HOCKEN WINS
FOUR-CORNERED
TORONTO FIGHTOpponents of Railway
Purchase Meet
Defeat.

[Canadian Press.]

Toronto Jan. 1.—H. C. Hocken was re-elected mayor of Toronto by a majority of about 5,000 over Frederick G. Mc'Brien, his nearest competitor, and a safe majority over all three competitors together. Mc'Brien's vote was larger than expected, and was due largely to the introduction of the proposed street railway purchase into the contest.

James W. Simpson headed the poll for the board of control. The other three elected were J. O. McCarthy, T. L. Church and John O'Neill, all three members of last year's board. Thomas Foster was the controller who was forced to make way for Simpson. Next to the vote for mayor and board of control, the greatest interest was taken in the question submitted to the electors as to whether the municipal franchise should be extended to married women. The electors, by a vote of two to one, favored the extension to the married women.

No Exhibition Buildings.
A bylaw to provide for the purchase of that part of the York Radial Railroad within the city limits was carried, but bylaws to provide for grants to new hospitals and \$600,000 for new buildings at the exhibition grounds were defeated. The electors also expressed themselves in favor of the city going into the dead meat business; that is, to sell meat to retail dealers.

The aldermen elected were: Ward 1—William D. Robbins, W. W. Hiltz, A. E. Walton. Ward 2—Henry Rowland, S. M. Wickett. C. A. Risk. Ward 3—Alfred Maguire, F. S. Spence, Samuel McBride. Ward 4—John Wanless, R. H. Cameron, L. M. Singer. Ward 5—J. W. Meredith, R. H. Graham, John Dunn. Ward 6—D. Spence. C. H. Maybee, W. Harland Smith. Ward 7—Samuel Ryding, F. I. G. Whetter.

The following were elected to the board of education: Ward 1—Dr. Gilmour Steele (2 years), J. W. Jackson (one year). Ward 2—Dr. John Noble. Ward 3—William Houston. Ward 4—Miss Yolks. Ward 5—W. O. McTaggart. Ward 6—W. W. Hodgson. Ward 7—James Ellis.

NEW CONTROLLERS REPLACE
ALL COUNCIL COMMITTEESLondon's Latest Piece of Legislative Machinery Will
Effectually Relegate Aldermen to the Background
—May Abolish Aldermanic Board.

The salaries of London's first controllers, elected Thursday, have not yet been fixed, the council of 1913 preferring to leave the matter to the members of the council elected yesterday. Under the act regulating the election of the board, the salary of each controller will be not less than \$400, or more than \$1,500, per annum. It is expected that the new council will name a figure of \$1,000.

Takes Committees' Place.
The new board of control will take the place of all the council committees in handling municipal business, and its sessions will be held in the daytime. Receiving a regular salary, the members will be expected to look after their work quite as faithfully as any other paid servants, and to devote a not inconsiderable amount of time to the position. It is confidently expected that the new innovation will work out satisfactorily for the city of London, and will be a decided improvement on the old aldermanic system.

Under the new procedure rules, passed by the city council in its dying moments on Tuesday, the duties of the board of control, briefly, will be as follows:

Will Prepare Estimates.
To prepare an estimate of the proposed expenditure of the year, and to certify it to the council for consideration.

To prepare specifications for and to award all contracts, and for that purpose calling for all tenders, but accepting none until it has been reported to the council. A two-thirds vote of the entire council—in other

words, twelve votes—is necessary to upset a decision of the board of control.

Inspect Municipal Works.
To inspect and report to council monthly or oftener upon all municipal works being carried on or in progress.

To make civic appointments and dismissals, subject to the sanction of the council.

To submit proposed bylaws to the council, if it so desires, and amalgamate departments or sub-departments, if desirable.

Receive All Estimates.
To receive all estimates of the different school boards, police commissioners and other public boards.

To consider, report and act on matters relating to railway stocks, bonds or other securities held by or belonging to the corporation, and to consider and report on all matters dealing with the leasing and selling of city property.

To consider, report and deal with all matters relating to railways in which the city may be interested, and a thousand and one other things that have heretofore been the work of the council committees, including public buildings, fire department, streets, street lighting, street watering, hy-draulic fire limits, markets, licenses, electrical wiring and many more.

Will Dispense With Council.
The new controllers will be practically city managers, and it is possible that within a year or so legislation will be obtained to entirely dispense with the council, which with the board of control working properly, will be an unimportant body.

BY SHOVELLING SNOWMontreal Department Hampered
By Not Having Any
Water.

Montreal, Jan. 1.—Seven families living in the two-storey apartments from No. 16 to No. 36 Louis square, which is within the water famine district, were dispossessed this afternoon when a fire completely gutted three substantial residential structures.

It was forty minutes after the firemen arrived on the scene before a line of hose, nearly a mile long, sent the first dribbling stream into the flames.

A second and a third stream followed in the next half hour, entailing the use of about 15,000 feet of hose. In the meantime firemen and volunteers shoveled snow from the surrounding streets and cast it through the windows into the seething mass of flames.

SEVEN KEYS TO BALDNESS

The New Sensational Comedy
With a Laugh in Every Line
By
Earl Derr Biggers

Copyright, The Bobba-Merrill Company.

"We took the chance," he went on. "For a time everything went well. Then, one blustering March night, Hayden came to me and told me he was certain to be caught. Some of his plans had gone awry. I trusted him fully at the time, you understand—he was the man with whom I had sat on the widow's seat of my room at college, settling the question of immortality, and all the other great questions of this momentous time. He was quite truthful when he said he was in danger of arrest. We arranged to meet the next night at the Argosy Club and decide on what we should do."

"We met in the library of the club. Hayden came in to me from the card-room adjoining, where he had been watching the admiral doddling over his eternal game. The old man had become a fixture at the club, like Parker down at the door, or the great chandelier in the hall. No one paid any attention to him, when he tried to talk to the younger men about his game they fled as from a pestilence. Well, as I say, Hayden came to meet me and just at that moment the admiral finished his game and went out. We were alone in the library."

"Hayden told me he had thought the matter over carefully. There was nothing to do but to clear out of Reuton forever. But why, he argued, should we not go? Why wreck two lives? It would be far better, he told me, for one to assume the guilt of both and go away. I can see him now—how funny and white his face looked in that half-lighted room—how his hands trembled. I was far the calmer of the two."

"I agreed to his plan. Hayden led the way into the room where the admiral had been playing. We went up to the table over which the green-shaded light still burned. On it lay two decks of cards, and Hayden picked up the nearest deck, and shuffled it with his fingers. His face—it was like the snow out there on the mountain."

Kendrick closed his eyes, and Magee gazed at him in silent pity. "He held out the deck," went on the exile softly, "he told me to draw. He said if the card was black he'd clear out. But if it's red, David, he said, 'you—got to go.' I held my breath and drew. It was a full minute before I dared look at the card in my hand. Then I turned it over and it was—red—a measly little red two-spot. I did not suppose a man ever realizes at once what such a moment means. I remember that I was much cooler than Hayden. It was as if he had braced him up. He tried to joke with him. But his face was like death. He hardly spoke at all at first and then suddenly he became horribly talkative. I left him talking wildly—I left Reuton. I left the girl to whom I was engaged. I left the silence that followed. Mr. Magee leaned forward and stirred the logs."

"I don't want to bore you," Kendrick said, trying to smile. "I went to a little town in South America. There was no treaty of extradition there—nor anything civilized and decent. Yes, Mr. Magee, I believe, it is a lovely world of which I speak. I went away—why I stayed away. She is still ready to marry me. I shall go again into the Suburban office and try to lift the load from me. I am too much for me to hope—and your kindness—that a great happiness is still for me."

"Believe me, I'm glad," replied Magee with youthful enthusiasm. "I spotted your little game up here, but—understand, 'I think none the less of you for what you have done. And who knows? It may turn out the wisest course after all. Ah, would it? Mr. Magee walked to the window, pondering on the odd tangle of events that had not yet been completely straightened out. Certainly her eyes were honest as well as beautiful—but who was she. Where was she. The great figures of Mrs. Norton stirred restlessly near at hand; the puffed lips of her eyes opened."

"Mr. Magee," she said, when she had made out his figure by the window, "you have been a true friend, as I might say, to a couple of mad females who ought to have been at home by their own firesides, and I'm going to ask one more favor of you. Find out when the next train goes to Reuton, and see that I'm at the station an hour or two before it pulls out. I'll do that," Mrs. Norton, smiled. "Yes," answered the woman, "that's my name. Of course it ain't hers. I can't tell that."

"No matter," said Mr. Magee, "she'll probably change it soon. Can't you tell me something about her?—just a tiny bit of information. Just a picture of where she is now, and what she's doing with that small fortune I gave her."

"Where is she now?" repeated Mrs. Norton. "She's home and in bed in my second floor room, unless he's gone clear away. And that's where I wish I was this minute—in bed—though it's a question in my mind if I'll ever be able to sleep again, what with the upsurge and confusion my house is probably in by this time, leaving it in charge of a scatter-brained girl. Norton always used to say, 'If you want a thing done right, do it yourself, and though he didn't always live up to the sentiment, letting me do most of the things he wanted done right, there was a lot of truth in his words. I certainly must get back to Reuton, just as quick as the railroad will take me.'"

SHILOH CURES COUGHS & COLDS

SALTS FINE FOR ACHING KIDNEYS

We Eat Too Much Meat, Which Clogs Kidneys, Then the Back Hurts.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine, so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble. W. T. Strong, agent for Jad Salts.

Lloyd-George Gives Three Reasons For Calling a Halt.

London, Jan. 1.—In the form of a report of long conversations which Chancellor Lloyd George has had with close friends during the Christmas holidays, the Daily Chronicle gives a sort of new year's message from the chancellor to his supporters, throwing interest side lights on the chancellor's views on the armaments question.

Pointing to the enormous burden which armaments impose on the taxpayer and to the fact that the growth of armaments still leaves the nations in the same relative strength, Mr. Lloyd George thinks that the present is the most favorable moment in twenty years for a policy of retrenchment. He cites three reasons: first, Great Britain's relations with Germany are more friendly than for many years, both realizing that there is nothing to gain and everything to lose by a quarrel; second, all the continental nations are now directing their attention to strengthening their land forces, Germany having

LONDON BASEBALL CLUB
MEETS TODAY TO CONSIDER
REISLING'S APPOINTMENT

(BY JINX.)

The London Baseball Club directors will hold a special meeting this afternoon to appoint a manager for the coming season. Dr. F. C. Reisling, the former big league twirler, and more recently coach of the Washington American League Club's pitching recruits, has practically landed the position, and this afternoon's meeting is called merely for the purpose of ratifying the selection.

Reisling May Settle Here. President Stevely received a letter from Dr. Reisling this morning in which the Caldwell dentist states terms which are viewed with favor by the London club directors. He says that if he is signed up on those terms, it will be the cheapest job he has held for over 12 years. However, he has another reason for wishing to come to London other than that of managing the ball team. He is looking for a place in which to settle down, and he has heard so much about this city that he is eager to come and locate here permanently, if he likes the look of it.

Will Seek the Youngsters. Dr. Reisling will probably be one of the most experienced managers in

the Canadian league as far as big-league baseball career goes, if he is signed by London. His long service with the Washington Club as a pitcher and his later experience as a developer of young pitchers will be a valuable asset to the London Club. In his letter, he states that he can land several good players for the London Club, and he realizes the advantage in securing promising youngsters. He will play himself, likely taking his turn in the box. He is a good batter and when he is not working in the box will make a good pinch hitter.

Fitzgerald Likes Him. The London directors believe that Reisling is a good man. President Stevely was talking over the long distance telephone with President Fitzgerald of the Canadian league this morning and the latter stated that the London Club, in his opinion, had made a ten-stroke in landing the former big-leaguer. He says, Reisling is still far from the scrap heap, and he will not only make a good manager, but a good ball player also.

Recommended by Cleveland. Secretary Bernard of the Cleveland Club, has also recommended the Cald-

well dentist to the London Club. He is well known to the Cleveland Club and London has the promise of the Cleveland management that they will give him any assistance that he requires in getting players. Reisling stands in well with many other big league clubs and it is not improbable that he will act as scout for a few of them. He, himself, states that he will have no trouble in securing a good bunch of players for the London Club, and although he does not boast that he will grab the pennant, he gives the impression that he will not be very far from the finish when the league race is over.

Will Meet London President. Following the meeting this afternoon, it is altogether likely, President Stevely will make arrangements to meet Dr. Reisling in Cleveland at the first of the week. Of course this depends on whether the London Club decides to appoint him to the managerial position this afternoon. The present outlook is, however, that Reisling will be the man that pilots the Tecumsehs next spring, and judging from what was gathered from the London directors this morning, he has practically cinched the job.

and Brantford offered him \$300 for the release of Behan.

An Attack on Mr. O'Neill. The story is the veriest rot. It is a pure fabrication from start to finish, and it is difficult to imagine just what prompted it. It looks like nothing more or less than an attack on Mr. O'Neill, and if he chose he might be able to get a nice little libel action out of it.

The writer was present in the room at the Canadian League meeting when the deal was put through, and Mr. O'Neill bought the franchise because he considered that it was a splendid bargain at the ridiculously low figure Mr. Mahoney put on it. Mr. O'Neill thought Mr. Mahoney was joking when he said he would pay \$2,500 for it, and made no effort to close a deal until Mr. Mahoney insisted that it was not a joke. The London director is a businessman and he regarded the purchase of the Guelph club at that price as a good business proposition. The recent sale of Player Wright bears this out. The Ottawa club did not offer \$1,200 for four Guelph players, either at the meeting or since, and as for Brantford being willing to pay \$300 for Behan's release, it is to laugh. If President Nelson has \$300 to spend for ball players he will make it go a deal farther than it would in purchasing Behan.

BY JINX. A wild story concerning the purchase of the Guelph Canadian League franchise by Director George H. O'Neill, of the London club, is being circulated about the circuit at present. The story originated in the Brantford Examiner, but, with all due respect to the Examiner, there is little of the truth in it.

According to this story, the purchase of the Guelph franchise by Mr. O'Neill was due to a frame-up hatched by five residents of Guelph, who wanted to gain control of the club. They bought Mr. O'Neill into it because they thought he could get a better price for it than they could. Accordingly, then, at the Canadian League meeting, Mr. O'Neill was prepared to make the deal, and when Mr. Mahoney jokingly said he would take \$2,500 for his club, Mr. O'Neill snapped it up, and Mahoney was "joshed" into selling, although he wanted to back out after seeing that the London man had the gold coin ready for him. The story then goes on to say that Mr. O'Neill turned around and double-crossed the man he was supposed to be getting the franchise for, and kept it himself, refusing to turn it over for less than \$5,000. Other wild statements in this "pipe" are that Shaughnessy offered Mr. O'Neill \$1,200 for four of the Guelph players,

KNOCK-OUTS WERE FEW

Joe Mandot, Ad. Wolgast, Freddie Welsh, Eddie McGorty and Battling Levinsky Among The Winners.

[Canadian Press.] Milwaukee, Wis., Jan. 1.—Ad. Wolgast, of Cadillac, Michigan, former lightweight champion pugilist, defeated Jack Redmond, of Milwaukee, in five rounds of a ten-round boxing contest this afternoon.

Referee Harry Stout stopped the contest about the middle of the fifth round, when Redmond was clearly shown to be outclassed, and without any chance to win.

The first two rounds were rather tame. Wolgast from the beginning of the third round had matters his own way. Redmond was bleeding from the mouth in the fourth.

In the fifth round Wolgast drove several hard left jabs to the body and a right uppercut to the jaw when the referee stopped the fight.

"BATTling" LEVINSKY KNOCKS OUT DALY.

[Canadian Press.] New York, Jan. 1.—"Battling" Levinsky, a light heavyweight of this city, knocked out Tom Daly, the Omaha giant, this afternoon in the second round of what was to be a ten-round bout. Levinsky easily out-boxed his opponent in the first round, when he sent in two lefts to the stomach.

In the second round he doubled Daly up with a smash to the stomach, and the Omaha man was out for five minutes.

Daly outweighed Levinsky by 45 pounds.

EARL FISHER LOOKS GOOD AGAINST MANDOT.

[Canadian Press.] Cincinnati, O., Jan. 1.—Joe Mandot, of New Orleans, and Earl Fisher, of this city, fought an interesting ten-round bout here today with no decision by the referee. Fisher was aggressive, and showed much class. Both men are lightweights.

"SAPPER" O'NEILL OUT-POINTED HARVEY.

[Canadian Press.] New York, Jan. 1.—"Sapper" O'Neill, the English lightweight pugilist, out-pointed Johnny Harvey, of this city, in a ten-round bout here today. Young Fox, also of England, proved to be too clever for "Kid" Herman, a bantamweight, from Pekin, Illinois, in another bout, which went to the ten-round limit.

BANDSMAN BLAKE BEAT THE DIXIE KID.

[Canadian Press.] London, Jan. 1.—Bandman Blake, the champion English middleweight pugilist, tonight defeated "Dixie Kid," the American negro boxer, on points in a twenty-round bout. Blake is regarded by the followers of pugilism as the man most likely to regain England's lost heavyweight honors from the Frenchman, Georges Carpentier, who recently knocked out Bombardier Wells, who held the title, in one minute and thirteen seconds.

Bandman Blake, the latest English "white hope" was once a soldier in the British Army. He first gained recognition as a fighter while with the army in India, taking part in forty odd battles and winning the middleweight and heavyweight championships of the land forces. Since his return to England, the most pretentious fight he engaged in before that with "Dixie Kid" was when he knocked out Private Harris, a heavyweight ex-soldier, in ten rounds.

Blake weighs only about 165 pounds. Carpentier when he defeated Wells recently weighed in at 170 pounds.

"Dixie Kid" knocked out Carpentier in five rounds at Trouville, France, in 1911. Carpentier at that time was a welterweight.

They will not stop.

"GUNBOAT" KNOCKED OUT
PELKEY IN THE FIFTEENTHCanadian Heavyweight Was Outclassed
by Californian After the First Round—
Ring Swing to Jaw Settles It.

[Canadian Press.]

San Francisco, Jan. 1.—"Gunboat" Smith, the California heavyweight, scored a decisive victory today when he knocked out Arthur Pelkey, the much-heralded Canadian fighter, in the fifteenth round of their "white hop" championship battle in the Daly City open-air amphitheatre. The sailor was a strong favorite in the betting at odds of 7 to 10.

Pelkey's Disappointment. Smith's aggressiveness culminated in a clean-cut right to the chin, and his superior all-around work in all but two or three rounds did much to pave his way to victory. Pelkey proved a keen disappointment, being slow and seldom taking the fight to his shifter opponent.

Pelkey's Only Round. The fight opened with the Gunner forcing matters with snappy lefts to the face, but Pelkey, making his best showing, drove in several hard rights to the body and face that staggered Smith and sent him to his corner bleeding from the mouth. The crowd cheered the Canadian, and bets were made of events that he would win.

[Canadian Press.]

Smith Forges to Front. In the second round Smith scored heavily to the jaw, and in the third Pelkey clouted his man viciously over the kidneys. Rounds four and five were without feature, but in the sixth Smith forged to the front, and thereafter was never in danger. In this round he fought the Canadian a standstill with left uppercuts, sending him to his corner dazed and bleeding from the mouth.

Smith Gains Confidence. Smith continued to gain confidence as the fight progressed, and dancing around his bulkier opponent worked his left to great advantage and forced Pelkey to clinch for shelter. After thirty seconds fighting in the fifteenth round, Smith fainted with his left, then swung his right with lightning-like rapidity. The blow landed with a crash on Pelkey's unprotected jaw. Pelkey dropped with his eyes glassy. Mechanically he struggled to his feet at the count of nine and unsteadily assumed his fighting pose. A left and right applied similarly toppled him on his back, and he was out when Referee Griffin awarded the fight to Smith.

CANADIAN LEAGUE MEETS
NEXT WEEK TO DEAL WITH
THE SITUATION IN ERIEPresident Fitzgerald Has Received No Word From Secretary Farrell as Yet, but Expects Some Information Any Time—
Erie Is Trying To Enter New York State League.

President James P. Fitzgerald, of the Canadian League, stated this morning during a long distance telephone conversation with President Stevely, of the local club, that a meeting of the Canadian League will be called for next week, probably Thursday or Friday. The date has not been decided upon yet, but will be announced in a couple of days.

No Word Yet. The purpose of this meeting will be to deal with the question of invading Erie. As yet, President Fitzgerald has heard nothing from Secretary Farrell of the National Association, who has the whole say in regard to what disposition is made with Erie, but he expects word almost any time. Secretary Farrell has been away from home for several days, and no doubt has not had the time to reach a decision in the matter.

Schedule Committee To Be Chosen. There are several other matters coming up for discussion at the Canadian League meeting next week. President Fitzgerald has not yet appointed the schedule committee, but it is likely he will do so at this meeting.

Erie May Enter New York State. President Fitzgerald did not know just what to expect in regard to the Erie situation. He believes that efforts are being made to get Erie into the New York State League in place of Albany. The Albany club is dropping out, and as Secretary Farrell is also president of the New York State League, he may arrange to have Erie come into that organization. There is no doubt the Erie club will make an effort to get into a league nearer home than the Canadian League. However, as the time limit given Erie to locate in another league has expired, the Canadian League has a perfect right to step in and place a team in that city.

Holmer was followed to the tape by George Dinning, of London, England, last year's winner, and Willie Kolehmainen, of Finland, the winner in 1912. The three men were closely bunched together from the ten-mile mark until they entered the stretch for home, when Holmer spurred and won a fine race.

LEACH CROSS KNOCKED OUT ANDERSON AGAIN.

[Canadian Press.] Los Angeles, Calif., Jan. 1.—For the second time in six months, Bud Anderson of Medford, Oregon, today was knocked out by Leach Cross, of New York. The end came in the seventh round, when Anderson went down for the third time under a shower of blows to the jaw and stomach, and fell helpless across the ropes. He was out fully five minutes.

Cross was the master in every round and in the seventh beat Anderson to the floor three times, the last for the count. He used the ring tactics he employed on July 4, last in his fight against Anderson, and achieved the same result. He stalled and then pulled in and beat his man down. The stalling began in the sixth round. Cross staggered about with his arms hanging down and catching Anderson off guard, hammered his jaw and stomach with a sudden volley of straight arm blows. In the seventh the New Yorker repeated the ruse.

A left hook to the chin sent Anderson down for the first time. He took the count of eight. Cross next uppercutting him hard, sending him to the floor for a second time. On arising Anderson held on, helpless. The crowd yelled to the referee to stop the fight. Cross shot a right jolt to the boy's chin, a left swing to the stomach and Anderson collapsed.

This was McGorty's first fight in Australia, and the men met at catch weights in the presence of 16,000 spectators at the stadium.

FREDDIE WELSH BEAT DUNDEE ON POINTS.

[Canadian Press.] New Orleans, La., Jan. 1.—Freddie Welsh, lightweight pugilistic champion of England, defeated Johnny Dundee, of New York, here today in a ten-round fight. Dundee was credited with having the best of the first two rounds; Welsh showed superiority in the fourth, eighth and tenth rounds, and the others were even.

A WILD STORY
FROM BRANTFORD

Says Geo. H. O'Neill Double-Crossed Guelph Men in Buying Guelph Club.

DEAL WAS A FRAME-UP

Uncalled for Attack on London Director Regarding Purchase of Guelph Franchise at League Meeting.

BY JINX. A wild story concerning the purchase of the Guelph Canadian League franchise by Director George H. O'Neill, of the London club, is being circulated about the circuit at present. LONDON AND ST. THOMAS MEET HERE THIS EVENING

Saints Are Bringing Strong Team and Big Crowd of Rooters for the Game.

The London Intermediates will open their O. H. A. season in the Princess rink this evening, opposed to the fast St. Thomas team. The Saints have been practicing hard since their defeat in Ingersoll on Monday night, and according to dispatches from the Railway City, the team that London meets tonight will be a hundred per cent faster than the London team has also been working hard and are in pretty good shape. St. Thomas will bring a big bunch of rooters, and there will be a large attendance. The London team will line up practically the same as against Detroit in the last half of the second game. Lee Walden will in all probability be found at right wing, although this had not been definitely decided on last night. Edwards is rounding into shape and he and Lee are about six-of-one-and-a-half-a-dozen-of-the-other for the position.

FRANK MANTELL WON FROM BILLY WEEKS

[Canadian Press.]

Vancouver, B. C., Jan. 1.—Frank Mantell, of Sacramento, Cal., battled his way to the Canadian middleweight championship at the Stevenson Arena this afternoon. He was awarded a doubtful verdict over the titleholder, Billy Weeks, of Vancouver, at the end of the fifteenth round. Mantell's superior work in the fighting won the title for him in Referee Jimmy Howitt's opinion, although in the opinion of the majority at the ringside the official erred in his judgment. It was a disappointing contest. Any shade that Mantell had in the clinches and he did little damage when they were looked, was offset by Weeks' all-around work.

ST. THOMAS PRACTICES ON PINAFORE LAKE

[Special to The Advertiser.]

St. Thomas, Jan. 1. — Manager Maguire had his men out for two good workouts today in preparation for the game with the London O. H. A. Intermediates Friday night.

As there is no ice at the rink the boys were taken out to Pinafore Lake, where there is a good sheet.

The manager stated that he was satisfied his charges were in splendid mettle to face the puck when the whistle is blown for Friday night's battle.

A good crowd of hockey fans are expected to journey to London to witness the sport. A special traction car has been arranged for. Several teams are expected to give additional strength to the locals.

THE MACKINAW COAT.

Captain Haygarth says that the Mackinaw coat, which is made in soft plaid effects of startling and varied colors, is now being worn by all the curlers in Montreal and Ottawa, and that it is rapidly gaining in favor.

"These new coats came direct from England, where they are worn by men on the streets in the winter months when the weather is not fair. They are adapted to athletic winter sports, being very warm, and yet of that open texture which helps keep the body dry."

Captain Haygarth says that he is selling his Mackinaw coats at cost in his Semi-ready "Lonely" sale, and that he believes they will be a turn when the curling bonspiel is in winter.

[Special to The Advertiser.] Paris, Jan. 1.—The death took place this morning of one of the oldest and most highly esteemed residents of Paris, in the person of John Tinecknell, in his 74th year. Deceased was a native of Wedmore, Somersetshire, England, and came to Canada 54 years ago.

He engaged in farming near Keg Lane, just outside Paris, for some time, but for nearly 40 years he successfully conducted a market garden at Falkland, 8 miles west of Paris, and for more than 20 years had resided in town. He was a consistent member of the Methodist Church, and in politics a Conservative. His wife died eight years ago. A family of four sons and four daughters survive. The funeral will take place to Paris Cemetery at 2:30 p. m. on Saturday.

MARRIED AT PARIS. [Special to The Advertiser.] Paris, Jan. 2.—The wedding took place this afternoon of Miss Hazel Wickman and Mr. Willard Brown, both of Banfield street, Paris.

ROLL OF HONOR FOR FENIAN RAID VETERANS

Auditor General to Print Names of Those Receiving Grants.

Ottawa, Jan. 1. — A new feature of the auditor-general's report this year will be a list of those who have received Fenian raid grants.

The name of every man who received \$100 grant to the close of the fiscal year will appear in the report, with the corps in which he served and his present address. Thus the auditor-general's report will become a roll of honor, and to some extent the publicity given the names will be a protection against fraud, as persons who obtain the grant through false representation will be liable to exposure through this publicity and may be prosecuted.

The list has grown to a great length and will add considerably to the bulk of the auditor's report this year.

ROY BRONSON WAS BEATEN BY A DANE.

Melbourne, Jan. 1.—Waldemar Hobers, the Danish lightweight boxer, easily defeated Roy Bronson, the American lightweight, on points in a twenty-round contest here today.

Mr. and Mrs. Earl Davidson, of Cottam, spent the holidays with their parents. Miss Gladys McKinnon, of London, was a recent visitor with Miss Eva Williams.

Mr. Horace Light visited his brother in Toronto for a few days recently.

A meeting was held in the Masonic Hall to elect the village council. The newly-appointed officials are George Westlake, Eber Kelly and Edward Baird.

Miss Marjorie Lyons, of London, was the guest of Alice Carley on Tuesday.

Stocktaking Sale of Stoves

IT IS NEVER TOO LATE FOR A NEW HEATER OR RANGE

Because the winter is pretty well advanced is no reason why you should put off the buying of a new stove till next fall. You may think that the old stove will do for another year, but it is much more expensive to maintain an old one, as they consume much more fuel and will not give near the satisfaction. What is saved in fuel will amount to more than the interest of the money expended.

In order to reduce our stock we are offering special reduced prices on all Stoves in stock, including Heaters, Coal Ranges, Gas Ranges and Combination Coal and Gas Ranges.

A visit to our stove showroom will convince you of the values we are offering.

LONDON AND ST. THOMAS MEET HERE THIS EVENING

Saints Are Bringing Strong Team and Big Crowd of Rooters for the Gam.

The London Intermediates will open their O. H. A. season in the Princess rink this evening, opposed to the fast St. Thomas team. The Saints have been practicing hard since their defeat in Ingersoll on Monday night, and according to dispatches from the Railway City, the team that London meets tonight will be a hundred per cent faster than the one Ingersoll beat. Several of the players St. Thomas played on Monday night were merely tryouts, and as the Saints had been unable to get on the ice previous to the Ingersoll game they did not know who their good men were.

The London team had also been working hard and are in pretty good shape. St. Thomas will bring a big bunch of voters, and there will be a lot of yelling. The London team will line up practically the same as against Detroit in the last half of the second game. Lee Walden will in and against Detroit in the last half of the second game. Edwards is rounding into the superior work in the about six-of-one-and-a-half-a-dozen-of-the-other for the position.

FRANK MANTELL WON FROM BILLY WEEKS

[Canadian Press.] Vancouver, B. C., Jan. 1.—Frank Mantell, of Sacramento, Cal., battled his way to the Canadian middleweight championship at the Stevenson Arena this afternoon. He was awarded a doubtful victory over the titleholder, Billy Weeks, of Vancouver, at the end of the fifteenth round. Mantell's superior work in the fighting won the title for him in Referee Jimmy Howitt's opinion, although in the opinion of the majority at the ringside the official erred in his judgment. It was a disappointing contest. Any shade that Mantell had in the clinches, and he did little damage when they were locked, was offset by Weeks' all-around work.

"Lefty" Rogers Would Like to Leave Ottawa to Become Manager

Ottawa Journal.—"Lefty" Rogers, the Senators' star pitcher and outfielder, will leave on Jan. 15 for his home at Batesville, Ind. Rogers, who has been in Ottawa since the close of the Ottawa season, expects to rejoin the Senators in the spring. He would like to get his release from the management of another club.

BASEBALL IN DETROIT ON NEW YEAR'S DAY

Detroit, Jan. 1.—The St. and S. baseball team defeated the Alerts in Mack Park here this afternoon by a score of 7 to 1.

The game was the first baseball contest to be staged in Detroit on New Year's Day in years, and the novelty of it drew a fair crowd. Both teams are semi-pros.

The score: RR. H. S. and S. 0 0 2 3 0 2—7 10 Alerts 0 0 0 0 0 1—1 3 Batteries: Shocker and Milligan; Fuller and Auge. Umpire—Lahan.

ST. THOMAS PRACTICES ON PINAFORE LAKE

[Special to The Advertiser.] St. Thomas, Jan. 1.—Manager Maguire had his men out for two good workouts today in preparation for the game with the London O. H. A. intermediates Friday night.

As there is no ice at the rink the boys were taken out to Pinafore Lake, where there is a good sheet.

The manager stated that he was satisfied his charges were in splendid mettle to face the puck when the whistle is blown for Friday night's battle.

A good crowd of hockey fans are expected to journey to London to witness the sport. A special Traction car has been arranged for. Several "puck" are also on duty at the rink, which are expected to give additional strength to the locals.

THE MACKINAW COAT.

Captain Haygarth says that the Mackinaw coat, which is made in soft plaid effects of startling and varied colors, is now being worn by all the curlers in Montreal and Ottawa, and that it is rapidly gaining in favor.

PARIS CITIZEN DIES.

[Special to The Advertiser.] Paris, Jan. 1.—The death took place this morning of one of the oldest and most highly esteemed residents of Paris, in the person of John Tinsclenell, in his 74th year. Deceased was a native of Wedmore, Somersetshire, England, and came to Canada 54 years ago. ROLL OF HONOR FOR FENIAN RAID VETERANS

Auditor General to Print Names of Those Receiving Grants.

Ottawa, Jan. 1.—A new feature of the auditor-general's report this year will be a list of those who have received Fenian raid grants.

The name of every man who received \$100 grant to the close of the fiscal year will appear in the report, with the corps in which he served and his present address. Thus the auditor-general's report will become a roll of honor, and to some extent the publicity given the names will be a protection against fraud, as persons who obtain the grant through false representation will be liable to exposure through this publicity and may be prosecuted.

The list has grown to a great length and will add considerably to the bulk of the auditor's report this year.

ROY BRONSON WAS BEATEN BY A DANE.

Stocktaking Sale of Stoves

IT IS NEVER TOO LATE FOR A NEW HEATER OR RANGE

Because the winter is pretty well advanced is no reason why you should put off the buying of a new stove till next fall. You may think that the old stove will do for another year, but it is much more expensive to maintain an old one, as they consume much more fuel and will not give near the satisfaction. What is saved in fuel will amount to more than the interest of the money expended.

In order to reduce our stock we are offering special reduced prices on all Stoves in stock, including Heaters, Coal Ranges, Gas Ranges and Combination Coal and Gas Ranges.

A visit to our stove showroom will convince you of the values we are offering.

LOCAL MARKET

Hay was active on the local market today. Previous to 10 o'clock this morning 25 loads had been offered and found rapid sale. Because of the increased offering, the prices are somewhat easier, at \$12 to \$15. Straw was slow with one load, selling at \$8.

During the past week there has been little demand for oats, and today was no exception. The price obtained on the square is \$1 to \$1.05. Wheat, as usual, is firm at 85 to 86 cents.

With the mild spell, eggs are selling somewhat easier. The retail price is 42 to 43 cents, with a good supply and a brisk demand.

Fancy retail butter is firm at 32 cents. The supply today was small. STEEL MILLS LOOKING FOR A LARGER OUTPUT

Prospects Good for Improved Business During the Month.

Pittsburg, Pa., Jan. 1.—That there will be heavier production and shipment of steel from the mills in January, goes almost without saying. The incident of the holiday makes it desirable to close for the entire week, as an extra expense would be involved in closing for the single day, and this throws them a little behind in shipments; then, again, buyers have been disposed to take material on account of inventory impending, and immediately after the turn of the year they will loosen up at least to an extent.

hearted by the result. When it was known that Mayor Graham had been re-elected, Mr. Richter issued the following statement:

"I have had very many warm friends in the campaign, and I wish to sincerely thank those who in any form worked for me, and gave me their loyal support. I am only sorry, for their sakes, that we meet with a disappointment."

Permanently Out of It.
"I am permanently out of it, and nothing whatever will induce me to again enter municipal life."
"In the first place, I was not at all desirous of running, and did so only after being so urged by many citizens. The genuineness of their request is shown by the vote polled on my behalf."

"The days being few, I had no time for a personal canvass, nor had I any organization, this being in direct contrast to the machine organization of my opponent."

"The campaign of misrepresentation and slander indulged in had, I suppose, something to do with the result of the vote."

Pleased at Relief.
"Personally, I am pleased to be relieved of further municipal responsibilities as I will now be able to devote more attention to my own affairs, and possibly have a little leisure."

"I do not feel that I am called upon to devote any further efforts to civic matters. I have paid my debt; I have given four years; and the reward is not such as is likely to induce other business men to put themselves in a similar position."

Has Done His Duty.
"I have done my duty disinterestedly and fairly, and I think that I have received the reward that often comes to the man who does that. In any public position the man who strictly does his duty, often displeases and makes enemies because he refuses to listen to demands for private favors."

"The campaign, so far as I am concerned, was clean. I said nothing at any time to reflect on my opponent in the slightest degree. This is as it should be, and if I had won, I should have done so without these tactics."

Mayor-Elect's Statement.
Mayor C. M. R. Graham was naturally pleased with the result. "I thank the public for the support given me," he told The Advertiser, after the returns were in, "and for the indorsement of my associates and myself."

Then his Worship had some other things to say regarding certain newspaper criticisms made of him, but entirely forgot to mention the vituperative attacks made upon his opponent.

Aid, Willoughby wills headed the polls for the new Hydro board, leading T. J. Stewart, M.P. for West Hamilton, the other member of the board by over six hundred votes. Ex-Mayor Lees and ex-Ald. Alf. Wright were badly beaten. The aldermen are Chester Walters, J. B. Tyrell, T. B. McQuesten, T. M. Wright, D. Garson, R. M. Roy, Dr. Davey, H. C. Coe, F. Littlewood, William Birrell, Thomas Robson, David Newlands, T. Gleadow and J. H. Plunkett.

The political division is ten Conservative aldermen, two Conservative controllers and six Liberal aldermen and two Liberal controllers. Mayor Allan, re-elected by acclamation, is a Conservative.

The ratepayers voted \$235,000 to complete the Hydro plant, \$100,000 for city hospital improvements, \$100,000 for extensions to the mountain sanitarium and \$200,000 for a new hospital on the mountain.

A bylaw providing \$50,000 for library needs was defeated.

NURSE'S FATHER WAS KILLED BY STREET CAR

[Special to The Advertiser.]
Detroit, Jan. 2.—James Johnson, formerly a resident of Thamesville, Ont., died at St. Mary's hospital shortly after midnight as a result of injuries sustained when he was struck by a street car at Cass and Grand River avenues.

Mr. Branton, manager of the Western Ontario Electric Co., of St. Thomas, states that a wrong impression has been created through the sale of the property they now occupy. Their lease runs until 1915, and it is their intention to remain in the present premises.

LORD'S DAY ALLIANCE REGRETS THE VERDICT

London Vote, However, Only An Incident in the Fight.

By an overwhelming majority of 2,685 London yesterday again decided in favor of Sunday street cars. In 1909, the vote stood 3,564 for and 3,194 against. Although the people are evidently strongly in favor of the operation of Sunday cars, members of the Lord's Day alliance expressed regret when informed of the result by the Advertiser.

Rev. J. G. Stuart, local president of the Lord's Day alliance, said that the contest yesterday was only a unit in the Dominion wide battle for the preservation of the Sabbath and that the Lord's Day alliance would not give up the fight because it lost yesterday here.

When informed over the telephone Thursday night of the passing of the Sunday car bylaw by a large majority, T. H. Smallman, vice-president of the London Street Railway Company, did not seem to be particularly elated.

"My attitude from the start," said Mr. Smallman, "has been that if the people want the cars, we are prepared to run them. I have said that I did not believe there would be any money in the proposition for the company and I am still of the same opinion. It may turn out, satisfactorily, however, but I do not look for any profits at least for the first two years."

"Will you commence the operation of the Sunday service immediately?" Mr. Smallman was asked.

"That is up to the council," was the reply. "We will start them as soon as we are ordered to."

It is generally anticipated that the service will commence about the first of February.

THOSE EDUCATED.—Mayor Graham is telling a story of an election worker in the east end of the city. The mayor went to this worker and asked him "how things were going." "Things are going all right out here," said the worker. "We will vote of anything Beck says. You go back and look after those educated—down town."

TWO NEW YEAR'S BABIES CLAIM ADVERTISER SPOONS

Ten-Pound Boy Arrived For Clarence Street Family—Purdum Hydro Collings Came to Make His Home on Hyman Street.

The first London baby to win a Morning Advertiser silver spoon is the son of Mr. and Mrs. George Mitchka, 105 1/2 Clarence street. Mrs. Mitchka speaks very little English, and has not yet decided upon a name for her bouncing baby. He was born in Victoria Hospital at 4 o'clock yesterday morning. He is the bouncingest New Year's baby so far reported, and weighs ten pounds. Mr. and Mrs. Mitchka are Hungarians. The attending physician was Dr. Homer Black.

Is Purdum Hydro Collings. Purdum Hydro Collings is the same chosen for the baby son born to Mr. and Mrs. John Collings of 172 Hyman street. This New Year's baby arrived at 6 a. m. yesterday, and weighs nine pounds. Dr. D. H. Hogg was the attending physician, and to him Mr. Collings stated that he had named his little son Purdum Hydro. The first name after Mr. T. H. Purdum, K. C., president of The London Advertiser Company, and the second name after the electric power, in the merits of which Mr. Collings is a firm believer. And as Purdum Hydro Collings was the baby christened yesterday.

Hydro is becoming a popular name. Another youthful Londoner bears the name of Adam Hydro Jones. Mr. and Mrs. Collings came to Canada from England two years ago, living first at Cedar Springs, but removing to London several months ago. Mr. Collings is employed in the Grand Trunk freight sheds. Little Purdum Hydro is the youngest of a family of five children.

MANY NEW YEAR GREETINGS FOR SIR W. LAURIER

[Special to The Advertiser.]
Ottawa, Jan. 2.—A bushel of New Year's greetings have been received by Sir Wilfrid Laurier. In fact, his well-wishers who sent him remembrances were as numerous as those who remembered Premier Borden.

It will take Sir Wilfrid's secretary a week to send out replies.

JOHN G. WRIGHT DIES FOLLOWING OPERATION

Member of Advertiser Staff for Many Years—Favorite Among His Fellow Employers.

John G. Wright, a prominent young Londoner, died in St. Joseph's Hospital this morning, after an operation for appendicitis. He was 21 years of age, and resided with his mother at 779 Colborne street.

Mr. Wright had been in the employ of The Advertiser for seven years, and his genial nature made him a favorite with staff and employers alike. He was connected with the composing-room staff.

About ten days ago he complained of feeling sick. A doctor was summoned, and it was decided that an operation was necessary.

He had always taken an active interest in all sports. He was an enthusiastic baseball player, and had established a reputation in hockey circles. He was a member of St. John's Athletic Club, and also connected with St. James' Church Hockey Club.

He belonged to London Typographical Union, No. 133, and the local association will attend the funeral. Definite arrangements are pending.

Sew the Easiest Way—With 3-in-One oil

This pure light oil flows freely into every bearing and friction point of every make of sewing machine. It works out all dirt, reduces friction to a minimum, and makes handwheel, treadle and shuttle work smoothly, noiselessly, easily.

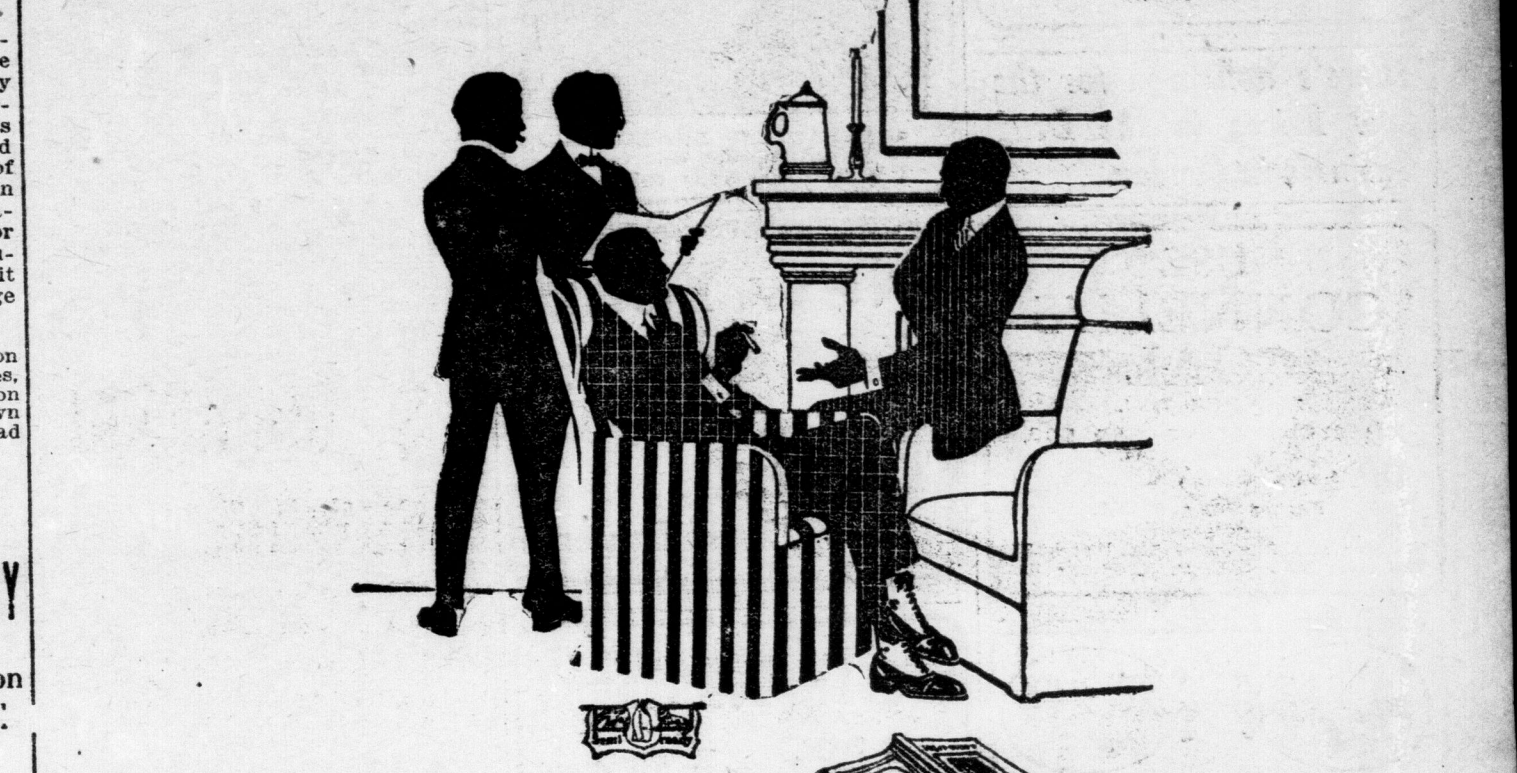

3-in-One oil never "Gums". The grease in common oils collects dirt and grinds into the bearings, wearing out your machine and causing repair bills. Beware of cheap oil and all so-called "fish oil". Stick to old reliable 3-in-One oil, for 18 years the longest selling sewing machine oil on earth. A little 3-in-One oil on a soft cloth cleans and polishes the wooden case, and also absolutely prevents rust on the metal parts.

For sale at all good hardware, drug, grocery and general stores. 1 oz., 10c.

Handy 3 1/2-oz. Ointment 25c.
