TUXIS BOY'S ENTERTAINMENT

Primrose Theatre Filled To Capacity By a Very Appreciative Audience.

MANY LOCAL HITS

The Varied Programme Presented Will Be Repeated Elsewhere In The County.

Probably the most ardent enthusiast would not even suggest that the entertainment given in this theatre last Thursday evening was absolutely perfect. On the other hand, it would be a hyper-critic who would place it anywhere but in the front rank of the very best of amateur performances produced in this neighbourhood in recent years, and Mr. G. H. Warey, under whose able and patient directorship the boys worked, has every reason to be proud of the splendid results attained.

It was a crowded house to which the curtain rose within two minutes of the advertised hour, after a spiritual overture by the Bridgetown orchestra, under the leadership of Mr. C. B. Longmire, "the Interlocutor" leading his circle in singing the chorus "We're here because we're here". Then came P. I. of the programme proper, giving a full hour replete with sparkling epigram, funny dialogue, and local hits, alternating with songs both grave and gay, bringing the house "down" again and again. In fact, there was never a dull minute as first Kolly, and then Jolly, and then Sam, and then Pete had an innings with the clever Interlocutor, whilst the musical items—a duet "Mr. Gallagher and Mr. Shean," a song "Mary," and an original chorus composed especially for the occasion by Mr. Warey, and incidentally advertising Chas. Longmire, S. N. Warey, and Wm. E. Gesner, caused much amusement. This part of the programme was then brought to a conclusion by the enactment of a coon-tono wedding, Mr. Pinky Pinefeathers, the esteemed and unimpressible culled deacon, announcing the wedding of his daughter, Miss Tickle Pinefeathers, to the high-brown and highly respected head-barber, Mr. Abraham Lincoln Liverpool, the ceremony being performed by Parson Doodley Dootfany.

Character: Mr. Claud Gillis Jolly—Edward Orlando Kolly—John D. Roberts Sam—Clarence FitzRandolph Pete—Vernon Campbell Bass—Jack Weare Tenor—Harry Troop 1st Assistant—Jack Lockett 2nd Assistant—Chas. LeBrun Accompanist—G. H. Warey

Wedding Group
The Parson—Jolly
The Groom—Pete
The Bride—Sam
The Witness—Kolly

The second part of the programme consisted of a "Hokum" afterpiece in "Gimme Them Peanuts!". In this, the minstrel troupe, the parts were well apportioned, each member seeming to have an especial faculty for acting the part assigned, and where this was the case, we think it would be invidious to single out any for special mention, yet we feel sure the rest of the company would wish us to say an extra word of

praise is due to the two boys upon whom fell the bulk of the work in this piece—viz., Edward Orlando, as "Precious, the hungry"—the poor little black orphan boy with one mother and one father, and Jack Weare, as "Money-penny, the Nut" whose father was a Kernel, which fact made him a NUT and who announced himself as having "just arrived from Brazil". These two acted their respective parts as if to the manner born. Many funny situations occurred, causing much laughter. The complete cast was as follows:—

Previous, the hungry, Edward Orlando Money-penny, the Nut, Jack Weare Gladys, the nurse, C. FitzRandolph Dinty, the tramp, John D. Roberts McGinty, the Cop, Vernon Campbell Hoboes, J. Lockett and C. LeBrun

During the evening the boys were assisted vocally by Dr. Nana Warey, and Mr. Philip Donat, and instrumentally by the Bridgetown orchestra, and these they wish to thank most heartily for their kind help. Also Bishop & Bishop for many rehearsals courtesies, and Mrs. Lockett and John Donat, for kind assistance, and Mr. Warey for his untiring patience and cheerfulness during the practices, and last, but by no means least, the general public for their generous patronage. The full house was certainly an inspiration, not only for last Thursday, but also to make another effort to equal it next week.

It is the intention of the troupe to make a short tour of the immediate neighborhood, their first appearance to be in Belleisle Hall next Monday evening (April 30th), the entertainment to begin at sharp 8 o'clock.

NOTES AND NEWS OF LAWRENCETOWN

Interesting Budget Concerning Movements of Well Known Residents of Town

BURGLARS AGAIN REPORTED

Their Needs Are Money Not Goods—Recital At Sackville by Miss Whitman.

Mr. and Mrs. Taylor are in town. They came from Halifax to pack their furniture and leave Lawrencetown. Mr. and Mrs. Taylor are popular and valued citizens and all regret that our town must lose them.

Dr. L. Saunders, of Kentville, has been in town looking after his property on Bridge Street. Quite a number of people have been looking at this fine place as if for sale.

Mrs. Israel Brown was in town on Tuesday attending a meeting to prepare for a S. S. conference. Mrs. Willet, mother of Mrs. (Dr.) J. B. Hall, has returned to her home in Tupperville. This lady is very popular, a great help to the Methodist Church and one who takes an interest in all good works.

Mr. Stephen Jefferson has been in Halifax for a few days. Mrs. Jefferson will return home this week. The Women's Institute met at the home of Mrs. W. Bent on Thursday. A good gathering assembled and an amount of real business was done. Dr. R. Morse, Dr. Archibald and Dr. Pearson attended, and gave valuable papers and information on matters of health. These were much appreciated by the ladies present. It shows a fine spirit in the medical fraternity to take time from busy lives to give help in this generous manner.

Rev. H. Rackham preached at Albany on Sunday last. All were glad to hear him. Sunday evening a large congregation met in the Methodist Church. Mr. Rackham gave a fine sermon. Live thoughts were expressed in beautiful words.

Just near the churches is a real "slough of despond". It would seem that Satan, or the water works, or the carpenters may one, or all, be to blame for this dangerous place. Some pilgrims, on leaving church, got stuck in the adhesive red clay. It is reported that some time in the past one pilgrim fell in a hole in the same vicinity. When, or who, will attend to this matter?

Mr. Arthur Balcom and family are getting better. All were ill with a very severe cold. The ladies of the Methodist S. S. met at the home of Mrs. F. Palfrey. "The light that failed" has returned. "Winter has been here"; will Spring ever follow?

On Saturday morning a fire was found burning in the South wing of the "Elm House". The firemen were soon on duty and the fire was speedily extinguished.

This week effected an entrance into the store of J. B. Jefferson on Saturday night and abstracted some ten or twelve dollars from the till. Money was most desired as according to information received no goods were taken. The robbers got in through a back window but are evidently not old enough in the game to try safe cracking. A number of petty robberies have taken place in Lawrencetown during the past year, all apparently the work of parties who knew the store lay out pretty well. It is thought that the same parties were operating in all cases, but there is not as yet any real good clue to their identities.

DEEP BROOK

Mrs. G. L. Benson has entered the Sanatorium at Kentville for a few months' rest and treatment.

POPULAR COUPLE OF PARADISE WEDDED

Annual Meeting Paradise And Clarence Baptist Church At Clarence, May 8

Mrs. G. L. Benson has entered the Sanatorium at Kentville for a few months' rest and treatment. Mr. John Anderson left here on Tuesday of last week for Boston. H. F. Snell, of Bear River, spent a few days of last week in Deep Brook on business.

Mr. John Purdy returned home on Thursday of last week. He is making a good recovery after a successful operation at the V. General Hospital, Halifax. Marjorie McDormand, of Bear River, is the guest of her grandmother, Mrs. Flora Purdy, for a few days.

Hyram Berry left here on Tuesday for Boston. Mrs. Annie Wilson, of Bellows Falls, Vermont, is the guest of her parents, Mr. and Mrs. W. W. Payson, for a few weeks.

Mrs. Neva Marsters, of Digby, was a week-end guest of her mother, Mrs. Jane Marsters. Mrs. Ethel Purdy returned to Truro Saturday where she is attending Normal School.

The pastor of the Baptist Church, Rev. I. D. Lytle, preached a most interesting sermon on Sunday evening, April 15th, subject: "The Fatherhood of God". The first in a series of six sermons on the "Lord's Prayer". The Dorcas Society held their regular monthly meeting with Mrs. L. E. Sherman on Wednesday afternoon. The next meeting will be with Mrs. Harry Vroom, May 23rd.

The W.M.A. Society held their regular monthly meeting with Mrs. Joseph Henshaw. In the absence of the President, the Vice-President, Mrs. E. V. Hutchinson, conducted the meeting. A very interesting program was arranged. The duet by Mrs. Joseph Henshaw and Mrs. S. A. Spurr is worthy of special mention.

Mr. Homer Pearson, of Portland, Me., returned to Paradise April 19th, where he will remain for a short time in the interest of his late parent's business affairs. Mrs. J. C. Phinney is suffering from a relapse of grippe.

Mrs. Arthur Phinney is ill with grippe. The annual meeting of the Paradise and Clarence Baptist Church will be held at Clarence, May 8th. Glad to report a telephone at the home of C. W. Durling.

Sorry to report that the body of Mr. Rupert Sandford, drowned here, April 10th, has not yet been recovered. Rev. and Mrs. W. H. Robinson returned home from Digby April 19th, where they spent most of the winter. If you want your personal news for Paradise to appear in THE MONITOR please write out the same and leave in Box 17 at the Post Office, or call up telephone 23-33, stating the facts. Your present correspondence is too busy to "go after" news. Consequently she will appreciate your cooperation in this matter, especially now that Summer is coming.

GRANVILLE FERRY

Mrs. Mitchell, from Halifax, is visiting her mother, Mrs. Lawrence Willett.

NORTH RANGE

Miss Nellie M. Bragg spent Tuesday very pleasantly with friends in Barton.

Mrs. J. S. Wright is spending a few days with her daughter, Mrs. Wallace Wright, at Barton. Mrs. L. D. McNeill spent the week-end with her mother, Mrs. Annie Franklin, at Acacaville. Mrs. Franklin just returned from Massachusetts, where she spent the Winter with relatives and friends.

Owing to the serious sickness of Mr. and Mrs. A. O. Trefry, their daughter-in-law, Mrs. Willis Trefry, was called home from Stratford, N. H. We are very glad to report them both recovering. We are also sorry to report Mrs. E. Spittle very ill, her son, Sylvester, was called home from St. John, owing to her illness.

BORN

At Granville Centre, to Mr. and Mrs. V. Arnold Eaton, a son.

BIG DRIVE FOR COAL MARKETS

Cumberland Member Wants To See Nova Scotia Coal Boosted In Upper Provinces.

In the Local House, Archibald Terris, member for Cumberland, gave notice of the following resolution: "That in the opinion of this House, an expert in Nova Scotia coal should be appointed by this government to demonstrate and assist in the sale of Nova Scotia coal in the Upper Provinces."

This resolution is doubtless prompted by the fact that Alberta is making a drive for the Ontario coal markets, demonstrations of Alberta coal in Toronto and Ottawa being planned on an elaborate scale. Ottawa.—That Alberta domestic coal could be brought from any average point in Alberta and laid down at Ontario points for \$4.62 per ton was claimed before the House committee on mines and minerals by E. J. Garland, of Bow River. Mr. Garland submitted a detailed statement of the costs, including an allowance of sixty per cent. for returning empty cars. He said the statement was drawn up by an experienced railroad freight man who had had sixteen years' experience.

Toronto.—The Ontario government will begin the distribution of sixty tons of Alberta coal in half-ton lots to citizens of Toronto at \$4.00 per half ton. There will be a refund of \$2.00 to each purchaser making a report to the government respecting the burning qualities of the fuel.

Dick C., 2.14%, is on the market.

CHAUTAQUA CONFERENCE AT HALIFAX

Miss Elizabeth Ruggles Will Represent Bridgetown At Conference And Banquet.

Rt. Honorable Sir Robert Borden will address representatives from some thirty towns in Nova Scotia and Prince Edward Island, who will gather at the Chautauqua conference to be held at the Queen Hotel, Halifax, on April 26th, 1923. John Murphy, Mayor of Halifax, will preside. An afternoon session at two o'clock and a banquet at 7.30 are scheduled. Sir Robert will speak at the banquet. Miss Elizabeth Ruggles will represent Bridgetown at the conference and banquet.

The afternoon session will be devoted to a discussion of questions pertaining to the operation of Chautauqua in the Province. At this time the various delegates will present the viewpoints of their respective communities.

LOBSTER FISHING SEASON EXTENDED

On Account of Unfavorable Weather Conditions Extension Granted To June 15th.

The following telegram received by THE MONITOR this Tuesday morning from L. J. Lovett, M.P., will be welcome news to all of our readers who follow lobster fishing as a regular part of their year's work. The telegram reads as follows:

Ottawa, Ont., April 23rd, 1923. Editor of THE MONITOR, Bridgetown, N. S. Dear Sir:—Hon. Ernest LaPointe, Minister of Marine and Fisheries, in consideration of the unusual unfavorable weather conditions that prevailed through the regular lobster fishing season has granted an extension of season to June 15th, hoping by so doing the lobster fishermen may benefit financially.

RURAL DEANERY MEETING AT DIGBY

Owing to the lateness of the train the afternoon session on Monday was much curtailed, but after the opening service a quantity of miscellaneous business was done. The executive meetings were continued on Tuesday and did not close until late in the evening.

The Rev. J. Reeks read a very excellent paper on "Uganda", in which the wonderful development of that African mission was clearly presented. The Ven. Archdeacon Watson contributed a thought provoking paper dealing with "Biblical Criticism", "Christian Re-union" and "Church Authority". Both papers gave rise to very keen comment and discussion. University federation and other matters coming before the Diocesan Synod were considered by the chapter.

A resolution was passed expressing appreciation of the high character and long and devoted service of the late Rev. H. Wainwright, and the condolences of the chapter were transmitted to his widow and daughter.

The Rev. W. Driffield, Rector of Digby, was unanimously re-elected for appointment as Rural Dean for the ensuing three years. Regret was felt at the unavoidable absence of the Rev. Canon Morris, whose Biblical papers and other contributions are so highly valued.

On Monday Evenson was said in Holy Trinity Church, the Ven. Archdeacon Watson preaching an excellent and thoughtful sermon. On Tuesday morning the official

CHAUTAQUA CONFERENCE AT HALIFAX

At the banquet session Dr. Paul M. Pearson, President of the International Lyceum and Chautauqua Association and Director of the Swarthmore Chautauqua Association, which called the conference, will address the delegates.

Acceptances are in the hands of the committee from most of the towns. The entire list of former Chautauqua guarantors at Halifax and representatives from the following towns are expected: Nova Scotia—Annapolis Royal, Antigonish, Aylesford, Baddeck, Bridgetown, Bridgewater, Canning, Canso, Glace Bay, Great Village, Guysborough, Joggins, Liverpool, Lunenburg, Middle Musquodoboit, Middleton, Mulgrave, New Glasgow, North Sydney, Oxford, Parrsboro, Port Hawkesbury, Pictou, River John, Shubenacadie, Steviacke, Windsor, Tatamagouche, Weymouth, Yarmouth; Prince Edward Island—

There are outstanding liabilities against the company of approximately \$4500.00, part of which will be met by the payment of the remainder of stock subscribed, but arrangements must be made at once to meet our obligations to Messrs. J. H. Hicks & Sons.

In order to make the financing of this obligation as easy as possible, we are asking all those whose payments or shares are overdue to pay the same to the Secretary, Angus McDonald, within the next week, also to all who will pay up the full amount of their subscription within the same time we will give a discount at the rate of 6 per cent.

There is no reason for the shareholders to feel otherwise than hopeful over the ultimate success of the venture. In spite of the heavy initial expenses, many of which will not be incurred next year, we have a profit of over five hundred dollars. Next year we should net a profit of at least eight hundred.

There are several of our townsmen who have not yet taken shares. We have provided a clean, wholesome, sport and exercise, for the people of the town, and we ask these to come forward and subscribe toward the payment of the remaining indebtedness.

THREE HOUSES STRUCK BY LIGHTNING

Severe Storm Was Experienced At Yarmouth on Saturday Night.

Yarmouth.—One of the worst tempests ever experienced in the month of April passed over this part of the Province last evening, and, although it lasted over two hours, no serious damage has as yet been reported.

The telephone service on many of the rural lines is out of commission, consequently no information from outlying sections is available. In Yarmouth three houses were struck with somewhat damaged. At Alex. McDonald's residence on William St. the lightning struck the top of the chimney, taking off the chimney crack and passing down the flue blew the front out of the fireplace in the living room, blowing it with soot and dirt while in the cellar it also badly damaged the chimney. The fluid also came in contact with electrical wires entered the meter and blew it to atoms. Mrs. MacDonald was alone in

the house at the time and although dazed, escaped injury. Fortunately, however, the lightning did not start a blaze and the dwelling escaped destruction.

The house owned by Edward Allen and occupied by Charles Churchill on Richard's Lane, also suffered severely. The lightning went down one of the chimneys and into the cook stove. The chimney was badly damaged and the cook stove was more or less wrecked, but none of the inmates, beyond being somewhat stunned, suffered any injury.

Owen Sweeney's house on Brunswick Street, was also struck and suffered similar damage. The storm by nine o'clock had practically passed over but at eleven the lightning again became very intense and for some minutes it was feared that another tempest was developing. It was, however, only slight and did not break heavily over the town.

CANADIAN NATIONAL EXPRESS COMPANY

The Speed Ideal in National Service

YOU can't begin delivering goods to your customers, or using them, until you get them. Dealers cannot re-order until they have had a chance to test out demand. They buy more readily if they do not have to carry large stocks and can re-order goods to be shipped by express. Speedy distribution therefore ensures quicker turnover.

The Coast-to-Coast service of the Canadian National Express Company is the latest step toward a National ideal of speedy service. Its growth enables the Company to plan on a larger scale and serve you with increased effectiveness.

Special attention is given to handling the fish traffic from the Maritime Provinces so as to secure speedy transportation, close train connections and direct routing to destinations in the Eastern United States as well as the consuming centers in Canada.

For speedy, personal-service transportation of packages and guaranteed delivery consult a Canadian National Express Company employee. Telephone to have him call on you. As a traffic expert his first consideration is the shipper and his interest.

The Canadian National Express Company transports small and valuable parcels, as rapidly and as safely as automobile and other machinery parts, or perishable articles.

Its rates are so reasonable that the average cost of expressing a package is less than fifty cents.

This service is yours!

LIMBS AND BODY ALL SWOLLEN

"Fruit-a-tives" Relieved Both Dropsy and Sick Kidneys

The Wonder of Fruit Medicine

Those who know they have Kidney Trouble—who suffer with pain in the back—who are up frequently at night—will welcome the news that "Fruit-a-tives", the wonderful medicine made from fruit juices and tonics, will positively relieve Kidney and Bladder Troubles—as proven by this letter. "Our little girl had Kidney Trouble and Dropsy—her limbs and body were all swollen. We decided to try "Fruit-a-tives". In a short time, the swelling went down. Now she is the healthiest one of the family!"

PORT WADE

There are all sorts of business propositions in the air. The Port Wade Lumber Co. Ltd., will start from Halifax this week, and a company from Halifax has about completed the purchase of lands and lumber, and mill, etc., of J. F. Morrison, of Thorne's Cove, and though they have not given out any particulars, it is believed they will ship large quantities of pulpwood from this port.

Capt. Andrew Baxter, with loaded two-mast vessel, is lying at anchor here, awaiting a chance out for St. John.

Mr. M. F. Prosser, of Tasset, Yarmouth County, was in the village last week.

Mrs. Vandora White, of staff of Grand Hotel, Yarmouth, is visiting her mother, Mrs. Jane Litch for a few days.

Miss M. P. Dickie, teacher of Acadiaville school, Digby Co., spent the week-end at home of R. R. H. Hayden.

Our wharf is in need of repairs which no doubt will be attended to in the near future. Our needs are many. We also need a new ferry boat.

The snow on our streets is nearly gone and dust appears in some places. The sick of this place are getting out again. A few cases of mumps are about all we have to jaw about now.

The railroad section boss, W. McGrath, is fixing up the bad places in order that we may have the iron horse with his wagons come this way again.

THE BOARD OF VENDOR COMMISSIONERS

Righteousness or Revenue?

The Board commenced business in May, 1922. Within a few months complaints were lodged with the Social Service Council to the effect that shipments of liquor in large quantities were being obtained by various druggists, doctors, and vendors. We immediately communicated with the Inspector-in-Chief requesting him to deal, as provided for in the Act, with such physicians as were careless or improvident in the giving of certificates for liquor.

In September, 1921, we wrote the Board protesting against the shipments of liquor that were being used, without question, for other than medicinal purposes, and suggesting that when it would appear orders for liquor were excessive the Board should refuse shipment. We also suggested that the judgment of any County Medical Association, or reputable body of physicians would guide the Board in determining what would constitute a reasonable quantity. We further requested that this matter be submitted to the Government by the Board. The Government took no action.

At the 1922 session of the House of Assembly legislation could have been enacted to control or limit the Board of the output of liquor and (2) for co-operation between the Inspector-in-Chief and the Board to remedy abuses in the giving of prescriptions and certificates for liquor. But nothing was done. The Government, at that session, refused to amend the Act to prevent the enormous distribution of liquor.

In May, 1922, we wrote Premier Murray, making complaint regarding the scandalous state of affairs that prevailed. We quoted figures which showed the extent of this disgraceful business and urged the Government to have the output of liquor by the Board curtailed.

In reply of our letter Premier Murray said: "The regulations which the Commissioners have authority to make, relate to the conducting of the business of the Board, and such things as may be necessary or expedient for that purpose. I am advised that the regulations which the Board is empowered to make do not cover the matter of limiting quantities of liquor to be supplied to those lawfully entitled to purchase the same."

The time has come, since the Government refused in 1922 to take any action to remedy matters, the time has now come, at the present session of the Legislature, to provide by Statute that the Board with the approval of the Governor-in-Council may make the necessary regulations. We are hopeful that Premier Armstrong's Government will most seriously consider this whole question, and take such action as will result in bringing to an end conditions which self-respecting people can no longer tolerate.

The question to be decided within a few weeks, by the Government and by the votes of our representatives in the House of Assembly, is, God or Mammon, Righteousness or Revenue.

H. R. GRANT,
General Secretary
N. S. Social Service Council.

CLARENCE

Now that Spring has come what about our Clarence road. Is the "stone crusher" going to set idle another year, or will it be put at work this Spring. If some one in authority would order stones hauled to the crusher there would soon be enough to finish the road in the limits of those cases where there is no head. A great record—two miles in ten years—and the crusher idle the rest of the time.

The Annual Meeting of the Paradise and Clarence U. B. Church will be held in Clarence Monday, May 7th, at 2 p.m. Interesting evening session arranged.

We sympathize with the relatives of Rupert Sandford, who was drowned at Paradise. He was a former resident of this place and a member of the Paradise and Clarence Baptist Church.

Sorry to report Mrs. S. N. Jackson suffering with a sprained ankle. Saving wood and pressing hay is quite a change from shovelling snow.

THE BOARD OF VENDOR COMMISSIONERS

Specific Charges Against The Board of Pension Commissioners

By The G. W. V. A. And The Royal Commission Findings In Table 1

1. That the regulations based on section 25 (3) of the Pension Act have been so amended by the Board as to nullify the intention of this section, and thus cause the cancellation of many awards previously made, and the rejection of legitimate claims now under consideration.

2. That the 1920 and 1921 amendments to section 11 of the Pension Act have been made applicable to ex-service men of the C.E.F., contrary to the intention of Parliament in accepting these amendments and the assurances publicly given by the Commissioners, thus withholding pension from a large class of dependents.

3. That regulations were secretly introduced under which the Board assumed power to reject applications for insurance policies under the Returned Soldiers' Insurance Act on medical grounds, despite the decision of Parliament that such insurance would be available to all qualified applicants without regard to the conditions of health at the time of application.

4. That the aforesaid regulations have been illegally concealed and that adverse decisions have been rendered thereupon without disclosing same to the individuals affected, thus causing great distress and dissatisfaction.

5. That the general procedure of the Board was such as to place the burden of proof with regard to attributability (of a disability to war service) entirely upon the claimant for pension, and that as a result many ex-service men and dependents have been denied a proper opportunity to establish their rights.

6. That pensions have been reduced following a review of the findings of the local examiners by the headquarters office in a manner contrary to the procedure announced before the Select Committee of the House of Commons (on pensions and re-employment).

7. That undue severity has been exercised with respect to disability ratings, which to some extent confirms the report that secret instructions have been issued to reduce pensions in every way possible.

With the elimination of the words "undue" and "secret," the Royal Commission stating that there was a limited revelation of the instructions, but not sufficient to avoid suspicion that some ulterior action had been taken by the Board.

SOAKS CAT IN KEROSENE THEN SETS IT ON FIRE
Pearl Hatfield was brought before Stipendiary Magistrate Polton at 11 a.m. on Thursday, charged with cruelty to animals. He acknowledged having saturated a cat with kerosene oil which he lighted with a match. The cat tried to get into the barn but failed, and then made for a shed where they killed it with a stick. Hatfield first tried to excuse himself, claiming that he did not light the match, but afterwards pleaded guilty and was fined \$12.00, which was paid by his mother.—Yarmouth Times.

AGED WOMAN COMMITTED SUICIDE

The Body of Miss Amelia Polley Was Found in the Harbor.

Claster, N. S.—Miss Amelia Polley, aged 65 years, committed suicide by drowning. She was the guest of Mrs. Clyde Walker, and about eight o'clock went to her room, and it was thought that she intended to retire. About an hour or so later a member of the household had occasion to go to her room, which was found unoccupied. Search was immediately made for Miss Polley, and her gloves and coat were found on the wharf. Shortly after her body was found in the water.

The deceased was a native of St. John, and for eighteen years was nursing governess for Dr. A. M. Hebb.

An inquest was held and the Jury returned a verdict of "Found Drowned." The deceased has relatives in St. John and it is probable that the body will be sent to that city for interment.

IS THIS VIEW CRAZY?

Daily, daily war alarms are raised. Russia is to unleash her many-millioned army. Turkey is to run amuck. Germany is being driven to the fighting-point. Today it is this, yesterday it was that, tomorrow it will be the next Balkan or other nation that is ready to embark on the warpath. The whole of Europe, we are shrilly told, is a military citadel; or, rather, a volcano, about to burst into bloodshed.

I don't believe it. I don't believe Russia will come to either Germany's or Turkey's aid. I don't believe that Turkey will attempt to fight the Allies. I don't believe that Germany will wage war against France. I don't believe that Europe is on the brink of another blood-bath.

I believe that Europe has had all the hostilities she can stand. I believe Europe has used up about all her material and all her thirst for war. I believe the peoples of Europe are bent upon peace, upon recuperation, upon domestic and industrial tranquillity. I believe, too, that Lenin and Trotsky have had enough of militarism and long for the restoration of conditions permitting them safely to disband the greater part of their armies.

Is this view crazy? Perhaps. We'll see.—Forbes Magazine.

NICTAUX

Mrs. Horne, who is visiting her parents, Mr. and Mrs. Mervin Vidito, spent the past week in Halifax visiting friends.

Mr. and Mrs. Willis Rice have arrived from Bear River for the Summer and work has started up in the various granite quarries.

Pruning apple trees, tapping maple trees, and sawing up wood piles, is in order at present.

Miss Sophia Parker has returned from a week's visit to Berwick.

Mr. C. S. Rogers was taken to the V. G. Hospital the 12th inst., for medical treatment.

Mrs. W. Thomas has come to live with her daughter, Mrs. Henry Lockwood.

Mr. and Mrs. Fred Chipman were pleasantly surprised on Thursday evening when a number of their friends gathered at their home, the occasion being Mr. Chipman's birthday anniversary. After enjoying a social evening with the hospitable host and hostess, refreshments, dainty and abundant, were served.

The special meetings conducted by our pastor, Rev. R. F. Allen, in the church have been well attended and the people have listened with great interest to his soul-stirring addresses. Rev. G. C. Durkee, of Springfield, assisted in part of the services.

One of our oldest citizens, Mrs. Edward Marshall, passed away Monday morning, after an illness of one week, aged 84 years.

The remains of the Misses Josie and Ella Spinney, of Springfield, Mass., will arrive at Wilnot on Friday, the 20th inst., for burial at Tremont on the day of arrival. They are accompanied by their three brothers, Norval, Crawley and William.

LOWER GRANVILLE

Mr. and Mrs. J. H. VanBlarcom and family are out again after their severe attack of grippe.

Mrs. Lloyd Shaffner returned home after spending the Winter in Massachusetts.

Sorry to report Mrs. G. W. Shaffner on the sick list.

Glad to report Mrs. John Healey's health is improving.

Mrs. Oscar Ring is visiting her niece, Mrs. J. W. Littlewood.

PORT LORNE

Our school teacher, Miss Snow, spent the Easter holidays at her home in Digby County.

Mrs. E. C. Hall, of Bridgetown, was a recent visitor at the home of her mother, Mrs. Emma Brinton.

Mrs. J. F. Titus and Miss Alice Beardsley spent a few days at the home of their grandfather, Mr. Sam. Beardsley, recently.

Rev. D. W. Dixon and Mrs. Dixon attended the quarterly meeting in Bridgetown last week.

Mr. Edward Sanford received the sad news on Tuesday that his brother, Rupert Sanford, had been drowned in the river at Paradise. Mrs. Israel Banks, and Mrs. Asaph Whitman are sisters. We extend our sympathy to the bereaved ones.

Mr. Avaril and Mr. Murray Brown, of Winchester, Mass.; Mr. Russell Brown, of Brockton, Mass.; Mr. Vernon Brown, of Watertown, Mass., were called to their old home here last week under particularly sad circumstances, that of the death of their brother, Blakeney Brown, whose death occurred on Thursday evening, April 5th, after a few days' illness, of pneumonia; also the death of their mother, Mrs. Euphemia Brown, widow of the late Henry Brown. The funeral of Mr. Blakeney Brown took place on Tuesday afternoon and was largely attended. The sermon was preached by Rev. Asaph Whitman, a former pastor. Rev. M. W. Brown, D.D., of Mt. Hanley, and a cousin of Mr. Brown, assisted in the service.

Mr. Brown was forty-two years old and is survived by his wife and four young children, who have the heartfelt sympathy of many friends.

On Wednesday afternoon the funeral of Mrs. Brown took place from the same home, the respect in which she was held in this community was shown by the large attendance at the funeral. Rev. M. W. Brown, D.D. preached on this occasion, her pastor, Rev. D. W. Dixon, and Rev. Asaph Whitman, assisted in the service.

Mrs. Brown was eighty-eight years old. Besides the four sons present at the funeral, she leaves two other sons, Parker and Leonard, and in Braintree, Mass., and one daughter, Mrs. Etta Smith, in Ohio.

A NEW INDUSTRY

There seems to be a boom in the keel stave business in the Annapolis Valley and through the efforts of the enterprising firm of Silas Gates & Son, have secured a contract for 10,000,000 staves. One of the greatest drawbacks of manufacturing these staves has been to secure a proper machine that will do the work quickly and save stock, as all the machines, as far as we know that are imported from the United States are of the old flat table type and require the wood to be slabbled on one side and after being sawn the stave has to be picked out by hand which makes the operation very slow and wasting a lot of wood.

But necessity is ever the mother of invention so Mr. L. R. Veinot, of Albany, one of our largest and most successful stave manufacturers, who has a part of the contract with Messrs. Gates & Son, took up the matter in securing a better way of manufacturing these staves and interviewed Messrs. E. L. Balcom & Sons, of Paradise, stave saw manufacturers, with the result that, after three months experiment, this firm has built a machine from their own patterns and design, a new model stave machine that will do the round block and draw the stave after being sawn, out of the machine automatically, which means a big saving of wood and also increasing the capacity from 5,000 per day to 10,000 or more.

This machine was thoroughly tried at the shop and shipped to Mr. Veinot March 23rd. A patent has been applied for in both Canada and United States.

PALE FACES AND WORN OUT NERVES

Due Solely To Weak Watery Blood—A Tonic Is Needed.

Anæmia—literally impoverished blood—comes on so stealthily that it is often well advanced before its presence is recognized. Feelings of fatigue and discomfort are the earliest manifestations of the trouble and these are seldom taken seriously. Gradually small tasks become an effort and exertion causes the heart to palpitate violently. The complexion becomes sallow or pale and there is loss of weight. The nerves grow weak and the victim displays irritability under slight provocation and is extremely sensitive to noise. The appetite is fickle and indigestion often follows.

A condition of anæmia calls for a tonic, one that will enrich the blood and strengthen the nerves, and for this purpose there is nothing can equal Dr. Williams' Pink Pills. These pills give the blood all those missing elements necessary to give strength to the nerves, color to the cheeks, and nourishment to starved organs and tissues. Miss Margaret E. Fraser, R. R. 2, Thessalon, Ont., has proved the value of this treatment. She says: "I was very pale and weak. My blood was poor and I was very nervous. I lost my appetite, my feet and ankles were swollen and I was in a very miserable condition. A friend advised me to try Dr. Williams' Pink Pills and I got two boxes, and found before they were finished that they were helping me. I continued the pills until I had taken a half dozen boxes, with the result that I am now enjoying the best of health, all symptoms have disappeared. I feel confident that what Dr. Williams' Pink Pills did for me they will do for others, if given a fair trial."

You can get these pills from any medicine dealer or by mail at 50 cents a box from "The Dr. Williams' Medicine Co., Brockville, Ont."

The Secret of Cleopatra's Beauty

HUGE PROFITS REaped FROM FLOUR MILLING

EX-M.P. Charles Ogilvie Company Could Have Paid 36.82% For Past Ten Years.

Ottawa.—That the Ogilvie Milling Company could have paid its shareholders at the rate of 36.82 per cent. dividend for the past ten year period, after paying 7 per cent. preferred dividend, as well as taxes, was claimed by John P. Reid, of Arcadia, Sask., ex-M.P., for MacKenzie, representing the Canadian Council of Agriculture, resuming his evidence before the House committee on agricultural conditions. Mr. Reid said the com-

mon stock dividend paid by the Ogilvie Company had ranged from 22 to 27 per cent. since 1917 and that a much higher rate could have been paid had the company wished to distribute all their profits, instead of devoting a certain proportion to improvement and other funds.

Flour, said Mr. Reid, cost \$7.10 at Montreal, but was sold at \$5.79 once it reached the United Kingdom. Bran in Calgary last January sold at \$24 in Calgary, and was exported to the United States for \$23.90 a ton.

He pointed to the enormously decreased value of livestock in 1922 as compared with 1918 in Saskatchewan and Alberta. He asserted that in Alberta in 1918 livestock was valued at \$125,971,000 and in 1922 at \$40,

448,000. He held that deflation in price would not account for such a decrease.

In conclusion, said Mr. Reid, was it any wonder that the farmer on the western plains looked longingly across the American boundary?

Chairman McMaster said he had recently read an article painting an equally doleful picture of the condition of the farmers in the United States.

Speaking of his own experience, Mr. Reid admitted he had two sovereigns only in his pocket when he arrived in 1918 in Saskatchewan and Alberta. He valued this land at \$20 an acre in making an estimate of the cost of production.

ANOTHER BAD FIRE IN NEW GLASGOW

Munro Wire Works Plant Total Loss—Damage To Extent Of \$200,000.

New Glasgow appears to be having an epidemic of fires during the past few months. Early in the year a serious fire destroyed the Green building on Provost Street; about a month ago the railway station was burned at an estimated cost of \$75,000. On Sunday last there were three roof fires in various parts of the town which might have been serious but for the prompt work of the firemen.

The building known for many years as the Munro Wire Works, caught on fire, and within the space of half an hour was a total loss, with a damage of some \$20,000 and but little insurance.

TABBY CAT ADOPTS A SILVER FOX PUP

Bear River.—The fox farm in Bear River owned by Frank Dunn and Thebert Rice, had a very successful Winter, in spite of the weather conditions. Sometimes in this past season the pens have been entirely covered with snow, so that the animals have burrowed into them much as they would have in their nature haunts. The stock is all in prime condition, and comprises 12 beautiful thoroughbred silver foxes and three litters of five, six, and seven pups respectively, which have just lately made their appearance. As seven was considered rather a big family, one of the tiny foxes has been kindly adopted by a large "tabby cat" who is bringing it up with her two kittens which, although only two days older, are considerably larger than the fox. This unique method of fox-raising has, according to "Fox Journals", been tried on some of the large fox farms with apparently some degree of success.

CANDIDATES ARE MAROONED ON KYLE

Newfoundland Election Campaign Greatly Hampered by Ice Blockade.

St. John's, Nfld.—Candidates for election to the Newfoundland legislature find themselves seriously handicapped by the ice blockade along the coast which may prevent many from reaching outlying districts in time to conduct speaking campaigns. The election date is May 3rd.

Both the government and opposition candidates for the districts of Burgeo and Fortune are marooned on the steamer Kyle, which left here last week with supplies for starving settlements along the south coast, and was caught in the ice fields at Lamaline Harbor. To cover these districts thoroughly would require about six weeks, so that a large number of points will have to be left out of the campaign's itineraries. Reports of both parties are equally handicapped, however.

EXTENDING OUR COAL MARKETS

With the gradual taking back of the Cape Breton coal trade by the St. Lawrence operators, a business dropped very largely during war days on account of soaring prices and big freights and prices given for shipments to Europe, comes the idea of still further extending in Canada markets for Provincial coal. This has been the subject of talk for years, and one of the plans brought up was the construction of the Georgian Bay Canal so that our coal might be taken by steamers to the head of the Great Lakes without transferring cargo. This plan involved the expenditure of millions of dollars and millions are becoming harder and harder to obtain on public works. A second plan to popularize our coal was by the erection of coking plants and the sale of coke to take the place of anthracite imported from the United States. People who have got into the habit of burning anthracite must be pretty carefully re-educated to the idea of utilizing soft coal. The plans talked over in the East for increasing our coal trade have been slightly visionary and it has remained for the West to get after the problem in a practical way that is providing the Canadian National Railways or in other words the general public of Canada will foot the difference between regular and special rates for the long rail haul from the mines of Alberta to the city of Toronto. Where this sort of thing would end if once started it is impossible to predict. A corresponding treatment would be required for Nova Scotia coal to the same points.

This would further open up another matter the reducing of rates to such a tempting figure that Portland would no longer be the winter port of Canada, for transatlantic freight would be carried over all Canadian rails to St. John or to Halifax. This might open up the matter of the American also reducing rates so that millions of bushels of grain grown in the U. S. but now shipped from Montreal would go by New York and so the matter might be pursued indefinitely. Behind all the discussion of the fuel problem is the desirability of Canada becoming independent of the United States in respect to this commodity. If Ontario wants all Canadian coal its logical source of supply is from the mines of this Province.

The taking of a leaf out of the Westerners' books. A little advertising and looting of our own resources would greatly assist. Another point would be that to effectively handle this trade the Provincial output would require to be doubled. There are problems for our coal barons to work out, though some people after the futile fashion of many years standing refer the question to Government. The coal operators are the proper people to look after these matters if they wish to increase their outputs and add to their wealth it is surely up to them as a business proposition to seek out and develop new markets, whenever they may be found. If they could make in these half the profit per ton that they make off the people of Nova Scotia the problem would be at least worth tackling.

MacKay, who has been Superintendent of Education for the Province of Nova Scotia for the past thirty-three years, is being retired on superannuation after a long and busy career in directing the educational destinies of the Province. Obituaries

Mrs. Anne Chase.

The death took place on Thursday at the home of her niece, Mrs. R. W. Donaldson, of Mrs. Anne Chase, widow of the late Edwin Chase. The deceased had been a semi-invalid for the past ten years and last Autumn while on a visit to her old pastor, Rev. Thomas McFall, of Somerset, had the misfortune to slip and falling fractured her hip. She was brought here to the home of her niece and gradually improved in health till stricken with the "flu" a short time ago.

She leaves to mourn their loss, five brothers; George and Robert Harvey, of Grand Pré; Thomas Harvey, of Wolfville; Dr. Fred Harvey, of Spokane, Washington, and Will Harvey, of Port Williams; two sisters, Miss Margaret, of Wolfville, and Mrs. W. C. Hamilton, at present visiting with her brother, in Spokane. Her husband predeceased her about twenty years ago, was a brother of Messrs. Will, Oscar and Bedford Chase. The late Mrs. Chase lived the greater part of her life at Church Street, Kings County, and till 1911, when she went to New York, residing there for nine years. Since her return she has made her home in Bridgetown with her niece, Mrs. R. W. Donaldson.

She was, while health permitted, very active in the work of the church, and in all good causes. Especially helpful and sympathetic to all who were in sorrow and in straightened circumstances. She made many friends during a long and useful life, friends who regret to learn of her decease.

Funeral services were conducted here on Saturday morning at 10 a.m. by her old pastor, Rev. Thos. McFall, assisted by Rev. J. H. Freestone, and by Rev. E. Underwood.

The remains were conveyed to Kentville and interment made in the cemetery at Church Street.

Mrs. Lois Caswell.

Mrs. Lois Caswell died at the age of 103 years on Thursday evening, April 12th. She had enjoyed good health all Winter and able to care for her room and has been active around the house up until a week before her death, when she was taken with a heavy cold. Her sickness only lasting from Sunday until Thursday.

Mrs. Lois Caswell was born in Hopewell, Albert Co., N. B., on Jan. 20th, 1820. She was married to Benj. Caswell, in Park Street Congregational Church, Boston. Of her, three children, not one is now living, were born. The daughter died in infancy. The older son, Austin, with whose family she made her home, died about thirteen years ago. The younger son, Edwin, who held an important position in the first telegraph office in Halifax, died some years before that.

She is survived by four grandchildren: Mrs. Carey Woodworth, of North Easton, Mass.; the Misses Bessie and Nettie Caswell, at home, and Edwin Caswell, in Moncton. She is also survived by six great grandchildren.

Mrs. Caswell was a Baptist and was a member of the German Street Baptist Church, St. John.

The funeral service was conducted at the home on Saturday morning by the Rev. Alex. Gibson, assisted by Rev. A. W. Watson.

Miss Nettie Caswell accompanied the body to St. John Saturday. Tuesday a funeral service was held at the home of Mrs. Caswell, of 48 Hazen St., a cousin of the deceased, after which interment was made in Fernhill cemetery.

Rev. James E. Bleakney.

There passed peacefully away at the residence of his son Charles, April 14th, after a week's illness of pneumonia, Rev. James E. Bleakney, an aged and retired minister of the United Baptist denomination. The late Mr. Bleakney was born in New Brunswick on October 10th, 1837. He was the son of the late Rev. James E. and Katherine Bleakney, and was the last of his three ministerial sons, Judson W., Joseph E. and James E.

He was dearly loved and honored by all who knew him. He was a good preacher, having few to excel him in his devotion to the people, and in his loyalty to God. He labored for over forty years as an active minister, having served six parishes, Hodgeson, Maine; Port Lorne, Waterville, Kempt, New Ross, and Pleasantville in Nova Scotia.

He is survived by five children:—Bertha A. Allen, of East Haverhill, N. B.; James A., of Fall River, Mass.; Charles A., of Pleasantville, with whom Mr. Bleakney made his home; Albert E., of Fall River, Mass.; and Kate E. Marston, also of Fall River. He is also survived by twelve grand children.

The funeral was held on April 21st, and was conducted by Rev. F. C. Barnett, assisted by Rev. F. H. Eaton, of Bridgewater, and was largely attended by his many friends, his five children being present.

Mr. Elton Saunders of East Dalhousie, was the guest on Friday of his sister, Ann Saunders, at the home of the Rook brothers.

INCREASE IN FAILURES THROUGH CANADA AND NEW-FOUNDLAND

Toronto.—There is a marked increase in the number of failures throughout Canada and Newfoundland during the past week, according to reports reaching R. G. Dunn & Co.

For the week ending April 12th, 79 failures were reported, compared with 39 last week, and 59 a year ago.

Of this week's total, 27 were reported from Quebec, 12 from Ontario, 12 from Manitoba, 7 from Saskatchewan, 5 from Alberta, 3 from Nova Scotia, 2 from British Columbia and one each from New Brunswick and Newfoundland.

For the second week in succession and the fourth time in the past two months, no failures were reported from Prince Edward Island.

MOUNT ROSE

Miss Hazel Blanchard spent Sunday with her friends, Misses Mary and Maudy Marshall.

Borden Johnson is spending the week-end at the home of Mr. Wilbur Beals, Inglisville.

Mr. Melbourne Whitman, of Middleton, was visiting at his uncle's, Mr. Asahel Whitman, on Tuesday.

Mr. Emdon Banks, of Nictaux, called at the home of his father, Mr. Silas Banks, on Tuesday.

We are glad to be able to state that all those who have recently been sick with colds and grippe are recovering.

Dr. Maynard Brown and Mr. Chas. Barstow were recent visitors at Mr. Harry Hines'. Other guests at the same home were: Messrs. Murray and Avar Brown, of Winchendon, Mass.

A BRILLIANT VIOLINIST PASSES AWAY

The well-known and popular Mrs. E. S. Boggs, so well known as Evelyn Starr, distinguished violinist, of Wolfville, died in Woodstock, N. B., on the 15th. Mrs. Boggs, as a girl, spent six years in Europe, taking lessons from the best masters of the violin on the continent. Then she gave recitals in many cities in the United States and in Canada, that were attended by the greatest musicians of the day.

NEEDS OF NOVA SCOTIA

The Parliamentary Committee in Ottawa inquiring into agricultural condition, took evidence on the 10th.

Dr. M. Cumming, N.S.A.C., Truro, gave evidence as to difficulties encountered by farmers in his Province. He claims that apple growers in Annapolis Valley last season were operating at a loss of about 25 cents a barrel. He believed that transportation charges constituted a real grievance. The levying of the sales tax on barrels and spraying material was also regarded as a hardship which should be removed. Another easement desired by the apple growers was ordinary fertilizer rates on the railroads for nitrate of soda.

Frost-proof storage for apples at Halifax was a real need he claimed.

Mrs. Housewife, try our tested recipe for DELECTO Nut Bread. You will find it quickly made and your family will find it very nutritious.

- 4 cups flour
- 4 teaspoons baking powder
- 1/2 cup walnuts or other kinds hazelnuts or almonds.
- 1/2 cup DELECTO
- 1/2 cup sugar
- 1 teaspoon salt
- 2 eggs
- 2 cups milk.

Put milk, eggs and salt into bowl. Chop the DELECTO along with the nuts, adding sugar to prevent sticking together. Add this to the milk and eggs, then add the flour and powder. Mix thoroughly and pour into a well greased bread pan. Let stand 10 minutes and then bake in hot oven for 50 to 60 minutes.

DELECTO RICE MOULD: Boil 1 cup of rice in plenty of water slightly salted for 10 to 12 minutes. Drain and mix with 1 cup of DELECTO, 1/2 cup sugar, 1/2 cup milk and pinch of salt. Cook in double boiler for 40 minutes. Turn into small cups or 'bake mould'. When cold and set serve with whipped cream.

DEADLY HOUSE AND BARNS BURNED

In Midlight Blaze Exceeded \$10,000—Church Saved With Difficulty.

The occupied house (originally Nicholas Curry property) and empty barns owned by the J. B. Company were destroyed by fire Sunday night and the loss is over \$10,000. The residence, which was

formerly the home of Mr. Wack, manager of the J. B. King Company, well known plaster firm, had not been occupied for two years. The fire was discovered by Rev. W. I. Croft, pastor of the Methodist Church, who lives opposite, and the local bucket brigade did good work in confining the flames to the residence and barns. The Methodist Church, which is next to the King property, was in grave danger of being destroyed by the fire.—Hants Journal.

BAPTIST CHURCH NOTES

Mrs. C. L. Whitman, of the Southern mission, will speak in the Baptist Church next Sunday evening, and his will be an interesting service and a large attendance is anticipated.

Next Sunday morning the pastor will deliver the 6th in the series of "Sea Scenes". Text: "Cast the net on the right side of the boat". This message is for the older Christians. All are welcome.

The pastor will direct service at Inglewood Thursday evening at 8.00 o'clock.

Mr. C. G. I. T. and Tuxis boys meet at the parsonage on Tuesday evening from 7.30 to 10.00.

The pastor, Rev. A. J. Prosser, will preach at Beaconfield next Sunday afternoon at 3 p.m.

There is a movement afoot to organize a Sunday School at Lower Clarence in the near future. This commendable undertaking has the hearty support of the pastor.

It is missionary night at the B. Y. P. U. Friday evening. There were 50 present at last week's meeting and it is hoped that this week's meeting will be as well attended.

Miss Pearl Beiler leaves town this week, much to the regret of the church in which her services are so highly appreciated.

A garage is being built at the parsonage this week for the accommodation of the pastor's car.

COTTON QUITS AS 'RED' EDITOR

Glouce Bay.—W. U. Cotton, B. C. L. who, since October, 1921, has been editor of the Maritime Labor Herald, announced on Tuesday morning that he had severed his connection with that journal.

Mr. Cotton further announces that Tom Bell, of the Workers' Party, Toronto, who recently assumed the position of business manager of the Herald, will also become editor and publisher of a dual capacity.

The resignation of Mr. Cotton's resignation as editor of the Herald was a distinct surprise.

He has been in charge of the Maritime Herald since it was organized late in the Fall of 1921, and has become one of the recognized leaders of the radical labor element in district 26.

Some months ago street rumor had it that Mr. Cotton would retire from the editor's chair, but he continued to dispense editorials which varied from eulogies of the "ideal" form of government in Russia to the alleged "rottenness" of the British Empire.

He is an avowed radical and an apostle of the Soviet form of government, declaring many times through the Herald that the only salvation for the workers here is in the establishment of dictatorship of the proletariat in Canada.

Mr. Bell, who succeeds Mr. Cotton, holds similar views on labor questions.

LAWRENCETOWN

(Continued from Page One.)

ably since she gave her last recital, in breadth, style, and fullness of tone. Her best numbers were heard in the second group—two love songs by Liszt, and the Finale from the "Faschingschwank" by Schumann. The beautiful "Cantique d'amour" by Liszt, she also excellently rendered. This is one of the more contemplative and deeply felt Liszt compositions, and Miss Whitman brought out the noble melody, with refined feeling. Here she made no attempt to force her tone from the piano, but the graduation and modulation throughout was very fine. Abundant power and well equipped octave technic dominated her playing of the sixth Rhapsody by Liszt. The ease with which Miss Whitman conquers the technical difficulties looks very like indifference, but is in reality complete repose and matured power. The octave passages work in the middle and at the close of the lurid composition was taken with rousing brilliancy.

Miss Poole, who assisted Miss Whitman, has a sweet soprano voice. She made a good impression by her artistic realization of the songs she sang so well, and which were so suited to her voice.

Miss Page, of the Oratory department, added greatly to the success of the recital by contributing to the program. Her reading was followed closely by an attentive and appreciative audience.

Miss Bessie Bell, who accompanied Miss Poole, proved herself to be a sympathetic and capable accompanist.

Programme:
Allemande, Gavotte and Masette, D'Albert.
Moonlight Sonata (Adagio, Sostenuto, Allegretto, Presto Agitato), Beethoven.

Songs—(a) Now Sleeps the Crimson Petal, Roger Quilton; (b) The Moor Cradle, Herbert Hughes; (c) Joy of the Morning, Harriet Ware.

Piano—(a) Three Hungarian Dances, Brahms; (b) Rhapsodie in B minor, (c) Du Dist die Ruh, Schubert; Liszt; (d) Liebestraume No. 1 and No. 2, Liszt; (e) Finale from Faschingschwank, Schumann.

Reading—Cutting from "The Squawman", Faversham.

Piano—Cantique d'amour, Rhapsodie Hongroise, Liszt.

PRINCESSES AS WAITRESSES

What May Be Seen in Constantinople.

London.—One of the most remarkable restaurants in the world is to be found in Constantinople. Its waitresses are almost without exception princesses, duchesses, countesses and other titled women. The proprietor is a negro, who, before the war, conducted a fashionable restaurant in Petrograd, and his assistants are Russian refugees who patronized his establishment in the old days.

These refugees reached Constantinople with little but their lives, and they had to find work or starve. They went to the negro and begged him to employ them. He did so, and is securing a great financial success.

Some of the titled waitresses have found husbands among the customers at the restaurant. Other refugees are employed as singers and dancers.

N. B. INDUSTRIAL DEVELOPMENT

Likely To Follow Harnessing Of Grand Falls.

Fredericton, N. B.—Reports of impending industrial development in New Brunswick and especially upon the upper St. John River, as a result of the anticipated development of the Grand Falls power, are being generally circulated in well informed circles, the Fredericton Gleaner says, following the important announcement made in the Provincial Legislature by Premier Veniot, that he had just completed a conference with representatives of powerful European capitalists who were seeking location in the Province for pulp paper industries.

For some time it has been reported that an American syndicate in which some of the leading newspaper publishers of New York are said to dominate have also been negotiating in connection with the establishment of pulp and paper mills in New Brunswick, and it is said that some of their representatives have recently undertaken negotiations in connection with certain extensive timber limits in the Province, and it has been reported that these American interests might bring about an amalgamation of some kind with certain existing Provincial lumber interests.

Dr. Crowe had the misfortune to slip and sprain his leg last week.—Spectator.

But here again the procedure resembles that of the Juvenile Court rather than that of the ordinary court. The public and the press are not admitted; the hearings are not allowed to become a paradise for morbid idlers, nor are the principals encouraged to adopt the attitude of defiance which publicity is apt to engender. Other public hearings are also avoided. The judge has before him the statement of the probation officer who has handled the case, as well as that of an investigator who has made independent official inquiry as to the earnings of the man. A medical department makes all necessary physical and mental examinations and an employment bureau exists for the purpose of finding positions for unemployed husbands who are obliged to make periodic payments for the support of their wives and families. The probation department is not only held responsible for such matters as the social and economic conditions of the home, the ability of the husband to provide support, and the worthlessness of the wife to receive it, the care the children are being given, etc., but it is also charged with the duty of supervision of cases for just so long a time as this may be helpful in holding reconciled families together, or in keeping men and women to their agreements.

Various Canadian organizations such as the Social Service Council of Canada, the National Council of Women, etc., are urging that similar Courts of Domestic Relations be established in all the large cities of this country. If results could be achieved here equally as favourable as those reported by the Philadelphia Court, it would seem that Canadian cities would do well to follow the suggestion.

ALBANY

Dr. I. B. Oakes, of Wolfville, spent the Sunday previous to Easter with his brother, Albert and wife, who are now boarding at the home of Mr. and Mrs. Lemuel Murray.

Mrs. Frank Dunlop and son Arthur, of Acadia University, arrived here on Tuesday, April 3rd, the son returning next day. Mrs. Dunlop will remain with her parents until last of next week. She was a week on the journey from Sydney Mines on account of bad weather the trains did not make connections.

Our teacher, Elvin Oakes, had a calling afternoon in the school on Thursday, 29th. The visitors listened to the classes with pleasure and noted the progress made by the pupils. At the close scholars and visitors were treated with the teacher's birthday cake (presented by his grandma Oakes) and candy.

Miss Sprowl, teacher in South Section spent Easter holidays at her home, Falkland Ridge.

Lorimer Whitman, of Halifax Business College, made a very short visit with his parents last week.

Mrs. Jessie Woodbury has returned after spending the Winter in Paradise. She is now with her daughter, Mrs. Harold Oakes.

Our obliging grocery man, J. A. Coakley, has been of great benefit to his customers this Winter conveying parcels to the people when the roads were almost impassable.

All are delighted to see the "beautiful snow" disappear after this unprecedented Winter.

THINGS TO BOAST ABOUT

Some day when the wind is in the east, the coal supply is low, tax collectors are threatening, and the quotation of your favorite industrial stock slumps, it may be encouraging to sit down and read this set of figures compiled by a reliable authority, showing that, while Canada has only five per cent. of the world's population, she produces:

90 per cent. of its cobalt.
88 per cent. of its asbestos.
85 per cent. of its nickel.
82 per cent. of its pulpwood.
29 per cent. of its lumber.
29 per cent. of its cured fish.
18 per cent. of its oats.
15 per cent. of its potatoes.
12 per cent. of its silver.
11 1/2 per cent. of its wheat.
11 per cent. of its barley.
4 per cent. of its gold.
4 per cent. of its copper.

SCHOOL FOR THE DEAF

Attendance 127 Pupils From Maritime Provinces and Newfoundland.

The 65th annual report (1922) of the above school has been issued and contains a large amount of interesting information. The total attendance for the year was 127 pupils. Of these, 77 pupils were from Nova Scotia, 29 from New Brunswick, 15 from Newfoundland and six from Prince Edward Island.

The attendance according to municipalities for the three Maritime Provinces is as follows:

Nova Scotia:
Annapolis 8
Antigonish 1
Cape Breton 12
Colchester 1
Cumberland 2
Digby (Clare) 2
Guysboro (St. Mary's) 2
Hants (East) 3

Chaille States Tanlac Built Him Up Recently Like It Did Years Ago.

"I was about the first man in Montreal to buy Tanlac when it was put on sale here, and ever since then I have been one of its firmest friends," declared Mr. S. Chaille, 94 De Granpre St., Montreal, Que. Mr. Chaille has been in the real estate business for twenty years and is well-known throughout the city.

"I was feeling greatly in need of a tonic at that time," he continued, "and as the ads. said Tanlac was good for anybody in a badly run-down condition, I decided to try it. The medicine promptly built me up and I was soon back in fine health."

"I have been strong and well ever since, until a few weeks ago when I began to feel weaker and felt all tired out, and was afraid I would catch the grip if I didn't keep fit. So I went back to Tanlac and am now taking it, with the same good results I got before. It certainly is a dependable medicine, and I'll always recommend it."

Tanlac is for sale by all good druggists. Accept no substitute. Over 35-million bottles sold.

BRITISH SHIPPING AGAIN SUPREME ON THE SEVEN SEAS

London.—British ships took the lead in carrying passengers across the Atlantic last year. Two British liners alone—Cunard and White Star—carried nearly 140,000 passengers out of 462,267. American ships carried 37,500.

According to the records now available the exact figures were:—

Cunard	White Star

German companies—Hamburg and North German Lloyd—carried 10,803 and 10,756 passengers respectively.

Although competition promises to be much keener than ever before, there seems to be no reason why the British lines should not maintain their leadership in the North Atlantic passenger trade.

MOONSHINER IS GIVEN THE LIMIT

Trenton.—Graham Hislop, from whom Chief McDonald seized a still about a month ago, but who, on account of illness, was unable to appear in court, was arrested and brought before Magistrate Crockett, and this being his second offense within a year, he was given the full penalty of the law, five hundred dollars fine or twelve months in jail.

Hislop, being unable to secure the necessary funds, was taken to Pictou.

NEW GLASGOW WILL BUILD NEW SCHOOL

Ratepayers, in Large Vote, Rally Action of Board and Town Council, Majority Against Separate Schools.

New Glasgow.—One of the largest votes cast at a town meeting was polled here, when, by a majority of some 239, the citizens ratified the action of the School Board and the Town Council authorizing them to borrow twenty-five thousand dollars to build a new school at the north end of the town. This question has been an exceedingly live one for the past few years. It was the principal issue at the February town elections when the Mayor and Councillors in favor of public schools were returned by large majorities.

VICTORY

Mrs. Joseph Darres has returned home from her visit at Medford, Mass.

Miss Annie Simpson has returned home from her visit at Clementsvale. Mrs. Simeon Darres has moved in her house.

MAJORITY IS FOR INCORPORATION AT BERWICK

Berwick.—The vote on incorporation of the town of Berwick, which has been the subject of much debate and created considerable interest in town circles for some time past, was taken before Sheriff Porter, of King's County, and incorporated in a majority in favor of incorporation of seventy-nine. The total vote cast was 120. There was one spoiled ballot. The vote stood:

TRAVELLERS' AID APPEAL

Anno J. Gray, Board Secretary. The officers and members of the "Toronto District W.C.T.U." desire to again call attention to the importance and necessity of our "Travelers' Aid" work, which has been carried on by us for more than twenty years. We began by employing one worker located at the Union Station.

Now we have a "Travelers' Aid Secretary" there as well as two workers, and also one worker at each of the other stations in the city. During the past year they have spent 6,600 hours at the stations, helping 19,146 persons, many of whom were homeless young girls, who had to be brought to our "Willard Hall" for care and protection.

Our expense in the beginning was comparatively small, but it has gradually increased, and last year we paid \$2,654.94, besides incidentals. Through all these years the "Surprise Soap Company" has given us a small cash percentage for every wrapper collected, thus materially assisting us in securing the amount of money needed.

During recent years, however, our income from this source has not been nearly equal to the expense incurred. We are therefore earnestly appealing to our friends for increased donations of soap wrappers, and where these are not available, money will be most acceptable instead.

During the past year our Travelers' Aids have found many opportunities for service, especially in showing kindness and giving information to a large number of war brides coming to, or passing through, our city. Many a tired and perplexed mother, with her family of little ones, expressed her gratitude to the T. A. who gave assistance during the hours of waiting between trains and put them on the outgoing train at the right time.

Then the many aged and infirm ones compelled by stress of circumstances to travel alone, were also made comfortable, and their nervousness overcome, as they were kindly and patiently helped on their journey.

Scores of young girls, troubled and or none at all, were carefully looked after, and when unable to be correctly located, were sent to Willard Hall until their friends were found.

Sick and injured women coming off the trains were given "First Aid," and when necessary, taken to hospitals, and their friends communicated with.

A large number of children without tickets or money, were placed in charge of reliable persons travelling in the same direction.

Evil-minded, designing persons were in many cases discovered, and their plans thwarted, and numberless young, innocent girls saved from ruin and misery by the timely intervention of our Travelers' Aid.

In order that we may be able to continue this good work, without financial embarrassment, will you please send increased donations of "Surprise Soap Coupons," or, if these are not available, money instead, to **MRS. C. JOST**, Bridgetown, N. S., the local agent, and she forwards them to Toronto.

AMERICANS WILL SELL STEAMERS

If No Market Is Found The Ships Will Be Operated By The Government.

Washington.—Decision was reached by President Harding and members of the United States Shipping Board at a two hour conference to proceed at once to the consolidation of the Board's foreign trade lines and then offer these lines and ships for sale, under the authorization of the Merchant Marine Act of 1920, conditioned on suitable guaranty of maintained service.

The programme decided on further provides that if the Government finds itself unable to sell the ships and lines without "unjustifiable sacrifice," the policy then will be to proceed to direct government operation.

The discussions, which resulted from the failure of Congress to pass the administration shipping bill, led to the development of both the President and the majority of the Shipping Board membership were strongly opposed to government operation and it was explained that such a course would be entered upon only as a last resort.

NO LABRADOR SURVEY

The Federal Department of Mines will not send a survey party to investigate the occurrence of placer gold at Stag Bay on the coast of Labrador. In making the statement to the Financial Post, Dr. Charles Cammell, Deputy Minister, gave as the reason that the claims staked at Stag Bay have been recorded with the government, and although the territory is still in dispute between Newfoundland and Canada, the government of Newfoundland is, for the time being, exercising jurisdiction over it.

VANCOUVER PORT TO LEAD IN TEN YEARS

Will Overdistance Montreal, Says Premier Oliver.

Calgary.—Prediction that within ten years Vancouver would be the leading ocean port of Canada in point of shipments was made here by Premier John Oliver, in an address before the Canadian Club. Mr. Oliver outlined the position of British Columbia in its fight for repeal of freight rates and strongly stressed the point that the aims of Alberta and the Pacific Coast Province were identical.

British Columbia is not asking favors, but an equal chance with the rest of the Dominion, said the Premier, and "we are going to get it." The opening of the Panama Canal, he said, has started a natural movement that not even the Dominion Government can stop and is going to create a condition that will surpass the hopes of the most sanguine. Premier Oliver looks forward to the Pacific Coast ports becoming the most important in the Dominion, due to the fact, in part, that the ports of Montreal and Quebec are closed for from four to five months of the year.

The problem of reductions on freight rates does not only affect the prairies, but is Dominion and Empire-wide, even affecting the world, to a certain extent, and Premier Oliver emphasized throughout his address that it was the importance of the future development of Alberta, whose interest in the proposition is fully as keen as that of the coast provinces, that should be borne in mind.

EXPECT DEFICIT OF 20,000,000 POUNDS

Irish Free State Budget For Year.

Dublin.—The introduction in the Dail Eireann of the first budget of the Free State Government, which forecasts a deficit of £20,000,000, has awakened little public interest and no speculation on the part of the press. The receipts for the year are estimated at £25,500,000 and the expenditures at £46,500,000. The upkeep of the army and compensation for damage done by the irregulars account for more than half of the expenditure estimates.

The attendance at the session of the Dail was sparse and Wm. Gosgrave, the President, was severely criticised in his speech in announcing the budget figures. Generally the members of the Dail were familiar with the figures. It is known that the cost of the army upkeep and the outlay in compensation for outrages would necessitate extensive borrowing, aggregating at least £20,000,000.

Mr. Cosgrave expressed confidence that a Free State loan could be raised within the country. He also evidenced satisfaction over what he termed the failure of Republicans in their attacks on the State.

The members of the Dail generally received the budget favorably. Nobody expected any remissions in taxation, and there was relief over the statement that the deficit would not compel any increase in taxation. The thorny questions regarding free trade or protection, or concerning indirect taxation of various classes of the community, were shelved by the proposals which left all changes to the future parliament.

WONDERFUL FOR BREAD

LAWRENCETOWN

The Men's Brotherhood of the Lawrencetown Baptist Church has held several very interesting meetings during the winter months and a deeper concern in the social, educational, and moral condition of the town has been manifested by the men. The Brotherhood has been the means of arranging for a series of addresses which were given by representative men including Rev. W. C. Machum, Maritime Baptist Young People's Field Secretary, whose presence and eloquent addresses are always a source of satisfaction. Rev. H. Y. Corey, missionary to the Telegas of India, who gave a deeply interesting and illuminating address on Indian problems. Rev. E. S. Mason, Home Mission Superintendent, whose earnest messages at Inglesville and Lawrencetown were much appreciated, and Rev. Dr. A. M. Hill, of Yarmouth, the representative of the Men's Brotherhood movement in the Maritime Provinces. All these addresses were of a high order and could not fail to stimulate a more widespread interest in the different departments of Christian activity.

A large Brotherhood Bible Class under the joint leadership of Deacon W. B. McKeown and Mr. E. C. Shaftner, is an encouraging feature of the work.

The mid-week meetings of the Brotherhood have been interesting. The Program Committee has succeeded in putting on programs each night of music, current events, discussion of community problems which has not failed to elicit a deeper interest in the general welfare of the town and country round about.

On Sunday, Rev. J. C. Hardy, Baptist Missionary, on furlough, gave these very informing and inspiring missionary addresses—the first to the Sunday School at Lawrencetown—in the afternoon at Lawrencetown Baptist Church, under the auspices of the

Women's Missionary Society. Even the youngest members of the congregation will remember with pleasure Mr. Hardy's great messages and stories of the wonderful change wrought in the lives of India, by the power of the Gospel of Christ.

The people of Lawrencetown may expect a rich treat in the near future by the coming of Rev. H. G. Mellick, of Hantsport, a former pastor of the Baptist Church who will give his illustrated lecture on: "Canadian Scenes," or "Canada from Ocean to Ocean." This lecture will be given on May 2nd, and will be held under the auspices of the Men's Brotherhood.

Arrangements are now being made by the Baptist Church for the celebration of fitting Jubilee exercises in connection with the fiftieth anniversary of the organization of the church, these services to be held during the week beginning Sunday, June 3rd. Several ministers and missionaries have been sent forth by this church in former days. It is hoped that some of these and also former pastors of the church may be present on the occasion to take part in the exercises.

Pastor A. H. Whitman is now conducting a series of special services at Brickton with encouraging results. The order of services for the Lawrencetown Baptist parsonage on Sunday, April 29th, will be as follows:—Lawrencetown at 11 a.m. and 7:30 p.m.; Williamston at 3 p.m.; The Ordinance of Baptism will be administered at 9 a.m.

TO CUT INDEMNITY

Edmonton.—Wm. Davidson, Independent, Calgary, created some consternation at Saturday's sitting of the Alberta Legislature, when he gave notice of motion of a bill to reduce the sessional indemnities from \$2,000, as agreed upon Friday night, to \$1,500. First reading was given to the bill which Mr. Davidson says, if passed, is to apply immediately.

Mr. William Westhaver, of Digby, was in town Monday on business.

Miss Olive Buckler and Miss Pearl Beeler left on Tuesday, the 24th, for Greenwich, Connecticut, where they expect to remain the summer.

Mrs. (Dr.) F. S. Anderson is visiting friends in Halifax this week.

Mrs. R. H. Duncan returned this week from Grand Pre where she spent the winter with her sister, Mrs. Tremblin.

Mr. John Irvin, K.C., left this week for Halifax for special medical treatment.

Mr. E. C. Hall, of Bridgetown, was a visitor in Berwick last week.—(Berwick Register).

Mr. G. O. Thies went to Kentville Monday as representative of the Bridgetown Baseball Club, in the drawing up of schedule for season's play in the Valley League.

W. G. Parsons, K.C., was a visitor in town last week.

Rev. E. Underwood is absent in Halifax this week attending the sessions of the Anglican Synod.

Mr. Carl Saunders has purchased the Eldon Parker farm at West Paradise.

Mr. Eugene Poole, of West Paradise, has gone to Wolfville, where he will be engaged some time in building construction.

Their many friends are pleased to welcome back Mr. and Mrs. M. W. Graves, who returned last week after spending a very pleasant winter at Haines City, St. Petersburg and other points in Florida.

Mr. F. G. Humphrey and family have rented Mr. Will Borgia's fine property at Carleton Corner and moved in the latter part of last week.

Miss Mildred Outhouse, of Digby, spent the week-end here, the guest of her uncle, B. A. Bishop, and of Mrs. Bishop.

The many friends of Mrs. Alton Messenger, of Centreville, were pleased to see her in town Saturday after being confined to the house for some time on account of ill health.

Local Happenings

Dr. B. C. Borden, after a long and most valued service as President of Mt. Allison and Principal of the Ladies' College, is retiring at the close of this year in May and will retire to his farm at Avonport. Mt. Allison is preparing some fitting tribute to commemorate his services at the approaching closing exercises.

St. John, N. B., has enacted by-laws forbidding baby carriages from obstructing the sidewalk two abreast. They must be propelled in single file. The new regulations also provide that no vehicle must be allowed to remain stationary within 15 feet of a fire hydrant or to 20 feet of a fire station under penalty of a fine of \$10.00.

A St. John, N. B., despatch says:—According to an official report from the meteorological observatory, the total snow fall for the season in that city to date has been 142 1/2 inches. There are no records available to show that there ever was such a heavy snow fall during any winter in these parts.

The Dominion Atlantic Railway Co. will erect new stations at Paradise and at Clementsport during the coming summer. Both contracts have been awarded to E. S. Langille, of Wolfville, N. S., and the work will begin immediately.

We need a daily service from Middleton to Bridgetown. Let the Middleton and Bridgetown Boards of Trade get interested.

Reference has already been made in the press to the fact that His Honor, Mr. Justice Rogers, of the Supreme Court, Halifax, is a great grand son of the late Mrs. Page of Truro, who was the only child born on the "Hector" during the passage of that ship to Pictou in 1773. Judge Rogers is a member of the honorary committee in connection with the celebration and will be here to honor the memory of the pioneers. Another descendant of Mrs. Page who will be here at that time is Mrs. (Dr.) C. A. Webster, of Yarmouth, who is a grand daughter, Mrs. Webster is a daughter of the late Alexander Murray, of Yarmouth.—Pictou Advocate.

Among improvements on the C. N. R. property here this season will be the construction of a "Y". This work will be commenced in the very near future. There is an agitation for a daily train service on the C.N.R. between here and Middleton and this is a matter in which the local Board of Trade and the Middleton Board can by co-operation considerably accelerate.

Mr. and Mrs. T. B. Chipman were given a very pleasant evening by some of their friends on Friday night. About sixteen gathered at their residence on South Street and the evening was spent in cards and music. About 12 o'clock refreshments were served by the guests. The evening was very much enjoyed by all, who hoped that before long they would all meet again.

There was a most enjoyable "box social" held by the Oddfellows on Monday night in their rooms. The attendance was good and bidding quite brisk on the boxes. Receipts over \$60. A very nice musical and literary programme was rendered during the evening.

Wedding bells in the air. Mr. Dennis Whitfield went to Boston on the 17th.

Mr. Harold Chute, of St. John, N. B., is visiting his mother, Mrs. Emily Chute.

An ice cream sale was held in the hall on the evening of the 17th, at which \$18.50 was realized for hall repairs.

Mr. and Mrs. Chas. Foster and family, of Middleton, are guests of Mr. Foster's parents, Mr. and Mrs. William Foster.

Mrs. T. W. Templeman, of Port Lorne, and Mrs. T. S. Brinton, of St. Croix, were calling on friends in Hampton on the 22nd.

Mrs. Joseph Scotte, of Waltham, Mass., is spending a month with her mother, Mrs. Annie Farnsworth.

Mr. Clarence Foster and Miss Jennie Messenger, of St. John, were recent visitors at the same home.

Boys far and near, get your horns and bells ready for a big noise in the near future.

Local Happenings

During the annual camp of last Fall the matter of forming a Rifle Association for "C" Squadron, Kings (N. S.) Mounted Rifles, whose headquarters are Middleton, was brought up.

To conform with the regulations for forming Rifle Associations laid down by the Militia Council, it was necessary to obtain thirty or more members. The required number of members was readily obtained while at camp, and the necessary forms, etc., were completed, sent in, and in due course the Association was approved.

The Association has been informed that the rifle range at Nictaux is to be repaired this Spring, and as soon as it is ready for use the intention is to have regular practices.

Although the required number of members have been obtained the Association is still open for more, and any person wishing to join may obtain full particulars from either the President, Capt. M. P. Nelly, M. C. Spa Springs, or Lieutenant C. Robt. Weaver, Secretary-Treasurer, at Port George.—Outlook.

Reports indicate that the Province has suffered the loss of a considerable number of these game animals through starvation, said Mr. Gagnon, while also indicating very little decrease in the mass of snow still present in the woods.

Among improvements on the C. N. R. property here this season will be the construction of a "Y". This work will be commenced in the very near future. There is an agitation for a daily train service on the C.N.R. between here and Middleton and this is a matter in which the local Board of Trade and the Middleton Board can by co-operation considerably accelerate.

Mr. and Mrs. T. B. Chipman were given a very pleasant evening by some of their friends on Friday night. About sixteen gathered at their residence on South Street and the evening was spent in cards and music. About 12 o'clock refreshments were served by the guests. The evening was very much enjoyed by all, who hoped that before long they would all meet again.

There was a most enjoyable "box social" held by the Oddfellows on Monday night in their rooms. The attendance was good and bidding quite brisk on the boxes. Receipts over \$60. A very nice musical and literary programme was rendered during the evening.

Local Happenings

Branch works of United States firms in Canada are reliably estimated at 675, of which Ontario has 335. There are 185 such industries in Toronto, and 75 in Hamilton. Among the United States industries that have recently established in Ontario, are carpet sweepers, shavers, snap fasteners, brushes, steel springs and window glass. Cheap electric power and a fairly well supplied and contented labor market have been contributing factors in attracting these firms to this country.
