OVER THE WIRES.

MONTREAL, Sept. 13.—The eleven year old daughter of the aged mother of John Bryson, M. P. for Pontiac, was apoplexied in a house on Mountain street yesterday.

How the Money is Squandered.

The disgraceful jobbery that has been going on in the Fort Augustus district for some time past is, of itself, quite sufficient to teach the honest electors of that constituency that the rule of the Federal Government is one of corruption.

The Premier's Speech.

We commence to-day the publication of Sir John Thompson's admirable speech at Montreal. Being Sir John's first public appearance since his return to Canada much was expected of him.

Sir John's remarks on the questions appertaining to the tariff are of a character which are clearly and forcibly expressed. There was no beating about the bush, or trifling with the time and patience of his hearers.

The Premier Speaks.

Sir John Thompson's Speech at the Great Conservative Rally at Montreal.

The Premier's speech at Montreal was a great one, and well worthy of a great man. The Liberal-Conservative party are justly proud to have in him such a leader.

Speaking first in French, Sir John Thompson referred to the emotions which he naturally felt in finding himself in the city of a large province of Quebec, the cradle of the Canadian nationality.

THE PREMIER'S GREAT SPEECH.

Then Sir John continued in English, speaking as follows:—Mr. President, ladies and gentlemen—I should like to thank you for the promise made on my behalf in some of the newspapers, that I would address you on this great occasion.

(Cont. from p. 1) We think it has increased immensely the volume of Canadian trade both as regards our exports and imports.

LET US ASK TWO QUESTIONS.

Let us ask two questions: 1. Is it honorable or reasonable that it should be laid to the charge of a policy, which has done so much for the people of this country, that it should be abandoned?

A CONVENTION NOT NEARBY.

Ladies and gentlemen, I come before you to state the policy of the Liberal-Conservative Government of to-day.

THE FACTS OF THE CASE.

I will explain to you briefly what are the facts of the case. In the first place, the United States claimed practically the right to the fisheries of the Gulf of St. Lawrence.

CANADA'S GREAT VICTORY.

What was the decision of the arbitrators on that enormous question? It is that the fisheries of the Gulf of St. Lawrence are to remain in the hands of the British Empire.
