The copy filmed here has been reproduced thanks to the generosity of:

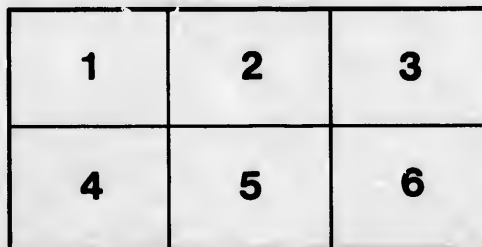

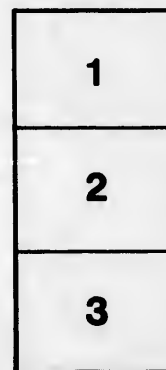

Anglican Church of Canada  
General Synod Archives

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Anglican Church of Canada  
General Synod Archives

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## P R A Y E R S

TO BE USED AT ALL MEETINGS OF THE SOCIETY AND OF ITS  
SEVERAL ASSOCIATIONS.

---

LET US PRAY.

Lord, have mercy upon us.  
Christ, have mercy upon us.  
Lord, have mercy upon us.

PREVENT US, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally, by Thy mercy, obtain everlasting life; through Jesus Christ our Lord.  
*Amen.*

O merciful God, who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live, have mercy upon the Heathen, and those who are in error. Take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made onc Fold under one Shepherd, Jesus Christ, Our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. *Amen.*

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants the Clergy, the endeavour of all who are engaged in spreading the knowledge of true religion in the Dominions of our Sovereign, and the labours of those Missionaries who are proclaiming the same in this Province. And may Thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord. *Amen.*

Almighty Saviour, Who by the right hand of God art exalted, and hast received of the Father the promise of the Holy Spirit, shed forth Thy light and grace on this dark world. O Thou who lovest a cheerful giver, grant Thy people grace that they may minister liberally of their substance to the making known of Thy Name throughout the world. Give Thy blessing to all who are labouring to spread the knowledge of Thy truth, and especially to those Missionary Societies which have ministered to the need of our Church in this Land. Prosper the work in which they are engaged, and make them the honoured instruments of spreading Thy gospel, and proclaiming Thy great and glorious Name. Hear us merciful Saviour, in these our prayers, and to Thee, with the Father, and the Holy Ghost, be ascribed all honour and glory for ever and ever. *Amen.*

O God the Father of our Lord Jesus Christ, our only Saviour, the Prince of Peace, give us grace seriously to lay to heart the great dangers we are in by our unhappy divisions. Take away all hatred and prejudice, and whatsoever else may hinder us from godly Union and Concord ; that, as there is but one Body, and one Spirit and one Hope of our Calling, one Lord, one Faith, one Baptism, one God and Father of us all, so we may henceforth be all of one heart, and of one soul, united in one holy bond of Truth and Peace, of Faith and Charity, and may with one mind and one mouth glorify Thee ; through Jesus Christ our Lord. *Amen.*

Our Father, which art in heaven ; Hallowed be Thy Name ; Thy kingdom come ; Thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation ; but deliver us from evil ; for Thine is the kingdom, the power and the glory, for ever and ever. *Amen.*

## Annual Meeting.

---

The annual meeting of the Church Society of the Diocese of Quebec was held in the Cathedral Church Hall, on Wednesday, February 3rd, 1897, at three P. M.

Present: the Right Reverend the Lord Bishop in the chair, the Revds. Canon Von Iffland, Canon Richardson, H. J. Petry, L. W. Williams, I. M. Thompson, F. G. Scott, and E. J. Etherington, Dr Robert Hamilton, Col. Forsyth, Dr. J. Dunbar, Q.C., Messrs. J. Hamilton, E. Pope, G. Lampson, R. Campbell, Capt. Carter, Col. White, H. J. Pratten, A. Rhodes, W. Tofield, G. E. Allen Jones, Mrs. Hunter Dunn, Mrs. Bell Irvine, Mrs. Colin Sewell, Mrs. J. Hamilton, Mrs. P. P. Hall, Miss Dunn, Miss Von Iffland, Miss Patton, Miss Newton, and the Rev. A. J. Balfour, Secretary.

After Prayers the minutes of the last annual meeting, and of a special general meeting, were read and confirmed.

The Reports of the Central Board, and Diocesan Board were read, adopted and ordered to be printed. The Report of the Treasurer of the Church Society was read, and Statements of the accounts of the Church Society, Clergy Trust Fund, Bishopric Endowment Fund, Local Endowment Funds, and Diocesan Board were presented, and all adopted and ordered to be printed. The Report of the S. Francis District Association of the Church Society was read, received, and ordered to be printed, with the addition of a foot note showing that Financial Statements, which were too late to be incorporated in the S. Francis Report, had been sent from four Missions in that district, direct to the General Secretary.

The Annual Report of the Association of Church Helpers was received, and ordered to be printed in the Annual Report of the Church Society.

The Rev. E. J. Etherington, Messrs. G. F. Gibsone, Walter Henderson, and W. Gunn were elected incorporated

members of the Society ; and four new Life-Members were enrolled, viz: Rev. A. G. Hamilton Dicker, Lady Chapleau, Mrs Henry Atkinson, and Miss Robina Hamilton.

The Vice-Presidents of the past year were re-elected for the ensuing year.

The members of the Central Board for the past year were all re-elected with the addition of Messrs. G. F. Gibsone, Walter Henderson, and W. Gunn.

The members of the Diocesan Board were re-elected with the name of Col. J. Bell Forsyth substituted for that of Dr. Robert Hamilton—much regret having first been expressed at the retirement of Mr. Hamilton.

The Lord Bishop referred to the valuable services gratuitously rendered to the Church Society by their Honorary Counsel—the Hon. Judge Irvine, Dr James Dunbar, Q. C., and Messrs. George Lampson, and R. Campbell ; and a hearty vote of thanks was tendered these gentlemen. The services of the auditors were also gratefully acknowledged.

It was proposed that the Church Society should apply to the Legislature so to amend 45 Vic., chap. 89, of the Provincial Statutes, as to permit of a distribution of losses (when such occur) of *interest* as well as of capital in the case of Local Endowments. The resolution was lost: the majority preferring to wait until the approaching Synod, in May, and then consider whether it would not be better to seek from the Legislature, permission to *pool* all interest, and allot to each Parish and Mission, possessed of a Local Endowment, a share of interest, in proportion to the amount of capital invested—the consent of the interested Parish, of course, having first been obtained.

An amendment to Article XIV, *re* : W. and O. Fund, was introduced ; but was withdrawn, in view of the fact that the By-Laws were now under review, preparatory to a new issue of the same, and that other amendments to this article were under contemplation.

The meeting closed with the Benediction.

## 45 VICT., CHAP. 89.

## An Act to authorize the Church Society of the Diocese of Quebec, to consolidate certain Endowment Funds.

[Assented to 27th May, 1882.]

Preamble. WHEREAS the Church Society of the Diocese of Quebec has, by its petition, represented that it is in charge of certain endowment funds for the support of various Parishes and Missions within the Diocese of Quebec, and has prayed that the said Church Society should be authorized so to distribute any losses which may occur, through failure in investments, as to make them fall proportionately over the whole of such endowments held by the Society; and whereas it is expedient to grant the prayer of the said petitioners; Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows:

Consolidation of endowment funds of society for certain purposes.

1. The Church Society of the Diocese of Quebec is authorized, so far, to consolidate the said endowment funds, so placed and hereafter to be placed in the hands of the said society, under deeds of trust for investment, as to enable the said Church Society to distribute any losses that may occur through failure in investments proportionately over the whole.

Consolidation limited.

2. The said consolidation of the said intrusted endowment funds shall extend, only so far as to enable the said Church Society to distribute any losses that may occur, through failure in investments proportionately over the whole, and for no other purpose whatsoever.

NOTE.—The following parishes or missions have agreed to the by-law on the consolidation of endowments, viz:—Barford and Hereford, Cape Cove and Percé, Cookshire, Duds-well, Gaspé Basin, Ireland and South Inverness, Levis, Malbaie, Inverness, Rivière-du-Loup, Bourg Louis, Kingsey, Magog and Georgeville, Stanstead, Durlham, Leeds, Brompton and Windsor, Sandy Beach, Hatley, Coaticook, Melbourne and Richmond, Frampton East and West, Compton, St. Sylvester, Portneuf, Three Rivers.

## ANNUAL REPORT OF THE CENTRAL BOARD FOR THE YEAR 1896.

*(Presented to the Church Society, February 3rd, 1897.)*

The Central Board, in presenting to the Church Society their fifty-fifth Annual Report, are thankful to be able to say that progress and encouragement characterize the work which they have had in hand.

They have however to admit that the voluntary contributions received in 1896, in behalf of the Society's several Funds, whilst still in excess of all years preceding 1895, fall a little below the receipts of that year. The decrease is but \$395.00. Nor is it to be attributed to any waning of zeal on the part of the "Association of Church Helpers," or of the "Church Society Helpers," to whom so largely was due the increased revenue of 1895. Indeed a search for the cause reveals the fact that the aggregate amount raised for general Church purposes in the Diocese, in 1896, really exceeded the amount contributed in 1895 by several thousand dollars.

The year 1896, as noted by the Secretary of the S. Francis District Association, was one of unusual activity in the work of building and renovating Churches and Parsonages. Thus local objects, in many Parishes, claimed offerings which, in part at least, might otherwise have come to swell our Diocesan Funds. Moreover, in 1895, seven Life-members were enrolled, whilst in 1896, only two. The qualifying donation for Life-membership being \$50.00, we can here at once account for \$250.00.

The total receipts from the City of Quebec, per Sunday offertory and subscription, are a little in excess of 1895 (if we leave out of count Life-member fees). This is gratifying; and your Board desire to express the deep sense of their obligation to the Association of Church Helpers for contributing to this happy result, by again undertaking to place within the reach of all adult members of the Church in the city the privilege of contributing to the cause of Christ and His Church.

Nor can we refrain from giving well-merited praise to our brethren on the Gaspé Coast. The Missionaries there with one voice speak of the harvest-returns from land and sea, as being painfully short; and yet with them retrench-

ment has not begun, as too often is the case, in God's portion. Comparatively poor though the people are, and hard their winter-prospect, their contributions towards the extension of Christ's Kingdom exhibit no diminution. We gladly take note of this, and are thankful for such like examples.

So far therefore as material things lend to a right judgment in estimating work for God, we feel justified in characterizing the Church's work, in the Diocese, as progressive and encouraging.

We desire to thank God for all His gifts entrusted to us during the past year, and for any measure in which we have been enabled, by their means, to promote His honour and glory.

#### GENERAL FUND.

*(To aid in the erection of Churches and Parsonages, in the support of Schools, in the promotion of Local Endowments, in the Education of the Children of the Clergy; and for the general expenses of the management of the Society.)*

During the year 1896 the following grants were paid from this Fund:

\$100 00	towards	Parsonage at New Liverpool.
150 00	"	Outfits for two Clergymen.
216 80	"	Education of Children of Clergy.
80 30	"	Education Fund.
20 00	"	Grants of Books from Depository.

\$567 10

The following grants were made, but had not been claimed at the end of the year :

\$100 00 towards new Church at Canterbury.  
100 00       "       "       "       Danville.

The following applications are in the hands of your Board, awaiting the augmentation of this Fund, in order to their consideration :

1. towards erection of new Church, in North Hatley.
2.       "       "       "       "       "       in Bury.
3.       "       "       "       "       "       in New Carlisle.
4.       "       "       "       "       Parsonage, in Sawyerville.
5.       "       "       "       "       in S. George, Beauce.

Some of these applications have been before your Board for nine months. The Society's usual grant of \$100.00, in behalf of such objects, has, in each case, been confidently relied upon, and no little disappointment caused by the non-receipt thereof. That, owing to lack of funds, your Board have been unable to take these applications into consideration, is a matter of sincere regret to them.

The working expenses of the Church Society, including the printing of Annual Reports, &c., have to be paid out of the General Fund ; and the amount available for grants is the balance left after such claims have been met. This balance is inadequate to our needs. Small though our grants are, they serve as a strong incentive, and lend great encouragement, to poor Missions struggling to provide themselves with agencies essential to the due and proper ministration of the Gospel. We rejoice to note the Church's activity, as evidenced by the applications which we have in hand ; but if the useful work of this Fund is to be continued, and is to keep pace with the Church's growth, much more liberal contributions will be required in its behalf. We earnestly appeal for such.

#### MISSION FUND.

*(For the payment of Stipends of Missionaries ;—the Fund being supplemented by the annual Grant from the S. P. G., the Assessments of the Rural Congregations, a Grant from the Clergy Trust Fund, and the interest of the Invested Capital of the Mission Fund,—the whole administered by the Diocesan Board:)*

We were delighted a year ago in being able to report an increase of \$600.00 in the contributions towards this Fund, and we hoped that the advanced-step in its revenue would

at least have been maintained. We have however to acknowledge a falling-back to the extent of \$294.49.

Every one who recalls our Lord's last command, and realizes that every member of His Church, in varied measure, comes under its obligation, must feel that he owes it to God to do what in him lies to extend the privileges of the Gospel. This Fund, the object of which is implied in its title, offers one of the best opportunities for co-operative action in this sacred duty. In making their appeals, your Board ever seek to inculcate *proportionate giving*, as a Divine principle, feeling assured that when this sacred duty is recognized, the steady growth of Christ's Kingdom is assured.

The revenue of this Fund is entrusted to the Diocesan Board of Missions to disburse. We refer our readers to the Report of that Board, and to the Reports of the several Missionaries aided by it.

#### PENSION FUND.

*(For the support of aged and infirm Clergymen.)*

All honour to our late revered Prelate who, thirty years ago, declared it to be the solemn duty of the faithful to provide an adequate maintenance for their Clergy, not alone through their working days, but as well for the time when, no longer able to work and yet unpossessed of private means of support, they would be compelled to retire! And all honour to the laity of the Diocese of Quebec, who, admitting this claim to be just and right, have year by year so generously contributed to the Pension Fund that it now yields, to the present number of claimants, a fair measure of support!

Five aged Clergymen were benefited by this Fund last year—the total amount paid being \$2,010.00. At the end of the year another name was added to the list of annuitants. The Rev. H. J. Petry, after having given thirty-seven years, out of a longer ministry, to the Church's work in this Diocese, has been granted a retiring allowance, to begin in March, 1897.

#### WIDOWS' AND ORPHANS' FUND.

There were twelve annuitants on this Fund last year, viz.: seven widows and five children. The amount paid was \$2,250.00.

According to the present By-Law the widow and orphans of a Clergyman, who had qualified for the benefit, are entitled to an annuity of \$400.00 and \$50.00 respectively. The annual premium which a Clergyman is called upon to pay in order to secure, in case of his death, this great advantage, is a merely nominal amount. In the majority of cases it is but \$5.00 per annum, and this for a period of ten years only. Surely, under these circumstances, no married Clergyman should neglect to qualify, even though he may not intend to remain permanently in the Diocese.

The following Clergymen have completed their ten annual payments, viz.:—The Ven. Archdeacon Roe, the Rev. Dr. Allnatt, the Rev. Canons Adams, Von Iffland, Richardson, and Foster; the Rev. Messrs Smith, Lyster, Kemp, Burrage, Washer, Thompson, Hepburn, Boyle, Sykes, Ball, Blaylock, Richmond, Chapman, Harding, Stevens, Wurtele, Scarth, Petry, Fyles, Riopel, Stuart, Forsyth, Walters, Faulconer, Fuller, and Robertson.

The following are in course of completing their payments, viz.:—The Rev. Messrs. Adcock, Balfour, Bayne, Bishop, Brooke, Curran, Debbage, Dickson, Fothergill, Horner, Husband, Moore, Murray, Parrock, Prout, Rothera, Scott, Whatham, Wilson, and Wright (H. E.)

#### EDUCATION FUND.

In this department work has been carried on much as in former years. Fifteen Schools have been aided, and the conditions governing the Society's grants have been complied with. Instruction in the Holy Scriptures has been imparted in every School, and the Church Catechism taught. The Schools have been examined by the Government Inspector, and been regularly visited by the Clergy. In some cases the Clergy have themselves given religious instruction for a limited time each week. The teachers, all possessed of School Diplomas, are favourably spoken of by the Clergy, and much gratitude is expressed for the help which the Society's grant affords.

In this connection your Board desire to record their grateful appreciation of the grant of £80, received now for many years, from the Colonial and Continental Church Society in furtherance of this work.

The following are the Schools aided by the Society.

#### FUND FOR THE EDUCATION OF THE CHILDREN OF THE CLERGY.

Nine grants were made from this Fund last year ; and every grant voted by your Board was most kindly doubled by Dr. Robert Hamilton. The aid thus bestowed amounted to \$845.00. In every case the school attended was one of our own Diocesan Institutions. As it would have been most difficult, in some case quite impossible, for the Clergy to have given to their children this privilege, without this assistance, it is needless to say that they have expressed themselves as most thankful for its bestowal.

REGULATION.—“ Grants from the Fund for the Education of the Children of the Clergy shall be made at the Society's meeting in the month of May for each succeeding Scholastic year. Any Clergyman desiring assistance from this Fund shall apply to the Secretary of the Church Society for an authorized form of application and shall see that it is returned, duly filled, not later than the first day of May, in order that it may be in time to receive the required consideration of the Finance Committee prior to coming before the Central Board.”

#### DEPOSITORY.

(For the Sale of Bibles, Prayer Books, Hymn Books, Sunday School Books, Books of Devotion, Almanacks, &c.)

The Sales in 1896 were as follows :

19	Bibles.....	\$ 10 76
6	New Testaments.....	1 19
496	Prayer Books.....	140 85
275	Hymn Books.....	103 73

204	Almanacks .....	18 65
443	Catechisms and Cards.....	25 03

## FREE GRANTS.

116 Prayer Books .....	\$17 40	
Catechisms and Tracts.....	2 80	
		\$ 20 00
		<hr/>
		\$432 32

There are outstanding accounts amounting in the aggregate to about \$70.00, all due from the clergy. The Secretary had hoped to collect these before the close of the year, but failed to do so. It is much to be wished that the country Clergy would bear in mind that our system is a cash one; and, remembering it, pay without requiring solicitation.

In accordance with instructions given by your Board, the Depository was, in May last, removed to the store of the Misses McMillan, 112 St. John Street, and placed under their local management. For more than forty years, this office had been discharged with great devotion by Miss Wood. Your Board feel assured that in granting to this aged and faithful servant of the Church, now no longer able to work, a small retiring pension of \$80 per annum, their action will be approved of by the Society.

REGULATION *re* MANAGEMENT OF CHURCH DEPOSITORY.—“The system, governing the sale of books at the Church Depository, shall be strictly a cash system. A discount of 10 per cent. shall be allowed to the Clergy of the Diocese on all purchases, and to the Laity, on making a purchase to the amount of \$20.

## BISHOP WILLIAMS MEMORIAL MISSION FUND.

The term of three years, over which subscriptions in behalf of this Fund were for the most part made to extend, expired more than a year ago. There yet remains due about \$1,000 out of the amount subscribed. As we desire to close the account, we hope that the balance may be paid with as little delay as possible. The Treasurer's accounts shew \$42,569.70 at the credit of the Fund.

S. P. G. AND S. P. C. K.

Words cannot express the deep and lasting obligation under which this Diocese lies to the two venerable English Societies, the S. P. G. and the S. P. C. K., for their fostering care and generous assistance extended to us through a whole century, and still granted to us.

One incentive to the foundation of the Bishop Williams Memorial Mission Fund was, that we might thereby be

enabled to set free (to be used in other parts of the world) the pecuniary aid so long and graciously extended to us by the S. P. G. It was fitting that our great indebtedness to the S. P. C. K. should also meet with some practical acknowledgment at our hands. In response to the Bishop's suggestion, special offerings were made in many of the Churches within the Diocese during the Season of Advent, to be forwarded to the S. P. C. K. as a small thank-offering. Elsewhere will appear a list of the congregations who have responded, and the amount of their offerings.

#### IN MEMORIAM.

As was to be expected in the course of a year, and in a Diocese so extensive as ours, we have lost many members since last we met, by the hand of death. We are thankful that amongst these are not a few whose zeal for God and holiness of character remain as a precious seed that will doubtless continue to bear good fruit from year to year.

From the list of our active Life-Members, we deeply regret having to remove the names of Mr. John Burstall and Mr. William Rae. Mr. Burstall whose death occurred in England, had long been a member of the Central Board, and a valuable member of its Advisory Committee. Mr. Rae did not take an active part in the administration of the affairs of the Society,—his occupation in summer, and his absence from Quebec each winter, rendering this well nigh impossible,—yet was he a most helpful man. A kind, generous, lofty principled and conscientious Christian, with wide and important business connections, he could not but exercise a good influence. All who knew him esteemed him : and by all such his memory is now held in honour.

The whole of which is respectfully submitted,

A. H. QUEBEC,  
President.

A. J. BALFOUR,  
Secretary.

## REPORT OF THE DIOCESAN BOARD OF MISSIONS

TO THE

### Diocesan Church Society for the year 1896.

The following is the abstract of the revenue account of the Diocesan Board for the year ended December 31st, 1896 :

Dr.	Cr.
To Stipends.....\$26,581 02	By Balance from 1895.....\$ 3,323 65
" Pension..... 400 00	" Assessments received..... 13,710 31
" Special Missionary Work.. 471 25	" S. P. G. Grant for 1896..... 3,387 19
" Vacation Fund Grants..... 270 00	" Mission Fund ..... 5,273 43
" General Expenses..... 242 90	" Clergy Trust Fund..... 2,500 00
" Balance..... 606 31	" Col. and Cont. Church Society..... 241 00
	" Vacation Fund, donation. 100 00
	" Interest on deposits..... 35 90
\$28,571 48	\$28,571 48

As compared with last year's statement, the above shows that about \$400 more was spent in stipends and about \$1,000 less for special Missionary work ; that the S. P. G. Grant has been reduced by nearly \$1,000, and that the Clergy Trust Fund was called upon for only \$2,500, instead of the whole of the surplus revenue, but that consequently the balance of \$3,323 has been brought down to \$606.

The statement on the whole is a very satisfactory one and indicates that the resources of the Diocese for its Missionary work are keeping pace with the present demands laid upon them, whilst the future reduction of these resources, from the withdrawal of the S. P. G. Grant and the depreciation in the rate of interest, is not lost sight of.

Your Board regrets to observe a falling off of over \$200 in the receipts from the Mission Fund, and earnestly hopes that during the current year that amount will be more than made up. The assessments and the subscriptions to the Mission Fund are the two sources of revenue which are not of a fixed character and are expected to increase. Upon them must depend any growth in the work of the Diocese, not only outside of the self-sustaining Parishes, but also in many of the outlying parts attached to them.

Three years ago, the Church Society adopted a resolution having in view the improvement of the stipends of the Clergy. Your Board has not been unmindful of the instruction received and has the satisfaction of reporting that an

increase has been made—dating from the 1st January, 1896, —according to the following scheme :

(1) That, for the years 1896, 1897, 1898 and 1899, all Clergymen in connection with the Diocesan Board, who have served fifteen years and under twenty years in the Diocese, and who are not receiving the revenue of a Local Endowment Fund in addition to the Scale Stipend, shall receive an addition of \$50 per annum.

(2) That, for the years 1896, 1897, 1898 and 1899, all Clergymen in connection with the Diocesan Board, who have served twenty-five years or over in the Diocese, and who do not receive the revenue of any Local Endowment Fund over and above stipend fixed by the Scale, shall receive an addition of \$50 per annum.

In view of the proviso in Canon VII relating to Local Endowment Funds, your Board did not deem it expedient to recommend any alteration of the existing scale, which would have involved a larger expenditure than the state of the funds justified ; and in view of the total disappearance of the S. P. G. Grant in 1899 and the possibility on that account of having to readjust our expenditures, it was thought prudent to limit the increase for the period named.

The augmentation made has, after careful consideration, been applied so as to confer the greatest benefit. The time at which a Clergyman is most likely to feel the incidence of increasing expenses as well as length of service are points which have been kept in view.

The agreements of the Diocesan Board with the various congregations, nearly all terminating with the year 1896, the renewal of these agreements, with an increased assessment, has been matter of negotiation for some time past. Whilst it is impossible to report the result with any accuracy at the present time, your Board has much pleasure in saying that in very few cases has any unwillingness been shown by congregations, to meet the proposals made for a reasonable addition to their contributions. This Diocese is not increasing either in numbers or wealth. Several congregations have, within the year past, suffered losses by deaths and removals, which render the burden of keeping up the same assessment more than they can carry, and the low price obtained for agricultural products makes it difficult for the farmers to increase or even keep up their present subscriptions ; yet, on the whole, the general response is satisfactory and exhibits the loyalty of the people to the Church and the value they place upon her ministrations.

The valuable synopsis of the work done in the District of S. Francis which is annually communicated to your Society, and which is this year not less interesting than usual, as well as the individual Reports of the Clergy, giving a more detailed account of their labours and difficulties, as well as their successes and encouragements, which are hereunto appended, give evidence of general and substantial progress. Your Board deems it unnecessary to adduce particulars gathered from their reports to show how real and solid is the advancement made, but would refer members of the Church Society to the statements themselves, which will repay any one for the time given to their perusal.

The following changes have taken place during the past year among the Clergy serving under the Diocesan Board :

In the month of March, the Rev. E. K. Wilson took charge of the Mission of Dudswell, on the resignation of the Rev. Edmund Jackson, who has left the Diocese.

In the month of October, the Rev. J. W. C. Prout was appointed to the Mission of the Magdalen Islands, in place of the Rev. J. N. Hunter, whom the Bishop put in charge of the Missionary District of Lake Megantic.

In the same month, the Rev. C. E. Bishop was appointed to Labrador in place of the Rev. I. N. Ker, who, in the following month, took charge of the Mission of Shigawake, vacated by the appointment of the Rev. R. J. Fothergill to the Rectory of Drummondville.

In November, the Rev. H. S. Harte was appointed to the Mission of St. George, in place of the Rev. Thos. Rudd, who has left the Diocese.

The Bishop having undertaken to make provision for the work at Lake Megantic without aid from the Diocesan Board, the Mission of Scotstown, though still of large extent, has been brought within limits less trying to the powers of the Missionary in charge.

The Parish of New Ireland, with its five established congregations and large extent of country, affording more work than one man could well cope with, your Board deemed it right to make provision for assisting the Clergyman by a grant of \$400 towards the stipend of a Deacon who will also devote part of his time to a congregation in the Mission of Leeds.

All of which is respectfully submitted,

A. A. VON IFFLAND,	A H QUEBEC,
Secretary.	President.

## REPORT OF THE LORD BISHOP

FOR THE YEAR 1806,

**With reference to Special Funds entrusted to him for  
Missionary Work in the Diocese.**

---

In addition to the Missionary Work in the Diocese, undertaken and administered by the Diocesan Board of the Church Society, showing that \$13,710.31 were received during the year in Assessments, and that \$11,537.52 were received from other sources, and that \$27,965 17 were spent in Stipends of Missionary Clergy, &c., the Bishop has been enabled, by kind friends and supporters of the Diocese, to undertake further Missionary Work at Beebe Plain, Danville, Hereford, Lake Megantic, Leeds, Sandhill, Johnville, on the coast of Labrador, and on the Magdalen Islands. Towards this additional work \$1,086.25 were received in Assessments, \$1,451.00 were received from other sources, making the whole sum paid by the Bishop in Stipends, &c., up to \$2,537.25.

Hence we may say with thankfulness that the Assessments amounted altogether to \$14,796.56, while the contribution from the interest of invested funds, added to donations, subscriptions, &c., amounted to \$12,988.52, and the total sum spent on Stipends, &c., for Missionary Work within the Diocese, amounted to \$30,502.42.

## Report of the St. Francis District Association of the Church Society, for the year 1896.

Sherbrooke, December 8th.

---

The amount of money raised for Church purposes by the various Parishes and Missions of the District, during the year, is \$29,800.78. This is somewhat below the returns of last year. But it is hardly surprising that in a year of financial depression, such as the past year has been, there should be a slight falling off in the contributions of our people.

Of the amount referred to above as contributed for all purposes, \$1,740.85 were contributed to objects within our own Diocese, and \$1,373.88 to objects beyond our Diocesan limits.

The Baptisms during the year have been 249; Burials 140; Marriages 53. There are now some thirty-two Clergy engaged in Educational and Missionary Work in the District.

The work of the Church has been carried on with vigour throughout the District, and there are many features of interest in it worthy of note.

1. It seems to have been a year of unusual activity in Church and Parsonage building, and restoration. New Churches are reported at Bury, Eustis and Canterbury, and restored Churches at Danville (where a beautiful new structure, opened on Sunday last, replaces the edifice which was destroyed by fire a year or two ago) and Lennoxville, where the old parish Church has been transformed by the removal of the galleries, the extension of the west end, and the addition of stained windows, and a new tower with a chime of bells, the only chime in the Diocese, outside the city of Quebec.

A new Parsonage has been built at Sawyerville, and several Parsonages and Churches in various parts of the District have been restored and improved by painting and other repairs.

2. The Educational Institutions of the Church in the District have not only continued their good work but made great advance in many ways. Bishop's College and School have this year made great strides in the number of students and in financial condition—the Jubilee Fund having

reached the magnificent sum of \$48,429.92. Compton College too, freed from debt, looks forward to a future of vigour and usefulness. Here, two great needs are, more pupils, and money to carry out much needed repairs.

3. The work in the country parts of the District seems to have been pushed with greater vigour than ever, this year. The Clergy are not content with ministering to those who come to Church, but go out into the back settlements, where Services are held in school and even in private houses. Many people are being reached in this way who would inevitably be lost to the Church if they were not thus sought out. It is interesting to note that work among the French, in the French tongue, is being done in Acton Vale, and among the Swedes, in their own language, in Waterville, where through the Rev. E. A. W. King's indefatigable efforts, three Swedish Missionaries have in succession ministered to their countrymen in the Parish. The present Missionary is the Rev. A. Andrén, B.A., of Lund, Sweden.

The work of laymen has been utilized to a considerable extent in various Parishes and Missions. The Brotherhood of St. Andrew, the Boys' Brigade, and authorized Lay Readers have been employed with much success, and the services of individual laymen have been sought and given to a somewhat greater extent than in former years. Altogether the year has been a good average one. Never has better work been done for the Church, and results, as recorded in the reports now presented, reveal great progress and real life throughout the District.

There are many terse and significant phrases in the various reports, well worth quoting as showing the spirit in which the Clergy are working and results which here and there are rewarding their faithful work. Let me reproduce a few of the phrases: "When once you begin to do good work it is difficult to stop"; "All Sunday School scholars remain for service"; "Congregations mostly men"; "While we welcome the aid of women's work we must not neglect the work of men"; "The Brotherhood of St. Andrew organized and helped to maintain during the past five months a fortnightly Service"; "I have appointments at eight places and I am about to open another"; "I have increased my regular Sunday Services to four."

These brief extracts suffice to show that our Missionaries' hearts are in their work; that the work they are doing is a

good solid work, and that there is abundant reason to believe that real, if slow, progress is being made in extending and strengthening the hold which the Church has upon the District as a whole.

ALBERT STEVENS, M.A.,  
Sec. St. F. D. A.

NOTE.—Subsequent to the adoption of the foregoing Report and its transmission to me for publication, Financial Statements, not in time for the Meeting at Sherbrooke, were sent direct to me from four Missions within the District of St Francis, with the request that I should embody their figures in the general Report of the District. The Rev. Mr. Stevens, Secretary of the St. Francis District Association, informs me that in the said Report no account whatever was taken of moneys raised in these four defaulting Missions; and he requests that I should in some way credit the District with the additional sums now furnished by them. Their addition will have the effect, in the comparison with the previous year, of converting a small assumed falling off of \$352.42, into an increase of about \$8,000, in the total amount raised for general Church purposes, and of further enlarging the already admitted increase in the amount given to objects beyond our own Diocese.

The great importance is thus shown of having individual reports and Parochial Statistics furnished in due time.

## ACTON.

The Rev. L. C. Wurtele reports:—

The ministrations of the Church have been carried on with the usual regularity, as follows: every Sunday morning and evening, Service has been held in St. Mark's Church, and in the afternoon at three o'clock at Danby, except on the last Sunday of the month, when the afternoon Service has been held in West Wickham. The attendance has been satisfactory and the Services always bright and hearty. Besides the Sunday Services, every fortnight a Service in French has been held in a private house.

The privilege of the presence of our Diocesan was denied us this last Summer, on account of his visit to England. Though few in number, the members of our congregation appreciate his visits, and are always profited by them.

The event, which most affected the congregation, this year, was the marriage of Miss M. L. Wurtele to Rev. A. H. Moore, of Sawyerville. She was unremitting in her work for the Church, being our organist, Sunday School teacher, and even acting as sexton when the Clergyman was at his other posts, for the congregation is not large and cannot afford to pay for the duties of a sexton. In the Dissident School of the town of Acton, she taught for fifteen years, and the scholars, not only learnt the usual course taught in such schools, but they were grounded in the first rudiments of Latin, French, Algebra, book-keeping, and even singing. And now, with pride, she can look on many, who have been under her tuition, and who are now prospering in their different spheres of life, as Doctors, Dentists, Advocates, &c. The gap, made by her departure from the congregation, will be hard to fill.

The Woman's and Junior Auxiliaries have been doing their best to help in the good work of their department.

The Agassiz Association still holds her own and is doing much good work among the young, interesting them in science and bringing them together for an exchange of thought on different subjects.

## AGNES.

The Rev. J. N. Hunter reports :—

Having been Incumbent here for two months only, I can give but a meagre report. As for the tiny outstations, the state of the roads has been so continuously bad that I have been unable to go to each more than once, and so have organized nothing among them. I hope however to go to Ditchfield and Spider Lake fortnightly of a Sunday afternoon, and to St. Cécile fortnightly on a week-day. The Church at Ditchfield has a lonesome outlook; one almost wonders how it ever came to be built.

At present our main hope rests in the village of Agnes and town of Lake Megantic. Here there is a flourishing Ladies' Guild. They intend immediately putting new lights into the Church. Our Sunday School is small, owing to the fact that most of the families with many children live out in the country.

All the Church people in the village and town are generally enthusiastic. They have guaranteed to raise \$300 towards a stationed Clergyman. My Wardens do much gratis work, so as to make the cause easier, for which they deserve our richly merited thanks.

Our present urgent needs are a Graveyard and a Parsonage. The former has long been spoken of, and the latter is absolutely necessary, if a married Clergyman is to remain in these parts. Of course a stationary Clergyman here is a matter of trial for a year; but the people say it is a trial that is not going to fail.

I am sorry to record the loss of three sterling families during the year. I remember their worth when I was a Student here. We could ill-afford to lose them. Their names are Cleveland, Stevens and Parsons. If it be possible may they soon return.

When we think that five years ago this Mission payed \$50 per annum, three years ago \$100, and is now paying \$300, we have good cause to be encouraged. Numerically small as we are we must evidently be Catholic, for on Sunday last we had, so far as I know, the only Chinese, African, and Indian in the Parish, so that with Britishers we represented the four quarters of the globe. There is an absolute need of a Parsonage here; the people all desire

it. We have a house, barns and lot offered us for \$450 \$200 expended upon the dwelling would make a very comfortable Parsonage of it.

One might deprecate to hurriedly erecting a Church, but here, where real estate is rising in value, there could be no risk in acquiring a house; it could always be rented or sold to the Church's advantage, if ever we were compelled at Agnes to come back to the old student-system.

BARFORD.

The Rev. G. H. A. Murray reports:—

Church work has gone on in about the usual way during the past Christian year. There has been very little change from last year in the number and order of, and the attendance at, the Services. My duty one Sunday involves a drive of thirty miles, three Services and Sunday School, alternating with eleven miles, four Services and Sunday School the next. Regular week evening Services are held at Dixville and Stanhope; occasional at other places. The chief Festivals and Fasts are observed in a fitting manner. Much attention had to be given to the sick and dying during the year, especially the first part of it. Several acts of kindness last Christmas, and at other times, bestowed upon their Pastor and his family by individual members of the several congregations, all of which were duly appreciated, should not be overlooked. The amount raised for the Church Society is less than last year; but it must be remembered that last year's was exceptionally large; the lists, however, will show that a thorough canvass has been made. A rise in the assessment is now under consideration. About twenty-eight per cent. of the total amount raised in the Mission has been given to extra-parochial purposes.

*St. Cuthbert's, Dixville.*—A slight increase in the number of children at Sunday School may be noted.

Mr. W. Chamberlain not only gave some beautiful flagstones for a walk from the road to the Church, but he also assisted Messrs. Gill, Johnson and Mayhew to put them in position. No women's organization of any kind is at work in this congregation, notwithstanding the fact that frequent appeals have been made; there is some talk, however, about the resuscitation of the Guild—"a consummation devoutly to be wished." The Diocesan Board assessment and other financial matters always receive prompt attention. The Church officers are the same as last year, and they all render efficient service. The Lord Bishop held a Confirmation in March, an account of which has appeared in the *Diocesan Gazette*. Mrs. Charles Damon, after a long illness, borne with Christian fortitude and resignation, entered into the rest of Paradise, on the 5th of February.

*St. Lawrence's, Barford*—Miss Elizabeth Ward, the oldest member of this congregation, passed away on the 1st of July. Her life was an example of Christian charity. Mrs. Cunningham, a woman concerning whom everybody who knew her spoke well, fell a victim to Pneumonia on the 17th of January.

Dr. Ward and his family are always ready to promote the welfare of the Church.

*St. Paul's, Stanhope*.—The first thing the new Wardens, Messrs. Marsh and Young, did was to get the exterior of the Church, the horse-shed, and the fence around the lot, nicely painted. This seemed to create a little rivalry on the part of the ladies of the congregation, for they revived their Guild, got to work, had a Sale and Entertainment on the 11th and 12th of November, and cleared upwards of \$50, which amount is to be spent in improving the interior. Mrs. Ducharme, the energetic president, and her husband both worked hard to make the Sale a success; other willing workers, however, were not wanting.

Mrs. F. Damon and Mrs. Ducharme have done good work in the Sunday School; the attendance during the Summer months was larger than usual.

March 1st was a day to be remembered; for, despite the almost impassable condition of the roads, his Lordship managed to be present for the baptism of two heads of families and the confirmation of five, all of whom have

been added to the Communicants' roll. It is to be hoped that the earnest words of their Chief Pastor on that occasion will not soon be forgotten.

The Organist and her little band of assistants in the Choir deserve much credit for their efforts to make the Services more hearty. The unattached part of this congregation is a little smaller since a new "Meeting House" has been opened.

*Church of the Advent, Perryboro*.—A commencement has been made in the direction of improving the Church lot here, but there is a good deal to be done yet.

Two visits from their beloved Diocesan were much welcomed by this congregation. His Lordship came for confirmation on 24th March, and was able to remain over for an early Celebration of the Holy Communion next morning, and on the 15th October the Burying-ground, donated by Mr. Jones, was consecrated in the morning, and in the evening an appropriate Harvest Thanksgiving Sermon was preached by the Bishop. To make further remarks concerning these Services would be to repeat what has already been published.

Mrs. K. Birch, a regular attendant at the Church's Services, an earnest communicant, an active member of the Guild, and a good mother, was called from the ranks of the Church Militant on 9th January. Two days later, Thomas Cromwell, who for years was confined to the house from rheumatism, but who received the Holy Communion at intervals, passed away, having reached the ripe age of eighty-six years. The Guild here is still working. Judging from the Church Society lists, it seems evident that the zealous collectors met with no refusals. The amount collected more than doubles any previous record.

Taking the Mission as a whole, there is much reason to thank God and take courage.

Baptisms—Adults, 4; Infants, 9; Confirmed, 11; Marriages, 6; Burials, 10.

## BISHOP'S COLLEGE AND SCHOOL MISSIONS.

The Rev. Principal Adams reports:—

We report with devout gratitude at the end of another Christian year: this report completing eleven years of work in Bishop's College.

The Clerical staff of the College remains the same as last year. Professors Allnatt, Wilkinson and Parrock working with the Principal. The services have been maintained in

their integrity. Celebrations of the Holy Communion every Sunday at 7.30 A.M. First Sunday in the month at 9.45 also. Every other Holy Day at 7.15 A.M. Morning Prayer—Sundays at 9.45, daily at 8.45 (shortened form.) Evening Prayer—Sundays at 7.00, daily at 5.30. Litany every Sunday, also at 12.45 on Wednesday and Friday. During Lent a short daily Service of Prayer with Reading at 7.45 A.M., conducted by the Principal. A change has been made this year which has worked well, the Morning Address being specially, though not exclusively, addressed to the School; this has been delivered once a fortnight by the Chaplain of the School (Dr. Adams) the alternate Sunday being taken by the three Professors in turn; while since January, 1896, the School has not attended the Evening Sermon. All have attended Evensong, immediately at the close of which we have had the University Sermon, given as a rule by one of the Staff. The representative of the S. P. C. K., Rev. W. Robinson, preached for the S. P. C. K., to a joint congregation of the St. George's people and the Collegé on Sunday, June 21st. Canon Thorneloe preached the University Sermon on one occasion, and we hope to welcome other Parochial Clergymen in like manner not less than once a term, the Collegé Staff taking the place of the visiting Clergyman.

Some disappointment was caused by the non-completion of the Chapel. Various difficulties, for which the Committee could not be held responsible, prevented further work. In any case the funds in hand or promised are not by any means sufficient to complete what is required. In a matter of this importance it is perhaps best to make haste slowly. A new stained-glass window is being prepared, one light in memory of a former Student, Harold Young, the other in memory of one of the boys of the School, Willie Faulconer, son of Rev. W. G. Faulconer. There is a not considerable deficit on this window to be made up later.

The year has been notable for the progress of the Jubilee Fund. A small beginning of not much over \$1,000 was promised, but it was not till December 2nd, 1895, within the year now being reported upon, that news was received of Mr. R. Hamilton's generous offer of \$20,000, conditionally on the raising of \$10,000 otherwise before 31st July, 1896. By the latter date not less than \$28,000 had been promised, either absolutely or conditionally, making the present total

of the Jubilee Fund \$48,000 conditional; of this, however, £1,000, that promised by the venerable and active S. P. C. K., is conditional, (a) on a total of £9,000 being raised otherwise—(This condition is practically complied with); (b) on the totals of two special endowments being raised, the Principalship to \$20,000, the Professorship of Pastoral Theology to \$25,000. This condition will require an addition to the fund of about \$5,000 more. As some of what we have received is appropriated and cannot be used, we find it necessary to appeal for a further sum of \$5,000, in order to meet the generous aid of the S. P. C. K. Many friends of the College have given, but there are those remaining who are doubtless waiting to see how their gifts may best be disposed. We are devoutly grateful for the measure of success which has been vouchsafed to us. When the idea of the Fund was promulgated in September, 1894, it was hoped, as a sanguine forecast, that by September 1899, fifty thousand dollars might be raised; by December 1896 the actual sum promised in all ways is \$48,429.92, including S. P. C. K. The second condition of the S. P. C. K. compels us to exceed the \$50,000 in order to obtain the £1,000 granted by them.

I have dwelt on this because it is important that, as members of the Church Society, we should be interested in the efforts that are being made to strengthen Church Education.

As an Institution, we have to thank the Church Society, for aid to the sons of Clergy who are being educated both in College and School. This aid, doubled by the ready bounty of Mr Robert Hamilton, has enabled students to enter the College who would have been debarred from it; and the same may be said of the school where, by this means, sons of Clergy can receive all the benefits of the school for something like eighty dollars a year net.

During the year no Confirmation was held; the class was numerically small and the boys were young; it was thought best to hold the class over for 1897.

I have been glad to adopt a suggestion of the Bishop whereby the labour of the Sunday School is lightened for myself, and I am enabled to avail myself of the kind assistance of Dr. Allnatt and the Head Master; Mr. Scott, one of the Masters, has assisted me also for a time. The new arrangement is one whereby the whole School meets collectively instead of in three separate classes. I have asked

Dr. Allnatt to take the Confirmation Candidates. Dr. Allnatt also holds a Bible Class of Candidates for Holy Orders every Sunday at nine.

Two of our recent graduates have been ordained Priest, Messrs. Moore and Bishop. Three have been ordained Deacon : Messrs. Stanley Dickson, Almond and Barton. A graduate in arts, after three years at the general Theological Seminary, New York, Mr. M. H. Carroll, has been ordained Deacon by the Bishop of Maine.

The meetings of the Missionary Union have been regular and interesting.

The Local Mission has continued Services at four centres. The Bullard School House (Sunday School), Haskell Hill, Moulton Hill (in both these latter, Sunday School and Service every Sunday) and at Belvidere, Service once a fortnight.

Eustis Church we welcome as a marked gain to the general work. We are willing to supply Sunday School there, and a second Service every Sunday, should Mr. King wish it. Those who have assisted the Principal in this Mission are Dr. Allnatt, Prof. Parrock, Mr. Brockington, Messrs. Watson, Donnelly, Almond, Barton, Gustin, Vial, Hibbard, Wurtele, Balfour, Dutton, Moor, Callis, Tannar, Taylor, LeGallais, Major, Whitley. Mr. Moor took Haskell Hill during the Summer vacation. Mr. Callis has taken Moulton Hill during the Summer as well as before and since.

During the year the Principal has preached at Quebec : (Cathedral, St. Matthew's and St. Michael's) ; Montreal : (Cathedral, St. James the Apostle, Grace Church, St. John the Evangelist, and St. Jude) ; Sherbrooke, St. Peter's and Church of the Advent ; Lennoxville (St. George) ; Compton, Danville (three Sundays) ; Richmond (two Sundays) ; Waterville Mission (various) ; besides lecturing at Marbleton.

As the College increased from forty-four to fifty-nine, and the school from sixty-five to eighty-two, the possible congregation in St. Mark's Chapel has increased from one hundred and nine to one hundred and forty-one ; Roman Catholics and Jews are, however, not expected to attend.

On October 1st, a joint Harvest Festival was held for the Congregation of St. George and the Institution. The Chapel was decorated very tastefully by the ladies of St. George's Church, assisted by the Students.

Early in September, we had the privilege of the Bishop's visitation, which was held at the College, followed by the "Quiet Day" under the care of Bishop Hall. His addresses, as well as those of the Rev. J. Macarthur, of South Acton, were specially helpful.

The usual fortnightly meetings of the Brotherhood have been made interesting and profitable by the reading of a series of papers on Dissent in Relation to the Church of England, (based on Curteis' Bampton Lectures.)

#### BOURG LOUIS.

The Rev. J. B. Debbage reports:—

I see by my last report that we were commencing the year with a hopeful prospect. This has been to some ex-

ent realized. But Church prospects here often depend very much on small things—thus a shortage of the hay crop materially affects more important things. It goes hard with the farmers when they have to buy hay to keep their cattle alive; and some of the money that goes for the hay would otherwise have found its way into Church Funds. However we have been endeavouring to struggle on, and hope that this year may be a connecting link between the past and a more prosperous future.

I do not see many clerical Brethren here, but every year his Lordship our Bishop comes. He came this year from Valcartier by a hand-car over the Quebec and Lake St John Railway; Mr. J. G. Scott kindly gave permission, and Mr. Pakenham, of St. Raymond, with three others, imparted the motive power to the car. Thus his Lordship was saved a long and cold drive over bad roads, and reached Bourg Louis in good time for Confirmation and Evening Service. At this a large congregation was present and listened very attentively to the instructive addresses of his Lordship.

There is a new Teacher in each of our three day schools. The Church Society has kindly renewed grants, including one to the school which had the misfortune to lose its grant eighteen months ago. All the schools are therefore now in operation, and the Teachers are giving much satisfaction.

At the instance of Mr. W. F. V. Atkinson, who has been a friend indeed to this Mission, a resolution was passed at the Easter Vestry meeting to adopt the envelope system. A few have done so; and we hope more will do so next year.

God's blessings can reach down to our deepest sorrows. We thank Him for those of the past year, and pray that they may be continued through the next.

#### BURY.

The Rev. C. B. Washer reports:—

Nearly every thing I have to report for the year now ending has appeared already in the *Diocesan Gazette*, to which any reader can refer who wishes to refresh his memory.

*St. Paul's.*—Forty-three persons were confirmed by the Lord Bishop last March, and became Communicants. At Easter time a well executed stained-glass window was placed in the chancel to the memory of the late Mrs. Richardson, wife of Rev. T. Richardson, Canon of Quebec. The Sunday School has been well kept up by a good band of teachers. A Ladies' Guild has been organized through the praiseworthy exertions of Miss Goodenough.

*St. John's.*—The Services have been carried on as usual. Our ever ready helper, Mr. James Wyatt, Church-Warden, undertook, in the Spring, to begin a Sunday School, and teach as many children as would come to him. Owing to the effects of sectarianism in the neighbourhood, not many attended. No matter how few, the teacher held on till Winter set in. The assessment has been promptly paid. Unavoidable circumstances have delayed the erection of the new shed for horses.

*St. Thomas.*—Services here also as usual, and congregations larger. The loan of an organ by one of our members has been a great help to the singing, which is very hearty. A flourishing Sunday School has been carried on during the Summer, under the leadership of Miss Ethel Herring, and I am glad to know that the work is to go on through the Winter. Another and most important item is the building of a Church for this congregation which has worshipped in a school-house for nearly twenty years. I note with especial satisfaction the interest and readiness of all persons in the neighbourhood to help in the work. The outside of the building is finished. After some weeks, we shall ask for consecration, assuming that our financial obligations will then be discharged.

The fortnightly week-day Services at Bury Corner and Hardwood Flat have been maintained.

As to spiritual progress, who can describe? I will not here note signs; but we know that no faithful work is in vain. And God grant us grace that ours may be always well done.

CACOUNA.

The Church-Wardens report :—

The usual Sunday and week-day services were held during the months of July and August; the chaplaincy being

held during the former month by the Rev. Professor Parrock, and during the latter by the Rev. G. F. Hibbard.

An oak Litany Desk, given by Mrs. M. B. Irvine, in memory of her late husband, Com. Genl. Irvine, C.B.C.M.G., who had for many years performed the duties of Church Warden of S. James Church, is a valuable addition to the furniture of the Church.

FINANCIAL STATEMENT.

Stipends, \$135.00; Mission Fund, \$356.32; Pension Fund, \$41 78; Other purposes, \$52.54.—Total, \$785.64.

CAPE COVE.

The Rev. Rural Dean Lyster reports:—

Beyond the ordinary routine of a country Mission, there is little to report. The usual Services have been held; contributions to the usual objects have been collected; the Diocesan Board assessment has been remitted punctually, and the increased assessment required for the next three years has been agreed to without murmuring. And yet the Mission is in worse circumstances than I have known it to be in for many years. I was assured lately, by one who is in a position to form a correct judgment, that money has hardly ever before been so scarce. And this is not wonderful. The fisheries, both of cod and lobster, have been far below the average; while the price of fish has declined, owing to the depressed condition of the foreign markets. It is sincerely to be hoped that the completion of the Baie des Chaleurs Railway, and an early revival of the fish trade, are not beyond the limits of reasonable expectation.

We were cheered by the annual visit of the Lord Bishop in July, when his Lordship held well attended Services in both Churches and confirmed nine candidates at Cape Cove and six at Percé.

A well attended and successful Sunday School was commenced in Percé during Summer by a few kind friends, and was kept open as long as it was practicable. Here, our Sunday School was very satisfactory, and our three teachers were most assiduous and painstaking. Our two day-schools at Cape Cove, under efficient teachers, have made good progress; the generous aid of the Society is gratefully appreciated. The school at Percé has also been kept in operation and has been successful though some difficulty is felt in raising the necessary funds, as the families in the village are very

few. Even a small grant to this school would be well bestowed, and would give great encouragement.

There were five deaths in the Mission during the year. The first was that of Mrs. Joseph Cass, a most kind and gentle woman, who had, in her time, undergone many sorrows and trials with pious and exemplary resignation. Towards the close of the year we lost Mr. P. LeBreton, who had been Sexton of St. Paul's Church, Percé, for more than thirty years, during which time his place at Divine Service, was very seldom vacant. He was, indeed, in many respects, a model sexton and to myself he was always most kind and attentive.

I am glad to acknowledge gratefully my obligations to the Lay Helpers, who have lightened my duties, and have done good to us all. Our Lay-Reader, Mr. Gaudin, has, owing to temporary lameness, not always been able to attend. When in Church he reads the lessons; and he has occasionally read prayers and a sermon during my absence. To Mr. James Tuzo, the Percé Congregation and myself are much indebted; he has on several occasions during the Fall, when the state of roads and weather hindered my attendance, read the service and a sermon, to the great advantage of the Congregation, who never were allowed to go empty away. Never, indeed, since I came to the place, have my plans been disturbed, by bad weather and nearly impassable roads, so frequently as during the past two months. At such times the Services of the Lay-Reader were highly valued. The organists of both Churches continue to fill their places punctually and effectively, and their valuable assistance is gratefully acknowledged. I am sorry that our collections, in spite of the zeal of the Church Society Helpers, are not equal to those of last year. This is the result of the scarcity of money alluded to, not I am convinced, of any lack of good feeling or of the spirit of liberality.

## COATICOOK.

The Rev. Canon Foster reports :—

During the year I have kept up, with unfailing regularity, two full Services, with Sermons, at St. Stephen's Church, and an afternoon Service, with Sunday School, at Christ's Church, North Coaticook. In Lent, I have Services twice a week, and every day during Holy Week. Mr. J. J. Fiske, manager of the knitting factory, takes, with great acceptance to parents and pupils, the position of Superintendent in the Sunday School at St. Stephen's Church. Here I have a Children's Service with Catechising once a month. At Christ Church I catechize every Sunday for about ten minutes, before the close of the school. Pastoral Visiting has been kept up as usual.

On the 14th of October his Lordship, the Bishop, Confirmed five Candidates at St. Stephen's Church, all of whom, together with a goodly number of others, partook of the Holy Communion on the following morning.

The Church Society Helpers collected for the Society this year again ; but I regret to say the amount collected was not so large as that of last year.

The Young Ladies' Guild has, during the year, added a small amount to the sum already in hand towards the erection of a Parish Hall.

The lot on which St. Stephen's Church and the Sexton's house stand was increased in size and value by the gift, in June last, of a strip of land thirty feet wide, lying on the east side of the Church lot. During the month of September the south side of the Church was newly shingled, a large galvanized iron ventilator was placed in the roof, and extensive repairs were made to the tower—the whole at a cost of about \$110.00.

The Coaticook Branch of the Woman's Auxiliary have just forwarded to the St. Barnabas Home, Sarcee Reserve, a most generous outfit for the Indian boy, for whom they provide. There were forty articles, representing a cash value of \$11.65. They are, by the advice of the Provincial Dorcas Secretary, working for the Peace River Mission, and expect to send a large bale to that place in the Spring. There are now twenty-eight members, who are most enthusiastic in the work, and although not able to raise much money to send to Quebec, they gladly give their time, and the work of their hands, to the good cause, and their earnest

prayer is that those who still sit in darkness may soon be brought to see the light.

Baptisms, (Adults, 1 ; Infants, 9 ; ) 10 ; Confirmed, 5 ; Marriages, 6 ; Burials, 2.

## COMPTON.

The Rev. G. H. Parker reports :—

I have two matters to report this year, which not only gives me great pleasure to report, but deep thankfulness. 1st, the paying off the debt so long owing to the Parish by the Compton Ladies' College. We never gave up hope that it would be paid ; but it was a hope long deferred, and at times making the heart sick. We owe this long wished for benefit to the indefatigable efforts of the Rev. Canon Thorne-loe. The money will be invested, we hope, by the Church Society for the benefit of the Parish. The other matter was the tinting and decorating of the Church in the Spring of the year by H. Smith, Esq. For this act of generosity the Parish owes him a debt of gratitude ; and expressed it at the Easter Vestry Meeting.

The Services and Sunday School work have been kept up as usual and without interruption.

The Ladies' College carries on its work as usual. We should like to see an increase of numbers, for we were never in a better position to do satisfactory work than at present; but we have to recognize the fact that we have competing schools near us, which of necessity keep the numbers down. There are at present twenty-one boarders and nine day scholars.

We are regretting the loss by death of one of the oldest and most respected members of the Parish, Mr. George Spafford, and the removal of his family to Boston. He was generous and always genial, and will be much missed. We are reminded of the gradually diminishing numbers, and slowly drying-up process which is going on throughout these Eastern Townships—for unhappily others of England's Church and nation are not taking their places. New comers, as well as many of our own people, are moving to the over-estimated North West.

I cannot close this report without expressing the most unfeigned regret at the loss we, and especially Compton Ladies' College, are about to experience—the removal from our midst of the Rev. Canon Thorneloe, the most active, and reliable member of the Corporation and Managing Committee. I am amazed at our position when I contemplate it.

#### COOKSHIRE.

The Rev. A. H. Robertson reports:—

This has been largely a year of Church building in the Parish of Eaton.

On May 22nd, a cyclone passed over the town of Cookshire. The centre of the storm struck the spire of St. Peter's Church and wrecked it utterly, besides doing serious injury to the rest of the Church. After serious consideration, it was deemed best, in view of the present increase of the congregation, and of the future needs of the Parish, to enlarge the Church, by pulling down the stone tower which was badly wrecked, and adding twenty-five feet to

the west end of the Church, thus giving accommodation for about seventy-five more people. The work has gone on under the supervision of the Rector; and we hope that our restored Church will be re-opened for Service on Sunday, 20th December. The Lord Bishop has kindly offered to have a Dedication Service on Sunday, 27th December, and we look forward to his visit with great pleasure. Besides the repairs and additions to the main fabric, the interior of the Church will be greatly improved and beautified. Mrs. Robertson took that part of the work in hand and has already provided new carpets for the Church and aisles, brass altar standards, lamps, clergy stalls and other improvements. New Altar Cloths have been promised, six Memorial Windows have been given, two new coal furnaces have been purchased, and I trust that the whole work will be found satisfactory, and approved both by our Bishop and the congregation. The Rector has been obliged to undertake the carrying out of the work, and it was therefore inevitable that other Parish work, such as visiting, should be somewhat neglected; but I trust that the visible results may atone for what had to be left undone in other ways.

The Sunday School has gone on with increasing success under our earnest band of teachers. The children have sent contributions to the North West, and to Miss Smith in Japan; and the letters sent by the Missionaries to the school were greatly prized. The Guild and Women's Auxiliary have kept up their work during the past year. In August the Rector took duty at the Isle of Orleans, and his work was carried on most acceptably by Mr. T. Donnelly, B.A., of Bishop's College.

*St. Andrew's Chapel, Eaton Corner.*—This congregation has beautified their little Chapel by the addition of a belfry and porch. The bell was a gift from a Scotch friend of the Rector, John Wilson, Esq, M.P. The Sunday School has prospered under the care of Mrs. Herbert Rogers, whose faithful work deserves my best thanks. Thanks are also due to Mr. Nutt, for his care of the Church; to Mrs. Nutt, for her services as organist, and to Mrs. Taylor, and the small but earnest band of workers in the Guild.

*St. Luke's Church, Sandhill.*—This Church has been improved and beautified during the past year. The whole Church has been lined with brown ash. The work was done in the most careful and efficient manner, and for that

we are greatly indebted to Mr. D. P. Barrie, who spared neither time nor labour in preparing the material and who varnished the whole at his own expense. The funds were provided by the self denying work of Mrs. Stone, and the ladies of the Guild. They collected and worked with such zeal that the whole expense, both of the ceiling and new carpets, was provided for. I trust that they may see the reward of their labours in larger congregations.

*Johnville.*—The work both here and at Sandhill has been mostly carried on, under my supervision, by Mr. T. Dowdell, B A., of Bishop's College. Mr. Dowdell has done his work most faithfully and efficiently, and his labours are appreciated by the people and myself. At the same time, I feel that a state of things where the Rector can only minister to a congregation, once in four or five weeks, is not a satisfactory one, and I trust that some day it may be possible to make Sandhill and Johnville, with Milby, into a separate Mission. Mr. Dowdell has revived the Sunday School at Johnville, with himself and Miss F. Terry as teachers.

DANVILLE.

The Rev. T. Blaylock reports :—

The chief work of the year—a work which has caused us much thought and anxiety, but which has been brought to a successful issue—has been the building of the new St. Augustine Church, to replace the one destroyed by fire last year. It was felt, when the old Church was lost, that it would be absolutely impossible to build anything like as fine a Church again. But none now regret, what seemed at the time, to be an overwhelming disaster, for the new Church is an accomplished fact. It is in a more convenient location, being near the centre of the village,—more churchly in style,—more beautiful in its appointments for Divine Service, and infinitely more comfortable for the congregation. On the sixth of December, it was solemnly dedicated

to the worship of Almighty God, by the Bishop of the Diocese. All felt the words of his text to be true, of the material beauty of the new Church as compared with the old. "The glory of this latter house shall exceed the glory of the former, saith the Lord of Hosts." A large congregation was present, of whom seventy partook of Holy Communion. In the afternoon, at 3 o'clock, the Archdeacon preached, and in the evening the Bishop administered adult Baptism and Confirmation, and again preached to a congregation, which literally packed the Church from end to end. His plain exposition of the meaning of the Services of the day, and especially of the baptism and confirmation just administered, reached with telling force the ears of many who hitherto had given these subjects but little thought. May they bear fruit in due season. During the day, over seven hundred had attended the three Services. Altogether, it was a day not soon to be forgotten in the annals of the Church at Danville. Early in the year, plans furnished by Mr. H. Staveley, architect of Quebec, were accepted, and the building committee, consisting of C. C. Cleveland, G. K. Foster and C. Boutelle, went to work in earnest to see them carried out. They devoted much time and faithful labour to their work, and the result is as substantial and sightly a Church, as we could possibly wish for,—the equal of any of its size in the Diocese. The basement contains a large Chapel, or Sunday School-room, which will seat 125, a furnace room, and a smaller Chapel which will seat about forty. From here stairs ascend to the Chancel, where the choir is seated. Within the altar-rails is a beautiful carved oak Altar and Reredos, with handsome super frontal, partly the gift of St. Matthew's Guild, of Quebec. The whole of the Chancel is covered with a velvet carpet of appropriate design, purchased by the Ladies' Guild, who also gave the matting for the aisles. The pews in the nave, as well as the choir-stalls, are of polished oak with carved ends, and will seat 225. The roof is finished in open timber-work, ceiled with pine 2½ wide, in squares, the whole varnished, and is very effective. The east and west windows, the five nave windows, and the side Chancel window, are all memorials of chaste design and artistic execution, and are the work of Spence & Son, Montreal, on whom they reflect great credit. The donors were C. C. and G. F. Cleveland, the Stockwell family, Dr. and Jos. Speer, Mrs. and John Wadleigh, Mrs. Bernard, C.

Boutelle, Mrs. G. K. Foster, and Mrs. Blaylock. The whole Church is brilliantly lighted with electricity, the cost of installation (some \$200.00) being borne by the Ladies' Guild. The power is supplied free by Messrs. C. C. and G. F. Cleveland, who run their dynamo specially for us on Sunday night. The building itself has a basement of stone, the upper part being solid brick, with trimmings of Montreal dressed limestone and slated with Rockland Slate. "Asbestic," instead of ordinary mortar was used for inside finish. There is a side tower and spire separated from the nave by a short vestibule, through which is the main entrance and which is a marked feature of the building. Having at last a Church, in a convenient location and eminently suited for the purpose for which it was erected, it is to be hoped this congregation may soon grow both in numbers and influence, and my best thanks are due to all who have assisted in bringing about this happy consummation—to those who have given so generously both of their time and money in the parish, and to our friends in Quebec who came to our assistance.

In the rest of the Parish the work of the Church has gone on as usual. Confirmation having been held in Troutbrook and Kingsley Falls.

At five stations, six Services are held every Lord's Day, bringing the ministrations of the Church within the reach of all in this Mission.

#### DRUMMONDVILLE.

The Rev. F. G. Scott reports:—

The Rev. R. J. Fothergill has asked me to write a report of the year up to the time of my leaving the Parish on September 10th.

The Services this year have been carried on as usual, and the attendance at them has been as good as in previous years. The plan of taking the late celebration of the Holy Communion on the first Sunday of each month, without making a pause after the prayer for the Church Militant in which the non-communicants should retire, has been found to be most beneficial. Hardly any one ever leaves the Church; and thus young and old, communicants and non-communicants, are present at the offering of the Great Memorial Sacrifice, and I trust are beginning to realize the joy of Eucharistic worship. The Services during Holy Week were well attended, and especially devout, and fair in numbers was the congregation at the Three Hours' Service on Good Friday.

On every Sunday afternoon that the weather permitted, Service was held at Mitchell Station. There was also at this place an occasional celebration of the Holy Communion, which had to be held on a week-day.

The crowning work of the year has been the finishing off of the interior of the Church. The building, which is of stone, has been panelled and ceiled in ash with beautiful effect, and a hot-air furnace has been put in. The Church will now be comfortable in cold weather, and in appearance will compare favourably with any other country Church in the Diocese. It was a cause of deep thankfulness to me that I was able, after nearly ten years of waiting, to see the House of God, which we all loved so well, "completed in the beauty of holiness."

An oak altar with reredos has been placed in the Chancel in memory of Richard Winter, a young brakesman, accidentally killed while doing his duty, who before his death made the Church he loved and attended so faithfully his heir. It could not be without deep regret that I parted from my many friends in the Parish, where I had spent some of the happiest years of my life, but I am indeed thankful that the work I laid down has passed into the hands of the present Rector.

## DUDSWELL.

The Rev. E. K. Wilson reports :—

My connection with this Mission dates from the 20th of last March ; I have, therefore, but little to report beyond the routine of Services thus far carried on. These are as follows :—

*St. Paul's, Marbleton.*—Morning and Evening Services every Sunday in the month, with the exception of the first Holy Communion, 8 A. M., on first Sunday, and after Morning Prayer on the third ; also on the greater Festivals.

*Church of the Good Shepherd.*—Morning Service and celebration of Holy Communion on the first Sunday of the month. Service at 2.30 on all other Sundays.

*East Dudswell.*—Service on first Sunday of month at 2.30 and on third Wednesday, at 7 P. M.

*South Ham.*—Service fortnightly, at 7 P. M.

Prior to my coming, and under the auspices of the Ladies' Guild of St. Paul's, Marbleton, a course of Lectures was delivered here by the following gentlemen, viz : the Rev. Principal Adams, the Rev. Messrs. Robertson, King and Moore, and Drs. Macdonald and Fillamore. These lectures were very highly appreciated. The great kindness, too, of the lecturers themselves in coming, some of them at the expense of much time and trouble, was not less appreciated. Personally, I am indebted to the Rev. T. S. Chapman, and the Rev. Messrs. Robertson, Adcock, Brooke and Kerr, for assistance on special occasions.

## DURHAM.

The Rev. D. Horner reports :

The work in this Mission during the past year has been comparatively uneventful. Divine Services have been conducted with the usual regularity. The Sunday School at Kirkdale has continued and progressed under the management of Miss Hannah Stevens, Mrs. Mansbridge, Mrs. Albert Lyster and Mrs Horner. A pic-nic was held in the summer, on the Parsonage grounds, and the children spent an enjoyable afternoon. The children of L'Avenir congre-

gation have been instructed by the Incumbent of the Mission, during the time he had at his disposal, between the hours appointed for Divine Service, at the various places. There is no Sunday School held at South Durham.

We had the pleasure of a visit from the Lord Bishop of the Diocese, in February. Three Sermons and a Church History Lecture were delivered to good congregations. The weather was stormy at the time. The Rev. J. Curran kindly exhibited his Magic Lantern, at an entertainment in Ulverton, on September 27th. The sum of \$17.50 was realized. A severe storm interfered with our Harvest Thanksgiving Service. The Incumbent went to L'Avenir, but found it impossible to hold Service there. He returned and held an evening Service at Kirkdale.

We have the sad record to make of the deaths of some of our respected members during the present year, among others the names of Mrs. John Trenholme, of Trenholmvile, Dr. White, of Ulverton, and Mr. Alexander Johnston, of South Durham.

The Ladies' Aid of South Durham still continues, and by means of Special Socials, as well as the regular meetings, are increasing the fund for the re-building of their Church. We hope soon to be able to start the work.

A pretty wedding was conducted at Kirkdale, this Autumn, in Holy Trinity Church. The Rev. Wm. Mitchell, Incumbent of Eutaw, Alabama, U. S. A., was married to Miss Jennie Hall, a daughter of our Church Warden at Kirkdale. The Rector of Richmond assisted the Incumbent at the ceremony.

I am indebted to various members for much kindness to me during the year; to Messrs. Hall, Stevens, Wadleigh and Wm. H. Lyster, for ploughing and seeding the Parsonage ground; to Mr. Wm. H. Lyster, for a load of hay; to Mr. Wm. G. Lyster, for oats and apples; to Mrs. White, for two and a half cords of dry hardwood; lastly, to two anonymous friends for Christmas presents of a turkey and a goose, &c.

## EAST ANGLUS.

The Rev. W. A. Adcock reports :—

Church work in this Mission I believe to be steadily progressing, judging from the general interest of the congregations. Our Services have been well kept up, our congregations are steadily growing, and keener interest is shewn in Church work generally. The Services are bright, the responding and singing being thoroughly congregational in character. The assessments have been promptly met. The Ladies' Guild is working with more vim. The Sunday School is flourishing under a good staff of teachers. All the scholars stay for Morning Service in a body. A Monthly Cathetical Service for the scholars is held on the second Sunday afternoon of each month. This Service is always looked forward to with much pleasure by all, judging by the attendance. Last Lent two nicely worked Banners were presented to the Church by the scholars. Their Lenten offerings were forwarded for Missions in the East. Special week-night Services were also held, when addresses were given on the book of Common Prayer. The number of Communicants during the past year has trebled. The sum of two hundred dollars will free the Parsonage of all debt ; to this end the Ladies' Guild will hold a Sale this month, and the clergyman purposes to start out with a subscription list to make up the deficit. At this writing, we are getting a Sunday School Library. Improvements have been made on and around the Church and Parsonage premises, new Church steps and a gravel walk, the Parsonage land well drained, trees and shrubbery planted, etc., etc. The number of men and youths attending our Services is very conspicuous. At Ascot financial difficulties in the past have done much to retard the work. I have pleasure in reporting all things now settled, almost every

family having increased their subscription, whereby the demands of the Board are able to be met. The population here is largely French, and our community is gradually dwindling. A pleasing feature of the work here is in finding invariably a well filled Church, while not a few walk several miles to attend Service, and the larger proportion of the congregation oftentimes being of the sterner sex. We have recently adopted the envelope system and so far it works well. We have here a Sunday School which is doing good work, carried on by a staff of the worthy laity. Not able to be present myself, I take the opportunity of supplementing the lesson and catechizing every Sunday immediately after the second lesson, in face of all the congregation. I have experienced many acts of kindness from the people of the Parish, and every request for the work's sake has been met with a cheerful response.

FITCH BAY AND GEORGEVILLE.

The Rev. R. W. E. Wright reports :—

During the past year the work has been going on steadily in this Mission, and though the growth of the Church here is certainly slow, I trust that it is sure.

*Georgeville.*—The Services in St. George's Church, Georgeville, have been regularly kept up as heretofore. Matins and Evensong every Sunday, celebrations of the Holy Communion twice a month, and Service with short address on Wednesday evenings. The attendance has been very fair at all services, and, of course, during the Summer months, when our Summer visitors were with us, was very good.

The Ladies' Guild (who meet during the Winter months) held their annual Bazaar in August, and were helped very materially by our Lady Visitors. The same evening an excellent Concert was given by the visitors, and the proceeds handed to the Guild, to be used for Church painting, repairs, &c.

On Tuesday, November 3rd, the Bishop visited Georgeville, and after spending the afternoon in calling on every

Church family in the village and partaking of the hospitality of Dr. Keyes, administered the Apostolic rite of Confirmation to two candidates in St. George's Church in the evening.

Again this year I have to regret the removal to other parts of some of our few Church people.

*Fitch Bay.*—Everything in this section of my Mission is most encouraging. As I mentioned in my last report, I have among my workers and helpers, a number of young men, several more since this time last year.

Services have been regularly kept up during the year. Matins and Evensong every Sunday, and Holy Communion twice a month, (once at 8 a.m. and once at 11 a.m.) Friday evening, Service and Address. Attendance regular and good. As there were no candidates ready for Confirmation this year, the Bishop delivered a most interesting and highly instructive lecture on Church History in St. Matthias' Church on Monday evening, November 2nd. Our Ladies' Guild met during the Winter months, and devoted proceeds towards Church repairs, &c. Several beautiful and most useful presents have been presented to the Church during the past year, among them two sets of white and red dossals and hangings for Altar, two brass vases, book rest for Altar, re-table, bronzed altar cross, &c. Some of these the work and gifts of the young men.

*Outstations.*—(a) *Bachelor's School-house.*—Services as usual are regularly held here on Thursday evenings (fortnightly). Attendance at all Services particularly good. As we have no organ here, Mr. Fred. Carr has generally accompanied me and led the musical part of the Service with his cornet. (b) *Boynton School-house.*—Services here were not started (after stopping during Spring) till rather late in the Summer, owing to a misunderstanding about our having the use of the school-house. The Rev. Mr. McDuff, who was spending the Summer here, kindly took Services for me every Sunday afternoon till the end of October. The attendance is small and not particularly encouraging, as there are very few Church people now living near the school-house.

I wish here again to tender my sincere thanks to Dr. H. R. Codd, my faithful Lay-Reader, without whose help it would certainly not be possible to give both Georgeville and Fitch Bay two Sunday Services each.

## FRAMPTON.

The Rev. F. Boyle reports :—

Looking back over the year which is now just closing, I find that we have done nothing wonderfully good causing undue elation or rejoicing, on the one hand, nor on the other have we been so remiss in duty, as to cause depression or despondency. The fact is, we have gone on our quite and even course, without falling into extremes on either side. The Services in all our Churches have been duly maintained, and the attendance has been fairly good, the year round, during the Summer unusually so. Through the kind permission of our Bishop, my second son, Percy, has assisted me during his vacations, I am pleased to say, with much acceptance to my people.

The Church at West Frampton has long been much in need of repairs. Two of our Lady Helpers, Mrs. Wm. Bartholomew and Mrs. Hugh Wilson, went around among my people and raised something over seventy dollars for the above object ; and Miss Martha Bartholomew consented to call on a few friends in Quebec, with the pleasing result, that she raised some sixty-nine dollars more. With these two amounts at our disposal, we will be able to make the Church look something like what the House of God ought to be. I embrace the opportunity here, of commending this congregation for their good works ; and at the same time of thanking Miss M. Bartholomew for her solicitations in our behalf, and our kind friends in Quebec, for their liberal and timely assistance. I may further say that this

congregation is always up to the mark in meeting their engagements with the Diocesan Board, and they are not behind in other contributions, when asked. In the above, I have merely stated facts concerning pounds, shillings and pence, but in addition to pecuniary offerings, many of the parishioners gave one, two and three days in labour, free of charge. One of our old patriarchs, Mr. Andrew Bartholomew, who is almost an octogenarian, seeing his younger neighbors giving their time to beautify their Church, and not wishing to be behind the rest, volunteered to mount the steeple, and do a day's shingling there. The task was a perilous one for a man of his age, and on a cold day in the late Autumn, involved the risk of health as well as of limb; but in spite of remonstrance, up he went, did his day's work, and did it well,—virtually saying by his acts, that God could protect him as easily on the steeple of a Church, when doing his duty, as He could on *Terra Firma*, and that he would do so. It is pleasing to witness such implicit assurance.

*St. Paul's, Hemison.*—The congregation here have done something too. The Wardens, Messrs W. Holt and Albert McLaughlin, collected over seventy dollars with which, by the aid of some voluntary work, we have put up a new and substantial fence around our Church and Burying-Ground, which gives fair promise to last twenty-five or thirty years without much repair.

GASPE BASIN.

The Rev. J. P. Richmond reports :—

*St. Paul's Church.*—The Services here have been held regularly ; and during the Summer months there has been a fortnightly celebration of the Holy Communion. Arrange-

ments have been made with Messrs. J. Spence, of Montreal, for a stained-glass East Window. We hope to have it in place early in the coming Summer. The work at the Parsonage has been going on, and a new barn and stable have been built in a convenient position.

*St. James' Church.*—Here too the Services have been held regularly, with the exception that I have often been obliged to have Services at 6.30, instead of 3 P. M., owing to the Services in the new Church in York. In this Church there is now, throughout the year, a fortnightly celebration of the Holy Communion.

*York.*—Church not yet consecrated.—On the average, Services have been held here every three weeks. On Christmas Day, the Holy Eucharist was celebrated at an early Service so as to admit of a celebration at the Church of St. James at the usual hour. In spite of the early hour, there were twenty-five communicants. The Church will, I hope, be consecrated next Summer.

*The l'Anse aux Cousins School-House*—During the Summer, the better to meet the convenience of the people who live beyond this settlement, I have the Services in the afternoon, but during the winter months, I am often obliged to fall back on a Service at 6.30 P.M., owing to other engagements.

The Ladies' Guilds have raised and expended the following sums: St. Paul's, \$204.00, Parsonage; St. James', \$134.00, Parsonage; York Church, \$100.00.

The search for petroleum is still going on, but there is nothing yet to indicate the settlement of a number of people at any particular spot. The furthest place where work is being carried on is about thirty miles from Gaspé Basin, on the York River.

## HATLEY.

The Rev. A. Stevens reports :—

The nature of the work in this Mission does not change materially from year to year. In all these townships, with an increasing French-speaking population, and the English people split up into many separate religious bodies, we do not look for rapid growth in any of our congregations ; but, if at the end of a year or two we find our numbers even slightly increased, we thank God and take courage.

At Hatley the increased number of regular communicants which I spoke of last year has been maintained ; and the attendance of several young men at that Holy Feast has been especially gratifying. A few people from Montreal and elsewhere spent their holidays in our village last Summer, and our congregations were increased. They took an active part in getting up a very successful concert, and helped in other ways to render our people aid in their efforts to replenish the treasury. The Wardens began the year with a deficit, which at one time began to look serious, but, by extra diligence, which was met by a cheerful response on the part of the people, and especially by the Ladies' Guild, the closing year will find us with all demands fully paid. During the holidays, Mrs. Stevens had a little girls' Sewing Guild, which met at the Rectory every week, to sew for the Indian children in our North West. At the end of August they had a Sale of useful and fancy articles, partly their own work and partly the gifts of older friends, which realized a goodly sum. Fifteen dollars were sent to help educate a child at the Home on the Piegan Reserve, and the Woman's Auxiliary have just sent a large bale of clothing to Miss Brown, to be distributed among the destitute Indians on the same Reserve. Just before Easter I received from a devoted parishioner, a sum of money towards the purchase of a new Chancel carpet ; I announced the gift in Church and asked for further donations to supplement it. I am happy to say that I have now on hand over \$50.00, and the promise of enough more to make up the sum required. The grave-yard, which has lately looked neglected, has been greatly improved, and I have just been offered, as the nucleus of a permanent endowment, \$100.00, the income of which is to be used for keeping the ground in order for all time. The Parsonage has been improved by the erection of a wood-shed, and by putting in a soft water cistern with

pipe and pump complete. The Hatley Dramatic Club kindly gave the Sunday School one half of the proceeds of one of their entertainments last Winter, with which we bought about fifty volumes of books for the Library from the Depository in Sherbrooke. I am also indebted to this Club for the gift of twenty dollars towards the purchase of a site for a proposed Church at Ayer's Flat.

Our congregation at Ayer's Flat, though small, has been well maintained throughout the year, and though we have had losses by death and removal has averaged larger than last year. We shall, however, greatly miss Mr. Samuel Hethrington and his family, who are about to move away. Ever since their coming they have manifested great interest in the Services here and have done all they could to help me in every way. Our proposed Church here is not making very rapid progress, but I have in the bank about forty dollars as the beginning of a fund, which I hope will soon be enlarged.

At Massawippi congregations have improved since last year, but there is still large room for growth. Our Evening Service here is mostly attended by young people, and the responding and singing are generally hearty.

I have held ten Services at the McConnell School-house, across the Lake, and have had congregations varying from twenty-five to forty-five. There is a chance to do more work here, which I hope to be able to avail myself of shortly. I have been hoping for some time that by the end of the present century this may become a self-supporting Parish. It will be a happy day for us all when this, the Mother Church of Stanstead County, after seeing her daughters grown up to independence, shall herself be able to wholly provide for her own wants.

#### HEREFORD.

The Rev. G. H. Murray reports :—

Since resuming charge of this Mission, last April, I have gone out occasionally for Sunday Services and to visit the sick.

Services are held at Hereford and Canaan, Vt., every Sunday, and at Hall's Stream, Averill, Vt., and Colebrook, N. H., fortnightly. The congregations at each place, except Hall's Stream, have been good with hearty responding. The prospects, on the whole, are encouraging; but there is need of a resident Clergyman,—one who is somewhat aggressive. Mr. Patterson, student, B.C.L., who has taken the greater part of the Sunday Services, since Mr. Wilson left, and who spends his vacations in the Mission, has discharged his duties so efficiently as to win the favour of the people.

So many have had to do with the financial affairs of the Mission that I am unable to give a definite statement.

INVERNESS.

The Rev. H. A. Dickson reports:—

The work at St. Stephen's and at the Church of the Ascension has been continued without interruption, in much the same way as last year; and though marked success has not crowned our efforts, we have reason for thankfulness when we consider the adverse circumstances with which we had to contend, such as the loss of bridges, which cut off fourteen Church families during five Spring and Summer months, and the removal of a large number of our young people to places offering more remunerative employment.

At the Church of the Ascension, Campbell's Corner, the Services have been hearty and well attended; though, for reasons above mentioned, the average attendance for the year has not been any larger than during the period covered by my last report. The Lenten Services were very well attended, and there has been a marked improvement both in numbers and regularity on the part of the individuals, in the attendance at Holy Communion. Some repairs have been made to the Church foundation, and a new chimney built. The Woman's Auxiliary, under the direction of Mrs. Austin, has held its regular meetings, and in company with the branch at St. Stephen's, has sent a barrel of useful clothing to the Thunderchild Reserve, to be distributed by the Rev. D. McDonald.

At St. Stephen's, which is not centrally located, but little

change can be reported. The attendance at the Services has not varied much from what it was last year ; any improvement in regular attendance on the part of some, being about conterbalanced by the absence of others owing to infirmities, removals, and deaths. The members of the two congregations did much during the Summer to improve their cemetery in the way of levelling, fencing and defining the boundaries of family lots, &c.

The attendance at Kinnear's Mills. during the early part of the year, was encouraging, considering the distance some members of the congregation live from the Church, and the difficulty in keeping the old building at all comfortable during the Winter months ; but, on the 18th of April, the high water swept away three river bridges, cutting me off from ministering to that congregation till the 10th of May, when, by a much lengthened road, I went out for Service once in three weeks, and in July the Rev. Mr. Rothera, of Leeds, became responsible for the Services on the Sundays I could not go ; which arrangement existed till the first of October, when, on the appointment of the Rev. Mr. Barton to work in this county, the boundaries of this Mission were changed, and Kinnear's Mills was made part of another Mission.

At Adderley, hitherto part of the Parish of New Ireland, there had been no regular Church Services for some months, and when I could not go regularly to Kinnear's Mills, I went to Adderly on two Sundays out of three, and was formally placed in charge when relieved of Kinnear's Mills in October. The families who take an active interest in the Church's work here are few. We have no organ, and their is a scarcity of both Prayer and Hymn books, which together with the effect of having no Services for such a length of time, render it difficult to have the bright hearty Services I would desire. The congregation is small and, though steadily increasing, the average up to the present does not reach twenty.

On the 16th and 17th of March, the Bishop held three well attended Confirmation Services in this Mission, confirming nineteen persons, four of whom were heads of families.

## IRELAND AND SOUTH INVERNESS.

The Rev. W. G. Faulconer, reports :—

*Holy Trinity Church, Upper Ireland.*—Quiet pastoral work has been carried on during the past year. The regular Services have been maintained, and the chief Festivals observed with a good average attendance. The number of Communicants has increased since last year. Sunday Schools have been kept up here, in the Bennett Settlement, and in the Gill Settlement, by a number of faithful and devoted teachers. The attendance at all these schools has been fairly good, considering the long distances many of the children have to come. The Women's Guild and Missionary Auxiliary have done excellent work under the presidency and secretaryship of Mrs. F. Wood and Mrs. J. Bennett. Thanks to our kind and efficient Church-Wardens, Messrs. W. Dinning and T. Porter, the assessment to the Diocesan Board has been duly paid. The congregation is greatly indebted to Mrs. H. Wood, our untiring organist. Under Mr. Barton's care the choir has greatly improved.

*Christ's Church, Lower Ireland.*—The Services here, on Sundays and the chief Festivals, have been well attended. A marked increase in the number of Communicants has been the result. The Sunday School has been maintained in successful operation. The Women's Guild and Missionary Auxiliary has done excellent work, and in many ways has done much to further the Church's cause. Great credit is due to the officers, Mrs. Johnson and Mrs. Wood. Our Church-Wardens, Mr. Little and Col. Ward, have seen to the prompt payment of assessment as it became due. By the liberality of Mr. William Johnson, of Lower Ireland, and Mr. Andrew Johnson, of Thetford, supplemented by a small collection made in Lower Ireland, the Rectory at Maple Grove has been repainted and papered, and the kitchen re-floored with hard-wood. Our best thanks are due to our organist, Miss M. Marshall.

*St. Peter's Church, Black Lake.*—Owing to depression in the mining business here, Church work is at a low ebb. We have but four families remaining. These few, notably Mr. and Mrs. Crabtree, Mr. and Mrs. J. Johnson, and our kind organist, Mrs. Wilson, do all that lies in their power to maintain and further the Church's good work. The Women's Guild have placed a beautiful stained-window in the Chancel during the year.

*St. John's Church, Thetford.*—Divine Service has been held here every Sunday by myself and my assistant, Rev. Mr. Barton, since October 1st, with steady progress. Mr. Barton has now the chief charge of this Church, together with Kinnear's and Broughton, and a fortnightly Service at Beattie's Settlement. I trust that the new scheme, inaugurated last October by our Bishop, will bear much fruit under the energy and devotedness of my assistant, Mr. Barton. He will be able, after his first year's experience, to make his own report in 1897.

KINGSEY.

The Rev. J. S. Sykes reports :—

There is a good deal to tell about Kingsey if one could only tell it well. First, it is a real pleasure to look at our Church of St. Paul's, Sydenham Place, since it has been beautified within and without. The outside has received two coats of paint (there is no need to say how badly it needed it), and the roof has been covered with sheet iron. The interior has been completely renovated, the walls and ceiling having been done in chaste and sober tints, decorated with a wide stencilled border, and the ceiling pannelled, the pews and all Church furniture varnished and floors painted. But, if the finished work itself is pleasant to behold, it is far more pleasant still to know how it was brought about. In the Summer, in conversation with a member of my congregation here, Mrs. Sarah A. Parker, I expressed my longing to see the Church improved ; she at once promised me the sum of \$50.00 towards the painting of the Church outside, on condition that it should be done before the Bishop came to us for Confirmation. Mentally, I said "*done*," and I would have done it myself rather than have forfeited that fifty dollars. Well, I secured a painter to do the work for sixty dollars. The ten extra dollars did not so much frighten us, as the thought of the contrast between the freshly painted walls, and the dried up, weather-beaten look of the shingles on the roof ; so a Committee of Ways and Means decided that we must have a new roof ; subscriptions were asked for,

and the new roofing put on. When the painting outside and the roofing were finished, and the bills came in, we found our funds ten dollars short. I don't like debt, and especially in connection with the Church; so I wrote to Mrs. Bacon, of Montreal, and told her of my trouble, explaining that we needed sixteen dollars to pay all bills, and asking her to help us. By return mail I received a P. O. order for the sixteen dollars. Then the same lady who started me with the \$50.00, found, what many a one has found before, that when once you begin to do good works, it is hard to stop. Well, this same lady informed me that she intended to be responsible for the whole cost of beautifying the interior of our Church. No small thing for one member of a country congregation. The cost being, painting outside \$60.00, roofing \$54.00, interior \$120.00, in all \$234.00, of which one good woman gave \$170.00.

While we are recalling pleasant experiences, we may mention the Bishop's visit for Confirmation, when eleven were confirmed at Sydenham Place, and three at Spooner Pond. At Denison's Mills, the Bishop baptized a child and celebrated the Holy Communion. When one thinks of the Bishop's busy life, there is hardly room for the thought, that the work of a single Mission is, in any sense, hard. And then his Lordship's visits are stimulating and refreshing to all of us.

As regards the Services, at all the stations they have been regularly maintained and well attended. The lady collectors are deserving of great praise for the way in which they laboured to keep up the interest in the work of the Church Society. Neither the inclemency of the weather, the badness of the roads, nor the difficulty of finding time deterred them from the good work. Their success, however, they considered an ample reward. Gifts of fruit and other things, from all parts of the Mission, go to prove the kindness of my people. From the family of Mr. Geo. Hall, I received a special Christmas gift of three dollars and fifty cents.

A beautiful Font has been placed in the Church at Spooner Pond, at a cost of \$40.00, and a Brussels carpet, of churchly pattern, greatly improves the appearance of the Chancel. For the latter we are mainly indebted to Miss Edith Hall. The children of the Sunday School in connection with this congregation are learning "to do

good and to distribute," having sent \$5.00 to Medicine Hat for the Indian children. And to our little ones at Sydenham Place we are indebted for a handsome chandelier of three lights for the Chancel.

Death has removed from our midst the Venerable Richard Lonsdell, late Archdeacon of Hochelaga, in the Diocese of Montreal. The Revs. the Rector of Richmond and the Incumbent of Kirkdale kindly assisted at the funeral, paying a last tribute of respect to our departed brother. Mr. Henry Wadleigh, one of the best known men in Kingsey, after a painful illness, died and was buried, his funeral being attended by the greatest number of people of all creeds and classes ever seen on such an occasion in Kingsey. Another patient sufferer, in the person of Mrs. Allen, passed away, having been bed-ridden for over five years; and still another, a young girl who died of consumption, a member of the household of Mr. John C Evans. I have also to record the death of Mrs. Calvin Moore, a faithful member of the Church, whose last days were marked by intense agony, but the end was peaceful.

## LABRADOR.

*St. Clement's Mission.*

The Rev. C. E. Bishop reports :—

I hasten to write a short report, hoping it may reach the Church Society in time for publication. The weather has been very bad and rough thus far this Fall, so we have had rather a hard time in working through the Mission. Once we nearly lost the "Evangeline," also at another time our own lives, but were providentially spared. We hope to get into our own winter quarters within a few days. I was ordained Deacon St. John Baptist's Day, 1895. On July 20th, I left Quebec per S.S. "Otter," with my wife, for St. Clement's Mission, as a Second Missionary with the Rev. I. N. Kerr, B.A. We landed at Sheldrake, the new part and western extremity of St. Clement's Mission, July 22nd. We worked in the Mission till the middle of June, 1896, when we returned home. Besides visiting nearly the whole of the Mission by boat, my wife also travelled nearly two hundred miles with me by "Cometique" and dogs.

From October 8th, 1895, to March 11th, 1896, we remained at St. Paul's River. During nearly the year of my time in the Mission as Deacon, I held one hundred and ninety-eight Services with a Sermon, also a good number of Services with an Address. On August 30th, 1896, I was Priested and left Quebec per S.S. "Otter," and landed at Sheldrake September 26th, where I began my trip through the Mission. At Magpie—about twenty-four miles from Sheldrake—I met Mr. Almond, who left Gaspé per "La Canadienne," September 15th, having been ordained Deacon August 30th, 1896. From Magpie we have been working our way through the Mission together. Thus, according to the arrangements made by the Bishop last year, we have the much needed services of two Missionaries, a Priest and a Deacon. We have also two School Teachers, who also act as Lay Readers. Mr. Cernew, a new teacher this year, will teach at Red Bay till March, then at Mutton Bay till the fishing season begins. Mr. Willis, our old stand-by, will teach at St. Paul's River, where my wife taught last winter. When the people begin to move into their summer houses, which is generally in April, Mr. Willis will then teach at Lydie's Cove in a family of eight children till the fishing begins. Mr. Almond will work

between Mutton Bay and Harrington till Spring, making one trip west as far as Casco. I shall work at St. Paul's River and vicinity till after Easter, as the work of a Missionary is needed there quite as much as in any other part of the Mission. In the meantime I shall make a trip further East to Blanc Sablon and the usual distance into the Newfoundland Diocese of Labrador.

On August 8th, 1896, we became the happy parents of a son, hence my wife being unable to return this Winter, we tried to procure a lady teacher to take her place, but were disappointed. The influence of a lady teacher, especially a married one, is very much needed in some parts of the Mission. And if arrangements could be made for one in addition to the present staff of male teachers, it would be a most healthful influence in the Church's work,—an influence not only general, but *personal*, which can only come within the province of a woman's work and influence.

The Rev. I. N. Kerr, who has done most faithful and efficient work here for the last four years—one year as Teacher and Lay Reader, one as Deacon and two as Priest—has now left to take up work in the Mission of Shigawake.

The first Mission Church in this Mission was begun and completed under his guidance at Mutton Bay. Arrangements are now being made to build another at the next important Harbour of Harrington, next Summer. It is hoped that the kind friends who contributed so generously towards the building of the Church at Mutton Bay, will also feel in a position to do the same for Harrington. Some good subscriptions have already been made, but over \$300.00 is still needed to meet the proposed cost of \$800.00 besides the internal furnishings, which we hope to get by next Summer. As this Mission has had the benefit of two Missionaries during the past year, some very encouraging and promising features of the Church's work have been manifested.

When we were leaving St. Paul's River last month, Mr. John Goddard asked that "Prayers" might be read on Sundays, and offered to act as Lay Reader there, and at his Summer House; which he did with good results, and to the satisfaction of the people.

At Mutton Bay, Mr. Organ has continued to act as Lay Reader, so that Services are held in the new Mission Church in our absence every Sunday. Mr. Thomas Green has also taken a good interest in conducting the Sunday

School. Mr. Thomas Bobbitt and Mr. Thomas Buffett have taken a good interest in their work as Church-Wardens.

At Harrington, Mr. John Bobbitt has acted as Lay Reader since last May, holding Service twice every Sunday, with an excellent influence for good. Mrs. Daniel Bobbitt, who is well known for her interest in the Sunday School, has been assisted this year by Mrs. Caines, Miss Sarah Cox and Miss Amelia Bobbitt. Each and all have done their best in their respective parts of the Mission to assist in the Church's work. We wish to extend our heartfelt thanks to them, and to record our appreciation of their work and influence for good. To meet the wants also of the people here in general, we organized last May a Y. P. C. E. Society such as to include the members of the Presbyterians. It worked very well with both classes, till the Presbyterian Missionary, who has now left, wished to "work it with less machinery" than the Constitution and By-Laws provided for, hence a separation followed with an increase to our Branch of the C. E., which is now in a very promising state. The Christian Endeavour corresponds in its method of working, to the St. Andrew's Cross, only it includes both males and females. The object is to deepen the spiritual life of the young people, older ones being admitted members, as well, and to awaken a more earnest endeavour in the study of the Bible. A part of the active members' "pledge card" reads thus: "I will make it the rule of my life to pray and to read the Bible every day, and to support my own Church in every way, especially by attending all her Sunday and mid-week Services." A "Topic" card is given to each member, with a subject for every Sunday, to be prepared by Bible references, hence they all have something to read up in their spare moments, and to think about. Those who are unable to read, always have their verse or verses, committed to memory, and learn them by getting some one to read the verses, or passage bearing on the subjects, for them. Some of the older, as well as many of the young people, have said they "never read their Bible so much before in their lives; it has been a great help to me." Although we have always had a Bible Class, the Christian Endeavour, in connection with it, has been the means of their manifesting a greater interest in the reading and study of God's Word.

I know of no such organization at present more suited to meet the wants of the people here than the Christian

Endeavour formed in connection with the Church only. I hope to form the same at Mutton Bay.

The social element here seems to follow naturally as the outcome of Christian love, and their desire to help each other in their spiritual welfare and to carry out the motto of the C. E. "For Christ and the Church."

The most interesting event of the year was the second visit of the Bishop to this part of St. Clement's Mission in the month of July on "La Canadienne." As ever, his Lordship was most heartily welcomed at the different places. There were forty-five who received the Apostolic rite of Confirmation. His Lordship also visited the new and western part of St. Clement's Mission which was the first time an Anglican Catholic Bishop has ever visited that part of the Canadian Labrador. His Lordship was accompanied by his Chaplain, the Rev. James Hepburn, who is so well known and kindly remembered here as their former Missionary. It may be of interest to those who have so kindly contributed to the building of the Church at Mutton Bay to have a financial statement of it, hence I send it as left by the Rev. I. N. Kerr.

We owe our thanks to the Church Helpers, who sent us the materials for making an Altar cloth for the Church at Mutton Bay.

## LAKE ST. JOHN

*Indian Mission.*

The Rev. E. A. Dunn reports:—

In the month of April of last year, since the Rev. H. C. Stuart had for some months found it impossible to visit this Mission regularly, he asked me to pay two visits for him, and then in June, on his definitely resigning his charge, the Bishop appointed me to carry on the work.

During the year, I visited the Mission seven times, remaining, on each occasion, for two or three days. And in the month of July, in order that the Indians, who had come down to the Post to trade their furs, and who only stay for a few weeks, might have special attention, the Rev. C. C. Waller, who was in temporary charge of Valcartier for the Summer, very kindly consented to go to Pointe Bleue for the inside of a fortnight and conduct a Mission. Altogether thirty-six Services were held during the year, of which ten were celebrations of the Holy Communion.

In November, besides visiting Pointe Bleue, I went on to Chicoutimi, where, though the Protestant community is chiefly Presbyterian, yet we have two or three Church of England families. I was most kindly received by all here, and most hospitably entertained by Mr. David Blair, Manager of the Honorable E. J. Price's Mills. I held two Services, both of which were largely attended by Church people and Presbyterians alike.

At Pointe Bleue I am preparing five or six Candidates for Confirmation, and there will no doubt be others amongst the Indians who come down to the Post for the Summer. It is hoped therefore that the Bishop will be able to visit the Mission next August to confirm these Candidates and to consecrate an additional piece of ground for a grave-yard. This Winter, owing to the kindness of Mrs. P. A. Shaw, of Quebec, who gave us a stove, and of the Quebec Church Helpers' Association, who provided the fuel, we have been enabled to heat our little Church, and so have not been compelled to hold our Winter Services in a Private House instead of in a consecrated building. On various occasions I have stayed at five different houses in the Mission and have in every case been accorded a most hearty welcome; but I must especially thank Mr. and Mrs. Kirkpatrick, of the Hudson Bay Post, and Mr.

and Mrs. Cummins, of S. Prime, for their invariable kindness. Nor must I forget to mention what a debt of gratitude we owe to the Quebec and Lake St. John Railway, for their annual grant of a Free Pass on their line.

And now I cannot close my Report without a few words in regard to the Rev. H. C. Stuart, who, after seven years of unremitting attention, felt that he must resign his charge of this Mission. The Indians have nothing but words of praise and thankfulness for the work which Mr. Stuart has done amongst them. To him the Mission owes its origin, and to his perseverance has its success been due. We may indeed say that he has been a faithful shepherd of these "sheep scattered in the wilderness."

LEEDS.

The Rev. J. Rothera reports:—

*St. James', Leeds.*—Divine Service has been held here every Sunday morning and evening during the year. Holy Communion has been administered once a month and on the Chief Festivals of the Church, also on Thanksgiving Day. The average attendance has been larger than during any previous year. The Sunday School has prospered during the Summer months under the tuition of five teachers. A Christmas Tree was held at the Parsonage, when many hearts were made to rejoice. The children were further delighted by a pic-nic held on August 11th. I am pleased to report that a Branch of the W. A. was formed last January and has met once a month during the year at the residence of Dr. Hume, to whom we feel under great obligation. The Leeds and St. Sylvester branches of the W. A. held two united meetings last September, one at the Parsonage, St Sylvester, and the other at the residence of Dr. Hume, Leeds, when they decided to send the work of each branch in one bale to Archdeacon Phair, Winnipeg. The Ladies' Aid met once a month, alternately with the W. A., giving their time and service for the good of the Church. On January 21st, the Bishop visited this Mission, when twelve candidates were confirmed, seven in Leeds, and five at Beattie's Settlement. Of these twelve, all five at Beattie's, and one in Leeds were adults. A missionary meeting was held the day after Confirmation, when the Bishop gave us an excellent missionary address. The congrega-

tion laments the loss of one of the oldest supporters of the Church in James Aylwin, Esq., who passed away last November. He filled the office of Church-Warden for many years. A new stable and barn, more commodious and convenient than the old, have been built here.

*St. Sylvester.*—Divine Service is held here once a fortnight and on the Chief Festivals; and the Holy Communion celebrated once a month. Assisted by Mr. Watson, of B. C. L., during his Summer vacation, I was enabled to give this congregation a Service every Sunday during July and August, and a fortnightly service at St. Patrick's. Mr. Watson lived amongst the people, and his ministrations and kindly visits were highly appreciated by them. The Bishop visited this Congregation in January last. The W. A. met during the Winter months and did good work. Both for our Harvest Thanksgiving Service, and at happy Christmas-tide, our little Church was appropriately and prettily decorated, thanks to kind and willing helpers.

*St. Giles.*—Divine Service has been given here once a month, with the exception of July and August, when it was once a fortnight. Our members here are gradually decreasing in number; and the few who still remain live widely apart.

*St. Matthew's, Beattie's Settlement.*—Three Services a month were held here up to June 30th. Since then a Service every Sunday has been given. The Reverend Mr. Barton, of Kinnear's Mills, gives a fortnightly Service alternately with Leeds. A monthly celebration of the Holy Communion is held. The contract has been given for the erection of a Parish-room, and also for a stable; but the work has not yet been begun.

*St. Luke's, Broughton*—Divine Service was held here occasionally on a week-day. There are but three families left in this neighbourhood. The mines having been in operation during the Summer, three Services were held there. In future this congregation will be served by the Reverend Mr. Barton, who can reach them more easily, from Kinnear's Mills by rail, than I can from Leeds, over twenty miles of bad roads. During the months of July, August and September, three Services a month were given at St. Mark's, Kinnear's Mills. Services have been held in school-houses at Wilson's Mill and Nelson Road, once a month. These have been well attended and much appreciated. I here wish to express my thanks to the Reverend J. Kemp,

who gives a Service at St. James', Leeds, once a month, on the Sunday I go to St. Giles; also the organists, choirs, and Church-Wardens, at each Church; and to all workers who have kindly assisted in carrying on the work of Christ amongst us.

LENNOXVILLE.

The Rev. A. C. Scarth reports:—

The important event in the history of Lennoxville this year is the enlargement and improvement of the Church. It is now fifty years since the Church of St. George was built, and at the Easter Vestry Meeting it was resolved to mark the Jubilee year by adding to it, on a plan which, when completed would be an entirely new building. Accordingly plans and specifications were procured from the Architects Messrs. Cliff & Rope, and the contract given to Messrs. G. Loomis & Sons, and work was commenced about the middle of July.

Twenty-one years ago a fund was created called the New Church Fund, and allowed to accumulate, till this year it was sufficient to make the addition. But, as the work progressed, it was found that many things were wanted not at first thought of. So, through the liberality of the congregation, we were enabled to put down a new floor, to procure new seats, to remodel the Chancel, and to

tint the walls. Individual members of the congregation gave handsome colored windows, the work of J. Spence & Sons, Montreal, and, not least, the Misses MacKenzie gave a chime of bells. The work is now all but completed and paid for, and we look forward with hearts full of thankfulness to the formal re-opening and Dedication Services, which our Bishop has appointed for the 10th December. We hope that as many of the Clergy of the District as are able, will join with us in our Service of joy and praise.

The sum collected for Church improvements, over and above the amount to the credit of the New Church Fund, is \$288.50. The children, by entertainments, raised for furnishing the Vestry, &c., \$32.00.

Miss Isabel Ready, Miss Scarth, Miss C. McFadden and Miss Grace Bartlett were the collectors for the Church Society. The subscriptions for various reasons are not as large as last year.

The Guild has raised, for various parish objects, \$175.60; out of this they have given the carpet for the Chancel and matting for the aisles. The Woman's Auxiliary has contributed \$112.75 for Missionary objects; and there have been attained through the offertory for other purposes, outside the Parish, \$112.32.

#### LEVIS AND NEW LIVERPOOL.

The Rev. I. M. Thompson reports:—

*Levis.*—Another year has passed away, and we have very little of change to report. The Services, both on Sundays and week-days, have been kept up without any variations and with an attendance about the same as last year. The number of Communicants at Easter was larger than upon any former occasion during my incumbency. Cottage Services were held, with more or less regularity, at Mr. Craig's School-House, at Mr. George Sample's, Hadlow, and at Mr. James King's, South Quebec. At all of these Services there was a good attendance of young people; and mothers, who had little children, that could not be left long enough

for them to attend Church, gladly availed themselves of these opportunities to meet for Divine Service. This year, so different from former years, we have not lost any of our people by removals; but two were taken from us by death: the first, Lillian Morrett, a good and devoted Christian girl, very suddenly taken by a sharp attack of pneumonia and heart failure. It is not too much to say that the whole congregation sorrowed most sincerely for poor Lillian, and our deepest sympathy went out to the bereaved family. The second was Mrs. LeBroch, an aged lady, who died at Chaudiere. Mrs. LeBroch was a loyal member of the Church, and though little known, because of her blindness, outside of her intimate friends, yet was a good, devoted Christian woman. We trust that they are "better far" in the Paradise of God. The members of the Ladies' Guild have all worked diligently during the year, and have added \$24.46 to their funds. They have also, at a cost of \$72.00, had one half of the Rectory re-shingled and fixed up in a very substantial manner. The Woman's Auxiliary has also been as faithful in its labours this year as on former years. \$26.24 were realized by the devoted labours of its members besides other valuable contributions for missionary purposes. Our Society of Young Church Workers, has not been in operation since Easter, but before closing, handed the Wardens \$9.56 towards Church expenses. We hope later on to reorganize this society under a new form. The Sunday School has been regularly and faithfully carried on by Mr. George Addie, our indefatigable superintendent, who has, as his able assistants, Mrs. Hamilton, Mrs. Poston, Miss Amelia Hamel, and Miss Edna Thompson as teacher and organist. On the first Sunday of every month, I assist in the Sunday School, and hold a Children's Service, which is followed by catechising, or an address on the lessons of the Christian year as given in our Collects, Epistles and Gospels.

I cannot close this report without expressing my gratitude to Miss Nuttie Piton, as organist, and to the members of the Choir, for their services so regularly given; also to Messrs. King and Brown, Church-Wardens, for their devoted efforts to keep the finances of the Parish in good condition, and to all in fact, who have aided us in any way to forward the work of Christ and His Church.

His Lordship the Bishop of the Diocese paid us two visits during the year for which we were very thankful.

*New Liverpool.*—The Mission of New Liverpool, like the Parish of Levis, has very little to report. We have not, during the year, lost any of our people by permanent removals or by death. Some have gone for a part of the year, but will return in the Spring. This is indeed cause for thankfulness. The Services, as arranged four years ago, on my assuming charge of the Mission, have continued year by year without any interruption, with a very regular attendance during the Summer months; but, owing to the distances many of the people live away from the Church, the attendance in Winter is somewhat irregular. In addition to the regular Sunday Services, there have been occasional Services at Chaudière Curve, Chaudière Mills, St. Henri, and Belair. Last year, I had the pleasure of reporting the complete and thorough repairs made upon the Church, and the year before the erection of a comfortable shed for the protection of the horses. I have now to report, that owing to the continued kindness and liberality of our devoted Church-Warden, Henry Atkinson, Esq., a very substantial fence has been placed around the Parsonage grounds, so that now, this comfortable house and well fenced grounds are ready for an occupant as soon as one can be obtained.

Our Sunday School was in operation during the Summer months, and was very efficiently superintended by E. H. Wade, Esq., who was assisted by Miss Atkinson, as teacher and librarian, and Miss Mary Brown as teacher.

His Lordship the Bishop of the Diocese paid us a visit in October, for which we were very thankful.

I wish to conclude this report with a grateful acknowledgment of the many kindnesses received from all my people, but especially to convey my sincere thanks to Miss Ethel Atkinson, as organist, and the members of the Choir; to our kind and considerate Church-Wardens, Henry Atkinson, Esq., and H. B. Sample, Esq., to E. H. Wade, Esq., and the kind teachers who assisted him, for their services so regularly and gratuitously given.

MALBAIE.

The Rev. G. R. Walters reports:—

I am thankful to say that throughout the past year the Services of the Church have been maintained in this Mission with but little interruption. Sickness prevailed to an alarming extent last Winter and many of our members fell victims to *La Grippe*. From amongst our ten families, at the Corner of the Beach, no less than six adults were taken from us, whilst many besides were seriously ill. In their homes, and from their accustomed place in Church, their absence is sorely felt.

Last year, I reported our needs at Barachois to be the staining and varnishing of the interior of the Church, and a Church Bell. The former is now an accomplished fact, and paid for, and at once pleasing to the eye and mind; by next Spring, we hope that the second will be in its appointed place, and that its call to the House of Prayer may be found grateful to every ear, and also be effectual in securing such a timely gathering, as to make our opening Confession in reality a *general* Confession. To many, and notably to Mrs. John McCallum, are we indebted for the raising of \$50.00 to defray the expense of the interior work. In behalf of the Bell Fund, we have to thank the Church Helpers' Association of Quebec, for the gift of \$10.00; Miss Langlais, for collecting \$10.00 in the Mission, and Miss Laura Ross for procuring \$12.00.

Reference was made last year to the erection here in Malbaie, in connection with St. Peter's Church, of a two-story building, the upper story to be used as a Parish Room, and the lower as a horse-shelter. Through the

praise-worthy efforts of a few ladies of the congregation, enough money was raised by a series of Teas and Fancy Sales, not only to clear the building of debt but to procure for the Hall a suitable stove. The exterior of our Church has been repainted, at a cost of \$37.00, collected from house to house. We are grateful to the donors and to the collectors.

Our little band of Church Society Helpers were fairly successful in their mission. They brought in \$31.70 in behalf of the Funds of the Society. Our people are, for the most part, poor, yet so far as they are able, they give willingly to all good works. It not unfrequently happens that on the Sunday appointed for some special collection, the congregation is small. Distances from Church, the condition of the roads and the state of the weather, have all to be reckoned with, and so long as we can obtain no previous guarantee touching the latter two, the amount of our special offerings must fluctuate.

The next work to be taken in hand is the erection of a new Parsonage house. One of the difficulties is a suitable site; the Church Glebe is very small and irregular. Could we only obtain, from some kind friend, a piece of land near by, or adjoining the Church, the first great difficulty would be solved. I am in hopes that during the Winter our people will furnish, each a proportionate amount of, the lumber and boards that will be required, delivered on the ground so that it may be gradually seasoning while we are quietly looking after other ways and means. The work will take time, but the good people of this Mission have already begun and completed many good works of a material nature, and doubtless ere long they will see this need provided for.

In the month of August the Lord Bishop visited the Mission, and helped and cheered us all by his kind words and earnest addresses. His Lordship confirmed five candidates at Barachois, eleven at Malbaie, and three at Corner of the Beach. At each of these Services the Bishop gave most earnest and loving addresses, sowing broadcast the good seed, amid many prayers that it might fall on hearts fitted to receive it and bring forth much fruit to God's honour and glory. It is needless to say that good congregations were present at each of these Services.

Our Sunday School, I am sorry to say, does not increase in numbers. Many of the children live very far from

Church. Some indeed come in on Saturday and remain with friends in order to be present on Sunday morning. This, too, was the case with some while preparing for Confirmation. In October, the little ones were given a Tea Party in the Church Hall, which gave them evident delight. In conclusion I would tender to Miss Caulfield, our Organist, the warm thanks of the whole congregation. I desire also to thank the Church-Wardens of the three Churches, and especially Mr. Duncan., who is a young man and a most energetic and efficient Church officer.

MELBOURNE.

The Rev. W. J. Curran reports :—

In reviewing the work of the Church in this Mission for the past year, I have great cause to be thankful to God.

The Services in connection with the three stations have been kept up and well attended. At Lisgar also, where I have a Service once a fortnight, I have been much encouraged, and I have every hope that in time this will become another Mission Station.

At St. John's, the people continue to manifest a deep interest in their Church, and are working hard, for a great deal yet remains to be done. Since my last report they have erected a wire fence around the Church property with two double gates in front. The work has been carried out according to the wish of the Bishop. The ground around the Church and Parsonage have been nicely laid out by the men of the congregation. The Ladies' Guild have collected this year \$72.00. They paid \$48.00 for the fence ; and at present they have \$24.00 to be devoted to the Chancel of the Church. A wire fence has also been put up around the grave-yard, at the cost of \$10.00.

*Rockland Quarry.*—The work here has been very encouraging in spite of many obstacles. The few families that belong to the Church are very anxious to see the work better established, and to this end would like to see a Church built. This cannot be accomplished just now, but

we hope that in the near future they may have a proper Church edifice wherein to worship.

*The Ridge Road.*—The Services here have been carried on every Sunday. The congregations have been larger this year than last, and the Services more hearty. At these Services too I always note more men than women. I trust that God will bless them and enable them never to be ashamed to confess Him. On the first Sunday of each month I have a Morning Service at Badger's School-House instead of the Ridge Road, the better to enable me to reach every family in this part of my Mission. We have here a Sunday-School in successful operation, under the management of Miss Holland, with the names of twenty children on the roll. The parents are very grateful for this. The congregation here has suffered a great loss by the death of Mr. Henry Phillips. Mr. Phillips had been Church-Warden and had taken great interest in our work. The Lord Bishop visited this Mission on 15th of March last. In the morning he preached and administered the Holy Communion in St. John's Church. At 3 p.m. he again preached at Rockland Quarry to a very large congregation; and at 7 p.m. held the first Confirmation Service ever witnessed on the Ridge Road. At this Service seven candidates were presented for Confirmation. The large congregation at this Service was greatly moved while his Lordship explained to them the Scriptural grounds of Confirmation.

The assessment due from each of the congregations in this Mission has been paid regularly each quarter.

I am very glad to be able to report that in response to the request of the D. B., all three congregations have promised to increase their assessment from January next. St. John's congregation has promised an increase of \$15.00 per annum; Rockland Quarry, \$10.00; and the Ridge, \$10.00. I considered it a very good sign of the spiritual condition of my people, when they are willing to meet all the requirements that the Board asks for in order that they may have the Services of the Church.

During my absence for two months last Summer, Mr. John Wilson, of Bishop's College, carried on the work in this Mission. He did a good work and the people were all much pleased with his Services and visits.

While in Ireland I received \$100.00 from my friends towards this Mission. This is to be devoted towards build-

ing a Church on the Ridge. I hope to get everything ready this Winter, so that in the Spring we can commence work.

I have to tender my sincere thanks to the Church-Wardens of the three Stations, and also to the many other kind friends who assisted me in my work. I have received much kindness from all my people; for this, and for the work accomplished this past year, I am grateful to God; and in the future I will hope and take courage.

MILBY.

The Rev. Professor Wilkinson reports :—

As the Clergyman in charge of this station, I have to report that, with the exception of one Sunday (19th April), when the floods made it impossible to get there, Services have regularly, as in the past, been taken this year at Milby. I have always during term gone myself unless prevented by duties connected with the College or by Clerical work taken elsewhere. The Services have been well attended, the average attendance for the year having been, on Sundays, twenty-eight, and on week-days, nineteen. When I have been unable to go, the Services have sometimes been taken by Professors, but usually by Mr. E. N. R. Burns, a member of the Bishop's College Brotherhood of Readers, who, throughout the year, has rendered me very efficient assistance. Mr. Burns takes charge of the Sunday School, which he holds from 10 a.m. to 11. He has now fourteen scholars. During this hour it has been my practice to visit one or more of the parishioners. I have now, however, begun a Bible Class, and hope shortly to turn this into a Confirmation Class. During the Summer vacation I was absent in England, and the Sunday work was done by Mr.

Callis, one of our Readers. He also did some visiting. Further accounts of both Mr. Burns' and Mr. Callis' work will be found in the report of the Bishop's College Brotherhood of Readers.

On Wednesday, 23rd September, we held our Harvest Festival. Dr. Allnatt preached, and the Rev. W. Barton assisted, and the following students were kind enough to go out and form a Choir: Messrs. Burns, Vial, Callis, Moor, Walker, Lowe, Gustin and Dunn. The Service was a very hearty one and much appreciated by the people. During Lent, by giving addresses on two Wednesday evenings and on several occasions throughout the year, the Rev. Professor Parrock has kindly helped me. And during my absence in England, the Principal of Bishop's College administered the Holy Communion. I have visited the people in their homes as far as with the means at my command was possible, not so often as I could have wished. We have lately taken down the brick-work of the furnace, which had fallen into a dangerous state of disrepair, and substituted galvanized iron, and at present a drain is being dug to carry away water which has hitherto collected in the cellar, and sometimes in the Spring threatened to put out the furnace.

#### MONTMORENCY, LAKE BEAUPORT, AND STONEHAM.

The Rev. G. F. Hibbard reports:—

*Montmorency.*—The congregation in this Mission is gradually increasing, and if the Cotton Company continue to extend their business and enlarge their mills, the future should be a bright one.

For the first time, Montmorency has had Services on every Sunday during the Winter months this year, with every prospect of weekly Services being the rule for the future during the Winter as well as the Summer. Hitherto it has been considered impracticable to serve two places lying so far apart as Stoneham and Montmorency on one Sunday in stormy Winter days, but by a complicated arrangement in which a livery horse, the railroad and the

incumbent's horse all play a part, Stoneham and the " Falls " have each a Service on the same Sunday, and both in day light, which is imperative in the case of the former. A Bible Class has been opened by the Incumbent, and the Sunday School has recommenced its work with the kind aid of Mrs. Gosling. The Christmas Services were bright and well attended, the Church being exquisitely decorated for the Festival.

*Lake Beauport.*—From the time of my first incumbency of these three Missions, Montmorency, Lake Beauport and Stoneham, until November last, a period of over two years, the Burial Service was not read in any one of my three Churches. The first death to occur was that of Jessie Morton, the daughter of Mr. Georçè Smith, of Lake Beauport. Mrs. Morton had been married little more than a year and was the only surviving daughter in Mr. Smith's family. Her death was the cause of infinite sorrow, not only to her husband and family, but to all her old companions about the Lake, who remember affectionately her sweetness of disposition and devout Christian character. The Services have been conducted without a break during the past twelve months, and I am thankful to be able to record a good attendance and an increasing number of Communicants on the first Sunday of each month. The people are in earnest in their endeavours to keep our small congregation together, and even in the worst of weather many tramp miles of rough roads that they may not be absent from the Services. The Thanksgiving Festival is always a red letter day, and after a hearty Service with appropriate music, the whole congregation with their Clergyman enjoy an ample repast in an adjoining School-House. This year, on the eve of " Old Christmas," all the children and many of the older people gathered in the large dining hall at Mr. A. Simons, and enjoyed a good supper together, which was followed by a Christmas Tree, upon which were presents for every child, and some very handsome ones, which were the gift of the congregation to Mrs. Hibbard and myself and our little son.

*Stoneham.*—The people here have aroused themselves to the needs of their Church, and under the energetic and able leadership of Mr. Thos. Brown, one of the Wardens, have renovated a large part of the grave-yard surrounding the Church and are contemplating doing more in the Spring. A grant of ten dollars was generously sent us from

the Church Helpers' Association. On Christmas eve one of the oldest members of our congregation, Mr. John Wright, met with a sad accident, which has since resulted in his death. He was badly frost bitten while returning home from a neighbour's house. The number of Communicants increases at the monthly Celebrations. In this Mission as well as Lake Beauport and Montmorency, the Services were taken, during my absence in Cacouna, by Mr. Vial, of Bishop's College, Lennoxville, who made himself justly popular during his short stay among the people.

NEW CARLISLE AND PASPEBIAC.

The Rev. E. B. Husband reports :—

The usual Services have been held during the past year at New Carlisle, Paspebiac and Hopetown, with one or two exceptions, and I trust with benefit to the congregations. I have noticed with thankfulness greater reverence and more heartiness, especially at the Holy Communion, although at the latter I long to see a more regular attendance.

The Sunday Schools have been regularly held. In the Fall, many of our teachers in New Carlisle left, and their places have been difficult to fill. Teachers' Meetings were held once a week ; but not being, I am sorry to say, well attended, I have arranged for a Wednesday Evening Service, with instruction on the Sunday's lesson, thus hoping to secure the attendance of all. I have also begun a class for older scholars in the Vestry on three Sundays in the month. This will necessitate the Services in future being at 10 a. m. and 7 p. m. alternately. At Paspebiac, the Sunday School has been carried on partly by myself and Mrs. Husband, assisted by Miss Bisson and Miss Eva LeGallais. Miss Annie Smith has also conducted a Sunday School in the Upper School-House, New Carlisle.

In September the Lord Bishop confirmed eleven Candidates at New Carlisle, and addressed the Sunday School. He also preached very helpful Sermons at Paspebiac and Hopetown.

As to Church building, this has made considerable progress in New Carlisle. The spire has been erected, the chimneys ornamented by galvanized iron casings; the Church re-seated, through contributions of friends in England and elsewhere; and the new Font placed in position. We hope in the Spring to complete the walls of the interior, and have the Church ready for consecration at the Bishop's next visit.

In July a very successful Sale of Work was held in the Town Hall, realizing \$180, and a Tea and Auction in October, by which \$50 was raised.

Death has removed many from our midst, the most unexpected being that of George Romeril, general manager for Chas. Robin, Collas & Co. In him the Church at Paspebiac has lost a sincere and firm friend.

Our thanks are due to our organists, Miss E. Murison, Miss Eva LeGallais and Miss Smith, to the Choirs, Sunday School teachers, Church Society collectors, and Church-Wardens, for their faithful services, and from myself to many for kindnesses received.

The work in this Mission has been going on steadily during the past year. Something alluded to in last year's report as projected has been accomplished, and the way

seems open for new, and, we hope, more fruitful efforts. Since my ordination to the Priesthood in June last, I have had regular Celebrations at both Churches, at which the attendance has been encouraging. One cannot help being grieved, however, that the large majority of those who have been confirmed deny themselves this means of grace.

The Services have been kept up at the five Stations in the Mission, with special Services during the seasons of Advent and Lent. Professor Wilkinson, of Bishop's College, spent Easter Day in the Mission, and with his kind assistance we were able to have four Services and two Celebration of the Holy Communion on that day. Since the beginning of the year I have had four services every alternate Sunday, owing to the opening of a Service in Sawyerville. This Service has been well attended and is, I think, appreciated.

The repairs made to Christ's Church, Island Brook, have been finished, and the reopening Service was held on the 15th of January. The Rev. E. K. Wilson was the preacher. We have a seemly and comfortable place of workship here now.

I am glad to be able to report the completion of the Parsonage; House at Sawyerville, and to express my appreciation and gratitude for the kind help which has made this completion possible. The response given by the people of the Mission to the demands of the Parsonage Fund has been on the whole good, in some cases exceptionally good, and the financial condition of the work is healthy. Of course, it was only through the generosity of the kind people of Quebec and elsewhere that it was possible to meet the expense of building. In Quebec, through the kindness of the Rev. E. A. Dunn, my appeal for assistance was especially successful, and the fund increased by such subscriptions as: Hon. E. J. Price \$100.00, Mr. Robert Hamilton \$50.00, Church Helpers \$50.00, Bishop of Quebec \$25.00, etc. The total cost comes up to \$1,600.00, and by the time we can get our grant from the General Fund, we hope to have security for the whole amount, and to hand the property over to the Church Society, free of all encumbrance. The Building Committee, consisting of Messrs. Geo. W. L. French, C. H. Loveland and Peter Coombs, was especially diligent in furthering the work, and Mr. Richard Elliott in collecting for it. The furnace was put in by the Ladies' Guilds of Randboro' and Island Brook.

Before last Winter had come, the people of the Mission presented me with a beautiful fur coat, which makes the long cold drives comfortable. For this generous kindness, as well as many others, I wish to record my sincere thanks.

My willing Lay-Reader, Mr. A. F. Bowen, has on two occasions taken the Sunday duty in the Mission during my absence. His services are much appreciated.

The principal hindrance to systematic work here is found in the scattered nature of the Mission, and the difficulty, owing to distance, storm or bad roads, in gathering the people for regular Services, or organized teaching. While we recognize this hindrance, it must not be magnified, but in some way, to some extent at least, overcome, and we must always remember the promise of the Saviour's presence where two or three are gathered together in His Name.

#### PENINSULA AND LITTLE GASPE.

The Rev. N. M. Bayne reports:—

*St. Matthew's, Peninsula.*—Nothing striking or unusual has marked the Church's life here during the past year. The Sunday Services have been held very regularly with well attended week-day Services during Lent, fortnightly during the rest of the year, and on Saints' days when possible. Quietly and seriously the religious life and observances of the congregation have gone on. The result is, I believe, that spirituality is being deepened in the case of many, which is a reason for thankfulness ; although, on the other hand, it must be acknowledged that indifference has been manifested by some, which causes one to pray for better things. The Mission is small, and its territory so definitely limited, that such a thing as adding any new field of work is impossible. The existing branches of work have been well sustained, however. The Sunday School continues to do good work, and thoroughly sound work, under Mr. W. Miller, jr., and his three faithful helpers, Lewis Ascah, Lewis Annett and Miss Schilling. The num-

ber of children in attendance increased during the Summer, but there are yet others who should attend, and that regularly, but do not. Our Choir, at one time excellent, has suffered by reason of marriages and removals; but the remaining members do their best, and to them and their ever faithful and able leader and organist, Mrs. Lewis Annett, the congregation is under much obligation. The Ladies' Guild continues to be an exceedingly useful organization; so helpful indeed, that I cannot imagine how we could have built the Parsonage, or how we shall complete the Church here without it. Last February, by means of a Sale of Fancy Work and subsequent Entertainment, they raised and handed me \$45.00 towards the completion of a kitchen attached to the Parsonage. Since then they have given me several small sums. If the total amount raised does not equal the results of the previous two years, to their praise be it said, it is due to lack of opportunity and not of willingness or zeal. The Lord Bishop visited this congregation on the 7th of August and confirmed two young people. His Lordship's Address upon "Preparation for receiving the Lord's Supper, the nature and great need of such preparation" was most helpful. A large proportion of those present partook of the Holy Communion. The average number of Communicants is 34; allowing for removals, this is a slight increase.

*St. Peter's, Little Gaspé.*—In this congregation also I am confident that with God's blessing a true growth is being made. It is not especially marked by larger numbers attending Divine worship, but rather by increased earnestness, and perseverance in the use of the Church's means of grace. The Lord Bishop visited this part of the Mission on the 6th of August, when eleven Candidates presented themselves for Confirmation. The majority of these were adults, two being very aged. It was a most impressive ceremony, and his Lordship's earnest words then spoken have not been forgotten, and I trust will never be forgotten by any who heard them. As yet we have not been able to have a Sunday School here during the Winter. In the Summer a goodly number were instructed by Mrs. Bartlett, Mrs. Lemaistre and Miss Gavey. I also conducted a Bible Class for larger scholars. The work in this school should be improved by being carried on with more system. Public worship in this Church has become much brighter and heartier by reason of improvement in the Choir; and

no little credit is due to both organist and singers. In February a Social was held at Grand Grève, in a building which Mr. Gavey always kindly allows the congregation to use. Although the worst storm of the Winter raged, an astonishingly large number attended. The following evening the entertainment was repeated; \$45.00 in all was realized, half of which went to the Parsonage Fund, and half towards repairing the Church. Before closing this report, I should state that I continue to visit Fox River and Fame Point, periodically, as heretofore. Reviewing the life of the Mission during the past twelve months, and comparing it with that of preceding years, I feel that, whilst we cannot see extraordinary progress in any direction, we have abundant cause for thankfulness and courage. We have plans for the coming years which we fondly hope may minister to God's greater glory; but it were better to wait until we can speak of results, if He permits us so to do.

## PORTNEUF.

The Rev. H. S. Fuller reports :—

My report of this year will, as no report was sent in January last, cover the whole time of our presence in this Mission, or period which has elapsed from May 12th, 1895. During this time we have lost about twenty-six persons from our congregation at Portneuf by removals, some being members of the Church, and others outsiders kindly disposed to the Church, who were present with great regularity at our Services. By these means we have lost financially \$25.00 in our Sunday collections, a larger sum in our assessment money, which leaves us for the present in a very crippled condition.

At Halesborough the drought of last Summer has left our people on the light lands, very indifferently placed in the

matter of farm returns, while prices of produce ruling low in the market, makes matters even more trying for them ; however, at this place assessment will be met. At Portneuf, a re-adjustment of assessment will be necessary, especially as we have to face a heavy burden, in the way of repairs pressingly called for.

At Halesborough, we have put a new fence about the grave-yard, the people furnishing timber and work, some families giving as much as five or six days' work in the erection, and \$2.00 to \$3.00 in materials. The work has been done with great thoroughness. I have the pleasure of reporting a most excellent fence on three sides of the Church-yard, and material in hand toward the fourth. Other necessaries such, as nails, staples, wire netting, etc., were furnished by money collected by Mr. Thos. Marshall, as reported last year. Timbers in the Church tower were also cut out, and some new ones substituted, as the spire was in danger of collapse. Fifty cents worth of work on the roof of the tower at the proper time would have saved more than \$50.00 of work, as a corner rebuilt in the time of my predecessor owed its destruction to the same cause as the timbers of the tower. The interior of the Church, and fourth side of the fence we hope—all being well—to take in hand next summer.

In Portneuf the side walk, which has to be maintained by the congregation, was dug out of mud and road rounded up a year ago. The roof of the house, which leaked every where, so that we had to distribute pans to catch water, was reshingled on the one side, the other side patched, and the stable, which was tottering to its fall, was raised to its proper level upon a more solid foundation, and new sills and flooring introduced—in fact thoroughly repaired and remodelled. The verandah of the Parsonage had also to be reconstructed, while the buttresses of the Church, the interior timbers of which were rotted, were repaired and made secure against the weather by a properly arranged covering of metal shingles. In all these matters, as in all else which has promoted the comfort of the Clergyman, or the well-being of the people, our excellent Church-Wardens, Mr. R. Sewell and Mr. Chas. Dodd, have been forward to do their part.

The house-to-house collections this year are less than last year, as some of our hitherto most liberal subscribers, amongst them Mr. and Mrs. Greenough, have personally

borne some of the current expenses of the Church, which, as stated above, have been very heavy this year for a small congregation.

I have to acknowledge great kindness in Parochial affairs from Mr. and Mrs. Greenough and Mr. Miller, and an excellent temper and disposition evinced by all taking part in Church affairs.

## RICHMOND.

The Rev. J. Hepburn reports:—

The past year has been one of great encouragement and comfort. The report of last year spoke of an attempt to reduce the debt on the Church by \$1,000 within a period of two years. The larger sums promised were payable when the whole sum was subscribed. More than half has been paid in, and the balance will probably be in hand before the year is ended. And this represents only a part of the financial progress, for at Easter the Wardens' report showed that in different ways the indebtedness of the Parish had been reduced \$1,000.00. This fact speaks eloquently of the general well-being of the Parish; and too much praise cannot be given to the Wardens for their splendid service. As Rector of the Parish, I owe them more than I can say for their efficient labours, rendered in so quiet and pleasant a manner, and for their very great and constant kindness to myself.

Strong efforts put forth for the relief of the Parish have not lessened, as the appended statement will show. The contributions to outside objects, for a Country Parish, \$452.00, is a gratifying offering.

One cannot but hope from such tokens of good-will and

interest that there is improvement in the condition of the people, and this is ultimately the one reason for our presence in the field ; but of this one had better say little beyond expressing thankfulness for opportunities of usefulness, and for kind acknowledgments of help given.

There have been a good many pleasing variations in the ordinary Services of the year. In addition to those called for by the Church's seasons, special Services have been held for different Societies in the Town, and that for the Sons of England, on the Queen's Birth Day, is deserving of special notice. On these occasions the Church has been more than full, and the Services have been very bright and hearty.

The visit of Archdeacon Tims, of Calgary, was memorable for the great interest he awakened in his work among the Indians, one gentleman present volunteering to defray the expenses of a boy's education for the year, and the ladies undertaking to collect a good sum for his assistance.

The Lord Bishop of the Diocese was able to give us one of his excellent lectures on Church History in Lent, and the offering was sent to the Armenians. His visit for Confirmation on June 14th was a great delight to the Parish, and a special delight to half a dozen old people, unable to attend the Service, upon whom he called, and with whom he had a few words of exhortation and prayer, as he was driving down to us from Windsor Mills. There was a good class of Candidates (18), and the preponderance of men of full age and stature was a very pleasant feature. The whole Service was deeply affecting and impressive. The Sunday School Conference for the District was convened here for the day, and every Clergyman of the section was present. We were favoured with many visitors from the bordering Parishes ; and the day was most profitable. The Archdeacon of the Diocese was prevented by sickness ; his absence was much deplored. The Evening Meeting was favoured by an Address by Canon Thorneloe, (now Bishop-elect of Algoma). It is well worth recording that the discussions of the day were shared in by the ladies and greatly helped thereby.

I had another delightful holiday with the Bishop on the Labrador Coast for a month, when my duty was taken by the ever ready Dr. Adams, of Lennoxville, and two Lay Readers, Mr. Wilcocks and Judge Tait, of Montreal. To these gentlemen I owe my hearty thanks.

## RIVIERE DU LOUP.

The Rev. G. G. Nicolls reports :—

There is of necessity more of sameness about the work of this Mission, perhaps, than is the case in most others ; and as regards the maintenance of Services, &c., a reference to last year's report will cover the ground. As I foreshadowed in that report, the work of visiting and holding Services on the North Shore has shrunk materially, and indeed is now confined to Chicoutimi, where I have had pleasant Services, as usual, in the early Summer and late Autumn. My last visit was rendered particularly gratifying by reason of the kindness of the newly-arrived Presbyterian Minister ; who not only offered me, at once upon my arrival, the use of the room in which his Services took place, but also attended those which I held. Thus the happy relations which for many years existed between the two congregations, but which had unfortunately been interrupted (through no fault of the people themselves ; nor, I hope, of my own) on the occasion of my last two or three visits, are once more restored.

The diminution of families on the North Shore has put it in my power to visit those on this side of the river a little more frequently.

We have had a most encouraging Summer, I am happy to say. Through the great kindness of our friends from the cities, who are with us then, there has been raised such a sum of money as, with the addition of the results of a creditable, if somewhat tardy, local effort just brought to a conclusion—makes our debt upon the Mission Church at last a thing of the past, and thus relieves us of what has been a grievous burden and hindrance for the last three years. This is truly an encouraging opening for the new

year, and more than we had dared to hope for. It is true that a small amount of interest upon borrowed money has still to be provided for, but this we do not look upon as part of the original debt, and at any rate we hope and believe that it will shortly be found. Over \$1,000 of indebtedness has been wiped out during the three years last past. But the kindness of our Summer friends did not end with the efforts already mentioned; for, in addition to assisting us somewhat more bountifully than usual towards meeting our assessment, they also provided this year a sum of money which, by their own special instruction, was used in painting the Parsonage—a work which was really needed. Delay in prosecuting it would, ere long, have resulted in serious detriment to the property.

The Lord Bishop of the Diocese stopped at Rimouski, on his return from Labrador and Gaspé, on August 20th, and drove to Father Point, where he confirmed Mrs. McWilliam, 76 years of age, and her son—who is known and beloved of all in this district. On the following Sunday, his Lordship administered Confirmation, in the old Church here, to two boys. There should have been several other Candidates; but they were hindered at the last moment from presenting themselves by various unforeseen causes. The work of the Woman's Auxiliary and Guild continues as usual; as does that of the Sunday School, the children of which, though few in number, raised a considerable sum (bearing in mind that they are neither numerous nor wealthy) for Indian Schools by their offerings during Lent. On Christmas eve a gift-bearing tree was provided for them, by the kindness and energy of some of the ladies of the Mission, which surprised all by its magnitude and beauty. We fortunately still retain the valuable services of our voluntary organist, Miss Jessie Hill; while the Sunday School owes everything to Mrs. LeBrocq.

We have again, as is unfortunately usually the case, to chronicle the loss—not of individuals as last year, but of a whole family (by removal to Montreal), who were always helpful in every Church work. On the other hand we have made the somewhat unusual gain of another family who have come from the Province of New Brunswick to reside here.

I should have mentioned that Services have been held in Chicoutimi by the Rev. E. A. Dunn of Quebec since my last visit there. Mr. Dunn, kindly purposes giving the

people similar privileges occasionally in the future, when he visits Lake St. John; and they, we feel sure, will appreciate and be grateful for the same.

This report must be despatched at once, and I have not the means just at hand at the moment of giving details of the contributions from the Mission for the year; but I know that the total is more than \$1,000—a large sum indeed for this Misson in these days.

SANDY BEACH.

The Rev. G. T. Harding reports :—

The Sunday work here has been carried on as usual. Two Services at the Church, and one at the Barachois School-House, have been held each week. We now have, ordinarily, two celebrations of Holy Communion, instead of one, each month (one of them, during the milder weather being at 8 o'clock), besides those of the greater Festivals.

I am sorry to say that the weather, both in Lent and Advent of the past year, was more than usually unfavourable, and considerably affected the attendance at the weekday Services of those seasons, which were not as successful as they generally are. Another cause, too, hindered our usual winter work. This was an outbreak of Diphtheria, which caused a serious affliction to one family, and, from the fear of an epidemic, kept people at home a good deal, and prevented work that otherwise would have been undertaken. On this account, especially, the usual Bible Class at the Parsonage was not held. One was kept up, however, for a part of the Winter, at the Barachois School-House, where the attendance and interest shown was highly satisfactory.

At Easter we were particularly unfortunate as regards weather. For on Good Friday the heaviest snow storm of the Winter began, and lasted till Sunday, making the roads almost impassable; so that only about a dozen people (all males on snow-shoes) attended the Easter Service. As an attempt at compensation, I tried a repetition of the Festival Services, with two celebrations, on the Octave of Easter; but, by that time, the roads had begun to break up, and the success was not great, though fairly good.

In spite of the drawbacks alluded to, however, there have been many pleasant and cheering things connected

with the year's work. Notably, we have had some bright and, I hope, edifying Services. The Lord Bishop made us a visit on the 19th August, and confirmed twelve persons. On that occasion, the day being Sunday, the Church was crowded, and everything seemed to go well in the Service. The singing and responding were hearty; his Lordship's Address to the Candidates, and Sermon afterwards were listened to with evident pleasure; and I think we all felt deeply impressed by the good words spoken, and by the Church's ceremonial.

It is, too, with great thankfulness that I remember the Christmas Services lately held. For although the weather was the severest I have known at this season in many years, and several of our singers were kept at home by sickness, yet everything seemed bright, cheerful and hearty in God's House. The Church was tastefully decorated, the congregation at the Morning Service was large, and at the two celebrations (one at 8.30 a.m.) we had fifty-two Communicants. Many of the regular Communicants, too, who were kept away on that day by the weather and other causes, presented themselves on the first Sunday of the new year—ten days later—and brought the number up to nearly eighty.

Another very enjoyable Service was that held on Thanksgiving Day, but some account of it was lately sent to the *Diocesan Gazette*. Also, on the Festivals of the Holy Innocents, the Circumcision, and the Epiphany (the date at which I am writing) our Morning Services were good and well attended.

Other things, too, especially the kindness and sympathy shown to myself and family, giving us presents, getting our wood, and so forth, have contributed to make the year remembered with thankfulness; but of some of the secret causes of thankfulness, connected with private ministrations, I cannot here speak.

As will appear from the financial statement appended, we have raised this year for outside objects the sum of \$60.44; which, I am pleased to notice, as (allowing for the amount raised last year for the Bishop Williams Memorial Fund, which was an extra thing,) it marks an increase of about \$10.00 over the amount given the preceding year for the same purposes. A careful study of the Mission cards, however, shows that we ought really to have done better than this. For, I notice that the Sandy Beach District,

which has always hitherto given more than Barachois, is this year behind, and has given about \$8.00 less than usual. I am sorry for any falling back in this respect, but cannot help thinking of it as in the nature of a mistake. The collections by Mission cards were:—Miss Lizzie Thomson, \$8.75, and Miss Minnie Harbour, \$8.35; total, \$17.10.

A good deal of inside decorative work has been done on the Parsonage this year. Altogether \$122.55 was expended, towards which, during a trip to the Townships, I collected \$67.00, and I here beg to thank the kind friends who contributed.

SCOTSTOWN.

The Rev. H. A. Brooke reports:—

When I look back over the work of the past year in the Mission of Scotstown, I feel that we have a great deal to be thankful for to Almighty God. There appear to be many external signs of the lively interest which our people are taking in the welfare of our Church, when we find people are willing to put their hands more deeply into their pockets to meet the pressing needs and demands of the Church, it seems to be an unmistakable proof that their hearts are indeed touched, with an earnest desire to do their utmost for the establishment of Christ's kingdom upon earth. The Mission of Scotstown has been in existence three years, and this year it has been accepted as a permanent Mission in the Diocese. During the three years past a Parsonage and two Churches have been built and paid for. The assessments have been regularly met. This, I think, is evidence enough to show the wisdom of Archdeacon Roe, when three years ago he so earnestly pleaded with the Diocesan Board to have Scotstown set off as a trial Mission for three years. The two great events of the past year have been: 1st, the setting off of Agnes and Lake Megantic as a

separate Mission, and 2ndly, the building of the new Church at Canterbury.

*Scotstown.*—Church affairs have gone on much as usual here. Services have been regularly held every Sunday and fairly well attended. The Sunday School has been kept up with the same interest as ever. We have to lament the loss of several of our best Church families through removal to other parts. But still our small congregation works well together, and the result so far has been satisfactory.

*Lingwick.*—Our new Church at Lingwick was consecrated on the 13th of December, 1895, and it has been acknowledged by all a great blessing to the place. Our congregation has increased, and on all sides there are abundant manifestations of the great interest taken in our Church. The Sunday School is fairly well attended, and is well managed by Mr. James Pennoyer, the Superintendent. The Ladies' Guild has been reorganized and are working hard to buy a bell for the Church next Spring.

*Canterbury.*—Of course all interest here is centered on the new Church which, D. V., is to be consecrated on the 11th of December. The Church will cost about \$1,050.00, and of that sum the people have subscribed about \$600.00, which is a large sum under the circumstances, and we have to thank our devoted Church people outside the Mission for the balance of the sum required to complete the Church for consecration. The people here for the past forty years worshipped in an old School-House, and for many years have hoped and wished for a Church, and now their hopes are crowned by the presence in their midst, of as neat a country Church as one could wish to see, erected by their own self-denying efforts, for the worship and to the Glory of God.

It is indeed a great relief to the Incumbent of Scotstown to have Agnes set apart as a separate Mission, situated as it is, twenty-six miles from Scotstown, with a large area of country around, thinly populated with Church people, it was almost impossible to minister in both places with any satisfactory result. The people of Agnes offered an assessment of \$300.00, which offer the Lord Bishop accepted, and now they are enjoying the ministrations of the Rev. J. N. Hunter, who formerly worked as Lay Reader in the same Mission with great success.

The above is a brief summary of the work in the Mission of Scotstown, and I feel that we may indeed thank

Almighty God for having so abundantly blessed our labours during the past year, and to Him be all the praise and glory forever.

SHERBROOKE.

The Rev. Dr. Thorneloe reports :—

It is with mingled feelings of sorrow and thankfulness that I address myself to the task of preparing my last report as Rector of the Parish of Sherbrooke, where I have lived and laboured for the past eleven years ; sorrow, because of the severing of ties of friendship and affection which have grown very strong ; thankfulness, because of the many blessings which God has vouchsafed me in my work.

The Parish Registers show that during the past eleven years, 554 persons have been baptized, 133 couples have been married ; there have been 340 burials, and 364 persons have been confirmed. During the same period, \$69,490.44 have been raised in the aggregate for Church purposes, of which sum \$14,475.87 have been contributed for purposes outside the Parish.

A Service has been established and a congregation averaging from sixty to seventy gathered in East Sherbrooke. A site, costing \$500.00, has been acquired. A Church, costing about \$2,200.00, and a Parish Room or School-House, costing \$800.00, have been built. All these properties have been paid for in full, thus adding about \$3,500.00 to the capital account of the Parish. A new St. Peter's Church Fund has been created and now reaches the figure of \$8,173.35 actually in hand, not to speak of certain subscriptions yet to be paid. An Endowment Fund has also been begun, but only amounts at present to \$237.00.

The Mission work of the Parish has been increased during the same period, there being now (1) East Sherbrooke, (2) Brompton Line, (3) Magog Road, and (4) the Page School-House, in all four centres of missionary operation, in

addition to the Parish Church of St. Peter. All this represents an increase of expenditure to the extent of about \$850.00 over what was spent annually for working the Parish in 1885. This increase includes (1) the stipend of the Curate who now lives in East Sherbrooke and has special charge of the Church of the Advent; (2) the expenses of the Missions; (3) certain advances in salaries, *e. g.*, to the Organist and Sexton at St. Peter's.

During the same period of eleven years, while the old and splendid organization of women workers known as St. Peter's Guild, has continued its noble work, holding its own as the chief organization of the Parish, various new societies have been established, among which the Woman's Auxiliary, the Girls' Friendly Society, the District Visitors and the Christmas Club have done excellent work, and give promise of permanence. And I am not without hope that certain other organizations, for example the Boys' Brigade and the Brotherhood of St. Andrew, will yet take deeper root and become fruitful in good. The Sunday School work moreover has decidedly improved both in quantity and quality. There are now two Sunday Schools in the city, one at each Church and two in the country. All told about three hundred children are enrolled.

Since 1888 Holy Communion has been celebrated in St. Peter's Church every Sunday and Holy Day, and for the past two years in the Church of the Advent fortnightly. Morning and Evening Prayer have been said since 1888 in St. Peter's daily. During the past two years the Rector has published a monthly sheet of Parish notes and information which has been distributed through the pews free of charge. It is not surprising perhaps that in all that work, and the mutual intercourse involved in it, both place and people have been very dear to the Rector's heart, and that he feels both sad at the thought of removal and thankful for the happy years vouchsafed him.

Some discouragements there have been and are still in the Parish. (1.) The population fluctuates. Many Church people have removed from Sherbrooke in the past few years. Comparatively few have entered it. The congregations therefore have not grown as they would otherwise have done. (2.) The finances of the Parish have not improved as could have been desired. At times, especially of late, it has not been easy to meet the increased expenditure, partly because of depression in the trade and partly because

many older families, trained in liberal giving, have been broken up or lost by removal. But there are encouragements also. (1.) The attendance at Holy Communion, especially at Easter, has noticeably improved. In 1885 the Communicants on Easter Day numbered in all one hundred and ninety-six. Last Easter Day they numbered three hundred and forty-six. (2.) The work in East Sherbrooke has steadily, though slowly progressed, till now there is reason to hope that it will not be long before it will be safe to attempt the more complete organization of the work, whereby East Sherbrooke and the outmissions would become a separate Mission, still looking to the older Church for partial support, but to a large extent free and self-governing. The Rector of St. Peter's would then confine his labours more particularly to the older part of the City, which sorely needs closer attention. (3.) Again, the gradual but sure growth of the new Church Fund gives promise of a new and handsome St. Peter's, which will be at once more worthy of the place and congregation, and a centre of Churchly influence for the whole District. No doubt it will be some time before this promise is realized. But there is hope that when the day comes for building the Parish will be ready. (4.) And then, while here as elsewhere, indifference exists, there is a general and deep rooted devotion to the Church, and an earnest body of men and women ready in emergencies to take up the Master's work with alacrity and zeal. At this time, when the announcement of the Rector's approaching removal has inflamed these feelings, there are many signs of the strong hold the Church has upon the hearts of her people. For all this the Rector thanks God!

*At St. Peter's*, during the past year, we have had the privilege of occasional official and other visits from our Bishop and of much valuable help from neighbouring Clergy, especially from the Clergy of Lennoxville.

Large and enthusiastic meetings of the Lay Helpers' Association were held at St. Peter's on 27th October last, at which Reports and Papers were read, and much interest was awakened. Ninety-nine persons (thirty-two males and sixty-seven females) have engaged in Church work, more or less regularly, through the year. The Church Day School for girls continues its excellent work with Miss Cowling as teacher. There have been twenty-four pupils.

*At the Church of the Advent* Rev. H. E. Wright is doing

good and solid work. Social gatherings have been held from time to time, and the children have been brought together by Mrs. Wright, and are being taught to work for the Church. There has been a marked improvement in their attendance at the Services. A Confirmation, the first ever held in this Church, took place in December last. Four Candidates were presented.

Mr. Rawlings is giving the Church of the Advent a beautiful East Window of Stained Glass.

The Vestry and Guild Room have been finished and paid for by the exertions of the ladies, and prove a great benefit and convenience.

The Gibb's Home for girls has this year been permanently closed; the work being removed to Niagara on the Lake.

The Clergy hereby recognize with gratitude the valuable help of various laymen in Lay Reading, &c.

#### SHIGAWAKE.

The Rev. R. J. Fothergill reports:—

Last August the Bishop visited the Mission and confirmed five Candidates, one at Port Daniel and four at Shigawake. But the chief event which marked his Lordship's visit was the Consecration of St. Philip's Church and Burying-ground at L'Anse aux Gascons. For many years the Church remained unfinished, and, in consequence, the Consecration had been neglected. The collection at the Service of Consecration was set aside towards a fund for purchasing a bell, which is greatly needed.

During the Summer months the Venerable Archdeacon Roe took charge of L'Anse aux Gascons, relieving the In-

cumbent considerably, and giving the people the privilege of Services every Sunday. Archdeacon Roe took great interest in the children, catechising them every Sunday, and helping greatly in increasing interest in Sunday School work. We also had a visit from Canon Thorneloe, who preached most helpful Sermons in L'Anse aux Gascons, Port Daniel and Shigawake.

The Church at Newport has been enriched by several gifts. A beautiful red Altar Cloth, the work of St. Matthew's Guild, presented by Mr. and Mrs. Elias LeMarquand; a Prayer Desk given by Mr. Conway, of Percé; a Font given by Mr. and Mrs. Ernest LeMarquand, and a large Bible for the Lectern by Mr. Eli Romeril.

At Shigawake a Concert was held in February, the results of which were given towards the completion of the Church Hall. The Hall has been ceiled throughout, which has added greatly to its appearance and comfort. With some of the boards remaining over from the Hall, two members of the congregation very kindly laid a double floor in the hall of the Parsonage, which made a wonderful difference in our comfort during the cold weather.

At Port Daniel the ladies held a very successful Sale of Work in July, with the proceeds of which it is proposed to purchase much needed new seats for the Church.

At Shigawake a branch of the Woman's Auxiliary has been formed. The meetings have been well attended and a great deal of interest shown in the work; and a good sized parcel was sent off to Algoma in November.

During the early part of the Winter, the Mission suffered greatly from sickness, and several of the most steadfast of our Church people were removed from our midst.

On the 23rd of November I was elected by the Church Society to the Parish of Drummondville, and it was with very real sorrow that I felt it my duty to accept the call to new work. As I look back over the three years of my Incumbency, while there have been of course some discouragements and disappointments, and I am conscious of many mistakes and neglects on my own part, yet I have reason to think that they have not been altogether unfruitful in good. They have been very happy years indeed, and it would be impossible for me to narrate the many acts of kindness which have been shown both to my wife and myself. I have always met with a kindly hospitality in the various parts of the Mission, and many have been the

gifts that we have received ; hay, potatoes, &c., from people in Shigawake ; oats, especially a plentiful supply last Easter, from the people of Port Daniel. And then, at the last, many of the men of Shigawake helped us greatly in packing up and carting the furniture, &c., free of all charge, over thirteen miles of dreadful roads.

In conclusion I would take the opportunity of thanking the Church-Wardens of the several Churches of the Mission, the Organists, members of the Choir, and all others who, whether in Sunday School or Guild, have assisted in the work of the Church.

STANSTEAD AND BEEBE PLAIN.

The Rev. W. T. Forsyth reports :—

*Christ Church, Stanstead Plain.*—The regular routine of Church work and Services has been maintained with unbroken regularity during the past year. The congregations have maintained nearly the same average as during the past two or three years. Our comparatively poor and small congregation has found it a severe struggle to continue on their self-supporting basis. A chapter of the St. Andrew's Brotherhood was organized in connection with Christ Church in January 1896. At present, it numbers fourteen members. It has succeeded in doing good work for the Church during the past year. Its members have undertaken the work of ushering in Church, as well as assisting in Mission Services. At the fortnightly meetings, the Rector is at present giving a series of instructions on the Prayer Book. The Woman's Auxiliary and the Ladies' Guild have also carried on their usual work. A pair of handsome brass Altar candlesticks have been presented to the Church in memory of Miss Bessie Meigs, for many years one of our most devoted communicants. Mr. Duncalf has been appointed Lay Reader and renders most welcome aid in conducting the Services. By the aid of kind friends, mostly in Quebec, the Rectory has been renovated both within and without.

*All Saints' Church, Beebe Plain.*—This Church has been, during the past year, under the charge of Rev. H. S. Harte, whom we were sorry to lose from our midst, when he assumed, in November, the charge of the Mission of St. George's, Beauce. During the past year, there have been maintained two Services each Sunday, beside one Service

during the week, and two celebrations of Holy Communion each month. By Mr. Harte's strenuous exertions, several repairs have been made to the Church Fabric; amongst these may be mentioned a new furnace, a new East Window and several Altar and Lectern Frontals. The exterior has received a new coat of paint. The Sunday School has also had several new scholars added to the roll. The Bishop of the Diocese paid a visit to this Church on Sunday, November 1st, when two Candidates were confirmed. The experience of Mr. Harte's residence at Beebe Plain confirms the wisdom and advisability of having a resident Clergyman in that place, if the Church is to be permanently and durably established in this vicinity. The business depression of the past few months, and the removal of many of our people, have hampered the work of the Church, and made it impossible to raise for the present the amount promised for the support of a resident Clergyman. We hope, by the help of a Student from Bishop's College, to continue the two Sunday Services during the Winter months.

*Marlow*—The Services at Marlow School-House have been held every alternate Sunday afternoon. The congregations have been fair, and during the Summer months, very good. The congregation is becoming a more settled one, and the Services assuming a more churchly character. The two important events of the year have been the visit of the Bishop for an Afternoon Service on Sunday, November 1st, when there was a very large congregation, and the first Baptismal Service held in this building.

*Judd's Mills*.—Fortnightly Services have been held at Judd's Mills on Tuesday evenings. The congregations have maintained a fair average, but the difficulty here is to bring the people to a sense of the Church's teaching concerning her position, and the absolute need of the Sacraments for the spiritual life.

*Moulton*.—The Services at the Moulton School-House were kept up the greater part of the year with rather small attendance. They have been discontinued for a while, but we hope to resume them in the not distant future.

The members of the St. Andrew's Brotherhood organized, and have helped me to maintain, during the past five months, a fortnightly Service in various houses in the Hartley neighbourhood with varying attendance.

Although the growth and progress of the Church's work

in this Parish has not been perhaps as marked as in some past years, yet there have not been wanting signs of progress and marks of encouragement which lead us to believe that there is a great future for the Church in this neighbourhood.

## S. GEORGE, BEAUCE.

The Rev. H. S. Harte reports :—

Having entered upon my duties as Incumbent of this Mission so late in the year, I am not in a position to give any lengthy report of the work of the past twelve months. suffice it to say that the usual Services have been held and the ordinary work of the Mission quietly carried on.

The removal of my predecessor, the Rev. T. Rudd, from the Incumbency of the Mission, called forth an almost universal expression of sorrow, that such kindly ties as those which bound Priest and people together for over two years had to be sundered. The presentation to him of a valuable gold watch on the 25th of October was a tangible means of voicing the feelings of his parishioners towards him.

Since assuming charge of the work of the Church, I have made some alterations in the routine of Services, which I trust will be productive of much good. I now give Cumberland a weekly instead of a fortnightly Service, Kennebec a fortnightly instead of an occasional Sunday Service, and I have opened up, what I trust will be a permanent work, at Moose River, Maine, by inaugurating a regular monthly Service there.

The need of a Parsonage being very much felt, we are taking steps to build one on the Glebe at S. George. Material for the frame is being got ready this Winter, and we trust that by beginning work on the structure early in the Spring, to have the same completed before the Winter of 1897-8.

## THREE RIVERS.

The Rev. H. C. Stuart reports:—

During the year the usual Services of the Church have continued without change or intermission. The attendance at all the Services has been fairly good. The Anglicans of this part of the Diocese are few in number, and certainly their ranks are steadily decreasing. Every year during the past decade has been marked by the removal from the Parish of some of the warmest friends of the Church. This year has seen the departure of three families of our best workers and helpers. I have also to record the death of Mrs. H. G. Fearon, one of our oldest residents and staunchest supporters; her loss will be deeply felt, a void made in our numbers that cannot easily be filled. The Church at Three Rivers owes a debt of gratitude to this worthy lady, her brother and sister, which can never be repaid, for the substantial aid they have always so cheerfully rendered. Our numbers have now decreased to twenty families, and it can be readily understood that, as regards the financial aspect of the Parish, we find it a difficult matter to keep our heads above water, without neglecting the important works we have long had in hand, and which are slowly approaching completion. However, our people are united and, notwithstanding our decreasing numbers, are not despondent. There will always, probably, be an Anglican "colony" here, and I would like to see our endowment so materially increased that the Services of the Church could be assured to them. It is with some satisfaction that I record the works completed during the year. The old Cemetery has been newly fenced and painted at a cost of \$110.00, and the ground put into good order. This lot of land was donated to the Church by the late Hon. Louis Gagy in 1808, but was never consecrated owing to the fact that it was subject to the *rente constituée*. This encumbrance having been removed a few years ago, through the energy of some of our friends, we look forward with satisfaction to its early consecration. The Rectory drains have also been connected with the corporation pipes, at a considerable outlay. This has freed us from an annual tax of \$15.00 to the Ursulines. This tax, together with that on our tenement house, had unavoidably drifted into arrears, both of which have now been met; and we are now practically free from

those encumbrances. None, without experience of such things, can understand the anxiety they entail, nor the satisfaction their removal brings. We have also effected considerable improvements, and at considerable expense, both in the Church and Rectory. During the coming year we hope to begin the necessary work of putting upon the Rectory a new roof of English tin, like that recently put upon the Church. Owing to the difficulty of "ways and means," we can only begin these works in hope, and continue them in faith. Could we only see the completion of this task, and the addition of any considerable sum to our endowment, our hearts would indeed be cheered.

After a few years' experience, I may be permitted to say that a Parish like Three Rivers, completely isolated as it is from the rest of the Diocese, and practically unconnected with the Diocesan Board or any of the working machinery of the Church Society, lies under many and great disadvantages, compared with the other Parishes and Missions of the Diocese. The Clergy of all isolated localities, owing to their necessarily restricted intercourse with brother Clergymen, and the laity, owing to their lack of opportunity for knowing what is transpiring elsewhere, are in danger of losing interest in the Diocese as a body, and of sinking into a rut and remaining there.

My connection with the Mission work at Lake St. John, I was reluctantly compelled to resign, owing to the amount of travelling required, and the impossibility of making the work "fit in" with the requirements of my work here. It was with deep regret that I thus severed my connection with this interesting work.

The work at Radnor Forges continues as before. Mr. Bell and Mr. Cumpston have faithfully exercised their offices of Lay Readers, and the work, I doubt not, has been signally blessed. I have been enabled to spend seven Sundays at Radnor during the year, celebrating the Holy Communion and remaining for Evening Prayer. On three occasions, Mr. Cochran has taken charge of the Services here. Mr. Drummond continues to take the warmest interest in this Mission.

## VALCARTIER.

The Rev. Dr. Riopel reports :—

The Church Services have continued as usual to be well attended and religious earnestness to be well maintained. Not only is devoutness in Church noticeable, but the general conduct of every day life is evidently influenced by a sense of religious obligation. It is not a mere occasional parade of emotional egotistic profession, but a quiet steady improvement in practices and habits.

For a change to myself, and a relief to my congregation, I was allowed to have charge of the chaplaincy of Grosse Isle during four months of last Summer. On my return there was much to remedy ; but little by little matters are getting again into fair working order. His Lordship very kindly gave the Mission a visit, and through his usual geniality and tact stimulated those present into more zeal for their Church and a stronger desire to be faithful members. The congregation, quite of their own accord, undertook to build a stable and a coach-house. The necessary materiel has been supplied and much of the work done. The severe cold put a stop to the work, but next Spring the construction will be continued and completed. The hearty willingness to do what they could manifested by our people has certainly been very gratifying. If the times would only brighten up a little and farm produce meet with a more encouraging market, there is good prospect that the little wants about the Church and Parsonage would be readily supplied. Even as it is, the usual expenses have all been defrayed. The debt incurred last Summer during my absence towards the Assessment will cause the payment for the last quarter of the year to be perhaps a little delayed, but, as it has been our rule to avoid Church debts, I have full hope that the necessary amount will be collected.

We cannot too highly praise the zeal and assiduity of our Church-Warden, Mr. Thomas Billing. Mr. George Atkins, his ally, for the few months he has been in office, has also proved himself worthy of our heartiest thanks. With such willing and efficient workers we have good reason to look for success. Our thanks are also due to Messrs. John Billing, John W. Thompson, Wm. Smith and David Hamilton. It was chiefly through their active cooperation that the new building has been brought to its present advanced state.

WATERVILLE.

The Rev. Ernest A. Willoughby King reports:—

An increased number of Services, better general attendance, somewhat larger offertories throughout the Mission, a generous proportion given to outside objects, special work among Swedish colonists, large sums collected towards completion, restoration or building—and collected mostly on the spot—mark the past year's parish history.

*Waterville—St. John's Church*, has received new felt and clapboards on the sides, with buttresses, new doors, windows and floor, complete sheathing in ash and basswood over the old plastering, a change of vestry, desks and choir seats, and attention to the foundation, sills and chimney. The large cost of such a general restoration emphasizes the importance of the "stitch in time" principle, as to annual repairs of all Church buildings. Mr. Reuben Howse made collections for new seats, Mrs. Victor Parsons for Chancel carpet, Mrs. W. H. Ball for Church and grave-yard improvements, Messrs. Hodgson and Wiggett, wardens, spent much time and care in help and superintendence. The latter paid \$25 to repair fund ; Rev. T. L. Ball \$25 towards new floor ; Mrs. A. H. Robertson, Cookshire, presented a beautiful alms-basin of ecclesiastical design in memory of her parents, Mr. and Mrs. Sutton, who were married in St. John's Church ; Mrs. C. P. Reid sent a generous donation of \$15.00. An important feature of the Church's work has been the ministering in their own tongue to Swedish colonists at Waterville and in neighbouring places. Through the intervention of Bishop Potter, of New York, and the consent of our own Diocesan, Rev. G. Hammarsköld, B.D., General Missionary to the Swedes in the United States, visited his countrymen in these parts for ten days, and afterwards sent Rev. F. E. Lund, who for two months kept up the Swedish Services and lectured on Missionary work done in China, when he was a Congregational Minister.

Since November 25th, Rev. August Andrén, B.A., of the University of Lund, Sweden, holding letters of orders from

the Protestant Episcopal Church of the United States, has, with our Bishop's sanction, been carrying on this enterprise. This is the only instance, as far as I know, in the whole Dominion, where anything similar has been attempted, although there must be hundreds elsewhere, desiring a like interest in their spiritual welfare. In an article in the "Spirit of Missions" for November, "based," the writer says, "not at all on theory, but on satisfying facts of recent experience, there are nearly two millions of Scandinavians in this land (U. S. A.). The Clergy of Sweden for many years commended and consigned to us their immigrants, who were seeking these shores. Were all the American Scandinavians added to the Church they would bring to our fold as many new communicants as we now number. The time is ripe for an advance of the Church along this line in taking to her care a people whom she ought always to have possessed and nurtured." The official letters of transfer ended thus: "The above person is hereby most cordially recommended to the affectionate care of the Venerable Bishops and Clergy of the Protestant Episcopal Church of the United States of America." To our own Church in this wide Dominion, what valuable suggestions are herein made!

Our congregation at Waterville, and a large circle of relatives and friends, sustained a great loss in the death of Mrs. Henry Pennoyer. What more and better need be said than that she was a good woman.

In Sherbrooke, on the sixth of December, Mr. William Wiggett, senior, entered peacefully into rest at the age of eighty. He was a warden of St. John's Church fifty-one years ago and often afterwards, often also a delegate to the Synod; long a Municipal Councillor, a School Commissioner and a useful citizen; he was of sterling integrity, and of great activity, independence and perseverance. Mr. Wiggett also had a heart warm to what is good, religious and kind. He was a loyal and liberal churchman. Full of days and honour, he passed away possessed with the well-grounded hope of a joyful resurrection.

*North Hatley.*—Here most generous and invaluable help has again been given in all Church work by the Summer visitors in association with the local guilds. \$258.33 were collected by special efforts towards the debt incurred three years ago for construction, &c., leaving a good sum towards the completion of the Church. From the S. P. C. K. has

now come the promised grant of \$97.20. A renewal of the promised grant from the Church Society of Quebec is still expected, although it has in form lapsed through, not having been claimed within the year in which it was granted. A large and beautiful Bible, and a pair of appropriate Altar vases have been given anonymously. Envelope system maintained with good results. Rev. Clarence Buel, of Baltimore, for about two months most kindly made himself responsible for the early celebrations of Holy Communion, and helped in other Services, preaching several times and always most acceptably. With the kind help of Principal Adams and Mr. Carey, an afternoon or night Service was also sometimes held. A new Font is promised, and also some help in having the exterior of the Church painted, and the interior finished.

*Eustis and Capelton.*—Here the event most deserving notice is the realization of a "prospect of a much needed new Church" spoken of in last report. A building 50 x 22 of good proportions, and well situated, is now in comfortable use. The interior is, however, unfinished. Rev. T. S. Chapman, M.A., has kindly promised to fill the central light in the Chancel with stained glass. Nearly all the present cost has been collected and paid through the painstaking zeal and energy of Mr. C. N. Martin, who also projected and superintended the building's erection. The Committee and all concerned owe him a deep debt of gratitude. A new organ, lamps, Altar-cloth, &c., have been provided by the Ladies' Guild, which is in renewed, numerous and active operation. The opportunities now afforded of having Services and Sunday-School any day and hour we like, and in a Church edifice are being appreciated; whilst the hearty Services held in the School-Room for so long are not forgotten.

In behalf of all interests thereby benefitted, I would acknowledge thankfully the efforts and gifts that have been bestowed for the honour of God and the Church's welfare throughout the Mission, and particularly through the very valuable assistance of the Guilds of good women in all the three congregations. I rejoice also to report that a Sunday School has been begun at North Hatley, and successfully continued by Mrs. E. Springs and Miss Kezar: also at Eustis by the missionary zeal of students of Bishop's College; whilst that at Waterville is still kept up.

Much benefit will accrue to the whole Mission, it is

prayerfully hoped, through the appointment of Rev. A. Andrén as the Assistant Minister.

The aggregate contributions for all Church purposes show a total for the whole Mission of \$2,468.56, which is \$1,181.21 more than the corresponding sum for last year. This remarkable increase comes largely from the contributions to the new Church for Eustis and Capelton.

## WAY'S MILLS AND BARNSTON.

The Rev. A. E. Watham reports :—

In my last report I ventured to express the hope that this year's would be still better, as I had then been but four months in this Mission. God has graciously fulfilled this hope, as I trust to show. I was then holding Services at four points, viz.: Way's Mills, Barnston, Libbytown and Kingscroft. I have since added four more, viz.: Bean, Sutton, Newville and New Boston, and am about to add still another, which will make nine stations in all. At all these the work has been successful. I have now four regular Sunday Services as follows: Newville at 9.30; Way's Mills, 11; Barnston, 2.30; Libbytown and Bean, alternately, 7 p.m., often reaching home after ten o'clock at night. This is a pretty good day's work. I mention it only to give my lay readers some idea of a Sunday's Mission work in the Eastern Townships. Hitherto the assessment of Way's Mills has been \$80.00, that of Barnston \$50.00. We have been asked to increase these to \$100.00 and \$60.00 respectively, and shall comply. Our Way's Mills' ladies have been working zealously to establish an Endowment Fund for this Mission, and towards this object have banked \$51.62. An ice-house has been built adjoining the Parsonage, at a cost of \$20.00, which promises to be a luxury. Some improvement has

been made to the foundation of the Church at a cost of \$5.00. The ladies of St. Matthew's Guild, Quebec, have kindly sent us some beautiful hangings for the Reading Desk and Pulpit, our own ladies contributing \$2.00 towards the same. Besides this, Mrs. J. Hamilton and other friends of Quebec have sent us some books for our Sunday School Library. Dean Norman has also kindly sent us some.

During the year we have been favoured with two visits from our Diocesan, when five candidates were confirmed. I have five more ready for next year. His Lordship, on his last visit, in compliance with my expressed desire, kindly brought and loaned to me his lantern slides belonging to his Church Lectures. Having a lantern of my own, I propose, this coming Winter, to give illustrated Church History Lectures at as many centres as possible. I have already given two: one at Sutton and another at New Boston, and am to give another this evening at Newville. The Bishop kindly gave me \$2.00 with which to purchase some Prayer Books to be used for Mission purposes. These have proved most useful. I have often thought that a Magic Lantern, with a full set of slides on Church History, together with three or four dozen Prayer Books, constituted almost a necessary part of a missionary's outfit.

After holding Services at Sutton for nearly a year, and receiving in support of the Church's work only the very small offertory taken up at such Services, Deacon Sutton, of the Baptist Church at Barnston, who has kindly acted as a sort of Church-Warden for me, kindly proposed that the residents of Sutton should subscribe a definite amount, payable quarterly, towards the Mission Service held by the Church in their midst. Accordingly a paper, duly headed, was circulated by Mr. Morrison, another Baptist friend of mine. Already eight families, none of them of our Communion, have promised a quarterly payment towards this object. And others are expected to do so. Thus would God seem to be blessing our labours here.

When I assumed charge of this Mission in September, 1895, I found the finances in a very unsatisfactory condition. With the approval of the Church-Wardens, here and at Barnston, I have, since May last, looked after the finances myself, and a much healthier condition of affairs is the result. The general income has increased, and the outlook is more hopeful. Both in Barnston and Way's Mills, the Church's work has been much helped by the Ladies' Guilds.

The outposts in connection with these two Centres have also contributed towards the same good work in recognition of the privileges enjoyed by them. Indeed it is mainly by the pecuniary help received from our various out-stations that we hope to be able to meet our contemplated increase of Assessment, amounting to \$30.00. Separately their offerings are very small. I have often driven six, eight and nine miles to a Mission School-house on a dark, wet night to find but a handful of people awaiting me, and to receive, as the amount of collection, fifteen, ten and even six cents. The other night I drove eight miles with the thermometer below zero, and over rocky mud and ice, to find a congregation of eleven persons—and to receive per offertory towards our Assessment six cents. When the Winter snow-drifts come, even greater difficulties will lie in the Missionary's way. But though the financial returns be small, we believe that the spiritual results are not, and we thank God for this. We mention these difficulties only to show what must naturally be the feelings of the Missionary when word comes that we must do more for ourselves and expect a less help in future. But we have bright days as well as dark ones, and in the midst of our work here have had much to cheer and encourage us. The kindness received from our good people has been greatly appreciated, and their courage and zeal have been very helpful. On the whole God has shed His Sunshine more than we had expected and undoubtedly more than we have deserved.

## WINDSOR MILLS AND BROMPTON.

The Venerable Archdeacon Roe reports:—

The trials with which it has pleased God to visit the Priest of this Mission during the past year has necessarily given a serious check to his Parish work, not only in taking him away so much from the Mission, but also in the loss to it of two experienced and loving workers for Christ, whose example and devotion were and are felt to be so helpful. Nevertheless, the scheme of Services reported last year and the year before has been carried out without much interruption by my own and other hands. As to

results, attendance at Church is perhaps increasing, slowly however, at Windsor. At Brompton it is invariably good. It is fair to add that the impediments to regularity at Church are not so great to members of the latter congregation.

The exceptional character of the year referred to above has prevailed to postpone the Confirmation which had been arranged for this Advent.

We have inaugurated for this Autumn and Winter a series of Parish evening gatherings of a social nature with the object of bringing our people into more intimate and friendly relations as members of the same Church. Whatever good results we may achieve may be recorded next year. The problem is not one easy of solution.

NOTE.—The Secretary would respectfully call the attention of his brother Clergy to the foot-note on page 131 of the last Annual Report. Collecting forms are sent out each Autumn to the Clergy, small ones for the use of their individual collectors, and large ones, headed "Alphabetical List," on which the names of all subscribers are to be alphabetically arranged, and ready for the press. And yet many of the Clergy, ignoring the larger forms, send in the smaller ones only, with names, regardless of order, written by the individual subscribers, and this too in some cases with a lead pencil. To be obliged to refer to old Reports for help in deciphering names, and then to arrange these in alphabetical order is a task which it is unreasonable to expect of the Secretary. The Society expects each Clergyman to see that his Lists are properly executed; if unable to attend to it in person, he might surely depute the work to some member of his band of collectors to whom all names are familiar.

The Secretary would again ask the Clergy, when writing their Reports, to use one side of their paper *only*. The majority of the Clergy observe these rules; and to them the Secretary feels very grateful.

### TREASURER'S REPORT.

The Malbaie and Point St. Peter Endowment, and the Kingsey Endowment, having reached the required amount, the revenues have been paid, this year, as additions to the stipends of the respective rectors.

A new fund, styled the "Quebec City Church Fund," has been added to the accounts in charge of the Society, being the proceeds of the sale of lands in St. Rochs, formerly used as a cemetery, the income being available for use by the Bishop for Church purposes in the City of Quebec.

The following investments have been paid off during the year :

	Amount.	Rate.
Town of Perth.....	\$ 1,500 00	7 p.c.
"    Brantford .....	242 00	6
"    Windsor .....	2,000 00	6

A total of \$52,474.55, which paid an average of 5.69 per cent.

New Investments made :

	Amount.	Rate.
Quebec City stock .....	\$ 4,100 00	7 p.c.
Province of New Brunswick.....	500 00	6

Province of New Brunswick.....	2,000 00	4
City of St. John.....	8,000 00	4
"    Charlottetown.....	4,500 00	4

A total of \$78,350.00, paying an average of 4.53 per cent, but, as on their purchase, premiums were paid amounting to \$3,522.00, the actual rate of interest is still lower than calculated above. The larger part of the premiums were paid on the purchase of Quebec City permanent stock, for account of the Bishop Williams Memorial Fund and Bishop Williams Commemoration Fund, and makes an apparent reduction in their capital accounts, as the stock is debited at its par value.

Of the arrears of interest outstanding at the beginning of the year, that on the Montreal mortgage has been paid, but the Toronto mortgage is still in default.

As shown in the balance sheet, the deposit now in Bank amounts to \$35,180.07, most of it being on capital account, awaiting investment.

Quebec, December 31st, 1896.

EDWIN POPE,  
Treasurer.

REPORT OF THE CORRESPONDING COMMITTEE OF THE DOMESTIC AND FOREIGN MISSIONARY SOCIETY OF THE CHURCH OF ENGLAND IN CANADA, FOR THE YEAR ENDING 31ST JULY, 1896.

The subscriptions of the year amount to \$6,656.69, viz., for Domestic Missions \$2,277.16, and for Foreign \$1,379.53. Taking both funds together, the result, as shown in the following table, is almost identical with that of last year, being only \$15.65 less.

TABULAR STATEMENT.

	1895.	1896.		
Domestic.....	\$ 1967 64	\$ 2277 16	Increase.....	\$ 309 52
Foreign.....	1704 70	1379 53	Decrease.....	325 17
Total.....	\$ 3672 34	\$ 3656 69	Net decrease.....	\$ 15 65

There was an increase of \$309.52 in the sums for Domestic Missions, and a falling off of \$325.17 in those for Foreign Missions. The deficiency and gain very nearly balance one another, but the change would, at first sight, seem to indicate that the increasing efforts made in the Domestic Field were lessening the interest in Foreign Missions. This, however, is not really the case. The truth is that our people are getting to realize that there are still Heathen within the Dominion, viz., the Eskimo and Indians of the North West; and that it is as pressing a duty to prosecute work among these, as it is to carry it on in other countries. Consequently money, which was formerly given directly to Foreign Missions, has been transferred to our Domestic Missions, and specially marked for, and devoted to, Indian Work; and indeed if this money had continued to be devoted to Foreign Missions and sent to the S. P. G.—a Foreign Missionary Society—much of it would still be spent on the same Indian Work that will benefit by it, since this very work forms an important branch of what we call Domestic Missions.

The details of the Domestic Missions are the following :

	\$ 1967 64	\$ 2277 16

In the present Report the contributions for Indian Homes are given as a separate item, whereas in former years they were included in the sums set down to the different Dioceses in which the Schools are situated ; so that it is not possible to furnish a perfectly exact statement of the difference between the sums given during the current year and those given last year to each Diocese.

The fact that a clergyman from our midst, so well known and so universally esteemed as the Rev. Canon Thorneloe, is on the eve of becoming Bishop of Aigoma, will no doubt arouse in our people a stronger regard for this Missionary Diocese, and create a closer sympathy with those who are carrying on the good work of the Church there. Such a result is in every way desirable, but at the same time it must not be forgotten that it is equally desirable that our sympathies and efforts should take a wider range, and that we should neither be unmindful of the Great North West, nor be unwilling to bear our own share of the work in foreign lands.

The Committee have again the pleasure of drawing attention to the Report of the Woman's Auxiliary of their work for the year ending May 20th 1896.

This Report is appended, p. 250.

The following information has been gathered from the Annual Report for the year ending May 20th, 1896 :—

There are 28 Senior Branches, 1 sub-division and 7 Junior Branches. Although no new Branches have been organized during the year, much greater interest is shewn in the work of the Association, the number of meetings has increased from 9 in 1895 to 15 in 1896; the attendance likewise, the average being in 1895, at the Executive Committee meetings, 14, and in 1896 over 18.

The sum of \$1612.23 has been raised for Missions.

Our pledges, amounting to \$400.00 per annum, have been fulfilled, viz.:

- \$ 50.00 to the Indian Home on the Peigan Reserve.
- \$100.00 to the Lady Teacher on the Sarcee Reserve.
- \$100.00 towards the education of Adelaide Willemar, and
- \$150.00 towards salary of our Lady Missionary to Japan.

Money has been sent in varying sums to Algoma, Calgary, Mackenzie River, Moosonee, Qu'Appelle, Rupert's Land and Saskatchewan.

The sum of \$308.71 has been contributed to Foreign Missions.

Thirty bales have been sent to Algoma and the North West, also two silver Communion Services.

In January 1896, Archdeacon Tims, of Calgary, visited this Diocese, and held meetings at as many of the Branches as it was possible to arrange for in the limited time at his disposal.

The Lord Bishop of the Diocese held a Missionary Meeting and lectured on Mission work.

At a meeting on November 20th, Miss Tilley, Secretary of the Junior Branches, gave us the benefit of her Parliamentary Drill; addresses were also given by Mrs. Tilton and Miss Montizambert.

At the suggestion of Miss Spiller, a worker for the C. E. Z. M. S., a Zenana Secretary was appointed for the Diocese of Quebec, Mrs. M. Bell Irvine kindly undertook to fill the office.

SIXTH ANNUAL MEETING ASSOCIATION OF CHURCH  
HELPERS, JANUARY 20TH, 1897.

The work of our Association has gone on quietly and steadily during the past year. The smallness of our funds obliges us to limit our work, but we have endeavored to respond to all appeals. We have frequently been asked to contribute money towards building Parsonages, etc., but, feeling that this work comes more particularly under the Church Society, we have been obliged to refuse, unless under very exceptional circumstances, and then only with the consent of our Advisory Committee. In order to avoid cause for disappointment in future application for aid, perhaps it is as well to state here that grants for buildings were not contemplated among the original objects of the Association's work. This is one of the main features of the Church Society's work, and we wish to supplement that work, through different and more personal channels, such as repairing, altering or decorating the interior of Churches and Parsonages, adding to the comfort of the Clergy, and particularly in coming to their assistance in times of sickness or trouble.

Committee Meetings have been held every month except July and August, and we have had two general meetings. The collection for the Church Society in the city and neighborhood was undertaken, as usual, by members of our Association. We are glad to report a considerable increase in the amount collected, the result being \$2,688.25, over \$400 more than last year.

The Annual Sale was held on Wednesday, the 16th September. It was thought, that in order to make it more attractive and to induce a better attendance, it should be held out-of-doors, and Mrs. Williams kindly offered the use of the grounds of St. Matthew's Rectory for the purpose. The sale was held there, but the result was not as satisfactory as we hoped it would be. Our receipts were smaller than last year by over \$60, only \$179.27 being made.

Mrs. T. A. Young having resigned from our Committee in March, Miss Phillips was elected by ballot at the General Meeting in May to fill her place. A donation of \$3 from the Church people at Mutton Bay, Labrador, was sent to our Association through the Rev. I. N. Kerr; \$25 were also generously given by the Lord Bishop of Quebec, and the annual gift of £1 from a friend in England.

A number of letters have been received from Clergymen whose Missions we have had the privilege of assisting, saying how much encouragement they derive from the sympathy and help of friends in the city. We sincerely trust that we may be able not only to continue but to extend our work, but in order to do this, we would ask for an increase in the number of our members, and a better attendance at our General Meetings.

CAROLINE M. HALL,  
Secretary.

HELEN SEWELL,  
President.

---

The Treasurer's report shows the total receipts, including a balance of \$241.39 brought down from last year, to have been \$632.21. The expenditure during the year, including a grant of \$60 to the Magdalen Boat, and other grants to different Clergymen of the Diocese, leaves a balance in bank and in hand, on the 31st December last, of \$210.84.

### Society for Promoting Christian Knowledge.

---

The Bi-centenary of this noble Missionary Society of the Church of England is to be celebrated next year. Gratitude to God for the truly great and good work which He has made it instrumental in performing throughout these 200 years, should secure for the event a worthy commemoration. But few in this Diocese have any just conception of the extent or varied character of the work of the S. P. C. K.; nor are all aware of our own indebtedness to the same Society. The sphere of its operations is as wide as the British Empire: the methods by which it seeks to reach and uplift man, and promote everywhere truer godliness, are manifold.

It is true that our obligations to the S. P. G. are even greater; yet, for one hundred years have we, in varied ways, been recipients of the S. P. C. K.'s bounty. But few Churches have *ever* been built within our Diocese without its generous aid; towards the erection of the sixteen, built within the last five years, a grant of \$100 was in each case made by the S. P. C. K. The same Society gives \$900 annually, in the way of scholarships, towards the education of men for the sacred ministry at Bishop's College, Lennoxville. At one time or another, probably every Parish in our Diocese has received from their Stores a grant of Bibles, Prayer Books, or S. S. Literature. Of the remarkable success which has attended the Society's Medical Missions to the heathen, we cannot here speak.

We are grateful to the S. P. C. K. for their numerous benefactions, and it was but right, that the sense of our indebtedness should take some practical form. Early in Advent, the Lord Bishop suggested to his Clergy the propriety of bringing before their people some account of the great work being done for the Church by the S. P. C. K. and of making a special offering in its behalf. Some thirty-five congregations responded. The total amount received is not

large, the congregations being for the most part poor. The information imparted concerning the Society's work may indeed prove of more value than our pecuniary offering. We trust that during the current year, other congregations will wish to make like thank-offerings.
