The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminent soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminent par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaître sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

If you see it in the "London Free Press" it is so.

READ AND REFLECT.

NOTICE TO OUR PATRONS—If the individual members of an audience would stop to think for just an instant, they would undoubtedly appreciate the fact that the habit of rising from one's seat and leaving the theatre before the curtain falls, is a most annoying one, and one that should be stopped. We therefore beg our audiences to kindly remain in their seats until the close of the performance.

Evenings—doors open at 7:30; curtain rises at 8:15 sharp. Matinees—doors open at 1:30; curtain rises at 2:30 sharp.

The plan of the House will be kept at the confectionery parlors of Mr. Hewitt Fysh, King and Richmond Streets, corner of the Opera House building, where all seats may be reserved up till seven o'clock on the evening of performance.

Plan opens for each attraction two days in advance.

Seats can be secured by mail, telegraph or telephone. Telephone 732.

Physicians are requested to register at the Box Office, leaving seat number, as this will enable Ushers to find them if called for, without disturbing the audience.

Carriages can be ordered at the Box Office or of the Chief Usher.

Please report to the management any inattention on the part of the employees.

Overcoats, packages and umbrellas checked for a small charge.

For all lost articles apply at Box Office. Opera Glasses can be rented by applying to Ushers or at Box Office.

Between the Acts.

Primrose & West are coming.
Garments that always fit—at Burns.
The Shot-gun Policy—to know it's loaded.
"The Biggest Show on Earth"—at Burns.
A fire escape—Insurance.
The early bird catches the worm; but he finds it a tremendously long wait till dinner time.
Among the novel features in Primrose & West's Minstrels are Johnston, Riano and Bently in the funniest act ever put before the public—"The Monkey and the Farmer."

A name to conjure with—Herrmann's.
Read all the advertisements in this Programme, and you will have a "clinch" on the bargains.

"Judicious advertising is the keystone of success."
Everybody will be delighted at seeing Primrose & West again, for they have the best and strongest organization ever put together.

"How do you like my column of 'Comments and Clippings?'" asked the young editor of the old subscriber.
"Oh very well," replied the old subscriber, calmly. "I think you might improve it, though, by putting in fewer comments and more clippings."

Said a thousand-legged worm, as he gave a great squirm,
Has any one seen a leg of mine?
If it can't be found, I'll have to get around,
On only nine hundred and ninety nine.

We call the attention of our business men to the PROGRAMME as an advertising medium. It reaches the class of people whose trade you want, and the way to get that trade is to make yourself known.

A complete freight train of fourteen cars, illuminated caboose and practical working engine, a magnificent scene of Niagara Falls by moonlight, with real mist, as seen from Suspension Bridge. The flight of the Fast Mail which crosses the stage at the rate of seventy miles an hour, and a realistic steamboat race and explosion on the Mississippi, are among the most novel scenes and mechanical effects shown in Lincoln J. Carter's scenic production, "The Fast Mail."

VASELINE.

EVERYBODY knows the great value of this remedy in the household, but everybody does not know that the imitations of it, which some second class druggists dishonorably palm off on their customers, have little or no value. What should be understood by the public is, that it is not a mere question of comparative value between "Vaseline" and the imitations, but that the imitations do not effect the wonderful healing results of the world renowned "Vaseline," and that they are not the same thing nor made in the same way. Besides this, many of the imitations are harmful, irritant and not safe to use, while true Vaseline is perfectly harmless.

Perfect safety therefore lies in buying only original packages put up by and marked with our name.

The large class of people in London who like to see a great play interpreted by a great actor, supported by a powerful company, and produced with magnificence of scenic effect and gorgeous costuming, will have that desire gratified on November 2nd and 3rd, when Robert Downing, the foremost American tragedian, will be seen here in a grand production of the legitimate drama, the same in every respect as has won him honor and profit in the large cities.

The unexampled prosperity with which the season of Robert Downing, the favorite American Tragedian opened, has continued throughout his tour, and he will come to London with the proud distinction of having played to the largest receipts that have ever come to a tragedian starring in this country in the same space of time. Mr. Downing will bring here the same strong company, the same splendid special scenery, and the same gorgeous costumes as have helped to make his appearance so strong a drawing card in all the large cities.
