MADE, ESTABLISHED, AND ORDAINED BY THE DIRECTORS OF THE

County of Carleton General Protestant Hospital.

WHEREAS it has become expedient that the By-Laws, Regulations and Statutes of the County of Carleton General Protestant Hospital be revised, certain portions thereof amended, and further additions made thereto,

Therefore, the Corporation of the Directors of the County of Carleton General Protestant Hospital enacts and ordains that the following shall be the By-Laws, Regulations and Statutes, for the better government of the officers, members, patients and servants of the said Hospital.

CHAPTER I.

Of the Qualification of Members of the Corporation.

1 Every person subscribing and paying annually towards the funds of the Hospital five dollars, shall become a member of the Corporation, and shall be entitled to vote at the election of Directors.

2 Every person who has contributed to the erection of the Hospital, or who shall hereafter contribute to its funds one hundred dollars or upwards, and shall pay annually towards its support a contribution of five dollars, shall be a Director thereof for life.

3 There shall be twelve other Directors, who shall be annually elected, in manner hereinafter prescribed, from among those subscribers who have contributed, or who shall hereafter contribute annually to the Institution, under one hundred dollars, and not less than five dollars.

4 Six of the said Directors, elected at the first annual meeting of the subscribers, shall remain in office three years, three for two years, and the remaining three for one year, from the date of holding said first annual meeting. The three Directors last elected shall go out first; the six Directors first elected shall go out after three years, and the three Directors elected next after the said six Directors, shall go out at the expiration of two years, and so on.

5 The annual subscription year shall commence on the first day of January in each and every year.

6 No subscriber or contributor shall have a right to vote, or be elected, at any annual election, who has not paid up his subscription or donation, at least one month previous to the holding of such annual election.

CHAPTER II.

Of the Election of Directors.

1 Notice of the hour and place for the election of Directors shall be given by any five directors of the Hospital, in one or more of the newspapers published in the County of Carleton, at least one month previous to such meeting.

2 The annual meeting of the subscribers for the election of Directors shall be held on the first Tuesday of February, in each and every year, in the Directors' Room in said Hospital, at the hour of three o'clock p.m., at which meeting two subscribers present shall be appointed to inspect the ballot; and every person voting at said election shall personally and then and there appear, and deliver to aforesaid Inspectors a ballot, containing the names of the persons he is desirous of voting for as Directors, and the number of votes he gives to each candidate; and the Inspectors shall deposit in a box all ballots so delivered, and shall insert the names of the persons so voting in a poll-list, kept by them for the purpose; and when the poll of such election shall be closed, the Inspectors shall count the said ballots, and shall openly declare to the meeting the names of the persons who shall be found to have been elected by the majority of the votes, and shall deliver a certificate thereof to

the Secretary, who shall forthwith communicate the same to the persons elected.

3 The Secretary shall immediately after the election give notice in writing to the Directors elected, and to the Directors for life, requiring them to meet on the first Tuesday of the following month in the Directors' Room in said Hospital, at the hour of three o'clock p. m. ; and at the first meeting thus held under the charter, the Directors present shall choose from among themselves a President, Vice-President, a Secretary, and a Treasurer, who shall respectively remain in office for the period during which, according to the order of retirement, they shall be entitled to remain in office as Directors, except in the case of a Life Director, who may be elected to any of the said offices, when the period of office shall be for two years only ; provided always that any such President, Vice-President, or Director, Secretary or Treasurer shall be eligible for re-election at the expiration of his term of office ; provided, also, that the said Secretary or Treasurer may be removed, before the expiration of his term of office by the votes of a majority of the said Directors, for misconduct or the unsatisfactory discharge of his duties.

4 At the meeting thus held, after each annual meeting, the Directors shall fill up any vacancy or vacancies that may have occurred in any of the aforesaid offices, and also appoint the Medical Officers for the current year.

5 The Directors elected shall declare, either at their first meeting after their election, or by letter addressed to the Secretary, at least one day previous to such meeting, whether or not they are willing to act in their office, otherwise their election shall be void.

6 In case the number of the elected Directors shall at any time, by death, resignation, absence from three monthly meetings, and not appearing at the third to account for such absence, neglect of duty, or refusal to act in their office, be less than twelve, the deficiency shall be made up at the following monthly meeting after such vacancy as aforesaid, by the vote of the Directors for the time being.

7 In case of the death, resignation, or absence for six months from the Hospital or meetings of the Board of Directors of the President, Vice-President, Secretary or Treasurer, it shall be lawful for the Board at a regular monthly meeting to declare the office held by such Director to be vacant, and at the next monthly meeting to elect from among their own number a director to fill the office or offices so declared vacant.

CHAPTER III.

Of the Directors.

1 A monthly meeting of the Board shall be held in the Directors' Room in the Hospital on the first Tuesday in each and every month, at the hour of three o'clock p.m., except the month of February in each year, and on special occasions, when notified by the Secretary. Five members, including the President or Vice-President, shall constitute a legal meeting, and shall be competent to transact all business relative to the Institution, in as far as they are authorized by the Charter or Amended Charter of Corporation.

2 The Directors for life, together with those elected, shall on the first monthly meeting held by them after the annual meeting in each and every year, choose by ballot out of their number a Committee on Finance, to consist of five members, whose duty it will be to audit, inspect, and approve all accounts coming before the Board for payment, the Secretary to be *ex-officio* a member thereof. They shall also in the same manner choose from their own number a Supply Committee, consisting of five members, whose duty it shall be to order and inspect all supplies required for the equipment and maintenance of the Hospital between the monthly meetings of the Board, the Secretary to be *ex-officio* a member thereof.

3 The Directors, at their first meeting as aforesaid, in each and every year, shall elect, by vote, and not by ballot, ——— Medical officers to be the Attending Physicians for the year, which election shall be conducted in the following manner, viz: The President, or in his absence the Vice-President, shall openly submit the names of all persons applying for the position of

Medical officers, whose election shall be decided by the majority of the votes of those present.

4 The Directors shall have the power at any monthly or Special Meeting called for that purpose, to appoint by ballot or otherwise such officer or officers, and fix their salaries, as they may at any time find necessary for the management of the Hospital.

5 They shall also appoint a Steward, and a Matron or House-keeper, and fix their salaries, who shall respectively remain in office during pleasure, or so long as they continue to discharge properly and satisfactorily the duties thereof.

6 They shall admit, under reasonable conditions, Protestant clergymen and the relatives and friends of patients to see and communicate with them.

7 They shall permit religious service or worship, or Scriptural or other proper readings to be held at such times, to such patients, and on such conditions as may be found convenient or expedient; but in no case shall any interference be allowed by any one with the religious faith of any of the patients.

8 The President, or in his absence the Vice-President and the Secretary, may at the request of two Directors, summon and call together by letter from the Secretary, at any time, the Directors of the Corporation for the time being, giving them at least one day's notice thereof, and intimating the purposes of the meeting.

9 Two of the Directors shall, in rotation, visit the Hospital at least once a week, and shall enter their names in a book, with such observations relating to the Institution as they shall think necessary.

10 If any officer, the Steward or the Matron, shall at any time become unfit to perform the duties of his or her office, or shall misdemean himself or herself in his or her office, it shall be the duty of any Director or officer of the Institution acquiring a knowledge thereof to make known the same in form of a complaint to the President, or in his absence to the Vice-

President, who shall cause the Secretary to summon a meeting of the directors, at a time to be appointed by him, and to give notice to the party or parties complained of, with a copy of the charge or complaint, and to the party or parties complaining; and the Directors shall, at such meeting, after hearing both parties, remove by ballot or otherwise, if they find sufficient cause, the person or persons complained of, and until the complaint is thus examined into and disposed of as aforesaid, the Visiting Directors for the week in which such complaint shall have been preferred, shall have power to suspend the Steward or Matron, or other servants, from the exercise of his or her office, if they deem it essentially necessary.

11 It shall be the duty of the Directors at each of their monthly meetings to enquire strictly into the domestic economy of the house, to order all things requisite for the same, to enquire into the conduct of the officers, Steward, Matron and servants, and to enforce all necessary attention to economy, cleanliness, and good behaviour, to order all repairs, to oversee and control everything connected with the management of the Hospital, and to order payment of accounts that have been audited by the Finance Committee, which shall be done by cheques on the Treasurer, signed by the President, or in his absence the Vice-President, and one Director, and countersigned by the Secretary.

12 They shall in like manner sign all orders given to the Steward or Medical officers, for the purchase of stores or medicines, &c., required for the Hospital.

CHAPTER IV.

Of the President and Vice-President.

1 The President, or in his absence the Vice-President, shall preside at all meetings of the Directors of the Corporation, or in the absence of both, the Directors present shall appoint one of their own number, who shall act as chairman for the time being.

2 At all meetings of the Directors every person shall, in speaking, stand up and address himself to the President, who

shall submit all questions; and if a difference of opinion shall arise on any question, such question shall be fairly stated by the President, and shall then be determined by ballot (if two Directors require it); and if in any case the votes be equal, the President shall have the casting vote.

3 The President shall not refuse to submit any question, nor shall he dissolve or adjourn any meeting without the consent of a majority of the said meeting, until the business thereof be finished.

4 The President, or in case of his absence, the Vice-President or Chairman for the time being, shall have charge of and affix the Corporate seal to such documents as he may be instructed to sign and seal by vote of the Board.

CHAPTER V.

Of the Treasurer.

1 The Treasurer shall give such security as may be required by the Directors for the due accounting for, and payment of the money which he shall from time to time receive for the use of the Hospital.

2 He shall have the custody of all bonds, title deeds, documents and other papers relating to the property of the Corporation.

3 He shall also receive all monies belonging to the Corporation, and shall keep the said moneys in such chartered Bank as the Board of Directors shall direct, and pay out the whole or any part thereof on written cheques, as already provided for, but not otherwise.

4 He shall keep his accounts in such manner as he shall from time to time be instructed so to do by the Directors.

5 He shall deliver to the Secretary six days at least previous to the Annual Meeting of the Subscribers, held on the first Tuesday in February in each and every year, a full statement of all his accounts, with the Vouchers for the preceding year, to be laid before said annual meeting; he will also present a statement of his receipts and disbursements at each and every monthly meeting of the Board for the preceding month.

CHAPTER VI.

Of the Secretary.

1 The Secretary shall attend at all meetings of the Directors, and annual meetings of the subscribers, take minutes of the proceedings of each of those meetings, and transcribe the same into a book.

2 He shall at each meeting, as aforesaid, read the proceedings of the former meeting.

3 Through him all communications, of whatsoever nature, shall be made to the Directors, and by him from the said Directors to the public, or any department of the Hospital.

4 He shall publish in such of the city papers as will insert the same gratuitously, the names of the Visiting Directors, clergymen and medical officers for the week.

5 He shall furnish the Directors at the annual meeting of the Subscribers a report of their proceedings during the past year.

6 One day previous to each and every meeting of the Directors, it shall be his duty to send notice of the time and place of such meeting to each Director, stating the purpose of the meeting.

7 He shall summon the Directors to attend all meetings as before provided, and also notify weekly Visiting Directors and clergymen in their due rotation.

8 If an extraordinary meeting be appointed to consider any charge or complaint against any Director or officer, the Steward or Matron, he shall give notice thereof in writing, with a copy of the said charge or complaint to the party or parties complained of, and to the party or parties complaining.

9 He shall, seven days before the annual meeting of the Subscribers for the election of Directors, hang up a notice in their Hall, stating therein the names of the persons qualified to be elected, as well as of those who are qualified to be the electors.

10 The Secretary shall lay on the table in the Directors' Room at the monthly meetings the journals or minutes of their

proceedings, the case book of the attending Medical officer, or Surgeon, if there be one; the book containing the minutes of the Weekly Visiting Directors, and other documents relative to the affairs of the Corporation, which they may require.

11 He shall receive the receipts granted by the Treasurer to Subscribers for money paid him for the use of the Hospital, and in lieu thereof he will deliver to the Subscriber a blank form of admission for indigent non-pay patients, filling up the first blank therein with the amount paid by such Subscriber, and stating the number of non-pay patients such subscriber is entitled to recommend for admission.

CHAPTER VII.

Of the Steward.

1 The Steward shall purchase, under the direction of the Directors, fuel, provisions, and all other stores for the use of the Hospital, except medicines and medical stores, and shall be accountable for the same.

2 He shall keep pass-books, into which shall be entered all articles purchased from those tradesmen with whom the Directors may open accounts; and for all other articles, he shall obtain bills of parcels; all of which he shall lay before the Directors at each of their monthly meetings.

3 He shall keep in books provided for that purpose an account of all stores brought into the Hospital, and shall not deliver any stores under his charge, unless on a requisition from the Matron, entered by her in a book provided for that purpose.

4 He shall keep a book in which he shall enter each patient's name, with the diets and other extras furnished him or her while in the Hospital, and then transfer the same to a general account to be opened in said book against the Directors, and furnish the Board monthly with a copy thereof, together with all monies received by him during the previous month from patients, or from any other source, for the use of the Hospital.

5 He shall also, in a book provided for that purpose, enter

6 He shall give timely notice in writing to the Directors when any of the stores are nearly expended.

7 He shall on the admission of a patient take an inventory, in a book to be kept for that purpose, of his or her clothes and other effects, shall order the clothes to be purified, if necessary, and shall be accountable for the safe delivery of the same to the patient on leaving the Hospital, or, in case of death, to any person whom the Directors, through the Secretary, shall authorize to receive the same; provided that if the clothes of any patient be in such a state as to render it necessary that they should be burned, it shall be done, if sanctioned by the Attending Medical officer.

8 He shall keep in a book for the purpose an account of the servants' time and wages, and pay the same when ordered by the Directors.

9 It shall be his duty to take care that every part of the premises, without and within the Hospital, be kept in proper order.

15 As soon as the body of a Patient, dying in the Hospital, is laid out in the dead house, it shall be the duty of the Steward to see that the body be safely kept there, until delivered for interment, or to such authorized party as the law may direct, and he shall be responsible for the faithful execution of his duty.

16 Every patient admitted into the Hospital shall be considered as being placed religiously in the sole charge of the clergyman of the denomination to which he or she belongs at the time of admission, and the Steward shall, when requested by any patient, send immediately in writing for such Protestant clergyman as he or she may desire.

19 He shall not employ any indoor servant other than a Protestant.

20 He shall not admit any non-pay patient or patients into the Hospital, unless the certificate of admission is signed by the Secretary, certifying that the party recommending is a paid-up Subscriber, and entitled to recommend such non-pay patient for admission ; this clause not to apply to emigrants of less than one year's residence in the country, or to cases of emergency.

3 Individual subscribers, clergymen (making collections in their churches), municipal corporations, and lodges, subscribing and paying for the current year the sum of five dollars, will be entitled to recommend one indigent sick non-pay patient for admission into the Hospital; subscribing and paying ten dollars, will be entitled to recommend two; subscribing and paying fifteen dollars, will be entitled to recommend three; subscribing and paying twenty dollars, will be entitled to recommend four; and so on in proportion.

4 That any person giving a donation of one hundred dollars shall be considered a life subscriber, and shall be entitled to present one non-pay patient annually, or shall be considered for the same amount an annual subscriber, with the privilege to present ten patients for admission during that year.

5 In all such cases, it shall be the exclusive prerogative of the Medical officer to judge if the person or persons so presented or recommended, be laboring under such disease as is admissible into the Hospital, according to the By-Laws of the Corporation.

6 Subscribers residing at a distance from Ottawa, desirous of recommending non-pay patients for admission into the Hospital, will require, in addition to the Secretary's certificate, to get a certificate from a Clergyman, Physician, Reeve, Deputy-Reeve, or Magistrate of the Township, Town, or Village, in which the intended patient is resident, certifying that the patient is personally known to such Clergyman, &c., and is in indigent circumstances, and unable to pay any sum per week for board, lodging, and medicines, while in the Hospital, that would be otherwise charged.

11 Subscribers and others recommending pay or indigent non-pay patients for admission into the Hospital, will be held responsible for four dollars for the funeral expenses, should such patient or patients die while in the Hospital; and also for the washing and other extras ordered by the Attending Medical officer, to be given to such patient or patients during

their stay in the Hospital. But as special cases may happen when a deviation from this By-law may be necessary, the Visiting Directors for the week, in conjunction with the Secretary, are hereby authorized to dispense with it in such cases.

12 The foregoing shall not apply to emigrants not resident over twelve months in the country.

13 A Male and Female ward shall be devoted to Lock-ward cases; patients shall not be admitted into the Lock-wards as non-paying, but each and every lock-ward patient shall pay not less than four dollars per week, payable weekly in advance, exclusive of extras as aforesaid; and if not specified in the certificate of admission that he or she be a lock-ward patient, then the Attending Medical officer shall send back such patient to the person recommending the same, with the word "Lock-ward" written on the certificate; and if the person recommending shall renew the recommendation, he shall be responsible for the Hospital dues for such patient. No lock-ward patient shall be admitted into the common wards.
