POBERT.

Mr. RICHARD ALLISON, early in the seventeenth contery, and sie avidently the original of the modern popular song of "CHERRY RIPE."

There is a garden in her face, Where roses and white lilies blow ; A heavenly paradise is that place, Wherein all pleasant fruits do graw Yet them no peer or prince can buy, Till cherry ripe themselves do ery.

These charries fairly do enclose. Of orient pearls a double row, Which when her lovely laughter shows, They took like rose buils filled with enow Yet them no peer or prince can buy, Till cherry rips themselves do cry.

Her brows like bended bows do stand Threat'ning with piercing frowns to kill All that approach with eye or hand These sacred cherries to come nigh, Tori cherry rips hemselves do cry.

From the Alasny Evening Journal of Dec. 8. DEPARTURE OF THE ROYALIST TROOPS FROM MONTREAL FOR SOREL -SUPPOSED

iges 12 lbs. and would require 107 men to Brown and his friends have often app arts it, supposing that each of them carried to as containing a transphant preof of all 1800 lbs. (equivalent to the weigh of a sack flour.) This large some may be partially the nor Mr. Brown but his estagonist, would have containing a containing a transphant preof of all 1800 lbs. (equivalent to the weigh of a sack that, not Mr. Brown but his estagonist, would have said to the fallent and the part of the fallent and the said and 60 covereigns in ay, and six days (of course) in the week. in or six gentlemen, out of thirty-two, exhibit would take jerr weeks, two days, and four ing sheer ignorance of the subject and hours to accomplish the task. In sovereigns which they were so gravely talking—deels by the most exact computation (each meaning that there was in it, remaining myterioring in dementer 17-29, hot an inco, and our—test it had never been properly explaced to touch each other) it would extend plained—that surely there must be two leto the length of 28 miles and 200 yards ports, since Mr. Brows found a particular about the distance between Merther and sentence in a paper that had been being Cardiff, and in crown pieces to 113 1-2 miles the emphatically select Committee on H. Roand 240 yards! £1,800,000 was the exact gers' case; and since he could got 5.24 had on also left by old Jemmy Wood of Glou-sentence in the paper (in which "there was

## COMMUNICATION.

To THE EDITOR OF THE STANDARD

The long communication which special truth, did not immediately act on Mr. Tayed in your paper of the 11th ultimo, headed lors suggestion. That the Report was ac-'House of Assembly - Mr. Brown's explana- in the Secretary's office, and could be of ORIGINAL OF CHERRY RIPE.—The following tiens," require some notice, and as one of ed, if required." But no -- this would eart.ful although quaint stanzas, were composed the friends of Mr. M'Lean, I feel compelled serve Mr. Brown, and I can produce however reluciant to make the following statement to the public, whom that article is calculated to mistead. It is well known to your
the office and inspect the document. B. resders that Mr James Brown junt in your no wonder be could not find the opposions paper of the 25th May last, has charged the mitte of supply. The friends of Mr. M'Less Rev. Mr. M'Lean of this town with (I quote are now prepared to show that the passage Mr. B own's own words,) being " capable of never was, and never could have been such cuplicity and intrigue as to procure the that paper, and that Mr. Brown (from his substitution of a report deferring materially into the original one." The paper have tempossibility: though he managed to avolve ed the original one," was a report made to the question in mystery. But the mystery the late Gevernor, at his request, of the case shall now at length be unravalled—and in of Hannah Ragers, a person clearly convicted to do this; it will be necessary to mean and of the dot infidelity and blasphemy, who had been recommended by Mr. Brown as a fit and proper person to receive a school licence. The charge advanced, then, is that of gross consisting of depositions taken down from the mouths of witnesses on eath. The other peculiar description; since (if well founded) to must either have columed with, or impositions taken down from the mouths of witnesses on eath. The other of only eight pages; was in the form of a letter to the Previncial Recietary containing from must either have columed with, or impositions taken down from the mouths of witnesses on eath. The other peculiar description; since (if well founded) to the previncial Recietary containing the must either have columned with a containing of depositions taken down from the mouths of witnesses on eath. The other peculiar description; since (if well founded) to the mouths of witnesses on eath. The other peculiar description is since (if well founded) to the mouths of witnesses on eath. The other peculiar description is since (if well founded) to the mouths of witnesses on eath. The other peculiar description is since (if well founded) to the mouths of witnesses on eath. The other peculiar description is since (if well founded) to the mouths of witnesses on eath. The other peculiar description is since (if well founded) to the mouths of witnesses on eath. The other peculiar description is since (if well founded) to the mouths of witnesses on eath. ed upon, the Pu vineyal Secretary in whose commissioners had been directed not office the Report had been, long previously only to investigate but also to report. It is filed. But a prompt and complete dispreval in this last mentioned paper alone that Mr. M'Lean could have made any observations MOVEMENT UPON ST. DENNIS.—The Northof the charge was obtained from the Hon.
ern mail arrived yesterday afternoon, bringSecretary and his clerks—coroborated by letservations at all of his even, It is accordingrevolutionary party have endeavoured to excite the sympathy, and resure the support of the inhabitants of the United States, to their captors across the country to Tella aux their captors across the control to the Tella aux their captors across the control to the States aux the captors across the control to the Tella aux the captors across the control to the Tella aux the captors across the British Empire, and have pretended to draw a parallel, which this meeting as well from a knowledge of the political circumstances of the two reconstrinces of the two reconstrinces derived in the one case from the page of history, and in the political circumstances of the two remains are associated to either from a parallel, which this meeting as well as a special of result of the two remains are associated to either from a parallel which this meeting of his political complex into from the page of history, and in the parallel property of the control of the feel of the two remains are calculated to either from a parallel property of the feel of the two remains are associated to either from a feel of the s garrisoned it scattered. NOTICE TO MARINERS

Dock Office, Liverpeol, Eng. Oct. 5, 1837.

The Trustees of the Liverpool Docks and Har-The Yousces of the Liverpool Decks and Flar-beur, do hereby give notice, that, for the better quidance of the mariner in and out of this port, the fellowing literations will be made in the Formby, lessowe, and Bidston Lights, and exhibited on and after the evening of Saturday, the eleventh of Nov-

hows of the banks of the New Channel which have changed their positions, it is necessary when inward bound from the Westward, to take Bar of that Channel with the Red Shore Light, opens a sail's breadth to the Southward of the Formby Floating Light, and, after crossing the bary, which, the soundings will show, open them as much to the Northward, and thus nearing the Floating Light, instead of taking up and preserving those Lights in Stag.

Instead of taking up and preserving these Lights in cone.

This alteration in the character of the Formby Shere Light will also afford a distinction for identifying it when approaching from the Northward.

Leasure Light—This Light will be so masked so so to give a defined light in the Rock Channel, within certain limits, and will suddenly disappear, hearing off SW, when shreast of East Wharf Buoy, R. 3, Red, and suddenly appear when outward bound.

Ridston Light—This Light will also be masked so as to give a defined Light in the Rock Channels within certain limits, and to vessels inward shound will suddenly disappear on the bearing off SSW, when shreast of East Wharf Buoy, R. 4, Red, and suddenly appear, when outward bound.

These lines of masking and unmasking intersect astropt in the Groeby Channel, where the course after, so that, maning up from the Formby Floating Light, the mariner must haul up from SSE 14 to S, by E 14 E, on losing Bidston and Leasowe Lights, and on unning down keep? away from N, by W. M. W. M. N. W. 1-4 W. on their opening as 1 or the States of the Subscriber.

LL Persons are hereby forbid harbourling of the Subscriber.

All Promit Rusquasial the kept in St. Andrews at GMrs. M'Leavy's, and in St. John at the Hotel Careful and experienced drivers have been engaged, and first rate Carriages provided.—

Every attention will be kept in St. Andrews have been engaged, and first rate Carriages provided.—

Every attention will be paid to the comfort and convenience of passengers.

This line connects with the United States ward. Travellers taking this rorte will meet with no impediment or delay in getting to any part of the United States.
