Six death notices published in this issue show an average age of 76 years—the youngest 59 years and the oldest 94. Healthy and sturdy people in this province.

Lionel Barrymore, famous stage and screen star, will be presented with Senna Owen in "The Face in the Fog", an exciting story of Broadway lights at the Lyceum tonight.

Our spring shoes are all here, the latest styles at the lowest prices.—P. Dodds & Son.

A whizzing, sizzling motor romance packed with thrills and humor "Across the Continent" positively the greatest in which Wallace Reid ever appeared will be the special attraction at the Lyceum next Wednesday.

We do all kinds of shoe repairing and do it right.—A. Rumford, Watford.

A letter was recently delivered to a man at Harriston, Ont., that had been on its way for five years. We can beat that; ten years ago we loaned a friend a five-spot, which he said he would return by mail the following week; and the letter has not reached us yet.

Mr. and Mrs. Thomas Avery of Laprairie, P. Q., announce the engagement of their youngest daughter, Grace Annetta, to Milton Robert, youngest son of Mr. and the late Mrs. John Jackson of Toronto. The wedding to take place in Toronto during July.

Boys' suits see our snappy styles \$5.50 to \$7.50.—Swift's.

The law under which labels stating the net contents of bottles containing soft drinks and bottled waters, has been suspended until July 1. This law became effective in January, and the extension of time has been granted to allow bottlers an opportunity of using up their old labels now on hand.

An operator of a motor vehicle should not forget to carry both certificate of registration and license or operator's card (if any) on his person. In case of a violation, the possession of these may save humiliation and embarrassment. In some jurisdictions failure to have them is, in itself, an offense.

Daughter—"I bet, dad, you never saw dancing like this back in your days." Dad—"Yes, I did, once—but the place was raided before ten o'clock."

Have your suit Art Tailored to order. Special suit ends \$35.00, \$37.50, \$40.00.—Swift's.

No change will be made this year for agricultural exhibitions and the conventions, it was decided at a meeting of the Canadian Passenger Association in Montreal. Rates in force last year will be maintained, which means that fares for agricultural exhibitions, Dominion, provincial and county, will be at the rate of a fare and a third for the double journey.

Get ready to fence up your chickens and thereby preserve neighborliness in your corner of the moral vineyard. An industrious rooster or an active old hen can raise a big ruffe when they are too inquisitive in resurrecting the early garden seeds in a neighbors flower pot or vegetable area. There are often things said on such occasions that are not always in the every day vocabulary.

Our Grocery Department is stocked with reliable goods, give us a trial and be convinced.—P. Dodds.

After the long, hard winter, the need of a clean up day in Watford is perfectly apparent. Indeed, there is some cleaning up that really should not be left till the great day—comes. The long and steady winter—so different from what we have been getting for a number of years past—has, seemingly, conduced to a considerable accumulation of unsightly debris of one sort or another. It might be a good thing for people not to wait for clean up day.

Before buying that next pair of shoes or oxfords see what we have. Our prices are lower than the lowest.—A. Rumford, Watford.

The names of former Watford residents now living in British Columbia, in addition to those in the list kindly furnished a couple of weeks ago by a Watford old boy, have been received. They are Miss Janet Cameron, Vancouver; Miss Anna Cameron, with Hudson Bay Co., Vancouver; Miss Maud Roche, Hospital Superintendent, Comox; Mrs. Geo. Lailaw Dodds (nee Alice Cameron), Vancouver, and Mrs. Robert Wilson (nee Mary A. Cameron), Vancouver.

Heavy plain blue and blue striped overalls at \$1.50 pair.—Swift's.

An important business transfer took place in town this week when Mr. J. Russell McCormick of Watford and Mr. Robt. Paul of London, purchased the grocery and hardware business of the N. B. Howden Estate conducted by Mr. C. W. Howden, and are now in possession. The store has been closed for a couple of days for stock taking and will be open for business Friday morning. The public will be sorry to lose Mr. Howden from among the business men of the town. The new firm hopes to receive the liberal patronage extended to their predecessor.

Men's extra heavy, extra large, blue overalls \$1.95.—A. Brown & Co.

The members of Lambton's 149 I.O.O.F. held a social afternoon on Monday at the home of the Regent, Mrs. Leigh, to bid farewell to Mrs. Harper who is leaving shortly to make her home in Calgary. The Regent expressed the regretful Chapter in losing a faithful member since organization and all joined in wishing Mrs. Harper every success in her new home.

Men's soft felt hats \$2.50 to \$5.00. Hats hats are right.—Swift's.

A sample copy of the Ontario Motor League 1923 road map has been received. This map shows in accurate red outline the Provincial Highway System of Ontario and the best roads in Western Quebec, New York State, and Eastern Michigan and gives the location of all the cities and principal towns and villages, lakes, rivers and summer resorts in this area of over 200,000 square miles. The roads shown extend all the way from New York City to Sault Ste. Marie and from 100 miles east of Montreal to 100 miles west of Detroit. A motorist planning a trip anywhere in this district will find the O.M.L. road map of great assistance. The relative importance of roads has been shown by three classes of lines—red, medium and thin black. On the reverse side is a list of useful information regarding routes, ferries, customs and regulations to be observed by motorists. The price is 50 cents.

Men's suits \$15.00, young men's suits \$15.00, very special value.—A. Brown & Co.

Conundrums:—
Best jollier in town?
Who has the nicest baby?
Most careful motor driver?
Most faithful lodge member?
Pupil to head Entrance Exam?
Tardiest shopkeeper in the a.m.
Husband who is the best helper at home?

Answers to the above will not necessarily be published unless decisions are unanimous—as they might be to some of the queries.

You will save money by buying your men's, women's and children's shoes at Rumford's. We do repairing.

In nearly every town where Hydro is used the minutes of the local Hydro Commission are published in the local paper. Up to the present time the Watford commission has neglected to furnish the Guide-Advocate with the report of their monthly meeting. Users of hydro are entitled to know the business done at these meetings as they are practically partners in the concern, the commission being the managers of the same. Hydro-Electric is light. Let your light shine.

On sale Friday morning 8 dozen ladies black fibre silk hose at 49c, a big hosiery bargain.—Swift's.

The ladies of Trinity church entertained Mrs. Orlo Jacklin at tea in the basement of the church on Friday afternoon, and presented her with a piece of fancy china. Mrs. Jacklin has been a prominent and earnest church worker during the years she has been in town and all regret the removal of the family to Windsor.

The time table for the annual departmental examinations has been issued. The entrance examination begins on June 27th, the lower school examination on June 12th, the upper school on June 14th and the middle school on June 18th. One of the many examinations that face pupils of High schools has been abolished, according to instructions issued by the Department of Education. Lower school standing for entrance to Normal schools will be granted pupils of High schools or Continuation schools who have comprehensive tests conducted by the teachers of the different subjects.

On Monday evening the members of Havelock Lodge A.F. & A.M. met in their lodge room for the purpose of bidding a fraternal goodbye to Wor. Bro. Orlo Jacklin who, with his family, is moving to Windsor. During the evening Bro. Jacklin was presented with a diamond studded Past Master's Jewel by the members of the lodge and many expressions of regret were voiced by those present at the loss the lodge would sustain by his leaving town. The presentation was accompanied by complimentary address to which Bro. Jacklin made a neat and feeling reply. Bro. Jacklin was an efficient secretary of the lodge for a number of years.

The April meeting of the Brooke W. I. was held at the home of Mrs. W. S. Hair. The meeting opened by singing of the Maple Leaf. Roll call was answered by "Suggestions for next year's program." The minutes were then read and confirmed, followed by a buttonholing contest. Community singing was much enjoyed. Mrs. D. MacDonald's paper "Open up our eyes to the wonder of nature" was then read, followed by a duet by Mrs. Shugg and Miss Clark. An instructive demonstration on hot supper dishes was then given. The meeting was brought to a close by the singing of the National Anthem and lunch was served by the hostess.

The Walnut Mission Circle met at the home of Mr. and Mrs. John Zavitz on Friday last. The first part of the meeting was taken up with the election of officers: supt., Mrs. Steadman; pres., Miss C. Dolbear; 1st vice-pres., Orville Shugg; cor. sec., Miss Romelda Clark; sec., Miss Ina Edgar, treas., Ward Zavitz; Christian stewardship, Calvin Annett. Miss Blanche Mitchell B.A., of Watford, gave an address on English Literature which was enjoyed by all. Games followed after which maple taffy and lunch was served by the hostess. Miss Mitchell was presented with a willow tray as a memento of the evening. Mrs. Steadman thanked the Circle for the gift of a beautiful comforter at Christmas time. After a vote of thanks to the hostess and Miss Mitchell, the National Anthem was sung. The young men will have charge of the next meeting to be held the first Friday in May. About \$50.00 will be sent to the Branch treasurer by the Walnut Mission Circle.

POSTPONED TENNIS DANCE

The postponed Tennis dance will be held in the Armory on Friday evening, April 20th. Dancing 9 to 2. Petrolia orchestra. \$1 a couple. Proceeds towards two new tennis courts.

DEATH OF MRS. FOWLER

Mrs. Sarah Fowler passed away on Tuesday in her 94th year. She was one of the oldest inhabitants of the village and was the widow of Alfred Fowler.

Mrs. Fowler was one of the pioneer residents of Western Ontario, having been born in Fingal and was always a faithful member of the Baptist church.

She leaves one son, Jacob E. Fowler of Watford and one daughter, Mrs. Emma Williams of Fingal, Ont., twentyone grandchildren; eight great grandchildren and one sister, Mrs. Emma White of California.

The funeral service was held Wednesday evening at the home of her son, Jacob E. Fowler, Simcoe street and the remains were taken to Fingal Thursday for interment.

WARWICK

Mr. J. T. Muxlow and granddaughter Phyllis visited in Strathroy last week.

Rev. H. H. Gilbert of Toronto will preach in Warwick Methodist church on Sunday, April 22nd at 10.30 and 7.30. Services every night until May 4th.

Mr. and Mrs. Steele and family and Mr. J. Wheaton are recent arrivals from Lancashire, England. They have rented 50 acres from Mr. Jos. Dignam, on the 6th line of Warwick, and will move onto same at once.

Those who attended the funeral of the late Mrs. Henry Williamson were Mr. and Mrs. Harry Williamson, Mrs. Sarah Willoughby, Mrs. Ray Scarrow, Miss Edith McMacken, Sarnia; Mr. Benj. Williamson, Mr. Chas. Williamson, Petrolia; Mrs. John Miller, London, Miss Christina Thornicroft, Appin.

The excellent drama "An Old Fashioned Mother" by the young people of Zion Methodist church will be given in West Adelaide Presbyterian church on Tuesday evening, April 24th. This play is the cause of much laughter and just a few tears. Come and enjoy a real treat. Admission 35c and 15c. Under the auspices of the W. M. S.

Mr. Bert Prince who has been in Victoria Hospital undergoing an operation for appendicitis, returned home on Thursday as well as can be expected. While he was in the hospital, his Watford and Warwick friends showered him, on his birthday, with flowers, postcards, etc., which was a very agreeable surprise to him.

The funeral of the late Mrs. Henry Williamson which took place on Thursday, April 12th, was largely attended. The service being conducted by Rev. H. V. Workman assisted by Rev. Sayers. The pallbearers were two uncles, Andrew and James Moffit, two half-brothers, Samuel and Charles Jones, and two nephews, Arthur and Harry Williamson. She is survived by her husband and four stepchildren, Mrs. Willard Morgan, Warwick; Mrs. Willard Coristine, Brooke, Kinney and Basil of Watford, and one foster child Walter, at home; who will always remember her as a loving wife and mother.

The monthly meeting of the Kingscourt D. O. B. girls was held at the home of Margaret Chambers, April 11th. There was a fair attendance considering the unfavorable weather. There was a considerable amount of work accomplished. After which the meeting opened with singing "Come Thou Fount of Every Blessing." Secretary's report was given. Roll call was answered by a verse of scripture. A reading on mission work was given by Miss Hazel Bryce. Dainty refreshments were served and the meeting closed by singing "God Save the King." May meeting will be held at the home of the president Miss Alma Morris, May 16th.

BORN
In Watford, on Saturday, April 14th, to Mr. and Mrs. Basil Saunders, a son.

The death occurred in Bothwell on Tuesday morning of Mrs. Ellen Cox McCready after a short illness, she having suffered two paralytic strokes deceased was in her 80th year and had lived in this vicinity all her life.

A DELIGHTFUL ENTERTAINMENT

"Blundering Billy" a Farce Comedy in three acts given under the auspices of the Y.P.S. of the Presbyterian Church, delighted large audiences at the Lyceum on Thursday and Friday evening of last week.

Mrs. A. McKecher as "Dorothy Tuttle", the sweet sixteen of the play, looked and acted the part naturally, everyone was "delighted" with her. Mrs. Workman as the society woman becomingly attired gave a convincing portrayal of her part and Miss K. Elliot was charming as the kind hearted Japanese girl making herself at home in America and smoothing out difficulties for everybody.

H. W. Nixon as "Ezra (Buck) Tuttle", the bluff, hearty mine owner, breezy of speech and handy with his gun, was irresistible while Ross Luckham as the lieutenant had the military manner to perfection. S. Bruce as "Sing Toy", "All bloke up" and D. McKecher as "Hank Dibble", the saltiest kind of a sea-salt brought down the house.

E. C. Lambert as "Blundering Billy" with his many amusing mistakes which always turned out o.k. for Billy, acted his part most creditably.

The young people are to be complimented on their excellent acting all through and great credit is due to Rev. H. V. Workman who assisted in training them. It is to be hoped the society will make this an annual affair.

Music was furnished between acts by M. Connolly, J. Kinnell, N. Kinnell and H. Hamilton and added to the enjoyment of the evening. Proceeds \$170.00.

DEATH OF MR. FRANK P. RESTORICK

After a few days illness the death occurred Thursday morning, April 12th, at his home, Main street, Watford, of Francis Pring Restorick, in his 88th year. He was a pioneer resident of this section and one of the most widely known and highly respected residents of Lambton county.

He was known as one of the most successful horse and cattle dealers in Ontario. By energy and probity he built up an extensive exporting business which he carried on until a few years ago. He was engaged in this business for over sixty years and it is said shipped the first load of stock ever shipped on the Great Western Railway from this county.

Mr. Restorick was born in Devonshire, England, where he spent his youth. He came to Canada when eighteen years of age, settling in Warwick township and entering the live stock business almost at once. He moved into Watford about fifty years ago and soon became closely interested in the progress and welfare of the town.

Mr. Restorick was married twice, his first wife being Sarah Evans, daughter of Richard Evans of Warwick. Three children survive this union, Richard of Montreal, John of Toronto and Mrs. Conn, wife of Henry Conn, Sarnia, I. P. S. for West Lambton. His second wife was Elizabeth Hawn of Warwick and there are three children by this marriage, George of Washington Territory; Percy and Walter of Saskatchewan. There are fifteen grandchildren. His widow also survives.

Mr. Restorick was a Conservative in politics. He lived an active and vigorous life, but in latter years was troubled with a slight deafness. His death will be widely regretted throughout the district.

The funeral was held on Saturday afternoon and was largely attended by the farmers of the district. Service was held at his late home by Rev. T. A. Steadman of the Brooke circuit, and interment made in St. Mary's church cemetery, Warwick Village. The town bell was tolled during the passage of the cortege through the town. Rev. L. P. Hagger rector of Warwick, took charge of the commitment service. The pallbearers were Thos. Roche, J. F. Elliot, Alex. Tait, W. E. Fitzgerald, John and Rich. Manders.

Among those from a distance who attended the funeral were Mr. and Mrs. Henry Conn and sons, Sam and Tom, Sarnia; Mr. John Restorick and son Frank, Toronto; Mr. Joseph Restorick and two daughters, Mrs. W. C. Fitzgerald and Mrs. L. P. Taylor, London; Mrs. Senborn, Mrs. W. C. Hawn, Mrs. Falkner and daughter of Petrolia.

The McIlroy Belting Works, Kingsville, was destroyed by fire last week.

NOTE AND COMMENT

That doctor who claims to have brought high blood pressure under control might try his hand on the cost of living.

Of 210 free public libraries in Canada today, 186 are in Ontario, while out of 280 association public libraries, this province has no fewer than 264. These and other interesting features were revealed at the twenty-third annual meeting of the Ontario Library Association.

The fifteenth Legislature of Ontario is to be dissolved on or about May 4, and the Provincial general election will follow in the last week of June. This announcement was made by Premier Drury to the Legislature when the House met Thursday afternoon.

Hats off to Tony Swartz, a trapper at Mile 60 on the Algoma Central Railway. A moose, deprived of food by the snow fall, staggered into his camp hungry and enfeebled to exhaustion. Swartz took pity on it and is feeding it until it can forage for itself. It is a pleasant reversal of man's habitual attitude toward game animals.

Canadians had a moment's relief when they saw the newspaper heading announcing that the deficit of the National Railways had been reduced by twelve and a half million dollars. But their hearts sank again when they read further down these same railways would still require seventy three million dollars out of the national exchequer this year.

Honesty does not mean merely that a man doesn't steal. It is even more important that a man's thoughts be honest with regard to his job, the obligation it imposes, and its demands for his honest best in capability. A man is as dishonest when he gives less than his best to his employment as he would be if he cheated by short-changing his landlord or his grocer. A shirker is a thief.

Glencoe Transcript says: We are pleased to note the change in our high school examinations. We have long felt that examinations did not provide sufficient reward for the faithful pupil who knew his work and yet undergo the same ordeal as the more careless ones. May the time soon come when for our younger boys and girls final examinations with all their terrors will be relegated to the past.

The Amherstburg Echo is glad to see several towns moving in the outlook for 1923 sport by determining to do away with so-called professional players and building up teams of home grown stock. This method will reduce the almost unthinkable expenditure of financing outside drafts, give an impetus to available timber at home, who need the training and awaken the old interest in sport for the love of the game and your personal acquaintance with the players.

The Attorney-General has a bill in the Legislature for the simplification of land titles. Its purport, Mr. Raney stated, had been carefully considered by the official law organizations. The intention of the bill is to bring forward the search of land titles from the Crown patent, at which the law now stands, to the year 1890. This would save immense labor and expense in the unending search of land titles back to Crown patent.

Edmonton Bulletin—Eighty-six persons were killed by automobiles in New York State during March. That is a frightful casualty list to come out of one corner of the continent for a single month. Everywhere, on both sides of the line, human life has cheapened as the autos have multiplied. Familiarity has bred indifference to the menace inseparable from fast traveling. It is time for a change. Lives are of more value than thrills, even when they happen to be lives of other people.

Is Your ad. in this paper this week?

Are times hard? Well not so very. The people of this province own 234,457 cars. Of this number 210,333 are passenger cars. The farmers are at the head of the list as owners. We are not so hard up as we think we are. We must learn to drive more cheaply. Every mile we drive our cars that does not yield us some return is money lost. But why preach economy? We must have our fling and experience alone will teach us the right thing to do.—Kincaidine Reporter.

The restrictions of the Government upon immigrants of former enemy aliens have been removed. The regulations, passed June 1919, placed a ban as to nationality upon Germans, Austrians, Hungarians, Bulgarians and Turks, have been cancelled, and in future, these former enemy aliens will be admitted to Canada as settlers upon the same basis as the citizens of other countries. It is understood that the action of the Government is defended on the ground that Canada is but following the example of England in her action toward these countries.

A Toronto dentist is being disciplined by the corporation known as the Royal College of Dental Surgeons of Ontario because he chooses to advertise his business. This is a matter in which the public may be called upon to take a hand. The Royal College of Dental Surgeons of Ontario has been granted certain powers in order that an adequate professional standard may be maintained. The public is interested in having efficient dentists, and for this reason has allowed a corporation which will find itself in danger of being shorn of its powers if it exercises them unwisely. Advertising is not a crime. If a dentist wants to let the public know that he possesses some special ability, or that he isn't in with the rest of the "profess" in the matter of prices, he has an absolute right to resort to advertising; and if the Royal College of Dental Surgeons of Ontario knows what is good for it, it will keep its hands off.—Goderich Signal.

THE "SUMMERLESS YEAR"

A correspondent of the Farmers' Sun recalls some particulars of the "Summerless Year" in Canada. This was the year 1816. The early spring, it is said, was promising enough, but snow fell in June, and from that till the next spring the earth was never quite free from winter conditions. There were no crops. The people lived chiefly on meat and fish—venison and fish one day, fish and beef the next. There were no vegetables and but little flour. Some of the settlers are said to have lived on porcupines, ground hogs and whatever other animals they could get. And apparently the "Summerless Year" was only one of several bad seasons.

SPRING FEVER IS A REAL SICKNESS

Physicians do not recognize any such disease as spring fever. They tell patients who diagnose their own cases as spring fever that they are suffering from indigestion, Addison's disease, elephantiasis or some other ailment which hasn't come within hailing distance of the patient plaintiff's household. Spring fever is a real sickness. In truth, it is home-sickness nothing else. If the doctors would look into the matter with the assiduity, if that is the word, that they are seeking the cause for sleeping sickness, influenza and some other things, they would find that spring fever is no hallucination, and that the victims were farm born, and later were betrayed basely by the delusion that city life was the thing, into quitting the meadow and the maple grove for the paved street and the lamp-post forest. The spring fever patients are homesick for the country. It would be an easy matter for doctor to prove the truth of what we hold if when the spring fever complainants come in he should ask them where they were born. It speedily would be discovered that no city-born man ever had the disease. If a born townsman complains of spring fever, it is simply a case of grouch or of something else which the doctors cannot determine.

Corns are painful growths. Holloway's Corn Remover will remove them.

ITEMS FROM FAR AND NEAR

Some Wise, Some Otherwise
Some Newsy, All Readable.

Aeroplane performances of 240 miles per hour must before long involve a great extension of the carriage of mail matter by plane. The steam engine is no longer in the running.

Over 20 per cent. of the population of Cochrane is down with typhoid fever. Water for drinking purposes is being brought in from a lake far outside the town limits, and is being sold at rate of two gallons for 25 cents.

Twenty-seven of the fiftyfour vessels comprising the fleet of the Canadian Government merchant marine are to be offered for sale. The vessels to be sold are of the smaller type, more suitable for coastwise than over seas trade, and yet not adapted structurally for economic operation through the Canadian canal. Most of them are in operation on the upper lakes.

The farmer sells a load of wheat and all the world grows fair and sweet. He hums a couple cheerful tunes and pays the grocer for his prunes. The grocer, who has had the blues, now buys his wife a pair of shoes. That ten the shoeman thinks God-sent, and runs and pays it on the rent. Next day the rent man hands the bill to Dr. Carver for a pill. And Dr. Carver tells his frau that business is improving now and cheers her up and said, "My dear, you've been quite feeble for a year. I'm thinking you should have a rest, you'd better take a trip out west." And in a couple of days the frau is on the farm of Joshua Howe, who takes the bill and says, "I swear, here's something that I just can't beat! This bill's the one I got for wheat." He hums a couple cheerful tunes and goes and buys a lot more prunes.

Canada is looked upon by the less bountiful and more thrifty countries of Europe, as a land of great extravagance and waste. In Paris, long before the householder is awake, a whole army of scavengers and gleaners has passed through his back lane and ransacked his garbage tins, some collecting hair, some rags, some bones. By eight o'clock in the morning there is very little left for the regular department to carry away. Modern science has discovered ways of turning almost every kind of rubbish into something. Refuse is burned in specially constructed furnaces, and the heat produced generates steam to drive the dynamos that produce electric light. The ashes are used to make concrete. Soapuds instead of flowing away to pollute the streams and river, are strained, mixed with lime, and pressed into fuel bricks which give out a greater heat than coal gas would produce. The carcass of a horse may be put to almost endless uses. The hair is woven into haircloth, or used to stuff mattresses. The hide makes good leather. Glue and gelatine are obtained from the tendons. The bones reappear as knife handles, and buttons. Other by-products are prussiate of potash, and artificial manure. Fish scales are the material from which some of the most beautiful artificial pearl are manufactured.

She sed if you new how hard it is for me to get money out of my husband you wood say I ernt it. Uncle Hen is a old Bachelor and owns a race Horse.

Tuesday—I was telling Jane that Uncle Hen's horse had win the Derby last winter down to New Orleans, and she sed Well what in the world does a horse want with a Derby, they cant wear them can they. I answered her in Latin & sed Packs of Biskets witch means Peace be with you.

Wednesday—Ma woodent let me wear my new pants today and I had a notion to spill ink on my old ones. But I dident. I dissided it wassent enny use to bitein gup yure face to spike yure nose as the proverb goes.

BABY'S OWN TABLETS ALWAYS IN THE HOME

Once a mother has used Baby's Own Tablets for her little ones she always keeps a supply on hand, for the first trial convinces her there is nothing to equal them in keeping children well. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach, thus driving out constipation and indigestion, colds and simple fevers and making teething easier. Concerning them, Mrs. Saluste Pelletier, St. Dumas, Que., writes:—"I have used Baby's Own Tablets for the past ten years and am never without them in the house. They have always given the greatest satisfaction and I can gladly recommend them to all mothers of little ones." The Tablets are sold by medicine dealers or direct by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

When a mother detects from the writhing and fretting of a child that worms are troubling it, she can procure a reliable remedy in Miller's Worm Powders which will expel all worms from the system. They may cause vomiting, but this need cause no anxiety, because it is but a manifestation of their thorough work. No worms can long exist where these Powders are used.

Who is he?

Who is the man in the private office?

He is—the man your salesmen are afraid to stop on the street;

—the man who is always "out" or "busy" when they call;

—the man who never replies to your letters making special offers;

—the man who ignores your telegrams.

Somebody has called him on Long Distance. He does not know yet who it is, but he is as polite as if he anticipated favors!

Long Distance gets in where salesmen fear to tread. Planned Long Distance campaigns get past every barrier.

Fretful Little SKIN SUFFERERS

Fretful crying babies are often upon examination, found to be suffering from some form of skin irritation or "heat." Zam-Buk—Nature's pure herbal balm, is a magical soothing and healer for these troublesome skin humors. "Mothers! Save your little ones lots of unnecessary suffering by using this grand herbal Zam-Buk," says Mrs. F. Gervais, of 126, Bleury St., Montreal. "The rash on my baby's skin made her very fretful and caused her to lose weight. When the doctor's lotion had failed I took the child to a second medical man but with no better result. "A friend urged me to get Zam-Buk, and in a week's time this balm soothed and purified baby's skin and made it look much better. Before the month it brought it to beautifully soft healthy condition. \$2 worth of Zam-Buk did this when \$30 of doctors' treatment failed." Get Zam-Buk from your dealer to-day!

"AND just then," said Switzerland, in Canadian Pacific Roel Bergschlund. "And did it bark at you do they bleat?" "Ach, no. A bergschlund huge crevasses where the rock wall and cracked. we came to was a chimm ness. It means bracing and your feet against the call on this side's the shim icicles fifteen feet long! It is a great life, this especially higher up where gine a river of ice with 1,000 feet. Great crevasse."

The

Taking the Roof of Canada.

The glacial rockies as a movie location.

"AND just then," said Otto Paul Schwarz, of Switzerland, in describing a trip in the Canadian Pacific Rockies, "we saw a huge Bergschlund."

"And did it bark at you?" he was asked. "Oh, do they bleat?"

"Ach, no. A bergschlund is not a bird. It is a huge crevasse where the ice has slipped down the rock wall and cracked. The next stumbling block we came to was a chimney. This is a hard business. It means bracing your back against one wall and your feet against the other and doing what you call on this side 'the shimmy' till you get to the top. Icicles fifteen feet long hung above us."

It is a great life, this one of mountain climbing, especially higher up where the glaciers are. Imagine a river of ice with a depth of something like 1,000 feet. Great crevasses reach down, it seems,

to the bowels of the earth, peaks and minarets rise from its uneven surface and glisten in the sun which can never warm them; a giant green-white force, irresistible, stupendous, with an alluring fascination which the lovers of the outdoors cannot deny.

The picture above was taken on the "roof of Canada" near Banff, and the huge glacier which the party is traversing will, in years, perhaps help to make fertile the prairie plains. Travelling at the rate of about four inches each day, nothing can hold it, but another generation of mountaineers will have come and gone before the ice on which the climbers stand will have found its way down to the warmer valleys where it will melt; and in the meantime, snow from the even higher peaks will press and pack and so, so far as the present day world is concerned, the life of this wonderful natural force is without end.

BOSANQUET COUNCIL
Council met on the 9th inst. All the members present. Minutes of last meeting were read and confirmed. Notice was received per solicitor that Theford is appealing against engineer's assessment for the repair of the Nesbit drain.

The engineer's report for the repair of the Shawana Drain was read, considered and adopted.

The engineer's report for the repair of the Coultis Drain was read and considered and laid over for further consideration.

The owners of the high lands assessed for the Nesbit Drain are appealing against the assessments.

The following orders were given: Chas. Catt \$10 for work on the Evans Drain; Wm. Dobbie \$2 balance due on sheep worried; Jas. B. Palmer \$2.65 for registration of Canada Co. drain by-law; A. A. Dewar \$16.10 grant to the county Corn Show; Thos. Blunden \$1000.00 for tile for the Coultis drain; Wm. Bryant \$147.25 for printing auditors reports and part 3 of the 1922 Voters List, and \$31 for printing Canada Co. drain debentures and \$3.18 for postage on Voters Lists, and G. Sutherland \$15.03 for express charges, telephones, stamps and postage.

A petition was received from M. E. Elliott asking for a drain to drain his land lot 42 and south half of lot 41, L.R.E. and the clerk was instructed to notify A. S. Code to examine the area etc.

The clerk was instructed to notify G. A. McCubbin to proceed under the Municipal Drainage Act for the better improvement of the Hill and Hodgson drains, and also the improvement of the drain along the County road in front of lots 81 and 82 in the L.R.E. con.

A by-law was passed appointing the same township officers as last year except that Andrew Ross is appointed Pound keeper in place of Guy Boyd and Jas. Lawrie in place of the late Isaac Palmer. The collector's salary was fixed at \$150.00 and postage. Mr. Shepherd was appointed to look after the tile in the Forest Cement Tile Co's yard.

O. Walden and R. D. Thomson were appointed a committee to look after the interests of the township in the appeals to the Referee re the Nesbit Drain. Council adjourned to meet on Monday the 23rd inst at one o'clock p.m.

G. Sutherland Clerk.

HOW'S THIS?

HALL'S CATARRH MEDICINE will do what we claim for it—rid your system of Catarrh or Deafness caused by catarrh. We do not recommend it for any other disease.

HALL'S CATARRH MEDICINE is a liquid, taken internally, and acts through the blood upon the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions.

All Druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

Sores Flee Before It.—There are many who have been afflicted with sores and have driven them away with Dr. Thomas' Electric Oil. All similarly troubled should lose no time in applying this splendid remedy as there is nothing like it to be had. It's cheap, but its power is in no way expressed by its low price. m

GENTLE REMINDERS

- Don't get discouraged. It's often the last key in the bunch that opens the lock.
- Don't sit down and take what comes, go after what you want.
- Don't overdo "dignity," be natural, be human, be unaffected.

PALE FACES AND WORN OUT NERVES

Due Solely to Weak, Watery Blood—A Tonic is Needed.

Anaemia—literally impoverished blood—comes on so stealthily that it is often well advanced before its presence is recognized. Feelings of fatigue and discomfort are the earliest manifestations of the trouble and these are seldom taken seriously. Gradually small tasks become a effort and exertion causes the heart to palpitate violently. The complexion becomes sallow or pale and there is loss of weight. The nerves grow weak and the victim displays irritability under slight provocation and is extremely sensitive to noise. The appetite is fickle and indigestion often follows.

A condition of anaemia calls for a tonic, one that will enrich the blood and strengthen the nerves, and for this purpose there is nothing as equal Dr. Williams' Pink Pills. These pills give the blood all those missing elements necessary to give strength to the nerves, color to the cheeks and nourishment to starved organs and tissues. Miss Margaret J. Fraser R.R. 2, Thessalon, Ont., has proved the value of this treatment. She says: "I was very pale and weak. My blood was poor and I was very nervous. I lost my appetite, my feet and ankles were swollen and I was in a very miserable condition. A friend advised me to try Dr. Williams' Pink Pills and I got two boxes, and found before they were finished that they were helping me. I continued the pills until I had taken a half dozen boxes, with the result that I am now enjoying the best of health, all symptoms having disappeared. I feel confident that what Dr. Williams' Pink Pills did for me they will do for others, if given a fair trial."

You can get these pills from any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

BOOTS, TEA AND WHISKEY

The Orillia Packet notes the discovery of an account for various provisions purchased in 1867—the year of confederation. They included a pair of boots at 75c, a pound of tea at \$1.00, and a half-pound of tea at 45c.

That a pound of tea should cost more than a pair of boots seems rather strange to us at the present time, but it is doubtless explained by the difficulties of transportation during that period. Boots were a home product.

More than half a century earlier, in the Gazette and Oracle of 1919, advertisements appear which quote the price of tea in Toronto at 19s per lb. for Hyson, 14s for Souchong, and 8s for Bohea. Even if the New York shilling of sevenpence halfpenny was meant, these prices would range from \$1.20 up to \$2.85 per lb.

But beverages were not all priced accordingly. Even in the Orillia account of 1867, there was itemized a half-gallon of whiskey at 60c. It was sold as a matter of course along with "other groceries." Times have changed when the price of Whiskey at a Government Dispensary is today \$4.25 per quart.

In the "good old days" 75c would buy a pair of boots, three-quarters of a pound of tea, or five pints of whiskey. No doubt it lay between the boots and the whiskey as to which gave the most "kick" for the money.

Asthma No Longer Dreaded.

The dread of renewed attacks from asthma has no hold upon those who have learned to rely upon Dr. J. D. Kellogg's Asthma Remedy. So safe do they feel that complete reliance is placed on this true specific with the certainty that it will always do all that its makers claim. If you have not yet learned how safe you are with this preparation at hand get it today and know for yourself. m

The Ford Has Passed Them All

IN ten years the Ford Car has passed the street car, the horse and buggy and the locomotive as a means of transportation.

The Ford has given the public transportation which combines all the advantages which other methods offer with none of their disadvantages.

It is giving the railroads real competition in fast cross-country transportation.

It has ousted the street car in ready convenience and low mileage costs.

It has pushed the horse and buggy completely into the discard in low-first cost and low maintenance costs.

The number of people who buy Ford cars will set the price of Ford cars.

CHOP STUFF
 Navigation on Lake Huron was opened April 10th. Last year it opened on the 12th.

An Oxford County farmer fed the meat of dead calves to his hogs and was fined \$25 and costs.

The flax mill recently burnt down at Alvinston will be rebuilt on the property where the old one stood.

T. W. Crealy, Strathroy, died last week in his 87th year. He was a native of Caradoc and at one time had a photograph gallery in Strathroy.

The death of Mrs. Thomas Hancock, an old resident of Bosanquet, occurred at El Granada, Cal., at the age of 78 years, 9 months and 10 days.

The marriage took place quietly at First Presbyterian church manse, Chatham, of Stephen Kelly of Newbury, and Miss Agnes E. Rowson of Bothwell.

The old power house and equipment at Alvinston has been purchased by Harry Grooms who will tear down the brickwork and use the material to enlarge his garage.

The Mersea Township vault in the Union Hall in Leamington was robbed last week of \$453. The money was the result of tax payments made to J. J. Lattam, Township Treasurer, the previous Saturday.

The death occurred at her home in Thamesville on Monday, April 2nd, of Mrs. Charles Wall, formerly Miss Hazel Dobson of Glencoe, in her 26 year. The funeral was held at Thamesville on Wednesday.

The residence of Roy Carroll, farmer and drayman, on the sixth line of Moore township, just east of Mooretown, was completely destroyed by fire about 2 o'clock Sunday afternoon while the family was in the village. It is believed that the fire came from a defective stovepipe.

A pretty wedding took place at the home of W. H. McBryan, Detroit, on Tuesday, April 3rd, when his niece, Miss Gertrude Mary Stevenson daughter of Mrs. John Menhennick of Bosanquet, became the bride of Dr. Werner K. Kersten, of Detroit, in the presence of only intimate relatives.

The Windsor city council, Monday night approved of the expenditure of \$12,000 to institute a system of supervised, organized play. Ald. McTavish, chairman of the special Recreation Committee, explained that the money would be spent under the direction of a committee of the council.

Twenty Belgian farm laborers have arrived at Chatham to work on hand owned or rented by their compatriots in that vicinity. It is expected that several more will arrive within the next few days. During the past few years Belgians have acquired many farms in Kent county and are among the most prosperous farmers.

John A. Ford, age 31, residing in Enniskillen township, was fatally injured Monday night while engaged in raising an oil pump. A large pulley at the top of the derrick, said to be about 45 feet high, became loose from its fastenings and fell. In its descent it struck Ford a glancing blow on the head, causing concussion. He died within an hour.

The construction of the proposed hydro electric line from Sarnia to Corunna and Courtright will be started shortly. The construction of this line would afford power and light service, not only to the people living in Corunna and Mooretown and Courtright, if it is extended to the latter villages and to the resorts where people spend the summer months on the St. Clair river.

Angus Morrison died at his home 12th con. Bosanquet Tuesday morning of last week. He had been in usual health on retiring Monday evening. On Tuesday morning he decided to remain in bed for a time and Mrs. Morrison arose and prepared breakfast for the son, Gordon, who had been attending to the chores.

On going into the bedroom a short time later she spoke to Mr. Morrison and receiving no answer she discovered that life had departed, death being due to heart failure. Deceased was in his 67th year. The funeral took place to Beechwood cemetery for interment.

The death occurred in Wyoming, Saturday, of Mrs. James Gould, in her 88th year. Mrs. Gould had been suffering with pneumonia for the past few weeks and her recovery was assured when she was suddenly stricken with paralysis. Mrs. Gould is survived by her husband and a daughter, Mrs. Sam Lucas. She was previously married to Mr. Zachariah Jackson, by whom she had 12 children, 5 boys and 7 girls, 11 of whom still survive. They lived on 12th line Enniskillen. She married Mr. Jas. Gould about 19 years ago. The funeral took place Tuesday afternoon at her late home and conveyed to Wyoming cemetery for interment.

Ill For Two Years; Dreco Cured Her
 London, Ont., Woman Tells About Her Suffering and What One Bottle of This Famous Remedy did for Her; a Story That Every Woman Should Read.

"For two years," says Mrs. Albert Hetherington, of 504 Pall Mall street, London, Ont., "I have taken medicine for kidney and liver troubles. I was subject to constipation for 14 years, constantly taking a laxative for relief. My nerves were so bad I couldn't stand hearing even the slightest noise. I just had a feeling that I wanted to get away from everyone. The pains in my muscles were very severe and I could not rest nights. My appetite was not good. I had pains across my back, over my kidneys, and I felt tired and worn-out all the time.
 "It is a fact that one bottle of Dreco has benefited me more than any other remedy I have ever taken. I am indeed glad to recommend it. It just seems that Dreco has gone to the root of my troubles, and now I can do some housework, a thing that has been utterly impossible for months. My nerves are beginning to be steady, my bowels more regular, I feel more like eating and the pains in my muscles and back are much better."
 "You women who suffer, who have 'nerves' who have pains in the back and are run down, will find the same relief in Dreco that Mrs. Hetherington found. At least, Dreco is worth a trial.
 Dreco is being specially introduced in Watford by Siddall's Drug Co., and is sold by a good druggist everywhere.

TWO THINGS THAT HURT THE EYES
 A person has been known to "I have ruined my eyes by reading too much." Not so—the eyes are made to use. One sure way to permanently injure the eyes is
READING BY INTENSE LIGHT
 The light should come through ground glass to soften it. Never clear glass for either gas or electricity. Oil lamps give out a soft light therefore clear glass chimneys.
READING BY DIM LIGHT
 Take our advice—do not read by a dim light—it will be a great strain upon the sight centre of the brain. On these two things the fundamental laws of sight are easy. Never use cheap or picture glasses—come to us for advice on things optical.
 Everything needful here.
 Take good care of your vision!

TWO THINGS THAT HURT THE EYES

A person has been known to say, "I have ruined my eyes by reading too much." Not so—the eyes were made to use. One sure way to permanently injure the eyes is

READING BY INTENSE LIGHT

The light should come through ground glass to soften it. Never use clear glass for either gas or electricity. Oil lamps give out a soft light, therefore clear glass chimneys.

READING BY DIM LIGHT

Take our advice—do not read or sew by a dim light—it will be a direct strain upon the sight centres of the brain. On these two things hang the fundamental laws of sight economy. Never use cheap or pick-up glasses—come to us for advice about things optical.

Everything needful here.

Take good care of your vision!

Mr. C. M. Fitzgerald,

Dear Sir:

"The Radio Set that I purchased from you has given me splendid service. During the winter months, with sickness in the house, it was a constant source of pleasure and profit. I think perhaps I am the only one in this locality who has distinctly heard Havana, Cuba, 1400 miles. Stations in Georgia, Texas, Oklahoma, Nebraska, Iowa, Dakota and Minnesota are often heard. Sunday services in Detroit, Schenectady and Pittsburgh come very plainly. I would not like to be without the radio now.

The quality of programs is such a high class generally."

Yours sincerely,

Thos. Martin.

This is only one of the many sets I have installed, all of which are giving pleasure to their enthusiastic owners. Why neglect getting your set any longer.—Chas. M. Fitzgerald, Watford.

WHERE LITTLE PIGS GO

Too Many Young Pigs Are Eaten by Their Mothers.

How Bill Smith Overcame the Trouble—Give the Sow a Balanced Ration—Just Practice Intelligent Feeding—Rationing the Sow.

(Contributed by Ontario Department of Agriculture, Toronto.)

Tom was "blue." Having just returned from the swine-pen, where he had gone to inspect a new litter of pigs, he found that five had disappeared. The unnatural mother had eaten them. "The pig must be a strange animal," he reflected. "It must have been pure 'cussedness' that caused her to eat her offspring. She was well fed, too, on corn and wheat shorts; hunger could not be at the bottom of this infanticidal case."

Tom went about his work mumbling to himself as to what could be the matter. Nearly fifty little pigs had been lost by such cannibalism during the two preceding years.

Find Out the Weak Spot.

"Where is the weak spot in my system of feeding swine, anyway," he questioned himself. "I will go over and see Bill Smith, the most successful pig man in the district, and see if he can clear up this pig-eating business that is causing me so much loss."

"Good morning, Tom. What makes your face look so long and your nose so blue this morning," quoth Smith, as he looked at his visitor's glum countenance.

"I had another experience with a pig-eating sow," said Tom. "Five more pigs gone this morning, and I can't make it out. The sow was liberally fed on corn and shorts. I want to get at the bottom of this trouble, so I have come over to ask you your experience, as I suppose you have had losses the same as I have."

How Smith Overcame the Trouble.

"Well, Tom, I would be glad to give you my experience in this case though luck I used to lose a lot of pigs in this same way up to about two years ago, when I suddenly tumbled to what the cause of it all was, and applied a remedy that has proven a success in stopping the sows eating their young pigs."

Tom brightened up and became very much interested. "What's the secret?" he asked.

"Well, you see, it's like this: Pigs in the wild state or running in the woods usually get what their systems demand, in the variety of food supplied by the great range of living things on which the pigs feed naturally. Pigs pounce up have to take what we give them, and if we neglect to supply a sufficient variety of food containing all the essentials necessary to satisfy the demands of the pig, trouble will follow. And that trouble is usually manifested in the eating of the young pigs to satisfy the craving for meat or protein food."

"That all seems reasonable enough," said Tom. "But tell me, how do you satisfy the pig's demand for meat or protein foods?"

Give the Sow a Balanced Feed.

"Simply this. Balance up the sow's feed from the start, using alfalfa hay, meat meal or digester tankage as the source of protein and phosphates. Feed alfalfa hay whatever the pigs will take. Feed tankage or meat meal, using one pound of each ten pounds of grain feed, either mixed with the grain or fed ad lib. from a self-feeder. If the sow eats her babies, Tom, it's your fault. Do as I have told you. Supply the demands of her body in the food you give her, and then she will be normal and the pigs safe."

Just Practice Intelligent Feeding.

"Thousands of young pigs are lost every spring through the neglect to feed intelligently. Nobody ever saw a slaughter-house fed sow destroy her young. Meat or protein in some form must be fed to mother pigs or there will be trouble."

"I see it, Bill, and I'll do it, too, from now on, and save the youngsters for bacon," said the new thoroughly enlightened and delighted Tom.—L. Stevenson, Secy Ontario Department of Agriculture.

Rationing the Sow.

Rationing the sow is the surest way to forestall trouble. Overfeeding at farrowing time makes her feverish and nervous; more likely to trample her offspring and less able, often, to secrete milk properly.

Don't feed the sow at all during the twenty-four hours before farrowing, and during the week prior to that keep corn out of the ration. Corn is an especially heating feed. Instead, feed ground oats, barley or bran, any one or two of these, or all three if you like.

And don't feed the sow at all for from twelve to eighteen hours after farrowing. After that, even, go slow, taking from a week to ten days to get the animal back on full feed.

Scours in young pigs is one of the troublesome conditions which arise from faulty feeding of the mother. Next in importance to rationing comes condition of the pen. Clean, dry pens do much to prevent digestive disorders and rheumatism in both the sow and the pig.

WEST ADELAIDE

Miss Myrtle Bennett is visiting her sister, Mrs. Wilbert Murray, Keyser. We are glad to know Mr. Joseph Keyser is improving after his accident.

Miss Zelma Conkey is visiting at the home of her sister, Mrs. J. L. Pennington, second line north.

Miss Marion Grogan, nurse-in-training at Strathroy Hospital spent last week at her home, Keyser.

Don't forget the date April 24th. You won't be disappointed in the play "An Old Fashioned Mother." Its good. Some home talent too, in West Adelaide Presbyterian church on Tuesday evening, April 24.

The W. M. S. met on Thursday, April 12th, in W. A. Presbyterian church. There were eighteen members and four visitors present. L. A. collection \$1.80 also an Easter offering. The meeting consisted of the usual devotional exercises, some business and a solo by Mrs. Chester Orr. The next meeting will be held on Thursday, May 3rd, at the home of Mrs. Robert Ball. The quilt blocks will be sewed together at this meeting.

Thanking you in anticipation, I am yours truly, ARTHUR WARREN.

A meeting of the Fruit Growers of this district was held in Arkona on April 18th. The speakers were J. P. Carey, on Imperial Show and British Markets. R. R. Waddle, on Pruning and Spraying. F. L. Gabel, on Cooperation, Markets and Fruit Marks Act. A demonstration was given in barrel and box packing. W. P. Macdonald, agricultural representative, had charge of the meeting.

The funeral of the late Mrs. Walter Woolvett was held Tuesday afternoon from the home of her parents, Mr. and Mrs. Chas. Zankey, to Arkona cemetery, a very large concourse of sorrowing friends and neighbors gathering to pay their last tokens of respect to a most worthy member of the community.

The large audience assembled in the Methodist church here on Tuesday evening, April 10th, enjoyed a rare treat when the drama "An Old Fashioned Mother" was presented by the young people of Zion Methodist church, Warwick. The play itself is distinctly high-class, rich in pathos, intensely amusing in parts, clean and wholesome throughout, and these young people, as actors, are artists everyone, so that should they ever see fit to visit Arkona again on a like mission they may be assured of a good reception. An especially pleasing feature of the program was a fine vocal solo with encore, given by Mr. Gerald Robertson of Warwick.

THE LATE MRS. SAMSON OF BROOKE

On Thursday, March 22nd, death claimed an esteemed resident of Brooke, in the person of Mrs. Annie Goodwin Samson, relict of the late Benjamin Samson.

The late Mrs. Samson was in her 72nd year, and came from England to Canada at the age of ten years, with her uncle and aunt, the late Rev. and Mrs. James Goodwin, who held circuit at Wardville, Leamington, and other places.

She was married in 1879, to the late Benjamin Samson, who predeceased her fifteen years, residing in Brooke the past eighteen years, coming from Glencoe. She was a life-long Methodist and had firm faith in the Lord. Of her it may be truly said, she fought a good fight, she finished her course, she kept the faith.

She leaves to mourn her loss; two sons and four daughters: Gladstone, of Hazen More, Sask.; John at home;

Mrs. R. J. McNeil, Mrs. T. N. Galbraith and Miss Hattie—all of Swift Current, Sask.; and Miss Ella of Glencoe.

The funeral was held on Saturday March 24th, from her late residence lot 13, con. 2, Brooke, service being conducted by Rev. Snell of Alvinston. Interment was made in Oakland cemetery.

ALVINSTON

Mr. Geo. R. Whitton was a London visitor last week.

Mrs. M. A. Temple is visiting with relatives in Detroit.

Mr. Frank Pavey spent a few days last week in Mt. Brydges.

Mrs. Wm. Code of Windsor is visiting with relatives in town.

Mr. Tom Park has purchased a new Gray car from Mr. Harry Grooms, agent.

Miss Nellie Farrel spent the week end as the guest of her parents in Glencoe.

Mrs. Gordon Luckham and children spent the weekend with friends in Sarnia.

Mrs. Peter Growder spent a few days last week with friends in Wyoming.

Mrs. Wm. McNally is spending a few days as the guest of her daughter in Sarnia.

Mrs. Stanley Weld spent a few days last week as the guest of Miss Olive Tedford.

Mr. and Mrs. John Chambers spent a few days last week as the guest of relatives in London.

Miss Majorie McEachern, of Glencoe, is visiting at the home of her grandmother, Mrs. Susan Genge.

Mr. and Mrs. Hugh McAlpine and son Jack, spent a few days last week as the guests of Mr. and Mrs. Fred Benner.

Mr. and Mrs. Walter Brownlee moved their household effects and farm stock to Mt. Brydges last week where they have rented a farm.

Miss Eugenia Benube returned to her home in St. Thomas after visiting at the home of her cousin, Miss Mary Gibson.

Mrs. Susan Genge has returned home after spending the winter months at the home of her daughter, Mrs. Sam Howard, of Kitchener.

The many friends of Mr. John Hudson will be glad to know that he is improving after his recent illness at the home of his sister, Mrs. Jacob Risk.

Mr. Harry Grooms is moving into the house recently vacated by his father and Mrs. Duncan Livingstone and family will occupy the house recently occupied by Harry Grooms.

Mr. and Mrs. Joseph Grooms have moved their household effects to Aylmer where they intend making their new home. Mr. Grooms will be manager of that branch of the Dominion Cannery.

Work has begun on the ground recently purchased for a cemetery, staking of the lots, and as soon as the weather will permit seeding operations will begin and the lots offered for sale.

Mr. and Mrs. Joseph McTaggart moved into the house of Mr. H. L. Bindner and recently occupied by Leslie Duffy, after spending two years on the farm of Mr. Frank Lovell.

Mr. and Mrs. H. E. Paull left on Saturday for their new home in Morrisburg. Mr. D. H. Dredge, of London, will succeed Mr. Paull as manager of the local branch of the Molson's Bank.

The remains of the infant son of Mr. and Mrs. Frank Evans of Detroit was brought from that place to the home of Mr. and Mrs. White, Euphemia, where funeral services were held, interment taking place in Alvinston cemetery.

Word was received this week that Alvinston is to have a new flax mill in the near future to replace the one destroyed by fire a year ago and the local manager is soliciting acreage for the flax now. The new mill will employ many men both summer and winter which will relieve the unemployment situation to some extent.

The Y. P. A. of St. James' Anglican church held a very successful mock trial entitled "The Henpeck Chicken Case" in the Parish Hall on Thursday evening. The hall was filled to capacity and a very pleasant evening was spent. The players took their parts exceptionally well and D. T. Appleton as judge and E. E. Showler and Wm. McClung as lawyers carried out their parts in a very able manner and deserve special credit for their work.

Warts on Horses.

Warts are very difficult to eradicate, especially situated near the mouth or eyes. The exact cause of such growths is unknown, but no doubt indicates abnormal nutrition of the affected skin. Irritation of the skin may be a contributory cause. The warts with small necks can be twisted off or hauled with a silk thread, when they will drop off. Masses of small warts will disappear in time if smothered daily with a thick paste of equal quantities of cold-pressed castor oil, salt and flowers of sulphur.

OBITUARY

(From Harbor Beach Times)
The death occurred on March 23rd, of William Caughlin, at his late residence in Huron County at the age of 79 years.

The late Mr. Caughlin was born at Watford, Ont., in the year 1844. In 1880 he married Miss Margaret Melody, who predeceased him 22 years ago. The union was blessed with a family of four sons: Michael, Felix, William and John, and two daughters Mrs. Christopher McCarthy of Clanson, Mich., and Anna, who died at the age of 14 years, two years previous to the death of her mother. In 1884 he moved with his family to Michigan, where he has since resided. The deceased had been in failing health for the past three months having contracted gangrene in his left foot and although the best medical care was obtained to relieve his suffering, he passed peacefully away on Friday evening.

The funeral was held on Tuesday morning at 9 o'clock from his late residence to Our Lady of Lake Huron church, Harbor Beach, where requiem high mass was sung by Rev. Fr. Fleming, thence to Ruth cemetery for interment.

Besides his sorrowing family there is left to mourn his loss, two sisters, Mrs. Bridget Cox, Pt. Huron, and Mrs. Thos. Gavigan, Watford.

Those from a distance who attended the funeral were Mr. and Mrs. John Caughlin and Mrs. Christopher McCarthy, Clanson, Mich., Mr. and Mrs. James Cox, Miss Mary and Chas. Cox, Pt. Huron, Mrs. Thomas Gavigan, Miss Kate Gavigan, Miss Lena and John Caughlin, Watford.

THE LATE WM. LEITH OF ENNISKILLEN

William Leith, 6th line of Enniskillen, died Saturday at the age of 86 years. Mr. Leith was born in Enniskillen, Ireland, in 1827 and came to this country at the age of 40 years. During the first five years in Canada he made his home with his uncle, William Brock, father of the late Robert Brock, who lived on the eighth line of Enniskillen. He then purchased a fifty acre bush lot which is his present homestead, part of lot 3, concession 7, Enniskillen. He cleared this lot, chopping and burning the timber unaided and then purchased one hundred acres more, adjoining part of lot 4, which he also cleared. Mr. Leith cleared the timber off this land without the assistance of a team of horses. For many years he carried his butter, eggs and produce to Petrolia. He married Isabella Bachelwain in 1866 and a family of two girls and four boys blessed the union. He is now survived by his wife and her four sons. The sons are, Charles and Thomas at home, William, 8th line west, and Robt. of Sarnia. Mr. Leith had a very plucky and industrious disposition. He was an excellent conversationalist and respected highly by his neighbors. He is well known all over Enniskillen. Mr. Leith was a life long Conservative in politics, a staunch Orangeman and a devout Methodist in religion. The funeral took place Tuesday afternoon from his residence, lot 3, con. 7.

PETROLIA

Mrs. Josh whose death was mentioned last week, passed away after an illness of several months. She was born in England and was married to Mr. Josh about 20 years ago, having met him while he was on furlough in England. The deceased lady was highly respected and has many friends in Petrolia and vicinity who mourn her loss, she is survived by her husband.

Roy Smith appeared before Magistrate Woodrow on Tuesday on a charge laid by an Oil Springs father of selling liquor to his son. The latter claimed he purchased a bottle of moonshine from Smith paying \$4 for it. It made him ill. Smith denied the sale and with the assistance of his brother William and Hugh Bruton proved an alibi. The case was dismissed.

Major G. G. Moncrieff left last night for California via Chicago and will return by Vancouver and the Canadian West about June 1st.

Petrolia races will be held on Wednesday, June 27. Thos. Eady is president of the meet and W. W. McRee, secretary.

WANSTEAD

Miss Mary Parker spent the weekend in Sarnia.

Mr. Sussex, C.N.R., agent here has been on sick leave, Mr. Bradley is relieving.

Mr. J. F. Lawson, Detroit, spent Sunday at his home here.

The Wanstead Farmers' Club shipped 126 hogs here Saturday. On instructions received from Head Office Toronto. These hogs were billed through to the United Farmers' Co-operative Co., Montreal, which bears out the claim that the Co-operative Co., by bringing in outside buyers have succeeded in keeping the price of hogs from a dollar to a dollar and a half higher than they otherwise would be. They will load again Saturday, April 24.

The Club expects several carloads of coal about May 1st. This is best quality coal. Better book your order with the secretary. They have also unloaded a car of cedar shingles.

DEATH OF PLYMPTON PIONEER

There passed away on April 9th, at her home, Forest, an old and highly respected resident of the community, and the last remaining member of the Dolmage family, in the person of Elizabeth Dolmage, relict of the late George O'Neil, aged 87 years and 6 months. He was born in Queen's county, Ireland, and came to Streetsville, Canada, when fourteen years of age, and remained there three years, then coming to Plympton, where she resided until five years ago when she moved to Forest. The deceased has been able to be around until six weeks ago, since then she has been confined to her bed. The funeral was held on Wednesday afternoon from her late residence to Beechwood cemetery, the services being conducted by Rev. George Jewett assisted by Rev. Walker. The bearers were Sidney, Albert, Anson and Wesley Dolmage, Daniel McKinlay and Adam O'Neil. She leaves to mourn her loss, one daughter, Annie, at home, and a step-daughter, Mrs. Archie McPhedran of Kingman, Alberta.

Ernest Barnes has accepted a position in Detroit.

Miss Janet McKinley of Aberarder is visiting her sister, Mrs. J. M. McKenzie, and niece, the Misses McBean this week.

Wm. Maidment has accepted a position in Detroit. He was accompanied to the city by his mother, Mrs. H. Maidment.

John Farrell, who supervised distribution of British farm immigrants at London last spring, will officiate again this year if he will accept. This information was announced recently at the colonization branch of the department of agriculture. He will be appointed as from April 15. Small parties of farm laborers and domestics for Western Ontario are expected any time now.

LAMBTON COUNTY SUFFERS FROM LACK OF HIGHWAY

Petrolia, April 16.—Representatives from various municipalities affected met here Saturday afternoon further to discuss the proposed Provincial highway. In Lambton county at present all main travelled roads and Provincial highways run east and west.

Last year a movement was started to secure a Provincial highway to run north and south through the county. The proposed Provincial highway will join up the Sarnia and London Provincial highway in the north with Longwood Provincial highway in the south. The highway as proposed will be from Reece's Corners on the London road by way of the 15-16 sideroad through Wyoming, Plympton county road through Enniskillen and the seventh concession to Rutherford, thence to Longwood road. This road as proposed is the most direct route from Lake Erie to Lake Huron, serving as a main highway or trunk road through the most fertile portion of western Ontario, which at present is retarded in development on account of lack of a proper highway.

A deputation is being organized to wait upon the Minister of Highways to press upon him the necessity of designating this highway at once.

SEVEN YEARS OF TORTURE

Headaches and Indigestion Ended By "Fruit-a-tives"

The Marvellous Fruit Medicine

Like thousands and thousands of other sufferers, Mr. Albert Varner of Buckingham, P.Q., tried many remedies and went to doctors and specialists; but nothing did him any good.

Finally a friend advised him to try "Fruit-a-tives"—now he is well. As he says in a letter:

"For seven years, I suffered terribly from Headaches and Indigestion. I had belching gas, bitter stuff would come up in my mouth, often vomiting, and was terribly constipated. I took Fruit-a-tives and this grand fruit medicine made me well."

50c. a box, 6 for \$2.50, trial size 25c. At dealers or sent by Fruit-a-tives Limited, Ottawa, Ont.

Asthma Victims.—The man or woman subject to asthma is indeed a victim. What can be more terrifying than to suddenly be seized with paroxysms of choking which seem to fairly threaten the existence of life itself. From such a condition Dr. J. D. Kellogg's Asthma Remedy has brought many to completely restored health and happiness. It is known and prized in every section of this broad land.

Tourists Help Develop Ontario

1. A Typical Bungalow Camp at Emerald Lake. 2. This from the Nipigon. 3. A Vista of the French River.

MOST of the newer parts of Canada have received their first impetus toward development through the tourists. In many cases it has been the tourists that have first gone in to spy out the land. They have found it good, and, by the trade which they brought in, have encouraged settlers to set up their homes with the result that the district has become an organized and productive community.

With the idea of inducing traffic, and by so doing, helping to popularize and settle those vast, beautiful and productive lands along the right-of-way in Central and Western Ontario, the Canadian Pacific Railway has decided to establish a number of Bungalow Camps, modeled on those which have proved so successful in the Canadian Pacific Rockies during

the past three years, and it is expected that in a very short time this part of the country will be as famed for its scenic and sporting possibilities as any other part of the Dominion. The French River, Nipigon Bay and Lake of the Woods districts are, and have been for many years, well and most favourably known to anglers and hunters, particularly those from the United States and the Western provinces; but owing to lack of adequate housing facilities the traffic has been confined chiefly to the more adventurous spirits who are satisfied to live in tents. It is in these districts that the first three of the Bungalow Camps will be located, and it is expected that they will be ready for occupation by July first.

The Camps will consist of a central community house where meals will be served, and which will also serve as a

recreation hall, surrounded by small rustic bungalows suitable for two or four persons. The privacy, simplicity and rusticity of these bungalows appeals to those who like outdoor life, and the moderate cost of construction and maintenance makes it possible to charge much lower rates than an elaborate hotel where operating expenses are necessarily high.

The Hon. Mr. Bowman, Minister of Lands and Forests in the Ontario Government, has expressed himself as entirely sympathetic to the extension of the Bungalow Camp idea in Ontario, and any sites that may be selected on Crown Lands will be available at agreed rates with the cordial co-operation of this department, so that the Company will be able to establish camps in some of the choicest spots of this beautiful and inspiring country.

THEY TELL THEIR NEIGHBORS

Women Tell Each Other How They Were Helped by Lydia E. Pinkham's Vegetable Compound

Woodbridge, Ont.—"I took Lydia E. Pinkham's Vegetable Compound for female troubles. I would have headaches, backaches, pains between my shoulders and under my shoulder-blades and dragging down feelings on each side. I was sometimes unable to do my work and felt very badly. My mother-in-law told me about the Vegetable Compound and I got some right away. It has done me more good than any other medicine I ever took and I recommend it to my neighbors. You are quite welcome to use this letter as a testimonial if you think it will help some poor sufferer."—Mrs. EDGAR SIMMONS, R. R. 2, Woodbridge, Ont.

In nearly every neighborhood in every town and city in this country there are women who have been helped by Lydia E. Pinkham's Vegetable Compound in the treatment of ailments peculiar to their sex, and they take pleasure in passing the good word along to other women. Therefore, if you are troubled in this way, why not give Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from roots and herbs, has for forty years proved its value in such cases. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Internal parasites in the shape of worms in the stomach and bowels of children sap their vitality and retard physical development. They keep the child in a constant state of unrest and if not attended to, endanger life. The child can be spared much suffering and the mother much anxiety by using a reliable worm remedy, such as Miller's Worm Powders, which are sure death to worms.

Some Facts about the New 22-inch Wallpapers

SO CALLED 22 INCH PAPERS ARE REALLY 21 INCH WHEN
TRIMMED READY FOR HANGING

There is no saving in buying 18in papers. The total cost including labor when 21in. papers are used works out cheaper because of the fewer number of rolls to hang.

The 21in. papers make a better job because there are fewer seams, less matching and consequently less waste.

If it takes 12 strips of 18in. paper to cover a certain wall it will only take 10 strips of 21in. paper to cover the same wall.

18in. papers are not longer than 21in. papers, both are the same length, 8 yards per single roll, but the wider papers permit the use of a better design with a more distinctive and pleasing effect when hung.

All of our new papers are 21in. and many are semi-trimmed.

Frank Irwin of Essex narrowly escaped having his house catch fire on Saturday last when he was burning grass along his farm. The wind veered, and carried the fire towards the house which would have caught fire, had it not been for the prompt assistance of neighbors.

The death occurred at the family residence, lot 12, con. 2, Metcalfe, on Wednesday, April 4, of Thomas K. Stevenson, in his 64th year. Deceased was born in London township, where he resided until 26 years ago, when he moved to Ekfrid township, and until his death. Besides his sorrowing widow he leaves four sons and five daughters: W. H. Stevenson, of Calgary, Alta.; Sam of Appin; Mrs. L. Branan of Metcalfe; Mrs. Wm. Atchison of Warwick; James, Clarence and Mrs. Geo. Buttery of Adelaide; and Misses Margaret and Blanche at home. The funeral was held on Friday afternoon to Stratroy cemetery. Rev. C. J.
