The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

EXPLANATORY.

THIS little work is got up especially for the benefit of strangers ; and to them and the business men of Montreal it is offered in the hope that it will be found both interesting and useful. With this book the greatest stranger can find his way to any business house without asking questions of anyone.

The design is an entirely original one, and is probably not yet fully developed. It has been the result of much thought and labor ; and although no pains have been spared to make it perfectly accurate, it may be that errors have crept in ; yet I flatter myself these will be found neither numerous nor important.

A few words of explanation will perhaps be necessary.

Only the *principal business streets* are represented, and in some cases the whole street is not shown, as for instance St. Paul is commenced at No. 100, and Notre Dame at 109. The eastern portions of these streets, beyond these numbers, contain few and scattered stores, doing a small retail trade.

Each street commences at the *bottom* of the page and proceeds up.

The *direction* in which the street runs is marked East, West, &c.,—of course owing to the method of laying out the streets of Montreal these terms (North, &c.) are only an approximation to the truth.

The *figures* on the sides of each street correspond with those that are to be found on the buildings. In many cases they are omitted because many of the houses are not numbered.

It is to be especially remembered that the *size* of the lots is not intended to give any idea as to their relative proportions.

Where no name appears the lot or building is unoccupied.

By referring to page 52 the reader will perceive that it differs from other pages, containing as it does information in reference to the *number of stories* each building is high, and also designating whether it is of *wood, brick or stone*. In future editions this feature will be more fully developed.

ELLIOT'S DENTIFRICE,

(BY PROVINCIAL LETTERS PATENT.)

FOR PRESERVING & CLEANSING THE TEETH.

The sole Proprietors of Elliot's Dentifrice are S. J. Lyman & Co., Montreal.

This Powder, composed of the MOST INNOCENT AROMATIC SUBSTANCES, is made from the original receipt of Dr. ELLIOT, formerly of Montreal, and is the result of many years of experience and observation, acquired in a large dental practice.

The use of this Dentifrice for many years has been confined to his own patients; but, at the repeated solicitations of his friends, he has now placed the receipt in the hands of the subscribers, who alone are authorized to prepare the same. It has for its principal object the PRESERVATION OF THE TEETH AND GUMS in a perfect state of health. IT REMOVES TARTAR AND PREVENTS THE TEETH FROM BECOMING DISCOLORED AND LOOSE. It removes the odour of the cigar, and unpleasant taste remaining after fever. It IMPARTS FRAGRANCE to the breath and renders Artificial Teeth SWEET AND CLEAN.

From the Rev. Dr. Adamson, Chaplain to the Hon Legislative Council, &c.

TORONTO, July 21st, 1856.

GENTLEMEN:—Having used Elliot's Dentifrice for some time, I can confidently recommend it as well calculated to cleanse and preserve the teeth and impart health and consistency to the gums. I am, dear Sir, faithfully yours.

W. AGAR ADAMSON, D.C.L.

Du Reverendissime l'Eveque de Cydonia, et Coadjuteur de Montréal.

MONTREAL, 3rd Nov., 1855.

Cette excellente poudre m'est connue par mon expérience personnelle, depuis plusieurs années. Je la trouve éminemment, propre à produire l'effet désiré, sans faire craindre pour les dents ou pour les gencives, les inconvénients causés par ces poudres, ou il entre des ingrédients corrosifs.

Dans l'occasion je me ferai un plaisir de la recommander. Avec considération, Messieurs, votre reconnaissant serviteur,

† JOSEPH, EVEQUE DE CYDONIA.
