GOOD THINGS COMING TO THE THEATRES OF ST. JOHN

SIR JAMES BARRIE'S SWEETEST STORY

"Sentimental Tommy" at the Imperial Today—A Lovely Week-end Bill.

Probably no pictured fiction of fair fame has received more spontaneous commendation than Sir James Barrie's "Sentimental Tommy" which will conclude the Imperial's British-Author week today and Saturday.

CONSTERNATION IN CHATEAUGUAY

Allegation in Montreal Paper's Story of Disappearance of Notary.

(Canadian Press) Montreal, Feb. 3.—The Herald is today publishing a story to the effect that the disappearance of a young man of fortune, LaBerge, notary and secretary of the municipality of Chateauguay, is causing a great deal of consternation as it is alleged that with him there disappeared as well the life's savings of scores of inhabitants amounting to about \$800,000.

Mr. LaBerge's insolvency was made public through the bankruptcy court ten days prior to that the notary is alleged to have disappeared.

The little town, which is situated about 12 miles from Montreal, on the southern side of Lake St. Louis, is greatly agitated over the treasurer's affairs.

McELVANEY-BODMAN. The marriage of Miss Mary Lelita Bodman and Earl McElvaney, formerly of Fredericton, took place at the home of the bride's parents, Mr. and Mrs. George P. Bodman, Portland, Oregon, on January 16.

The bride is widely known in Portland as a member of the staff of the American Red Cross. The groom is a son of Mr. and Mrs. Edward McElvaney of Fredericton, and served four years overseas with a western battalion.

On his return to Canada he spent some time at his home before proceeding to Portland, Oregon, where he is in the employ of the Federal Telegraph Company.

The Men's Club of Stone church last night, at its first meeting since organization, had a good attendance. Hammond J. Bevan, the president, was in the chair, and the programme took the form of an open debate for or against civic ownership of the Moncton hydro-electric power. G. Fred Fisher spoke in favor of civic ownership and Dr. James Manning and W. E. Anderson spoke against it. Light refreshments were served at the close of the evening.

PERSONALS. Sir John Eaton passed through the city last evening in his private car "Eatonia," on route from Moncton to Toronto.

WIFE AND FAMILY.

WELL KNOWN I. C. R. MAN.

Albert Atkinson, a retired S. N. R. employe, died in Moncton yesterday. On Wednesday evening Dr. R. L. Bostford was summoned to attend him, and on arriving found the patient to be very seriously ill, being in a comatose condition, and hardly able to talk.

Very little information could be obtained from his relatives. Dr. Bostford learned, however, that he had a daughter living at Heron Island, New Mills, Restigouche County, and seeing no hopes for his recovery made every effort to get into communication with the daughter, but without success. Deceased was born at Joliette, Westmorland Co., in the year 1847, and entered the service of the I. C. R. in 1869 as baggage-master at Point du Clene, and had served in different capacities, having been a conductor, brakeman, baggage-master, yardmaster and freight clerk. He also for a number of

years was employed as a carpenter, and when he retired on a pension in September, 1918, was employed as timekeeper in the shops.

MRS. JOHN MACDONALD. Moncton Transcript: Mrs. John Macdonald, aged sixty-five years, died at her home on the Shediac Road, on February 2. She passed peacefully away after an illness of about five weeks, about 9 o'clock a. m., and without much suffering. Deceased was a valued member of the Lewisville Baptist church. Death was due to flu and pneumonia. She leaves to mourn a sorrowing husband, three sons and one daughter. The sons are Newton P. of Vancouver, B. C.; Angus J. of the C. N. R. Railways, Moncton, N. B.; and Austin P. of the Public Works Department, Fredericton, N. B. Mrs. Gordon Tritts of Lewisville, N. B., is the daughter.

INDIAN SOLDIER DEAD.

Fredericton Gleaner: At the Indian Reserve, North Devon, last night, Peter William Paul died after a lingering illness, aged twenty-nine years. He, with three brothers, enlisted in the 20th Battalion in this city and served in France. He and two of the brothers were badly wounded and gassed, and for some months past he had been undergoing treatment at River Glade sanatorium, and about three weeks ago he returned to his home at the reserve and passed away last night. He was respected not only by his family, but by all who knew him. Another brother enlisted in the army but died before the battalion sailed. He is survived by three brothers, John, Martin and Arthur, and two sisters, Mrs. Benjamin Brooks and Mrs. Marie Scaobie.

GOOD INFLUENCE OF SCOUT MOVEMENT

Lord Byng Addresses Big Provincial Conference in Toronto.

Toronto, Feb. 3.—"The whole object of scouting and kindred organizations for boys and girls is to build up citizens," said Chief Scout Lord Byng of Vimy, addressing the provincial scout officers who last night were the guests of Sir Jos. Flavelle at his Toronto residence.

The governor-general said Canada was young and in its development the ideals of the scout movement would undoubtedly exert a wholesome influence.

The evening gathering was the closing session of the provincial scout conference which brought Lord Byng to Toronto. The conference was attended by 200 scoutmasters, and every city and town in the province was represented.

Lord Byng returned to Ottawa last night.

Routine business and a report of the St. Andrew's Day celebration last year occupied the time at the regular quarterly meeting of St. Andrew's Society held last evening in the Orange hall, Germain street. In the absence of the president, S. R. Jack, the vice-president, A. Melrose, presided.

The regular meeting of the directors of the Home for Incurables was held yesterday afternoon with Dr. Thomas Walker, the president, in the chair. Only routine business was transacted. A resolution of sympathy in their recent bereavement was extended to the relatives of the late Mrs. J. V. Ellis.

TWENTY-SEVENTH ANNIVERSARY

Dominion Lodge, L. O. B. A. Celebrates—An Excellent Programme Carried Out.

Dominion Lodge, No. 18, L. O. B. A., held the twenty-seventh anniversary in the lodge rooms, Simonds street, on last Wednesday. A most social was held and the proceeds for the lodge funds, F. I. Potts, who acted as chairman for the evening, welcomed all present and a very pleasing programme was carried out, as follows:—Musical trio, Messrs. Cain, Wetmore and Jamieson; recitations by Miss Mae Stacey, Miss Pearl Taylor, Miss Hannah Marshall and Mrs. Harry Barnard; duet by Clifford Jamieson and Mrs. E. Hamilton, vocal solos by Mrs. Oscar Brentnall, Mrs. Harry Barnard, Miss Ruth Wood's selections by trio, Mr. Ring and Mr. and Miss Wallace, and several instrumental selections by an orchestra composed of Messrs. Wallace, Ring, Wetmore, Cain and Jamieson, and an instrumental duet by Mr. Cain and Mrs. Hamilton. A feature of the evening was the entertaining of Jock Simpson, Scotch character comedian, who had won the appreciation of his audience, and who was forced to respond to repeated encores. Mrs. James Brown reviewed the history of the lodge and said it was in a flourishing condition with a band of energetic workers. She said they were still adding members. Mr. Rodgers, former guardian of the lodge, made a few remarks.

Mrs. A. McKinnon is worthy mistress of the lodge and Mrs. T. Rogers is P. M. Refreshments were served at the close under the able co-operation of Mrs. Atcheson, assisted by a corps of helpers. Following the singing of the national anthem Mr. Potts thanked all who had helped entertain. Mrs. Oscar Brentnall and Mrs. Edwin Hamilton had charge of the programme. Miss Ricketts, Mrs. Oscar Brentnall and Mrs. Hamilton acted as accompanists for the evening. All had a pleasant time.

AN AFFLICTED FAMILY.

Fredericton Gleaner.—The father and the mother, one son and one daughter in hospital and one son at home, all with pneumonia is the sad plight of the family of the late David Merrill, who passed away on Monday at his home at Cross Creek, aged 54 years. About three weeks ago Mr. Merrill was taken ill with pneumonia, and despite everything that could be done to save his life he passed away on Monday. Shortly after he was taken ill his wife, one daughter and one son were taken to Dr. Moore's hospital at Stanley for treatment, while another son contracted the disease a little later and is at his home at Cross Creek.

RECENT WEDDINGS

**Rowan-Gunning.**  
A marriage of interest locally took place at Montreal on Thursday, January 26, when Miss Frances Ione, daughter of James W. Gunning, Pictou (N. S.), became the bride of Arthur A., son of J. Jackson Rowan, of this city. The ceremony was performed at Christ Church Cathedral by Rev. Dean Carlisle. The bride is a graduate nurse of the Montreal General Hospital, and the groom is a student at McGill Medical school.

RECENT DEATHS

**Frank Anderson.**  
Many friends will regret to learn of the death of Frank Anderson, which occurred at his residence, 80 Harrison street, on Thursday, February 2, 1922, after a short illness. Mr. Anderson was a well known citizen, and formerly was in the drug store business in the city. He had been retired from active work for many years. He leaves one sister, Mrs. Barnabas Dean, of this city. The funeral arrangements were not completed last night.

**Thomas H. Porter.**  
The death of Thomas H. Porter, of Fredericton, occurred in this city on Wednesday night, after a short illness. The late Mr. Porter, who was sixty-nine years of age, is survived by his wife, one son, Byron, of St. John; one daughter, Miss Jessie Porter, Fredericton, and one brother, Frederick, of Centreville.

**Mrs. Charlotte Robinson.**  
Word was received yesterday of the death of Charlotte, widow of William D. Robinson, which occurred at the home of her son, John Q. Robinson, Rosindale, Mass. The late Mrs. Robinson is survived by two sons, residing in Boston, and by one daughter, Mrs. James H. Hamilton, Orange street, this city.

Rheumatism Grows Worse if Neglected

It is a Uric Acid Trouble.  
It makes its presence known by local aches and pains, inflamed joints and stiff muscles, but cannot be permanently relieved by local applications. Its cause is constitutional and it must have constitutional treatment.  
Take Hood's Sarsaparilla, which corrects the acid condition of the blood on which the disease depends and makes you feel young again.  
"Three doctors said I could not be cured of rheumatism but at 64 I am still alive, well and strong, thanks to the yearly use of Hood's Sarsaparilla. I am convinced there is nothing better for rheumatism." C. E. Goodrich, Bolivar, Mo.

## WORLD MUST MAKE LOAN TO GERMANY

Hand-to-Mouth Schemes—  
Europe Wants a Definite  
Plan for Reparation Pay-  
ment—Not to be Repeated-  
ly Amended.

(Special Cable to the N. Y. Times and  
Montreal Gazette.)  
Paris, Jan. 30.—"It is only on condition  
that recourse is had to domestic and  
foreign credit, in order to bring to a  
successful conclusion financial operations  
on a large scale, that Germany will be in

a position to fulfil the task of repara-  
tions. To restore confidence in Ger-  
many's solvency to the world at large is  
essential to a satisfactory solution of the  
problem."  
It is with these words that the Ger-  
man reply to the Reparation Commis-  
sion's request for suggested means of  
settling the reparations problem con-  
cludes. It was on that note also that Dr.  
Rathenau in his speech to the Supreme  
Council at Cannes on January 12 con-  
cluded. It was the same idea in the  
minds of the British financiers which  
decided Mr. Lloyd George to propose the  
conference at Genoa, and make a begin-  
ning of the system with Russia. It was  
the same idea which underlay the finding  
of the Hoover Commission that, under  
guarantees, loans must be made to  
European countries.

Today the commission met twice to  
consider the German reply, and at the  
end of the day sent the text, and its  
many pages of annexes, to their various  
governments with a covering letter in  
conformity with the procedure laid down  
at Cannes.  
It will now be for the governments to  
decide whether they will proceed with a  
discussion of the German proposal  
directly or refer it back for a decision to  
the commission, and for the present the  
latter course is almost certainly the one  
which will be adopted. But it is, as al-  
ready pointed out in the messages, en-  
tirely unlikely to lead to any definite  
result. Sooner or later the commission is  
going to come to a deadlock, for the two  
entirely opposite opinions of the British  
and Italian delegates on one side, and  
of the French and Belgian on the other,  
seem utterly irreconcilable. Today in  
the French press the German note has on  
the whole a very favorable reception. As  
Philippe Millet, always the most liberal  
of French writers, points out in the

petual changes and their perpetual un-  
certainty.  
The Only Salvation.  
Now almost unanimously, it is said,  
the reparations commission has come to  
see that the only salvation lies in a big  
international loan, which will stabilize  
financial situations in all the countries  
involved, and, though such a remedy is  
not for the commission to suggest offi-  
cially, it is understood that various  
members are pressing that idea on their  
governments.  
But the key to the whole situation lies  
with America. It is only there that the  
money can be found with which to un-  
dertake the immense work that must be  
done, and for reasons which need not be  
emphasized European statesmen are  
becoming shy of suggesting anything  
which has even the appearance of ask-  
ing a favor of the western republic.  
They realize that they must hammer  
away and do their best till the tide of  
opinion turns in the way which Lloyd  
George hoped, and probably still hopes,  
that the Genoa conference will turn it.  
But till then they will have to keep  
hammering away, and in the interval,  
unfortunately, we are likely to be treated  
once more to the unwelcome sight of  
the various countries of Europe strug-  
gling like dogs over the German bone.  
They cannot do anything else.  
In France, with the thousands of  
homes still in ruins, the villages blotted  
out, notice boards being all that is left  
to tell where they stood, there cannot be  
any other public opinion than that Ger-  
many must be, somehow or other, com-  
pelled to pay to the uttermost for the  
damage she wrought. In England, with  
her two million out of work, there can-  
not be any other opinion than that Ger-  
many should be allowed to become an  
again, as she was before the war, Eng-  
land's best customer. In Belgium there  
cannot be any other opinion than that  
Germany must repair the financial ruin

## MAGIC BAKING POWDER

Magic Baking Powder has  
been on the market for a  
long period. Because of the  
fact that it is superior to any  
other baking powder on the  
market, its sales have in-  
creased by leaps and bounds.  
Sales for year 1920 show  
an increase of 2562% over  
sales in year 1915. During  
the past 24 years it has never  
failed to meet the exacting  
requirements of Canadian  
housewives. Its well earned  
reputation for purity, quality  
and economy justifies its be-  
ing referred to as Canada's  
perfect baking powder, and  
it is constantly referred to in  
that way.

Petit Parisien, it would have been better  
for the German government to have gone  
much further in making sacrifices. In or-  
der to meet this year's payments, for  
then there would have been a more favor-  
able reception of their last suggestion  
of an international loan of which the  
author is certainly Dr. Rathenau. This  
is the same scheme as was discussed by

Loucheur and Lloyd George at  
Chequers in December, and to which  
little by little the British premier, vi-  
at least the tacit consent of the  
French cabinet, was trying to lead events  
and opinion. But before it can possibly  
be realized it seems inevitable that we  
should have been many weeks, probably  
many months, of bargaining and discussion  
on the old exhausted and unsolvable  
question of how much Germany can pay  
over three months toward the total  
sums fixed last May in the London ac-  
cord.

**Prolong Uncertainty.**  
Even if a provisional settlement should  
be reached it will, in effect, only prolong  
the uncertainty for all countries, for so  
long as France and Belgium do not  
know how they stand they cannot put  
their financial position in order. So  
long, also, as Germany does not know  
how she stands she cannot even attempt  
to make her budget balance.  
Even if a provisional settlement should  
be reached it will, in effect, only prolong  
the uncertainty for all countries, for so

to make her budget balance.

But out of it all emerges the one firm  
and definite suggestion which is so slowly  
but surely gaining ground, that the  
only possible solution is in the restora-  
tion of German and European credit  
generally by an international loan. Even  
the most determined opponents of this  
measure are being compelled to see that  
the long uncertainty and the necessity of  
Germany making payments every three  
months or so in foreign currencies pre-  
vent that country from ever restoring  
order to her finances.

**HUNDREDS** of men and women have already found free-

Doctors are now agreed that proper elimination of waste matter  
should be brought about by food. One doctor writes right out  
and states plainly that the indiscriminate use of cathartics is one  
of the causes of constipation.

Physicians all over the country are recommending Fleisch-

ments which keep the intestines healthy.

Try it out for yourself. Begin today by adding 2 or 3 cakes of  
Fleischmann's Yeast to your everyday diet. Keep it up and see  
how normally and regularly your intestines act. You can get  
Fleischmann's Yeast fresh daily from your grocer.

TRAM COMPANY TO DISTRIBUTE HALIFAX POWER

Public Utilities to Fix Hydro Charge to People—Thirty Year Contract.

Halifax, N. S., Feb. 3.—The Nova Scotia Tramways and Power Company will purchase from the Nova Scotia Power Commission of the provincial government, at cost, the electrical energy and power up to eighteen million kilowatt-hours a year, produced by the hydro development at St. Margaret's Bay, near Halifax.

The agreement provides that the tram company shall distribute the power to the consumers of Halifax at a rate to be ordered by the board of public utilities. The disposal of the power produced by the St. Margaret's Bay Development has been a hot issue in civic politics for a long time, opinion dividing chiefly as to whether the city itself should take over the power or not.

COVEY PLAN IS ENDORSED

Endorsement of the proposal of the executive of the M.P.B.A.A.U. to clean up maritime amateur athletics by cancelling all registration cards issued so far this year and requiring all those who may in future make re-applications or new new applications for cards to accompany their applications with affidavits attesting to their "honesty" amateur standing, was voted by St. John representatives on the board of governors of the M.P.B.A.A.U. of Canada at a meeting held in the board of trade rooms last evening. Eight of the eleven St. John clubs affiliated with the M.P.B.A.A.U. of Canada were represented.

Mr. Covey said, after the meeting, that the cancellation of the registration cards probably would be ordered in about two weeks' time. A draft of the proposed affidavit was submitted to the meeting. It requires that the applicant for registration solemnly declare that, previous to August 4, 1914, he was an amateur in good standing, and that since November, 1919, he has not been professionalized and did not receive any remuneration directly or indirectly in money or its equivalent for his services as an athlete. It also requires the applicant to declare solemnly that he has not received any money as a promoter of sport. The affidavit is to be taken before a commissioner for taking affidavits, to be read in the supreme court. Affidavits attesting that more than 170 athletes in the maritime provinces had accepted remuneration for their services had been secured at the meeting in Montreal on January 24. Mr. Covey said, in outlining the present situation in maritime athletics, if there were so many against whom information had been secured, Mr. Covey said, there were likely a great many more against whom no information had been secured. Both for this reason and to demonstrate that there really were not so many "black" athletes as some contended, he declared that the course of cancellation was the only effective one to adopt in the premises.

Organizations Represented. Mr. Covey presided at the meeting, which was attended by representatives of the East and South End Improvement Leagues, the G. W. V. Athletic Association (St. John Hockey Club), the Y. M. C. A., St. George's Athletic Association, St. Peter's Y. M. C. A., the Commercial Club and the Young Men's Catholic Institute. In addition to the members of the board of governors from these organizations, there were present several members of the various clubs making a company altogether of twenty-two.

The Resolution. The following resolution was then moved by P. J. Leves, seconded by W. Bowie, and passed: "Resolved that this meeting of St. John representatives on the board of governors of the M. P. B. A. A. U. of Canada go on record as strongly in favor of the steps which the executive of the branch has in mind in the matter of cleaning up amateur sport and assure them that the affiliated clubs in St. John are behind them."

MORNING NEWS OVER THE WIRES

A conference of certain railway employees' organizations will be held in Montreal, February 8, and a general discussion of the wage question is expected to take place. The general committee of the C. N. R., eastern lines will meet to call the attention of the railways to their general lack of attention to the report of the board of arbitration which sent in a majority report to the effect that the U. S. railway and the strikers being followed by the Canadian railways was unfair to the lower paid employees.

Two thousand mill workers and their friends stormed a cotton mill in Natick, Rhode Island, last night in an attempt to secure the release of Michael Lauer, who had been arrested for assaulting a policeman. He had been taken out of a back door while the rioting was in progress. He was held in \$1,000 bail. The rioting stopped when Lauer appeared and the strikers claimed a victory over the police, who, however, say that he was allowed to go to jail in the ordinary course of events.

At Montreal last night, in connection with the opening of the new Pythian Castle there, the Dokays in secret session initiated a large number of new members. A large delegation of St. John members were present.

A despatch from London, Ont., last night gives the condition of Sir Donald MacMaster, M. P., for the Chertsey division of Surrey, as very serious.

It was announced after yesterday's meeting of the cabinet council that parliament will be summoned to meet on Wednesday, March 8, when the speaker will be elected. The formal opening and the speech from the throne will take place the next day. The new speaker for the commons will be Hon. Roderic Lemieux.

GERMAN EXECUTIONERS THREATEN A STRIKE. Berlin, Feb. 3.—The public executioners at Karlsruhe and Baden, following the lead of their confreres at Mannheim, have notified the ministry of justice that they will go on strike unless their pay is increased. They declare it impossible to behead criminals properly at the present prices.

CHINESE GIRLS BOUGHT. (Special Cable to The New York Times and Montreal Gazette.) London, Jan. 31.—General Bouch announced at a meeting in London today that the Salvation Army in China, by his instruction, had bought 100 girls from their parents at thirty shillings each in order to save them from lives of shame. He said that the local officers were desirous of buying more girls in the districts where the famine was raging, but the cost of maintaining them was too great. It was hoped the girls would be trained in Salvation Army work and become energetic workers among their own people.

ASKS FOR BETTER TRADE RELATIONS

Mexico Needs Many Manufactured Articles Which Canada Produces—Country is Progressing.

Ottawa, Jan. 31.—Don Luis de Ibarra, a prominent barrister and business man of Mexico City, is here urging on the government that immediate steps be taken to improve the commercial relations between Canada and Mexico. It is, he declares, an opportune time, and Mexico desires greatly an extension of trade with Canada, as each country appears to produce much of what is required by the other.

When here Don Luis interviewed Hon. James A. Robb about appointing a Canadian trade agent and also securing better steamship facilities on both Atlantic and Pacific coasts. Large Canadian steel and car corporations are deeply interested in Mexico, and may secure some good orders. Accompanying Mr. De Ibarra was Colonel McEburn, Toronto, who has spent several months in Mexico. (Montreal Gazette.)

It was reported at a meeting of the executive of the Montreal Export Club, held last evening at the Old Colony Club at the Windsor hotel, that General Obregón, president of the Mexican republic, was prepared to invite a party of Canada exporters to Mexico as the

Corns? Blue-jay to your druggist

The simplest way to end a corn is Blue-jay. A touch stops the pain instantly. Then the corn loosens and comes out. Made in a world-famed laboratory. Sold by all druggists.

New York, Feb. 3.—Explosion of several stills, with the consequent wreckage of four buildings and serious injury to three men; seizure of several hundred gallons of alcohol, whiskey, wines and liquors; and the destruction of a three-story brick building in Gravesend, and the whole neighborhood rocked by an explosion of a still, which was followed by fire.

SHOULD GO SLOW SAYS GAZETTE

Montreal Newspaper Discusses Deep-water Project—Should Develop Our Own.

(Montreal Gazette.) The deep-water project, permitting the passage of ocean vessels into Lake Superior, is the theme of much newspaper discussion. Western farmers

divine in the scheme so many cents added to the price paid for their products, and as a consequence are easily induced to favor it, while lake ports nurse the delusion that a deepened waterway will make of each an ocean port. On all sides selfishness is apparent. New York fears that an enlarged St. Lawrence waterway will destroy the traffic of the Erie Canal and every local interest concerned in that canal hostile to the project approved by the International Waterways Commission. Equally antagonistic are the towns and cities of the Mississippi river. The question, however, is much larger than local or sectional interest, and will ultimately be resolved by consideration of the greatest good for the greatest number.

Is He a Pro?  
Another case of a professional player in amateur hockey has been brought to the attention of the Quebec Amateur Hockey Association. It was reported to the Quebec Association that Phil Stevens, who played with Wanderers previous to the war, and this season turned out with Canadiens, was playing with one of the teams in the Quebec Hockey League. It is alleged that Stevens did not play under his own name, but under the name of Phillips.  
President Gargnon of the Packers' League was asked to appear before the Quebec Registration Board and when advised of the facts said that he had heard the same rumors, and that he would investigate the matter. The Quebec Association decided that before granting Phillips an amateur card, he would have to appear in person to apply for it.  
Members of the registration board are convinced that Stevens has played in the Packers' League, and if such is the case men who played with and against him knowingly will be forced to apply for reinstatement.

OPIMUM OUTFIT IN  
POLICE COURT

Evidence in Case of Raid in Rear of Laundry Here Yesterday.

A great deal of difficulty was experienced in the police court this morning in finding an interpreter in a case against three Chinese, Hum Sek, Harry Woo and Hum Woo, in connection with a raid on the living premises in the back of a laundry at 57 Prince Edward street last night. The room bore a slight odor reminiscent of laundries, which proceeded from the smoking paraphernalia spread out on one of the tables. The collection included three opium pipes, four extra bowls for the pipes, a package of opium ash, a vial of opium, and needles and other things used in preparing the poppy drug for smoking.  
E. S. Ritchie, who appeared for the defense, said that Hum Sek was ready to plead guilty to having opium in his possession, and after Hum Ost had been secured as an interpreter to make sure that he understood what he was saying, his plea was accepted. He had a certificate in his possession, Mr. Ritchie said, showing him to have been an addict of the drug for twenty years. This was negated by a Montreal medical man. The others, Harry Woo and Hum Woo, pleaded not guilty to a charge of having been present when smoking was going on.

A dominion policeman testified that he had gone with Detective Sergeant Power, Detective Donahue and Policeman Saunders to the residence of Hum Sek, 57 Prince Edward street. They had a search warrant and entered the house. In a room at the back, where the defendant lived, they found the article in court. Hum Sek was sitting on the edge of the bed with a needle in one hand and a vial of opium in the other, while beside him on a table there was a tray with a lamp burning, and a pipe. The pipe was lit. Hum Woo, he said, was lying on the bed in a dozed condition, and the room was full of the fumes of opium. Harry Wood testified that he had been asked by Hum Sek to get him a chicken, and he had gone to the room to tell him he could not get it. He had been in the room only a few minutes when the officers arrived. He was a friend of Hum Woo, who was used for Hum Sek, and he had been in the city for about two years. The case was postponed until this afternoon.

**WILL KEEP THE BUREAU OPEN**  
Decision to Continue Employment Office in Place Provided by Bank Montreal.

A meeting of the general committee on unemployment was held in the Y. M. C. A. this morning, with a good attendance. Rev. H. E. Thomas occupied the chair, and Rev. J. C. B. Appel acted as secretary. A committee from the Rotary Club was present. Major Burroughs of the Salvation Army reported that up to Thursday, 645 names were registered—342 men and 103 women. There were 194 positions given out, of which 124 were men and seventy-two women. Of the 342 men registered, 408 have resided in the city for a period of three years or more, leaving only 106 late comers.  
The question of the maintenance of an office was considered. Generous support had been given by the Rotary Club and Salvation Army, but the Red Cross quarters, which had been loaned for a month, had now to be vacated. The question of office supplies and a stenographer also have to be faced. After some discussion, the Salvation Army representatives volunteered to continue the work and take advantage of an offer by the Bank of Montreal to provide office space. It was felt that the public would come forward in providing office fixtures, and that some way would be found to meet the necessary financial obligations. The consensus of opinion of the meeting was that the office justified its existence, and many kindly things were said in appreciation of the work of the Salvation Army and Rotary Club.

**BIG DROP IN THE REVENUE**  
Ferry Earnings for January Thirty Per Cent Less Than Last Year—Car Competition and Slack Times Factors.

A decrease of nearly thirty per cent in the traffic and revenue of the Carleton ferry for January as compared with the same month last year was reported this morning to Commissioner Bullock, of the ferry department, by G. H. Waring, superintendent of ferries. The decrease, in the opinion of the commissioner, was due to some extent to the policy adopted by the street railway company in having weekly car passes at \$1 a week, which tended to switch the traffic to Carleton around by the bridge. The dullness of the winter season is also considered a factor.  
The comparative figures were as follows—  
Passengers carried . . . 228,623 164,225  
Passenger revenue . . . \$3,109.95 \$2,647.78  
Teams carried . . . 11,725 8,609  
Team revenue . . . \$969.02 \$840.30  
Decrease in passengers, 64,398; decrease in revenue, \$1,063.17.  
Total decrease in revenue, \$1,182.89.
