GRAND MASTER'S ADDRESS.

To the Right Worshipful Grand Orange Lodge of Ontario West.

BRETHREN,—It affords me great pleasure to meet you in Grand Lodge to-day and receive the congratulations and friendly greetings of many of my older brethren, whom I have been accustomed to meet in Grand Lodge for many years, and to welcome my younger brethren who are here for the first time.

When, one year ago, you elected me as your chief officer, it was not without feelings of misgiving as to my ability to serve you that I accepted the position in which you were pleased to place me, and now, at the end of the year, permit me to return you my sincere thanks for the great honor done me, and for your kindness and forbearance in overlooking my many shortcomings during the year.

I am happy to be able to report to you that during the year harmony has prevailed throughout the jurisdiction, and peace and prosperity has compassed us on every hand.

From the Reports that will be laid before you by the Grand Secretary and Grand Treasurer, and the returns from the various counties, it will be seen that substantial progress has been made; there has been an increase of membership and a better attendance at primary Lodges, several dormant Lodges have been reorganized and a number of new warrants issued. This increase and improvement in our Order is most gratifying and leads us to the conclusion that as the principles of Orangeism becomes better understood, accessions to our ranks will greatly multiply.

During the year I have visited a number of Lodges and dedicated one Orange Hall, erected by the Brethren of Thamesford, and which reflects

much credit on their energy and zeal in the cause, and is an example well worthy of imitation by brethren in other sections of the country.

My correspondence with the brethren has been large, and the labor of revising by-laws much more than I anticipated at the commencement of the year, but I have endeavored to discharge my duties in these respects as promptly as possible, and if I have failed to respond within a reasonable time, I can assure the brethren whose cases have been overlooked, that the delay was attributable to causes over which I had no control, and not to any wilful negligence on my part.

Our Constitution and Laws are open to the public, and all classes of Protestants of good reputable character are welcome to join our ranks without question as to their particular creed, and notwithstanding what some say of us, without regard to political associations, whether Tory or Grit.

An Order, founded on the principles of the Orange Association, which inculcates the doctrines of the Reformation, instructs its members in their duties and responsibilities to their fellow men, encourages the young to form habits of diligence, and impresses by all its ceremonies and teachings the golden rule "do unto others as you would they should do unto you." Justice to all, oppression to none. Liberty, equity, fraternity, cannot fail to command the esteem and respect of all who understand its teachings and wish to be governed by these golden maxims.

In many of the outlying districts the members, by reason of their isolation, find it difficult to keep themselves fully up to the times in the working of the several degrees, and I would recommend to your consideration the advisability of adopting some means of helping them on in their work, by the assistance of the Grand Lecturer, or some other officer, who could attend and hold Lodges of instruction in central localities.

I consider it of the greatest importance to the welfare of our Order that we should, in our Grand Lodge meetings, lay down such rules for the guidance of our members in matters pertaining to our Association, that no misunderstanding can occur or any friction be caused by members having taken the same obligation pulling in opposite directions expecting to attain the same end. The Roman Catholic hierarchy never makes such a mistake, for when Rome wants to accomplish an object her plans are laid with great care, and then everyone under her rule, and acknowledging her sway, will work with untiring zeal to carry out her designs, following the rules laid down for their guidance, none daring to exercise his own judgment or think for himself.

In a country so democratic as Canada, governed as it is, by political parties, and where the party lines in the past have been so closely drawn, we have many lessons to learn. The first and only one to which I will now call your attention is that when great issues and principles are involved, we should stand by our mottoes "Union, Love and Truth; Our God, Our Country and Our Queen," and let political parties and past associations be laid aside for the use of men void of the principles we profess to teach and practice. By so acting on all occasions our influence for good in the government and councils of our country, as well as in the other relations of life, cannot fail to be felt and acknowledged.

Our educational system in Ontario, the plans and foundation of which were laid by that great and good man, the late Dr. Ryerson, has been justly acknowledged to have no superior, but alas, it has been tampered with by

designing politicians for the purpose of pleasing and currying favor with the Roman Hierarchy. This is a question on which, above all others, all Protestants should unite to guard against further encroachments of Rome, whose campaign against our public schools is now thoroughly organized and conducted with that tenacity of purpose and subtle policy which characterizes all her schemes. Our politicians when they first granted separate schools, let in the thin end of the wedge, and the Roman Ecclesiastics have ever since been driving it still further, every success giving them renewed energy, and unless arrested by the strong hand of the people, in a short time we will find the efficiency of our public schools very materially and injuriously affected.

The Irish question is still the all absorbing problem in the Mother Country. We deeply sympathize with our Brethren and Protestant friends in the Emerald Isle in their struggle to maintain their freedom from the grasp of the Parnellite party, and we venture to express the hope that the day is far distant when the British House of Commons will consent to any measure tending to a severance of the brightest jewel from the rest of the Empire. Yet it is our earnest desire that every extension of freedom may be granted to the people of that unhappy land, which is consistent with the maintenance of the integrity of the Empire.

The Triennial Council will meet in July next at Carrickfergus, in Ireland, where it is expected delegates will attend from all parts of the world, to consider the various subjects affecting the prosperity of the Order.

The success of the Orange Mutual Insurance Department is now an accomplished fact. All death claims have been fully settled, and means have been adopted to create the nucleus of a reserve fund, so as to always have on hand sufficient to pay one or more claims promptly, as soon as they are proved, without waiting the usual time necessary for collecting an assessment, thus rendering assistance to the widow and orphans of a deceased brother at a time when it is most needed. I would urge all brethren to use their influence in promoting this useful branch of our association.

Our Constitution, Laws and Ritual, while they contain all that is necessary for our government and guidance, I feel constrained to say could be greatly improved by revision and by the introduction of some new features, bringing the working of the Order more in harmony with modern ideas. I would particularly refer to our present system of organizing new lodges by drawing away members from existing lodges; a system which, in my opinion, is not well calculated to advance the spread of our association and increase our membership; and I would recommend that a petition be presented to the M. W. G. L. of B. A. praying for a revision of the Ritual in the manner thus indicated, and for such amendments of the Constitution and Laws as may be necessary to enable any number of Protestants (not less than 6) to organize a new Lodge under dispensation from the M. W. G. M. of B. A. or the R. W. Provincial G. Master, the County Master in the locality or some other officer being appointed to obligate them and instruct them in the working of the Order in its several degrees; a warrant to be issued as soon as the Lodge is placed in good working order.

At the last meeting of this R. W. G. L. you were pleased to grant a prize for the purpose of promoting the circulation of *The Sentinel*, the organ of our Association. At the request of several of those engaged in the work, I concluded to postpone the time for payment of the prize, and I trust the

action taken will meet your approval, and that additional means will be taken at this session to still further extend the circulation of *The Sentinel*, which in the past has been so fearless and outspoken in the cause of Protestantism.

Your Secretary and Treasurer have been most constant and unremitting in the discharge of the duties of their respective offices, and I desire to express to them my sincere thanks for their assistance on all occasions when required, and to convey to you my appreciation of the debt of gratitude due to them from this R. W. G. L. for their efforts in promoting its interests and advancing it to its present prosperous condition.

I am sure you will all join heartily with me in congratulating our esteemed Grand Treasurer, Right Worshipful Brother E. F. Clarke, on his great victory at the Municipal Elections in January last, when elected Chief Magistrate of the Queen City of the Province. May he be long spared to fill and adorn the many positions of honor and trust in which his fellow citizens have seen fit to place him.

It gives me great pleasure to meet with you in this magnificent Orange Hall in the Queen City of Ontario, and the banner Orange City of America. Trust this meeting will have the effect of further stimulating the brethren to greater exertions in the Orange cause.

I trust your deliberations will be conducted in a spirit of candor and moderation, and that they may be conducive to the welfare of the Order and the best interests of our common country.

W. W. FITZGERALD,

Grand Master.

Moved by Bro. W. H. Stewart, C.M., East Lambton, seconded by Bro. E. Morton, W.M. 286, and

Resolved—That the Grand Master's address be referred to the Committee on Correspondence.

ANNUAL REPORT OF THE GRAND SECRETARY.

To the Right Worshipful the Provincial Grand Master, Officers and Members of the Grand Orange Lodge of Ontario West :

RIGHT WORSHIPFUL SIR AND BRETHREN,—In accordance with constitutional practice, I have great pleasure in presenting my fourth annual report, as your Grand Secretary, and in transmitting to you in a brief form the work transacted during the past year.

OBITUARY.

The members of the Association have been called to mourn the loss by death of some of our most active workers, although, so far as I am able to judge, the death roll has not exceeded that of past years.

Bro. Alex. Edgar, District Master of Innisfil, who was present with us and took part in our deliberations last year and on previous occasions, was suddenly called away shortly after our meeting last year.

Most Worshipful Bro. John Flanigan, of Kingston, at one time Grand Master of British America, has also passed to his reward.

LODGE REPORTS.

34 of our County Lodges have reported, and from these I have pleasure in being able to report that 1,031 new members have been admitted by initiation; 559 brethren by certificate; while the number removed by death, 97, and by expulsion has been 68, indicating a steady and increasing growth, which must be gratifying.

ISSUE OF WARRANTS.

Eight new warrants have been issued during the year, by Counties, as follows: No. 828, to East Grey; No. 803, to Muskoka; Nos. 809 and 838, to Parry Sound; Nos. 154, 196 and 804, to Toronto; and one to North Bay, number not fixed as yet.

RENEWAL OF DORMANT WARRANTS.

The following dormant warrants have been revived, and the lodges re-organized and in working order: No. 153, South Huron; No. 643, North York; No. 770, Dufferin, and one each in South Perth and West Welling-ton.

SURRENDER OF DORMANT WARRANTS.

Only one warrant reported in working order last year has been returned to me, but another has been withdrawn,

CORRESPONDENCE.

The Grand Lodge correspondence has continued to increase, and from the spirit of the enquiries it is in the direction of making the brethren acquainted with the work of the Association. No difficulty, I am pleased to state, has occurred, and good feeling and harmony prevails to a most wonderful degree, a feature most creditable to the Association. The revised Constitution and Rituals have apparently closed the doors on disputed and constitutional points, so that they are no longer a bone of contention at our lodge meetings.

I have pleasure in reporting that printed Reports of the last annual meetings of the M. W. the Grand Lodge of British America, and the Provincial Grand Lodges of Ontario East, Quebec, Nova Scotia, New Brunswick, Prince Edward Island, Newfoundland, Manitoba and N. W. T., have been duly received, and from which I have obtained much valuable information.

OUR JULY ANNIVERSARY.

The year we have entered on marks the bi-centenary of the great event which called the Orange Association into existence; and recalls to us the great struggle for liberty and the truth, which, two hundred years ago, our forefathers were engaged in in the Mother Country. History furnishes no greater example of fortitude under the most trying and difficult circumstances, and right loyally and enthusiastically should we celebrate our forefathers' deliverance from civil and religious tyranny. At the last meeting of the M. W. Grand Lodge of British America the following resolutions on this subject were unanimously adopted:

REPORT OF THE BI-CENTENARY COMMITTEE.

To the M. W. Grand Orange Lodge of British America:

BI-CENTENARY.

Moved by Bro. Rev. Dr. Badenoch, D. G. C. E., seconded by Bro. Rev. Dr. Kane, G. M., Belfast, and

Resolved.—(No. 22) That the following memorandum of suggestions, with respect to the Bi-centenary of the Revolution Settlement of 1688, be adopted by the Council :

1. That each Grand Lodge make arrangements to commemorate, in their own jurisdiction, this event.
2. That at the next Triennial Meeting of the Council this great event be commemorated.

3. That the proceedings be opened by a sermon.

4. That each Grand Lodge appoint one or more of their brethren to prepare papers to be read on any one of the following subjects : The state of religion in Great Britain and Ireland. The position of the country at 1688. The Life and History of King William, Prince of Orange. The history and principles of the Settlement of 1688. The history and principles of the Orange Organization. The state and position of Orangeism in the respective quarters of the world ; and the duty of Protestants to maintain and defend the Protestant religion, as the only and sure foundation of civil and religious liberty.

5. That such papers, when approved, be printed in a volume, and circulated throughout the Order in all parts of the world. Such papers not to exceed thirty minutes.

6. That the following be a committee to arrange the business of the next Triennial Council, to receive these papers, which should be in the hands of the Secretary not later than a month before the meeting of the Council, viz. : The President, Bros. Rev. Dr. Potter, Dr. Miller, Rev. Dr. Kane, W. Johnston M.P. (Ballykilbeg), W. Touchstone, Rev. Dr. Badenoch, and the Secretary.

I trust that steps will be taken at our present meeting to carry out as far as possible the spirit of these resolutions.

NEW COUNTY LODGES.

In accordance with the resolution passed at our last meeting, the County of North Simcoe has been divided into two parts, the Districts of Barrie and Nottawasaga forming the new County of West Simcoe, and the Districts of Orillia and Penetanguishene forming the new County of East Simcoe. It is hoped that this division will result in permanent good and will be more convenient to our brethren in the transaction of their County Lodge business.

SPECIAL COMMITTEE ON ORGANIZATION WORK.

I propose presenting a special report on this subject and asking at the same time a special Committee to whom the matter may be referred. I also propose asking for a Committee to prepare a model trust deed to enable brethren engaged in erecting and improving their halls to securely have and hold the same for the use of the Association.

THE SENTINEL.

THE SENTINEL has long since become a household name in our Association. Every year it continues to improve, and where it is read and its principles carried out we are able to point to large and flourishing lodges. Would that every brother in the Association felt it his duty to aid in its circulation.

THE MAYOR OF TORONTO.

I am sure our brethren will join with me in congratulating our esteemed Grand Treasurer, Bro. E. F. Clarke, on his elevation to the most important civic chair in Ontario, adding one more link to the esteem and admiration which our distinguished brother holds in the minds of his fellow citizens in Toronto.

OUTSIDE TORONTO.

A scrutiny of the lists after the January election reveals the fact that a very large number of our brethren possess the confidence of their fellow electors, many of whom in due time will no doubt be called higher to serve in the parliamentary halls of our country.

THE QUEEN'S JUBILEE.

As directed at our last annual meeting, a cable message was sent, signed by your Grand Master, conveying your congratulations and admiration to Her Most Gracious Majesty's person and throne, and a most gracious reply was duly received through Her Majesty's Private Secretary.

The returns of the various County Lodges and Lodges working directly under this office in Algoma will be presented to you showing, as indicated elsewhere, a very satisfactory year's work.

Trusting that our deliberations may be conducive to the best interests of the Association, the good of mankind and the glory of God,

Believe me,

Most sincerely yours,

ROBERT BIRMINGHAM.

GRAND SECRETARY'S REPORT ON THE ORANGE MUTUAL BENEFIT SOCIETY.

To the R. W. The Grand Master and Members of the Provincial Grand Lodge of Ontario West :

R. W. SIR AND BRETHREN,—I have great pleasure in presenting herewith my Annual Report of the Orange Mutual Benefit Society, and in so doing I would offer my congratulations on the steady progress which we have made during the year.

Our membership roll has been increased by 204 new members, and 39 more new names are ready to enter on our books; while the deaths have only numbered eight, or about one in every one hundred members on our list.

At an Executive meeting held on November 17th, 1887, after mature consideration, it was decided to increase the rates then paid as commission to our agents, in the hope that by giving them sufficient remuneration to make their engagements without loss of time or means, that the agents would be enabled to prosecute our work and assist in increasing the membership.

I am of the opinion that in addition to the efforts of our agents, the Masters of our various Lodges could create a great interest in our work by making the Mutual Benefit department a part and parcel of the routine work at their meetings, and by continually referring to the benefits to be derived therefrom.

The Provincial Government of Ontario have introduced a measure dealing with the Friendly Societies now conducting business in the Province. After a careful examination of the principal clauses, I am enabled to say that we should experience little or no change or difficulty in conducting our work under it. As matters now stand we have a separate and distinct account for each member; he is notified direct of all assessments, remittances and arrears, and cannot be declared out of membership without full notice to his last known P.O. I think, however, that we should have a Friendly Societies' Act passed by the Dominion Parliament, so that its operations might extend, as do our members, over the whole Dominion. In connection with this matter I would urge the appointment of a committee to act in conjunction with committees from other bodies now seeking such legislation.

The Auditors' Report, which will be submitted, will show the financial position of our department, and that the most rigid economy has prevailed, and a surplus in both branches.

I am, very sincerely yours,

ROBERT BIRMINGHAM.

Toronto, March 13, 1888.

The R. W. Grand Master referred this Report to a Special Committee consisting of R. W. Bros. James Bennett, T. C. McAvoy, E. Floody, H. A. E. Kent, A. J. Sinclair, Dr. Oronhyatekha and Robt. Mahood.

GRAND TREASURER'S REPORT.

In the absence of R. W. Bro. E. F. Clarke, M.P.P., Grand Treasurer, W. Bro. James A. Keyes read the Annual Report of Grand Treasurer.

To the Right Worshipful Grand Master, Officers and Members of the Orange Grand Lodge of Ontario West:

R. W. SIR AND BRETHREN,—I beg herewith to submit for your consideration the Annual Financial Statement for the year ending 8th March, 1888, the fourth submitted by me during my incumbency of your Grand Treasurership. With it I also beg to present schedules and vouchers, showing in detail receipts and expenditures and amounts still owing for dues by Primary Lodges within the jurisdiction of your Grand Lodge. The Financial Statement also embraces receipts and expenditures of the Orange Mutual Benefit Society of Ontario West, received by me from the Secretary of the society and paid out through him upon his order. Accompanying the Financial Statement will be found report of Grand Lodge Auditors, certifying to the correctness of the accounts.

Like other statements which I have had the pleasure of submitting to your Grand Lodge, the present one shows marked and permanent improvement in the financial standing of the Grand Lodge, and a very large increase in the volume of its funds.

The total receipts for last year, including credit balance carried forward, were almost \$10,000, an increase of about \$4,000 over the previous year. I have disbursed, during the year, the sum of \$6,111.52, including \$3,850 death endowments, and \$622.50 management expenses of Orange Mutual Benefit Society, and the total balance at credit of your Grand Lodge, after payment of current accounts and salaries of Grand Secretary and Grand Treasurer to date, is \$3,719.02, as follows:

Balance at credit of Grand Lodge, ordinary fund.....	\$1,141 54
Balance at credit of endowment fund, O.M.B.S.....	2,227 72
Balance at credit of management fund, O.M.B.S.....	349 76
	\$3,719 02

During the year I have opened accounts for three new Counties, upon your Grand Treasurer's books, viz.: Algoma, Bruce North, and Grey East.

Notwithstanding my best efforts to collect all outstanding Grand Lodge dues, I regret to say there is still owing the large sum of \$1,211.40. The onus of this unnecessary indebtedness falls directly upon the Primary Lodge officers responsible for the payment of dues, and indirectly upon the County Masters, who should see that every lodge in the jurisdiction pays its Grand Lodge dues. I would urge upon the lodges to have all arrears paid forthwith; and thereby further strengthen the financial standing of your Grand Lodge.

The large increase in receipts and expenditures, necessary accounts and correspondence during the year have considerably augmented the duties of your Grand Treasurer's office; and I trust that my efforts to administer the revenue of your Grand Lodge and the funds of the Orange Mutual Benefit Society handed to me will be found satisfactory.

AUDITORS' REPORT.

This was presented and read by W. Bro. James A. Keyes, P.C.M., Lincoln.

To the R. W. Grand Master, Officers and Brethren of the R. W. Grand Orange Lodge of Ontario West :

BRETHREN,—We, your Auditors, appointed at the last session of this R. W. Grand Lodge of Ontario West, beg leave to report as follows:—

That we have carefully examined the Cash Book, Receipt Book, Ledger, Bank Book and Order Book of your Grand Treasurer, and find them very neatly, accurately and carefully kept, and we cannot too highly commend this Grand Lodge upon the efficient manner in which the financial business of the Treasurer's Office has been conducted.

The statements which will be read to you herewith will show a gratifying increase in the finances, and also show comfortable balances in all departments.

There still remains a large amount of arrears of dues, to collect which the Grand Treasurer seems to have labored hard to get in, and we would recommend that the County and District Masters assist him as much as possible in getting the arrears of the lodges, in their respective counties, settled up.

All of which is respectfully submitted.

RIGHT WORSHIPFUL SIR AND BRETHREN,—Your Committee on Correspondence, in submitting their Report, desire to join in the sentiments of congratulation expressed in the Reports of the Grand Master and Grand Secretary, showing a continued interest in the work and principles of our Association, and would recommend that these may be embodied in the Report of this R. W. Grand Lodge.

We are pleased to learn that the Reports from the several Counties are the most complete for years, as shown by the fact that 1031 members have been admitted by initiation and 550 by certificate, with an issue of 8 new warrants.

We desire to place on record our high appreciation of the services of our official organ, the ORANGE SENTINEL. We trust that its influence will result in large accessions to our ranks, and that the members of the Grand Lodge will lose no opportunity in endeavoring to increase its circulation to the greatest possible extent among all those with whom they may come in contact. We also extend our hearty congratulations to R. W. Bro. E. F. Clarke, on his accession to the civic chair of this "The Queen City of the West"; also recommending all private lodges to keep a copy of THE SENTINEL always on hand for the use of their members.

Your Committee heartily approve of the resolution of the L. O. County Lodge of South Simcoe, referring to continued changes in the Constitution, and would strongly recommend no change at present in reference to District Lodges.

Your Committee cannot close their Report without referring to the correspondence of your Grand Secretary during the past year, which has been very voluminous and which been attended to with the greatest possible care; and we trust he may be long spared to work for the best interests of our beloved Order.

With reference to a communication from the M. W. Grand Secretary of B. A. anent the changing of the date for holding the meeting of the Supreme Grand Lodge, we would recommend that the date for holding the said meeting be changed from the last Tuesday in May to the first Tuesday in September.

All of which is respectfully submitted.

We have very great pleasure in testifying to the efforts made by the Grand Treasurer to collect arrears of dues; and would reiterate the recommendations of former years, "*That the Annual be withheld from all Lodges in arrears, until arrears are paid*, and would impress upon the Masters of County, District and Primary Lodges the importance of their duties in this respect.

BRETHREN,—I regret very much that a sudden and unexpected prostration through severe cold prevents my attendance at Grand Lodge. Although confined to my bed yesterday, I thought it possible that to day I should have sufficiently recovered to be with you and take part in your deliberations, but find that I am still too ill to leave my bed.

I should have esteemed it a great privilege, personally, to have welcomed the members of the Grand Lodge to this city, but under the circumstances must crave your indulgence.

I bid you, dear brethren, a most hearty welcome to Toronto, and trust that the deliberations of your Grand Lodge may be directed by Divine Grace to aid in the progress and development of our beloved Order.

Believe me, R. W. Sir and Brethren, yours fraternally,

E. F. CLARKE.

REPORT OF THE COMMITTEE ON ORGANIZATION.

The Report of the Committee on Organization was presented and read by W. Bro. Dr. Orönhyatekha.

To the R. W. Grand Master, Officers and Members of the Grand Orange Lodge of Ontario West:

WORSHIPFUL SIR AND BRETHREN,—Your Committee on Organization beg to report that they find that the order is not in a satisfactory condition in parts of the Counties of Halton, Wentworth, Oxford, Elgin, Monck, Haldimand, Norfolk, Welland, Wellington and South Ontario.

The Committee have no doubt but in all these localities there is abundant material—old material and therefore good material, if properly worked—to place the order in a first-class condition; but your Committee are of opinion that some changes are required in the mode of procedure in organizing new lodges; and they have no doubt if the Constitution were so amended in the direction indicated by the Grand Master in his address, we would have a new era of prosperity in the history of our noble order, such as it has never before enjoyed.

But, in the meantime, until such amendments to our Constitution are secured, the Committee are of opinion that it is desirable that one or more efficient organizing officers, who are thoroughly conversant with ritualistic and unwritten work of the order, should be employed at a suitable remuneration, by the Executive to work in the counties named, for the purpose of resuscitating dormant lodges, and getting together old Orange

men and organizing them with new lodges, and presenting the claims of our splendid Benefit Association wherever they may go. They therefore so recommend.

Your Committee recognize fully the importance of keeping the Lectures and esoteric work of the order uniform throughout the jurisdiction, and recommend that the Grand Lecturer be required, upon the evening of the first day of the annual session, in each year, to hold a Lodge of Instruction, and give full and explicit instruction in all the degrees.

Your Committee also recommend that every County Master in the jurisdiction be required to supply himself with the instructions prepared for them; and that they take especial pains to see that their County Lecturers are thoroughly instructed in the private work, and that at each meeting of the County Lodge, thorough and full instructions be given therein to all in attendance.

All of which is respectfully submitted.

REPORT OF THE MEDICAL REFEREE, ORANGE MUTUAL BENEFIT SOCIETY.

The Report of the Medical Referee Orange Mutual Benefit Society was presented and read by W. Bro. Dr. Oronhyatekha.

MEDICAL REFEREE'S REPORT.

To the R. W. Grand Master, Officers and Members of the Grand Orange Lodge of Ontario West.

BROTHERN—I beg herewith to submit my Fourth Annual Report as Medical Referee of the Orange Mutual Benefit Society of Ontario West.

During the year ending 5th March, 1888, I received 252 Medical Examinations, of which 8 were rejected, 1 held for further inquiries, and 243 passed.

The causes for rejection were as follows:

Overage	1
Ununited fracture	1
Intemperance	1
Consumption in family history	2
Heart affections	3

There occurred during the year eight deaths, from the following causes:

Acute Cerebral Meningitis.....	1
Apoplexy	1
Heart Disease.....	1
Acute Pneumonia	2
Dysentery	1
Injury to Spine	1
Accidental death.....	1

8

The above includes one of the old Orange Guard, the late Bro. Armstrong, of Strathroy, who was admitted at the inception of the Association, though much beyond the age limit laid down in the Constitution. It will be seen from the above that the insurance in our Association continues very reasonable indeed, having cost only \$5.76 at the age of 30, during the year past. This is the best evidence of the nature of the work done by our local Examiners, who certainly deserve the thanks of the Association, for the painstaking manner and judgment in which they have performed their duties. I would again urge upon the Grand Lodge the desirability of presenting the claims of the Association in every part of the Dominion, so as to afford all Orangemen the opportunity of placing their families under the protection of our splendid Benefit Association.

All of which is respectfully submitted.

ORONHYATEKHA, M.D.,

TORONTO, March 14th, 1888.

SEC. 2.—Upon sufficient proof of the death of a member of this Society, the Secretary shall forthwith notify the Executive; and the Executive, if the claim is satisfactory, shall order the Secretary to make an assessment, according to the scale in Section 1 of this Article, upon all members in good standing in this Society.

SEC. 3.—The Secretary shall make such assessment by sending to each member a notice containing the name of the deceased member, his age, occupation, and cause of death. Notices so sent, or deposited in the postoffice for what was the last given address of the member to whom the same is directed, shall be deemed and taken to be a lawful and sufficient demand for the payment of the assessment so called for and required; and any member failing to remit the amount of his assessment within thirty days from the postage of such notice of a call being made, shall forfeit his membership and all benefits therefrom, except in cases mentioned in Section 4 of this Article.

SEC. 4.—At the expiration of thirty days allowed for the payment of such assessment, the Secretary shall examine the books, and forthwith notify all members who have failed to pay their assessment, informing them that they have forfeited their membership and benefits therefrom; upon any member so forfeiting his membership giving satisfactory explanations to the Executive, paying all charges and dues, and again passing the medical examination referred to in Section 4 of Article 7, and Section 2 of Article 13, of this Constitution, the Executive may reinstate him, and place him in the same position as if no forfeiture had taken place. This application must be made within thirty days after forfeiture of membership.

SEC. 5.—All assessments must be sent to the Secretary of this Society by bank draft, postoffice order, or registered letter (containing money only), and to the postoffice address of the Secretary named on notice of such assessment.

SEC. 6.—Until one assessment shall exceed the sum of one thousand dollars, all members must pay an assessment upon each death; but if on the occasion of any death it should so happen that the reserve fund hereinafter mentioned should amount to the sum of one thousand dollars or upwards, then such sum of one thousand dollars may be taken by the Executive out of such reserve fund and applied to the purpose of meeting the assessment for such death, and no other assessment for the same shall in such case be made.

ARTICLE 10.—FUNDS.

SEC. 1.—The management funds of the Society shall be composed of the fees derived from applications for membership, the registration fee, and the annual fee of one dollar from each member, which fee shall be payable on or before the first day of October in each year, and shall be applied in payment of medical examiners, officers and special agents' fees, and office expenditures of Secretary and Treasurer.

SEC. 2.—The death benefit fund shall be composed of the receipts from assessments made to pay death claims as they take place, and all death benefits must be paid out of same except as hereinafter provided.

SEC. 3.—The reserve fund shall be composed of the sums derived from the special assessment mentioned in Section 7 of Article 9 of this Constitution, and interest thereon, and an amount equal to five per cent. from each and every assessment. When the Executive think that the reserve fund is sufficient to warrant them in making provision for death benefits out of the same without affecting the stability of the Society, they may dispense with making a call for one or more assessments and pay the same out of the reserve fund.

ARTICLE 11.—AUDITORS.

Two auditors shall be appointed annually, one by the President and one by the R. W. the Provincial Grand Orange Lodge of Ontario West, who shall audit the books of the Society and make their report thereon not later than the 15th of January in each year. They shall be paid for their services such sums as shall be agreed upon by the Executive and themselves.

SEC. 3.—Not more than one Medical Officer shall be appointed in each District, except in cases where, in the opinion of the Executive, it would promote the best interests of the Society to appoint more than one.

ARTICLE 14.—CERTIFICATES.

SEC. 1.—The Secretary shall furnish each member of the Society with a certificate of membership signed by the President, and countersigned by the Secretary, with the seal of the Society attached. On payment of the endowment stipulated, it shall be surrendered and delivered to the Secretary by the representatives or assigns of the deceased member, and shall be receipted in full, clearing the Society of all further claim upon it; such certificate shall be filed by the Secretary in his office.

SEC. 2.—After three years' duration all certificates shall be indisputable, and payment shall be made without further evidence of age, character or habits, except in cases covered on certificates, which are death by suicide or at the hands of the law, or by Section 2 of Article 3 of this Constitution.

SEC. 3.—Whenever the words "Orange Mutual Insurance Society" appear in the Certificates of Membership now issued or hereafter to be issued, such words shall be taken and construed as and shall mean the "Orange Mutual Benefit Society."

ARTICLE 15.—RESIDENCE.

Should a member change his place of residence, he shall, previous to so doing, notify the Secretary of this Society of his intention to remove, and of the place where he intends moving to; and the Secretary may, after consultation with the Executive, forthwith notify him of the number of calls necessary for him to advance in order that his representatives or assigns shall be entitled to benefits should he die during such change of residence; the member so removing must also continue in active membership with the Orange Lodge of which he has been a member, or within ninety days from change of residence become connected with an Orange Lodge working under a Grand Lodge recognised by the Triennial Council, which jurisdiction includes all portions of the British Empire and the United States of America, wherein the member may reside. He must also within ninety days furnish the Secretary of this Society with a certificate signed by the Worshipful Master, Secretary and Treasurer, showing that he has joined such Orange Lodge, which certificate shall also be sealed with the Lodge seal of such Orange Lodge.

ARTICLE 16.—SPECIAL OCCUPATION.

No member of this Society shall engage in any dangerous or hazardous occupation, such as the manufacture of gunpowder, dynamite, gun-cotton, naval or submarine operations, without first notifying the Secretary; and the Executive shall immediately consider

SEC. 2.—Amendments to this Constitution may be made at any annual or special meeting of the R. W. the Provincial Grand Orange Lodge of Ontario West, notice of the proposed amendments having been previously sent to the Secretary at least thirty days before the meeting; and a copy of such notice shall be sent by the Secretary to each District and County Master in Ontario West, and also to the members of the Benefit Society, at least six days before the meeting takes place. All amendments to be adopted by a two-thirds majority of the members of the Benefit Society present at such meeting.

SECRETARY'S REPORT.

To the R. W. The Grand Master and Members of the Provincial Grand Orange Lodge of Ontario West.

R. W. SIR AND BRETHREN—I have great pleasure in presenting herewith my Annual Report of the Orange Mutual Benefit Society, and in so doing I would offer my congratulations on the steady progress which we have made during the year.

Our membership roll has been increased by 204 new members, and 30 more new names are ready to enter on our books; while the deaths have only numbered eight, or about one in every one hundred members on our list.

At an Executive meeting held on November 17th, 1887, after mature consideration, it was decided to increase the rates then paid as commission to our agents, in the hope that by giving them sufficient remuneration to make their engagements without loss of time or means, that the agents would be enabled to prosecute our work and assist in increasing the membership.

I am of the opinion that in addition to the efforts of our agents, the Masters of our various Lodges could create a great interest in our work by making the Mutual Benefit department a part and parcel of the routine work at their meetings, and by continually referring to the benefits to be derived therefrom.

The Provincial Government of Ontario have introduced a measure dealing with the Friendly Societies now conducting business in the Province. After a careful examination of the principal clauses, I am enabled to say that we should experience little or no change or difficulty in conducting our work under it. As matters now stand we have a separate and distinct account for each member; he is notified direct of all assessments, remittances and arrears, and cannot be declared out of membership without full notice to his last known P.O. I think, however, that we should have a Friendly Societies' Act passed by the Dominion Parliament, so that its operations might extend, as do our members, over the whole Dominion. In connection with this matter I would urge the appointment of a committee to act in conjunction with committees from other bodies now seeking such legislation.

The Auditors' Report, which will be submitted, will show the financial position of our department, and that the most rigid economy has prevailed, and a surplus in both branches.

I am, very sincerely yours,

ROBERT BIRMINGHAM.

TORONTO, March 13, 1888.

MEDICAL REFEREE'S REPORT.

To the R. W. Grand Master, Officers and Members of the Grand Orange Lodge of Ontario West.

BRETHREN—I beg herewith to submit my Fourth Annual Report as Medical Referee of the Orange Mutual Benefit Society of Ontario West.

During the year ending 5th March, 1888, I received 252 Medical Examinations, of which 8 were rejected, 1 held for further inquiries, and 243 passed.

The causes for rejection were as follows :

Overage	1
Ununited fracture	1
Intemperance	1
Consumption in family history	2
Heart affections	3
—	—
	8

There occurred during the year eight deaths, from the following causes :

Acute Cerebral Meningitis	1
Apoplexy	1
Heart Disease	1
Acute Pneumonia	2
Dysentery	1
Injury to Spine	1
Accidental death	1
—	—
	8

The above includes one of the old Orange Guard, the late Bro. Armstrong, of Strathroy, who was admitted at the inception of the Association, though much beyond the age limit laid down in the Constitution. It will be seen from the above that the insurance in our Association continues very reasonable indeed, having cost only \$5.76 at the age of 30, during the year past. This is the best evidence of the nature of the work done by our local Examiners, who certainly deserve the thanks of the Association, for the painstaking manner and judgment in which they have performed their duties. I would again urge upon the Grand Lodge the desirability of presenting the claims of the Association in every part of the Dominion, so as to afford all Orangemen the opportunity of placing their families under the protection of our splendid Benefit Association.

All of which is respectfully submitted.

TORONTO, March 14th, 1888.

APPENDIX "F."

MOST WORSHIPFUL GRAND ORANGE LODGE OF BRITISH AMERICA.

BI-CENTENARY OF ORANGEISM.

GRAND SECRETARY'S OFFICE,

ST. CATHARINES, ONT., June 1st, 1888.

DEAR SIR AND W. BRO.:—

The Committee appointed at the last annual meeting of the M.W. the Grand Orange Lodge of British America to prepare suitable resolutions for the forthcoming 12th July demonstrations, met in the County Orange Hall, Toronto, on the 25th ult., and, after careful consideration, prepared the resolutions hereinafter set forth, and the same having been approved of by the M.W. the Grand Master, are hereby forwarded to you for use at the public meeting to be held on the anniversary of the Battle of the Boyne.

The M.W. the Grand Master has also been pleased to approve of the following suggestions:

(1) That the Clergyman in charge of each Protestant Church in your locality be requested to refer at one or both services on the Sunday preceding the 12th July to the great events which were transpiring in the Mother Country Two Hundred years ago.

(2) That the Brethren of each Primary Lodge in British America attend Divine Service in a body on Sunday, July the 8th, and that the collection (if the service be arranged for) be devoted to such pious and charitable purposes as the Brethren may determine.

(3) That special efforts be made to have all former members (unless those suspended or expelled for grievous offences) take a place in the procession both at the Sunday service and on the 12th July.

(4) That a general invitation be extended to the Clergy of the various Protestant Churches to occupy seats on the platform, and take part in moving the resolutions on that occasion.

RESOLUTIONS.

His servant, King William the III., to carry out "His vast designs and work His sovereign will." For the blessings accruing from the Revolution of 1688; of the overthrow of the baneful and despotic rule of James the II.; of the placing on the throne a constitutional monarch in the person of William the III., and the securing of the inestimable blessings of religious and civil liberty. For the unprecedented spread of truth, the unification of Protestantism, and the development of our Empire in these two hundred years.

2. That, as Protestants, we re-affirm the principles enunciated by our forefathers in the glorious Revolution of 1688, which placed King William the III. on the Throne and firmly established Great Britain as a Protestant nation, and we express our firm determination to maintain the privileges then obtained for us, and by all lawful means to combat the encroachments of the Church of Rome.

3. That, recognizing the paramount importance of education in deciding the intellectual and moral character of mankind, and believing the Bible to be the true foundation of Protestantism and the highest standard for the guidance of individuals and nations, we strongly assert the importance of giving it a prominent place in the educational system of our country; that we object to allow any religious organization to assume the functions of the State in controlling educational affairs; that no religious denomination should be allowed special rights and privileges in regard to education, and that no schools, colleges or universities receiving State aid should be permitted to inculcate political or religious principles calculated to develop disloyalty to British institutions and to the sovereign of the British Empire.

4. That, as Protestants and citizens of this glorious Empire, we desire on this great and memorable occasion to place once more on record our unwavering fealty and devotion to the Crown and Constitution; that we pledge ourselves to maintain the integrity of the Empire and Protestant ascendancy. We regard with alarm and most emphatically condemn the attempts now being made, not only in Great Britain but in Canada as well, to weaken British influence and dismember the British Empire, and shall to the utmost of our power resist all such disloyal movements.
