# TWENTY-NINTH ANNUAL REPORT

OF THE

## COUNCIL OF THE ASSOCIATION.

*To the Members of the New Brunswick Provincial Rifle Association :*

The Council submit to the members of the Association the twenty-ninth annual report, and are able to state generally that the work of the Association in its several directions has met with good results.

Before referring to the details of this work, we rejoice to record that the fondest ambition of Canadian marksmanship has been realized through the winning of Her Majesty the Queen's Prize by a member of that "dignified embassy," the Canadian Bisley Team. The victory of Private Hayhurst, G. M., is an event to be proudly remembered by Colonial riflemen.

### THE MARITIME MATCH.

Due arrangement was made for the holding of the Maritime Match at Drury Range on Thursday, June 13, and teams from the two sister Associations were gladly welcomed on their arrival. By the time the 200-yard range was finished a heavy fog had settled down, precluding all chance of firing at the longer distances. A novel expedient was then resolved upon. The riflemen hastily decamped from the range, took the first train to Sussex, and by 4 p. m. had contentedly resumed firing in bright sunshine, forty miles distant from the scene of

the opening shot. The match was continued without further difficulty, and Nova Scotia, having retained, and, indeed, increased the lead gained at 200 yards, secured the honors of the day, the team scores being in this order :

Nova Scotia,.....	673
New Brunswick,.....	657
P. E. Island, .....	651

Should this match continue to be shot in the month of June, it will, we think, be expedient for the Association to make Sussex the place of the New Brunswick contest.

MARTINI RIFLES.

The urgent need of more Martini rifles early engaged the attention of the Council. By personal interview at Ottawa, and through subsequent correspondence, this matter was pressed upon the Director of Stores, and through his kind offices one hundred rifles were forwarded to St. John for issue on the personal security of commanding officers. Prompt advantage was taken of this opportunity by some officers commanding, but unfortunately not by all ; still quite an addition has been made to the supply of reliable rifles.

THE PRIZE LIST.

The programme containing the Prize List and Regulations was printed in the usual pamphlet form and copies distributed early in the season.

It would be well, perhaps, another year to issue the programme in the more convenient book form generally used elsewhere, and which was indeed the form in which our programme appeared as long ago as 1879.

In the value and distribution of the money prizes, the number of competitions, their ranges and number of

shots, the programme was similar to that of 1894, but the regulations underwent some changes, and additions were made to the prizes in kind.

In accordance with the recommendation of the Competitors' meeting, formally approved by the Council, all the matches were thrown open to civilians, who thus became eligible for all prizes except the N. R. A. Medal and the cups specially restricted to the Active Militia. The change was made as an experiment, and the increase in the number of entries may fairly be claimed as the result, but as the resolution was, in terms, limited to the matches of this year, it will be for the Association to decide whether the privilege shall be continued.

The number of sighting shots at each range was reduced to one; the firing of that made compulsory, and the price included in the entrance fee of each match. Needless to say this method proved with us, as in every Association where it has been tried, satisfactory alike to the competitors and the Secretary's office.

The promise of a cup from the Mutual Reserve Fund Life Association, of New York, made necessary a change in the arrangement of first prizes. Pending the actual receipt of the prize and a fuller consideration of its ultimate place in our programme, the Executive Committee put it in what has hitherto been known as the "Provincial" Match, and named the competition after the President, the late E. B. Harper, to whose generosity the Association is indebted for the prize. The cup has lately been received in the form of a solid silver punch bowl. The conditions which have been attached to it are—that it shall remain a Challenge Prize and be restricted to Active Militia.

For the first time a grand aggregate badge appeared in the programme. A design for an embroidered arm badge submitted by the special committee was approved and placed with Hobson & Sons, London, to be worked up, subject to the approbation of Major Markham, Commandant of the Bisley Team. Three have been received for the winners respectively in 1894, 1895 and 1896.

Our gratitude to Lt.-Colonel Maunsell is by no means lessened because it has been so repeatedly awakened by his annual presentation of the Nursery prize.

#### THE ANNUAL MATCHES.

The matches opened on Tuesday, August 20. It may be mentioned, by the way, that this date was selected in the hope that a full week would then elapse between the conclusion of the meeting and the departure of our representatives to the D. R. A. matches, but as the date of the latter was subsequently altered to August 26, this hope was disappointed.

The Association has for years past enjoyed exceptional fortune in the matter of weather. Fine weather is perhaps the first of all conditions of a successful meeting, and this condition was again present this year. On the second morning indeed, heavy thunder showers affected the comfort and the scores of some competitors, but apart from these the weather was very agreeable, and the President, with the assistance of some of the Senior Officers, was able to make presentation of the prizes early in the afternoon of the third day.

#### FINANCES.

The accounts of the Secretary-Treasurer, duly audited, are submitted herewith. The balance of \$129.86, with

which the year commenced, has diminished to \$16.29. This decrease is, as last year, due to the purchase of medals owing County Associations.

#### MEDALS.

Practically all these arrears are now wiped out. There are on hand two medals for winners in Westmorland County, both of whom are out of the province; but apart from these all medals won have been delivered. Then we have on hand two Queen's Head medals (those which accompany the Prince of Wales Cup) yet to be competed for. A full list of medal winners in County Associations has been prepared with the view to its publication in the Annual Report.

#### OTTAWA TEAM.

In the past few years the loss of the Provincial grant has so seriously affected the strength of our Ottawa team, and the more gradual introduction among us of the Martini-Henry has so handicapped our riflemen in open contest with those of the larger provinces, that we had perhaps ceased to look for any special success under the existing circumstances. All the more welcome therefore have been the good things secured this year at Ottawa by New Brunswick riflemen. Our delegation was only nineteen in number, but one of these shot into the Bisley twenty, and two others, twenty-fourth and twenty-fifth respectively, are, we may say, equally certain of places.

Then, as a conclusion, our eight in the Provincial Match, by most brilliant scoring, gained for us another year's possession of the London Merchants' Cup. The team total of 714, or an average per man of  $89\frac{1}{4}$ , is distinctly the highest score ever made for the cup, and thus becomes a Dominion record.

## SPECIAL MEETING OF COUNCIL.

WEDNESDAY May 29th, 1895.

A special meeting of the Council, duly called by the President, was held this evening at the office of Wm. Parks & Son (L't'd.), Major J. H. Parks being in the chair.

Present :

	Major Parks, <i>President.</i>
Major T. G. Loggie,	Major W. C. Magee,
Captain J. H. McRobbie,	Captain E. A. Smith,
Captain S. B. Lordly,	Captain J. Manning,
Sergt. W. A. Lordly,	Col.-Sgt. M. B. Henderson,
	Captain J. T. Hartt, <i>Secretary.</i>

The minutes of the November meeting having been printed in the Annual Report, were taken as read.

*Resolved*, after consideration, That the entertainment for the teams participating in the Maritime match be as far as possible on the same lines as that of three years ago, and that a committee be appointed to act with the executive in carrying through all arrangements of the match.

Captain Manning, Major W. C. Magee, Captain E. A. Smith and Major Markham were appointed.

*Also Resolved*, That the Association supply three sets of new targets for use in the match.

The special committee on the Grand Aggregate badge submitted several designs, which were examined and compared by the meeting.

On motion of Major Loggie, the design numbered "2" was approved of, and it was decided to have three embroidered arm badges made up in London subject to the approbation of Major Markham, who would be in England as commandant of the Bisley team.

Tuesday, August 20th, was, by resolution, fixed as the day for the commencement of the annual matches.

*Resolved*, That the Governor General's medals be shot for in a special match, open to the highest twenty aggregate scorers as last year.

Also, that one sighting shot be allowed and be compulsory at each range of the regular matches, and that the price of ten cents each be included in the entrance fees.

The prize list of 1894, in respect of the money prizes, the ranges and number of shots, was adopted for the present year's matches.

The matter of obtaining more Martini-Henry rifles from the Militia Department for the use of the riflemen of this province was discussed, and the President and Secretary, with the officers commanding the St. John corps, were constituted a committee to press the matter upon the notice of the militia authorities.

The Council adjourned.

## COMPETITORS' MEETING,

RIFLE RANGE, SUSSEX,  
Wednesday, August 21, 1895. }

The usual meeting of competitors was held on the Range this afternoon after the conclusion of the Association Match. The chair was taken by the Vice-President, Lieut.-Colonel Tucker, but as the hour was quite late the attendance was not at all large.

The meeting having been called to order, Mr. Hunter suggested that some of the trees behind the Extra Series targets should be cut away. He pointed out that they formed a back-ground against which the signalling discs were often barely visible. Captain D. H. Fairweather stated that the lessor of the Range would be willing to allow the trees to be removed.

It was suggested that ropes be stretched behind the firing points, and also that the system of keeping scores on black-boards be introduced. Both suggestions were well discussed and severally voted down.

Objections were made to the unevenness in places, of the tops of the firing mounds, and some members advocated a slope of one or two inches from front to rear.

Captain Chipman moved a motion to the effect that the prize list be re-arranged so as to contain a lengthened list of prizes, and thus increase the average number in each match. The motion was—*Carried.*

It was also suggested that a consolation match be again, as in earlier years, inserted in the programme.

Major O. R. Arnold pointed out that the 200 yard firing points on the left of the range were in danger of

## ANNUAL MEETING,

ST. JOHN, N. B.,  
 Wednesday, October 9, 1895. }

The annual meeting of the members the New Brunswick Provincial Rifle Association was held on the evening of Wednesday, October 9th, at the office of Wm. Parks & Son, (limited) the President, Major J. H. Parks, in the chair.

The meeting was called to order at 8.30 with the following members in attendance.

The President,	Lieut.-Col. J. Tucker,
Major F. H. Hartt,	Major W. C. Magee,
Major A. J. Armstrong,	Captain S. B. Lordly,
Captain J. Manning,	Captain J. H. McRobbie,
Captain G. F. Thompson,	Captain D. H. Fairweather,
Lieut. H. Perley,	Sergeant W. Lordly,
Sergeant M. B. Henderson,	Mr. J. Hunter,
Mr. W. Humphrey,	Mr. H. R. Lordly,
Mr. C. Thompson,	
Captain J. T. Hartt, <i>Secretary.</i>	

The President stated that Major Markham had telephoned to him regretting that he would be prevented from attending.

The minutes of the annual meeting of 1894 were read and duly confirmed.

Read report submitted by the Council; also the statement of the Secretary-Treasurer's accounts. The latter showed total receipts to have been \$2,390.27, and the total expenditure, \$2,373.98, leaving a balance on hand of \$16.29.

The statement was endorsed with the report of the auditors to the effect that the accounts had been examined and found correct.

On motion, it was

*Resolved*, That the accounts be adopted and printed in the annual proceedings, and that the Council report be taken up for consideration.

The first paragraph which invited discussion, was that suggesting that the programme of next year's matches be printed in small book form. The matter was eventually referred to the Council, with a request to issue the programme in book form if the additional expense of so doing should be found not too great.

In that part of the report dealing with the Maritime match, it was suggested that Sussex might, with advantage, be selected as the place of competition when the match was shot in New Brunswick.

*Resolved*, That the suggested change from St. John to Sussex be approved of by this Association, and that the two other Associations be requested to agree to an alteration in the conditions of the match which would so provide.

The report referred to the right of entry in all matches extended to civilians at this year's matches.

*Resolved*, That similar privileges of entry be offered in next year's matches to civilian competitors.

The new Council was empowered to determine upon the place to be assigned the Harper cup in future prize lists.

The Council report was then on motion received, to be printed as usual in the proceedings.

In respect to long range accommodation, it was decided that the Council be recommended, should they think it desirable, and if the funds would admit, to provide a long range target at the next matches.

Read the minutes of the Competitors' meeting held at the Sussex range during the shooting.

*Resolved*, That Major O. R. Arnold and Captain Kinnear be requested to have the work of clearing away the trees behind the right end of the butt carried out, and also a dam constructed at 200 yards to prevent further undermining of the bank of the brook.

After a lengthy discussion it was resolved, on motion of Sergt. W. A. Lordly and Captain D. H. Fairweather,

That the number of prizes in the different matches be increased to twenty-eight or thirty, as the Council may deem feasible.

The proposal to introduce a consolation match was disapproved of.

Moved by Major F. H. Hartt, seconded by Sergeant W. A. Lordly,

That the method of selecting next year's Maritime team be referred to the Council.—*Carried*.

After some explanation and discussion the following amendments to the constitution were duly made on motion of the Secretary.

To add the following as Section 3 :

Any person, other than a commissioned officer, being a British subject, may become an associate member of the Association for the current year upon payment of the sum of one dollar and shall thereby have the privilege of taking part in the annual matches, but shall not be entitled to vote at any meeting of the Association other than a Competitors' meeting.

To substitute the following for Section 4, relating to affiliated associations :

Any County or Regimental Association in the Province subscribing five dollars towards the funds of the Association shall be considered as being in connection with it during the year in which such subscription shall be made, and shall be entitled to receive the silver medal of the Association for competition by its *bona fide* members.

To strike out Section 6, relating to persons competing who are not members of the Association.

To amend Section 7 by striking out the word "October," and substituting therefor the word "April."

In connection with this last amendment it was understood that the next annual meeting would thus be held in April, 1897.

The meeting, on motion, proceeded to the election of officers and council, the chair appointing Capt. McRobbie and Major Magee, scrutineers.

Major J. H. Parks was unanimously re-elected President.

Lieut.-Col. J. J. Tucker was unanimously re-elected Vice-President.

On motion of Captain Hartt, By-law 3 was amended so to read :

The regular meetings of the Council shall be held on the first Thursday in May and November, at such time and place as the President shall appoint.

Moved by Major Magee, seconded by Sgt. Lordly,

That Captain McRobbie, Captain Kinnear and the Secretary be a committee to consider the matter of constructing a long range butt and firing points, and to report at the May meeting.

The Secretary was instructed by resolution to procure estimates for printing next year's programme in book form and to report the same to the May meeting of Council.

Moved by Sergt. W. A. Lordly, seconded by Major Magee,

That the selection of the N. B. team for the next Maritime match be left entirely with the Executive Committee.

Moved, in amendment, by Captain McRobbie, seconded by Mr. Hunter,

That the N. B. team be made up of four men taken from the Bisley Hundred of 1895, and of four to be nominated by the Executive Committee.— The amendment was—*Carried*.

A further motion was passed :

That 100 rounds of ammunition be furnished to each member of the team for practice.

The Secretary recalled to the notice of the Council the circumstance that the programme of 1893 provided for a competition for the Governor General's medals, and the winners had been duly declared. No medals, however, had been received, as the then Governor General, Lord Stanley, left Canada during that current year.

It was decided that the Secretary endeavor to ascertain whether medals could be obtained, even though at the expense of the Association.

The special committee on the range, Major Arnold and Captain Kinnear, were requested to lay three or four inches of gravel on the mound of the 600-yard Extra Series, so that a test might be made whether gravel would make a suitable covering.

Mr. M. N. Cockburn at some length explained to the Council the difficulties under which the St. Andrew's Rifle Club laboured for want of Martini rifles. There was a great deal of shooting enthusiasm among the members as had been well evidenced by the attendance of ten of their number at the late Sussex matches, but the scarcity of rifles and the having to make each rifle in their possession do duty for three or four members, were very serious impediments to their shooting efficiency, and practically prevented any increase in their number.

After some remarks and explanations from the chair, the Secretary, and Captain McRobbie, it was resolved,

"That the request of the St. Andrew's riflemen for a loan of rifles be referred for action to the Executive Committee, and that it receive their favorable consideration when the shooting season of 1896 is about to open."

The Council, on motion, adjourned.

J. TWINING HARTT, CAPTAIN.

*Secretary.*
