NEWCASTLE, NEW BRUNSWICK, TUESDAY, SEPT. 16 1924

FIVE Penna Weeks Provincial Dist. Ann 100 PER COPY

You Are Cordially Invited to Attend  
Fall & Winter  
1924-1925

## Fashion Show

Thursday & Friday  
Sept. 18 & Sept. 19

The Central Note of the showing is the presentation of the **FARRAH COATS & DRESSES** for Fall and Winter. The Dominating thought is sweetness, distinctiveness and individuality. The appealing factor super quality at low prices.

Delightful Programme of Music  
While You Wait

2 O'clock P. M. to 5 P. M.

A Fashion Event that will definitely present the final trend of the mode--what Paris has settled and America accepted.

**A. D. FARRAH & CO.**

### PAYING THE WAY FOR BEAVERBROOK

Lord Rothermere's Evening News contains a special article boosting Lord Beaverbrook which raises the question in some quarters as to whether the latter is aiming at the Premiership or whether Lord Rothermere and Beaverbrook are merely determined to unhorse Stanley Baldwin as leader of the Unionist party and its candidate for Prime Minister in the next general election.

After reviewing the immediate political outlook the article says: "Now if ever is the time for the Conservative shadow cabinet to reveal the constructive lines of the policy they intend to set up against the surrenderist policy of the Laborites. There has been times when I wonder why the

shadow cabinet has not called active modern-minded men like Lord Beaverbrook into its councils. Not even Lord Beaverbrook's opponents deny that he has that glowing youthful outlook so essential to present day politics.

"He is much travelled, has an intimate knowledge of Canada and other parts of the Empire and possesses the gift of seizing upon what is agitating the thoughts of the most active minded men and women of the masses."

This unusually open approval by one who should naturally be a political rival, together with recent information that Lord Beaverbrook's papers are prepared to support the Liberals if the Unionists retain Mr. Baldwin in the leadership seems to indicate an attempt by the Beaverbrook faction to become an influential if not dominant factor in the Unionist councils, especially since he has

been a persistent supporter of the idea that the Unionists should welcome a rapprochement with the Lloyd George wing of the Liberal party.

It is now common knowledge that a score or more Liberals under the leadership of Frederick Guest are actually anxious to link up with the Unionists. This wing being in especially close touch with the Beaverbrook camp.

Such a development added to the possible appeal of a dozen or more Laborites, imbued with the idea of bolstering up a real Empire policy, may result in dramatic developments in the British political field. It is all the more possible, for the younger wing to act since the party's nominal leaders such as Herbert Asquith, Simon and to some extent Lloyd George are giving no lead and Churchill is definitely swinging toward the Unionists.

### AUTOMOBILE BANDITS HEADING THIS WAY

The automobile bandits that have been terrorizing towns along the Maine border are supposed to be heading this way and the following warning has been sent to border New Brunswick towns:

"Look out for a Ford Sedan, License No. 663220 New York. This License Tag is made of pasteboard on the front of the car. There are four men in this car and all well armed."

"There is also another car. This is also a Ford 1920 or 1923 model. The number of this car is 33-320, Me. Carrier on left side. There are four men also in this car. Look out for them. They are also well armed."

All the banks and business houses have been notified and special precautions taken. Tuesday night they made a break at Smyrna Mills and one man going through a window was shot at by a watchman and dropped to the sidewalk. He was picked up by the others and carried to their car which rushed away. No doubt the men was badly wounded. Four thousand dollars was stolen at Mars Hills and thousands of dollars worth of goods stolen from stores at other places. It is supposed to be the same outfit that committed the big robbery at Bangor a short time ago. One car was reported at Patten, Me. on Wednesday. Special police are watching the highways coming from the border line.

### OBITUARY

MISS MARY J. SCHOFIELD

The death of Miss Mary J. Schofield occurred at the home of her sister, Mrs. S. Russell Millerton, on Tuesday August, 19th. Deceased had been ill for about one year and although her death was expected, it came as a great shock to her relatives and friends. She leaves to mourn two sisters, Mrs. S. Russell Millerton; and Miss Margaret Schofield, of Renous; and two brothers, Caleb Schofield of Blackville and Daniel Schofield of Fairbanks, Alaska. The funeral was held from the home of her brother Caleb Schofield of Blackville on Thursday, August 21. Interment was made in the Presbyterian Cemetery, Blackville.

### TYPHOID FEVER

Five cases of typhoid fever have broken out in the orphanage maintained by the Providence of St. Joseph at Shediac. Dr. F. J. Desmond, chairman of the sub-district Board of health has the matter in hand.

### NEWCASTLE TENNIS CLUB DEFEATS MONCTON C.N.R.

Members of the Newcastle Club went to Moncton on Saturday to play a return tournament with the Moncton C.N.R. Tennis Club and were successful in winning the tournament 11 to 5.

The results were as follows:—

**Ladies' Singles**  
Miss Louise Manny defeated Miss Marion Hutton, 6-1; 6-3  
Miss Kathrine Aitken defeated Miss Valma Keating 2-6, 6-1 6-3  
Miss Jean Jardine defeated Miss Condon 6-2; 7-5.

**Men's Singles**  
D.E. Keating defeated H. Atkinson, 6-4; 6-1  
M. McLeod defeated Horace Webb 6-3; 6-3.

**Ladies' Doubles**  
Misses A. Creighton and L. Manny defeated Misses Condon and Hutton 6-1; 6-2.

Messrs. E. and M. McCurdy defeated Misses McKerson and Marrs, 6-2; 6-4.

**Men's Doubles**  
Messrs. Jardine and Jessamine defeated Messrs McCabe and Bedford 6-4; 8-10; 6-4.

Messrs. D.E. Keating and McLeod defeated Messrs. Webb and Jardine 6-1; 6-3.

Messrs. Collins and L. Keating defeated Messrs. Petrie and Jessamine 6-3; 6-3.

Messrs. E. McLeod and Atkinson defeated Messrs. Smith and C. Keating, 6-2; 6-4.

**Mixed Doubles**  
Miss J. Jardine and Mr. Atkinson defeated Miss King and Mr. Cunningham; 1-6; 6-2; 6-2.

Miss K. Aitken and Mr. McLeod defeated Miss Keating and Mr. Bedford, 6-2; 6-4.

Messrs. Marrs and L. Keating defeated Miss M. McCurdy and Mr. Jessamine 6-4; 6-3.

Miss Louise Manny and Mr. Petrie defeated Miss Keating and Mr. McCabe 6-3; 6-2.

Miss Hutton and Mr. Cunningham, defeated Miss E. McCurdy and Mr. Jardine 6-4. Game called on account of darkness.

### GAME PLENTIFUL IS N. B.

New Brunswick guides state that owing to the absence of any very large forest fires moose are again to be found in large numbers in the province, and during the summer they become so tame that they were a frequent sight for motorists on the road between Bathurst and Chatham, this road running for many miles through the heart of the woods. Deer are also reported to be plentiful in New Brunswick.

Mr. and Mrs. T. H. Whelan celebrated the eleventh anniversary of their marriage on Thursday, 11th inst.

### Town Topics

Vol. No 36 NEWCASTLE, N. B. SEPT. 16, 1924 FREE

#### A Health Order

New Zealand health authorities, particularly in Auckland are co-operating in the distribution of chocolate, encouraging its wider use as a health giving food.

207 drug stores out of a possible 217 in Montreal ordered Moir's Chocolates, (many of them for the first time) some months ago. Since then all have re-ordered and are becoming regular customers.

Have you tried some of the new Moss Marshmallow?

### NURSES OF N. B. WILL ADVANCE THEIR RATES

A slight advance in nursing rates was decided on at the convention of New Brunswick Association of Registered Nurses held last week in St. John. The rate for general nursing henceforth in the province will be \$4 a day instead of the former charge of \$25 a week. The new schedule of rates for private duty nursing is being drawn up by a committee of the private nursing section and will be announced soon. It was decided to publish the scale of rates for the province owing to the fact that many nurses from United States were coming to the province and charging \$35 a week, often working on the same case with a N.B. nurse who was getting \$25 for the same work. The nurses feel, if widespread publicity is given that the public will realize that N.B. nurses can be secured for \$28 and this will put a stop to employing of U.S. nurses.

### FIVE NURSES ARE GIVEN DIPLOMAS

The graduating exercises of the Hotel Dieu Hospital training school were held Wednesday night in the auditorium of St. Michael's Academy. The hall was taxed to its utmost capacity to accommodate the number of relatives and friends present. One of the principal features of the evening was the lecture on tuberculosis by Dr. H.A. Farris, superintendent of the St. John County Hospital. The address to the graduates was delivered by Rev. Fr. Hawkes, rector of St. Thomas College. He urged them to carry out with them the splendid training they had received at the Hotel Dieu and to uphold the high ideals of their profession.

There were five graduates. The Misses C. McCarron, H. MacEachern; J. Cyr; A. Soucie, and C. Ronan.

The salutation was read by Miss A. Soucie while Miss C. McCarron delivered the valedictory. Miss C. Ronan read a splendid essay on loyalty.

The various musical numbers were of a high order of excellence. Dr. Farris in opening his address congratulated the Rev. Sisters on the splendid type of nurse graduated from the hospital. He told his hearers of the ravages of tuberculosis and he explained the work which was being done in St. John for its treatment and prevention. A large amount of money was being expended in that part of the province he said. Practically nothing was being done in other parts of the province. Dr. Farris said that the mode of treatment differed greatly from the old methods. It was the duty of every nurse to do everything possible to prevent the spreading of the disease.

### PREMIER KING GOES

WEST SEPTEMBER, 29  
Premier King leaves on September 29 on his tour of the west. He will be accompanied by Hon. P.J. Cardin, Senator Haydon and probably H.B. McGivern, M.P. of Ottawa and, in the west will be joined by Messrs. Motherwell, Stewart, King and Murray.

**THEFT OF WATER MUST BE STOPPED**

"The theft of lake water by Chicago must be stopped some way" declared Hon. G.P. Graham, Minister of Railways and Canals, in a speech at a luncheon given by the directors of the Canadian National Exhibition.

"I am not saying that the United States is stealing water," he continued "but the city of Chicago is. There is no treaty by which Chicago may take 10,000 feet of lake water per second for its own purposes and such a taking of water must result in the lowering of the lake levels and injury to our harbors and shipping."

The Minister of Railways and Canals said proposals had been made by the United States regarding the St. Lawrence which he was not at liberty to disclose now, "but I may say" he added "that they are of vital importance to Ontario."

**LEOPOLD AND LOEB SENTENCED FOR LIFE**

Sentence of life imprisonment was imposed Wednesday by Chief Justice Caverly on Nathan Leopold Junior, and Richard Loeb for the murder of Bobby Franks. The justice also imposed a sentence of 99 years on the charge of kidnaping for ransom. The boys pleaded guilty to both offences.

The boys, sitting on the edge of their chairs at tense attention, received the verdict with a change of expression. It took them some 30 seconds to realize that they had escaped the noose and they settled back in their chairs with a thin smile.

Nathan Leopold, Senior slumped back in his chair with tears trickling from his eyes. His mouth worked with emotion.

The youthful prisoners were whisked from the room so rapidly by their guards that their brothers had no opportunity to shake their hands.

The sentence of the court is a complete victory for the defence attorneys who had concentrated their fight on a life sentence instead of the gallows.

Dispensing with the formality of calling the defendants before him Justice Caverly sped from a reading of his decision to immediate sentence from the bench.

Looking directly at the boys Justice Caverly said "I sentence you Nathan Leopold to the penitentiary at Joliet for the period of your natural life for the murder of Robert Franks." Turning his gaze towards young Loeb, Caverly said: "I sentence you, Richard Loeb, to the penitentiary at Joliet for the period of your natural life for the murder of Robert Franks."

Turning back to Leopold, Justice Caverly said: "I sentence you Nathan Leopold to the penitentiary at Joliet for 99 years for the kidnaping of Robert Franks."

And then the final sentence: "I sentence you Richard Loeb, to the penitentiary at Joliet for 99 years for the kidnaping of Robert Franks."

An estimate of the cost of the hearing made at its conclusion placed it at more than \$350,000. The state incurred about \$58,050 while the defence will expend about \$300,000 it was calculated. Most of the costs of the defence

**ASTHMA NEVER CAME BACK**

Since Taking The Fruit Treatment in "Fruit-a-lives"

Read this letter from Mrs. J. M. Pennington of New Rockland, P.Q. "In 1919, I was taken with Bronchial Asthma and no one knows what I suffered during the winter. I began having choking spells and would just gasp for breath and could not speak. The doctor said he could do nothing for me.

In the spring of 1920, I started taking "Fruit-a-lives" and soon the choking spells became easier and I have not had one since May 7th, 1920. It is such a relief to be able to go to bed and have no thought of having to get up in the night for an hour or more as I did all that winter, but never have to now, all because I take a "Fruit-a-lives" tablet every night. 25c. and 50c. a box—at all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa, Ont.

**CANADIAN TRADE OUTLOOK BRIGHTER**

Preparations for opening of the schools and the return of many vacationists to their homes has stimulated retail trade in most parts of the Dominion of Canada and wholesalers in numerous lines are already receiving orders for the leading staples in sufficient volume to afford much confidence in the future according to dispatches received by Dun & Co. in the principal cities. Buying at some points is closely confined to immediate requirements, reflecting the short crops in certain districts, but this is far more than offset by generally satisfactory agricultural conditions, in other sections and the high prices ruling for the principal farm products. Manufacturers in numerous lines also report prospects to be improving, and sentiment at the leading jobbing and industrial centers is noticeably optimistic, as regards the outlook for Fall and Winter.

Retail trade has been stimulated at Montreal by preparations for school openings, and wholesalers report the receipt of a steadily increasing volume of orders for fall and winter merchandise. Generally satisfactory crops in the East and high prices for agricultural products have created a very cheerful feeling in mercantile and manufacturing circles and an active business is confidently anticipated from now on. Collections are about fair.

Wholesale buying is showing slow but steady improvement at Quebec; and the leading merchants report that almost every indication points to a good Fall and Winter trade. Collections are slow to fairly prompt.

Toronto reports that retail trade has been comparatively active this week, demand for school supplies, clothing, footwear and other seasonal requirements having assumed satisfactory proportions, while wholesalers state that orders for the principal staples are making quite a favorable comparison with those of previous years at this period. Industrial prospects are encouraging and collections are showing improvement.

**PREFERRED DEATH TO HOME IN RUSSIA**

Quebec, Sept. 8—Making a last determined effort to remain in Canada contrary to the laws of the country and of the high seas, probably cost Porfiria Ivanoff a Russian stowaway, his life when he jumped from the deck of the Canadian Pacific freighter Brecon about 11 o'clock on Saturday night, as the steamer was passing Crane Island, on her east bound trip from Montreal.

Ivanoff was being deported. He was placed aboard the vessel here Saturday night.

The stowaway seemed to be such a peaceable sort of man that it was not deemed necessary to have him handcuffed or even kept under close guard and little attention was paid to him until the vessel reached Crane Island when he suddenly climbed to the railing and before anything could be done to stop him plunged into the water of the St. Lawrence which were being whipped into fury by the gale then blowing at 50 miles an hour. He was immediately lost to view and though the ship slowed down it was found impossible to launch a boat.

**SHOOTING RESTRICTIONS AND BIG LIMITS**

Next to the observation of the shooting seasons themselves the most important factor for giving all hunters an equal chance to take game, and for giving all game a fair chance is the observation of the bag limit and of certain simple shooting restrictions. Following the Migratory Bird Treaty such restrictions have been provided throughout Canada and the United States, and thus the hunters of both countries are given equal privileges while the game stock is conserved as well.

**BAG LIMITS**

Daily Bag Limits in Nova Scotia New Brunswick and Prince Edward Island: Ducks 25; Geese 15; Brant 15; Rails 25; Black-bellied and Golden Plovers, Greater and Lesser Yellow-legs of all kinds, Wilson or Jack-snipe 25; and Woodcock 10.

**SHOOTING RESTRICTIONS**

The use of automatic, swivel or machine guns or battery or any gun larger than number 10 gauge is prohibited, and the use of any aeroplane, power boat; sail boat or night light; and shooting from any horse drawn or motor vehicle is forbidden.

The shooting of migratory game birds earlier than one hour before sunrise or later than one hour after sunset is prohibited.

**TABUSINTAC LAGOON**

# 15 New Studebakers

Including an entirely new type of car—the DUPLEX-PHAETON

Today Studebaker has made Automobile History and established standards of value and quality more fully and obviously than ever before

Today Studebaker proves that beautiful, distinctive, stylish body lines can be originated by American body designers without following precedent or imitating or adapting what has been done before.

Today Studebaker proves that a practical and beautiful type of car can be made to combine the pleasure and performance of the open car and the comfort and protection of the closed car—and this without excessive price or compromised quality—a car "duplex" in open-car smartness and convenience and closed-car elegance and comfort—and at a price no higher than that of an open car!

Today Studebaker proves, in its new Standard Six Duplex model, that a six-cylinder car of fine quality, great power, plenty of room and impressive appearance can be made and marketed at a price of \$1575.

Today Studebaker proves in its new Special Six and its Big Six Duplex models that the ultimate in all the essential features of quality in five- and seven-passenger cars can be made and marketed at a price of \$2650 and \$2550 respectively.

And this is possible only because Studebaker cars are made in one of the most comprehensive industrial plants in this country, 70 per cent of which is new within the last six years.

Every modern method of manufacture and long experienced management are available for the production of Studebaker automobiles.

Today Studebaker proves that the highest grade closed car bodies—framed in selected hard woods, cushioned with the best cushion work, upholstered in fine mohair fabrics and fitted with expensive appointments—can be made and marketed on superlatively good chassis at moderate prices.

This is made possible by the new \$10,000,000 Studebaker closed body plants. Studebaker designs and builds all of its closed bodies in one of the best equipped and most modern body plants in the industry.

### The Three New Chassis

**THE STUDEBAKER STANDARD SIX**—113 in. wheelbase, 5-passenger. Engine 3 1/2 x 5 1/2, 50 h.p.—with 6 different bodies, including Duplex-Phaeton, Duplex-Roadster, Coupe-Roadster, Coupe, Sedan and Berline.

**THE STUDEBAKER SPECIAL SIX**—120 in. wheelbase, 5-passenger. Engine 3 1/2 x 5, 65 h.p.—with 5 different bodies, including Duplex-Phaeton, Duplex-Roadster, Victoria, Sedan, and Berline.

Three completely new chassis! 15 completely new bodies!  
Completely new lines! . . . . . Marvelous new performance  
Completely new open-closed car!

Completely new radiators, new fenders, new lamps, new seating comfort, new finish, new colors in lacquer finish, three improved engines  
Real balloon tires, not low-pressure cords. Sizes: 21" x 5.25" to 20" x 7.30"  
New Studebaker automatic hydraulic 4-wheel brakes—optional  
New values, never before equaled—even by Studebaker!

**THE STUDEBAKER BIG SIX**—127 in. wheelbase, 7-passenger. Engine 3 1/2 x 5, 75 h.p.—with 4 different bodies, including Duplex-Phaeton, Coupe, Sedan, and Berline.

### The Ten New Closed Bodies

**COMPLETELY NEW BODIES**—each car a masterly expression of modern style, yet distinctly original in beautiful lines—individual, conservative, impressively elegant, but crisp enough in its departure from imitation to be entirely distinctive.

### The Five New Duplex Bodies

(A new type of car originated by Studebaker to take the place of the open car)

SO ENTIRELY NEW and so different from any other body ever made before that a new name had to be created—the DUPLEX.

The upper structure is shaped in pressed steel and covered with the finest water-proof fabric. The steel construction permits the use of another radical Studebaker creation, the new roller enclosing curtains. There is the permanent beauty and durability of the steel top plus the instant convenience of the roller curtains.

Thus Studebaker engineers have solved the open-closed car problem.

The buyer who wants the airiness and practical convenience of the open car and who also wants the comfort, protection and beauty of the closed car can now get both in one car and at the price of an open car.

One moment the new Studebaker Duplex is a beautiful open car—a touch of the hand to the over-lapping roller curtains and it is a snug weather-tight closed car.

### Balloon Tires

Genuine and full size balloon tires on all models. Every part that functions with the tires has been specially designed for balloon tire equipment—steering gear, steering knuckles, spindles and springs, even the fenders.

### New Lacquer Finish

The Standard Six closed bodies are beautifully finished in semi-gloss, satin lacquer. The hood and lower panels are in light gray, the upper panels in darker gray. Hairline parallel striping in oriental red. Burnished nickel radiators, jet black fenders, light golden finished, natural wood wheels and big balloon tires are contrasting touches.

The Standard Duplex Models are finished in glossy jet enamel—lasting, lustrous and wear-resisting.

The Special Six and the Big Six Duplex models are in soft satin lacquer with dark blue hoods and bodies striped in light blue and ivory. Here, too, the sparkle is added with burnished nickel radiators and light, natural wood wheels in contrast with jet black fenders and big, black balloon tires.

### More Power

The universally famous Studebaker engine is more than ever a peer among power plants. The crankshaft is heavier. ALL surfaces are perfectly machined to exact dimensions and balance. The bearings are larger.

The engine is in unit with the clutch and transmission. There is a force feed lubrication system with clean, strained oil always in reserve. There are many changes and improvements which result in MORE POWER, MORE QUIETNESS and SMOOTHNESS and STILL BETTER PERFORMANCE in every way.

### New Brakes

Larger, more powerful, simpler and much easier operated two-wheel brakes. An entirely new emergency brake is operated from the instrument board, instantly convenient to the driver's hand where it simplifies the control and frees the floor board from the old style lever. It acts on the propeller shaft. There is uniform pressure at each wheel—equalized through the rear axle.

The regular two-wheel Studebaker brakes with their simplicity, safety and great braking power are entirely adequate.

But Studebaker 4-Wheel Hydraulic Brakes (with disc wheels) can be furnished as optional equipment on all models at extra charge if desired. Studebaker 4-Wheel Brakes have three exclusive features not found on any other system in this country.

1. Braking pressure is furnished by hydraulic power automatically developed. A light touch to the braking pedals controls its great force like a touch to the throttle controls the power of the engine. This feature will appeal instantly to women.

2. The front wheels cannot lock.

3. There are only two adjustments required—one at each rear wheel. The front brakes are permanently adjusted at the factory. The oil in the transmission is used to generate the hydraulic power; the action of the gears and the pump keep it in circulation; it cannot congeal or freeze. Braking power is always instantly ready—in winter as well as in summer!

### New Ease of Operation

**New Ease of Gear Shifting**—New power in braking, a touch to the pedal exerts a giant's strength at Studebaker 4-Wheel Brakes—New clutch action, soft as velvet—A new steering gear and steering knuckles designed for balloon tires—A new grouping on the dash, including ALL the usual instruments plus a gasoline gauge that always works accurately.

**Lighting Control Switches**—all on the steering wheel—Instantly handy.

**Automatic Spark Control**—No man's attention required, so the lever is eliminated. Automatically governed to all speeds with the precision of machinery.

### And the Details

The new cars are longer and lower to the ground. The line from the radiator to the rear is nearly straight. The wheelbase of all models is increased.

The fenders are much wider and deeper crowned to cover the width of the tires. They fit more closely over the wheels. The rear fenders are long and gracefully curved into the running boards.

The radiators are high and set low in the frames and convex curved just below the filler cap. The design is strikingly original and beautifully distinctive.

Entirely new head lamps and cowl parking lamps designed by Studebaker—artistically appropriate and in perfect keeping with the originality of the body and fender design.

Deeper, stiffer frames, more cross members; shorter, flatter springs for balloon tires. All bodies lower, all roomier, better and more comfortably cushioned. Seats are lower, backs and sides are higher.

### Look Forward Into Next Year

The new Studebaker is here today! And no matter how sweeping your ideas of what a new model should be this car will satisfy you. It will thrill you with the very newness and originality of its beautiful lines!

You may not be in the market now, or even this year. But to see the new Studebaker is to look forward into next year—and the year after! SEE IT TODAY!

### WHICH WILL BE THE BETTER FOR NORTHUMBERLAND?

What may Northumberland County expect if it elects Mr. W.B. Snowball, the Liberal candidate in the by-election on October 7th? This is the question the electors of this county should consider before depositing their ballots. In 1921 the Prime Minister, MacKenzie King made numerous promises to the people of Northumberland and not one of them has yet been fulfilled. It is certain that it was not the fault of the late representative, who at all times, never for a moment lost sight of the county he represented. Then whose fault was it? Certainly none other than the Prime Minister and his Government, who after getting the electors to vote for them, forgot all about the promises they made and in fact forgot that there even was a County of Northumberland.

The Liberal Government was going to build a railway from Tracadie to Newcastle and even do better—they were going to extend it to Redbank. Almost three years have passed since this promise was made and we have never even heard the Tracadie Railway mentioned. Supposing Mr. Snowball is elected to represent Northumberland for the next session, what more will he be in a position to do for the county than did the late representative? We fear, very little more, if as much.

Now what good would it do to elect C.P. Hickey, the Conservative candidate? He will be in opposition to the government and will only be the county's representative for the next session. This is quite true, but if he is elected over Mr. W.B. Snowball, the Liberal candidate, it will be a protest from Northumberland that this county is dissatisfied with the treatment it has been accorded by the King Government in the past three years and it will make Mr. King and his Government sit up and take notice, that Northumberland resents the way it has been dealt with and possibly, during the next session our County will be considered by the government to some extent and we might be given at least some consideration by this Liberal government, which has ignored us in the past.

In conclusion—after considera-

tion of these two arguments, the question arises, of the two, which is the better for Northumberland? We have had almost three years of the King Government, with a representative from this county supporting it and we know what we got—nothing. If we elect another representative supporting the liberal administration is there any proof that we will get any more than we got before? None. In such a case then, it would seem reasonable for Northumberland to elect a representative in opposition; with the possibility of arousing the government to action by our protest and thereby getting something, that we otherwise would not get, if we elected a supporter of the government and by so doing endorse the "don't care" attitude of the government in the past. "Of two evils we should choose the least," and it would seem logical that Northumberland stands to win more by electing an opposing representative, as a protest, rather than by electing a supporter as an endorsement of the treatment already accorded the county. It will be good politics on the part of Northumberland to elect Hickey and take our chances on getting anything from the Government in the next twelve months, as it is a certainty that we will get nothing if we elect a supporter.

### DISGUSTED WITH GOVERNMENT

The people of Northumberland County would like to know what Mr. Snowball means when he says in his card: "If elected, I will use what ability I possess to assist in having full justice accorded the Maritime Provinces and in such legislation as will advance the material and other interests of our whole Dominion." The late member, Hon. John Morrissy M.P. was one who always looked after the interests of the Maritime provinces and particularly the county of Northumberland, which he represented, but even he was unable to see that full justice was accorded and Northumberland County electors are rather of the opinion, that if the late member for Northumberland was unable to secure Northumberland's rights, it is idle talk for Mr. Snowball to promise that he can or will do any better than his predecessor.

Northumberland County is tired of the MacKenzie King administration and its promises. It intends to show its disgust in the by-election on October 7th by electing an opponent of the King Government, which will have a material effect on the rest of the Maritime provinces, and the Dominion as a whole. If it did otherwise it would show that it was satisfied with what already has been done and this is altogether out of the question.

### A MIGHTY POOR GAME

Politics at its best is a mighty poor game. Such was the remark made the other day by one who has been in the political game for years. This gentleman remembers when politics were played clean, upright and above board, but today he said it was about the meanest game a person could mix up in. Years ago, religious and racial feelings, personal enmity and the like were unknown in politics but he said these are the predominating factors in politics today, if he was any judge of the present existing condition of affairs. In years gone by a man was either a Liberal or a Conservative and no man or group of men were bigger than their party. Each party played the game fair and square with its supporters and all irrelevant matters had no place whatever in the politics of the day. He stated that he was so disgusted with the present order of politics that it was very little wonder to him that it was almost impossible to get men to enter the political arena and further said that unless a change for the better came within

### Germany Starts Paying Up

Germany starts ..  
 On Thursday Germany paid her second ten day installment on the 20,000,000 gold marks account provided in the Dawes plan. The money goes toward the \$3,000,000 gold marks which must be raised between Germany and the French Regie railroad before the big international loan to the Reich is floated. Regie payments are scheduled during the day, these being from the proceeds the French obtained while the Ruhr railways were under their direction.

Funds will be deposited in the Reich bank to the account of the agent General of Separations who will devote practically the entire amount to reimbursing Germany industries for payments in kind.

A six months loan of \$100,000,000 made by J.P. Morgan to the Bank of France on March 10 to halt the fall of the franc has been renewed on the same conditions and with the same guarantees in order to combat the possible future attacks on the exchange.

**WANTED**  
 A man who has a horse and wagon, to start a house to house Bread route in Newcastle.  
**VICTORY BAKERY LTD.**  
 38-0 Amherst, S. S.

**FOR HEARING HERE**  
 Isaac Storey arrested in Fredericton for causing disturbance on an express train between Blackville and Doaktown has been brought here where he will appear before the magistrate. He recently served time in Fredericton for assault on Sub-inspector Fraser Saunders.

the near future, it will be a much more difficult matter in years to come, to get people to take an active interest in politics, than it even is today. He deplored the present situation and said it was a serious matter for the country, as the Dominion of Canada needed men of wisdom, foresight and uprightness to carry her through the perilous times that she must necessarily face.

## OBITUARY

### DAVID GIRDWOOD

The death occurred at Red Bank Northumberland county, on Saturday, Sept. 6; of David Girdwood; at the advanced age of 81 years. Deceased had been in failing health for some time and made his home with his son, Rev. William Girdwood; at the Manse, Red Bank. He is survived by two sons, Robert Girdwood, in the United States; and Rev. William Girdwood, of Red Bank, and three daughters: Mrs. Nelson Marsten, of Meductic; Mrs. R. Barclay Gerrard, of Campbellton, Miss Margaret Girdwood; Red Bank; One son, David; was drowned in 1920. The remains were taken to Prince William for interment beside those of his wife who died five years ago.

### MRS WALTER STURGEON

The death of Mrs. Walter Sturgeon of White Rapids, N.B. news of which was heard with deep regret by a large circle of friends and relatives, occurred at the Miramichi Hospital, Newcastle on Monday, Sept. 8th at 7 o'clock p.m.

Although deceased had been failing in health for some months she was able to be about her household duties until Monday, August 11th, when she was stricken with paralysis, followed by hemorrhage of the brain.

Medical aid was quickly summoned and she was removed to the Miramichi Hospital the following Saturday where all medical aid available was given her. She gradually continued to sink, however, and on Monday September 8, passed peacefully into that deeper sleep from which none ever wake to weep.

Deceased was formerly Miss Abigail Coughlan of Coughlan, N.B. and was fifty six years of age and was very well and favorably known throughout the community.

She is survived by her husband four sons, Malcolm, Norman; Hayward and Walter and 5 daughters Mrs Thos. Coughlan of Blackville, Mrs Elridge Lebons of Underhill and Myrtle, Hazel and Katherine at home, who mourn the loss of a kind and affectionate wife and mother; she is also survived by three brothers Albert, John and Charles Coughlan of Coughlan, N.B. and the following sisters; Mrs. Margaret Jewett of St John, N.B.; Mrs. James MacDonald of Coughlan, N.B.; and Mrs. Fraser Harris of Newcastle, N.B. . . .

The funeral which was very largely attended was held from her family residence on Wednesday Services at the house and grave were conducted by Rev. Mr. Gartshore, interment at St. Andrew's Cemetery, Blackville.

The pallbearers were Messrs. Frank Jardine, Matthew Coughlan; John MacDonald, Edward Tucker B.N. Forhill and Lindsay Gerriah The floral tributes were as follows:

- Wreath—"Mother"—Family
- Wreath—Mr. and Mrs. Albert Coughlan
- Wreath—"Sister"—Mr. and Mrs. Jas. McDonald
- Wreath—Mr. and Mrs. Jas. Coughlan and family.
- Spray—Mr and Mrs. Thos. Coughlan and family.
- Spray—Mr. and Mrs. Elsidge Lebons
- Spray—Mr. and Mrs. Fraser Harris.
- Spray—Mr. and Mrs. Perley Bryenton and family
- Wreath—Mr and Mrs. Alexander Stewart and family.
- Bouquet—Mrs. Isabella Underwood
- Bouquet—Mrs Wilfrid Gills

## EDITORS MAIL

We are not responsible for opinions expressed by writers under this heading. Correspondents would oblige by writing legibly, and on one side of the paper only, name and address (not necessarily for publication) must always be sent. Correspondence should be as concise as possible.

Doaktown, N.B.; Sept. 15 1924  
 To Editor "Union Advocate,"  
 Newcastle, N.B.

Dear Sir,  
 I am quite aware that your paper is Conservative in politics, but at the same time I feel that you might give me, as a subscriber space enough in your columns to allow me to make a few observations, as I and many others see them.

In the first place, we are to have a by-election in the County of Northumberland on October 7th and being a Liberal, I naturally want to see the Liberal candidate win the seat.  
 In the second place I realize that Mr. Snowball, to win his election needs the support of Mr. Chas. J. Morrissy, M.L.A. to enable him to do so. This support is expected by the Liberal party and also by Mr. Snowball, the Liberal candidate. While the Liberal party perhaps has a right to expect Mr. Morrissy's support, in fairness to Mr. Morrissy I would like to ask, has Mr. Snowball a right to expect it? In the 1921 general election, Mr. Morrissy's father, the late Hon. John Morrissy M.P. did not receive any support from Mr. Snowball, who in the forthcoming by-election is expecting Mr. Morrissy to support him.

Now my contention is that Mr. Snowball should use his good offices, influence and prestige to secure for Mr. Morrissy something in return for this much looked for support. That something is a tangible recognition of Mr. Morrissy, who would be quite capable of the trust imposed and also one, to which the County of Northumberland is entitled.  
 The matter to which I refer is the vacant portfolio of Minister of

Lands and Mines for New Brunswick, the seat in the government made vacant by the recent elevation of Hon. C.W. Robinson to the Senate of Canada. Premier Veniot has not yet filled this vacancy in his government and his opportunity is now at hand. The Premier of this province, if he is as good a Liberal as I believe him to be, is no doubt, anxious that Northumberland County be won for the Liberal party, but I can assure him that it cannot be won for that party without the support of Chas. J. Morrissy, M.L.A. The county of Northumberland is the biggest revenue producing county in the province for the Lands and Mines Department. At present this county has no representation in the provincial government and it is entitled to representation. Mr. Chas. J. Morrissy is quite capable of administering this department, it being one in which Northumberland county is especially interested.

The time has arrived when Premier Veniot must recognize the rights & claims of Northumberland County and it is now up to Mr. Snowball, as federal Liberal candidate for this county to use his influence in seeing that such claims and rights are strenuously pressed. It is a poor tool that cuts only one way, and it is unfair to expect Mr. Morrissy to throw his support in favor of one who did the direct opposite, when he had the opportunity, and no party should seek support such as Mr. Morrissy is in a position to give, without consideration on its part. Northumberland Liberals expect action on the part of the Liberal leaders of this province before election day October 7th; along the lines of the above suggestions.

Thanking you for space so kindly contributed.  
 Yours respectfully  
 A LIBERAL SUBSCRIBER.

### COVEY PUBLISHES PROTEST LETTERS

In reply to the letter of W. J. Whisen of Chatham which was published in the Telegraph Journal A.W. Covey, at whom the epistle was directed furnished the sporting editor with the correspondence pertaining to the protest in question. The gist of the dispute is that the Hillsboro baseball club which won the Westmorland-Albert League on Thursday August 28th played the Chatham nine, winners of the northern section at Chatham N.B. in the first play-offs to determine which team would meet the Portlands of St. John for the New Brunswick amateur baseball championship. This game was won by Chatham 2 to 1. However, the Chatham team placed on the mound Briggs of the Nelson, N.B. team. The game was protested and awarded to Hillsboro.

The Chatham man writes that the award was a gross injustice on the part of A.W. Covey, president of the M.P.B.A.A.U. of C. The first intimation of a protest was received by Mr. Covey on Aug 29 in a telegram from F.H. Barnett manager of the Hillsboro team which stated that he was protesting on the grounds that Briggs of Nelson had pitched for Chatham in the first of the play-off series. Mr. Covey immediately had a telegram sent to Mr. W. Wallace Watling of the Chatham club, advising him of the Hillsboro protest and also advising him that a meeting would be held on September 3 H then forwarded the following letter

September 2, 1924

Mr. W. Wallace Watling, Chatham; N.B.

Dear Sir.—Our secretary is in receipt of the following telegram from Hillsboro dated Aug 29, 1924: "Am entering a protest against Chatham on account that team playing Briggs of Nelson in Hillsboro-Chatham game on August 28, Briggs not eligible. Confirming by letter." Sgd. F.H. Barnett; Mgr. Hillsboro Baseball Team.

Am also in receipt of copy of protest, the original of which was sent to Mr. McQuade the M.P.B.A.A.U. of C. secretary, and I am herewith enclosing copy.

The protest will be taken up by our committee here on Wednesday night and a decision rendered as early as possible. The rules of amateur baseball are that only men who have played with team winning the League can play with that team in play-off games. I presume this rule was understood by your club.

Yours very truly,

(Sgd.) A.W. Covey, President

#### Chatham's Explanation

On receipt of the foregoing letter Mr. Watling wired that he was posting his letter giving reasons for playing Briggs. The letter stated that Chatham "played Briggs not with the intention of putting something over, but merely to make a showing." It ran: "We were without the services of our three best men, Johnstone, Webb and Archibald and our team was shot to pieces. The Hillsboro team was aware of Briggs going to play before the game started and they did not make any protest whatever. We did not quite understand the rules as stated in your letter, as the Portlands of St. John have played men in the play-off who did not play with them during the progress of the league." The letter then adds: "And moreover, if you will inquire I think you will find that Hillsboro played one of a Moncton team in their game with us. However, we did not try to put one over, it was a case of making a showing for the game's sake, in this section."

The letter then adds: "And moreover, if you will inquire I think you will find that Hillsboro played one of a Moncton team in their game with us. However, we did not try to put one over, it was a case of making a showing for the game's sake, in this section."

### RICH, PURE BLOOD RESISTS DISEASE

#### Dr. Williams' Pink Pills Make Rich Blood and Restore Health.

Thin, pale people lack the power of resistance to disease that rich, red blood gives. Nervous breakdown is the direct result of thin blood. So is anaemia, indigestion, rheumatism and many other troubles. People suffering from thin impure blood need just the help Dr. Williams' Pink Pills can give. For thirty-five years Dr. Williams' Pink Pills have been world-famous as a blood builder and nerve restorer. Not only do they purify and enrich the blood, but they make new rich red blood which imparts fresh vigor and life to all the organs of the body. Their first effect is usually to stimulate the appetite; then the spirits revive, and restlessness at night gives way to health restoring sleep. For sufferers from anaemia, nervousness, general weakness, digestive trouble, the after effects of acute disease, mental or physical exhaustion, Dr. Williams' Pink Pills are a restorative of the utmost value. If you are weak or ailing give these pills a fair trial and the result is sure to be beneficial.

You can get these pills from your druggist or by mail at 50 cents a box from The Dr. Williams' Medicine Co. Brockville, Ont.

#### Hillsboro's Reply

With regards to Watling's charge A.W. Covey, St. John; N.B.

Reported to me Chatham charges Hillsboro baseball team having used Moncton man in game Chatham, Thursday last week. This is incorrect. We proposed to use such man; Chatham objected on grounds against rules. Therefore did not put Moncton man in line-up. Chatham score-keeper has our line up that game.

(Sgd.) F.H. BARNETT.

Manager Hillsboro Baseball Team

#### Submits Lineup

that Hillsboro played a Moncton man, Barnett of Hillsboro immediately wired to Mr. Covey as follows:

At the meeting, after the foregoing correspondence was thoroughly gone over, the game was awarded to Hillsboro.

Mr. Barnett, however, took an affidavit concerning the Moncton man and forwarded it immediately to Mr. Covey. This stated that he was present at the aforementioned game, and that he personally gave to the score keeper the line-up of the Hillsboro team for the said game, which was as follows:—

Blight, Pitcher; Condon catcher; Steeves, first base; Dawson second base; Larsen, third base; Evans short-stop; Wright, left field; Irving rightfield; Sherwood, centre field.

He further deposed that these are all regular players of the Hillsboro team and that no player from Moncton or elsewhere was included in the Hillsboro line-up during any part of the above mentioned game.

### PERSONALS

Mrs. Arthur Copp spent a few days of last week in Moncton.

Rev. W. D. Wilson was a visitor to town on Friday.

Mr. Edward Williamson of Moncton spent the week-end in town.

Mr. Caesar Coude of Montreal is visiting his brother C. G. Coude.

### PREMIER VENIOT ASKS A HEARING

New Brunswick Interested in Crow's Nest Pass Rates

Hon. P.J. Veniot, Premier of New Brunswick says he has written to the acting chairman of the Rail way Commission at Ottawa requesting that no decision be arrived at with regard to the Crow's Nest Pass rates until the province of New Brunswick was heard. He mentioned the province of New Brunswick particularly, but said that he intimated to the chairman that from what he had learned, it was quite probable that the Province of Nova Scotia would request to be heard as well as Prince Edward Island because the Maritime Provinces felt that they were vitally interested in whatever decision was arrived at.

**Foot Saved in 4 Days!**

"Nothing but Zam-Buk could have done it," says Mrs. A. Berryman, 130, John Street, North, Hamilton,—in describing how her right foot, crushed by a wagon wheel, was healed. "The flesh was terribly bruised, blackened and inflamed, and I fainted away with pain. When it was quite impossible for me to move about, my husband's mother got me to try Zam-Buk. It was surprising! Within TWO DAYS all swelling and discoloration had disappeared and pain was banished. In FOUR DAYS, through this timely use of Zam-Buk, I could get about as usual; the injured foot was thoroughly healed."

Zam-Buk is the powerful antiseptic healer which quickly frees the skin of corruption and disease and grows new healthy tissue. No common ointment or salve can possibly compare with Zam-Buk. Get a box to-day! 50c. all dealers or FREE SAMPLE for 1c. postage from Zam-Buk Co., Toronto.

**COST OF PUBLISHING**

Too many people have the idea that a weekly newspaper should publish every item of news handed in, because it is local news notwithstanding that the "news" referred to is in its way an advertisement announcing a meeting of some organization or society. "Here's something to fill up" is often what accompanies the handing in of such an item. Perhaps newspaper publisher is no more a public convenience than any other business man and you might as well ask the rail way company to carry you free to the next town because the trains are going there anyway and there are a number of empty seats, as to ask the publisher to publish your little advertisement as news because the paper is to be printed anyway, and it has so much space to fill up.

**EXAMINATION FOR SCALERS**

The semi-annual examination of candidates for government scaler licenses took place in the Provincial Government Departmental Building Wednesday. The candidates were first orally examined and character investigations made. The next two hours were given for a written examination and then the candidates were taken to the Victoria Mill where each scaled 125 logs. To secure a license the candidate must make 75% on his written examination; must have good character references; must class his trees 90% perfect and must be within 15% perfect in his estimation of total board feet scaled. G.H. Prince was acting examiner in the place of the chief forester who is away. He was assisted by W.J. Bryan and Archie Williams. The examiners in the mill were R.A. McFadden and A.T. Murchie, chief government scaler. About 25 candidates were examined. They were: Marvin Edgar, Three Brooks; Burton Leekey Coal, Creek; Geo. Andrews, Long Keach; Roland Beach Coles Island; Irvin McNair, Durham Centre; Lemuel Estey, Edmundston; J.A. Charest, St. Jacques; Richard Atkinson, Douglastown; Norman Gilmore, Bonny River; Russell Wallace, Albert; Herbert Sullivan, Douglastown; Lawrence Underhill, Doaktown; Henry Sherard, Atholville; Peter Lebas, Blackville; Henry Osgood, Atholville; George Campbell, St. George; George White Fredericton; Charles Jennings, Janesville; Roy Lord, St. Stephen; Leonard Strang, Chaplin; Alex Winton, Jacquet River; Howard Harper, Chelmsford; Fred Fraser, Cross Point; Joseph Horncastle, Fredericton.

**WORKING GIRL'S EXPERIENCE**

**Read How She Found Help in Lydia E. Pinkham's Vegetable Compound**

Arnprior, Ontario.—"I must write and tell you my experience with your medicine. I was working at the factory for three years and became so run-down that I used to take weak spells and would be at home at least one day each week. I was treated by the doctors for anemia, but it didn't seem to do me any good. I was told to take a rest, but was unable to, and kept on getting worse. I was troubled mostly with my periods. I would sometimes pass three months, and when it came it would last around two weeks, and I would have such pains at times in my right side that I could hardly walk. I am only 19 years of age and weigh 118 pounds now, and before taking the Vegetable Compound I was only 108 pounds. I was sickly for two years and some of my friends told me about Lydia E. Pinkham's Vegetable Compound, and when I had taken a bottle of it I felt a change. My mother has been taking it for a different ailment and has found it very satisfactory. I am willing to tell friends about the medicine and to answer letters asking about it."—Miss HAZEL BERNDT, Box 700, Arnprior, Ontario.

A day out each week shows in the pay envelope. If you are troubled with some weakness, indicated by a run-down condition, tired feelings, pains and irregularity, let Lydia E. Pinkham's Vegetable Compound help you.

**TO LEND POTATO GROWERS MONEY**

One million dollars in ready cash is available for loans to Aroostook County potato growers, who are under the marketing agreement of the Maine Potato Growers Exchange for financing the harvesting and storing of the 1924 crop, it has been announced. The loan is to be made by a Boston bank, the banks representing the Bangor and Aroostook and the Aroostook Valley Railroads and all of the Aroostook County banks.

These banks organized as a loan syndicate, and applications for loans through the exchange will be acted upon promptly. A committee of bankers has been appointed to act with the exchange in liquidating the loans during the potato selling season.

**Public Meetings For September**

A series of meetings is being arranged for the month of September at which the Rev. W.D. Wilson, late Secretary of the Temperance Alliance is to be one of the speakers. His many friends throughout the Province will be glad of the pleasure of meeting him again and of hearing him speak. The Rev. H. O. Goodwin of St. John, is to speak at the meetings in Hampton Sussex Moncton and Fredericton. Donald Fraser, President of the Alliance is to speak at Moncton, Chatham Newcastle, St. Stephen and Fredericton. The Rev. T. Marshall and the Rev. T.D. Bell are also able to speak at some of the meetings.

The plan at present outlined is: Sept. 8th at Hampton; 9th Sussex 10th Moncton 11th: Chatham 12; Newcastle 13th; St. Stephen 14th; Miramichi 15th; Andover 16th Edmundston 17th; Hartland 18th; Woodstock 19th; McAdam 21st; St. John 22nd; Fairville 23rd.

**FUR CONFERENCE**

A call has been sent out to the fur collectors throughout the United States asking them to send representatives to a conference under the auspices of the National Association of the Fur Industry, to be held in Washington, D.C. on October 1 to 3 next; the object of which is the adoption of standard rules for the grading of furs and the further promotion of the conservation movement. This conference will be attended by representatives of the Department of Agriculture and the Bureau of Biological Survey and invitations have been sent to many men prominent in the work of protecting wild animal life.

**First Impressions Are Important**

### WORLD FLIGHT NOT PLANNED

The authorities charged with the development of aviation do not plan any world flight at present.  
The Government is wholly uninterested in sporting events and will offer no prizes to encourage private initiative and efforts. The policy of the air ministry is to do everything in its power to promote airship transportation between England and Canada, India and Austria believing that dirigibles are best suited for long distance and planes for short quick hops.  
Airships now flying can carry sufficient gasoline to cross the Atlantic and get back again without refueling and experts are now discussing the possibility of a round-the-world flight without alighting, refueling directly from vessels by means of a hollow mast which will serve the dual purpose of anchor and filling tube.

**WHY DRIFT FROM YEAR TO YEAR AS LABOURER**  
at small pay and hard work, when with a few weeks expert guidance you can be earning big money in any of the following trades: Auto-motive, Mechanical; Electrical Ignition expert; Battery work; Welder; Mechanical Dentistry or Barbering. Large demands. Pleasant work. Big future. Write at once to Dept. C. for special offer. Hemphill Trade Schools, Ltd. 163 King St. W. Toronto.

**NEW LAMP BURNS 94% AIR**  
**Beats Electric or Gas**

A new oil lamp that gives an amazingly brilliant, soft, white light even better than gas or electricity, has been tested by the U.S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean; safe. Burns 94% air and 6% common kerosene (coal oil).  
The inventor, J. M. Johnson, 246 Craig St. W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him to-day for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

**FOR SALE.**  
The late George Russell property situated in rear of the Post Office in the Town of Newcastle, at present owned and occupied by Miss Bella Russell. Property to be disposed of at once. For further particulars apply to:  
**WM. FERGUSON**

**PROBLEMS in RAISING POULTRY** and producing eggs every month in the year are all overcome by the practical methods taught in Shaw's Coldbelt Poultry Course. Hundreds of testimonials prove this. Write for them to-day and learn how to make plenty of easy money. Address Shaw Schools, Poultry Dept., Section B, 46 Bloor West, Toronto.

### ALLEGED HUMBUG IN UNEMPLOYMENT TALK

The ministers who were responsible for calling the unemployment conference at Ottawa must feel already that they made a mistake. Practically all that was said calculated to damage their cause in a political sense. The Social-Labor speakers found fault because the Government had not done enough or had not done it soon enough. The employers condemned the Government's fiscal policy as a cause of the problem they were assembled to consider. There is considerable humbug in the unemployment talk. There should be in Canada no need of national conferences on the subject. The present gathering seems to be more the result of officials' and meddlers' activities than of any industrial collapse. There is some slowness in trade and transportation and it has its effect on the demand for labor. Wages have not been seriously reduced. They are so high in some trades that they tend to reduce the amount of work. In connection with building between increase in pay and reduction in hours of labor it costs two or three times as much to build a house as it did twenty years ago. That and the increase in taxes not only makes rents high but decreases the ability of men to build. The men who get as much for a week's work as their fathers did for a month's should be able to care for their families during a dull period which they know is coming. There are in the country, however a lot of people who think they are social reformers, and who spend their time considering ways for making the community responsible for the individual deficiencies. One type of labor leader, who is represented at the conference aids in the propaganda of helplessness by promulgating demands that not the worker individually, but the taxpayer generally shall be provided in time of slowness. Every winter of late the same cry is made by the same sort of people. Canada is a cold climate, and for a term in the winter many outdoor employments are retarded or stopped. The men who go in to the woods do most of their work in the winter and would laugh at the idea of the weather being too cold for them to go on with their operations. The woodsmen however, are a superior class of men physically and morally. All are not of their type and their type is not a subject for socialistic care. It is a complaint of those in charge of construction work in some parts of the country at least, that when the mercury sinks below the frost line many whom they would employ throw up their jobs and move into the cities. There are cities which have the name of being easy. Socialistic talkers and administrators who rose as friends of the people create a sentiment that makes it safe for the out-of-work, incidental or professional to count on a warm sleeping place and a meal. There the unemployed gather and sometimes become a danger. Work is not what they want most. Some of the western cities had an experience with them that is enlightening. Edmonton provided for the unemployed until the burden began to gall, and anybody big and strong enough was told he must shift for himself. When the choice of the unemployed was between getting work and starving nobody is reported to have starved. The Dominion may well learn from this experience. The purpose of most of the municipal and labor representatives who spoke at the conference was to get the government of the Dominion to take over the charge of providing for the unemployed either by providing direct

relief or by instituting public works that may not be necessary and are sure not to be profitable. It is an alarming prospect that opens to the taxpayer if the ideas advanced at the conference are adopted by Parliament. First, it means a heavy and growing draft on the Dominion treasury and the creation of a costly administrative machine to disburse the amounts. It also means the spreading of the idea that Canada has reached the limit of its expansion; that it no longer offers opportunities to the toilers and that one of its Government functions is to care for people who can not get work and care for them selves.

#### ROLL THEM UP

Take off your hat, roll up your sleeves and go to work, because the men who do not work in some form or other are unknown, nobody likes them and the busy world does not even know they are here. The men who are able to live the rest of their lives without work are the men who have worked the hardest at one time in their lives. Men die sometimes and it is said that it is from overwork, but that is seldom the case; it is generally from over worry. Work gives an appreciation of holidays and it gives an appetite for meals and a soundness of sleep. Most people in this old world have to work and there are a lot of us alive yet.

#### WHEN CLOTHES WERE CHEAP

A correspondent has sent to the editor of the Ottawa Citizen a price list of a Toronto clothing firm, Thos. Thompson & Son which was discovered in a magazine dated 1884. Nothing can more strikingly illustrate the shrinkage of the dollar in forty years. Here are the items on the price list: Boy's tweed overcoats 98 cents; boy's tweed suits 98 cents; men's seacote overcoats \$2.50; men's fine tweed overcoats \$4; men's Irish blizzard overcoats \$6.50; men's flannel worsted overcoats \$7.50; men's serge suits \$3.50; men's tweed suits \$6.50; Boy's tweed pants 25 cents; men's tweed pants \$1. If such prices corresponded in other commodities a man could live pretty comfortably on \$10 a week. And one can understand now how grandma and grandpa could afford to get married on \$8 a week.

### TEN MILLION CIGARETTES SEIZED

A few days ago the Customs officials at Brockville forwarded to Ottawa about ten million cigarettes of American manufacture, which had been seized at that point. That large quantity was collected in the space of a little over two months. Those best informed on the subject claim that there are from five hundred million to seven hundred million cigarettes smuggled from the United States into Canada annually, replacing an equal quantity of cigarettes of Canadian manufacture. The seizure made at Brockville during the past two months would seem to indicate that this estimate is, if anything, below rather than above the mark. Five hundred million cigarettes brought unlawfully into Canada represents a loss in tax to the Dominion Government of the huge sum of \$3,655,000.

### "BUY AT HOME"

**Noted People From Gt. Britain Coming To Visit Canada**

Canada will receive visits from several famous people this fall, including two women M. P's in the British House of Commons, according to advices received. The Right Hon. H. A. L. Fisher, President of the Board of Education in Great Britain during the administration of Lloyd George, the Duchess of Athol, M. P., for Kinross and western Perth in the British House and Mrs. Philip Snowden, one of England's best know women labor leaders and wife of Philip Snowden, Chancellor of the Exchequer in the British Cabinet, have accepted invitations to visit Canada under the auspices of the National Council of Education. Other famous visitors expected shortly are Margaret Bondfield, M. P., the first woman to sit on the treasury bench in the house of Commons and Geoffrey Dawson, Editor of the Times, London. Miss Bondfield sails for Canada on Saturday on a Government enquiry it is understood.

### "Eczema All Over Arms Suffered for 12 Years"

Mrs. Murray Hough, Warton, Ont., writes:  
"I had eczema for twelve years. Every once in a while it would break out and spread all over my arms. I tried all kinds of treatments to relieve it, but without success. One Spring it broke out and nothing gave me relief, even the salve I got from the doctor did no good. At last I tried Dr. Chase's Ointment and it healed the eczema in a short time. That is over a year ago, and I have had no return of the trouble."  
**Dr. Chase's Ointment**  
60 cts. a box, all dealers or Edmanson, Bates & Co., Ltd., Toronto

## Join the Millions of Men who today enjoy better shaves

Less time is used in the Dominion, now, for shaving. And the millions of men who save that time, are also saved sore, irritated faces.  
Now we offer you the means to join these millions. To find out what they found out about shaving creams. No expense to you. We pay for the test.  
And you will discover why we worked for 18 months, making 130 experiments, perfecting Palmolive Shaving Cream. You'll at once appreciate the 5 distinct ways in which it gives better shaves:  
By multiplying itself 250 times in richest lather.  
By softening any beard in one minute—without "rubbing."  
By the lather that lasts 10 minutes, if necessary.  
By the way extra strong-walled bubbles hold each hair erect, for easier, cleaner cutting.  
By that cool, soothed after-feel—the result of carefully blended palm and olive oils.  
Millions of men could tell you. But it's more satisfactory to find out for yourself. If the test should fail—we are the only losers.  
Mail your coupon today—and get 10 shaves free.

**A Food Sale in Demers' Grocery Store, Saturday, at 2.30 p. m.**

**INSPECTING SCHOOLS**

Mr. P. G. McFarlane, Inspector of schools is visiting schools in the County of Restigouche. Campbellton will be his headquarters for the month of September.

**A HEAVY RAIN**

A heavy easterly rain set in early Thursday morning continuing until noon, when the weather cleared and the sun again shone brightly. A large amount of rain fell, which no doubt will do considerable good.

**FIRE AT CONVENT**

The Fire Department was called out at 5:15 o'clock Saturday morning for a fire in St. Mary's Convent the building recently purchased from Mr. George Stables on Kings Highway. The fire originated near a large fire place in one of the rooms but was extinguished before much damage was done.

**CHATHAM BIRDS LEAD**

A pen of Barred Rocks belonging to R.A. Snowball of Chatham are leading the heavy breed in the Dominion egg laying contest at Ottawa with a total of 185 eggs. Last week they were first in the list of 80 pens with a total of 55 eggs. A pen of white Leghorns holds first place in the contest with a total of 2034.

**TENNIS CLUB DANCE**

The Newcastle Tennis Club held an informal dance last evening in the Town Hall, which was largely attended and much enjoyed by those present. The chaperons were:— Mesdames T.C. Creaghan, D.R. Brown; Andrew Forsythe, A.E.G. MacKenzie; D. Willis Nicholson and P. R. Giberson. Mr. W. H. Davidson was Secretary.

**FIRE ALARM**

The Fire Department were called out last Wednesday morning about 10 o'clock, for a fire on the roof of Mr. Wm. Copp's residence; on the bank near the D. & J. Ritchie and Co's Mill. On the arrival of the department the blaze was speedily extinguished and the damage done was slight.

**STRUCK GOOD FLOW OF WATER**

Mr. T.R. Kent, Artesian Well Digger of St. George; N.B. who has been on the Miramichi for some time digging artesian wells, was successful in getting a good flow of water at Mr Wm. Sullivan's mill, Nelson; N.B. He is now engaged digging a well for the Fraser Co. at Nelson and when this is completed, will dig a well for Mr James Keyes. Mr. Kent has several other wells to dig in this vicinity and anyone wishing water should get in touch with him at once before the cold weather sets in.

The Newcastle Band delighted a large gathering of citizens with a band concert from the band stand on Tuesday evening. The program was well rendered and much appreciated.

**ACCEPTS BATHURST POST**

William McConnell, of Blackville has resigned his position as Forest Ranger with the Forest Service Branch of the Dept. of Lands and Mines and has accepted a position at Bathurst with the Bathurst Company Limited as chief log scaler. Mr. McConnell has commenced his new duties at Bathurst.

**A UNIQUE FIND**

On Saturday, while Mr. Berton Hubbard son of Mr. and Mrs. Wilbur D. Hubbard of Cassilis, was pruning his crab apple trees he found an unusual and interesting freak of nature in the shape of a perfectly developed crab apple with a group of three blossoms attached to the same stem. Mr. Hubbard sent it to this office on Monday. This is rather a unique find at such a late date as the middle of September.

**LIBEL SUIT**

Justice LeBlanc having refused the application of the plaintiff's attorney to throw out the defence in the libel suit of R. B. Hanson, M.P., vs. The Gleaner Limited, notice of trial will be given for the next term of the York Circuit Court, which opens at Fredericton Sept. 23 with Chief Justice McKeown presiding. The Justice in his judgment declared that the application had been wrongly made and that plaintiff's counsel, should have taken steps to force the managing director to answer the questions submitted to him, in accordance with the rule of the court.

**NEWCASTLE'S FIRST TOWN ELECTION (25 Years Ago)**

J. D. Creaghan	246
Donald Morrison	246
E. Lee Street	239
J. H. Phinney	234
R. H. Gremley	224
Jas. Falconer	212
George Stohart	209
John Clark	197
P. Hennessy	135
M. Bannon	120

**A NARROW ESCAPE**

A serious accident was narrowly averted Saturday afternoon when Fire Chief John Fallon stopped an automobile containing two small girls which was out of gear but was coasting down Street's Hill at a rapid pace. The young girls were sitting in the car awaiting the driver who had gone into a house and in some way the car started down the hill gaining speed every second. One of the little girls attempted to steer the car but was unable to keep it from zig-zagging from one side to the other. Chief Fallon noticed the car coming down the hill in this fashion and ran up to meet it. He shouted to the little girl to put her foot on the brake which she did slowing the car enough for him to jump on and apply the brakes bringing the car to a standstill. It was most fortunate that Chief Fallon happened to see the car in time; otherwise a serious if not fatal accident might have occurred.

**CARD OF THANKS**

Walter J. Sturgeon and family of White Rapids N. B. wish to thank all the friends and relatives for kindness extended and sympathy shown in their recent sad bereavement. 38-0-pd

**TEAMBOAT INSPECTION**

Mr. Charles Dalton and Captain W.R. Beacott, steamboat inspectors will be in Chatham for their annual inspection in Sept. 15th, 16 and 17th and at Newcastle on September 18th.

The Newcastle Sub-Division C. W. L., will hold a Food Sale in Demers' Grocery Store on Saturday afternoon, Sept. 20th., at 2.30 o'clock.

**TEMPERANCE MEETING**

A public meeting in the interests of the temperance cause was held last Friday evening in St. James' Hall. Speeches in support of prohibition were given by several speakers and at the close of the meeting an appeal was made for citizens present to join the New Brunswick Temperance Alliance.

**NORTH WEST BRIDGE FIRE**

Slight damage was done to the North West Bridge on Sunday, when one of the spans caught fire, presumably from a cigar or cigarette which had been thrown on the floor of the bridge. The blaze was quickly extinguished and it is not thought that much damage resulted.

**MIGRATORY BIRDS**

The open season for ducks, geese and brant begins on September 15 and ends on December 31. The open season for black bellied and golden plover and yellow legs opened on August 15 and will end on November 30. The open season for woodcock and snipe begins on October 30 and ends November 30. The open season for partridge, the only game bird which does not come under the migratory birds convention, opens on October 1st and ends on October 30th.

**BEAVERBROOK SCHOLARSHIPS**

Miss Irena A. Card of Dorchester who was awarded one of the Lord Beaverbrook scholarships has notified the secretary of the trust, Mr S. D. Simmons that circumstances have arisen which will prevent her taking the anticipated arts course at Dalhousie. After consultation with members of the committee, Mr Simmons is notifying Lloyd L. Grass, son of H. H. Grass; St. George, that he is next in line for the vacant award. Mr. Grass passed the university matriculation examination in the first division and his recommendations are excellent. His father is a telegraph lineman.

**THANKFUL MOTHERS**

Once a mother has used Baby's Own Tablets for her little one she would use nothing else. The Tablets give such results that the mother has nothing but words of praise and thankfulness for them. Among the thousands of mothers throughout Canada who praise the Tablets is Mrs. David A. Anderson New Glasgow, N.S. who writes:— "I have used Baby's Own Tablets for my children and from my experience I would not be without them. I would urge every other mother to keep a box of the Tablets in the house." The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach; drive out constipation and indigestion; break up colds and simple fevers and make toiletting easy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

Whether it's a cistern, a pitcher, a lift or a force pump you require fittings or pipe for pipe tools. This is a good time to come in and let us advise with you so that you will have the most practical pump and connections for your purpose.

## Style and Quality

Is the combination that goes to make up our splendid line of ladies coats with service guaranteed. The weather is rather chilly for the time of year and you will soon need a heavier coat

We have a style for every taste, a price for every purse and it would please us greatly to have you call and look them over

### MACKINAW FOR THE MEN

To the man who needs a mackinaw we believe we can show you the best in this line and, considering the quality the prices are certainly right.
