" News of the Day.

Our Constantinople correspondent writes the Russian decree, declaring the capture of ed soldiers, confined in the prison of this via ible sensation in the Turkish capital. Abra. They broke the doar of their room, but were Tunig, with presents and decorations from Their plan seemed to have been to kill all the Sultan for the Pasha of the Regency and who disputed their passage. As they would theo, it was believed, for Ab el Kader, Ahmet have encountered resistance from the three Buy, and the chiefe who had distinguished sentries without the prison, their intention themselves most against the Prench at Con-doubtiess was to seize the arms of the guard last. ists been carried on between the Porte and court, which is in the keeping of one person, On Tuesday the 25th inst. the Court of gypt to the satisfaction, it was said, of both. and thus effect their escape - Montreal Cousatiss, but their object had not transpired -A military college was about to be founded a Constantinople, and the improvement of he nave continued to occupy the solicitude of the Sultan. The plague was fast subsiding .- London Times.

Bombay papers to November 9, have arrived by the Royal George They repeat, that according to further accounts received that according to further account thereof that according to further accounts received that account thereof that accounts and taking a due account thereof that according to further accounts the bount account thereof that accounts that according to further accounts the bount account thereof that according to further accounts that accounts that account thereof that accounts that accounts that accounts that account thereof that accounts that accounts the bount account thereof the form and that accounts the bount account thereof that account thereof that accounts that accounts the bount account thereof th reized by the attendants. The assassin con-made to secure the full benefitlor luture grants. Thomas Sime, Foreman with the had no enmity against Rumtested that he had no enmity against Rumjaun Kaha, but that he had been hired by the things, it is painful to witness the attempts of James B Brown, Nazim's cone, to whom the Minister was offurther confession. The murderer was "san u of our representatives. in two, and burnt to ashes." The Nazim forbieden his sons the court.

LIVERPOOL Monday. On Friday last, at the Police court, Liver-poal two American sailors, named Hanbury

the crew of the ship Powhatten, the mate of which, George W. Maxellan, that offend ed them by determing the chests of certain seame xIV; but not's single statement of that same xIV; but not's single st

them to pass. The mates, who carried thick bludgeons, passed on into Launcedor's-key. In a shortiume they returned into Unionstruct, where they attacked all passengers indicate officers of police in a very dangerous street. Why should be some of the mates, with a pace of isad-shung in a handkerchief, struck a fird, aged about 14 years, with so much violence that he may should be some of police, who behaved with great firmness. The prisoners, on head a danger, changed the firms of the firm and with prevent and unit. Much inthernee was a large grant for opening it.—Ne is strain in faunching, from which they nex fully recover. The Steam Ship Attarta.

The Steam Ship Attarta

REGULATIONS

For the Beem across the River Magaguandaric, and about a strain an faunching, from which they nex fully recover. The Steam Ship Attarta

Capt. Campbell, has just satiled for India, were the faunce as the River Magaguandaric, and the Caps of Good Hope, and about a faunching in the Caps of Good Hope, and about the Caps of Good Hope, Caps of Good Hope, and about the Caps of Good Hope, and about the Caps of Good Hope, and about the Caps of Good Hope, and about with proder and ball. Much Influence was of trial and danger, changed sides and alean- his son, a young boy, on his return. Next suit of the Boom Master. with powder and Diff. and Introduce was used with Mr. Hall to produce the discharge doned the cause which for years, he had ar- day as Marshal Andrews Esq. of Chamcook duty of the Boom Master to provide the same of the prisoners, but the affray was of so sedently supported with applause; yet against Island, was on his way to attend the Grand in regulations to be observed and strictly rious a nature that he refused to listen to the him "a dog does not so much as move his Jury, he was accessed by the lad, who in-

he stipendary magistrate, and Mr. Wilson | St. David, April 19th 1837.

THE SEASON .- The snow on the ground is mouth and writing, of the consequences still about four feet deep. It has diminished their confidet, and cleath is far preferavery little during the last week, and the ice the to me than the continuance classe suf- on the St. Lawrence still continues firm, notwithstanding the spring tides of last week The Lord Mayor .- Prisoner, I shall re and the strong north-easterly gale of Friday night and Saturday. 'The roads on the ice have some places, where the horses feet have broken through, but they are merely interstices among the heaped masses of ice where they did not join .- Quebec Gazetten

nder date of the 15th ult. that the receipt of On Thursday night last, twenty condemnim Kodja, Capitan, was about leaving for stopped at the uext, which they attempted Vary active negociations had of which sleeps within the outer door of

and China. Both were large and valuable in a manner test carries on the face of it the ships, and had still more valuable cargoes.— impress of the author's acquaintance with of crime for the last six months, as there had ships, and had still more valuable cargoes.— impress of the author's acquaintance with of crime for the last six months, as there had been no Criminal case until within the last procedured, That the Subject, and its principles cannot be re-The amount of the loss is estimated at 14 the subject, and its principles cannot be relacks of rupees. But the Adelaide also supposed to have been lost, had arrived, part of her appropriations, not only carries with it the appearance of truth, but is also substantially confirmed by papers under the head of intelligence from public documents, and proves that from a seche, Prime Minister of the Nazim of Scinder, and who stood high in His Majesty's favour, had been waylaid and murdered on his return.

Roads, and a fair distribution of the same:

Indeed The account of the author's acquaintance with the subject, and its principles cannot be refuted to the subject truth the subject, and its principles cannot be refuted to the subject truth the subject, and its principles cannot be refuted to the subject truth the subject, and its principles cannot be refuted to the subject truth the subject, and its principles cannot be refuted to the subject truth the subject, and its principles cannot be refuted to the subject and its principles cannot be refuted to the subject truth the subject, and its principles cannot be refuted to the subject truth the subject, and its principles cannot be refuted to the subject truth to subject truth the subject truth to subject truth the subject, and its principles cannot be refuted to the subject truth murderer attempted to escape, but he was but that judicious arrangements have been opening of the Court,

In this prospersus and satisfactory state of M. J. C. and ews. nesions, to murier him; but he would not some anonymous writers, who, under the in. James Brennau, specify which son, nor could the extrement fluence of envy or personal animality, are John Grant, and most studied torture extert from him any plotting the distrace and declamation of some | Samuel Watts, further confession. The murderer was its ability of the distrace and declamation of some | George N. Smith,

. " Vindicator" is a writer of this stamp. John Hannah, tearing that he might be the cext riction has the scurrious ettack, on Massa. Clinch and Thomas Veezey. Brown on the subject of the "Petition," is entirely harmless, as the movives of those Pe On Friday last, at the Police court. Livers post two American sailors, named Manbury and Murphy, were placed before the mayistrates, under a warrant produced at the instance of the American Vice Consul.

It came out in evidence, that in consecutive the consecutive that have been passed to sail the consecutive and their Vindicators cannot be missioners and their Vindicators cannot be missioners and their Vindicators cannot be missioners taken. But he attacks our member from that there are no less than possed of as named in the foregoing order.

The Eiders, Trustees, and congregation generally, of the Section Church, Saint James, begleave in this public manner, to testify their gratiuce, and tenter their thanks, to Aaron Upton Eagof St. Stephere and his faith, for the unremitted care and attention manifested towards their late lamented nestor, the Rev. Paren McIsvraz. The truly christian kindness and solicitude—equally active by night and by day—gratuitously displayed during the sufferers protracted illness, from the time when he was saideally seized in Mr. Upton's house, until his eyes were closed in death, shall raver, his sorrowing parishouers trust, he erased from their grateful remembrance.

They request Mr. Upton to accept of their ardent vishes for his, and his family's welfare, temporal, stiritual and eternal

to his charge.

Terms more moderate than heretofore, as he eccives his provincial allowance for this parish.

Miss Harley will attend the female class occasionally in Needlework, &c.
