REPORT
—OF THE—
BOARD OF MANAGEMENT
—OF THE—
CHURCH AND MANSE BUILDING FUND.

The Board of Management of the Church and Manse Building Fund are grateful to God for the amount of work that He has enabled them to do during the past year. Financially the year has been a very trying one in Manitoba; and yet the stimulus given by means of this fund to the efforts of our people in Church erection has been such that we have to report aid extended to *twenty-five* buildings, as compared with aid to *fourteen* reported last year.

Of this number *four* have received assistance in the form of a free grant, the grant being in each case given to complete the building, viz.: one at Deloraine, and three in the Prince Albert group, the people at Prince Albert having at the same time erected a brick Manse without any assistance from the fund. In all the other cases, aid has been extended in the form of a loan, the periods allowed for repayment varying from two to three years.

Two Manses have been erected, one at Rat Portage, and one at Gladstone. Two buildings, combining Church and Manse according to the plan suggested by the Board, have been erected, one at Virden, the other at Broadview. The Church erected at Regina has, through a loan from the Board, been converted into a Manse; the small Church at Gladstone, which was inadequate for the growing congregation, has been enlarged, and nineteen other places of worship have been added to our list.

The buildings to which aid has been given may be presented under three groups: those on the main line of the C. P. Railway; those in Southern Manitoba; and those lying North of C. P. Railway. In many cases labor has been contributed by the congregations, the value of which is not included in the estimate of the total cost of the buildings here given.

- (1) VIRDEN: about 50 miles west of Brandon. Combined Church and Manse. Loan advanced \$500. Total cost \$1,500.
- (2) MOOSOMIN: trails start from this point for Fort Ellice on the North and the Moose Mountain district on the South. Loan advanced for Church \$500. Total cost \$1,028.
- (3) GREENFELL: distributing centre for a district which is being rapidly taken up. Loan on Church \$401. Total cost \$850, without plaster; Church not yet finished but fit for summer use.
- (4) BROADVIEW: repair shops of C. P. R. established here. Loan on combined Church and Manse \$900. Total cost \$1,600.
- (5) INDIAN HEAD: head quarters of Indian Agency for the Qu'Appelle district, and of the celebrated "Bell Farm." Loan on Church \$1,000. Total cost \$2,195.
- (6) QU'APPELLE (or TROY): point of departure for stage line to Prince Albert, and site of Government Immigration buildings. Loan on Church \$425. Total cost \$850.
- (7) REGINA: Capital of the Province of Assiniboia and head quarters of N. W. M. Police and Indian offices. Loan of \$400 to convert former Church into a Manse. Total cost \$1,500. The congregation worship in a rented hall.
- (8) MOOSEJAW: one of the terminal divisions of the C.P.R., has attracted a large number of settlers. Loan on Church \$1,000. Total cost \$1,550.

- (9) CALGARY: at the foot of the Rocky Mountains, distributing point for the cattle ranches and mining districts of the West, as well as for Edmonton to the North. Loan on Church \$290, already repaid in full. Cost about \$700.
- (10) RAT PORTAGE: 135 miles east of Winnipeg, centre of large lumber-manufacturing district and possessed of unlimited water power. Loan on Church \$1,200.
- (11) RAT PORTAGE: Loan on Manse \$800. Total cost of Church and Manse \$4,200.

II. In Southern Manitoba:—

- (12) UNION POINT: Station connected with the congregation of Morris. Loan on Church \$100. Purchased by congregation for \$257.
- (13) MIAMI: Station connected with the congregation of Lintrathen. Loan on Church \$150. Cost \$400.
- (14) DOMINION CITY: on the C.P.R. Pembina branch, near Emerson, distributing point for Roseau district. Loan on Church \$324. Cost \$1,500.
- (15) GREENRIDGE: about eight miles from Dominion City, important agricultural district. Loan on Church agreed to \$500, already advanced \$400. Building in course of erection, to cost \$1,000.
- (16) DELORAINE (or CONDIE): about eight miles West of Deloraine proper, which is the chief trading point of the Turtle Mountain district. Grant to finish Church \$150. Cost, excluding labor, \$300. The people at Deloraine worship in a hall which is held as Church property.

III. North of main line of C.P. Railway.

- (17) STONEWALL: 20 miles from Winnipeg. Terminus of Stonewall branch of C.P.R., and trading point for district to the north. Loan on Church \$1000, of which \$250 have been repaid. Cost \$2300.
- (18) GREENWOOD: Centre of good agricultural district, north of Stonewall. Loan on Church \$800, of which \$150 have been repaid. Cost \$1600.
- (19) GLADSTONE: Thriving town on the M. & N. W. Railway. Loan on Manse \$800. Cost \$1750.
- (20) GLADSTONE: Loan to aid in enlarging Church \$200. Total cost of improvement, \$1000.
- (21) CADURGIS: Good agricultural district west of Minnedosa. Loan on Church \$250. Cost \$550.
- (22) HUMESVILLE: Neaf the station of Chater on the G.P.R. and centre of good agricultural district. Loan on Church \$300, of which \$60 have been repaid. Cost \$1200.
- (23) COLLESTON, PRINCE ALBERT: Grant to finish Church \$100. Cost \$300.
- (24) WILLOUGHBY: Prince Albert Group. Grant to finish Church \$100. Cost \$300.
- (25) THE RIDGE: Prince Albert Group. Grant to finish Church \$100. Cost \$300.

The importance of the Prince Albert district, in connection with our work, may be inferred from the fact that, out of a population of about 6000 souls, we number more than 100 families on our roll. The Board in making grants to these churches, stipulated that in the event of any one of the buildings being sold the grant should be returned.

The total advances from the Fund on buildings for the year have thus been \$12,200; and the total cost of those buildings \$28,730. Additional advances were made to complete two buildings aided by the Board last year: viz. to NELSON, loan on Manse \$200, and to MARINGHURST, grant for combined Church and Manse, \$100.

It will be seen from the foregoing statement, and from the Treasurer's report, that some of the congregations have already repaid instalments on the loans advanced by the Board. In a number of other cases instalments are due, but, owing to the financial depression and the failure of many settlers to realize as much as they had hoped for from their crops, payment has been delayed. Security is taken by the Board in the form of notes given by the trustees of the several congregations, or in the form of a mortgage upon the church property, but, of necessity, the Board must rely for the payment of these loans upon the good faith of the congregations.

The sites for all these buildings have been given to the Church free of cost, the majority of those on the main line of the C.P.R. having been given by the Canada North-West Land Company. At Fort Qu'Appelle, where it was important to secure a site although the church has not yet been erected, and where land could be procured only from the H.B. Company, the Board have advanced the necessary payment, the site being given at one-half the ordinary prices.

The C.P.R. Company have conveyed building materials for churches erected at points along their line at one-half the usual freight rates; and the Board has been able to secure lumber and other materials in many cases at lower cost than could have been done by the congregations.

During the year a considerable number of names have been added to the list of subscribers to the fund in response to the appeals of the Superintendent of Missions, and a large proportion of former subscribers have paid the instalments promised by them. There have been received, in all, by the Treasurer on account of subscriptions since the last report was submitted to the Assembly, \$11,742.26, of which \$6395.69 are on account of subscriptions reported in the statement submitted last year, and on new subscriptions \$5346.67.

The total amount subscribed as per last year's Report was \$80,772.25; to which has been added during the present year \$14,547.01; total subscribed to date \$95,319.26 of which were paid last year, as per report, \$20,903.54, and this year as stated above \$11,742.26; total paid \$32,646.80. The Board have to notice, with gratitude, that by far the greater number of these subscriptions have been received from contributors in the older Provinces, without whose aid the work of church-erection in the North West would make but little progress. They have also to acknowledge the payment by the executors of the late Edward Mackay, Esq., of Montreal, of the sum of \$1000, a bequest similar to that received last year from his late brother, Joseph Mackay, Esq.

The Board consider with the utmost care every application that comes before them, requiring of course that it be approved by Presbytery before they entertain it, and they have tried to practise the most watchful economy in the expenditure of the funds entrusted to them. Finding that the designs of churches submitted by them last year did not include one of a building sufficiently cheap to suit many localities, they have, through the kindness of Mr. G. W. Stewart, of Winnipeg, added to their list the design of a neat and simple church to accommodate 100, which can be erected at a cost not exceeding \$1000. These designs, with the working plans which the Board are prepared to supply, are helpful in many quarters.

The Board cannot close this report without expressing their very deep sense of the importance of this work which the Church has entrusted to them, and the great need there is of increased outlay in this direction if we are to keep pace with the growth of settlement in the North-West. A number of new applications have been approved by the Presbytery, so that although a balance on hand of \$7,198.00 appears in the Treasurer's statement it will all be required immediately; even then, the pressing wants of many fields will still remain untouched. Many communities in the North-West, consisting largely of persons from other parts of the Dominion and attached to the Presbyterian Church are still destitute of a place of worship, and already, this season, a considerable number of settlers have come from Scotland with every prospect that a much larger number shall follow them. It needs no words to show the urgent necessity of supplying these people with Church services, and of providing places where they can meet to worship the God of their fathers, and dwellings for those who may be their ministers.
