

THE MONTREAL COURIER.

MORNING EDITION SATURDAY, JUNE 1, 1880.

[VOL. XVI.—New Series, No. 119.]

PRICE TWO-PENCE.

NATIONAL LOAN FUND LIFE ASSURANCE SOCIETY, OF LONDON.

CAPITAL—£200,000 STERLING.

SAVINGS BANK FOR THE WIDOW AND THE ORPHAN.

Office:—25, Corn-hill, London.

17, Great St. James Street, Montreal.

THE following are some of the advantages offered by this Society:—

The peculiar benefits secured to the Assured by the principle of the LOAN Department. One half of the Premiums for the first five years may be paid by the Assured's own money, but interest is deducted from the Policy on the death of the Assured.

Interest can at all times demand, as a right, up to the extent of two-thirds of the amount of Premiums they have paid—upon deposit of the Policy, and guaranteeing it will be kept in force. This important advantage removes the fear of many embarrasment, to be obliged through temporary embarrassment, to let their Policies lapse, and at a time such a provision is absolutely needed for the support of the family.

THE following are some of the advantages offered by this Society:—

The peculiar benefits secured to the Assured by the principle of the LOAN Department. One half of the Premiums for the first five years may be paid by the Assured's own money, but interest is deducted from the Policy on the death of the Assured.

CONNECTICUT MUTUAL LIFE INSURANCE COMPANY, HARTFORD.

THE following are some of the advantages offered by this Society:—

The peculiar benefits secured to the Assured by the principle of the LOAN Department. One half of the Premiums for the first five years may be paid by the Assured's own money, but interest is deducted from the Policy on the death of the Assured.
