TUESDAY MORNING AUGUST 20, 1889.

GREAT BRITAIN'S IDENTITY WITH THE TRIPLE ALLIANCE.

London, Aug. 19.—In the House of Commons this afternoon Sir James Fergusson, Parliamentary Secretary of the Foreign Office, replying to a question of Mr. Labouchere, said The Berlin National Zeitung statement as to the identity of the British policy with that of the Triple Alliance was nothing more than mere conjecture. England had not entered into engagements which would fetter her liberty of action.

of trade, to get at the facts of the situation as it is; and, having ascertained the facts as they affect each and every interest, to report a feasible scheme for the settlement of the Esplanade question.

This commission should be well paid, it should be empowered to engage an engineer and assistants and to employ first-class counsel, and ought to be set at work forthwith so that it could obtain the facts and avolve its acheme in time sufficient to secure any legislation shat may be needed at the forthcoming sessions of the legislatures.

We believe such a commission should be authorized by either the Government at Ottawa or Toronto, and should have full power to send for persons and papers. Perhaps a commission authorized by the city would be sufficient, but we believe a goyal warrant would be better and would do the work more speedily. Such a commission would cost at the most \$25,000, including commissioners' saiaries, professional advice and all other charges, and for that sum we would have the facts of the case, a feasible project and a solution of what is now a muddle.

OBJECTION, A 19 TO 1 CHANCE.

Mr. Seagram's Imported Celt Lands the Money at Saratega Resterday.

Saratoga, Aug. 19.—Sixty-five starters in the six races gave large fields and plenty of chances for speculation to-day, most of which proved unfortunate, as only one race was won by the favorite. The other five went to horses against whom long odds were laid. A majority of the prominent horses and horsemen have gone down to Westchester. Plenty of horses remain here but they are selling platers, except a few who have stake engagements. Ben Harrison ran a good race to-day, which was freely commented upon, because of his poor showing last week. Horses seem to get in and out of favor with lightning rapidity in these days. The Canucks pulled off another 'good thing' to-day with the English colt Objection, who went to the post a 12 to 1 chance. Results:

signed to H. I. Kerschner of Bethlebem. The sum total of the amount was \$5000 and it was the payment of a one-twentleth part of ticket No. 5807, which number drew the second cash capital prize of \$100,000 in the July drawing of the Louisiana State Lottery. The \$5000 was not alone Mr. Kerschner's. He was one of the eight Bethlehemites who had a pool and held the lucky ticket. Mr. Kerschner was seen yesterday afternoon by a reporter and said: "About a month ago some Allentonians were talking about the Louisiana State Lottery at the Sun Hotel in Bethlehem, and George Hirst, the bartender, and I decided to invest \$1 apicee in the lottery to try our luck. Several employes of my stable and a few of Mr. Hirst's friends joined us and we made a pool of \$8, each throwing in \$1. Eight tickets were get and I locked them up in a saie. The drawing came off on the 16th and several days afterwards we were shown the prize list and Jound that one of the eight tickets had made a 'hit.' It was a twentieth part of ticket No. 5800, which drew \$100,000. Wo gave our ticket for collection to the Adams Express Company and the money (\$5000) was very promptly forwarded to me. After paying a commission for collecting our prize there remained something like \$4900. Which we divided, each of the eight getting \$200.12" The lucky members of the pool have cheer says this was the first pool that was made up in Bethlebem and all consider themselves very lucky. Five thousand dolars for a \$1 investment, they all agree, is 'not so slow."

BREAKFAST. "By a therough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Coca, Mr. Epps has provided our breakfast tables with a delicately fiss vored beverage which may save us many heavy doctors bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to reasist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gasette.

REAL ESTATE — ANOTHER big mistake is quoting fancy prices—often one-fourth more than will be taken for the property. We sold a terrace of 10 houses on Isabellarires without the abatement of a dollar from the price first asked. We offered a property for \$75,000 and sold it without the reduction of a cent. The 9-roomed houses at \$2000 on Charles-street will not be sold any less. A builder has closed for one already. R. J. GRIFFITH & CO., 16 King street east.

MONDAY, Aug. 19. "The Queen City of the Lakes" has invited all Canada to her second annual International Fair, and a queenly reception will be given to all comers. Queen's weather may be expected

and a good time generally. Buffalo is a good city to visit, and has much that is worth seeing besides the special interest--- "The International Fair."

Within an arrow's flight of our shores southward the grand, new and perfectly fire-proof hotel, "THE IRO-**Quois."** prominently attracts attention and is worthy the high praise awarded it.

About the same distance northward is "The Tifft cellence of its table and the geniality of "mine host."

Our stores stand on the site of the famous old American Hotel, burnt down in 1865, and from that circumstance now known as The American Block. Our stock, when you visit us in first or second week of Septembers will consist of Dry Goods, Carpets, Upholstery, Draper ies, Books, etc., etc., worth more than a million dollars. Beautiful goods to look at and cheap enough if you wish to buy.

"SECOND TO NONE" is our notto, and if you know where we found it, and the proud gallantry of its meaning, you know the sort of men you have to deal with.

Come and see us. Adam, Meldrum & Anderson American Block 396-402 Main-Street,
