Except in the case of Resident Fellows, no exercises are required from those taking the Post-Graduate course.

French Theological Department.

All French students, and students preparing for French work, are required to attend the Lectures in Théologie Française, and English students who understand French are urged to do the same. Students taking this course, and passing examination in it, are exempted from examination in the Biblical History and Homiletics of the first year, the Apologetics and Sacred Rhetoric of the second, and the Exegesis and Architecture of the third. In the honour work they may also take the examinations in Latin, Greek and Hebrew authors, and Calvin, Martensen, Bungener and Christlieb in French instead of English. In the First year they may exchange Killen for De Pressensé, "Histoire des trois premiers Siècles;" in the Second Year Farrar and Shedd for Abbadie, "Traité de la Vérité de la Religion Chrétienne" and Vinet; and in the Post-Graduate course, Westcott for Reuss, "Histoire du Canon du Nouveau Testament." Students intending to exercise these options must

give notice to the Principal or French Professor, at least three weeks before the sessional examinations.

French students are not required to give more than one of their College exercises in English, and at least two of them must be in French. These French exercises will be prescribed by the French Professor.

While French students are eligible for all the scholarships and other rewards of the Theological course, in consideration of the disadvantage at which they are placed by pursuing their studies in both languages, two scholarships are offered for competition to them exclusively. In addition to the ordinary work of their years the following work is prescribed to competitors:

The holders of the French scholarships are eligible for the ordinary awards in the Théological course.

Certificates of Honour standing will be given to students who have been placed in the first class but have failed to obtain medals or scholarships.

Sacred Rhetoric, Music and Ecclesiastical Architecture will not be taken into account in awarding the scholarships, as special prizes are connected with these subjects, but no student shall be eligible for academic rewards who has not passed in these as prescribed for the respective years. The French Théological course will be reckoned at the same value as the English subjects with which it may be exchanged in the various years.

PRIZES IN RHETORIC, MUSIC AND ARCHITECTURE.

The following prizes will be given annually for proficiency in Sacred Rhetoric, Music and Ecclesiastical Architecture, the prizes to consist of books selected by the successful competitors, appropriately bound and bearing the College stamp:—

The College provides instruction in the departments of Classics and Mathematics for students who pursue the above special course and do not intend to graduate in Arts; but such students are required to take the Hebrew, English, History, Natural Science and Philosophy of the respective years at McGill College, and to present to the Senate certificates from the University Professors of their having attended the classes and passed sessional examinations in these subjects. *No literary student will be granted his standing who does not pass examination in these departments, either in the manner specified, or for special reasons, before the Senate.*

Instead of the subjects at McGill College, French students will take Literature and Philosophy in the classes of Professor Coussirat.

Scholarship for Literary Students.

A scholarship of the value of Forty Dollars will be open for competition to English students, and to French students not holding any other scholarship, in the work of the third year; two-thirds marks being required.

Affiliation with McGill University.

The attention of students is directed to the special advantages afforded them in virtue of the affiliation of the College with McGill University. They have thereby access to the Library, Museum and Lectures of that Institution, which stands in close proximity. By scholarships which are in the gift of benefactors they may enjoy exemption from College fees. In addition to these there are thirteen Exhibitions and Scholarships of from \$100 to \$125 each, annually offered for competition to students in Arts, and at the close of the curriculum, gold medals, prizes and certificates of honour, are awarded to successful competitors.

While it is desirable that students should complete their literary studies before entering upon their Theological course, the terms of affiliation allow them to combine these, exemptions in the University curriculum being granted to students of affiliated Theological Colleges. Considerable extensions in the matters of options and exemptions have recently been introduced into the regulations of the University. (See McGill College Calendar for 1883-84.)

MATRICULATION AND ADMISSION.

The Senate of the Presbyterian College, having full knowledge of the nature of the training given, and the religious influence exerted on students in the McGill University, confidently recommend parents to send their sons to it, whether they are designed for the Christian Ministry or for any other learned profession; and for the guidance of young men who may desire to enter the course in Arts, the following extract is made from the Calendar of the University:—

The Hor-West Scholarship.

This endowed scholarship, the value of which for the present year is Twenty-five dollars, will be awarded annually to a student of this College coming from Manitoba and the North-West Territory, or in the absence of such a student, to one preparing for Missionary labor in that field, on such conditions as the Senate may from time to time appoint.

Presbyterial and other Certificates.

All regular students, whether in the Literary or Theological courses, must be certified to the College Senate by the Presbytery within the bounds of which they reside.

The Senate will certify students to the Presbytery to which they may belong or to which they may be transferred after the annual examination at the close of the session.

The Senate gives a certificate of Academic standing to every student in Divinity at the close of each Academic year, and a diploma on parchment at the termination of the Theological Curriculum. Other certificates may be given by individual Professors.

Church Membership.

All students connected with the College are required, during the period of their studies, to unite in membership with one of the congregations of the Church in the city or its immediate vicinity. This regulation is not intended to interfere with their liberty to visit other Churches.

Residence.

The original College Building is a stone edifice, elegant and commodious, pleasantly situated on the rising ground above the city, commanding a view of the University grounds, the city and the scenery of the St. Lawrence. To this has been added during the past year by the large hearted generosity of the Chairman of the College Board, an elegant and much more extensive series of stone buildings, designated by the Board as the David Morrice Hall, including Convocation Hall and Library, Dining Hall, Dormitories and Offices, forming with the original building three sides of a large quadrangle. In external equipment the College is thus inferior to no Theological Institution on the continent

In addition to its Halls, Library, Lecture Rooms and Offices, it contains numerous Studies and Dormitories for resident students, together with bath rooms and other modern conveniences. The rooms are comfortably furnished, and the whole building, including the individual rooms, is well ventilated, heated with hot water pipes, and lighted with gas.

Resident students are furnished with rooms, heating and light, free of expense; but the Refectory and attendance of servants are in the hands of the Steward, whose fee will in no case exceed twelve dollars per month, and who is responsible to the Board of Management for the efficiency of his service.

Applications for vacant rooms must be made to the Dean of Residence, and these will be granted in the order in which applications are received. But in the choice of such vacant apartments, students having academic seniority will be entitled to a preference. Vacant rooms will not be held beyond the third day after the opening of the session.

The Officers of the College, non-resident students, and friends of the residents, may be present at any meal in the Refectory, when they shall pay to the steward the charge fixed for the same.

Students are expected to wear gowns appropriate to their academic standing in the dining hall and lecture rooms, and on all academic occasions.

Library and Reading Room.

1. The Library, to which additions are constantly made, embraces all the Greek and Latin Fathers and Ecclesiastical writers, with some rare fac-simile codices, and standard and recent works in Theology and cognate subjects. It is under the charge of the College Librarian, from whom books may be obtained, subject to the following rules:—

1. A student may receive from the Library only two volumes at a time, unless by special order of Professors.

2. During the session of College, all books shall be returned to the Library within two weeks of the date of issue.

3. Any volume or volumes lost or damaged by a student shall be paid for by him at such rate as the Senate may direct, having reference to the value of the book, and the set to which it may belong.

4. Professors and lecturers may receive from the Librarian any books required by them for their duties in the College, not exceeding ten volumes at *any one time*. Books so used must be returned at or before the close of each session.

5. Persons not connected with the College may consult books in the Library, or obtain them from the Librarian by special order from any of the Professors; such books to be returned within ten days.

6. No books of reference, including volumes of the Patrologia, are allowed out of the Library.

II. The Reading Room is under the management of the Librarian, and is furnished with Reviews and Magazines, Records of Ecclesiastical and Missionary Intelligence, Daily and Weekly Papers, etc. The following Rules are to be observed in connection with it:—

1. Papers and Periodicals are not to be removed from the Reading Room.

2. Students are not to enter into discussions or other exercises, that would disturb those wishing to study in the Reading Room.

Directions.

To young men desiring to enter upon a course of study in the Presbyterian College, Montreal, with a view to the Ministry.

- 1.—Intending students must be members of the Church in good standing. They must be assured of the sincerity of their motives, and the reality of their desire to serve God in the work of the Ministry. Also, they must be satisfied that they possess sufficient scholarship to pass at least the examination for entrance into the literary course. (See "Literary Curriculum.")
- 2.—They must apply through the Ministers of the congregations to which they belong, or other Ministers of the Presbyterian Church in Canada who are able to certify to their moral and religious character, to some Presbytery of the Church, before which they must appear at the time of application, to obtain a certificate to the Senate.
- 3.—They must send notice to the Dean of Residence, or to the Principal, of their intention to pass an entrance examination, not later than the first of October; transmitting therewith their Presbyterian Certificate, specifying also the extent of their Literary attainments, and the year in which they propose to enter. (See "Literary Curriculum;" "Students in Theology," &c.) Graduates of Universities are exempted from examination in General Literature, but must state and be prepared to certify their Degrees, and whether they have passed an examination in Hebrew, with evidence of the same; failing which, they must give notice of their intention to pass the said Hebrew Examination (see "Students in Theology: Hebrew") on the first Thursday in October.
- 4.—They must report themselves to the Principal, or Dean of Residence, in the College on the first Wednesday in October, when the time and order of their examinations (if any,) and the work of the session will be intimated. If Literary students, they must appear on or before September 20th.

- 5.—If they desire to reside in the College Building, they must send or make application to the Principal, or Dean of Residence, as early as practicable after obtaining their Presbyterian certificate. None but regular students who have satisfactorily passed their examinations can be permitted to remain in residence during the session.
- 6.—For rules relating to students from other Theological Colleges, and occasional students, see "Students in Theology," and "Literary Curriculum."
