

Baking Day— Oh, What a Difference

Difference in the bread, difference in the time and difference in the work. The old-fashioned way of kneading bread by hand was, tedious, unsanitary and uncertain as to results. The

UNIVERSAL Bread Maker

does the mixing and kneading in three minutes making better bread than you can possibly make by hand in half-an-hour. Perfectly sanitary because your hands do not touch the dough.

Simple in operation, nothing to get out of order. First pour in the liquids then the flour and turn the crank for three minutes. Could anything be easier?

FIRST CALL UNDER MILITARY SERVICE ACT

In this issue will be found the Proclamation of our Sovereign calling into service all young men (unmarried) or widowers without children between the ages of 20 and 34 years, nine months (born after January 1st, 1883). By this proclamation every man of the above age and class are called to active service and can be relieved from such service only by making application for exemption and being granted exemption by the different boards now being constituted in the different counties. Every young man in this class as outlined herewith must register or he will be considered a deserter or a criminal and dealt with accordingly.

The form of registration will be as follows, as near as we can interpret it. Every postmaster in the Province is now supplied with the necessary forms. The young man of the military age 20 — 35, can go to the nearest Post Office and there fill out his papers and properly sign them. He can fill out an application for enlistment, or he can fill out a form claiming exemption from enlistment on various grounds mentioned in the form he is asked to fill up. This form will be retained by the postmaster and a receipt given to the applicant and the Postmaster forwards the application (enlistment or exemption) by registered mail to Halifax. We presume it will be acknowledged in some way and a notice sent to the applicant as to appearing before a Military Medical Board and the local Exemption Board.

There are four local Exemption Boards for Kings Co. and applicants can go before any one of these. They are: Wolville—Dr. G. E. DeWitt, J. D. Chambers. Kentville—R. H. Lamont, H. G. Harris. Canning—J. A. Northup, F. W. Rand. Aylesford—H. D. Woodbury, S. Taylor.

These local Exemption Boards will begin to sit on Nov. 8th and continue thereafter from day to day until all applications for exemption in this County are disposed of. The travelling Medical Board is now at Yarmouth and will continue there this week. They will sit about three days at Digby, Annapolis and Middleton and arrive in Kentville probably about October 31st or Nov. 1st to remain here about three days.

Young men are already coming to town to apply for exemption. This article will explain that they can do so at their own post office and after Nov. 8th may be required to appear before a local Exemption Board to substantiate their claims for exemption.

ORDER OF SONS OF TEMPERANCE

The order of the Sons of Temperance was instituted in New York on Sept. 29, 1842. Since then it has spread to all parts of the English speaking world, until it now has about 500,000 members in five National Divisions, with over 60,000 enlisted members.

On Sept. 27th National Division of North America met in Boston in annual session, and also to observe the 75th anniversary of the Order. It was an interesting and largely attended session, a delegation of 21 being present from Nova Scotia. David B. Shaw, representing Major Curley, gave the civic welcome, and extended an invitation for an excursion on the harbor as the guests of the city. Lieut. Gov. Cooley and Major Bennett extended a welcome from the Commonwealth of Mass.

These were responded to by C. J. McCarthy, ex-Controller of Toronto, and Major Burgoyne of St. Catharines, Ont., on behalf of the Canadians, and by Rev. Mr. Lawson of New Jersey, representing the America brethren.

Visitors were expected from Great Britain, Australia, New Zealand but war conditions prevailing, letters of congratulations and fraternal regards were sent. Greetings were also presented by delegations from the World's and the Mass. W. C. T. U., National Society of the U. S. Mass. Total Abstinence Society, I. O. G. T., and the Temple of Honor and other bodies.

The Sons of Temperance being the pioneer temperance organization, nearly all the others are branches from it, and the majority of the visitors from other bodies spoke of receiving their early training in the Division room.

A noticeable feature of the gathering was the large proportion of former Canadians among the local temperance forces of Mass. One speaker said that if the people from the Maritime Provinces were taken from the temperance work of New England there would be little left. One Division in Boston has only two members who were not former Canadians, and a new one recently organized has now 46

members, all of whom are ex-Canadians.

A banquet was held on Friday night followed by an entertainment and addresses which was much enjoyed by all present. Rev. Alfred Andrews was elected M. W. Chaplain to fill the vacancy caused by the death of Rev. D. S. Fraser of Nova Scotia. Bro. Andrews is an Episcopal clergyman from Ontario, 85 years old, but one of the youngest present in spirit.

Among the letters from absent members was one from J. S. Carels of Tennessee who has held continuous membership in the Order since 1843. It was decided to raise an endowment fund of \$20,000 the interest of which should be devoted to extension work of the Order. Over \$1500 was pledged before the close of the session. St. Catharines, Ont. was selected as the next place of meeting.

Saturday afternoon the visitors were guests of the local members on a trip to Franklin Park. That evening a largely attended meeting of Caledonia Division was held, addressed by the officers of 11 different Grand Divisions. The convention closed with a mass meeting in the First Presbyterian Church on Sunday evening, addressed by Rev. R. H. Stavert of New Brunswick, and the Most Worthy Patriarch, E. L. Hohenthal of Connecticut. Among a mass of other business the Food Controller of Canada was memorialized to prohibit the use of any grain for the manufacture of drink during the war.

A revival meeting was in progress in a Southern town and Sister Smith was called upon for testimony. Being meek and humble, she said: "I do not feel as though I should stand here and give testimony. I have been a transgressor for a good many years and have only recently seen the light. I believe that my place is in a dark corner behind the door. Brother Jones was next called upon for his testimony, and, following the sample set by Sister Smith, he said: 'I, too, have been a sinner for more than forty years, and I do not think it would be fitting for me to stand before this assembly as a model. I think my place is behind the door, in a dark corner, with Sister Smith.'

MUTINY ON BOARD GERMAN BATTLESHIPS AT WILHELMSHAVEN, CAPTAIN THROWN OVERBOARD.

The Outbreak is Said to Have Occurred on the Westfalen, Nurnburg, and Spread to Two Other Ships.

LONDON, Oct. 10.—A revolutionary outbreak on the German warship Wilhelmshaven about six weeks ago is reported in a central news dispatch from Copenhagen. This uprising is said to have had all the elements of a widespread and organized revolt and to have been suppressed only with the greatest difficulty. Several mutinous outbreaks also are reported to have occurred among soldiers at the front. These were not of such a grave character, the dispatch adds.

A dispatch to the Daily Mail says that according to the report there the mutinous battleships at Wilhelmshaven included the Luitpold and the Kaiser.

AMSTERDAM, Oct. 10.—A mutiny among the men on the battleships of the German fleet has occurred at Wilhelmshaven. One of the battleships was the Westfalen, whose captain was thrown overboard and drowned. The crew landed. Marines refused to fire on them where upon soldiers surrounded the sailors who surrendered.

A mutiny is reported to have occurred on the German warship Nurnberg, while at sea. The men seized the officers and proceeded in the direction of Norway, with the intention of being interned. The Nurnberg was overtaken by destroyers and forced to surrender.

Emperor William went to Wilhelmshaven and ordered that one out of every seven mutineers be shot. Chancellor Michaelis protested, with the result that only three were shot. Heavy sentences were imposed on the others.

VALUABLE SHIPMENT OF FURS FROM SYDNEY

SYDNEY, C. B. Record: The most valuable shipment in proportion to size, ever made from Sydney, was probably a consignment of furs sent yesterday by the Canadian Express to New York parties. The shipment consisted of 7 small cases of blue, or Arctic, fox skins, value at \$40,000. The pelts were brought here by the MacMillan Relief steamer from the Arctic regions, along with a quantity of musk ox and other skins.

on the Arctic coast, is blue or brown in summer, but in winter becomes pure white, and its fur commands a big price.

What is Crushed Coffee?

Briefly, Crushed Coffee is coffee that has had the beans crushed between steel rollers with just enough pressure exerted to break the beans into clean, even grains from which the bitter chaff and dust are easily separated by air suction—

Resulting in a coffee so pure that no egg is needed to settle it. Red Rose Coffee is as easy to make as Red Rose Tea, and its flavor, aroma and smoothness are a delight as compared with the ordinary ground coffees.

Sold only in double-sealed air-tight cans to keep it good.

The same price as it was three years ago.

THE ISSUE IS GRAVE

In the forthcoming election the Canadian people will be called to make the most fateful decision that this country will ever be called upon to make. The issue will far transcend that of more partisanship and will be clear-cut and definite. The question to be decided will be shall Canada remain in the war or shall Canada quit the war. That is the issue pure and simple. The interjection of petty political issues will of course be attempted by the quit-the-war element in an effort to becloud the main issue but the attempt will be useless.

Sir Wilfred Laurier has definitely decided to lead the anti-war element and he is banking on a strong support from Quebec chiefly on racial grounds. Allied with him will be the various anti-British elements, slackers, shirkers, croakers and cranks. But all these put together, thank goodness are but a minority, for the heart of Canada is sound and loyal.

Nevertheless no effort must be spared to counter-act the work of these anti-war factions for the impending issue

means more to Canada than appears on the surface. A dishonorable decision might possibly have a far-reaching effect on the outcome of the war, it would directly and disastrously affect our brave troops now holding the line in Flanders, and the honor of Canada would be stained forever in the eyes of the world and of the future generations of Canadians.

The senior class at Rochester Seminary this year contains two graduates of Acadia, Rev. Ivan M. Rose and Rev. W. S. Ryder. Quite in keeping with the Acadia tradition both have won scholarships of the highest value granted by the institution. To secure these scholarships requires a scholastic average of ninety-five per cent, and only five were won by members of the class. Thus the only two Acadia men in the class secured forty per cent of the honor scholarships.

New subscriptions will be received till the end of year at only 25 cents.

This year, in view of the greater need, it is earnestly and confidently hoped that Canada's contributions will be as great proportionately as the magnificent offering of last year.

CANADA

GEORGE the FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.

To all to whom these presents shall come, or whom the same may in anywise concern—GREETING:

A Proclamation calling out the men comprised in Class 1 as described by the Military Service Act, 1917.

E. H. Newson
The Deputy Minister of Justice,
Canada

WHEREAS it is provided by our Militia Act of Canada, Revised Statutes of Canada, 1906, chapter 41, Section 69, that our Governor-General of Canada in Council may place our Militia of Canada, or any part thereof, on active service anywhere in Canada, and also beyond Canada for the defence thereof, at any time when it appears advisable so to do by reason of emergency;

And Whereas that part of our militia of Canada known as the Canadian Expeditionary Force is now engaged in active service overseas for the defence and security of Canada, the preservation of our Empire and of human liberty; and it is necessary owing to the emergencies of the war to provide reinforcements for our said Expeditionary Force in addition to those whose inclination or circumstances have permitted them to volunteer;

And Whereas by reason of the large number of men who have already left agricultural and industrial pursuits in our Dominion, and by reason of the necessity of maintaining under these conditions the productiveness or output of agriculture and industry in our said Dominion, we have determined by and with the advice and consent of our Senate and House of Commons of Canada that it is expedient to secure the men so required, not by ballot as provided by our said Militia Act, but by selective draft; such re-enforcement, under the provisions of the Military Service Act, 1917, hereinafter referred to, not to exceed one hundred thousand men;

And Whereas it is accordingly enacted in and by the provisions of an Act of our Parliament of Canada, holden in the 7th and 8th years of our reign, and known as the Military Service Act, 1917, that every one of our male subjects who comes within one of the classes described and intended by the said Act shall be liable to be called out on active service in our Canadian Expeditionary Force for the defence of Canada, either within or beyond Canada; and that his service shall be for the duration of the present war and demobilization after the conclusion of the war;

And Whereas the men who are, under the provisions of the said last mentioned Act, liable to be called out, are comprised in six classes of which Class 1, by the provisions of the said Act, defined to consist of all our male subjects, ordinarily, or at any time since the 4th day of August, 1914, resident in Canada, who have attained the age of twenty years, who were born not earlier than the year 1883, and were on the 6th day of July, 1917, unmarried, or are widowers but have no child, and who are not within any of the following enumerated

EXCEPTIONS:—

1. Members of our regular, or reserve, or auxiliary forces, as defined by our Army Act.
2. Members of our military forces raised by the Governments of any of our other dominions or by our Government of India.
3. Men serving in our Royal Navy, or in our Royal Marines, or in our Naval Service of Canada, and members of our Canadian Expeditionary Force.
4. Men who have since August 4th, 1914, served in our Military or Naval Forces, or in those of our allies, in any theatre of actual war, and have been honourably discharged therefrom.
5. Clergy, including members of any recognized order of an exclusively religious character, and ministers of all religious denominations existing in Canada at the date of the passing of our said Military Service Act.
6. Those persons exempted from military service by Order in Council of August 13th, 1873, and by Order in Council of December 6th, 1898;

And Whereas it is moreover provided by our said Military Service Act that our Governor-General of Canada in Council may from time to time by proclamation call out on active service as aforesaid any class of men in the said Act described, and that all men within the class so called out shall, from the date of such proclamation, be deemed to be soldiers enlisted in the military service of Canada and subject to military law, save as in the said Act otherwise provided; and that the men so called out shall report and shall be placed on active service in the Canadian Expeditionary Force as may be set out in such proclamation or in regulations; but that they shall, until so placed on active service, be deemed to be on leave of absence without pay;

And Whereas it is also provided by the said Act that at proclamation an application may be made, by or in respect of any man in the class to be called out, to one of our local tribunals, established in the manner provided by the said Act in the province in which such man ordinarily resides, for a certificate of exemption from service upon any of the following

GROUND OF EXEMPTION:—

- (a) That it is expedient in the national interest that the man should, instead of being employed in military service, be engaged in other work in which he is habitually engaged;
- (b) That it is expedient in the national interest that the man should, instead of being employed in military service, be engaged in other work in which he wishes to be engaged and for which he has special qualifications;
- (c) That it is expedient in the national interest that, instead of being employed in military service, he should continue to be educated or trained for any work for which he is then being educated or trained;

- (e) Ill health or infirmity;
- (f) That he conscientiously objects to the undertaking of combatant service, and is prohibited from so doing by the tenets and articles of faith in effect on the sixth day of July, 1917, of any organized religious denomination existing and well recognized in Canada at such date, and to which, he in good faith belongs;

And that if any of the grounds of such application be established, a certificate of exemption shall be granted to such man.

And Whereas moreover it is enacted in and by the provisions of an Act of our Parliament of Canada holden in the 7th and 8th years of our reign and known as the War Time Elections Act that certain persons thereby disqualified from voting with such of their sons as on polling day are not of legal age, shall be exempt from combatant military and naval service;

And Whereas it is further provided by our said Military Service Act that applications for exemption from service shall be determined by our said local tribunals, subject to appeal as in the said Act provided, and that any man, by or in respect of whom an application for exemption from service is made, shall, so long as such application or any appeal in connection therewith is pending, and during the currency of any exemption granted him, be deemed to be on leave of absence without pay;

And Whereas our Governor-General of Canada in Council has determined to call out upon active service as aforesaid the men included in Class 1, as in the said Act and hereinbefore defined or described;

Now Therefore Know Ye that we do hereby call out the said Class 1, comprising the men in our said Military Service Act, 1917, and hereinbefore defined or described as the said class belonging, on active service in our Canadian Expeditionary Force for the defence of Canada, either within or beyond Canada, as we may, in the command or direction of our Military Forces, hereafter order or direct.

And we do hereby strictly command, require and enjoin that each man who is a member of the said class shall, on or before the 10th day of November, 1917, in the prescribed form and manner, report himself for military service, unless application for his exemption shall then have been made by him or by another person entitled to apply on his behalf; wherein our loving subjects, members of the said class, are especially charged not to fail since not only do their loyalty and allegiance require and impose the obligation of careful and implicit obedience to these our strict commands and injunctions, but moreover, lest our loving subjects should be ignorant of the consequences which will ensue if they fail to report within the time limited as aforesaid, we do hereby forewarn and admonish them that any one who is hereby called out, and who without reasonable excuse fails to report as aforesaid, shall thereby commit an offence, for which he shall be liable on summary conviction to imprisonment for any term not exceeding five years with hard labour, and he shall nevertheless, if we so require, be compelled to serve immediately in our said Expeditionary Force.

And we do hereby proclaim and announce that for the greater convenience of our subjects, we have directed that prescribed forms, for reporting for service, and for application for exemption from service, may, at any time on or before the said 10th day of November, 1917, be obtained at any post office in our Dominion of Canada; and that reports for service and applications for exemption from service, if obtained at any of our said post offices and properly executed, shall be forwarded by our postmaster at the post office from which the same are obtained to their proper destinations as by our regulations prescribed, free of postage or any other charge.

And we do further inform and notify our loving subjects that local tribunals have been established in convenient localities throughout our Dominion of Canada for the hearing of applications for exemption from service upon any of the statutory grounds, as hereinbefore set out; that these our local tribunals so established will begin to sit in the discharge of their duties on the 8th day of November, 1917, and that they will continue to sit from day to day thereafter, as may be necessary or convenient, at such times and places as shall be duly notified, until all applications for exemption from service shall have been heard and disposed of; also that men belonging to the class hereby called out who have not previously to the said 8th day of November, 1917, reported for service, or forwarded applications for exemption through any of our post offices as aforesaid, may make applications in person for exemption from service to any of our said tribunals on the 8th, 9th or 10th day of November, 1917.

And we do hereby moreover notify and inform our loving subjects who are within the class hereby called out, that if, on or before the 10th day of November, 1917, they report themselves for military service, or if, on or before that day, application for exemption from service be made by them or on their behalf, they will not be required to report for duty, or be placed upon active service as aforesaid, until a day, not earlier than the 10th day of December, 1917, which will, by our registrar for the province in which they reported or applied, be notified to them in writing by registered post at their respective addresses as given in their reports for service, or applications for exemption from service, or at such substituted addresses as they may have respectively signified to our said registrar; and we do hereby inform, forewarn and admonish the men belonging to the class hereby called out that if any of them shall, without just and sufficient cause, fail to report for duty at the time and place required by notice in writing so posted, or shall fail to report for duty as otherwise by law required, he shall be subject to the procedure, pains and penalties by law prescribed as against military deserters.

Of all of which our loving subjects, and all others whom these presents may concern, are hereby required to take notice, rendering strict obedience to and compliance with all these our commands, directions and requirements, and governing themselves accordingly.

In Testimony Whereof We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed. The Advertiser is the paper that reaches the people and that is the reason those who advertise desire a position in our columns.

OBITUARY

Edward Lothrop Gould

The death of Edward Lothrop Gould, a highly esteemed citizen, occurred at his residence Wolfville on Wednesday, noon, October 10th. Mr. Gould has been ill for over two years with paralysis, so the end was not unexpected. He was the son of Captain Stephen Gould and Mary Anne Borden Gould, of United Empire Loyalist descent. His grandfather settled at North Grand Pre on the property known as the "Gould homestead," which has been in the family from that time.

Mr. Gould was twice married. His first wife, Rachael Rathburn, daughter of Captain Amos Rathburn, of Hortonville, had one son, Edward Vernon,

who lives on the Gould homestead. His second wife is Carrie Ellen Borden, also of Loyalist descent, and a relative of Premier Borden. By this marriage there are three children: Esther, of the senior class of Acadia university, Harold and Victor.

For many years Mr. Gould was a prosperous farmer at Grand Pre. He was a captain of the militia, receiving his appointment from Queen Victoria. He was also justice of the peace in and for the county of Kings for a long period. Five years ago the family moved to their present home in Wolfville.

Miss Annie M. Stewart, so long registrar of deeds, is a niece, and Sir Robert Laird Borden a second cousin. Other than his own children there are no Goulds in Canada related to the deceased.

The funeral service was held on Friday afternoon at 2 p. m. Service at the home was conducted by Rev. G. F. Miller assisted by Dr. A. C. Borden and Dr. J. W. Manning and at the grave by Rev. Mr. Ryan. There were a large number of friends and relatives present. The floral offerings consisted of a handsome pillow from the family, handsome wreaths from Mr. and Mrs. Vernon Gould and from the Acadia Class of 1918. The pall bearers were Messrs. C. M. Vaughn, Everett Palmer, F. C. Dennison and Mr. Thomson.

A large number of autos and vehicles followed the remains to the Methodist cemetery at Hortonville where it was interred in the family plot.

CANADA HAS A UNION GOVT. IN WHICH WIN-THE-WAR LIBERALS HAVE GOOD REPRESENTATION

Halifax Herald Halifax, Oct. 12—Shortly before two o'clock this morning during an intermittent service on the Ottawa wire, a bulletin was received stating that a Union government had been formed.

For days Sir Robert Borden, aided by members of his government and a number of Win-the-War Liberals, have been striving to draw together the ablest men of both parties in the formation of a cabinet capable of the wisest conduct of affairs in this critical period of the country's history.

The departure of Hon. G. H. Murray for Ottawa, added a new interest to the efforts being made by Sir Robert Borden and those associated with him for the formation of a government.

An interesting announcement in the bulletin is that F. B. Carvell is among the Liberals who are entering Sir Robert cabinet.

The following is the bulletin received by the Halifax Herald, and to it was added the statement that a full story would immediately follow.

Ottawa, Oct. 11—A Union Government has been formed. All the liberals are coming in, with the possible exception of Hon. G. H. Murray.

The Finnish newspaper Vetcherni Vremya, a despatch from Helsinki on Sept. 9 said, had announced that the Finnish Senate had drafted a bill for the definite separation of Finland from Russia.

The man who jumps to conclusions ought to watch his step.

La Solde Sera la Meme

Les hommes enrôlés, suivant la loi du Service Militaire, recevront la même solde que ceux qui sont actuellement en service actif.

Les soldats Canadiens sont bien payés. Le fait que les salaires sont généralement plus élevés au Canada qu'en Europe, est reconnu dans le système de rémunération pour les hommes en service actif.

Le taux de la solde pour les militaires qui font partie des Forces Expéditionnaires Canadiennes, autre que celui des officiers, se répartit comme suit:

Table with 2 columns: Rank/Title and Solde/Allocation. Includes ranks like Sergeant-major, Lance-Corporal, etc.

Comme dans le cas de ceux qui sont déjà outre-mer, une indemnité de séparation sera allouée aux familles qui dépendent du militaire pour leur subsistance.

Un nombre considérable d'hommes qui se sont enrôlés dans l'armée Canadienne, ont constaté qu'ils sont plus prospères par la solde qui leur est allouée dans l'armée.

Emis par Le Conseil du Service Militaire.

BRITISH RED CROSS

A notice from the Mayor appears in this issue calling on the Citizens to be present at a meeting to be held on Thursday in the interests of the British Red Cross. It may be remembered that for the last two years the British Red Cross has appealed to Canada for aid. In 1915 Kentville organized and collected over \$500, in 1916 nothing was done but it is hoped that this year an amount equaling at least that collected in 1915 may be received. The citizens have no wish to be behind other towns in this regard and they have shown on other occasions when appeals have been explained and presented to them that they were generous and open handed. Fortunately no one requires to have the need of the Red Cross presented to them and the work of the Canadian Red Cross typifies the work of the British Red Cross. It must be remembered, however, that this campaign is for funds for the British Red Cross, the parent society, and nothing of the amount collected goes to the Canadian Red Cross. The British Red Cross ministers to the needs of soldiers in every theatre of the war and their activities are carried on wherever there is fighting. The expenditures is at the rate of \$16,000,000 a year and if this work is to continue on the same scale Canada must do its share. In the past three years it has given so generously that Sir Arthur Stanley, the President has said "If Canada fails us in October we must curtail many of our activities. It is hoped that the citizens take more than a passive interest in this matter and help by their presence at the Mayor's meeting to effect an organization for conducting a campaign only by active interest and enthusiasm on the part of the townspeople can results be obtained.
