sales accounted for; and if not, the reasons therefor.

In reply I am to inform you there are no periods fixed for disposing of the ponies, cranberries and old stores from Sable Island, but this is done only as the occasion seems to warrant. Consequently, it does not follow that the receipts from these sources should be approximately the same, year by year. Furthermore, in some years, the cranberry crop fails, and no ponies are brought off the Island and sold, so that the receipts may be only for old stores. When the sales are effected it is sought to dispose of the articles to the best advantage, usually by auction, and the results are duly brought to account. I am further to inform you that your letter has been submitted to the Minister, and I am directed to say that while this Department is anxious to afford you all necessary information in connection with the auditing of the accounts, the question now submitted by you would appear to belong more properly to the administration of the Department, and not to require explanations, such as are asked by you, in order to enable you to make a proper audit of the accounts.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, *D.M.M.*

AUDIT OFFICE, OTTAWA, Oct. 20, 1890.

SIR,—In reference to the sales of shipping forms during the year 1889-90, I have to call your attention to the following observations: The blanks on which to make application for shipping forms, &c., should be furnished to shipping masters. I find applications from the shipping master at Montreal, but nothing has come to account from him, nor from the shipping masters at Halifax and Quebec. Please explain the reason why. After the close of each year a summary should be furnished to this office, showing the total receipts of the year, and giving the name of each shipping master, the port, and the amount paid. It should be certified by yourself and the Accountant as follows: "I certify that the above is a full and complete summary of all the fees received for shipping forms furnished from the Department during the year, and that the fees were collected for all forms, &c. furnished, with the exception of those entered on the application lists to be furnished free."

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, *A.G.*

MARINE DEPT., OTTAWA, Oct. 28, 1890.

SIR,—I have the honour to acknowledge receipt of your letter of the 20th instant respecting the sales of shipping forms, and in reply have to inform you that it is the custom of the Department to supply shipping masters with blank requisition forms, and where such blanks have not been used there has been an interim when stock became exhausted, during which applications have been made and stock replenished, a fresh supply being sent to the shipping masters.

As regards forms supplied the shipping masters at Montreal and Halifax, but for which no deposit receipt has been received, I have to say that requests for the payment of money due had been made prior to receipt of your communication, and that I have again written the shipping masters requiring a settlement.

In regard to the Port of Quebec, while the shipping master was a salaried officer and the fees reverted to the Treasury no charge was made for forms, but now that the shipping master receives the fees, as advised in my letter of the 24th instant, he has been called on to pay for forms supplied.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, *D.M.M.*

AUDIT OFFICE, OTTAWA, Oct. 21, 1890.

SIR,—Fees amounting to \$459.95 were collected at the shipping office, Quebec, during the year 1888-89. Nothing has come to account from this source during the year 1889-90, and I have to ask you for an explanation.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, A.G.

MARINE DEPT., OTTAWA, Oct. 22, 1890.

SIR,—I have the honour to acknowledge receipt of your letter of the 21st instant, enquiring as to the fees of the shipping office at Quebec, and in reply I am to inform you, that since the superannuation of Mr. Trudel, who was shipping master and chief of police, and a salaried officer, the fees have reverted to the shipping master under the Seamen's Act, it having been deemed advisable by the Government to place the Port of Quebec on the same footing as other Ports in the Dominion, where a shipping office had been established.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, D.M.M.

AUDIT OFFICE, OTTAWA, Oct. 30, 1890.

SIR,—In connection with the receipts from fees for searching ship registers for 1889-90, the collections at six ports, amounting to \$19.71, came to account through your Department and were credited to Casual Revenue; and the collections at fifteen ports, amounting to \$88.36, came to account through the Department of Customs, and were credited to Customs Revenue. Would it not be advisable that all of the fees collected should be accounted for through some one Department and credited to the same account? I have written a similar letter to the Commissioner of Customs on this subject.

I am, Sir, your obedient servant,

The Dy. Minister of Marine.

J. L. McDOUGALL, A.G.

MARINE DEPT., OTTAWA, Nov. 5, 1890.

SIR,—I have the honour to acknowledge receipt of your letter of the 30th ult., stating that deposit receipts for fees for searching ships' registers were in the habit of being received by this Department, and also by the Customs Department, and suggesting that only one Department deal with those in future. In reply, I have to inform you that an arrangement has been made whereby the Customs Department will, in future, attend to any revenue derived from the above source, and should any returns be received from this Department they will be transferred to the Department of Customs.

I am, Sir, your obedient servant,

The Auditor General.

WM. SMITH, D.M.M.

CUSTOMS DEPT., OTTAWA, Dec. 3, 1890.

SIR,—Referring to your letter of the 30th October, suggesting that fees for searching ships' registers be accounted for through one Department only: in reply I beg to state that the registers of shipping are officers of the Marine Department, but the law provides that at registration ports, where there is no regularly appointed register of shipping, the Collector of Customs shall act. It is only in the case of these acting officers that report is made through this Department—all regular officers reporting through their own Department.

I am, Sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, June 26, 1890

SIR,—I am in receipt of your letter of the 28th ult. enclosing a copy of a statement of the inspections of Dr. W. Cox Allan at Fort McLeod, for which a deposit of \$662.40 was made 24 April last. I should have been furnished with the original. This amount represents the collections during the summer of 1889. I would like to have a similar statement of the collections during 1887 and 1888. I learn from the statement that the Inspecting Officers were Mr. Wroughton and Mr. Evans. In order to make an efficient audit I should be furnished with the returns made by these officers. I assume that Dr. Allan issues a certificate, and if so the number of each certificate should be entered on his return and the counterfoil forwarded to the Department. I send you herewith a copy of a minute of the Treasury Board approving certain regulations in reference to the depositing and accounting for the Revenue. Dr. Allan should be instructed to comply with these regulations.

I am, Sir, your obedient servant,

The Dy. Minister of Agriculture.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Dec. 10, 1889.

SIR,—Referring to previous correspondence in reference to the amounts in connection with the Grasshopper Relief Advances, I have to remind you that I am still without the information for which I asked. In your letter of May 31 last you stated that the work of analyzing and examining the statements and accounts would be proceeded with at once, and full answers furnished to the several questions asked.

I am, Sir, your obedient servant,

The Dy. Minister of Agriculture.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Dec. 13, 1890.

SIR,—The receipts on account of Seed Grain for 1889–90 were \$1,183.21. I have to ask you for the statement rendered by Mr. Smith during the year covering his collections on this account. These statements should be forwarded to this office monthly. I have again to remind you that I have not yet been furnished with the statements and information promised in your letter of May 31, 1889.

I am, Sir, your obedient servant,

The Dy. Minister of Agriculture.

J. L. McDOUGALL, A.G.

AGRICULTURE DEPT., OTTAWA, Jan. 6, 1891.

SIR,—I have to inform you in reply to your letter of the 13th ult., in reference to the accounts for seed grain advances administered by a committee in Winnipeg in 1876, that an examination of these accounts has been made and the results will be made known to you as soon as possible. You will be furnished with a copy of the original mortgage register at Winnipeg, in which are registered 3,735 mortgages, together with statements of repayments in grain or in money. The accountant of the Department, however, informs me that it will yet take some time to arrange and furnish this voluminous information. He states that he believes he will have the whole of the work completed by the 1st of March next, and that he may be earlier able to furnish a summary of the statements.

I am, Sir, your obedient servant,

J. LOWE, *D.M.A.*

The Auditor General.

AUDIT OFFICE, OTTAWA, Dec. 23, 1890.

SIR,—The following outlay was made out of the receipts by Commissioner Smith at Winnipeg, on account of Seed Grain Mortgages during the past fiscal year:—

John McLeod, teaming relief supplies in 1876.....	\$135 24
Postage, \$10; Petty items \$17.06.....	27 06

\$162 30

Sec. 27, chap. 29, Revised Statutes, provides that the Gross Revenues shall be deposited to the credit of the Receiver General. Any expenditure necessary in connection with the collection of these moneys might be paid out of the Vote for Unforeseen Expenses by procuring a general Order in Council to that effect.

The payment in this manner of \$135.24 for services rendered in 1876 is even more objectionable, not having any connection with the collection of the amounts due.

When it was been necessary to make payment some years after the performance of the service, and when there is no Vote out of which it can be properly paid, it has been customary to have a special Vote; though such an item as this might be paid out of Unforeseen Expenses if authorized by an Order in Council.

I am, Sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Dy. Minister of Agriculture.

AGRICULTURE DEPT., OTTAWA, Dec. 31, 1890.

SIR,—I have to acknowledge your letter of the 23rd inst., in reference to disbursements to the amount of \$162.30, made out of receipts by the Land Commissioner at Winnipeg on account of seed grain mortgages.

I quite agree with your statement that Section 27, Chap. 29, Revised Statutes, provides that gross revenues shall be deposited to the credit of the Receiver General, and such rule is strictly observed by this Department in its relations with any agents who may collect fees, even in cases in which the fees are specially levied for the payment of the services.

The case of the administration in relation to seed grain advances and mortgages was, however, quite exceptional. A vote was passed by Parliament for purchasing supplies, in 1876, for the relief of sufferers from an invasion of grasshoppers in Manitoba, and the administration of that distribution was not made by the Department, but was placed in charge of a committee in Winnipeg.

A considerable advance, amounting to about twenty per cent. on the purchase prices, was added to the prices at which such relief supplies were furnished, in order to cover freight, teaming and other expenses.

The item paid for teaming, to which you refer, was incurred in 1876; and, therefore, was held to come within the particular administration decided, in the matter of furnishing the supplies in question. The amount of the item was included in the percentages added in the amounts for which the mortgages were given. The settlement was, therefore, simply a continuation of an administration commenced,

with reference to the time at which it was commenced, and a deduction of an added amount for that particular service among others.

The Auditor General.

I am, Sir, your obedient servant,
J. LOWE, *D.M.A.*

AUDIT OFFICE, OTTAWA, Dec. 13, 1890.

SIR,—The total receipts on account of Veterinary Inspection Fees for 1889–90 were \$1,330.32. Of this sum \$662.40 was remitted by W. Cox Allan, Fort McLeod, for inspections from May 11 to Oct. 26, 1889. His cheque for this amount was forwarded by you to the Finance Dept. on April 9, 1890. I do not find that anything has come to account for the inspections since that date. I wrote you June 26 last in reference to this Agent's returns, but have had no reply,

The balance of the receipts that came to account, \$667.92, is made up of deposits from time to time during the year at the Merchants Bank, Winnipeg. Some are in the name of the Collector of Customs, Emerson; others have only the words "Collector of Customs."

In my letter of June 26 last I sent you a copy of a Treasury Board Minute containing regulations in reference to the depositing and accounting for the Revenue. To enable any efficient audit of the Revenue Accounts to be made, it is indispensable that the provisions of this Minute be carried out.

In the meantime I have to ask you to inform me by whom the inspections were made for which \$667.92 was deposited in the Merchants Bank, Winnipeg.

The Dy. Minister of Agriculture.

I am, Sir, your obedient servant,
J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Dec. 26, 1890.

SIR,—Referring to the statements furnished to this office of the sales at Experimental Farms during the last fiscal year, I have to make the following observations:—

1. In no case have the counterfoils been furnished, and the numbers of the receipts issued at Ottawa and Indian Head were not entered on the returns of the Farms.

2. Deposits in acquittance were not made in accordance with the Rules and Regulations, which provide that a deposit shall be made whenever \$25 or more is on hand.

3. The cost of picking berries at the Central Farm was paid out of the receipts, and no vouchers were furnished. Sec. 27, chap. 29, Revised Statutes (the Audit Act) provides that the gross revenue shall be deposited.

4. Milk, berries, eggs, &c., have been furnished by the Central Farm to employees at prices lower than those current in the vicinity. How were these prices arrived at, and under what authority?

5. Neither quantities nor prices are stated in a large number of entries in April and May last, and occasional entries in other months. In all cases both should be stated.

6. Samuel Anderson and James Helen paid for rent of houses in August, September and October, 1889. Why have no further amounts come to account from this source?

The Dy. Minister of Agriculture.

I am, Sir, your obedient servant,
J. L. McDOUGALL, *A.G.*

AGRICULTURE DEPT., OTTAWA, Jan. 7, 1891.

SIR,—In reply to your letter of the 26th ult., in reference to accounts rendered by the Experimental Farm, an official application has been made to the Director for information in detail, under the several heads of your enquiry. I shall furnish you with this information as soon as received.

The Auditor General.

I am, Sir, your obedient servant,
J. LOWE, *D.M.A.*

AGRICULTURE DEPT., OTTAWA, Nov. 27, 1890.

SIR,—In reply to your letter of the 22nd inst. on the subject of statements of arrears due to this Department, I have to inform you that you have been furnished with all reports of collections received. The accounts of Mr. W. Cox Allan of Fort McLeod, have not, however, yet been balanced. A request was sent to him on the occasion of receiving a former letter from you, to which he has not yet replied. Another more urgent request has been sent him to furnish immediately the information desired.

The Auditor General.

I am, Sir, your obedient servant,
J. LOWE, *D.M.A.*

INTERIOR DEPT., OTTAWA, Dec- 20, 1889.

SIR,—In your letter of February 6 last, you ask for an explanation of the nature of the trust account of this Department with the Merchants Bank of Canada at Winnipeg.

In reply, I have the honour to enclose to you a copy of a letter from the Commissioner of Dominion Lands on the subject, which was written in answer to yours of the 19th June last.

I am to say that the suggestion of the Commissioner that bond fees be dispensed with is not approved.

I am, Sir, your obedient servant,
 The Auditor General. LYNDWODE PEREIRA, *Asst.-Secy.*

DOMINION LANDS' COMMISSION, WINNIPEG, Aug. 16, 1889.

SIR,—I have your letter of the 6th instant, and in replying to the suggestion of the Auditor General *re* trust account, it might be pointed out that none of the sums which are deposited in this account are in any way a part of the public revenue. Bond fees, which are the principal item, are a deposit required of applicants for inspection of lands under existing homestead and preemption entries, and are deposited as an evidence of good faith and as a guarantee that the application is not merely frivolous or vexatious. When a decision is arrived at by the Land Board, unless the application proves vexatious or frivolous, the Bond fee is ordered to be returned to the applicant. If cancellation of the entries ensues, the applicant is notified to make entry within twenty days, and he almost invariably asks when he appears at the local office for that purpose, that his bond fee be applied in payment of the entry fees; this application of the bond fee is effected by the issue of a cheque in his favour on the trust account, which the agent cashes and remits to the bank with his deposit to cover the week's return of entries.

If the trust account were abolished and the bond fees refunded by cheques issued from Ottawa, they would not reach the applicant as soon as he desires to make entry; this he wishes to do at the earliest possible date, and I feel assured that any delay in returning the bond fee will create discontent and complaint without procuring any additional check on the accounts, or other material compensating advantage.

Many intending homesteaders possess very small means, and will, in some cases, if the proposed change is inaugurated, be without sufficient funds to make entry until the bond fees are returned; thus delay may entail a second journey of many miles on the part of the intending entrant.

In preference to adopting this change, it would, perhaps, be advisable to abolish the system of bond fees altogether. However, the demand for desirable homesteads is now very keen, and greatly on the increase, and if no penalty can be inflicted on

those who attempt to effect cancellation of entries without good cause, it is only reasonable to look for the occurrence of many vexatious applications, causing much annoyance to settlers.

Since the trust account was established, upwards of three years ago, over \$900 has been earned for the Department in interest; a perfect check upon the accounts of the agents has been established, every repayment is properly vouched for, and, which is perhaps the most important point of all, not one single complaint from settlers as to the working of the present system has been made to my knowledge. The other item which with bond fees forms the balance of the trust account is: improvements for benefit of former homesteader. These certainly form no part of the public revenue, and under the existing system, so soon as the agent receives an application from the proper person or ascertains his correct address, he at once issues a cheque.

Surely, this method is more convenient and expeditious for the former homesteader than if application were necessary to be made to Ottawa in each case.

The paid cheques can of course be forwarded to the Auditor General as desired, and they would have been sent from the commencement had a request or instructions to that effect been received.

Please advise me of the decision arrived at.

Yours truly,

The Dy. Minister of Interior.

H. H. SMITH, *Com.*

AUDIT OFFICE, OTTAWA, Jan. 16, 1890.

SIR,—I am in receipt of your letter of the 20th ultimo enclosing a copy of a letter from the Commissioner of Dominion Lands at Winnipeg in further reference to the Trust Account. The principal objection made by the Commissioner seems to be the delay that will ensue, if application has to be made to Ottawa for each refund. There is no necessity for making an application to Ottawa (see the last paragraph of my letter of Feb. 21 last). The commissioner can draw his own L. C. cheque for any refunds to be made, and, when making his return of cheques drawn during the month, can specify those drawn on Trust Account. With reference to the account in British Columbia, a special credit could be issued in favor of the agent at New Westminster.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, *A.G.*

INTERIOR DEPT., OTTAWA, May 10, 1890.

SIR,—I am directed to say, for your information, that during the last visit here of the Commissioner of Dominion Lands it was arranged that such items in the trust account as have been outstanding and unclaimed for upwards of two years previous to Jan. 1 last, will be transferred to the credit of the Receiver General.

I am, Sir, your obedient servant,

LYNDWODE PEREIRA, *Asst.-Secy.*

NOTE BY AUDITOR GENERAL.—The balances at the credit of the trust account, June 30, 1890, were: in the Merchant's Bank, Winnipeg, \$14,343.70; in the Bank of British Columbia, \$2,284.50.

AUDIT OFFICE, OTTAWA, Sept. 30, 1890.

SIR,—The vouchers furnished to this office in connection with the refunds of Dominion Lands Revenue are the cheque issued in payment and the receipt of the person paid. In addition to these I should be furnished with the application of the

claimant, stating the grounds of claim, and the date and place of payment; and the certificate of the proper officer that the claim has been examined and the payment made as stated, and that the claim should be paid, giving reasons.

I am, Sir, your obedient servant,
The Dy. Minister of Interior. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, May 12, 1890.

SIR,—To enable me to audit the revenue from Ordnance Lands it is necessary that I should be furnished monthly with the following statements:

(1.) A statement of the receipts, showing the date of payment, name of person paying, locality, No. of lot, part paid on interest, part paid on principal, the total, and a memo. of deposits made in acquittance.

(2.) A statement of any new sales made, showing date of Order in Council authorizing the sale, the locality, the lots sold, the names of purchasers, the prices and amounts for which each lot was sold, the amount paid in cash, and the terms for the balance.

(3.) A statement of all accounts closed, showing all the transactions, debit and credit.

(4.) At the close of each year a statement of all arrears due.

I am, Sir, your obedient servant,
The Dy. Minister of Interior. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Oct. 6, 1890.

SIR,—I wrote to you May 12 last in reference to the audit of the revenue from Ordnance Lands, specifying the statements that should be furnished to this office. I would like to hear from you on the subject. I have now to ask you for a statement showing the arrears, principal and interest, due to your Department, June 30 last, on account of Ordnance Lands, remaining unpaid Sept. 30.

I am, Sir, your obedient servant,
The Dy. Minister of Interior. J. L. McDOUGALL, A.G.

INTERIOR DEPT., OTTAWA, Oct. 20, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 6th instant, asking to be furnished with certain statements having reference to Ordnance Lands, and in reply to forward the enclosed "Return of receipts on account of Ordnance Lands," for the three months ended Sept. 30, 1890, together with a statement of deposits made in acquittance.

I am, Sir, your obedient servant,
The Auditor General. A. M. BURGESS, D. M. I.

AUDIT OFFICE, OTTAWA, Oct. 24, 1890.

SIR,—I am in receipt of your letter of the 20th inst., enclosing statements of receipts on account of Ordnance Lands for the three months ended Sept. 30, 1890, together with a statement of deposits made in acquittance. I notice that some of the entries are in payment of balances due on certain transactions. In such cases statements should be furnished showing all the transactions, debit and credit. The statement of arrears due June 30 last, unpaid Sept. 30, has not yet been furnished.

I am, Sir, your obedient servant,
The Dy. Minister of Interior. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, June 24, 1890.

SIR,—With your letter of the 18th inst., received yesterday in reply to mine in reference to the Registrar for the South Alberta Registration District, you send me a copy of your Circular to the Registrars dated 12th inst., and of the Order in Council dated June, 1887. Clause 2 of the Order in Council provides that each Registrar shall deposit on the 1st or 2nd day of each month the receipts of the previous month. I have to inform you that the Rules and Regulations, to which I have made reference and which provide for a daily deposit whenever \$25 is on hand, or if the daily receipts do not amount to \$25, whenever that sum or more is on hand, have been approved by the Treasury Board. Section 27 of Chapter 29, Revised Statutes, provides that the gross revenues shall be deposited at such times and under such regulations as the Minister of Finance and Receiver General prescribe. And Section 50 of the same Act provides that the Revenue Accounts are to be examined in accordance with any regulations prescribed by the Treasury Board. I would also remark that the rule of a daily deposit when the receipts amount to \$25, &c., is in force with regard to the Land Agents. In view of all the facts in relation to this class of revenue I have to ask your consideration of the propriety of having the Registrars make a deposit whenever \$25 or more is on hand.

I am, Sir, your obedient servant,

The Dy. Minister of Interior.

J. L. McDOUGALL, A.G.

INTERIOR DEPT., OTTAWA. July 17, 1890.

SIR.—I am directed to inform you, in reply to your letter of the 24th ultimo, that the Deputy Minister decided, before he left for the North-West, that it was advisable to amend the Order in Council of the 13th June, 1887, so that its provisions with regard to the time when Registrars of Land Titles Offices in the North-West Territories should deposit the fees which they respectively receive, will not conflict with the provisions adopted by the Treasury Board on the 11th ultimo, whereby every officer or agent employed in the collection of public moneys shall make daily deposit of his fees, if the same amount to \$25, and if less than that amount, then whenever they amount to \$25.

As the Order in Council of the 13th June, 1887, has been passed under the provisions of Section 135 of Chapter 51 of the Revised Statutes of Canada, the Registrars will not be instructed to make any change in regard to depositing their fees, until the proposed amendment has been carried out by the necessary Order in Council.

I am, Sir, your obedient servant,

The Auditor General.

LYNDWODE PEREIRA, *Assist. Secy.*

AUDIT OFFICE, OTTAWA, Dec. 22, 1889.

SIR,—Referring to previous correspondence in reference to the depositing of fees by Registrars in the North-West Territories, I have to state that the practice of making but one deposit after the close of the month, instead of depositing whenever \$25 or more is on hand, is still continued. I have also to state that Mr. McLean, Registrar of South Alberta District, did not make a deposit for the fees collected in October till November 27, and so far no deposit has come to account for fees collected in November.

I am, Sir, your obedient servant,

Dy. Minister of Interior.

J. L. McDOUGALL, A. G.

INTERIOR DEPARTMENT, OTTAWA, Nov. 29, 1890.

SIR,—Referring to your two letters dated Oct. 3 and Nov. 22, asking for statements showing arrears due to this Department, I am directed to say that the delay in replying to your communications was owing to our awaiting explanations from

several of the Agents respecting apparent balances remaining unpaid. After receiving these explanations the following are found to be the only balances remaining to be adjusted:—

Balance of \$1.75, due by Mr. J. J. McHugh, late Agent of Dominion Lands for the Coteau District, appears in Monthly Return for September, 1889. This amount will be retained from rent due to Mr. McHugh, with whom the Department is at present adjusting several other matters, and you will be advised when the balance has been settled.

Balance of 50 cents appearing in Monthly Return for June as due by the Agent of Dominion Lands at Brandon, was paid by the Agent on the 19th instant.

Balance of \$4.50 appearing in Monthly Return for August as due by the Land Agent at Winnipeg: the Agent instead of remitting this amount to Head Office and obtaining a refund cheque in the usual manner, returned the amount to Mr. James Jones, who had paid it, as is shown by Mr. Jones' receipt enclosed herewith.

I am, Sir, your obedient servant,

LYNDWODE PEREIRA. *Asst-Secy.*

The Auditor General.

AUDIT OFFICE, OTTAWA, Dec. 22, 1890.

Sir,—I wrote to you Feb. 7, 1889, asking for certain statements in connection with the amount due by settlers in the North-West Territories for advances of Seed Grain made in 1886-7. and 1887-88. I do not find that I have received the information asked for, or any reply to my letter. Certain sums are coming to account from time to time but the statements showing the details of the collections do not reach me. I have again to ask your attention to this subject. In the meantime please give me a statement in detail of the payments received during the last fiscal year.

I am, Sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Dpty Minister of Interior.

AUDIT OFFICE, OTTAWA, July 8, 1890.

Sir,—A deposit of \$131.13 has come to account for sales of Geological Survey Publications, and two statements are furnished giving the details that go to make up this amount. One of these statements is headed "Wm. Foster Brown & Co—Statement of Account for Geological Survey Report—ending Dec. 31, 1890." This statement shows the number of each year's reports and other publications on hand, the number received, the number sold, the number still on hand and the price at which sold, and amounts to \$71.23. It is certified by Mr. Whiteaves and Mr. Marshall. Please let me know under what arrangement this firm disposes of these publications. If the words "ending Dec. 1890" should have been Dec. 31, 1889, then the sales since that date are unaccounted for. The other statement is of moneys received by you from July 10, 1889 to Jan. 14, 1890. An explanation should be given if nothing was received after this date.

I am, Sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Director, Geological Survey.

AUDIT OFFICE, OTTAWA, Dec. 30, 1890.

Sir,—I wrote to you July 8 last in reference to sales of Geological Survey Publications, and I have not received any reply. I shall be glad to hear from you at an early date, in order that my letter may not appear in the next Report without your explanation.

I am, Sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, July 18, 1890.

SIR,—I have to ask you to inform me what action has been taken towards carrying out the requirements of my letter of March 7, 1889, in reference to the examination and audit of Militia Revenue.

The Dy. Minister of Militia.

I am, Sir, your obedient servant,
J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, July 26, 1890.

SIR,—I beg to call your attention to the following observations on the Revenue statements, so far as received, for the fiscal year 1889-90.

Sales of Ammunition and clothing.—In my letter of March 7, 1889, I asked that all requisitions should be entered on your Revenue statements and furnished with them to this office; none have been received, and until they are, no efficient audit can be made. Statement No. 25 contains a deposit receipt of \$101.59 at Toronto, the proceeds of a sale of condemned stores, for which no vouchers have been furnished. The gross amount of a sale of condemned stores at London is \$27.12, from this there has been deducted for advertising \$8.50, \$4.50 in the Free Press and \$4.00 in the Advertiser, \$10.00 for the Auctioneer's time and \$1.00 for a clerk, leaving as net proceeds \$7.62. The Auctioneers at Quebec and St. John only charge a commission of 5 per cent. Statement No. 23 contains an item of \$50.60 proceeds of the sale of a horse at Winnipeg which amount you treat as a refund of expenditure. There are several other similar items which have come to account during the year, and which you have credited to revenue. The item referred to above should have been treated in the same manner. Statement No. 11 contains an item of \$112.00 for the sale of a drill shed at King, and statement No. 23, an item of \$105.00 for the sale of a drill shed at Vankleek Hill; for neither of these sales have vouchers been furnished.

Rents of Military Properties.—As the statements do not specify the respective dates to which each amount pays, and as the counterfoils of Departmental receipts issued are not furnished, I am unable to make any complete audit of this account.

I shall be pleased to have the statements for sales and rents covering the balance of the fiscal year 1889-90 at as early a date as possible.

The Dy. Minister of Militia.

I am, Sir, your obedient servant,
J. L. McDOUGALL, A.G.

MILITIA DEPT., OTTAWA, Nov. 25, 1890.

SIR.—Having reference to your letter of Oct. 3, asking for a statement of rental arrears in Military Properties due June 30 last and remaining unpaid Sept. 30, I have now the honour to inform you that a list of the tenants in arrear has been forwarded to the Department of Justice with instructions to take legal proceedings for the collection of the amounts due.

The Auditor General.

I am, Sir, your obedient servant,
EUG. PANET, D. M. M.

AUDIT OFFICE, OTTAWA, Nov. 27, 1890.

SIR,—I am in receipt of your letter of the 25th inst in reference to the arrears due to your Department. A copy of the list should be forwarded to this office, notwithstanding that it has been sent to the Department of Justice for collection.

The Dy. Minister of Militia.

I am, Sir, your obedient servant,
J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, March 7, 1890.

SIR,—During the fiscal year ended June 30 last, \$211.52 was deposited to the credit of the Receiver General by John Crerar, Clerk of the Peace, Hamilton, for fines collected from 30th August, 1888, to 7th February, 1889, in pursuance of cap. 180, C. C. Law. A bank receipt for \$61.24 deposited by the same officer, has lately come to hand from your Department, covering fines collected from 9th March to 29th October, 1889. No deposits for fines have been received from any other Clerk of the Peace, or other officer from the Province of Ontario; and only a few dollars each from the Clerks of the Peace of Quebec, Montreal and Three Rivers, and nothing whatever from any of the other Provinces.

Please inform me why deposits have not been made by the other Clerks of the Peace, and what regulations as to returns have been established by your Department.

I am, Sir, your obedient servant,

The Dy. Minister of Justice.

J. L. McDOUGALL, A.G.

JUSTICE DEPT., OTTAWA, March 12, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 7th inst., calling attention to the collection of fines payable to the Government of Canada under chapter 180, R.S.C., and asking to be informed why deposits have not been made by Clerks of the Peace other than John Crerar, and what regulations, &c., as to returns, have been established.

In reply, I beg to state that no regulations have been made by this Department having in view the collection of fines which may become payable to Canada under the provisions of any statute in that behalf. This Department has nothing whatever to do with the collection of the revenue, except in so far as it may be instructed to attend to particular cases by the various Departments.

I have no doubt but that there are in the hands of the different municipalities throughout Canada large sums of money which should have been paid in to the credit of the Receiver General.

I have called the attention of the Finance Department to the matter.

I am, Sir, your obedient servant,

ROBT. SEDGEWICK, *D.M.J.*

The Auditor General.

AUDIT OFFICE, OTTAWA, March 15, 1890.

SIR,—I am enclosing herewith, for the information of the Treasury Board, a copy of correspondence with the Department of Justice, in reference to the collection and accounting for fines payable to the Government of Canada under chap. 180, C. C. Law. I have to request you to inform me of any action the Board may deem proper to take, with the view of having these fines deposited to the credit of the Receiver General, and the returns forwarded to this office.

I am, Sir, your obedient servant.

J. L. McDOUGALL, *A.G.*

The Secretary, Treasury Board.

AUDIT OFFICE, OTTAWA, Oct. 9, 1890.

SIR,—The revenue from Dorchester Penitentiary for the year 1889-90 was \$4,640.64. Of this amount, \$3,225.92 came to account as the revenue for the month of June. In the statement for that month there is entered "Woodenware to 14 firms, \$3,095.86." I have to ask for statements of the transactions with these firms, showing the date and amount of each shipment or delivery of goods, and the date and amount of each payment.

I am, Sir, your obedient servant.

J. L. McDOUGALL, *A.G.*

The Dy. Minister of Justice.

JUSTICE DEPT., OTTAWA, Oct. 22, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 9th instant respecting the woodenware entered to 14 firms, in the revenue statement of Dorchester Penitentiary in June, 1890, amounting to \$3,095.86. In reply, I beg to transmit to you, herewith, the statement asked for.

I am, Sir, your obedient servant,

ROBT. SEDGEWICK, *D. M. J.*

The Auditor General.

AUDIT OFFICE, OTTAWA, Oct. 24, 1890.

SIR,—I am in receipt of your letter of the 22nd inst., enclosing a statement of certain shipments of woodenware from the Dorchester Penitentiary during 1889-90. According to this statement, goods are furnished the firms referred to from time to time during the year, and payments therefor are not made till June,—in a number of cases on the last day of that month. This practice seems to me to be very objectionable, and increases the chance of losses to the Government. If there are not any special reasons for continuing it, would it not be advisable to direct the Warden to exact prompt payment for each shipment?

I am, Sir, your obedient servant,

The Dy. Minister of Justice.

J. L. McDOUGALL, A.G.

JUSTICE DEPT., OTTAWA, Nov. 8, 1880.

SIR,—Having further reference to correspondence respecting the sale of woodenware at Dorchester Penitentiary during the financial year ended June 30, 1890, I beg to send you, herewith, an extract from a letter received from Warden Foster, dated Oct. 31: "Referring to a letter from the Auditor General to the Deputy Minister of Justice on the 24th inst., I would say that payments were made on account during the year in all cases but two—Messrs. Thorne and Simms—and these two in future will pay oftener. I make it a point that all accounts should be squared off at the end of the fiscal year, even though the goods were purchased during the last month. I do not think the Auditor General ought to complain because the payments were made on the 30th of June. Thorne & Co. took nearly all the woodenware manufactured, and were regularly appointed agents by the Department. They had to retail them through the country. I gave them a reasonable time to make payments, with the understanding that they should square up at the end of the fiscal year, which they have always done. I am not ignorant of business principles, and being on the ground and in immediate connection with the public, I ought to be allowed a little discretion. I will always guard the interests of the Government."

I am, Sir, your obedient servant,

The Auditor General.

ROBT. SEDGEWICK, D.M.J.

AUDIT OFFICE, OTTAWA, Oct. 3, 1890.

SIR,—In connection with the examination and audit of the revenue accounts of your Department, I have to ask you for the usual statements showing in detail the arrears due June 30 last, remaining unpaid Sept. 30: (1) by collectors or other Government officers; (2) by persons not collectors or Government officers.

I am, Sir, your obedient servant,

The Dy. Minister of Justice.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Nov. 22, 1890.

SIR,—I have to remind you that I have not yet received the statements of arrears due to your Department, asked for in my letter of the 3rd ultimo.

I am, Sir, your obedient servant,

The Dy. Minister of Justice.

DEPT. OF STATE, OTTAWA, Sept. 22, 1890.

SIR,—In terms of an Order in Council, passed Jan. 19, 1888, authorizing the refund of fees in cases where the proceedings for obtaining charters of incorporation are abandoned or refused, I have the honour to request the issue of a certificate in favour of Messrs. Cameron, Cleury & Sutherland, barristers-at-law, Windsor, Ont., for the sum of \$200, being the Departmental fee deposited on or about May 16 last, in connection with an application from The Therapeutic Terrapoise Company for letters patent of incorporation, which the applicants have decided to withdraw for the present.

The Auditor General.

I am, Sir, your obedient servant,
L. A. CATELLIER, U.S.S.

AUDIT OFFICE, OTTAWA, Sept. 25, 1890.

SIR,—I have received your application for a refund of \$200, deposited in connection with an application from the Therapeutic Terrapoise Company, since withdrawn. I beg to point out that you have not made any deduction to cover Departmental expenses. The Order in Council of Jan. 19, 1888, which you quote as the authority for asking this refund, provides for the return of fees in certain cases, less in each case a deduction to cover Departmental expenses.

The Under Secretary of State.

I am, Sir, your obedient servant,
J. L. McDOUGALL, A.G.

DEPT. OF STATE, OTTAWA, Oct. 10, 1890.

SIR,—Adverting to your letter of the 25th ultimo, on the subject of the application of The Therapeutic Terrapoise Company, for the refund of the fee of \$200, as stated in my letter of the 22nd idem, I have the honour to inform you that the law officers of the Crown, to whom the matter has been referred, report that in the event of their being no actual Departmental expenses or disbursements in connection with the present case, the fee may be returned to the applicant without any deduction,

which practice, they add, may be adopted in similar cases. As no Departmental expenses have been made as regards the application of the Therapeutic Terrapoise Company, I have the honour to request the issue of the certificate already applied for.

I am, Sir, your obedient servant,

The Auditor General.

L. A. CATELLIER, *U.S.S.*

DEPT. OF STATE, OTTAWA, Nov. 25, 1890.

SIR,—I have the honour to acknowledge the receipt of your letter of the 22nd instant, calling attention to the fact that you have not yet received the statement of arrears due this Department, asked for in your letter of the 3rd ultimo. May I suggest that as such arrears amount to but a small sum, are wholly for fees upon commissions to public officers and others, and include cases in which the question of liability for payment of a fee is still under consideration, it would perhaps be advisable that in the meantime no statement thereof should be furnished.

I am, Sir, your obedient servant,

The Auditor General.

L. A. CATELLIER, *U.S.S.*

AUDIT OFFICE, OTTAWA, July 25, 1890.

SIR,—I beg to submit the following observations arising out of the examination and audit of the statements of Indian Fund Revenue for the months of July and August, 1889. The statements for September are the only others that have been furnished and with only a few of them are the counterfoils furnished.

The following books are not accounted for though I have been notified to whom books bearing larger numbers have been issued: Series B. 0801 to 1000, 2801 to 3000, 3001 to 3200, D. 5301 to 5600, 5701 to 6500, also receipt No. 2400, Series C., and receipt No. 3200, Series D.

The system of receipt books and counterfoils was inaugurated by your Department on the 1st July, 1888, but as I have previously written you, the counterfoils of the receipts issued during the fiscal year 1888-89 were not sent to this office. Consequently, in auditing the statements now furnished, I am obliged to assume that the numbers preceding those now appearing, have been accounted for by each agent.

The counterfoils of receipts issued during July, 1889, by the Department have not been furnished.

Cash Returns of Agents. As these returns form the basis of the audit made in this office, the certificate of Mr. McLean should be entered on them, though of course there can be no objection to entering the certificate on the Land Returns as he now does. The number of the receipts issued should in all cases be entered on the cash statement.

The rules and regulations approved by the Treasury Board, a copy of which has been sent you, provide that every officer or agent employed in the collection of public moneys, shall make a daily deposit if the receipts amount to \$25, otherwise whenever that sum is on hand. When there is no bank at the place of residence of an agent he should remit the funds either to the Department or to the bank in accordance with these rules. I would ask for your particular attention to this matter of prompt deposit in accordance with the rules.

The Departmental summary as now furnished by you is made up to correspond exactly with the statement accompanying the bank receipts previously forwarded to the Receiver General. If the agents made their deposits and returns as promptly as they should the Department should be able to forward to the Receiver General on or before the 15th of each month bank receipts covering all the collections of the previous month, and then the Departmental summary of the agents' returns for any month should exactly agree with the statement of bank receipts previously forwarded to the Receiver General. But whether all the bank receipts are furnished with the statement appertaining to any month, or with the statement for the following month, yet the Departmental summary should include, what it purports, viz., the agents' returns of collections during the month.

Deposits of \$2,528.72 \$5 and \$84.40 were made by W. Van Abbott in August that were not included in any returns furnished and a deposit of \$4 was made by B. W. Ross in August not included in his returns.

I am, Sir, your obedient servant,

The Dep. Supt. General of Indian Affairs.

J. L. McDOUGALL, A. G.

INDIAN AFFAIRS, OTTAWA, Nov. 24, 1890.

SIR,—I have the honour to acknowledge the receipt of your letters of the 3rd ultimo and 22nd instant; and in compliance with the request therein made, I enclose a statement showing the arrears due this Department on the 30th June last by Messrs. I very much regret the delay which has occurred in forwarding you this statement, which was caused by an oversight.

I am, Sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, June 11, 1890.

SIR,—I have received from the Accountant of the House of Commons a statement showing the fees collected under Rule 58 on Private Bills last Session, the expenditure made out of these fees and the disposition of the balance. I have also received the vouchers and cheques in support of the expenditure made.

I do not find that any fees were paid on the following Bills:—

No. 106, Great North-West Central Railway Company.

109, Board of Trade of the City of Toronto.

113, Toronto Savings' Bank Charitable Trust.

Rule 58 provides that the fee should be paid only in the House in which a Bill originates, but the cost of printing the same should be paid in each House. I do not find anything entered as having been collected for cost of printing Bills introduced in the Senate.

The account of the *Manitoba Gazette* for advertising special Rules, Session 1889, amounting to \$278.40 was not paid till the Session of 1890. The account for 1890 was only \$148.80, and that figure was ten times greater than the account of any of the other Provincial Gazettes. Full rates are charged for the whole 16 insertions.

In my letter of July 29, 1889, I asked that clippings from the Provincial Gazettes, showing the advertisements, should be furnished. This has been done only in one case—that of the *Manitoba Gazette* for 1889; consequently I am unable to make any comparison of the accounts.

I have again to state that the payment of \$200 to the clerk who has charge of collecting these bills should, in my opinion, be charged to expenditure.

I would again call your attention to the requirements of Sections 25 and 27, Chap. 29, Revised Statutes of Canada, governing the deposit of all public moneys. In your letter of the 22nd November last you stated that you were considering my letter of the 4th September, with a view to meet the inconvenience that must ensue should it be necessary to carry out what that letter indicated. As I wrote to you on the 23rd November, 1889, I shall be glad to discuss the matter with you, to see whether I cannot assist in removing the inconvenience which you anticipate from adopting the practice indicated in my letters on this subject.

I am, Sir, your obedient servant,

The Clerk, House of Commons.

J. L. McDUGALL, A.G.

HOUSE OF COMMONS, OTTAWA, June 30, 1890.

SIR,—The Clerk of the House has handed me your letter of 11th inst., *re* Private Bill Fees and has directed me to reply to the same.

Fees were not paid in the House of Commons on the Bills respecting the Great North-West Central Railway Co., the Board of Trade of the City of Toronto and the Toronto Savings' Bank Charitable Trust, because the levying of fees by the House of Commons on Bills originating in the Senate would be contrary to the usage and practice of Parliament. The interpretation of the Rule you refer to is, that when a Private Bill originating in one House is re-printed in the other, then the necessary charge to cover the re-printing is levied and collected.

The account of the *Manitoba Gazette* for advertising Special Rules of the House of Commons for Session of 1889, was not paid until Session of 1890, because it was not received until after that Session's accounts had been closed and the balance of the fund deposited to the credit of the Receiver General, and there consequently was no fund out of which it could be defrayed until the ensuing Session. The account of that paper for 1890 was only half the amount of that of the previous year, because I, personally, condensed these rules so as to reduce the expense. As to this account being greater than the account of any of the other Provincial Gazettes, that is a matter we cannot regulate. This and all the other advertising accounts have, as you requested, been audited by the Queen's Printer, and payment thereof

was not made until he had first certified as to their correctness, and you must not overlook the fact that this paper prints this advertisement in both languages.

As regards supplying you with clippings showing the advertisements, this cannot be done, because such clippings have not been furnished us, except in the case you mentioned; but copies of these Gazettes are on fyle in the reading rooms of both Houses and your clerks can have access to them for the information.

The payment of \$200 authorized to be made to the clerk who collects the Private Bill moneys is charged in the expenditure.

I have noted that portion of your letter calling attention to Sections 25 and 27, Cap. 29 of the Revised Statutes of Canada, governing the deposit of public moneys, and will call the attention of the Clerk of the House to the same on his return to Ottawa; but at the same time would point out to you that the present system is the authorized practice and has worked most satisfactorily, and in view of the funds being handled at a time when I am necessarily very much pressed with office business, the system should not be changed unless for very excellent reasons, for a very little friction during Session time usually causes an immense amount of inconvenience and frequent annoyance, and it is hardly wise to run the risk of causing one or the other to either officials or members of the House during a Session, especially when no practical benefit can result from the change you suggest.

I am, Sir, your obedient servant,

E. P. HARTNEY,

The Auditor General.

Examiner and Taxing Officer of Private Bills, H. of C.

AUDIT OFFICE, OTTAWA, July 7, 1890.

SIR,—The charges of the Provincial Gazettes for advertising special Rules of the House of Commons, 1889–90, were as follows:—

Manitoba Gazette.....	\$148 80
New Brunswick Gazette.....	14 80
Nova Scotia do	9 50
P. E. Island do	14 00
British Columbia do	13 00

and for advertising Rules common to both Houses, were as follows:—

Manitoba Gazette.....	201 60
New Brunswick Gazette.....	21 24
Nova Scotia do	14 26
P. E. Island do	21 00
British Columbia do	23 00
Quebec do	55 08

I wrote to the Clerk of the House of Commons calling his attention to the disproportion between the charge of the *Manitoba Gazette* and the charges of the other Provincial Gazettes, and he replies as follows: “As to this account being greater than the amount of any of the other Provincial Gazettes, that is a matter we cannot regulate; this and all other advertising accounts have, as you requested, been audited by the Queen’s Printer, and payment thereof was not made until he had first certified as to their correctness, and you must not overlook the fact that this paper prints this advertisement in both languages. As regards supplying you with clippings showing the advertisements—this cannot be done, because such clippings have not been furnished us, except in the case you mention.”

I shall be glad to hear from you in reference to this subject, both as regards rates and the clippings, the latter appearing to be necessary for your examination.

I am, Sir, your obedient servant,

The Queen’s Printer.

J. L. McDOUGALL, A. G.

PRINTING AND STATIONERY DEPT., OTTAWA, July 9, 1890.

SIR,—It is a settled matter among all men dealing in advertising, that an order given to any publication, without a special limit, means that the advertisement ordered shall be inserted at rates advertised in the paper itself. If I mistake not, it has been judicially determined that the advertised rate and an unlimited order constitute a binding contract. Under this understanding of the law, I certified the account of the *Manitoba Gazette*, allowing for the two languages. We did not give the order and had no opportunity of limiting it. My certificate is strictly in accordance with advertised rates.

I am, Sir, your obedient servant,

The Auditor General.

B. CHAMBERLIN, *Q.P. & C.S.*

PRINTING AND STATIONERY DEPT., OTTAWA, July 9, 1890.

SIR,—Let me add to what I have said in my previous communication to-day, about the account of the *Manitoba Gazette* for Parliamentary advertising, that I have measured the lines and found them correct; that for the same advertising in the two languages we should charge 20 cents per line for the first insertion, taking half price afterwards—which they do not, and that the *Toronto Mail* charges anywhere from 15 cents to 50 cents per line for insertion of like advertisements in one language. I enclose an account made up in this office strictly in accordance with their advertised rates.

I am, Sir, your obedient servant.

The Auditor General.

AUDIT OFFICE, OTTAWA, Sept. 9, 1890.

SIR,—Referring to the statement of fees collected during last Session, forwarded with your letter of 13th ult., I beg to call your attention to the following observations:—

The last receipt entered on the return of last year was No. 49; the first receipt entered on the return of this year is No. 54. Please let me know how the following receipts are accounted for:—

- No. 50. Richards, Brophy & Bradshaw..... 2 00
- No. 51. Macdonald, Tupper, Phippen & Tupper.. 2 50
- No. 52. Thomas N. Harris. 1 50
- No. 53. Canadian Pacific Railway..... 7 50

I have previously pointed out that expenses of certain commissions should be charged to expenditure. This subject has since been under consideration by the Treasury Board, by whom the general principle was held that only actual refunds should be made a charge against revenue. You have made the charges for advertising private Bills of last session in provincial *Gazettes* a charge against expenditure. To comply with the views of the Treasury Board, the amounts paid Holland Bros. for reporting should also be so treated. In the meantime, I have to ask for the vouchers in respect thereto.

I am returning herewith your book of receipt forms.

I am, Sir, your obedient servant,

The Clerk of the Senate.

J. L. McDOUGALL, A.G.

THE SENATE, OTTAWA, Sept. 15, 1890.

SIR,—Acknowledging receipt of your letter of the 10th inst., I may say that the amount mentioned, \$13.50, collected in May, 1889, was deposited on the 10th June following to credit of the Receiver General.

With regard to the payments to Messrs. Holland Bros. for reporting evidence in divorce cases, reference to Rule H of the Senate, touching divorce, will show that the sum of \$200 is paid by the petitioner, towards expenses incurred during the progress of the Bill. Therefore, under the rule, the payments referred to are properly chargeable against the sums received.

I am, Sir, your obedient servant,

The Auditor General.

E. J. LANGEVIN, Clerk of Senate.
