BISHOP'S ADDRESS.

The Bishop then delivered the following Address :
To the Clergy and Laity of the Diocese of Ontario.

My DEAR BRETHREN—

I am glad to meet you at this the Fifteenth Session of our Diocesan Synod. The year that is past has been, I think, one of progress, but otherwise uneventful. I shall therefore confine myself to a statement of my official acts during that period, and then draw your attention to a very important Act of Parliament passed at the late session of the Local Legislature at Toronto.

On November 7th last I admitted four candidates to the Holy Order of Deacons, and promoted three Deacons to the office of Priesthood.

I visited the following Parishes, in all of which I held confirmations:

On the 4th of November last I consecrated the Church of St. John, in the Mission of Selby; and on the 14th of May the Church and Cemetery of St. John, Merivale, in the Mission of Nepean.

You will have observed, my brethren of the Clergy, that in the last Journal of Synod I had a list published of all the Confirmation Services which I have held since my consecration. It is as accurate as I could possibly make it, but as still there may be some omissions I shall be glad to hear from any of you of any corrections which ought to be made.

It will be in the recollection of the Synod that in the year 1868 the Provincial Synod, having been empowered by Act of Parliament to modify or amend the Church Temporalities Act, enacted a Canon on Temporalities. According to the Act of Parliament this Canon was to become law if, after having been published in the *Official Gazette* for six months, the Governor in Council should approve of it. The late Minister of Justice took exception to the Canon on the ground that the Provincial Synod had exceeded the powers conferred upon it by Parliament, and also that the Act itself, dealing with Temporalities of the Church, should have been passed not by the Dominion Parliament but by the Local Legislature of each Province.

I am happy to say that during the late Session of the Legislature of Ontario we obtained an Act to amend the Synod and Rectory Sales Acts affecting the Diocese of Ontario. In this Act the first clause is as follows:

“The Incorporated Synod of the Diocese of Ontario shall have full power and authority to make, and from time to time to amend, such canons, rules, regulations and bylaws as by the said Synod may be considered necessary in the exercise of the powers conferred upon the said Synod under the said Act incorporating the Synod of the Diocese of Ontario, and also for the conduct of their proceedings, regulation of their members, and all such other matters as may pertain to the proper and orderly discharge of their business; and the canons, rules, regulations and bylaws of the said Synod are hereby confirmed: And also, notwithstanding anything contained to the contrary in an Act of Parliament of the Province of Upper Canada, passed in the third year of the reign of Her Majesty Queen Victoria, chaptered seventy-four and known as ‘The Temporalities Act,’ or of an Act of the Parliament of the Province of Canada passed in the session held in the twenty-ninth and thirtieth years of the reign of her said Majesty, chaptered fifteen, and known as ‘The Church Temporalities Amendment Act,’ the said Synod shall have full power and authority to make bylaws or canons regulating existing vestries and their organization, and the duties of the Churchwardens, and providing for the formation and organization of a vestry in every church erected or to be erected in the said Diocese, and also declaring and defining the duties and powers of vestries and of the churchwardens and vestries and the Churchwardens for the time being of any Church erected or to be erected shall, until changed or modified by the bylaws or canons of the Synod, be subject to the provisions of the said “The Church

Temporalities Act," and they and their successors may, as a corporation, hold such real estate as may be given, granted or devised to them for the use of their church as a site for a church or parsonage or a schoolhouse, and may from time to time, with the approval of their vestry, signified by a resolution passed at a meeting of such vestry, and with the consent and approval of the Executive Committee of the said Incorporated Synod, mortgage such real estate for the purpose of raising money to be expended in the erection thereon of a church or parsonage, or a schoolhouse, as the case may be."

I understand that during this Session of our Synod a Canon on Vestries based upon the Canon passed by the Provincial Synod will be introduced, and I commend the subject to your most serious attention."

I have been informed also that a Canon on the Settlement of Disputes in Parishes will be submitted for your consideration, and I trust earnestly that you will give it that attention which its importance deserves.

Praying that God may in all our deliberations direct and rule our hearts, we shall now proceed to the business of the Session.

REPORT OF THE BOARD OF MISSIONS.

The Board of Missions, by its Chairman, has great pleasure in stating that by God's blessing the amount collected during the last winter by the deputations—\$2,194.67, by the Parochial Collections \$4,702.37, by the Whitsunday Collection \$501.77, and by the Advent Collection \$571.38 in all \$7,970.20—is \$566.46 in excess of the collections made in the preceding winter. Yet although so much more was collected last year the amount does not reach that of the year before by \$63, the collections in 1874 being \$8,033.25.

By a reference to the reports of the three last years, it will be seen that the balance to our credit at the Bank is yearly becoming less. The balance on 1st May, 1874, was \$2,588.70, 1st May, 1875, \$1,129.72, 1st May, 1876, only \$125.37. This is owing to two causes—the increase of missionaries, the number of whom is now 40, and again that while our missionaries have more than doubled since 1863, our income has increased but very little more than one-third, that is to say, in 1863 the total of the Mission Fund was \$5,852.40, while the total for the year ending 30th April, 1876, was only \$7,970.20: the number of missionaries in 1863 was 18, now 40. And with regard to this balance of \$125, should the gift of the S.P.G. be reduced this year, as it was last year, the balance will be for the first time, since this Diocese was established, against us; and thus unless the collections increase, it will be unsafe to add to the number of our missionaries.

We see from this statement how greatly it stands us in hand to make, if possible, greater exertions to prevail upon the members of the Church to increase their liberality. Our missionaries have doubled, and to double our collections we need \$11,704.80. The amount of salaries this present year is \$9,100, so that were we to collect this \$11,704 we should have only \$2,604 to provide for the payment of missionaries who are likely to be ordained this year, and to give to each the \$100 outfit, which amounted last year to \$467. Were the delegates to bear all this in mind and urge

the members of the Church to greater liberality in the cause of Christ and His Church, it would most probably have the effect of enlarging the Mission Fund as much as would be necessary.

There were seventeen deputations last winter, and they collected, as it has been said, \$2,194.67. Of these seventeen deputations only nine have thought proper to send in a report to the Mission Board, and of these, two have not stated how much was collected. These reports will be given below.

REPORTS OF DEPUTATIONS.

DEPUTATION No. I.

The members of Deputation were Rev. J. W. Burke (Convener) and Rev. W. B. Carey, of St. Paul's Church, Kingston. The tour commenced at Carrying Place and ended at Milford, the County of Prince Edward being the district to be visited. The very peculiar nature of the winter presented some difficulties, the total absence of sleighing (the whole journey was performed in buggies and waggons) being a serious drawback; and at one time roads hardened by severe frost, and at another deep in mud, rendered travelling both slow and unpleasant. All the stations on the programme were visited, and supplementary meetings were held at Glen's Settlement Schoolhouse (where the original meeting was not held owing to accidental hindrances) and at Northport at request of Rev. E. Loucks.

The first meeting was held at Carrying Place on January 10th, after Evening Service in Church. The Rev. E. H. M. Baker, Incumbent, presided. The Rev. Canon Bleasdel, who kindly came over from Trenton to assist the Deputation, addressed the meeting. In addition to the speeches of the members of the Deputation, Mr. Samuel Patterson, Lay Reader, spoke in support of the cause. The larger part of the congregation (about 90 in all were present) was composed of persons not members of the Church. The offertory was \$6.50. This was a considerable falling off from \$26.11 collected last year; but it may be noted, in explanation, that the Incumbent had decided to return to the original mode of collecting, dispensing with the envelope system as used in the last two years, and told the congregation that they would be expected to contribute on cards, and not, as in last year, to make the Missionary Meeting take the place of Parochial Collections. Only \$1.50 was contributed on cards last year. A great increase may be expected this year, so as probably to exceed considerably the total of last year. The night was very cold, and severe weather during the day kept many Church people who lived at a distance from coming to the meeting. A sum of \$4.45 had been contributed by the Sunday School

January 11th. Meeting at Consecon. Congregation 80; offertory \$3.01. Here also a large proportion of the congregation were Dissenters. The Church (which was neatly decorated) seems to require repairs; but it is pleasing to note that services have been resumed in this Church since Easter, 1875. It had been closed for some time. There is a fair prospect that the zealous labors of the indefatigable Incumbent will be now rewarded by a revival of Church life.

January 12th. Again very cold, but bright and pleasant. Went in the evening to Glen's Settlement (St. Stephen's Mission) Schoolhouse. As no notice had been given of our meeting, and as the Schoolhouse was occupied we determined to postpone it. A supplementary one was, however, held here on 25th February by the Convener and Incumbent, aided by Rev. R. S. Forneri of Christ Church, Belleville, and Mr. Patterson, Lay Reader. Congregation 120; offertory \$3.22.

January 13th. Meeting at Red Schoolhouse (St. Paul's Mission.) Congregation 90. The offertory was very poor; which even on a second circulation of the plate only came to \$3.97. It is, however, only fair to observe that \$20 was subscribed on cards after the meeting.

January 14th. Meeting at Massassaga Schoolhouse (St. Mark's Mission.) Congregation 60; offertory \$8.36. A due bill was also given by a person present for \$2, which would have made the offertory \$10.36, but as it was never redeemed of course it cannot be counted.

January 15th. Gerow Gore. The Missionary meeting was held in Church the usual hour, 7 P.M. Rev. C. H. Mockridge, the Incumbent, presided. Congregation 37; offertory \$4.84, increased afterwards to \$9.04. A snow storm coming to rain, and a damp dark night were unfavorable circumstances, but our success was better than could have been anticipated. Rev. E. Loucks kindly provided and sent a carriage for us, and we went to Picton (8 miles) after the meeting.

Sunday, January 16. No Missionary Meeting proper was held to-day, but regarded the services as partly preparatory to meeting to-morrow. A Missionary Meeting was held for the Sunday School at Conger's Hall at 2:30 P.M. The Deputation and Rector addressed the children. The offertory was presented by some of the pupils. It amounted to the very handsome sum of \$25 for Algoma Bishopric Fund, and was the result of a monthly contribution in Sunday School. \$5 were added by individuals, so the total was \$30. In evening a large congregation assembled in Conger's Hall. Rev. W. B. Carey preached from Matt. 28, 19. This service on Sunday evening in Conger's Hall seems a most useful and cheering part of the work of the worthy Incumbent.

evening, but we were agreeably disappointed. The meeting was held in the Church at 7.30 P.M., and in spite of mud and darkness a very good congregation of 250 was present, and an offertory of \$35 gladdened our hearts. I may say that excepting that of Sunday School yesterday, this was our first really cheering meeting. The Mission cause of the Church will, we feel, by God's blessing, be increasingly supported in Picton Parish.

January 18th. A doleful day. Pouring rain nearly all day. By the kindness of Mr. F. White, a covered buggy and good team of horses conveyed us to Wellington. In spite of weather the Missionary Meeting in Church here at 7.30 P.M. was very encouraging. Congregation 50; offertory \$12.25, and Sunday School \$5. The Rev. C. H. Mockridge presided, as being Incumbent. The Church, lately enlarged, nicely decorated, bright and cheerful, added greatly to our pleasure and success.

January 19. Weather rather improved but cloudy, with some rain. Clear up in the evening. Meeting in the Church at Hillier at 7.30 P.M. Congregation 100; offertory \$28.27, and Sunday School \$5. This Church was enlarged about a year ago, and was painted last summer. A nice organ also increased the efficiency of the choir, and all testify to the good spirit and zeal of the Incumbent and Parishioners.

January 20th. Very cold. Mr. Jones kindly took me to Wellington, and Mr. Hollingsworth drove me and Rev. W. B. Carey thence to Picton. We left in the afternoon in a hired buggy for Marysburgh, which we reached in about two hours. The Missionary Meeting was held in Church there under rather unpropitious circumstances. Congregation 35; offertory \$3.42. The Incumbent, Rev. C. P. Mulvany, was not present.

January 21st. Bright and cold. We were conveyed by the kindness of Messrs. R. David and Van Vlack, Jr., to Missionary Meeting at Milford. The meeting was in Church in the evening. Congregation 50; and offertory \$2.94. The service was good, but the result of the meeting as regards the offertory was very disheartening.

We drove to Picton the same evening, and next day returned to our homes. The Deputation travelled in Prince Edward County 109 miles, addressed some 800 persons, and collected—

A supplementary meeting, referred to above, was held at Northport, at the request of Rev. E. Loucks, on the evening of 10th February. Congregation 70; offertory \$2.61. Rev. E. Loucks presided. Rev. W. J. W. Finlay and Convener made addresses. The zealous Incumbent hopes an opening for Church work may be found here.

All of which is respectfully submitted.

DEPUTATION No. 2. A

As Convener of Deputation to the Parish of Trenton on the 10th of January, 1886, I made the following addresses with the Clergy of the Parish. The meeting was a successful one, being \$23.02. We were on Sunday evening, Jan. 10th, at the Parish of Trenton, and on its Sunday offertory Fund, causing a marked improvement. On Monday evening, Jan. 11th, we were at the meeting, though the weather was indeed they were through.

On Tuesday meetings were held in the evening at Church and in the evening at Church congregations and, as usual, Christ Church, \$8.98.

On Wednesday afternoon we were present. Collection was made at Point, which was large in amount. Owing to local causes a collection did not yield as large a result. All of which is respectfully submitted.

DEPUTATION No. 3.

The Convener begs leave to thank the Rev. T. Bedford Jones, Convener of the Deputation to the County of Hastings, for the very favorable and complete possibility of travelling but no vehicle was to be hired. My own horse and light open buggy, taking of the hospitable efforts of the very limited carriage and left Shannonville on the drive of 12 miles to Rossburg, mud and slush; and my appearance was not very attractive in the evening. We found the weather very pleasant after our arrival.

DEPUTATION No. 2—*Rev. F. W. Kirkpatrick, Convener; Rev. R. S. Forneri.*

As Convener of Deputation No. 2, I beg to report that we began our work in the Parish of Trenton on Friday evening, January 7th. After Evening Prayers missionary addresses were delivered by the Deputation, the Rev. E. H. M. Baker, the Clergy of the Parish, assisted by Mr. Shea and Mr. Flindall. The meeting was a successful one, though the collection fell somewhat short of last year, being \$23.02. We held our next meeting in Christ Church, Belleville, on Sunday evening, January 9th. Owing to the fact that this Church depends upon its Sunday offertory, only a partial collection was allotted to the Mission Fund, causing a marked diminution from last year's amount, when the meeting was held on a week day and the whole offertory given. Amount collected \$13.19. On Monday evening we were at Shannonville. Fair success attended this meeting, though the weather was cold and the roads entirely destitute of snow, as indeed they were through our whole tour.

On Tuesday meetings were held in the morning at All Saints', Tyendinaga, and in the evening at Christ Church. In both Churches there were attentive congregations and, as usual, good singing. Collection at All Saints', \$2.98; at Christ Church, \$8.98.

On Wednesday afternoon a meeting was held at Frizzell's Mills. 25 persons were present. Collection, \$2.57. Our route was closed by a meeting at Mill Point, which was large in point of numbers and which gave an offertory of \$7.40.

Owing to local causes and to the unfavorable state of the weather, the route did not yield as large a return for the Mission Fund as usual.

All of which is respectfully submitted.

F. W. KIRKPATRICK, Convener.

DEPUTATION No. 3.

The Convener begs leave to report as follows: The Deputation (Revs. Canon T. Bedford Jones, Convener, and W. J. W. Finlay) started for their work in the County of Hastings on Tuesday, January 18th. The weather was most unfavorable. A complete thaw had taken off all the snow, and there was no possibility of travelling but on wheels. In Shannonville, our point of departure, no vehicle was to be hired for love or money, and Mr. Finlay had to place his own horse and light open buggy at the service of the Deputation. After partaking of the hospitable entertainment of Mr. A. L. Roberts we packed ourselves and the very limited baggage that it was possible to take into the little carriage and left Shannonville in a downpour of rain, which never ceased during the drive of 12 miles to Roslyn. The thaw and rain combined to turn the roads into mud and slush; and when we reached the village tired and dripping, its dejected appearance was not calculated to raise our hopes as to the meeting in the evening. We found ourselves expected by the Misses Anderson, and nearly after our arrival were joined by the Missionary, Rev. Stuart Foster,

M.A. Our tea over, and the time for the meeting come, we picked our way in the dark through the mud and streams on the road to St. Paul's Church. Our dismal anticipations were realized. The congregation consisted of sixteen men and two girls, of whom only eight were members of the Church. However, they all listened attentively to the addresses delivered, and contributed \$2.13. Not caring to face the storm again and take out our horse, we remained for the night in our comfortable quarters at Roslyn.

January 19th. After a violent gale during the night the morning looked brighter, and we drove to Thomasburgh, where we were welcomed at the new Parsonage by Mr. Foster. Your Board may like to know that the house seemed in excellent repair, had been newly painted and papered, and a debt of \$140 paid off. Indeed the whole aspect of things at Thomasburgh was encouraging. When we entered the Church (Christ Church) we found it newly painted, the glass of the windows frosted, a new harmonium of a very superior kind supplied, with most tasteful and appropriate Christmas decorations, bearing evidence of Christian faith and love. Our meeting was held at 4 P.M., and we were assured by those present, who numbered in all 21, that this was a very good attendance considering the dreadful state of the roads and the weather. The collection here was \$3.57. The same evening we drove on to Tweed, Mr. Foster taking the Convener to save Mr. Finlay's horse and buggy as much as possible. The roads were indescribably bad, and it was 8:30 before we reached the Church of St. James. We found 26 persons present, and had a far heartier meeting than we anticipated. There was an excellent choir and good general singing. The people seemed to listen with attention and interest, and the collection was \$5.45. Here, too, the Church was decorated with care and good taste, and all the appointments betokened decency and order. Indeed, although through this Mission there were plain evidences of sound teaching and earnestness. The night was spent by your Deputation at the house of Mr. Elliott, by whom, as indeed by all who received us during our tour, we were most hospitably treated as well as cordially welcomed.

January 20th. Keen frost during the night. After the heavy rains of the past week the condition of the roads may now be readily imagined. There was a bitterly cold wind from the northwest, and it was possible to proceed only a walk. It was so cold that we were glad to get out and warm ourselves by walking, and on reaching Madoc we found that it had taken three hours and a half to come ten miles, while the tire of one of the wheels was broken. Chilled through and through, never were travellers more grateful for the good fire and refreshing tea speedily provided by Mrs. Greme, in the comfortable quarters of the Rev. A. F. Echlin. Here, too, we found the Church's work prosperous and were cheered by a good meeting attended by over sixty persons. The Church of St. John the Baptist was evidently suffering from past neglect, not the fault of the present Missionary. If your Board will suffer the suggestion it might be of much benefit to the Church was there a regular inspection of both Churches and Parsonages at least annually. It is not right that the valuable

property of the Church should be allowed to fall into disrepair for want of a little looking after. Where clergymen have the benefit of a house rent free they might at least be expected to keep it in good repair and have it insured, and the parishioners should be required to do the same for their Church before receiving any grant from your Board. Reverting to our meeting at Madoc we were struck with one peculiarity, that it was attended almost exclusively by men, who seemed very much interested, and contributed \$8.22 to our Funds.

Friday, January 21st. Hard frost during the night and intensely cold morning. The Deputation, with Mr. Echlin, started for Empey's in a good double waggon, and enjoyed the drive through a fine rolling country, chiefly on the Hastings road, for 19 miles. At Mr. Empey's house we were kindly received by Mrs. E., a member of the Methodist denomination; and after dinner started with our host and hostess for the Schoolhouse, where the meeting was to be held. There we found silence reigning supreme: the door was locked, no fire lighted, not a soul appearing. Mr. E. said he thought no one would come. The day was bitterly cold, the roads rough, and any way there were but a few who would turn out! Having waited for twenty minutes after the appointed hour we returned to Mr. Empey's house, and the Convener tried to impress on his host the claims and wants of the Church, so making his speech in the dining room. But from all we could learn this little station has been lost to the Church, owing chiefly to the carelessness of the previous Missionary and the death of Mr. Empey's former wife, a zealous Churchwoman.

At 3 P.M. we started for Queensboro. The wind had moderated, and though the road was rough through this mining country the drive up and down hill for over ten miles was pleasant enough. When we reached the house of the worthy Squire of the Parish, Mr. Thompson, we found that there was something like a panic over the villagers. Diphtheria had become epidemic among them. Three days previously a fair young person, the leader of the choir and Sunday School teacher, whose hands had recently been busy decorating the pretty little Church of St. Peter, had been buried; and our first startling news was that the younger sister had died that morning; while the wife of our host, Mrs. Thompson, had also been attacked and was then lying in a most precarious condition in the large dining room! So a deep gloom hovered over the little village nestling among the hills, and interfered considerably with the meeting, at which everyone seemed depressed. The anxiety of the family was so great that at their request and that of the Missionary the Convener had a special service of prayer in the house of Mr. Thompson. The meeting over, at which \$3 was contributed, a fresh accident occurred to increase the general alarm. While blowing out a lamp in the Church, the Churchwarden fell backwards, and striking his head against the floor with great violence received a concussion of the brain, which rendered him unconscious for several hours. We had to lose no time in driving home to Madoc for a doctor. Meanwhile, however, the Convener with Mr. Echlin paid a visit to the bereaved family, and had an affecting service with the parents in the room where the dead child was laid.

Tuesday, January 25th. A worthy old Churchman, Mr. Cotter, drove us to Stirling next morning. Notwithstanding the snow, which at last began to fall, the drive of eight miles by the bank of the Trent was very lovely, and on the way we were pointed a specimen of the black pine tree, now become extremely rare. Arrived at the house of the clergyman, we found we were not expected and that no preparation for a meeting had been made. We visited St. John's Church, outside looking so beautiful, but inside disgracefully dirty. Finding no arrangements made for a meeting in Stirling, we consulted the Churchwardens as to the possibility of getting our people together in the evening, but were then informed that there was a meeting announced for that evening at Rawdon. Mrs. Halliwell showed us a large bill with the place and hour written. Glad to have something to do, we availed ourselves of the kind offer of Messrs. Bull and Baldrick to drive us to the Schoolhouse. The road was very bad: it was neither good sleighing nor wheeling. We scraped along the ten miles, and at the Schoolhouse found a Churchman lighting the lamps for—a meeting of the School Trustees! This was very discouraging, and we had to drive back to Stirling having put our friends to all the inconvenience to no purpose.

The collection Wednesday, January 26th. Next day there was excellent sleighing and addressed subscribers were driven in the afternoon to the Village of Marmora in Mr. Hagerman's earnestly pleaded sleigh. Here we found a very neat new Church, named St. Paul's, evidencing v. R. S. Forner's energy and good taste of the people. We had a capital meeting in the e Church's work evening, the Church being well filled, and were much gratified by the good Burke handed music and earnest character of the service, as well as by the contribution of ric Fund. The \$4.75. It must be \$7.47. Before the Deputation left the Church, the cards taken by the young Finlay had taken men were being filled up rapidly.

Mr. Hagerman's good horses took us back to his mansion that night, where whatever local were very hospitably entertained, and we started on our way home next morning, January 27th. On reaching Stirling, where our friends paid our fare r, were resolved by stage to Belleville, we met with a most agreeable surprise. While waiting equal force t stage in the hotel, Messrs. Bull, Baldrick and Finch requested an inter following. W and represented that the Churchpeople felt much concerned at our having from Belleville no meeting in Stirling; and as a proof that this was through no disinclina well, absent o on their part to give to the Mission cause, or through no want of love to t that some mis Church, they had hurriedly made a collection the previous evening, and t was said ha handed the Deputation \$16.30. We were charged to state that this was y the 24th, th out of respect to the Bishop and the Mission Board; and subsequently the the Methodist ener received a further sum of \$18.70 from the Churchmen of Stirling, church services ng in all \$35 to add to our collections.

As brought the work of our Deputation to an agreeable conclusion. A as Crowe, wh ary is herewith appended of the meetings, the receipts and expenses, iney to have ergyman.

T. BEDFORD JONES, Convener

DEPUTATION No. 8.

As Convener of Deputation No. 8, I have much pleasure in reporting that we commenced the work of my Deputation in company with the Rev. A. Phillips, of Hawkesbury, at Smith's Falls, on Wednesday, January 5th. We received a hearty welcome from the Rev. C. P. Emery, and were struck with the marked contrast between the well attended and hearty meeting we addressed in the evening and the small one we, the previous year, walked knee deep through the snow to reach on one of the hills of Pakenham. We received valuable assistance from the Rev. G. J. Low, of Merrickville, and the Rev. J. R. Forsyth, of Kitley; yet the offertory fell short of that of the previous year, owing, probably, to the fact that a local effort was at the time made to raise a handsome testimonial for the Incumbent. The offertory amounted to \$14.63, together with \$6.80 from the Sunday School for Algoma, making a total of \$21.40.

The next day, being the Feast of the Epiphany, we had a celebration of the Holy Eucharist at 8 o'clock A.M., and Morning Prayer at 11. At the evening service, at the request of the Incumbent, I delivered an address on Foreign Mission work, and made a small collection, \$1.05, which we added to the offertory of the previous evening.

The following evening the meeting was held at Montague, one of the outstations of Smith's Falls. The congregation, in the Orange Hall, was not so large as usual owing to the uncertain state of the roads, there being neither sleighing nor waggoning; and the offertory fell short of the one last year. Rev. J. R. Forsyth still accompanied us, and gave us valuable assistance.

The next evening (Friday) we made the first gain over last year. The meeting was held in the little wooden Church at Port Elmsley, and the offertory amounted to \$7.36, being \$4.08 more than last year. A pleasing incident

connection with this meeting was the presence of an old man, living alone, and a man of liberalities was made. As the roads were bad in the evening, we did not report small, and the offertory, Sunday morning, January 10th, was \$7.36. The rain ceased the new Church. Five days my last visit to the church, but we had no idea we now saw in a fair view dimensions, and of hands would do credit to any parish. The old Church is still in a condition which gave us an opportunity to expect, but still a We had a hearty service of \$6.08, being 70 cents more than the Incumbent, many were to have become interested in the construction with a view to Newboro we made the following Sunday evening we brot which yielded \$2.07. We found the Incumbent a very parsonage on the lot. Both the meetings were well attended. The offertory was \$8.09. I found some of the people in a new bell had a large shed, capable of holding a large number of people. The Mission of Kitley served by Rev. J. R. Forsyth. There was a collection and the offertory was \$7.36. The meeting at Easton's was the first held at that place. We found a site had been set apart for a Church, but the financial embarrassment and however, encouraged our labors as Deputations.

connection with this meeting was that a \$4 note was placed on the plate by an old man, living alone, a short distance from the Church, and from whom such an act of liberality was not expected.

As the roads were bad, the weather rainy, and the meeting held Saturday evening, we did not repeat our success at Lombardy. The congregation was small, and the offertory, \$4.96, was \$2.88 less than last year.

Sunday morning, January 9th, we drove through slush and rain to Newbyrne. The rain ceased as we approached the Parish, and drew up opposite the new Church. Five years ago, in company with the late Archdeacon, I made my last visit to this Parish. The people were then talking of a new church, but we had no idea that they would have attempted such a building as we now saw in a fair way to completion. Of correct architecture, of liberal dimensions, and of handsome material, nave and chancel, and massive tower, could do credit to any parish in the Diocese.

The old Church is still used for service, and there we addressed a congregation which gave us an offertory of \$6.28, not so much, it is true, as we had a right to expect, but still \$1.68 more than they gave last year.

We had a hearty service at Portland in the afternoon, and received an offertory of \$6.08, being 70 cents in excess of that of 1875. Owing to the exertions of the Incumbent, many who were before indifferent to all religious influences have become interested in the Church, and some of them are under instruction with a view to baptism and confirmation.

Newboro we made the small gain of 10 cents over last year's offertory.

Monday evening we broke new ground in Westport, and addressed a meeting which yielded \$2.07.

We found the Incumbent of Leeds and Lansdowne comfortably settled in a very parsonage on the banks of Lake Singleton, where we were hospitably entertained. Both the meetings in his parish were, considering the state of the country, well attended. The meeting at Leeds yielded \$6.50, and that at Lansdowne \$8.09. I found some improvements at the latter Church worthy of notice. A new bell had been placed in the tower, an organ in the Church, a large shed, capable, I should think, of sheltering all the horses in the parish, had been erected in the Church yard since my last visit.

The Mission of Kitley seemed to be prospering under the charge of the Rev. Forsyth. There was a hearty service with excellent singing at Frankford and the offertory was \$13.78, being \$6.79 in excess of the previous year.

The meeting at Easton's Corners was also well attended, and was interesting being the first held at this station for many years. The offertory was \$4.65. We found a site had been bought and material was being collected to build a Church, but the movement had received a serious check by the commercial embarrassment and withdrawal from the Parish of the chief promoter. However, encouraged the people to persevere, and having said farewell to our labors as Deputation for 1876.

DEPUTATION No. 11—*Rev. Canon Bleasdel, M.A., Convener; Rev. G. Jemmett, M.A.*

The Convener begs to report that the area assigned to this Deputation was circumscribed to the Parishes of Merrickville and Kemptville, and it commenced its labors in this recently limited field of action on Tuesday evening, January 18th, at Merrickville, and held in succession eight missionary meetings.

The next meeting held was at Burritt's Rapids, but the attendance at this and the one previous to it were largely interfered with, both as to attendance and results, by pelting and unseasonable rain and torrents of mud. The meeting at Merrickville was liberally supplemented subsequently by another one, and the Church members there proved equal to the occasion. From Burritt's Rapids the Convener and his most excellent colleague were driven by the Revs. G. J. Low and A. Spencer into the Parish of Kemptville; and the first meeting held there was at St. Paul's Church, Marlborough. Here they found a neat and fitting ecclesiastical-looking edifice erected recently on a beautiful site overlooking the Rideau River on its north bank, and a credit to the congregation who worship in it, as well as the clergy of the Parish who inspired the work. The meeting here was satisfactory inasmuch as it was greatly in advance of last year in its pecuniary result. The meetings at Oxford Station and Wilson's Schoolhouse followed, with a slight advance upon that of the previous year at the former one, and a decided one in the latter case. A melancholy incident and one producing a sore bereavement to the family of Rev. A. Spencer occurred to himself, at the Rectory House, occurred on the morning of the 22nd, and caused the meetings at Oxford Mills and Kemptville to be postponed until the 26th and 27th instants, out of respect to their feelings and sympathy with him in their sorrowful trial. The meeting at Wilson's Schoolhouse took place on the evening of the 21th, and was satisfactory, as the collection was somewhat above that of last year. The meeting at Kemptville on the 26th of January was well attended, highly satisfactory in its results, and interesting; whilst the closing meeting at Oxford Mills was not so satisfactory, though the attendance was good. A new stone Church here of an ecclesiastical character, reminding one by its substantial details what it was designed for, bore testimony to the zeal somewhere that had erected such a fitting edifice in this small village, and told the story that it was an edifice of the Church of England neither more or less.

At Kemptville as well as at Merrickville, Sunday School offerings were made for the Algoma Diocesan Fund; and the former fact is interesting when the Convener remembers that St. James' Church, Kemptville, was the pioneer in these said offerings, which of late years have become more general, other parishes following the good example which it thus set. The total pecuniary results of the eight Missionary Meetings amounted to \$79.21, whilst similar meetings last year in the same places produced \$73.63, being a gain of \$5.58 this season.

The Convener cannot but mention the able co-operation of his colleague, the Rev. G. Jemmett, at every meeting; and also that of R. Leslie, Esq., in the Parish of Kemptville; also Dr. Ferguson, M.P., and his lady, for their hospitality and kindness to them during the trying event at the Rectory of Kemptville, as well as that of Mr. and Mrs. T. Blackburn, to his colleague on the same occasion.

DEPUTATION, No. 12.

In reporting the work of Deputation No. 12, consisting of the Rev. J. H. Nimmo, M.A., and myself, it affords me much pleasure to state that we were enabled to hold meetings in all the Churches and Stations (15) assigned to us and that unusual success attended our labors. In every instance but one, viz. Prescott (where a special effort greatly swelled last year's returns, and so made a really good collection seem small), a large increase in missionary offerings, notwithstanding the hard times, is to be noted. In the case of Williamsburgh the increase was nearly five-fold. If we except the meeting at Dixon's Corners, which was held on perhaps the coldest and most tempestuous night of the season, all the meetings were well attended, while some were crowded. At the instance of the Rev. Arthur Jarvis the Rev. Canon Preston kindly conducted a meeting at 2nd Concession, Osnabruck, a place the Deputation were unable to include in their programme. The collection, \$6.13, was forwarded by the Incumbent to the Convener. The inaugural meeting in Trinity Parish, Brockville, was a grand success. Six Sunday Schools contributed towards the Funds of the Diocese of Algoma, viz., those of Crysler, Morrisburgh, Iroquois, South Mountain, Prescott, and Trinity Parish, Brockville; the first of these—little Crysler—leading off with the large sum of \$29. Both Crysler and Morrisburgh Sunday Schools assign a share of their offerings to support missions in Algoma.

The following figures show what was received in the various Parishes visited: Parish of Crysler (two meetings) \$49.00; Parish of Osnabruck (four meetings) \$60.96; Williamsburgh and Morrisburgh (two meetings) \$114.50; Iroquois (three meetings) \$38.87; Edwardsburgh and South Mountain (three meetings) \$35.47; Prescott, \$66; Trinity Parish, Brockville, \$70; total, \$435.70. Last year this district returned \$257.08. Included in these sums are the offerings for the Diocese of Algoma—this year \$84.85, against \$64.50 in 1875.

The Deputation greatly rejoiced at witnessing in this important section of the Diocese many evidences of Church life and activity, such as the new Church in South Mountain—a perfect gem; the handsome Rectory recently

erected at Morrisburgh, a beautiful one, projected with the hearty service of a large and devout congregation. Liberal offerings made for the cause of the

These enterprises, taken in connection with the hearty services the Deputation were privileged to participate in, the large and devout congregations which met them in almost every place, the liberal offerings made for the extension of Christ's Kingdom, plainly indicate that the cause of the Church is taking deep root in the hearts of the people.

The Rev. Messrs. Forest, Jarvis and White, with Canons Mulock and Preston, gave valuable assistance to the Deputation in the Parishes contiguous to their own. Unbounded hospitality was accorded to the Deputation by both the clergy and laity along their route.

DEPUTATION No. 13.

The Deputation, consisting of the Revs. C. P. Emery and J. Halliwell, commenced their operations in Cornwall on 16th of January. For the first week the meetings were small, and the offertories, with one or two exceptions, less than last year; but during the second week the weather was favorable, the roads good, the meetings excellent, and the offertories in advance of last year. In two cases the returns were less than last year, but at the same time the offertories were in excess, the extra of last year arising from the liberality of certain gentlemen, who are now in different parts of the Diocese. For instance the Report for 1875 puts the offertory for Hawkesbury at \$45.07, whereas it only reached \$10, the extra being added afterwards, whereas this year it amounted to \$20.70, a little more than double. We were much pleased to observe the excellent work being carried on by the Church's missionaries wherever we went. Expenses of the Deputation were heavy on account of the long distances to be gone over, and the fact of having to hire on several occasions when we ought to have been forwarded.

C. P. EMERY, Convener.

DEPUTATION No. 14—*Rev. J. J. Boyert, M.A., Convener; Rev. A. Spencer.*

This Deputation held meetings at the places assigned to it. The attendance each was large, and the interest which was manifested had a cheering effect on the members of the Deputation and the clergy in charge. Everywhere they were met by the cry of "hard times," and yet (with the exception of three stations, where the deficiency was but slight) everywhere the amount of collection testified to higher appreciation of responsibility in this matter. Christ Church, Ottawa, where the Bishop aided the Deputation, the collection showed an increase of 75 per cent on that of last year. While acknowledging with gratitude the various acts of hospitality and kindness received by the members of the Deputation throughout their tour, they feel constrained to mention in this connection the name of Mr. Willis, "mine host" of the Hotel Osgoode Station, who assisted them and stuck to them under very trying circumstances. For when they failed to obtain a vehicle to carry them from

Osgoode Station to Duncanville, a distance of 18 miles, this gentleman undertook to drive them in his light buggy, over rough roads. The first breakdown would have disheartened many men, and when the second literally left "the Deputation on the road" three and a half miles from their destination, he stepped pushed on and followed them into Duncanville, carrying their traps in the wrecked vehicle. Had it not been for his kindness the Deputation would have failed to appear at the meeting—as it was, they were only an hour behind the time appointed. The subjoined table gives the results of the several meetings and compares them with those of last year.

DEPUTATION No. 15.

I beg to submit the Report of Deputation No. 15, which consisted of Rev. A. Jarvis and myself.

In the discharge of our duty we visited the following Parishes and held Missionary Meetings therein: Almonte, Clayton, Pakenham, Antrim, Torbolton, Fitzroy Harbor, Arnprior, Sand Point, Rochesterville, All Saints' Church, Richmond Road, Merivale, and St. John's Church, Ottawa.

The want of sleighing impeded us somewhat at the beginning of our tour and the great depression in the manufacturing interests interfered very much with the success of the meeting at Almonte, which under ordinary circumstances has always been one of our most successful meetings. The meeting at St. John's Church, Ottawa, was, owing to various local circumstances, but thinly attended, and the money results in consequence fell far short of last year. At the other places along the route the meetings were fair, and in most instances the collections were in excess of last year, but as the only two large parishes we had fell short, the total amount collected is much less than last year.

We noticed with pleasure the Church at Antrim, which is one of the best country Churches in this part of the Diocese, in an ecclesiastical point of view and the Church at Torbolton, which was not quite finished, but when fully completed will be another evidence of the improved taste in Church building for which our Diocese has become distinguished.

One of the most hearty meetings of the tour was held in the Schoolhouse adjoining this Church, on a Saturday night; and in connection with this mee-

ing, I heartily endorse this Parish last year, as

I heartily endorse the sentiments of my reverend brother who visited this Parish last year, as to the zeal and devotion of the Torbolton people.

If I might be permitted to add a recommendation to my report, I should be glad if the Synod would give the power to the Board of Missions, by the enactment of a Canon or otherwise, to reward any missionary who would send up magnificently liberal contributions to the Mission Fund. I feel sure that upon the Missionaries themselves depends in a very great degree the augmentation of this Fund, which is absolutely necessary for the carrying on of our present missions and the opening up of new ones. Our missionaries who derive a portion of their stipends from this Fund ought therefore to feel it to be their duty to use every means to arouse the people to become interested in the Mission work of the Diocese in order that the Board may be enabled to make their grants to the Missions as large and liberal as possible.

The amount collected was in all \$132.26; number of people addressed, 671. All of which is respectfully submitted.

The Deputation held meetings at the eight places below named, but were hindered by the storms from holding meetings at the 9th Line of Fitzroy and also at both Churches in the Mission of March.

Subsequently, however, the Missionaries in charge had meetings. The results of this year's efforts compare favorably with those of last year.

REPORT OF BOOK AND TRACT COMMITTEE.

The Book and Tract Committee beg leave to report that, notwithstanding the great depression in business generally, they have much cause of thankfulness. The amount of sales in the Depository during the year was only about \$50 less than that of the previous year. This, they think, is in a measure owing to the very excellent selection of Books on the shelves, as well as the steady demand for a class of good books. The stock is now better in quality and quantity than it has ever been before.

Acting upon the resolution of last year's Synod they have voted to pay the Manager of the Depository a salary of \$20 a month instead of the former per centage.

Appended is an Abstract of Receipts and Expenditure for the past year. All which is respectfully submitted.

AUDITORS' REPORT.

We the Auditors appointed to examine the accounts of the Treasurer and Secretary of the Synod of Ontario for the year ending the thirtieth day of April last, submit the following Report of our labors :

We have examined the Securities belonging to the various funds under the control of the Synod. Those belonging to the Clergy Trust Funds were ascertained by us to be in the joint possession of the Treasurer and Secretary, with the exception of the London debentures mentioned in the Auditors' Report of last year, which are still in possession of the City Bank of London, for the purpose of conveniently collecting the interest accruing due from them. The certificate of the Manager of that Institution, showing the purpose for which these debentures are held by it, was produced to us. The total amount of the Permanent Clergy Trust Securities, including interest, is the sum of \$274,608.08. We have also examined the Securities held by the Synod for the undermentioned funds, and have found that those transferable by delivery were in the joint possession of the Treasurer and Clerical Secretary, and that the mortgages were in the possession of the Clerical Secretary. The capital sums represented by these Securities are :—

Episcopal Fund	\$58,130 29
Sustentation Fund	30,697 80
Divinity Students' Fund	3,223 34
Widows' and Orphans' Fund.....	18,196 67

REPORT OF DIVINITY

Synod of Onta

Divinity Students' Fu

g Students received

The balances at the credit or debit of the various Funds in the Bank Montreal on the 30th day of April last are as follows :

Clergy Trust—Interest Account (Dr.).....	\$ 953 95
“ “ —Capital Account (Cr.).....	739 82
Divinity Students (credit).....	430 25
Episcopal (credit).....	1,611 96
Mission (credit).....	581 66
Prayer Book (debit).....	210 22
Sustentation (credit).....	335 74
Rectory Lands (credit).....	231 17
Algoma Bishopric (debit).....	131 29
Widows' and Orphans' (credit).....	1,016 00
Assessment (debit).....	758 05

We found that the various balances in the Bank agreed with those in the books of the Treasurer and Clerical Secretary, with the exception of the Mission, the Episcopal, the Rectory Lands, the Sustentation, and the Divinity Students' Funds, the discrepancies in which are explained in the Clerical Secretary's account current.

We have examined the Clerical Secretary's books of account, and in doing so have availed ourselves of the assistance of Mr. Christie, formerly a professional accountant. The payments, with the exception of some small amounts paid for Bank Commission for collecting coupons, and a sum of \$54 for expenses of selling Rectory Land at Matilda, were all made by cheque, and in other respects the entries seemed to be correct. In respect of this sum of \$54 above referred to, we were informed that it represented an amount deducted from the purchase money before it was paid to the Clerical Secretary. This course appears to have been irregular, as the Synod are the statutory vendors of the property, and payments should be made through the Clerical Secretary in the usual way.

All which is respectfully submitted.
