## ASSESSMENT SYSTEM.

### Official Notice of a Special Assessment.

Notice is hereby given to each and every member of the Catholic Mutual Benefit Association of Canada, that in addition to the regular No. 1 assessment for the month of January, 1898, a special assessment is also required to be paid within thirty days from the 15th January, in the same manner and of the same amount as said No. 1 assessment. This, in connection with the statement on page four of this issue, will be the only notice of such special assessment to our members, and is given in compliance with Sections 7 and 8 of the C. M. B. A. Constitution.

Officers of branches are requested to be as prompt as possible in remitting the amount of these two assessments.

It requires seventeen thousand dollars to pay the beneficiaries of the nine deceased brothers reported on the statement of assessments for this month, and there are three other deaths of which we have not yet received the necessary proofs before publishing them.

The following are the names and addresses of all the agents of the Grand Council of the Catholic Mutual Benefit Association of Canada appointed to receive service of process in all suits and proceedings against the Association in the Province in which the said agents respectively reside:

Right Rev. T. J. Dowling, Bishop of Hamilton.

Right Rev. M. Decelles, Bishop of St. Hyacinthe.

Right Rev. J. M. Edmund, Bishop of Valleyfield.

Right Rev. A. Pascal, Bishop of Prince Albert.

#### WHO MAY BECOME MEMBERS.

Applicants for membership must be practical Catholics, males, not under 18 years of age nor over 50 at date of initiation, must pass a medical examination, be approved by the Supervising Medical Examiner, the Branch Board of Trustees, and elected by ballot of the branch to which application is made before they can be admitted to membership.

Three grades of policies are issued, viz., a \$2,000, a \$1,000 and \$500.

WHAT IT WILL COST TO BECOME A MEMBER.

To become a member of the C. M. B. A. of

Canada will require the payment of the following fees:

Application fee	\$1.00
Supervising Med. Examiner's fee	25c
Medical Examination fee	1.50
One Assessment, for \$1,000 at age 21	50c
One month's dues...	25c

Total... \$3.75

But when we consider that the reserve fund of the Association is equally the property of all members, no matter whether they have been members for the past twenty years or for only one day, it is evident that the share of a new member in this reserve fund is more than the cost of his admission. Hence, in joining the C. M. B. A. now, you secure membership at a profit.

Rejected applicants have the \$1.00 of application fee returned to them.

The Constitution provides for fifteen fixed assessments and also for special assessments in case the fifteen fixed assessments be not sufficient; but the total assessments can never, according to the laws exceed twenty-four in any one year; as, should it be necessary, through an epidemic or any other cause to require more money than said number of assessments would bring, the Reserve Fund is drawn upon. Eighteen assessments is the greatest number we have had.

The rate fixed for the age at which an applicant becomes a member remains the same throughout.

##### HOW TO START A BRANCH OF THE C. M. B. A.

Send to the Deputy in charge of your district, or any of the officers of the Grand Council, for a blank application for a charter. Call on the parish priest, solicit his approval of the formation of a branch in his parish, and get him to become a charter member if qualified so to be; get as many other applicants as possible to sign the application for a charter, and the parish priest to certify that the applicants are practical Catholics. Then send said application for charter to the deputy, who will forward it to the Grand Secretary. On receipt of the same he will send you application for membership and medical certificate blanks; and E. Ryan, M. D., Supervising Medical Examiner, Kings-

ton, Ont., will agree with you as to the appointment of a local man in the locality to examine the applicants.

Each applicant shall pay the medical fee, \$1.50 to the physician at the time of examination. This physician should immediately forward the medical certificates to Dr. Ryan.

A certificate of birth, or a statutory declaration as to age, must accompany every application.

As soon as a sufficient number (not less than 12) have been approved, the deputy, or organizing man, will receive a report for the institution of the new branch and also a set of supplies from the Grand Secretary. He will then arrange with you the date for initiating the branch.

The welfare of a branch depends in a great measure upon its first meetings, and the way in which they discharge their duties.

A copy of the Constitution and By-Laws of the Association should be in hands of each member; and members should study it well and comply with its regulations.

Now branches pay \$2.50 for a set of supplies, and charter, and the Grand Council pays the expenses of the Deputy who organizes the branch.

For the amount of business done, the cost of management of the C. M. B. A. is infinitely lower than any other assessment association or life insurance organization on the continent of America.

Quebec, Jan. 4, 1898.  
S. R. BROWN, Grand Secy. C. M. B. A., London, Ont.

My dear Brother Brown. We have just heard of the terrible calamity that has befallen your city, causing death and injury to so many of your citizens. Please convey to all the heartfelt sympathy of the members of Branch No. 108, C. M. B. A. of Canada.

Yours fraternally,

P. E. LANE, Recy. Secretary.

We have received from C. M. B. A. members throughout Canada a great many messages similar to the foregoing. Our association was fortunate in having none of its members among the killed. One or two were slightly injured.

The prize offered by Grand Deputy Brother W. J. Power of Halifax, N. S. to the branch in Nova Scotia including Cape Breton, that initiated the greatest number of members in 1897 has been won by Branch No. 152 of Halifax said branch having initiated 21 members. Brother Power's action is very commendable and other Grand Deputies might follow his good example.

### AT HOME.

The members of Branch 251 Kensington, P. E. I., gave an At Home on November 9th. Ninety couples responded to invitations. Messrs. Dempsey and Bavan furnished the music, and Mr. Thos. N. Donahoe was floor director. Between 9 and 10 o'clock supper was announced at the Clark Hotel, after which the guests repaired to the hall and spent an enjoyable time.

Grand Secretary, C. M. B. A.

WHY SOME MEMBERS HAVE  
NOT RECEIVED THEIR  
C. M. B. A. POLICIES.

We have lately received a number of letters from C. M. B. A. members asking us why we do not forward their policies.

If those members would read our official organ, there would be no necessity for their writing us such a question.

In the November and December numbers of THE CANADIAN the following notice appeared:

A policy will not be issued by the C. M. B. A. to any new member who has not furnished a "Certificate of Birth" or a "Declaration of Age." Said certificate of birth or declaration of age must be forwarded to the Grand Secretary by the Branch Recording Secretary with the application for membership.

Branch 26 of Montreal celebrated its 14th anniversary by a most enjoyable At Home on the evening of Wednesday, November 10.

The sympathy of his fellow-members were tendered to Brother Thomas Conway, of 26, on the recent death of one of his children.

We understand there is a good opening for a dentist in Renfrew, Ont., with dental rooms ready and at a reasonable rental.

The Per Capita Tax for the last quarter of 1897 is due. Branches in arrears will please attend to this without further delay.

Join the C. M. B. A., and thus throw the mantle of protection around her and them who may soon be your widow and orphans. "In the midst of life we are in death."

Branch 26 will hold several open meetings during the present winter months, which it is to be hoped will be as productive of good as those held by this branch last winter.

If branches were less indulgent in carrying careless members they would be better able to afford a \$1 or \$2 when an appeal comes. It is not always the poor man who is behind in his assessments.

Brother Martin Eagan was unanimously elected President of Branch 26 at its last regular meeting, in succession to Brother Michael Sharkey. Under the able guidance of Brother Eagan old 26 is certain to continue in its progressive efforts to forward the usefulness of our Association.

Members, attention! Have you paid the December assessment? The time allowed expired on Jan. 3rd, and if not paid you stand suspended and your insurance void. Those in the habit of being late with the payment

of their assessments carry their own risk in the meantime.

Brothers, are you prompt in the payment of your assessments? Remember the last assessment for 1897 is No. 15, and it should be in the hands of your Fin. Sec. on or before Jan. 3, otherwise you are suspended. Do not trust to your branch to look after that which is entirely your own and your family's affairs. Do not be a drag on your branch, for, to say the least, the practice of suspending and reinstating members so often makes a bad showing on your branch books.

At a regular meeting of Branch No. 13, Stratford, Ont., held in December, 1897, a vote of thanks was tendered Brother D. J. O'Connor, Chairman of the Board of Trustees for many years past, who has tendered his resignation as such owing to pressure of business. Brother O'Connor is a Past Grand Chancellor of the Grand Council of the C. M. B. A. of Canada, and one of the charter members of Branch 13.

Branches shall be held responsible for the Supervising Medical Examiner's fees in every case. It matters not whether an applicant is approved or rejected, the branch to which his application was made is held liable for the Supervisor's fees; therefore, the branch officers, in order to protect their General Fund, should see that said fee is paid by the applicant at the same time the application is made. See the last sentence of Sec. 147, Constitution.

The Catholic Almanac for Ontario for 1898 is now ready. This very useful almanac is published with the approbation of Archbishops and Bishops of Ontario. It contains a complete Liturgical Calendar, with explanations; an accurate clergy list; sketch of the Basilians, with portraits; a directory of the Church; a full-page portrait of Mgr. Merry del Val, with sketch; copious news notes of the year of special interest to Catholics, and a number of entertaining original stories. Single copies 25c., or twelve copies for \$2.50; can be procured from the Monastery of the Precious Blood, 113 St. Joseph street, Toronto, Ont.

Chancellor Patrick Reynolds, of Montreal, has resigned the office of Grand Deputy. Brother Reynolds is noted for being one of the most conscientious and earnest members of our Association in the District of Montreal. Unfortunately for some time past his health has not been of the best, and feeling that he could not attend the duties of the office and visit the various branches, as he has done heretofore, he asked to be relieved from the office of Deputy. Brother Reynolds' resignation from this important office is much regretted. His strict regard for its duties, his many sterling qualities and

sound judgment specially fitted him for the position.

Brother John McGinnis, M. D., of branch 23, Sault Ste. Marie, Ont., has been appointed by Grand President Hon. M. F. Hackett, a Grand Deputy for Huron county.

Rev. Father Alfred E. Burke, of Alberton, was also appointed a Grand Deputy for Prince Edward Island.

Grand Trustee, Brother P. J. Rooney was present at the regular meeting of Branch 51, Barrie, Ont., held on November the 8th. He gave a very instructive address on the regulations and requirements of our C. M. B. constitution, dwelling particularly on the financial part. All present were very much pleased and hoped Brother Rooney would pay them another visit soon.

Bonds—"The bonds of all Grand Council officers and all branch officers in the C. M. B. A. shall be issued by a duly incorporated security or indemnity association, and the expense of such bonds shall be paid by the Council and the branches respectively." See Sections 181, 176 and 177 of Constitution.

The C. M. B. A. of Canada has selected The Employers' Liability Assurance Corporation, Limited, to issue the bonds required, and Messrs. Schmidt and McKeon, the company's agents in Montreal, are sending forms of application approved by Grand Council Executive to all branches for their attention. Should the officers already guaranteed be elected for the coming year, the said agents will issue a renewal receipt covering each bond; but should a new Financial Secretary or Treasurer be elected, new bonds will be issued on either or both as may be required. The rate is 50 cents per \$100 bond. All communications on this matter should be addressed to said agents.

The C. M. B. A. of Canada had fifteen regular and three special, making 18 assessments in 1897. This, for a member paying \$1.65 (our highest rate) for each assessment, makes \$29.70 for an insurance policy of \$2,000. Five per cent. of this is placed in the Reserve Fund, which at present amounts to about \$600 for each member in the Association. Let a member who is, say forty-nine years of age, ascertain what it would cost him per annum for a \$2,000 policy in any other insured association or in a regular life assurance company, and we are satisfied the information he would receive would cause him to appreciate his membership in the C. M. B. A. much more highly than he did before. The same applies to members of any age from 18 years to 50 years. The C. M. B. A. is undoubtedly the cheapest,

best and most reliable association for our Catholic men to join. The very fact of it being Catholic, approved by our Archbishops and Bishops, and sanctioned and blessed by His Holiness the Pope, should be sufficient for our Catholic husbands, fathers, sons and brothers to decide which association they should give the preference to.

**Report of Committee re Late Brother Halpin and late Rev. Father Carrier.**

The Committee appointed by the Grand Board of Trustees at their meeting in Toronto, to enquire into the deaths of Rev. Bro. Carrier and Bro. Halpin, beg to present their report.

Rev. Bro. Carrier was admitted on Nov. 8, 1896. He was examined by Dr. Ladrière, a chartered member of Branch 96, and a careful and painstaking examiner. The certificate was first class in every respect and one that would be accepted without any hesitation by any insurance association in the country. On Jan. 29, 1897, deceased was taken with a severe attack of la grippe. He resumed his work too early and phthisis developed, which caused his death on July 19, 1897. Dr. Ladrière declare she made a careful examination and that the applicant was in excellent physical condition at the time of his admission. Grand President Hackett made a careful personal examination of all the circumstances in connection with the case, and he declares the claim to be a perfectly legitimate one. There is no doubt that deceased hastened his death by continuing work long after he should have been in bed. The strictest investigation was made into every point bearing upon the case, and yet nothing could be discovered other than what was just, right and honest in every way.

An investigation was also made with regard to claim of our late brother, M. J. Halpin, of Brockville. He was admitted July 7, 1896. On February 21, 1897, he was seized with an attack of pleurisy; then phthisis followed, and he died Aug. 1, 1897. He was examined and recommended by Dr. McAuley, a member of Branch 48, of Brockville. The certificate was perfectly acceptable in every way. The deceased was in excellent health until he was seized with pleurisy.

**OUR MEDICAL EXAMINERS.**

Waterloo, Que., Nov. 26, 1897.

To the Editor of THE CANADIAN:

Dear Sir and Brother: It pleased me much to notice in the last issue of THE CANADIAN the very timely letter of Dr. Murphy, of P. E. I., on the high death-rate from consumption among the members of the C. M. B. A., and his rather just criticism of the Medical Examiners.

The question concerns so intimately the prosperity and the stability of our Association I hasten to give the support of my approval to the doctor's statements, being fully convinced of their correctness and important bearing. I can all the more boldly give my endorsement since Branch 113, to which I belong, has no consumptives on its roll, and, what is more, has not had, out of a membership of 75, one

single death from any cause since its organization in 1889.

Our frequent extra assessments are due to many causes with which the medical profession has nothing to do: but Dr. Murphy has signalized one cause which concerns the profession very particularly, and one which, I am happy to say, can very easily be removed if our Medical Examiners will only be a little more unceremoniously searching in their examinations and less easy in recommending applicants.

Before going any further let me hurry to state that I do not accuse our examiners of ignorance, or of lack of proper medical training in insurance work, or of wilful dishonesty: no, most emphatically no, but what I may, I think, with Dr. Murphy, safely blame them for is sympathy unlimited, too much kindheartedness and negligence in the application of business principles. Too many, I fear, forget that our society is a real insurance company as well as a fraternal organization; and, to my mind, this is to a great extent the cause of so much laxity and partiality on the part of examiners. Perhaps the basis and fraternal spirit of our society favors somewhat this rather damaging tendency; and I think it does, for it is to be noted unfortunately that the great humane idea which has given birth to mutual benefit societies is carried too far—not alone by medical men, but by most of the members in the ordinary workings of those friendly societies, and in consequence it too often happens that charity is practiced where only sound business principles should prevail. The spirit, mind you, is quite right, but its application is too often faulty.

In palliation of this little human weakness it may occur to some that the medical man, who is so accustomed in the ordinary practice of his noble profession to exercise benevolence, is less guilty than other members when he errs on the side of charity through kindness or habit, as it were.

But, sir, I cannot exonerate or even excuse him on such a supposition because I hold that a doctor, when acting as examiner for a company or society, should feel that he is not dealing with private or personal property, but is, on the contrary, bound in conscience to safe-guard the general interests of the company or association in whose services he is engaged, and is, therefore, not free to exercise the charity which his nature and profession prompt him to.

The heavy death rate complained of and the share medical examiners are made to bear therein have been repeatedly discussed at conventions, when many have attempted to explain this one and excuse the others on the plea that our examiners were not sufficiently remunerated for their services. I freely admit they are not properly compensated; but on the other hand I say, and I think my confrères will agree with me, that so long as the established fees are accepted, the question of remuneration should have nothing to do with the faithfulness and completeness of the examinations, because I maintain that once a medical man accepts the responsible position of examiner for a stipulated fee, he is in honor and conscience bound to fulfil his duties as scrupulously and as conscientiously as if he were to receive four or five times the amount for his services. In a word, if a medical examiner, for any reason whatever, shirks his responsibilities or gives his opinion with a mental reservation, he neither justly earns the money paid him nor establishes an honorable char-

acter as physician. On the other hand, none of us can withhold our admiration of the man who, seeking justice alone, states the whole truth no matter what the consequences may be to priest or layman.

Before closing, I must, for the sake of justice, remark that the C. M. B. A. is not the only society that has to complain of direction on the part of examiners, nor is it the only association that has to regret a heavy death rate from phthisis—in fact all the M. B. S. have the same sad experience. But, Mr. Editor, since the C. M. B. A. has given the example of wisdom and of a progressive spirit in other important matters, why should it not take the initiative in this vital matter and bring about a healthy reform. Perhaps a circular, terse, forcible and to the point form our worthy and painstaking Medical Supervisor, threatening cancellation of appointments in certain cases, would help a good deal in the direction desired.

However, I have confidence enough in our Medical Examiners to firmly believe that to bring this matter seriously home to them is to remedy the evil.

Now, confrères, let us all do our duty zealously and prove to the world by our statistics that there is at least one friendly society, the C. M. B. A., which can boast of as low a death rate from consumption as any standard life insurance company.

Sincerely and fraternally yours,  
Dr. F. R. C. PHELAN.

**THE POUTER.**

Editor of THE CANADIAN.

Dear Sir and Brother—The article in the December number on the "Grumbler" is timely and to the point. There is another class of members in our Association to which I beg to call your attention, namely, the "Pouters." It may seem strange to some that men and members in such a grand society as the C. M. B. A. should act after the manner of children, but I think your readers will admit that there are many such: very few branches but have more or less members of the pouting class. To them is due to a greater or less extent the slim attendance at many branch meetings; and why? Those members have a grievance—an imaginary one, very likely—and because the majority in the branch disagrees with them they absent themselves from meetings, merely sending their dues and assessments by some regular-attending, conscientious members; or perhaps to hand it to the too obliging financial secretary at his residence or place of business; or probably they meet him on the street, and give him the money, forgetting that the said secretary is only human, and may not have a very retentive memory. Such irregular modes of payment is apt to lead to errors or at all events to doubts, doubts lead to dissatisfaction, dissatisfaction leads to trouble, the end of which no man knoweth. There are, of course, many reasons, or I should say, causes, that lead to "pouting"—some fancied slight, the (so-called) arbitrary conduct of the chair, etc., etc. No doubt all pouters are quite satisfied that their grievances are real, but even so, are they justified in acting as above described? No good can come from it. Taking it for granted that they are right, what is the best course to pursue under the circumstances? In all deliberative bodies, from the township school board to the Dominion Parliament, the majority rules, and the minority has to accept

the situation and make the best of it. The C. M. B. A. is no exception to the rule. Hence the conscientious member, in case of defeat, will be all the more assiduous in attending meetings and doing all in his power to bring about a remedy. This is the only reasonable and rational course to pursue. Besides this, due allowance must be made for language used in the heat of debate. Few of us but have regretted words spoken under such circumstances, and a little reasoning all round will do much to restore peace, harmony and good will.

Come, then, brothers, and at the beginning of the New Year let us resolve to act in unison for the good of all. Remember that a house divided against itself cannot stand, and that it is to our interest, to the lot rest of our families, and to one another, to do all we can to promote the welfare, interest and "good of the Association."

I have said above that these "pouters" are responsible to some extent for the slim attendance at branch meetings, but there are other causes that lead to it. There are, for instance, many very careless members who feel that they are doing their duty when they pay their dues and assessments; these rarely attend branch meetings.

Such conduct is most reprehensible and should not be encouraged. We should be present at as many meetings as possible, and take part in the deliberations. The interest of the branch is ours. We should not stay away and then say the branch is "going to the dogs," but should attend ourselves and do our part in keeping others from staying away. Besides, as you said in the article above alluded to, there is always some important business to be transacted, and even if there is a quorum, those present don't like to assume too much responsibility in acting. It is also very discouraging to the officers and the few good old stand bys who attend regularly to receive no encouragement in their work. The time may come when they too will be disgusted and become carelees—and what then? On this matter I might say that as I go through the country I meet with many deplorable instances of what may be called criminal carelessness in this respect. I attended branch meetings for nominations and elections last fall where only about one in nine members were present, and that after a special notice had been given in the papers. A few weeks ago I attended branch meeting where only seven members were present—about one in eleven—just enough for a quorum, and I take credit for bringing the extra member to the meeting, as he had not been there for nine months, and would not have been there on that occasion were it not for a little pressure on my part. If members attended regularly and paid their dues and assessments at meetings there would not be so much doubt as to payments. I have been asked if there is any remedy to cure this indifference of members in this respect, I say there is. The meetings should be made as interesting as possible; and the fact that the fifteenth order of business has been put in the ritual is evidence that the founders intended our Association should be deliberative and progressive, and give members a chance from time to time to suggest something that would have a tendency to bring about what should be the desire of all members, "The good of the Association."

### Grand Organizer Killackey in Stratford.

An open meeting of Branch No. 13, and reception to Brother W. P. Killackey, Grand Organizer for Ontario, was given in the Separate school hall, of Stratford, Monday evening, Nov. 29th, 1897. The meeting was largely attended and was a great success. The platform was decorated for the occasion, and on it were seated the following brothers: — President James O'Loane, W. P. Killackey, Grand Organizer; Rev. Father Fogarty; Secretary, E. J. Kneitl; Past Grand Chancellor, D. J. O'Connor; J. J. Hagarty, Dr. Devlin, John B. Captain, James Markay, J. J. Coughlin, M. F. Goodwin, M. J. Dillon and E. O'Flaherty.

President O'Loane, in opening the programme, said he was pleased at having the speaker of the evening (Brother Killackey) present. He was sure all would enjoy his address. Mr. Killackey, he said, had so long been known to him by his reputation as a speaker that he need add no further comments upon that gentleman's ability. President O'Loane's address was to the point and of worth.

The Secretary, E. J. Kneitl, read letters of regret from Rev. E. B. Kilroy, D. D., and from Rev. D. J. Downey, of Mitchell. Regrets for unavoidable absence were read also from His Worship Mayor O'Donoghue, who has recently been elected unanimously as President of Branch No. 13, for the coming year.

A short musical programme, consisting of an instrumental duet by Misses K. J. Carlin and G. Burke, a recitation by Miss Mullins, a solo by Miss Lizzie Phalen and a recitation by Miss Emma Kneitl, was rendered very pleasantly. At the close of her number Miss Kneitl presented brother Killackey with a beautiful bouquet of roses, and received for it the accustomed reward.

Brother Killackey, on stepping forward, was received with rounds of applause. After expressing his pleasure at being present at such a large gathering, he highly complimented Branch 13 and its executive officers on the manner in which they do their work. As he had visited many branches in the province he knew how others stood, and that of Stratford was certainly conducted as well as the best. The reason for this was that there were business men, such as their worthy President and Grand Chancellor O'Connor at the head of it. He paid glowing tributes to Rev. Dr. Kilroy and Mr. O'Connor for their services in connection with the Association. He then went on and explained the workings of the C. M. B. A. and pointed out the advantages to be gained by joining this Association.

He claimed the organization prepared its members for the battle of life, stimulated brotherly love and elevated humanity generally. Rich and poor should join it and assist in doing the good that the Association had in view. He concluded, showing by comparisons the advantages the Association he represented had over those of other friendly societies.

On motion of Brothers O'Connor and O'Flaherty a vote of thanks was tendered Brother Killackey. This was approved warmly by the chairman and the audience. Brother Killackey replied briefly, whereupon the rest of the musical programme was given, consisting of solos by Miss Kennedy and Mr. Duggan, and a duet by Misses Hoolihan and Gallagher. A vote of thanks was tendered those who assisted

in the musical part of the programme, by Brothers Coughlin and Markay. The National Anthem closed the meeting. Brother Killackey was afterwards entertained by the committee to supper at the Commercial Hotel.

### Open Meeting of Branch 19.

The first open meeting of Branch No. 19, was held in their hall on Thames street, on Thursday evening, December 2nd, 1897. There was a large attendance, the auditorium being filled to its utmost capacity and sitting room was at a premium. An excellent programme was prepared as follows: Prof. Holmes and his family orchestra were present and delighted the audience with several of their fine selections. Miss Katie McSherry gave a recitation in excellent style. Bro. G. S. Ryan then took the floor and read the following address to brother W. P. Killackey:

Ingersoll, Dec. 2 1897.

To Bro. W. P. Killackey, Grand Trustee and Organizer of the C. M. B. A.:

Dear Sir and Brother,—We, the members of Branch No. 19, C. M. B. A. Ingersoll, extend to you a most cordial welcome, and we are delighted at the favor and honor conferred on us by your first official visit to our branch and we take great pleasure in greeting you on this occasion, and we trust that you will enjoy yourself in your short sojourn among us; and that our branch may make many new members by your coming, and we trust that the C. M. B. A. at large throughout Ontario will be benefited by your official capacity as Grand Organizer. Signed on behalf of the branch,

C. B. Ryan, President.

Bro. Killackey then replied in a very fitting manner. He was pleased, he said, to be with the branch on the occasion. He saw many old faces and old friends which he was always glad to see. His mission, he considered one of high merit, that of encouraging the C. M. B. A. work throughout the Province. This branch, he was pleased to see, showed up well. The organization dated twenty one years and financially it was the cheapest society to be found.

He then proceeded to give a short synopsis of the workings of the order. The amount of

beneficiary money paid by the C. M. B. A. from 1890 to 1897, a period of seventeen years, was \$1,326,913.10.

The magnificent sum of

\$1,27,171.40 has been paid to the beneficiaries of deceased brethren, and \$59,771.70 has been transferred to the Reserve Fund, which, with

accrued interest, makes \$66,069.54. Also there

has been a remarkable progress in membership since the date of the inception of the Association. In 1890 the membership was 239, and in 1897 on Sept. 1st, it numbered 11,801.

A special feature of the order is that the Reserve Fund is the property of all members, no matter what they have been in one day or twenty years, and each new member's share of the Reserve Fund is more than the cost of his admission to the order.

The meeting was the first open one of the branch, and was a typical success in every respect, and the hope is expressed that it will be the last one of the kind in the town. Bro. Killackey made many new friends, all of whom consider him a right jolly good fellow."

Mr. M. J. McDermott occupied the chair. His address was the finest heard in the branch hall for many a day and he surprised all his friends. Rev. Father Connolly made a short but excellent address in his own splendid style, and was justly cheered by the entire audience.

After a vote of thanks to Bro. Killackey, the chairman and the young ladies who took part in the evening's entertainment, the meeting closed with the orchestra playing "God Save the Queen."

#### POURQUOI QUELQUES MEMBRES N'ONT PAS REÇU LEURS POLICES.

Nous avons reçu dernièrement un nombre de lettres de la part de membres de l'A. C. B. M. nous demandant pourquoi nous n'envoyons pas leurs polices.

Si ces membres lisent notre organe officiel, il ne serait pas nécessaire pour eux de nous faire cette question.

Dans les numéros de Novembre et Décembre du CANADIEN l'avis suivant a paru :

Il ne sera pas émis de police par l'A. C. B. M. à tout nouveau membre qui n'a pas produit un "Certificat de naissance" ou une "Déclaration au sujet de son âge." Ce certificat de naissance ou cette déclaration doit être envoyé au Grand Secrétaire par le Secrétaire Archiviste de la succursale avec la Demande d'admission.

La taxe per capita pour le dernier trimestre de 1897 est due. Les succursales en retard voudront bien y voir sans plus tarder.

Joignez l'A. C. B. M. et jetez ainsi le manteau de la protection sur elle ou eux qui bientôt pourront être votre veuve ou vos orphelins.

Nous comprenons qu'une occasion favorable se présente pour un Dentiste, à Renfrew, Ont., avec un atelier tout prêt et à un prix raisonnable de loyer.

Si les succursales étaient moins indulgentes à porter les membres négligents elles pourraient trouver \$1 ou \$2 quand un appel est fait. Ce n'est pas toujours l'homme pauvre qui est arrisé dans ses cotisations.

Frère John McGinnis, M. D., de la succursale No. 23, Seaforth, Ont., a été nommé par le Grand Président, l'Hon. M. F. Hackett, Grand Député pour le comté Huron.

Le Révé Alfred E. Burke, d'Alberton, a aussi été nommé Grand Député pour l'Île du Prince Édouard.

Attention ! Avez-vous payé la cotisation du mois de Décembre ? Le

## THE CANADIAN.

temps alloué est expiré le 2 Janvier, et si vous ne l'avez pas payé "vous vous trouvez suspendu" et votre assurance nulle. Ceux qui sont dans l'habitude de retarder la paiement de leurs cotisations portent en même temps leur propre risque.

Ne laissez pas terminer votre police de l'A. C. B. M. par négligence ou malentendu. Votre négligence à vous préparer à payer les cotisations quand elles sont dues vous fera perdre plus que vous imaginez. Ne permettez pas qu'un inconvenient temporaire intervienne dans la continuation de votre droit de membre de l'A. C. B. M. Rappelez-vous qu'une police dans l'A. C. B. M. est l'un des meilleurs items de "actif" que vous laisserez à votre femme et votre famille.

A une assemblée régulière de la succursale No. 13, Stratford, Ont., tenue en Décembre, 1897, des remerciements ont été votés à frère D. J. O'Connor, président du bureau des Syndics de la succursale pendant nombre d'années, lequel a donné sa résignation comme tel pour cause de surcroit d'affaires. Frère O'Connor est Grand Chancelier ancien du Grand Conseil de l'A. C. B. M. du Canada, et l'un des membres fondateurs de la succursale No. 13.

Les succursales seront, dans tous les cas, tenues responsables de l'honoraire du Médecin Examinateur en Chef. Que l'aspirant soit approuvé ou rejeté la succursale à laquelle son application a été faite est tenue responsable de l'honoraire du Médecin en Chef; en conséquence les officiers de la succursale, afin de protéger son Fonds Général, devraient voir que cet honoraire soit payé par l'aspirant lorsqu'il fait sa demande d'admission. Voir la dernière phrase de la clause 147 de la constitution.

Frères, êtes-vous prompts à payer vos cotisations? Rappelez-vous que la dernière cotisation pour l'année 1897 est le No. 15, et qu'elle devrait être dans les mains du Secrétaire-Financier le ou avant le 3 Janvier, autrement vous êtes suspendu. Ne comptez pas sur votre succursale pour voir à ce qui est entièrement votre propre affaire et celle de votre famille. Ne soyez pas traineur dans votre succursale, car, pour dire le moins, la pratique de suspendre et réintégrer des membres si souvent donne une mauvaise apparence aux livres de la succursale.

Les succursales sont trop aptes à oublier leurs intérêts dans la convention. Elles croient souvent avoir rempli leur devoir quand elles ont élu le représentant et (à l'assemblée après son retour) écouté le récit de la splendide réception accordée aux délégués par les citoyens de la ville où s'est tenue la convention.

La succursale, par son représentant, est un à la convention. Le délégué

n'est que le porte-voix de la succursale; et c'est le devoir des diverses succursales de discuter pendant les quelques mois à venir ce qui viendra devant la convention, et de plus d'insister auprès du délégué sur le fait qu'il est envoyé pour exprimer, non ses propres manières de voir mais celles de sa succursale.

Les assemblées d'ici là devraient être nombreuses et les manières d'opérer de notre splendide Association discutées soigneusement et attentivement.

Le prix offert par le Grand Député W. J. Power, de Halifax, N. E., à la succursale dans la Nouvelle Ecosse, le Cap Breton compris, qui initierait le plus grand nombre de membres en 1897, a été gagné par la succursale No. 132 de Halifax, laquelle a initié 24 membres. L'action de frère Power est très louable et d'autres Grands Députés pourraient suivre son bon exemple.

Garantries — "Les cautionnements de tous les officiers du Grand Conseil et de tous les officiers des succursales de l'A. C. B. M., émaneront d'une Association de garantie ou d'indemnité dûment constituée et les dépenses encourues pour ces cautionnements seront défrayées par le Conseil et les succursales respectivement." Voir les clauses 181, 176 et 177 de notre constitution. L'A. C. B. M. du Canada a choisi "The Employers' Liability Assurance Corporation, Limited," pour émettre les cautionnements requis, et Messieurs Schmid et McKeown, les agents de la compagnie à Montréal sont à envoyer des blancs d'application, approuvés par l'Exécutif de notre Grand Conseil, à toutes les succursales pour qu'elles s'en occupent. Si les officiers qui ont déjà donné des cautionnements sont réélus pour l'année courante, les agents susnommés émettront un reçu en renouvellement concernant chaque cautionnement; mais si un nouveau Secrétaire Financier ou Trésorier a été élu, un nouveau cautionnement sera émis pour l'un ou les deux suivant qu'il sera requis. Le taux est de 50 centimes par chaque \$100 de garantie. Toutes communications à ce sujet doivent être adressées aux agents de la compagnie.

L'A. C. B. M. du Canada a eu quinze cotisations régulières et trois spéciales, faisant 18 cotisations en 1897. Pour un membre payant \$1.65 (notre plus haut taux) par cotisation, cela donne \$29.70 pour une police d'assurance de \$2,000. Cinq par cent de ce montant est placé dans le Fonds de Réserve qui présentement se monte à environ \$6.00 pour chaque membre de l'Association. Qu'un membre, âgé disons de 49 ans, s'assure combien lui coûterait par année une police de \$2,000 dans aucune autre association d'assurance ou dans une compagnie régulière d'assurance sur la vie, et nous sommes sat-

isfaits que l'information qu'il recevra aura pour effet de lui faire apprécier sa qualité de membre de l'A. C. B. M. à un plus haut degré qu'auparavant. La même chose s'applique aux membres d'aucun âge depuis 18 à 50 ans. L'A. C. B. M. est indubitablement la moins chère, la meilleure et la plus sûre association que nos Catuoliques puissent joindre. Le fait même d'être Catholique, d'être approuvée par nos Archevêques et Evêques, d'avoir la sanction et d'être bénie par Sa Sainteté le Pape, devrait être suffisant pour décider le père, le fils, et le frère Catholiques à quelle Association ils devraient donner la préférence.

### AVIS OFFICIEL D'UNE COTISATION SPECIALE.

Avis est par le présent officiellement donné à tous et chacun des membres de l'Association Catholique de Bienfaisance Mutuelle du Canada, que, en plus de la Cotisation régulière No. 1 pour le mois de Janvier, 1898, une cotisation spéciale est aussi requise, payable dans les trente jours à compter du 15 Janvier, de la même manière et du même montant que la dite cotisation No. 1. Ceci, en connexion avec l'état à la page quatre de ce numéro, sera le seul avis à nos membres de cette cotisation spéciale, et il est donné en conformité des clauses 7ème et 8ème de la Constitution de l'A. C. B. M.

Les officiers des succursales sont priés d'être aussi prompts que possible à faire remise du montant de ces deux cotisations.

Il faut dix sept mille dollars pour payer les bénéficiaires des neuf frères décédés mentionnés dans l'état des cotisations pour le présent mois; et il y a trois autres décès dont nous n'avons pas encore reçu la preuve nécessaire avant de les publier.

Grand Secrétaire.

### Rapport du Comité re Feu Frère Halpin et Feu Revd Carrier.

Le comité nommé par le Bureau des Grands Syndics, à leur assemblée de Toronto, pour s'enquérir de la mort du Revd. Carrier et de frère Halpin fait rapport comme suit:

Le Revd. Carrier a été admis le 8 Novembre, 1896. Il fut examiné par le Dr. Ladrière, l'un des membres fondateurs de la succursale No. 96, et un examinateur soigneur et laborieux. Le certificat était de première classe sous tous les rapports et de ceux qui seraient acceptés sans aucune hésitation par aucune association d'assurance dans le pays. Le 29 Janvier, 1897, le défunt fut pris d'une sévère attaque de la grippe. Il reprit ses travaux trop vite et la phthisie se déclara causant sa mort le 19 Juillet, 1897. Le Dr. Ladrière déclare qu'il a fait un examen soigneur et que l'aspirant était dans une excellente condition physique lors de son admission. Le

Grand Président Hackett s'est enquéri personnellement de toutes les circonstances du cas et déclaré que la réclamation est parfaitement légitime. Il n'y a pas de doute que le défunt a avancé sa mort en continuant de travailler longtemps après qu'il aurait dû garder le lit. — La plus stricte investigation a été faite sur chaque point et rapportant au cas, et cependant rien n'a pu être découvert que ce qui était juste, correct et honnête en tout point.

Une investigation a aussi été faite concernant la réclamation de feu frère Halpin, de Brockville. Il fut admis le 7 Juillet, 1896. Le 21 Février, 1897, il fut pris d'une attaque de pleurésie. La phthisie s'en suivit et le 1er Août, 1897, il mourut. Il fut examiné et recommandé par le Dr. McAuley qui est membre de la succursale No. 43 de Brockville. Le certificat était parfaitement acceptable en tout point. Le défunt était en excellente santé jusqu'au moment de sa pleurésie.

M. F. HACKETT, Grand Président.  
F. R. LATCHFORD, Solliciteur.

### NOS MEDECINS EXAMINATEURS.

Waterloo, P. Q., Nov. le 26, 1897.

Éditeur LE CANADIEN — Cher Monsieur et Frère — Il m'a fait beaucoup plaisir de remarquer dans le dernier numéro du CANADIEN la lettre très appropriée du Dr. Murphy, de l'île du Prince Édouard, sur le taux élevé des décès dus à la consommation parmi les membres de l'A. C. B. M., et sa juste critique sur les Médecins Examinateurs.

La question concerne si intimement la prospérité et la stabilité de notre Association que je m'empresse de donner le support de mon approbation à l'exposé du docteur, étant pleinement convaincu de son exactitude et de son important aspect. Je puis d'autant plus l'endosser que la succursale No. 118, à laquelle j'apportions n'a pas de consommation sur son rôle, et, ce qui plus est, n'a pas eu, sur un total de 75 membres, un seul décès dû à aucune cause depuis son institution en 1893.

Nos fréquentes cotisations extra sont dues à plusieurs causes avec lesquelles la profession médicale n'a rien à faire; mais le Dr. Murphy en a signalé une concernant la profession très particulière, et laquelle, j'aspire, heureux de le dire, peut très aisément être écartée si nos Médecins Examinateurs veulent seulement être un peu plus attentifs à leurs examens et moins complaisants à recommander les aspirants.

Avant d'aller plus loin je m'empresse de déclarer que je n'accuse pas nos examinateurs d'ignorance ou de manquer de la connaissance médicale propre au travail d'assurance, ou de malhonnêteté prémeditée; non, assurément non, mais ce dont je puis, je pense, avec le Dr. Murphy, les blâmer sans crainte c'est leur sympathie sans limite, beaucoup trop de générosité de cœur et leur négligence à appliquer les principes d'affaires. Beaucoup trop, je crains, oublient que notre Association est en réalité une compagnie d'assurance aussi bien qu'une Association fraternelle; et, à mon avis, ceci est dans une grande mesure la cause de tant de relâchement et de partialité de la part des examinateurs.
