TO INVESTIGATE IN RUSSIA

Approval by the Allied Council of the plan gives to the International Labor Mission to Russia a status that will be little less important than that of a diplomatic mission. Britain will send seven delegates, including Miss Margaret Bondfield representing the women workers of the Motherland. Canada is also to be represented, Mr. Arthur Martel, Vice-President of the Trades and Labor Congress, having been chosen by the organization for that purpose. The British delegation will divide itself into two sections, one of which will examine working and living conditions, while the other will get information on government, trade and economy. The Russian Government has announced its readiness to allow the mission facilities for inquiry into matters on which enlightenment is sought.

Properly carried out, the tour of the mission ought to settle all doubts and perplexities with regard to the Russian situation. The Allies have not added to their reputation by the methods they have pursued toward Russia, and recent changes of attitude reveal a tendency to make a new start in an effort to resume trade and diplomatic relationships failing which there can be no real settlement of Europe's problems. Russia is too great a country, and her potentialities are too vast to admit of her being left out of the plans for the future of the old world. To millions of people idea of negotiations of any kind with the men who head the Russian Government at this time is abhorrent. But behind Lenin, Trotsky, and the red-handed band whose manipulations have been responsible for horrors not yet revealed in all their ghastliness are millions of people who eventually will either find their salvation in work and decent government or involve many other countries in the chaos that has yet rules great areas of their own.

Russia may be won to sanity by peaceful intercourse with other nations. She cannot be saved by military or economic wars waged against her people.

NATIONAL PURCHASING BOARD

Appointment by the Dominion Government of a permanent purchasing board—men of proved capacity and unquestioned integrity—ought to save Canada millions of dollars. I would apply to the vast and complicated national buying the same sound, economical, businesslike principle which is part of the policy of every large and successful private business.

There was never greater need for efficient methods than now. The country faces serious financial obligations. The people are experiencing heavy taxation. Their representatives in parliament ought to deem it calculated to save money for the public treasury.

A National Purchasing Board—big enough in every way for its job—inevitably must mean better co-ordination, increased efficiency, greater economy. Its members will be required to give their whole time to the work. It will purchase only supplies included in departmental estimates and on requisition of the departments. The system of buying by public is to be adopted in so far as this is possible.

Against a businesslike policy certain to yield immense return in the saving of public money there can be but one cause for Parliamentary protest. It will result in further curtailment of the party patronage system.

RHEUMATISM FOR OVER 16 YEARS

No Return Of The Trouble Since Taking "Fruit-a-tives"

103 CHURCH ST., MONTREAL.
"I was a great sufferer from Rheumatism for over 16 years. I consulted specialists; took medicine; used lotions; but nothing did me good. Then I began to use "Fruit-a-tives", and in 15 days the pain was easier and the Rheumatism much better. Gradually, "Fruit-a-tives" overcame my Rheumatism; and now, for five years, I have had no return of the trouble. I cordially recommend this fruit medicine to all sufferers."

tem that still seems to mean so much to those who pride themselves upon being practical politicians. The spoiled man dies hard in politics. But it is incredible that representatives of the people in Parliament, who seriously desire the well-being and prosperity of their country, will block the path of progress by endeavoring to perpetuate the degrading and costly system of patronage. Canada cannot afford to reject the proposal of sound business and continue the existing wasteful scheme just because a few members, who must be little men, want to be big politicians in their districts.

COURT APPROVES NEW UNION OF "MIDDLE CLASS"

NEW YORK, April 24—Supreme Court Justice Gavegan today approved articles of incorporation for the "Public Union, Inc." purporting to be "a growing union of middle class people" formed "to benefit in any way those who are not either organized manual laborers or high-salaried executives."
Purposes of the new organization also listed in the petition were "to help relieve class oppression, to regulate and classify all forms of voluntary services, to serve in emergency crisis and to secure representation of all middle interests in all legislative action."

NEGROES SEEN IN THE VICINITY OF MURDER

BUFFALO, April 23—"I had it on my mind and my heart."
That was why Tony George, a laborer, could not rest until he had delivered to the proper persons—after four years of silence—the story he told yesterday afternoon on the witness stand, the story that may save John Edward Teiper from the electric chair.

Tells of Meeting Negroes
In broken English, earnestly and straightforwardly, this surprise witness for the defense told of meeting in the Orchard Park road on the afternoon of the Teiper tragedy two negroes who looked and acted suspiciously. One of these he described as "big and large."

The most striking thing about this man's testimony, corroborating (it would seem, the defendant's story about the "burly nigger" who committed the murders) he is charged with, is the fact that it was brought voluntarily to the defense only within the past month. And brought because the man's conscience pricked him so much, he said, that he got up but of bed one night to write on a piece of paper the gist of his story.

He had wanted four years ago to tell of seeing two negroes, he said; but did not know how to get his information to the authorities. Besides Tony said, pointing to the defendant, who sat a few feet away from the witness stand, "all the people say he did it," and he thought his story of no consequence for that reason.

Even after his conscience had finally forced him to action nineteen days ago, he told the jury he knew of no other way of making his information public except by paying to have it inserted in a newspaper. Writing the gist of his story on a scrap of paper, he slipped it in the keyhole of a newspaper office, thus starting the information on the way to Roscoe R. Mitchell, associate counsel for the defense, who drew the entire story from the laborer's lips in the court room yesterday.

Scores Heavily Twice
Tony George scored twice for the defense—and heavily. That he saw the two negroes who asked him the way to Lackawanna and then ignored his directions and turned toward Orchard Park was point one. The

second was his assertion that he had told Constable William Baker of West Seneca—one of the authorities working on the murder case—of seeing the negroes in the vicinity of the crime. This the defense held up as the most thrilling exhibit in its contention that the authorities ignored all other clues except those pointing to the guilt of the defendant, for no mention has ever been made on the stand by Constable Baker of this incident.

Eight persons in all testified yesterday of seeing a strange negro at various times of the day on January 30, 1916, but the testimony of none was as sincere and convincing as that of Tony George, this laborer who stuck stolidly to his story through the frequent titters of laughter, his dialect and mannerisms of speech raised among the spectators.

Although this was Tony's first appearance in the trial, District Attorney Moore made little effort to trip him on his testimony. He asked scarcely half a dozen questions on cross-examination, possibly with the intention of leaving with the jurors an impression that he thought the laborer's testimony of no serious weight.

It was easily the most interesting day since the Teiper trial began. The reason was Tony George—or Tony De George, as he is also known. He came to court in his working clothes, not shabby but with a speck of dust here and there and a big black patch on the knee of his trousers. He looked like a character just stepped from the stage. But on his olive-tan face was written earnestness and almost boyish eagerness to tell what he had to tell.

CAILLAUX THE FORMER PREMIER FOUND GUILTY

PARIS, April 23—Joseph Caillaux former premier of France and twice minister of finance, stands convicted of having placed his personal political ambition during the war higher than the interests of the country. Caillaux, while escaping conviction for high treason, was found to have

TO live decently, to have sufficient food, clothes and shelter, but to ask no reward in this life.

TO dedicate their lives solely to the work of helping others and bringing them to Christ.

TO spend their lives in consecrated ministry to the physical and spiritual needs of the poor, hopeless, needy fallen and stricken.

been recklessly imprudent and very close to treasonable ambitions for such is the interpretation of the verdict of "guilty of commerce and correspondence with the enemy," which was rendered today against him by the French senate.

This is the first verdict of the sort rendered in any of the Allied countries since the war began. "Commerce as interpreted by the senators who were the judges not meaning financial trading, but commerce by means of common ideas, while "correspondence" in this particular case is employed in the sense of association.

Decided to Finish Affair
The senator entered Luxembourg palace this afternoon with the determination to have finished with the affair, which has taken up their time during the past three months. They began the discussion in a vigorous businesslike manner, presenting a during the closing days of the trial. No one, however, took seriously the prediction that the verdict

would be reached this evening. But after the court had disposed of the high treason charge and that of "intelligence with the enemy" and had declared its own sovereignty in less than four hours, word was passed that a decision was impending.

The ballots followed one another with great rapidity. The partisans of the former premier were thrilled with joy and hope when the treason charge was so promptly eliminated, and confidently predicted acquittal and began to apportion among themselves the portfolios in the cabinet which Caillaux was expected to form within six months after his release.

REPEATED TRAGEDIES MARK MOTHER'S LIFE

LAUREL, Del., April 23—Mrs. Derrick Morris, whose husband was brutally murdered here and whose son is in jail accused of the crime, has known little except tragedy throughout the fifty-five years of her life. Her oldest son, James, was killed twelve years ago while employed as a railroad brakeman in New York. Charles the next son was drowned while bathing in Lake Erie at Cleveland.

A daughter seven years old, was burned to death a few years ago. Another daughter's eye was knocked out by the limb of a peach tree.

DEER SEASON SHORTENED

Toronto fur dealers, represented by George Moritz, John Hallan, W. R. Sweeney and S. Brazier, protested to the Fish and Game Committee of the Legislature against the present royalty system, because of the extra clerical work entailed. They suggested a new licensing fee graded from the farmer or trapper to the ultimate dealer. They were asked to submit proposals in writing. Despite objections from the C. N. R. and C. P. R. who claimed that shortening of the deer season in the north would injure tourist traffic the committee reduced the open season north of the French and Mattawa Rivers by 15 days, commencing October 15. That the bounty on wolves would be increased from \$20 to \$50 was recommended.

POTATOES AND GARDENING

What reason there has been for the extraordinary rise in the price of potato is not clear. The blame is laid on United States buying to help cover a shortage across the border. But potatoes are held in car-lots at many points, passing from one speculative hand to another, merely

on the strength of a bill of lading, and the price is shoved higher each time. Potatoes are \$6 a bag, and there is no protest from any authority in the name of the consuming public. If the public complacency will endure a price six times as high as the pre-war price for a necessary, that is the base of nearly all meals, then the extortion will not abate. But the

high price will surely turn extra attention to back-yard gardening this year. Toronto back-yards and vacant lots produced \$100,000 worth of vegetables in the war period. If potatoes were generally grown this season, in the vacant and soil in and about the city, two months' supply might be produced locally. But the gardening fever does not seem to be epidemic, and perhaps the Colorado beetle will find his fodder rather short. During the food shortage back yard gardening was a matter of patriotism but today the food shortage is much greater than it was then. We shall see if back-yard gardening can be made a question of pocket. If potatoes at \$6 a bag are not sufficient motive, then the outlook is hopeless, and the country will have to go on until mounting food prices force partial depopulation of the congested cities and towns, and repopulation of the farms.

**POTATO BOYCOTT

MANY RECRUITS SWELL RANKS OF THOSE WHO ARE "FASTING"

TORONTO, April 23—The potato situation becomes more interesting each day as more organizations endorse the protest against high prices and agree to restrict their diet for a month, by which time it is hoped, that the familiar tuber will have been reduced to prices more suited to its humble origin and history. Through the enterprise of the Regent, Mrs. W. R. Jackson, the Municipal Chapter of the I.O.D.E., comprising 38 primary chapters with a membership of about 3,000 women, have agreed to the potato fast of one month. The annual meetings of the Women's Liberal Association and the Women's Patriotic League also took favorable action yesterday.

STANDS OR FALLS BY EXCESS PROFITS TAX

LONDON, April 23—Austin Chamberlain, Chancellor of the Exchequer, announced in the House of Commons today that he intended to stand or fall by his original proposal to increase the excess profits tax to 60 per cent from the present 40 per cent rate. The Chancellor said, however, that if proposals subsequently were introduced for the taxation of war acquired wealth the extra 20 per cent would be remitted.

**Digestive Troubles
Cause Distress**

But They are Nearly Always Due to Thin Watery Blood.

Do not think that because your stomach is easily upset you are the victim of some serious malady. One of the most common predisposing causes of indigestion is anemia, of thin watery blood. In fact it has become generally recognized, that healthy activity of the stomach is impossible unless the blood is rich and red.

Dr. Williams' Pink Pills have been found most valuable in cases of indigestion, nervous dyspepsia and stomach weakness, just because they are a blood builder and nerve tonic. The rich red blood they make not only imparts a healthy digestion, but carries color to the cheeks and lips and gives vigor to the muscles. One important point to remember is that Dr. Williams' Pink Pills contain no harmful drugs or opiates and are thus to be preferred to preparations that merely stimulate for a time. Before you begin worrying unnecessarily about your state of health, try the tonic treatment of Dr. Williams' Pink Pills. You will be surprised to see how rapid your appetite returns and your whole debilitated system revives, as the body. Here is the statement of one the new, rich blood courses through person among thousands who have used Dr. Williams' Pink Pills to their own great advantage. Mrs. A. Ventot, Homford, N.S., says: "For about two years I was a great sufferer from indigestion, which seemed to carry with it a complication of other troubles. Every meal I took brought with it misery, as it was followed by pain, and sometimes nausea and vomiting. At other times gas would form in the stomach to such an extent that my heart would palpitate at an alarming rate. These conditions brought on extreme nervousness and irritability, and I found my general health so much affected that the least exertion would tire me and I slept but poorly. I had been doctoring for several months with no result beyond temporary relief, when I was advised by a friend to try Dr. Williams' Pink Pills. I decided to follow this advice, and got a half dozen boxes. Good results soon began to show from this treatment, and the further continued use of the pills have made me a well woman. I can cheerfully recommend Dr. Williams' Pink Pills to similar sufferers."

You can procure Dr. Williams' Pink Pills through any dealer in medicine or they will be sent you by mail at 50 cents a box or six boxes for \$2.50 by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont.

TONS OF STOLEN SILK RECOVERED

NEW YORK, April 23—Five men are under arrest today. Five tons of stolen silk valued at \$218,000 have been recovered and the police believe a band of thieves who have stolen millions of dollars worth of merchandise from freight cars in the last two years has been unearthed. Further arrests are expected.

The men under arrest were captured in a roadhouse at Mespeth, L.I., after a fight with detectives. The recovered silk was found in a garage near the road house. The police assert it was stolen March 8 from a freight car in the New York Central yards.

Arrest of a New York business man the police declare, is probable. It is asserted that the man has handled stolen goods valued at more than \$1,000,000.

PROTECT THE PUBLIC
St. John Globe:—Not all the concerns which sell securities can be classed as public utilities. Real protection can be secured by an act requiring in connection with the public or private sale of any securities the presentation of a bona fide financial statement, guaranteed by the Auditor-General, and containing information which it is the right of every investor to have, of the true position of the company, set out in such a way that there can be no misunderstanding of its position, the manner of its organization, or the use made of the money it receives. The Canadian Press went on record at its last annual meeting as favoring the publication in connection with all financing of facts which will give the prospective investor all the knowledge he should have. Then the press can tell what advertising is honest. Then the investor can know whether or not he has a fair chance for a square deal. Federal and Provincial laws should all aim to support the press in their efforts to guarantee the public against a form of fraud that has fished millions from confiding investors.

KUT HERO TO PAY VISIT TO TORONTO

General Townshend Will Likely Spend One Day in City.
NEW YORK, April 23—It was announced here last night that Gen. Sir Charles Townshend, the hero of Kut, will visit Toronto on May 3, and will probably accept an invitation to deliver an address in that city. De-

tails of the arrangements for his brief visit to Canada have not yet been worked out. He will likely spend only one day in Toronto.

The famous British General was entertained at luncheon at the Canadian Club Thursday by a number of prominent Canadians resident here. Among those present were Arthur Knowlson, President of the Canadian Club; Fred W. Chibley, President of the Canadian Society; F. Y. Bebbin of the bank of Montreal; Mr. Francis of the Bank of Commerce; Dr. Lambert, President of St. George's Society and Lieut.-Col. J. A. Cooper, Chief of the Canadian Bureau of Information here.

FADED TIN-TYPE AND OLD LETTERS GET ESTATE OF \$100,000 FOR POOR ORPHAN

BLOOMINGTON, Ill., April 23—

Two letters stained by time the letters diminished almost beyond deciphering point, a faded tin-type of a toulc-headed boy, evidently ill at ease and nervous at his first ordeal before a camera were worth more than \$100,000 to Fred C. Harrison, of Vermillion county.

The exhibit influenced a jury in the Circuit court at Bloomfield, Mo., to decide a case in favor of the Illinoisan, which gives him the title to a farm of 880 acres of land near the city. The case has dragged through many courts and finally was carried to the supreme bench, which has just handed down a decision affirming the finding of the jury at Bloomfield.

Harrison became an orphan at the age of four. He was given a home by J. N. Punch, a farmer, and reared as a son, although never formally adopted. When Punch died four years ago

the widow and a half brother claimed the property. Harrison, who had endearing letters from his adopted father, in one of which was the old tin-type, went into the courts. The letters proved that Punch intended the orphan should share in his estate and that he considered him in the light of his own son. The court then divided the estate of 1,320 acres equally between the widow and foster son.

BRITAIN TO SELL WARSHIPS ABROAD

LONDON, ENG., April 22—Walter Hume Long, First Lord of the Admiralty, replying to a question in the House of Commons today said the Government contemplated selling some warships to foreign countries. Pending the outcome of negotiations, however, he added, particulars could not be divulged.

GIRL DONS OVERALLS FOR PROTECTION AND LANDS IN JAIL CELL

CHICAGO, April 23—Florence Bosold, who is plump and pretty, has been pushed and crowded and pinched in the overloaded street cars by degenerates, so she donned overalls for protection.

However, she was pinched just the same but this time by a policeman, who escorted her to the station and informed her she must answer a charge of violating a city ordinance which forbids women dressing in men's garb.

"I wanted to go to and from my work in peace," she complained, "but the streets are not safe for girls. That's why I put them on."

"I admire your pluck," said the sympathetic sergeant, "but there is law against this kind of camouflage and I shall have to hold you."

Miss Bosold might have put it over had she taken more care to conceal her great wealth of blonde hair, which streamed out from beneath a fedora hat and betrayed her sex.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. ASKED FOR FIVE YEARS IN PRISON

Eighteen-year-old Detroit Girl Wants Same Sentence as Given Lover.

DETROIT, April 23—Love sneared at a one year sentence in the Federal Court here this afternoon and asked for five.

Helen Shaw, pretty 18-year-old girl, appealed to Federal Judge Tuttle for the longer term—so she might come out of jail at the same time as her sweetheart, Frederick Palms. Both were convicted of raising \$10 bills to \$50.

The girl took all the responsibility for the counterfeiting.

Palms, who has done a number of prison stretches, was given five years in Leavenworth Prison and fined \$100. The girl was fined in the same amount and sentenced to the House of Correction for one year. Miss Shaw said she had lived with Palms as his

wife in Lansing. She testified to ethical scruples against taking his money to buy clothing, however, and said that consequently she got more otherwise on numerous occasions.

"BOOZE" MADE HIM FORGET WEDDING

NEW YORK, April 23—In his finest attire, Alexander Koskowsky, 40, left his home to be married, but on the way he discovered one of the few surviving landmarks of a happier day and turned in to celebrate.

From then on he declared in the Adams street court of Brooklyn, remembered nothing until eight o'clock in the evening, when he was addressing large crowds of people on the street corners of Brooklyn. He was primed for any subject and asked his hearers to set his theme. Patrolman McGovern arrested him and Alexander spent the night in reflection in a cell.

"As a wedding present for you, said the Magistrate, "I'm going to give you your discharge."

Alexander still hopes to get the waiting bride to set another wedding date.

A Blood-Food Discovered
That Entirely Overcomes
Anaemic Weakness
Carefully Investigated Reports Es-
tablish Truly Wonderful Results

Heretofore it has often been a hope-
less task for a thin blooded person to
gain either strength or weight. Nei-
ther food nor medicine in many
instances had beneficial effect.

What is practically a perfect blood-
food, containing such elements as
Iron, has at last been produced, and
when taken after meals will give new
life and vigor into people that have
despaired of ever being strong again.

This truly wonder-working treat-
ment consists of taking two small
chocolate coated Ferreroze tablets at
the close of every meal.

This wonderful blood food supplies
nourishment, vim, energy—sends a
stream of vigorous, strength-making
blood to every nook and corner of the
body, makes every muscle and fibre
spring with new found life and health.

That gnawing tiredness leaves you
—Ferreroze drives it away. Sleep-
less nights are turned into periods of
rest, and you pick up fast. Day by
day you feel the improvement—this
means more food is transformed into
nutriment that will build and energize
weak organs. The inclination to
worry passes away because Ferreroze
imparts nerve—tone and bodily
strength that prevents depression.

Think it over—Ferreroze is a won-
derful tonic, because it establishes
health that lasts. Thousands use it
and thereby cleanse and restore the
entire system to a perfect condition.
You'll feel the uplifting power of Fer-
roze in a week—it's bound to help
you if you only give it a chance. Sold
by all dealers 50c. a box or six boxes
for \$2.50; be sure of the name Ferrero-
ze. Forwarded by mail to any ad-
dress if price is remitted to the Cat-
arhroze Co., Kingston, Ont.

ENGLISH CHURCH
MAY HAVE WOMEN
FOR CONFESSORS
LONDON, April 23—Whether the
church should provide women confes-
sors is a question with which the
Lambeth conference of the clergy of
Great-Britain, to be held in July, is
threatened.

At a meeting of the National Union
for Equal Citizenship, Miss Edith Pic-
ton-Turberville said that letters had
been received from girls in various
parts of the country pleading for wo-
men confessors in high Anglican
churches.

The Rev. Henry Ross, vicar of St.
Albans, a large parish in Holborn,
London, does not hold out much hope
for the suggestion, for in a recent
interview he said women would not
confess to women, who are pitiless
to their own sex.

HEAVYWEIGHT CHAMPION FIGHT AT BENTON HARBOR, MICH. ACCORDING TO PLANS

CHICAGO, April 24—For the first
time since he defeated Jess Willard
Jack Dempsey will appear in the ring
to defend his title at Benton Harbor
Mich., on the afternoon of July 5.
His opponent has not yet been select-
ed but there is a promising field to
choose from, including Bill Brennan,
Bob Devore, Tony Melhoir, Charlie
Miller and other aspirants.

J. L. Kearns, Dempsey's manag-
er and promoter Floyd Fitz-
simmons today and terms were quick-
ly agreed upon. Kearns believes
Brennan the logical candidate, but
believes he is tied up by a match
in the east this summer. Miller who
has a decision over Willard, is the
next choice.

Brennan has met Dempsey and
gave him a stiff argument up to the
second round when Dempsey con-
nected with Brennan's jaw and the
latter broke his ankle in the fall. De-
spite this handicap Brennan went into
the game for more, and was going

DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION, BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DISEASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS.

The knowledge gained from many years' experience in treating diseases just like yours is of much benefit to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every patient the benefit of the knowledge acquired through the long experience of a graduated, licensed and registered specialist, in order to bring about the most satisfactory results in the shortest possible time.

NERVE EXHAUSTION
A CONDITION AFFECTING MANY MEN—THE GREAT AMERICAN DISEASE—IT IS BROUGHT ON BY OUR MANNER OF LIVING—OUR WORRY AND HURRY—AMERICANS EXHAUST MORE NERVOUS ENERGY THAN ANY OTHER RACE OF PEOPLE.

There are a great many men who need treatment for their nervous system. These men do not know what is the reason they don't feel right—why they can't work like they used to—why they tire so easily and why they are irritable, nervous, despondent, weak, pale and lack ambition. These conditions require the expert knowledge and treatment of a specialist who has had many years' experience in just such ailments. A specialist learns by experience to know just the right treatment at the right time so that the patient can be dismissed at the earliest possible time. Men affected with nervous exhaustion have no endurance—no ambition—everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable—they become irritable, cross and discouraged. They have pains and aches in various parts of the body and there is often indigestion and pains in the stomach. Sleepless, wakeful and restless nights follow.

RHEUMATIC AILMENTS
SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBAGO, PAINS IN BACK, SWELLING, ACHING, PAINFUL CONDITIONS IN ANY PART OF THE BODY—INFLAMED AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY OTHER SYMPTOMS.

Hundreds of men are suffering with some form of Rheumatism. Many of these men go from day to day suffering untold agonies thinking they cannot be cured. They have tried liniments, rubbing, massage, salts and other treatments without experiencing any relief, and they are now going through life thinking they are martyrs to that burden called Rheumatism. If these men could only know how easy it is to get rid of many rheumatic conditions I know they would not suffer another single day. Then all sufferers of rheumatism would be strong and healthy if they could get rid of the condition. Rheumatic patients are nearly all strong and robust before being attacked by this ailment, and therefore it is so hard for the man to understand why he should suffer the agonies of such a condition. When a man gets rid of such a condition he feels that a heavy burden has been lifted from his life, and he starts right out to make up for lost time both in money and pleasure. When a man comes to my office suffering with the above condition he is given a most careful examination, and he is given treatment that he feels is giving him great benefit.

Quick and Lasting Results Assured the Ailing Man

WOMEN RIOT TO GET GLIMPSE OF ODELLS ON WAY TO COURT

Confessed Slayer of Wife's Betrayer May Know Fate To-day—Seek Manslaughter Verdict—Tells of Events Preceding Killing.

ROCHESTER, April 23—James Odell, on trial for the murder of Edward J. Kneip last January at a lonely spot near the Scottsville road to Buffalo, will know his fate probably before another day closes. The prosecution and the defense finished their summing up late yesterday afternoon. This morning Justice Robert F. Thompson will deliver his charge to the jurors and hand them the case for a final decision. Elmer M. Shager and Hampton H. Halsey lawyers for the defense have not waged their fight for the acquittal of the prisoner, but with the idea

that he might be given a verdict of manslaughter, rather than first degree murder. District Attorney Wm. F. Love, however, has insisted that nothing but a verdict of murder in the first degree would be consistent with the evidence as presented.

Interest in the trial of Odell who with his pretty young wife, Pearl Beaver Odell, confessed to the killing of Kneip, reached the apex yesterday, when hundreds of persons the greater number of them women and girls, sought to crush their way into the court house in an effort to catch a glimpse of the prisoners even though they might not gain entrance to the court room. Despite the fact that Justice Thompson cleared the court room of women during the presentation of a portion of the testimony, women spectators were in the majority again today when the prisoners were led into the room.

Father Tells Story
A dramatic scene was enacted when James B. Arnold, stepfather of Odell took the witness stand on behalf of the prisoner, and told of the incident at his home when Odell and his wife brought Kneip there and questioned him regarding Kneip's assault on Pearl Beaver, previous to her marriage to Odell. "I asked Kneip if he had used force on Pearl," said the aged man, who has grown gray and stooped since the beginning of the trouble that has come into his family. "He said he had considerable I got up from the table in the dining room and went out in the kitchen. Jim came out to me a minute later. "Dad," he said "What shall I do." The old man stopped for a mo-

LIFT OFF CORNS!

Freezone is the discovery of a noted Cincinnati genius.

ment and brushed his hands across his eyes. It was apparent that his emotions were profound. Again the slow voice went on, while Odell's

girl wife sobbed convulsively. "I told him to nothing that you will be ashamed of or sorry for," I told him again, "Jim do nothing that you will be ashamed of." He said, "Dad I will not harm a hair on his head." He went back out into the other room and told Pearl to get her hat and coat on he was going to take Kneip to the police station. They put on their coats and hats and went out. That was the last time I saw them."

In cross-examination, Mr. Love asked the witness to tell what he knew about the large file with which Pearl opened the attack on Kneip on the night of the killing. This, the old man said, had been an instrument used in the house for the purpose of sharpening knives and poking the stove. He had not known that his step-son had slipped the instrument into his pocket when he went out with Pearl and Kneip on the start of that journey across the city and up the Scottsville road, that resulted in the killing.

Sweetheart Testifies
Viola Williams, the dark-eyed, dark-haired sweetheart of Edward Kneip, was called by the prosecution to testify as to her relations with Kneip and when she had seen the young man prior to the killing. The black-stirred mother of the slain youth, Mrs. Mary C. Kneip, and his sister, Miss Josephine Kneip, both testified briefly. Neither was cross-examined. Just before the noon recess a twelve-year-old girl with dark curly hair hanging at her shoulders, Hazel Nember, a niece of Pearl Odell, was called to testify regarding a state of nervousness that she had observed in Pearl before her marriage to Odell. The child added a peculiarly human touch to the courtroom, and in his brief cross-examination of her District Attorney Love was particularly solicitous.

RHEUMATIC JOINTS Rub Pain Right Out—Try This!

Rheumatism is "pain only." Not one case in fifty requires internal treatment. Stop drugging! Rub soothing, penetrating "St. Jacob's Oil" directly into your sore, stiff joints and muscles and relief comes instantly. "St. Jacob's Oil" is a harmless rheumatism cure which never disappoints and cannot burn or discolor the skin.

Lumber up! Quit complaining! A small trial bottle of old-time Jacobs Oil" at any drug store and just a moment you'll be free of rheumatic pain, soreness and aches. Don't suffer! Relief and a awaits you. "St. Jacob's Oil" has ed millions of rheumatism sufferers in the last half century, and is as good for sciatica, neuralgia, bago, backache, sprains and swell-

He believes in doing things. During the five years, more than 11,000 persons are recorded as having sought salvation. Notwithstanding the losses due to war, there are today nearly 2,000 more names on the Membership Roll than there were in this territory five years ago.

In July, 1915, Canada East was separated from Canada West, the dividing line being Port Arthur. Ever in view of this, there are now only forty one fewer officers in active service in the Eastern territory alone than there were in the combined territories five years ago.

In the Field Report two very striking indications of financial growth are given. In 1914, the Self-Denial total for the combined territories was \$43,726. In 1919, for Canada East alone, it was \$75,591. Harvest Festival returns have been doubled.

Shows Solid Growth.
In all the various departments the corded. This shows that as often as humanly possible every opportunity has been seized for the advancement of every branch of the organization. Inasmuch as every act of service means the welfare of somebody, the

same rate of growth has been position which the Salvation Army occupies today indicates tremendous increased service to the community.

This service has been rendered under the leadership of Commissioner W. J. Richards. His five year Canada have been five big years the Salvation Army in Canada, give great promise for the future.

MARRIAGE AND DIVORCE

Peterboro. Reviews—It is essential step in the preparation of a certain dish is the capture of hare. Before a cure is provided should be evident that there is necessity for it. Before a divorce required the fact of a legal marriage must be established. At present number of marriages in the coast shows a regrettable decrease, while every other human evil, is attributed to the high cost of living which is sufficient to frighten young men from assuming the responsibilities of maintaining a household. How would it do for the Federal Government to call a halt to its agitation for easier divorce, instead do something that would encourage matrimony?

Growth Shows Desire To Extend Army Work

Commissioner W. J. Richards, chief of the Salvation Army in Eastern Canada, has completed his fifth year in that capacity. During that time the Army has seen one of its greatest periods of usefulness. This period takes in the "war years." The great war had been under way since August and new problems presented themselves to the organization when he assumed command. These problems required a large measure of initiative to overcome. The task of rendering the highest and most efficient service was shouldered and Canada paid tribute to the success which attended those efforts by over subscribing the amount asked for during the Red Shield Drive.

Commissioner Richards is a forceful man. He is a man of few words.

CITY AND DISTRICT

We buy everything you want to sell. McGuire & Co.

E. W. Edwards of this city has been accepted as a candidate for foreign mission work by the Methodist Mission Board.

The objective of the Canadian Jewish Relief Fund Campaign was reached yesterday. At three minutes to one o'clock the hand of the indicator outside the headquarters on King street, Toronto, was shoved up to the \$200,000 mark.

The fate in the Commons of certain measures introduced in the Senate is in doubt. Senator Lynch-Staunton is the father of a measure to compel dealers in German and Austrian goods to advertise the fact. The bill stands for third reading. That it will pass is fully anticipated, therefore it must come to the Commons for consideration.

A daring robbery was discovered in Niagara Falls, N.Y., at Amberg's, a big department store, goods amounting to \$800 being stolen this morning. The robbery was discovered on opening today. It is claimed that an automobile was used and the thieves were evidently familiar with the lay-out of the store, for only the best grades of goods were stolen. The loot was made up chiefly of Men's suits, shirts, ties, etc. Of shirts nothing but silk shirts were taken.

Senator Ross of Middleton, has succeeded in piloting through the Upper Chamber his two bills of divorce, whose purpose it is to provide in Ontario and Prince Edward Island for the dissolution and annulment of marriage through the courts, as in other Provinces but Quebec. There is reason to believe that the Government is favorable to the measures put forward by Senator Ross, who is very close to the Government leader in the Upper Chamber, and that the bills will have the Government sanction and support.

Representatives of the Retail Merchants' Association and the Fruit Growers' Association of Toronto attended yesterday's session of the Legislature when J. W. Curry's bill depriving Municipalities of the right to pass early closing by-laws, except when properly petitioned for, by the electorate was considered. By 24 to 5 the committee decided that all by-laws passed under a sub-section of the Factory, Shop and Office Building Act shall cease to be effective on and after April 30, 1920, in so far as they apply to the sale of fruit.

Hon. Nelson Parliament's refusal to recognize whether H. H. Dewart or Hon. C. H. Ferguson is Opposition leader in the Legislature is likely to result in a saving to the Province of \$3,000 a year. While it is understood that Premier Drury and other members of the Government are not entirely satisfied with the decision of the Speaker the fact remains that the \$5,000 salary cannot be paid to anyone as the statute now stands. A compromise is likely to be reached, however, by which the leaders' salary will be allowed to lapse and the Government will undertake to pay the salaries of two secretaries, one for each of the two leaders.

ALGONQUIN PARK

In the Algonquin Park of Ontario, Canada possesses a virgin wilderness within easy striking distance of civilization and city life. Here the tired business man and his wife and daughter too—can get out into the big open spaces, brush away the mental cobwebs and feel the red blood course through the veins once more. When the breathless rays and glaring heat of summer make life in the city a burden, Algonquin Park (only 200 miles north of Toronto and 4170 miles west of Ottawa) is a place of refuge and enchantment. This great reserve of nearly three thousand square miles is on the very ridge or the "Highlands of Ontario." Its altitude above sea level averages 1,700 feet while some of the lakes in the park are 200 feet above the sea. The "Highland Inn" offers comfortable accommodation at reasonable rates. Make your reservations early as the probabilities are that the available accommodation will be taken up early this season. Write N. T. Clark, Manager, Highland Inn, Algonquin Park Station, Ont., or apply for information to any Grand Trunk Agent. A-24.

MUSKOKA THIS YEAR

Prospects are gratifying this year for a successful summer season in Muskoka and those who were disappointed last season in securing accommodation should apply early and make their reservations at one of the many hotels available. For illustrated literature with list of hotels, rates, maps, etc., apply to any Grand Trunk Agent or write to C. E. Hornung, D. P.A., Toronto, Ont.

WOMAN SUFFERED 12 YEARS

Finally Made Well by Taking Lydia E. Pinkham's Vegetable Compound.

Emmitsburg, Md.—"I suffered for twelve or fifteen years, and was treated by a physician, but got little relief. I saw an advertisement of Lydia E. Pinkham's Vegetable Compound in my newspaper, so thought I would try it, and it did me more good than all the doctor's medicine. I am a farmer's wife and do my housework all the time, and I am better now than I have been for years. I am never without Lydia E. Pinkham's Vegetable Compound in my house and have recommended it to several of my friends. You are perfectly welcome to publish my letter for the good it may do other women."—Mrs. ETTIE WARREN, Emmitsburg, Md.

Backache and nervousness are symptoms of nature's warnings, which indicate a functional disturbance or an unhealthy condition which often develops into a more serious ailment.

Women in this condition should not continue to drag along without help, but profit by Mrs. Warren's experience, and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound—and for special advice write to Lydia E. Pinkham Med. Co., Lynn, Mass.

Parisians Now Keep Snakes as Pets; Toads, Too

PARIS, April 24—"Seeing snakes" will be a regular daily experience of husbands in Paris if the newest craze of fashionable women here gains popularity.

A stylishly attired woman, taking tea at the Claridge yesterday afternoon, suddenly opened her handbag and carelessly unloosed a slender green and gold snake, about two feet long, which wriggled to the floor and disappeared up the trouser-leg of a terrified waiter who fainted on the spot.

Rushing to the waiter, the woman calmly extracted the pet, replaced it in her handbag, and swept indignantly out of the restaurant. Afterward she complained to the manager that her favorite reptile was indisposed as the result of having bitten a plebeian waiter.

The manager requested her to move explaining that while he had kennels and cat houses, and bird cages, and even an aquarium for his guest's pets he had neglected to provide a suitable home for snakes.

Today, however, he discovered that no fewer than five women in the hotel own reptile "pets" and refuse to part with the "little darlings" which they maintain as "perfectly harmless."

The snakes were obtained by their present owners from Mme. Phisalix wife of the inventor of the anti-snake bite serum, who is now ill as a result of her refusal to counteract a snake bite because she wanted to make a scientific experiment.

Mrs. Phisalix herself, however, does not think snakes are suitable pets. She prefers toads which she says are ever so much more affectionate, never forget a kind act and what is more, contrary to the general superstition, have very clean habits.

ROCHESTER, April 24—After deliberating for eleven hours and fifty minutes a supreme court jury at 10.25 o'clock last night brought in a verdict of murder in the first degree against James L. Odell, indicted with his wife, Pearl Beaver Odell, for the murder of Edward J. Kueip on the night of January 7. Immediately after the verdict was announced Odell was sentenced by Justice Robert Thompson to die in the week of June 13.

Weighed down by the nervous strain of the trial and her own heroic efforts to save the life of her husband through a sacrifice of her own honor, Mrs. Odell suffered a complete relapse at the Monroe County Jail this morning shortly before the hour set for the opening of the final session of court. A mere slip of a girl physically, her superb carriage through the trying ordeal of the last three days was purely on the strength of her supreme endeavor to do her utmost for the man she loves.

Although the outcome of the present case may have considerable bearing on the trial of Mrs. Odell due to be called for the latter part of May, it is believed that the defense in her case will take such course as will give it a decidedly independent aspect, or present condition is such that an important event is expected before the calling of her case next month, which is expected to have an important bearing on the jury's attitude toward her. In the testimony which she gave in the trial of her husband, she did not go into the details of the actual killing of Kueip, her lawyer asserting his legal right to prevent his client from incriminating herself.

On Monday C. J. Coppen, convicted by Mr. Justice Latchford and a jury of the murder of his wife in North Toronto last fall, will learn his fate. Coppen is under sentence to hang on May 5, and on Monday the First Divisional Court will give judgement on his stated case. Coppen will either hang or will be given a new trial.
