## REPORT OF THE COMMITTEE

FOR THE YEAR 1880-81.

In presenting their Annual Report, the Committee of the Ladies' Benevolent Society desire to render thanks to the Giver of all good for the measure of success which has attended their efforts during another year.

The kindness of friends has enabled them to carry on the work for which the Society was instituted forty-two years ago. That work is, the relief of the poor and needy, irrespective of nationality or creed.

During the winter months 248 Tickets were received at the Depository ; 164 from Catholics and 84 from Protestants. 238 were given for groceries, and there were 10 special grants of clothing, money and wood. The total receipts and expenditure for the year will be found in the Treasurer's Statement appended to this Report.

As the trying season of winter is fast approaching, the Committee would urge the claims of the Society upon all friends, with the earnest hope that a liberal response may be given, in remembrance of Him who said : "The poor ye have always with you, and whensoever ye will ye may do them good."
