A month's notice shall be given of all resolutions affecting the rights of members, or creating new offices or salaries.

All annual general meetings of this association shall be holden at Windsor.

All undergraduates, resident at College, shall be competent to compete for the prize or certificate for modern languages.

At the annual meeting held at Windsor, June 29, 1859, Dr. King moved the resolution, notice of which was given at the last annual meeting by the Rev. Dr. Twining, in reference to the mode of election of Governors, viz. : that the present mode of voting for each individual separately and in alphabetical order be discontinued, and that the usual mode of putting all the names proposed on the same ballot, out of whom those having the highest number shall be declared elected, should be adopted; which motion was seconded by Dr. Almon. After considerable discussion, Mr. A. M. Cochran moved in amendment that the following proviso be added: "Provided that no person

shall be declared elected as Governor unless he have a majority of votes cast." The amendment was seconded by Nepean Clarke, Esq., and carried. The original resolution of Rev. Dr. Twining, as amended by Mr. Cochran's proviso, then passed.

At the general meeting, October 17th, 1856, it was resolved, "That the right of voting by proxy be in no way interfered with."

The following resolution was passed at the general meeting, 24th June, 1857:

Resolved, That the ballot be not sent round for any officer of this association, or of the Board of Governors, whose name has not been previously proposed and seconded by some member of the association; and that the ballot be not taken until all the names of the persons intended to be proposed for any office be given.

At the annual meeting held at Windsor, June 27, 1860, the following resolution was proposed by Dr. Almon, seconded by Rev. Dr. Robertson, and passed:

Resolved, That a Prize of £5 be given to the student passing the best examination for Matriculation, in June next. The day of examination and other details to be settled by the President of the College.

At the annual meeting held June 25, 1862, this grant was discontinued from the want of funds.

At the same meeting the Rev. G. W. Hill moved the following resolution, which was seconded by Dr. Almon, and passed unanimously:

Resolved, That the Executive Committee of the Associate Alumni be empowered at their monthly meetings, during the interval between one annual general meeting and the next, to elect members of the Incorporation, provided that no black beans be cast against them.

Rev. Professor Hensley moved the following resolution:

Whereas, The funds of this association are pledged, and consequently no funds are left for providing the alumni scholarship and the usual prizes.

Resolved, That honorary certificates be granted in the several departments instead of the prizes as heretofore. Which passed.

REPORT.

IN accordance with established custom, and the provisions of the Act of Incorporation, the Executive Committee submit to the Associated Alumni their Seventeenth Annual Report.

No event deserving of particular notice, has occurred during the year that has elapsed since your Committee last met the Association,—the usual routine of duty has been observed,—and the affairs of the College have been managed in such way, as according to the judgement of your Committee would best advance the interests of the Institution.

The most important matter which your Committee have to bring under the notice of this meeting, and one which requires prompt attention, is the present position of affairs connected with the New Collegiate Buildings.

It will be remembered that in their last annual report, your Committee traced the progress of the work from its inception to its then state of partial completion, and presented the Association with a synopsis of the financial state of affairs, from which it appeared that when the building shall be handed over by the contractor there would be due him the sum of £405 12 0—to meet which there was only a balance of £10 10 5 in hand.

Since the last annual meeting matters have remained in *statu quo*; the building has never been in a position to be handed over by the contractor, so far as your Committee are aware; and consequently no call has been made for the last instalment—which is payable by the terms of the contract three months after that event takes place.

Your Committee understand that since this Association last met, an inspection of the building by competent persons has been made, and some defects of a more or less serious nature discovered: for the particulars of which, as well as of all other matters connected

with this subject, they beg to refer to the report of the Building Committee.

At the last annual meeting of this Association, the question of the deficiency in the Building Fund, was, owing to the pressure of business, but briefly considered. The following extract from the minutes will shew the action that was taken:—

“In reference to the deficiency in the funds required to complete the new building, Col. Poyntz suggested that the particular attention of the Executive Committee, and of the Board of Governors be called to the subject. Seconded by Rev. Mr. Ansell, and passed.”

In compliance with this resolution a Sub-committee was appointed by your Committee at their monthly meeting in July last to confer with a Committee of the Board of Governors on the subject. These Committees met, but no definite result followed their deliberations, the Governors intimating that they had no available funds at their disposal.

As the matter stands at present, then, no provision has been made for this payment of the last instalment of £405 12 0, when it shall fall due, and your Committee most earnestly urge upon this meeting the necessity for immediately devising some mode by which this emergency can be met.

Your Committee need hardly remind the Associated Alumni, that they have no funds whatever to devote to this object, and in fact that they have already seriously crippled their annual income by being obliged to vote £375 of their funds to meet a previous instalment of the contract.

This is a subject, then, of serious moment, and in which every member of the Alumni should feel a personal interest. And your Committee trust that the Association will be animated by but one desire—to maintain the credit of the Institution, and honorably to discharge the obligations that have been assumed.

There is another subject connected with the finances of the College which has engaged the attention of your Committee, and which they submit for the consideration of this meeting, viz: the position of the stock held by the Association in the Merchant's Bank of Boston. The amount of this stock is \$4,000, which formerly

yielded a half-yearly dividend of from \$120 to \$130: but the effect of the present disastrous war has been such as to prevent these dividends being drawn without serious loss, for the last two or three years.

In the month of January last a communication was received stating that it was intended to reduce the capital of the Bank, and to convert it into a National Bank, and enquiring whether the Association would be willing to surrender ten of its shares at the par value. After due deliberation it was not deemed desirable to take any immediate action in the matter, and during the last few days a circular has been received to the effect that the Bank has been converted into the "Merchant's National Bank, of Boston."

The stock in this Bank as far as your Committee are aware, is good, but it becomes a question whether in the present position of affairs in the Northern States, it will be advisable to allow it to remain there. But the more immediate matter upon which your Committee seek direction is as to the arrears of dividends,—and they wish to be advised as to whether they shall still allow them to accumulate, or whether they shall invest them in other stock.

For the last three or four years your Committee have been unable, in consequence of the death of the mortgagor, to collect the interest upon a mortgage for £100, made by one Higgins of Cape Breton, and assigned by the late Hon. James B. Uniacke, to the Alumni for a specific purpose; and they had almost determined to foreclose the mortgage, when fortunately an offer was made which, although much less than the face of the mortgage, resulted after much negotiation and delay, in the transfer of the mortgage to W. D. Smith, of Mabou, for the sum of £100, and all arrears of interest, amounting to £28 5 0.

This principal sum of £100 has been placed upon a deposit receipt in the Bank of Nova Scotia, pending a better investment, and the interest according to the terms of the bequest can only be applied towards the payment of the salary of a Professor of the College.

During the year an instalment of eighteen pounds has been paid by one Angus McDonald, on account of purchase of lands at Antigonish, presented to the Incorporation by Mr. Merritt.

It will be seen by referring to the last report, that the sum of £85 arising from this same source, formed the nucleus of the new Collegiate Building Fund.

A further and last instalment of £18 remains due upon this purchase.

The Treasurer's account, which according to the Bye-Laws is made up to 30th April, exhibits a balance at that date of \$376.71: but this has been reduced by the payment since then of the grant to the Professor of Modern Languages, of \$250, and about \$50, for printing and advertizing.

According to the Bye-Laws it becomes necessary, at this meeting, to elect two Governors in the place of A. M. Uniacke, Esq. D. C. L., and Hon. M. B. Almon, who in the order of their election go out of office, but who may be re-elected; and a Vice-President, and three members of the Executive Committee in the place of B. H. Collins, Esq., Hugh Hartshorne, Esq., D. C. L., Rev. James C. Cochran, M. A., and Benj. Curren, Esq., M. A., who retire by rotation, all of whom are eligible for re-election.

By order of the Committee,

FITZ. COCHRAN,
Secretary.

HALIFAX, June 25, 1864.

REPORT OF THE BUILDING COMMITTEE,

SUBMITTED AT THE ANNUAL MEETING, JUNE 29, 1864, AND PUBLISHED AS AN APPENDIX TO THE ANNUAL REPORT.

THE Building Committee appointed by the Associate Alumni of King's College, Windsor, at their General Meeting held in the Hall at Windsor, in 1861, beg leave to report as follows:—

That the Committee after having obtained permission from Mr. George Lang, the contractor, to allow the governors to hold the Encœnia of 1863 in the Hall then in process of building, made use of it accordingly on the day succeeding the annual meeting of the Associate Alumni. The Hall was not at that time taken off the hands of the contractor, but was only borrowed for the occasion; a formal letter having been written to Mr. Lang requesting his permission, and a formal reply from him granting it having been received.

In the course of the autumn of 1863, the Committee authorized Mr. Tremain, C. E., to proceed to Windsor, and after due examination to report to them in reference to the necessity of making a drain around the building, and to report generally on the state of the Hall; and further, they resolved that on Mr. Tremain reporting that the Building is completed, and all the necessary alterations of work improperly done being also completed according to the requirements of the reports of Mr. Tremain, the Alumni be informed of the same; and that within three months of the date of such information, they will be required to pay the balance of £405 12 0.

In the month of January of the present year, Mr. Lang officially announced that the building was complete, and handed in his account of work done and monies received, but as Mr. Tremain had not reported the work to be satisfactorily done, the building was not taken off his hands. A good deal of negotiation has taken place with Mr. Lang, since the meeting of last year, but the Committee regret to say that little progress has been made towards settling the disputed points. A Sub-committee, however, have been holding a conference with Mr. Lang, who will make a report himself of the difficulties with which he has had to contend, and of the position in which he now stands. But the Committee feel it to be of the utmost importance that arrangements should be made for paying the balance which will be due when the building is finished according to contract; and themselves members

of the Associate Alumni, they would earnestly press upon the general meeting the duty of attending to this matter of finance at a time when the friends of the College are in a position to give their time and thoughts to the business.

GEORGE W. HILL.

The difficulties alluded to in the above report have been arranged with the contractor as will appear from the following extract from the minutes of the annual meeting.

"Rev. Mr. Hill from the Building Committee stated that he had just had a conference with Mr. Lang on the subject of the points in dispute, as to the finishing of the Building, and that Mr. Lang agreed to put on the slates necessary upon the roof of the Hall,—to point the exterior of the Building wherever needed,—to repair the broken windows, and to put to all the lower ones and that over the main door mullions of wood precisely similar to those of the upper range."
