

The Acadian

DEVOTED TO THE INTERESTS OF WOLFVILLE AND EASTERN KINGS

Vol. XL. No. 27.

WOLFVILLE, NOVA SCOTIA, FRIDAY, APRIL 29, 1921.

\$2.00, payable in advance

Avonport Notes

Miss Annie Walton, of Acadia, was a week end visitor at the home of her aunt, Mrs. F. G. Borden.

The Sewing Circle met last week at the home of Mrs. Brenton Borden. An enjoyable evening was spent by all present.

On Monday evening of last week a miscellaneous "Shower" was given Miss Annie Carey at her home, in honor of her marriage to Mr. Archie Bowers, of Shelburne, on the 27th inst. A large number of her friends were present and a large and useful collection of gifts were given her.

Mr. and Mrs. P. D. Shaw, of Falmouth, spent a few days of last week guests of Mrs. Shaw's mother, Mrs. David Fuller, Mr. S. Wm. Holmes, Jr. spent Wednesday with friends in Wolfville.

Mr. Weatherall, machinist of St. John, N. B., is in Avonport this week repairing some machinery at the brick works.

On Friday evening of last week "Hopeful" Division paid a fraternal visit to "Avonlea" Division at Mt. Denison. About forty members from "Hopeful" were present. A good programme was given by each Division, after which "Avonlea" furnished refreshments and an enjoyable social hour was spent.

On Sunday night the 17th inst. the Avonport General Store was broken into and a quantity of clothing stolen but on Monday morning as soon as Mr. Graham discovered his loss he got busy, and that same night he had located the thief, a man by the name of Lawson, at Ashdale, Hants Co. and on Tuesday morning he, aided by Mr. Smith, of Hantsport, landed him in Kentville jail.

BAD MANAGEMENT

To the Editor of THE ACADIAN.

Dear Mr. Editor,—I am writing this brief note to your interesting paper in order to ascertain, if possible, who is responsible for the use of the electric current in the public buildings in town. On a recent morning between eight and nine o'clock I noticed the lights at the Town Hall in full blast and the lights at the Fire Station had been running twenty-four hours per day during every day for a year or more. Such useless waste of current would indicate that the appointment of a town manager who would look after this and probably hundreds of similar matters that are costing the citizens much in the way of taxes would not be a waste of time and it is well worthy of consideration.

ECONOMY.

BOY SCOUTS & TUXIS SCOUTS

Program—Friday, April 26th
If fine, 6.30 to 7.30—Baseball on School Grounds, "Wolves", "Cuckoos", and "Lions" vs. "Tigers", "Foxes" and "Beavers".
7.30 to 8.15—Indoor Baseball at Club Room "Wolves" vs. "Cuckoos".
8.15—Roll-Call and Talk by Dr. MacDonald on 1st Scout Law.
8.45—Tuxis Meeting, Initiation and Basket Ball (High School Practice).

MARRIED

BOWER-CAREY.—At Wolfville, on Wednesday April 27th, by Rev. J. H. MacDonald, Miss Annie May Carey to Mr. Archie Bower, both of Avonport.

Mr. Ernest H. Blois, Supt. of Neglected and Delinquent Children for the province of Nova Scotia, was in town over Thursday evening in the interests of his work. He addressed a meeting of the Childrens Aid Society at the Town Hall, and gave an interesting and lucid description of Bill No. 132, "An Act respecting the children of unmarried parents", now before the Legislature at Halifax. Mr. Blois had a conference with the Executive of the Childrens Aid Society, when a helpful discussion took place concerning the work being done in the county and plans were laid for further activities.

The S. S. Empress has been withdrawn from the St. John-Digby service until May 3rd to undergo repairs.

For years I have never considered my stock of household remedies complete unless a bottle of Minard's Liniment was included. For burns, bruises, sprains, rheumatism, or chilblains it excels, and I know of no better remedy for a severe cold in the head, or that will give more immediate relief, than to inhale from the bottle through the nasal organ.

And as to my supply of veterinary remedies it is essential, as it has in very many instances proven its value. A recent experience in reclaiming what was supposed to be a lost section of a valuable cow, under has again demonstrated its great worth and prompts me to recommend it in the highest terms to all who have a herd of cows, large or small. I think it an rare in saying among all the patent medicines there is none covers as large a field of usefulness as does Minard's Liniment. A real treasure good for man or beast.

CHAS. K. ROBBINS,
Chebogue Point, N. S.

FRANK HODGES

Secretary of the Miners' Federation in Great Britain, and an important figure in the present industrial crisis there.

MAJESTIC PLAYERS COMING

The coming of the Majestic Players to Wolfville next Monday evening means one of the greatest theatrical treats of the year, for not only is the talent of Miss Preston, Mr. LaSalle and all the members of the company, which is now closing one of the longest stock seasons Halifax has ever had, recognized here, but they will offer "A Night Off", one of the greatest comedies written in modern times, one which Austin Daly thought so highly of that he gave the original production, which ran a couple of years, an all star cast, headed by Ada Rehan and John Drew. The comedy is written in a splendid bright and breezy style and the whole four acts teem with droll situations. The story is that of a celebrated old university professor who has a wife that is prejudiced against everything theatrical. He writes a Greek tragedy, of which his wife has no knowledge, and when a barn storming theatrical company arrives in the college town he arranges with them to produce his tragedy. His goings and comings to and from the theatre and his acquaintance with the actors and actresses he feels must be kept secret from his prejudiced wife and that is the situation that causes many of the side splitting situations of the comedy. A pretty love romance is interwoven in the action of the play. Eventually when competitors classic matters are straightened out satisfactorily and everybody is made happy.

WHAT WE BUY

(Winnipeg Tribune)

During the year ending September 1920, we purchased from the United States goods to the value of \$919,367,000, four-fifths of our purchases abroad. Let us offer that market, or as much of it as can be diverted, to other people who will buy from us—and see that they get it.

Here is a table of some of our chief imports during the same period, the year ending September, 1920:

Iron and steel	\$193,000,000
Cotton	127,000,000
Sugar and Molasses	95,000,000
Wool	89,000,000
Coal (anthracite)	33,000,000
Coal (bituminous)	43,000,000
Silk	42,000,000
Vehicles	35,000,000
Breadstuffs	29,000,000
Chemicals	26,000,000
Hides and skins	22,000,000
Rubber	21,000,000
Tobacco	16,000,000
Flax, hemp & jute	19,000,000
Leather	16,000,000
Furs	14,000,000
Tea	11,000,000

Let our Government, with the spirit of the people behind them, attack that list, break it up, and analyze it with three objects in view:

(1) To see what we buy in the United States we can do without, and make us do without it, as we cannot pay for it;

(2) To see what we buy in the United States that we can provide for ourselves, and make us provide it for ourselves;

(3) To see what we buy from the United States which we can get elsewhere from people who will buy from us, and use our shipping, and make us go to them.

Literature written more than 1000 years ago mentions two breeds of poultry still being raised in China, while incubators now used are the same, in principle as those employed in Egypt 4000 years ago.

Mr. H. W. Phinney, who recently purchased the Regan building on Main street, has greatly improved the appearance by the application of a new coat of paint.

The kind of drafts most to be feared are over-drafts.

Sons of Temperance

Addressed by Distinguished Visitors—Officers Elected

An interesting session of Wolfville Division, S. of T., was held on Monday evening in Temperance Hall. No meeting of the society has been held for some weeks, but an attempt is now being made to have the meetings continued. It was decided that in future the meetings be held on Thursday evening instead of on Monday. Special interest in the meeting this week was occasioned by the presence of Mr. A. A. McLeod, Most Worthy Associate of the National Division, and Mr. N. W. Eaton, Grand Worthy Patriarch of the Grand Division of Nova Scotia. Mr. Eaton, who is well known in Wolfville, is always a welcome visitor at the Division meetings, but this was Mr. McLeod's first visit and the members were very glad to have him with them on Monday evening. Both the visitors gave interesting addresses which were much enjoyed.

After the usual routine of business had been transacted the officers for the current quarter were elected and at the request of the D.G.W.P. were installed by Mr. McLeod, assisted by Mr. Eaton, as follows:

- W. P.—R. B. Blauvelt
- W. A.—Mrs. Blauvelt
- R. S.—Mrs. T. E. Hutchinson
- A. R. S.—W. O. Pulsifer
- F. S.—Mrs. H. Spinney
- Treas.—Miss Ernestine Bishop
- Chaplain—Rev. M. P. Freeman
- Conductor—Miss Jennie Pincio
- A. C.—Miss Hilda Fielding
- I. S.—B. O. Davidson
- O. S.—H. Spinney
- P. W. P.—C. A. Patriquin

NOTICE

We the undersigned Merchants and Business Men of Wolfville agree to close our places of business and offices every Wednesday at one o'clock during the months of May, June, July, August and September. Stores will be open every Tuesday and Saturday evenings and evenings previous to a holiday.

- Porter Bros.
- E. R. Redden
- A. W. Bleakney
- Bishop Co.
- W. C. Dexter & Co.
- J. C. Mitchell
- Waterbury Co., Ltd.
- H. K. Saxon

Geo. A. Johnson
F. W. Barteaux
Edson Graham
R. E. Harris & Sons.
W. O. Pulsifer
L. W. Sleep
G. D. Jefferson
Woodman & Co.
S. W. Fullerton (Barber Shop Only)
Williams & Co.
J. E. Hales & Co., Limited
Geo. A. Johnson and S. W. Fullerton will also have their places of business open on Thursday evenings.

ENTERTAINMENT AT PARISH HALL

The "Crusaders" of St. John's church gave a very successful entertainment in the Horton Parish Room on Wednesday night. There was a large attendance the room being comfortably filled. The programme which was pleasantly varied was admirably rendered. Mrs. Thompson gave a beautiful violin solo, and Mr. Mason who was in fine voice, two songs in his inimitable style. The boys played their parts admirably and were deservedly applauded, and showed the result of their careful and painstaking training. With the exception of the two numbers specially referred to the whole entertainment was carried out by the boys of Mr. Wetmore's Sunday School class, whose splendid work during the past year in connection with the Sunday School is deeply appreciated by the rector and congregation and last but not least by the boys who have enjoyed the privilege of his instruction, and it may be added by their parents.

CONTR.

NORTH GRAND PRE NOTES

Mrs. Robert Chisholm, of Wolfville, spent a few days last week with her son, F. R. Welton.

Mrs. Harry Palmeter, who returned last week from Westwood Hospital is improving in health.

Mrs. Maurice Dimock left this week for Halifax to spend a few weeks with friends there.

Miss Muriel Palmeter is spending a few days with her sisters in Halifax.

The steamer "Prince Albert" will begin her trips for the season between Wolfville, Kingsport and Parrsboro on Monday next.

We hear nothing as yet concerning a "clean-up week" in Wolfville this year. Isn't it about time that somebody got busy in this matter?

County Council

Holds Spring Session at Kentville

The spring session of the Municipal Council of Kings County was held at Kentville on Tuesday. Little but routine business was transacted.

It was agreed that a United Counties Exhibition should be held at Windsor during the coming summer, the grants to the several Counties for exhibition purposes being united for that purpose.

In reference to the letter of the Hon. E. H. Armstrong, laid before Council at January Term, in which an advanced programme of prison reform work and care of insane and feeble-minded was suggested, the Warden stated that at the meeting in Halifax the Government had no definite proposals to make, on account of which fact, coupled with strong opposition from some of the Counties, no action could be taken.

The Warden was appointed to represent the Council at a meeting of the Board of Railway Commissioners, to be held at Port Williams shortly. Complaints regarding dangerous crossings will be investigated.

Mr. Arthur H. Turner was heard in reference to taxes collected from him on account of a property he had never owned. It was ordered that any taxes wrongfully collected from him be refunded and a charge upon the property.

A resolution was introduced by Councilors Durno and Selfridge in reference to the proposed Memorial Hospital. It asked that the Municipality agree to pay a sum equal to 25 per cent. of the amount raised by voluntary subscription for the purposes of the Hospital. After prolonged discussion the motion was lost.

The Clerk was asked to publish the fact that all County and Poor rates become due and collectible as soon as demanded by the collector.

A prolonged discussion took place on the subject of Poor District Amalgamation. The legislature asked for at the January Term had not yet become law, so that the appointment of County Overseers could not be made. It was finally resolved that as soon as such legislation was passed a special session of the Council should be required to take such action as might be required on the part of the Municipality to carry such amalgamation into effect.

SHOULD BE ADVERTISED

Dear Sir:—I have always stood for the closest co-operation between town and country, for I believe what is truly helpful to the one is of benefit to the other.

Now while I admit that out of town sections have every right to manage their own affairs, I think there is a lack of consideration shown by some districts toward the town and other sections.

I have in mind particularly just now those who failed to properly advise the affair which came off in the village of Gaspereau last evening. This is considered by those who saw it, the greatest bare-knuckled slugging match pulled off in these parts. While this was attended by some students, town people, and those in the vicinity, what a great affair it could have been made with proper advertising. I am not aware whether this affair was managed by the Village authorities or was under the auspices of some church or society but I would make bold enough to suggest that greater efforts be made towards publicity in case of future events. When the town people put on lectures, concerts and the like, no pains are spared to publish the same. While this may not be an entirely unselfish proceeding, I believe it has been satisfactory to all concerned.

I would also like to see these affairs take place in daytime so that all children and young people could attend. Particularly when the function is of such a refined, moral and elevating nature as the one said to have been celebrated last evening.

FAIRPLAY.

April 27, 1921.

ELOCUTION RECITAL

A very enjoyable elocution recital was given Wednesday evening at the Acadia Gymnasium by Mr. Wm. J. Miller, a pupil of Mae Churchill Deane. Mr. Miller read "The Man from Home", by Booth Tarkington and Harry Leon Wilson, and portrayed the various characters most acceptably. Between the acts of the play Miss Josephine Harris, of the Seminary, gave two vocal selections, and Miss Harris and Miss Mabel Nichols sang a duet. Mr. Ralph R. Harlow acted as accompanist.

The work of extending the electric lighting system at the east end of the town is now going on. Most of the poles have been set and the wire will soon be strung. Most of the residences in the new portion of the town have been wired and the owners are anxious to have the light as soon as possible.

MAJ. GEN. MEWBURN

Appointed chairman of the parliamentary Committee to investigate government railways and mercantile marine.

GREENWICH

Mrs. Eliza Wellener of Aylesford, a former resident of this place arrived last Wednesday afternoon and is a guest of Mrs. Omer Pudsey, and will visit other friends of the place and vicinity.

Mr. Butcher, of Halifax, spent the weekend with his friend, Mr. H. H. Marshall.

Miss Bowes and Miss Bell took a trip to Halifax last Friday afternoon, returning Saturday evening.

Miss Lillian Bishop, left last Friday morning for a few weeks visit in Boston and other places. She will attend the Golden Jubilee of the Women's American Baptist Foreign Missionary Society, in Boston and Newton Centre, April 26th-29th. Miss Bishop spent ten years in India as a missionary under this Society.

We notice Miss Rena Cox is able to be out again after being housed for a time with the fashionable disease, the mumps. Our school attended the last meeting of the ladies institute, at Citizens Hall, Port Williams, where they listened to an instructive address given by Prof. Blair, of the Experimental Station, Kentville.

The majority of the homes in our community are enjoying electric lights and the various uses of electricity, but those who own an electric washing machine

EXPORT OF PULP

Freights on the line of the D. A. R. which have been very small since the apple and potato shipments ceased, are now improving. One line of shipment is comparatively new, and has assumed quite extensive proportions this month. This is the export of pulp from Weymouth and also from Wolfville. From Weymouth about 3,400 tons have just been sent forward, and Wright and Joudrey have sent 300 tons from their new mill at White Rock.—Advertiser.

Acadia Villa Hotel, which has been undergoing several changes and improvements during the past weeks, will be still further improved by the enlargement of its already spacious dining-room. The foundation was already been completed and the work will be pushed on as rapidly as possible. When the addition is completed it will be possible to accommodate seventy-five guests at one sitting and will add materially to the popularity of the Villa.

Athletic Association

May Purchase Grounds if Suitable Field Can Be Procured

A meeting of the Athletic Association was held at the Council Chamber on Tuesday evening, at which the project of acquiring suitable lands for an athletic ground was discussed. Owing to the improvements to be made during the coming summer in the College Campus this ground will not be available for baseball or other sports this year, and the plans for carrying out an extensive program are seriously interfered with. Reports were received from committees appointed to investigate proposed locations, and the matter was fully discussed. The consensus of opinion seemed to be that the time had arrived when a determined effort should be put forth towards the providing of an athletic field that would be a credit to the town and a source of benefit to citizens generally. The outcome of the meeting was the appointment of a strong committee to secure prices of suggested properties and report at a subsequent meeting. The ACADIAN is in favor of the pressing forward of this proposition and will be very glad to do anything in its power to make the undertaking succeed.

CANNING NOTES

The Rev. W. H. Watts, of Wolfville, gave an excellent address in the Methodist Church on Sunday last.

The Social Service Council have postponed their meeting until the 10th of May as the Dramatic Club wished to give an entertainment on Tuesday evening next, May 3rd.

Yerxa's are opening business in the Woodburn block this week.

We are grieved to note the loss by death of James E. Hunter of Scotts Bay, aged 75, and Judah Huntley, of Medford, aged 76, two valued citizens, whose forms have been familiar in the town so many years. Medford has lost another respected neighbor in the person of Mrs. Chas. L. Parker whose husband died some two years ago.

SOCIAL NOTES

The Ladies Bridge Club was entertained on Tuesday evening at the home of Mrs. J. E. Hales.

The Faculty Ladies Club met on Monday evening at the home of Mrs. (Dr.)

Constance, and by Mrs. (Dr.) several of her hymns, sung by Miss Ruth Rowell and Isabel McPhail, and selections on the violin by Mrs. W. H. Thompson. After the program which was much enjoyed, a social hour was spent during which refreshments were served. The girls of the Sophomore class of the University entertained the boys of the class at a party at Tully Tavern on Monday evening.

An alarm was rung in on Tuesday morning about nine o'clock in consequence of a blaze at "Butt Inn", one of the dormitories for College students. The fire originated in the furnace-room and had made considerable progress before it was discovered. The firemen responded promptly and although some delay was caused on account of the nearby hydrant being out of commission because of repairs very soon had the fire under control. Most of the damage was due to water, and the occupants of the building were able to remove most of their belongings without injury. It is not likely that the building will be fit for occupation before College closes.

Theatrical Attraction

Monday Evening, May 2nd
Opera House, Wolfville

THE MAJESTIC PLAYERS

who are now closing their long and successful stock season at the Majestic Theatre, Halifax, will present the famous comedy

"A NIGHT OFF"

which is their closing offering at the Majestic and is being received by large audiences with every indication of delight. The Players are particularly strong in comedy and in "A Night Off" are scoring one of their greatest hits.

The Fateful Years For Every Woman

How to Overcome Troubles That Afflict Women Only

So far as a woman's health is concerned, probably the most fateful years in her life are those between 45 and 50. Many women enter this period under depressing conditions, through overstrain in household cares, or a neglected condition at the blood, and so they suffer heavily.

Among the commonest symptoms of this time are headaches, pains in the back and dizziness and depression. It is well to know that these variations of health can be relieved by home treatment. What women stand in need of all their life, but never more so than in middle age, is rich, red blood. As a tonic for the blood and nerves, Dr. Williams' Pink Pills are always useful, but especially will they help women at this time. Among those who have found benefit through the use of Dr. Williams' Pink Pills is Mrs. J. A. McDougall, Rhodena, N. S., who says: "I was greatly troubled with nervousness, palpitation of the heart, dizziness, and a generally run down condition. It was only with difficulty that I could do my work, and although I had been taking medicine for some time I did not improve. Finally a friend advised Dr. Williams' Pink Pills, and I got a supply and began taking them. The result more than met my expectations, and I am feeling better than I have done for years, sleep well, eat well, and do my housework much more easily. In my case the pills certainly did what you claim for them."

Dr. Williams' Pink Pills are sold by all dealers in medicine, or you can get them by mail at 50c a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

It is an interesting fact that the first woman member of a Legislature elected in North America to succeed her husband, is a native of England—Hon. Mary Ellen Smith, M. P., of Vancouver, widow of the Hon. Ralph Smith, who now adds the further distinction of being a member of the British Columbia Cabinet. It is another interesting fact that the first woman member of Parliament elected in England to succeed her husband, Viscountess Astor, is a native of the United States. She is M. P. for Plymouth. She has not yet reached the dignity of being a member of the Cabinet. It is not improbable that this honour will come to Viscountess Astor in time, although there is not much prospect of it now, and so for the present Canada leads.

SHOULD REDUCE PRICES

(From Sydney Mines News.)
 While piles of sawn lumber we are told, are lying along the railway lines throughout the province, much of it going to destruction, the price of this commodity still keeps at a price that almost precludes anyone from purchasing it. Just why this lumber should remain at such a top price no one seems able to understand. If it were sold at a lesser price which would surely be better than having it go to waste, building operations would be encouraged and a large measure of work undertaken that would help out the present situation. For three or four years the building of suitable smaller houses has practically been at a standstill and there is a noticeable shortage. If some philanthropic lumber man could be induced to take the plunge, pocket his losses by reducing prices to a saleable level, a change in conditions might be invoked. Lumbermen have undoubtedly been hard hit lately. The foreign or export trade has ceased and they are waiting for a change in that direction. The change will surely come, but the our look does not suggest that it will come in time to market much of the lumber already cut and some of it for two or three years. They would not a lower price be better than a total loss.

Running on all four with lumber we are told are quantities of cured fish held throughout the province. This commodity is of course not in evidence along the railways, but is said to be held in warehouses, for instance, in Lunenburg and Halifax. These stocks are held awaiting price adjustments. The best adjustment would be a reduced price and let the people eat them.

Sign on an undertakers window:—"We bury others—why not you?"

It isn't true that men will do anything for money. Some won't work for it.

Mail Contract

SEALED TENDERS, addressed to the Postmaster General, will be received at Ottawa until noon, on Friday, the 13th May, for the conveyance of His Majesty's Mails, six times per week, over the KENTVILLE NO. 1 RURAL MAIL ROUTE.

under a proposed contract for four years, to commence at the Postmaster General's pleasure.

Printed notices containing further information as to conditions of proposed Contract may be seen and blank forms of Tender may be obtained at the Post Office of the office of the Post Office Inspector:

 Post Office Inspector,
 POST OFFICE INSPECTOR'S OFFICE,
 Halifax, 1st April, 1921.

DE MILLE, FINE DIRECTOR

Excels Previous Efforts in "Male and Female", New picture

Cecil B. De Mille, famous for his long string of artistic motion picture successes, is declared to have excelled all previous efforts in "Male and Female", his latest Paramount - Arctcraft picture, which will come to the Opera House on Wed, Thurs, May 4-5. The story was adapted for the screen by Jeanie Macpherson from Sir James M. Barrie's great play, "The Admirable Crichton". No effort was spared by Mr. De Mille to make it a faithful reproduction in every respect. The story centres around Crichton, the butler in an English lord's family. He is externally intelligent, and when the lord's yachting party is wrecked on a tropical island, Crichton takes command. After the party is rescued and returns to England, Crichton is forgotten by all but the lord's daughter, who has fallen in love with him, Thomas Meighan, Gloria Swanson, Lila Lee, Bebe Daniels, Theodore Roberts, and other prominent players are in the cast. Don't miss seeing it.

APPLE PRODUCTION

The production of apples in Canada to-day barely equals the output of 25 years ago, according to the statement of Dominion Fruit Commissioner C. W. Baxter at the annual meeting of the Ontario Fruit Growers Association.

Minard's Liniment Relieves Neuralgia.

PORT WILLIAMS NOTES

(Received too late for last issue.)
 Miss Jessie Lockwood spent a few days in Halifax last week, the guest of her sister Miss Alice Lockwood.
 Mrs. A. B. Rand visited Halifax last week.

Mr. Fred Vaughn has purchased a fine new automobile, of the Studebaker make. The boy scouts of Wolfville played the Port Williams scouts, in a game of basket ball, on Friday evening of last week, it was a well played game, the score being 9 to 8 in favor of Wolfville. Albert Corey acted as referee.

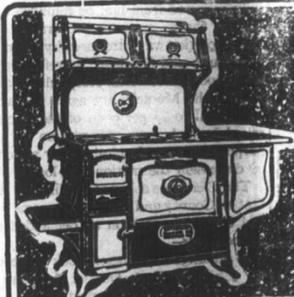

The "Lily of the Valley" division is invited to meet with the "Cornwallis" division, Canard, on Monday evening, May 2nd.

Miss Laura Hanson is expecting her mother to join her this week from Amherst, where she has resided for some time. They intend to start housekeeping at once in the house formerly occupied by Mr. Ira Gates.

Master Frank and Miss Shirley Balcom are both confined to their home for a few days following an operation (having both tonsils an adenoids removed) performed by Dr. Elliott, at "Westwood wood" hospital.

Dr. Zwicker and family of Halifax are expected to return the 1st of this month to their summer home, the O'Key farm, Belcher St.

Mrs. A. K. Gates spent the week end with her daughter, Mrs. J. W. Meisner, Hortonville.

Every Man in Business Knows WHAT HE HAS TO SELL BUT DO OUR READERS KNOW?

Tips For Motorists

WARPED VALVE STEMS

If there is a lack of compression and on examination the valve heads seem clean and perfect, inspect the valve stems carefully to see if they have not become warped by the intense heat of that part of the engine.

SAVE IGNITION CURRENT

If you use battery for ignition and your battery is weak, do not use self-starter to crank the engine and expect good ignition at the same time. Better crank the engine by hand and save as much current as possible for ignition.

CAUSES OF KNOCKING

Here are seven things which will cause a motor to knock: spark knock caused by too far advanced spark on slow speed; excessive carbon in the cylinders and on piston top; loose crank shaft bearing; loose connecting rod bearings; motor running too slow on high gear or on a heavy road; too much space between valve stem and push rod; overheating of motor.

ADJUSTING CARBURETOR

If you will experiment with your carburetor a little you will probably find you will not get as good mileage from your gasoline by having your carburetor set so weak that it does not pull well. Adjust your carburetor so it runs as good as it is possible to make it after the engine has become thoroughly warmed up, and you will find that you will get more mileage to the gallon than when it is set so weak that you have to use the choke every time you want it to pull hard.

USING ENGINE AS BRAKE

No harm will be done the engine if it is used as a brake as on the hills, providing that is done at the beginning of the hill, or, if not used at the beginning it is first speeded up equivalent to car speed before the clutch is engaged. If the car is allowed to go down a hill independent of the engine as in coasting and if when the bottom is reached the gears were engaged and clutch let in without first speeding up the engine, the result would be a very sudden slackening of car speed and the strain in breaking this speed would all be taken by the driving system. This has been the result of wrenching the clutch universal, transmission or differential out of alignment or the breaking of some member of the drive system. When you have reached the bottom of the hill before letting in the clutch start your engine and speed it up to car speed.

OVERHEATING DUE TO IMPROPER DRIVING

Don't always blame the cooling system when the engine overheats. The mixture supplied by the carburetor may be causing the trouble, perhaps being too rich. Possibly the spark is not advanced far enough; maybe the oiling system is clogged or for some other reason is not properly lubricating the mechanism of the power plant. It might even be possible that the fan belt is slipping, thus preventing the fan from doing its full duty. Then there are the brakes. They may be dragging because the bands are too tight, a condition which can only be discovered by jacking up the rear wheels and noting whether or not they turn freely. Overheating is often chargeable to improper driving—using the low gear too long when the car should be running in high.

LEAKY CARBURETOR

If there is a constant dripping of gasoline from the carburetor the float valve mechanism is not operating as it should. When the level of fuel in the float bowl reaches the proper height, the needle valve controlling the flow of gasoline into the reservoir of the carburetor should be shut off. If it does not work properly the adjustment should be checked up, and the valve and its seat examined for dirt or grit. Perhaps the needle valve is worn, in which case it should be carefully ground into a good seat.

VALVES SHOULD BE GROUND IF LEAKING

For the first few thousand miles the valves will probably need no attention aside from the periodical oiling they will require if they are of the overhead type. In motors of the L- or T-head type, this oiling is generally taken care of automatically.

Then it is likely that misfiring will develop when the engine is idling or when the car is running very slowly, though the spark plugs and the carburetor be in perfect condition. The car owner may then consistently look for a leaky valve, usually caused by carbon being burned irregularly on the valve or its seat; by the valve or its seat being pitted, or by a slight warping of the valve, due to the excessive heat of the exhaust valves after explosions.

In any case, the valve must be made to fit perfectly on its seat, and this is generally done by what is known as valve grinding. The valve spring is disconnected, the valve is removed, the seating surface is covered with some form of grinding compound, the valve is replaced and then turned first in one direction and then in the other until the surfaces of valve and seat smoothly polished. This is an operation which had best be left by the amateur to an experienced man. In grinding valves care should be exercised so the grinding compound does not get into the cylinder or on the piston, or it is liable to damage the cylinder walls. After the valves have been ground the

tappets require adjustment as the grinding generally causes the valves to drop down farther than they did before. Hence the push rods will not be of the correct length. On most engines there should be about two-thousandths of an inch space between the push rod and the stem of the inlet valve and three- to four-thousandths on the exhaust valve. The correct distances for these adjustments of the motor are generally given in the instruction book which comes with the car.

If too much space is allowed, the valve tappets will be noisy; if not enough, the valve stem will ride and will not permit the valve to seat properly. Quiet and proper operation of a motor depends much on the adjustment of the tappets.

A light car with flange wheels placed on the railroads of Alaska and drawn by dog teams is known as a "pupmobile."

It's easy to see the point of a joke that's on the other fellow.

Light Six McLaughlin

The Greatest Car Value in Existence

COMPARE IT WITH OTHER CARS UP TO \$500 HIGHER IN PRICE.

COMPARE ITS POWER—44 actual brake H. P., 2 to 65 miles per hour in high gear.

COMPARE ITS EFFICIENCY—Average seasons mileage 22 to 24 miles per gallon. Least oil of any car. Wonderful tire mileage.

COMPARE ITS COMFORT—Yourself personally, test its deep luxurious cushions and easy springs.

COMPARE ITS FINISH—Heavily padded solid leather upholstery. Mahogany instrument board. Famous McLaughlin body work by the finest vehicle builders in Canada. Remember, imitation leather peels and cracks quickly and spoils the second hand price.

COMPARE ITS PRICE, \$1785.00, \$400.00

lower than any other 6 cylinder car. Lower even than any 4 cylinder car that any way approaches it in quality and comfort.

COMPARE ITS DURABILITY

We invite you to call at our Wolfville showroom when we will be pleased to demonstrate not only new cars but Light Sixes that have been in use one, two and three years. Investigation and comparison will convince you that McLaughlin Light-6 is the finest car you can purchase under \$2,200.00.

THE ACADIAN

(Established 1883)

Published at Wolfville, N. S., every Friday by

DAVIDSON BROS., Printers and Publishers

Members of the Canadian Weekly Newspaper Association.

Subscription Rates—In British Empire, in advance, \$2.00 per week. To U. S. A. and other countries \$2.50 per year.

Advertising Rate Cards and information respecting territory and samples of paper mailed upon request, or may be seen at the office of any advertising agency recognized by the Canadian Weekly Newspaper Association.

Advertisers must have copy in by Tuesday noon in order to insure changes for standing advertisements. New display advertising copy can be accepted one day later.

Correspondence—Letters addressed to the Editor and intended for publication must be short and legibly written on one side of the paper only. The longer an article, the shorter its chance of insertion. All communications must bear the name of the writer, not necessarily for publication. The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for the opinions expressed by correspondents.

A GOOD EXAMPLE

In our last issue we referred to the presentation to the citizens of Wolfville and vicinity many years ago by the late John W. Barss, of the property now known as Willow Bank Cemetery. A condition of the gift was that the necessary work be done on the grounds to make it the beauty spot which nature destined it to become. Considerable has been done in this direction but after so many years much yet remains towards making real the vision of the generous donor and the plans of those who in the early days had the custody of the property. In a future issue we hope to give our readers a brief history of Willow Bank but the necessary space is not available just now. Our reason for referring to the matter is to point out that so far as we know, the generous deed of Wolfville's former philanthropist has had no counterpart since or previous. Wolfville has had many residents, who were able to acquire a considerable quantity of this world's goods, but the case to which we refer is the only instance of the town profiting by such prosperity to the extent an any institution of public usefulness. We trust that the future may reveal a different state of affairs. Wolfville is very much in need of a number of public institutions which THE ACADIAN would be very glad to suggest to citizens generously inclined. In the meantime all honor to our townsman of long ago through whom Wolfville to-day possesses Willow Bank Cemetery.

There is no doubt but that one needs a suitable athletic ground for the development of clean and healthful sport. Any town without this is seriously lacking. In past years the College authorities have generously allowed the free use of the campus during the holidays, but during the first and last weeks of the season the boys have been seriously hampered. We should look to the future in this matter and while it is now secure grounds that may possibly be available but which we will not be able to procure some years hence. If steps had been taken long ago the undertaking would not have been so difficult of accomplishment as it is now. Present conditions afford a splendid opportunity for some of our citizens to show their public spiritedness and interest in community welfare. Who will be the first to assist in the solution of the problem?

Citizens should be very careful about setting bonfires in the late afternoon or evening, especially in the vicinity of buildings. If rubbish has to be destroyed as it must be at this season, it is much better that the work be done early in the day and precaution be insured that all is safe before nightfall. Many disastrous fires occur through carelessness in this regard.

The voters' lists for Kings will soon be ready for distribution. This work should have been completed some weeks ago but has been delayed. As pointed out by THE ACADIAN some weeks ago it would be to the advantage of the ratepayers that the work of printing these lists should be let by tender and contract. Such, however, is not the custom of the Kings County Municipal Council, which allows all its work to be done at a Kentville office regardless of cost.

It is high time that steps were taken to better control the automobile traffic in Wolfville. In too many cases the law is altogether disregarded and the result is liable to be at any time a serious accident. Car drivers undoubtedly have rights of which no one wishes to dispossess them but they should be willing to observe the law governing their operation with due regard to the safety and comfort of those who also use the streets. Public safety demands that the town authorities should take immediate steps to see that these provisions are no longer violated and if it is necessary to incur additional expense the carrying out of the law will fully justify it. A few years ago a fatal accident occurred because the traffic was not properly controlled and it is the plain duty of those in authority to prevent the possibility of such an accident being repeated.

TAKE NOTICE

All ashes, garbage and accumulation of material in the town detrimental to health or offensive to the sight must be removed and premises cleaned by May 1st, 1921.

G. E. DeWitt, M. H. O.

Wolfville, April 12, 1921.

Notice

Please take notice that I will not be responsible for any bills contracted for by my wife, Mrs. Alex. Miles.

ALEX. MILES, Wallbrook.

Know A Good Repairman?

Ever neglected shoe repairs because you did not know where to take them? It's not economy—to do that. You can have your work done right here in a way that pleases. Try us—and be your own judge. We repair children's shoes—work boots—all kinds of jobs—carefully and promptly. You can have NEOLIN SOLES—we apply them. They add longer life to the uppers and preserve the shape and form of the shoe. Very conveniently located—we await to be of service to you.

Items of Local Interest

Fred G. Herbin is doing watch, clock and jewelry repairs upstairs in Herbin Block.

The Dominion Atlantic Railway station at Clementsport was destroyed by fire early last Friday morning.

The first dandelion of the season was brought to THE ACADIAN last Friday by little Miss Betty Williams.

Commencing May 2nd the stores of Port Williams will be open every Tuesday, Thursday and Saturday evenings.

The Girl Guides are preparing a splendid entertainment for May 7th. If you want a good laugh see "The Clancey Kids".

The many friends of Mr. J. D. Chambers are glad to see him around town again after his recent severe illness and trust that improved weather conditions may fully restore him to health.

THE ACADIAN is glad to be able to record that Mr. Joseph Harris, who has been seriously ill at the home of his daughter at Lower Canard, is greatly improved and well on the way to recovery.

Mr. Rider and Mr. Swift, of the Frontier Press Co., gave a dinner at the Villa on Monday evening for the Acadia students who intend soliciting orders for them this summer. Places were laid for 23 persons.

Mr. C. G. C. Coombs was in Halifax last week, as a witness in the case of the persons accused of wholesale stealing from the Robert Simpson Co. It is said that a part of the stolen goods came to Wolfville, consigned to a transient merchant then doing business here.

A staff of men are at work improving the equipment of the Maritime Telephone and Telegraph Co. in Wolfville. Additional cable will be laid on some of the streets and a new switch-board will be added in order that the service may be made more efficient.

The death took place at Waverly, Halifax county, on Wednesday, of John G. McCorry, a former resident of Wolfville. The deceased was a native of Ireland and came to this country twelve years ago, settling at Wolfville. He was fifty-four years of age and had been ill only a short time. His widow and grown-up family survive him. THE ACADIAN, with other Wolfville friends, extend sympathy.

Three former Wolfville boys, Fred Ellis, Parker Ellis and Clarence Forsythe, are members of Park street Presbyterian Church, Halifax. Basketball Team, the winners of the Tuxis Boys' Indoor Soccer and Basketball League. The final game was played with the First Baptist team, the score being 15-8. The victors went through the season without a defeat, winning fourteen games.

The Yarmouth murder case is still one of the most interesting matters for newspaper readers. The examination of Mrs. Perry, accused of the murder of her husband, and of Mansfield Ross, alleged to be accessory after the fact, was held last week, and Stipendiary Pelton reserved his decision until Tuesday of this week. At the appointed time the accused were brought into court and again remanded until 10 o'clock to-day.

Wolfville is decidedly fortunate in having been selected by Judge Ritchie and family as a location for their summer home. Judge Ritchie purchased the fine property at the top of Church Hill, long the residence of the late Dr. R. V. Jones, and has had the dwelling thoroughly renovated and put in first-class condition during the past winter. The family have now taken up their abode here and will be greatly welcomed by citizens generally.

Coming Events

Notices under this heading are inserted at 10 cents a line. Each repeat, 5 cent a line; minimum charge, 30 cents. Contract rates on application.

The regular monthly meeting of the G. W. V. A. will be held next Wednesday evening at 8 o'clock at the club room.

The regular monthly meeting of the I. O. D. E. will not take place on the first Tuesday in May. Look for further notice.

The Acadia Orchestra, Miss Chambers, Messrs. Bowly and Read will assist in Special Music in the Methodist church on Sunday evening.

The regular monthly business meeting of the Wolfville W. C. T. U. will be held on Monday afternoon at the home of Mrs. J. W. Vaughan.

Make your plans to attend the Girl Guides' Entertainment on Saturday, May 7th. A program of drills and music will be given in addition to the farce, "The Clancey Kids".

Orpheus Lodge, No. 92, I. O. O. F., will celebrate the 102nd Anniversary of the Order by attending dinner worship in the Baptist church, Sunday night, May the 8th, at 7 o'clock. Dr. Boyle, President of Kings College, will be the Preacher. All members of above Lodge and all visiting Brothers are earnestly requested to attend, meeting at Lodge Rooms not later than 6.40 o'clock.

Mr. N. B. Kilcup acceptably filled the pulpit of the Methodist church on Sunday morning last, in the absence of the pastor, who preached at Canning.

Chiropractic Health Talk

It was at a Charity Dinner

A careless waiter spilled soup over one of the clergymen present, and after stuttering a bit, the clergyman said "Will some layman say something to suit the occasion, please."

Sometimes the Chiropractor lacks words strong enough to make people see the very practical effectiveness of the Chiropractic spinal adjustment as a means of getting rid of the cause of disease. The facts are that Chiropractic adjustment do get rid of the cause of disease. I can demonstrate it in your case.

Consultation is without Charge or Obligation.

AN EYESORE

To the Editor of THE ACADIAN.
Dear Sir:—Since coming to your beautiful town I have often walked up towards the "Ridge" along what is known as Central avenue. The hill is steep but I have always been more than repaid by the magnificent view spread out before me as I turned toward the north. I have visited places in America from the Atlantic to the Pacific, from Winnipeg on the north to San Diego in the south but have never seen anything that appealed to me more than the panorama that may be viewed any fine day from the upper portion of Central avenue.

But, Mr. Editor, imagine my feelings when I visited this place a few days ago and found immediately in the foreground the wreck of a shanty and a pile of half rotten timbers that would be despised in the slums of any self-respecting city.

I am told that the shanty was hauled to this spot and with the addition of the half-rotten timber is to be turned into a house.

Can it be possible that the town authorities will allow such a desecration of their chief asset?

VISITOR

FITTING NAME FOR WOLFVILLE'S STREETS

To the Editor of THE ACADIAN.
Dear Sir:—I find myself in hearty accord with a correspondent, who signs himself or herself "Citizen", in your valuable paper of the 22nd inst., with regard to renaming of Wolfville streets. I would go a step further and would respectfully suggest that there be some correspondence between the character of streets and the names to be attached to them, so that in future days when strangers shall ask "What's in a name?" the answer will be obvious to every child.

There are streets to which the name "Cramp", "Crawley", "Trotter", "Sawyer", "Rockefeller" could be attached without doing violence to the eternal fitness of things. For instance, the name of "Cramp" could well be applied to the thoroughfare on which the drug stores are situated. "Crawley" could be attached to the street leading to the highest hill. It expresses the feeling and movement which many pedestrians have experienced ere they reached the top. What more suitable name than "Trotter Drive" could be found for the street on which most of the fast driving is done? The name "Sawyer" could be employed

with equal applicability to one of the streets where wood-sawyers have committed the most ruthless slaughter among the shade trees to make room for telephone and light wires. I might suggest that the name "Rockefeller" be reserved for a sidewalk. But that might lead to conflict between peaceful neighbors, for there are so many sidewalks to which the name is painfully applicable. The one which passes my door should have the first claim—it is a "rocky-feller", indeed—and has caused many a sprained ankle. Perhaps the sidewalk adjudged second in roughness and in stony affluence could be called Rockefeller Junior.

When it comes to naming streets, it is about as difficult as finding a suitable name for a baby. But, believe me, there are few families who would change "Earncliffe" for "Cramp", however significant that name might be. But to go back to the Wolfville streets, I am sure the Town Council will give my suggestions the consideration which their weight and worth deserve.

ANOTHER CITIZEN.

THOSE STREET NAMES

To the Editor of THE ACADIAN.
Dear Sir:—Some weeks ago a letter appeared in your paper signed by our genial friend, the Rector of St. John's church, expressing his emphatic disapproval of the present names of the town streets and suggested that the names of long dead and departed worthies be substituted.

In last evening's issue we read another communication on the same subject supporting Mr. Dixon's proposal in changing the names of the streets and mentioned names of College dignitaries, some long since departed and unknown to the rising generation. Now, Mr. Editor, the "world do move", and when we are under the

daisies, who have also done some thing for the town, why not change again and let our names become prominent and noticeable, especially as they are certainly more euphonious and pleasing than some of those cited by "Citizen".

In the humble opinion of the writer the present street names are both suitable and suggestive.

A VOTER.

April 23, 1921.

THE MEMORIAL

To the Editor of THE ACADIAN.
Dear Sir:—Your comment of last week on Wolfville's Memorial to our fallen heroes of war was, in my humble opinion, most timely. Any criticism that is to be made should be offered while the work is incomplete. I agree with you that the present design might be very much improved upon and in the manner you sug-

gest. You are careful, I notice, in declining to fix the responsibility for the design of the monument recently placed on the

grounds of the government building. Permit me to point out that the same genius is responsible for the architecture of that magnificent structure on Main

street occupied by the Telephone Co., and to which citizens so often point with pride.

Banking Service for All

AS the majority of the first directorate of the Bank of Montreal, formed in 1817, were Scotchmen or bore Scotch names it was but natural that they should seek in Canada "to extend and to perpetuate for the farmer and the merchant the benefits and stimulus of a system the worth of which Scotland's prosperity could abundantly prove." One of the outstanding features of the system was the maintenance of numerous branches by banks of large capital.

The Bank of Montreal, in adopting this feature from the outset, laid

the foundations of a service by which branches have been established throughout the entire Dominion.

At each of these branches the full service of the complete organization is available.

Through this service the Bank of Montreal offers to all classes of the community, from the smallest savings depositor to the largest commercial organization, good and adequate banking facilities. Each customer whether his account be large or small is welcome as a client of the institution.

BANK OF MONTREAL

ESTABLISHED OVER 100 YEARS

Capital Paid Up \$22,000,000. Rest \$22,000,000.

WAR PRICES

The World War has been both the direct cause and also the occasion of putting up prices, and perhaps more the occasion than the cause. Men saw the tunity to get rich quickly and the temptation proved too much for their moral equilibrium. The result on prices was, of course, the same as in all other cases of war, but with this difference, that the prices did not fall when the war closed, but rather kept on increasing for at least more than a year afterwards. And indeed after a period of more than two years and a half there has been only an inconsequential drop on a comparatively few articles, foods not included; and they by far the most important of the whole category. There can be but little doubt that organized plotting has kept up food values because the various raw materials incident to food preparation have gone down in price everywhere. Yet the ordinary citizen is given no relief in the matter of consumers prices. The American Civil War was a parallel in general to the World War as far as prices were concerned. The cost of every thing went up while the struggle was in progress. Then when it ended prices immediately fell, but not to pre-war figures. At first the fall was rapid, then a slower decline set in, and it was only at the end of twelve or thirteen years, the pre-war figures again prevailed. Of course the war was confined to one country, and it was only the American stocks that were depleted during its progress, and at the end of the fighting the rest of the world in general having ample supplies on all hands ready to sell on this side as soon as the nation wished for them. It may be that prices will never again become as low as in the decade before the war, but nothing is so sure as that prices must come down very far below the present measure, prices which are only serving to enrich the few at the expense of the masses and to the ruin of many. It is likewise also a fact that the remarkable outbreak of crime of recent years is the result to a great extent of sheer desperation of a life that has become overburdened with the almost unreachible cost of everything which enters into life.

TOMMY'S LITTLE MISTAKE

(From Pearson's Weekly.)
 Father—"Now, young man, come with me and get your jacket off."
 Son—"You're not going to lick me, dad, are you?"
 "Certainly. Didn't I tell you this morning that I should settle with you for your bad behavior?"
 "Yes, but I thought it was only a joke, like when you told the grocer you were going to settle with him."

Childhood Indigestion

Nothing is more common in childhood than indigestion. Nothing is more dangerous to proper growth, more weakening to the constitution or more likely to pave the way to dangerous disease. Fully nine-tenths of all the minor ills of childhood have their root in indigestion. There is no medicine for the little ones to equal Baby's Own Tablets in relieving this trouble. They have proved of benefit in thousands of homes. Concerning them Mrs. Jos. Lunette, Immaculee Conception, Que., writes: "My baby was a great sufferer from indigestion, but the Tablets soon set her right and now I would not be without them." Baby's Own Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

The Allies have demanded from Germany, as indemnity the sum of 55 billion gold marks. The German Empire has a population of 70,000,000 persons. They have forty years in which to pay the indemnity. This means that the per capita payment is \$5 per annum. The per capita payment of the people of this country to the United States in exchange alone last year was \$17.25 and the Allies won the war. The only way to reduce our exchange is to buy at home.

BLACK PREDOMINATES

It is natural that since automobiles have found their appearance into every part of the world, the drivers would vary in appearance, and in attire or lack of attire, according to the customs of the countries in which the motor car is called to do service. If you were to walk along the road leading from the west coast of equatorial Africa several hundred miles into the interior, for instance, you might see a motor truck, plowing through the jungle, and in the chauffeur's seat driving with peculiar and cheerful abandon, would be a West African native. And from the appearance of his driver's uniform, it would be evident that the high cost of clothing would bother him not one whit. These natives become full-fledged chauffeurs within two or three weeks from the time they see their first motor-vehicle. The truck, of which there are about 200, maintain regular schedules as feeders to a large steamship line plying between west African ports and Europe and America. They are loaded with men and supplies on the inland trips, and with cocoa products, palm oil, hides and rubber when bound for the coast.

Shorten your worries and lengthen your life.

Personal Paragraphs

Capt. and Mrs. John Pratt were in Halifax this week.

Dr. and Mrs. DeWolfe are on a trip to Boston and vicinity.

Mrs. W. C. L. Bauld, of Halifax, is spending a few days in Wolfville, the guest of Mrs. B. O. Davidson, Summer street.

Mr. and Mrs. Willard MacIntyre, who have been spending the past few months in Wolfville, left this week for St. John, N. B.

Mr. C. R. H. Starr returned last week from New York where he has been visiting his daughter, Mrs. Fitzhugh and Mrs. Boggs.

Mr. Harold R. Haley, of St. Stephen, N. B., was a week-end visitor in Wolfville, a guest at the home of his sister, Mrs. (Dr.) Elliott.

Mrs. Spidle and two little sons, of Toronto, who have been spending the winter with Dr. and Mrs. Spidle, left for home on Friday last.

Mrs. and Miss Freeman, of Milton, Queens Co., who have spent the past two months with Mrs. W. L. Archibald, left Friday for Halifax.

Mr. Vaughan Henshaw, who has been discharged from Camp Hill Hospital, Halifax, returned to Wolfville on Friday last for two weeks visit.

Mrs. Herbert Stairs spent Sunday in Halifax. On her return she brought back one of the wards of the Children's Aid Society, from the Children's Hospital.

Miss Grace Rockwell went to Halifax on Monday to meet her sister, Miss B. Rockwell, who is returning home for the summer. While in Halifax they attended the auto show.

Mrs. (Rev.) R. F. Dixon and Miss Dixon, who have been spending the winter at New Britain, Conn., returned home on Friday last, having had a very enjoyable visit.

Mr. and Mrs. E. C. Bishop, who have been spending the winter in Florida, returned home on Thursday after spending some time visiting friends en route at Belmont, Mass. They report a very enjoyable trip but are glad to get back to Nova Scotia.

Mr. E. C. H. Young, of the "Palms", left yesterday morning for Halifax and will sail this morning for Bermuda, to be gone a month. His many friends will wish him a bon voyage and a speedy return to perfect health. His mother, Mrs. E. C. Young, accompanied him as far as Halifax.

Mrs. K. B. Craig, of Waterville, was in town yesterday.

Mrs. Robie Tufts is visiting her father, Mr. Allison Smith, of Margareville.

Mrs. (Dr.) J. H. MacDonald left for Cape Breton on Wednesday morning for a visit.

Mrs. Aubrey Brown, of Digby, is visiting in town, the guest of her sister, Mrs. L. H. Moore.

Miss Sarah Prescott spent a few days in Halifax this week, the guest of Miss Ethel Hemmeon.

Mrs. L. H. Moore, who as been seriously ill for some weeks, is much improved in health and again able to be about.

Mrs. B. W. Cleveland, of North Kingston, formerly of Wolfville, was the guest of friends in Wolfville and Gaspeau last week.

Mr. H. Ritchie Chipman and Mr. L. Lonsdale Harrison, of Halifax, were visitors at the home of Mrs. H. E. Flick this week.

Mr. T. E. Shipley, of River Hebert, who has been visiting at the home of his daughter, Mrs. H. D. Johnson, returned home on Tuesday morning.

Mr. Arthur H. Jones has left for Quebec City, where he will hold the position of Immigration Secretary for the Y. M. C. A. until the port closes in November. Mrs. Jones will join him there later.

Rev. and Mrs. Noble Crandall, who have been spending the past winter in Montreal, New York, Pittsburg and Chicago, arrived in Halifax last week and will spend the month of May in that city, returning to their Wolfville home the first of June. Mr. Crandall reports a most enjoyable winter, but will be glad to get back to Wolfville, which he pronounces "the finest spot I have yet found". Wolfville friends will be glad to see them back.

Fires in Nova Scotia during the month of March caused the death of eleven people and property loss of over eighty thousand dollars.

Notice

Your bill for Rates and Taxes will be sent out first week in May.

On account of the large Bank Overdraft a ready response will be much appreciated.

Discount allowed.

A Paramount Arcraft Picture
JESSE L. LASKY presents
CECIL B. DEMILLE'S PRODUCTION
MALE and FEMALE

Founded on J. M. BARRIE'S FAMOUS PLAY
"THE ADMIRABLE CRICHTON"
Adapted for the screen by JEANIE MACPHERSON

A romance that searches deep into human hearts. A picture, poignant, powerful, tremendous in its scope, superb in its artistry—destined to rank as a thrilling climax to

"WHY CHANGE YOUR WIFE"

Show at 7.30. Prices 20-35c.

OPERA HOUSE

Wednesday and Thursday
MAY 4-5th.

Starring
THOMAS MEAGHAN
BABE DANIELS and
GLORIA SWANSON

You remember them in "WHY CHANGE YOUR WIFE".

Imagine! A group of men and women, suddenly flung on a desert isle. Master and man, mistress and maid—now only males and females.

Birth, wealth, trappings, vanished. A new life, calling to a test of worth, where those who are strong, lead, and those who are weak, follow.

Such is this great story. Ranging from the splendid home of an English earl to savage scenes in a tropical jungle, from nice conventions of the cultured elite to uncontrolled passions of ancient Babylon.

An epic of love and struggle, vital in theme, stupendous in conceptions, amazingly dramatic, beautiful beyond words.

SHIPWRECK, terror, despair, and thrills of heroic rescue.

INTIMATE pictures of below-stairs life in wealthy British households.

PICTURES of love and strife in a primitive land where conventions and classes are forgot.

GORGEOUS spectacles in the palace of a king of ancient Babylon.

BEVIES of beautiful women; pomp of power; excesses of a profligate court.

YOU WILL EVER REMEMBER
