I was sick about two years and spent a large sum of money, but received very little benefit until I tried your absorptive treatment. When I commenced using it this summer I could scarcely walk across the floor. I had such a weekness across me, and now I can walk a mile at a time and attend to household duties, and feel only too glad to recommend this truly great treatment to any person or persons who may be afflicted as I was you are at liberty to make any disposition of this note you may deem proper.
