A Divided Opposition.

As this journal has pointed out, the tion was the result of a disagreement among his opponents. The latest issue of the Newcastle Advocate bears out that view. No journal denounced the tresson of Mr. Tweedle, or the dishonesty of the Government more strongly than the Advocate, none was more emphatic in demanding that he be opposed and beaten. The Advocate unported Mr. Donald Morrison as the opposed and beaten. The Advocate unported Mr. Donald Morrison as the opposed and beaten. The swas not the first of his position candidate and issued one paper. position candidate and issued one paper calling upon the people to vote for him. But Mr. Morrison, by some means not known to us, was induced or compelled to withdraw the day before the election. The Captain intends visiting Chatham and Doaktown at an early date, where he will give the work store them in the camps for a different min the camps for a time and they should get a displaced on the second time having previously and ably filled the chair. The Captain intends visiting Chatham and Doaktown at an early date, where he will give the store on the South-West are Mr. T. Mynch, whose cut will not one elected previously and all facts, and they should get a statement as the field facts, and the was chart when the previously and the overline of the wo government ticket, intimates that he was the nominee of a little clique without political standing and influence. Whether this be true or not is not to the purpose. The point is that the opposition to the government and Mr. Tweedie is much stronger than the vote for Mr. Morrissy indicates. To an outsider the Morrissy indicates. To an outsider the disagreement which divided the opposition and prevented the expression of the '78 he was chairman of the committee as others have done. just sentiment of an outraged county is on rules and regulations of the general unreasonable. If Mr. Morrissy was the conference of which committee the late nominated at the last moment, and therefore there was plenty of opportunity tor Dr. Pickard was twice married. His the ohoice of a representative man by first wife was a Massachusetts lady, and representative men. And since no such two children was the result of this marbeautiful illustrated magazine, and so realize candidate had been obtained, Mr. Morisonally a worthy man, why should not Mr. Adams and the other avowed opponents of the Blair government have supported him against the common enemy of the government have supported him against the common enemy of the government have supported him against the common enemy of the good name and fair record of the county? Mr. Bell of Halifax.
