PAVEMENTS

Tenders for the construction of about 37,000 square feet of Graoulitic Pavement in the Town of Alexandria will be received by the undersigned on or before the 4TH DAY OF JULY, A. D., 1904. Plans and specifications can be seen at the office of the undersigned after the 20th day of June, instant.

ALEX. L. SMITH,
Municipal Clerk.

Alexandria, 10th June, A. D., 1904.

TENDERS FOR PUMPING ENGINE

BRANDON WATER WORKS

Sealed tenders will be received by the City of Brandon until 12 o'clock noon, of MONDAY, AUGUST 8, 1904, for the furnishing and erecting in the Water Works Pumping Station ready for operation:

"A."—One Compound Condensing Vertical Pumping Engine of 2,000,000 Imperial Gallons capacity in twenty-four hours.

"B."—One Triple Expansion Condensing Vertical Pumping Engine of 2,000,000 Imperial Gallons capacity in twenty-four hours. (Only one Pumping Engine is intended to be purchased).

The City Council reserves the right to accept either pump, and also the right to accept or refuse any or all tenders. Each tender must be accompanied by a cash deposit or accepted cheque on some chartered bank of Canada for \$1,000.00, payable to the order of the City of Brandon as security that the successful tenderer will enter into a contract when called upon to do so.

Copies of plans, specifications, proposed contract and all information necessary may be obtained from W. H. Shillinglaw, City Engineer, Brandon. All tenders must be sent by Registered Post addressed to

J. B. WHITEHEAD,
Secretary-Treasurer.

Brandon, Man., Can.
June 21, 1904.

TENDERS

will be received until JULY 9th for completing the Seating of Victoria Presbyterian Church, Toronto Junction. For particulars apply to R. C. JENNINGS, Canadian Bank of Commerce, Toronto Junction.

TENDERS WANTED

Sealed tenders will be received up to JULY 4th, 1904, for the construction of 30,000 square feet more or less of Granolithic Sidewalk in the village of Iroquois, Ont. The lowest or any tender not necessarily accepted.

JAS. FLANAGAN,
Clerk.

Tenders for CEMENT-CONCRETE SIDEWALKS

Sealed tenders, addressed to the Clerk of the Village of Hanover, will be received up to 6 p. m. of 14th JULY, 1904, for the construction of some 120,000 square feet of Cement-Concrete Sidewalks.

An accepted Bank Cheque, payable to the Village Treasurer, for the sum of 5% of the contract price, must accompany all tenders, to be forfeited if the successful tenderer declines the contract and will be returned in case of non-acceptance. The plans, specifications, general conditions and form of contract and tender, may be seen at the office of the Village Clerk. The lowest or any tender not necessarily accepted.

DUNCAN CAMPBELL,
Village Clerk.
R. McDOWALL, C. E.,
Village Engineer.
June 24th, 1904.

To Bridge Builders and Cement Concrete Con- tractors.

Sealed tenders addressed to the undersigned and marked "Bridge Tenders" will be received until noon on THURSDAY, JULY 14th, 1904, with plans and specifications for a Steel Overhead Truss Highway Bridge, to be erected over a branch of the Maitland River, about four miles west of Atwood, Ont.

The bridge to be one span seventy-five feet long from pin to pin, with sixteen foot roadway, steel joists and wheel and hub girders.

Alternative tenders to be given for 5-inch cedar on reinforced cement concrete floor. The bridge to carry a moving load of at least 125 pounds per square foot of floor area. Separate tenders will also be received for cement concrete abutments for above bridge. Plans and specifications for the abutments may be seen at my office, Main street, Listowel.

W. E. BINNING, Architect.
JAS. DONALDSON, County Commissioner.
R. T. KEMP,
Listowel, June 25th, 1904.

TENDERS TO CONTRACTORS

Tenders will be received up to 5 p. m. on TUESDAY, JULY 26th, for all the Brickwork, Cut Stonework, Steel and Cast Iron and all Carpenter work required in the erection of a new 6 story warehouse building, 50' x 120', on Wellington Street West, for John W. Cowan, Esq.

Plans, specifications and all particulars can be obtained at the offices of
F. H. HERBERT, Architect,
9 Toronto Street.

---	--	--

asked for a site here on which to erect a three-storey building for a factory.—The Town Clerk desires to communicate with prospective purchasers of debentures.

FORT WILLIAM, ONT.—Ames, Brooks & Co., Duluth, are considering the building of a grain elevator here.—J. E. Stinson, architect, has prepared plans for a brick store to be built on May street for Mr. Dyke, brick, with pressed brick front.—It is stated that the Canadian Pacific Railway are preparing to erect a very large grain elevator and to enlarge their freight sheds here.

OSHAWA, ONT.—The following contracts in connection with waterworks system are yet to be let: Intake, pump, well, etc., cost \$6,000; filtering apparatus, \$5,000; filter house, \$1,000; foundation for boiler, \$1,200; cottage for engineer, \$1,160.

OTTAWA, ONT.—Butterworth & Co. have commenced work on a new foundry on Broad street.—F. Gelinus, Secretary Department of Public Works, will receive tenders up to July 16th for construction of a wharf at Grand Mechins, Rimouski County, Que.—Work will be commenced this summer on a new paper mill to be built by J. R. Booth at the Chaudiere.

PEMBROKE, ONT.—The Finance Committee is offering for sale \$15,000 sewerage and waterworks debentures and upwards of \$20,000 local improvement debentures.—Tenders for sewer construction will be received by J. P. Sarsfield up to 30th inst.

BRUCE MINES, ONT.—The plans of the proposed extension of the Bruce Mines and Algoma railway have been submitted to the Ontario Government. It is proposed to extend the railway from this place to Jack's Island and to erect at that point a large dock.

FERNIE, B.C.—Rev. Father Coccola states that it has been decided to build a new Catholic church, 30 x 70 feet, cost \$8,000.—The Bank of Commerce have taken tenders on erection of a two-storey brick building.—The Trities Wood Co. will build a stone block 90x114 feet.

PORTAGE LA PRAIRIE, MAN.—Rev. S. MacMorine, Chairman School Board, is this week taking tenders on erection of a brick Collegiate Institute. Plans by H. S. Griffith, architect, Winnipeg.—Tenders have been invited for erection of Collegiate Institute building.

VANCOUVER, B.C.—The site for the new post office on Granville street is being surveyed.—A three-storey brick and stone block will be built this summer on corner of Hastings street east and Westminster ave., cost \$15,000.—Tai Sing & Co., representing a Chinese syndicate, have purchased a large lot on Pender street on which they will erect a three-storey brick and stone building containing five stores.

REGINA, N.W.T.—The round house to be built here for the C. P. R. will be of brick, and will contain stalls for six locomotives.—The by-law granting ex-

emption from taxation to the Regina Planing Mill and Supply Co. having been passed, building operations will be commenced on once.

GUELPH, ONT.—The Guelph and Goderich Railway Co., capital \$125,000, has been organized, to build a railway between the two points. Some 80 miles have already been surveyed. William Bell, of this city, is interested.—The ratepayers will likely be asked to vote \$5,000 for an additional filter and a fire pressure pump at the pumping station.

VICTORIA, B.C.—S. J. Hagan, whose store at Mount Sicker was burned, is preparing to rebuild.—The Provincial Government is taking tenders up to July 5th for erection of school house at Port Essington.—The works of the British Columbia Foundry and Engineering Co., to be built in this city, will be operated by electric power.

ST. JOHN, N.B.—New York parties representing the coal interests in Kent County have come to an agreement under which the Beersville Railway is to be extended to the mines of the Canadian Coal & Manganese Co. Work will be begun at once.—Of \$2,500 required for a new building for the St. Vincent de Paul Society, \$1,500 has been subscribed.

BARRIE, ONT.—E. J. Byrnes will receive tenders up to July 9th for the heating and ventilating of St. Mary's Church. Plans at office of Thos. Kennedy, architect.—Thos. Kennedy, architect, is preparing plans for brick residence for Arthur Craig, County Treasurer. Tenders will be asked for in a few days.

HAMILTON, ONT.—Burke & Saunders, who recently purchased the property on south side of Gore street, extending from Hughson to the Radial Station, purpose making improvements costing about \$3,000.—E. B. Patterson has been granted a permit for a \$2,000 residence on Wentworth street for Thomas Wilson.

BRANDON, MAN.—W. N. Lailey, architect, has prepared plans for a two-storey school building at Austin, Man.—Plans have been prepared by W. A. Elliott, architect, for a brick warehouse for Murdoch Bros., three stores, 110 x 30 feet.—W. H. Mallett, jeweller, has had plans prepared for a three storey brick and stone block on Ross ave.—J. A. S. McMillan purposes building a brick stable 50 x 120 feet, and Edward Shore will build an hotel on Ninth street.—The Columbia Sugar Refinery Co. will build a warehouse 125 x 40 feet.—W. H. Sullivan purposes building a new residence. G. H. Smith will also build a residence.—The City Clerk is prepared to receive offers for the supply of a 2,000,000 gallon pump for the waterworks system. The latter will be constructed by day labor.

MONTREAL, QUE.—Chaley & Orkin, wholesale milliners, are about to erect a large fireproof building on Notre

Dame street, cost \$40,000.—Plans of wharf to be built at Grand Mechins, Que., may be seen on application to Charles Desjardins, Clerk of Works, Post Office Building.—The Canadian Bank of Commerce have completed arrangements for the erection of a new building on the site of the Temple Building on St. James St.—L. O. David, City Clerk, wants bids by Tuesday, July 5th, for the supply of cast iron pipes, special castings, lead pipe, pig lead and tin, brass castings and lumber required by the Waterworks Department.—The Grand Trunk Railway Co. have under consideration a project to enlarge their car and locomotive works at Point St. Charles.—At the regular meeting of the Harbor Board last week, the construction of elevated railway tracks for the purpose of furnishing communication to the second storey of the steel freight sheds, was considered, and the engineer was instructed to prepare a plan of the proposed work, which is estimated to cost upwards of \$3,000,000.—Building permits have been granted as follows: Morton & Smith, pair four-storey brick and stone dwellings, Selkirk ave., cost \$10,000; McGill College, five-storey stone club house, Sherbrooke and McGill College ave., cost \$70,000; Alphonse Picard, three-storey brick and stone dwelling, Mount Royal street, cost \$2,500; S. D. Vallers, ten two-storey wood and brick dwellings, Marquette street, cost \$12,000; Louis Robitaille, two-storey wood and brick dwelling, Bordeaux street, cost \$2,200; Philias Robitaille, two-storey wood and brick dwelling, Bordeaux street, cost \$2,000; Alfred Gravel, three-storey wood and brick dwelling, Mount Royal, cost \$3,500.

Stackpole Patent Improved Street Sweeping Machine Is the Standard of Perfection
 Because no sweeper so effectually does the work for which it is designed as "The Studebaker." It Sweeps Clean. No sweeper is constructed with the same degree of care and mechanical precision. It Wears Well. "The Studebaker" has the smallest number of working parts, and has less gearing than any other sweeper made. It is free from all unnecessary complications. With reasonable care it does not get out of order. Send for complete descriptive catalogue.

Studebaker Sprinkler
 (PATENT IMPROVED.)
 Does not clog or get out of order. Greatest width of spray. Can be graded from driver's seat to any volume.
 We also make an . . . **IMPROVED VERTICAL SPRAY** for Pavements
