BRITAIN WILL COMPLY VIEW HELD IN BERLIN

Dares Not Lose Imports From U.S. is Opinion Expressed.

Canadian Press Despatch. BERLIN, Dec. 31.—(By wireless to Sayville)—In the absence of any striking battle news today, all the newspapers of Berlin print in a prominent place despatches dealing with the note of protest sent by the United States to Great Britain regarding the detention and searching of American ships. The Lokal Anzeiger's report of the incident declares that Great Britain will be obliged to grant all of America's principal demands, since she dare not make of the United States an opponent who could cut off a great part of England's own importations.

OCEAN MAIL SERVICE DISTURBED BY WAR

Postal Department Answers Criticism of Letter Delivery at Salisbury.

Canadian Press Despatch. OTTAWA, Dec. 31.—A statement was issued by the postoffice department today in reply to criticisms which have been made of the postal service as regards delivery of correspondence to Canadian soldiers on Salisbury Plain. On enquiry being made into a number of complaints, the department finds no ground for them beyond the delay incidental to the disorganization of the Atlantic mail service owing to war conditions or which is due to the incomplete addressing of correspondence by the senders.

"STILL UNITED" IS GERMANY'S BOAST

"German Pluck Rings Thru-out World," Says New Year's Message.

HOPEFUL OF FUTURE

Official Statement Hurls Defiance at Allies in Blustering Style.

Canadian Press Despatch. LONDON, Jan. 1.—(12.30 a.m.)—The following official communication from Berlin has been received here by wireless: "Since the war began and up till the end of the year we still stand firm on the old German watch, waiting what the future has in store for us. "We are still united. No enemy can force us, in spite of rage and hypocrisy. "In the east as well as the west, may victory ever attend you, Germany over all!"

"The whole world learns what we can do when we are attacked, and that German pluck rings thru-out the world." "Main headquarters reports tonight (Thursday) that our troops fighting in Poland have made over 35,000 prisoners in the region of Lodz and Lowicz, and besides have taken many guns. "The total number of prisoners taken since Nov. 11 amounts to 128,000. Over 100 guns and 300 machine guns also have been captured."

TOBOGGAN HIT BIG BOB LAD LIES IN HOSPITAL

Crash at Foot of Long Slide in High Park Yesterday. It will be a very unhappy New Year's Day for Fred Kirby, aged 16, of 172 Concord avenue, who is now lying in the Western Hospital with his right arm and his right leg broken. Kirby was tobogganing with a number of other boys on the High Park slide about 5 o'clock yesterday afternoon. When they reached the bottom of the slide they collided with a bob-sleigh. The police ambulance removed him to the hospital.

The Dineen Company Wish Readers a Happy New Year

Another year has dawned and with it the W. & D. Dineen Company—140 Yonge street—take this opportunity of expressing their returning thanks to patrons who have so generously responded to the invitations issued to inspect and buy the merchandise carried by this old established house. Notwithstanding the impressively sad European conditions, business has been wonderfully satisfactory, and the seasonal offer just announced of every Lady's Fur in the store at half price, will assuredly create great business during January and February. Here's wishing health and prosperity to every reader during 1915.

NO OBJECTION TO SEARCH IF REASON GIVEN

U.S. Note Says Britain Does Not Adhere to Salisbury Policy.

FEAR SERIOUS FRICTION

Communication Friendly, But Warns That Business Interests Are Aroused.

Canadian Press Despatch. WASHINGTON, Dec. 31.—By mutual agreement between the state department and the British foreign office, the full text of the note sent by the United States to Great Britain, insisting on an early improvement in the treatment of American commerce by the British fleet, was made public here tonight. The note from Secretary of State Bryan to the American ambassador at London is dated Dec. 29. It begins: "The present condition of American foreign trade, resulting from the frequent seizures and detentions of American cargoes destined to neutral European ports, has become so serious as to require a candid statement of the views of this government, in order that the British Government may be fully informed as to the attitude of the United States toward the policy which has been pursued by the British authorities during the present war. You will therefore, communicate the following to his majesty's principal secretary of state for foreign affairs, in as friendly a spirit as you will assure him that it is done in the most friendly spirit and in the belief that frankness will better serve the continuance of cordial relations between the two countries than silence, which may be misconstrued into acquiescence in a course of conduct which this government cannot consider to be an infringement on the rights of American citizens."

"Christiania reports that the American note of protest against British oppression to neutral trade has made a deep impression, and has met with general approval in the northern countries. "Herr Lehmann, chairman of the Bremen Chamber of Commerce, stated at a meeting of the Bremen merchants that Germany was provided with victuals sufficient for years. The high standard of German science, he added, rendered it possible to supply substitutes for the raw materials necessary for warfare which cannot be imported, and that, therefore, the shutting off of German imports by the British is damaging only the interests of neutrals. "Amsterdam reports that sixteen British steamers on the South American coast are overdue, and that the suspicion has arisen that they have been sunk by German auxiliary cruisers."

By a Staff Reporter. HAMILTON, Friday, Jan. 1.—There will be many happy homes in Hamilton today, which would otherwise be cheerless had it not been for the action of the Hamilton United Relief Association in giving out supplies of meat to all the needy yesterday afternoon. Will Commandeer Boers For Service in Africa

Danger of an Invasion, and Lack of Volunteer Recruits Causes Government To Compel Men To Assist in Destroying Rebels.

Canadian Press Despatch. LONDON, Dec. 31.—(10.55 p.m.)—A telegram received here today by Reuters' Telegram Company, from Pretoria, the seat of government of the Union of South Africa, says: "It is officially announced that the government intends to commandeer men for service in German Southwest Africa, and in the Union of South Africa, as the situation cannot be adequately met by depending on the volunteer recruits. "As a reason for this action it is pointed out that Lieut.-Col. Maritz, who escaped to German Southwest Africa with a few hundred rebels, is now attempting to return with German reinforcements, armed with field guns and rifles, to stir up the rebellion afresh, and prosecute it more effectively. "In view of this danger of an invasion, the official communication says, it is necessary to employ a much larger force than at first was intended, in order to destroy the enemy rebel forces so they never again can menace the peace of South Africa."

FRENCH MAKE GOOD GAINS IN UPPER ALSACE

Half of Village of Steinbach is Wrested From Germans.

HARD FIGHT IN POLAND

Russians Reported to Have Crossed Carpathians for Third Time.

Canadian Press Despatch. LONDON, Dec. 31.—(10.55 p.m.)—The New Year finds belligerent Europe after five months of war, fighting, as sternly as at the beginning, but seemingly without prospects of immediate big victories which the combatants have set as their task. The Austrians again have been driven out of the greater part of Galicia, and, according to a Vienna statement, the Russians have crossed the Carpathians for the third time, but in Poland, where the more important battle is in progress, the armies of the Russian and German empires are still fighting for the banks of the rivers which intersect the country between the upper Vistula and Elbe rivers.

Steinbach Taken. In Flanders and France there has been as little in the fighting as most of the front, disturbed, occasionally, however, by artillery fire and infantry attacks and counter-attacks. The French tonight announce that they have carried half of the village of Steinbach in upper Alsace, which, while of little or no importance itself, stands at the foot of a hill which commands a large part of the surrounding country. It is in this region as in the vicinity of Neoyon and between the Argonne ridge and the Meuse, that the French have been pushing their advance with the greatest force and where they claim to have made the most progress.

Quip in Belgian Coast. Along the Belgian coast the fighting is confined to artillery bombardments and Westende and many other little towns which long ago were deserted by their civilian populations have been made the target for shells of the allies.

Walish Bay, a British possession on the coast of the Farnham Southwest Africa which the Germans took at the commencement of the war has been taken by the Union of South Africa forces while the Australians have annexed Bougainville Island, another of the Solomon Islands over which flew the German flag and about the last of the German islands in the Pacific.

BIG FORCE OF TURKS ON THE WAY TO SUEZ

British, French and Russians in Jerusalem Reported Imprisoned.

Canadian Press Despatch. PARIS, Dec. 31.—(11.50 p.m.)—A despatch to the Havas Agency from Athens says: "The Turks have sent important forces commanded by German officers, with artillery, drawn by oxen and mule, and sections toward Suez, according to members of the French clergy and nuns from Syria who have arrived here. "Subjects of the triple entente power in Jerusalem, they say, were subjected only to police surveillance until the report of the bombardment of Alexandria was received, when they all were imprisoned."

"SELF-PRESERVATION" TO BE REPLY OF BRITAIN

Times Thinks U.S. Note Contains Highly Significant Passage.

Canadian Press Despatch.
LONDON, Jan. 1, 1.45 a.m.—The Times, in an editorial, welcomes the text of the American note, protesting against detention of American "commerce" by British warships, while it says, displays entire justice and friendliness.
The Times refers to the passage in the note which complains that the British policy towards neutral ships exceeds the manifest necessity of belligerents and which concludes "not justified by the rules of international law or required under the principle of self-preservation."
"These last words," says The Times, "are significant and we shall be surprised if the issue is now joined upon them in the British reply. Americans

VOTE FOR CONTROLLER T. L. CHURCH
A Progressive Man for a Progressive City

ALDERMAN, 1905-1909 CONTROLLER, 1910-1914
PRESIDENT OF COUNCIL, 1912
HARBOR COMMISSIONER, 1905-1914

Controller Church was responsible for the complete Reorganization of the Works and Medical Health Departments—the important results to the citizens are well known.

He fought against the Street Railway and Electric Light Deals; stands for a proper Rapid Transit System with proper Radial entrances; more Civic Car Lines and Motor Buses, and is strongly against a Transportation Commission.

He favors Hydro-Electric Reform and Rate Reduction, Re-trenchment, Economy, Efficiency, Progress, Public Ownership, and stands for Public Rights; has rendered important services in Legislation, Harbor and Transportation matters.

As Acting Mayor for three months in 1912 he proved a capable, progressive, active and efficient presiding officer.

What a prominent Liberal and a prominent Conservative say about the candidature of Mr. Church:

Mr. Geo. H. Watson, K.C., says:

"I place more reliance and confidence for the future in the judgment of Mr. Church than in the judgment of his opponent in important matters of the corporation.
"Church ought to be elected. The citizens ought to elect Church. You ought to elect Church. HE IS THE BETTER MAN OF THE TWO.
"But for Mr. Church the Street Railway deal might have passed in council.
"Mr. Church's judgment in the Street Railway matter was quite right.
"Mr. Church's judgment in civic matters has been right.
"McCarthy erred to such an extent in such a material matter as the Street Railway deal that his judgment cannot be trusted in other matters.
"McCarthy's judgment is now entirely discredited in civic matters."

Sir Edmund Osler, M.P., Says:
I will vote for Mr. Church—

- 1. Because Church is a good fighter for the people.
- 2. Because he defeated the railway deal.
- 3. Because he blocked the radial invasion of the city streets.
- 4. Because he is public spirited in the matter of parks and hospitals.

GEO. J. DANIELS

To the Electors of Ward 1:

Dear Sirs—In placing myself before you as a candidate for Alderman in Ward 1 for 1915, I do so because, I feel you need a representative who will have your interests at heart as well as his own—one who will be influenced by no party, and who can think and act for himself in the interests of those who he is sent there to represent.

For the past nine years I have lived in Ward 1. Those who know me best know me as one who was ever ready to sacrifice my own interests on behalf of those who needed my advice or assistance. Should you see fit to elect me I will endeavor to the best of my ability to justify the confidence placed in me.

Respectfully yours,

cannot doubt that the war is in the highest degree a war for self-preservation upon our part, and we shall doubtless urge that, broadly speaking and with possible exceptions in individual cases, the interference with neutral commerce which we have practiced, comes within the terms of this recognized limitation of general neutral rights.

THEATRES

ANNIE RUSSELL AT PRINCESS.

King Alfred II, of England secretly
married an American girl, Hilary
Lanchester, daughter of the president,
when visiting in the United States
while still prince. How Hilary be-
came Queen of England four years
later is charmingly told in the ro-
mantic play by the Canadian author,
Mrs. Everard Cotes. "His Royal High-
ness," in which Annie Russell and
her company will be seen at the
Princess. The next week at an
event was made possible by the close
and friendly relations into which Eng-
land and the United States had been
drawn by a treaty of alliance which
Hilary's father succeeded in getting
thru the senate. As Hilary Lanchester,
Miss Russell has a role that lends itself
to her delicate and natural art. The
supporting company consists of Os-
wald York as Prince Alfred, later
Frederick, President of the Admiralty,
of the United States; Ffoliot Faget as
Princess Georgia of England, and
John Daly Murphy as the Yankee at-
tendant at the princess in the Adiron-
dacks. The comedy is in four acts,
with five beautiful sets.

HOPPER AT ALEXANDRA.

The company supporting Dr. Wolf
Hopper, who comes to the Royal
Alexandra all next week, includes
Idelle Patterson, Gladys Caldwell,
Jayne Herbert, Arthur Aldridge, Ar-
thur Cunningham, Herbert Watrous,
John Willard, Herbert Cripps and a
numerous chorus, organized with a
careful view to its fitness for the Gil-
bert and Sullivan operas.

Miss Patterson, the new prima
donna, is an American girl and has
sung for some seasons in Ontario and
concert. She gained very general favor
as the principal soloist with the Vic-
tor Herbert orchestra. Mr. Hopper
himself describes her voice as "a de-
vily soprano of splendid dramatic qual-
ity," and he considers her "equal,
if not the superior, of any of the young
artists trained abroad."

Similar views regarding this prima
donna have been expressed by Louis
Kossmann, conductor of the Ontar-
io Society of New York; Dr. Chas.
Helmroth, director of music of the Car-
negie Institute, Pittsburgh; Hans Kro-
nold and other authoritative experts.

FISKE O'HARA AT GRAND.

Irish wit sparkles in Fiske O'Hara's
new Irish play, "Jack's Romance,"
which will be presented for the first
time in this city at the Grand Opera
House next week. "Jack's Romance"
takes us back to the days before the
revolutionary war broke out, when all
was peace and happiness in the Green
Isle. Fiske O'Hara sings his way into
the heart of the pretty Lady Constance
Butler in a manner that would make
the highest of us blush. A splendid
company of players assist him to
win his lady love, and there is a
wealth of handsome scenery and cos-
tume that rarely sees in a drama-
tic performance nowadays.

"THE OTHER WOMAN"

Under the auspices of the Political
Equality League a four-act comedy,
"The Other Woman," will be produced
at Massey Hall on Thursday, Jan. 7.
The proceeds will be devoted to the
relief of the unemployed. The play
was written by Miss Ray Lewinsky of
Toronto, and the artists participating
in the production are all Canadians.
Mr. Lawrence Somers, manager of the
Royal Alexandra Theatre, is loaning
the scenery.

LOEW'S WINTER GARDEN.

"The Honey Girls," a real Broad-
way musical comedy, contains
into thirty minutes of
fast action, with pretty girls,
clever comedians, new songs and
graceful dances, will hold down the
leading position at Loew's Yonge
Street Theatre and Winter Garden
the coming week. McBride and Car-
vato, two clever funmakers, head
the cast, assisted by a stunning as-
semblage of stage comedians.
Marie Russell, known as one of the
originators of blackface comedy, will
appear, singing some of the latest song
hits. The original Fry Twins and
Fry, eminent exponents of black-
face culture; Charles Deland, Mary Carr
and company, in their clever farce,
"Back to Buffalo"; Pasquale Mario
and Irene Trevette, in classic and
popular song selections; Ray Snow,
"the man about town" popular mono-
logist and others will appear on the
same bill.

THE GARDEN OF GIRLS.

Snitz Moore and George B. Scan-
lon's snappy burlesque and extra-
vagant comedy, "The Garden of Girls,"
will come to the Star Theatre next
week. "The Fortune Hunters" and "A
Day at Newport." One of the big fea-
tures of the performance is a dramatic
act entitled "A Self-Made Man." The
act was written by Snitz Moore, who

THE HIPPODROME.

Mary Pickford, Daniel Frohman's
clever film star, will be back at the
Hippodrome next week. The talented
Toronto actress will be seen as the
leading attraction in a new and mod-
ern film version of "Cinderella." The
features of the vaudeville bill will be
the Five Musketeers, in a singing,
dancing and instrumental offering.
Gordon Eldred and company, who are
as the special feature a one-act play-
let entitled "Won by a Leg." The
Three Cyclones have a novel offering,
in which they introduce many new
and startling feats. The Lelandis
in an old-fashioned novelty; Gordon
and Keating, two clever comedians,
known as "the long and short of va-
udeville"; Holmes and Buchanan, sing-
ers and dancers; and two feature film
plays complete the bill.

SHEA'S THEATRE.

Trixie Friganza, the ever-joyous
comedienne, who provides her own
brand of original humor, is billed as
the leading attraction at Shea's next
week. Always a treat to Toronto au-
diences, Trixie will be seen at her best
in a travesty on the present dance
 craze, Fisher and Green offer "The
Partners," a piece in two parts, by
James Horan. The setting is laid in

Secrets of Health and Happiness

Far From Being Dangerous, Acid Is a Blood Necessity

By DR. LEONARD KEENE HIRSHBERG

WHEN the yellow fever immune had the disease his
blood prodi ad the immunizing principle in a
cient quantity to kill the fever germs, and he got
well. After that a second deal of the principle remained in
his blood, and whenever a yellow fever germ, a month or
a year or two years later, tried to invade his system, it
was "pounced upon and killed off of hand. So he became
immune to yellow fever. Immunity of this sort, because
it is produced spontaneously by nature, is called "natural
immunity. In some diseases it lasts for many years; in
others it lasts but a few weeks, it at all.

Besides this natural immunity there is also an artifi-
cial immunity. The best example of it is presented by
therapeutic inoculation with cowpox, smallpox, typhoid,
clearness, a very mild and attenuated
ecocetes in a patient's blood were plen-
tiful and seemingly healthy, they swal-
lowed, sweated, passed, exhaled, and
meant of course that the disease
caused by these organisms, instead of
being cured, grew worse. Many in-
vestigators, therefore, concluded that
there was something in the blood
serum, floating about between the
corpuscles, which had to act upon the
germs before the leucocytes could
tackle them. This fact seems to have
been clearly proven by experiments by
Dr. Almroth Wright of England.

Dr. Hirschberg will answer questions
for readers of this paper on medical,
hygienic and sanitation subjects that
are of general interest. He will not
undertake to prescribe or offer advice
for individual cases. Where the sub-
ject is rather large, a written ques-
tion will be answered personally, if a

enclosed. Address all enquiries to Dr.
L. K. Hirschberg, care this office.

Now, it is well known to all patholo-
gists, and has been known since
Metchnikoff made his studies in
the fight against living germs, that
the white corpuscles of the blood bear
the greater burden. All of the white cor-
puscles—or leucocytes—of the blood
in healthy blood are not gram-
meters, but a great many of them are,
in a simple matter to observe, thru
a good microscope, the war between
leucocytes and germs.
Mix a bit of human blood with a few
drops of some salt water, which germs
have been bred and place the mixture
under your lens. In it, at the start,
you will see the germs wiggling about
among the white corpuscles. Then sud-
denly, the leucocytes (which are color-
less things much like minute bladders
with seeds in them) will begin to
open and swallow germs. Some will
gobble two or three, others will take
a dozen. In the end, if the blood is
entirely healthy, there are not too
many germs, the leucocytes will swal-
low and kill every one of them. When
this same process takes place in the
blood of a human being he is cured,
as we say, of the disease which af-
fects him.
It was early observed that in some
cases, despite the fact that the leu-

cytes were present in the blood, the
patient was cured, and the lines are
said to be bright and the situations
humorous. Milton Follock
and company and George Ade's spark-
ling comedy, "Speaking to Father" is
offered as the special extra attraction.
Hawthorne and Ingels have an amus-
ing and popular play, "The Fool There
Was," while Roxy LaRocca is a
talented harpist. The Alpine Troupe
are clever acrobats and acrobats;
George N. Brown, a comedian, is
featuring; the Gardner Trio, feature
dancers, and a comedy film feature
complete the bill.

NEW YEAR'S CONCERT.

Of Miss Mary Bruce-Brown, the
distinguished Scottish soprano, who
sang at Mr. Campbell's annual New
Year's concert in Massey Hall tonight,
it may be truly said: She came, she
sang, she conquered. No Scottish
vocalist has in recent years leaped so
rapidly into public favor. At the two
concerts she has already participated
in at Massey Hall, she made an instant
and powerful impression. Tonight
she should draw a "capacity" audience.
The supporting artists are the best in
the land, including Mr. Harold Jarvis;
Mr. Edward Stenhouse, a tenor from
Edinburgh; Miss Nellie McGehe, a
clever Scottish violinist; Fred Ayr-
shire; Miss Mary Lyon, from Detroit,
recounted the best elocutionist on
the concert platform this winter, and
others. Besides these will be singing
and dancing, as becomes a New Year's en-
tertainment. For variety and excel-
lence the programme could not well be
surpassed. Those who have not
ready reserved their seats should do
so during the day, and in that way
avoid crowding at the box office to-
night.

of the board of trustees of Queen's
University has received notice from
the British Army Council, thru Major-
General Sam Hughes, that the offer of
the medical faculty to furnish a sta-
tionary hospital in the war zone is
not accepted at present, as there is
no opening for it. The offer is much
appreciated.

FRIDAY MORNING, JANUARY 1

What Have You to Say?

This morning every voter in Toronto has a duty to perform. It is a duty which should be regarded as a solemn one, as well as a business. It concerns the welfare of the most important city in Canada.

Before he votes every elector should ask himself: "How shall I feel tomorrow if Tommy Church happens to be returned as mayor?"

The thinking voters of the city are not in any danger of making any mistake on this question. It is too serious a one. They already know what it means to have Boss rule in the city hall.

One voter who was asked if he were willing to place Tommy Church and the Telegram in charge of the city hall next year, made a reply worth considering.

Property owners should vote for the bylaw which funds are to be raised to build civic street car lines on Lansdowne avenue and in North Toronto.

Why, it may be asked, does not the other papers support Controller Church? They know him too well.

A Calgary paper remarks in this connection: "Two candidates are running for the mayoralty election in Toronto—Tommy Church and a man named McCarthy."

But there is one danger. When everyone feels that Tommy Church is a joke as mayor, a great many people rely on others to go out and vote for his opponent.

It is up to the voter, up to every voter, man or woman, who is on the register, to get out and poll his vote for a decent, responsible, economical and efficient administration for 1915.

Not a Party Vote

One of the peculiar things about the present campaign is the number of the people who say that they know Tommy

Church will not make a good mayor, but they would vote for anything rather than have a Grit mayor in Toronto.

The majority is not a political office. It is not often that a member of the Liberal party gets an opportunity to reach it.

Even if a Liberal mayor were elected in Toronto it would not injure the Conservative party. It would in fact tend to strengthen it.

The candidature of Controller McCarthy is in no way a political matter. Controller McCarthy has never been a political worker in the party sense.

At all events Controller McCarthy is not a noxious partisan. But Controller Church is a notoriously weak candidate.

There are still a number of partisans who have been inflamed by the exhortations of The Telegram, which were more effective with these partisans voters than with the leaders of the party.

Let it be granted that similarly-minded Grit voters would vote in the same way for Controller Church if he was associated with the Liberal party.

These voters often accuse themselves by saying they know very well Tommy has no chance of being elected.

Why should anyone cast a vote for a man for the mayoralty who he would not cast to put the same man into office in his lodge?

Why not? Why venture to think it is because the public recognizes that the roads can never offer a good investment to the public so long as they are tied up with

WATERWORKS PLAN VETOED BY BOARD

City of Ottawa's Proposals Again Turned Down by Health Officials.

The Ontario Board of Health met yesterday in special council and came back with a hard slam at the City of Ottawa by absolutely refusing to approve of the Currie-McVeety River filtration plans for a water supply.

The legislative bill in question was thought to have settled the matter for all time, but some sage counsel from the city found an objection in a protective clause and Justice-Middleton, by granting a mandamus, opened the door to a local bank, and was one of the staff of paymasters of the contingent.

THE NEW KNIGHT OF THE GARTER

The most distinguished honor accorded yesterday was that of Earl Derby, made a Knight of the Garter. Canadians remember him at Ottawa when his father, the Lord Stanley of Preston, was governor-general.

IT WILL NOT WORK

Grotesque are the efforts of the Wall Street manipulators to once again attract the American public to that great Monte Carlo. The country is gored with money.

ALBANY CLUB VIEW

Editor World: It is possible that the citizens of Toronto are going to make a laughing stock of our fair city by electing a blatherskite such as Tommy Church.

AN AUGUST OPINION

Editor World: I do not think the suggestion you and some of your correspondents make that Ontario's contribution should take the form of a battleship is a good one.

THE NEW CANADIAN KNIGHTS

George Parley, Clifford Sifton, made K.C.M.G.s; Herbert Holt of the Royal Bank, Montreal; William Price of Quebec, made Knights Bachelor, are the most prominent Canadians in the New Year honor list.

WATERWORKS PLAN VETOED BY BOARD

City of Ottawa's Proposals Again Turned Down by Health Officials.

The Ontario Board of Health met yesterday in special council and came back with a hard slam at the City of Ottawa by absolutely refusing to approve of the Currie-McVeety River filtration plans for a water supply.

The legislative bill in question was thought to have settled the matter for all time, but some sage counsel from the city found an objection in a protective clause and Justice-Middleton, by granting a mandamus, opened the door to a local bank, and was one of the staff of paymasters of the contingent.

THE NEW KNIGHT OF THE GARTER

The most distinguished honor accorded yesterday was that of Earl Derby, made a Knight of the Garter. Canadians remember him at Ottawa when his father, the Lord Stanley of Preston, was governor-general.

IT WILL NOT WORK

Grotesque are the efforts of the Wall Street manipulators to once again attract the American public to that great Monte Carlo. The country is gored with money.

ALBANY CLUB VIEW

Editor World: It is possible that the citizens of Toronto are going to make a laughing stock of our fair city by electing a blatherskite such as Tommy Church.

AN AUGUST OPINION

Editor World: I do not think the suggestion you and some of your correspondents make that Ontario's contribution should take the form of a battleship is a good one.

THE NEW CANADIAN KNIGHTS

George Parley, Clifford Sifton, made K.C.M.G.s; Herbert Holt of the Royal Bank, Montreal; William Price of Quebec, made Knights Bachelor, are the most prominent Canadians in the New Year honor list.

NOT A PARTY VOTE

One of the peculiar things about the present campaign is the number of the people who say that they know Tommy

You will be doing something patriotic too, because Eddy's make these and many other articles at their works at Hull, Canada, where from 1909 to 1914 men and women are employed constantly.

Toronto's postoffice situation was surveyed yesterday by official eyes and a conference between Hon. J. Chase Casgrain, postmaster-general, and the local officials was held with a view to "seeing something done quickly."

Mr. Casgrain was here purely on postoffice business and made no public appearances during the day. At noon he was guest of honor at a private luncheon in the York Club given by Hon. A. E. Kemp.

CENTRAL Y BOYS IN ATHLETIC STUNTS

Christmas Week Athletic
Meet Was Huge Success
—The Results.

Central "Y" Boys' Gym was the scene
of an enthusiastic gathering, as 50
school boys competed in the four events
of the Christmas week athletic meet.

All competitors weighed in just before
the events and were divided into weight
classes, 30 lbs.-35 lbs., 110 lbs., 125 lbs.,
and unlimited.

At 2:50 the first event was called,
standing broad jump in the 80-lb. class,
and the youngsters were very keen to
show their prowess. The jumps were
taken in order of weight and the results
were as follows:

80 lbs.—1, Ray Jones, 6 ft. 9 1/2 in.; 2,
G. Brown, 6 ft. 7 1/2 in.; 3, Reg. Jones,
6 ft. 6 1/2 in.

95 lbs.—1, Doug. Ward, 7 ft. 4 1/2 in.;
2, Harry Gardner, 7 ft. 4 in.; 3, Harry
Devitt, 7 ft. 1 1/2 in.

110 lbs.—1, Doug. Thomson, 7 ft. 6 1/2 in.;

Unlimited.—1, G. Sproule, 8 ft. 2 in.; 2,
C. Bourne, 8 ft. 3 1/2 in.; 3, A. Huestis, 9 ft.
7 1/2 in.

The standing hop, step and jump was
the next event, and the following results
need no comment:

Ray Jones, 18 ft. 10 in.; 3, G. Brown, 18
ft. 11 in.

95 lbs.—1, Harry Gardner, 20 ft. 6 1/2 in.;
2, Doug. Ward, 19 ft. 8 in.; 3, Harry
Devitt, 19 ft.

110 lbs.—1, Nell Patterson, 21 ft. 1 1/2 in.;
2, Cecil Hoag, 20 ft. 11 1/2 in.; 3, Freu
Wonders, 20 ft. 8 in.

125 lbs.—1, Norm Wilson, 23 ft. 3 1/2 in.;
2, Fred Lithgow, 22 ft. 5 in.; 3, Jack
Saer, 21 ft. 1 1/2 in.

Unlimited.—1, G. Sproule, 24 ft. 9 in.;
2, A. Huestis, 23 ft. 8 in.; 3, C. Bourne
and J. Magee, 23 ft.

At 3:30 p.m. the boys all adjourned
to the running track and took advantage
of a short rest prior to the sprints.
The "highwalks" were first up, and
some of them certainly did some fast
travelling around the saucer. The 35-lb.
class did best, producing the best com-
petition and the times were good. The
results:

—50-yard Dash—
80 lbs.—1, Ray Jones and Reg. Jones,
7 1/2 secs.; 2, M. Kerr and G. Brown,
8 1/2 secs.; 3, Gibson, 9 1/2 secs.
95 lbs.—1, H. Gardner, 7 1/2 secs.; 2,
D. Ward, 7 3/4 secs.; 3, H. Devitt, 7 4/5
secs.

110 lbs.—1, W. Lunn, G. Thomson and
C. Hoag, 7 2/5 secs.; 2, R. Burrows, 7 4/5
secs.; 3, W. Wells, N. Patterson, F.
Wonders, 8 secs.

125 lbs.—1, Harston and Wilson, 7 1/5
secs.; 2, Collins, Lithgow and Saer, 7 3/5
secs.; 3, J. Thelning and K. Pettis, 7 4/5
secs.

Unlimited.—1, Clare Bruce, 7 secs.; 2,
Kaiser, 7 1/5 secs.; 3, C. Bourne, G.
Sproule, J. Magee, 7 3/5 secs.

—100-yard Dash—
This event was the last on the pro-
gram and excitement ran high, owing
to the fact that the badges were to be
awarded on the "all-round score" (3
points for first, 2 for second and 1 for
third in each weight) and the scores
were now close, but the following re-
sults ended the uncertainty:

80 lbs.—1, M. Kerr and Reg. Jones,
15 1/5 secs.; 2, Ray Jones, 15 4/5 secs.;
3, G. Brown, 15 1/2 secs.

95 lbs.—1, W. Gardner, 14 4/5 secs.; 2,
D. Ward, 15 2/5 secs.; 3, H. Devitt, Gib-
son and Johnson, 15 4/5 secs.

110 lbs.—1, C. Hoag and G. Thomson,
8 points; 2, N. Patterson and W. Lunn,
8 points; 3, Wonders and Burrows, 8.
125 lbs.—1, Norm Wilson, 12 points; 2,
C. Harston, 7; 3, F. Lithgow and J. Saer,
5.

Unlimited.—1, G. Sproule, 8 points; 2,
C. Bourne, 7; 3, C. Bruce and J. Kaiser,
6.

The meet was in charge of Mr. Law-
rence Murray and Weston Hamby.

LIGHT DELIVERIES AT CATTLE YARDS

Market Yesterday Was Apathetic and Prices Moved Little.

FEW GOOD STEERS IN Trade in All Branches Except Hogs Was Only Nominal.

Stockers and Feeders—Scarcely any demand for either stockers or feeders and prices were nominal. Choice steers, 800 to 900 lbs., \$1.25 to \$1.40; good steers, same weight, \$1.15 to \$1.25; stockers, \$1.15 to \$1.25.

VANCOUVER, Dec. 31.—The controversy arising out of the Dominion Trust scandal is broadening out and involving new interests, a firm of auditors and a director of the defunct concern being the latest to air their feelings.

It is a newspaper interview a few days ago. Mr. Pitblado intimated that he had felt much surprise as well as some bitterness, in view of a favorable auditors' report, which had been sent him by the late W. R. Arnold, on which he had more or less based his investments in the company and advised his friends to do so.

WHEAT STRENGTH IN CHICAGO PIT

Estimates of Large Sales a Change Market During Session.

Canadian Press Despatch. CHICAGO, Dec. 31.—Big estimates on sale of wheat to Europe in the last 24 hours weighed the market today from reactions to strength.

As a result, the close, although unsettled, was 4-1/2 to 5-1/2 above last night's closing. Estimated sales, too, all showed a net gain—corn 1/4 to 5-8c, oats 1/4 to 1-8c, and provisions 1/4 to 1/2c.

Totals on the amount of wheat bought for export and not previously announced, were figured all the way from 1,000,000 to 2,000,000 bushels.

In addition, the bulls were encouraged by the purchase of 475,000 bushels of cash wheat here to go to Portland, Me. The price was likewise taken of the fact that Kansas millers were bidding sharply against exporters and that northwestern receipts were but little more than half as much as on the opening day a week ago.

Another cheering influence was a late Liverpool cable asserting that England would need 200,000,000 bushels of wheat from the United States before July.

Advancing freight rates on ocean vessels gave an advance early to the bears in wheat. Uncertainty as to the outcome of the Washington protest to Great Britain in regard to interference with shipping tended also for a while to cause prices to decline.
