Here is a hearty greeting for another Christmas season and here also is our announcement for another period of EXTRA LOW PRICES. The people within trading distance of Bristol have learned to look forward to the PHILLIPS' SALES with great expectations knowing that when we determine to reduce stock and raise money we are not going to haggle long over the prices. During the next four week this store will be a dangerous place to bring a pocket-book that is if you love your money more than you do the genuine snapping bargains we shall offer during December.

We are well aware that the buying capacity of the people is not what it used to be in the velvety days of 1919 and 1920. Those were the days! But money so easily obtained was the ruination of many. Young people just starting life on their own got the false idea that such good times as then existed would follow them all the days of their life. With all of us there was a wild frenzy of crazy spending and, although times were never so good, it is a fact that none of us saved as much money during that period of affluence as we did when days were not so good, and so the bump of landing on the hard old earth again rather takes away the breath and for the time crushes the buying spirit.

Now look friends; if you can forget that potatoes were ever \$12 per barrel, if you can forget the golden days of 1919 and 1920, if you will but compare the conditions of to-day with those of ten years ago you will find prices of the stuff you have to sell average 100 per cent greater. So cheer up!

Unmistakeably money is tight, no one knows it more than we do. We want to encourage free buying, however, and we are willing to turn over goods on the slenderest profit than we can do business on and help you to stretch your dollars so that they will cover 125 to 150 cents worth of value at our store.

Every day in December is a bargain day—an extra bargain day. See the special offers on this page. Watch for new values each week. The early buyer gets the most for his money and the best choice.

A. W. PHILLIPS.

SINCE OCTOBER 1 WE ARE DOING A  
**STRICTLY CASH BASIS**

and will sell no more goods on CREDIT after that date. All kinds of Produce will be accepted same as Cash.

Every REASONABLE and SENSIBLE person knows that in the long run this will be much better for BOTH my CUSTOMERS and myself for I can sell my goods MUCH CHEAPER and yet have more clear profit, as it will save the big expense of Book-keeping and Book-keeping supplies, cost of making out accounts and mailing them, and the BIGGEST LOSS of all, in BAD DEBTS and loss of interest on overdue accounts.

Further arguments in favor of the Cash System is unnecessary as EVERY ONE KNOWS we can SELL CHEAPER for CASH than on Credit and we are going to do so. Watch for ANNOUNCEMENTS of SPECIAL CASH SALE prices later. We will prove that we will SAVE YOU MONEY.

**"Do Your Christmas Shopping Early"**

Perhaps we are a little early with the slogan, "Do Your Christmas Shopping Early," but we are going to make a suggestion to you. Now, honest in-jun, we feel real diffidence, real bashfulness, about making this suggestion: "It kind of sounds, we feel, as if we were cracking ourselves up. Well, here goes. We'll blurt out the news.

During the last week, nearly every commodity in the grocery line Advanced. Tea for one thing advanced ten cents per pound. Having a **HEAVY STOCK OF GROCERIES** on hand and en route I will still sell at the old prices. So I make the suggestion, **SHOP EARLY.** Am unloading a consignment this week of **FIVE CROWNS FLOUR**

This flour is ground from the best Manitoba hard wheat and has to make good as we sell it under a positive guarantee. Your money back if not satisfied.

I have sweet **APPLE CIDER** for your mince-meat. **CITRON, ORANGE and LEMON PEELS**, in fact everything good for Christmas.

Oh yes, I nearly forgot, I have a lot of

**HEAVY UNDERWEAR**

for men that will be sold cheap. It will wear like a woman's tongue.

Remember, that under our principle of selling for CASH or PRODUCE ONLY—the pay-as-you-go principle—we have been able to sell cheaper, turn our goods over quicker, and take our cash discounts, all of which advantages we pass on to YOU, our customers. The result is that we are doing MORE business for CASH this year than we did last year for CREDIT. Get the habit of BUYING FOR CASH. The jingle of real money works like magic in our store.

### EAST FLORENCEVILLE

Miss Nina Williamson entertained a party of young people at her home last Friday night. A very pleasant evening was spent in games, music and wasting marshmallows.

Wilbur Smith and Bert Bell are away to Millbrook to secure some machinery for their lath mill which will soon begin operations.

Jay Dow is beginning work this week in the lath mill.

There is quite an excitement in the village over the gold mine which was recently discovered in this locality and many of the citizens are staking claims all over the section in hope that it will make them independent of potatoes which seem to be such an unprofitable investment.

A very interesting social evening was spent last Thursday at the home of Mrs. James McIsaac under the auspices of the Women's Missionary Aid Society of the Baptist church. A program consisting of readings and music was rendered by Mesdames Trafford, McIsaac, Miss MacKay, Lorne Simon, Ruth Boyer and Harold and Laura McIsaac. Leslie Stiles was the successful hunter last week coming in from Miramichi with two good sized deer.

Geo. Knight of St. John, Maritime representative of Crowhurst & Co. of Toronto, has been spending a few days around this section and in the evenings accompanies Rev. I. W. Williamson to Bristol to assist in the special meetings which are going on in that village.

Mrs. E. W. Saunders went to St. John on the Saturday afternoon express accompanied by little Nada Nichols whose father is placing her as a boarder in the Protestant Orphan's Home.

On account of the special meetings in Bristol all services in the United Baptist church for the next few Sundays will be held in the morning at 11 a.m.

### Florenceville Facts

The many friends of Miss Doris Peters will be sorry to learn that she went to the hospital in Woodstock on Wednesday as a patient. Miss Pet-

### BATH BREEZES

The young people greeted with hilarious shouts the advent of "Jack Frost", which afforded them enjoyment on the lake. What the town needs now is a rink, and many enterprising citizens, who have the enjoyment of the public at heart, are contemplating building one in the near future. We hope that they will receive co-operation from all.

The many friends of Josephine Commins, gathered at her home on Monday where they spent a pleasant evening with the very agreeable young hostess.

Hon. Thomas W. Caldwell spent the week-end with his son, Edward.

A paper shower was tendered Mr. and Mrs. John Commins, it being the second anniversary of their marriage.

Mr. and Mrs. Murdoch MacKenzie of the Miramichi spent the week-end with friends.

Miss Annie Murphy has returned home from a visit to Grand Falls. She was accompanied by her niece, little Miss Marcella Rielly.

The ferry has ceased running, making it impossible for the farmers of Wicklow to market their produce. Notwithstanding the necessity of a bridge connecting these two parishes, our several petitions to the Government have remained unheeded. We hope at the next meeting of the legislature this matter will be looked into as it would be an accommodation to the public and would furnish employment to many needy laborers.

Announcements have been received of the marriage of Harry E. Kennedy, formerly of this town, now of Washington, D. C., to Miss Alice Cora Baber, of the same city on Oct. 23.

The Women's Institute, which has done so much for the school and town, expect to present a comedy—"Comical Country Cousins". We hope that it will be well patronized as in the past. Date, Dec. 29.

## WOODSTOCK NOTES

Carleton County Agricultural Society No. 41 came through this year with flying colors. After all expenses are paid a nice surplus of several thousand dollars is left to apply on the debt on their extensive plant on Connell Island. Under the efficient management of R. F. Armstrong the Exhibition was a great success from every point of view. This result was made possible only by the hearty co-operation of the directors and the manager. The exhibition next year will be held as usual, the second week in September and is confidently expected to be bigger and better than ever.

At their meeting held last week several matters of importance were discussed, among them the payment to the Government of nearly \$1500 in Amusement Tax. In several of the other Provinces and in State of Maine the Government does not exact any tax from Agricultural Societies and a strong resolution was carried recommending that the Government do not collect amusement tax from Agricultural Exhibitions. Another resolution was passed protesting against the request of the Farmers and Dairy-men's Association asking the Government to deduct \$5 from the grant to Societies that do not send delegates to their annual meeting.

R. F. Armstrong is attending the first meeting of the Canadian Fair Management in Toronto this week. One of his tasks will be to try and have pressure brought to bear on the Federal Government to change their regulations about grants for prizes at the Fairs. It is now necessary to have a 6500 prize list before receiving any Federal aid. This is considered too large for the ordinary shows and a change to a percentage basis is to be requested. The books of the treasurer and manager are to be audited by P. Blanchet, official accountant of St. John.

Horsemen are waiting for the good, cold weather to try out their speeders on the ice. Lucky Strike and Sis Peters are both owned here yet and it takes some horse to beat them on the ice. J. W. Gallagher has purchased a three-year-old colt from the Chatham, Ont., College Farm. He is well bred and reported handsome enough to go to Madison Square Show. The Driving Club are looking for a pacer to compete with the three Aroostook Co. bear cats and there will probably be a few other new ones arrive in town before spring. If potatoes would go up to \$5 or \$10 we would have an island full of horses next spring.

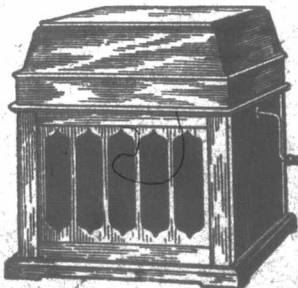

Woodstock's spiritual welfare is well looked after at present. We have at least eight regular churches and Salvation Army. Then there are two sections of Holy Rollers and the Primitive Baptists are holding meetings. Evangelist Foster of Fort Fairfield is holding special services in the Reformed Baptist church. Two of our local banks have refused to accept the offer in respect to taxes made by the Town Council. One bank is protesting the payment of this year's taxes. It looks to a poor layman as if banks could not be taxed too much when one has to pay at least 75 cents for a few days obligation and 7 per cent for the best secured loans. However, that is only one side of the question and we must acknowledge that banks are a great convenience and the business of the country could not be successfully carried on without them.

## MISS ETHEL JARVIS SPOKE IN LAKEVILLE

The district of Lakeville was visited by Miss Ethel Jarvis, provincial secretary of the Red Cross, where she spoke Friday evening to a packed house. The members of the Orange Order, who have been most sympathetic with the movement since its inauguration, loaned their large hall free, as usual, and all the representative people of the countryside were in attendance.

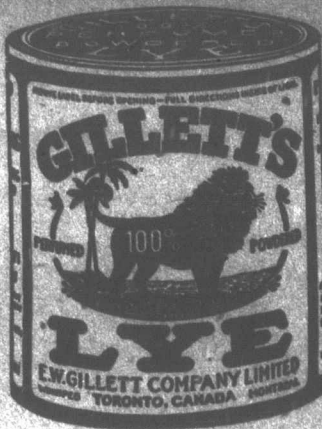

Harry Carvell, brother of the Hon. F. B. Carvell, took charge of the lantern, from which sixty slides were shown, and he was assisted by Eugene Morse. The interesting lecture of Miss Jarvis, outlining the work of the Red Cross and the efficiency of its local branches, brought a splendid response and has resulted in the campaign being launched today.

Mrs. L. Foster, president of the local branch presided at the meeting and presented the hearty vote of thanks that was extended to the speaker by members of the audience, who belong to Lakeville, Miss Jarvis was the guest of Dr. and Mrs. Stanley Wright. She was charmed with the place and the comfortable homes, which are everywhere in the garden of New Brunswick.

Photographs and Records, Picture Framing and Enlarging, White Light Burners, Aladdin Lamps and repairs, Hymn Books, etc., all to be had at Henry Seeley's, Somerville, across the river from Hartland. Please call or send as my health has failed, so I cannot travel.

You will find a line of my small articles, such as Mendels, Burners, etc., at the Farmers' Store.

## AROOSTOOK VIEW OF SITUATION

Present Condition Not So Serious As in Aroostook but Recovery Likely Slower

The Presque Isle Star Herald reviewing the conditions of Canada in general and New Brunswick in particular, says:

Our good neighbor Canada has more or less troubles of its own. It appears to be on the right side of the financial ledger at the present time only when it comes to the liquor question. Volstead Prohibition is a goose that is laying golden eggs for the Dominion, in confirmation of which Quebec is \$5,000,000 to the good by reason of the revenue it reaps from this source. But averaging things up over in New Brunswick, the farmers there appear to be slipping back into the relatively unfavorable position they held years ago, when they were barred from the American markets, and when in comparison with Aroostook, farming was so unprofitable there that farm values shrank to a low figure, there were few buyers at any price, and they had a constant exodus from New Brunswick to Aroostook, made up of those who were able to sell their farms and emigrate.

Just now, and temporarily, it is a toss-up whether New Brunswick farmers are better or worse off than their brethren on this side of the boundary. There is not the inflation of values there that there is here, the reaction from good times to bad times is not so much in evidence in foreclosures and sheriff's sales, and there is not the amount of indebtedness there that there is here. But the potato, which lured Aroostook into speculation and extravagance in the years of fantastic prices, and which is giving every section which was tempted into the potato raising game, no end of trouble just now, has cast its baleful shadow over the New Brunswick farmers, and on account of the almost prohibitory tariff in the bill just enacted, he is likely to continue in the shadow.

Aroostook will emerge from the shadow, because of the practical certainty that the West, which has been tempted into potatoes, and has become a big competitor of the East, after such a starvation price experience as it is having this year, will largely decrease its spud acreage next year and resume grain raising. But the New

Brunswick and other grain raising sections of Canada will be a handicap by the 65 cents a barrel duty that they will not be able to complete with American potato raisers, and the outlook for them in the potato raising game is gloomy.

Just at the present time Canada is worrying over another matter, and that is the possibility, unless the Canadian duty on lumber is repealed, of losing the American lumber market, as the recently enacted tariff bill provides that unless Canada repeals her duty on American lumber, a high duty on Canadian lumber will go into effect automatically, thus putting up the bars against Canadian forest products. On the whole, New Brunswick and other portions of the Canadian West, agriculturally speaking, are by no means on an easy street just now, and while Aroostook is wallowing pretty badly in the financial slough, its prospects in the long run seem to be better than those of the farmers across the line.

## FALL OVER

The Fall is over altho' Winter is here and next will be Christmas. I want to remind you that I have as good or better range of goods for the Christmas Trade than ever before, and all will be on display by the time that you read this if possible to find room without interfering too much with regular business. So you can look them over. In case you cannot find anything or all you want you will have plenty of time to go further or send away.

We may have bought too much and if so that is our loss, but the goods were all ordered early and in good faith and when we order goods we cannot afford to break faith and cancel orders. I know every one will have provision made for an occasion like this and especially to buy something for the children. We know about the millstone—"It weighs one of these little ones."

We have just received a fresh supply of dried fruits and shelled nuts, so with the Fall-Over in price—you need not hesitate to buy anything you need from now on.

Three years ago, I consulted one of the best specialists in Montreal. He said I must go to the hospital, have an Ulcer cut out of my stomach and gall stones removed. I was then 74 years old. I said "NO."

Then, I began to take "Fruit-a-lives." I found they helped me a lot, and I still take them occasionally, and I am so much better that my old friends often ask me what I have done to myself to look so well. I am gaining in weight and enjoying life very much."

CARIBOU NEWS

We Caribou friends of The Observer enjoy every page of it. We like to read the ads of the business men that mean business and best of all the local and personal items. We just wonder if our province friends would like a bit of news from the upper end of the county of Aroostook.

Well, potatoes are a drag and a misfortune this year. The more you have of those blessed spuds the worse you are off.

Some of the farmers fear if they keep on raising them it will be "get off" for sure and out of business. But we are looking for the new year to make a change, especially when the potato growers' association gets organized and gets to work. We all feel sure it is a good thing for the farmers.

The Northern Pamoona Grange met at Maysville hall Oct. 12 in regular session with Master Henry McGlaulin in the chair.

The Houston term of Court is now in session.

We are looking forward to Thanksgiving day, Nov. 30. Expect a big crowd of skaters on the Caribou Lake.

Mr. and Mrs. Joe Roberts will make a big Thanksgiving dinner. They have invited Mr. and Mrs. Wesley Roberts, Mr. and Mrs. W. H. Campbell of Caribou and Miss Stella Dinsmore of Presque Isle.

The new bridge on Main street in the village of Caribou is complete. It is a grand structure. Come and see it.

CHARLES WALLACE

The very sad death occurred on Nov. 24 of Charles H. Wallace at his old home at Cloverdale in the 77th year of his age after about seven weeks illness. He leaves to mourn his sad loss a sorrowing wife, two daughters, Mrs. Samuel Barker of Andover and Mrs. Daniel Coughlan of Hartland, seven sons, George A. Jacob O. Joe H. Minto W. all of Cloverdale, Chester H. of Maguadavie, York Co., and Benjamin S. at Cross Creek, York Co.; two sisters, Mrs. Herbert Moore of Woodstock and Mrs. Elizabeth Walker of St. John; one brother, Alexander, of Teed's Mill, his brother Samuel of Woodstock just survived him three days. He also leaves twenty-eight grandchildren besides a large circle of relatives and a host of friends.

Mr. Wallace was highly esteemed in his community and will be missed by those who knew him. He was born in Queen's county coming to Cloverdale over thirty years ago when it was a vast wilderness. He was one of the pioneers, starting right in the

green woods and living in a log cabin. He was blessed with good health, a good wife and a good and very industrious family who have made their mark, and what Cloverdale is today it owes largely to Charles Wallace.

The funeral which was very largely attended was held in the Cloverdale church, Rev. H. V. Bragdon officiating. A. F. Campbell of Hartland also took part in the services. Seldom have we seen so many mourners at a funeral. Burial took place at the Cloverdale cemetery. The large concourse of people in attendance spoke of the high esteem in which the deceased was held.

## JAMES BROOKS

On November 22 at Fisher Memorial Hospital James Brooks died at the age of fifty-nine. He is survived by two sisters Mrs. George Howe of Mill Settlement, Sunbury County, and Mrs. Alice Weade of Woodstock. He also leaves seven children, Mrs. Jenkins of Riverbank, Mrs. Guy Murphy of Newburg, Arthur of Middle Simonds, Effie, Alice, Alfred and Joseph at the home in Riverbank.

The funeral was held at Riverbank hall Rev. H. V. Bragdon officiating. Singing was appropriately rendered by the Florenceville choir. Hon. B. F. Smith conducted the funeral and also made some remarks. Interment was made at the East Florenceville cemetery. The bereaved family have the heartfelt sympathy of their many friends.

## SAMUEL WALLACE

Samuel Wallace, Woodstock, died at his home on Sunday morning of hardening of the arteries, age 66 years. He leaves a wife, five daughters, Mrs. Herbert Dickinson, Hartland, Mrs. Kenneth Drake, Avondale, Mrs. Guy Williams, North Anson, Me., Miss Della a graduate nurse, Lewiston Hospital, one son Ora at home, two sisters, Mrs. James Walker, St. John and Mrs. Herbert Moore of Woodstock.

The funeral was held on Tuesday afternoon, conducted by the Rev. L. E. Ackland.

## SASKATCHEWAN WOMAN RECOVERS

Found Health by Taking Lydia E. Pinkham's Vegetable Compound

Melaval, Saskatchewan.—"I saw Lydia E. Pinkham's Vegetable Compound advertised for women's troubles and when a friend recommended it to me I tried it and it has done me so much good in the two years in which I have been taking it that I find I am a different woman since then. I recommend your Vegetable Compound as much as I can and you may use my letter as a testimonial."

—Mrs. WM. J. THOMAS, Melaval, Saskatchewan.

These letters recommending Lydia E. Pinkham's Vegetable Compound ought to convince women of the great worth of this medicine in the treatment of ailments to which they are often subject.

Mrs. Thomas writes that she is a different woman now. If you are suffering from troubles women often have, or feel all run down, without any ambition or energy for your regular work, take Lydia E. Pinkham's Vegetable Compound. It is a natural restorative and should help you as it has Mrs. Thomas and many, many other women.

This medicine has been helping sick women nearly fifty years—surely a long record of service.

## LOCAL AND PERSONAL ITEMS

Mrs. Crone died at her home here  
on Friday, after an illness lasting  
for some time. The deceased was  
nearly eight years of age, was formerly  
Miss Hawkins, and is the last of  
several brothers and sisters. Her late  
husband, Matthew Crone, has been  
dead for a number of years. She is  
survived by four sons, James, Harry  
and Charles, all of Centreville, and  
Wesley of Plaster Rock, and a large  
number of relatives just a bit more  
remote. The funeral was held from  
her late home on Sunday and at the  
Baptist church of which body she had  
been a consistent life long member.  
Rev. H. R. Bell conducted the services.  
Interment was made in the family lot.  
On Sunday David Irvine, our most  
venerable citizen, welcomed a number  
of guests who called to extend felicitations  
to him for having passed his  
91st milestone. Mr. Irvine certainly  
looks more robust and youthful than  
lots of men 20 years his junior. On  
Saturday evening his daughter Addie  
entertained a party of near friends to  
dinner for his pleasure. The venerable  
gentleman looks as though he  
might easily make the century mark,  
barring no misfortunes.

Mrs. F. Joe Estabrooks received the  
first time since her marriage on Wed-  
nesday, and Thursday of last week.  
She was assisted in the several duties  
attendant upon such a function by her  
sister and several of her local friends.  
Her sister, Miss Bacon, returned to  
St. John on Saturday morning.

Dr. Murray and Miss Marguerite  
Campbell of Presque Isle spent Sunday  
with Mrs. B. W. Campbell.

Miss Marion J. White, R. N., has ac-  
cepted a position in a Boston hospital  
and will leave shortly to assume her  
duties.

A number of commercial men en-  
joyed the genial hospitality of the  
Kennedy House over the week-end.

Miss Hilda Wilson of Lakville  
spent Sunday with the Misses Faye  
and Daisy Barr.

On Monday evening while engaged  
in splitting up some kindling wood,  
Amos Downey had the misfortune to  
slip off the end of his index finger.  
J. C. Stevens entertained a number of  
his friends at his home on Thursday  
evening, on the occasion of his birth-  
day anniversary. The guests spent  
the evening pleasantly at bridge and  
in the consuming of a line up of de-  
licious eats.

On December 3, Rev. H. R. Bell will  
preach as follows: Centre, 11 a.  
m.; Lakville, 3 p.m.; Good Corner,  
7 p.m. All are cordially invited.

Mr. Webster of Fredericton spent  
part of last week here, making prepa-  
ration for the beginning of his minis-  
terial work near town. No settlement  
has been made of the property, which

consists of several acres of carbonate  
of lime lying in what is known as the  
Johnston swamp. This is a particu-  
larly rich deposit, of the consistency  
of putty, varying in depth from two  
to twelve feet and is composed of 88  
per cent soluble calcium carbonate,  
the remainder being organic matter,  
which will prove a wonderful tonic to  
some of the tired acres of farm land  
in this vicinity.

A large congregation listened with  
rapt attention to the discourse given  
by Rev. M. L. Orchard in the Baptist  
church on Sunday evening. His sub-  
ject, which he knows like his A. B. C's  
was the foreign mission work of the  
Baptist denomination, whose effort is  
restricted to Central Bolivia and a  
strip of coast line along the East of  
India.

Mrs. James Schooler of Easton Cen-  
tre, Me., will spend the winter months  
with Mr. and Mrs. Fred Porter on Mill  
Street. Mrs. Schooler is a younger  
sister of Mrs. Porter. The latter  
lady's health has not been quite up to  
normal for the past year or two.

On Wednesday night of last week  
we were treated to a picture "The  
Barbarian", featuring Jane Novak and  
Munroe Sallabury. This was a pic-  
ture with good spattering of business  
intrigue, most of the scenes being laid  
among the mountains of the Canadian  
West. The hero, although a child of  
the wilderness, had been well schooled  
and trained by his father, an ex-col-  
lege professor, which early training  
stood him in good stead against the  
machinations of shrewd capitalists.  
The two real comedies for the evening  
was "Rube" and "Romance", a bur-  
lesque on the doings around a country  
store. Saturday evening saw Buck  
Jones in one of his very best pictures  
"Straight from the shoulder." The  
plot was laid in several sections of  
the Pacific coast, ending up in a min-  
ing town of Peaceful Valley, which  
town proved everything but peaceful.  
Two or three bonny fights were staged  
before the completion of the picture.  
A Fox News reel of fairly recent vin-  
tage proved most interesting and in-  
structive and whetted the patrons'  
appetite for more of the same sort.

Wanted—Some person to yard, saw,  
and pile a small quantity of peeled  
pulpwood on the farm a few years ago  
occupied by Rennie O. Rockwell, and  
to haul this pulpwood with about 10  
or 12 cords already saved and piled  
to Centreville. Will pay the usual  
price for yarding, sawing and piling  
and a price agreed upon for hauling  
per cord. In getting this pulp there  
might be some down wood that could  
easily be saved and piled for fuel, for  
which arrangements could be made.  
Louis E. Young, Woodstock, N.B. 25th.

### ANNIVERSARY AT BATH

Mrs. J. T. Commins of Bath, gave  
a delightful whist party at her home

mins, Mr. and Mrs. Matthew Galla-  
gher, Beatrice and Francis Maloney,  
Gertrude Keohan, Kathleen and Jose-  
phine Commins, Bernice Fulton, C. E.  
Gallagher, Robert J. Ryan, Murray  
Kilfoil and Thomas C. Bohan. The  
prize winners were Miss Mame Galla-  
gher, Miss Beatrice Maloney and Mr.  
Murray Kilfoil. Little Miss Marion  
Commings acted as scorer. Many beau-  
tiful presents were received among  
them a check calling for 100 years of  
happy married life. Delightful refresh-  
ments were served at a late hour af-  
ter which the guests departed with  
heartily good wishes for the young  
couple's future happiness.

### LOTTIE MURIEL CURTIS

At Upper Wicklow, Nov. 7, Lottie  
Muriel Curtis, youngest child of Mrs.  
Elva and the late Henry Curtis, passed  
away with double pneumonia. She  
was ill only from Saturday morning  
until Tuesday morning when death  
ended her suffering. She was two  
years old and unusually bright and  
active. She leaves, besides her sor-  
rowing mother, nine sisters and three  
brothers. The sermon was preached  
by Rev. H. V. Braddon, assisted by  
Rev. F. J. Quigg and Rev. G. A. Gib-  
erson and the burial was at Bristol  
beside her father who died two years

ago. The pall bearers were four cou-  
sins of the deceased, Jennie, Mattie and  
Leslie Giberson and Muriel Tapley.

### CARLETON COUNTY CASE DECIDED BY COURT OF APPEAL

In the Court of Appeal on Friday  
last at Fredericton, judgment was  
handed down in the case of Hathfield  
& Co., Ltd. vs. Wooster B. Cronkhite.  
The case was tried at the Carleton  
Circuit Court in July last before Chief  
Justice McKewen and a jury and re-  
sulted in a verdict for the plaintiff for  
\$12,000. The court found that there was  
misdirection on the part of the learned  
Chief Justice on the question of dam-  
ages and ordered the damages reduced  
to \$825 or a new trial, whichever the  
plaintiff would accept, with costs of  
appeal to the defendant. R. P. Hartley  
argued the case before the Court of  
Appeal for the defendant and G. J.  
Jones for the plaintiff.

### Catarhal Deafness Cannot Be Cured

by local applications, as they cannot  
reach the diseased portion of the ear.  
Catarhal Deafness requires constitu-  
tional treatment. HALL'S CATARRH  
MEDICINE is a constitutional remedy.  
Catarhal Deafness is caused by an in-  
flamed condition of the mucous lining of  
the Eustachian Tube. When this tube is  
inflamed you have a humming sound or  
imperfect hearing, and when it is entire-  
ly closed, Deafness is the result. Unless  
the inflammation can be reduced, your  
hearing may be destroyed forever.
