CUPID BUSY IN LEAFY JUNE

Many Are Wed During the Inspiring Month of Bloom

A very pretty wedding took place at the home of Mr. and Mrs. G. Burton Nixon at Somerville on Thursday, June 19, when their eldest daughter, Nelle Lavinia, was united in marriage to Fenton Plummer Foster, eldest son of Fred W. Foster of Port Fairfield. The bride looked charming, attired in a beautiful gown of ivory satin and georgette, wearing a bridal veil and carrying a bouquet of lilies of the valley, pink rose buds and fern. The bridal party entered the parlor at 3:30 p.m., the bride leaning on the arm of her father, to the strains of a wedding march played by Miss Kathleen Kennedy. They took their stand under a canopy of white ribbon and pink roses with a back ground of maple leaves. The groom was supported by Raymond Plummer. Miss Madeline Smith attended the bride. Miss Hilda Wilson sang "Because" as a solo. The ceremony was performed by Rev. F. J. Trafton after which a quartette composed of Miss Hilda Wilson, Miss Dorothy Trafton, Frank Nixon and Carvell Foster sang "Perfect Love." More than 150 guests were in attendance. After congratulations a dainty lunch was served. The young couple left by auto on a tour to Portage Lake. They will make their future home at Maple Grove, Me. The large array of costly and useful presents testified the high esteem in which the young couple are held.

The home of Mr. and Mrs. Havelock Anderson at Dover, Me., was the scene of a very pretty wedding on June 4 when their daughter Edna A. was united in marriage to Colin E. Bolton of Vancouver. Only the nearest relatives were present. The bride looked charming in white silk trimmed with handmade French lace. The groom was attired in military uniform, he having served three and a half years with the famous Canadian Engineers in France. The bride was attended by the Rev. N. J. Wooten of Andover, after which lunch was served. There were numerous handsome and costly presents.

Mr. and Mrs. Bolton left for a weeks trip after which they expect to remain in Dover for this season, when they will go to their home in Vancouver. The contracting parties are all natives of Carleton county.

On Tuesday at the home of Mrs. Bert Scovill of Beaufort her daughter, Clara Bell, was united in marriage to Claude Brooks, in the presence of a large number of friends. The double ring service was used and was performed by Rev. N. Franchette. The bride was becomingly attired in white georgette, with veil, and carried a bouquet of roses. She was attended by Miss Gussie Brooks, while G. P. Nichols was best man. After the ceremony the young couple left on a honeymoon trip to Toronto, and upon their return will make their home at DeWitt Ridge. The bride was the recipient of many handsome presents. Mrs. Brooks is a graduate nurse from Fisher Memorial Hospital.

At the United Baptist parsonage yesterday, by Rev. E. A. Triton, Miss Della Caldwell, only daughter of Mr. and Mrs. George Caldwell of Middle Simonds, was united in marriage with Lawrie

Glass of Hartland. The young couple are very popular and have the good wishes of a host of friends.

At high noon, at the Reformed Baptist parsonage, Hartland, Wednesday June 25th a pretty marriage was solemnized by Rev. P. J. Trafton, between Harry R. Williams of Hodgdon, Maine, and Miss Mary Green of Simonds. A few close friends of the bride were present. The happy couple left by auto for a trip to Grand Lake after which they will reside at Hodgdon.

GOOD BASE BALL PROMISED

Following their defeat at Grand Falls, the Hartland team got together last evening and decided that they would make an effort to establish their name. Games have been arranged for the next week and it is hoped that the local team will have games twice a week throughout the remainder of the season. Tomorrow Hartland will play Bath at Bath, and on Dominion Day Centerville will play Hartland here. On Friday, July 4, Bath will come here for a return match. Other games are to be announced at a later date.

The people of the villages will be glad to know that the everyday humdrum of existence is going to be enlivened by some really good base ball.

Lieut. George B. Wooten

Lieut. George B. Wooten of Andover is among those who landed from the Esquiboer hospital ship at Portland. He enlisted with the 140th Battalion in 1916 and went overseas with a draft of officers in September of the same year. He was transferred to the R. A. F. and was very badly wounded. For a time he was reported killed. He is a son of Mr. and Mrs. N. J. Wooten of Andover, who went to Portland to meet him.

PERFECT MONTH NOW ENDING

Practically No Rain But Crops Are Not Yet Taking Damage

The month just ending will go into local interest as one of the most perfect June months within the memory of man. There has been but one day that the sun was not visible and very few even partly cloudy days. A rain at the first of the month gave the earth a good soaking and prepared it for a sustained period of dry weather, but more rain is much needed right away, as another week of dry weather will bring damage to the crops. There was some frost on the 23rd but the damage from it was confined to a few localities of low ground back from the river. Yesterday was the hottest day. The Observer's thermometer registering 91 degrees under cover. The month has had more hot days than last summer and the summer before together.

Hay which promised heavy yield is likely to be short for want of rain. During the last two seasons, however, there were record crops of this product, so an off year might well be expected. There is prospect of an abundant yield of apples.

Reports from the Agricultural Department at Fredericton indicate that potatoes are doing finely everywhere except in Madawaska and Victoria where the flea beetle is making ravages.

Specific for Bronchitis

The turpentine used in Dr. Chase's Syrup of Licorice and Turpentine is not the ordinary commercial article, which is little used because of the unpleasantness of taste, but is specially extracted from tamarac and spruce gum and so combined with other valuable ingredients as to be at the same time pleasant to use and wonderfully effective in the cure of affections of the throat, bronchial tubes and lungs.

1920 FORD Touring Cars

With starter \$900
Without starter \$790

Delivered freight and war tax paid

Ford touring cars have been very scarce this year and these cars will go very fast. Call and see them and get your order in early.

The first carload has arrived at Fredericton. Next carload due at Woodstock June 21 and 23. Florenceville carload due about June 28.

COUNTY COUNCIL

June 17.—The regular semi-annual meeting of the County Council of the Municipality of Carleton was held at the Court House at 11 o'clock this morning. Warden Fleming in the chair. Officials present, J. C. Hartley, secretary treasurer; Chas. Comben, auditor; J. P. Maloney, officereporter; Sheriff Moors.

On the request of Warden Fleming all united in singing the National Anthem.

The following councillors were present:—

Aberdeen—D. H. Lamont, Chalmers Derrah.

Brighton—Fred Smith, W. D. Keith.

Kent—G. W. Perry, Stephen Kinney.

Northampton—Arthur Giberson, H. A. Phillips.

Peel—E. W. Melville, Frank Tompkins.

Richmond—W. E. Fleming, Wilmot Watson.

Simonds—Ondur Shaw.

Wakefield—Robert Bell, Albert G. Bell.

Wicklow—Carey Estey, Rennie Tracey.

Wilmot—W. F. Anderson, H. P. Carvell.

Woodstock—Charles Clark.

Woodstock Town—H. D. Stevens, J. W. Gallagher, A. S. Benn.

Hardland Town—Frank Hagerman.

Warden Fleming said it gave him much pleasure to see such a large attendance at the last session of the present Council. While there was evidence of unrest in other towns and counties, it was a great satisfaction to know that that spirit of unrest was not noticeable to any great extent in Carleton county. All the people should unite in making this a greater and even a better Canada. Since the January meeting, two of our members, John Perry and Robert Moxon, had passed away, and we all sympathize with their families. The late Coun. Moxon had been succeeded by a former councillor, F. Byron Bull and the Parish of Woodstock had two good representatives at the board. There was a mix-up in Simonds, and, as a result, no one was elected to succeed Coun. Perry. There were important matters to come before the board and he knew they would deal with them in such a way as their merits deserve.

The minutes of the January session were read. Approved.

Mr. Hartley—I prepared warrants for the elections in Woodstock and Simonds parishes. These were issued for June 14th. I have heard from the parish clerk of Woodstock who reports that F. Byron Bull was elected by acclamation to succeed the late Mr. Moxon. Coun. Bull has been sworn in. I learn from Sheriff Foster that there was a mix-up in the Parish of Simonds; two men were nominated, and as it looked as if there would be trouble, a petition was circulated asking both to retire, which they did. Consequently no election was held and no returns were made by the parish clerk.

Coun. Stevens: Perhaps Coun. Shaw can give us fuller information.

Coun. Shaw: The secretary treasurer has it about right.

Coun. Gallagher: I was appointed to confer with the government as to the right of way. I saw Hon. Mr. Veniot and he replied that opposition came from the North Shore so strongly that "turn to the right" would not be put in force this year. Adopted.

Coun. Stevens: As chairman of the monument committee I wish to report progress. We got a design for the monument, and a representative of the firm will be here to-day. The committee will discuss the matter with that representative at 7 o'clock this evening and report to-morrow. Extension of time was granted.

Coun. Stevens: Reference was made by the warden to the death of two of our members; heretofore we have always procured wreaths. When I heard of the death of Coun. Moxon I saw Coun. Robert Bell and we decided to order and send forward a wreath. Up to the death of Coun. Perry, I consulted Coun. Tracy, and we ordered the second wreath. I expect each councillor to contribute an equal amount and pay it over to Coun. Robt. Bell who is the treasurer.

Coun. Perry: As chairman of the Municipal home committee, I wish to report that we have looked over the town farm. I was very favorably impressed and believe we will make no mistake if we buy that farm for the county poor. We have ample room there to accommodate every poor person in the county. I would like the Council to go in a body and look the farm over.

Moved by Coun. Benn, seconded by Coun. Gibson, that we hear a delegation from the agricultural society at 4 o'clock this afternoon. Carried.

Adjourned till 3 o'clock.

TUESDAY AFTERNOON.

At 10 o'clock autos were ready and in company of Mayor Nodden and Coun. Bell, chairman of the poor committee of the town, the councillors went to the town farm and thoroughly examined the premises. This farm consists of 175 acres. 75 acres cleared

and is valued at \$6500. The town and parish of Woodstock owned the farm at one time, but the town has had possession about 60 years. The main building is brick and there are three barns in connection. There are eight inmates at present; the food served is of the best and the rooms were found tidy and clean. Mr. and Mrs. Simon Adams are the caretakers. The intention is for the county to buy the farm and the town will pay pro rata for their own inmates.

The councillors then went by auto to the new exhibition buildings on Connell Park and were greatly impressed with what they saw—the beauty of the spot and the progress being made with the buildings. The smaller ones are nearly completed and work on the main building is well under way. Good progress is being made on the race track and the grand stand was well advanced in construction.

Returning to the Court House, Council resumed its session at 3.30 p.m. Councillors all present, warden in the chair.

The warden appointed the following a committee on bills and accounts. Couns. Melville, Gibson, Anderson.

The following report of the Board of Health was read:—

Dr.

To appropriation \$400 00

To price of one desk bought of A. Henderson in 1901 22 50

\$422 50

Cr.

By balance last report \$ 19 79

" paid Dr. M. E. Commins 200 00

" " Estey & Curtis Co Ltd 85 15

" " Dr. I. B. Curtis 94 00

" " Dr. G. W. Somerville 26 65

" " Ira Corey 20 00

" " Postage and telephone 2 91

\$448 50

Balance due chairman of late Board, Dr. Curtis \$ 26 00

Moved by Coun. Melville, seconded by Coun. Phillips, that the bill of Dr. Curtis for \$26, balance due, be paid. Carried.

Coun. Carvell: Has the secretary any information about the new jury act?

Mr. Hartley: The government pays \$1 a day to the petit jurors and nothing to the grand jurors. The Council has the right to pay \$2 more to the petit jurors, besides mileage, and the same to the grand jurors if it wants to do so.

Coun. Smith: I think we ought to pay \$2 more to the petit jurors and \$2 to the grand jurors.

Coun. Watson: Have the petit jurors last serving received their pay?

Mr. Hartley: Yes. The jury was summoned under the old law and was only entitled to what they received. The new law had not then come into effect.

Coun. Tompkins: It seems to me that the grand jurors should get the same pay as petit jurors.

Coun. Melville—Oh no. The grand jurors are mostly from the town and they only meet a few hours when they are dismissed. I think the grand jury is more for ornament than use, and some of the best legal talent think it should be abolished.

Mr. Hartley—The grand jury in the past by throwing out trivial cases has saved the county thousands of dollars.

Coun. Gallagher—The grand jury should get the same pay as petit jurors, then we might be able to get some country people on the grand jury. As it is now, the grand jurors get no pay and the town people are summoned and liable to a fine if they don't attend. It has got to be a confounded nuisance to the business men of the town. The town people would be glad to get rid of serving.

Coun. Anderson—The town people can save money at \$2 a day, when the country people would lose money at \$3 a day and mileage.

Coun. Hagerman—There was a peculiar thing happened at the last sitting of the court. Man after man, good men all, and probably better than those selected, were stood aside by the lawyers. Is there any possible way to keep politics out of the court room. It was so plain that everybody could see it. Politics is the curse of this county.

Coun. Melville—I understood that the jury list has been made up. I read it in the papers. Are the 500 men selected for one year or five years? Will the list be published?

The warden—Judge Carleton, Sheriff Foster and myself have met, decided the number to be summoned, but have not selected the names. I do not know whether or not the names will be published. We will meet again July 7th and select the names.

On request of Mr. Hartley, the matter dropped until he examines the jury act.

A delegation from the Carleton County Agricultural Society was heard before the board.

E. W. Mair—The question of an exhibition is a matter of interest to all of us; exhibitions promote rivalry and has a great tendency to produce a better article. After selling our land to the Valley Railway, we looked around to see where we could get suitable land for exhibition buildings. We bought a piece of land on River street

for \$3500 but the war coming kept us from going ahead. A. B. Connell and the mayor of the town of Woodstock are the trustees for Connell Park. They have given us the whole island if we want it. We now have a lease of the island for 21 years at \$1 a year, with the option of another 21 years, and so on. Our experience is that things managed on a small scale are no good. We had confidence that if we made this Exhibition a big thing it would pay. We went to the government, told it our plans, and the members of the government said, so far as Carleton county agriculture was concerned, it was in a class by itself. We got the best architect in Canada to draw the plans, the best landscape architect in Canada was consulted, and we have the best grounds in Canada for an exhibition. Now, here is our financial standing: We sold our land for \$2000 (losing \$1500), had \$1000 worth of lumber and \$500 in the bank. It will cost \$40,000 to complete the buildings (\$100,000 will be spent on Connell Park in the future from other sources); the government will give us \$10,000—\$3500 at once, \$3500 next October, and \$3000 later still; Woodstock citizens subscribed \$5000, which gave us about \$20,000. Twenty men went on the bonds for that amount. As I said the people of Woodstock contributed \$5000 to the Exhibition and \$4000 to the race track; the town of Woodstock has voted \$1000 to build the abutments for the approach to the island and the town will likely give us free water and assist in other ways. If the attendance is only half as good as at Presque Isle Exhibition, the affair will pay. If the worst comes to the worst, it is expected that the government will give us further help. This exhibition is of interest to the whole County, and is the biggest advertisement the county could have. We feel that it is only fair that the County Council should assist Agricultural Society No. 41, in its great efforts. We understand that it is too late this year for you to do anything, but we would like to get the assurance that you will do it. The main building will be 205x85 feet, two stories high, and there are 96 acres in the island. I might also say that Woodstock is the only town in New Brunswick that has taken up the Vocational Training scheme.

J. R. Brown—Mr. Mair has gone into the matter very fully. We have started into this thing and cannot turn back. We want to show the people of New Brunswick that the good old county of Carleton is still on the map. You are all interested. Not the merchants of the town alone, but the farmers will reap the benefit of the Exhibition. We undertook the work about four years ago, then the war came and nothing was done. Complaints kept coming in, and people said: Why does not Woodstock do something; Houlton, Presque Isle, Caribou, Fort Fairfield are alive—what's the matter with Woodstock? We are into it now with both feet. Woodstock has subscribed \$5000 to the Exhibition and \$4000 to the race track; we are financing \$20,000. The Town Council has given \$1000, and we will need water for the stock, lavatories, etc., which the town will furnish. You, gentlemen, as representatives of the best farming and richest county in the province should contribute \$5000 to the good work.

Mayor Nodden—I understand your position thoroughly. It is hard to raise money from taxation. Colonel Dibble is at the head of the Agricultural Society and you are all proud of him for he is the right man in the right place. I am sure you are equally proud of such a business man as Mr. Mair. You all know the great successes made across the line with their exhibitions and horse races. The town people have put their hands deeply in their pockets. The exhibition will be of great benefit to town and country. No man likes to live in a country that is not proud of. We are proud of Carleton county and we ask you to give as generously as you can.

Mr. Mair—I might say that we intend to give \$15,000 in prizes.

Coun. Tompkins—How does that compare with other places.

Mr. Mair—Twice as much as the best of them. Fredericton is holding the provincial exhibition this year and will give \$20,000 in prizes.

H. B. Durost—It is a mistake to think that exhibitions are chiefly to make competition; in making up our prize list we had in mind the educational benefit to the community. We are getting together a good list for children. There will be competition in every feature of school work. The baby show will be a big thing. An exhibition is for educational purposes, not chiefly for to win some prize money.

Mr. Mair—I wish to thank the Council for its patient hearing of the delegates.

Coun. Stevens—About how much money would you like to have from the Council.

Mr. Mair—We would like to have \$5000, but we are willing to have the matter decided by the Council. We know you cannot do anything this year, but we wish you could assure us of a grant next year.

The Warden—Does the Council

wish to discuss the matter further.

Coun. Hagerman—There is a great demand upon us for money. I don't know where we are going to get off. Nevertheless I was surprised that such mammoth work is being done on the exhibition buildings.

Moved by Coun. Hagerman, seconded by Coun. Gallagher, that we do assist to the extent of \$3000, to be paid later on.

Coun. Melville—We simply cannot vote the money now; the dying hour of the Council. Let next winter's Council do it.

Coun. Gallagher—We don't expect the money now. We thought if we could get a motion through, so that we could finance it through the banks. The buildings will be up this year and we need all the money to pay the workmen. I am speaking now as a member of the agricultural society.

Coun. Tompkins—I am in favor of the motion. The new Council will have to carry out the wishes of this Council. If we give a motion of credit will the county have to pay the interest on the loan?

Coun. Gallagher—The agricultural society will pay the interest.

Coun. Tompkins—Before I went to the exhibition grounds I was opposed to granting any money, but I have had a change of heart. The exhibition is a big thing. Small exhibitions are no good. We have got to put on a show as good as they do in Annapolis county or we cannot make a success of it. The exhibition is opened to all of Maine and all parts of Canada. I don't see why we should be criticized for giving a motion of credit for \$3000.

Coun. Smith—There is an awful demand upon us for money. I will be willing for the county to pay \$1000 a year for three years.

Coun. Tompkins—Mr. Mair mentioned something about the work costing \$100,000. Will the county be called upon again to contribute?

Coun. Gallagher—The Agricultural Society will not ask for any more money from the Council. The \$100,000 referred to will come from other sources. The upper end of the island has been reserved. There will be a greenhouse, and shrubs will be planted, the \$100,000 to be spent on a public park. That has nothing to do with the exhibition.

Coun. Carvell—We must look at this from a financial standpoint. I will not vote for the motion. I have

Do not suffer another day with aching, disabling, or protruding Piles. No surgical operation required. Do as certainly cure you. See a box, all dealers, or Edmundson, Bates & Co., Limited, Toronto. Sample box free if you mention this paper and enclose 2c. stamp to pay postage.

George Chapman and bridge crew arrived here on Saturday.

A number from here attended the celebration at New Denmark on June 19 and all report a wonderful time as usual.

Mr. and Mrs. E. W. Larlee and daughter Lillian spent the week-end with relatives at Bath.

A party of young folk chaperoned by Mr. and Mrs. George McLaughlin, left for Forks of Tobique early on Thursday, by auto, for a few days fishing. Among those who went were H. Wilfred McPhail, Charles and Barney Armstrong, and C. McKellar, and Misses Grace and Gertrude McPhail, Carolyn Armstrong and Sylvia Cronkite. They will return home on Monday by canoe.

The many friends of Mrs. C. C. Craig are glad to know that she is recovering after her recent severe illness. She will leave for Winterton, Me., sometime this week for an extended visit with friends.

Mrs. J. B. Tompkins returned this week from a pleasant visit with friends in Camden county.

Harry Laxton, who has a fine position with a film company in St. John, came up on Friday to spend a few days with his mother, Mrs. Harriet Larlee.

Mrs. L. A. Fenwick, who has been spending some time with her father, J. B. Stewart, returned to her home in Jacksonville a short time ago.

An aeroplane passed over here about 1:40 on Sunday.

Mrs. E. H. Dohne and little daughter Margaret arrived from Boston on Thursday, and remain for an indefinite period with her mother, Mrs. E. W. Cox of Kilburn, and her sister, Mrs.

B. C. Palmer. Her husband is in France but expects to join her in August.

Duncan Wright and party from Arthurette were in town by auto a few hours on Friday.

Miss Hazel Hallett came down from Caribou on Saturday to visit her parents, Mr. and Mrs. John Hallett, for a few days.

Mr. and Mrs. George Langan of Tilley were doing business here on Tuesday.

Gerald Lovely was visiting friends down river on Thursday.

Alec Stevenson enjoyed a motor trip to the Forks on Sunday.

Mrs. H. J. Bonnell and two children of Grand Falls are guests of Mrs. J. W. P. Dickson. She will go to St. John this week to meet her husband who is returning from overseas.

Andover News Notes

Miss Mabel Peat, who spent a few days at her home here, returned to St. John Monday.

Pringle Kelley left on Monday for a trip to Canning, N. S.

Mr. and Mrs. N. J. Wootton went to Portland Tuesday where they expect to meet their son George who is coming on a hospital ship from overseas.

Mr. and Mrs. P. B. Fields motored to Presque Isle Wednesday where they were calling on friends.

Anthony Darch, who has spent some time the guest of his parents Mr. and Mrs. Anthony Darch, sr., returned to Montreal Friday.

Miss Mamie Wright of Providence, who has been visiting Mr. and Mrs. E. W. Sisson for a few weeks has returned home.

Misses Mona and Thelma Scott enjoyed a motor trip to Fort Fairfield on Friday.

The Presbyterian Sewing Circle met at the home of Mrs. Harry H. Tibbits on Wednesday afternoon.

Mrs. John Stewart who has spent the winter in Boston has returned home.

Dr. and Mrs. Macintosh and son Robert, who were visiting Fredericton and St. John, returned home Wednesday.

Mrs. Thomas Allen of Bangor has arrived in town and is staying with Mr. and Mrs. Patrick Heffernan.

Jack Kelly who has spent two weeks at Van Buren returned home Thursday.

Mrs. Maud Seeley and son of Presque Isle were guests of Mr. and Mrs. Henry Baird Sunday.

Mr. and Mrs. Alex Scott of Bairdsville were calling on friends in town Saturday.

Mr. and Mrs. Hugh Irvin, Jack Irvin and Miss Mildred Irvin were visitors at Fort Fairfield Wednesday.

Robert Knight and family, have moved to Hartland where they will make their future home.

Mrs. Thomas Wright of Three Brooks spent a few days last week with her sister, Mrs. Campbell.

Mr. and Mrs. D. R. Bedell left on Saturday for a trip to Rhode Island.

One of our popular young men of Andover, Pringle Kelly, was united in marriage to Miss Zetta North on Saturday at Canning, N. S. All wish them much happiness.

Stanley Waugh left on Saturday for a business trip to Toronto.

Mr. and Mrs. Sandy Crawford of St. John are spending a few days the guest of Mr. and Mrs. Harry McAlary.

Miss Elvina Tapley and Spurgeon Wright motored to Knoxport Sunday to attend the Baptist district meetings.

An aeroplane passed over this place Sunday about 2:20.

Sleepless Nights With Eczema

Mrs. Link, 12 Walker St. Halifax, N. S., states: "After three years of miserable torture and sleepless nights with terrible eczema, and after trying over a dozen remedies without obtaining anything but slight temporary relief, I have been perfectly and entirely cured by using Dr. Chase's Ointment. After the third or fourth application of this grand ointment relief and a few boxes were sufficient to make a thorough cure."

The Observer will be sent to Canadian subscribers a full year for \$1 paid in advance.

Scientifically prepared. **COPENHAGEN SNUFF** Pleasing flavor.

Copenhagen Chewing Tobacco

Is the world's best chew. "It is the most economical chew."

Spraying Season will Soon be Here

We are general agents for the Celebrated

100 Gal. Tank Brown Sprayer

Reasons why the Brown is the best:

It derives its power from the wheels by a convenient chain drive that supplies a maximum of power to the pump itself. The sprayer itself is designed to meet with every condition. The wheels can be adjusted so that more than one crop can be conveniently sprayed. The spray boom can also be adjusted covering the variation of width in rows, and can also be raised or lowered in accordance with the height of the plants to be sprayed.

This sprayer will maintain a working pressure of 150 pounds with either four or six row attachment. We do not recommend using this sprayer with more than six nozzles.

The pump proper rests on the axle, doing away with the strain on the frame of the sprayer. The pump is so located that it enables us to build this machine in perfect balance.

The tank or barrel is also located over the axle. The pump and air chamber are made of heavy iron castings which reduce the breakage to a minimum. This sprayer, all the way thru, is built of nothing but the best of materials.

The frame is of two-inch ash re-inforced with angle iron, which insures perfect alignment; the axle is made of one and three-quarters inch cold rolled steel shafting.

A strong axle is an important feature in a horse-drawn sprayer. The axle of a poorly constructed machine usually breaks when the grower is in the actual test of spraying and oftentimes causes expensive and troublesome delays, since when the axle breaks it also allows the weight of the machine to break the axle boxes.

We assure you that there is no danger of the axle on the No. 39 AUTO-SPRAY becoming broken.

The valves and plungers of this pump are of brass and all of the working part of the pump are easily accessible. The wheels are of hickory and of Sarven pattern. They last definitely.

To operate this sprayer after it has been set up it is only necessary to fill the tank and drive fifty or one hundred feet until a satisfactory pressure is produced and then drive over the field.

Overflow valve, relief valve, pressure gauge and shut-off are all before the driver's seat. The NON-CLOG Junior nozzles furnished with this sprayer saves the operator many hours of time that is usually spent in cleaning the nozzles. In an actual test these nozzles were used for spraying a solution containing sawdust and did not clog.

HARTLAND, N. B., JUNE 26, 1919

Grand Falls Happenings Keep Children Healthy

Mr. and Mrs. George Langen drove up from Tilley and spent Sunday with friends in town.

Lloyd Warnock, Fred Warnock and Mrs. H. Warnock went to Fredericton last week by auto. Miss Gladys Warnock who has been attending the U.N.B., returned with them.

Mrs. Hardegree was in Fort Fairfield last week.

There were several quite bad accidents on the 19th. Herbie Moran had his foot very badly mashed when his auto went over the bank on the Salmon river hill.

A. J. Jensen's new car was smashed up in a collision with Mr. Sadler and a boy was hurt quite badly.

Miss Goodbourn who was so severely injured when she was thrown from an auto quite near her home is still living at this writing.

Mrs. W. K. Read and children went to Truro Wednesday.

Mrs. Beaulieu of Drummond is ill at the hospital.

Mrs. J. Evans, Miss Wetmore and Mrs. Guy were in Fort Fairfield with Dr. and Mrs. Puddington Monday.

Mrs. J. E. Andrews and children of Bathurst are visiting. Mrs. J. J. Evans.

Gordonsville Soldier Welcomed

A large gathering of the friends and relatives of Roy E. Craig met at his home, Gordonsville, on May 30 to rejoice with his parents and family over his safe return from the battlefields of France.

All were glad to find him in good health in spite of the fact that he passed through many strenuous months. There were present about 75. The evening was pleasantly spent by old and young. Vocal and instrumental music were provided, Mrs. S. J. Burlock being the accompanist. We'll Never Let the Old Flag Fall was sung by Miss Neva Nye.

Pte. Roy E. Craig enlisted with the 140th and participated in the battles of Passchendaele, Vimy Ridge, Hill 70 and Cambrai. On behalf of the assembled company the presentation to the returned hero of a beautifully upholstered arm chair was made by Mrs. E. Brittain. Although taken by surprise Mr. Craig made a neat speech in reply. After which these rousing cheers were given.

Luncheon was served at 11 o'clock. After singing the National anthem the party dispersed, all expressing themselves satisfied with a hearty good time.

A similar reception and presentation of a watch and fob were given Pte. Rupert Grant on his return early in the spring.

To keep children healthy the bowels must be kept regular and the stomach sweet. Nine-tenths of the ailments which afflict little ones are caused by derangements of the bowels and stomach. No other medicine can equal Baby's Own Tablets in guarding either the baby or growing child from the ill that follow a disordered condition of the bowels or stomach. They are a mild but thorough laxative and never fail to give results. Concerning them Mrs. W. B. Coolidge, Sarnia, Ont., says: "I have used Baby's Own Tablets for over three years and have found them the best medicine I have ever used for my children. I never have any trouble giving them to my little ones and they have saved me many a doctor's bill. My advice to all mothers of little ones is to keep a box of the Tablets in the house." The Tablets are sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Summer Science School at Sussex

The Rural Science school this year is to be held at Sussex, opening July 8 and closing August 5.

The full course of study at this school occupies two summer sessions and attendance at the school for one year entitles the teacher to a grant of \$30 and on completion of a two year course a \$50 grant will be paid. Agriculture must be taught in a school where there is a school garden in order to obtain these grants. Besides this is a bonus of \$20 is paid to all those attending one year and who teach Agriculture in their school during the year subsequent to the taking of the Course.

Transportation one way will be paid. Teachers should therefore purchase return tickets.

The Courses given will be Vegetable Gardening, Nature Study, Physics and Chemistry of the Farm. The garden will be a large feature of the work. Excursions will be arranged for. Demonstrations will be given and everything will be done to make the Course as practical as possible.

Furlong-Commins

Miss Maud E. Commins, eldest daughter of Dr. and Mrs. M. E. Commins, of Bath and C. P. Furlong, of Woodstock, Ont., manager of the Bank of Nova Scotia, East Florenceville, were married Thursday in the Roman Catholic church at Bath by Rev. Father Walker, parish priest of Johnville. The weather was beautiful and the church was crowded for the ceremony, as both are very popular.

After the ceremony a reception was held at the home of the bride's parents which the bride and groom left on a honeymoon trip to the west and will return to Bath for a while before taking up

housekeeping. This is the first marriage ever performed in the beautiful Bath church.

Grade II—Ruth Pratt, Hildred Bubar, Marjorie Nevins.

Grade I—Floyd Bubar, Harry Craig, Harley Clark.

Perfect attendance—Lillie Nevins, Lucinda Craig, Richard Craig, Marguerite Drake, Hildred Bubar and Marguerite Bubar.

Bessie E. Hill, teacher.

OUR WAR FIGURES.

Canada Enlisted 584,323 Men, and Sent 460,000 Overseas.

Speakers can speak about Canada's war effort, and writers can write, but so much has been said and written that cold figures have, for a change, an invigorating quality. The following hard facts speak for themselves. Canada enlisted 584,323 men. Four hundred thousand of them went overseas, 184,323 stayed at home.

Canada's total outlay for the war to the end of 1918 was \$900,000,000. The national debt before the war was \$336,000,000.

It is now \$1,200,000,000, or one billion, two hundred million dollars. The Canadian army discharged, up to September 20 last, 70,500 officers and men, for reasons ranging from battle wounds to incompatibility of temperament. Medically unfit, 1,857 officers and 33,600 other ranks were discharged.

Canada sent 4,053 of her soldiers to the British army as officers, 3,955 of whom enlisted in the ranks in Canada. War loans in Canada have totalled \$756,000,000, or \$106 per head of population.

Canada has borrowed \$307,000,000 in the United States. Credits on behalf of the Imperial Government for \$950,000,000 have been established by Canada.

But the savings in Canadian banks have increased since 1914 by \$275,000,000.

Canada has given \$40,000,000 to the Patriotic Fund, \$18,000,000 to the Canadian Red Cross, \$6,000,000 to the British Red Cross, \$4,500,000 to the Y.M.C.A., \$3,000,000 to the Belgian Relief Fund.

The grand total of Canada's war gifts totals \$12 per head of population.

Canada produced 55 per cent. of the 15-pounder shrapnel shell used by the British army in the last six months in 1917, which, to anyone who was present at Hill 70 or Passchendaele, for instance, is saying something.

Camera for Sale

A 57 Premo No. 9 with r.r. lens and automatic shutter (1 sec. to 1/1000 sec. and T and B)—for plates or film; carrying case, solid leather; 1 film-pack adapter; 4 double plate holders and 1 combination tripod. Allen, the Hartland barber, will travel the remainder of the season on Mondays from Hartland through Waterville to Mr. Kirkbrides; Tuesdays through Lakeville to Roy McWaide; Wednesdays back to Lakeville to Deerville; Thursdays Farmerston to Jacksonville; Fridays Woodstock Hotel stable; Saturdays Noon John Colters at Pembroke afternoon to owners stable. Two dollars to be paid at time of service.

THOMAS APPELBEER
Groom

months in 1917, which, to anyone who was present at Hill 70 or Passchendaele, for instance, is saying something.

Saved Millions of Dollars.

Canada has few sons of whom she has more reason to be proud than Gen. A. D. McCrae.

Few men even in the West have crowded more adventure and work into a comparatively short life than this versatile general, who first opened his eyes on the world in Glencoe, Ont., forty-three years ago. At nineteen he left his humble home to seek fortune in Duluth, and acquitted himself so well that, while still in the twenties, he had built up one of the biggest insurance businesses in the West, and had established a group of rural banks.

He did more than any other half-dozen men to plant settlers in the West; he became the head of big industrial enterprises from lumbering to whale fishing, until while still in the thirties he was one of the richest men in Western Canada. When the war came and the Canadian Government needed horses the task was committed to McCrae, and he did it so well that he was entrusted with the organizing of supply and transport, saving millions of dollars by checking waste.

On his appointment as quartermaster-general in 1916 he did still more brilliant and useful work on a large scale, notably by the clever disposal of surplus and obsolete stores at many times the price they would have fetched now.

In appearance Gen. McCrae is tall, well-built, and soldierly, with a strong, clean-shaven face, keen eyes and a resolute mouth and chin. He looks what he is—a man of clever head and iron will, who always knows what to do and how to do it, and sees that it is done.

Most Active Volcano.

The most active volcano in the world is Mount Sangay. It is 17,196 feet high, situated on the eastern chain of the Andes, South America. It has been in constant eruption since 1725.

Local News and Personal Items

J. W. Jameson of Centerville was here today.

A horse for sale. Apply to The Observer Office.

Get waterglass for preserving eggs at Estey & Curtis Co. Ltd.

Ray Laskey of Moncton has been the guest of his brother, Ed, Laskey.

Mrs. Ward Gibson and little son Robert are visiting her parents in Truro.

On June 24's daughter was born to Mr. and Mrs. Hugh Lee of Beaufort.

Theophile Therrien of St. Leonards is a guest at the home of J. F. Murdoch.

The hot weather is here, also bargains in Men's Balbriggan Underwear at Carr's.

Any one requiring cement, lime and rock wall plaster can get the same at Keith & Plummer's at lowest market price.

Mr. and Mrs. Franklin Clarke, Burden Clarke and Miss Grace Bell motored to Florenceville on Saturday.

Rev. P. J. Trafton has gone to attend the yearly Alliance and Camp meeting at Benah which began Wednesday 25.

Mrs. Arnold McFarland and children, of Saskatoon, are spending the summer with her parents, Mr. and Mrs. J. B. Bowser.

Charles W. Plummer of Bay City arrived here last week for a visit with his brothers, Ernest and Amasa. He formerly lived at Waterville and Jacksonville.

Keith & Plummer will be very grateful to the party who has had their wire fence stretched for about two weeks if they will be kind enough to return it at once.

The Orangemen of Holmesville will celebrate July 12 in true loyal style, and ask all members in Carleton and Victoria to come and help in the demonstration.

W. P. MacMullin went to St. John last week to enter the General Public Hospital, where he submitted to a serious surgical operation, which he came through successfully.

Harry Shaw, a former Middle Simonds boy, is visiting relatives in the old home town. He had been in the west for twenty years, when he enlisted and served in the war.

Lost—a considerable sum of money between the Star theatre and H. B. Boyer's barber shop. The finder will be liberally rewarded by leaving the same with the owner, E. C. Noddin.

Rev. S. W. Schurman, recently pastor of the Baptist church in Glouce Bay is now settled with the church in Exeter, N. H. Here is located one of the largest and most widely known academies in America. Among numerous recent baptisms he had the privilege of baptizing his wife and oldest son.

The Women's Institute held their annual meeting on Monday of last week. Mrs. Ed. Laskey was elected president and Mrs. C. R. DeWitt secretary. The institute is in flourishing condition and its membership is about 80. The regular monthly meetings are held the third Monday in each month. It has been doing much good work, and especially during the war it gave of its means and work most liberally.

The Hartland approach to the river bridge is a danger point for autos and all drivers should be warned to go slow and to sound a warning, either when going on or coming off the bridge, or in passing it. Recently there have been a number of very narrow escapes from disaster, and the collision of an auto with a wagon occurred one evening last week. Soon as the boundaries are definitely located it is proposed to widen the approach.

Boards and 2x4 scantling for sale. Enquire of S. S. Miller.

A car of E.C. Fir has just been received by Hartland Mfg. Co. Ltd.

Mrs. F. W. Nixon of Lower Brighton is recovering from a dangerous illness.

Thomas Ebbett has moved from Aroostook Jct. back to Peel where he formerly resided.

Go to Carr's for steel bedsteads, springs, mattresses, cots, etc. Best in Canada for the price.

There will be Church of England service in the Town Hall on Sunday at 11 and 7.30.

Keith & Plummer Limited will sell the balance of their Summer Millinery at greatly reduced prices.

Estey & Curtis Co. have just received a nice shipment of silver goods, suitable for wedding presents.

Mrs. James Reid and son Charlie of Toronto are guests of her mother, Mrs. Eliza Harmon at Peel.

For sale—a Watson potato sprayer, potato digger, farm wagon, plow. Enquire of S. S. Miller.

Mrs. O. A. Hovey and Miss Kelato Crabbe were yesterday guests of Mrs. John Craig at Lower Windsor.

Dr. W. R. Currie announces that his dental office will be closed from 4 p.m. on June 28 to 2 p.m. on July 7.

A cheap watch found in the street may be had by the owner if he calls at The Observer office and pays for advertising it.

Hartland ball team went to Grand Falls on Friday for a game with the team at that town. They were defeated in a score of 9 to 4.

Carr is paying 42 cents for eggs and butter. Hens are shut in now. They need grits and oyster shells. Carr has them, also mashed feed for cows.

Last evening Mrs. Frank Day was hostess to a party held in honor of her brother, Archie. Among the guests were a large number from Woodstock.

A. A. Rideout was taken to Fisher Memorial Hospital on June 15 suffering from appendicitis. He submitted to operation and is doing well. He was brought home on Tuesday.

Robert Knight, late of England, more lately of Andover, has moved his family here and is living in the W. S. Henderson house on the Rockland road. He is looking for a farm to buy in this vicinity.

H. N. Orser is desirous of selling his cement block house on Hillcrest avenue. It has eight rooms and is thoroughly finished, with basement under the whole. The lot is 50 feet by 11 rods.

George A. Stevens and bride were guests for the week-end of his parents, Mr. and Mrs. Charles Stevens. They were married last week in Houlton, the bride being Miss Hazel Hall of that town. They will make their home in the Aroostook capital.

Auto dealers are experiencing much difficulty in securing cars to fill their orders. In spite of the fact that the cars cost 50 per cent more than they did two years ago, there is unprecedented demand for them. The farmers are the chief buyers, and they have the ready money to make the purchase.

Survey or Hoyt of Andover was here this week running lines for the government in an endeavour to get the correct bounds for the bridge approach, so that it may be widened and made safe without encroaching on the property of others. There had been just a little uncertainty as to where the lines should be.

The Curtis hydroplane, passing from Halifax to Three Rivers, Que., of which much has been published in the dailies, passed over Hartland at exactly 1 p.m. on Sunday. Passing here it was at an elevation of about 1000 feet, according to the estimate of returned men who have been accustomed to seeing them at various heights, and since it is reported to have passed Andover at 1.40 it must have been making about 60 miles an hour. The machine carried Lieut. and Mrs. Graham and a mechanic. This is the second plane that the same party has taken to Three Rivers. They are to be used by the Quebec government forest fire patrol.

A party of nine Chicagoans have been making their headquarters here during the past week, arriving on Wednesday in two automobiles, bearing Ontario tags. They are selling enlarged portraits through the rural sections for the well known Chicago Portrait Co.

The Methodist appointments for Sunday are as follows: Hartland preaching service at 10.30 a.m. Sunday School at the close. Lindsay at 3 p.m. and Bellville at 7.30. Rev. Samuel Howard B. D., will preach at these three appointments. Rev. Spencer Crisp will preach in Woodstock at the morning and evening service.

Some nice things for the menu—at Carr's: Snider and Campbell's Tomato Soup, Sterling's Sweet Pickles, Carnation Milk, Wagstaff's Ginger and Pineapple Marmalade, also Orange Marmalade, Strawberry and Raspberry Jams, Macaroni and Spaghetti. Ten per cent discount on half dozen lots.

The town schools close tomorrow, when the afternoon session will be given up to various exercises calculated to give visitors an idea of the progress the pupils are making. There will also be presentation of prizes, etc. Parents of pupils, and all citizens should attend on this occasion, not only for their own edification but the encouragement of pupils and teachers.

Ralph Turner, who during 1911 and 1912 was a valued employee of The Observer is visiting his uncle, Joseph Grant at Stickney, and was a most welcome caller at the office on Monday. He and his twin brother Ray enlisted with the Canadian Army, at a recruiting mission in Lawrence, Mass., and went overseas nearly two years ago. Ray made the supreme sacrifice, but Ralph returns whole in body and optimistic in mind.

L. O. A. Celebration

The Great Annual Celebration of Orange Lodges for the County of Carleton will be held on July 12 at Holmesville. This year the celebration is under the direction of Crown Lodge Number 69. Sister Lodges of the county and the neighboring counties are most cordially invited to participate in making this year's gathering a grand success. A hearty welcome is also extended to the general public.

Four Falls Roller Mill

This mill will be closed down July 11 for repairs and will probably be down about six weeks, getting ready for good service on the new crop of grain.

Dairy Shorthorn Bull Calf

For sale. Fit for service, excellent individual with 13000 breeding behind him. Also some grade calves.

ONLY MEDICINE MADE FROM FRUIT

Extraordinary Success which "Fruit-a-lives" Has Achieved

One reason why "Fruit-a-lives" is so extraordinarily successful in giving relief to those suffering with Constipation, Torpid Liver, Indigestion, Chronic Headaches, Neuralgia, Kidney and Bladder Troubles, Rheumatism, Pain in the Back, Eczema and other Skin Affections, is because it is the only medicine in the world made from fruit juices.

It is composed of the medicinal principles found in apples, oranges, figs and prunes, together with the nerve tonic and antiseptic of proven epute.

50c. 1 box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

COUNTY COUNCIL Continued

been much impressed with the work done on the island and personally would feel like helping, but I cannot support the motion because the ratepayers think they are paying all the taxes they can. Particularly I don't like it now at the dying hours of the Council, not because I am afraid of being defeated when the election comes in the fall.

Coun. Hagerman—We are an agricultural people and an agricultural county. The opinion of this Council ought to be as good as the opinion of the councillors who will follow us. I have seen many exhibitions, some good and some bad. The people learn a lot by exhibitions. We go to Presque Isle, spend \$25, and say we had a good time. We will go again, but, in the meantime, let us get some money from our American brothers at the Woodstock exhibition.

Coun. Keith—I feel the same as Coun. Carvell. I will not support motion just now. We have the poor farm on our hands, and we must consider the soldiers memorial. I think we had better leave the matter to next Council.

Coun. Smi h—I have been very favorably impressed with the movement. Last year, I traveled over the county and I have a better conception of our county. We are purely an agricultural county; the lumber is about all gone. The people want something like this big exhibition to enthruse them. If we have to, I would say assist the exhibition and cut out the soldiers monument.

Coun. Stevens—I haven't any patience with those who say this is the dying hours of the Council. We have been elected for two years and we are supposed to handle any matter that comes before us in that time. Other Councils will have other problems to solve in their dying hours. If there is any credit to be got in supporting the exhibition I want that credit; if

The System is Poisoned

By Failure of the Liver and
Kidneys to Purify the Blood
Relief Obtained by Use
of Dr. Chase's Kidney-
Liver Pills.

Too much eating of heavy, highly-seasoned foods and too little outdoor exercise are the most frequent causes. The liver is upset, becomes torpid and inactive, the bowels are constipated, the kidneys are overworked in an effort to get rid of the accumulating poisons and breakdown. Headache, backache, aching limbs sound a warning note, and when this is not heeded the natural development is rheumatism, lumbago, and painful and fatal forms of kidney disease.

To best overcome this condition Dr. Chase worked out in his private practice a prescription which has come to be known as Dr. Chase's Kidney-Liver Pills, because of their combined action on these filtering organs. No treatment has ever proven so successful in awakening the action of the kidneys, liver and bowels, and thereby cleansing the system of all impurities. For this reason Dr. Chase's Kidney-Liver Pills have a world-wide reputation as the most thorough cure for rheumatism, lumbago, chronic indigestion and constipation.

Mrs. Alex. Gordon, Walkerton, Ont., writes: "A few years ago I suffered from kidney and liver trouble, with pains in my back. I had heard of Dr. Chase's Kidney-Liver Pills being good for this, so I commenced taking them. I had only taken a couple of boxes when the trouble was all removed."

Mrs. M. Nichols, 192 Milton street, Sarnia, writes: "I have found Dr. Chase's Kidney-Liver Pills an excellent remedy. I suffered considerably with kidney trouble and backache, but after I had taken five boxes of the Kidney-Liver Pills they gave me relief. Since then, which was about five years ago, I keep them on hand, and use them whenever I feel the need of them."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers, or Edmanston, Bates & Co., Limited, Toronto. Substitutes will only disappoint. Insist on getting what you ask for.

there is blame, I wish to share that blame. When I came to this Council 14 years ago I heard the councillors crying hard times. We heard that talk when we spoke of building the court house, but we built it. In the last two years we spent \$38,658 for patriotic purposes, and the people hardly knew it. Let us give the exhibition a grant with no strings to it. That is what the people elect us for. I appreciate the honor of being a member of this board, and I do not think I will suffer from the hands of the ratepayers for I do what I consider my duty.

Coun. Melville—I always enjoyed myself at this board, and I like the work done on the island, but it is of not much benefit to the Parish of Peel. We have no money to give away. I think we should have special legislation before we can give \$3000. Coun. Stevens says there was no kick coming from the Patriotic grants. All I heard was groans in my parish about it. If Coun. Stevens represented Peel he would not be so anxious to give money to the exhibition. I will be willing to give our indemnity to the exhibition, but this is the people's money and I will not vote it away.

Coun. Robert Bell—I was much impressed with what I saw on the island. I am in favor of giving a grant of \$3000. There is not a resident of the county who will attend the fall exhibition, but will be proud to know that the county had something to do with the erection of the exhibition buildings.

Coun. Anderson: At this stage of the proceedings I merely wish to say that I cannot support the motion.

Coun. Estey: I am in favor of anything of an educational benefit to the county. The money voted for the technical school was money well spent. This exhibition means more than getting some prize money; the exhibition is of educational value. A man may have certain live stock which he considers quite good but when it comes to the exhibition, he may find it deficient and he can learn to improve it. The prize money is to be given by points. To get first money you have to make over 90 points. I am in favor of the grant.

Coun. Gallagher: In years gone by some men could look over the prize list and if there were few entries he could bring in any animal and win first prize. The first prizes now are \$25 and \$20, second prize \$15 and \$10. Anything under 69 points only gets 3rd prize.

The original motion was then changed.

Moved by Coun. Hagerman, seconded by Coun. Gallagher that this county front the exhibition \$3000, payable \$1000 each year for the years 1920, 1921 and 1922.

Coun. Perry: While I am personally in favor, it is a new thing and I do not feel like supporting it now. If the cyclone in potatoes had not struck me I might have looked upon the matter differently. There is a feeling throughout the county that Woodstock is always trying to put something over on the county; this is a big county from the Munia to Eel River. Woodstock town must feel that it is getting something for nothing. I will vote against the motion until I can discuss the question with my constituents.

Coun. Tracy: We have the poor farm on our hands and we should buy it; that is as far as I feel like going; that means an assessment of \$10,000 for next year. If that was voted down I would feel like making the grant.

Coun. Derrah: Everything comes on us unexpectedly. I cannot see how Woodstock is going to gain anything out of it. If the people go anywhere now they have to go across the line for exhibitions and sport. Woodstock should have great credit for starting something. It will not be out of the way to vote this money at once.

Coun. Stevens: Coun. Perry says that Woodstock has selfish views in promoting the exhibition. The farmers of Richmond, Woodstock, Northampton, and others near town, and deeply interested in the movement. The merchants and business men of Woodstock have not much to gain. Let us look at this in a broad light. I wish to inform Coun. Melville that under the same conditions I would support an exhibition in Peel. Let us not go behind, but let the good old county of Carleton take the lead in progress.

Coun. Bull: I have been a member of the Agricultural Society for 25 years. We may have built too largely, but there is no doubt the exhibition will be a good thing for the county.

Coun. Gallagher: When we saw Premier Foster he said that Carleton was a great county, and he does not get much support from this county. Hon. Mr. Veniot agreed with him, and Hon. Mr. Murray said it was the best county in the province outside of Kings county. The three willingly agreed to help.

Coun. Watson: We have the best agricultural county in the province. The exhibition will encourage men to raise better stock. The exhibition buildings are a great credit to the province. Now is the time the money is needed. The council should assist

Middle Aged Women

Are Here Told the Best Remedy for Their Troubles.

Freemont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms leading to that change—weak ankles, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Gorman, 925 Napoleon St., Fremont, Ohio.

North Haven, Conn.—"Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms."—Mrs. Florence J. Latta, Box 197, North Haven, Conn.

In Such Cases

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

has the greatest record for the greatest good

LYDIA E. PINKHAM MEDICINE CO. LYNN, MASS.

"INFINITE VARIETY"

B-H PAINT

Nature's variety finds in the B-H "English" line an almost equal variety of colors for every possible situation.

The range of ready mixed shades is very broad.

In enduring quality, in permanence of color, in covering capacity B-H "English" Paint is pre-eminent. The coat is tough and elastic (thus contracting and expanding with the wood under extremes of heat and cold); it will not chip, crack, nor scale off. Apply it according to the directions upon the can. It lasts for years and will keep your house looking young.

Besides the B-H "English" line, we sell special paints for barns, roofs, interiors, farm tools and machinery, automobiles, in short, a paint for every purpose, also the highest grade varnishes, enamels, stains and waxes for all uses.

"Save the surface and you save all"

C. R. DeWitt, Hartland

BRANDRAM-HENDERSON

"Nature's variety with B-H quality."

and I would be favorable to pay it all in one year.

The motion then carried.

1/2 and 5 lb. cartons 10, 20 and 100 lb. bags

Atlantic Sugar Refining Co., Limited
Montreal, Que. St. John N. B.

for the purpose hereinafter mentioned.

The proposed objects of the Company are—

The objects for which the incorporation of the Company is sought are as follows:

(a) For the purpose of buying, selling, generating, leasing, and using electricity for lighting, heating, communicating, power, and mechanical purposes, and any and all other such purposes.

(b) To carry on the business of electricians, workers and dealers in electricity, motive power and light, and any business in which the application of electricity, or any like power, or any power that can be used as a substitute therefor is, or may be useful, convenient or ornamental, or any other business of a like nature.

(c) To distribute, sell, lease or otherwise dispose of electric current in the Counties of Carleton, Victoria and York, and elsewhere in the Province of New Brunswick.

(d) To buy, sell, and generally deal in electrical supplies and machinery of all kinds.

(e) To acquire the right to use or manufacture and put up telephones, telegraphs, dynamos, accumulators, lamps, and all apparatus now known or that may hereafter be invented, connected with the generation, accumulation, distribution, supply and employment of electricity or any other power that can be used as a substitute therefor, including all cables, wires, or appliances for electric conductors at a distance with other apparatus.

(f) To acquire the right to enter from time to time upon any public streets, roads, squares, open plots of ground, or highways in any city, town, parish in the Counties of Carleton, Victoria and York, break up and open such public roads, streets, squares, plots of ground, or highways, or any part thereof, for the purpose of erecting and maintaining poles and posts, and stringing and maintaining wires for telegraph, telephone, or electric light in rooms and for renewing and repairing the same and for the erecting and maintaining of electric conductors for the transmission of electricity for heating, lighting or power, and for the renewing and repairing the same to erect and maintain poles, wires, conductors and appliances for conveying electricity over, along, through, across and under any such public streets, roads, squares, open plots of ground or highways, and bridges, in the Parishes of Kent, Peel, Brighton, Wakefield, Northampton, Woodstock, Richmond, and the Town of Woodstock, in the said County of Carleton, the Parish of Carleton Place, in the County of York, and the Parish of Perth, in the County of Victoria, and the public roads, bridges and highways in places adjacent thereto.

(g) To acquire by purchase and conveyance, lease or otherwise, all such lands, buildings, or real estate, works, machinery, plant, equipment and appliances as might be necessary, or deemed advisable for the carrying out of the objects of the Company.

(h) To construct, build, erect and maintain, purchase, lease, or otherwise acquire and operate works, buildings, machinery, poles, wires, conductors, plant, equipment and appliances, as may be necessary, usual or expedient for the objects of the Company.

(i) To carry on any other business (whether manufacturing or otherwise) which may seem to the Company capable of being conveniently carried on in connection with its business or calculated directly or indirectly to enhance the value of for renter profitable use of the Company's property or rights.

(j) To acquire the whole or any part of the business, property, assets, rights and liabilities of any person or Company having objects altogether or in part similar to those of the Company.

(k) To do all or any of the above things things as principals, agents, contractors, trustees or otherwise, and either alone or in conjunction with others.

(l) To do all such other things as are incidental to, or necessary for the attainment of the above objects.

The above purposes and objects to be carried out under the provisions of the above Act, having particular reference to Sections 16, 19 and 20 of said Act.

The head office and chief place of business of the Company is to be established at the Town of Woodstock, in the County of Carleton.

The amount of capital stock of said proposed Company is Three Hundred Thousand Dollars, divided into three thousand shares of One Hundred Dollars each.

The names in full, addresses and calling of each of the applicants, are as follows:

Willard L. Carr, of the Town of Woodstock, in the County of Carleton, Lumberman.

Edgar R. Teed, of the Town of Woodstock, Wholesale Grocer.

Heber H. Hatfield, of the Town of Hartland, in the County of Carleton, Produce Merchant.

Charles F. Gallagher, of Bath, in the County of Carleton, Merchant.

W. Jack Dibble, of the Town of Woodstock, in the County of Carleton, Merchant.

James W. Gallagher, of the Town of Woodstock, in the County of Carleton, Livery Stable Stable Proprietor.

Alexander L. Strong, of the Parish of Northampton, in the County of Carleton, Gentleman.

Dated at the Town of Woodstock, in the County of Carleton, and Province of New Brunswick, this eighteenth day of June, A. D. 1919.

History of Each Canadian Unit

The Canadian War Records Office, London, has undertaken the publication of a short history of each of the Canadian units which served in France. The proceeds are being expended in aid of the Canadian War Memorials Fund. The first little book of this series, by Mr. Stuart Martin, is "The Story of the 13th Battalion," the first war unit of the 5th Royal Highlanders of Montreal, from 1914 to 1917.

This battalion recruited to full strength within three weeks of the declaration of war and arrived in England on October 16. Here they put up with the mud and discomforts of Salisbury and finally sailed for France on February 19. They came into the line at Arras on February 24.

The first action was at the second battle of Ypres, where they and so many other battalions of Canadians "saved the situation" in the words of Field Marshal Lord French.

There follows accounts of their share in Festubert, Sanctuary Wood, on the Somme in 1916, and at Vimy and Lens in 1917, besides the smaller engagements of Kenora, Montreal, Regina and Winnipeg Trenches and Hill 70.

The booklet of 20 pages is well gotten-up, and has as the front-piece a picture of Brig.-Gen. F. O. Loomis, who was the first O.C. Other books of the series already published give the stories of the 10th, 28th and the Princess Pals. There is also a booklet of the series, "Canada's Triumph," which gives the details of the fighting at Amiens, Arras and Cambrai.

FATEFUL YEARS FOR ALL WOMEN

How Best to Overcome the Troubles That Afflict Women Only

The most fateful years in a woman's life are those between forty-five and fifty. Many women enter this term under depressing conditions through overwork, worry or a neglected condition of the blood, and so they suffer heavily. Still, variations of health at this time can be relieved by home treatment.

Among the commonest symptoms are headaches and pains in the back and sides, fever-flushes, palpitation, dizziness and depression. Women stand in need of rich, red blood all their life, but never more so than in middle age, when the nerves are also weak and over-wrought. Now every woman can prove the prompt help afforded to her health by renewing her blood supply. It is a test that any ailing woman can make by taking Dr. Williams' Pink Pills, for these pills make rich, red blood, which in turn helps the appetite, strengthens the nerves and restores robust health. Thousands of women have found in Dr. Williams' Pink Pills the means by which new health and a brighter outlook of life were gained. In proof of this is the voluntary testimony of Mrs. H. S. Peterson, Milford, Ont., who says: "I have suffered greatly from those troubles that afflict my sex, and I have found that Dr. Williams' Pink Pills in such cases not only do all that is claimed for them, but more."

McClary's Sunshine

As we sell this furnace it is a guaranteed heating system. When installation is planned by our engineers, we deliver exactly what you want—Comfort in your home.

If you are going to install a furnace, let McClary's engineers show you how

it should be done. They have seventy years of experience to guide them, and their services cost you nothing.

Adopt their plan and you are assured of a comfortably heated home, and a durable economical heating plant.

COPENHAGEN CHEWING TOBACCO

Copenhagen is used differently
from ordinary chewing tobacco.
Take a small pinch, for a snuff,
and put it between the lower lip
and gum, in the centre.

Afterwards you can increase the
size of the pinch to suit the
strength of the chew you desire.

Copenhagen is strong, because
the tobacco of which it is made is
cut into fine grains, which makes it
impart its strength thoroughly and
quickly.

Hence, a little "pinch" goes a
long way, showing that Copenhagen
is not only an unusually economical
chew, but also one of the finest
quality, being made of the best,
old, rich, high-flavored tobacco.

LOCAL AND PERSONAL ITEMS

Stevens Bros. Druggists, held
a very successful one-cent sale
on Friday and Saturday.

Several automobile parties
spent a couple of days of last
week fishing on the Miramichi.
Some good catches were made in-
cluding several large sea trout.
Next week they will be all go-
ing over the top after the wary
salmon.

Harry Burberry returned home
from overseas on Tuesday and is
spending a few days with his
brother.

Mrs. Wesley Crone and daugh-
ter of Plaster Rock are visiting
Harry Crone.

D. Fred Cliff of Mars Hill
spent the week-end in town.

The members of Carleton Lodg-
ge, No. 35 E. and A. M., will hold
their annual march out and
memorial service in the United
Baptist church at East Florence-
ville on Sunday, June 29. The
public is cordially invited to at-
tend.

L. B. Clark, W. M. Bruce and
E. R. McClintock attended a
meeting of Woodstock chapter on
Thursday evening.

The ball team is enthusiastically
practising each evening and is
making good progress. The
boys are ready now to arrange
games with some of the other
base ball nines, and we hope to
see some good ball playing before
the season is much farther ad-
vanced.

The townspeople were quite
excited on Sunday about 1.30
when an uncommon noise like
the loud droning of an exagger-
ated humming bird, betokened
the approach of the first airplane in
its cross country flight. All
necks were craned expectantly
and soon the machine appeared
flying northward and following
the St. John river. It would
have proven a wondrous sight
for our grandfathers, but we hope
that we may live to see air roads
instead of air raids.

Mr. and Mrs. John W. Niles of
Andover visited Mr. and Mrs.
S. W. Niles on Friday.

The Quarterly Meetings of the
First District of the United
Baptist churches held in the
Upper Knoxford church from
Friday to Sunday were a complete
success, and most interesting.
Large numbers of delegates were
present from the several churches
of the district and were cordially
received and welcomed by the
members of the local church and
congregation.

Rev. J. B. Champion arrived
home from P.E.I. on Saturday.

Don Scholey of Mars Hill spent
Sunday with his parents here.

About seventy invited guests
assembled at the home of Mr. and
Mrs. O. T. Cain, Knoxford, to
make merry with them on the
occasion of their twentieth wed-
ding anniversary. In the new
and spacious bungalow of the
host and hostess this seemed but
a small crowd. The usual cor-
dial and hearty welcome of this
home was extended to all the
guests, as though the best were
none too good. A most pleasant
evening was spent ending with a
most sumptuous and delicious
line of eats. A couple of large
tables laden with beautiful pre-
sents told of the high esteem in
which this couple is held by their
friends. All present joined heart-
ily in wishing Mr. and Mrs.
Cain many such anniversaries in
their pleasant home and sur-
roundings.

The new hotel is already pros-
pering. The first week proved a
quite busy one and several auto
parties made it their objective on
Sunday. We are glad to see that
Hartland is falling in line in this
necessity.

R. W. Balloch is adding beauty
and comfort to his large residence
by the building of a large and
spacious verandah across the
front.

Mr. and Mrs. Hennessey have
moved into their new house on
Knoxford Road.

Mr. Fletcher of St. John spent
last week the guest of Mr. and
Mrs. L. L. Clark.

L. B. Clark spent the latter
part of last week visiting friends
in Florenceville.

Miss Annie Love of Frederic-
ton was the guest of Mr. and Mrs.
A. A. H. Margison last week.

River de Chute Reports Good Roads

Mr. and Mrs. Ches Wolverton
have moved to Edmundston to
live. Mr. Wolverton is working
in Frazer Pulp Mill. Both shall
be missed very much in this
neighborhood. Mrs. Wolverton
especially by the W.A., a meet-
ing of which she never missed.

Miss Olla Graham is visiting
friends at Plaster Rock and
Nictau.

Raymond Bishop and Harley
Jones have both returned from
overseas; both have been wounded
but have recovered and to all
appearances are as well as ever.

Branch Stores at Woodstock and Edmundston

Centreville Exhibition, September 24 and 25, 1919

The monthly meeting of the
W. A. was held at the home of
Mrs. Chas. Wallace on June 11.
A large attendance of both mem-
bers and visitors were present.
\$7 was realized from supper and
\$7.80 was raised by selling aprons
etc. It has not been decided
where the next meeting shall be
held.

The men folk are all working
on the road this week. Stephen
Scott is acting commissioner and
the new roads are splendid being
both wider and smoother than
they have been for some time.
Mrs. Thatcher Barker who has
been at St. John Hospital some
time has arrived home. We are
glad to see her recovering.

Carleton McGuire is sawing
shingles for Miller Bros., this
week.

Mr. and Mrs. Samuel Bishop,
are rejoicing over the arrival of a
baby boy.

A number of the young people
enjoyed a dance at Bairdville
Hall last Friday evening. Wm.
Knowles furnished the music.
Better known to his friends as
"Musical Bill," he played in
several concerts given by the 104
th Batt., while a soldier in that
unit.
